NUMBER SEVENTEEN

## School Tax Rate Dropped; Valuation Increased

### Two Teachers Resign; Three More Are Hired By Board

The Morton School Board of Trustees, in a regular session Tuesday, accepted the resignations of two more Morton teachers, and approved the hiring of three new teachers. The resignations of Jim Middle-

ton (who decided to devote all of his time to farming after many years of teaching here) and Douglas Mullins, were accepted. Mullins, who began teaching here in the mid term last winter, has accepted a

coaching job at Graham. Supt. John Barnes said he expects three or four more resignations and it could run as high as seven more.

Hired to contracts were three single women, Misses Elizabeth Dupler, a beginning teacher from Morton who graduated last month as a commercial teacher; Patsy Duncan, to teach English and History in the Junior High; and Juanita Kendrick, who has been teaching at Wilson and formerly taught at Levelland, as a first grade teacher.

Babe Van made both motions, and Jesse Clayton seconded both of them, voted unanimously by the four trustees present at the meeting.

Other Board members on hand for the meeting were Jim Clappitt and Glenn McDaniel, who presided.

The Board also approved \$3,631.09 in monthly bills, and took the first step on the tax program for the new year by lowering the tax rate from 2.00 to "not over \$1.20" depending on the final amount of valuation in the school's re-evaluation

## DIRECTORS SCHOOL OF INSTRUCTION HERE TODAY TO BE SPONSORED BY AREA COOPERATIVES

Area cooperative gins will be host today (Thursday) to a school of instruction for directors, to be held beginning at 9:30 a. m. at the Cochran County Activities Building, Morton.

The meeting has been thrown open to members of all school boards, directors of public and private organizations, and anyone interested in learning more regarding the duties of directors.

Speaking at 9:30 a. m. will be Bruno E. Schroeder, executive vice-president, Texas Federation of Cooperatives. He will speak on "Director - Manager Relations and Responsibilities."

At 10 a. m., C. E. Bowles, secretary, Plains Cotton Cooperative Association, will speak on "Membership and Public Relation Responsibilities."

W. E. Daly, vice - president and secretary, Houston Bank for Coop-

eratives, will speak at 10:30 a. m. on "Legal Responsibilities of Directors."

From 11 a. m. until 4 p. m., hypothetical problems, common to cooperative boards of directors will be given discussion by groups.

Dinner will be served at noon in the Activities Building dining room.

Hosts for the meeting are the following cooperative gins and organizations with the names of their managers following: Morton, J. R. Kykendall; Needmore, Pete Potet; Enochs, Bob Newton; Star Route, Roy Greer; Maple, John Shepard; and State Line Butane, Cecil Lind-

sey. Kykendall pointed out that he was "very happy" to see the meeting brought to Morton. Only four such meetings have been scheduled for the Plains area.

Others were held at Crosbyton, O'Donnell, and Plainview.

## O. B. Tyler Rites At Miss. Baptist Monday, 3:30

Final rites were held at the Missionary Baptist Church Morton, Monday, at 3 p. m., for O. B. Tyler, 74, father of three Mortonites, who died Saturday after a 20 day stay in the Memorial Hospital, here.

The Rev. Roy McCoy, Ropesville, and Rev. Austin Steadman, pastor of the local church, officiated at the services assisted by Rev. Fred Thomas, pastor of the First Baptist Church here, and Rev. Northcutt, pastor of the Levelland Nazarene Church. Mr. Tyler, a resident of this county since 1935, died at 2:30 p. m. Saturday, following a long illness. His wife preceded him in death a little more than a year ago.

He was a member of the Levelland Nazarene Church, and had been a member of the Nazarene Church for 40 years.

Burial was in Resthaven Park, Lubbock, under the direction of Singleton Funeral Home of Morton.

Survivors include three daughters, Mrs. W. L. Foust and Mrs. Maurice Lewallen, both of Morton and Mrs. W. C. Lawson, Oklahoma City; a son, Cecil, of Morton; two sisters, Mrs. Effie Trout Brinkman, Calif.; and Mrs. Janie Bright, Oklahoma City; four brothers, A. G. Tyler, Wellington; Ray Tyler, Oklahoma City; Charley Tyler, Sudan; and Edgar Tyler, Houston; six grandchildren and one great grandchild.

## Important Farm Meeting Set for Monday Night

There will be an educational meeting Monday evening, June 20, at 7:45 p. m. in the Agricultural Building Auditorium, Morton, Texas.

This meeting has a two-fold purpose. It is to discuss the cotton insect situation as it exists over Cochran County and to discuss cotton measuring under the new cotton compliance measuring this

See (FARM MEETING) Page 10

## Couple Reported "Much Improved" After Serious Auto Crash, May 31

### BROKEN NECK, AMPUTATED FOOT GRIM REMINDERS

Mr. and Mrs. Laverne Corder of Abilene, brother and sister-in-law of Mrs. Wilburn House of Morton, are reported "doing better" in Hendrick Memorial Hospital, at Abilene, this week.

The couple were seriously injured in a car wreck, May 31, as the car they were riding in struck a pavement divider, veered off the road and overturned.

Lavern suffered a broken neck, chest injuries, and other cuts and bruises. His wife broke both collarbones, suffered leg injuries which necessitated the partial amputation of one foot, a bad wrench of the other foot, and other injuries.

Mrs. House said this week they were "much improved" over the past two weeks.

## GASOLINE PRICE WAR

### UNDERWAY ?

Gasoline prices began to slide downward in Morton, Wednesday afternoon.

Indications were that a gasoline "price war" was in the making.

A check of various service stations indicated some operators were unaware of any change, while others predicted changes in price by Thursday morning (today).

Tip Windom of Phillips 66 said Phillips 66 stations were lowering retail prices late Wednesday to 25.9 cents for regular and 29.9 cents on "Elite Fuel."

Rumors were moving, but no other definite prices were secured by press time.

## Free Marketing, Classing Reports Available to Area Cotton Farmers

Cotton farmers who have not already filed application to receive free classing and market information for their 1960 crop have until August 1 to apply for these services.

Application should be filed with W. K. Palmer, 610 23rd St., Lubbock. Palmer is in charge of the Agriculture Marketing Service's area cotton office which includes 37 Panhandle counties and the New Mexico counties of Quay and Roosevelt.

Procedure for preparing and filing applications has been considerably shortened and simplified this season. "However, promptness in filing is necessary, as time is needed for each group to arrange for submitting samples to the classing office."

Palmer said. Applications and instructions for applying may be obtained from Mr. Palmer's office or from the county agriculture agent.

Under the free classing service, organized growers learn the grade and staple of each bale of cotton they produce. Through market news they learn what cotton is selling for. These two services put them in better bargaining position when they sell their cotton.

More than 13.7 million bales of cotton, about 95 percent of the 1959 crop, were classed under the Smith-Doxey program last year. This is the largest proportion classed for any crop since the service became available in 1938.

## "FEW PEOPLE CAN'T DO THE JOB"

# Chamber Pledges Strong; Attendance Very Weak

Two more business firms have pledged support of the Morton Chamber of Commerce, but the planning meetings continue to fail to bring out the members.

At an informal meeting of the

Morton Chamber of Commerce, on Tuesday night, the lumber yards pledged both their financial support and their time to aid the organization.

George Boring, chairman of the

Planning Group stated, "although the initial steps have been taken to set up the Chamber of Commerce, two or three people cannot make the organization work. It will take the work of all concerned, if the Chamber is to be a success."

Financial pledges have been exceptionally strong, but the committee is temporarily stalled because those appointed to make the plans for getting the organization rolling, have been unable to attend the meetings.

An average of about six of the members have attended the last four called meetings, only about a third of the membership.

## Tennis Courts Near Completion At The School

The construction on the tennis courts just south of the Morton high school was finished about three weeks ago by the J. R. Fannin construction company from Lubbock.

John Barnes announced that the nets would be up sometime later in the summer. It is not known at the present time whether there will be lights for the courts.

## FEW MORE PATIENTS NEEDED . . .

## HOSPITAL DEFICIT FOR 1960 NEARING \$15,000, REPORT SHOWS

The Memorial Hospital operating loss for the month of May was \$2,501.72, according to figures of the County Auditor presented to the hospital's board of managers Monday night.

For the first five months of 1960 the loss was shown as \$10,691.49. Since January salaries are included in the previous December disbursements, the loss is actually a round \$15,000.

Present for the regular board meeting in the dining room of the hospital were J. C. O'Brien, president of the board; L. W. Barrett, vice-president; L. E. McDonald, Arvel Snodgrass, J. C. King, board members; and Bill Glassford, secretary.

Jack Sisk, accountant, presented figures for the past month's opera-

tion. He told the board apparently all that was needed to improve the financial picture was additional patients.

Number of patients for May, 1960, was reported at 50, patient days, 149; number of new born, 9; and nursery days, 18.

For May, 1959, the report showed number of patients, 72; patient days, 315; new born, 9; and nursery days, 27.

Chas. Lewis, administrator, presented the board members, for signatures, requisitions for purchases in May.

Cash-credit business for May was reported at \$4,185.64, receipts of \$5,023.37, and disbursements of \$8,208.73.

### Cochran Boy Tops In State . . .

## Rifle Team Places 7th

Gary Coffman, a member of the 4-H rifle team, tied for the score in the state matches at College Station last week. Coffman with a score of 363 led Cochran County team which placed seventh in the highly competitive matches. Other members of the team were Russel Ward, Walter Miller, and Tommy Morrison. Miller went along as the number one.

## Fire Front Hit Pick-up

Shirley's Dry Goods building suffered considerable damage in a fire which broke early Wednesday morning. Shakespear, 15, of Morton was pulling a pickup truck in the curb, around 5:30 a. m., in front of the building, when he failed to find the brakes with his foot. The truck jumped the curb and rolled into the front of the building, breaking the plate glass window, damaging the front door, ripping show window molding and brick foundation, and causing some damage to the show window contents. One person was injured.

## Posse Rides Shorhanded; Takes Home Top Prize

Cochran County Sheriff Posse on top again! The local riders, known for their prowess, after finishing out of the money recently, captured the place trophy at the Rodeo and Settler's Reunion at Big Spring, Texas.

## TIME MORTON RESIDENT . . .

### Babe Killed in Jacksboro Crash

35-year-old Frederick, Oklahoma, who formerly resided in Morton, was killed Monday afternoon, after being seriously injured in a vehicle mishap near Jacksboro, Texas.

The victim was the former Barbara Gayle Coon, daughter of T. H. Coon, formerly of Morton, and a sister of Helen Coon of Morton. Her sister was killed in a vehicle accident in December of 1958.

Details of the accident were unavailable to the Tribune went to the Coon family. Mr. Coon said funeral arrangements would probably be held at Jacksboro, Okla., sometime later in the week. Arrangements were awaiting contact of a brother in the

## Special Swimming Class for Ladies To Start Monday

Bill Burkett, manager at the Cochran County Swimming pool, announced a special new swimming class, by request, for women only, starting Monday, June 20th, and to continue through the week at the local pool.

The class will be for one hour, from 8 to 9 p. m., each night for the 5 day period.

The swimming lessons which started this week will continue through the 24th. They are being held in the morning hours. It was announced that anyone can sign up for the course until Friday, the 17th.

There are two morning classes, one from 9 a. m. until 10 a. m. and another from 10 a. m. until 11 a. m. The first two days of classes saw about 14 students turn out for each session.

If enough interest is shown another two week session will be for- mated at the conclusion of these classes.

Women who would like to learn to swim, in a class of their own, are urged to sign up for the evening class.

## Man Finds Indian Skeleton

It was the 18th death in the immediate Coon family in the past six or seven years, Huelien said.

He said Barbara Gayle attended school in Morton four or five years ago.

R. E. NAIL

## To Appear at Minnie's Shop Friday, Saturday

Friday and Saturday will be special days at Minnie's Shop, westside square, Morton.

It will mark the opening of the firm again after undergoing complete remodeling, repainting, and reflooring.

In fact, Minnie Childs promises you won't recognize the place.

Also, R. E. Nail, area representative for Field and Stream coats, will be at Minnie's Friday and Saturday showing the firm's newest coats for men and women for fall wear.

Nail's appearance here is being sponsored by Minnie's and Childs'.

Both men and women are invited to drop by Minnie's and look over the Field and Stream display.

Nail is not a newcomer to Morton. He was here two years ago as a representative of Field and Stream.

Minnie's and Childs' extend area residents a cordial invitation to drop by and see the new styles being presented by Field and Stream.

Showing will be from 8 A.M. to 6 P.M. on Friday and from 8 A.M. to 8 P.M. on Saturday.

## Five Are Hurt in Sunday Afternoon Two Car Collision West of Morton

Five Latin Americans were injured, one of them seriously, but not critically, Sunday, when a pick-up truck in which they were riding was struck from the rear by an auto. Two area men, in the auto, were uninjured.

The mishap occurred early Sunday afternoon, just east of the Star Route Grocery, west of Morton on Highway 116.

Injured seriously was Mrs. Manuela Salinas, who suffered a badly crushed elbow and arm, and remains in Methodist Hospital at Lubbock, where she was taken Sunday afternoon. Also injured slightly were Lydia Salinas and Ophelia Salinas, daughters; a 6 month old granddaughter; and the husband of Mrs. Salinas, Pedro Salinas.

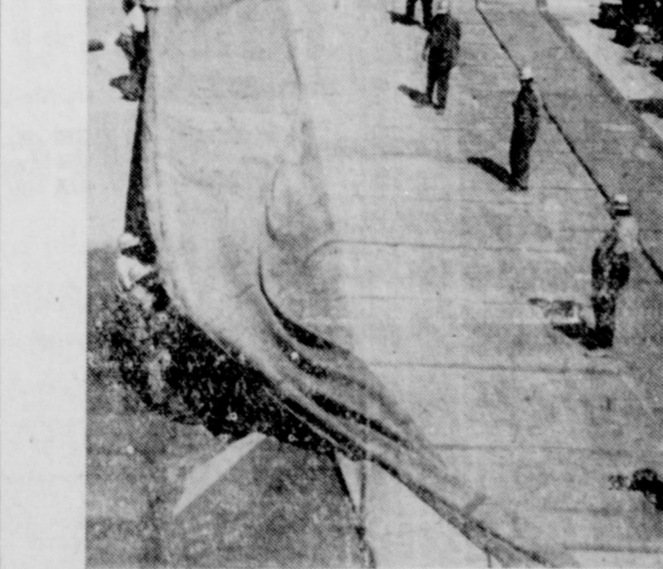

The group came to Morton from Pearsall, Texas, about 4 months ago, and were living in apartments at the Star Route Grocery.

Less than six months ago, a Pearsall man, and his brother, and another man were killed in a mishap, about 10 miles west of the scene of Sunday's wreck, on the same highway.

The Cochran County Home Demonstration Council has sent out an alert for all persons with talent who would like to take part in a talent show to be held at the Cochran County Auditorium, on Saturday, June 25th.

The contest, which will feature Bill Mack and his band, popular area radio and TV star, as MC, will

(See TALENT page 7)

ROLLING OUT THE CARPET—Sixty feet below the surface of the ground in downtown Houston, workers stretch out a Butyl rubber carpet on which the 44-story Humble Oil & Refining Company building will stand when completed in 1962. The Butyl membrane will act as a water barrier for the foundation of the building. This is a unique application of the durable, flexible synthetic which is produced at Humble's Baytown Refinery and is widely used in everything from hot water bottles to conveyor belts, tubing, tires, wading pools, protective clothing for missile launching crews, and car accessories.

**TODAY'S 4-H YOUTH . . . TOMORROW'S SAFE DRIVERS**

There's more to having a car than just sitting behind the wheel and rolling down the highway, say 4-H boys and girls enrolled in the new automotive care and safety program.

Results add up to better driving habits, safer travel, reduced costs, fuller enjoyment of one of America's most popular possessions — the automobile.

Record keeping — with an eye for economy of operation — is expected.

The 4-H automotive project is a joint undertaking supported by the Cooperative Extension Service, National 4-H Service Committee, and Firestone Tire & Rubber Co.

**PLAY IT SAFE!**

**SCHEDULE YOUR SIDEDRESSING NOW!**

1. Many of you will fail to get your crop completely fed before planting . . .
2. The crop can grow and produce only in proportion to the essential food available to it . . .
3. Each plant food does its own job only and does not substitute or do this work for another . . .
4. Limitation or absence of any one of the essential plant food elements will result in limited growth or failure in growth and production of the entire crop.

Dutchy Byrum, oldest son of Mr. and Mrs. Vic Byrum, and grandson of the P. A. Altmans, has a liver ailment and has to have complete bed rest. He has already been bedfast for six weeks. He is under the care of a specialist at Amarillo and is receiving shots every three days at Amarillo. The Byrums live at Tucumcari, N. M.

**SEVERAL FROM COCHRAN COUNTY AT DEMO MEETING**  
Several people from Cochran County attended the State Democratic Convention in Austin this week. Mrs. Lessey Silvers said she thought the following planned to attend: LeRoy Johnson, J. W. McDermott, Mrs. Otha Denny, Mr. and Mrs. Alton Ainsworth, and Joe Seagler.

**BEGIN PUBLICITY PLANS FOR ANNUAL "TEXAS' LAST FRONTIER" RODEO**

First semi-complete plans for the "10th Annual Texas' Last Frontier Rodeo" were announced last week by directors of the rodeo as they began their advance publicity campaign by ordering 300 placards to be placed in windows around the area.

**MAY RAINFALL TOTALED .98 INCH BY SCS GAUGE**

The official rainfall received for the month of May was .98 according to the Soil Conservation Office, official keepers of the rain chart for this county.

The .98 was received on a total of four days during the month.

On the 10th, .09 inches was received.

On May 11th, the recording was .11.

On May 30th, the office gauged .70.

And the final rainfall came the following day, May 31, when the gauge showed .08.

Added events include the special Sheriff Posse Wagon Race on opening night only; the kid's goat sacking each night, the rodeo queen contest based upon number of advance tickets sold, and of course the posse parade competition, for trophies.

The cowboys themselves will compete for silver buckles as top performers in riding and roping in the entire show.

The Queen Contest will get underway immediately, according to Herb Hillman. Any girl who wants to enter should find herself a sponsor and then notify Mrs. Beth Gandy, rodeo secretary, and get her advance tickets as soon as they are printed.

Rodeo tickets will sell for \$1.50 for adults and .75 for children and the same price tag will be on plates at the barbeque on Thursday, August 11.

As is usually the case, a rodeo dance will probably be held at the Morton Roller Rink each night of the rodeo, however, the dance is not sponsored by the Rodeo Association.

**WANTED BY THE FBI**

**JOSEPH CORBETT, JR.**

Corbett, one of the FBI's "Ten Most Wanted Fugitives," is wanted for escape from the California Institution for Men, Chino, Calif., where he was serving a 5 years' to life sentence for murdering an Air Force sergeant. A Federal warrant was issued at Los Angeles, Calif., on March 21, 1960, charging him with unlawful interstate flight to avoid confinement for murder.

A white American, born on October 25, 1928, at Seattle, Wash., Corbett is 6 feet 1 inch to 6 feet 2 inches tall and weighs 160 to 170 pounds. He has light brown hair, hazel eyes, a fair complexion, a medium build, and has worked as a clerk-typist, laborer, warehouseman, laboratory technician, and alkyl-resin cooker for a paint manufacturer. His two upper front teeth slant inward and he wears glasses, reportedly being extremely nearsighted and capable of seeing only close objects without them. He has a mole under his chin and a C-shaped scar on his right thumb.

Corbett, once a premedical student, is interested in scientific matters, avidly reads technical and travel books, and is intensely interested in firearms and target practice. He reportedly has a superior general intelligence and generally lives quietly and neatly but becomes erratic when drinking alcoholic beverages.

Convicted of second-degree murder, he is considered armed and dangerous.

Anyone having information concerning him should immediately notify the nearest office of the FBI, the telephone number of which can be found on the first page of local telephone directories. APR 1960

### MRS. ROY TARVER, Jr. IS PARTY HONOREE

Mrs. Roy Tarver, Jr. of Ft. Worth was honored at a bridge party in the Leonard Gandy home Saturday afternoon.

The bridge tables were decorated with miniature arrangements of carnations.

Mrs. Van Greene won high for the afternoon. Bingo prizes went to Mesdames J. Walker Davis, W. C. Van, Lowell Webb, H. B. Barker and R. J. Merritt.

Guests attending were Mesdames C. Van J. Walker Davis, H. B. Barker, Lowell Webb, Jerry Winder, George Boring, Fred Payne, Van Greene, R. J. Merritt, Jake Wylie, E. L. Palvodo, Roy Gentry, Leo Holland, Eddie Irwin and Mrs. John E. Holloman of Socorro, N. M.

### HOME FOR THE SUMMER

Sara Jo Wallace, a student at ENMU majoring in elementary education, is home for the summer.

### Miss Sue Cooper, Paul Zuber Wed In Ceremony Held Here June 3rd

In a ceremony preformed at the home of Mr. and Mrs. L. T. Lemons, Friday, June 3rd, Miss Nawtha Sue Cooper and Paul Duane Zuber were united in marriage.

Minister Clyde Strickland of the Church of Christ at 202 Southwest 2nd, in Morton, preformed the double ring ceremony which united the daughter of Mr. and Mrs. G. O. Cooper and the son of Mr. and Mrs. W. W. Zuber.

The bride, given in marriage by her father, was dressed in an ice blue sheath of Chantilly lace over taffeta with a tulle overskirt, and a sweetheart neckline. A waist length veil fell from a headdress of seeded pearls and iridescent sequins. She carried a bouquet of daisies and lilies of the valley atop a pearl covered Bible.

The maid of honor, Miss Mary Lee Ledbetter, wore a pink eyelid

sheath with pink accessories and carried a bouquet of daisies. Treva Lemons, cousin of the bride, and Roxanne Cooper of Pep, N. M., niece of the bride, were flower girls. They wore pink dresses with overskirts of eyelid embroidery with white accessories. The two girls carried baskets of daisies.

Best man was Clyde Brownlow. The brother of the bride, Erwin Cooper, was candlelighter and Kirby Gresham of Brownfield, nephew of the bride, was ring bearer.

Members of the house party were Miss Judy Zuber, sister of the bridegroom, and Mmes. Doug Zuber, Joe Gresham and Melvin Cooper.

Mrs. Zuber wore a toast brown linen sheath and jacket with beige accessories for their wedding trip. After their wedding trip to New Mexico, the couple plan to live near Brownfield where the bridegroom is engaged in farming. Both attended Morton High School.

### W.S.C.S, WES. GUILD OFFICERS INSTALLED

Mrs. W. G. Benham was installed as the president of the Woman's Society of Christian Service, and Miss Leila Petty was installed as president of the Wesleyan Service Guild, Sunday night, at the First Methodist church.

Rev. F. Dunn, pastor, installed the officers.

Other officers in the WSCS installed were Mrs. H. M. Christian, vice president; Mrs. J. W. McDermott, treasurer; Mrs. Paul Gunter, sec. sec.; Mrs. Bob Ramp, sec. of education; Mrs. John Crowder, sec. of promotion; Mrs. J. N. Burnett, sec. of spiritual life; Mrs. J. D. Hawthorne, sec. of youth work; Mrs. Bill Glassford, sec. of student work; Mrs. Willard Henry, sec. of childrens work; Mrs. Bob Mayon, sec. of literature and publication; Mrs. Courtney Sanders, sec. of supply work; Mrs. Ed Lytle, sec. of local church act.; and Mrs. Hume Russell, sec. of Christian Social relations.

The WSCS will meet the first Tuesday of each month at 2:30 p.m. through June, July and August, with regular weekly meetings beginning in September.

Other members installed in the Wesleyan Service Guild were Mrs. Buck Freeland, vice president; Mrs. Carl England, secretary; and Miss Lonora Jackson, treasurer. The Guild will start their bi-monthly meetings in September.

### Miss Donna Shepard, Ricky Lindsey Exchange Wedding Vows at Maple

In a double ring ceremony read by Rev. Mayo Carpenter, Miss Donna Jane Shepard and Ricky Lindsey were united in marriage at Maple, Saturday, June 4, at 8 p.m.

The bride is the daughter of Mr. and Mrs. John Shepard of Maple and the bridegroom is the son of Mr. and Mrs. Cecil E. Lindsey, also of Maple.

Given in marriage by her father, the bride was clad in a gown of lace and tulle over bridal satin. A portrait neckline was trimmed with iridescent sequins and seed pearls. A permanent pleated tulle skirt was covered with French imported lace that swept into the bride's chapel train. A waist-length illusion veil fell from her headdress of applied lace and seed pearls. She carried roses and Stephanotis on a white Bible.

Miss Philis Gardner, the maid of honor, wore a pink organza dress

and carried a bouquet of white carnations and Stephanotis. Misses Janice and Charlotte Shepard, sisters of the bride, wearing identical pink silk organza dresses with fitted bodices and bouffant skirts, served as candlelighters.

James Shepard served his brother as best man and Bobby Kindie and Jerry Hutton were ushers.

Following the ceremony a reception was held in the home of the bride's parents. Mmes. Freddie Parkman and Bobby Foley and Miss Yuvonda Taylor served as members of the house party.

After a wedding trip to New Mexico the couple are making their

home at Lubbock where Lindsey is stationed at Reese Air Force Base. Mrs. Lindsey is a student nurse at Methodist Hospital. The bride graduated from Three Way High School in May of 1959 and the bridegroom graduated from High School at Corpus Christi.

 Mmes. Sam Leverett, Sr., and Sammie Leverett, & children Jerry B and Cammie, returned Saturday from a two week visit to Paris, Texas.

**Summer Homemaking Class Ends 3 - Day Workshop on Shoe Covering**  
 The girls enrolled in Morton High School's summer homemaking class have just completed a three day workshop learning to cover shoes. The class met in the Homemaking Department, Tuesday, Wednesday, and Thursday, June 7, 8, and 9.

This was a very useful, as well as money saving experience for the girls. Fabric covered shoes are very much in style this year. If one has her shoes covered by a professional the cost range is from about \$12 to \$14 plus fabric and handling charges. These young misses have cut the cost to about thirty-five cents plus a little of their time.

Those attending the workshop were: Glenda Chessher, Treva Dunn, Patricia Egger, Marieta Edwards, Dwana Henry, Carolyn Houston, Cathy Huggins, Linda Key, Kay St. Clair, Laurreta McCuiston.

**WEDDING SHOWER FOR RECENT BRIDE**  
 Mrs. Bill Smith, nee Miss Norma Flanagan was honored with a bridal shower in the Dennis Fleeror home May 27th at 3:00 p.m.

Hostesses for the affair were Misses Patsy Amvix, Doris Fleenor, Melba Cook, Marvalene Hoffman, Darla Brotherton, Ruby Daniel and Betty Kuehler. Also Mesdames Murry Crane, Keith Kennedy, Mildred Townsend and Elmo Smith.

The serving table was covered with a white lace cloth and centered with an arrangement of red roses and honeysuckle. Refreshments of cookies and punch were served.

Always a phone at hand in a home that's Telephone-Planned!

"She's right here on the patio with me!"

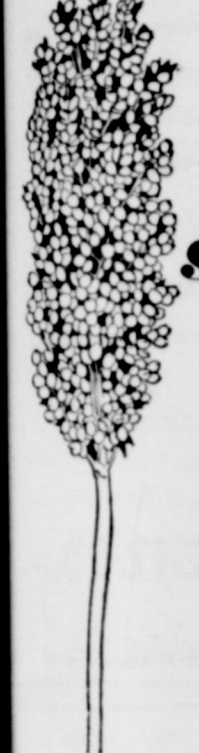

No more bothersome running in and out to catch the phone—not when you've got a portable phone or an extension on the patio. The last word in outdoor living—it costs so little. This year, get an outside extension in a color to match your summer furniture.

**MRS. F. Z. PAYNE IS H. D. CLUB HOSTESS AT WHITEFACE**  
 Mrs. F. Z. Payne was hostess to the Whiteface Home Demonstration Club, June 9, when the program was on "Quick Breads".

"Corn dogs," biscuits, and Oaten Bread were prepared and served by the Foods leaders, Mrs. Ted King and Mrs. G. C. Keith, and the hostess, Mrs. Payne. Honey, apricot jam and butter were served with the breads, and iced tea completed the refreshments. All present expressed their enjoyment of the demonstration.

Roll call had been answered by naming a new product recently tried; most members brought a container of the product they endorsed.

A tour of the lovely yard of the hostess completed the day's program.

Members present were Mesdames T. J. Capps, Ted King, Maude Linsbee, Homer Clark, C.W. Word, G. C. Keith and the hostess Mrs. Payne.

The next meeting is to be with Mrs. T. J. Capps, June 23, when the program will be on making straw bags from Petticoat braid. The club members who attend the Straw Bag workshop in Morton will be in charge of the program.

**Today, the car you own has a new life expectancy!**

A tremendous forward step in engine protection. New Trop-Artic All-Season Motor Oil preserves and prolongs the smooth performance of your engine. Meets or surpasses the most severe tests for automobile oils.

Beginning today your car can perform far better... for a longer time... thanks to new Trop-Artic All-Season Motor Oil from Phillips 66.

New Trop-Artic drastically reduces the harmful deposits and corrosive wear that rob you of your driving pleasure. With new Trop-Artic your car can run smoother... quieter... with lower fuel costs... fewer repairs. Piston ring wear is actually reduced as much as 35% compared to many leading oils.

In hundreds of thousands of miles of testing, typical car owners reported these important benefits from new Trop-Artic Motor Oil:

- Less oil consumption
- Less engine knocking
- Less mis-firing
- More miles per gallon of gasoline
- Cleaner oil filters

Change to new Trop-Artic Motor Oil at your Phillips 66 Dealers and see if you don't notice these same improvements in the performance of your car! \*A trademark

Enjoy the Smoothest Rhythm on the Road! Fill up with new Flite-Fuel, perfectly matched to the rhythm of your motor. It's super powerful...super smooth!

With Your ... COUNTY AGENT

By Homer E. Thompson INSECTS

The alarm time is here for thrips on cotton. Infestation very high over the country. Some cotton leaves have 10 to 20 thrips each. With this high an infestation control measure should begin at once. The cotton insect guide is available in the county agent's office.

When ground rig is used you may use Malathion with Toxaphene, dieldrin, etc., as stated in guide, or when plane is used substitute parathion for Malathion. Example: Apply 1 and a half pints Toxaphene or Dieldrin with

3/4 pint of Malathion, when using ground equipment. Apply one quart Toxaphene or Dieldrin with one pint of Parathion when using air plane.

There are other insecticides given in guide besides the example given; and those are available in the county agent's office.

Static electricity, wind, sand, and seedling diseases are taking their toll of damage on the young cotton, but right now thrips are most severe and need to be controlled. Apply the insecticides at weekly intervals for at least two or three applications. Cotton stunted now will require several weeks to out grow the damage done by this pest. Thrips are doing severe damage now in most south plains counties. Most cotton is late enough without taking the chance of other damage by thrips.

This does not paint a good picture, because cotton is already late, and thrips are early in their infestation. Normally - early control begins in the 4 to 6 leaf stage, but it is required in the two leaf stage on much cotton this year. Get your early season insect control work done in the next three weeks, if possible, and then permit the beneficial insects to build up prior to July 1, or before boll worm season is here, advises the County Agent.

SAFETY IN HANDLING CHEMICALS

Don't take chances in storing or handling chemicals. Always use

properly labeled chemicals. If it can't be labeled, throw it away, directions on labels.

burn or bury it. Always follow these are the commandments of chemical storage.

- 1. Have an organized place for storage
2. It's best to use or dispose of small amounts of left over chemicals.
3. When stored, be sure the label is kept intact
4. Keep stored in dry place.
5. Keep place locked to keep children out
6. Keep extremely toxic chemicals as those having skull and cross bones on label high enough to be out of childrens reach
7. Never stack one chemical on top of another
8. Check label for instructions so that chemicals that should not be stored together are separated.

GRAIN SORGHUM

Grain sorghums are becoming more seriously infested with head smut over the state. Many farmers are planting grain sorghums too early for maximum yields. Suggest you try to plant a few acres over now to test this fact. It will save you weed control and moisture, too. Generally June 15 plantings outyield May plantings by 400 to 600 pounds per acre at the Experiment Station in this area. Recommend growers, where smut is expected to be a problem, avoid highly susceptible varieties. Those highly susceptible varieties are: Combine 7078, Shalun, RS 610, RS 608, AMAK R 10 and AMAK R 12. Other highly susceptible varieties are: F 62A, C 44A, E56A, Redbine 60, RS 590. Those resistant varieties are listed in a grain sorghum booklet available at the County Agent's office.

Sen. Ralph Yarborough Calls for Sound National Farm Program

In the period beginning in fiscal 1953, and ending June 30, 1960, the government will have spent \$37-billion in the name of agriculture. This amount spent in the last seven years is \$12-billion more than the total of \$35.8-billion which the nation has previously spent in the name of agriculture in the entire history of the department from 1862, up through 1952. These fantastic expenditures, li-

nked with a 24 percent reduction in farm income since 1952, and giant stocks of grain surpluses, graphically show how the farm program as it is now administered is an utter failure. While the farmer's income has dropped off 24 percent since 1952, the income of industrial workers has increased 33 percent and corporation dividend payments climbed 47 percent.

This adverse trend in the income of farm families was reflected last year in the death of 100,000 farms just as it has been marked in previous years with the collapse of several hundred thousand other family farms. It is also reflected in the boarded up businesses in country towns which had depended on farm families and in the population loss of 148 Texas counties in the past 10 years.

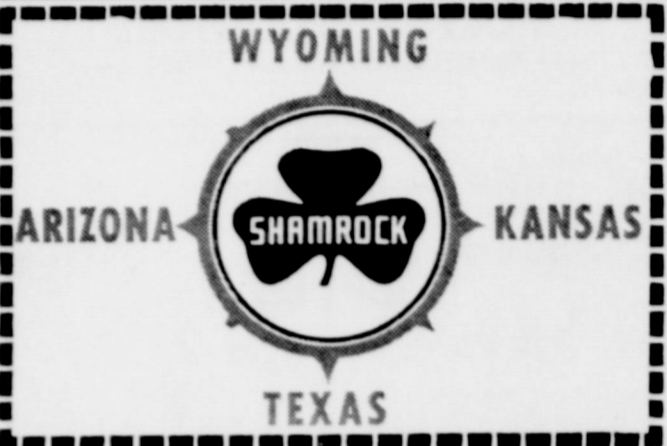

One of the most serious, if not the most serious, domestic problems facing this nation today is instituting a sound, workable farm

program. It is clear that we must tailor production to meet the needs of America and the free world, establish workable production controls, and assure farmers of price supports at full parity to allow them a reasonable return on their investment in line with income of other jobs and business.

A workable farm program, one which will not only benefit the farmer, but all Americans, can be passed and administered, and at considerably less cost than the \$4 million farm appropriations bill recently passed by the Senate.

4-H CLOTHING MEETINGS

Training meetings on basic clothing construction for 4-H members have been planned for this week. Meetings will be held at Whiteface from 9:30 Thursday and Friday mornings of this week. Both meetings will be held in the Homemaking department of the High School Buildings.

Attending meetings at Morton and Bledsoe were Ginger Scoggins, Janita Scoggins, Judy Philbrick, Laquita Masten, Mrs. Bill Wood, Janie Ness, Mary Beth Glascock, Drevilla Rawls, Marji Griffith, Mrs. James Glascock and Mrs. Otis Parr. The County 4-H Dress Revue will be held Thursday, June 30, in Morton. All 4-H Club members have been notified, and additional information will be sent later.

The District Dress Revue will be held in Lubbock July 28 and 29. The county winner in the Junior and Senior divisions will compete in the district contest. DAIRY FOODS PLENTIFUL FOR JUNE DAIRY MONTH

There is an abundance of milk and dairy products this June, the Dairy Month. In fact dairy food supplies are so large they are featured on the U. S. Department of Agriculture's June list of plentiful foods, reports the Texas Agricultural Extension Service.

The good-supply story covers the dairy field - whole milk, buttermilk, skimmed milk, flavored milks, butter, yogurt, cheese of all kinds, dry milk, evaporated milk, cottage cheese, certain half-and-half, and ever popular ice cream.

Cottage Cheese has the fewest calories of any of the cheeses. It can be eaten "as is" for a nutritious but low-calorie food, or dressed up for more interesting, and higher calorie, dishes. STUFFED TOMATO SALAD

Tomatoes Cottage cheese Lettuce Paprika Peel each tomato and cut into five sections, leaving it whole at the stem end. Place it on crisp lettuce; separate the sections slightly and fill the center with COTTAGE CHEESE which has been seasoned with salt, pepper, and mayonnaise. The tomatoes may be left whole and stuffed with the cheese mixture. Paprika sprinkled over the tomatoes makes the salad attractive.

COTTAGE CHEESE SALAD

- 1 pint large curd cottage cheese, drained
one-fourth cup of chopped green pepper (cut rings first for garnish)
1/2 c. onion rings, or chopped green onions
1/2 teaspoon salt
one-fourth cup mayonnaise
Sliced stuffed olives for additional garnish adds color and flavor.
FROZEN CHEESE DREAM
2 cups cottage cheese
2 tablespoons lemon juice
1 cup sugar
2 cups sour cream
Press cottage cheese through sieve. Add lemon juice and sugar; beat until smooth and blended. Stir in sour cream and mix well. Pour into refrigerator tray. When mixture is frozen around edge, turn into chilled bowl and beat with rotary beater until smooth but not melted. Return to tray and freeze until firm. Cut into 6 pie-shaped wedges. Serve with fruit.
RURAL CHURCH CONFERENCE

One of the highlights of the Rural Church Conference at Texas A & M College, June 20 - 22, will be an address by Dr. Joseph Ackerman, Director of the Farm Foundation, Chicago, on "The Rural Church adjusting to the Changing Rural Life." Participants in the conference will hear lectures by College personnel on economic and other factors affecting rural life, participate in workshop sessions on resource development and tour ogle facilities. The annual presentation of the "Rural Minister of the Year," will be made the afternoon of June 21, by Eugene Butler, Editor of Progressive Farmer Magazine, Dallas.

The annual business meeting of the Texas Rural Church Conference will be held during the final session of June 22 with the President, Reverend Jesse W. Robertson, presiding.

Attending Nat'l Officers Convent'n

Sheriff Hazel Hancock is at a crime seminar in Colorado Springs, Colorado this week. The National Sheriff's Assn. meeting started on Sunday and will continue through Thursday, Hancock planned to attend the entire meeting, but was only able to make the last part.

FARMERS URGED TO COOPERATE COTTON MEASURING PROGRAM TO START MONDAY, JUNE 20TH

Cotton measuring will start in Cochran County Monday, June 20th, according to the Cochran County ASC office.

Farm operators are requested to assist the Reporter in locating and measuring the cotton on their farms.

Regulations have been changed this year for the disposition of excess cotton.

The area destroyed must be of regular shape with not more than four sides.

One side or one end of the disposition area shall be parallel with the rows or field boundary when row crops are destroyed in

a square, rectangular or trapezoidal pattern.

Each plot with no more than four (4) sides shall constitute a separate plot. For Example: If irrigation ditches are 2 chain wide they may be deducted, but each ditch will count as a separate plot.

The charge for Re - measuring the cotton is \$10.00 for the first plot and \$4.00 for each additional plot on each farm worksheet.

The charge for measuring the disposition of excess cotton is \$4.00 for the first plot, and \$2.00 for each additional plot on each farm worksheet.

Three Way News . . .

Mrs. Frank Griffith had been visiting several days with the Sandersons.

BIBLE CLUB MET JUNE 7 The home of Mrs. Buck Ragsdale was the scene of the Goodland Bible Study Club meeting Tuesday June 7.

PINK AND BLUE SHOWER A pink and blue shower honoring Mrs. Freddie Parkman was given Thursday, June 9 from 2:30 to 5 p. m.

had been visiting several days with the Sandersons.

The home of Mrs. Buck Ragsdale was the scene of the Goodland Bible Study Club meeting Tuesday June 7.

A pink and blue shower honoring Mrs. Freddie Parkman was given Thursday, June 9 from 2:30 to 5 p. m.

Miss Jeanje Tyson registered the gifts in the brides book, and Miss Nan Johnson served punch from a table covered with pink satin and net.

Miss Hodge and the mothers of the couple were presented carnation corsages.

Miss Bonnie Bateas registered gifts in the brides book. About 60 brought or sent gifts.

Miss Hodge and Reeves plan a June wedding at the Methodist Church in Morton.

Games were played and refreshments of ice cream and cake were served to 7 guests.

Mrs. Cass Stegall was on the sick list the first of the week.

Mrs. Riekey Lindsey, nee Do-

na Shepard, was honored with a miscellaneous wedding shower Monday afternoon from 2:30 to 6 in the home of Mrs. Horace Hutton.

Miss Jeanje Tyson registered the gifts in the brides book, and Miss Nan Johnson served punch from a table covered with pink satin and net.

Hostesses were Mesdames: Weldon Avery, Adolph Wittner, Neal Smith, D. L. Tucker, Jim Emmerson, Fred Kelly, Gene Pierce, R. L. Davis, R. R. Kin- die, John Tyson, George Tyson, also Mesdames: Kenneth Corbell, Charles Abbe, Baker Johnson, Gene Kinley, Jay Boyce, E. E. Wells, Bill Mann, A. G. Taylor, Horace Brashear, T. D. Davis and Horace Hutton.

VOWS WERE EXCHANGED IN DALLAS

Jean Caster, daughter of Mr. and Mrs. W. P. Caster of Irving, Texas became the bride of A. J. Ellis of Dallas, son of Mr. and Mrs. Albert Ellis of Tatum, N. M. formerly of Maple.

Vows were exchanged at the home of the bride's aunt in Dallas. Her ballerina length gown was of white chantilly lace over bridal satin.

The sister of the bride was in a blue lace dress over blue satin.

H. C. Brashear, a former classmate of the groom, was best man.

For her daughter's wedding the mother of the bride chose a mother of the groom, wore bi- eyelet embroidery. Both wore white carnation corsages.

A. J. is a 1956 graduate of Three Way high school and is now employed at Chance Vought.

Besides his parents, others from this area attending the wedding Mrs. Louise Neutzler of Morton, grandmother of the groom and Mike Slater of Lubbock, nephew of the groom.

TO ATTEND A SUMMER INSTITUTE

Elaine Kinney and Gayle Mc-Cevey left Sunday by bus from Fortales for Los Cruces to attend the Junior Engineers and Scientists Summer Institute. They will be gone two weeks.

VISITED GRIFFITHS SUNDAY

Mrs. Odeal Terrell and Elouise of Amherst visited in the Frank Griffith home Sunday.

ENROLLED AT DRAUGHTS INSTITUTE

Jane Garvin, daughter of Mr. and Mrs. Wayland Garvin of Maple, enrolled at Draughts Business College in Lubbock Monday. Jane is a 1960 graduate of Three Way.

H. D. Council Plans Sponsorship of Talent Show

The County Home Demonstration Council met in regular session Tuesday, June 14, at 3 p. m., with Mrs. Edward Brownlow chairman, in charge. Mrs. Aubrey Russell, District Agent from Lubbock, was a guest.

The "Make it Yourself" Wool contest is now in progress and anyone interested may contact Miss Lella Petty, County H. D. Agent, for complete details.

Mrs. Charles Sanders called attention to the handbag exhibit on display. The bags were made by the ladies in a workshop held recently and several others are in the making.

The Bill Mack Talent Show has been set for June 25 at 8 p. m. in the County Auditorium.

Miss Petty announced the 4-H Dress Review to be held on June 30 at 2:30 p. m.

Attending the Tuesday meeting were Mesdames Lewis Walker, Brownlow and Sanders from Lehman; Fred Payne and T. J. Capps, Whiteface; Oland Clifton and Henderson, FOR Club; Soiggins, Friendly Circle club; Miss Petty and Mrs. Russell.

LEGAL NO. 201  
 6 - 6 - 60  
 NOTICE TO BIDDERS

Notice is hereby given that the Commissioners Court of Cochran County, Texas will receive bids until 10:00 o'clock A. M. on June 20th 1960, at the usual meeting place of said Court in the Courthouse in Morton, Texas, for the purchase of the following road machinery:

- Three tandem drive motor graders, diesel powered with a minimum of 100 H.P. and equipped with an enclosed steel cab, cab heater, Hydraulic steering or Hydraulic booster steering, 13:00 x 24, ten ply tires front and rear, and a 14 ft. slide shift moldboard.
- One machine to be equipped with scarifier, for Prec. No. 4.
- As part of the purchase price on these machines, the county will trade in the following equipment:  
 1. One No. 12 caterpillar motor grader, 8-T-1968, from Precinct 1.  
 2. One No. 12 caterpillar motor grader serial number, 8-T-7609, from Precinct 4 and one caterpillar Do Mor.  
 3. One Allis-Chalmers A. D. 45 motor grader from Precinct 2.

These machines may be seen and inspected in Precincts 1, 2, and 4. Bids will be received on net basis with trade-in allowance deducted on the above machines listed, F.O.B. Morton, Texas.

The County reserves the right to reject any and all bids submitted. This notice issued on the 6th day of June, 1960.

**Local Man On Dean's Honor Roll At E. Texas State**

Commerce, Tex. (Spl.) — Names of 188 East Texas State College students have been placed on the Dean's List for high grade records made during the spring semester, and among them is a Morton man.

Students named to the scholastic honor list, as announced by Dr. Cecil Wright, chairman of the faculty committee on student honors at ETSC, include: Herschel Veldon White, son of Mr. and Mrs. Roy E. Smith, of Morton, Texas.

Each student named to the list carried a full load of courses (at least 15 semester hours) and maintained better than a "B" average. Minimum grade point totals are: 36 for 15 or 16 semester hours; 41 for 17 or 18 semester hours; and 46 for 19 or more semester hours.

In the grade point system an "A" counts three points per semester, a "B" two, and a "C" one.

WASHINGTON AND  
 "SMALL BUSINESS"  
 By C. WILSON HARDER

The new class of American expatriates is readily being composed of the big American firms who have opened up production facilities abroad in order to take advantage of lower priced labor to make their products, and then ship into United States under practically negligible tariffs schedules.

There are now more than six times as many cars being shipped into this country as are being sold by Detroit. And the volume climbs. Some experts claim by next midyear foreign car imports will hit around the million mark, or about 2 and one-half times as heavy as in 1958.

Last year, Japan made 20% of all radios, and 40% of all portable radios sold in U. S.

While American exports of iron and steel declined 40%, imports jumped 160%.

It has long been noted that imports of cotton goods have driven many American mills to the wall, but it was felt in some quarters the tariff shouldn't be raised so U. S. producers could enjoy a strong lead in the weaving of synthetic fibers.

This is turning out to be a pious dream, too. While imports of cotton goods in 1959 ran 28% higher than 1958 with exports taking an 8% drop, the imports of foreign made goods of synthetic fibers jumped a whopping 291%, while exports in this category dropped 5%.

Perhaps the U. S. State Dept. is the only place in the world where can be found people who can believe with \$2 per hour labor, equal competition with 17c per hour labor is possible.

And while 17c per hour labor may look fine to huge U. S. corporations who can move plants into these areas, the independent businessman who has all his eggs on American soil cannot take such a Pollyanna viewpoint.

Yet it is interesting that while they say this as a practical solution, they are more practically from their standpoint, setting up plants abroad.

In major lines of manufactured goods, between 1958 and 1959 American exports to the world took a big decline. Yet at the same time, imports in this country hit new highs.

While exports of American made autos dropped 14%, imports from National Federation of Independent Business

**SCHOOL** —  
 Continued From Page One

program which will be used for the first time this year.

After a lengthy discussion during which it was pointed out that the Board of Equalization will no doubt find some discrepancies in the new tax values, and will have to make adjustments, Jim Ciampitt made a motion to set the tax rate at \$1.20, the taxable valuation at 40 percent, and the rate to be lowered at a later date if valuation will permit.

The school will need about \$145,000 to operate on (district money).

The re-evaluation program, which will raise some and lower others, will peg the school district's value at around \$13 million, as opposed to \$7 million, last year.

The Board also voted not to hold a regular meeting in July, the next regularly scheduled meeting to be in August.

Supt. Barnes, who said he intended to mail out contracts immediately, said he will expect the signed contracts back within ten days, and then will go "teacher hunting" to fill any vacancies.

The school's Equalization Board composed of H. B. Barker, Odell Fulton, and J. R. Kuykendall will meet with oil company representatives on July 12, and taxpayers in the district will be notified by mail of the dates for hearings with other taxpayers.

Other budgeted items recently purchased by the school include a new grass mower and a tennis court.

The price on pouring the concrete slabs for the tennis courts was \$1,034, a saving of \$900 over the original bids received last year when the district decided to build the tennis courts. Supt. Barnes said it would cost an additional \$1,500 to put up the backstops and nets.

Cost of the moving apparatus is \$1,048.

Also attending the meeting were Dub Hodge, secretary, and Eddie Irwin.

### LIONS INSTALL OFFICERS; VOTE \$500 EXPENDITURE

The Morton Lions club went ahead with their scheduled installation of officers, Wednesday noon at their weekly luncheon meeting, even though the scheduled installing officer failed to show up.

Jim Ed Waller, Lubbock, did not appear so Neal Rose, Zone Chairman, conducted the installation that elevated E. L. (Snoball) Willis to elevated E. L. (Snoball) Willis to the club's presidency.

The club will hold two more meetings before adjourning for the summer (July and August.)

In other action the Lions also voted \$500 to be spent for adding a sprinkler system to the Babe Ruth Park, making other needed repairs and additions.

### BEACH EXERCISES Health and Beauty through Physical Fitness.

BONNIE PRUDEN, author, teacher, Director of the Institute for Physical Fitness, whose meeting with President Eisen-

hower led to the formation of the President's Council on Youth Fitness program, says we don't know how to move enough to maintain the proper level of fitness for healthy happy living.

She suggests our teen-agers (as well as the rest of us) might even find it fun to use our sun-tanning time at the beach for health and figure improvement through exercise.

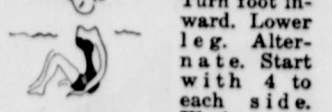

Pack a portable radio in your beach bag along with a suntan exposure guide which you can get with Bronstan Lotion, and try these exercises recommended by Bonnie Pruden.

1. For the hips-back kicks, knees straight. Lift leg from the hip. Alternate . . . 4 each side. Add 2 each day until you are doing 20.

2. For the thighs-front kicks with this difference. Turn foot outward far as you can. Lift leg. Turn foot inward. Lower leg. Alternate. Start with 4 to each side. Work up to 20.

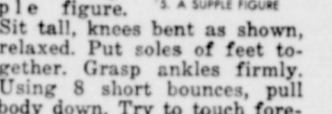

3. For the waist-line. Swing it! Sit straight, legs spread . . . Twist right . . . Lean back on right arm. Sit straight. Touch toes.

Repeat left. Start with 10 swings. Work up to 50.

4. For a flat tummy. Sit straight, knees bent, hands at sides. Drop chin to chest. Round shoulders. Roll slowly back far as you can without falling. Hold for slow count of 5. Roll slowly up. From day to day lengthen the "hold" and go further back without toppling over.

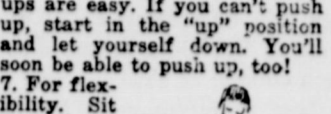

5. For a supple figure. Sit tall, knees bent as shown, relaxed. Put soles of feet together. Grasp ankles firmly. Using 8 short bounces, pull body down. Try to touch fore-

head to toes. Straighten up and tip head back to stretch the neck. Repeat 5 times.

6. For arms and chest. Push-ups are easy. If you can't push up, start in the "up" position and let yourself down. You'll soon be able to push up, too!

7. For flexibility. Sit straight, legs spread. Take right ankle in right hand. Press left hand on right knee to keep leg straight. Pull body down toward right leg in 8 short easy bounces. Repeat left. Start with 4 sets. Work up to 10.

Before you start be sure to apply Bronstan cream or lotion to moisturize your skin, keep it soft and to screen out the burning rays of the sun and that well-exercised, bronze tanned figure will be a cinch to catch every raying eye!

### TALENT SHOW

Continued From Page One

be held at 8 p.m.

Anyone interested in taking part in the show is invited to contact one of the following ladies in charge of recruiting the talent: Mrs. C. D. Arnold, Sundown, Phone 3321; Mrs. Stanley Henderson, Rt. 3, Levelland; Mrs. Edward Brownlow, Star Rt. 2, Morton; or Mrs. L. Z. Scoggins, Rt. 1, Morton.

Contestants must be registered with one of these ladies by Thursday, June 23rd.

Advance tickets may be purchased from any of the H. D. ladies at at reduced price of 75c, 50c, or 35c. They may be obtained from Club presidents: Mrs. F. Z. Payne, Whiteface; Mrs. Charles Sanders, Lehman (Star Rt. 2, Morton); Mrs. A. C. Jones (FOR Club) Rt. 5, Levelland; or Mrs. L. Z. Scoggins, (Friendly Circle Club), Rt. 1, Morton.

All seats were sold out last year when Bill Mack appeared here, the Council reports, in urging everyone to get their tickets early.

A first prize of \$7; second prize of \$5; and third prize of \$3.50 will be awarded by the Council along with an appearance on the Don Allen TV Show in Lubbock.

Comedian, stunt, and acrobatic talent along with voice or instrumental musical numbers are invited to participate.

Part, or all of the judges will be from out of town.

For more details, watch for the Tribune next week and listen to the Bill Mack Show over KDAV in Lubbock.

PEP SCHOOL BOARD ASKS BIDS ON NEW LIGHTING FIXTURES FOR SCHOOL BUILDING

The Pep Board of Trustees announced this week that they will take sealed bids on June 16 at 8:30 p.m. on the installation of 17 four-foot fluorescent lights and louvers, feet of service cable, and two circuits in the school building.

Bidders may examine the building at any time and write Superintendent Marion J. McDaniel, Pep Public Schools, Pep, Texas or telephone Pep School at Webster 3-2182.

FOR WANT OF A WORD, 'BYE, BYE, \$56

9-YEAR-OLD SHARON RAY ROZELL IS \$10 WINNER IN WHO'S WHO GAME

It was a "tough break" for Miss Karen Ray Rozell of Morton who will celebrate her ninth birthday on June 24th. For lack of a word she fell \$56 short of the top award in Tuesday's Who's Who. Her award was \$10. Karen Ray is the daughter of Mr. and Mrs. Daniel Rozell of Morton — incidentally, Daniel collected \$122 in a recent Who's Who contest. So, prize money will climb back to \$122 this week. That's adding the \$56 to the \$66 already scheduled. Karen Ray's entry was drawn from the red cage by little Michael Burris, 5, son of Mr. and Mrs. D. F. Burris of Morton. Karen Ray correctly identified the mystery person as Rev. Byron D. Hardgrove, pastor of the Three Way Baptist Church. But she missed out on part of a clue, and, as the rules read — "the BONUS requires a PERFECT list of correct clues..." When asked by phone, after the entries were checked, what she planned to do with the \$10, Karen Ray replied, "I don't know yet. I'm so anxious to get it... I don't know what to do... we've been pretty lucky with it... (the Who's Who.) If you don't know the power of spreading news by word of mouth, you should follow the Who's Who who wheel around. Karen Ray and her mother were on hand before the checkers could go through the more than 800 entries Tuesday. And, although we thought Tuesday's Who's Who would be tough, a quiet check of the 800 entries indicated that folks knew the identity of the mystery person, but a few found too many clues, and a few found a few too few clues. We stumbled over the clue "Attended Plains college founded in 1908." After our attention was called to a variation in the listing of the founding date of that particular college, we began to dig through some reference books. According to Webster's New Collegiate Dictionary, Wayland Baptist College was founded in 1909. But, the latest Texas Almanac lists the founding date 1908. But then, older Texas Almanacs list the date, 1909. We appreciate the many folks who were kind enough to inform us of our predicament prior to the deadline — it wasn't the first predicament and probably won't be the last. So, we counted the clue either true or false. Thus you could have had 22 or 23 clues and been correct. And, as we promised earlier, the who's who is going to get tougher... or so we think, now. However, could be someone will have it figured out almost as soon as the Tribune gets off the press. The Who's Who awarding was conducted at Nu-Way Cleaners. Entries were gathered from boxes at Jackson Farm and Ranch Store, Luper Tire Service, Raines Cash Food, and Nu-Way. Boxes this week move to Merritt L. P. Gas Co., Bracken Furniture and Appliance, Seaney Food Store and Loran - Tatham Co. Here are the clues to the identity of Rev. Byron D. Hardgrove: First given name same as last name of English poet, (George Gordon Byron); Wed in county named for one who lost his life in the Alamo, (Cottle County, named for George W. Cottle who died in the Alamo); Attended high school in county named for officer of the CSA, (and all us old Johnson County folks know the county was named for Col. Middleton T. Johnson); Former member of Lions Club, (at Floyd, N. M.); Hobby, fishing; Drives late model four-letter vehicle, (Ford station wagon); Favorite politician, Sam Rayburn; Favorite radio station, KGNK; Favorite newspaper, Star Telegram, (shucks, again!); Attended Plains college founded in 1908, (some of you Wayland folks will have to tell us—we started to put down attended oldest junior college in the United States, but found out only about three here ever attended that college); Mate teaches; Mate plays piano; Favorite sport, football; It's Duh in the laundry, Dial in the bath, and Joy in the kitchen, (and no payola); Enjoys "42"; Home town south; Mate attended Wayland; Mate born in town served by Q and P Railroad, (Paducah); Once dated mate of Tribune publisher, (Mrs. Bill Glassford, the former Miss Jo Ann Thompson of Wayland); Met Mate in cafe, (at Paducah while visiting relatives); Philosophy: doing not what seems good, but what is right; Lived in neighboring state, (New Mexico); Sanitation engineer for telephone company, (handled a good house); and that's that until again next week when we'll be describing the clues that identify a certain person.

WIN CASH...

WHO'S WHO in MORTON

TOTAL PRIZE MONEY \$1320.00 THIS WEEK \$ 122.00

Copyright 1959 by B. Reinhardt. All Rights Reserved

and the MORTON AREA

Where to LOOK for CLUES... RULES

Clues may be hidden in ANY ad in this group ad. When a "Star" appears in any of these ads, it means that additional advertising for that merchant appears elsewhere in this issue of the Morton Tribune, and additional clues may be hidden in any of those

ads, also! Clues will be scattered... there may be from one to five clues in any ad... or none. This is a contest of skill... and we intend to do our best to outwit you. We invite you to do your best to outwit us!

RULES

1. This is a family fun contest. Entries welcome from every member of the family old enough to fill out his or her own. You may submit one entry per person at any or all of the Sponsoring Merchants whose ads are in the row that is heavily bordered this week... but only one entry per person at any one store (more than one will disqualify all entries of that person for that week). Anyone can enter unless a member of your family is employed by the MORTON TRIBUNE. Sponsoring merchants, their families, (and their employees and families) are most welcome to enter EXCEPT during weeks that entries are brought into the Sponsor's place of business.

2. Nothing to buy. Use any slip of paper for entry blank. DO NOT put your entry in an envelope. Not necessary to be present at the drawing to win.

3. WHO'S WHO may be anyone in the Morton trade area. Clues to his or her identity will be hidden ONLY in ads of Sponsoring Merchants (this means any ad in this section or any ad of the same merchant elsewhere in the paper). When star (s) appear in any ad in this section, it is your warning that other ad (s) of the same merchant (in which there may be clues) appear elsewhere in the paper. Clues will be scattered... many ads will have no clues while others may have as many as five. Beware of false clues; there may be some! This is a contest of skill and we intend to do our best to outwit you. We'll be delighted if you succeed in outguessing us, in spite of our best efforts.

4. If, by coincidence, the name of WHO'S WHO (or other facts about him or her) happen to appear in news items, editorial matter, or other places in this newspaper, these will not count as clues.

5. To enter, write down the name you think is WHO'S WHO. List all the clues you can find in all the ads of the Sponsoring Merchants in this issue. Don't forget your own name and address!! Then drop your entry at the business location of any Sponsoring Merchant WHOSE AD IS BETWEEN THE HEAVY BORDERS IN THIS SECTION. You may enter at all four if you wish. There are no other places where entries will be accepted... and MAIL ENTRIES WILL NOT BE ACCEPTED.

6. This week's contest starts when you receive this issue, and closes at 4:30 p. m. Tuesday of the following week. At that time (4:30 p. m., Tuesday) a drawing will be held. The first entry drawn that correctly identifies the WHO'S WHO will win \$10.00. If THAT entry also lists every correct clue, (and no false clues) hidden in all ads of Sponsoring Merchants, the Bonus Jackpot of \$56.00 will be given. Whenever this bonus is not won it will be added to next week's BONUS, which will continue to grow until it is won! Winning the BONUS requires a PERFECT list of correct clues... the exact number and all copied correctly. Family participation gives you a better chance to win the jackpot. Your wife, husband, or some bright-eyed youngster MAY spot a clue that you miss! Got any detective blood in you? Think you can outwit us? Remember you can't win if you don't enter... Fix up your entry NOW!

## Senator YARBOROUGH'S REPORT

Increasing hard times on the farms of Texas and America foreshadow a serious recession, a possible depression.

These hard times, the 24 percent drop in farm income since 1953, is at least partly to blame for the substantial loss in population in 145 Texas counties shown in the census just completed. The farm problem is one of the most complex and vital problems now facing the Congress. It is not, as some think, just some-

thing for the farmer to worry about. When farm income falls off while other income rises, the only possible longterm result can be that all other business will suffer setbacks and losses.

The reason is clear. American agriculture uses more finished steel in a year than is consumed in the annual output of passenger cars. Farm operations use more oil and gasoline than any other industry, and farmers constitute a major user of electrical power.

When farm income in Texas and America declines, virtually every business - particularly those in the rural areas, declines proportionately. That's a major reason and the farm counties of Texas have lost population these last 10 years and that we had 350 small business failures in Texas last year.

The farm program, as it is now administered, is a failure to the farmer and to the American tax-

payer. This is true despite the fact the government is spending three times as much money in the name of agriculture as it was eight years ago, and Agriculture Secretary Benson has increased his staff by 28 percent in that period.

Price support cuts advocated by Secretary Benson and forced by Administration vetoes have resulted in a 20 percent cut in price support levels and a 15 percent increase in production. This has meant a buildup of fantastic grain surplus and staggering storage costs to the government.

A House Appropriations Committee study, which was signed unanimously by Republicans as well as Democrats, found that

farm problem "cures" urged by Secretary Benson have cost American taxpayers nearly \$30-billion. To achieve a balanced and healthy economy, the Congress must legislate and the Agriculture Secretary must administer in good faith, a new farm program which will:

- (1) Allow farmers a reasonable return on their work and investment in line with income of other jobs and business, and
- (2) Permit American families to purchase food in the market place at prices within their reach.

This, I am confident, can be achieved and at considerably less expenditure of tax money than is now being spent.

and 47 gas wells in 22 years.

But if conditions are promising, oil men undoubtedly will keep trying.

As an immediate effect, the state will get some \$29,000,000 in mineral payments that accumulated while the issue of state or federal ownership was being thrashed out.

**POLITICKING VACATION** - Gov. Price Daniel will spend his vacation politicking for U. S. Sen. Lyndon B. Johnson.

First stop will be the National Governors Conference in Montana June 26-29. After that, said the governor, he'll vacation and visit around with other governors where he feels he can do the Texas favorite son's cause the most good.

And after that, he will go on to the National Democratic Convention in Los Angeles July 11.

Daniel predicted Johnson would lead on the first ballot at the convention.

**ANTI-INCOME TAXERS** - Voters who oppose the federal income tax and the United Nations will find a haven in the Constitution Party.

Like the Republicans and Democrats, the Constitution Party will hold a state convention June 14 to name delegates to a national convention.

At a preliminary meeting in Austin, delegates were selected and instructed to work for a ticket headed by J. Edgar Hoover for president and Tom J. Anderson for vice president.

Constitution Party also nominated candidates for all statewide offices except governor. Gubernatorial nominee was omitted, because if he should receive 200,000 or more votes in a general election, state law would require the party to go the route next election year.

**HOSPITAL NEEDS GROW** - Deficit or no deficit, the State Hospital Board says the hospital system has increased money needs that must be reckoned with.

Board has voted to ask the Legislature for a \$107,000,000 appropriation for the 1961-63 period more than the present allocation. Part of the extra funds, about \$2,000,000 a year, would go to hire extra people so present staffers could change from the present 44-hour week to a 40-hour week to put hospital employees on equal footing with those of other state agencies.

But the main problem, says the Board, is that the hospital system is getting more and more patients and needs more money to take care of them. In addition, it has the problem of caring for many oldsters who are not really mentally ill.

**YOUTH NEEDS CITED** - Another state agency with a story of urgent need for more state support is the Texas Youth Council.

Youth Council has the responsibility for trying to stem the tide of rising juvenile delinquency and also to provide homes for children who have none of their own.

For this task in 1961-63 the Council is asking for a \$13,695,636 appropriation - up by 33,500,000 from the present.

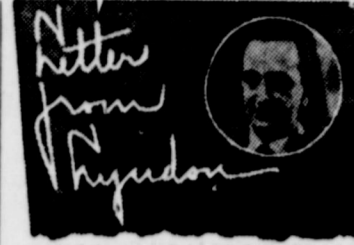

Some of this would be used for new construction at the Gatesville Training School for Boys, Gainesville Training School for Girls, a state home for orphaned Negro children and for additions to the Waco and Corsicana State Homes for orphans.

It also would enable the Council to set up a parole supervision staff to follow up in the rehabilitation training schools.

**SHORTS SNORTS** - E. W. Killian has been named by the State Hospital Board to be superintendent of a new state school at Denton which will care for 1,050 mentally retarded patients. Killian has been superintendent of the Austin State School.

Rep. Frank McGregor of Waco withdrew from the race for Speaker of the House with a prediction that Rep. Wade Spilman of McAllen would win. McGregor said his poll indicates Spilman has 67 pledges with good prospect to get the nine more needed to win.

Some of Texas' potential statesmen of the 1970's will gain early experience in practical politics when 561 senior high school boys come to Austin for a five-day Boys State meeting ending June 11. Group is divided into political "parties" and elects state officials from the governor

Senate Majority Leader Lyndon B. Johnson said Sunday the United States must and will face its responsibility to the underdeveloped nations of the free world.

In a weekly report prepared for weekly newspapers in Texas, Johnson discussed the need for foreign aid.

However, he assured his list-

eners that the Senate "intends to seek out and cut away every particle of waste it can find. . . This nation doesn't have a dollar it can afford to throw away - for foreign aid or any other program."

"But neither can we ignore a responsibility that is ours. We must recognize it and I am confident we will," he said.

"These are people asking help so that they can help themselves."

"The Communists," he said, "are bidding for more than their allegiance. The Soviets are intent on buying both their minds and souls. We are bartering for only one thing - their friendship as free men in a free world."

The Senator, who recently with Mrs. Johnson traveled through 8 western states, told his listeners, "We saw a happy people, well fed, well clothed, well housed and we thought about how lucky

we were to be Americans." The Senator noted this nation faces "some critical days ahead." But he added that "Americans always close rank in the face of an enemy and I know as you know that we have the best country on the face of the globe and we are going to keep it that way. We want to leave this land of ours better than we found it."

WHITEFACE CARDINALS FORFEIT GAME TO INDIANS - Scout Camp took too many members of the Whiteface Cardinals Babe Ruth team out of circulation, Monday, it was reported here as the Whiteface team failed to make the game and a forfeit was chalked up.

It gave the Morton Indians their third straight win in the young season.

**Highlights and Sidelights FROM your State CAPITOL**

By Vern Sanford

Austin. - In a period of deep gloom about state finances, Texans had to pinch themselves to believe the good news.

U. S. Supreme Court ruled that Texas does indeed own its tidelands for 10 1/2 miles out - just as Texans have been claiming for 115 years.

Financially, it's a long-range gain at best. But as a moral victory for Texas principles, it's the biggest thing since the Battle of San Jacinto.

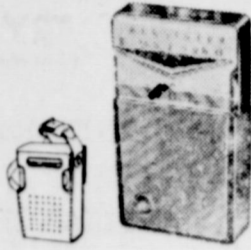

Revenue from the publicity owned land will go into the permanent school fund. Problem of Texas' bankrupt general fund is unchanged.

How much money comes to the school fund will depend on how much oil is under the submerged lands and how good is the market. Money going into the permanent school fund - from mineral leases, royalties, bonuses, etc. - is invested, and only the income from these investments may be used for current school spending.

Thus far, the oil yield from Texas tidelands has been far from spectacular. There have been only 24 producing oil wells

## Increases in maize yields up to 2000 lbs. per acre

Well-known West Texas farmers like **W.C. LACY and SON** side dress 90 to 100 lbs. ammonia on maize

W. C. Lacy of Hart, who farms 575 acres with his son, Bill Lacy, reports: "Side dressing Phillips 66 Ammonia on our maize crops has given us yield increases of 1500 to 2000 pounds per acre. We apply 90 to 100 pounds of ammonia per acre on maize land. Last year I didn't apply ammonia on 8 rows of maize. When this maize was about knee high it started firing at the bottom. We went back and put ammonia down on the rows, and they greened up right away. Believe me, ammonia makes a

big difference on crops around here." Thousands of Texas farmers are using Phillips 66 Ammonia to help assure top net profits per acre. Actual field reports prove that Phillips 66 Ammonia (1) produces more high grade lint (2) increases maize yields (3) boosts wheat and small grain yields (4) stimulates forage production.

See your local Phillips 66 Ammonia Distributor now. You can depend on better ammonia service.

Seek Names of MG Victims In This Area

The Northwest Texas chapter of the Myasthenia Gravis Foundation is attempting to locate patients of this disease who live in this area.

Unknown until 1835, untreated until 1935, MG has probably always been with us. We do know that diagnosis is most difficult and that neither cause nor cure has been determined.

Through the financial support of the Myasthenia Gravis Foundation, Inc. research is continuously going on to find the cause and cure.

The organization has films on MG which they would be glad to bring before any organization or group of people if they will write the chapter and give the time and place for the showing.

Local Scouts Among Those Camping At Tres Ritas, N.M., This Week

The Morton Boy Scouts left early Sunday for a week of Camping and scouting activities at camp Tres Ritas near Las Vegas, N. M.

The hardy group from Morton will spend a week living much like the Frontiersmen in centuries past. Each troop will camp on a mountain campsite surrounded by forest and mountain streams.

All meals are cooked by patrols. Paper plates and paper cups will be furnished. (Davy Crockett with a paper cup?)

The Scouts who went from Morton were Dennis Avery, Charles Ledbetter, Benny Turney, Lem Chesher Jr., Kenny Coats, Penn Tom Burke, David Holland Lonnie Hamilton, Mike McDermett, Billy Freeland, G. A. Hefflin, and Everett Billbrej. Leon Hamilton and Lem Chesher are the two Counselors that went with the scouts.

Hamilton wanted to express his

FARM MEETING -

(Continued from Page One)

W. L. Owen, Entomologist, Texas Agriculture Experiment Station, will be here to discuss the cotton insects, present conditions in this county, insecticides and their application.

Wind damage, electric static, and seedling diseases are not helping the situation. By controlling shrub at this time, the cotton may outgrow the damage being done by other factors.

The new measuring program for cotton for 1960 has been determined and should be explained to the farmers. This is especially true to save your pocket book provided you have your cotton land ready to measure on the first performance.

Every farmer is invited to attend the meeting and we believe this meeting will save your pocket book.

Lubbock Office Of Soc. Security In New Location

Jim Latimer, field representative for the Social Security Administration, reported a change in the location of the Lubbock office while in Morton Monday.

Latimer said the offices had been moved from the 34th Street location to 1616 19th Street in the former Veteran's Administration building, which is now called the Federal Office Building.

Latimer said he would notify area residents through the Tribune and by releases in the Courthouse and Post Office before calling again.

## LITTLE LEAGUE BASEBALL

### Cards Established As 'Team to Beat' As Little League Nears Half-way Mark

#### CUBS RACK SOX BY 12 - 4 MARGIN

The Cubs clawed their way out of the Little League cellar contention, Friday, with a resounding 12-4 triumph over the Sox, as they took full advantage of walks and Sox errors to go along with a 7 hit attack.

Bill Sokora's two run homer was the feature of the attack.

In scoring five runs in the second inning and six more in the third, the Cubs got five hits. Five walks and as many errors aided the cause.

The Sox managed only two base hits, both of them coming in the fourth inning. But the Sox also left eight men on base, not taking advantage of bases on balls they received.

Rory Kuehler was the losing hurler.

#### BUCS EDGE GIANTS IN 3 - 1 THRILLER

In one of the tightest pitching duels of the young Little League season, Kenny Palmer pitched the Pirates to a 3-1 victory over the Giants on Saturday.

Palmer gave up a single Giant run in the third inning while the Pirates were bunching all three of their runs in the 3rd frame off the pitching of Penn Tom Burke who

was equal to the occasion in every inning but one.

One of the highlights of the game was the fine fielding of both teams. The victory pulled the Pirates into contention for second place in the league, while the loss dropped the Giants another half game out of first place and allowed the Cards to pull to an even wider league lead than they already had accomplished.

#### PIRATES GAIN EXTRA INNING WIN

The Little League Pirates came out with a tremendous victory for their morale, Monday, as they tallied four runs in the first half of the 6th inning to go one run ahead, with stood a last half of the inning rally by the Sox, and then wrapped up the first extra inning victory of the season.

Defensive play in the sixth was the real advantage of the Pirates who were out hit, 12-8, but made their hits count for a 9-8 victory. The Pirates left three Sox runners stranded in the first inning, and three in the bottom of the sixth inning, to get the win.

Little Jerry Luper was credited with the Pirates pitching win, coming on in relief of Jim Street.

Rory Kuehler, who relieved Mike Irwin in the sixth, was the losing hurler.

#### CUBS HAMMER OUT WIN OVER GIANTS

The Cubs, scoring in every inning, and overcoming an early Giant lead, pounded out a 15 to 10 win over the Giants in Little League play, Tuesday.

Gordon McDaniel paced the win with four hits, including a two run homer, a double and two singles, & scored four runs, in addition to taking over the pitching chores in the last two innings and stopping the Giants cold.

Freddie Turney started for the Giants and was charged with the loss. Sammy Garza's three run homer paced an early Giant lead, but they couldn't hold the Cubs who lashed out 14 hits in the game, to 10 for the Giants.

The win gave the Cubs a solid footing in their battle to overhaul the league leading Cards.

### Little League Standings

(Including games played Tuesday)

TEAM	WON	LOST
CARDS	7	1
GIANTS	4	4
CUBS	4	4
PIRATES	4	5
SOX	2	7

#### Indians Come Back To Beat Sundown

The Morton Indians pulled one out of the fire in the most inglorious manner, Friday night, as they scored eight runs in the last half of the sixth and last inning, to take a 12-11 victory over the Sundown Red Sox.

The lack of glory was due to the fact that the Indians went into the inning out hit, outplayed and of course, trailing 11-4. And the triumph they won, in that inning, was due almost solely to the ineptitude of Red Sox pitching. Suddenly the pitcher went sour, and before the inning was over, the Red Sox had used three pitchers, and walked nine Indian batters. The only Indian offensive was a lone single sandwiched in between.

The Indians gathered six hits in the game, including Powers' home run. But when the Red Sox began to hit Bob Decker's pitching, after he fanned six of the first nine batters, they collected eight hits, including six doubles. And they had the game well under control until the wild bottom of the 6th. The Red Sox started the inning with only seven minutes to go before the time rule of starting no new inning took effect.

#### Tigers Win Two Babe Ruth Tilts

The Babe Ruth league Tigers stayed hot on the heels of their arch rivals, the Indians, this past week getting two wins, over Whiteface, 9 to 3, and over Sundown, 18 to 11.

Curtis Archer got credit for the pitching victories, getting help in both games from young Tommy Terrell.

The wins set the stage for the second meeting of the season for the Tigers and Indians, tomorrow night (Friday).

The Indians won the first game, 3 to 2, and that's the only loss for the Tigers.

The Morton Indians remained undefeated in Babe Ruth play with a forfeit win over the Cardinals on Monday, but both the Tigers and the Indians had to hustle to win from a hard hitting Sundown Red Sox nine.

#### LEGION MEETS TONIGHT

The Morton American Legion Post will have its regular meeting tonight (Thursday) at 8 o'clock at the Veteran's Hall in Morton. All Legion members are urged to attend.

#### ATTENDS GM SCHOOL

Bill Bridge of Hawkins Oldsmobile Company was in Oklahoma City the first of last week attending a specialist school at the General Motors training center there.

**WOOD CHEMICALS**

or you may provide your own

I APPRECIATE ALL TYPES OF GIFTS BUT NONE BETTER THAN MY COMFORTABLE CHAIR!

All Fathers love comfort in the home . . . a comfortable chair to relax in after a day's work.

SHOW DAD YOU CARE WITH THE GIFT THAT SAYS, "POP, YOU'RE REALLY TOPS!"

... a comfortable chair from Bracken's.

### Special Gift of Furniture Will Please

A chair tagged 'Dad's' is sure to be wonderfully appreciated. Select an over-stuffed arm chair type, or upholstered rocker, or a lounge.

HERE'S ANOTHER IDEA: If he doesn't have one, it would be a safe bet Dad says a great many "thank you's" for a roomy desk of his own. Homework is a whole lot easier to do when there's a convenient place for doing it.

Have you considered a bookcase for Dad's special books?

Lamps to complete his study area can be found at Bracken's in any design to suit your taste.

How about the bedroom? Does Dad have his own chest of drawers and dressing table? This is certainly no "sissy" idea, just plain convenience. Born near Walsenburg.

A chair - side table to hold his smokes, ash tray, current and favorite magazines, etc. is a truly "we think you are special, Dad" gift idea.

Don't forget the back-

yard. Dad deserves a comfy chair for summer-evening sitting under the stars.

If the head of your household has his own business, or at least an office where he has the say so on decorating, his "9 to 5 home" might provide some good furniture - gift possibilities as well.

COME IN AND TAKE A LOOK AROUND . . . in cool comfort; you will think you are special. Dad" gift idea. Wed in late '20's.

COMPLETE HOME FURNISHINGS

OUT WHERE THE COUNTRY CAN TEAR A TRUCK TO PIECES—

Chevy middleweights get 1/3 more work done in a day!

Where they used to deliver 2,300 gallons of liquefied petroleum gas in other trucks, Petrolane Gas Service of Long Beach, California, can now deliver 3,500 gallons a day! That's 7 days a week usually, over back trails and up into high rock country with maximum GVW loads. And with Chevy's Torsion-Spring Ride paving every foot of the way! "You don't get any more jolting on washboard roads than you do in a passenger car, or any sideway on curves," says driver Bernie Stone. "I used to take some rough roads at from 5 to 8 miles an hour. Now I can go 30 over them." Petrolane has over 200 Chevrolets hauling for them.

If you think we're excited about Chevy's independent front suspension, you ought to talk to the truck owners who are profiting by it. They'll tell you Chevy's torsion-spring design is the hottest thing to hit the industry since trucks began. Drive one—that's the proof, short and sweet.

WORTH MORE BECAUSE THEY WORK MORE! CHEVROLET STURDI-BILT TRUCKS

### HOSPITAL DEBT RUNS HIGH —

(continued from page one)

Dr. J. Walker Davis of the Medical Center asked the board if the hospital had been opened to osteopaths.

He was advised that osteopaths, or DO's, had been discussed by the board.

It was pointed out that the constitution and by laws of the hospital

state that "only those physicians and dentists who are graduates of an approved medical or dental school, legally licensed to practice in the State of Texas, eligible for membership in the local county or state medical or dental society, and practicing in the community or within reasonable distance of the hospital are eligible for staff appointments."

In further discussion it was bro-

ught out that DO's are licensed by the State of Texas to practice in the state, and that there are DO's serving on the Texas State Board of Medical Examiners which licenses doctors in the state, including MD's or medical doctors.

Dr. Davis told the board that the present staff of doctors, both members of the American Medical Association, could not continue to practice in the hospital if it were opened to osteopaths, or DO's.

Dr. Davis said he had no pers-

onal contention with DO's, but could not practice medicine in a hospital which permitted DO's to practice within the hospital.

The board indicated that at present it could see no way in which it could legally and rightfully bar DO's from practicing in the hospital if they resided in the community and met other requirements.

Dr. Davis said if the board took that position he could not afford to invest additional money in the Me-

dical Center, or continue his efforts to secure a dentist or additional MD's for the practice of medicine here.

### EVERYONE WAS BUSY

All but three members of the C&I Investment Club were too busy to attend the meeting last Thursday night, so the meeting was adjourned quickly, with little business on hand.

Dmitri Vail, famous portrait painter, shown here with his portraits of Shirley Jones, and Maurice Chevalier, which are being placed in the State Fair Music Hall of Fame, as part of the permanent collection in the "State Fair Music Hall of Fame" on display during the State Fair Musical's 19th summer season which runs thru Sept. 4. Other Dmitri Vail portraits, all painted from life, to be seen in the "Hall of Fame" are Anna Maria Alberghetti, Jack Benny, Jannette MacDonald, Liberace, Peter Wolf, Hyman Charninsky, and Lehman Engel. Two more stars are to be painted by Vail in 1960 for the collection.
