City Tax Rate Raise Passed By Council

The city of Morton voted Mon-
day night to increase the tax rate
from \$1.20 per 100 valuation to
\$1.40 per 100 valuation.
The vote came after the reading
of the audit report for the fiscal
year just completed which showed
that the city's operation was
\$1,947.34 in the red for the past

year's operation as far as the gen-
eral fund was concerned.
Need for paying the city's pav-
ing costs, costs of sealcoating
other paving, and increased costs
of operating the city necessitated
the tax raise, City Secretary Joe
Seagler said. He estimated the
increase in tax would bring in about
\$5,600 additional revenue and
eliminate the need for the city
having to borrow funds from the
water and gas department in order
to operate.
In other respects the audit re-
port prepared by R. L. Lawrence,
Certified Public Accountant, show-
ed the city's financial condition
to be improved. One of the major
items of improvement was the
dropping of the loss of gas by the
city, from 26 percent to 13 per-
cent. This was the result of an ex-
tensive repair project on major
gas leaks conducted during the
year.

Pairings Announced For Weekend County-wide Golf Tournament

A total of 40 players have qual-
ified for the County-wide golf
tournament to be held at the Morton
Country Club, this weekend.
The entry list was so great that
16 men have been placed in the
championship flight, with first
round losers going into the Pre-
sident's flight. Thus these 16 gol-
fers will have to play one extra
round of 18 holes, and so the first
matches for this group only are to
be played today (Thursday).
All other flights will begin play
Friday.
Winner, runner-up and consol-
ation trophies will be presented in
each of the flights.
Here are the pairings:
Championship Flight (and Pre-
sident's Flight for first round los-
ers)
Bob Travis vs. Hub Cadenhead
Bill Lee vs. Ray Keith Mon-
aghan.
Button Silvers vs. John Barnes.
Tom McAllister vs. Ruel Kelly
S. M. Monroe vs. Lloyd Evans.
J. D. Hawthorne vs. Snoball
Willis.
Jack Russell vs. Willard Cox.
Babe Van vs. Jim Middleton.

FIVE RESOLUTIONS PASSED . . . County Demos Pledge Solid Support To "Johnson for President" Drive

Cochran County Democrats meet-
ing in the County Convention
Saturday gave unanimous approval
to a "favorite son" resolution
backing Sen. Lyndon B. Johnson's
nomination for president of the
United States.
(The resolution, which was given
approval by most precinct
conventions Saturday, May 7, was
printed in full in last week's pub-
lication of the Morton Tribune.)
They named eight delegates and
ten alternates to the state Demo-
cratic Convention June 14, and
approved four other resolutions,
including one binding the dele-
gation under the unit rule.
Resolution number one instructs
the county's delegates "to the
state convention to work for a
Texas delegation to the national
convention instructed to name
Senator Johnson as their chair-
man, and to work for and se-
cure his information for President
of the United States."
Resolution number two instructs
the delegates to work for action
to restrict Supreme Court deci-
sions to judicial decisions as au-
thorized by the Constitution of the
United States.
Resolution number three in-
structs the delegates to work for a
national farm program "for the
FARMER."
Resolution number four in-
structs the delegates to work for
legislation favorable to continuation
of "payments of poll taxes."
Resolution number five binds
the delegates under the unit rule
Delegates to the state conven-
tion are Mr. and Mrs. J. W. Mc-
Dermott, Mr. and Mrs. LeRoy
Johnson, Mr. and Mrs. Joe Seagler,
Mrs. Jenny B. Denny and
Mrs. Dona Doughty.
Alternates are Mr. and Mrs. J.
D. Hawthorne, Mr. and Mrs. Roy
Hickman, Mr. and Mrs. Alton
Ainsworth, Mr. and Mrs. L. T.
Lemons, and Mr. and Mrs. H. B.
Barker.
The convention was called to
order shortly after 2:30 p. m. by
Carl Ray, county Democratic chair-
man, in the District Courtroom.
Mrs. Earl Sybert was asked to
serve as temporary secretary.

Pre-Bible School Parade Planned Sat., May 28th

Another Bible School parade is
scheduled for Saturday May 28, at
3:00 p. m. It will be similar to
the parade last year and all churches
are encouraged to participate.
Participants will meet in
front of the First Baptist Church
in time to begin at 3:00. Those
who can will walk in a group ac-
cording to their church, others
too small to walk will ride, and
those who can will ride bicycles.
Most of the Bible Schools will be
conducted around the same time.
The purpose of the parade is to
make the entire city aware that
that it is Bible School time again.
Four of the local churches which
have announced coming Bible
schools are:
First Baptist Church, May 30 -
June 10.
First Methodist Church, May 28
through June 5.
Missionary Baptist Church, June
1 - June 10.
East Side Church of Christ, be-
ginning May 30, each day from
9:00 a. m. to 11:00 a. m.

Who's Who Cash Kept In the Family Past Two Weeks

Who's Who game because Mrs.
Odessa Daniel of Morton failed
to list all the clues on her Who's
Who entry.
With the \$66 already scheduled
for this week, the award gets
richer for a total of \$122.00 — not
bad for someone!
Mrs. Daniel, whose husband
was awarded \$66 last week, cor-
rectly identified Mrs. Iva Evelyn
Williams, teacher in the Morton
Schools, as the mystery person.
When contacted by phone, Mrs.
Daniel couldn't believe she had
left one out.
She said she had already heard
the good news, and was greatly
curious as to how she had missed.
(She was awarded 10.00 for cor-
rectly naming Who's Who.)
Apparently Mrs. Daniel made
her mistake in listing "Under-
stands two languages" twice, and
getting 25 clues, but still leaving
one out.
(There were 25 clues including

3-Year-Old Cochran Youngster Dies When Bitten By Rattlesnake, Monday

A three year old Cochran County
boy, Harold Melvin Sinclair, son
of Mr. and Mrs. W. B. Mozier,
who live on the Castle farm nine
miles southeast of Morton, died
early Tuesday morning as the
result of being bitten by a large
rattlesnake, late Monday even-
ing.
The lad died at 2:25 a. m. He
had been bitten, as nearly as could
be theorized, at about 7:30
p. m., Monday, while playing in
the yard near his home.

Survivors, in addition to the
mother and stepfather, include a
brother, Lee Sinclair, a step brother
Burl Mozier, and a half sister,
Gloria Jean Mozier, all of the home;

Who's Who Gain Not Spectacular CITY FALLS SHORT OF 3,000 PEOPLE

Morton has grown by 405 pers-
ons since the 1950 U. S. Census
was taken, according to figures
released in Lubbock this week by
Earl E. Kerr, district census di-
rector.
The 1960 census figure for Mor-
ton as published in the Avalanche
Journal was 2,679 as compared
to 2,274 in 1950, representing a
growth in the past 10 years of
slightly more than 17 percent. The
Tribune has received no report
from the census bureau, but it
was reported last week, in towns
of less than 10,000 population, the
major would have to request the
information before it would be
released.
(These are all preliminary fig-
ures and are subject to revision
when final census totals are re-
leased later in the year.)
In the same publication a new
figure for Cochran County was
listed . . . adding one resident.
Last week the county's popula-
tion stood at 6,345 for the 1960 fig-
ure. A later figure gave the coun-
ty 6,346 as compared to 5,928
in 1950.
For the county the figure indi-
cates a growth of just over 7 per-
cent in the past 10 years.
And, while the county showed
a growth of 418 persons, the city
of Morton showed a growth of
405 persons.

Pirates, Cards Ride Crest of Little League Play

Morton's Little League got "off
and running" Monday night as
the Pirates came from behind to
nip the Cubs in the last half of
the 6th inning, posting a 4 to 3
triumph.
Tuesday was almost a repeat
performance as the Giants carried
8 to 7 lead into the last half of
the final inning and lost a 9 to 8
decision to the Cards.
Thus the Pirates and Cards took
over first place in the league.
The league's fifth entry, the de-
fending Champion Sox, play their
first game this evening, at 6 p.
m., as they meet the Pirates.
Games are played each Mon-
day, Tuesday, Thursday, Friday,
and Saturday evenings, at 6 p. m.
Minor league games will be played
at 4 p. m. each weekday, except
Wednesday, and boys who have
already signed up and did not
make the Little League, or those
who have not signed up but would
like to, are urged to do so to get
the Minor League's rolling. Turn
in your slip to Elmo Smith at
the ball park. He will tell you when
to report to play.

The FOR Club met in regular session on May 11th in the home of Mrs. Ben Shaw, Sundown. Presiding officer was the club's president, Mrs. A. C. Jones assisted by Mrs. C. D. Arnold, secretary.

The roll call was answered by seven members, one brand new member and one visitor. Mrs. Johnny McInturf, Sundown. Members answered by telling of their "Mother's Day Gift Best Remembered."

A report of the Council Delegate and Financial report were made to the club by Mrs. Arnold and Mrs. Shaw, respectively.

It was reported that several had visited Mrs. Clark and members planned to each take a potted rose bush to set out for her on Wednesday, May 18th.

A backyard party was planned for Friday the 13th, with a barbecue climaxing the event at the home of Mrs. Clifton. All club members and families were to attend and bring a guest.

The day's program was a demonstration on Hawaiian customs, dress, and food, by the HD Agent

Leila Petty. This was enjoyed by so many members, they have planned a Hawaiian Party for the near future.

Refreshments of chicken curry with ginger, avocado salad with honey French dressing, Maia Me Ka Nio and Haupia and punch were served to Mesdames C. D. Arnold, A. C. Jones, Stanley Henderson, T. R. Harrison, Oland Clifton, Earl Lee, Randall Hughes, Johnny McInturf, Miss Leila Petty and the hostess, Mrs. Ben Shaw.

Wesleyan Guild Again Elects Leila Petty, Pres.

The Wesleyan Service Guild met Monday night, May 9th for their regular meeting, in Fellowship Hall with Mrs. J. R. Kuykendall serving as hostess.

Miss Leila Petty presided over a short business meeting. Reports from division secretaries were made. The group voted to sponsor Miss Pat Dillon, a missionary from Brownfield, Texas, as a conference daughter.

New officers for the year were elected. Serving again as president will be Miss Leila Petty. Mrs. W. G. Freeland will serve as vice president. Mrs. Carl England as secretary and Miss Lenora Jackson as treasurer.

Mrs. Bill Hulse lead the group in singing, with Mrs. Joe Seagler giving the devotional on Love as taught by Jesus. The study of Luke was continued under the direction of Mrs. Carl England.

Refreshments were served to Mesdames Don Hofman, Bob Cross, James Harrell, Hardy Rhyne, F. E. Baldrige, J. W. Cunningham, W. G. Freeland, Bill Wood, C. E. Luper, Raymond Ross, E. O. Willingham, Logan Greene, Joe Seagler, Bill Hulse, Carl England, Ethel Rainey and Leila Petty.

auditorium of the First Missionary Baptist Church.

Rev. Steadman spoke on the importance of "little folks" in the world.

George Cooper gave the invocation. Norton Willis sang the benediction. Miss Patsy Sybert accompanied him on the piano. The processional and recessional were played on the organ by Mrs. E. L. Willis. Piano music for the program was presented by Mrs. Bill Harris.

A white Bible was presented Johnny Collins for perfect attendance during the year.

Members of the class were Sherrill Cadenhead, Cindy Corley, Ruby Lee Coon, Beverly Dolle, Becky Gandy, Mary Katherine Glasford, Terry Harris, Treva Jackson, Becky Jerden, Bobby Cheryl Jamison, Nan Ray, Debbie Willoughby, Steve Allen, Randy Clayton, Terry Clevenger, Randy Grant, Bob Greene, Jimmy Jones, and Dale Tilger.

Ushers were Johnny Collins and Mike Bridge. David Palmer served as marshal, presenting the flag.

Mrs. Joe Gipson, founder and teacher of the "Little Folks School", directed the program.

Bledsoe Grade School Graduation Exercises Set for Thursday, May 26th

BLED SOE (sp.) — Grade school and high school graduation are set next week at the Bledsoe schools.

Whiteface Teacher Contributes Items To "Instructor"

WHITEFACE (sp.) — Mrs. Zula Knott, teacher of grade in Whiteface Public School, has made a contribution to the June issue of "The Instructor," popular elementary teachers' magazine. A handwork project, "Easily Sewed Wire," appears on the page devoted to Exceptional Children. Mrs. Knott also had her projects published in the September and December issues of this magazine.

The high school baccalaureate sermon and exercise will be delivered on Sunday, May 22 at the First Baptist Church in Bledsoe. The grade school commencement exercises will be held on Thursday, May 26th at the school auditorium.

MAY 22ND THROUGH MAY 29TH Soil Stewardship Week Should Hold Special Significance for This Area

Soil stewardship, or soil and water conservation, influences the soil. It gives soil the mellow, life containing feel. But it also affects our food supplies, raw materials for industry, incomes of the individual and the community, the beauty of the landscape, number and kinds of wildlife, water supplies and their efficient use.

At least some of the above facts have a deep significance to each of us. They are the reason man does feel a spiritual kinship to the soil and a moral responsibility to take good care of it. They are the reason Soil Stewardship Week.

Citizenship Course To End Monday At Auditorium

The 6th and final session of the Citizenship Training Course presented by Dr. Maddox, will be held in the County Auditorium on Monday night, May 23rd, at 8 p. m.

The windup lesson in the course perhaps the most important one will point up the way ahead in the battle between the free world and Communism.

Previous lessons have studied the progress and theories of Communism, compared this way of life with Capitalism, and shown the dangers in the threat of Communism ruling the world.

May 22 - 29, sponsored by the National Association of Soil Conservation Districts, your own Cochran Soil Conservation District and cooperating church organizations, has become a nationally recognized event.

To fail in our soil stewardship is to imperil the future by squandering the basic resources on which man must depend for all time. For the Psalmist tells us "they shall inherit the earth . . . and their inheritance shall be forever."

Man sometimes fails. In Jeremiah 12:10 we are told, "they have made my pleasant portion a desolate wilderness."

Man had a choice then — as he does today. Let us each manage our "pleasant portion" so we may enjoy the green pasture and the still waters.

Pfeiffenberger Is Delegate to London Textile Meeting

George W. Pfeiffenberger, Executive Vice-President of the Plains Cotton Growers, Inc., has been named the only producer delegate to the International Standards Organization's technical committee meeting on Textiles in London, May 19-28.

Other delegates will be from the textile industry, cotton shippers, the U. S. government and National Cotton Council. Thirty-seven countries from all parts of the world will participate in the ISO meeting.

Purpose of the meeting is to establish standards for fiber, yarn and textile testing to be used in facilitating international trade.

Pfeiffenberger is chairman of the subcommittee on sampling co-chairman of the subcommittee on yarn testing and a member of other groups studying such important cotton fiber tests as

color, trash content, fiber maturity, fiber length and fiber strength.

An active member of the American Society for Testing Materials for many years, Pfeiffenberger will present the cotton producers' viewpoint on these matters. In addition to the ISO meetings

he will present several illustrated lectures on the results of fiber and spinning research from many years experience in Laboratories pilot plants and mills, with particular emphasis on the utilization of High Plains cotton. Meetings with cotton organizations will be held in Manchester, England.

the center of the British Textile Industry; Ghent, Belgium, Zurich, Switzerland; and Milan, Italy. He will also visit cotton mills to discuss High Plains Cotton.

Mrs. Pfeifferberger will accompany him and they will leave Lubbock May 15 and return about June 21.

Raise a motor boat in a sorghum field?

It's not fantastic! And here is why:

A well-known Texas farmer with 250 acres of maize reported a yield increase of 1625 pounds per acre after application of Phillips 66 Ammonia. He cut a total of 7250 extra bushels of grain and netted \$4050 in extra profits after deducting the cost of ammonia. You can buy a pretty classy boat and motor for \$4050.

Ask your Phillips 66 Distributor to show you the ways this 82% nitrogen fertilizer can help you live better through higher profits per acre.

	Using Phillips Ammonia	Without Ammonia
Fixed Cost Per Acre	\$39	\$39
Ammonia Cost Per Acre	\$7	—
Yield Per Acre	97 bu.	68 bu.
Net Profit Per Acre	\$31.60	\$15.40
INCREASED PROFIT PER ACRE \$16.20		

*Example only. Grain sorghum 88¢ bu. Results vary, according to soil fertility, available moisture and cultural practices.

CROP Area Director Visits County To Explain Workings of the Program

The world-wide service of CROP (Christian Rural Overseas Program) was presented Saturday morning here by H. M. Nichols, area director for the program.

Nichols, a former county agent, said the program offers the giver 100 percent delivery to the receiver of all gifts.

This he pointed out, can be accomplished because special gifts have always been available to the program to take care of all necessary administrative costs.

Also, the program is carried out

overseas by missionaries. Among items sent overseas recently by CROP are corn oil, crab apple jelly, beans, clothing, wheat, rice, soy beans and cotton.

Pointing out how CROP secured additional aid in moving basic needs overseas, Nichols said the Santa Fe moves cotton from this area to the coast at no cost to CROP.

He said the Extension Service was cooperating with CROP and that South Plains Cotton Growers had also voted to give the organization their full cooperation.

Attending the meeting were Miss Leila Petty, home demonstration agent, Rev. James E. Harrell of the First Methodist Church, S. A. Ramsey and Bill Glassford.

Bledsoe Seniors To End Trip Sunday Night

The Bledsoe Senior class will return Sunday from a trip to South Texas. They spent the first day and night at Dallas, went on to Houston and San Jacinto Park, spent Monday, Tuesday and Wednesday at Galveston and while near there stopped at Anahuac to visit the J. D. Dye's, former Bledsoe teachers. A day and night at San Antonio and a day and night at Austin completes the trip and Sunday they will head back for Bledsoe.

Nineteen Varieties Of Cotton Planted At High Plains Sta.

Nineteen varieties of cotton were planted on April 25 at the High Plains Research Foundation.

This research project is a continuation of the search conducted since the Foundation was organized in 1957 for varieties that give the best returns. This test for yield and quality includes varieties best adapted to the various methods of cotton harvesting currently practiced by farmers in the High Plains.

Each of these varieties were planted in four row plots, 100 feet long with four rows to each plot. The tests will be made from the two center rows in each of the four row plots, reports Dr. E. H. Collister, chief agronomist at the Foundation.

Jaycees Discuss Family Night

Chevy hums through Chicago traffic to the tune of 21 miles to the gallon!

Working for Bumper and Auto of Illinois, Inc., ten 1960 Chevrolet pickups battle Chicago traffic day after day. Each truck averages about 2,000 miles a month in this wearing stop-and-start delivery service. Mr. Harry Haller, General Manager of S & H Truck Leasing, who leases the trucks to the bumper firm, reports: "We provide full maintenance on the trucks—gas, oil and everything else—so it pays us to know just where we stand on costs. And our records show that the '60 Chevies are giving us as much as 21 miles per gallon . . . with an average of better than 17 miles per gallon. Mister, these are our kind of trucks!" Truck owners have good things to say about all Chevy engines. And when they're not talking about Chevrolet performance and economy, they're telling you how great that new Torsion-Spring Ride is. How it soaks up road shock and vibration. Protects fragile loads. Lets you run at faster, safe speeds to get more work done in a day. Drive a torsion-spring Chevy soon. We'll rest our case on that one ride.

CONGRATULATIONS to the CLASS of '60

The world can be yours if you just reach for it! On this most important day in your young lives, we extend our hearty congratulations and wish you a future filled with success.
May God bless each of you.

MILK POWDER ADD NUTRITION

Make your meals better tasting and more nutritious by adding nonfat dry milk solids to the food. For many uses, you won't need to reconstitute the milk. . . Simply sift milk powder — 3 tablespoons for each cup of milk called for in the recipe with the dry ingredients. Then use water instead of milk.

When making yeast rolls sift the milk powder with the flour and use boiling water instead of scalded milk to dissolve the sugar, salt and shortening. Cool to luke-warm before adding the dissolved yeast.

Use nonfat milk solids for making your own mixes. Use them for biscuits, waffles, pancakes, gingerbread, cake and brownies. They can also be used in making cocoa.

Next time you have mashed potatoes, use a tablespoon of milk powder for every medium size potato. Add it with the butter when you mash the potatoes. Then, instead of adding fluid milk, use some of the hot potato water in which you cooked the potatoes.

To increase nutritional value of gravies, white sauce, and cream soups, use a quarter of a cup of milk solids with each cup of liquid. Add additional protein to custards, puddings, and cocoa by adding two tablespoons of milk solids to each cup of milk. For meat loaves and sausage, mix half a cup of milk solids with every pound of meat.

Adding milk solids when cooking is an easy way to help family members get more of the nutrients they need daily.

GRAVY (for fried chicken or fried steak)

1. Mix in small bowl

- 1/4 cup flour
- 1/2 teaspoon salt, and pepper if desired
- 1/4 cup instant dry milk
2. Drain all fat from skillet. Measure and return 1/3 cup to skillet.
3. Work flour mixture into fat in skillet. Brown if desired.
4. Stir in gradually 2 cups water
5. Cook slowly until gravy thickens.

PLANTING GLADIOLUS

Planting time for gladiolus in Texas depends on where you live. A. F. DeWorth, head, Department of Floriculture and Landscape Architecture at Texas A & M, says planting for winter flowering in the Lower Rio Grande Valley and other Gulf Coast areas starts in September and continues until late January or late February for flowering from December to April. In the central portions, plantings are started in March. First plantings in the Panhandle usually begin in May and can continue until July.

Gladioli grow well in most soils if careful fertilization and watering are practiced. Heavy soils that do not drain well will not produce gladioli. For best growth, a sufficient amount of oxygen must be present in the soil.

Standard fertilizer used for root crops in any area of Texas is usually the best type of material to use. A 5-10-0 ratio is very satisfactory fertilizer. Don't overfertilize. Two applications of a complete fertilizer are all that is needed. Apply this at planting time at the rate of 3 pounds per 100 linear feet of row. Then apply the same amount as sidedressing about four weeks later.

Names of varieties recommend-

ed for Texas gardens are given in the reprint of Mr. DeWorth's article, "Gladiolus for Texas Gardens." Also included are directions for selecting corms, for planting, fertilization and insect control.

Get a copy of the article from this office.

CONTROLLING BAGWORMS

Bagworms, which attack some ornamental plants can be controlled by using two teaspoons of 40 percent chlordane in one gallon of water; or one tablespoon of 60 percent of emulsion concentrate toxaphene in one gallon of water or one tablespoon of lead arsenate in one gallon of water.

So check for bagworms on your arbovitae and cedar like plants. Also check on your althea, elms, roses and oaks as there are some species that attach these plants.

For further information, ask this office for L-99, Guide for Controlling Insects on Ornamental Plants in Texas.

CONTROLS FOR SILVERFISH

Damage from silverfish may increase during hot weather. These pests thrive on vegetable foods having a high starch or sugar content and are very fond of moist

wheat flour. They feed upon sipping in paper, book bindings, wall paper and starchy insulation materials, causing much damage. Thin fabrics such as rayon, curtains and starched clothing may be severely damaged by these insects.

Five percent DDT or two percent chlordane household sprays will control silverfish. If dusts are preferred, use five percent DDT or chlordane.

Thorough application is important for control. Apply the insecticides to surfaces over which the insects crawl. CAUTION: Do not use sprays around open flame.

BWARE: IT'S LIGHTNING SEASON

Today, most persons don't regard lightning as a serious danger. They think that if our scientists can streak the sky with rockets and satellites, surely we must have such an old fashioned thing as lightning under control.

If you're one of these persons, you'll be shocked to know that lightning this year will kill more than 600 Americans (including those who die in fires kindled by lightning), injure 1,500 and damage property at a cost of \$130 million. So says the Lightning Protection Institute.

Sprawling farms, unprotected by high city buildings, are excellent lightning targets. The loss in farm property from lightning fires is estimated at \$56 million.

Lightning usually chooses a tall object because it strives to make the shortest possible contact between sky and earth. The Empire State Building was hit 48 times in one year.

Persons in the open are excellent targets because they are often the highest object in the area.

Even persons in a shelter cannot be safe from lightning unless the building has a complete lightning protection system.

Many persons think a TV antenna will act as a lightning rod, preventing lightning from harming the house. This is not true. In fact, a TV antenna, spearing high into the sky, is a wonderful invitation to lightning.

If you are caught in a thunderstorm there are certain things you should know.

The most dangerous time is just before the storm when dark clouds appear and the air feels charged with electricity. If you are outdoors then and your hair feels as if it is standing on end, fall flat immediately. Get in a ditch or other depression if possible. You are being set up as a perfect lightning target.

WHERE NOT TO BE

Some very dangerous places to be are: in an open field; in a boat; in the water swimming; atop a hill; under an isolated tree; near a wire fence, clothesline, overhead wires or towers; or riding a bike, tractor, horse or farm machinery.

First thing to do if you find yourself caught in one of these locations is look for a building protected with lightning rods and grounds or steel framed building. If you're in your car, stay inside it with windows closed. If you can't find shelter, get under a cliff in a ditch or flat on the ground. If you are in an unprotected bu-

ilding, don't stand in doorways or near open windows. Keep away from metal objects, the fireplace, sink, bathroom fixtures, the phone and the television set.

Two good rules to remember: If you sense a thunderstorm coming up, find proper shelter immediately; don't wait until the storm is upon you. Also, don't ever let yourself be the highest object in the area.

To keep your farm safe from lightning there is only one thing to do. Put in a lightning protection system of light metal rods and conductors that will carry the electricity into the ground.

Be sure to get a reliable company to install your lightning system. It is not a "do it yourself" job.

HOW TO CAPTURE SKUNKS

If you have been bothered with skunks or if they are under the house here are the instructions on how to capture them.

(1) Place garbage can near area where skunks create disturbance. Keep lid nearby.

(2) Place 1" X 6" (or 1" X 8") board on lip of can, resting other end on ground. Do not make angle steep - a long board is best.

(3) Place bait, such as sardines or table scraps (meat) inside can. (Try to keep dogs or cats tied or penned.)

(4) Early next morning (after trap has been baited night before) approach can very quietly, with garbage can lid in hand. Look into the can cautiously and if skunk is present, carefully place lid on can. Do not expose face to animal.

(5) Secure lid with rope or wire and haul to isolated area. Remove lid, overturn can with board and dispose of skunk with gun.

Students Urged To Hold God In Their Hearts

To face the "Sizzling 60's" we must have Christ in our hearts, Harold Drennan, director of music at the First Baptist Church and teacher in the Morton Schools told members of the Morton Senior class here Sunday night.

The baccalaureate service was held in the Cochran County Auditorium.

Rev. James E. Harrell of the First Methodist Church gave the invocation. The benediction was asked by Rev. Austin Steadman of the First Missionary Baptist Church.

Special music was presented by the Morton Choral department under the direction of Robert Hahn. The professional and recreational were played by Mrs. J. J. Jenkins.

For his text, Drennan chose Proverbs 3:56, "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths."

Drennan said the next decade may well be the most interesting 10 years in history.

"Those who know," he said, "tell us that with all that we know and are learning, it could be that in the next 10 to 20 years we will advance more than we have advanced since the dawn of history."

He warned, "If those whose hearts are cold, cruel, calloused and ungodly get to use these advancements destructively, those who survive may revert back to the age of the caveman."

"Our young people," he said, "are thinking more seriously than ever before. Beneath an exterior that delights in 'eat talk,' thrills to the weird sound of 'bearded beatniks,' and squeals like pigs to jungle rhythm of baggy pants 'rock and roll' contortions — they are thinking."

His advice to the class facing the "Sizzling 60's" was outlined in three thoughts: recognition of God, assuming responsibility in the home, school, and church, and having Christ "in our hearts."

WHO'S WHO —

The listing two times of "Hobby; sewing." The clue Mrs. Daniel failed to list was "Wed in neighboring county."

She couldn't understand leaving it out, because she said "I called Mrs. Williams and checked that particular clue."

The winning entry was selected by Little Vickie Proctor, 12 month old daughter of Mr. and Mrs. Carl Proctor of Morton.

Vickie had to have some urging before she would touch an entry.

A quick check of the 623 entries showed a lot of folks ended up with 26 clues.

"Has eight children" just worked.

Trio To Attend Methodist Conf.

Three representatives of the Three Way Methodist Church were making plans this week to attend the annual Methodist Northwest Texas Conference May 24 through May 27 at Polk Street Methodist Church, Amarillo.

Mrs. Cecil Cole, delegate from the Three Way Church, and Mrs. Leon Reeves, alternate, are expected to attend the conference.

ARRIVES IN CALIFORNIA

Rev. William Contreras, former pastor of the Spanish Assembly of God Church here, extended Morton friends a "hello" this week from Malaga, Calif., where he and his family are now residing.

uldnt fit.) The Who's Who awarding was conducted at Byron's Auto Supply. Entries were gathered from Ray Hudson Texaco Distributor, Willis Food, and Morton Laundry.

Who's Who boxes will move to the First State Bank, St. Clair's Department Store, McMaster Tractor Co., and Piggly Wiggly this week.

You are invited to place an entry in each of the Who's Who boxes, but only one per box.

Please sign your entries along with your address, and phone number, if you have one.

(It's a good idea to read over the rules now and then, too.) Watch out this week . . . the award is loaded with \$122.00 in cool Uncle Sam currency, and it could be a bit tough to get . . .

Here are the clues to the identity of Mrs. Williams, mother of four children: Ruth, Ray, Shirley, and Dean.

Given name initials: that is, (i. e., that is); Middle name indicates youth, (Evelyn, youth); Last name same as famous English born clergyman, (none other, as we old fifth graders know, than Roger Williams, founder of Rhode Island colony)

Favorite newspaper: Tribune, (thank you, Mrs. Williams); Hobby: sewing; Hobby: sewing, (somehow we lost gardening); Hobby reading: Chopped cotton; Born in log house, (Wise County); Attended Tech, (and we could have added West Texas); Married at Sunrise; Wed in neighboring county, (Causey, N. M.); Favorite color: green; Enjoys semi-classical music; listens to hill billy music; Understands two languages, (Spanish and English); Frequent visitor to neighboring town,

(visits her mother, Mrs. Roscoe Lackey, at Maple); 8b; Drove school bus; has late model nine letter auto, (Chevrolet); A dear one arrived on Mother's Day, (Ruth); Lived in Oklahoma; Wed in an adobe house; Philosophy: St. Luke 6:31, (and as ye would that men should do to you, do ye also to them likewise.)

And that ends another, the 14th edition, of Who's Who in Morton and area . . . only eight more to go . . . the gold glitters . . . it could reflect in your eye . . . try it and see . . .

Where to LOOK for CLUES . . . RULES

Clues may be hidden in ANY ad in this group ad. When a "Star" appears in any of these ads, it means that additional advertising for that merchant appears elsewhere in this issue of the Morton Tribune, and additional clues may be hidden in any of those ads, also!

Clues will be scattered . . . there may be from one to five clues in any ad . . . or none. This is a contest of skill . . . and we intend to do our best to outwit you. We invite you to do your best to outwit us!

Grid of 40 merchant advertisements for the 'Who's Who' contest. Each ad includes a star icon and contact information. Merchants include: FIRST STATE BANK, ST. CLAIR'S DEPARTMENT STORE, McMASTER TRACTOR CO., PIGGLY WIGGLY, BEDWELL IMPLEMENT CO., ST. CLAIR'S VARIETY, FLASH-O-GAS, IDEAL GIFT SHOP, DERWOOD TEXACO SERVICE STATION, MORTON MALT SHOP, Cobb's, CHEVROLET ALLSUP CHEVROLET CO., JACKSON FARM and RANCH STORE, NU-WAY CLEANERS, LUPER TIRE SERVICE, RAINES CASH FOOD, MERRITT L. P. GAS CO., BRACKEN Furniture and Appliance, SEANEY FOOD STORE, LORAN-TATHAM CO., TRUETT'S FOOD STORE, HIGGINBOTHAM - BARTLETT CO., DANEZ BEAUTY SALON, WINDOM OIL and BUTANE CO., MORTON DRUG, VIRGINIA'S BEAUTY SHOP, REYNOLDS TIRE COMPANY, WOOLAM IMPLEMENT COMPANY, RCA VICTOR, HERB'S GULF SERVICE STATION, MORTON TRIBUNE, STRICKLANDS, DOSS SUPER MARKET, BUTLER MOTOR CO., MORTON FLORAL and GREENHOUSE, LINDSEY FEED and SEED, CLARKE'S DRY GOODS, HAWKINS OLDSMOBILE CO., BYRON'S AUTO SUPPLY, RAY HUDSON TEXACO Distributor, WILLIS FOOD, MORTON LAUNDRY.

RULES

1. This is a family fun contest. Entries welcome from every member of the family old enough to fill out his or her own. You may submit one entry per person at any or all of the Sponsoring Merchants whose ads are in the row that is heavily bordered this week . . . but only one entry per person at any one store (more than one will disqualify all entries of that person for that week). Anyone can enter unless a member of your family is employed by the MORTON TRIBUNE. Sponsoring merchants, their families, (and their employees and families) are most welcome to enter EXCEPT during weeks that entries are brought into the Sponsor's place of business.

2. Nothing to buy. Use any slip of paper for entry blank. DO NOT put your entry in an envelope. Not necessary to be present at the drawing to win.

3. WHO'S WHO may be anywhere in the Morton trade area. Clues to his or her identity will be hidden ONLY in ads of Sponsoring Merchants (this means any ad in this section or any ad of the same merchant elsewhere in the paper). When star (s) appear in any ad in this section, it is your warning that other ad (s) of the same merchant (in which there may be clues) appear elsewhere in the paper. Clues will be scattered . . . many ads will have no clues while others may have as many as five. Beware of false clues; there may be some! This is a contest of skill and we intend to do our best to outwit you. We'll be delighted if you succeed in outguessing us, in spite of our best efforts.

4. If, by coincidence, the name of WHO'S WHO (or other facts about him or her) happen to appear in news items, editorial matter, or other places in this newspaper, these will not count as clues.

5. To enter, write down the name you think is WHO'S WHO. List all the clues you can find in all the ads of the Sponsoring Merchants in this issue. Don't forget your own name and address! Then drop your entry at the business location of any Sponsoring Merchant WHOSE AD IS BETWEEN THE HEAVY BORDERS IN THIS SECTION. You may enter at all four if you wish. There are no other places where entries will be accepted . . . and MAIL ENTRIES WILL NOT BE ACCEPTED.

6. This week's contest starts when you receive this issue, and closes at 4:30 p. m. Tuesday of the following week. At that time (4:30 p. m., Tuesday) a drawing will be held. The first entry drawn that correctly identifies the WHO'S WHO will win \$10.00. If THAT entry also lists every correct clue, (and no false clues) hidden in all ads of Sponsoring Merchants, the Bonus Jackpot of \$56.00 will be given. Whenever this bonus is not won it will be added to next week's BONUS . . . which will continue to grow until it is won! Winning the BONUS requires a PERFECT list of correct clues . . . the exact number and all copied correctly.

Family participation gives you a better chance to win the jackpot. Your wife, husband, or some bright-eyed youngster MAY spot a clue that you miss! Got any detective blood in you? Think you can outwit us? Remember you can't win if you don't enter . . . Fix up your entry NOW!

MOTHER DIES

Word was received here Thursday that the mother of Elmer Batteas had died in a hospital at Pampa, Texas. Mr. Batteas had been in Pampa several weeks at the bedside of his mother.

Attending the funeral of Mrs. Batteas at Mobeetie, Texas were the Elmer Batteas family, Mr. and Mrs. Frank Griffith and Rev. Hardgrove. Interment was in the Wheeler Cemetery, Wheeler, Texas.

TO ATTEND COLLEGE

Several of the teachers plan to attend college this summer. Charles Bowen will enroll at Tech in June. Mr. and Mrs. Adams will attend East Texas State the last semester this summer. Mr. Ware plans to go to ENMU and Mrs. Allsup will enter either Tech or South Plains College at Lev-

land, depending upon the subjects offered.

Mr. Thorp, the Agriculture instructor will remain at Three Way this summer and supervise the remodeling of the school lunch room.

HAS VISITOR

Visiting in the Elmer Batteas

home is his father of Mobeetie, Texas.

HAS CHECKUP

Mrs. Florence Bailey went back to Littlefield to see her doctor. He told her to put all her weight on the broken hip, and that she could discontinue using the walker just as soon as she felt that she could get around without it.

VISITORS FROM CIRCLEBACK

Guests in the Jack Lane home Saturday evening were her parents, Mr. and Mrs. Quisenberry of Circleback.

SENIOR CLASS IS BACK

The senior class arrived in Texas Monday morning from Mexico and drove on to Three Way Monday night. While in Mexico they took tours to the University, the Pyramids, National Palace, Square of Mexico, and Floating Gardens. In Acapulco they went water skiing swimming, surfing, and took a ride in a yacht around the bay.

VISIT IN SISTER'S HOME

Mr. and Mrs. Frank Griffith and Mrs. Florence Bailey visited in the Frank Perrin home at Morton Sunday. Mrs. Perrin is a sister to Frank Griffith.

VISIT GRIFFITHS

Visiting in the Frank Griffith home Thursday evening was Jake Carroll formerly of Morton, but has recently been at Ruidoso, N. M.

DIES OF HEART ATTACK

Mr. Masten of Maple, the father of Rayford Masten of Goodland died suddenly Thursday of a heart attack. Funeral services were at the Methodist Church in Morton.

WEEKEND AT LAKE

Spending the weekend at Lake Thomas were Mr. and Mrs. Ed Latimer, Gayle McColvey, Kathy Pollard, Elaine Kenley, Mr. and Mrs. Jack Ferguson and children, Shirley Fine, Mr. and Mrs. Baker Johnson and family, Neil Everett, Jessie Wynn Tyson, Gene Wittner, and Wayne Donald.

VERDICT UPHOLDS GREAT PLAINS NATURAL GAS CO.

Jurors in a 140th District Court civil suit in which Cochran Natural Gas Co. sought a judgement against the Great Plains Natural Gas Co. took only five minutes Wednesday, May 11, in Lubbock to return a verdict for the defendant, Great Plains Natural Gas

Co. The Cochran firm alleged a conspiracy by the defendants to use plans, engineering data, and other confidential information compiled by the plaintiffs for the purpose of constructing gas distribution lines to irrigation wells in Cochran County and adjoining counties. The case, which began Monday afternoon, was heard before Judge Robert H. Bean.

DANCE RECITAL SET SATURDAY

A dance recital will be presented Saturday night, May 21st, at 8:00 o'clock in the County Auditorium by the Morton School of Dance. The public is invited and there will be no admission charge. Those to take part will be students who have been taking dancing lessons this past semester.

Enjoy the Sweetest Rhythm on the Road!

A new performance concept made possible by the combination of two great new Phillips 66 products

NEW **TROP-ARTIC** offers you what no motor oil ever could before

New Trop-Artic* brings to the aid of your motor a new lubricating formula that cleans, protects, and preserves smooth performance under the most severe engine tests for automobile oil. The secret of Trop-Artic's exceptional performance is a revolutionary super-cleaning element called PDA, made only by Phillips Petroleum Company. In hundreds of thousands

of miles of testing, typical car owners reported these important benefits from new Trop-Artic with PDA: • Less oil consumption • Less engine knocking • Less mis-firing • More miles per gallon of gasoline • Cleaner oil filters
Change to new Trop-Artic Motor Oil and see if you don't notice these improvements in the performance of your car! *A trademark

NEW **FLITE-FUEL** The new gasoline that's super powerful, super smooth!

New Flite-Fuel is a blend of super-high performance components perfectly matched to the natural rhythm of today's high compression motors. It vaporizes quickly . . . fires with split-second accuracy . . . delivers a mighty thrust of power without roughness or ping. It can quiet your motor as it increases your car's power and responsiveness. Fill up at your Phillips 66 Station.

Interested in Who's Who Contest

Get it at your FAVORITE GROCERY MARKET

The popularity of the Tribune's Who's Who mystery person continues to attract attention far and wide, publishers of the Tribune are learning.

Saturday Joe Combs, publisher of the Slaton newspaper telephoned to say "Send me all the dope on your Who's Who. I believe we need it in Slaton."

Already the Littlefield County Wide News has begun a somewhat similar program.

Each week the publisher hides the name of a subscriber in a block of ads. The person carries the newspaper into the advertiser and receives \$3 for his careful attention to the ads.

Cochran Posse To Ride in Parade At Hobbs, N. M.

The Cochran County Sheriff's Posse is scheduled to participate in the opening ceremonies of the Hobbs Lions Club 2nd Annual High Lonesome Estampeda set for May 19, 20, 21.

The Cochran County Sheriff's riding units scheduled for the opening parade at 4:00 p. m. Thursday and the grand entry at 8:00 p. m. that evening. Trophies will be presented to the 1st, 2nd, and 3rd place winners in the parade competition.

Producers for the three day event will be Elra Buetler and Son from Elk-City, Oklahoma. All performances are scheduled for 8:00 p. m. (MST). Team Roping was added this year to the regular competition in Saddle and Bareback Riding, Calf Roping, Steer Wrestling, and Bull Riding. Children's Barrel Racing and Girls Barrel Racing are also on the program.

Munday, Texas Interested In \$ Day Promotion

Word was indirectly received at the Tribune this week regarding L. D. Trantham, a former Morton resident.

Apparently Trantham is now living in Munday, and has been praising the values of the Tribune Dollar Day special to Munday merchants and Aaron Edgar of the Munday Times.

Edgar writes: The merchants here in Munday are interested in instituting a "Dollar Day" program. Mr. L. D. Trantham, who used to be in Morton, told us of the program carried on there . . .

Edgar continues by asking for complete information on the Dollar Day Special.

(The Special which was begun here by the publishers of the Morton Tribune in 1953, has been instituted in a number of West Texas towns following a study of the Morton setup.)

Edgar closes his letter by saying: "Mr. Trantham believes this is the answer for our merchants . . . will appreciate your reply and comments."

Lee Benham Heads Knox College Young Demos

Galesburg, Ill. - Knox College Young Democrats have elected officers for the 1960-61 academic year, according to an announcement from the college recently and new president of the group is Lee K. Benham, a sophomore who lives on R. R. 2, Morton, Texas. Other officers are Richard Fulton, 2906 W. Augustana, Peoria, vice president and program chairman, and Miss Betsy Cliver, 1335 Dartmouth Rd., Flossmoor, secretary treasurer.

Lee Benham is the son of Mr. Mrs. D. E. (Gene) Benham of Morton.

COOPERATION ASKED IN DRIVE TO HALT OBSCENE MAIL

Murray Crone, Morton Post Master, asked this week for cooperation from area residents in halting the movement of obscene materials through the U. S. Mail. Crone said that anyone receiving such is asked to bring it, with the envelope it arrived in, to the Post Office, and it will be turned over to the Post Master General Department.

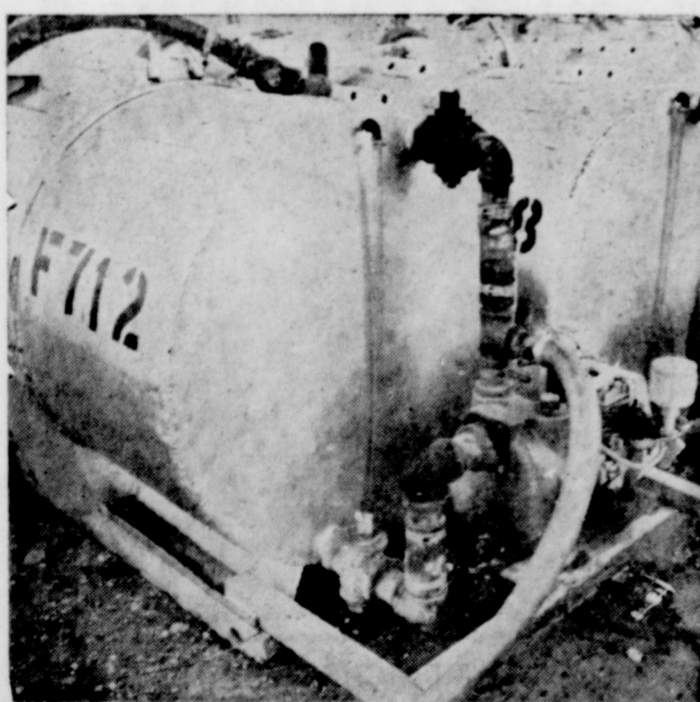

OFFICIALS ATTEND STATE MEETINGS

Two County officials attended state meetings last weekend. Mrs. Otha Denny attended a clinic for Tax Assessors and Collectors in Abilene earlier last week, and reported much valuable information gained. County Judge Glenn Thompson attended a state meeting of Probation and Juvenile officers held at Austin.

GO MODERN with

LIQUID Fertilizer

MODERN Field

"Nurse Tank"

This is the MODERN way to move fertilizer to the field... we loan it to you, and it can be carried on a pick-up, trailer, or truck, depending on the size of tank required. A gasoline, motor driven pump mounted on the "Nurse tank" gives you a "service station" type of operation from tank to fertilizer rig... there is no heavy lifting, no need for extra help... and you get more acres per day fertilized with the correct amount of plant nutrients at less cost...

If you're still pondering the Use of LIQUID FERTILIZER... ask the man who used it last year, and you'll GO MODERN
