

# City Council approves special paving ordinance

Members of the Morton City Council, meeting in special session Tuesday morning, approved an ordinance including approximately 120 blocks to be included in a paving project.

The ordinance, including blocks for consideration of paving, is published in this issue of the Tribune. Although approximately 120 blocks are included in the proposal, members of the council and representatives of the paving contractor report not more than 80

of the blocks will be paved, possibly 65 or 70. A public benefit hearing will be conducted at the city hall at 7 p. m. February 6. Persons owning property abutting the proposed blocks are asked to attend the meeting and express their opinion concerning the project.

A representative of Pioneer Pavers, Inc., Jim Maynard, is presently contacting property owners personally.

After the public benefit hearing, members of the city council and City Engineer Ralph Douglas will prepare a list of those blocks to be paved. The desires of individual property owners and the necessity of paving in conjunction with a drainage program will be taken into consideration in preparing the list to be paved.

## Only 'light' opposition seen for city's paving

Very little opposition to a proposed paving project for Morton is being shown by residents, according to a representative of the paving contractor.

J. A. Maynard, field man, is presently contacting property owners in regards to the program.

Maynard reported several property owners have already paid for the projects, others have made arrangements to pay the cost of improvements over a four year period.

Workmen of the Texas State Highway Department have started work on the widening of Highway 116. Tree are being removed for the additional width and installa-

tion of curbing and guttering.

Mayor Jack Wallace reported the State Highway Department will share the cost of widening Highway 214 as well as Highway 116. A letter, to Wallace from O. L. Crain, State Highway District Engineer, read in part.

You have our approval to proceed with the construction of curb and guttering on this section Highway 214 (South), based on the agreement that the state will build the section of base and surfacing when funds are available. Funds for state part in this work will be requested in the next available program to be submitted to Austin sometime during the month of May.

advantage of a payment plan enabling the property owner to pay twenty-five per cent of the cost upon completion and acceptance of the paving by the city.

The balance can be paid over a three year period.

L. A. Purcell, representative of Pioneer Pavers, Inc., reported that property owners would be contacted personally.

After the list of blocks to be paved is compiled by members of the council and the city engineer, property owners will be notified by letter, telling them of the proposed paving.

Those persons who own property abutting streets to be paved will again be offered a choice of payment.

"Cost of the improvements will enhance the value of the property at least the amount spent for the paving," according to Purcell.

## ★ Poll tax

Payment of poll taxes in Cochran County is reported "good" by officers of the county tax assessor-collector's office. Voters have been paying the tax, a prerequisite for voting in local, county and state elections, at an average of 37 daily during January.

Monday, 747 persons had paid the tax, giving county officials hope 1,000 might pay before the January 31 deadline.

## CBD outlines program of work

### ★ ★ ★ ★ ★ Name change will be voted on by local CBD

The Morton Area Chamber of Commerce and the Morton City Board of Development will decide tonight on a new name for the civic organization.

Members of the CBD recently voted the name change from Board of Development to Morton Area Chamber of Commerce.

The proposed membership will be presented at a meeting Monday. The meeting will be conducted in the City Building at 7:30 p.m.

The meeting will be held to be considered by the members of the CBD.

The directors recently approved changes in the existing by-laws and will present them to the

members at the meeting.

The proposed constitution and by-laws to be considered were mailed to each member of the organization last week. This was done so that CBD members could familiarize themselves with them before the general meeting.

Major changes include the proposed name change and an increase in the number of directors from five to eleven. The immediate past president, as outlined in the proposed change, would be a director for one year following tenure of office. Directors would be elected by the general membership. The directors would then elect a president, vice president and secretary-treasurer from their number.

Under the present by-laws, the membership at large votes for each office, separately director and officer.

### Three announce as political hopefuls

The roster of political hopefuls increased this week with two additional candidates for the office of State Representative of the 90th Representative District.

Latest candidates for the position vacated by the resignation of Olin Petty are A. B. Carpenter of Plains and Howard E. Ragland of Levelland.

The 90th district consists of Cochran, Terry, Yoakum and Hockley Counties.

George Boring, incumbent Cochran County Attorney has authorized the Tribune to announce his candidacy for re-election. No other candidates have announced for the position.

February 3 is the deadline for candidates to file for the primary election.

No one has filed locally for the offices of district judge or district attorney. However, both the incumbents, M. C. Ledbetter, Morton, and E. W. Boedecker of Levelland, are expected to seek re-election.

Directors of the Morton City Board of Development recently approved a program of work submitted by President Gene Snyder.

The outline includes projects now underway and proposed endeavors for 1964.

The program will be presented the general membership, for their approval, at the general meeting January 27.

The quarterly meeting is scheduled for 7:30 p.m. in the Activities Building.

Promotions planned for the coming year include a spring retail promotion, back to school promotion, a promotion of cotton and cotton goods and a Christmas promotion.

A list of uniform closing dates for holidays will be presented merchants for their consideration.

A complete welcoming program for newcomers to the Morton area will be developed.

A continued civic improvement effort will assist in housing, cleanup of our town, aid in the erection of stop signs and street lights at various intersections.

Regulations concerning solicitors, salesmen and peddlers, will be "beefed up" by the CBD mem-

bers. The regulations pertain to CBD acceptance and approval of solicitors and will include letters of introduction for those salesmen approved by the CBD.

The Morton City Board of Development will strive for better relations with Maple, Enochs, Goodland and surrounding communities during the coming year.

A spring political rally is planned.

A continual membership drive will be in effect for 1964.

An expanded search for industry for Morton and the area will be undertaken.

A policy will be set up for sending flowers for business openings, and deaths of area persons.

The CBD will continue to cooperate with the Fat Stock Show and the Last Frontier Road and other civic functions.

A second annual Country Music festival will be conducted by the organization.

Improvement of city - farmer relations will also be expanded for 1964, as outlined in the plan of work.

A committee of the CBD will continue its efforts to improve area telephone service.

### Roadblock nets bootlegger, suspect

A surprise roadblock netted Deputy Sheriff Chester Miller a scared driver and a suspected bootlegger Saturday morning in the east corner of Cochran County.

The driver was Americano De La Paz, who lives north of the County Baptist Church.

Miller, anticipating "a haul" by De La Paz, set up a roadblock north of the church, about 1 1/2 miles north of the church. De La Paz approached the car parked in the road. De La Paz blinked his lights and drove into the bar ditch. Miller turned on his red emergency lights.

## Water supply corporation is formed by Maple residents

The Maple Water Supply Corporation was formed at a meeting of fifteen residents of Maple Thursday night.

The company is in the process of obtaining a loan from Farmer's Home Administration for installing a water system to serve Maple and the Three Way School.

Residents of the area now obtain water from private wells and wells at gins.

Ralph Douglas, City Engineer of Morton and Muleshoe attended the meeting to explain possibilities of the system. Also attending were two representatives of the FHA, Arch Fowler, Area Supervisor and Clayton Kennedy, Bailey County Supervisor. Both men operate from the Muleshoe office of the FHA.

Fowler explained the FHA could make a loan for a water system and explained what was necessary for obtaining the loan.

He explained the procedure and water system would be comparable to the one installed at Bledsoe.

"Our program is not restricted to water, but is for any group that has an objective that would benefit and conserve natural resources."

Fowler explained to the group, to secure federal loan, would require at least ten families as members. The group must form a corporation and obtain a charter under Texas laws, elect a board of directors and conduct annual

## Inspection deadline for motor vehicles looms

Motorists of the area will soon be waiting in line to have their vehicles inspected for the 1964 inspection sticker. April 15 is the deadline for displaying the sticker.

State officials report very few owners are taking advantage of the time before the deadline to have vehicles inspected without waiting in line.

Col. Homer Garrison Jr., Director of the Texas Department of Public Safety, urges owners of vehicles not to wait until the last minute for the inspection.

He reported that some 60 per cent of the allotted inspection period has elapsed and only 20 per cent of the vehicles have been inspected.

"If this trend continues, vehicle owners can expect to have to wait in line in order to get their vehicles inspected by the April 15 deadline," he said.

Garrison pointed out that Texas experienced its worst traffic fatali-

ty record in 1963 and vehicle defects were involved in some of these fatal accidents. He urged all Texans to begin the new year with safe vehicles and to keep them safe throughout the year. He added that vehicles involved in traffic accidents should be re-inspected after repairs have been made.

"Some 5,000 official inspection stations over the state are waiting to inspect the four million vehicles which will have to be inspected by April 15," the DPS director said.

"There can be no extension of time, and after the deadline date of April 15, vehicles which come under the provisions of the Inspection Act which do not display the 1964 inspection sticker will be operating in violation of the law."

## Morton cagers take pair from Muleshoe Tuesday

The Morton Indians' scoring punch exploded Tuesday night, as they crawled back onto the victory path by running over the Muleshoe Mules, 75-59 on the foreign hardwood, while the local girls throttled their hosts, 43-25, in the curtain-raiser.

Tuesday night's games marked the end of the first half of district play, with the boys sporting a 3-1 record, and the girls all even with a 2-2 mark.

The Indians poured 30 points through the hoop in the last quarter at Muleshoe to cop their victory. The Mules held a 20-12 edge at the end of the first period, and were still out in front at the half, 35-31. The count was knotted 45-45 at the close of the third canto.

The final quarter rally was led by Rodney Williams, who made ten points, Charlie Ledbetter who tallied eight, and by Ernest Cheshir who added six. Williams was the high scorer for the game, with 29 markers. Ledbetter added 21, and Cheshir 16. Robert Seagroves was Muleshoe's best, with 23 tallies on his credit.

Morton's Maidens were led in the scoring department by Lynne Freeland with 23 points, seven field goals and nine free tosses. Evelyn Butler had 14, and Pam Reynolds scored half a dozen. The local settee was ahead at the quarters, 12-7, 23-10 and 32-19. Dianne Chappel, with twelve points, was high scorer for Muleshoe.

## Indians lose cliff-hanger to Dimmitt; Maids win

Dimmitt High School gymnasium should have been renamed "Heartbreak Hotel" Friday night as far as the Morton Indian basketball team was concerned, as they came within an eyelash of upsetting the highly favored Dimmitt Bobcats, but succumbed to a last minute desperation rally by the hosts, 60-58. It was the first district loss for the Indians against two wins.

In the curtain-raiser at Dimmitt, the local Maidens built up a big lead and then hung on as they eked out a 47-46 triumph for their first conference win in three outings. The defeat was the first in league play for the Bobcats.

The Morton boys trailed throughout most of the contest, but stayed within range of the Bobcats despite shooting a miserable 22% from the field in the first half. The first period count was 16-10, and the score at intermission time stood at 25-25. Going into the final quarter, Dimmitt held a 45-41 bulge.

Immediately after the beginning of the fourth period, the Indians vaulted into the lead, mainly on the work of Rodney Williams, and with five minutes remaining, the Mortonites had pushed their advantage to 56-48. However, the Dimmitt five whittled away at the lead and overcame the locals to cop the victory. Four times in the last few minutes, the Indians stepped to the free throw line for a one-and-one foul shot, and failed to make the first shot. At the other end of the floor, the Bobcats had eleven chances at the charity line in the final period, and made all eleven. Morton out-scored the Dimmitt five from the field, 21-18, but couldn't come through on their gift tosses.

Williams and Ernest Cheshir led the local scoring, with 24 and 23 points, respectively. Clint Summers was high for the Bobcats, with 17 tallies, followed by Jack

Nichols with 14. Morton's Charlie Ledbetter sat out about half of the second quarter with four fouls, and then fouled out early in the final period.

The Maidens withstood a furious fourth period rally by the Dimmitt sextet to hang onto their victory. Morton raced to a 14-5 first quarter lead, and were out in front 25-12 at the half. At the third period mark the Maids held a seemingly safe 38-27 margin, but were out-scored, 19-9, in the final eight minutes of play.

Evelyn Butler, Morton's playmaker left the game on fouls shortly after the third quarter began, and was replaced by freshman Donna Alsop, who did a very commendable job under the intense pressure. Lynne Freeland assaulted the nets for a scorching 38 points, nine field goals and 14 free tosses out of 19 attempts. Pam Reynolds tossed in eight points for the locals, and Miss Butler made seven before fouling out. Sharon Lilley and Linda McColum led the Bobbies, with 21 and 19, respectively.

## Recent bride is shower honoree

Mrs. Johnny Hancock, nee Shirley Edwards, was named honoree for a bridal shower last Wednesday afternoon in the home of Mrs. Maurice Lewallen, 111 NE Third Street.

The bride's colors of pink and white were used in decorations and refreshments. Cake squares of pink topped by white wedding bells were served with coffee and tea to approximately 25 guests. A floral arrangement in pink centered the lace covered refreshment table.

Hostesses for the event in addition to Mrs. Lewallen were: Mrs. Alex Cox, Mrs. Elmer Akin, Mrs. Earl Akin, Mrs. Roy Turney, Mrs. Bert Pyburn, Mrs. Chester Miller, Mrs. Bob Cook, Mrs. Tracy Enos and Mrs. Pete Turney.

## Methodists to view film of John Wesley

This coming Sunday night a film in color portraying the life story of John Wesley, founder of Methodism, will be shown at the First Methodist Church. This film will be of particular interest to members of the Wesleyan Service Guild, Woman's Society of Christian Service, as well as all members of the church. The general public is extended an invitation to attend this service and see the film.

Mrs. H. F. Dunn visited last week in Midland with her sister, Mrs. J. C. Russell. She was accompanied to Midland by her husband, who returned to Morton to attend to pastoral duties. Mrs. A. M. Baird and Eleanor Dunn drove down Friday and Mrs. Dunn returned home with them.

Mr. and Mrs. Marvin Doss and family of Muleshoe were here Sunday for the wedding anniversary of his brother, Truman and Mrs. Doss.

meetings and elections. It compares to a co-op," he explained.

A steering committee and chairman were elected at the meeting and eighteen memberships in the water company sold.

Elected were R. L. Davis, chairman, Homer Richardson, Leon Dupler, Jake Burkett and Paul Powell.

Davis reported Wednesday that twenty-five memberships had been sold in the company. Memberships are obtained at a cost of fifty dollars each.

Fowler explained the system would cost approximately one thousand dollars for each family. Law requires ten families at an initial cost of \$50 each, to form the company.

Money from the sale of membership goes into the company and will be used for expenses that might be incurred prior to approval of the federal loan.

The Maple company expects 40-50 families will be served by the company.

Douglas explained the system is referred to as a "Poor Boy System". The users are spread out over an area. The system is planned and practical with no frills. Employment of expensive employees is not recommended, but a meter reader and bookkeeper will be necessary.

In some areas, with this system, volunteers read the meter, keeping the cost of operation to a minimum.

Douglas told of the advantages offered by a ground level storage system and an overhead storage. An overhead system is more expensive, but would offer a reservoir in case of power failure. The ground level system is a pressure system. No power, no water.

Cost to users, after the initial cost of \$50, would be approximately \$6.50 monthly. Cost of pipe and plumbing from the meter to the home would be borne by the user.

Fowler explained a minimum monthly charge of \$6.00 was required during the first year of operation. After the first year, the FHA would have no objection to the company lowering the rates if sufficient revenue for repayment of the loan could be obtained with the lower rates. If the rates prove too low for repayment of the loan and operating expenses, they would have to be raised.

The loan, if approved, would pay for the entire system. Members of the steering committee are presently contacting residents of the area to obtain memberships in the company and seeking a well location.

After obtaining the necessary number, 40-50, Douglas will prepare a survey for submittal with the application for loan. The loan, estimated at \$50,000, (\$1,000 for each meter to be installed) must be approved at the local FHA office, state and federal level.

Jim Walker, Morton Attorney, has been retained by the group as legal advisor.

Glendon Benham returned last weekend to his home in La Verne, Calif., after a visit here with his parents, Mr. and Mrs. C. C. Benham, and other members of the family. Glendon came primarily to be with his father who has been ill.

## Hootenanny benefit for March of Dimes slated

Plans for a big Hootenanny gala for benefit of the March of Dimes is shaping up with several bands, individual singers and other entertainment already on the line for the event.

The Thunderbirds, a barber-shop quartet from Lubbock, will be on hand; as will several local groups including the Floyd Jonas Band; Edna Dewbre is featured singer with this band. South Plains Drifters, Dan Trice Band, Bracken Boys Band and the Simple Phonies. Final plans for individual singers and entertainers have not been completed.

The Hootenanny will be held in the County Auditorium on January 30, beginning at 8 p.m. The program of entertainment will be at least two hours in length.

Other events scheduled include the Mother's March, on January 27, under the direction and sponsorship of Rebekah Lodge with Mrs. Myrtle Williams and Mrs. Joe Carothers, serving as chairmen.

The annual cake auction will be

held February 8 at Radio Station KRAN.

According to Sid Saverance, special events chairman, local Federated Clubs are working on plans for coffee parties and other events.

Morton Boy Scouts conducted a road block Saturday which brought in 150 dollars for the MOD fund campaign. Miniature crutches sold by Camp Fire Girls in various places of business last Saturday netted 63 dollars to the fund.

A Dimequest program conducted the past two Saturdays by KRAN has totaled about 15 dollars, according to Harmon Springer, campaign chairman.

## Harold Arants attend Spur funeral services

Mr. and Mrs. Harold Arant, son, Ruyal Don, attended funeral services Tuesday afternoon for her aunt, Mrs. Lilla M. Arant. Tege Arant stayed in the city while her parents were in the city. Mrs. Swanner, 67, resident of South Plains since 1913, died Monday morning in Crosbyton following a heart attack.

Services were held at the Baptist Church. The Rev. Jenkins, pastor, officiated. Burial was in the Parkview Baptist Church cemetery of Littlefield. Burial was in the land cemetery.

Charles McDermott was in town Monday night on business.

### Show calf thinks he's a rodeo star

A sleeper

HEREFORD SHOW CALF, owned by Edward Price of White-  
face, looks like a peaceable calf, but is merely resting. The  
calf raised havoc at the Saturday competition of show calves  
of Whiteface FFA members at the Alamo Gin. Larry Kern  
and Raymond Guajardo hold the calf as R. K. McCoy, live-  
stock judge looks on—from the rear. TRIBUNE Photo

Trouble comes in small packages  
or so it seemed Saturday morning  
at the Alamo Gin. The Whiteface  
Future Farmers of America Chap-  
ter met to weigh their show calves  
and have them judged, in prepara-  
tion for the Cochran County Live-  
stock Improvement Association  
Fat Stock Show.

The trouble was a small 480  
pound Hereford calf owned by Ed-  
ward Price. The calf broke from  
his halter and left the peaceful  
scene of bawling pampered cal-  
ves, hollering people and noisy  
cars and pickups.

After a 30 minute chase over a  
30 acre plot of plowed ground by  
six men, excited youngsters, a  
car and two pickups, the tiring  
calf was lassooed from a pickup.

Although the catch was quite a  
feat in itself, the calf was still  
to be loaded into a trailer for a  
return trip to the gin yard. Price  
went to the yard for his trailer.  
He stuck a bolt into the trailer  
hitch, which bounced out before he  
reached the calf, releasing the  
trailer.

The rested calf was as stub-  
born about loading as he has been  
to catch. Led by a rope, he ran  
around the side of the trail-  
er, pulling Price into a bolt on  
the spare tire rack. Although the  
bolt did not puncture the skin,  
Price will boast a bruise on his  
back.

The loaded calf was taken to  
the yard. He was held throughout  
the rest of the proceedings by  
Larry Kern and Raymond Guajar-  
do, weighing a combined 400  
pounds. Needless to say, he caus-  
ed no more static.

### Two men join AF under buddy plan

Jimmy Ralph Wall, son of Mr.  
and Mrs. E. R. Wall, and James  
Perry Long, son of Mr. and Mrs.  
S. G. Long, both of Route 1, Mor-  
ton, enlisted in the United States  
Air Force recently under the Air  
Force Buddy System.

Announcement of the enlistment  
was made by Staff Sgt. Joe E.  
Griffith, Air Force Recruiter.  
The sergeant reported Long was  
the first person enlisted this year  
who obtained perfect scores on the  
aptitude test from this recruiting  
area. Long enlisted for the general  
aptitude area. Wall for mechanics.

Wall is a 1960 graduate of Three  
Way High School, Long a 1960  
graduate of Morton High School and  
attended Texas Tech until 1963.  
Information concerning various  
Air Force enlistment programs is  
available at the main recruiting  
office in Lubbock.

### Flores sentenced to year Tuesday on guilty plea

Ruben Flores pleaded guilty to  
charges of attempted murder in  
District Court Tuesday. The charges  
from an alleged shooting escape  
in 1962. Flores shot several  
times at an automobile containing  
several persons near the county  
swimming pool. He was sentenced  
to one year in the state peniten-  
tiary.

Tommy Franklin was placed on  
two years probation, the result of  
charges of swindling with a worth-  
less check.

C. L. Robertson was found guilty  
of attempted murder and sentenc-  
ed to one year in the state  
penitentiary. The charges resulted  
after a shooting near Eddie's Cafe  
in 1963.

The trial of Cora Morgan, charg-  
ed with shooting Hattie Hawkins,  
began Wednesday morning.  
District Judge M. C. Ledbetter  
is presiding.

Ready for another year

SUPERINTENDENTS FOR the annual Cochran  
County Livestock Improvement Association  
Fat Stock Show will look familiar to youngsters  
who attended the show last year. They are  
working with the show in the same capacity  
they served last year. Attending to a major

item on the agenda, raising funds for the  
show, are Elwood Harris, sheep superintend-  
ent, Bobby Neal, beef superintendent, Ray-  
mond Deavours, and assistant Thomas Lynch  
in the swine division, and Gene Cade, general  
superintendent. TRIBUNEPHO

## Free barbecue will open County Fat Stock Show

Highlighting the annual Cochran  
County Livestock Improvement  
Association Fat Stock Show, will  
be a free Appreciation Barbecue  
Supper it was disclosed by the  
group attending a planning meet-  
ing Thursday at the activities  
building.

The kick-off supper will be held  
February 17 in the Banquet Room  
of the County Activities Building.  
A special invitation to members  
of the organization, buyers and the  
general public is issued by Gene  
Cade, General Superintendent.

Membership cards for the show  
can be purchased from members  
of the association and will be on  
sale at the supper. These cards  
are the only method utilized to  
obtain funds for prizes and other  
expenses incurred for the three  
day affair.

The Cochran County Livestock  
Improvement Association met on  
Thursday to discuss plans for the  
annual Cochran County Livestock  
Improvement Association Fat  
Stock Show, to be held February  
27-29.

Attending the meeting were  
members of the association and  
various area farmers interested in  
the show. Those were Dan Keith,  
Owen Young, Wendell Dunlap, Ho-  
mer Thompson, Bobby Neal, Sid  
Saverance, Leonard Coleman, Wo-  
ody Dickson, Raymond Deavours,  
Roy Brown, Elwood Harris, Gene  
Cade, Harmon Springer and Wen-  
dell Holloman.

Cade, was selected to serve as  
general superintendent again this  
year. Bobby Neal was retained as  
fat steers superintendent. Ray-  
mond Deavours is again the swine  
superintendent and Elwood Har-  
ris will again head the sheep di-  
vision. Assisting Deavours in the  
swine division will be Thomas  
Lynch.

On the weighing committee are  
Bill Crawford, Virgil Coffman and  
Max Clark.

The Morton FFA Chapter will  
be in charge of County Livestock  
barns and grounds.

Selecting the Herdsman and  
Showmanship winners will be Richard  
Miller of Levelland. The rib-  
bons, tags and trophies will be  
furnished by Wendell Dunlap.

Mrs. Doyle K. Brook attended  
to business Monday in Lubbock.

### School nurse explains job to '36 Study Club

Mrs. Cammie Jackson, nurse in  
the Morton schools, described  
some of the many facets of her  
job for members of the 1936 Study  
Club last Wednesday afternoon.  
The meeting was hosted by Mrs.  
C. H. Silvers.

First among the duties of the  
school nurse is keeping a watchful  
eye on the student's health. Young-  
sters get checked for vision, hear-  
ing, height and weight. Problems  
in these areas are referred to par-  
ents.

Mrs. Jackson also checks the  
teeth, hair and skin of students.  
The sometimes taxing duties of

her job are compensated by the  
reward of seeing well and happy  
children, she told club members.

The guest speaker was presented  
by Mrs. M. C. Ledbetter, program  
chairman.

During the business session a  
report on Library Progress was  
given by Mrs. Joe Gipson.

Slate of officers for the coming  
club year was presented and are:  
Mrs. M. C. Ledbetter, president;  
Mrs. Kenneth Thompson and Mrs.  
Glenn W. Thompson, first and sec-  
ond vice presidents; Mrs. E. L.  
Willis, secretary - treasurer; Mrs.  
Doyle K. Brook, corresponding  
secretary; Mrs. James St. Clair,  
parliamentarian; Mrs. Lem Ches-  
her, historian and Mrs. Neal Rose,  
reporter.

Refreshments were served to the  
guest speaker and Mesdames D.  
E. Benham, Brook, Owen Egger,  
Gipson, J. A. Gowdy, L. F. Har-  
grove, Gage Knox, Ledbetter, Joe  
Nicewarner, Rose, Hume Russell,  
St. Clair, Glenn Thompson, Ken-  
neth Thompson, Silvers, Esca  
Forgy, Chesher, Willis and Earl

There is a need to look back occasionally to get our bearings for the future. Past experiences often guide future action. What has proved good and profitable in the past will often prove to be the same in the days ahead. Serving God and our country through our churches and through civil and community service has always elevated us as a people and contributed to our image as a free and just country. We will not go wrong in adhering to these practices. Attend the church of your choice this Sunday and receive inspiration and courage for the future.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Club hears conservation program

J. D. Glass was co-hostess Mrs. Vernon Blackley for a Wednesday afternoon of the Country Study Club, in Blackley home.

meeting, at which time Mrs. Ross Shaw was appointed reporter for the remaining club year as a replacement of Mrs. Grover D. Edgar, resigned. Mrs. Vernon Blackley will serve as committee chairman instead of Mrs. Wayne Davis.

A motion was presented for an amendment to the constitution in which elective officers will be held for two years to coincide with Federation. This amendment will be voted on at a later meeting. Mrs. Charles Bowen, finance chairman, reported that members of Town and Country would help with the March of Dimes.

Mrs. Fred Stockdale was elected to associate membership. Members were reminded by Mrs. LeRoy Johnson and urged to attend the Caprock District meeting in Levelland on March 20.

The club decided more information was needed on Tahoka Boy's Ranch before making further contributions.

Program for the day "In Time With Conservation" was introduced by Mrs. Blackley, who spoke on "The Earth is the Lord's." Mrs. Keith Kennedy discussed "Water Crisis U.S.A.", "City Water Problems" was the subject of a talk by Mrs. Cherylne Inglis. "Diminishing Irrigation on the South Plains" was given by Mrs. Weldon Newsom.

"Happy Birthday" was sung in unison in recognition of the birthday of Mrs. Samford.

Refreshments were served by the hostesses to one guest, Mrs. John Haggard and the following members: Mrs. Harold Arant, Mrs. Bowen, Mrs. Connie Gray, Mrs. J. L. Cox, Mrs. Inglis, Mrs. Johnson, Mrs. Kennedy, Mrs. R. E. Knowlton, Mrs. Samford, Mrs. A. E. Sanders, Mrs. Shaw, Mrs. Millard Townsend, Mrs. S. E. Williams, Mrs. Alvie Harris and Mrs. Wade Strother.

Mr. and Mrs. J. C. Reynolds were in Oklahoma City and Tulsa last weekend on a combined business and pleasure trip.

Mrs. H. B. Barker and Mrs. James McClure made a business trip to Lubbock last Friday.

## Silver Anniversary tea honored Mr. and Mrs. Truman Doss Sunday

Invitations to 500 were extended for a silver anniversary tea Sunday honoring Mr. and Mrs. Truman Doss.

The party, hosted by Mr. and Mrs. Bob Polvado, Mr. and Mrs. Joe Gipson, Mr. and Mrs. R. C. Ross, Mr. and Mrs. Roy Brown, Mr. and Mrs. Virgil Coffman, Mr. and Mrs. Harold Drennan, Mr. and Mrs. E. L. Polvado, was held in the home of the latter couple, 304 East Grant Avenue. Mike Doss also assisted with hospitalities.

A shoulder arrangement of white carnations tied with blue ribbons enhanced the white knit ensemble worn by Mrs. Doss. Blue embroidery on the top of the suit was matched with blue opera pumps.

Punch was served in the formal living room from a table covered with white cut-work linen over blue. A three tiered bridal confection decorated with blue roses encircled by additional rings of the cake was served with the punch from appointments in milk glass. The centerpiece of white stock and silvered fern depicted a "family tree" with miniature blue turtle doves as the honorees; tiny storks entitled "Kay" and "Mike" represented their two children; a wedding bell inscribed "Bob" indicated the marriage of Kay to Bob Polvado. A small baby doll tied with pastel blue and pink bore the names, "Susan, Debbie and Steve," grandchildren of the honored couple.

Coffee with cake was served from a round table in the den. Ecru cut-work linen covered this table which featured a fan shaped arrangement of red roses. Appointments of silver completed the table decor.

Prior to the reception Mr. and Mrs. Doss hosted a buffet luncheon in their home for the host couples and Truman's parents, Mr. and Mrs. L. T. Doss; also the children of Mr. and Mrs. Bob Polvado and Mike Doss.

### Stork shower honors Mrs. Steve Middleton

White and yellow mums centered, with a stork were used as a centerpiece for a Stork Shower January 14 honoring Mrs. Steve Middleton.

The evening party was held in the home of Mrs. W. O. Jorden, 206 East Garfield Avenue. Other hostesses were Mrs. Glen McDaniel, Mrs. Doc Long, Mrs. R. E. Brotherton, Mrs. R. A. Thompson, Mrs. Steve Bracken, Mrs. E. L. Reeder, Mrs. Amos Taylor, Mrs. Ebbie Stracener and Mrs. J. T. Holloman.

Miniature pink diapers filled with yellow mints were used as plate favors. Pink and yellow punch was served with cookies from a table covered with blue. A high chair and baby book was presented the honoree by the hostesses. Gifts were received from many who were unable to attend.

Out of town guests included two aunts of Steve, Mrs. Mary Ethel Long, Memphis and Virgie Long, Parnell.

### Morton Bridge Club attend Clovis dinner

Eleven members of Morton Bridge Club were in Clovis Monday night for a Mexican dinner at El Monterrey.

Members making the dinner trip were Mrs. Scott Hawkins, Mrs. Lloyd Miller, Mrs. Doyle K. Brook, Mrs. John Crowder, Mrs. Van Greene, Mrs. Hume Russell, Mrs. J. W. McDermett, Mrs. Willard Cox, Mrs. C. H. Silvers, Mrs. Carl England and Mrs. Neal Rose.

The club will meet February 3 in the home of Mrs. Silvers.

### Camp Fire Girls aid March of Dimes drive

Morton's Camp Fire girls are aiding the current fund campaign of the March of Dimes by selling "Crutches" on Saturdays in various places of business here.

Ruby Davis was in charge of the sales on January 18; Ethel Harris will direct the sales January 25; Willie Zuber and Mary Lois Ledbetter will be in charge of the sales on February 1 and 8.

## Former resident wed in Ft. Worth Church

Curtis Coy Chapman Jr., of Carswell AFB, former resident of Morton and Miss Jo Ann Adams were married Saturday evening in Sabine Place Baptist Church, Ft. Worth. The service was read by the Rev. Jack Fitts.

Parents of the couple are Mr. and Mrs. Curtis Coy Chapman, Lubbock, formerly of Morton and Mr. and Mrs. Bill J. Markham, Ft. Worth.

Miss Pansy Moore was the bride's attendant and Harold Chandler of Carswell AFB was the best man.

The bride wore a street length dress of metallic-threaded white wool weave with a white corsage. After a reception at the church the couple left for a short wedding

trip and will live at 906 Westfork, Ft. Worth.

Parents of the bridegroom attended the wedding as did his grandmother, Mrs. W. L. Davis; also Mr. and Mrs. Paul Gunter, Ricky and Andy, Mr. and Mrs. Granville Lassiter, Linda and Gail, Mr. and Mrs. Leon Hamilton and Lonnie and Mr. and Mrs. Leonard Davis.

Mr. and Mrs. Arlee Barnard, owners of Cobbs Department Store, were out Thursday from Lubbock to help with Cobbs' sale.

Mr. and Mrs. Amos Taylor returned Sunday from Dallas where they attended a spring showing at the furniture market held at the Trade Mart in Dallas.

ternate appointment to the United States Military Academy, West Point, in 1960, he has served as vice-president of the Alpha Chi National Honor Society and President of the Texas Intercollegiate Press Association.

### Issues Statement

"Having intently followed both State and National politics and being a student of government, I am deeply concerned with the need for responsible government entrusted to the hands of the American people," George states.

"Because I believe that responsible citizens make for sound and responsible government, I run for this office. Because I possess a dedicated sincerity to serve the people of this district, I ask for your support in this endeavor. As John F. Kennedy has said, 'Sincerity is always subject to proof.' I ask for that opportunity to prove my sincerity through the virtues of hard work, dedication, and mutual co-operation with the citizens of this district and the citizens of Texas.

"It will not be my purpose to offer absolute solutions for the problems which exist within our state government; it is instead my purpose to pledge myself to thoughtful investigation of every issue, without a preconceived notion of what is or is not a proper solution, and to make judgement based on facts rather than emotion or blind allegiance to a political doctrine.

### "Goal of man"

"The ultimate goal of man is the perfection of himself and his society. The possibility that the goal is unattainable is no excuse for refusal to seek it. Let us, therefore, begin to assume our responsibilities, both individually and collectively, in order that we might leave to our children a world which is a better place than we found; and let us teach our children that it is only through continuity of such effort that we may hope to achieve the ultimate goal.

"I strongly believe I am capable of fulfilling and maintaining both the honor and responsibility of this elective position. I want to see the interests of this district thoroughly understood and represented in Austin. I believe every available means should be used to keep the people of this district better informed with the affairs and issues which concern them. I dedicate myself toward this aim.

"Think and act"

"We must think, we must act, but we must do both, and in that order, if we are to provide a responsible government to a responsible citizenry.

"I need your support in this endeavor, and I will make every effort to contact as many of you as possible between now and election time, May 2."

George, a member of the First Presbyterian Church, is the son of Mr. and Mrs. G. L. George, Brownfield.

## A. B. Carpenter in campaign for legislative post

A. B. (Alf) Carpenter, a Plains farmer and former grocer and gasoline distributor, today formally announced his candidacy for the post of State Representative of the 90th District which includes Yoakum, Cochran, Terry and Hockley Counties.

In announcing his bid for the legislative post, Carpenter issued the following statement:

"I have received requests and encouragement from many people in the 90th District to make the race for State Representative. I have decided to make this race and in announcing my candidacy I do so realizing the importance of this office to the people of this district and the duties and responsibilities connected with it.

You will need to know my qualifications for this office. I was engaged for ten years in the retail grocery business and for eight years in the wholesale gasoline business. I have for many years

been engaged in farming. I believe my years of experience in agriculture and the business world acquaint me with the many problems of this work. My two daughters have been teachers, and my son for several years was affiliated with the San Angelo Jr. College and I appreciate the needs of members of the teaching profession.

I was reared in Dawson County, Texas, lived on the South Plains all of my life, and my home for the past 15 years has been in Plains. I am a lifelong Democrat not obligated to any special group and will campaign on a person to person basis. I want this office and solicit your support. If elected I will do my best to make you a good representative.

# Morton Federated Clubs announce "1963 Women of the Year"

## Lynda Lynch - Student of Year

Lynda Lynch, senior student of Morton High School, has been named Student of the Year. She was appointed by City Federation.

Daughter of Mr. and Mrs. Tom Lynch, Lynda has lived in Morton all of her life. She has a brother, Tom, and a sister, Helen.

Lynda has been a member of the band for four years and has been a soloist in many school contests. She was elected Sweetheart this year and is serving as band president. She is a four year member of the FHA; has served on many committees, held the office

of parliamentarian, historian and is now serving as the organizations president. In May 1963 she attended the FHA State Convention.

Lynda plans to be a teacher. She is a member of FTA and has taught on Student - Teacher Day. Other memberships include National Honor Society and Student Council. She took part in the Junior play and in her senior year was elected Most Courteous Girl.

This past summer Miss Lynch was selected as one of Morton's youth to attend Attorney General Waggoner Carr's Youth Conference in Austin. Later she spoke to the 1936 Study Club on the conference.

Lynda is an active member of the Missionary Baptist Church, See STUDENT on page 2a

## Mrs. L. F. Hargrove - Mother of Year

Morton Federated Clubs have nominated Mrs. L. F. Hargrove as outstanding "Mother of the Year", to be presented this spring to the Caprock District of the Texas Federation of Women's Clubs.

Criteria for the honor include community, church and club work as well as maintaining the high standards of a Christian home.

The former Kathryn Greer was born in Denton County, Texas, moving to Seymour at the age of four. Kate, as she is known to her many friends, attended the public schools in Seymour, Manday and Littlefield, graduating from the latter in 1925.

While in high school, she served as a pep squad leader and as editor of the school annual. See MOTHER on page 2a

For many years Mrs. Hargrove has been active in church and club work and in community affairs.

She served as church pianist and a member of the choir in the First Methodist Church. Other posts included the presidency of the Woman's Society of Christian Service (four years) as well as being an officer in the Brownfield District of that organization. In addition to these duties, she was chairman of the Christian Social Relations Committee and for several years was superintendent of the Cradle Roll Department.

In 1939 Mrs. Hargrove affiliated with the 1936 Study Club. Since that time she has held virtually

## Mrs. Connie Gray - Teacher of Year

Mrs. Connie Gray has been selected by City Federation as Outstanding Teacher of the Year. She has nominees from other Federated Clubs in Caprock District, will compete for state honors.

Standards in consideration for this honor include: scholastic attainments, teaching experience and proven ability, professional attitude, outstanding work, beyond the call of duty or requirement and an interest in community, state and national affairs.

Mrs. Gray fulfills all these requirements and has been recommended by individuals, colleagues and community organizations and endorsed by Town and County Study Club, of which she is a member.

Mrs. Gray, the former Ina Fern Parker, is one of six children of Judge and Mrs. Louis Parker of Knox City. She was born in McKinney, Texas on December 20, 1922. The family moved to Knox County in 1923.

Judge and Mrs. Parker stressed the values and rewards in assuming community and church responsibilities; the Parker children were taught early the importance of seeking the best education possible. The family attended church regularly, driving many miles, and making special effort to be on time.

In 1931, Ina Fern became a member of Vera Baptist Church. She made her decision while attending a summer revival under an old "brush arbor". She was baptized in a large surface tank with about 30 other candidates.

Ina Fern completed high school in 1939 and entered Hardin - Simmons University. It was in 1940 that she married Connie Gray. Her first child, Christene, was born in 1941 and in 1943 a son, Bill, was born.

It was in September 1944 that Mrs. Gray started her teaching career, which has now spanned a 20 year period. She taught four years in Benjamin, two years in the fourth grade and two in the first grade. She also taught typing and music along with a full class room load. She completed degree requirements by attending summer school and night school.

In 1947, the family moved to Morton when Gray, working with the highway department, was transferred. Mrs. Gray was employed by Morton Schools to teach the first grade. She taught first grade here for 13 years. In 1961, she was transferred to elementary public school music. This is the position she now holds.

Since living in Morton the Grays have had two other children, Glorietta, now 12 and Carolyn, eight years old. Ina Fern also managed in 1955 to complete her Master of Arts Degree and assumed responsible positions in the youth organizations of Morton.

Christene, graduated from Morton High School in 1959 and married Earl Polvado. They have two young daughters, Robin and Melanie, aged three and two years. Christene has been as active as her mother in church and community affairs. She has served as church pianist since she was 14, plus numerous other church, community and club activities.

Bill graduated in 1961. He served as an officer in most organizations during high school. He also served as church usher and took an active part in church af-

airs. Upon graduation he entered Texas Tech and is now a part time student also holding down a job.

Glorietta is a sixth grader. She is in the Junior High Band, studies piano and is a member of Camp Fire. She is also active in youth work of the First Baptist Church, where all the family attend services. Carolyn is in the second grade. She too is studying piano, attends church organizations regularly and is a member of a Bluebird group.

Church, school and community activities of Mrs. Gray would fill a volume. Here we can do no more than simply list some of her achievements and accomplishments: Bachelor of Science Degree, Hardin - Simmons University; Master of Arts Degree, Eastern New Mexico University; some workshop hours completed above the Master Degree.

Received an award for 15 years of continuous service in Morton Public Schools in May of 1963. Is a member of Texas State Teachers Association; National Education Association; National Music Educators; Texas Choir Masters Association and Cochran County Teachers Association.

She was a member of Textbook Committee for 1963-64, having been on this committee seven times during her tenure in Morton. Attended two music workshops in 1962 and 1963. Attended TMEA Convention in Houston and the Texas Choir Directors Association in 1963. Has attended 17 District Teachers Conventions during her 20 years of teaching. Attended a workshop at the University of Texas, sponsored by the Texas Education Agency, in 1962.

Mrs. Gray has presented many musical programs; some operettas using 300 to 450 students. Has presented and coordinated two talent shows for March of Dimes and is presently working on another.

She has worked in interscholastic events serving as judge in storytelling, typing and spelling. Was District Director for Storytelling in 1948. Is a past secretary of PTA; was on the program at a state PTA Workshop in New Mexico in 1955, having been chosen to appear on the program by Dr. E. V. Wivel, life member of PTA, and head of the College Education Department.

Mrs. Gray was a Camp Fire Group Leader for seven years, receiving an award for Camp Fire service in 1962. She served as an officer of the Camp Fire Council for two years; served as a member of the board of directors for two years and has attended as adult leader several day camps for Camp Fire. She is presently sponsor of a Blue Bird group.

For two years she was a Cub Scout Den Mother and was counselor for 4-H Club Camp one summer. She is a member and past officer of both the Band Boosters and Choir Booster Clubs.

Presently Mrs. Gray is giving free piano lessons to two elementary students.

In other community activities she has served as block chairman for the polio and cancer drives.

Mrs. Gray was a member of the Sorosis Club in Benjamin for one year. She has been a member of Town and Country Study Club since 1955; serving as hostess and

## Morton Tribune

MORTON, TEXAS, THURSDAY, JANUARY 23, 1964

## Mrs. Eli Douglas - Clubwoman of Year

Mrs. Eli Douglas has been named Outstanding Clubwoman of the Year in Morton and Cochran County by City Federation, an organization composed of representatives from the five local Federated Clubs.

The five clubs are: 1936; L'Allegro; Town and Country; Y-M and Emile Smith Junior. Nominees for the honor were submitted by each of the clubs to City Federation. Selection of an Outstanding Clubwoman is made simultaneously by all clubs in the 14 districts.

Women selected locally compete in district for Outstanding Clubwoman of the Year in the State. This selection by the Texas Federation of Women's Clubs Leadership Development recognizes worthy achievements and encourages excellent leadership.

Local selection is based on the same qualifications as district and state, that is: A member who has most successfully made a noteworthy contribution to her community and who has shown qualities of leadership indicative of her future success in other fields. This one member is recognized as excelling in leadership, challenging every individual woman to seek the earning of this honor.

Mrs. Douglas, president of Y-M Junior Study Club, was nominated from her own club and chosen by

the City Federation from nominees submitted by the other four clubs.

This past summer a story period for children was started by Y-M Junior Study Club at the suggestion of Mrs. Douglas. This project proved an educational experience and fun for all. Held twice weekly, members read stories to a group of children in the library of the Elementary School. Each time at least 30 children attended. After the story hour books were checked out by members for children to take home and read. Members also checked in the returned books. Several Negro and Latin children attended the summer time project.

Mrs. Douglas, the former Joan Sneed was born in Hamilton, Texas, where she attended school and was an honor graduate of Hamilton High School. She held various class offices and was elected as "Class Favorite." Her parents, Mr. and Mrs. Marvin Sneed, still live in Hamilton.

She graduated from East Texas State College, Commerce, receiving a BS degree, with a major in Elementary Education and minor in English. While in ETSC she was a member of Marpassa Social Club, holding various offices in the organization including the presidency. Scholastically she was

appearing on the program at least once each club year. She has been chairman of most departments, was club pianist and has taken part in all money raising activities of the club. Presently she is chairman of Texas Heritage Department; chairman of yearbooks and reports. Ina Fern has been a member since 1961 of Epsilon Sigma Omicron (Honor Society for Federated Club Women).

As a youth Ina Fern was always an officer in Sunday School and Training Service. She has served as pianist in practically every department of the local church and as an adult has held every office in the various Sunday School classes many times. She is a member of WMU and Mary Martha Sunday School class. She was superintendent of Vacation Bible School for two years and continues to help with this program.

Her hobbies include listening to music, reading, playing with her two young daughters and grandchildren. She bowls in a league and is a member of Women's International Bowling Congress.

Mr. Gray shares her interests and hobbies. In his own field he has cooperated with Texas Tech Extension Department in running experiments on his farm in an effort to increase knowledge related to cotton farming.

Both are active in political elections. They have never failed to pay poll tax and have made voting a habit. Mrs. Gray participated in a get out the vote campaign by telephone during the 1960 presidential election. She believes the preservation of the two party system is vital in maintaining a democratic nation.

included in the "Dean's List" at report time.

Shortly after graduation and while teaching second grade she met and married Eli Douglas, a teacher by profession but working at the time for an oil company in Lamesa.

Not long after their marriage Eli was called to service and Mrs. Douglas accompanied him. They were located for a time in El Paso where she worked in the Public Relations Department of the First State Bank.

Douglas was then transferred to Norfolk, Va., where she again taught school. Following his discharge from the Army they located in Texas, first at Springlake, where she taught fourth grade, then in Corsicana, where she was a sixth grade teacher.

It was in 1959 that they first came to Morton where Douglas had accepted the position of Elementary Principal. She taught a first grade class. It was during this time that Mrs. Douglas started Federated Club work.

They moved from here to Lubbock for a year, where he was principal of Roosevelt High School and she taught a first grade class.

They came back to Morton when Douglas was offered the position of superintendent of the Morton Schools. She started as a first grade teacher but illness forced her retirement for a few months. Later that year, in the second semester, she filled a fourth grade vacancy. After their return to Morton she again became active in Federated Club work.

In addition to serving as president of Y-M Junior Study Club Mrs. Douglas also is secretary-treasurer of City Federation. She is a member of the American Association of University Women. Until her retirement from teaching she belonged to all the teacher's associations from the local level to National.

It was on June 22, 1962, after eight years of marriage, that Julie, a much longed for baby daughter, was born to Mr. and Mrs. Douglas. Mrs. Douglas then gave up her career to care for her infant daughter.

Both Mr. and Mrs. Douglas have always been active in work of their church, the First Baptist. Presently she teaches an adult Sunday School Class in the First Baptist Church here. She plays the piano for Sunday School and works as a volunteer with the infants on Sunday night.

On Monday afternoons she has a group of six year old Sunbeams for group study and recreation. She thoroughly enjoys every phase of her church activities.

The story hour project begun last summer is in conjunction with another project of Y-M Junior Study Club, that of library promotion.

In discussing hobbies Mrs. Doug-

where she helps with the nursery, beginner and primary departments of Sunday School. She is program director of YWA and church organist. She has helped with the March of Dimes fund campaign for many years.

las said, "I have not time for hobbies as such, but many things connected with homemaking are my hobbies. I love cooking and collecting recipes. I enjoy decorating for various holidays. Because of my sentimental nature, we observe all special days in our home.

"Two highlights of my life, in addition to the birth of my child earlier that year, came in the fall of 1962 when we honored Eli's parents on their Golden Wedding Anniversary and a month later honored my parents for the same reason. We were particularly happy that we did this for Mr. and Mrs. Douglas because he died only a few months later."

**Mrs. Arthur Famuliner of Garden City** was found dead in bed January 13. She is an aunt of Mrs. Joe Nicewarner. The deceased had been in failing health for several years. Immediate survivors include her husband and four sons.

Funeral services were held Thursday in Garden City.

every office of the club, including president, vice president, secretary-treasurer and many times has worked with the yearbook committee.

Even with her study club activities and responsibilities, Kate has found time to work with the Home Demonstration Council, serving for a time as its president.

Still another interest is the Grand Slam Bridge Club to which she and her husband have belonged for some time.

Always interested in school affairs, Mrs. Hargrove was active in Parent-Teacher Association and was a room mother "Almost every year my children were in school," she said. She was one of the persons responsible for the conception and maintenance of a Teen Canteen, a service organization for teenagers. In 1950 Kate was a sponsor for the high school senior trip.

Other community posts she has held included chairmanships of the March of Dimes and Red Cross campaigns.

Mr. and Mrs. Hargrove are the parents of a daughter, Mrs. C. E. Hogan of Santa Susana, Calif., and a son, George.

tern New Mexico State in 1947. She has taught in New Mexico and California.

Hogans have three sons, Mike, 11 and Kevin, eight old.

George and his wife, Rose, residents of Morton. The parents of a three month old George Greer II, George is a graduate of Morton High, Texas and the American Institute of Foreign Trade, Tucson, Ariz.

Upon completion of her son's education, Mrs. Hargrove broadened her interest in time as a businesswoman. Numerous years she had her husband in his business in 1960 she became an operator of a small cab which was appropriately named "Kate's Kitchen."

The building was a large and remodeled in 1962 and with a unique look in this area, is now open "Kate's Kitchen and Buffet."
