

Dimmitt Bobcats host Indians Saturday to begin district cage title playoff

Morton Indians travel to Saturday night to battle Bobcats in the first game of a series of three to be played by the Indians and the Bobcats in basketball playoff.

Two cage teams tied for the championship, each end-season with a 7-1 record. Dimmitt winning at home, and the Indians topping the Bobcats, 66-60 in the local gym. The Indians will host the second game of the series on Thursday, February 20, while the third contest, necessary, will be staged at Whiteface gym on Saturday,

January 22. All games will begin at 7:30 and regular admission for district games will be charged.

The teams are battling for the right to meet the champion of District 4-AA, which in all likelihood will be either Denver City or Slaton. Those two teams meet on Tuesday, February 18, in what will probably be the championship-decider. Denver City beat the Slaton team, 85-67, on the Mustangs' court in the first round of competition, the only game the Tigers have lost in district play.

Last season, Denver City and Slaton tied for the conference crown, with Denver City representing the league after a single game

playoff. The Mustangs then advanced to regional play by edging Dimmitt in a contest played at Whiteface. The Slaton basketball team is coached by Fred Weaver, formerly a member of the Morton coaching staff.

The Indians nearly won the district title outright, as they almost upset the Bobcats in Dimmitt on January 17. The local team, behind 45-41, going into the fourth quarter, jumped to an eight point lead mid-way through the period, but couldn't hold their advantage.

In the return contest here Thursday night, the Indians came through with one of their finest games of the campaign to salt

away their first cage championship in four years.

The Dimmitt team is exceptionally well-rounded with all five members of the club being capable to score. They do not have a great deal of height, although their average team height is more than Morton. Clint Summers has

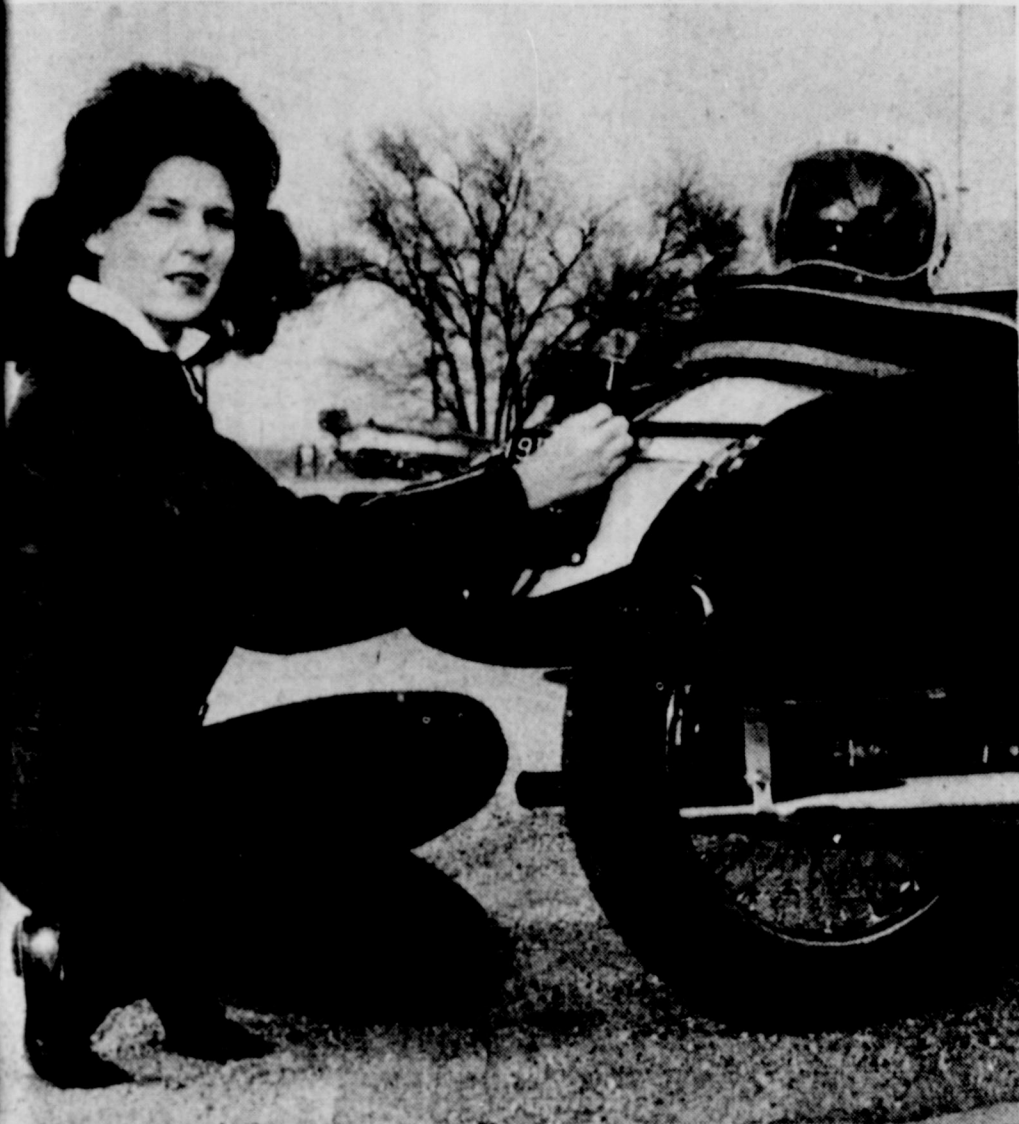

been the high scorer for the Bobcats in each of the games with the local squad, as he tallied 17 points at Dimmitt, and 16 Thursday night here. Jacky Nichols hooped 14 and 15 in the two contests. Landol Frazier, one of the Dimmitt leading scorers, has been held to only 16 points in the two

battles with Morton, and this has been one of the reasons for the Indians' success against the Bobcats.

Morton's success in the playoffs will depend mainly on the scoring of the "big three" — Ernest Chesshir, Rhodney Williams, and Charles Ledbetter. These boys

have alternated being high scorers for the Indians most of the year, although they receive valuable help from Jimmy Joyce and Terry Davis. The rebounding of the local club — especially by Chesshir, Ledbetter, and Joyce — has also been an important factor in their fine season's record.

It is expected that a large number of Morton sports fans will follow the Indians to Dimmitt Saturday night, as the interest in basketball has been growing, and the final two games of the regular season were played before near capacity houses in the local gymnasium.

★ Booster meeting

Morton Athletic Boosters are asked to attend a special called meeting Monday at 7:30 at the high school. James Dewbre, president of the club, has called the meeting to discuss plans for the annual athletic banquet. All members are urged to be present.

Bond deal saves school \$29,000

Members of the Board of Trustees of the Morton Independent School District saved \$29,000 at a regular meeting Monday.

Future Homemakers of America to sell Stanley Products. Mrs. Scoggins explained the girls would earn 15% of sales, which would be used by the club for various activities.

Each club of the school is allowed certain projects they can participate in to obtain funds. The projects are kept at a minimum to prevent students devoting too much time to extra curricular activities.

Mrs. L. Z. Scoggins met with the members and asked their permission to allow members of the

She explained that girls who wished to participate could, none would have to. She compared the sale of her products to bake sales, a common means of obtaining funds by organizations. According to Mrs. Scoggins, it would be easier for the girls to sell the home products and the club would earn more than from the sale of cakes.

Members of the board informed Mrs. Scoggins they would consider her proposal.

★ School Week

Open house is scheduled at Morton and Whiteface schools during the week March 2 through March 6 in observance of the Public Schools Week. The Whiteface schools will observe open house Monday, March 2. Open House is scheduled for Tuesday, March 3, at the Morton Schools.

Millard Townsend stated that approval of the board to Mrs. Scoggins and Stanley products might infer the school endorses that particular product. Other companies might then ask that other clubs be allowed to handle their products for fund raising purposes.

Each club of the school is allowed certain projects they can participate in to obtain funds. The projects are kept at a minimum to prevent students devoting too much time to extra curricular activities.

Vernon Wright, Transportation Superintendent, reported results of an experiment he had conducted to the board.

Two school buses were used in the experiment to determine the effectiveness of a motor oil additive. One of the buses used 13 quarts of oil during 2,000 miles of operation. The additive was added and oil consumption dropped to three quarts of oil for 2,000 miles.

Another bus, with the additive in the crankcase, used no oil in the 2,000 mile interval between oil changes. The oil was changed, no

Tax receipts indicate 2,000 eligible voters

A possible one third of Cochran County's population will be eligible to vote in state and local elections in 1964.

Officials of the county tax assessor-collector's office reported 1,774 poll tax receipts were issued in the county. Persons exempt because of overage and persons voting free the first time because of becoming 21 may bring the total number of eligible voters to 2,000, according to tax assessor-collector deputies.

See POLL TAX, Page 6

Candidates urged to file for city and school posts

Political hopefuls for positions on the Morton City Council or the Board of Trustees of the Morton Independent School District have less than 30 days to file for candidacy.

A mayor and two city councilmen will be elected in the city election April 7. Two trustees of the school board will be elected April 4.

Deadline for city hopefuls is March 7, for positions on the school board March 5.

Officers whose terms expire include Mayor Jack Wallace and councilmen Keith Kennedy and R. C. Strickland. School board members whose terms expire include Weldon Newsom and H. B. Barker.

None of the incumbents have made announcements concerning re-election. To date, no candidates have filed for any of the offices.

\$45,000 budgeted by city to apply to cost of paving

The City of Morton will spend \$45,000 for paving, curbing and guttering in the city.

Members of the council decided on the figure at a regular meeting of the council Monday night. The council met Thursday night, in conjunction with a public benefit hearing, then again Friday morning, a continuation of the public hearing.

The \$45,000 figure was recommended by Mayor Jack Wallace and unanimously accepted by the councilmen.

City Engineer Ralph Douglas reported the funds would pay the city's share of paving approximately 60-70 blocks. The city plans to pave 70 blocks, sharing the cost with property owners.

"If the blocks to be paved are mainly front streets, the money will cover the cost of approximately 90, if the majority are side streets, 60-70 blocks can be paved", Douglas told councilmen after Earl Crum asked how many blocks the \$45,000 could be used for.

A motion was made by R. C. Strickland to earmark \$45,000 for the paving fund.

W. M. Butler was appointed election judge for the city election April 7. The term of office of Mayor Jack Wallace and two councilmen, Keith Kennedy and R. C. Strickland will expire this year.

MR. AND MRS. HERMAN ENOS

Enos Tractor to have open house Saturday

A formal opening is scheduled Saturday at Enos Tractor and Welding.

Purpose of the formal opening, according to Herman Enos, owner, is to display the firm's new building to farmers of the area.

The \$20,000 building is 40 x 88 feet and brings the total floor space of the two buildings to 7,500 square feet.

The new building is used primarily as a tractor display and parts room. The older building houses the machine shop and mechanic's working areas.

Enos Welding has been in operation for 14 years and features the most complete machine shop in Morton. The business operated as a machine shop and implement business until February, 1961. The Allis Chalmers line of tractors and farm implements was added to the line of implements then.

Enos Tractor and Welding is a family business, owned by Mr. and Mrs. Herman Enos. Employees include Tracy Enos, shop foreman; Junior Enos, mechanic; Olen Darland, partsman; Billie Don Enos,

See ENOS, Page 3

Council plans to include 70 blocks in paving project

The first units of a proposed paving project were dropped from the engineer's roll at a meeting of the city council Friday.

The meeting, a continuation of a public benefit hearing Thursday night, reconvened at 10 Friday morning.

The council closed the public benefit hearing, and began deleting units from the engineer's roll. The roll lists approximately 120 units of property that could be paved. City officials plan to pave approximately 70 blocks, dropping the excess units from the engineer's roll.

Units deleted from the roll were units 20, the west two blocks of unit 22, units 39, 40, 47, 60, 28 and 17.

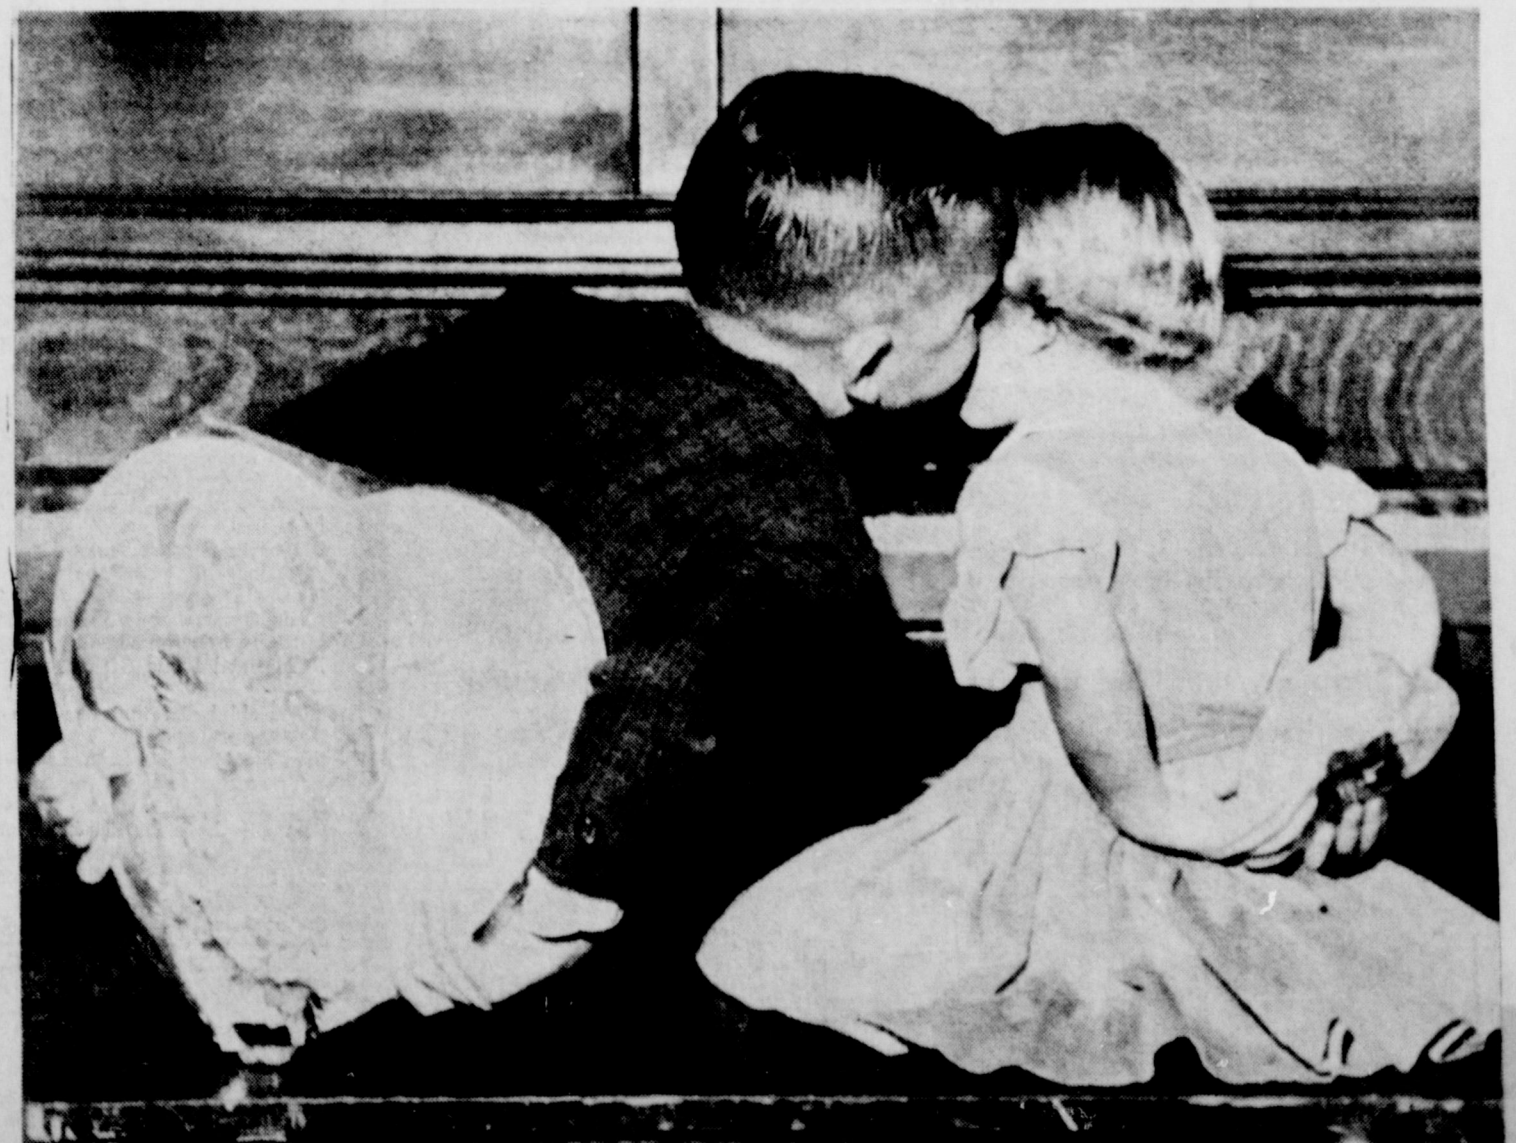

Other units will be deleted to bring the number of blocks to approximately 70, according to councilmen.

Attending the meeting was Fred Payne, local realtor, Payne assisted in the evaluation of property. The real estate man stated the units remaining on the engineer's roll would increase in value at least the amount spent for the paving, curbing and guttering.

An ordinance concerning the paving was read and approved. The ordinance must be read and voted on three times to become official. The deletions were included in the ordinance.

City Engineer Ralph Douglas said that less than two percent of the property involved in the paving project had shown opposition to the paving. He referred to the property, not the number of property owners as many persons own parcels of property in several locations and are opposed to paving in some areas, favor it in others.

Letter to editor received . . .

Dear Editor:

As president of the L'Allegro Study Club I wish to express the appreciation of the club members for the fine cooperation we receive from your newspaper. The amount of space given annually to our club projects is inestimable. With all the communications media available these days, it is still the newspaper that puts information into our hands in retainable form - to be read, digested, and kept.

The L'Allegro Study Club is a member of the General Federation of Women's Clubs, the largest group of organized women in the world, having 11,000,000 members in 15,500 clubs in the United States and in 54 other countries. The General Federation program in this administration highlights - an extensive campaign to obliterate illiteracy from the United States and throughout the world; a Dimes for Liberty project to help build the Museum of Immigration at the base of the Statue of Liberty; cooperation in building the Cathedral of the Pines as a memorial to women who have died in all our wars, and many other worth-

while projects. However, our club has the privilege of choosing any project we wish to emphasize, always keeping in mind the needs of our local community.

Mrs. Dexter Otis Arnold, president of the General Federation, has declared that the General Federation of Women's Clubs has always strongly advocated the freedom of the press and that it has never been more important than it is today when more than half the countries of the world live under a partial or complete blackout of news through censorship.

Again accept our deep thanks and all good wishes.

Sincerely,

Mrs. Elwood Harris
President

Crosbyton services for George Harden

Funeral services are pending in Crosbyton for George Harden, father of Mrs. Jessie Hobbs, Morton, Harden, 72, died Monday at a Lubbock hospital.

Burial will be in Crosbyton under direction of Sanders Funeral Home.

Other survivors include a son, William Richard Harden, stationed with the U. S. Army in Germany; a sister, Mrs. Condie Starrett, Crosbyton, and a brother, Walter Harden, Estancia, New Mexico.

World Day of Prayer services set for tonight at First Methodist church

Members of the Morton churches as well as the public at large are invited to attend services this evening, Thursday, at 7 o'clock in the sanctuary of the First Methodist Church for a program in observance of World Day of Prayer.

Mrs. Bobby Adams and Mrs. E. Baldridge, secretaries of Spiritual Life Committees for the Woman's Society of Christian Service and Wesleyan Service Guild, are in charge of the program.

"All persons interested in joining this worldwide prayer fellowship will be warmly received," according to Mesdames Adams and Baldridge.

The theme for the 1964 service is "Let Us Pray". The service was prepared by Dr. Madeleine Barot, executive secretary of the Department on the Cooperation of Men and Women in Church, Family and Society of the World Council of Churches, Geneva, Switzerland.

In using passages from the Old and New Testaments, Dr. Barot will unite the countless number of Christian people who participate in the service in a new experience in prayer as "a struggle—an act of faith and repentance—and a commitment to service."

In continuation of past efforts in the mission of the church, the gifts collected as an essential part of the observance will go toward sustaining 12 Christian colleges for women in Asia and Africa.

The gifts will make possible the translation, printing and distribu-

tion of Christian literature to women and children in many parts of the world.

They will lend assistance to the present program among Indian-Americans and the support of the migrant ministry, providing day care centers, recreational centers and programs of assistance toward responsible citizenship.

Gifts will be used to extend hospitality to the more than 60,000 students coming to this country from all over the world, giving them the opportunity to know America through home life, as a part of an American family. This year in an effort to broaden the program among college and university students, a special gift will be used overseas to help strengthen Christian work there.

A special gift also will be used in the United States, making possible the continuation of the new program of ministry among newcomers in communities.

"The blessings, spiritual and physical, brought through the unity of prayerful hearts, have been evi-

dent since the first small group of Christian women met 78 years ago, offering their prayers and gifts for missions. The faith and love of God expressed then has reached out to the present time when groups in 150 areas on six continents will be gathering throughout 24 hours bound together in prayer," the secretaries said, in extending the invitation to this special service.

Mrs. George Boring hosts MOD coffee

Mrs. George W. Boring, assisted by Mrs. Cynell Price, hosted a MOD Coffee in her home, 621 East Garfield, Thursday morning.

Coffee, donuts and spiced tea were served to approximately 30 people. About \$23 was collected.

Mr. and Mrs. Harold Arant and son, Ruyal Don, were in Fort Worth last weekend to attend the Fat Stock Show. They were joined there by Mr. and Mrs. Jim Arvidson of Tulsa, Oklahoma. Mrs. Arvidson was at one time the world's champion women's barrel racer.

WSG conducts Valentine meeting

Wesleyan Service Guild of the First Methodist Church met Monday evening at the church.

Opening prayer was given by Mrs. H. F. Dunn. Mrs. Leonard Groves gave a demonstration on how to make a Valentine house. Mrs. Owen Egger, leader, talked on Wesleyan's ideas on Christian Perfection.

Closing prayer was by Mrs. J. N. Burnett.

Hostesses were Miss Lanora Jackson and Mrs. Don Lynskey served refreshments to Mesdames: John L. McGee, Don Hoffman, F.

E. Baldridge, J. H. Ross, Belk, Arvus Baird, Woodson, W. L. Meeks, Lee Taylor, Dunn, Leonard Groves, Oger, E. O. Willingham and Burnett.

Mr. and Mrs. Harold Arant in Lovelland Sunday to attend funeral of a friend. Burial services were held in the Christian Church.

Mrs. Harold Arant's mother, Mrs. Grace S. Levelland, to the doctor in Lubbock.

Bula Bulldogs rip Indians practice game, 78-56

Bula Bulldogs took some of the wind out of the sails of the local co-champion Morton Indians as they handed the Morton a good old 78-56 country lick-

35-21. Lynne Freeland was high scorer of the contest, with 21 tallies, while Evelyn Butler scored 18 for the local sextet. Madalyn Galt tallied 19 points for the losers.

Enos

(Continued from Page 1)

talented Bulldogs out-classed the Indians in every department as they rode easily to their victory. They held a 22-16 first quarter lead, and expanded it to 45-16 at halftime. Going into the last minutes of play, the Bulldogs were out in front 57-43.

Charles Ledbetter led the scoring for the Indians, with 21 tallies, but it was Cheshsir, with 13, who was the other Morton boy to hit the figures. Pat Risinger dumped 28 points for the Bulldogs, Curtis Archer added 22.

Morton girls out-scored the Bula Eaglettes, 44-35, in a primary contest Monday night. The girls played a 16-3 first lead, and were on top, 28-8, at halftime. The count at the three quarters of play was

parts and delivery, and Mrs. Herman Enos and Mrs. Tracy Enos, office staff.

Coffee and donuts will be served all day Saturday. Persons attending the formal opening will be eligible for door prizes to be presented Saturday evening. Winners do not have to be present at the drawing.

A demonstration of the D-21 Allis Chalmers eight row tractor is scheduled for Saturday. According to Enos, "The D-21 will be equipped with a five bottom spinning plow and demonstrated, if the weather permits."

Indians tie for basketball crown

By GENE SNYDER

Morton Indian basketballers vaulted into the throne room of District 3-AA last weekend by dumping defending champion Dimmitt, 66-60, Thursday night, and coming back the next evening to turn back a determined bid by Muleshoe, 67-59.

The two victories, closing out the Indian's regular season, put Morton into first place in district standings, but a 76-58 Dimmitt win over Friona Tuesday night gave the Bobcats a tie for the title. The two teams begin a best two out of three playoff series Saturday night at Dimmitt to determine who will represent the district in bi-district competition.

Dimmitt had previously edged the Indians, 60-58, in Dimmitt, but Thursday night's contest belonged solely to the Morton boys. They took charge from the outset, and although they never held more than an eight-point advantage, the outcome was almost certain. The Bobcats threatened several times to take charge, but the Indians were not to be denied this night.

Morton jumped to a 15-11 first period advantage, mainly on a seven-point effort of Ernest Cheshsir, and expanded their lead to

33-28 at halftime. Cheshsir, Charles Ledbetter, and Rhodney Williams each tallied six points in the second quarter. Dimmitt closed the gap to 50-46 at the close of the third canto, but the Indians pulled away again in the final eight minutes.

Ledbetter and Cheshsir shared high scoring honors with 21 points each. Ledbetter made nine field goals plus three gift tosses, while Cheshsir bucketed six from the field and nine from the charity line. The big Morton center canned six out of seven free throws in the final period. Williams tallied 14 points for the contest, and Jimmy Joyce and Terry Davis closed out the scoring with six and four, respectively.

Clint Summers was high for Dimmitt with 16 points, closely followed by Jacky Nickols and Clint Summers, with 15 and 14. Sharp-shooting Landol Frazier was held to only five points.

A well-balanced scoring attack by the Indians held off the Muleshoe challenge Friday night. Rhodney Williams led the basket barrage with 18 tallies, while Ernest Cheshsir bucketed 17. Jimmy Joyce came through with 14, and Charles Ledbetter with twelve,

nine of which were in the final period.

Morton was in front, 18-10, at the end of the first period, and held a 34-27 halftime lead. When the buzzer sounded ending the third quarter, Morton was on top 45-42.

Don Murray of Muleshoe was high scorer for the game, getting 26 tallies, while big Robert Seagraves added 16.

Local news items . .

H. N. Gipson of Grand Prairie and brother of Joe Gipson was a guest in the home of Mr. and Mrs. Gipson Tuesday. While here, he was a visitor at the Little Folks School where he played several selections on the piano and spoke to the group on "How The Little Things of Life Grow Into Big Things." Mr. Gipson is lecturing this week at the Church of Christ Bible Chair at Texas Tech.

Kirby Hoffman, Rt. 5, Levelland left last Monday for the Army. At last report he was in Dallas. His parents are Mr. and Mrs. Raymond Hoffman and brother of Mrs. Roy Akin and Mrs. Royce Hanna.

He flies through the air . . .

RHODNEY WILLIAMS appears to be suspended in mid-air during this action Friday night against Muleshoe, but he's just heading for a pile-up with Clem Kuehler (20) and big

Robert Seagraves (43) of Muleshoe. Morton won the contest, the last one of the regular season, 67-59.

News from Three-way

By Mrs. Arthur Cooper

Boys win over Bledsoe

The varsity team of Three Way High School won two contests with Bledsoe boys on January 28 and 31 respectively. The first tilt was a closely-played game, with the final score ending 42-41 on Bledsoe's home court. The game on Friday was at Three Way, and the Eagles won 54-37, with Johnny Harris as high-pointer with 17. The Bledsoe school does not have a varsity girls' team this year.

Junior cages in tourney

Both boys' and girls' junior teams from Three Way School participated in an invitational tournament at Pettit, January 30 - February 1. The girls' team was eliminated in the first game, when Bledsoe overcame the hard-fighting team 26-16. The boys won their first two games, but were tossed for a loss by Littlefield Juniors in the third contest 29-26. The other games won by Three Way Juniors were 37-7 over Smyer, and 22-20 over Amherst.

District tourney Feb. 13, 14, 15

The 4-B District tournament will be held in the Three Way School Gymnasium February 13, 14, and 15. Bledsoe, Bula, Pettit, Pep, and Three Way are the high school teams in this district.

Youth Day program

The youth department of the Three Way Methodist Church gave a Youth Day program Sunday morning February 9. Theme of the program was "Pass On The Torch", a dramatic presentation of the Christian Church during the centuries. Participating in the program were Katherine Masten, Madalyn Galt, Marvin Long, and Tommy Terrell.

Basketball news

In a practice game February 6 with Sundown Roughettes, the Three Way varsity team was defeated 50-44. The scores see-sawed throughout the hardfought game; score at the half was 21-16 in favor of Three Way. Galt was high point with 30 for Three Way.

A pair of conference games with Bula varsity teams at Bula were split the following night, February 7. The Three Way girls toppled Bula 56-41, with Madalyn Galt again having 30 points. Bula boys raced past the Eagles to win 92-54. Tommy Terrell had 29 points for Three Way, and Curtis Archer had 33 for Bula.

Birthday party

Tammy Davis was honored with

a birthday party in her home January 31 on her second birthday. Cake, ice cream and orangeade were served the following guests: Beverly Dupler, Patti and Randy Vanstorty, Edwin and Robin Reeves, Patti Bowers, Debbie, Johnny and Donna Kay Furgerson, Allen and Doyleen Davis, Mrs. Leon Dupler, Mrs. Bob Vanstorty, Mrs. E. Bowers, Mrs. Jack Reeves, the honoree and her mother, Mrs. Doyle Davis.

Local items

Mr. and Mrs. T. G. Gaddy of Portales visited their daughters and families the past weekend. Mr. and Mrs. Vonay Davis and sons Murry and Nicky of Hawley visited the first of last week with his brother and family, Mr. and Mrs. Doyle Davis.

Jesse Moore went to Amarillo Tuesday to take a physical examination for the armed services.

Mrs. Bud Warren left January 29, to visit her mother at Fort Worth. She was accompanied by Mrs. Kenneth Fox and daughter Janet, who plan to visit Mrs. Fox' sister and family, Mr. and Mrs. John Flinn and children, Irving, Texas.

Mr. and Mrs. Neal Smith went to Memphis last week, where they attended the funeral of his mother.

Mr. and Mrs. Cass Stegall returned Thursday of last week from Rochester, Minn., where Mr. Stegall went through the clinic. He did not have to have major surgery.

Grady Shuman, 70, of Portales, passed away in a Portales Hospital last Thursday February 6. Interment was in Lubbock by the side of his wife; he was a former Lubbock resident. He was the brother of Mrs. L. W. Chapman, and the uncle of Mrs. Cass Stegall and Mrs. Tommy Galt of this com-

munity. A number of other residents attended the funeral. Rev. C. E. Strickland of Three Way Baptist Church assisted in the services.

Mrs. A. E. Robinson went to Muleshoe Wednesday for medical treatment.

Mrs. Arthur Cooper spent four days last week in Abilene with her new granddaughter and family, Mr. and Mrs. Lamar Taylor and Lisa, also other relatives there. She visited her children in Lubbock and Littlefield on her return trip.

Mrs. Rosa Wittner, mother of Adolph and Andrew Wittner, passed away in the Morton Hospital Wednesday morning after a serious illness of about one week, though she had been in ill health for several months. She was almost 78 years old. Funeral services were held Friday.

Mr. and Mrs. Howard Pollard and son of Tulia visited last week-end with his parents, Mr. and Mrs. Carl Pollard.

Mrs. Freddy James was recently honored with a pink and blue shower in the home of Mrs. Carroll Fort.

Mrs. Rayford Masten was able to be released from the Morton Hospital Wednesday after a seige of pneumonia.

Twenty men left the community early Monday morning for Aransas Pass to enjoy a fishing trip. Those going included Paul Powell, Dutch Powell, Joe Sowder, Bob Van Story, Eugene Van Story, Wayland Garvin, Homer Richardson, Mitchell Abbe, Leon Dupler, Wayland Altman, D. Tucker, Jim Johnson, Frankie Fine, John Hodnett, Ronald Coleman, Malchus Fine, Clifford Dupler, Ike Williams, W. C. McCelvey, and Joe Bob Wyrick. They returned Friday.

Benefit hearing shows majority favor paving

"This is not a protest meeting. It is a public benefit hearing and is not a question and answer session", Mayor Jack Wallace told approximately 85 persons attending a meeting at city hall Thursday night.

The meeting, a public benefit hearing, was another step in obtaining a possible 70 block paving project for Morton. The meeting is required by law and was called to enable owners of property that might be included in the paving project an opportunity to express themselves - for or against the paving.

Each person attending was asked their opinion concerning the paving and their answer was recorded by a city employee Mrs. Dot Irwin, and City Secretary Elara Oden.

The meeting last 40 minutes and approximately 85 persons expressed their opinion.

Mayor Wallace, asked each person, "Are you for the paving on streets abutting your property?" Usually, the person addressed answered "yes" or "no". A number said they were with the majority of the property owners in their neighborhood. A few favored the paving on certain streets abutting their property in one part of town, opposed paving of streets abutting property they owned in other parts of town.

Dean Weatherly, Secretary of the Morton Area Chamber of Commerce, addressed the group as a representative of the organization.

Weatherly reported preliminary work on a paving project was initiated by the organization, then the Morton City Board of Development, approximately 18 months ago. Members of the CBD made a trip to Farwell to determine the method that city obtained paving. The mayor of Farwell addressed a general meeting of the CBD and explained that city's paving project. Immediately after the meeting, a list of persons desiring paving in Morton was started.

The C of C secretary reported the organization was still one hundred percent in favor of the paving project and believed the majority of people in Morton favor the project.

He praised members of the city council for their work on the project and expressed displeasure at recent criticism of members of the council. "They were elected by us and are doing what the majority want," he said.

The majority of the persons attending the meeting favored the paving. A few attending owned no property involved in the proposed paving and made no comment.

The canvas of property owners disclosed 34 persons favored the paving, 20 were against. Three persons asked about their abstracts and what would be done to bring abstracts up to date.

The reference was to a "blanket lien" recently recorded and later removed. Spokesman for the paving company report the cost of bringing abstracts up to date will be borne by the property owner. The cost of recording and removing the lien was paid by the contractor.

Orville Tilger was opposed to the paving of portions of his property outside the city limits, but abutting the city limits.

Tilger reported his 1.02 acre "farm" yielded a good crop of weeds each year. He did not think the value of the property would be increased enough by the paving to warrant the cost of the improvements. He stated he did not feel the paving would aid the drainage of the area and he did not feel there was sufficient traffic on that street to warrant paving.

"That street doesn't lead anywhere. Not to a school, not to a store, not to a gin. Nowhere," he said.

Tilger said he thought city funds (referring to the city's cost of the paving) could be used to better advantage elsewhere in the city, than for paving that section of Shelley Drive.

Two property owners: on Shelley Drive favor the paving.

Mrs. W. H. Wisely expressed that she was actually in favor of the paving but would have to ask the council not to pave around her property since she was not financially able to pay for the paving. She also stated that she resented the newspaper article written by Jim Norris which appeared in the Morton Tribune, following the last public hearing concerning the paving program. She pointed out that the property owners were invited to the hearing and she re-

ported the implications in the newspaper article and she thought Norris should make a public apology.

The meeting was recessed until 10 a.m. Friday.

Paving

(Continued from Page 1)

Pioneer Pavers asked members of the council for a letter, stating the amount the city would spend on the paving project. The city will pay fifty percent of the cost of improvements on side streets, twenty-five percent of the cost on front streets.

Members of the council decided to ascertain the amount to be spent at their next regular meeting.

Purtell was asked by several councilmen if property owners were being contacted. He informed the council a representative was contacting persons.

"The agent has been concerned primarily with owners of property abutting Highway 116. Most of them have been contacted and other property owners should be contacted in the near future," Purtell said.

"Legally, everyone has been contacted. The legal notice in the newspaper is all that is required by law. However, we are making an effort to contact each property owner personally. In addition, each property owner will be contacted by letter," he explained.

KRAN bake sale collects \$856 for county MOD

A cake sale, sponsored by the KRAN Radio Saturday for the Cochran County March of Dimes campaign, netted \$856 for the drive.

The figure brings the total collected for this year's fund to \$2,185.66, according to Harmon Springer, County Campaign Director.

The radio station sold 41 cakes and pies, four aprons, two floral arrangements and peanut brittle. Staff announcers of the station conducted the sale on the air.

Persons bid on the cakes in person or by calling the station.

"Each cake brought in at least ten dollars," according to Springer. "A chocolate cake, baked by Melba Kelly sold for \$37.50."

Members of the 1936 Study Club and Y-M Junior Study Club baked most of the cakes for the sale, although some were contributed by individuals.

The Emelia Smith Study Club delivered cakes to the buyers and collected money.

Peanut brittle was prepared and contributed to the sale by Mrs. R. C. Strickland, Mrs. Bea Yarborough and Mrs. Neal Rose.

Springer reported \$141.00 was collected for the drive by various pranks and stunts. Roy Hickman paid \$25 to the fund to have an A&M diaper pinned on Neal Rose. Rose wore the diaper until 6:30 Saturday.

Judge M. C. Ledbetter wore an apron and served coffee at the Eastside Cafe to have \$10 contributed to the MOD. Hickman carrying a sign reading, "Take me back to Tulsa", netted \$75 for the drive.

Charles Jones paid three dollars to the fund to have a current hit record broken. Immediately after the record was broken on the air, two teen age girls donated three dollars to buy a duplicate record.

Tommy Combs of KRAN, by wearing an apron on the air and on a date Saturday night increased the fund \$16.

Carl Ray also wore an apron while at work and netted \$10 for the MOD drive.

Springer reported the Whiteface Lions Club is to conduct a drive there. Lee Purcell is Whiteface Campaign Director. Funds collected in canisters placed in business establishments have not been counted, nor money obtained in a door to door solicitation Monday night.

The amount collected in 1963 has already been exceeded for the 1964 drive. The MOD collected \$2,175.98 last year, as compared with \$2,185.66 collected so far.

Springer paid tribute to the Campfire Girls for their work conducting the crutch sales. The group collected \$296.44, more than twice the amount collected last year from the sale of crutches, according to the director.

He pointed out the implications in the newspaper article and she thought Norris should make a public apology.

The meeting was recessed until 10 a.m. Friday.

Area may obtain bookmobile

The possibility of securing a bookmobile, or traveling library, for Cochran County will be discussed at a public meeting Monday night at 7:30 in the Activities Building.

Charles A. Gholz, Field Consultant of the State Library, Austin, will be present to discuss the bookmobile.

The traveling library is scheduled to arrive at the Ruzicka Gin northeast of Morton at 8 a.m. Monday. The bookmobile will stop in several places for fifteen minute intervals. After the gin stop, the bookmobile will be in Whiteface from 8:45 until 9:45 at the school. Lehman will be visited from 10:10 until 10:25.

The library will be at the Lehman Cities' Service plant from 10:45 until 10:55.

Bledsoe will host the bookmobile from 11:30 a.m. until 2:30 p.m. Students of the Bledsoe school will be given a chance to tour the mobile library.

A stop at Familar is scheduled from 2:25 until 2:40, Star Route Gin 2:55 until 3:10 and then to Morton.

The bookmobile will be on display at the Activities Building the remainder of the day.

Cochran County in cooperation with Lamb and Parmer Counties has been offered a chance to secure the bookmobile and an assortment of books valued at more than \$100,000.

The bookmobile would tour the three counties, allowing persons to take advantage of a large assortment of books. There would be no charge for the services of the van, driver, or librarians to the three counties for almost three years.

After three years, the counties would share in the expense on a per capita basis. The cost to the three counties would total approximately \$14,000 annually.

To secure the services of the bookmobile for three years, the county commissioners or a responsible agency must express a desire to participate in the program and plan to undertake their share of the cost after the free period.

Purpose of the bookmobile program, according to Gholz, is to supplement the fixed library system of persons living in population centers and aid the rural areas with more reading material. The bookmobile, if operated in Cochran County, would make drops of 150 to 200 books at the local library, then exchange them later.

"The bookmobile should increase the interest in libraries and reading, as it makes more literature available in the county than could be purchased from county funds," Gholz said.

Another feature would enable persons to have a library card for the Cochran County Library and be able to withdraw books from other libraries participating in the bookmobile program.

A recent movement by the Muleshoe Chamber of Commerce and Friends of the Library has shown a desire for the services of the Bookmobile.

Joe Harbin, Chairman of the Inter-County Relations Committee, Friends of the Library, and Roy

Davis, Manager, Muleshoe Chamber of Commerce, are scheduled to meet with directors of the Morton Area Chamber of Commerce Thursday to discuss the three county participation program.

The Muleshoe men will discuss the bookmobile program with the members of the Morton Lions Club March 4.

A meeting at Maple Monday night was attended by approximately 66 persons, according to

Davis. A number of the persons attending formed a "Friends of the Library Club" and began work to secure the bookmobile.

The Young Matrons Study Club and Federated Women's Clubs of Morton have been active in assisting the local library.

"The Federated Women's Club of America have been involved in 90% of the library improvement program in the nation," according to Davis.

County Agent's report

By Homer Thompson
Income tax information

The County Agent lists a few check marks before you file your income tax report forms. Some are often overlooked items which may result in over-payment of taxes.

Did you take advantage of investment credit on machinery and equipment purchased since December 1962? This can reduce tax by 7 percent of the eligible investment provided the credit is taken for the first year. The credit must be claimed, otherwise it is lost. Allowable credit for 1962 investments overlooked can be claimed by filing an amended tax return for that year.

Did you take under 30 percent of the contract price on property sale? If you receive no more than 30 percent, during the year of sales, the transaction qualifies as an installment deal. In such cases, you can spread the gains over the remaining payment years. Otherwise, the total gains must be reported for the year of sale and tax paid thereon.

Did you charge a portion of the family car's depreciation to the farm? Cost directly associated with the farm or ranch operation is a deductible expense.

Did you include actual payment to your children for the farm work they did? Bonafide wages paid are deductible and if a child's total earnings exceed \$600, he gets his own exemption. Parents may also claim him as an exemption provided he was in school and they furnished over half of his support.

Did you check the cost of purchased livestock that died during the year? Any remaining cost in breeding, dairy and stock held for re-sale may be deducted.

Did you compare allowable deductions before taking the standard ten percent deduction? You may be ahead by listing them, especially, if contributions, personal interest, taxes or medical expenses were unusually high.

Did you claim the cost of boarding and keeping hired help?

Did you make sure to get new machinery into the depreciation schedule?

Help your "Tax IQ," suggests Thompson by studying available publications. Such as the 1964 edition of the "Farmer's Tax Guide." Copies are available from the county extension agent or the Internal Revenue Service. This could be some of the most valuable reading you'll do this year.

Safety guides on hunting

Hunting is not a particularly dangerous sport, but it could be safer. More than 500,000 hunters take to fields, woodlands and the marshes in Texas every year. Parks and Wildlife Department data show that 49 shooting accidents occurred from September 1962 through September 1963. Fourteen of these were fatal. Nineteen of the 49 victims were under 21 years of age.

As our state population expands by leaps and bounds and becomes more and more urbanized, the number of hunters less familiar with firearms and their use will continue to increase. Boys and girls no longer grow up in circumstances that make the handling of guns a daily affair. Most of them today need formal instruction before they can be expected to handle firearms safely in the field. This is the purpose of the 4-H Club training in rifle safety and marksmanship in Cochran County.

The following are safety guides for hunting:

Be sure the bore is clean. Make a practice of looking down the barrel of the gun prior to loading and before moving on again. Any obstruction such as dirt, twigs, snow, wasp nest or cleaning patches can cause a gun barrel to explode when the gun is fired.

When hunters are carrying guns, walking abreast, they should carry the gun port arms or on the shoulder and take care not to point it in the direction of others.

Crossing a fence with a loaded gun can result in injury to your partner. Do not cross a fence with a loaded gun in your hand. When two hunters cross a fence, one hunter should hold a fence, one hunter while the other crosses. Then the first hunter should hand the guns over the fence. If alone, unload the gun and lay it down.

Identify your target, and know where other nearby hunters are. Speak frequently to your companions when visibility is obstructed. Never shoot at a mere movement in the brush. Be certain your line of fire is clear of people, buildings and livestock.

Through cooperation with the National Rifle Association, the Extension Wildlife Association, has available a list of trained and certified safety instructors throughout Texas. These men stand ready to conduct a hunter safety course wherever and whenever a class of volunteer students desire such in-

Teletype system explained court at Monday meeting

A direct line police teletype system for law enforcement purposes was discussed at the regular meeting of the Cochran County Commissioners Court Monday.

Wesley Byrom, sales representative of Southwestern Telephone Company met with the commissioners.

Byrom explained several cities have stated they would use the teletype network.

The direct line communication system for law enforcement tentatively includes Muleshoe, Slaton, Plainview, Abernathy, Slaton, Muleshoe, Broadhoka, Snyder, Crosbyton and Floydada.

Six of the possible 13 cities indicated they will participate according to Byrom. Lubbock, Levelland desire the system. "Should Morton or other cities join the cities wishing the teletype system, we can begin operation from told the commissioner location of Morton or other cities is important in the communication link.

Byrom explained the cost of a teletype system for law enforcement offices. Speedy communication, elimination of unnecessary travel, especially in numerical areas, and radio transmission elimination of unauthorized persons were listed by the company representative.

"A permanent record of messages sent and received is maintained with the teletype, also, a message can be used as evidence, as it is written and dated."

Cost of the service was \$100 monthly, he explained. Slaton Hancoek stated the would result in a savings of approximately \$35 monthly. Distance telephone calls are a monthly phone bill. Sheriff's department is \$100 monthly. The teletype would be either the two way radio or the telephone. Supplement those methods communications.

The teletype system is an operation of Southwestern and General Telephone Company. Members of the court would consider the proposition. In other action, the cost to pay the county's cost of the street west of the Memorial Hospital.

Tax rates will be the same last year. The court voted to increase the same rate. \$4 for state, \$5 for county, \$2 for water, \$2 for school, and \$3 for road. \$1.92 tax rate.

A Latin-American, seeking assistance, was directed to meet the qualifications per. The man is presently in this surplus commodities in county. He could not be employed a pauper, according to cause he is physically disabled. The 21 year old father told the commissioners he could not work, but could be employed. He has

J. L. Bilbrey reports for duty in Pacific

MIDWAY ISLAND (FHTNC) — Jimmy L. Bilbrey, aviation machinist's mate, USN, son of Mr. and Mrs. W. H. Bilbrey of Morton, recently reported for duty with Airborne Early Warning Barrier Squadron, Pacific Midway Detachment, Midway Island.

The squadron's job is to maintain an around-the-clock watch in the North Pacific from Midway to the Aleutians and from the Aleutians to Hawaii.

This extension of the Pacific Dew Line is designed to prevent attack on the United States from the West.

Bruised beef carcasses represent costly losses to the packer as well as the producer. On the beef carcass the loin has about 31 percent of the bruises that occur on the animal, the shoulder about 36 percent, the rounds 12 percent, the rump 8 percent and the ribs 13 percent.

When swinging on game, be certain that you do not "follow" with your gun as it passes between you and another hunter.

Handle your gun by the stock. The muzzle of your gun is not to be used as a handle. Keep your muzzle pointed in a safe direction. Your gun should be placed in the car with the action open and the muzzle pointed away from you.

Shooting at a water surface, rock wall or other solid objects can cause a bullet to ricochet. You cannot predict the path of a ricochet bullet.

Loaded guns placed against an insecure rest could easily fall, causing an accidental discharge with injury to yourself or other members of your hunting party, with injury to yourself or other members of your hunting party.

Whiteface news

Mrs. Willie Peters and began their study of town and country. Members present were Mrs. G. C. Keith, Mrs. E. C. White, Mrs. Billie Stegall, Mrs. Ruth Gillmore and Mrs. Willie Peters.

Awarded badges
Wolf badges were presented 13 Cub Scouts of Whiteface Pack 673 in ceremonies at the high school gym Tuesday night.

Receiving badges were Jimmy Abbott, Johnnie Abbott, Allen Cunningham, Steve Douglas, Randy Peden, Richard Vela, Don Riddle, Richie Marshall, David Melton, James McCutcheon, Alton Graham, Lynn Baker and Donnie Mack Dickerson.

Scouts representing the four Cub Scout Dens of Whiteface participated in a Pinewood Derby after the presentation of awards.

Services held
Funeral services were held in Enid, Oklahoma Wednesday for the father of Mrs. George Riddle.

Terry Wyatt, senior at Petersburg High School and brother of Mrs. Leonard Groves, won first chair in drums at the State Band Contest in Austin held over the weekend.

The first school of architecture in Texas was founded in 1904 at A&M College by F. E. Giesecke.

TAYLOR & SON FURNITURE

Joe Bennett, Clifton and Mrs. Jim Coats, Lubbock.

A large table was laid with an ecru lace cloth over gold satin and was centered with a three tiered all white wedding cake trimmed with gold leaves. The confection was topped with a heart trimmed with lace and ribbon and letters "50" in gold. Surrounding the cake were four sections decorated in white and gold. Punch, nuts and mints were served.

The round table was laid with an ecru lace cloth over gold satin and was centered with an arrangement of white carnations with a heart and the letters "50" in gold. A large all white sheet cake with gold leaves and coffee was served. Silver, Crystal and china appointments completed the tables decor.

Serving were granddaughters of the couple, Misses Tissy Bennett, Clifton, Katie Blackstone, Friona; Carol Bennett, Clifton and Rheda Brown, Jackie Fulton, Portales, New Mexico and Mayland Abbe, grandsons, ushered.

Approximately 150 guests were registered by Miss Wanda Fulton, Portales, New Mexico, granddaughter. The table was centered with a floral arrangement in a gold vase, gift from a son Tom G. Brown, Jr. and family, of Lynwood, California. Placed in front was a colored wedding picture of the honored couple in a white frame trimmed in gold.

Mrs. Brown was dressed in a white wool dress with a gold metallic jacket, gold shoes and wore a white orchid corsage. Mr. Brown wore a boutonniere of white carnations brushed with gold.

The former Miss Gladys Jackson and Brown were married February 8, 1914, in her parents' home near Belton. They farmed until 1916 when they moved to Shallowater. In 1917, they moved to Houston where Brown worked in the ship yards during World War I.

Mr. and Mrs. Brown moved from Houston to Williamson County where Brown was engaged in farming. In 1925, they moved back to the plains, moving to Cochran County in 1937 and on to Morton in 1956 when Brown retired.

They have 40 living grandchildren, one deceased and six great-grandchildren.

Out-of-town guests attending the reception were: Mr. and Mrs. Harlies Jacksen and Mrs. Wilma Singleton, Dallas; Mr. and Mrs. Jess Inman, and Mrs. Mabel Alexander, Littlefield; Mr. and Mrs. Carl Richards, Mr. and Mrs. West Boyd, Mrs. Velma Kendrick, and Allen C. Kendrick, Lubbock.

Mr. and Mrs. R. L. Stubblefield, and Miss Doris Stubblefield, Spade; Mr. and Mrs. Alfred Coats, Lubbock; Mr. and Mrs. Beryl Reed, Seminole; Mr. and Mrs. Bob Inman, Clovis, New Mexico; Mr. and Mrs. Haskell Stephens, Mrs. J. D. Baker, and Don Avery, Littlefield.

Mr. and Mrs. J. D. Hawthorne, San Angelo; Mr. and Mrs. H. E. Kirby, Muleshoe, Mr. and Mrs. Truman Harris, Lubbock; Barry L. Pederson, Mendon, Mississippi; and Lola Harris, Lubbock.

Bulls and bears told to members of L'Allegro Club

Mrs. W. C. Vanlandingham was hostess for a meeting Thursday night of L'Allegro Study Club in the home of Mrs. J. C. Reynolds. Van Greene, local business man, spoke to the group on "Exploring the Stock Market."

In his talk Greene traced the history of the stock market, explaining the different companies and the meaning of "Bull" and "Bear". He had for display several copies of market newspapers and magazines, including the Wall Street Journal and Fortune. He gave several tips on "How to read the market reports."

Greene offered this suggestion, "If interested in the stock market, contact a broker from a reputable company and give objective or purpose in making investments, it is NOT advisable to buy from a door to door salesman."

He told how the averages were figured each day and explained "split market."

The guest speaker concluded by telling his audience, "There is no more gamble in investing in the stock market than in farming or opening the doors of a business each morning; you can either play it safe by buying blue chip stock or stick your neck out on unproven stock."

As the program was concluded several women expressed a desire for the organization of a Women's Investment Club here.

During the business it was reported that a total of \$48.20 was made at a March of Dimes Coffee, sponsored by the club.

Each member contributed ten cents for the Dimes for Liberty fund, which is being sponsored by TFWC, for a memorial in New York City.

February 11 was set as date for L'Allegro Club members to meet with a group at the Maple Cafe to complete organization of a study club in that area.

Memo from Minnie's . . .

Give yourself a real treat . . . come in and see all the lovely new spring arrivals.

The prettiest things come in early . . . colors and styles have never been more exciting.

If you are a Junior in size 3 to 15, you certainly will want to see this large selection . . . they are priced from 11.98 to 19.95.

Easter is early—now is the time to make your selection.

De Algordon Club is formed in Maple area

De Algordon Study Club was the name chosen for the newly formed study club of the Maple area, organized Tuesday evening. The new club, sponsored by the L'Allegro Study Club, met at the Maple Coffee Shop with Mrs. Wayland Altman and Mrs. Don Lowe as hostesses.

Officers for the club were elected and are: Mrs. Charles Farmer, president; Mrs. Don Lowe, first vice president; Mrs. Darrell Corkery, second vice president; Mrs. Sam Mayo, secretary; Mrs. Wayland Altman, treasurer; Mrs. Reuel Kirby, corresponding secretary; Mrs. Ed Neutzler, parliamentarian; Mrs. Carter Williams, reporter and Mrs. Arlen Simpson, historian.

Mrs. Truman Doss, chairman of the committee for the organization of the new club, spoke on the meaning and requirements of the Federation, the advantages of membership, and what it is to be a club member. Mrs. Tye Williamson and Mrs. Bobby Travis are committee members.

The by-laws and constitution were read by the new president, Mrs. Farmer, and approved. De Algordon, means "of cotton". Club flower is the cotton boll. Motto: "Cherish the past, work for the present and plan for the future", and the object: "To exercise our minds, to stimulate our thinking, and to contribute in all ways to a better way of life," were also adopted.

The group set the regular meeting for the first and third Monday night from September through April with dues of two dollars a year. Officers will serve the remainder of the year and next year. At the time, there is no limit to membership.

Members of the L'Allegro Study Club attending in an advisory capacity included Mrs. J. C. Reynolds, Mrs. Gene Snyder, Mrs. E. O. Willingham, Mrs. H. B. Barker, Mrs. W. B. McSpadden, Mrs. James McClure, Mrs. Eddie Irwin, Mrs. John Haggard, Mrs. Williamson and Mrs. Doss.

Charter members of the new club are Mrs. Don Lowe, Mrs. Arlen Simpson, Mrs. Reuel Kirby, Mrs. Wayland Altman, Mrs. Darrell Corkery, Mrs. Carter Williams, Mrs. Clinton Rogers, Mrs. Ed Neutzler, Mrs. Mike Watts, Mrs. Lewis Dale, Mrs. Charles Farmer,

★ Stork stops

Mr. and Mrs. Steve Middleton, Commerce, announce the birth of a daughter born Monday, February 10, at a Greenville hospital. The little lady was named Stacy Michelle and weighed 6 pounds and seven and one half ounces.

Grandparents are Mr. and Mrs. Jim Middleton and Mr. and Mrs. J. T. Daniel. This is the first grandchild for the Daniels.

Mrs. Stanely Sandifer and son, Kevin, of Fort Stockton are visiting with her parents-in-law, Mr. and Mrs. W. L. Sandifer and her parents, Mr. and Mrs. Calvin Cook. She will return home Sunday.

The brain of the elephant is the biggest of all land animals. It weighs more than 13 pounds.

Mrs. Kirk Holi, Mrs. James Holly, Mrs. Ed Holly, Mrs. Bailey Griffith, Mrs. Sam Mayo, Mrs. Lawrence Smith, Mrs. Freddy Parkman, Mrs. Turney Shearer, and Mrs. J. D. Dunlap.

Visitors attending were Mrs. Jim Johnson, Mrs. Melvin Hale and Mrs. Howard Hale.

The next meeting for the De Algordons will be March 2 at 7:30 p.m. at the Maple Coffee Shop. Mrs. Carter Williams and Mrs. Darrell Corkery will serve as hostesses. All women of the Maple area are invited.

Not one single prescription has been filled in Fralin's Pharmacy except by a Registered Pharmacist... a record we are proud of.

The Morton (Tex.) Tribune, Thursday, February 13, 1964 Page 6

One dead, two injured in area auto accidents

One person was killed, and two injured in four automobile accidents in the area recently.

Killed was Cecil H. Allen of Hobbs in an accident at Needmore Sunday afternoon. Allen was injured when his auto collided with a car driven by Joe Jezisek of Sudan at the intersection of Highway 214 and FM 298. The accident happened about 1:30 p.m. Sunday. Allen died at a Muleshoe hospital the same day.

Mrs. Ann England, was involved in a collision at Carlisle Sunday evening. Mrs. England was admitted to a Levelland hospital Monday and remains a patient there, listed in satisfactory condition.

According to highway patrolmen, cars driven by Mrs. England and Jose Gonzales of Lubbock collided at the intersection of Highway 118 and a dirt farm road. Neither driver was injured.

Another car struck the car driven by Mrs. England after a crowd had gathered at the scene. Mrs. England was in the car when it was hit a second time, but was not in the car when it was struck a third time.

Kathy Cook, daughter of Mr. and Mrs. Jimmy Cook, was admitted to Morton Memorial Hospital and remained a patient 24 hours following a collision at Taylor and Third Streets February 5. An auto driven by Mrs. Cook and pick-up operated by Dickie Walker received minor damage. Icy streets were listed as cause of the accident by Chief of Police Shot Mills, investigating officer.

Mrs. Cook reported the child was momentarily knocked unconscious after the impact. Two other children were passengers in the Cook auto. No other injuries were reported.

An accident involving one driver caused damages to four vehicles at Bledsoe Monday night.

A pick-up truck, driven by Linda Burns, collided with a parked automobile. The car then bumped into another car, which in turn struck another car.

The cars were parked near the Bledsoe school when the accident occurred.

Pears have become known as a glamor fruit, and the winter varieties of Anjou, Comic and Bosc are now on the market. Ripen pears at room temperature until the flesh near the stem end yields slightly to thumb pressure. It may take several days for the fruit to reach eating ripeness. The pears may then be held for several days in the refrigerator. Chilling enhances their mellow flavor. Warm baked pear halves topped with cranberry jelly are an interesting accompaniment for meat.

Truman Doss is the 1963-64 president. Officers serving with him are: George Boring, James McClure and Jim Middleton, first, second and third vice presidents; Dean Weatherly, tail twister; Ray Lanier, lion tamer; Van Greene, chairman crippled children committee and Lloyd Miller, secretary-treasurer.

Directors are: E. O. Willingham, immediate past president, James Dewbre, Leonard Coleman, Don Allsup and L. E. Huggins.

Of the 20 charter members, 14 are still in the area, three have died and three have moved away. The original members were: J. B. Nicewarner, J. B. Knox (deceased), Tom C. Standefer, Mark E. Jones, Earl Cadenhead, F. F. Roberts, R. C. Strickland, Boyd E. Willis, C. F. Winder, Lloyd R. Kennedy, (deceased), L. L. Price (deceased), U. D. Kendrick, P. B. Ramby, Truman Doss, H. P. Wood, Roy Hill Hume Russell, James St. Clair, Willard Cox and C. L. Taylor.

Presidents, beginning with 1938: Nicewarner, Kennedy, Roy Hickman Jr., R. C. Marshall, Ramby, Strickland, Knox, Russell, Cox, M. C. Ledbetter, A. E. Sanders, David C. Todd (deceased), Murray L. Crone, Van Greene, E. A. Miller, Arlee Barnard, Lloyd Hiner, J. W. McDermott, Fred Stockdale, Neal Rose, Roy Gentry, J. C. Reynolds, E. L. Willis, Joe Seagler, Willingham and Doss.

Lions

(Continued from Page 1)

International has, during the past 46 years, become the largest, fastest growing club organization in the world. Special mission of the Lions Club is the promotion of good government and citizenship, development of civic, educational, social and moral welfare of the community in which it functions and the nation as a whole. To help create and foster "a spirit of generous consideration among the peoples of the world." The slogan of the International Association of Lions Clubs is "Liberty, Intelligence, Our Nation's Safety." Its motto, "We Serve".

Throughout its 25 years the local organization has sponsored a sight conservation program. Glasses have been provided for many in the community and trade area. The school nurse is contacted regularly for reports on school children who may need glasses, but whose families are unable to provide them.

The local club also helps support the Lions Camp for Crippled Children at Kerrville and cooperates with the State of Texas in the Rehabilitation Center for the Blind at Kerrville.

The club sponsors the Boy Scouts and this past year conducted the Scout Fund Campaign.

The Little League Park was built by Morton Lions, later given to the City of Morton. Financial assistance has been given by the club to the Babe Ruth League. Annually the club helps with the expense of the city's Christmas lighting project.

Morton Lions Club helps the rodeo each year by operating the concessions. During the holiday season the organization assists the Area Ministerial Alliance with baskets for the needy.

Operating funds for the club have been obtained by the presentation of an annual minstrel; broom sales; occasional pan-cake suppers and candy sales - plus members' dues.

This past year the club gave aid to a boy with a hearing defect, first making arrangements for removal of his tonsils and adenoids, which was followed by a delicate ear operation. The boy now has normal hearing.

In its early history individual members, under sponsorship of the club, literally hand built seating stands for Morton's football stadium. Gathering in groups with lumber, saws, hammers and nails the men built the stands.

As in the past the club is ready and willing to assist in any way possible with civic improvements, and to the needy and all humanitarian endeavors, living up to the motto "We Serve".

Truman Doss is the 1963-64 president.

School

(Continued from Page 1)

additive used. The bus used nine quarts of oil in the 2,000 mile period. When the oil changed, the additive was again added. The bus has used no oil during the past two oil changes, or 4,000 miles, according to Wright.

Contracts for the principals and counselors of the school system were renewed. Effected by the renewal were Ray Lanier, Jim Middleton, Bob Travis, Bill Matthews and Charles Bowen.

Two new school buses, a 72 passenger and a 48 passenger, will be purchased for use next year. The buses are replaced on a rotating basis.

The textbook committee's recommendations for books was approved by the board.

Superintendent Eli Douglas reported the results of asking for bids on gasoline for the school. At the last meeting, the council voted to ask for bids after a survey among schools of the area disclosed schools asking for bids were paying less for gasoline than the schools that did not ask for bids.

The survey was not taken by the Morton school, but a copy was available.

After discussion, the board voted gasoline to the school, rather than to ask for bids on the sale of rotate the orders among the four gasoline wholesalers in town.

Dean Weatherly was appointed election judge for the School election to be held April 4. Seven persons were listed as possibilities for five election clerks. Names submitted were Wilton Green, Glenna Jones, Dot Irwin, Wanda Legan, Harmon Springer, Jim Norris, and Fred Payne. Weatherly will select the five clerks.

Dub Hodge reported a recent census conducted indicates the school population will be 1,490 at the beginning of the next school year. The figure is expected to go above 1,500 before the end of the next school session.

Hodge reported 94% of the school taxes for 1963 have been collected, amounting to \$235,987.32. The year before, 95.3 percent were collected.

HARRAL RAWLS
(Pd. Pol. Ann.)

Harvey E. Ray attends navy submarine school

GROTON, CONN. (FHTNC) — Harvey E. Ray, machinist's mate third class, USN, son of Mr. and Mrs. Alvin N. Ray of Route 2, Morton, was graduated Jan. 29 from the Basic Enlisted Submarine School at the Naval Submarine Base, Groton, Conn. The school prepared him for duty aboard a submarine of the Atlantic or Pacific Fleets. Subjects covered in the school included basic training for submarine duty, submarine tactics, navigation and administration.

Mrs. H. B. Barker and Mrs. J. W. McDermott were in Lubbock last Thursday. Mrs. Don McDermott of Crosbyton met them there and her son, Donnie, returned home with her after a visit of several days here with his grandparents.

Mrs. Leon Nash of Floyd, New Mexico, spent the weekend with her father, A. S. Key, who is hospitalized.

This week's recipe was submitted by Mrs. Russell Hudson. The recipe is good for any occasion and may be prepared in larger quantities to accommodate as many persons as desired.

Ruby's Barbecued Chicken

Brown together:
2 tablespoons chopped onion
2 tablespoons butter
1/2 teaspoon garlic powder
Mix together in sauce pan:
2 teaspoons smoke sauce
1 teaspoon Worcestershire sauce
3 tablespoons catsup
1/2 cup coffee
1 can tomato sauce
1 teaspoon mustard

1/2 teaspoon black pepper
1 teaspoon brown sugar
Add the onion mixture, simmer for 20 minutes.

While sauce is cooking - salt and pepper chicken. (Frying size chicken should be used and cut as for frying). Melt 1/3 cup butter and 2 tablespoons smoke sauce, dip chicken, place in pan, pouring sauce over and bake one hour at 350 degrees.

Although Mrs. Hudson is a young woman, she qualifies as a Cochran County pioneer, having lived here for 26 years.

One of three children of Mr. and Mrs. R. L. Harrison, Betty was born in Roscoe. The Harrisons moved to Wellington from

Roscoe, moving to Morton when Betty was in the third grade.

She graduated from Morton High School in 1946 and married Russell Hudson that same year. They have two children, Tommy, 13 and Mary Jo, five years old.

Betty combines a career with homemaking. She has been secretary in the extension office to the Cochran County Agent and Home Demonstration Agent for 11 years.

While there has been only one agent she has worked with five HD Agents namely: Mabel Ann Manley, now Mrs. A. E. Sanders; Hazel Harrison, Mrs. Lex Key; Miss Leila Petty, Jorja Dodson and presently Miss Jennie Allen.

Betty likes her work and has enjoyed the association with each of the agents. She likes to sew and reads quite a bit.

She doesn't have time for very much outside activity; preferring to devote what time she does have to her home and family. They are members of the First Missionary Baptist Church, where she teaches a group of junior girls in Sunday School. Betty belongs to the WMA, a woman's group of the church.

During the summer the family usually takes a vacation where they can camp out, since all four members enjoy this.

Betty's sister is Mrs. Omer (Mavis) Bybee and they have a brother, Sidney Harrison, both live in Pampa.

Tree peddlers may be out on a limb

The approaching spring season brings with it the threat of bogus tree and nursery stock salesmen operating primarily out of the backs of pickup trucks, Agriculture Commissioner John C. White warned this week.

Commissioner White said his Austin headquarters is already receiving complaints from home owners who have purchased from traveling peddlers and the plants proved to be dead or dying. The influx is apparently heavier this year and an especially troublesome area has been pinpointed around Dallas and Fort Worth.

Teams of Texas Department of Agriculture inspectors have been deployed throughout the state to be on the lookout for itinerant salesmen. Several truckloads of illegal and below standard trees have been seized, White said.

Buyers are urged by Commissioner White to buy only nursery stock which has a certificate of inspection from the Texas Department of Agriculture. This inspection certificate is required by state law but difficult to enforce on fly-by-night operators who slip in from out of state.

"I recommend that home owners buy from reputable local nurseries — or at least always ask to see the inspection certificate," said White. "Bargain plants often prove to be not such a good bargain after all."

Pay of teachers in Texas below national average

AUSTIN — Texas public school teachers this year will receive a salary almost \$600 below the national average — and Texas will drop to 29th place among the states in salaries paid teachers.

That was the statement made by Mrs. Elizabeth Little of Corpus Christi, state president of the Texas State Teachers Association. She based her statement on an annual national survey by the National Education Association, "Estimates of School Statistics, 1963-64."

Nationally, the average salary for teachers is estimated to be \$5,963 for the current school year. In Texas the figure is \$5,390.

This drops Texas to 29th position among the states. It is down from 24th position Texas held temporarily after the last statewide teacher pay boost was provided effective for 1961-62. There is danger that the state will slide farther behind.

The total amount spent for each school child — including teacher pay — is one measure of how well a State supports education. And here again Texas is below average.

All 50 states will spend an average of \$455 for each public school pupil in attendance this year; Texas will spend only \$387. This puts Texas in a tie with Vermont for 35th place.

"These are just some of the reasons that TSTA will ask the 1965 Legislature to provide a \$45 per month increase in the minimum salary for teachers," Mrs. Little pointed out.

Such a salary increase could not be effective before the 1965-66 school year, the TSTA president noted. Meantime, other states will continue to make improvements and it is probably that Texas will again be near the 34th position it held on teacher salaries before the Texas Legislature acted in 1961.

Volume of beef is up but prices show drop

The market for fed cattle in January was marked by increased buyer activity early in the month, but the month closed with depressed prices on both live and wholesale beef markets. Early January activity was fair, but prices remained mostly steady according to the latest survey published by the cattle raisers division of the Texas and Western Cattle Raisers Association.

loyd Bergsma, director of the Texas cattle feeders division, said there was some indication of market improvement earlier, but that the normal marketings of fat cattle later in the month depressed prices.

Those who felt that 1964 would bring an improved demand and higher fed cattle prices were disappointed to date," Bergsma said.

The Cattle on Feed Report issued in mid-month indicated a reduction in numbers of cat-

tle on feed, but this reduction was in cattle weighing under 900 pounds. The total pounds of beef on feed increased.

At the end of January, carlot prices for choice 600-700 pound steer beef at Denver was quoted at \$34 to \$35. Choice heifer beef was selling for \$33 to \$33.50. At New York, choice steer beef sold for \$34.50 to \$38.50 for 500-700 pound weights. An San Antonio, steer and heifer beef had dropped to \$36 to \$38.50 for 500-700 pound weights.

Feeder cattle were strong to higher during the month.

Cotton class unit lists 1,624,000 tests or samples

Cotton classed on the South Plains totaled 1,624,000 samples through December 27, according to the USDA's Agricultural Marketing Service. The Cotton Division Classing Office in Lubbock had classed 1,268,000 of the total and had 40,000 on hand. Lamesa had classed 178,000 and Brownfield the offices at etoin tain etao reported 179,000 samples classed, field had no samples on hand.

Cotton classed at the Lubbock office last week was 26 percent White, 59 percent Light Spotted, 14 percent Spotted, and one percent Timed. Some percentages of the various grades classed were Strict Low Middling 14 percent, Low Middling 6 percent, Middling Light Spotted 17 percent, Strict Low Middling Light Spotted 35 percent, Low Middling Light Spotted 7 percent, Middling Spotted 5 percent, Strict Low Middling Spotted 8 percent.

Staple length was slightly short-

Two scholarships available to 4-H and FFA members

The Houston Livestock Show and Rodeo will award two \$2,000 scholarships - one to an outstanding FFA member, and one to an outstanding 4-H Club member, Stuart Lang, President of the show recently announced. These are the first such scholarships offered by the show on a statewide basis. FFA and 4-H Club members specifically.

The scholarships will be awarded on the basis of academic achievement, leadership, the individual's project program, and individual need. The winner may attend the Texas agricultural college of his choice and may study any phase of agriculture he chooses.

The selection will be made through the 4-H and FFA state organizations. The FFA award will be presented at the State FFA Convention in San Antonio in July, 1964.

"We are an educational organization," Lang said, "and devoted to the advancement of agriculture. We feel there is no better investment we can make in the future of agriculture than this scholarship program."

Applications for the Houston Livestock Show and Rodeo Scholarship will be distributed through the Vocational Agriculture teachers and the County Agricultural Agents.

er than a week earlier. The average staple length was 29.8 thirty-seconds of an inch. The preceding week it was 29.7. The main staple was 15/16 inch. By staples the cotton was classed: 7/8 inch and shorter one percent, 29/32 inch 29 percent, 15/16 inch 61 percent, 31/32 inch 7 percent, and one inch and longer 2 percent.

Micronaire readings were again weaker. Samples reading under 3.5 accounted for 79 percent. Nine percent of the cotton classed "miked" 2.7 and below, 27-percent was 2.7 to 2.9, 43 percent was 3.0 to 3.4, and 21 percent was 3.5 or better.

Strict Low Middling Light Spotted, Low Middling Light Spotted, and Spotted grades continued to bring 50 to 100 points above loan value in the local markets. Wasty cotton is still in short supply and are bringing 200 to 250 points above loan value. In the Lubbock Market Middling 1 inch is quoted at 32.60 cents per pound. Other quotations for grades with micronaire readings of 3.5 or better are: Strict Low Middling 15/16 30.05, Middling Light Spotted 15/16 30.10, Strict Low Middling Light Spotted 15/16 inch 29.30, Low Middling Light Spotted 15/16 inch 27.80, and Strict Low Middling Spotted 15/16 inch 27.50.

Cottonseed prices remained steady at \$48.00 to \$53.00 per ton.

Interplanting sorghum with cotton aids yield

LUBBOCK — Increased cotton production, improved quality, and a big boost to profits is the enthusiastic story told by Frank Moore of Plainview in describing the result from three years of interplanting grain sorghum with cotton in Hale county.

The six-row interplanting pattern runs two cotton - one blank, two grain sorghum - one blank, across the field. In comparison with yields from solid plantings the system has increased cotton production by 50 percent and grain sorghum production by 40 percent, with a cotton micronaire average a full point above the either solid or simple skip-row system.

"This yield increase for cotton came under conditions where wind and sand damage were not a factor," Moore explains, adding that "when wind and sand damage enter the picture production figures can be doubled by interplantings." This is assuming that the two crops are planted at the same time in order to allow cotton to get maximum protection from the faster-growing sorghum. To emphasize the importance of this protection, Moore related that the only April cotton he was able to save under the extreme weather conditions of 1963 was cotton planted in this manner.

Micronaire average on interplanted cotton in 1963 average 4.3 as compared to a 3.3 average for cotton from a simple skip-row pattern. The secret to the higher micronaire is in the over-all maturity of the crop induced by higher growing season temperatures and the early season aid to growth furnished by wind and sand protection. To get maximum benefits from the temperature factor, Moore irrigates only between planted rows, leaving blank rows dry. But not applying 58 degree irrigation water to the blank rows they are allowed to absorb and retain more of the heat from full sunlight. This heat is then radiated around plants at night, helping to keep ground level temperature up to the desirable 70 degrees or above. Also, the protection of the grain sorghum helps to keep the wind from dissipating the available heat.

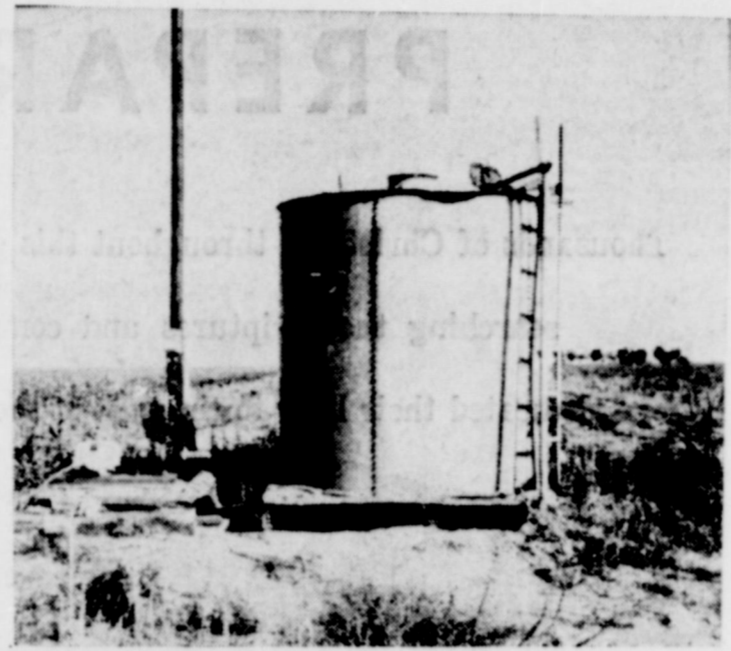

With only one post-planting irrigation, interplanting helped Moore to produce 74.8 bales from 35 acres with only 12 light spot and one full spot bales in the lot. Only two days were required to water the plot with one eight inch well, constituting a big saving in water expense.

The High Plains Research Foundation at Halfway, credited with developing the interplanting system under the direction of Delbert Langford, is continuing crop

climate studies to determine the effects of temperature on growing cotton with the aid of a \$5,000 grant from Plains Cotton Growers, Inc. These studies are under the direction of Dr. Arthur Gohlke.

Moore began using the Research Foundation's findings on interplanting in 1961, with only 100

acres involved, and has interplanted 500 acres both in 1962 and 1963 with good results. He plans to plant over 1200 acres to this system in 1964, and believes that widespread use of the system could substantially increase the total High Plains cotton production, perhaps as much as 50 percent.

Collection irrigation system

STORAGE TANK enables several wells to supply water from low pressure lines to tank. Booster pump and motor distribute from tank to sprinkler system. This unit is part of a collection irrigation system on the Don Lynsky farm. SCS Photo

Storage tank is aid in irrigation system

Weak irrigation wells are used to supply water for sprinkler irrigation systems in some parts of the Cochran Soil Conservation District.

Multi-well installations are often required to produce a sufficient amount of water for the system. In such installations, water from two or more wells is discharged directly into the main line of a single sprinkler system. Each well is equipped with a pump and power unit. An attempt was made to design each pump and power unit to deliver the required discharge at the operating head specified for the sprinkler system.

Theoretically, this is possible, but the efficient operation of the system is difficult because of the water table fluctuation during the irrigation season. Pumps and power units wear, resulting in reduced efficiency. Also, most wells are pumped at or near maximum capacity and often break suction and begin pumping air.

The operation of a two well system is relatively simple, but becomes more complex as additional wells are added. Many cooperators are installing a collecting system to overcome these problems.

The best and most profitable method used so far is a central storage tank which collects the water from each well. The water is then picked up with a booster pump and discharged into a high pressure pipeline.

All that is needed for this type system is any type tank which will hold a 30 minute pumping supply of the combined wells. This is needed so the farmer can pump into the tank until each well motor is started - then the booster pump is started.

Booklet on tax aids available from IRS

Each year "Your Federal Income Tax" becomes one of America's best selling publications. This 40 cent booklet gives a simple answer to most of the problems that an individual taxpayer runs into.

This book can be purchased from most Internal Revenue Service offices, or can be ordered by mail from the District office. It is well-indexed so the answers are easy to find.

Number of boll weevils should be less in 1964

Texas cotton farmers can take some comfort in the fact that fewer boll weevils went into hibernation this winter than last year, according to Agriculture Commissioner John C. White.

Boll weevil counts were made at random over the state by Texas and federal entomologists with special attention to the most troublesome areas in Central Texas. The winter survival is expected to be about half of what it was in 1962, White said.

During the late fall of each year, Texas and U.S.D.A. research team take samples of wood trash adjacent to cotton fields to determine the number of weevils in hibernation. The number surviving the winter, combined with weather condition during the early part of the cotton fruiting period, will determine potential boll weevil damage to the 1964 cotton crop.

"I am especially pleased with the report this year which indicated our control efforts to hold the destructive boll weevil at an absolute minimum are working," Commissioner John White said. "Our neighboring state of Louisiana shows some increases of the insect are in prospect for their area, however," he added.

Trash samples collected from four Central Texas counties are indicative of results over the rest of the state. Falls, Hill, Limestone and McLennan county areas averaged only 517 weevils per acre, compared with 1,781 in 1962.

Commissioner White attributed a major part of this winter's decrease in hibernating boll weevils to low spring populations that survived the winter last year. A cotton planting and plow-up program administered by the Texas Department of Agriculture is designed to

control the pink bollworm and also achieves benefits in boll weevil destruction. Mandatory plow up of cotton stalks in much of the State destroys hibernating quarters for many insects.

This is the second year in which substantial decreases in boll weevils have been noted, White pointed out. Last year also showed a decrease from the spring of 1962, in numbers of surviving weevils. As a result, damage to the 1963 crop from boll weevils was gratifyingly light.

Bruised animals cost money in three ways. First, it takes labor to trim out bruised meat, bruised meat cannot be eaten, and the meat that is left is worth less because the consumer doesn't want to buy meat that has big holes in it.

Orabi, a Hopi Indian village in Arizona inhabited uninterruptedly since 1540, is the oldest town in the United States.

PREPARATION

Thousands of Christians throughout this great nation spend hours of serious study, searching the scriptures and commentaries written by scholars who have dedicated their lives to the task of seeking out the full meaning of God's Word.

These willing workers, teaching from the Bible each Sunday, feel that their work is vital to the fulfilment of your spiritual life. Won't you accept the invitation to attend church as offered by the sponsors of this space, and receive the benefits offered by these willing teachers.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Youngster injured

KATHY COOK, 5, daughter of Mr. and Mrs. Jimmy Cook, was slightly injured when this auto, driven by her mother, and a pickup, driven by Dickie Walker collided at the intersection of Taylor and Third Streets February 5. Kathy

was admitted to Morton Memorial Hospital and remained 24 hours. No other injuries were sustained in the accident, according to Chief of Police Shot Mills. Icy streets were blamed for the mishap. TRIBUNE Photo

Valentine dinner for club members Tuesday evening

The home of Mr. and Mrs. Neal Rose was the scene of a Valentine dinner party Tuesday evening when members of the 1936 Study Club entertained their husbands.

A Valentine motif was used in decorations. The invocation was given by Mr. Rose prior to the buffet dinner.

Members and husbands present for the party were Mr. and Mrs. D. E. Benham, Mr. and Mrs. W. C. Benham, Mr. and Mrs. D. K. Brook, Mr. and Mrs. H. B. King, Mr. and Mrs. Gage Knox, Judge and Mrs. M. C. Ledbetter, Mr. and Mrs. Joe Nicewarner, Mr. and Mrs. Hume Russell, Mr. and Mrs. Glenn W. Thompson, Mr. and Mrs. Kenneth Thompson, Mr. and Mrs. Lem Chesher, Mr. and Mrs. E. L. Willis, Mr. and Mrs. Earl Crum, Mrs. C. H. Silvers, the host couple and three guests, Mrs. J. D. Hawthorne, Mrs. J. Frank Dean and Mrs. Carl England.

Hostesses in addition to Mrs. Rose were Mrs. Knox, Mrs. King, the two Mrs. Thompsons and Mrs. Benhams.

Young adults have Valentine party

The Young Adult Sunday School Class of the Missionary Baptist Church held their Valentine party at the County Activities Building Monday evening.

Fast moving games and refreshments served buffet style highlighted the church social.

Those attending were Rev. and Mrs. W. S. Hobson, pastor; Mrs. E. L. Willis, teacher; and Mrs. Joe Gipson, assistant teacher. Also Mr. and Mrs. Norton Willis, Mr. and Mrs. Joe Carothers, Mr. and Mrs. Donnie Baker.

Mr. and Mrs. Thomas Lynch, Mr. and Mrs. Troy Newcomb, Mr. and Mrs. Lewis Hodge, Mr. and Mrs. Wilson Hodge, Mr. and Mrs. Burnie Mills.

Mr. and Mrs. Jimmy Mullinax, Mrs. Jimmy Cook, Mrs. Tommy Morrison, Mrs. Bobb Cook and twenty-one children.

Tony Butts, son of Mr. and Mrs. Carl Butts of Andrews, and nephew of R. D. Butts, is improved, following an illness.

Mrs. Willie Peters Whiteface reporter

Mrs. Willie Peters has accepted a position with the Morton Tribune as Whiteface Correspondent.

As the Tribune's representative, Mrs. Peters will report news of and about Whiteface. She will do much of her contacting by telephone, checking to see who is visiting, who is ill, and other items of interest to persons of Whiteface.

Mrs. Peters has lived in Whiteface one year, but lived four miles east of the community in Hockley County the preceding 39 years.

Residents of the Whiteface area may call news items to Mrs. Peters at 4321 in Whiteface.

Mrs. Peters attends the Methodist Church and is president of the Women's Society of Christian Service and a member of Rebekah Lodge Number 279 in Whiteface.

A widow, she has seven children, twelve grandchildren and seven great grandchildren. Mrs. Peters brings the Tribune's number of correspondents to

three. Mrs. Arthur Cooper is the Three-Way correspondent, Mrs. Jerome Cash reports news of Enochs and that area.

Mr. and Mrs. Clyde Coffman, recently of Segall, have moved to 509 W. Garfield.

Mr. and Mrs. F. G. Gardner left Morton Tuesday morning for Temple where their daughter, Mrs. Joe Bob Allen of Post, will undergo surgery at Scott and White Hospital to correct a spinal defect.

Mr. and Mrs. Harold Drennan and Mr. and Mrs. Weldon Newson, attended the performance of Camelot Thursday evening.

Mr. and Mrs. Jim Mitchell of Lubbock visited Sunday in the home of her parents, Mr. and Mrs. Roy Alsup.

Get it at your FAVORITE GROCER

Business highlights T & C club meeting

A business meeting was held Wednesday afternoon by Town and Country Study Club in the home of Mrs. Connie Gray.

During the meeting the resignations of Mrs. Grover D. Edgar and Mrs. Wayne Davis were accepted with regret.

Mrs. Cherylone Inglis and Mrs. Harold Arant were appointed as an advisory committee to work with Camp Fire girls in planting shrubs and bulbs at Roberts Memorial Nursing Home.

Following a report from the committee on education the club voted to subscribe for the "Instructor" and "Jack and Jill" for Eastside Elementary School.

After discussion members voted to amend the constitution whereby officers would serve a two year term.

Elected to serve as a nominating committee for the next slate of officers: Mrs. J. D. Glass, Mrs. Don Sanford and Mrs. Roy Hill. Plans are continuing for the or-

ganization of a new study club for local women.

Information relating to table decorations for the Caprock District convention was given by Mr. LeRoy Johnson.

The Valentine party scheduled for February 14 in the home of Mrs. A. A. Fralin was discussed and plans completed. Husbands of members will be guests.

Members attending in addition to those mentioned were Mrs. Charles Bowen, Mrs. Fralin, Mrs. Eugene Bedwell, Mrs. C. B. Jones, Mrs. S. E. Williams, Mrs. Ross Shaw, Mrs. Vernon Blackley and one guest, Mrs. Roy Propst of Anson.

Whiteface menu for next week

Monday, February 17: Barbecued chicken, blackeyed peas, carrot and celery sticks, pear half, cornbread and milk.

Tuesday, February 18: Baked turkey and dressing, giblet gravy, cranberry sauce, English peas, Sweet potato pie, blueberry muffin and milk.

Wednesday, February 19: Pork cutlets, boiled potato in jacket, green beans, cherry cobbler, wheat rolls and milk.

Thursday, February 20: Hamburgers, lettuce and onion, pickles, potato chips, fruit salad, ice cream and chocolate milk.

Friday, February 21: Deep sea doodles, creamed potatoes, mixed greens, chocolate cake, rolls and milk.

Sewing club members plan valentine lunch

Members of the Happy Hour Sewing Club made preparations for a Valentine luncheon at a meeting Thursday afternoon in the home of Mrs. L. E. Huggins. The luncheon will be held at noon on February 14 in the home of Mrs. Tom McAlister.

Mrs. L. M. Baldwin, president, conducted the business meeting.

Bridge was played and refreshments served by the hostess to three guests: Mrs. Elizabeth Greer, Mrs. C. C. Reynolds, Mrs. Joe Nicewarner. Also these members: Mrs. Baldwin, Mrs. McAlister, Mrs. H. O. Rogers, Mrs. W. C. Key and Mrs. H. S. Hawkins.

Grand Slam Club met with Mrs. Silvers

A buffet supper in the home of Mrs. C. H. Silvers Thursday night preceded five tables of bridge, at a regular meeting of the Grand Slam Club.

A Valentine motif was used in decorations.

Three guests and nine couple members attended, they were: Mrs. J. D. Hawthorne, Mrs. Carl England and Mrs. Scott Hawkins. Mr. and Mrs. Lem Chesher, Mr. and Mrs. Gage Knox, Mr. and Mrs. Joe Nicewarner, Mr. and Mrs. L. F. Hargrove, Mr. and Mrs. LeRoy Johnson, Mr. and Mrs. H. B. King, Mr. and Mrs. E. L. Willis, Mr. and Mrs. Carlton Luper and Mr. and Mrs. W. L. Foust.

Mr. and Mrs. Thomas Coffman have moved to Kress where he is employed by the implement co.

Whiteface Bureau

MRS. WILLIE PETERS is the Tribune correspondent for the Whiteface area. Mrs. Peters will report club activities, visits and visitors, school news and other news of interest to the community. TRIBUNE Photo

Longhorn band is seeking musicians

The University of Texas Longhorn Band is conducting auditions for prospective new members who wish to play with the band next Fall. The next audition dates are Feb. 15 and 22. Other auditions are scheduled for March 14, 21 and 28; April 4 and 18; May 9, 16 and 23, and June 6. All dates are Saturdays, and hours are 10 a.m. to 1 p.m. in the Longhorn Band Hall, 500 East 23rd.

If none of those days is convenient, an aspiring bandsman may write directly to Longhorn Band Director incant R. DiNino to arrange a special audition time. Each musician is expected to play selected major scales and a solo of his own choice, and to sight read from the Longhorn Band's library.

Mrs. Charlotte Doyle and daughters Delana and Beverly and Cecil Lindsey spent the weekend in Eldorado, Oklahoma visiting with Mrs. Lindsey and Mr. and Mrs. Lee Rosser. Mrs. Lindsey has been in Oklahoma several weeks with her father who is seriously ill.

Wednesday dinner to aid church fund

February 19 has been set as the date for annual dinner as a fund raising project for the building program of First Methodist Church. The dinner will get underway at 7:30 p.m. in the Banquet Room of County Activity Building.

There will be entertainment throughout the evening, fellowship and good food. Listed on the program is dinner music, the Simple Phonies and other entertainment.

A change has been made, in that families with young children may all attend the dinner for twenty five dollars. Otherwise the charge is the same as last year, ten dollars per plate.

Mrs. W. J. Wood is chairman of the planning committee with Mrs. Owen Egger, Mrs. E. O. Willingham and Wilton Green assisting. The public is invited.

Mr. and Mrs. George W. Boring were in Lubbock Thursday evening and attended the performance of Camelot.

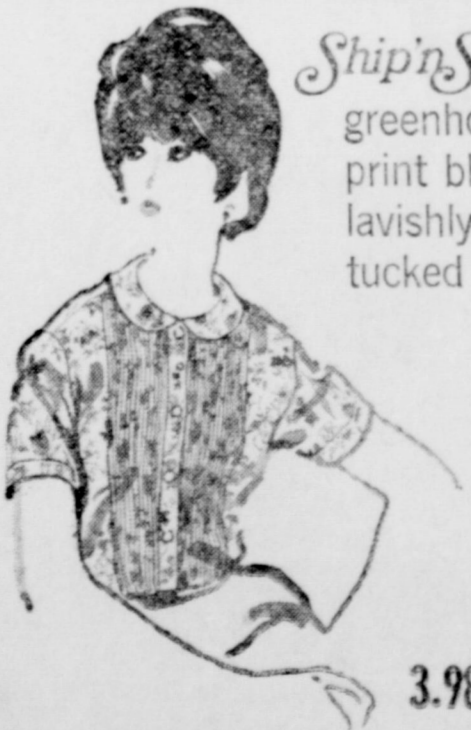

Mrs. Jimmy Coats had surgery at Taylor Clinic in Lubbock Tuesday morning and is reported doing fine.

Mr. and Mrs. Claude Miller and son Donald of Lubbock were recent visitors in the home of L. D. Sanderson Jr. and family.

SPC homecoming candidates named for Friday night

LEVELLAND — Candidates were named Monday afternoon for South Plains College Homecoming Queen. The queen will be named during halftime at the game between Lubbock Christian College and the Texans Friday night. The coronation will highlight homecoming events. An outstanding performance by the Tex-Anns will also be a feature of halftime events.

Candidates selected and their sponsors are: Kelene Chitty, Tulia, Circle K Club; Elta Clanton, Seminole, T Club; Sue Davis, Seminole, Ag and Rodeo Club; Kay Dean, Lubbock, Plainsman Press; Judy Gray, Dallas, Tex-Anns; Sherri Hoffman, Seminole, Methodist Student Organization; Roseva Lewis, Ropesville, Baptist Student Union; Mary Alice Nabors, Lubbock, Newman Club; Jean Proctor, Seagraves, Womens Recreational Association; Sandra Shugart, Levelland, Independent; Judy Woodward, San Saba, Sue Spencer Hall.

The sixth annual homecoming event for SPC will be kicked off with a pep rally in the college gymnasium at 1 p.m. Registration will begin at 1:30 p.m. in the Student Union Building.

A dance following the game will conclude the day's events. "The Sparkles" will furnish the dance music.

LVN registration extended at SPC

LEVELLAND — Registration for Licensed Vocational Nurses at the South Plains College has been extended two more weeks. Registration may be made at any time.

Hospitals in Levelland and Littlefield, cooperating with the program, have indicated that there are vacancies in these four hospitals.

Entrance examinations will be required and may be given at any time within the two-week period. The new class has begun but new members are still being accepted.

Information may be secured from Mrs. Nevelle Danner, instructor or from Frank Hunt at the college.

C. O. Seaman named to honor roll at ENMU

Charles O. Seaman, senior at Eastern New Mexico University, has been named to the dean's honor roll list. Seaman has a scholastic average of 3.0.

The grading system at Eastern is based on the four point system which means that a student with a 4.0 has all "A's" and a student with a 3.0 has a "B" average.

To be eligible for the undergraduate honor roll, a student must have a grade average of 3.0 or higher and be enrolled in a minimum of 12 semester hours.

Mrs. Rolly Hill hosted Busy Fingers Club

Mrs. Rolly Hill was hostess on Thursday afternoon to the Busy Fingers Sewing Club.

In a brief business session associate membership was granted to Mrs. Evelyn Sellers.

Women attending did hand work. The hostess served refreshments to one guest, Mrs. Leola Johnson of Calhan, Colorado, and the following members: Mesdames Jack Baker, Sammie E. Williams, C. B. Newton, C. W. Howard, Joe Gipson, W. L. Miller, L. W. Barrett, H. B. Bedwell, Bud Young, J. A. Gowdy and F. L. Fred.
