### COUNTY GETS APPROVAL ON DISTRIBUTION OF COMMODITIES

Cochran County Judge Glenn Thompson has received a letter of commendation from the State Department of Public Welfare on the way in which the Commodities program is being run in Cochran County.

The letter, from W. E. Moore, Assistant Director of the Commodity Distribution Division, concerned the audit report of E. S. Plemmons on the Cochran County Commodity Distribution program, August 10th. It included in the findings, answers to pertinent questions concerning the need for such a program, how it is being administered, checks on qualifications of those receiving the surplus commodities, and other information.

Not a single recommendation was made by Plemmons for a change in method of operating the program.

The program in Cochran County is approved for 600 persons with a present case load of 241. 5.6 percent of the population is certified to receive the aid because of low income, unemployment and old age. Mrs. Fay Edwards operates the distribution program here.

In response to all questions concerning the records kept, the checking on qualifications of persons receiving commodities, periodic re-examination, methods of storage and distribution, availability to all requiring such aid, and administration, the answers were "yes" . . . the program is being run properly and effectively.

## The OLD RANCHER

OVERGRAZING NEVER PAYS: TAKE HALF AND LEAVE HALF THE GRASS FOR MORE BEEF PER ACRE.

### Sheep Ranch Incomes Increase

Net income for a typical Southwestern sheep ranch was \$10,812 per ranch in 1959, reports Tom Prater, extension farm management specialist. This figure, based on a recently completed USDA study, is more than double the 1947-58 average for similar operations, but it is about 5 percent below the 1958 income. Prater says this \$10,812 net income per ranch compares to \$8,181 for the Northern Plains ranches.

Gross ranch income was higher in 1959 than 1958, but slight increases in some costs reduce the 1959 net income below the 1958 net income, Prater continues. Some of these costs were hired labor costs, feed and grazing costs and a decrease in inventory from 1958. Inventory charged in 1959 still showed an increase, however it was less than 1958 increases.

Total capital investment was an average of \$206,980 per ranch. Land and buildings accounted for \$172,890 of this investment, machinery and equipment \$4,940, livestock \$28,320 and other \$830. The ranches averaged 13,405 acres the specialist continues. All sheep numbered 1,333, with 1,046 of these being breeding ewes. Average lamb crop was 81 percent which was 3 percent above 1958 and 12 percent above the 1947 - 49 average.

Record high production, fairly high prices for lambs, near-record prices for mohair and relatively large wool incentive payments per ranch were some of the factors that contributed to the relatively favorable ranch income in 1959, Prater explains.

In comparing these sheep ranches to Southwestern cattle ranches, we find the cattle operations average an \$8,319 net income and had a \$157,670 capital investment, Prater concludes.

### Men Named to TEC Committee on Need for Laborers

Cochran County citizens, Dan Valentine, County Judge Glenn Thompson, T. K. Williamson, W. P. Houston will serve as a County Farm Labor Committee and meet with R. C. Bunting, Manager of the Texas Employment Commission office, to review the total seasonal employment needs developed by TEC.

The committee was presented with the figures of the TEC that Cochran County will be short 650 cotton pullers during the peak period of the cotton harvest. This shortage will be met by the importation of Mexican National Bracero workers.

The committee will function under Public Law 78, obtaining facts relevant to the supply of domestic farm workers existing in Cochran County and the shortage of workers, if any, which must be met by importing Mexican Nationals to harvest the cotton crop. Under Public Law 78, the TEC must supply this information to the Secretary of Labor who must limit the number of Mexican Nationals to be used in this county by granting a "ceiling". The Committee consults with the Local office manager to assist him in estimating the number of workers who will be needed, based on current local conditions affecting the cotton crop.

"Ceilings" granted by the Secretary of Labor limiting the importation of Mexican Nationals into this area will be posted in Post Offices in Morton, and Whiteface, in the County Agents office, and the County Courthouse.

**Bledsoe Is Scene of Marriage of Wilsie Bilbrey, James Richardson**

In a candle-lit ceremony, September 3rd, at 3 o'clock MST, in the Bledsoe Baptist Church, Miss Wilsie Sue Bilbrey, daughter of Mr. and Mrs. Wilson Bilbrey of Pritchfork, became the bride of James William Richardson, son of Mr. and Mrs. Sam Richardson of McDonald, New Mexico.

Rev. Leroy Harris, pastor of the Bledsoe Baptist Church, performed the double ring ceremony before an archway of greenery and pink gladioli, trimmed with white satin bows. Branched candleabra with pink tapers and trimmed with white bows, baskets of pink gladioli and aqua carnations flanked the archway and formed the decorative setting at the altar.

Miss Patsy Webb and Miss Leneille Burris presided at the guest book.

Miss Mary Cagle of Tatum, organist, played a prelude of nuptial music as the guests were registered and were seated. Mrs. L. L. Cagle, accompanied by her daughter, Mary, sang, "Because", and "Whither Thou Goest". As the couple knelt for the home dedication, Mrs. Cagle sang "The Wedding Prayer."

The candles were lighted by David Bilbrey, brother of the bride, and Keith Richardson, brother of the bridegroom.

Miss Loretta Bilbrey, sister of the bride, was maid of honor. She wore a dress of aqua cotton satin with a bouffant skirt, scoop neck and short sleeves. She wore aqua gloves, an aqua headband, and carried a colonial bouquet of pink carnations. Bridesmaids, Twila Bilbrey, sister of the bride, and Kate Rossion of Bledsoe, wore pink dresses identical to that of the maid of honor, except they were sleeveless. They wore pink headbands, pink gloves, and wore crescent shaped corsages of aqua carnations.

Harvey Harris of Tatum served as best man. Marion Bilbrey, Pritchfork, cousin of the bride, and Ronnie Berenbough, Tatum, cousin of the bridegroom, served as ushers, then took their position as groomsmen.

Given in marriage by her father, the bride wore a bouffant ballerina length bridal gown of white chantilly lace over taffeta with a fitted midriff and gathered bodice, set off by a lace jacket with long tapered sleeves and a stand up collar. The bride designed and made her dress. A white crown set with seed pearls, held in place her finger-tip veil of illusion. She carried a bouquet of pink gladioli centered with aqua carnations with streamers tied in love knots on a white Bible, which was given to her by her paternal grandparents, who will celebrate their seventieth wedding anniversary in January.

For something old, she wore an heirloom diamond studded wishbone pin; for something borrowed, a hoop from Mrs. Ronnie Key, sister of the groom; for something new, her wedding attire; a blue sarter, made by her sister, Loretta; good for luck, pennies mint-

ed with the date of birth of both the bride and the groom, were worn in her shoe. She wore a strand of pearls given to her by the groom.

Mrs. Bilbrey, mother of the bride wore a dress of blue lace with bone accessories, and a corsage of white carnations. Mrs. Richardson, mother of the groom, wore a dress of beige lace with brown and bone accessories and a corsage of white carnations.

A reception was held immediately in the Fellowship Hall of the church after the wedding. The serving table was covered with a lace cloth over aqua. The four tiered cake, atop a clover leaf foundation cake, was topped with the traditional bride and groom figurines. The cake was made as a love gift to the bride and groom by her sister, Loretta. Mrs. Ronnie Key of Mountainair, sister of the groom, served the cake after the initial piece had been cut by the bride and groom. Mrs. Jon Denny of Crossroads, cousin of the bride, presided at the punch bowl. Miss Leneille Burris of Bledsoe, served the mints and nuts. Floating hostesses were: Misses Alvonna Watson of Crossroads, cousin of the bride; Marilyn Brown of Pritchfork; Janie Ness and Vonda Burris of Bledsoe.

For their wedding trip to points of interest in New Mexico, Mrs. Richardson wore a two piece beige suit with bone and red accessories. Her corsage was the aqua carnations taken from her bridal bouquet.

The bride is a graduate of Bledsoe High School. She has been very active in church, school, and 4-H club activities. She has received many honors during her seven years of 4-H work. She plans to attend New Mexico State University this fall.

The bridegroom was a graduate of Tatum High School with the class of 1959. He was active in school, church, and 4-H club activities. The highlight of his 4-H work was a trip to the National Club Congress in 1959. He attended New Mexico State University last year and plans to continue his education there this fall. He is majoring in Forestry and Wildlife.

The newlyweds will live in Las Cruces.

Out-of-town guests attending the wedding were: Mr. and Mrs. Percy Flatt, Lucille and Junior; Mrs. Kenneth Kinsolving, Lou Ann and Dean; Mr. and Mrs. C. C. Watson, Alvonna, Elaine, and Alvis; all of Crossroads. Mr. and Mrs. Ben Watson, Thylia, Danny and Stanley; Mrs. L. L. ### Three Way Nips Cotton Center Elks

The Three Way Eagles battled Cotton Center all the way for a come-from-behind 2 - 18 triumph that put them in a tie for first place in their District, Friday night.

Larry Dupler's 10 yard skirt around end provided the winning margin for Three Way in the fourth period, after the Cotton Center Elks had taken an 18-14 lead in the fourth period.

The Elks had the first lead in

the game as Larry Shackelford ran 80-yards with the opening kickoff for a touchdown. They tried to run the extra point and failed.

The Eagles buckled down and scored two first period touchdowns for a 14-6 lead. A 50-yard pass to Ronnie Hall put the Elks back in contention in the third stanza and Larry Stanley plunged for 3 yards and the final Elk touchdown early in the fourth quarter, giving Cotton Center an

18-14 temporary lead. Each team plays each other twice in the double round robin of conference play.

### Play at Littlefield Today . . . Local 7th and 8th Grade Gridders Will Play Double Headers This Year

Morton's 7th and 8th grade football teams will play their first games of the season against rugged competition this afternoon as they tackle the Littlefield teams on the Littlefield football field.

The 7th grade teams will clash at 4 p. m. with the 8th grade game set for 5 p. m.

A return match is scheduled for Morton on Thursday, September 22nd.

On the 29th the two teams play at Levelland and on October 13th they entertain Sundown in Morton.

October 17th they play Muleshoe, at Morton, at 6:30 and 7:30 p. m.; and they return those ga-

mes at Muleshoe on October 24.

The final games, scheduled with Levelland, will be played in Morton, November 10th, at 4:00 and 5:00 p. m.

Coach Bob Vanoy is highly optimistic about his teams chances, not saying they will win any games, but saying he is sure the two teams will surprise a lot of Mortonites with their scrap.

### Clyde Brownlow Gets Scholarship At S. Plains College

Among other students, inadvertently missed by the Tribune, in its back-to-college story last week, is Clyde Brownlow, who will return to South Plains College.

Clyde, who won an athletic scholarship, expenses paid, to South Plains College as a freshman ranked the highest in scholastic averages last term, one of the outstanding students of the college, according to Registrar Nathan Tubb.

### Reported Better

Mrs. J. R. Roddy writes from Borger this week that "I am doing fine . . . can set up some each day."

She continued by saying her letter to the Morton Tribune was her first attempt at writing since her stay in the hospital.

Mrs. Roddy asks that the Tribune be mailed to her in care of Mrs. L. V. Lively, 610 Florida Street, Borger.

Also, she writes, please thank all our friends for the cards and visits. Their prayers have been a great comfort to me.

She says J. R. Roddy will be back in Morton in three or four weeks, but that she must stay longer in Borger.

Plan to Attend the MORTON P-TA BANQUET Tuesday Night

### Indian Opponents Win Friday Games — In Most Cases

Morton's future opponents again had a good week on the football field, in various sections of the South Plains.

Farwell, which had romped Friona 40-6 a week ago; turned on Bovina for a 44-12 triumph Friday.

Idalou, in walloping Springlake 38-0, won it's second straight game.

Sundown edged Hale Center 12-8 for their first triumph. They lost to Idolou a week ago.

District foes did well too. Olton made it two in a row, with a narrow 12-8 win over usually tough McCamey. Abernathy, which had a tough time against Dimmitt lost its second, Spur doing the honors, 22-0. Lockney lost to Dimmitt, 22 to 6, the first possible comparison of district strength. Dimmitt had been forced to extend themselves harder in beating Abernathy last week.

Littlefield tromped Muleshoe, 28-0, but that wasn't any disgrace for the Mules. Sudan scuttled Anton, 28 to 0.

Visits Old Friend Mrs. Bert Alsbrook of Lamesa spent Tuesday night with Mrs. Polly Paulk. They are old friends.

### SUICIDE —

Continued From Page One at the time he was being jailed that he couldn't go to jail because he "had to face a firing squad at 5 p. m. that day." They thoroughly searched him for any weapons and had considered taking

him to a doctor later on.

The Sheriff said he immediately discounted death by foul play from the other occupant of the cell simply because the man had no blood on him and because Acevedo was too husky a man to have been killed by someone, without having struggled and spattered blood all

over the place and on any would be assailant. The blood was confined to one place, with no evidence of blood anywhere else.

The sole purpose of the investigation, he said, was to turn up a knife, razor blade or other weapon which might have been used by Acevedo.

The body was transferred by ambulance to Lubbock Monday, and at 7:30 p. m. was placed on a train for Rio Grande City, by Singleton Funeral Home of Morton.

Mr. Acevedo is survived by three sisters, all of Rio Grande City.

SEVERAL THINGS were accomplished at the phone meeting...

FIRST TIME, since we have been working on this program of Extended Area Service...

HAD THE phone users of both groups together in a meeting; the city has met with both companies...

IN OUR OPINION, represents a big step forward. For although it wasn't voiced in strong terms...

THIS WAS NEVER a major topic of discussion at the meetings, but there were times it was implied...

demanded you accept the other company's offer. They wouldn't like it...

IF IT WASN'T... CLEAR TO ANY OF THE 75 or more folks who attended Thursday's meeting...

THIS FEELING OUT in the open, may be the step that will crack open this stalemate.

FEEL THEY CAN'T go with the proposal, because they feel it's unfair to their phone users...

YOU GET to a position that you know with a fair degree of certainty, that the folks from both exchanges want the same thing...

THE FAIRNESS or unfairness of the proposal, we'll probably never know. The more discussions that are held...

THE 5-AREA C.O.P. directors, nor General Telephone would appreciate their phone subscribers coming to them and saying...

the progress of the area, won't be harmed to a greater degree by this stalemate.

SOLUTION, if there is one, is to find a method by which neither company would have to "back down"...

THE GOATS. We are the people caught in the middle of this "test case"...

ENCOURAGING word that came out of the talks was the revelation that now, because of improved manufacturing conditions...

WAITIN' FOR? Let's get on with the show. Let's tell General Telephone Company that in Morton...

THAT THE original "misunderstanding" is the key issue in this whole thing... a misunderstanding that no one has ever been able to pin down...

BETTER SETTLED, to everyone's satisfaction. But it would also be better to execute a contract and get on with EAS...

### Garden Club Hears Review of "The Ugly American"

"The Ugly American" is a most devastating illustration of the point, the reviewer added. The book, she continued, is made up of a series of short narratives set mainly on imaginary but typical Southeast Asian country.

Here, she said, the book describes large segments of our overweighted embassy staffs who live almost completely out of touch with nations they are supposed to help and understand, and in a style of life to which few of them have been accustomed in the United States.

It can be said, of course, Mrs. Benham continued, that the authors of this bitter and highly readable book are prejudiced and

harsh on extreme cases. Yet, one cannot avoid the suspicion, as one moves with fascinated horror from episode to episode, that there must be something radically wrong with the climate of our foreign service and that, as the authors say, "our free life may well be lost in a succession of bits and fragments."

Continuing, Mrs. Benham said, it comes as a shock, for example, to learn in the factual epilogue of this book that 50 percent of our foreign service officer corps do not have a speaking knowledge of any foreign language, that 70 percent of the new men coming into the foreign service are in the same state.

### Letter Writing Week, October 2 to 8

The 23rd annual "Letter Writing Week" will be celebrated in Cochran County and over the Nation during the week of October 2 to 8, it was announced this week by Murray Crone, Morton Post Master.

Crone noted that there has been a revival of personal letter writing during the last few years. "A letter remains the most economical, longest lasting and sincerest means of extending greetings, communicating social news, and exchanging ideas," he said.

During "Letter Writing Week" Crone suggested that individuals write at least two letters: one to a friend or relative from whom you have not heard in a long time and the second as a reply to a friend or relative who recently wrote to you. He also urged correspondence to people in other countries as a means of promoting greater understanding among the people of different nations.

### CHARGE IT, PLEASE

These are magic words in a sense; yet, not so, for credit cannot take the place of income, says Mrs. Eula Newman, our Extension Home Management Specialist of Texas A & M College. It can only alter the time when money is spent. The day of reckoning always comes.

There are a number of cases where it may be wise to use credit. Such decisions need to be made through family discussions and planning.

In using any type of credit, families will do well to follow through on these suggestions made by the specialist:

Get acquainted with the various credit sources available before credit is needed.

### SUMMER SQUASH HAS LOTS OF POSSIBILITIES

Summer squash is a mild and modest vegetable. Some folks never appreciate its possibilities, but it is easy to prepare, nutritious, tasty and low in calories.

It combines well with strong flavored foods such as onion, salty bacon and sharp cheese. It has a delicate sweetness of its own that emerges when it's merely steamed and lightly seasoned with salt, pepper and butter.

In younger, tender squash that has not reached maturity both skin and seeds are so tender that the whole squash may be cooked without peeling or wastage, short a time as possible in order to keep interest charges at a minimum.

For all its lightness and delicacy, squash is a good source of minerals and vitamins. And its a wonderful "buy" in calories — only 17 to a half-cup serving.

Try this summer squash with bacon for variety:

- Summer Squash with Bacon
- 2 pounds summer squash
- 1/4 cup boiling water
- 1 teaspoon salt
- 4 strips bacon
- 1 green pepper
- 2 medium onions
- 1/8 teaspoon ground black pepper

Wash and cut tender unpeeled summer squash into slices 1 inch thick. Place in a saucepan with the boiling water and salt. Cover. Bring to boiling point. Cook until crisp-tender, about 15 minutes. Drain if necessary. In the meantime, fry 4 strips bacon until crisp. Remove from the pan. Pour off all fat except 2 tablespoons. Add green pepper and onions and saute until almost limp. Add drained squash and black pepper. Heat. Turn into serving dish.

sh. Crumble bacon and sprinkle over top. Serve hot.

### FASHIONABLE DARK COTTONS DESERVE SPECIAL CARE

Dark cotton provide comfortable and fashion-rich costumes of the year around in many parts of the state and nation. With proper care they can be kept attractive and new looking for a much longer time.

Good dark cottons should be dry cleaned to preserve their finish and appearance, at least as

long as they are used for best wear. Garment with decorative details, padding, interfacing and designs which cannot be removed must be dry cleaned or laundered with special care. Dry cleaning avoids any risk of spoiling the appearance of the garments.

To launder the garments, wash each one individually in softened water. Rinse completely to remove all traces of soap or detergent. Soft water helps to prevent hard water curds or lint from sticking

to the cotton. Use warm, not hot, water with mild soap flakes or detergents. Soapless detergents are good for dark cottons, especially in hard water. Be sure to read the directions on the package and some are recommended for rayon. Do not use a bleach. Many of the bleaches affect the finish of the material.

When ironing a dark cotton garment, press it on the wrong side to retain the finish of the material.

## Middleton's Passing Paces Attack . . . MORTON TAKES 29 TO 8 WIN OVER WHITEFACE

Depending upon the strong pitching arm of quarterback Steve Middleton, and the pass catching ability of a host of receivers, the Morton Indians coasted to a 29-8 triumph over the outmanned Whiteface Antelopes last Friday night.

Middleton was well zeroed in on his passes, except on two series of downs, all evening long. But his receivers in several instances failed to hold the pigskin, and this kept the score from mounting considerably.

Whiteface did a fair job of shackling the Morton running attack, except on two occasions, but spent the night punting out of danger. Their only serious threat, mustered late in the third period as Morton used substitutes freely carried them to a touchdown on the first play of the fourth quarter, the last tally of the game.

Whiteface quarterback Odie Simmers skirted end for 26 yards on the second play from scrimmage but that ended the Antelope threat. Tommy Cone booted out of danger to Tanner who returned the ball 30 yards to the Whiteface 45. In seven plays Morton moved to two first downs and scored. The TD came on a 9 yard pass, Middleton to end Tootsie Davis. Middleton place kicked the extra point.

Four plays later J. R. Wilson recovered a Whiteface fumble on the 15 yard line and Middleton passed to fullback Wilburn Zuber for this score. His pass to Tanner for the extra points found the receiver in the open but the pass was too short.

Early in the second quarter Middleton threw another apparent scoring pass but it was dropped by the receiver, a fourth down play.

The next time Morton got the ball they scored on nine plays with Davis taking a 20 yard pass for the score and Zuber gathering in a pass for the extra points and a 21-0 lead.

Johnny Vandeventer ran 17 yards for another score but a penalty nullified the play.

Morton then drove to the 10 yard line where Lynn Martin intercepted a Middleton toss to stop one threat. The Lopes quick kicked out of danger and then Middleton had a bad spell, missing on three straight passes as the half ended.

Morton rolled up four first downs and scored quickly in the third period. Johnny Vandeventer covering the last 23 yards on two

end runs. Middleton passed to Zuber for the final points.

Willard Cox Jr., at quarterback and a host of other boys got their chance in the rest of the game for Morton. Lester Dupler, Leon Joffcoat and Glenn Kuehler lugged the pigskin for Morton.

Late in the game Middleton returned and had another dry spell tossing three straight passes to Davis, who dropped two of them, and couldn't reach the other.

Whiteface recovered a Cox fumble on the Morton 22 to start their scoring march. A penalty put the ball on the 17. Cone got to the 13 and Summer to the 8. Eddie May went over center to the 5 and Cone over left guard to the 2. Cone scored over right guard on the first play of the 4th period and Summers tallied the points on a quarterback sneak.
