

Last minute candidates bring total to 27

Monday was a busy day for Carl Ray. Ray is Cochran County Democratic Chairman and Monday was the deadline for candidates to file for elective office in Texas. Cochran County voters will have a choice of 27 candidates for 11 elective offices on the Democratic ballot May 2, date of the Democratic primary in the Lone Star State.

Only two candidates on county level are un-opposed in their bid for office. Harral Rawls, incumbent Commissioner of Cochran County Precinct Three is unopposed in his bid for re-election. Walter G. Sandefer has no opposition in his bid for constable, Cochran County Precinct One.

Several persons waited until the

last minute to announce their candidacy for election, building suspense in county political circles. Monday morning, incumbent Sheriff Hazel Hancock was unopposed in his bid for re-election. Monday night, three persons were seeking the top county law enforcement position.

Candidates for sheriff include Hancock, Don Lamar, and W. R. Townsend. Lamar is a farmer, Townsend a ginner at the Kirk-Dean Gin.

Four candidates are in the race for Cochran County Commissioner of Precinct One and include incumbent Leonard O. Coleman, Calvin Franks, Emmett Jones and Elmer Gardner.

Four candidates are seeking the Democratic nomination for Coch-

ran County Tax Assessor Collector. Candidates for the office include Mrs. Melba Kelly, Leonard Groves, Joe Gipson and Norman H. Hodges. Gipson and Hodges filed Monday.

George Boring, incumbent Cochran County Attorney is seeking re-election. James K. Walker, Morton attorney is also a candidate for the county office.

Judge M. C. Ledbetter, District Judge of the 121st Judicial District, is unopposed in his bid for re-election.

Other elective offices with incumbents seeking re-election with no opposition include George Mahon, U.S. Representative of the 19th Congressional District, Doc Blanchard, State Senator of the

28th Senatorial District and E. W. Boedeker, District Attorney of the 121st Judicial District.

Candidates for State Representative of the 90th District including Cochran, Terry, Yoakum and Hockley Counties, are Howard Ragland, A. B. Carpenter, W. A. Bynum, Roy Edwards and Jessie T. George.

Members of the Morton High School began rehearsing for the 1964 Junior Play Tuesday night. "No Time For Boys", a three act play, will be presented by the class March 20 in the County Activities Building.

Sponsors of the play are Mrs. Murray Crone, Mrs. Elvis Fleming and Mrs. P. H. Sheard.

The cast includes Mike Doss, Betsy Crowder, Gaylene Weed, Charlie Hill, Ernest Chesshir and Ronald Smart.

Jane Luper, Mary St. Clair, Pam Reynolds, Tooter Miller, Warren Williamson, Mike Egger, Charles Ledbetter and Barbara Kennedy.

Plans call for three rehearsals weekly until the play is presented. Members of the cast met for the first rehearsal at the home of Mrs. Elvis Fleming.

Public benefit hearing tonight

The Morton City Council will meet in special session tonight at 7:00 to conduct a public benefit hearing.

The hearing, sometimes referred to as a "protest hearing" will be held in the fireman's lounge of the City Hall Building. Attending will be the council, City Attorney Fred Stockdale, City Engineer Ralph Douglas and City Secretary Elra Oden and representatives of the paving contractor.

Persons owning property abutting streets included in a proposed paving project are asked to be present to express their opinion concerning the paving.

Approximately 120 city blocks

are included in the proposed paving plan.

City officials hope to pave one half the blocks included. Opinions expressed at the meeting tonight will aid the city officers in deciding which blocks to delete or add to the proposed plan.

Actual construction on the paving will begin in the near future, after the exact blocks to be paved have been ascertained by the city council. Councilmen will determine location of paving by property owners requests and the need of paving in certain areas in conjunction with a city drainage project.

Bobcat talk

THESE FOUR principals will carry the hopes of Morton's Indians into the crucial basketball game tonight with the Dimmitt Bobcats. A win by the Indians would probably give the local team a tie for the district title, while a loss will put Dimmitt into the throne room. Shown are Coach Ted Whillock, Charlie Ledbetter,

Ernest Chesshir, and Rodney Williams, the three top scorers of the Morton club. The first game tonight, Morton girls vs. Dimmitt girls, begins at 7:00. The contests were rescheduled for tonight after Tuesday night's postponement. **TRIBUNE Photo**

Schools closed by snow

Clear skies and brilliant sun shine began melting the four inch blanket of snow Wednesday. Streets that had been covered with a sheet of ice, making driving dangerous, became only a nuisance as the ice turned to slush.

Officials of the Soil Conservation Service reported the four inch snow contained approximately one half inch of moisture.

F. J. Moore was admitted to Morton Memorial Hospital Monday morning after a one week accident and treated for pneumonia. Mrs. Moore, driving a eleven passenger school bus, turned enroute to Three-Way School.

Moore, her husband, and bus

maintenance supervisor for the Three-Way School, reported icy roads caused the mishap. Moore reported the accident happened at approximately 10:15 a.m. Tuesday morning one and one half miles north of Highway 116 on the Maple Road. The small bus overturned, landing on the top, breaking the windows and windshield.

Five buses of the Three-Way School were reported out of service by Moore. The small one wrecked, and four others stranded in ditches along the routes. All students were transported home by the drivers, and the buses skidded into the ditches on the way back to the bus barn.

Moore, with the school system three and one half years, reported the recent weather conditions the worse he had seen in that time. "Some drifts were half a mile long and impassable", he reported.

The Three-Way School and Morton Schools planned to resume sessions today.

No reports of accidents in the city had been reported Tuesday night.

Simon Marina returns to Lebanon for visit

Simon Marina, Morton businessman, plans to depart this month for a trip to Beirut, Lebanon. Marina, a native of Lebanon, was reared in Palestine and Jerusalem and plans to visit the Holy Land countries, if possible during his three to four week visit.

Marina explained the purpose of his trip is to visit his family living in Beirut and to obtain pictures and news of the Holy Land.

Three brothers, four sisters and Marina's mother live in Lebanon.

Joseph Marina, older brother of Simon, is chief auditor of KLM Dutch Airlines. This brother, according to Simon, encouraged him to make the trip and may return with Simon to the USA for a visit.

Another brother, Abraham, is a retired railroad worker. The third Marina brother, Anis, is an inspector with a contracting and trading company in Beirut.

Marina reported he would try to send dispatches from the countries during his stay. Much of the trip will be spent in writing reports of present conditions and taking movies and still pictures of the countries.

Preparing the reports should

come easy to Marina. He served as press monitor at the US Information Agency, in Beirut for three and one half years. Marina's job with the agency was reading 42 daily newspapers, 20 weekly newspapers, and seven monthly publications.

Lebanon has a free press, much like the United States, according to Marina. The only exception, writers can not directly criticize the president of the Republic.

The government of Lebanon, a democracy, is comparable to that

Majority of civil cases settled out of courtroom here

Fourteen civil cases were scheduled for jury action in 121st District Court in Morton last week, Judge M. C. Ledbetter presiding.

Two of the cases were tried by jury, two were settled out of court after selection of a jury, five cases were settled out of court and five were passed for a later date.

Cases passed include L. G. Watson and W. O. Watson vs. Cities Service Oil Company; Frederick Hill vs. C. A. Moore, Henry M. Stanley vs. Art West Drilling Company; Domingo Mendez vs. Billy Joe Gerik; and Arturo Vela vs. Leon Langrill.

A case tried by jury was E. R. Lackey vs. Jim Pat Clauch. The jury awarded the plaintiff \$1,500. The suit was the result of an automobile accident in 1962.

Guetersloh Anderson Grain Corporation vs. Bledsoe Independent School District was tried by jury, and found in favor of the school district on a point of law. The suit involved the amount of school taxes assessed the grain company by the school district. Attorneys for Guetersloh - Anderson stated that they would file an appeal.

Cases settled out of court were Alen Cooley and June Rowinsky vs. Harvey Lee Balko; Charles J. Conkling and Robert N. Conkling vs. Stanton Oil Company Limited; Lora Biggerstaff vs. Truck Insurance Exchange; J. D. Glass vs. Lea County Electric Co-operative, Inc.; and Hollis Thornton vs. Trinity Universal Insurance Company.

Civil cases with out jury are being heard in 121st District Court in Morton this week.

District title may be determined as Indians host Bobcats tonight

All the blue chips are on the line tonight for the Morton Indians as they host the District 3-A front - running Bobcats from Dimmitt in a postponed basketball game which should decide the league championship.

Dimmitt is currently undefeated in the district, while the only defeat the Indians have suffered was to the Bobcats, 60-58, on the foreign court January 17.

Tonight's contest was originally scheduled for Tuesday night, but was postponed because of the inclement weather.

If the Indians beat Dimmitt, and then go on to defeat Muleshoe on Friday, they will tie the Bobcats for the district crown, provided Dimmitt wins their remaining games. Should a tie result, a best two out of three game play-off will be staged. The first two contests of the play-off will be held on the home courts of the two schools, while the third, if necessary, will be on a neutral site.

In the game at Dimmitt, the local five held an eight-point lead with five minutes remaining in the contest, but the Bobcats staged a rally to nose out the Indians, Jacky Nichols, Landol Frazier, and Clint Summers are Dimmitt's top players, and are the leading scorers on the club. However, the other members of the starting five, Steve Hutton and Dicky Dyer, have also been high scorers in several games this year, so actually the Bobcats have a well-rounded scoring punch. The defense can't concentrate on any individual because all of the Bobcats can and will score.

The Indians have been rolling along at a 64.3 scoring clip all throughout district play, while holding their opponents to 48.8 points. Rodney Williams is leading the individual scorers in the league games, getting 126 points, an average of 21 per game. Ernest Chesshir has a 16.1 district mean, while Charlie Ledbetter is averaging 11.5 in league play. Terry Don Davis and Jimmy Joyce make up the other starters for the Indians, and both of them have hit in the double figures several times this year.

Morton started out district play by topping Olton 62-43, then took the measure of Friona, 68-42. After the close loss to Dimmitt, 60-58, Muleshoe fell before the locals, 75-59, to round out the first half of conference play. In the second round of league competition, the

Indians ran past Olton, 64-35, then topped Friona 63-54. Morton hosts Muleshoe Friday night in the last district contest.

Morton's Maidens will open the festivities tonight at 7:00 as they take on the Dimmitt girls. The Maidens have had their troubles in district games this year, and are 2-4 for the campaign. Two of their defeats have been by one point each to the Olton girls, one of which was a double overtime affair. Friona, the top 2-A femme team in the state, handed the Maidens their other two losses.

KRAN cake sale Saturday to aid county MOD drive

Radio Station KRAN will conduct a bake sale, on the air, Saturday from 8 a.m. until 8:15 p.m.

Proceeds of the sale will benefit the Cochran County March of Dimes Fund.

This is the third year the local radio station has conducted a bake sale for the March of Dimes drive. The sale has netted approximately \$600 for each of the previous years.

Personnel of the radio station will conduct the sale by radio and telephone. Persons wishing to buy cakes will be able to call the station by telephone, or bid in person at the studios on the cakes.

Letters to the editor...

American Legion Auxiliary
Department of Texas
Austin, Texas

Editor of the Morton Tribune
Morton, Texas

Dear Editor:
I want to personally thank the Morton Tribune for publicizing and soliciting gifts for hospitalized veterans.

Efforts on your part and in cooperation with former members of Jesse R. Bond Post American Legion Auxiliary and friends, resulted in a large box of gifts being sent from Morton to the Veterans Administration Hospital, Big Spring.

On behalf of the veterans who were hospitalized over the holidays I wish to thank you and the women of the community for the gift box sent to the gift shop this year.

The gifts were greatly appreciated. Many of their families would not have had a Christmas if it were not for people like yourselves who remember the reason or reasons they are in the hospital.

We had a marvelous gift shop this year and I hope to conduct one equally as nice next year if possible.

Thank you again,
Mrs. Frances Barlow
ALA Hospital Representative

Dear Editor,

Let me say at the beginning of this letter, that I am not a journalist, even in the simplest form of the word. But there are some things I feel should be said and some people I think should be publicly acclaimed.

Like most of the other folk in Morton and the surrounding communities, I have lived here most of my life and it is my home. But, there are several young men and their families that have moved here just the last few years that are working for and with, we so called old timers, as if this had

always been their home also. They have done and are still doing more than most of us that have lived here many years.

I do not personally know all of these new citizens, but do know the good they are doing for us all. Just to mention a few are the two very good doctors we now have, Dean Weatherly and his radio staff, the owner of our newspaper and most of our workers there, and most of our fine teachers that are molding our children's character for the future are not originally from Morton. Yet, all these people have given much to us all in helping to improve our town. I don't know the right words of appreciation that I'm sure all of us feel for these newcomers, so would like to say Thank You! We're proud to have you with us.

GA's prepare for exam at regular Saturday meeting

The Girl's Auxiliary, ages 9-10, of the First Baptist Church, met January 25 in the home of Mrs. Wayne Mitchell.

Mrs. O. A. Graves reviewed and examined the girls on the first year's study of "GA Steps for Advancement." This was in preparation for a final examination on January 27.

First step in this course of study is entitled "Maiden." Girls were required to memorize the meaning of the organization and be able to explain and understand its purpose. They also were required to read the manual and an approved Mission book.

Girls passing this first or "Maiden" step were: Becky Jerden, Peggy Steed, Sue and Ann Winder, Vicky Kennedy, Vicky Shiflett, Ann Townsend, Jeana Thomas, Patty Jenkins and Raquetta Mitchell.

Debbie Walden also attended and will be ready to pass requirements in the near future. Debbie is a new member, having moved recently to Morton from Lubbock.

Mrs. J. D. Hawthorne of Knickerbocker has been visiting here with friends.

Red Raiders Saturday game on TV

LUBBOCK — Texas Tech's basketball team will meet Southern Methodist University in a regionally televised game in Dallas at 2 p.m. Saturday.

It will be the first telecast of the current season for the Red Raiders but by no means will be history making for Texas Tech. The 1958-59 Red Raiders became the only Southwest Conference basketball team ever to appear on national television when they whipped University of Missouri 80-70. They've been on regional TV several times, the last occasion being the decision over SMU in a playoff to determine the Southwest Conference playoff representative for 1962.

Last year the Mustangs won a

Lions notice

Morton Lions Club will not meet Wednesday, February 12 because of Lions Ladies' Night Saturday, February 15. The February 15 meeting will also observe the twenty-fifth anniversary of Morton Lions Club. Three top ranking Lion officials will be present for the silver anniversary celebration: Carl G. Roessler, Lion International Director of Woburn, Mass.; Dave Evans, Lion International Director of Texas City and Bert Belcher, Lion District Governor of Seagraves.

of the USA, Marina added. There is a two party system, the Democratic party and the Opposition Party, with political power approximately even between the two. The government is headed by a president, elected by the people, as well as a senate and congress, also elected by the people.

"Persons do not have to pay a poll tax in Lebanon or register for voting. On election day, they go to the polls and vote. Candidates for office campaign actively," he added.

"Any one can run for political office in Lebanon", Marina said. Marina was a resident of Lebanon until nine years ago. He served with the US Information Agency in Beirut for three and one half years prior to coming to the United States. He was credit manager for a major oil company in Brownsville for approximately three and one half years.

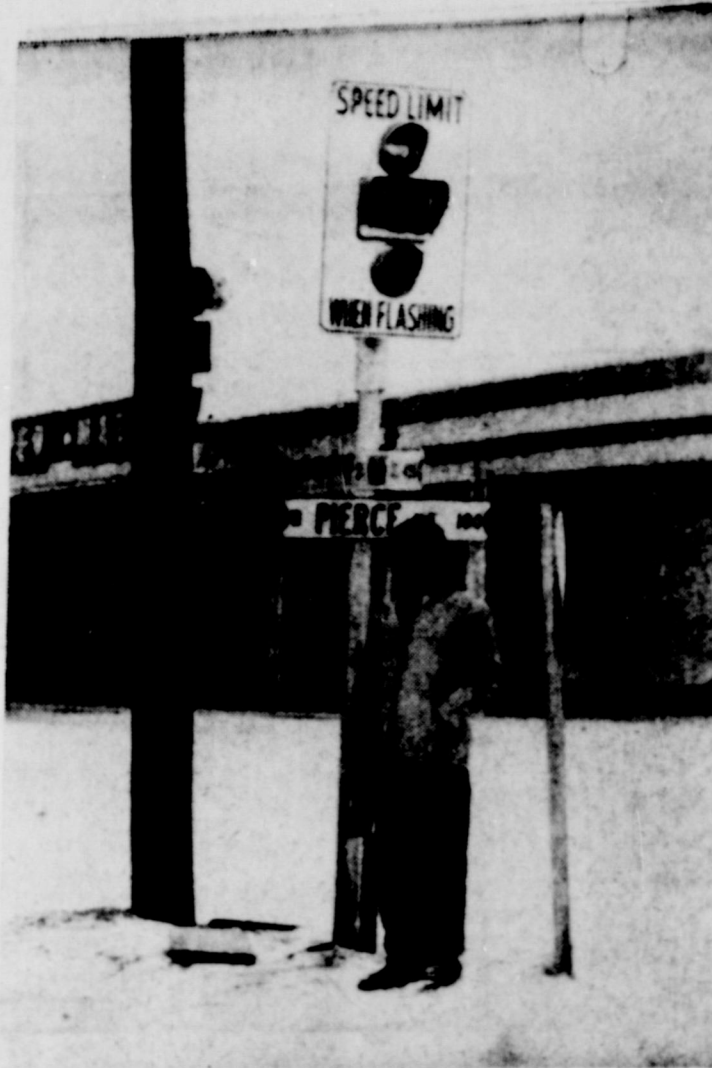

He has been a resident of Morton five years, coming here from Brownsville. He owns and operates the New York Store in Morton, a department store, and owns a similar establishment in Levelland, with the same name, New York Store.

Marina and his family have been very active in civic affairs in Morton and the vicinity since their arrival. Simon is a member of the Morton Lions Club and a charter member of the Mexico Good Neighbor Project.

A charter member of the old Morton City Board of Development, Simon has devoted much time to the organization. He was elected to the board of directors of the CBD and is now director of the Morton Area Chamber of Commerce, new name recently approved by members. Simon is now serving as co-chairman, Retail Trades Committee, of the Chamber of Commerce. The committee function is to increase and promote Morton as a trading and shopping center for the area.

Marina has not returned to Lebanon since his departure nine years ago.

Baytown services held for James C. Houghton

Funeral services were conducted January 29, in Baytown for James Champ Houghton, 73, a former resident of Cochran County.

Houghton died January 26, following an illness of several weeks and photographs, to show of Lebanon, and if possible, the Holy Land, when I return."

Survivors include his wife, Verena; six sons, Gordon, Weldon and Wimp of Morton, Buddy of Arizona, Pete of Houston and Zane of Baytown; four daughters, Mrs. Eleanor Bickett of Morton, Mrs. Mildred Phillips of Las Vegas, Nevada, Mrs. Margaret White of Baytown and Miss Johnny Houghton of Baytown.

Administrator says nursing home will continue operation

"There are no immediate plans for closing Roberts' Memorial Nursing Home in Morton", according to H. B. Dobson, administrator of the local nursing home.

Dobson was asked for a statement on plans for the nursing home after a number of people asked Tribune personnel if the nursing home was planning to close.

Dobson reported telling members of families of patients of the nursing home that additional patients were needed to fill the home. The facility has accommodations for 12 persons. Average number of patients in the home is 12.

The administrator said people could have misconstrued his statement to mean plans called closing the home if additional patients were not admitted.

"We have an investment in the home and we don't intend to just close the doors and lose it", Dobson said. "We do have space for patients and would like to have no less than 20 patients at all times", he added.

Roberts Memorial Nursing Home has been in operation since October, is state licensed and has been approved by the State Health and Welfare Departments.

Sharon Hawthorne has been discharged from the hospital. He and his wife, the former Mrs. Smith, are now at the Hawthorne Ranch, Knickerbocker, but plan to make their home in Lovington.

The Methodist Men's Breakfast is scheduled for this Saturday morning at 7 a.m. in Fellowship Hall of the church.

J. C. Reynolds, Buck Hutton and Pegues Houston fished this week at Lake Falcon.

Mrs. Jerrell Sharp, Mrs. Arnold Lamb and Mrs. Donald Mac Masten, citizenship committee, gave a program Tuesday night at a meeting of Modern Mothers HD Club. Mrs. Thomas Lynch hosted the meeting.

Mrs. Sharp discussed "Parliamentary Procedure," Mrs. Masten gave a resume of "How our Government was Formed," and Mrs. Lamb spoke on "What Problems our Government face."

Mrs. Masten gave the EEE

Tax Man Sam Sez,

A lot of folks try to avoid trouble on their tax return by having Internal Revenue or a private practitioner prepare their tax return. They feel that the Internal Revenue man or their private practitioner is responsible for their return. This is not true. If you sign an income tax return, you are responsible for the return — no matter who prepared it. You must see that your tax return contains all your income. It will also pay you to see that it contains all your deductions.

Mr. and Mrs. Jack Russell and daughter, Mary Ann, Lubbock, visited here Saturday with his parents, Mr. and Mrs. Hume Russell. Their son, David, who had been visiting here with his grandparents returned home with them.

Three-Way News

By MRS. ARTHUR COOPER

Eagles play Bala
Monday night, January 20, the Junior teams of Bala and Three Way clashed to split a double-header. The Bala Jr. girls won over Three Way girls 24-19, but the Three Way boys toppled their opponents 50-21.

Tuesday January 21, the varsity teams of the two schools clashed. Three Way girls won 72-32; but in the next game, the Bala boys triumphed 90-60 in a fast tussle.

Goodland Bible Club
Mrs. Jim Henry Johnson was hostess to the Goodland Bible Club Tuesday January 20. The Bible study was on chapters 1 and 2 of Ephesians, and study of that book will be continued on the next two chapters February 4, when the club plans to meet in the home of Mrs. Gene Kenley.

The members of the club adopted a Golden Age mother for each of them, an older woman in the community. Also, they drew names to determine Polly-Annas. The year-books were filled out at the conclusion of the business session. Those present included Mesdames W. C. McCalvey Jr., Leon Reeves, Kenneth Corbell, Gene Kenley, Ruel Kirby, L. D. Sanderson, Frank Knox, Neal Smith, Pete Tarlton, Tommy Galt, and guest, Mrs. T. G. Gaddy of Portales.

Locals
The father of Mrs. Paul Carlisle, James Floyd McCain, 70, of Amherst, passed away Sunday January 19 at his home. Sympathy of the community is extended to Mr. and Mrs. Carlisle and daughter, Ginger.

The Rev. Dennis Hurd, formerly of Spade, has accepted the pastorate of the Maple Baptist Church, and is to move to the parsonage there about January 27. He and Mrs. Hurd have five children: Mike, 17, a junior; Linda, 15, a sophomore; Jan, 13, in the seventh grade; Dick, 9, a fourth grader, and Patty, 6, in the first grade. Grady Shuman of Portales, the brother of Mrs. L. W. Chapman of Goodland, underwent surgery Tuesday of last week in a Portales hospital. He developed pneu-

monia later in the week, and was in serious condition last Sunday. Mrs. Chapman, Mr. and Mrs. Tommy Galt, and other relatives have been visiting him.

Mr. and Mrs. Leon Reeves, Mr. and Mrs. Jack Reeves and children Robin and Edwin were in Lubbock last weekend conducting business, and also visiting Mr. and Mrs. Bill Davis and children, Dennis, Dana, Dianne, and D'Lynn.

C. J. Feagley underwent surgery in West Texas Hospital in Lubbock Tuesday of last week. He is reported to be improving.

Mr. and Mrs. Aubrey Hutchison, former residents of this area, have moved here recently from Muleshoe, and reside about one mile northwest of Three Way.

A granddaughter, Lisa Chere Taylor, is announced by Mr. and Mrs. Arthur Cooper. The young lady arrived in Abilene January 20, to Mr. and Mrs. Lamar Taylor, and weighed 8 lb., 15 oz. Mr. and Mrs. Cooper visited the family in Abilene Tuesday and Wednesday of last week.

Mesdames J. P. Powell, A. E. Robinson, and Carrie Huff were in Muleshoe Friday of last week on business.

Local talent performs for MOD to SRO crowd

A standing room only crowd of at least 1,000 persons attended a March of Dimes Benefit Hootenanny in the County Activities Building Thursday night.

The show featured eleven acts and lasted approximately three hours.

The stage show was sponsored by Radio Station KRAN to benefit the Cochran County March of Dimes. Harmon Springer, Cochran County MOD Chairman, reported the show netted \$599.39 for the drive.

Featured on the program were the Simple Phones, Elvis Fleming, Guy McLain and Harold Drennan. The Danny Petree Combo with Charley Hill; the Thunderbirds, a Lubbock barber shop quartet; the Morton Beauty Shop quartet and the Dan Trice Combo.

Other acts included Reva Walden and Diane Boatright in a piano-vocal act; the South Plains Drifters; The Texas Rhythm Boys with Edna Lee; and vocalist Mary Jean Minor.

The Bracken-Swinney-Blake trio, Steven Bracken, Eddie Swin-

ney and Terry Blake. Funds from the Hootenanny boosted the Cochran County March of Dimes fund past the \$1,000 mark, according to Springer. The county chairman reported the drive would continue several more weeks.

March of Dimes campaign workers in Whiteface have not reported their contributions and a cake sale, sponsored by KRAN Saturday is hoped will boost the figure higher, according to Springer. Cochran County contributed approximately \$2,100 to the March of Dimes last year.

Diapause may control weevil

LUBBOCK — The High Plains of Texas will carry out a million dollar program to protect the area from the costliest of all cotton insects, the boll weevil, beginning in September of this year.

The control program is known as "diapause control," and was officially adopted by the Area-wide Boll Weevil Eradication Committee when it met January 17 under the sponsorship of Plains Cotton Growers, Inc. The committee is made up of one member from each of the 23 High Plains counties represented by Plains Cotton Growers, and the vote to adopt the

program was unanimous. In the election of officers, John R. Pugh of Route 1, Lubbock emerged as Chairman of the Area-wide Committee, and Andrew Boggs of Kress was selected as Vice-Chairman.

Diapause is a phase through which the weevil passes during the fall of the year when preparing to hibernate, and the control program's success depends on killing him before he completes that preparation, thereby greatly reducing the number of weevils emerging in the Spring to infest crops. Involved in the High Plains program will be the spraying of cotton acreage from the line of westward infestation back to where ranchland forms a natural barrier on the East. Present calculations indicate that some 180,000 acres of cotton will need to be sprayed at ten day intervals from the middle of September until the cotton is killed by frost or by desiccation. It is estimated that the average field will need spraying three times.

Once weevils have established themselves in an area, in-season control costs run from \$20 to \$60 per acre plus the unavoidable damage, and the unanimous vote of the committee indicated their feeling that spending one million dollars, or about 50 cents per High Plains acre, will be a good investment against spending the hundreds of millions that would be spent should the weevil infest the

entire High Plains. Plains Cotton Growers, Inc. is furnishing office facilities and personnel for the program, but funds collected will be kept completely separate from P. C. G. funds and will be received and disbursed by the Boll Weevil Steering Committee rather than P. C. G.

The mechanics for collecting the million dollars from the High Plains was turned over to a Finance Committee composed of Jimmy Taylor, of Big Springs, Don Anderson of Crosbyton, Rob Simmons of Spur, Weldon Martin of Tahoka, and Morris Thomas of Hale Center.

The working organization which will be responsible for much of the program's success will include the Technical Advisory Committee, the Steering Committee, the Area-wide Committee, County Committees in each county and a committee from each of the communities within a county. Members of the Area-wide Committee will serve as chairmen of the County Committees, and members of the county committees will in turn act as chairmen of Community Committees. Final organization of these committees is underway and is expected to be completed by the middle of February.

In addition to the million dollars that is to be raised on the High Plains, there are precedents for Federal participation in programs of this nature on a matching funds basis and it is believed that federal funds can be secured for this project.

Entomologists who are members of the Technical Advisory Committee and who have studied the High Plains problems estimate that spraying of extensive but declining acreages will be necessary for perhaps three years, after which only localized outbreaks will need to be patrolled.

School nurse is guest speaker at Homemaker club

Mrs. Cammie Jackson, school nurse, was guest speaker at a meeting January 28 of Happy Homemakers HD Club. Mrs. E. C. Hale hosted the meeting, and gave the devotional.

The speaker outlined her duties as school nurse, the school health program and care of the needy in school. She also gave the symptoms and cure of hepatitis.

Committees were selected to work with the poll tax booth at Doss Thriftway on January 29. Plans were made for the club to serve coffee and cookies before and after the January 30 Hootenanny program for benefit of MOD.

The hostess served a refreshment plate to Mrs. Jackson, Mrs. Jesse Clayton, Mrs. Eugene Bedwell, Mrs. C. W. Wiggins, Mrs. Bert Darland, Mrs. Raby Kellogg and Sherry, Mrs. Harmon Springer and sons.

Mrs. Harmon Springer will host the club February 11, at which time a guest speaker will give a program on Communism.

Mrs. Miller Crane of Lubbock visited here this weekend with her daughter, Mrs. John Haggard and family, also with Mr. and Mrs. J. M. Austin, former neighbors in Lubbock.

Texas farm and ranch safety group seek hero

COLLEGE STATION — Somewhere in rural Texas lives a person who is due a hero's ward. He or she, adult or youth, may be your neighbor.

The Texas Farm and Ranch Safety Council is now seeking that individual and you can tell them where he or she lives and about the deed performed.

The individual being sought by the Council may have rescued another person from a burning building, saved a child from drowning, rendered services beyond the call of duty during a neighborhood or countywide emergency or risk-

ed his life to save another from electrical shock or a highway or farm accident.

There are many rural heroes in Texas, the Council believes, and they want to recognize and show their appreciation to the one considered by a selection committee as most typical of the nominees.

The Council will present to the person selected their Rural Heroism Plaque. Nominees must come from a rural area or from a town of less than 2,500 population.

It is easy to make the nomination. Just submit a narrative covering the heroic deed but include the details, such as the full names of all persons involved and include news clippings and pictures if available.

Then mail the entry before March 1, 1964 to Rural Heroism Award, 3900 Barnett Street, Fort Worth 3, Texas.

By recognizing heroic rural service in this manner, the Councilmen believe attention will be focused on the continuing need for improved safety conditions in our rural areas—at work, at home and at play.

Colored residents express approval of paving project

The cost of paving and methods to pay the cost of the improvements were discussed at a meeting at the Trinity Baptist Church Thursday night.

Approximately 20 residents of Northeast Morton met with Mayor Jack Wallace, City Secretary Elra Oden, City Engineer Ralph Douglas and City Councilman R. C. Strickland.

The meeting was not an official city council meeting. The city officials met with the colored residents, at the request of the property owners of the neighborhood, to explain the proposed paving project.

The property owners attending the meeting favored the paving project. Their concern, according to Oden, was the cost and manner in which the cost could be paid.

Cost of the improvements can be paid, cash in advance, or one quarter of the total cost paid within ten days of completion and acceptance by the city engineer, the balance paid in equal installments of 25% annually for three years.

The city will pay 50% of the cost of paving, curbing and guttering side streets 25% of the cost of improvements to front streets. Cost to property owners, for paving, curbing and guttering side streets will be \$3.86 per foot. Cost of the improvements to front streets for property owners will be \$4.43 per foot.

SPC to offer course in feature writing

LEVELLAND — A short course in article and feature writing and club reporting will be held two evenings, Feb. 6 and 7, from 7 to 9 p.m. at South Plains College.

The course will include the basic principles of different types of writing. It will be helpful to those interested in writing short stories, articles, features and for club reporters whose duty is to write reports of club meetings.

The classes will be held in the speech auditorium of the library building under the instruction of Mrs. Maurine Elkins. Tuition will be \$5.

Notebooks and pencils will be furnished. Registration may be made at the first class session.

For additional information contact Frank Hunt at the college.

Patsy Rohrdanz will wed Jack Neal Brown

The engagement and approaching marriage of Miss Patsy Rohrdanz to Jackie Neal Brown is being announced by her mother, Mrs. R. C. Rohrdanz of Houston. Mr. and Mrs. Roy L. Brown are the parents of the bridegroom - elect.

The wedding will be held on March 28 at St. Paul's Episcopal

Church, Houston. Miss Rohrdanz and her fiance are students at Texas Technological College. She is a junior, majoring in journalism, and a member of Delta Gamma, social sorority. Jackie Neal, a Morton High School graduate, is a senior with a finance major. His fraternity is Sigma Alpha Epsilon.

U. S. Social Security rep speaks to local Lions Club

M. King, Social Security representative of the Lubbock office, was principal speaker at the regular noon luncheon meeting of Morton Lions Club Wednesday in the County Activities Building.

The speaker outlined the three benefits provided by Social Security which are: "Retirement", "Disability" and "Death." In each instance the benefit is designed to replace in part the income lost in any one of the three categories.

He explained the qualifications necessary for a person applying for disability payments from Social Security saying, "A person covered by SS is eligible for disability payments at any age if their claim is substantiated. Payments do not start until seven months after application, this is to allow sufficient time to see if the person is permanently disabled, in order to receive reports from examining doctors and to process the necessary papers."

King is in Morton once a month to assist with problems associated with Social Security and to answer questions. Date and hours here are posted in the Court House and Post Office.

King told the group that latest figures available on SS benefits received in Cochran County amount to \$20,875 per month going to 405 persons. There are 15 persons drawing disability in a total amount per month of \$798.

A question and answer period followed King's talk.

US Army hospital receives award in Operation Big Lift

A unit of the 2nd Armored Division sent the 225th Station Hospital of which Major Joe B. Gipson is executive officer a thank-you letter and an engraved plaque in appreciation for the hospital's shelter for two weeks during Big Lift, when the unit's campsite near Pirmasens, Germany, became a mud bowl in last November's heavy rain.

Brig. Gen. Douglas B. Kendrick, 9th Hospital Center CG, at Heidelberg, presented the plaque to Major Richard J. Harris, commanding officer of the 225th Station Hospital.

The hospital's hospitality included providing sleeping space for 800 personnel of the 2nd Bn, messing facilities and space for battalion headquarters when the unit discovered, on its return from maneuvers in the Kassel area, that its camp site was under water.

Lt. Col. John O. Deaver, battalion CO, contacted Pirmasens Post and the hospital, asking for billeting space. The call went out at 8:30 p.m. and by 8 the next morning facilities were ready for the troops.

A total of 11 wards and a mess hall were turned over to the men with billeting arranged by Harris, Gipson, Major Sara Bunn, chief nurse and Sgt. Ellsworth D. Patterson so the men could bunk with their own companies.

Illegible names slow tax returns

"When will I get my refund?" is one of the most frequent tax questions according to Ellis Campbell, Jr., District Director of Internal Revenue. He said that the failure to receive a refund — check or savings bond — is usually caused by illegible names or addresses.

Mr. Campbell said that it is permissible to sign your name at the bottom of the return the way you always sign your name, even if your signature is a hurried scrawl. At the top of the return, however, your name should also be carefully printed or typed along with your social security number.

In other words, eliminate any doubt as to who you are and where you live.

Each year thousands of refund checks are returned to Internal Revenue offices because the postman cannot deliver them.

Director Campbell said that if the taxpayer has moved, he should show his new address to promptly receive refunds and other mail from Internal Revenue. If he moves after filing, a forwarding address should be left with the post office.

Indians hopes are bolstered by win

Morton Indians kept their hopes alive for a district basketball title by running past the Friona Chiefs, 65-54, at Friona Friday night, while the local girls suffered a 46-40 defeat at the hands of the state's No. 1 ranked 2-A girls team, the hosting Squaws.

The win by the Indians set the stage for tonight's clash with the front-running Dimmitt club, the only district team to have beaten Morton. They turned the trick, 60-

58, in Dimmitt last month.

The Indians took command of their game with Friona at the outset, leading 16-8 at the half, and increasing the margin to 34-23 at halftime. The third period tally was 51-41. Four local boys scored in the double figures, with Rodney Williams leading the pack with 16. Charles Ledbetter bucketed 14 points, while Terry Don Davis added 13, and Ernest Ches-shir an even dozen. Travis Graves

was high for the Chiefs with 18 tallies.

Morton's girls fought the Squaws right down to the wire before succumbing. They fell behind 9-5 at the first rest stop, and were trailing 27-18 at halftime. The Maids pulled to within four points, 34-30, at the end of the third period, but Friona out-scored them in the final eight minutes, 12-10, to take the victory.

The game was a far cry from

the earlier contest with Friona, in which the Maids were overwhelmed by a 57-32 count in Morton. In that tilt, the local sextet was never in the game.

Lynne Freeland of Morton and Charlotte Nettles of Friona put on quite an exhibition of free throw shooting in the game Friday night, as Miss Freeland made good 13 or 14 attempts while her counterpart missed only one of 17 shots at the charity line. Both girls were high scorers for their teams, Lynne

McKnight-Seaman wedding told

Miss Margaret Lee McKnight and Charles O. Seaman exchanged wedding vows at the First Methodist Church in Portales on January 23. The Rev. Milton R. Chester, director of Wesley Foundation, Eastern New Mexico University, officiated for the double ring service.

Parents of the couple are Mr. and Mrs. C. T. Seaman and Mrs. C. McKnight, Portales.

Traditional bridal music was provided by Bill Mattingly, Estancia, N.M., and Miss Nellie Carter, Carlsbad.

An arch of greenery interspersed with white glads and bows of turquoise ribbon flanked by twin candelabrum provided background for the ceremony and white satin kneeling bench.

The bride was attended by a close friend, Miss Elizabeth Hind-

man, as maid of honor. She wore a dress of turquoise peau de soie style with a fitted, sleeveless bodice and floor length bell skirt. She carried a single long-stemmed white rose.

Max Johnson, roommate of the bridegroom, was best man. Bob Stevens, pledge-son of the groom and Mack McKnight, brother of the bride, ushered.

The bride, given in marriage by her uncle, Earnest McKnight, chose for her wedding a white floor length gown of brocaded satin fashioned with bell skirt. The jacket of peau de soie was designed with bateau neckline and short sleeves. Her veil of illusion was attached to white satin roses. She wore a blue garter, her gown was new, she carried an arrangement of white roses atop a white Bible borrowed from Marsha Sue Clark. For something old she wore a cameo necklace belonging to Mrs. John Adams.

A reception for members of the bridal party and 80 guests was held immediately following the ceremony in the church parlor. The bride's table was covered with white taffeta overlaid with turquoise net. A floral arrangement, made by Mrs. W. E. Driskell, aunt of the bride, centered the table. Miss Susan Dodd served the wedding cake. Miss Marsha Clark presided at the punch bowl.

For a wedding trip to Santa Fe the bride wore away a mohair suit of olive green with brown accessories. They are at home at 23 Sandia Court, Portales, where both are students at Eastern New Mexico University.

The bride, a graduate of Portales High School, is a junior, majoring in chemistry. Her sororities are Alpha Delta Pi (social) and Chi Sigma Alpha (honorary science). Her husband, graduate of Morton High School, is a senior with a major in music. His fraternities are Alpha Alpha Chi (social) and Kappa Kappa Psi (honorary band).

Guests from out of town attending the wedding were the parents of the bridegroom, Mr. and Mrs. C. T. Seaman; Mr. and Mrs. Ernest McKnight, Pampa; Mrs. W. E. Driskell, Dallas; Mrs. E. R. Lindley, Temple; Mrs. K. Crouch, Mr. and Mrs. James A. Hawthorne and Mr. and Mrs. J. Eberhart, all of Roswell; Mr. and Mrs. Wayne Wagner, Mrs. W. J. Woolam, Mr. and Mrs. Lonnie L. Woolam of Morton.

Miss Betty Lou Ledbetter, student at Tech, was here this week-end with her parents, Judge and Mrs. M. C. Ledbetter and family.

Pam Reynolds Worthy Advisor

Miss Pamela Reynolds was installed as Worthy Advisor, Order of the Rainbow for Girls 293, Saturday evening in Masonic Hall. Miss Reynolds, a junior in Morton High School, is the daughter of Mr. and Mrs. J. C. Reynolds.

Guests were welcomed by Mrs. James St. Clair; presentation of the Flag, Bible and Rainbow Emblem, was made by cousins of Miss Reynolds; Dub Hill, Trezelle Hill and Sandy Hill, Jerry Winder gave the invocation.

Installing officers were introduced by Mrs. St. Clair, who also presented awards of Rainbow Bibles to Darlene Lytle and Katherine Masten for serving as recorder and treasurer for one year.

Officers installed in addition to Miss Reynolds were: Carla Mc-

Carty, worthy associate advisor; Jane Luper, Charity; Barbara Kennedy, Hope; Janice Toombs, Faith; Lynette Phillips, recorder; Linda Hawkins, treasurer; Mary Kate Miller, chaplain; Sandra De Busk, drill leader; Wanda Smith, Love; Gaylene Weed, Religion; Darla Turney, Nature; Barbara Harvey, Immortality; Pam Bowlers, Fidelity; Kay King, Patriotism; Donna Allsup, Service; J. Tuan Lewallen, confidential observer; Frankie Jackson, outer observer; Darlene Lytle, musician; Laquita Masten, choir director and Mrs. J. C. Reynolds, mother advisor.

Installing officers were: Mary Walden Bingham, Past Grand Worthy Advisor, Seminole; Sara Wallace Mitchell, chaplain, Kay St.

Clair, recorder; Mary St. Clair, marshal and Donna Kay Ferguson, musician.

The hall was decorated with baskets of red carnations and a large Rainbow.

Miss Reynolds chose as her scripture Philippians 4:7, the theme "peace," symbol "Dove", colors of red and white and the peace rose as her flower.

Red corsages were presented the installing officers by the incoming worthy advisor.

Jack Wallace concluded the installation service with the benediction.

A reception honoring Miss Reynolds was hosted by Mrs. St. Clair and her daughter, Mary, following the installation.

This week's recipe is an original one which won for its originator, Mrs. John Haggard, a cash award from Better Homes and Gardens. The food editor of the magazine asked for new, different and combinations for preparing liver. The following recipe was submitted and is now offered to Tribune readers.

Liver-Onions and Eggs
In preparing this dish one may choose the desired amount of liver according to number of servings. Proportions given here are for:

- 1 pound liver (floured)
- 2 large onions
- 2 eggs
- Enough shortening for frying the listed ingredients.

Flour and brown liver in shortening; remove liver from drippings, removing any over brown particles from the shortening. Fry the onions until soft, add the eggs, salt and pepper to taste, serve the onions and eggs with the liver.

Mrs. Haggard enjoys cooking and in addition to her original cash winning recipe has received many awards at fairs and food competitions for entries in the culinary arts.

Although a newcomer to Morton (the Haggards moved here in October) Mrs. Haggard has already made a place for herself in Morton's religious, civic and social life.

Mr. and Mrs. Haggard and their two children, Ann, 12 and Andy, 11, had lived in Lubbock for eight years. Having moved there from Prescott, Ark.

She is the former, Margaret Crane, only child of Mrs. Miller Crane, who now makes her home in Lubbock. Margaret was born at Foreman, Ark. She is a graduate of Prescott High School and Henderson State Teacher's College, Arkadelphia, Ark. While in high school she was editor of the school paper for two years. She has the unusual distinction of having completed two years of college while finishing her last two years of high school.

In 1949 while still in school she was selected Prescott's "Citizen of the Year."

It was during her senior year in high school and sophomore college year that she met her future husband. He came to Prescott as a bookkeeper for the Ford Company immediately after graduation from the University of Arkansas, Fayetteville. They were married on February 19, 1950 and she graduated the following June.

The wedding ceremony for Margaret and John was in itself unique; the ceremony was read by her school band director, the English teacher, a pianist, presented the bridal music and accompanied the high school principal as he sang several selections. The ceremony was attended by 500 persons and Prescott's Chief of Police (with whom the bridegroom made his home) provided them with a police escort on their wedding trip to Hot Springs, "Where," Mrs. Haggard said, "we finally evaded the police as well as the dozen or more cars that had followed."

Here in Morton Mrs. Haggard says she is "general flunky" in the

MRS. JOHN HAGGARD

office of her husband in the Professional Building. He is a certified public accountant.

She is a bookkeeper, typist and secretary by training. Margaret was on the staff at Texas Technological College for two years, serving as research coordinator in the department of Agricultural Research. She says she enjoyed this work and the association with five graduate students who were preparing thesis on various projects in the AR Department.

For recreation the entire family swim, belonging to a private swimming club in Lubbock. Margaret's very favorite hobby is cooking; she plays the piano, for relaxation and her own pleasure and is presently taking a course in primitive painting under a specialized instructor in Lubbock.

She likes to play bridge. She is a member of Beta Sigma Phi, a social sorority and since moving to Morton has, with her family, affiliated with the First Methodist Church, formerly they were members of the Presbyterian Church. The Haggards and "Tootie," the children's two year old dog, make their home at 510 East Lincoln Avenue.

Although this week's recipe was originated by Mrs. John Haggard while a student and before she met and married John, it is one of her favorites and one Margaret prepares often for him. Perhaps it is true that the way to a man's heart is through his stomach. At any rate the recipe Mrs. Haggard submitted is one she enjoys preparing for her Valentine. She won a cash award from Better Homes and Gardens for the recipe. The food editor of the magazine asked for a new, different and various combinations for the preparation of liver. The following recipe was

concocted and submitted with resulting recognition and cash award. It is now offered to Tribune readers.

Move to Commerce
Mr. and Mrs. Steve Middleton, have moved to Commerce, where he has enrolled at East Texas State College. Middleton formerly attended Tech.

MAURICE LEWALLEN, Superintendent, Morton Gas Department, opens a valve, increasing the flow of gas to Morton meters. The city utility department head reported as much as one and one half million cubic feet of gas are used by Morton in a 24 hour period when temperatures drop as they did Monday. The gas department checks the gauges and regulates the flow of gas at least twice daily. The amount is increased about 6 a.m. and then decreased at approximately midnight, when less gas is used. NEGLECT

This highway began to decay the day that it ceased to be used and repaired. Deterioration sets in with the onset of neglect. When a nation's spiritual life is neglected there is a possibility that nation will not long endure. Let us strengthen our nation and our society by attending church regularly and reaffirming our faith in God.

"And let us consider one another to provoke unto love and to good works: Not forsaking the assembling of ourselves together as the manner of some is; but exhorting one another; and so much the more, as ye see the day approaching." Hebrews 10:24, 25.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny: the truth which alone will set him free to live as a child of God.
