VOLUME NUMBER TWENTY

MORTON, TEXAS, THURSDAY, NOVEMBER 24, 1960

NUMBER FORTY

THANKSGIVING FESTIVAL AT PEP THURSDAY

PEP (Spl.) — Pep Community's Thanksgiving Festival, now in its 15th year, will be held today (Thursday), Nov. 24, sponsored by St. Phillip's Church.

The festival well known in this area, features the serving of turkey and sausage dinner by the ladies of the Altar Society. Serving will be from 11 a. m. until 1:30 p. m., and in the evening beginning at 5:30 p. m.

Whiteface Visit Slated for IOOF Grand Master

WHITEFACE (Spl.) — The Grand Master of the State of Texas Independent Order of Odd Fellows, Howard Kemp, will pay his official visit with the lodges of District 9, Thursday, Dec. 1, with Whiteface Lodge No. 172 as host.

In addition to the regular program for the evening, a special session of the Grand Lodge will be held to confer Degrees upon any candidates for the Past Grand and Grand Lodge.

Ralph Dean Hensley, D. G. M., Whiteface, in announcing the I. O. O. F. meeting, said that several out-of-state visitors are expected to attend and all Odd Fellows of the area lodges are invited and urged to attend the meeting.

Prices of the dinner are \$1.50 for adults and 75c for a children's plate. The sausage, homemade in the community; homemade bread and pies are also features of the annual dinner which includes the usual turkey dinner trimmings.

Other events on tap to complete a day of activities include a carnival atmosphere throughout the day where visitors can try the fish pond, grab bag, spilling the milk bottles, penny pitch and other games.

At 4 p. m. a cotton auction will take place with other items of merchandise also to be auctioned off.

The final event of the day's schedule is a dance beginning at 9 p. m. to the music of a western band.

The entire day's activities are, of course, open to all.

Coupon Again in Willis Ad

Area readers again this week have an opportunity to clip a valuable coupon from Willis Food Store ad on page two of this publication of the Morton Tribune.

Value this week is \$9.00 in Bucaneer stamps. The deadline for redemption is printed on the coupon.

Nationally Known Osteopath Will Speak to Mortonites, Weds., Nov. 30

Dr. Morris Thompson, dynamic speaker and president of Kirksville College of Osteopathy and Surgery, will speak Wednesday night, Nov. 30, at 8 p. m. in the Cochran County Activities Building auditorium.

All area persons, especially students, interested in hospitals, medical service, and public health in any way, are not only invited, but urged to attend and hear Dr. Thompson.

Introducing Dr. Thompson will be Dr. Phil R. Russell, D. O., and executive secretary and treasurer of the Texas Association of Osteopathic Physicians and Surgeons.

The announcement came this week from J. C. O'Brien, president of the Memorial Hospital Board of Managers who are sponsoring Dr. Thompson's appearance here.

In making the announcement, O'Brien extended his apologies to church groups for the Wednesday night meeting, but pointed out that Nov. 30 was the only date open on Dr. Thompson's visit to the area.

Dr. Thompson, one of twenty-seven members of the advisory committee for the Surgeon General of the United States, will speak in Lubbock Tuesday and Tuesday night.

He is appearing at Tech before area high school counselors and vocational guidance teachers to outline findings of the Surgeon General's Consultant Group on Medical Education.

Other appearances in Texas included talks at Texas A&M and Southern Methodist University.

Dr. Thompson, who has served as president of the Kirksville College, Kirksville, Mo., for the past 15 years, will talk on "Our Most Important Weapon—Our People."

His appearance in Texas is in the interest of pointing out the acute shortage in the United States of medical personnel—physicians, dentists, nurses, medical technicians, and the need for the selection of properly motivated students to enter these fields.

Boosters Planning Mexican Supper

The Morton Athletic Boosters will sponsor a Mexican Supper on Saturday, December 10th, it was announced this week.

The supper will be served at the school cafeteria and the price will be \$1.00 per plate.

Supper will be served from 5 to 8 p. m. and proceeds will go toward the booster's funds for helping the various athletic needs of the school.

Tickets will be on sale next week with any member of the Boosters.

Check Forgers Are at Work in the Area

S. M. (Smiley) Monroe, vice-president of the First State Bank Morton, warned local residents that in the past few weeks an increasing number of forged checks have been passed in this area.

Monroe, emphasizing that these checks often are made on the accounts of reputable businessmen or farmers, urged everyone handling and cashing checks to know the person cashing the check and the person to whom the check was made. Just knowing the name of the person on whose account the check is drawn, is not enough.

He urged Cochran Countians to follow the lead being set in Lubbock by having the person cashing the check to show his or her driver's license, and put that number under the endorser's name on the back of the check.

"Just a few of these forged checks can cost the merchants of Morton and Cochran County a lot of money," Monroe said, as he pointed out how senseless it is to cash a forged check for someone you don't know.

New Gin Gets Automati'n Award

The "Cotton Gin Automation Award" was presented the Kirk Dean Gin Co. southwest of Morton Tuesday by the General Electric Company.

The bronze plaque was awarded to K. K. Dean of Lubbock, gin owner, and Bill Cranford, gin manager. Inscription on the plaque reads: "In recognition of the Kirk Dean Gin Company for vision and leadership in applying the tools of automation to the art of ginning cotton. Through the use of modern, electric control and instrumentation, the management of this gin has attained the highest degree of automation in the industry and brought to its customers a new standard of excellence."

The gin was completed this summer and opened for business this fall.

It is located eight miles southwest of Morton just opposite the Family Community building. "Open House" was observed Oct. 16.

Tena's Salon Has New Operator

The association of Mrs. Lonnie (Wanda) Gaston of Morton with Tena's Beauty Salon, 905 SE 9th Street in Morton, was announced this week by Mrs. Tena Kuykendall, owner-operator of the salon.

In making the announcement Mrs. Kuykendall extended area residents a cordial invitation to drop by and visit with Mrs. Gaston at their first opportunity.

Mrs. Gaston, who attended Morton Schools, is a graduate of Isbell's University of Beauty Culture, Lubbock.

She is the former Miss Wanda Butler, daughter of Mr. and Mrs. Skinner Butler of Morton.

Mr. and Mrs. Gaston were wed in Morton, April 8, 1955. They have two children, Lowonn, 4, and Clinton, one year old. They attend the First Missionary Baptist Church.

Gaston is employed at McMaster Tractor Company, Morton.

FARM LABORER SHOT TO DEATH IN ARGUMENT OVER ATTEMPTED REPAIR OF COUSIN'S AUTO

A 25-year-old Spanish American farm laborer, Arthur Sepulveda, Jr., resident of this county for 12 years, was shot and killed on the Johnny Wheeler farm, Saturday, just before noon, after an apparent argument with his cousin over whether or not the cousin's car could be repaired.

Arrested about two hours after the shooting, and formally charged with murder, Monday, was Domingo Hernandez, 44, who resided only about 50 yards from Sepulveda's home.

Sepulveda was shot seven times with a .22 caliber rifle which Hernandez got from his automobile as the two men quarrelled, according to information. Four of the bullets hit Sepulveda in the head, one in the back, one in the shoulder, and one in the arm.

The shooting took place in front of Hernandez' house. Immediately after the shooting, witnesses said Hernandez waving the rifle, threatening Sepulveda's mother, Domingo's aunt, forced his wife, carrying their child, to get into Sepulveda's 1955 Mercury and fled from the scene. He later abandoned the car in a lake on the George Burkett

farm, about 10 miles east of the shooting, and was arrested as he and his wife and baby, who were walking north on a dirt road, at 1:50 p. m.

Meanwhile, at the Wheeler farm, about 20 minutes after the shooting, a brother of the dead man, Lupe Sepulveda, grabbed a shotgun and announced his intentions of seeking out his brother's slayer. He scattered Justice of the Peace Albert Morrow an dFuneral Home Director Sam E. Leverett, Jr., and a group of Spanish Americans trying to take the weapon away from him, as he waved the gun in the air. He was finally persuaded by his boss, J. E. (Slick) Nichols, to give up the weapon.

According to statements procured by law officers, the two men were among several who had "partied" most of the night at the Philberto Durango home. Early Saturday morning Domingo went to the field where Arthur and his father were working and asked the father if it would be alright for Arthur, Jr., to help him work on his car which had a broken clutch from the night before. The father said it was okay with him if it was okay with Arthur. The boy agreed he could help Domingo fix his car and off they went.

There was no signed statement by Domingo, but officers, piecing together information received from

DOMINGO HERNANDEZ FACES MURDER WITH MALICE CHARGE

"Murder with Malice" charges have been filed against Domingo Hernandez, 44-year-old Spanish-American resident of this county in the rifle slaying of his cousin, Arthur Sepulveda, Jr. The charge was filed Monday and bond was set at \$10,000. Hernandez, who refused to sign a

statement, remained in jail at Leveland.

District Attorney Morgan Copeland of the 121st Judicial District was to be in Morton either Tuesday or Wednesday afternoon of this week to interview several witnesses and take their statements.

Enochs Women Serve Dinner Wednesday Nite

The Enochs Methodist Church is serving a Thanksgiving supper tonight (Wednesday) with serving beginning at 5:30 p. m. and continuing until 9 p. m.

Turkey and dressing with the trimmings will be featured according to Mrs. L. G. Fred, publicity chairman.

Ladies of the church each year sponsor the supper.

P-TA DIES FOR LACK OF INTEREST

The Morton Parent-Teacher Association passed into apparent oblivion Tuesday night without the shedding of a single "tear."

Those present voted the association out of existence after a check showed the meeting was more of a teacher's meeting than a parent-teacher's meeting.

Speaker Tuesday night was Rev. Fred Thomas, pastor of the First Baptist Church, Morton.

Other parents present included Mrs. Fred Morrison, Mrs. Jesse Clayton, Mrs. Bill Glassford, Mrs. Harold Drennan, Mrs. Jim Middleton, Mr. and Mrs. T. B. White, Eira Oden, and Byron Willis.

Also, the group voted to ask the executive committee to meet and decide what to do with any money in the treasury. It was suggested that the same be spent on the Elementary auditorium.

only 31 more days 'til CHRISTMAS

DOSS OPENING "WAS GRAND;" AWARD WINNERS ARE NAMED

"It was grand," was the way Truman Doss described the Doss Thriftway Super Market "Grand Opening" last week end on South Main, Morton.

"We had visitors from far and near," reported Mrs. Helen Doss, "and every one was appreciated."

Proving most popular with the adults was the "dummy," a performance one had to witness to appreciate.

But the youngsters had other ideas—a real merry-go-round that "you could ride without paying."

Little loaves of bread were also popular with the younger generation.

And, as one of the checkers reported, "We kept busy."

In announcing the winners of various awards, Doss pointed out that the "Free Mink Stole" will be given away Wednesday, Dec. 21, at 6 p. m.

Also, the winner of the second transistor radio was not to be announced until Nov. 23, and this week's Tribune went to press Tuesday night in order to catch the Wednesday mail.

Mrs. J. D. Glass took home the other transistor radio. A lamp went to Mrs. Iva Williams for doing a "People Are Funny" act.

Mrs. Roy Allsup captured the food warmer, one spaghetti cooker went to E. C. Neiman and the other to Mrs. Bob Arnett.

G. R. Scott took home the coffee warmer, and because a number of winners were present at the time of the drawing, only a partial list of grocery winners is available here.

They are Mrs. George Silhan, Star Rt. 1, Pep; Mrs. J. T. Studdard, Morton; Hume Russell, Morton; B. E. Reed, Morton; Mrs. J. E. Clam-pitt, Rt. 2; L. F. Simon, Whiteface; Mrs. Edward E. Thomas, Morton; Mrs. Tob Brown, Morton; and Mrs. Johnnie Brooks, Rt. 1.

Also, C. D. Ray, Morton; Mrs. Harold Pollard, Enochs; Mrs. W. G. Frelund, Rt. 1; Tony Herrra, St. Rt. 2; L. G. Harris, Enochs; Mrs. T. D. Davis, Goodland; and Mrs. W. K. Courtney, Rt. 2.

Also, Lorene Jungman, Rt. 1, Pep; Mrs. H. R. Ramp, Rt. 1; Mrs. J. H. Lowe, Morton; Mary Moren, Morton; Tennette Edwards, Morton; Mrs. A. B. Rose, Morton; and Mrs. J. B. Reedy, Morton;

Also, J. O. Gathright, Morton; Mrs. J. D. Hawthorne, Morton; Mrs. J. F. Cooper, Jr., St. Rt. 2; Darla Brotherson, Rt. 1; L. G. Harris, Enochs; Helen Houghton, Morton; Judy Rushing, Girlstown, U. S. A.; Leon Dupier, Maple; and Mrs. L. W. Marlar, Rt. 1.

"Wishing Well" winners were Mrs. J. H. Lowe, Mrs. Maxine Loran, Mrs. J. N. Burnett, and Mrs. Iva Williams

TO TAKE PICTURES OF YOUNGSTERS

Saturday, Nov. 26, Doss Thriftway will have a representative from Shugart's Studio present to make photos of youngsters from one to 12 years of age.

A special price has been arranged for the Christmas holidays. (Details will be found in an ad which appears on page 12 of this publication of the Morton Tribune.)

WINS BLOUSE AT MINNIE'S

Mrs. A. V. Walker of west of Morton was the winner last week of a "Graff" blouse at Minnie's Shop, westside square, Morton.

Visitors will again this week have an opportunity to register for a blouse. There are no contests, nothing to buy, and winners need not be present at the drawing Saturday evening to win.

Gracia Infant Services For

Graveside rites were held at Morton Memorial Cemetery last Thursday afternoon for David Gracia stillborn infant of Mr. and Mrs. Joe Gracia of Maple.

Burial was under the direction of Singleton Funeral Home of Morton.

The infant was still-born at Morton Memorial Hospital Tuesday morning of last week.

Town Nearly 'Buttons-up' for Holiday; Food, Gas, Recreation Available

Morton, like most cities on the Plains will be a "dead" place as far as business is concerned, Thursday (today) because of the Thanksgiving holiday, but local residents wanting to dine out; take in some recreation, or gas up for a trip out of town will be able to do so.

The Steak House, Lebow's Cafe, the Eastside Cafe, the Chat and Chew and the Frontier Snack Bar have all announced plans to be open, the Snack Bar, located at Frontier

Lanes, in the afternoon only.

As far as grocery stores are concerned, West Side Grocery, Bald-ridges and the Fruit Stand will be open.

As for service stations, a check revealed that all stations except B and C Phillips 66 will be open.

Both the Theater and the Frontier Lanes bowling alley will be open in the early afternoon.

Most other businesses will be closed, the County Offices voting to take both Thursday and Friday off... except, of course, the Sheriff's Office.

Morton Schools were to be dismissed Wednesday, Nov. 23, at 2:30 p. m. for the Thanksgiving holidays. Regular classes will be resumed Monday, Nov. 28.

For the Christmas vacation, the school will dismiss classes at 2:30 p. m. on Thursday, Dec. 22, and classes will begin again on Monday, Jan. 2, 1961.

All schools in the area will follow suit, closing early on Wednesday after serving turkey luncheons, and remaining closed until Monday morning.

Face Sundown Teams Tuesday On Local Court

The Morton Indians will get a heavy scrimmage session with Tatum on the local court Saturday, and then will return to action on the home court next Tuesday night as they meet Sundown.

The Indians, losers in overtime at Sundown, will be out for revenge in the lid lifter, Coach Whilock's Morton Maids will be trying to collar a team that has already soundly beaten them twice.

Danez Named Norman Dealer

Danez Beauty Salon of West Washington Avenue, Morton, has been named a representative for Merle Norman cosmetics, it was announced this week.

Mrs. Inez Swicegood, owner-operator of the salon, has been in Hobbs N. M., recently attending a factory representative school for the preparation of Merle Norman cosmetics.

Her appointment as a new representative for Merle Norman cosmetics here followed.

Athletic Banquet Being Planned

Plans were being made for the annual Morton school athletic banquet to be held in January, but a last minute shift has delayed the definite setting of a day.

The banquet will either be held on January 8th or January 15th, it was said Tuesday.

Delay in the decision of a date is to make arrangements for a speaker.

Public Urged to Attend Wednesday Community Thanksgiving Services

Because this edition of the Tribune is being sent out a day in advance on account of the holiday, readers are reminded they still have time to attend the Wednesday night, Community Thanksgiving services being held at the First Methodist Church in Morton.

Rev. Fred Thomas will deliver the special message and other pastors will also take part in the program.

Santa's Coming to Town . . . DOWNTOWN CHRISTMAS PARADE PLANNED FOR DECEMBER 8TH

It'll be another "grand" Christmas parade—if plans discussed Saturday continue to develop and grow.

A tentative schedule calls for a downtown parade beginning at 6 p. m. with formation at 5:30 p. m. Thursday, Dec. 8.

Theme for the parade will be "Christmas Around the World—through the Ages," including customs throughout the United States and possessions.

As last year, students and clubs will be given the opportunity to build the floats, sponsored by individuals or firms, and awards will go to the students or clubs building the floats.

The Saturday committee recommended a first float prize of \$25.00, second prize \$15.00, third prize \$10.00, and fourth prize \$7.50.

Also, \$2.50 will be awarded the best decorated girl's bicycle, and \$2.50 the best decorated boy's bicycle.

Arrangements for Santa's appearance in the parade and afterwards will be made by the Morton Jaycees.

The Lions Club and the Jaycees will arrange for candy for the youngsters. A study club will be asked to sack the candy.

Directing the parade will be Bill Hulse, designer and director of last year's Christmas parade.

Attending Saturday's meeting were Snoball Willis, representing the Lions; Ray Keith Monaghan, representing the Jaycees; Mrs. Jack Wallace, Mrs. Steve Monroe, Bill Glassford, and Hulse.

The group asked the Morton Tribune to act as a "clearing house" for receiving names, builders, and sponsors of floats to be entered in the parade.

Pian Your Parade Float Today!

A second meeting of all persons interested in the proposed parade has been called for Friday morning at 8:30 o'clock at the Steak House.

Merchants will be asked to remain open until after the parade Dec. 8, and they will be asked to provide funds for prizes.

Public Urged to Attend Wednesday Community Thanksgiving Services

Because this edition of the Tribune is being sent out a day in advance on account of the holiday, readers are reminded they still have time to attend the Wednesday night, Community Thanksgiving services being held at the First Methodist Church in Morton.

Rev. Fred Thomas will deliver the special message and other pastors will also take part in the program.

Sepulveda Rites Held Monday At St. Ann's

Funeral services were held at 2:30 p. m. Monday at St. Ann's Catholic Church in Morton for 25-year-old Arthur Sepulveda, Jr., resident of this county for the past 12 years.

Father Louis Moeller conducted the services and burial was at Morton Memorial Cemetery under the direction of Singleton Funeral Home of Morton.

Mr. Sepulveda, a farm laborer, resided on the Johnny Wheeler farm, 4½ miles north of Bledsoe, and had worked for J. E. (Slick) Nichols for the past eight years.

Born at Victoria, Texas, Sept. 19, 1935, he moved with his family to Brownfield, prior to moving to Cochran County.

Survivors include the wife, four children, Arthur, III; Rose; Richard; and Elvera, all of the home; three sisters and five brothers, and his parents, Mr. and Mrs. Arthur Sepulveda, Sr., of Bledsoe.

Gracia Infant Services For

Graveside rites were held at Morton Memorial Cemetery last Thursday afternoon for David Gracia stillborn infant of Mr. and Mrs. Joe Gracia of Maple.

Burial was under the direction of Singleton Funeral Home of Morton.

The infant was still-born at Morton Memorial Hospital Tuesday morning of last week.

\$25 IN TRADE OFFERED AGAIN AT TRUETT'S

Truett's Food Store is again offering \$25.00 in trade this week to some "lucky" person.

Since the Tribune went to press early this week, the Wednesday winner could not be announced.

(Details will be found in Truett's ad which appears on page 11 of this publication of the Morton Tribune.)

CHICKENS, TURKEYS NOT CONFUSED — JUST TRIBUNE

The Tribune extends apologies this week to readers of the Piggly Wiggly ad of last week.

Confusion was spread when the placement of the line, "— order your Turkey now" appeared just above, "Tender, Dressed, Hens."

The "hens" advertised for 37c a pound were, however, "chicken" hens, not "turkey" hens.

Danez Named Norman Dealer

Danez Beauty Salon of West Washington Avenue, Morton, has been named a representative for Merle Norman cosmetics, it was announced this week.

Mrs. Inez Swicegood, owner-operator of the salon, has been in Hobbs N. M., recently attending a factory representative school for the preparation of Merle Norman cosmetics.

Her appointment as a new representative for Merle Norman cosmetics here followed.

Athletic Banquet Being Planned

Plans were being made for the annual Morton school athletic banquet to be held in January, but a last minute shift has delayed the definite setting of a day.

Rev. Fred Thomas will deliver the special message and other pastors will also take part in the program.

with bowling ...

In the "HPH" League (Hen- pecked Husbands) Merritt Gas continues to lead the mixed-couple league with a 7-1 mark followed closely by Bronco Gin and Frontier Lanes teams, each with five victories and three losses. Willis Hammond is the individual leader at the end of two weeks of play with a 165 average. Jug Hill is second with 164 and Button Silvers has a 156 mark. Among the ladies, Glynda Merritt has a 135 average; Katie Van, 133 and Wilma Hill, 113.

In the Pow Wow League, Terry Davis owns the high individual average for the school girls, with a creditable 137 average. Ricki Coffman has an average of 119 and Rhodney Williams, early league leader, has slipped to third place with a 117 average. Teamwise, the Four Deers are first with a 15-5 mark followed closely by the Flying Black Balls with a 14-6 mark.

P and B Automotive still has a comfortable lead in the Men's Western League (Tuesday nights) with 20 victories and only 8 losses. Aero Spraying and Fertilizing Company follows with a 16½-11½ record. Individually, Austin Steadman and C. D. (Tip) Windom are still running one-two. Steadman has spilled 3316 pins in 21 games for a 157 average while Windom in 15 games has downed 2332 pins for a 155 average.

The Monday night men's Frontier League leadership was taken over last week by Silvers' Butane but their margin is as slim as it can possibly get. Silvers' record, 17½-10½, is only a half game lead over Collins Packing Co., and Cities Service, each with 17-11 marks. Bill Gerik's torrid 683 last week was the top scratch game of the season (567) to date in all leagues, and earned him first place in the individual standings. His 162 average was 10 pins above Ralph Ware's 152 mark. Gerik also had spilled more pins in league play than any other bowler in all leagues, 3414 in 21 games. Jack Moler, who had been ahead in averages, had a bad night and dropped to third place. Don Lamar moved into fourth spot and Jug Hill and Don Allsup moved in to a tie for 5th spot.

Weldon Newsom's 481 series vaulted him into third place in the individual standings in the Thursday night, Major League. Jack Moler, a substitute had a 183 average for 3 games, but Ray Specker, who posted a 164 average in 16 games was the actual regular player leader. Newsom's 3250 pins spilled in 21 games was 37 above his nearest competitor. But in team play, Rose Auto and Appliance lost two games of their lead. When bowling resumes a week from tonight, Rose Auto (26-8) and the Tribune (17-11) second place, get together for a three game series that could either give Rose a commanding league lead, or cut their margin paper thin, depending upon the outcome. Morton Drug (16-12) is just four games back of the leaders.

"Little Princess" Sparks Muscular Dystrophy Drive

A radiant six-year-old, Robin Balnis of South Tewksbury, Massachusetts, gives inspiration to the hundreds of thousands of volunteers throughout the country who are participating in the March for Muscular Dystrophy. Robin is 1960 National Poster Child of Muscular Dystrophy Association of America, Inc.

SOCIETY

MISS THETIS FOUST IS SHOWER HONOREE

Miss Thetis Foust, bride-elect of Frank Hilliard, was honored in the home of Mrs. Elwood Harris, Saturday, November 12, 1960, from 9:30 to 11:30 a.m., with a coffee - shower.

Guests were greeted by Mrs. Gage Knox and Mrs. Roy Brown who registered the guests in the Bride's Book, as they arrived. The table was decorated with a white linen cutwork cloth laid over yellow. The bride's chosen colors

CIRCLES MET FOR MONTHLY SOCIAL

The three W.M.A. Circles of the First Missionary Baptist Church met in a joint meeting for their monthly social. The Brotherhood of the church met with the group for the program.

The Monday night circle had charge of the program. Mrs. Bill Harris gave a devotional on Thanksgiving. Terry and Lanita Anglin gave a skit, "Sunday Morning."

Becky and Terry Harris sang "May the Good Lord Bless and Keep You," to conclude the program.

Following the program the W. M. A. Circles and the Brotherhood met separately for their business meetings. Following the business meetings, refreshments were served.

of gold and white were carried out with white cake squares, gold wedding bells atop. These colors were also carried out in the arrangement of gold mums and silvered wedding bells on a mirror.

Coffee was served by Mrs. O. R. Barton and Mrs. Lonnie Allsup.

Forty guests viewed a varied selection of gifts for the couple which were displayed in two bedrooms.

Along with local guests attending, out-of-town guests included: Mrs. Thomas Beauchamp and daughter, Karen, of Bovina; and Mrs. W. L. Foust, Sr., Sudan.

Hostesses for the afternoon were Mesdames Harris, Knox, Barton, Allsup, Brown, Truman Doss, Lloyd Hiner and W. W. Williamson.

CANDY SALE ENDS THIS WEEK

The Wocaha Camp Fire group is beginning their candy sale for the year, according to the group's reporter, Theresa Hargis.

In another recent activity, the Wocaha's were also helpful in the get-out-the-vote campaign, aiding in pinning "I Have Voted," tags on voters.

The Camp Fire Candy Sale by all of the separate groups is to end this week.

Band Competes In Brownfield Marching Meet

The Morton High School Band under the direction of Mr. Bill Hulse competed for honors in the annual Marching Contest to be held in Brownfield, Tuesday, Nov. 22.

"Penny Farmer, the drum major for the band, is doing a very good job in leading it through the marching routine," said Mr. Hulse.

The band hopes to bring back top honors for Morton High School, and itself as well.

A last minute rehearsal will be held Monday night, Nov. 21.

Mr. Hulse said the band will leave at approximately 5:00 p.m. on Tuesday. They will march at 7 p.m.

Maids Lose Game To Sundowners

The Morton Maidens dropped their first game 48-61 to the Sundown Roughettes. The Little Maidens, the B team finished their opener only two points short of victory, losing the game 28-26.

While this was the opener for the Maidens, the Roughettes have collected the experience of five games in the season.

A small, but excited crowd was on its feet during the second half, when the Maidens came from behind to see the top of the game for a few minutes in the second period, but their hopes of victory were extinguished by the half, when the score was 24-32.

Patsy Amyx was the high scorer for the Maidens, and the game, tallying 32 points. She was followed by Melba Cook, who dropped in ten points. The top scorer for the Roughettes was Sue Jones who gave her team 31 tallies.

Sandra Cunningham led the Maidens in defense rebounds with six. Ruby Daniels and Hoffman were second, with three rebounds. Amyx and Fenor were tops in offense rebounds with six each.

In the B game Gloria Stroud was the high pointer with 13 points. Matilda Berlanga followed with five. Sundown's high scorer, Kirk, tied Miss Stroud's 13.

Vivien Ledbetter Takes FTA Office

Vivian Ledbetter was installed as president of FTA Friday afternoon in a candle light service meeting for the purpose of installing officers.

Also installed were Viola Smith, vice-president; Shirley Miller, secretary, and Sally Leverett, treasurer. Dennis Head is parliamentarian and Glenna Ford was installed as reporter.

UT FORMS IN OFFICE

Students interested in attending the University of Texas can contact Mr. Tom Pate, High School Principal, for information regarding entrance and examinations.

The University of Texas has its own Entrance Examination.

Skaggs, Gray Are Band Favorites

Linda Skaggs and Bill Gray were elected band favorites for the season Thursday morning.

Linda, known as "Red" to her friends has been an active member of the band for six years.

Bill, a recent "Twelve Year Kid," is band president. He also serves as the vice president of the senior class.

"It is a great honor to have been elected as a band favorite," Linda remarked after her election.

Juniors Planning Candy Sale

Candy sales will be launched in the near future by the junior class of Morton High School.

The money received by the class will go for the Junior-Senior Banquet.

Mrs. Robert Vanoy said that the candy has been ordered for quite some time, and that it should be here anytime.

The Junior Class decided last Friday to enter a float in the Christmas parade.

There was little co-operation on the float that was entered in the homecoming parade, so the chairman of the last float committee remarked, "Providing we have a little help we will gladly enter one."

School News

MHS Classes Name Favorites In Meetings Last Friday

Rita Gunnels and James Ruthardt were named senior favorites in class meetings last Friday. Other favorites, elected were Sue Ramsey and Glen Keuhler, from the junior class, and Micki Heflin and Jimmy Bilbrey favorites of the sophomore class.

The freshman class named Laquita Master and Tommy Combs as their favorites. Rita is active in band, while James Ruthardt is a member of the War Whoop Staff.

The junior class named an active member of the girls basketball team as their favorite when they elected Sue Ramsey. Also active in Future Homemakers, Sue is the president of that organization. Glen is active as a member of FFA and the vice

president of his class. He has been a member of the football team for his time in high school.

Micki Heflin, the favorite of the sophomores is active in home economics, and the choir. A member of FFA, Micki is also active in girls sports. Jimmy Bilbrey is in FFA and plays on the basketball team.

CHOIR MEMBERS WEARING JACKETS

Members of the Choir are now supporting their jackets. The Choir students went to Leveland Wednesday to get their jackets. Mr. Pate has ordered the Choir letters which will be put on the jackets as soon as they get them.

Scholarships Often "Go Begging," Principal Says

We have a file full of scholarships and many of them go begging at the end of the year, said Mr. Tom Pate, Principal of Morton High School.

For interested seniors several scholarships are available through National Merit Scholar Awards, says Mr. Pate.

Some of the industries participating in this awards program are Shurline Foods and General Motors. Union Carbide is also taking part in this program, but is open for students interested in engineering only.

Others playing a role in this activity are Alfred E. Sloan and Procter and Gamble. Fisher Body Works also has a Model car competition with awards up to \$5,000.

Mr. Pate said anyone interested could come by the office and get more information and pick up their application blanks for these scholarships.

Highway Patrol October Report Lists First Two Traffic Deaths for County

The Highway Patrol investigated two rural accidents in Cochran County during the month of October, according to Sergeant D. S. Lawson, Patrol Supervisor of this area. These wrecks accounted for two deaths, one injury and a property damage of \$445.00.

This brings the total for the year in this county to two persons killed, 17 injured, and a property damage of \$8,365.00.

"In 1959, eight thousand and two hundred pedestrians were killed on the streets and roads of America,"

Sergeant Lawson said. That figure represents about twenty-four per cent of all traffic fatalities in this country in one year's time. If we could eliminate this one category from car death toll, it would contribute heavily toward a general massive reduction in traffic fatalities.

True, a pedestrian doesn't have much of a chance against two tons of steel. But, if the driver and pedestrian both would use good defensive measures and common sense this type of casualty could be averted.

SCS Photo Gives Pictorial Proof of Successful Program To Control Shinnery on Tom Williams Ranch in County

Tom Williams a native of Cochran County since 1934 has ranched near Bledsoe for some 21 years. He owns several acres himself and leases additional acres south and west of town. Tom is in a cow-calf operation, selling weanling calves during the fall of the year.

Mr. Williams owns 278 acres and leases several more acres joining one of his places west of Bledsoe. Like many other ranches in that part of the county, shinnery-oak has invaded Tom's ranch and makes up 40-45% of the total vegetation. In May of this year Mr. Williams decided to do something about this brush problem. He arranged a planning date with the local soil conservation technicians, assisting the Cochran Soil Conservation District, and with their assistance Mrs. Williams developed a complete conservation plan for his place.

Mr. Williams decided he would treat only the 278 acres belonging to him at the present time. This acreage makes up two pastures, a small horse pasture on the right of the picture above, and a larger cow pasture on the left. He sprayed the larger pasture in June of this year with 1/2 pound of 2,4,5-T, and will respray the same pasture again next year. All shinnery-oak such as found in the larger pasture receives two applications of 2,4,5-T to insure a good kill. However mesquite which is found in most of the smaller pastures will be sprayed only once for control. After each spraying the pasture is deferred until the end of growing season. Tom's large pasture was deferred about 5 months this year.

Under present conditions Mr. Williams feels that he has increased his stocking rate two-fold or more

on the larger pasture with only one application of 2,4,5-T. If he receives as good results next year as he did this year along with favorable moisture conditions he hopes to improve his pasture to a "good condition," which could support additional animal units. The smaller pasture which will be sprayed next year has been stocked year long. Normally Tom runs only two horses on this pasture, but this year he put part of his cows from the deferred pasture over here for a short period. Notice how the Broom Snakeweed in the foreground has invaded, and Mesquite in the background has taken over in the picture on the right. Even though this pasture is in poor condition at the present time, with favorable rains, controlling the brush, and deferred grazing Tom hopes to have the small pasture in as good shape as the pasture on the left side of the picture by this time next year.

NEWS and HAPPENINGS — FROM the ENOCHS - BULA AREA

By Mrs. JEROME CASH

Mr. and Mrs. Billy West are the proud parents of a baby girl, born last week in the Littlefield Hospital. She has been named Ronda Jean. Her grandparents are Mr. and Mrs. J. E. Autry and Mr. and Mrs. West of Levelland.

Mr. and Mrs. J. E. Autry went to Clovis Sunday afternoon to visit their daughter and family, Mrs. Jack Jackson. The Jacksons were not at home so the Autrys attended the car races.

The small son of Mr. and Mrs. Albert Grusendorf visited with the Donald Grusendorfs last week, while his parents went to Wisconsin to attend a funeral.

Mrs. A. D. Hallford has been in the Medical Arts Hospital at Little-

field for several days with high blood pressure. She is supposed to come home first of the week.

Mr. and Mrs. Joe Doak of Meador visited her parents over the week end. Sunday they all went to Lub-

bock to visit another daughter and family, Mr. and Mrs. Weldon Findley.

Mr. and Mrs. Pete Hubbard and family of Lubbock visited his brothers and family, Mr. and Mrs. John Hubbard of Bula.

Mr. and Mrs. Jim Denning of Clovis, N. M., visited with Rev. J. J. Terry and family Sunday.

Easy way to do your new-car sampling—

Drive Chevy once around the block at your Chevrolet dealer's one-stop shopping center!

Just drop in and take a drive in one of the 30 spanking new '61 models your Chevy dealer now offers under the same roof. With every drive, your dealer is giving away free Dinah Shore Christmas records while they last. So hurry! And you'll find that here's the easy, one-stop way to shop for the car you want. There's a model to suit almost any taste or need—at a price to suit almost any budget. There's a whole crew of new Chevy Corvairs, including four family-lovin' wagons. New Biscaynes—the lowest priced full-size Chevrolets. Popular Bel Airs. Sumptuous Impalas. And America's only true sports car—the Corvette. Come on in and pick your new car the easy way—on a one-stop shopping tour!

New '61 Chevrolet IMPALA SPORT SEDAN

You'll see five models in the '61 Impala series—the most elegant Chevies of all. They're sensationally sensible from their more parkable out size to their remarkably roomy in size. And note that trim new roof line.

New '61 Chevrolet 2-DOOR BEL AIR SEDAN

These beautiful Bel Airs, priced just above the thriftiest full-size Chevies, bring you newness you can use. Roomier dimensions reach right back to the easier loading trunk that lets you pile baggage 15% higher.

New lower priced '61 CORVAIR 500 CLUB COUPE

See what Corvair's got in store for you in '61! Thriftier sedans and coupes with nearly 12% more room up front for luggage. That rear engine's spunkier, too, with a gas-saving new axle ratio to go with it.

New '61 Corvair 700 LAKEWOOD STATION WAGON

There's room for almost everything but antifreeze in these new one-and-only 6-passenger Lakewoods. And they're the only wagons with lockable trunk under the hood. Be sure to see the new Greenbriers, too.

New '61 Chevrolet 2-DOOR BISCAYNE 6 NOW—Big-Car Comfort at Small-Car Prices

These new Biscayne 6's*—the lowest priced full-size Chevrolets—let you save money in a big way, yet give you a full measure of Chevy's new roominess—such things as higher easy chair seats, larger door openings, more leg room in front, more foot room in the rear.

*Also available as V8 models

Missionary Is Sunday Speaker At First Baptist

Miss Helen Nixon, a native of Whiteface, who is now a foreign missionary for the Southern Baptist Convention, will speak Sunday night at the First Baptist Church, Morton. The announcement was made by Rev. Fred Thomas, pastor of the church.

Miss Nixon, who recently returned from Argentina, will speak on "Missions."

Her talk will mark the beginning of a "Week of Prayer for Foreign Missions," Nov. 27 through Dec. 4.

The service begins at 7:30 p.m. The public is cordially invited to attend.

4-H CLUB HELD MEETING

The meeting of Morton 4-H Club was called to order by the president, Donna Allsup, presiding. The secretary called the roll and then the meeting was turned over to Miss Petty the 4-H Leader. Then breakfast was discussed by Miss Petty passing out sheets of paper to check things about breakfast.

"A Basic Breakfast Pattern" was then shown to the group which showed good things to eat for breakfast. The meeting was then adjourned.

THANKSGIVING IN DALLAS

Mr. and Mrs. George Boring and family of Morton left Tuesday for Wichita Falls where he was to attend to business prior to continuing on to Dallas for the Thanksgiving holidays. After visiting with friends and relatives there, they plan to return to Morton Monday night following transaction of business in Ft. Worth Monday.

VISIT WITH JETERS

Mr. and Mrs. Olen C. Smith and family of Shreveport, La., were visitors over the weekend in the home of her parents, Mr. and Mrs. N. D. Jeter, Morton. Mrs. Smith is the former Miss Imogene Jeter.

VISIT IN LUBBOCK

Mr. and Mrs. Bill Glassford and family observed an early Thanksgiving Sunday in the home of her parents, Mr. and Mrs. Roland Thompson, Lubbock.

With Your ... COUNTY AGENT

By Homer E. Thompson

On November 15, 1960, Mr. Willard Cox, Chairman of the Weed Committee for Cochran County met with the following people: Elsie Browne, Texas Highway Engineer for Cochran Co.; Glenn Thompson, County Judge; Leonard O. Coleman, Commissioner-elect, Precinct 1; Harrah Rawls, Commissioner, Precinct 3; C. C. Harvey, County ASC Committeeman, Charles Cumpston, County ASC Committeeman, Mrs. Ruth McGee, Manager, ASC Office, Homer E. Thompson, County Agent.

At this meeting the members of the Commissioners' Court, representatives of the Highway Department, County ASC Committee, and the Chairman of the Weed Committee discussed methods of control of

Johnson grass with the County Agent. Each group represented, stated how each might co-operate and establish a better understanding with each other. Also how the County Agent can expand his educational program to the farmers in gaining their co-operation in methods of controlling Johnson grass on the right of ways and in bar ditches.

Mr. Browne, Highway Dept. representative, discussed how the highway department is required to maintain the bar ditches. He advised that the County had 190 miles of state highway roads to be maintained, covering 2180 acres of land. He advised that the state Highway Department was required by law for proper maintenance and drainage of water, to keep bar ditches flat for safety

in special cases, and to mow crops back to right of way line.

He further advised that many farmers were planting and furrowing the back slopes of right-of-way to crops. This kind of action reduces the speed of shredder machines, slows up their maintenance operations, and causes loss of time due to breakdown, repairs and costly delays. He does seek the farmers cooperation in this important matter. To aid the Department in this matter, Mr. Browne suggested that if a farmer must till the back slope of the bar ditch that it be done with a tandem disc parallel to the right of way. In reality the farmers are not supposed to plow the back slope, more especially if the lister plows the back slope at right angle to the road.

Mr. Browne mentioned that he is limited on tractors and shredding machines to keep the Johnson grass and other vegetation mowed down in bar ditches, but the Department could go much faster with less break downs, and cover more area if the back slopes of the bar ditches were untouched or kept smooth. He has requested from the District Highway Department one more large shredding machine for 1961.

The Commissioners' Court has expressed similar problems and this body is much concerned about the farmers' problems too. All agreed that these problems are mutual and wanted to work with the farmers in this matter. It is impractical from a cost standpoint to kill all Johnson grass on the right of way by use of chemicals only.

If Johnson grass is not permitted to seed out on right of ways, it will help control its spread by wind and water. Sometimes this is impractical due to excessive rains and equipment shortage. Each group indicated that should a farmer shred or chemically treat the Johnson grass in bar ditches and designate the area by marking it with signs that they would certainly recognize that area and cooperate with the farmer in every respect. Too, if a farmer must plow his bar ditches, and plows parallel with the ditch with a disc and not rough the bar ditch up that they would not frown upon it too much.

This was a very constructive meeting, it is a mutual and co-operative deal with the farmers and all agencies; and when all are co-operating the best control and more effective work can be done. As you know frequent plowings will control Johnson grass if plowed often during the growing season, and especially during the hot dry months,

STILL ENJOYS BUSINESS . . . Mrs. L. T. Doss, who has aided her husband in building the fine grocery business in Morton since they established the store in Morton in 1934, continues to work helping her son build his business in the Doss Thriftway Super Market, opened recently. The grand opening last week was a huge success for the entire Doss family.

TWO FIRES FRIDAY ANSWERED HERE

Two fire calls answered by the Morton Volunteer Fire Department Friday were of the minor variety.

Around 7 p.m. the firemen were called out to the Morton Gin Company for a burr and trash fire, but it was extinguished before firemen got there.

About 3 1/2 hours later the firemen were called out by the Morton Co-op Gin to a vacant lot at the rear of the gin where a blazing cotton trailer had been towed.

The trailer was finally dumped out and a large portion of the cotton was saved. Sideboards were destroyed but the chassis remained in good shape. J. R. Kuykendall, gin manager, in commenting on the fire being their first in 11 years, said the trailer and contents belonged to Ross Shaw.

CLUB MEMBERS VISIT REFUGE NEAR MULESHOE

The Town and Country Study Club met at the National Wild Life Refuge, north of Enochs at 4:00 p.m. for their last regular meeting touring the refuge and holding a picnic supper.

The group heard Billy Van Tries of the U. S. Wildlife and Game Commission, stationed at the Muleshoe Reserve, speak on Migratory Waterfowl, and he then conducted them on the tour.

Guests of the group for the afternoon were Mrs. Carl England, Joey and David Newson, and Tommy Glass.

The club will hold its next regular meeting on December 7th at the home of Mrs. A. A. Fralin with the program title, "Today is Built on Yesterdays." Senior citizens of the community will be the guests of the club for the day.

Three Way News . . .

By Mrs. Frank Griffith

Mr. and Mrs. James Holly are the parents of a boy, born November 13 at Brownfield, Texas. The baby weighed 5 lbs., and was named James Charles.

The grandparents are Mr. and Mrs. Virgil Holly and Mr. and Mrs. Ed Latimer all of Stegall.

The Goodland Bible Study Club met November 9 in the home of Mrs. W. C. McCelvey to continue the lessons in the book of Genesis. Attending were Mesdames: L. D. Sanderson, Pate Tarlton, Kenneth Corbell, Lewis Jordan, Clint Everett, Cass Stegall, Tommy Galt, and McCelvey.

The next meeting will be November 22 in Muleshoe at the home of Mrs. Horace Hutton. The club will have lunch at the Legion Cafe before the regular meeting for the lesson.

Mrs. R. N. Milligan and girls spent the week-end at Breckenridge looking for a house. The Milligans are moving after they harvest their crop.

Mrs. Milligan visited with her parents while in Breckenridge.

Mrs. J. A. Johnson is in Portales this week visiting her daughter, Mrs. Louis Ponder.

Mr. and Mrs. W. C. McCelvey

visited Mrs. Johnny Hall and C. J. Spence Monday evening. Both are patients at a hospital in Portales.

Mrs. Hall is an aunt and Spence is an uncle to the McCelveys.

The high school and grade school girls played basketball at Three Way last week with Bula. The high school team was defeated and the grade school team victorious.

Sun Mayo is the basketball coach for the Three Way teams.

Visiting in the Ed Netuzler home Sunday were Mr. and Mrs. Bill Hendrix and children of Floydada. The Hendrix family formerly lived at Goodland.

Mrs. Louise Netuzler of Tatum is spending a few days with the Ed Netuzlers. She is Ed's mother.

W.M.U. of the Three Way Baptist Church met Monday afternoon for Bible study. Mrs. D. P. Brinker led the lesson, "Sharing My Savior." Those attending were Mesdames: Jack Lane, Adolph Wittner, Andrew

Wittner and Brinker.

The grade school basketball teams played at Pettit Tuesday evening. They won both girls and boys games.

After Effects of Insecticides Do Not Lessen Production of Later Crops

College Station—Do insecticides build up residues in the soil and then affect the production of subsequent crops? More and more people associated with crop production are asking this question, and the Texas Agricultural Experiment Station decided to find the answer.

Two field experiments were conducted during 1955-59 to determine the effects of large amounts of insecticides applied to soil on the germination, growth and yield of several crops. One test was on Miller soil type near College Station

and the other was on Denton soil type near Denton, Texas. Insecticides applied at Denton were toxaphene, DDT, parathion, dieldrin and benzene hexachloride (BHC). Initial applications included two dosage levels, the equivalent of the calculated amounts that would be applied over periods of 10 and 20 years respectively. The above insecticides, with the exception of parathion, were included in the initial treatment of soil plots at College Station. Dosage, however, was the equivalent of the amount of insecticides normally applied during 5 years. No additional applications were made at Denton, but subsequent annual applications were made at College Station.

No reduction occurred in the yield of cotton grown on the College Station plots that were treated with recommended yearly doses. Also, the insecticides had no apparent effect on yields of grain sorghum and alfalfa grown 1 and 2 years after the cotton.

Germination and yields on the Denton plots were lower than that on untreated plots, but it must be remembered that the amount of insecticides applied were far greater than normal.

Further information on these tests is contained in the Texas Agricultural Experiment Station publication MP-447. Copies may be obtained from the Agricultural Information Office, College Station, Texas.

POMANDER BALLS FOR FESTIVE FRAGRANCE—CHRISTMAS GIFTS

Want to give the house a special Christmas fragrance? Or maybe, you need several "fill in" gifts for the holidays. Pomander balls, made from spice apples, tied with colorful satin ribbons, make attractive, inexpensive gifts. Or they can be used as holiday decorations.

These fragrant balls can be made in one easy sitting. Here's how: Start with some whole cloves in a red, well-shaped apple.

Wash and dry the apple. Then, beginning at the top of the apple, force a row of whole cloves in a circle around the stem. Push the cloves in up to their heads. Follow the same process with row after row of cloves until the apple is thinly covered. You can use both star-shaped, headless cloves, and full, knobby ones. After the apple is studded with cloves, let it drain on paper for a couple of hours. It's then ready to go to work. Just hang it in the clothes or linen closet, or put it in a decorative bowl or basket for a hall or dining room table.

A PERFECT LATE SUPPER

What to serve for a little late supper? An easy tempting dish is hearty Texas Jack, served with plenty of hot coffee.

4 slices bacon, diced
1 medium onion, sliced
1 green pepper, diced
2 cans (1 lb. each) red kidney beans

1 can (8 oz.) tomato sauce
2 tablespoons chili powder
1/2 teaspoon salt
Few grains pepper

1/2 lb. sharp cheddar cheese, grated
4 to 6 frankfurters
Fry bacon crisp and drain on absorbent paper. Cook onion and green pepper in two tablespoons of the bacon fat until soft but not brown.

Add kidney beans, tomato sauce, seasonings, crisp bacon and cheese. Stir over low heat until cheese melts. Slice frankfurters and stir in. Serve on toasted English muffins. Makes 8 servings.

FAMOUS CRANBERRY-ORANGE RELISH

4 cups (1 lb.) Ocean Spray Fresh Cranberries
2 oranges
2 cups sugar

Put cranberries and oranges (which have been quartered and seeds removed) through food chopper. Add sugar. Mix well, and store in refrigerator several hours before serving for flavors to blend. Make extra to store in freezer.

FRESH AND FROSTY

Freeze relish in ice tray; cut in squares and serve on greens as a frozen salad. Nice, too, as garnish for a fresh salad plate.

COTTON
The Seven Step Cotton Program information follows:

- (1) Fit cotton into a balanced farming
- (2) Take care of your soil and water
- (3) Get together on the best of variety
- (4) Follow practical mechanization
- (5) Control insects and diseases
- (6) Harvest, handle and gin for higher grades
- (7) Sell for grade, staple and quality value planting seed

Now it is high time to think about cotton planting seed. Some growers have on hand quality seed which they have carried over from the year before, and which was harvested under favorable conditions.

Occasionally stored cotton seed becomes infested with stored grain pests. Cotton seed should be stored only in bins that have been cleaned thoroughly of waste material such as old grain, trash, feed sacks, and other seeds that furnish living quarters for insects. Sometimes it is necessary to sweep down the ceiling,

walls, and clean the floor to remove hidden waste.

Cover cracks with builders' molding to eliminate seed from collecting in them. Waste grain beneath or near the bin should be destroyed.

SPRAYS

When bins are cleaned use one of the following materials at the rate of about 2 gallons per 100 square feet of surface area. (1) Methoxychlor, 2 1/2%; (2) TDE, 2 1/4%; (3) Malathion (premium grade), 2 1/4%.

To spray outside the bins use a lower volume of spraying mixtures. (1) Add 2 pounds of 50% wettable powders to 5 gallons of water to obtain a 2 1/2% mixture of these materials.

(2) Add 1/2 gallon of 25% emulsifiable concentrate to 5 gallons of water to obtain a 2 1/2% mixture.

(3) Mix 1/6 pint of 57% premium grade malathion emulsion concentrate to 25 gallons of water to obtain a 2 1/2% mixture.

DUSTS FOR TREATED COTTON SEED

A barrel can be used:

- (1) 20% toxaphene
- (2) 5% DDT
- (3) 5% malathion.

The dust material should be mixed thoroughly on the seed at the rate of 2 ounces per bushel.

PREVENT GRASS FIRES

All Texas is getting set for a stage for what could be one of the worst wildfire periods in history. This is due to heavy frost, low humidity, and high winds. It is just one of those years that weather conditions, coupled with a lush growth of grass and weeds to produce one of the worst fire periods that we have had in some sections of the state.

Once again we have the heavy build up of fuels and human carelessness and the weather that could provide the other ingredients.

Careless burning of trash around the homes and weeds and field stubble in fields caused the most fires last year. Suggest do not burn fields without proper fire guards established and use metal containers for burning trash and weeds around the home. Clean up now, before it is too late.

MAIDS LOSE 62 TO 42 — Indians Lose Squeaker, 35 to 34 In Overtime Battle at Sundown

The Morton Indians lost their second consecutive heartbreaking basketball decision of the young season, Monday at Sundown and the Morton Maids received their second sound thumping from a high flying Sundown girls team.

The Sundown Roughettes posted a 62-42 triumph over Morton, the local girls tallying better than in their previous performance, but the margin of Sundown victory also going higher.

Sue Janes tossed in 21 points to pace a well balanced Sundown scoring attack that found them ahead 36 to 33 at the halfway stop, and coasting to an easy win. Sundown led 50 to 32 at the three-quarter stop.

High scoring honors in the game

BAND JACKETS ARRIVED TUESDAY

Members of the Morton School Band received their letter jackets on Tuesday of this week.

The jackets are grey, with black leather and gold trimming.

Lassie's Pal Gets TB Demonstration

Lassie, star of television, looks on as TV pal Jon Provost gets a demonstration of the tuberculin test to determine if the TB germ is present in his system. Demonstrating the test is Dr. Hyman W. Gerson (right) Chief Physician, Chest Service, Los Angeles, (Calif.) County Hospital. Looking on at left is Dr. Floyd M. Feldman, Director of Research, National Tuberculosis Association. Christmas Seals aid in discovering new cases of TB.

It was a mighty disillusioning loss for the Travismen. Beaten by Frenship at Morton, 41 to 39, in their opener, the Morton team made up for mistakes made in that opening game by garnering a lion's share of the rebounds and getting off many more shots than the host Roughnecks, according to Coach Travis.

But the Indians were cold both from the floor and at the foul line, and their coolness at the charity stripe was what finally beat them. They had a chance to win the game in the final seconds when Tommy Morrison missed his free throw on a one and one situation, a shot that would have tied the game, and the extra shot would have won it.

Sundown's Kelso was game high scorer with 16 tallies and Steve Middleton netted 13 to pace the Indians.

Coach Travis was impressed by his Indians' ability to get the rebounds and to drive under for the score, and he felt that when they begin to hit the hoop, the Indians will be hard to handle. Morton managed to cage only 8 of 17 free throws, less than 50 per cent.

CHRISTMAS SEALS, THE GOVERNOR AND MARY ANNE—Christmas Seals have a special meaning to Mary Anne Copeland, 5, of Austin this year since Christmas Seals provide funds to fight tuberculosis—and tuberculosis is the special enemy which took her father away from her last Christmas. She and her father, E. B. Copeland, (left), visited Governor Price Daniel upon the occasion of his proclaiming the period November 14 to December 24 as "Christmas Seal Days in Texas". Mr. Copeland was a truck driver for the city of Austin before he became ill with tuberculosis. Released from a TB hospital in January, he is presently restrained by medical advice from working for more than two hours each day. He is very grateful, however, that he will be able to spend this Christmas with Mary Anne, her mother and two brothers. Governor Daniel recently appointed a statewide committee on tuberculosis to coordinate activities of all organizations concerned with the disease. Said Governor Daniel in his proclamation, "Texas has a vulnerable spot as far as tuberculosis is concerned. This State has not attained relative freedom from the disease as have a few of our sister states . . . Through Texans' purchase of Christmas Seals each year, funds have been provided to aid in research and to improve patient care . . . Therefore, I, as Governor of Texas, do hereby designate November 14 to December 24 as Christmas Seal Days . . . and urge all citizens to make a sound investment in their own and their fellow citizens' health by buying and using Christmas Seals during the holiday season".

ALL AMERICAN DESSERTS

America's near-reverence for its traditions, coupled with a fondness for good eating, has made almost unnecessary the question, "What's for dessert?" at the principal meals served during the holiday season.

Today, centuries after their prototypes were first baked in ovens of England and colonial America, pumpkin and mince pie and fruit cake continue to dominate the dessert menu during the most festive season of the year. Files of the Louis Livingston Library of Baking, a Chicago library whose history traces back three-quarters of a century, contain articles about (and even recipes for) the pumpkin pies of ancient Greece and Rome, the mince pies of medieval England and the fruit cakes of early Egypt.

Today, America's bakers report that the exacting test of time has made these desserts as typical of the holiday season as roasting turkey, the sound of sleigh bells and auld lang syne choristers. In capsule form, the Library of Baking reports that English bakers sold "Pumpion pye" more than six centuries ago and that

the recipes brought to the colonies were basically the same as those of today. Typical mince pies of medieval England weighed more than 100 pounds and their crusts were confined by iron bands in baking. The first actual fruit cake is thought to have been baked in Egypt several centuries ago from ground wheat, rare spices, oil and honey. It, too, came to us from England.

While these desserts remain basically the same, the modern baker, through years of experimenting with ingredients, techniques and processes, has developed holiday pies and cakes especially suited to the native appetite of Americans.

Band Awarded Div. IV Rating At Brownfield

The Morton High School band with five absentees cutting their number to only 38 marchers, received a Division IV rating in their marching in the district contests on Tuesday night at Brownfield.

The local band, one of the smallest in the area, and probably the smallest of the 32 that marched at Brownfield, was compared by band director Bill Hulse, with Abernathy, over 110 pieces, and Olton, 85 to 90 pieces.

Director Hulse, who said the bands were judged on marching alignment, types and execution of formations, and playing, cautioned that until there is more interest in winning among the band members, it will be difficult for Morton's band to gain high honors in competition. He did say he felt the band marched better than they did last year, though the rating was the same.

Obviously disillusioned, Hulse noted that not a single band parent was on hand to encourage the local marchers.

Other aspects of band work will be judged next spring when the band goes to district contests in sight-reading and concert work.

help finance Scouting

Lighting Contest Helps to Spark Christmas Feeling in Community

With December 1st just around the corner, a traditional time for turning thoughts to the Christmas season, once again the Cochran County Garden Club reminds folks who are decorating this year with an eye toward presenting a view for the public, that the Christmas Lighting Contest will again be sponsored by the Garden Club.

There is nothing fabulous about the prizes. A plaque to the first place winners, honorable mention to others. But then, the spirit is in the decorative and creative competition.

The entry fee is 50 cents, whether you enter the home lighting division, or the special division for stores, churches and schools.

Themes, in all divisions, must be built around a Christmas song, either religious, humorous, or trad-

itional. Judging will be on beauty and the method in which the theme is carried out.

Anyone interested is urged to contact either Mrs. Roy Hill, Mrs.

Helen Crone or Mrs. J. D. Glass.

Mortonites are urged to enter the contest. The spirit of wanting to decorate and share your decorations with others, helps kindle the true meaning and spirit of Christmas-tide in the community.

Interested in architecture or in fine homes?

Across from the Courthouse in the town of Corsicana stands the Victorian Mansion of the great evangelist, Abe Mulkey. This well known show place amazes all its viewers with its preserved youthful appearance.

Corsicana is a famous oil center and is located approximately 50 miles south of Dallas, Texas.

JR. HIGH BAND PLANS TO MARCH AT DENVER CITY

The Morton Junior High Band, 38 members strong, will make one of the few trips ever taken by a local Junior High band, Tuesday, November 29th, when they travel to Denver City to take part in that city's Christmas season parade.

HOME FROM HOSPITAL

Mrs. O. L. Castle of South of Morton returned home Sunday from

the M. D. Anderson Hospital, Houston.

CONDITION UNCHANGED

The condition of Mrs. Charles J. Hill, Jr., of Morton was reported unchanged Wednesday at Methodist Hospital, Lubbock.

Mrs. Hill, wife of the Eastside Church of Christ minister, underwent emergency brain surgery Sunday night, Nov. 13.

She is in room 220 of the hospital.

OUT OF HOSPITAL
W. A. Pool returned home Monday after being hospitalized two days with a leg infection.

'Giant Eye' Symbolizing Research Hope Is Visited by Small Birth Defects Victim

The lights dim, and in the darkened high-ceilinged room a somber-faced little boy stares at the pilot light of a towering microscope.

This is the electron microscope at Ohio State University Hospital, Columbus, Ohio, a giant inquiring eye nine feet tall, capable of magnifying the human cell 100,000 times.

The small boy with the rather sad little face is Kevin Sharp, 3 1/2 years, of Grove City, Ohio, who wanted to see a jumbo-sized version of the toy microscope given him on his last birthday by his doctor. Kevin has to see his doctor regularly because he is a victim of spina bifida, or open spine. He is paralyzed from the waist down and cannot play ball—or indeed play much at anything.

Such mobility as he has is made possible by his crutches and leg braces.

Kevin's is one of the significant birth defects the cause of which is being pursued today by The National Foundation with New March of Dimes contributions. Congenital malformations afflict 250,000 infants annually in the United States and are responsible for the deaths of 34,000 babies each year who are stillborn or die within four weeks of birth. The health organization's expanded program also includes arthritis and continued work in polio.

In his excitement while reaching for the eyepiece of the vast instrument, Kevin probably didn't know that in the ultra-powerful lens of such electron microscopes, scientists hope some day to pinpoint the cause of the savage embryonic mishap that crippled him before he was born. By comparing normal and abnormal cells under tremendous magnification, researchers hope to discover, for example, why Kevin's spine never fused during his mother's pregnancy, or why some other little boy or girl is born with excess fluid on the brain—another baffling birth defect which The National Foundation is studying.

"At his birth, doctors gave Kevin only a few hours to

Kevin Sharp, 3 1/2 years, of Grove City, Ohio, victim of birth defect of an open spine, stands before huge nine-foot electron microscope at Ohio State University Hospital, Columbus. Instrument is used in March of Dimes-supported research into congenital malformations.

live," says Mrs. Gerald Sharp, his mother. "In addition to his open spine, he had two clubfeet which are now much improved due to surgery and physical therapy. He is a brave and happy little fellow even if he smiles so rarely. My husband and I thank God that today wider research is being done into birth defects."

She adds somewhat wistfully: "My husband Gerald and I met in an orphanage in Xenia, Ohio. We became childhood sweethearts. Like other young

people, we longed to raise a family, and a healthy one.

"Why should this unaccountable accident have happened to us? But we count our blessings. Perhaps fewer Kevins will be born to the next generation. We certainly pray so."

The lights return and, supported by his crutches and braces, solemn little Kevin struggles back from the microscope. But at that moment, looking up at his mother, there's the suggestion of a smile around the corners of his mouth.

A decorative border containing the text 'Christmas Greetings' repeated multiple times. In the center, there is a bold message: 'FIGHT TB WITH CHRISTMAS SEALS' and 'ANSWER YOUR CHRISTMAS SEAL LETTER TODAY'.

Sunday, Monday, Tuesday Feature At The Rose Theatre

Natalie Wood and George Hamilton in a romantic interlude of 'All the Fine Young Cannibals.' Metro-Goldwyn-Mayer drama of today's youth and its search for happiness. Also starred in the CinemaScope and color production are Robert Wagner, Susan Kohner and Pearl Bailey.

SLAYING

(Continued from Page One)
different persons, some witnesses, told this story:

Evidently, just prior to the time of the shooting, the man had been drinking, Domingo, though too drunk for officers to know how much credit to place in what was said, later told law enforcement officials that Sepulveda hit him as they argued about whether or not Sepulveda could fix the car. His mouth was bruised.

Sepulveda was then shot seven times, the women folk running to the scene as the first shots rang out. After issuing a verbal threat to Mrs. Arthur Sepulveda, Sr., witnesses said Domingo then told his wife to get in the car. She did, and they drove from the scene. Later, Mrs. Hernandez, in leading officers to the location of the missing rifle, said immediately after the shooting she told her husband if he would give her the gun she would go with him. Then, she said, she took the gun in the house and laid it across the bed, before gathering her baby's things and getting into Sepulveda's car.

First word was received at the Sheriff's office in Morton and Deputy Chester Miller went by to get Sammie Leverett. Miller drove Morrow to the scene of the shooting, and let him out. He then proceeded to

go in pursuit of the killer. Sheriff Hazel Hancock was already searching for the killer.

As Morrow walked up to the house he heard Lupe Sepulveda, brother of the dead man, wildly threaten to kill the man who had slain Arthur. He looked up and noted Sepulveda with a gun. Morrow said he went over to raise the blanket over the dead man, and about that time Leverett called to him to "look out." Lupe had a shotgun and several Spanish men were attempting to take it from him. Morrow said the gun was being jerked all over and it certainly was no safe place to be, within a few feet of this commotion. He joined Leverett around the back of the house as the Spanish men continued to try to get the weapon. Nichols, arriving a few minutes earlier, then persuaded Lupe to hand over the shotgun.

Morrow said he attempted to get Lupe to give him the gun, assuring him that the Sheriff would get Domingo and that he would be punished. But Lupe replied only "that's what they said when my other brother got killed in New Mexico, but the guy who did it was turned free."

Arthur Sepulveda, Sr., said later that they were working on another farm when they received word that little Arthur had been shot in the leg. When they arrived and found he was dead, Lupe went wild. Sheriff Hancock said when he

reached the George Burkett farm, about 10 miles east of the shooting scene, he noted a car in the lake and immediately figured it was the one they were looking for. However, driving on a different road, he could not get it without going 100 yards further east, to a crossroad, and then cutting back west. He stopped some men on combines and asked one if they had seen the Mercury. They had just come from the East and had not seen the car. As he climbed off the combine, Hancock said he spotted the man and woman, carrying a child, walking north about a half mile away.

When he stopped Lupe, Hancock said he asked him why he was leaving, and the suspect replied, "they're probably going to try to hurt me."

Statements were being taken from all members of the families who were present, including a sister-in-law, Mrs. Raymon Sepulveda, one of the witnesses.

THANKSGIVING TRIP

Mrs. Vernon Wright, Mrs. Steve Bryan and boys, Mike, Dubble, & Joey planned to leave Wednesday afternoon for Winters, Ballinger, San Angelo and Midland to spend the Thanksgiving holidays.

INDIANS, MAIDS LOSE OPENERS . . . Frenship Cagers Gain 2-Point Wins In Both Ends of Double Header, Fri.

Morton's Varsity basketball teams dropped almost identical heartbreaking decisions in the openers on the local basketball court, Friday night, to Frenship.

The girls, playing their second game of the season, dropped a 39 to 37 decision to the Frenship girls after trailing by 10 points at the three quarter stop.

Battling back from a 32 to 22 deficit, the local girls, coached by Ted Whilock, pulled to within two points twice in the final period, then saw Frenship pull away. A free throw in the final seconds cut the margin to two points.

Gwen Burks dropped in 18 points for Frenship to pace all scorers and Doris Flenor's 17 was high for Morton. Patsy Amyx dropped in 7 tallies. The score at halftime was Frenship 20, Morton 17.

The local boys, in their first start of the season, led 10-9 at the end of the first quarter, but failure to sink free tosses eventually wound up costing them the final decision.

Steve Middleton, who paced Morton with a 14 point effort, missed seven straight free throws as the Indians succumbed, 41 to 39. The other Indians dropped 5 out of 6 shots from the charity stripe to bring up the average. Middleton, one of the few drivers the Indians have come up with in several years, will probably get a lot more free throws in games to come, and chances are he'll be one of the more proficient free throw shooters, this early game lapse probably will rebound to the good of him and the team.

Meanwhile Frenship, taking advantage of Morton's over-fouling, dropped in a not-so-good four of nine free throws in the first half and added an also poor seven of 17 in the final half to win, though they were outscored from the field.

Two Indians cagers, Tommy Morrison and Tootsie Davis fouled out of the game and Bob Pyburn just barely hung on. That hurt the Indian cause a great deal also. Pyburn and Morrison led Morton cagers in first half rebounds and had to curtail their activities in the final two periods because of heavy fouls. Morrison added 10 points to be second high scorer.

For Frenship, Jim Stapleton, brother of the now departed fine athlete Mike Stapleton, tallied 14 points and Mike Burgamy added 17, including five consecutive free throws in the third quarter.

Morton dropped behind 19 to 15 at the halftime stop and trailed 35

to 25 as the third period ended. Morton quickly cut that to 35-32 as the fourth quarter opened, and twice pulled within two points. The final effort a basket by Glen Kuehler with 31 seconds to play in the game, raised the hopes of local fans. But Morton, getting the ball out of bounds with only a few seconds to play, failed to get a shot off.

OLTON VS. DEN. CITY IN REGIONAL TILT

Olton's Mustangs, conquerors of Floydada two weeks ago, to win the District 2-AA football title, and winners in a squeaker over Dimmitt in bi-district play, Friday, meet Denver City in a regional contest at Brownfield today (Thursday).

The unbeaten Olton Mustangs, are underdogs to the unbeaten Denver City Mustangs, rated one of the top teams in the state. Denver City ripped Dimmitt earlier in the season by a comfortable margin. Olton beat Dimmitt with a last period touchdown.

with bowling . . .

The appearance of Brunswick Star Bowler, Stan Gifford, brought out 150-200 spectators Sunday afternoon and they were treated to a fine performance.

After about 20 minutes of practicing, Gifford rolled three games against Ray Spector, local lanes employee, and fired a torrid 666 scratch series, after starting out with a sub par 197. His final game was a neat 243.

Spector rolled a 505, not considered up to par for him, but in picking up two big splits during the series he received a fine hand from the appreciative audience.

Had Gifford appeared one week earlier, his 243 would have been high scratch game for the local lanes, but Spector, only a few nights earlier, in a practice session fired a 247 game in posting his high series since coming to Morton.

Gifford gave out tips to some of the inquisitive bowlers who attended Sunday afternoon, emphasizing that when a bowler reaches a certain point, where he seems to not be able to improve, he probably is about as good as he will be, unless he practices almost daily to improve his game.

Posted on the bulletin board this week, averages for the three ladies leagues show that in the Sunset League, Dancz Beauty Salon continues to lead the pack with B and C Phillips 66 Service and 1st State Bank in the same order as last week. Nella Ford dropped a pin in average but her 117 still leads the league, while Bill Smitker and Glenna Jones pulled into a tie with Tommy Harris for second with 115 averages.

In the Moonlighter's loop, Gage and Son Gin team pulled away from Willis Food, which dropped from a tie for first place to third place and Morton Gin Company pulled into second place. Rita Curtis pulled into first place in average and last week's leader, Katie Van dropped to second. Their averages were 130 and 125 respectively.

With the Earlybirds, Morton Electric moved into first place, East Side Cafe moving up to a tie for second with last week's leader, Team 5, Ann Hodges 147 was high game last week with Tedie St. Clair posting a 140, and also the high series, 385.

The Major league will not bowl tonight, since it's a holiday, but all other men's teams will be in action this week as usual.

THREE GENERATIONS OF GROCERYMEN? . . . Mike Doss, grandson of L. T. Doss, left founder of Doss Food Stores in Morton and son of Truman Doss, right, owner of Doss Swiftway Super Market, perhaps one day will carry on the tradition of the family, being the fourth generation owner. Before coming to Morton to establish the store here, L. T. Doss was associated with his father, Dr. Ed Doss, in the grocery business at Ralls. This is L. T.'s fifth year in the grocery business here.

Difference in 1960-1961 Cotton Programs Explained

College Station— In response to questions raised by some growers about 1961 upland cotton allotments, P. Davenport, Jr., Chairman, Texas Agricultural Stabilization and Conservation Committee, today explained the difference between the 1961 program and the one in effect for the past two cotton crops.

He pointed out that the national allotment of 18.5 million acres compares the "regular" 1960 allotment of 18.3 million acres. This 1960 figure was increased to 17.5 million acres under Choice (B) elections. In 1961, there will be only one upland cotton allotment, whereas for the past two crops growers had a choice

between the "regular" farm allotment and the 40-percent-larger (B) allotment. All eligible growers in 1961 may receive the full available price support on their cotton, whereas in 1960 the eligible (B) growers received lower support but a larger acreage allotment.

Because of the provisions of the law the effect of the increased national allotment on the size of the State, county, and farm allotments will vary widely. Some farms may receive no increase or possibly a reduction from the available allotment acreage for 1960 primarily because of the operation of the minimum allotment provisions or parti-

icipation in the Choice (B) program in 1960.

Growers on 1960 Choice (B) farms and on farms with allotments of 10 acres or less should keep these facts in mind when they receive their notices of 1961 upland allotments.

Davenport reminded farmers that the allotments will remain in effect for 1961-crop cotton whether or not growers approve 1961 marketing quotas in the national referendum to be held December 13. Allotments are used as a means of determining eligibility for the available price support.

A two-thirds favorable vote in referendum would mean quotas for

the 1961 cotton crop, marketing quota penalties on any "excess" cotton, and price support at not less than 70 percent of parity. Opposition to the quotas by more than a third of the voters would mean no quotas or penalties for 1961 and support at 50 percent of parity to growers who complied with their acreage allotments.

THANKSGIVING IS PROGRAM THEME OF 1936 STUDY CLUB

The 1936 Study Club met November 16 in the home of Mrs. Joe Nicewarner. The theme of the year, "Our Guideline to Understanding" was carried out in the theme for the day, "Through Giving Thanks." The meeting was called to order by Mrs. H. R. Ramp and opened with a prayer of Thanksgiving by Mrs. St. Clair.

Mrs. H. B. King gave a brief history of the first Thanksgiving and carried out the theme with ways to "Count Your Blessings." She reminded those present that Thanksgiving was two words, and urged them to remember and observe each. The program was concluded with Thanksgiving poems.

Members present were Mesdames J. D. Hawthorne, H. B. King, Neal Rose, H. R. Ramp, W. E. Benham, James St. Clair, D. E. Benham, L. F. Hargrove, Jess Burns, C. E. Luper, J. A. Gowdy, Joe Gipson, M. C. Ledbetter, the hostess, Mrs. Nicewarner and a guest, Mrs. A. B. Rose.

edlines... By Eddie Irwin

IT COULD BE THAT in our rush the past two weeks to get the information out about sugar beet crops, that some have failed to get the impression that there is nothing definite about sugar beets, as a crop.

MEANT TO stress, along with the possibilities, that this sugar beet crop is at this moment a very unpredictable thing... not just for this county but for any county in the nation. It cannot be stressed enough that perhaps sugar beets is one of the most unpredictable crops at this writing.

NOT FROM THAT FACT that the crop is hard to grow, or to harvest, but from the unsettled conditions that surround the sugar production in this nation. This fact cannot be overlooked. Neither can we tell, at this time, what the new administration will do in regards to imports of sugar, nor is it fair to expect President Kennedy and company to know, at this time what is needed to be done.

PRESIDENT HAS not been in a

position even similar to the one President Eisenhower was in. It is quite possible he will be the recipient of much greater co-operation from Cuba, Russia or any other nation that has formerly assailed this country while Ike was president. Those things we cannot guess in advance. Nor can we afford to think that these will not have an important bearing upon the decisions made.

STAGE WE CAN only say, that if present situations remain as they are, in respect to our sugar beet importation, then this country will have to do something about having more sugar beets raised here, or increase imports from some country other than Cuba. If Mr. Kennedy's advance party theories are used as a basis of figuring, it would appear that the Democratic Administration approach would be to turn United States farmers loose on the problem of raising more sugar beets. And, if this is true, to get in on the ground floor we must take some sort of preparedness action now.

WE GO OVER THIS EXPLANATION once again, is because we have been led to believe that some thought we were painting an overly rosy picture, of the possibilities of raising sugar beets. Certainly the action taken by our government will be the first controlling factor. But if, allotments are raised and production is raised, then farmers can look at the actual planting and harvesting records to see just what kind of a money crop sugar beets can be for them.

WELL VERSED ON farming, we asked a local fertilizer man just what sugar beets could mean to their business. His reply was that the use of fertilizer, sprays, insecticides, etc., was much similar to the use of these things on cotton, but he pointed out one thing we hadn't heard before.

THE GROWING SEASON of sugar beets, it seems it could work out very well as an additional crop for irrigated cotton farmers, because the season when sugar beets need to be watered, differs considerably from the season when cotton is watered, and thus wouldn't be a conflict in watering needs at a particular time.

UNDERSTOOD HIM correctly, the beets are planted a month to six weeks earlier, and harvested earlier, and the stress period when they need water is about six weeks different from the time cotton needs watering.

THESE ARE RANDOM thoughts, admittedly from a man who knows

little about farming, so take them for what they are worth. At any rate, we hope you attended Tuesday's meeting, which was very beneficial to those men, both farmers and businessmen, who have long said that one of the basic needs for this county is more than just a sorghum-cotton crop picture.

AS THE football season comes to a close, most of the local team members feel that injuries was the biggest cause of Morton's poor showing this season. To which we would have to agree.

A LITTLE LIKE making excuses, but it has been a long time since we have seen a local grid team suffer more crucial injuries throughout the season. And Morton, as usual, didn't have the depth to stand injuries. Consequently, when they came, there just weren't adequate replacements.

FINE MATERIAL, and it seems a shame that so many seniors had to see their final season of football such a disappointing one, because of injuries.

THE BASKETBALL SEASON, we witnessed the games at Morton on Friday night, and though most local folks came expecting Morton's teams to win, and went away disappointed in their defeat, we thought we detected more promise in the team than we saw last year.

BOTH OUR BOYS and girls teams lost Friday night because of the

mistakes they made, more than because of the ability of the opposing team, but this early in the season, mistakes are to be expected. Both teams showed a lot of spirit and courage in fighting back from more than 10 points deficits, before the girls lost by a one point spread and the boys were nipped by two points.

SOMETHING MANY Morton teams have lacked, may prove very important in the coming season.

MAX HAMILTON ACCEPTS POST OF COUNTY RED CROSS HEAD

Max Hamilton, Morton attorney at law, has been named chairman of the Cochran County Chapter of the American Red Cross.

The announcement came from George Harper, regional representative of the American Red Cross.

Hamilton replaces Bill Glassford who served in the post for the past year.

In accepting the chairmanship, Hamilton said that he was interested in the formation of a dis-

aster. The work of civilians, peace officers, and military in time of disaster.

A similar program had just been put into effect in Lamb County at the time of the Olton tornado.

Public officials there lauded the organization for the manner in which emergencies were handled. Hamilton said he would be announcing additional plans later.

Bledsoe Boys, Whiteface Girls Win Cage Games

BLEDSOE (Spl.) — The Whiteface and Bledsoe cagers split even in two games played at Bledsoe on Tuesday night of this week. Whiteface nailing down the girls' game by a 44-29 count and the Bledsoe boys soundly thumping the Antelopes of Whiteface, 51 to 40.

Bledsoe's Patricia Smith led all scorers in the girls game with 21 points but the next highest Bledsoe scorer was Phyllis Ford with five.

Linda Pond pumped in 15 tallies for the winners and Marilyn Baggerman notched 12 counters. Whiteface led most of the way.

The Bledsoe boys, just getting started with what looks like it could be a promising season, trailed the Whiteface five at halftime but finished strong for an easy victory. Bledsoe's Johnny Ness poured in 26 points for the top effort and Bobby Hoyl added nine. For the Whiteface Antelopes Joe Henderson tallied 12 points and David Skinner added 10.

The victory was the third for Coach Raymond Adams' Bledsoe boys, they having defeated Pep and Three Way in earlier games. They lost once to Pep and once to Bula.

Cotton Growers Sponsor "Maid" Contest Entrant

In announcing the entrance of Miss Susie Hawkins of Texas Tech in the Maid of Cotton Contest, the Tribune reported that she was sponsored by the L'Allegro Study Club of Morton.

The report should have shown that Miss Hawkins, daughter of Mrs. Scott Hawkins of Morton, is being sponsored by the Cochran County Cotton Growers under the direction of the study club.
