VISIT IN MORTON

Minister and Mrs. J. V. Davis of Lubbock were visitors in Morton Monday. Former minister at the Austin Street Church of Christ in Levelland, he is preaching at the Smyer Church of Christ at present. He reported he was gaining back his weight after being in the hospital for sometime.

Mary Nell Stegall

Lehman H. D. Club Meets . . .

"One Dish Meal" Is Demonstration

The Lehman H. D. Club met in regular session on May 18 in the home of Mrs. Lloyd Wemken. At 2 p. m. with the reading of the Bible verse, Proverbs 22:6 by the hostess.

The roll call was answered by thirteen members and one visitor, Mrs. Patterson. Members answered by telling of the "Funniest Gift Ever received."

The report was made to the club by Mrs. Lewis Walker, sec-

retary. The days program was a demonstration on one dish meals by the food deaders, Mrs. James Howell and the hostess.

Refreshments of Talerina, green salad, garlic bread, lemon pie, and punch were served to Mesdames Tim Brooks, Edward Brownlow, David Burt, Ralph Burt, Claud Drennon, Enid Edwards, F. L. Fred James Howell, Charlie Sanders, Arvo, Snodgrass, Clayton

Stokes, Lewis Walker, Patterson, and the hostess Mrs. Wemken. Next meeting will be in the home of Mrs. Ed Brownlow, on June 1.

VISIT IN WOOLAM HOME

Mr. and Mrs. Leroy Otis of Kansas City, Mo., were visitors in the home of Mr. and Mrs. Marvin Woolam of Morton over the weekend. Otis is a brother of Mrs. Woolam. It marked the first time he had had an opportunity to visit in his sister's home in 22 years.

BROTHERHOOD FIXES MEAL FOR WIVES

The Brotherhood of the County Line Baptist Church prepared supper for the women of the Women's Missionary Union on Monday night, April 25th. It was a steak supper with all the trimmings.

Those attending were Mr. and Mrs. Henry Young, Jim, Brenda, Teresa and Beryl; Mr. and Mrs. Frank Davidson, Edith, Marie, Ginger, and Robert; Mrs. J. L. Partlow and Pamela; Mrs. C. W. Elliot, Winston and Jerry; Mr. and Mrs. Elmer New and R. W.; Mr. and Mrs. L. T. Lemons, Dennis, Dale, Rickey and Treva; Mr. and Mrs. R. C. Cotten; Mr. and Mrs. Frank Fleenor and Douglas; Mr. and Mrs. Melvin Raines and Tommy; Mr. and Mrs. Ebbie Stracener and Alice; Mr. and Mrs. James A. Kelley, Jeannie, Paula, Debra and James; Mr. and Mrs. J. D. Stewart; Mr. and Mrs. O. L. Woolsey, Mr. and Mrs. W. K. Courtney, Melvin and Lois.

County Line Bapt. Planning 15th Year Observance

The county Line Baptist Church will observe its 15th anniversary with a homecoming on May 29th. The regular morning service will begin at 10, noon meal will be served at 12 p. m., and afternoon services will be from 2 to 4 p. m.

If you are a former member of this church and have not received an invitation card, it is because the church does not have your address. This is your special invitation to attend the homecoming.

TO DALLAS FOR CHECK-UP

Kevin Burris, 33 month old son of Rev. and Mrs. Leroy Burris of Bledsoe, went to Baylor Hospital at Dallas for a check-up last week and is slated for a second round of plastic surgery in September. Young Kevin, victim of serious burns in a butane explosion when he was 13 months old, is reported doing fine.

SINCERE THANKS

I wish to express my sincere and heartfelt thanks to all those who voted for me and helped in any way to win the Democratic nomination for State Representative from this district.

I thoroughly enjoyed making the campaign and meeting all the fine people of this district.

I shall do everything possible to merit the faith you have placed in me by representing only the interests of the people of this district. I invite you to call me for any service I can render you at any time.

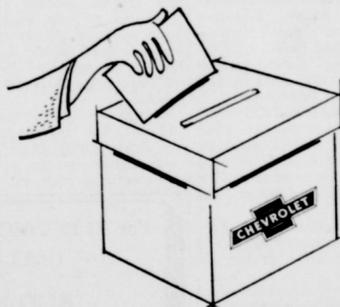

Again, I say thanks from the bottom of my heart for your vote and support.

SINCERELY,

OLEN RAY PETTY

State Representative Elect, 98th District
Hockley, Cochran, Terry and Yoakum Counties

Brother Is Subject Of 'Profile' In Recent Publication

Rev. Wayland Dowden, minister of the Wesley Methodist Church, Levelland, and a brother of Mrs. Cliff Davis of Morton, recently had his work presented in a "Flatlands Empire Profile" in the Levelland Sun News.

A farmer, Rev. Dowden pledged himself to enter the ministry at the age of 33 during a revival meeting at the Whitharal Methodist Church.

The report says "He finished his crop that fall, auctioned his equipment and entered McMurry College in Abilene in January of 1948. He's never wanted to turn back."

At the time he was married, the father of two children and he had been out of high school for 14 years.

"The only way I can explain why I entered the ministry is that for a long time I knew . . . I felt the call . . . there is a definite call for the ministry."

Before he made his final decision, he approached his wife on the matter . . . she was enthusiastic about the idea . . .

As to the ministry, he says "It's a good life and a happy one for anyone who believes in his calling and enjoys his work."

AWARDS PRESENTED TO MORTON'S TOP HIGH SCHOOL STUDENTS

Selection of Morton High School students for special awards at a meeting Thursday, May 11th, were revealed at graduation exercises and awards day at the local school last week.

The leadership awards went to Jackie Brown and Mary Lee Ledbetter, seniors; R. E. Thompson and Lenore White, juniors; and Glen Kuehler and Dorothy Smith, sophomores.

Scholarship awards went to Mary Lee Ledbetter and Janice Lebow, senior girls; Gary Coffman, Lawmakers will have to hack their way through the same old jungle of state money problems that faced them in '59. Again the goal will be to find enough tax revenue to pay off the state's debts and provide government services for another two years.

Blazing of some possible paths is already underway. Gov. Price Daniel's 30 member State Finance Advisory Commission begins this week assembling data on the state's future financial needs and how they can be met.

Gov. Daniel has said that he will propose five different tax plans for Commission study. Any one of the plans, said the governor, would wipe out the deficit in the state's general revenue fund and provide for expected future needs without a state income tax or general sales tax.

Secretary of State Zollie Steakley is chairman of the Finance Commission.

MR. TEXAS MOVES TO TOWN - Early studies of Texas 1960 census figures indicates that while Texas cities are getting bigger, the wide open spaces are getting less and less cluttered with people.

Much of the explosive growth of cities apparently has been at the expense of surrounding rural areas, either by annexation or by the moving of country dwellers to the nearby city.

Fast growing Abilene is an example. Abilene population has grown by 96 percent since 1950, from 45,570 to 89,248. Taylor County in which Abilene is located, gained from 63,370 to 100,216. Net result: Taylor County's non-Abilene population dropped from 17,800 to 10,788.

A similar situation exists in the Panhandle where Amarillo's 84 percent increase outstripped that of Potter County.

Texas moved up in population, but the counties in which it is located (Texas and Arkansas) lost ground.

WATER STORAGE DOWN - Despite the usual conversation punctuated with "now that the drought's over," reports show much of Texas short on rainfall this year.

State Board of Water Engineers reports that water in Texas reservoirs dropped from 9,622,230 acre feet in March to 9,481,265 acre feet in April. This is about a 1.5 percent decrease.

Rainfall for the first four months of the year has been below normal for Austin, Dallas, El Paso, Fort Worth, Galveston, Houston, Laredo, Lubbock, Midland, Odessa, Port Arthur, Beaumont, San Angelo, San Antonio, Victoria, Waco and Wichita Falls.

Above average rainfall was recorded by Amarillo, Abilene, Corpus Christi and Brownsville.

TRUCK REGISTRATION REQUIRED - State Supreme Court has held that a fleet of semi-trailer trucks operated in Texas must register in Texas even though they are already registered in Mississippi.

Suit was brought by the State Highway Department against a motor freight line company in El Paso.

Supreme Court upheld lower court rulings that the company must buy Texas license plates for all 95 of its trucks.

TRUCKERS ASK RATE HIKES In a sharply contested hearing before the Railroad Commission, Texas truckers are asking to be allowed to charge higher rates for shipments within the borders of Texas.

Desired increase would be approximately 7.66 percent higher than present rates.

Firms that do a great deal of shipping and several local chambers of commerce are opposing the request. They contend that rates within Texas are higher than interstate rates now.

Truckers say they must have the increase because increased costs of operation are causing them to have substantial losses.

NO CREDIT UNION BRANCHES Attorney General Will Wilson has ruled that credit unions are subject to the same prohibition as banks against setting up branch offices or receiving deposits anywhere except in their main offices. Ruling was asked for by the State Banking Commission.

In another ruling, based on a question from the Texas Animal Health Commission, the attorney general held that the Commission is not compelled to begin brucellosis control work in an area "until such time as it is economically sound and scientifically feasible."

State law passed last year allows the Commission to set up controls on the cattle disease in areas where 75 percent of the cattle owners having 51 percent of the cattle request it.

Could Be Speaking Of Our Cochran Sheriff's Office

Bennet Cerf gets around . . . as to whether he has ever been to Morton, no known reports of such are around.

Nevertheless, in his column of May 15 in "This Week" of the Dallas Morning News appears:

"The Sheriff's office in a Texas city deserves some sort of Oscar for distributing a wonderfully wise and ironic list of rules titled "How to Raise a Juvenile Delinquent in Your own Family." You may already have seen quotes from it in your newspaper, but I think it's worth reprinting. Here are a few highlights:

Begin with infancy to give the child everything he wants. This will insure his believing that the world owes him a living.

When he picks up obscene words, laugh heartily at him. Soon he'll acquire a vocabulary that will blow off the top of your head.

Pick up everything he leaves lying around. This will teach him he can always throw off responsibility on others.

Take his part against neighbors, teachers, policemen. They are all prejudiced against your child. He is never wrong.

Finally, prepare yourself for a life of grief, brother. You're going to have it."

A similar piece of sage advice hangs in Sheriff Hazel Hancock's office.

edlines . . .

POLITICS IS OVER for a few weeks, and graduation takes the limelight in high schools all over the area.

WE HAVE FIVE high schools graduating their senior classes in a two weeks period. Both Morton and Three Way hold their graduations tomorrow (Friday). Whiteface, Bledsoe, and Bula have their graduation next week.

LITTLE NEW to say to the graduates except a re-emphasis of the story that has been told to them each year for the past dozen or more years. The future, for a high school graduate looks brighter each year, for those who will apply themselves.

IT TAKES a better and more thorough education to reach the top brackets, but the top brackets are higher each year. They bring greater rewards, than the previous year's top brackets.

ALMOST A NECESSITY, today. The high school graduate who doesn't very carefully consider the possibilities of going on to college, is very foolish. The fact remains today, as it has throughout most of the past 25 years in this country . . . the student who

senior boy; Patsy Amyx and Leon Jeffcoat, juniors; and Penny Farmer and Jerry Taylor, sophomores.

Three Whiteface Chapter members have made application for their Lone Star Farmer degree; one of them a \$250 area scholarship winner, and still another Whiteface youth has won top honors in area public speaking.

Ken Wesley, Eldon May and Duane Cookston are the state degree seekers. David Skinner is the public speaking winner. Cookston was the \$250 scholarship winner.

It has also been announced that Sandra Powell, Whiteface runner-up sweetheart, and Levelland District Sweetheart, has been named runner-up in the area sweetheart competition.

The trio seeking state degrees have been highly active in Whiteface FFA work. Cookston has raised pigs for pork production, and cattle for beef production.

May has raised beef and pork and has raised cotton for lint production.

Wesley has raised pigs for pork and sows for pigs, lambs for mutton, cotton for lint and milo for grain.

The boys were all members of the first place district chapter conducting team. They placed third in area competition.

Cookston's \$250 scholarship was from Forney Foundation for his proficiency in welding, also a top project of the Whiteface Chapter under James Carroll, supervisor.

Members of the Whiteface High School band have chosen Delbert Stephens daughter of Mr. and Mrs. Delbert Stephens, Star Route 2, Morton, as their Drum Major for the 1960-61 school year.

Delbert is serving her second year in the Whiteface Band, which is under the direction of Ray B. Swalter.

Haroldine Reynolds was selected as first alternate for the important band position.

really WANTS to go to college, can do so. The cases where this is impossible are a rarity.

Members OF THE planning committee of the Chamber of Commerce, are visiting throughout the area contacting businessmen and individuals and asking just how much support they can expect for the Chamber of Commerce, when established.

CORE OF WHAT a chamber must be founded upon. Members of various types of businesses are being contacted by members in their own general field, to find out what they think would be membership fee that could support the Chamber, and at the same time could be afforded by them.

NIGHT (that's tonight), the committee will reconvene to present their findings. At this meeting they should have some idea of whether or not the Chamber can get the financial support needed to make it a success. Any merchant or individual, inadvertently not contacted, could help by making his support known to a member of the planning committee elected at a meeting held a few weeks ago, or by contacting George Boring, overall chairman, today.

Jaycees Discuss Chamber Plans At Mon. Meeting

A discussion of the progress of the Morton Chamber of Commerce was the business conducted by the Morton Jaycees at their luncheon meeting, Monday.

Members also paid their 1960 dues and President Ray Keith Monaghan distributed information on the state and national Jaycee Conventions, and also pamphlets on Social Security, mailed to the club by the recent speaker to club, the Social Security representative for this area, Jim Lattimer.

Local Post Sends Leon Jeffcoat To Boy's State

Leon Jeffcoat, Morton High junior, has been selected by Morton High School as the boy to represent the Morton Legion Post No. 374 at Boy's State.

Jeffcoat was selected by the faculty of the school to attend the annual program, this year being held at the University of Texas Campus, at Austin, from June 5th through the 11th.

The program, one of citizenship and leadership training, has included at least one Morton youth for the past several years, and on some occasions more than one have attended. However, the program has grown so large, that limitations have had to be placed upon the number of youths attending.

Jaycees Discuss Chamber Plans At Mon. Meeting

A discussion of the progress of the Morton Chamber of Commerce was the business conducted by the Morton Jaycees at their luncheon meeting, Monday.

Members also paid their 1960 dues and President Ray Keith Monaghan distributed information on the state and national Jaycee Conventions, and also pamphlets on Social Security, mailed to the club by the recent speaker to club, the Social Security representative for this area, Jim Lattimer.

Local Post Sends Leon Jeffcoat To Boy's State

Leon Jeffcoat, Morton High junior, has been selected by Morton High School as the boy to represent the Morton Legion Post No. 374 at Boy's State.

Jeffcoat was selected by the faculty of the school to attend the annual program, this year being held at the University of Texas Campus, at Austin, from June 5th through the 11th.

The program, one of citizenship and leadership training, has included at least one Morton youth for the past several years, and on some occasions more than one have attended. However, the program has grown so large, that limitations have had to be placed upon the number of youths attending.

Highlights and Sidelights FROM your State CAPITOL

AUSTIN, Tex. - With the main state elections over, statehouse interest now focuses on next January when a new Legislature will meet.

Blazing of some possible paths is already underway. Gov. Price Daniel's 30 member State Finance Advisory Commission begins this week assembling data on the state's future financial needs and how they can be met.

Gov. Daniel has said that he will propose five different tax plans for Commission study. Any one of the plans, said the governor, would wipe out the deficit in the state's general revenue fund and provide for expected future needs without a state income tax or general sales tax.

Secretary of State Zollie Steakley is chairman of the Finance Commission.

MR. TEXAS MOVES TO TOWN - Early studies of Texas 1960 census figures indicates that while Texas cities are getting bigger, the wide open spaces are getting less and less cluttered with people.

Much of the explosive growth of cities apparently has been at the expense of surrounding rural areas, either by annexation or by the moving of country dwellers to the nearby city.

Fast growing Abilene is an example. Abilene population has grown by 96 percent since 1950, from 45,570 to 89,248. Taylor County in which Abilene is located, gained from 63,370 to 100,216. Net result: Taylor County's non-Abilene population dropped from 17,800 to 10,788.

A similar situation exists in the Panhandle where Amarillo's 84 percent increase outstripped that of Potter County.

Texas moved up in population, but the counties in which it is located (Texas and Arkansas) lost ground.

WATER STORAGE DOWN - Despite the usual conversation punctuated with "now that the drought's over," reports show much of Texas short on rainfall this year.

State Board of Water Engineers reports that water in Texas reservoirs dropped from 9,622,230 acre feet in March to 9,481,265 acre feet in April. This is about a 1.5 percent decrease.

Rainfall for the first four months of the year has been below normal for Austin, Dallas, El Paso, Fort Worth, Galveston, Houston, Laredo, Lubbock, Midland, Odessa, Port Arthur, Beaumont, San Angelo, San Antonio, Victoria, Waco and Wichita Falls.

Above average rainfall was recorded by Amarillo, Abilene, Corpus Christi and Brownsville.

TRUCK REGISTRATION REQUIRED - State Supreme Court has held that a fleet of semi-trailer trucks operated in Texas must register in Texas even though they are already registered in Mississippi.

Suit was brought by the State Highway Department against a motor freight line company in El Paso.

Supreme Court upheld lower court rulings that the company must buy Texas license plates for all 95 of its trucks.

TRUCKERS ASK RATE HIKES In a sharply contested hearing before the Railroad Commission, Texas truckers are asking to be allowed to charge higher rates for shipments within the borders of Texas.

Desired increase would be approximately 7.66 percent higher than present rates.

Firms that do a great deal of shipping and several local chambers of commerce are opposing the request. They contend that rates within Texas are higher than interstate rates now.

Truckers say they must have the increase because increased costs of operation are causing them to have substantial losses.

NO CREDIT UNION BRANCHES Attorney General Will Wilson has ruled that credit unions are subject to the same prohibition as banks against setting up branch offices or receiving deposits anywhere except in their main offices. Ruling was asked for by the State Banking Commission.

In another ruling, based on a question from the Texas Animal Health Commission, the attorney general held that the Commission is not compelled to begin brucellosis control work in an area "until such time as it is economically sound and scientifically feasible."

State law passed last year allows the Commission to set up controls on the cattle disease in areas where 75 percent of the cattle owners having 51 percent of the cattle request it.

Voc. Nursing Course to Begin On June 15th

Another class in Vocational Nursing will begin June 15th at South Plains College in Levelland, according to Bob Burks, of the college.

Burks, who was in Morton this week checking with the local hospital on the one student, Stella Lee, who is now enrolled at the college and is about halfway through her course, said that anyone interested should first check with Charles Lewis, Memorial Hospital manager or Mrs. Tom Rowden.

Then, Burks said, if the local hospital cannot place anymore students at this time, the prospective student should apply at the College where they will attempt to make placement for the student in a hospital during the 52 weeks training.

The course, which lasts one full year with a two week vacation to be arranged during the clinical work, includes all phases of nursing, starting with more or less full time classroom instruction, and tapering off to mostly actual hospital work, and light classroom load.

Burks said the local hospital was highly pleased with the results of the first local student participation in the course.

He said the new course was being started in June so the student will be in the hospital working a full load by the time fall comes and brings its greater patient load to hospitals in the area.

EIGHTH GRADE GRADUATION HELD THURSDAY MAY 19

The Three Way Eighth Grade Graduation was Thursday, May 19 at 8 p. m. in the school gymnasium. Elaine Kenley played the professional and recessional and accompanied the class at the piano as they sang "Moments to Remember" and "Side by Side".

Rev. Byron Hardgrove read the invocation; salutatory was by Wenonah Williams. Shirley read the class will, and Linda Klutts gave the valedictory. Mr. George W. Boring, attorney at law at Morton, gave the address. Ray Clay presented awards for perfect attendance. Elbert Adams presented the diplomas and Rev. C. R. Smelser gave the benediction.

Members of the class are Ginger Carlisle, Smitty Clark, Sherlene Epperly, Karen Eubanks, Shirley Fine, third ranking student of the class, Terry Flaniken, Gloria Herrera, Melinda Hightower, Butch Johnson, Bobby Kindie, Linda Klutts, Kay Lemons, Kenneth Petree, Glenda Tarlton, Jerry Thomas, John Tucker, Vickie Tunnell, Jesse Ray Watterson, Gary Welch, highest ranking boy, and Wenonah Williams.

Students receiving awards for perfect attendance were Mike Sowder, Tommy Taylor, Lynn Jones, Marylon Lewis, Pamela Locke, Lee Sinclair, Sharon Hutton, Guss Taylor, Mary Herrera, Linda Jordan, James Lindle, Sharon Locke, Lynn Parker, Betty Lewis, Terry Hutton, Tommy Dupler, J. L. Lemons, Kay Lemons, and Wenonah Williams.

ON SICK LIST

Tommy Taylor, son of Mr. and Mrs. A. G. Taylor was on the sick list last week.

H. S. COMMENCEMENT HELD FRIDAY

The high school commencement was Friday evening May 20 at 8 p. m. in the school gym. Professional and recessional was by Elaine Kenley. Rev. Byron Hardgrove gave the invocation. Salutatory was by James Tarlton. The senior girls sang "The end of a Perfect Day", accompanied at the Piano by Miss Kenley. Carter Williams gave the valedictory. Presentation of awards was by Charles R. Bowen, and the commencement address was by Nathan Tubb, Registrar of South Plains College of Levelland. Archie Sims presented the diplomas. Rev. Thomas Hatcher read the benediction.

Members of the class were Elsie Amalla, Tom Byars, Joe Clark, Bobby Dupler, Patsy Sowder Dupler, Jane Garvin, Bailey Griffith, Anonie Hightower, Charles Latimer, James Tarlton, Butch Tucker, and Carter Williams.

Scholarships were awarded to Patsy Sowder Dupler as the highest ranking girl, from Draughn's and Lubbock Christian College, to Charles Latimer as 3rd ranking in the class, from Lubbock Christian College, to Charles Latimer as 3rd ranking in the class from Lubbock Christian College. James Tarlton received scholarships from Texas Council Church related colleges and Carter Williams received a year free tuition to any state Texas Council Church related college, 200 hundred dollars to Lubbock Christian College and \$75 to Draughn's at Lubbock. High school students receiving awards for perfect attendance

Small Car Will Be Added By Oldsmobile

A smaller Oldsmobile, built to the company's traditionally high standards, will be publicly introduced in Oldsmobile dealer showrooms next fall. It was announced this week by J. F. Wolfgram, Oldsmobile general manager and vice president of General Motors.

"Our new car, the Oldsmobile 'F-85,'" Wolfgram said, "will establish a new concept in smaller car design. It will be distinctively an Oldsmobile, designed for the customer who wants the best in the smaller car field. Its addition to our present line of Dynamic 88's, Super 88's and 98's means our dealers will have an Oldsmobile model for every need and purpose, bringing many new customers into our circle of owners."

GOLF MEETING SLATED FOR FRIDAY NIGHT

A business-golf meeting is slated tomorrow night, Friday, May 27th, at 8 p. m. at the Morton Country Club.

All members are urged to attend this very important meeting.

HOLD REGULAR MEETING

The Rebekah Lodge No. 39 met in regular session, Thursday night, May 19th, with 16 members attending and enjoying also a social tea which was held following the lodge meeting.

PIANO, ORGAN RECITAL PLANNED HERE, SUNDAY

A piano and organ recital has been announced for Sunday, May 29, at 3 p. m. in the First Baptist Church, Morton.

The recital will be under the direction of Mrs. J. J. Jenkins and Mrs. Pegues Houston of Morton.

The public is invited to attend.

DREAM COMES TRUE . . . J. Wayne McDermott, shown here posing with Hugh O'Brien (TV Wyatt Earp) got the thrill that comes once in a life time to a 10 year old youngster, when he posed happily with the gun totin' hero, when O'Brien visited the Cerebral Palsy center at Lubbock recently. J. Wayne, was with Mrs. Dale Houlette of Morton, whose son, Chris Houlette, is a cerebral palsy victim, and was being treated at Lubbock. The picture of Chris, and O'Brien, just didn't turn out, Mrs. Houlette said.

SOIL TESTING FEE TO BE INCREASED

Due to increasing costs of operating the Soil Testing Laboratory at College Station, soil test fees will be increased to \$2.00 per sample September 1, 1960. County Agricultural Agent Homer E. Thompson said he received the information on the increase recently from Director John E. Hutchinson, Texas Agricultural Extension Service.

The increased costs for labor and chemicals used in operating the laboratory were listed as primary cause for the rate increase.

Even though soil tests will cost \$2.00 beginning September 1, 1960 this is still the cheapest and most convenient method for determining fertilizer need, and as a guide for investing more profitably in a lime and/or fertilizer program. **USDA NOW HAS A PACKERS AND STOCK YARD DIVISION**

The USDA now has a packers and stockyard division under the Agricultural marketing service effective July 1.

The packers and stock yards act was amended in 1958 to bring under Department regulations all livestock transactions in interstate commerce. The act also requires investigation and regulatory functions dealing with unfair deceptive discriminatory or monopolistic practices on the part of packers.

DAIRY INDUSTRY

Did you know that the Dairy Industry is big, modern essential and diversified. It is the greatest single source of farm income in America. One out of every \$5.00 in cash receipts from farm products is a dairy dollar. This bus-

ness embraces 19 million cows on over a million farms distributing 60 billion quarts of milk a year in the form of fluid milk and its products for use by the nations 180 million people. Dairy sales amount to over 10 billion dollars a year, the largest single segment of the nations 80 billion dollar expenditure for all types of food.

EGG PRICES IMPROVE

Egg prices due to improve for the last half of 1960. The Extension Economist says egg prices to producers are expected to be considerably higher this period than for the same period a year ago. Reason - layers are continuing to decline and egg type chicks are 37 percent below last year's production.

VISIT IN BARRET HOME

Mrs. Florence Tolliver and daughter, Mrs. Hazel Baldridge of Socorro, N. M., were visitors last week in the home of Mr. and Mrs. L. W. Barrett, Morton.

WASHINGTON AND
"SMALL BUSINESS"
By C. WILSON HARDER

There is a growing problem in maintaining a healthy independent business structure in a given community. And in Washington, expert observers of the small business scene wonder whether or not it is a problem that can be successfully attacked at the federal level.

As a matter of fact, C. W. Harder the appears to be a growing sentiment that the problem should be attacked at the grass roots level.

In a report just released by a trade publication following a two year study by a marketing professor at Notre Dame, it has been found that the big food chains are moving rapidly into the field of other merchandise, plan further expansion.

In some areas of the country, chain food stores are found to be handling as many as 8,500 nonfood items, or more nonfood items than food items.

The items handled included drug items, principally called health and beauty aids, baby needs, housewares, hardware, small appliances, stationery, greeting cards, toys, records, magazines, books, photo equipment, barbeque equipment, garden equipment and supplies, notions, hosiery, domestics, men's apparel, women's apparel, children's apparel, costume jewelry, pet supplies.

Obviously, the more independent business enterprises there are in a community the better the community health in terms of employment opportunities, shopping opportunities, taxes to maintain and improve the community and to provide for vital community services.

But if this chain trend goes to its logical conclusion, many communities could end up with a single store, which would end community progress and growth.

Thus, it is a general practice in each business community for a business to have a city license or permit. It should perhaps be the responsibility of local city government to revamp its business licensing system so that it would be impossible for a chain outlet, for example, licensed primarily to sell foods, to carry on lines of business which raids every tax paying independent business in the community.

Perhaps even preservation of good city government demands such action.

Or, it would be perfectly logical for a community to require an establishment handling food to be entirely apart and separate from a building handling other merchandise. It does not seem the most sanitary, not to mention aesthetic, situation for a store stocking food on one shelf to have garden fertilizer on the next shelf.

And also in the long run, such measures would undoubtedly return more food volume to independent dealers.

For the facts of the matter are that most big chains cannot compete price-wise with smartly run independent grocery stores unless they have a volume in the higher profit nonfood items.

Small Crowd Hears Final Session Of Citizenship Training Course

Those persons too busy or too forgetful, missed one of the most enlightening programs of the Citizenship series Monday night.

Only a handful, so to speak, of persons turned out for the sixth and final lecture in the series. The program was brought to Morton under the sponsorship of several local clubs. Admission was free.

Assisting Dr. Frank Maddox, Monday night was Dr. Kay also of Lubbock Christian College.

Dr. Maddox presented two films one showing the advantages of a worker in the U. S. over those in other countries, and the other film explained ways and means of winning an election.

Dr. Kay's lecture revolved around what he termed fundamentals of democracy.

He outlined the results of a study of U. S. Korean war prisoners.

Their problems, the study revealed, were based upon weak loyalties, hazy moral concepts, opportunist, individual insecurity, question of own worth, ignorant of U. S., unresponsive to duty, and failure to appreciate obligations to the military.

He said the study indicated 70 per cent of those captured cooperated with the enemy. He gave a round figure of 7,000 captured.

"Who's to blame?" Dr. Kay explained "we had better get busy at home, at school, at church and in government."

The cycle of civilization, he said, is Bondage, Spiritual Awareness, Freedom, Initiative, Creativity, Productivity, Abundance, Selfishness, Apathy, and Bondage again.

"You say where we are today?" he asked of the audience.

New Wheel Chairs Added to A. L. Post

Two new wheel chairs were recently added to the local American Legion Post's loan department, Albert Morrow, post adjutant, reported this week.

The post now has five wheel chairs, two hospital beds, and a number of pairs of crutches for loan he explained.

There is no charge for use of the equipment, he said. The post asks that those who use the equipment, take care of it.

Persons in need of any of the equipment may contact Morrow or Roy Aiken, post commander.

Morrow said the two new chairs were loaned out a few days after they arrived at the post.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Cover crops have pay-off in several ways for T. D. Marshall, whose farm is located just north of Morton. He has ample irrigation water for his level, medium textured soil.

Marshall started his cover cropping and soil improving program in 1956 by seeding Madrid Sweetclover in the blank rows of his skip-row planted cotton. A good growth was obtained, but the bi-annual clover did not fit into his desired two year rotation. Also the clover was too hard to kill before his next crop. In 1957 Marshall seeded the blank rows to vetch at the rate of 10 pounds per acre and harrowed it in. At

the time of planting he also applied 300 pounds of super phosphate per acre. After obtaining an excellent stand and an abundant growth, he decided to harvest the vetch for seed. About the time of maturity the three foot growth of vetch lodged severely and seed could not be harvested. The residue was stubble mulched and in 1958 an excellent stand of vetch volunteered. Another 300

pounds of super phosphate was applied per acre.

In the spring of 1959, Marshall under-cut the vetch with sweeps and planted cotton through the residue in skip rows with two in cotton and four blank. The cotton was planted on vetch land.

Marshall said, "This cotton seemed to grow off better and had a better color than cotton on adjoining land that did not have a cover crop." He also observed that the vetch land took in more water at each irrigation. However the cover crop land required one less irrigation than adjoining land. He also noted that no wind or water erosion occurred where the land had a good cover of vetch.

The results of this conservation cropping system, that delighted Marshall, is in the 1959 yield records. On land following a cover crop 1,625 pounds of lint per acre was harvested, and only 1,125 pounds of lint per acre was harvested on land that had continuous cotton.

Your Hometown Newspaper brings you THE MOST IMPORTANT news..

INTERNATIONAL AND LOCAL

With communication facilities to bring you details of world-shaking events happening on the other side of the world, your hometown newspaper also has the interest and insight to give attention to the local news that's most important to you. It's news—important news to your hometown editor—when a new citizen is born, to the town; when two young people of the community get married. Your local newspaper is a wonderful combination of world and hometown news, that makes it an important part of your life—and you, an important part of its news.

YOUR HOMETOWN NEWSPAPER IS INTERESTED IN YOU! READ IT! ENJOY IT! SUPPORT IT!

Miss Elizabeth Dupler (third from right) Morton, is among the Wayland Baptist College students who were honored on the annual Recognition Day Program. The daughter of Mr. and Mrs. Hugh Dupler, Route 2, she received the senior merit award in business education. Majoring in business administration, she is a candidate for the B. A. degree with spring graduating class at Wayland. Shown with her are (left to right) Charles Phillips, Seminole; Nell Hogg, Seminole; Sue Williams, Lubbock; Miss Dupler; Leon Blevins, Lovelland; Charles Nicholson, Royalty.

United States Department of Agriculture Honor Award Goes to Texas' Soil Conservation Service Leader

WASHINGTON (spl.) — The man who heads the high producing organization of the U. S. Soil Conservation Service in Texas, Henry N. Smith of Temple, recently received the Department of Agriculture's Honor Award for Superior Service.

The award was presented in special ceremonies here, by Sec. of Agriculture Ezra T. Benson.

Smith was cited "for exceptional leadership in the direction and administration of the Soil Conservation Service program in Texas."

An accompanying account of Smith's achievement as Texas' soil conservationist since 1954 revealed that well over half of the state's farmers and ranchers are fully cooperative with the state's 178 soil conservation districts. More than three of every four of these are working on complete soil and water conservation programs for their farms or ranches.

Smith began his work with the Conservation Service a quarter century ago. He had served as head of the animal husbandry department at Tarleton State College. Before his appointment as conservationist for Texas he was chief of operations for the state region which was dis-

tributed with the other SCS regions six years ago.

Included in the achievements accredited to Smith is the state's progress in the Great Plains Conservation Program and the Watershed Protection and Flood Prevention Program, both movements administered by the Soil Conservation Service.

Texas has nearly 1,900 Great Plains Conservation Program plans in effect in the 83 western counties in which the program is operating. This is 43 percent of the total for the entire 10 state area of the Plains. This program provides cost-sharing for complete soil and water conservation on a long range basis.

In the six year old Watershed Protection program Texas also has made rapid progress. There are 20 of the projects underway in the state, their objective to give local citizens in small watersheds technical help and cost-sharing to solve water and erosion problems.

The citation of Smith commented also on the Texans' skill in leadership in "the development of

staff and line officers into a hard hitting, enthusiastic team" and its influence in producing "initiative and high morale among employees throughout the state's Soil Conservation Service organization." Smith also was commended for his efforts toward continually improving relations with other groups and organizations in agriculture in the state.

Lions Plan Installation Ladies Night

Monday, June 6th will be Lions Ladies night as the Morton Lions club installs officers for the coming year.

The speaker for the evening, Lion Hide of El Paso, a director of the Lion's Crippled Children's Camp, will bring a message about the camp.

All Lions are urged to make plans to attend the installation banquet and to bring their wives as guests for the night.

The school will begin Monday, May 30, and continue through Friday June 3. Class hours will be from 8:15 a. m. to 11:15 a. m.

Teachers and workers and their departments are Mrs. Neta Derickson and Mrs. Diele Snitker, nursery one; Mrs. Sandra Austin; Mrs. Clyde Price, and Mrs. John Vanlandingham, nursery two;

Mrs. J. J. Terry, Mrs. Charlie Bowers and Mrs. Billy Elliot, beginners one; Mrs. Dale Nichols, Mrs. Ray Seagler, and Mrs. Quinton Nichols, beginners two; Mrs. R. P. McCall, Mrs. Johnny Angel, and Linda Elliot, Primary one;

Mrs. Donald Grusendorf, Mrs. Buford Peterson, and Mrs. Johnny Houghton, primary two; Mrs. J. W. Layton and Mrs. J. O. Dane, junior one; Mrs. E. N. McCall and Mrs. J. E. Layton, junior two; Mrs. Bud Price, Bro J. J. Terry, and John Vanlandingham, intermediates.

All young people are invited to attend the school.

Former Morton Couple Married In Ceremony at Amarillo, May 20

Miss Carolyn Moses, daughter of Mr. and Mrs. H. L. Moses of Amarillo (formerly of Morton) and Bill Trice, son of Mr. and Mrs. J. E. Trice of Morton, were united in marriage, May 20th, at 7:30 p. m., at the South Side Church of Christ in Amarillo.

Minister Joe Lomax, pastor of the church performed the double ring ceremony.

The couple plan to make their home in Amarillo where Bill is a barber and Carolyn is employed

by Southwestern Investment Company. Bill and Carolyn are both graduates of Morton High School. Mr. and Mrs. J. E. Trice and son Dan were in Amarillo for the wedding.

Lubbock Visitor Finds Groceries Cheaper Here

A Lubbock visitor in Morton, Wednesday came up with an interesting statement.

"Groceries are priced cheaper in Morton than in Lubbock," he said.

Folks who have been carefully watching grocery ads in the Morton Tribune, and comparing them with other places, can well agree.

WHO'S WHO

Continued From Page One

\$122 for giving careful attention to newspaper ads.) Daniel correctly listed Fred Payne, manager of the Producers Warehouse here, as the mystery Who's Who person, correctly listed 29 clues to his identity, signed his name, address, and phone number at the bottom of the entry.

(We didn't get a chance to call Daniel, he was down town by the time a check of the 953 entries had been completed - word gets around.) Daniel's entry was drawn from the big red cage by little Roy Bert (Butch) Davis Jr., six year old son of Mr. and Mrs. Roy B. Davis of Morton.

A quick check through the 953 entries indicated a number of folks listed a few too many clues. In fact, 32 seemed to be a rather popular number. (It's a good idea to check over the rules every now and then, as we've warned before.) Checking through the clues we observed entries from Enoch's, Maple, Bledsoe, Whiteface, Causey, N. M., rural routes, and the Three Way area.

(Three Way is in the Morton area, you know - that could be a hint.) One of the more interesting clues, false clue if listed, we heard about was "Famous wind - power -". Incidentally, it was Fred's wife Ona, who fished near Telegraph with former Texas governor. The governor was Coke. And, Fred flies, but hasn't tried jets as yet, and he spent the

war years in the Pacific theater. The Who's Who awarding was scheduled for St. Clair's Department Store, but Lloyd Hiner and crew were busy installing new fixtures and the Who's Who business had to move next door. Entries were gathered from the First State Bank, McMaster Tractor Co., Piggly Wiggly, and St. Clair's. Who's Who boxes will move to bedwell Implement Co., St. Clair's Variety, or Department store if ready, Flash-O-Gas, and the Ideal Gift Shop this week. (We also found out some local merchants give a sharp eye to Who's Who's. Anyway, that's the way we spelled it last week. Here are the clues to the identity of Fred Zeb Payne Jr.: Grows Cotton, (on his Morton farm); First given name derived from "good counselor," (Frederic or Alfred); Wed in town with junior college, (Alvin, Alvin Junior College); Born in neighboring county, (Sudan, Lamb County); Mate favors cotton clothes, (and that clue proved to be a give away as to the Who's Who); Once lived in a depot, (Lovington, N. M., for about 5 months in 1952); A Blondie fan, (comic strip); Past VFW commander, (Santa Anna); has taught, (taught distributive education in Coleman County); Cooked in cafe, (Santa Anna); Worked in variety store, (Santa Anna); Did logging for a time, (between Santa Fe and Las Vegas); Attended college near Walnut Canyon, (Flagstaff); Favorite newspaper, Star Telegram, (shucks!); Enjoys "Have Gun Will Travel"; Attended Hardin - Simmons University; "Roll with the punches"; (a nice philosophy); Served on USS LCF (G) 68, a

gunboat. Attended classes at Notre Dame, (while in the U. S. Navy); Drives late model ten letter auto,

(An Oldsmobile); Mate born on ranch, (in Bell County); Favorite sport: football; Hat size seven; Suit size: 36; Favorite color:

grey; Reads westerns; Operated a service station in Texas town which boasts one of the largest glass sand industries

in U. S. (Santa Anna); Once lived near mountain named for famous Mexican general; (Same as town); Worked for Uncle Sam,

(in the U. S. Navy), and that's the clues that led to \$122 for another week, a possible opportunity to gather in \$66...

try and see... Learn about your neighbors while you have an opportunity to earn...

WIN CASH... WHO'S WHO in MORTON and the MORTON AREA

TOTAL PRIZE MONEY \$1320.00 THIS WEEK \$ 66.00

Where to LOOK for CLUES... RULES

Clues may be hidden in ANY ad in this group ad. When a "Star" appears in any of these ads, it means that additional advertising for that merchant appears elsewhere in this issue of the Morton Tribune, and additional clues may be hidden in any of those

ads, also! Clues will be scattered... there may be from one to five clues in any ad... or none. This is a contest of skill... and we intend to do our best to outwit you. We invite you to do your best to outwit us!

RULES

1. This is a family fun contest. Entries welcome from every member of the family old enough to fill out his or her own. You may submit one entry per person at any or all of the Sponsoring Merchants whose ads are in the raw that is heavily bordered this week... but only one entry per person at any one store (more than one will disqualify all entries of that person for that week). Anyone can enter unless a member of your family is employed by the MORTON TRIBUNE. Sponsoring merchants, their families, (and their employees and families) are most welcome to enter EXCEPT during weeks that entries are brought into the Sponsor's place of business.

2. Nothing to buy. Use any slip of paper for entry blank DO NOT put your entry in an envelope. Not necessary to be present at the drawing to win.

3. WHO'S WHO may be anyone in the Morton trade area. Clues to his or her identity will be hidden ONLY in ads of Sponsoring Merchants (this means any ad in this section or any ad of the same merchant elsewhere in the paper). When star (*) appears in any ad in this section, it is your warning that other ad(s) of the same merchant (in which there may be clues) appear elsewhere in the paper. Clues will be scattered... many ads will have no clues while others may have as many as five. Beware of false clues; there may be some! This is a contest of skill and we intend to do our best to outwit you. We'll be delighted if you succeed in outguessing us, in spite of our best efforts.

4. If, by coincidence, the name of WHO'S WHO (or other facts about him or her) happen to appear in news items, editorial matter, or other places in this newspaper, these will not count as clues.

5. To enter, write down the name you think is WHO'S WHO. List all the clues you can find in all the ads of the Sponsoring Merchants in this issue. Don't forget your own name and address! Then drop your entry at the business location of any Sponsoring Merchant WHOSE AD IS BETWEEN THE HEAVY BORDERS IN THIS SECTION. You may enter at all four if you wish. There are no other places where entries will be accepted... and MAIL ENTRIES WILL NOT BE ACCEPTED.

6. This week's contest starts when you receive this issue, and closes at 4:30 p. m. Tuesday of the following week. At that time (4:30 p. m., Tuesday) a drawing will be held. The first entry drawn that correctly identifies the WHO'S WHO will win \$10.00. If THAT entry also lists every correct clue, (and no false clues) hidden in all ads of Sponsoring Merchants, the Bonus Jackpot of \$56.00 will be given. Whenever this bonus is not won it will be added to next week's BONUS... which will continue to grow until it is won! Winning the BONUS requires a PERFECT list of correct clues... the exact number and all copied correctly. Family participation gives you a better chance to win the jackpot. Your wife, husband, or some bright-eyed youngster MAY spot a clue that you miss! Got any detective blood in you? Think you can outwit us? Remember you can't win if you don't enter... Fix up your entry NOW!

BOBBY NEAL HONORED - Whiteface FFA Youth Is Seeking Coveted American Farmer Degree

Bobby Neal, 19 year old Whiteface youth, now a freshman at South Plains College, has earned one of the highest honors available in FFA work it was announced this past week when Area One of the state FFA named him Star American Farmer. He had been selected as a candidate for the award at the recent area convention. At the convention at Houston in July, Neal's name will be submitted as a candidate for top state Star American Farmer award. If he wins that award he will compete on a regional level, and could wind up as a national winner.

also was Chapter Star Farmer, two years. He received his Lone Star Farmer degree last year. Neal, who has vowed to complete South Plains College, though he hasn't made up his mind whether or not he will go to a senior college, will stay in farming. He has won his American Farmer award and will get that award at the national convention in July... with possible embellishment of being named outstanding American Degree Farmer. Only one out of every 1,000 FFA boys ever get the American Farmer Award. Neal's FFA chapter advisor at Whiteface has been James Carroll.

Runner-up Area FFA Queen

SANDRA POWELL, Whiteface senior, was recently named District FFA Sweetheart and in Area Competition was named runner-up to the area queen.

DINNER ENDS YEAR

A dinner Tuesday night, May 17, at 7 p. m., in the home of Mr. and Mrs. Sam Leverett, Jr., concluded the year's activities for the Happy Hour Sewing Club. The club annually disbands for

the summer months.

Husbands of the members were guests at the dinner for which co-hostesses were Mesdames H. O. Rogers, Cheter A. Baird, and Sam Leverett, Sr.

Following the dinner, games of "42" were played by the group.

Minor Leaguers Getting Ready for Team Play to Start This Week

The Morton Minor League got into swing over the weekend when Elmo Smith urged all of the boys of Little League age (up to 12) who were not already playing on a team, to enroll in the Minors. Smith said, if enough boys turn out, games will be played on the

same days as Little League games at 4 p. m. and brothers would be placed on a Minor League team corresponding with a Little League team a brother might be a member of, in order to allow them to all come in and play on the same day.

Pirates Squeeze By Cubs In Local Little League's Opening Game

The lid lifter was a real thriller Monday night as the Little League Pirates got off to a 4-3 victory over the Cubs, with a bottom of the sixth rally.

Most of the show for the Pirates was Kenny Palmer who pitched for the Pirates, hit a two run homer in the bottom of the first inning to bring the Pirates within one run of tying the game; and then drove in the tying run and scored the winning run in the 6th.

The Cubs, managed by Ruel Kelly and Tommy Hawkins posted a 3 to 0 lead on the scoreboard in the top half of the first inning, but then were blanked the rest of the way by Palmer who struck out six batters.

Meanwhile, after Palmer's two-run, bottom of the first homer that made it 3 to 2, Bill Sokora throttled the Pirates until Palmer came to bat in the 4th inning. Kenny slashed a long hit off the right field fence, legged it to second base and then decided to go on to third when the right fielder held the ball. The throw in hit him in the leg and Kenny stopped at third, was called out by the third base umpire for interference, and the decision was reversed. However the Pirate manager played the game under protest because he contended that in calling Palmer out, the umpire kept him from scoring the tying run. That set the stage for the bottom of the 6th winning rally. That, of course, ended the offic-

ial protest. Brown Carter, manager of the Pirates, had lodged the official protest.

Cards Rally To Top Giants

An error in center field in the bottom of the 6th inning brought Weldon Newsom's Cards to a comeback 9 to 8 triumph over the Giants, managed by Tom Pate, in Tuesday's Little League game.

Paced by Penn Tom Burke's steady pitching, and a bases loaded homer he stroked in the second inning, the Giants rolled up an early 8 to 3 lead and appeared coasting. But the Cards cut the margin 8 to 7 in the 5th frame and then, with two outs in the 6th, put together three solid line drives for the win.

Actually the winning run scored on a passed ball by the catcher, after the baserunner had reached safely on a line drive that hit directly to the centerfielder, but was simply too hot for him to handle. That scored the tying run and set up the winning rally.

Pirates Decision Sox, By 15 to 7

Scoring in every inning, including pushing across five runs in the third frame, the Little League Pirates enhanced their league leadership, Thursday by lowering the boom on the Sox by a 15 to 7 margin, in a blowing sandstorm. The Sox, in the rebuilding stage, managed six hits off Ronnie Jonas, got enough walks and Pirate errors to have been in the game but they didn't take advantage of the errors, and they made too many of their own.

The Pirates, paced by Kenny Palmer, slugged out 14 hits. Palmer got four of them, three singles and a double, scored two runs and drove in three.

Six Sox errors aided the cause. Dick Van, on the mound for the Sox, fanned 11 Pirate batters in going the full route. He walked only two men.

The Sox received five walks from Jonas who also hit one batter. Pirates contributed six errors, but the Sox had three men cut down at home plate, due to the alert playing of the fine Pirate catcher. These three men, plus two trapped into double plays on pop ups, cut down the Sox scoring chances.

The Pirates, with runners on the bases, just had too many men strike out. Only four Sox batters fanned. Jonas also went all the way on the mound for the Pirates.

Giants Capture First Victory

With a come from behind rally in the 6th inning, the Giants moved forward in their contention for the Little League title, Friday by nudging the Cubs, 9 to 8.

Tom Pate's Giants thus recorded their first win against one loss while the Cubs were dropping their second straight game, losing both in the last half of the final canto.

The Giants, Cubs and Cards were expected to fight it out for the league title with the Pirates an unknown quantity as a dark horse prospect.

Cards Top Sox, Tie For Loop Lead

Hammering out two home runs and 12 total hits, the Little League Cards smashed down the Sox by a 13 to 3 margin Saturday and vaulted into a tie for first place in the league with the Pirates.

A trio of Card pitchers gave up base hits to the first two Sox to come to bat in the first inning, but then settled down to pitch no-hit ball the rest of the way.

David Jenkins started and was relieved by the Newsom brothers. Rory Keuhler went all the way for the Sox, fanning five batters and walking one. It was the young Sox' second straight loss.

VISITING HERE

Mrs. Fred Byas and her children, Ray Terry and Lynn are visiting in the home of Mrs. W. W. Smith. Mrs. Byas is the former Sue Smith.

Sports News

Smiley Monroe Defeats Bobby Travis For County Invitational Golf Title

With everything going his way Sunday afternoon, S. M. (Smiley) Monroe scored an easy 5-4 victory over Bob Travis to win the championship flight of the Country Club invitational county tournament.

Babe Van won the consolation of the Championship flight with a 3 and 2 via over Dr. Bill Lee. Travis had beaten Hub Caden-

head, Dr. Lee and Button Silvers on his way to the final round. Monroe had ousted Lloyd Evans, J. D. Hawthorne and Jack Russel.

In the President's flight, which included first round losers from the championship flight, John Barnes beat Snoball Willis for the championship and Hub Cadenhead took out Lloyd Evans in a fine 19 hole match for the consolation crown.

In the first flight, Lloyd Hiner won over C. B. Markham to be named the champion and Tommy Hawkins edged out Jack Wallace for the Consolation title.

In the second flight, Ray Knowlton took out Gene Huggins, 6 and 5 in the final championship round and Ervin Merritt easily won over Eddie Irwin, 5 and 4 for the consolation crown.

In the third flight, Hume Russell outstroked young Sandy Wallace

Highway Travel Maps Available

Texas Official Highway Travel Map, 1960 - style, is now available to the general public. Free copies of the big, colorful map may be obtained by writing the Texas Highway Department, Austin 14, or at the highway district offices and travel bureaus. County tax offices have map cards on hand for requesting copies of the map.

The map reflects 1,933 miles of multilane - divided highway now completed, and includes the finished sections of the seven National System of Interstate and Defense Highways located in the state. More than 1,500 farm to market road miles have been approximately 20,000 miles of the state's 30,000 mile Farm to Market Road System are shown on the map. All of the 26,378 miles of State and U. S. highways are shown.

Three new lakes have been added to the 1960 Travel Map, bringing the total shown in the major lake and reservoirs category to 64. New water attractions recorded are Buffalo Lake in Lubbock County; Champion Creek Lake in Mitchell County; and Lake Tawakoni in Hum, Rains and Van Zandt Counties. Countless rivers, creeks, and streams are also charted on the Travel Map.

The 816 roadside parks pegged on the map are those having full picnic facilities. Their locations are marked by a green dot. State Parks are indicated by a green triangle.

"All of Texas Welcomes You" banners the pictorial side of the map - reflecting, in eleven full color pictures, some of the outstanding recreational, scenic, and historical attractions in Texas.

A section entitled "Facts About Texas" telescopes information on Texas' terrain, history, and industrial and recreational diversity.

The map is used by all state and governmental agencies in the state for determining official highway distances, mileages, zones, and like information.

PITTSBURGH PAINTS

NOW! A low-cost way to control Johnson grass in COTTON and FEED

It's DOWPON - the economical grass killer. Instead of chipping or cultivating all season, just apply Dowpon to your fields - in the spring before planting, or in the fall, after harvest - and you'll be rid of tough problem grasses. That's because Dowpon, sprayed on the leaves, kills the whole grass plant, from the tops to the deepest roots - at a rock-bottom cost per acre. Also use selectively in some crops.

*Trademark of The Dow Chemical Company

MORTON, TEXAS

NOW LOOK WHAT CORVAIR'S GONE AND DONE!

The same Corvaire that tallied a thumping 27.03 miles per gallon* in the Mobilgas Economy Run . . . went right on to climb Pikes Peak earlier in the spring than any car has ever tried!

We wanted to show you what the fabulous traction of Corvaire's rear-engine design and the sure-footedness of four-wheel independent suspension really mean. So the identical Economy Run car went right on to 14,110-foot Pikes Peak - and right up to the top of that savage mountain, on April 15, still deep in winter's snow and ice. No other car - even specially equipped - had ever been able to conquer that nightmare alpine road so early in the spring. But Corvaire (with United States Auto Club officials aboard to certify that not one nut or bolt was changed) purred right to the summit without chains or even snow tires! That just underscores the fact that Corvaire is totally unique. But you'll find that out the first five minutes you're at the wheel!

Try the remarkable Corvaire at your local authorized Chevrolet dealer's

Resolutions Passed Recently By Cochran County Democratic Convent'n

(The following is a list of four of the five resolutions passed by the Cochran County Democratic Convention. The first resolution, supporting Senator Lyndon Johnson as Democratic nominee for U. S. President, was published two weeks ago.)

RESOLUTION NO. 2
WHEREAS, our nation is in a social, political and at times physical turmoil on the problem of SEGREGATION, and
WHEREAS, the Supreme Court of the United States has passed its famous decision on segregation, passed it against all preceding favorable decisions rendered by this Court, and
WHEREAS, the language of this famous decision reflected legislative, social and moral line of thought instead of judicial --, on which the Court is supposed to function according to the Constitution of the United States, and
WHEREAS, THE COURT has rendered several other decisions which reflect this same line of thought; some of which are, labor or decisions, States Rights and those favoring Communistic activities, and
WHEREAS, we believe that the Court's functions and decisions should be restricted by the legislative segments of our government, to judicial duties only, and said Court be directed by said segments to function and perform its duties in line with that designated to them and that all cases submitted to the Court be prepared and assigned to them for judicial determination only, and
BE IT FURTHER RESOLVED, that we do hereby instruct our Delegates to state convention to work for this resolution to become a part of our State and our National Resolutions and that it become a part of our 1960 Party Platform.

RESOLUTION NO. 3
WHEREAS, our national farm program has been misused, misrepresented and misadministered by the present administration for and to the benefit of all except the farmer, and
WHEREAS, the department of agriculture, having lost the farmer, in its many ramifications of the program, by administering it, and amending it, for the benefit
RESOLUTION NO. 4
WHEREAS, the payment of a poll tax has been a requirement in Texas for citizens to vote in State, County and National elections with the exceptions of certain exemptions, and
WHEREAS, certain interests and certain groups want this requirement discontinued; to make the only requirements those of citizenship, age and residence, and
WHEREAS we think that the poll tax has functioned well for us, that it should be continued as a voting requirement, that it is the best buy on market for an interested citizen and that it should afford all citizens a certain amount of pride and satisfaction to be affiliated with those people who respect their franchise privileges enough to pay this small fee and that since all segments of our government is looking for, and is needing, additional taxes and sources of taxes, we believe the payment of poll taxes should be continued, and
BE IT FURTHER RESOLVED, that we do hereby instruct our delegates to the state convention to work for legislation favorable to the continuation of payments of poll taxes.

RESOLUTION NO. 5
BE IT RESOLVED that the delegates from Cochran County vote at the state convention as a unit.

Graduates from ENMU, On June 2

Mrs. Paula Griffith Paul, daughter of Mr. and Mrs. Frank Griffith of Star Route, Arch, N. M., will be graduated from Eastern New Mexico University, Portales, N. M., this year with a bachelor of arts degree in journalism.

Mrs. Paul, a former employee of the Morton Tribune, is one of 157 candidates for graduation. Baccalaureate and commencement exercises have been set for June 1 and 2 in the Greyhound Stadium at 8 p. m.

H. P. Skoglund, president of North American Life and Casualty company, will give the commencement address. Rev. Elmer S. Hjortland, pastor of the United Lutheran Church of Oak Park, Ill., will be the baccalaureate speaker.

Norman Petty Trio, Clovis. The seventeen year old miss was runner up in the Clovis Catholic Festival Queen Contest last fall when Tommy Sands made the final selection from photographs.

To serve as a majorette with the Greyhound Band at Eastern New Mexico University, Portales, next fall is the another honor bestowed on the young lady. She auditioned before Floren Thompson, Director of Bands, on the campus recently. Miss Danforth has served as Drum Major of the Texico School Band this year, has been majorette the past seven years, and plays the alto saxophone. She has attended ENMU Summer Band Camp five years and began her twirling career with the local Indian Band as a mascot when she was in the first grade here.

She has been awarded a scholarship in Applied Music for next fall according to C. M. Stookey, Chairman of the School of Music at Eastern.

Miss Danforth plans to major in Home Economics at ENMU and has received many trips and awards for her work in 4-H the past five years.

SUE COOPER IS SHOWER HONOREE

Miss Sue Cooper, bride elect of Paul Zuber, was honored with a bridal shower on May 13th in the home of Mrs. Clyde Strickland. About sixty guests called between the hours of three and five. Many who were unable to attend sent gifts.

The hostess' gift was a white bedspread, a 55 piece stainless dinner ware set, and a Dormeyer J. Mixer. Miss Linda Cartwright served the guests as they called.

Hostesses for the occasion were Mesdames Hugh Hansen, Jack Cartwright, Fay Collins, Alvin Ray, R. C. Strickland, Gene Huggins, J. W. Marshall, Paul Powell, Pete Todd, Clyde Strickland, R. C. Cotten, Scott, Charles Abbe, Bernice Amyx, R. M. Waller, Henry Chesshit and Miss Linda Cartwright.

WHITEFACE HD CLUB MEMBERS ENJOY HAWAIIAN MEAL AT RECENT MEETING

At a table beautifully decorated with roses and honeysuckle, phlox and other locally grown flowers, the Whiteface Home Demonstration Club enjoyed a meal of Hawaiian foods. All foods were prepared from supplies that are regular features of local markets, but were prepared and combined with the difference that is native to the newest state, Hawaii. Chicken Curry, Avocado Salad, Coconut Pudding, and Coconut cake were some of the foods served. Leila Petty, Home Demonstration Agent, prepared the demonstration.

Roll call was answered with "A Mother's Day gift I Remember". Most of the gifts so remembered were not of great monetary value but were rich in the values "money cannot buy". Those answering roll call were Mesdames F. Z. Payne, T. J. Capps, W. M. Gilmore, H. M. Clark, A. M. Stegall, Maude Lisenbee, Bethany

Vaughn, G. C. Keith, and the hostess, Mrs. L. U. Thompson. Next meeting is to be with Mrs. Ted King, May 26th, at which time "One dish meals" will be prepared by the Club Food Leaders.

ENTERTAINED WITH PARTY, AT BORINGS

The Senior Youth Class of the First Methodist Church were entertained with a hamburger fry at the home of Mr. and Mrs. George Boring.

Approximately 20 members of the class taught by Mr. Boring were served hamburgers, with all the trimmings, cokes and ice cream, and immediately thereafter journeyed to Levelland to play miniature golf.

Mr. and Mrs. Ed Thomas assisted in planning and conducting the party.

CLUB MEMBERS ARE GUESTS AT HOME OF OLAND CLIFTONS

A very pleasant evening was enjoyed by five club members of the F. O. R. H. D. Club, families and guests at the home of Mr. and Mrs. Oland Clifton on Friday evening, May 13.

Barbeque and all the trimmings of garlic bread, cherry cobbler, punch and iced tea was served outdoors.

There were 22 present. Those attending were Mr. and Mrs. Stanley Henderson and Lyndon; Mr. and Mrs. A. C. Jones and Larry; Mr. and Mrs. C. D. Arnold and Beverly; Mr. and Mrs. Randall Hughes and children; Miss Barbara Edwards of Levelland, Rufus George Bruce and Leona Standefer of Sundown. Two of the Choat family; the hosts, Mr. and Mrs. Clifton.

A Hawaiian Luau is planned at an early date for family night.

BETTY TURNEY SETS DATE FOR JUNE WEDDING

Mr. and Mrs. Roy Turney announce the engagement and approaching marriage of their daughter, Betty Carol, to Gerrie Hensley, son of Mrs. Leona Hensley of Levelland.

The wedding will take place June 3rd at 8:00 p. m. at the First Missionary Baptist Church in Morton. Bro. Edwin Peters will perform the ceremony.

Friends of the couple are invited to attend the ceremony.

T and C CLUB PLANS YEAR OF ACTIVITIES

"New trends, departments and goals, both state and local level" was the theme of a call meeting of the Town and Country Study Club at the home of Mrs. Alvie Harris, Thursday, May 17.

"Only by planning ahead can we be aware of the many things we are doing or can learn to do for our community, our state and our nation," stated Mrs. Harris, newly installed president, as she opened the informal planning session.

Members attending were Mesdames Otis Parr, Roy Hill, A. A. Fralin, LeRoy Johnson, R. E. Knowlton, D. L. Sanford and J. D. Glass.

VISITS IN SOUTH TEXAS

Mrs. Grover Edgar returned Monday from south Texas where she visited relatives in Big Spring, San Antonio, Houston, Victoria, and Ganado. She reported the country south and east of Big Spring has recently had good rains.

Mr. and Mrs. G. W. Edwards Observe 50th Wedding Anniversary

Mr. and Mrs. G. W. Edwards of Maple celebrated their golden wedding anniversary, Sunday, May 22, with open house.

The serving table was laid with a white net cloth bordered with gold over pink. The centerpiece was a pink floral arrangement with golden candelabra. The anniversary cake, a huge 50 with golden roses completed the table decorations. The gift table was laid with a white lace cloth over pink. The register table was laid with gold and white accessories. All appointments were in crystal.

Daughters of the couple, Mrs. Jimmie Daricek and Mrs. Michael Flaniken alternated at the register table. Two other daughters, Mrs. J. T. Gilbreth and E. F. Edwards of Pineville, La.,

Mrs. H. J. Thomas alternated at the refreshment table. Daughters-in-law of the couple assisting with the hospitalities were Mrs. Faye Edwards of Morton, Mrs. L. N. Edwards of Tokio, Mrs. C. A. Edwards of Roswell, N. M., and Mrs. Leon Edwards of Midland.

Children of the couple attending were Mr. J. T. Gilbreth and Mrs. H. J. Thomas both of Abilene, M. L. Edwards of Pico Rivera, Calif., L. N. Edwards of Tokio, C. A. Edwards of Roswell, N. M., Mrs. Michael Flaniken and Mrs. Jimmy Daricek both of Maple and Leon Edwards of Midland. Also attending were seventeen grandchildren. One son, Mrs. J. T. Gilbreth and E. F. Edwards of Pineville, La.,

was unable to attend. Eighty-five guests signed the register. Many who were unable to attend, sent gifts.

kah's and on. Odd Fellow from Morton made an official visit to the Muleshoe Rebekah Lodge, last week.

Friona Rebekah Lodge gave a very interesting memorial service for the program.

Those from Morton making the trip, in addition to Mrs. Lewallen were Mr. and Mrs. S. W. Westerman, Mrs. Zeima Waller and Mildred Aikin.

SENATOR ☆☆☆ Yarborough's Report

The importance of our foreign aid program is highlighted by Khrushchev's high handed tactics and dictatorial walkout at Paris.

The Russian boss' insult to President Eisenhower illustrates our need for strong allies in the world. But the need for our foreign aid program doesn't excuse or justify waste or graft. That is why I recently voted to cut the fat out of foreign aid spending when the foreign aid authorization bill came before the Senate.

One way we sought to eliminate waste in foreign aid was to try to require that the Congress must separately review and approve each foreign water and dam project estimated to cost over \$1-million. In other words, we tried to enforce the same set of standards on foreign projects as we have for federally built water projects in Texas.

But the amendments lost and today we continue to authorize and appropriate money for foreign public works improvements on a lump sum basis, without consideration by the Congress of the separate large projects. One Senator even inquired during debate whether any member of the senate even knew how many foreign projects that will cost over \$1 million were being authorized under the \$4 billion bill. No one answered him.

I'm strongly convinced that closer study of separate projects would have two highly desirable results:

- (1) The program would cost less money;
- (2) It would achieve more because wisely invested dollars would build more beneficial projects and would win wider respect among foreign peoples.

VISITS PARENTS

Mrs. R. C. Lemons Jr. and children of Farwell visited in the Hazel Hancock and John Silhan homes last week. Mrs. E. S. Byrum accompanied Mrs. Lemons to Morton after an extended visit with relatives at Tucuman, N. M.

D. of Fort Worth, and Cecil of Fullerton, Cal. Also a sister, Mrs. J. H. Kersley of Knox City, and mother, Mrs. O. D. Pool, Sr.

Late Little League Results —

Pirates Suffer First LL Loss

The Little League Pirates dropped their first game of the season in a Monday thriller, allowing the Giants two unearned runs and a 2 - 1 victory.

The Pirates took a 1 - 0 lead and held it for four innings when the Giants managed to put base runners second and third base. Kenny Palmer relieved Jim Street on them and immediately threw two low pitches which eluded the catcher and the two runs scored.

The loss by the Pirates left the Cards alone at the top of the Little League pack, undefeated and the win for the Giants, who were coached by Chas. Ledbetter and Jimmy Bilbrey, in the absence of their regular manager, put them back into the thick of the title scramble.

In the bottom of the 6th inning the Pirates tried to scramble back into the game. The Giants coaches ordered Palmer walked intentionally, rather than take the chance for a game tying homer. The strategy proved fine when the final batter fouled to the first baseman leaving Palmer stranded on 3rd base.

Cards Win, Take Over First

Ineptness at the bat continued to plague the Cubs Tuesday as they dropped their third straight game, a 7 to 1 decision to the Cards.

The Cubs managed only three hits in the game, two of them in the final inning, when they scored their only run. Jim Hawkins got two of the trio of hits, a double and a triple.

Otherwise, the Newsome brothers, who handled the mound chores for the Cards, held the Cubs at bay during the entire game. The Cards picked away

with a single run in the first, and two runs in each of the 2nd, 3rd, and 5th innings to wrap up their third straight league victory and take undisputed possession of first place in the Little League.

HONORED AT SHOWER
Mrs. Junior Austin was honored with a pink and blue shower Tuesday evening at the Bula luncheon.

She received many gifts from those attending and some who were unable to attend.

The serving table was covered with a pink net table over white.
