Frontier Lanes purchased by Don Lamar

(Continued from Page 1)

the Frontier Lanes was constructed, will manage the establishment.

J. T. Holloman, also an active bowler, will be associated with the lanes as assistant manager. Holloman will begin full time duties at Frontier Lanes March 1, after termination of employment with Ray's Hardware. Lamar will assume duties with the lanes full time, immediately.

Norman Hodges, present assistant manager, will remain with Frontier Lanes, at least until March 1, according to Lamar. Hodges will act as advisor to the new operators, then leave to devote full time to campaigning as a candidate for Cochran County Tax Assessor - Collector.

The snack bar at Frontier Lanes will be managed by Mrs. Don Lamar, for the present, according to the new owner. Mrs. Lamar will be assisted by Evelyn Raines.

"Plans call for the snack bar to remain open until after league play each evening", Lamar said. "The eating establishment will be open until, at least 11:30 p.m., maybe later".

The recreation center features eight lanes, equipped with Brunswick automatic equipment, six snooker and pool tables and a restaurant.

Nine leagues are now bowling at Frontier Lanes, with 90 active teams participating. Sixteen couple's leagues, 30 women's leagues and 14 men's leagues bowl regularly, according to Hodges.

"We have definite plans that will go into effect immediately, other changes will be made as needed", Lamar said.

"Plans are being made for a grand opening in March, with spe-

cial offers and attractions for advanced and beginning bowlers, as well as non-bowlers," the new owner said.

Lamar, 35, has been a resident of the area since 1949, engaged in farming. A veteran of WW II, he served as a communications specialist. He is a member of the newly formed Three-Way Lions Club.

Don, his wife, Fern, and three children live 12 miles northwest of Morton.

J. T. Holloman, also 35, has lived in the area all his life. He has been associated with Ray's Hardware as a television technician the past five years.

He and his wife, Betty, own and operate City Flower Shop. Holloman will terminate his employment with the hardware and furniture business to devote full time to the bowling lanes. Betty will continue to operate City Flower Shop.

The Holloman's have four children, are members of the First Baptist Church, and live at 111 W. Pierce.

Mr. and Mrs. A. A. Fralin were weekend visitors in Clovis with their daughter, Mrs. Darwin Ingram and family. Mrs. Ingram is recuperating from recent major surgery.

Mrs. Joe Greene of Lamesa visited here a few days last week in the home of her son, Van Greene and family. Mrs. Greene was recently hospitalized in Lubbock for foot surgery.

Mrs. Joe Bob Allen is convalescing at the home of her parents, Mr. and Mrs. E. G. Gardner. Mrs. Allen recently underwent spinal surgery at Scott and White Hospital, Temple.

program, the participating counties would decide to keep or discontinue the bookmobile program. If the counties continued the service, an annual budget of \$14,000 would be prorated among the participants on a per capita basis.

Roy Davis, Manager, Muleshoe Chamber of Commerce, will explain the program at the meeting Monday night.

The Cochran County Library was formed by the 1928 Study Club in 1927 and now serves 6,000 persons. Mrs. Hattie B. Spotts, County Librarian, reported 1,000 registered borrowers at the local library. 500 children and 500 adults have been issued library cards.

The county library circulated 4,900 volumes last year from approximately 6,000 available.

The Cochran County Commissioner's Court budget \$800 annually for the library to purchase books, plus the librarian's salary.

The Cochran County Library Committee, representative of each of the five federated women's clubs of Morton offer their services to Mrs. Spotts.

Members of the committee and their clubs are Mrs. Bobby Travis of the L'Allegro Study Club, Mrs. Joe Gipson, 1506 Study Club; Mrs. Jerry Winder of the Y. M. J. Junior Study Club; Mrs. Sammy Williams of Town and Country Club and Mrs. Earl Polvado of the Emlea Smith Junior Study Club.

Date for CROP cotton dedication set in Plainview

The Chairman of the South Plains CROP Committee, Rev. Andrew Mild of Lubbock, has just announced that the date for the Dedication of the CROP cotton now being collected in the South Plains has been set for 2:00 p.m. Thursday, February 27, at Coop Compress, Plainview.

The South Plains Committee works in cooperation with the Texas CROP-CWS Board and its Executive Director, Norman A. Sundwall in Austin, to assist the county CROP appeals in the area. Since cotton has been in great demand by CROP to provide weather protection for refugees coming out of Communist China, the area CROP appeal has been mainly for raw cotton.

CROP is the Community Resource Appeal of Church World Service, now beginning its eighteenth year, and forwards food, fiber, and self-help materials from contributions of the people of the U.S. to other countries where urgent needs have been determined.

Directors of the Chamber of Commerce will discuss the proposal at their regular meeting today. Members of the County Library Committee are expected to have a special meeting soon to discuss the Bookmobile.

Science students to attend seminar

J. J. Jenkins, science teacher at Morton High School will attend Southwestern Science Exposition, El Paso Friday and Saturday. Science students making the trip include Jimmy Collins, Manager, David Ross and Gary C. The meeting, a seminar for science and chemistry students, will be conducted Friday and Saturday morning.

The Morton group will meet Saturday afternoon.

Officers

Harris, Precinct four chairwomen Mrs. Willard Henry and Mrs. non Blackley.

The organization approved first Wednesday of each month a meeting date. The women meet at noon in the Prairie Room of the Wig Wam Restaurant.

In other action, members of club discussed committees to be formed, and services to be formed. Included was a "Get and Vote" campaign and membership drives.

The Women Democrats of Cochran County voted to send a letter to President Lyndon B. Johnson stating the organization supports him in his bid for re-election.

"LET'S GO!" ... to the Texas tropics in General Telephone Country

The sunny Rio Grande Valley

General Telephone invites you to visit the Rio Grande Valley where we serve the flourishing towns of Raymondville, Lyford, Santa Rosa, La Feria, Welaco, Roma and Rio Grande City. The palm-lined, semi-tropical Valley — the citrus fruit center — boasts a benevolent sun which creates a winter haven for those who flee the cold. It is one of the many places to go, things to see in General Telephone Country. If your community has visitor attractions, perhaps we can help you develop them. FFA reporter tells of club's progress

Eddy Holloway, vocational agriculture student at Morton High School, reports on the progress of the FFA club. The organization's activities are designed to help develop rural leadership and good citizenship, and to stimulate the boys to better achievement in their study and work toward successful establishment in farming or other agricultural occupations.

Membership in the FFA is made up of boys who are students of vocational agriculture in high school. The organization's activities are designed to help develop rural leadership and good citizenship, and to stimulate the boys to better achievement in their study and work toward successful establishment in farming or other agricultural occupations.

Future Farmers choose the week of George Washington's birthday each year for the observance of National FFA Week. Although usually recognized as a Revolutionary War General and our first President, Washington's first love was the farm. He was one of the first in the nation to practice contour planting, crop rotations, fertilization, and other soil conservation and improvement methods.

FFA week proclaimed by governor

Governor John Connally has proclaimed the week of February 15-22 as FFA Week in Texas.

President Benny Mays explained to the Governor the ideals and principals of the FFA assuring him that FFA members in Texas were striving for improved agriculture conditions and preparing themselves for roles in leadership.

Emlea Smith members host husband dinner

Husbands and special guests were honored Thursday night with a Valentine party by members of Emlea Smith Junior Study Club. The event, held in Banquet Room of County Activity Building, was planned by the social committee.

Traditional Valentine colors of red and white were used in decor. A hearts and flowers motif of chrysanthemums, carnations and roses was used on the head table. The invocation was given by Jim Johnson with his wife introducing the "Simple Phonies", Elvis Fleming, Guy McLain and Harold Drennan, who presented the program.

Card games and dominoes were played following the dinner. Special guests, other than husbands were: Mrs. Guy McLain, Mrs. Harold Drennan and Mrs. G. P. Flannigan.

Last rites held for J. R. Ward

Funeral services were held Saturday afternoon in the First Baptist Church for J. R. Ward. The Rev. Fred Thomas, pastor, assisted by the Rev. Bill Hobson, pastor of the Missionary Baptist Church, officiated. Burial was in Morton Memorial Cemetery under the direction of Singleton Funeral Home.

Ward, 82, died Thursday in Morton Memorial Hospital where he had been a patient for two days.

A native of Plainview, Ark., Ward moved to Morton in 1928 from Matley County. He was a retired farmer, served as Cochran County commissioner from 1936 to 1945. He was a charter member of the First Baptist Church and member of the Woodman of the World Lodge.

Survivors include his wife, Nancy Ellen, two sons, Kermit and Edgar, four daughters, Mrs. Boyd Willis; Mrs. B. A. Battenfield, Clovis; Mrs. Harley Ward, Hereford; and Miss Lessie Ward, Clarendon; a brother, A. E. Muleshoe; nine grandchildren and 13 great-grandchildren.

Palbearers were: E. L. Willis, Joe Nicewarner, Ran Holloman, T. T. Smith, Traett McCulcison and Glenn W. Thompson.

Honorary pallbearers were the members of Ward's Sunday School class.

One dollar loot netted by thieves

Officers of the Cochran County Sheriff's office report Max Dickerson's store in Whiteface was burglarized Sunday night.

Stolen was a safe, which was transported about 300 yards on a small hand truck, according to deputies.

The safe contained accounts, bills, ledgers and one silver dollar.

The safe was found Monday morning, the hinges beaten off.

Four business firms were burglarized Sunday night in Sundown. Stolen was one half a beef, groceries, cigarettes and coffee.

Farm tools given Saturday by Enos

Seventeen door prizes were given persons attending the grand opening of Enos Tractor and Welding Saturday.

Prizes awarded were farming aids and winners names drawn from a hopper of registrants.

Prizes and the winners were:

Seat covers were presented to T. E. Lynch, W. E. Reese, Don Hill, Dalton Hodnett, Mrs. W. C. Key and Mrs. J. T. Holloman.

Screwdriver sets were given to F. L. Fred, James McClure, Fred Lewis and Ben Kuehler.

Other prizes and winners included: Ira L. Self, a welder's helmet; Don Clark, a litter box; Ray Carter, a measuring wheel; Mrs. T. H. Blackstock, a tool box; H. A. Lamb Jr., an automatic coffee maker; Mary Reese, a quarter inch electric drill; and Billine Freeman, a set of socket wrenches.

Plans underway for presentation of Easter cantata

The second annual Easter Cantata "No Greater Love," by John W. Peterson, will be presented Monday evening, March 23, in the First Baptist Church. The cantata is sponsored by the Ministerial Alliance of Cochran County.

Guy McLain, choral director for Morton School and choir director of the First Methodist Church, is directing the 40 or more voices in the cantata.

Practice for the cantata is held each Sunday at 3 p.m. in the Baptist Church. Mrs. Earl Polvado is pianist and Mrs. Peggie Houston, organist for the cantata.

All solo parts, with the exception of two, have been assigned, according to McLain.

Last year the cantata, presented in Morton for the first time, was acclaimed one of the greatest performances ever heard here. Members of the alliance feel there will be even more attending the cantata.

FFA continues to grow in Texas

The Future Farmers of America organization is in its 35th year in Texas - and it continues to grow, having over 38,702 members this year. These FFA members are boys who are studying vocational agriculture in approximately 900 high schools in Texas. In their vocational agriculture classes, students are provided an opportunity to secure technical and scientific training in agriculture as well as to receive training in leadership,

citizenship, and cooperation.

In 1956 there were 711 FFA chapters in Texas with a membership of 28,843. Today, we have 875 chapters with over 38,000 members. The largest growth has come in the last three years since the membership increased over 3,000. In a recent study it was found that 52.2 per cent of the vocational agriculture graduates last year who were available for employment are now in full-time farming or in an agri-

cultural related occupation. Approximately one-half of this number is in full-time farming.

Agriculture is more than farming. It involves those who process and distribute many agricultural goods. Many people are employed in agricultural occupations such as engineers, scientists, management personnel, sales and service personnel, and educators. There are 80,000 desirable openings each year for farm operators,

farm engineers, and full-time hired farm labor. This group needs a sound education in a continuing education to help keep them abreast of the rapidly changing technical and management aspects of farming.

Mrs. Lem Chesher made a business trip Wednesday to Lubbock. While there she visited with Mrs. Lloyd Miller, patient at Methodist Hospital.

Mr. and Mrs. Earl Brown visited this weekend in Lubbock with their daughter, Mrs. Charles De Vore, her husband and daughters, Carolyn and Betty. They also attended the opening of the new Collins Department Store on Sunday afternoon. Mrs. De Vore has been bookkeeper for the firm for the past several years.

**FOR EVERY
PROBLEM,
THERE IS
A SOLUTION**

Such a predicament! Stuck in mud a foot deep!
What to do? Just sit in despair? Wring your hands?
Of course not! There is a solution. Obviously, this
is a simple predicament. But what about the enorm-
ity of some of life's problems? There is an answer.
There is help. God is "a very present help in time
of trouble," the scriptures say. Try Him—try
Jesus. Feel His presence and let Him speak to you
in church this Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

County Agent's report

omer Thompson grain program is the first item concerning the 1964 Feed Grain Program. The concluding item will be next week's column. The 1964 Feed Grain Program is the same as in 1963. It is voluntary.

The program will exert a stabilizing influence on feed grain prices, shield both wheat and feed grain producers from the effects of possible larger 1964 wheat plantings, and continue the substantial progress toward our national goal of around a 45-million-ton feed grain carryover. More than a million farmers participated in the 1961, 1962, and 1963 programs and reduced feed grain carryover stocks from 85 million tons to about 60 million tons.

The maximum feed grain acreage which may be diverted on a farm has been raised to 50 percent, from 40 percent, of the base.

The average payment rate per acre for diverting 40 percent or more will be substantially higher than in 1963.

The program will exert a stabilizing influence on feed grain prices, shield both wheat and feed grain producers from the effects of possible larger 1964 wheat plantings, and continue the substantial progress toward our national goal of around a 45-million-ton feed grain carryover. More than a million farmers participated in the 1961, 1962, and 1963 programs and reduced feed grain carryover stocks from 85 million tons to about 60 million tons.

Participation choices

Each feed grain producer who takes part may choose the eligible cropland to come out of feed production and go into conserving uses. To meet the needs of most farmers, the program provides a range in the acreage which may be diverted:

1 The smallest acreage of cropland that can be diverted for payment is 20 percent of the feed grain base for the farm. 2 The largest acreage on which payment can be made for diversion is 50 percent of the farm's feed grain base, or 25 acres if this is more than 50 percent of the base. Payment will not be made on more acres than are in the base. In 1963 the maximum acreage that could be diverted for payment was the larger of 40 percent of the base of 25 acres.

Farm feed grain base

Feed grain bases have been figured by the same method used in 1963 — based on the average number of acres on which feed grains were produced in 1959 and 1960. The feed grain acreage for a farm includes corn, barley, and grain sorghum. The farm feed grain base established by the ASC County committee and furnished to each producer is the starting point in figuring the diverted acres.

On farms that produce more than one of the feed grains — barley and corn, for example — the total feed grain base will include a corn base and a barley base. On such farms the operator may choose to divert acreage from either barley or corn, or to divert part of the acreage from barley and part from corn. The diversion payment rate will be based on the kind or kinds of feed grain crops from which acreage is actually diverted on the farm.

Diversion payment

There are two diversion - payment rates. Either one or both of the per-acre rates may be used in figuring diversion payments. The lower rate, which applies to the first 20 percent of the feed grain base diverted, will be the normal yield for the farm times one-fifth the county total support rate, price - support loan rate plus the price - support payment rate.

The higher rate applies to acreage in excess of 20 percent and will be the normal yield for the farm times one-half the county support rate.

The higher rate applies to the entire acreage diverted if the total diverted is equal to at least 40 percent of the base.

For example, on a farm with a base of 100 acres, if 30 acres are diverted, 20 acres will be paid for at the lower rate, 10 acres at the higher rate. If 40 acres are diverted, the entire diversion payment will be at the higher rate.

A new provision of the law requires that diversion payments or price-support payments not exceed land diverted.

Spray treatments aids in controlling brush

The increasing cost of land makes it extremely important for the land owner to get the most production possible from each acre.

Several years of good management may be required to increase the yield per acre, when native grasslands are the primary source of forage.

Many Cochran County ranchers have rangeland that is infested with shin oak. The carrying capacity of this type rangeland may be obtained in a relatively short time by controlling the shin oak with a chemical spray.

Millard Townsend sprayed 800 acres of shinnery with 2-4-5-T in the spring of 1963. The spray treatment knocked back approximately 80 per cent of the top growth of the moisture sapping shin oak. The grass then shot up new growth, regained vigor and established seedlings. The treated area was also deferred from grazing for the growing season following the spraying.

Deferment is a necessary management practice following brush control if the maximum benefit is to be realized. Otherwise, the grass may be damaged more than if the area had not been sprayed.

The grass is more palatable, more accessible to grazing and in a weakened condition, following application of spray. Heavy grazing at this time may seriously dam-

age the grass plants and reduce the stand.

Townsend plans to spray a second time this spring if conditions are favorable. With the shinners reduced to a low level of competition, the carrying capacity of the 800 acres should be doubled, perhaps tripled. Continued high production can be expected with a good management program.

Treatment of shin oak by chemicals has not resulted in a high percentage of root kill in this section of Texas. The increase in grass production is sufficient to justify the cost and give a return on the investment.

Hiway patrolmen investigated one county wreck here

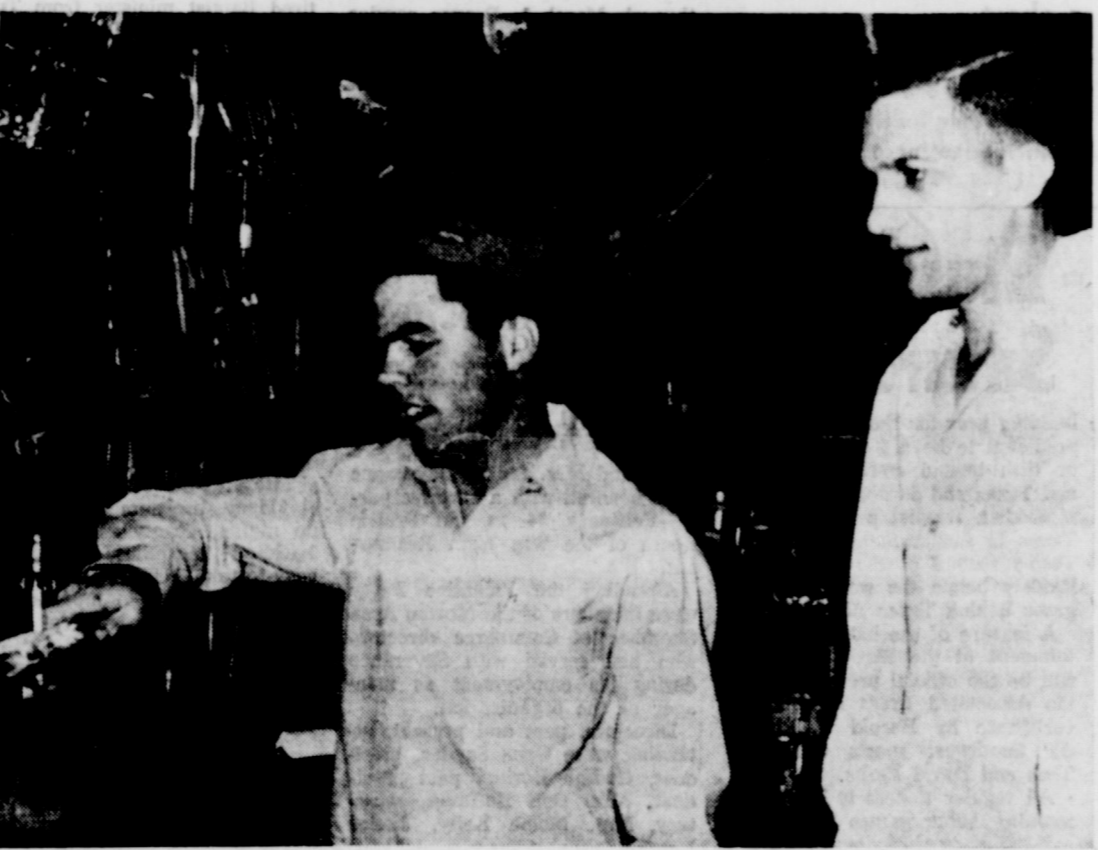

The Texas Highway Patrol investigated 1 accident on rural highways in Cochran County during the month of January, according to Sergeant A. E. Roberts, Highway Patrol Supervisor of this area.

These wrecks accounted for 1 person injured and an estimated property damage of \$400.00.

The Sergeant reminded motorists that Texas along with every other state in the nation many years ago enacted a safety responsibility law to meet the problems created by irresponsible operators of vehicles on our streets and highways. This law is intended to encourage all motorists to become financially responsible and to promote highway safety by identifying those drivers and owners of motor vehicles who will not assume their moral and legal obligations to society and therefore should be removed from the highways.

Mrs. B. N. Graham, mother of Mrs. Raymond Ross, is recuperating from recent major surgery at University Convalescent Center, Lubbock. Mrs. Ross has been with her mother a great deal of the time since the surgery, which was performed at Methodist Hospital.

Mrs. John Haggard and Mrs. Gene Snyder visited Thursday in Levelland.

Farm records needed to report taxes

COLLEGE STATION — Considerable income tax savings may be gained by spending a little time reviewing your farm records now, says C. H. Bates, farm management specialist with the Texas Agricultural Extension Service.

A farmer's or ranchman's net income may vary considerably from year to year due to fluctuation in yields, changes in price and production costs, he explains. However, some planning by the taxpayer who pays by cash, as the farmer does, can help level out year to year income and save tax dollars, according to the specialist.

The producer must study business records before the end of December and make an estimate of the taxable income. If the prospects for taxable income appear to be high, the taxpayer may reduce it by paying for needed business items before the end of December, says Bates. Opening district playoff dropped by Indians

The Morton Indians lost a golden opportunity to go one up in the district basketball play-off with Dimmitt Saturday night, but fell before the resurgent Bobcats, 62-61, in a heart-tugging, nerve-shattering contest in the Dimmitt gymnasium.

The loss for the Indians means they must now win the second contest of the play-off scheduled for tonight on the local hard-court. If the locals lose this game, their cage season is over — if they win, the third of the best two out of three series will be staged in Whiteface Saturday at 7:30 p.m.

Dimmitt's reserve strength pulled them to victory in the contest, as three of the starting Bobcats fouled out of the game. Two Indians, Kenny Palmer and Rhodney Williams, also left via the five foul route.

The Indians did not play one of their better games, and were bothered by the swarming, scrambling Dimmitt defense. Morton hit

only 21 field goals, two less than the Bobcats, but cashed in on 19 of 28 free throw attempts. The Dimmitt team, usually deadly accurate from the charity line, managed less than 50 per cent of their shots, 16 of 33.

The Bobcats drew first blood in the game, jumping to an early 4-0 lead, but the Indians, obviously tense and on edge in the first few minutes, finally went ahead and were on top, 14-12 at the end of the quarter. Chesshir's seven points led the Morton attack during the first eight minutes.

The Indians held a 28-27 margin at halftime, as a desperation 35-foot shot by Charles Ledbetter split the nets as the buzzer sounded. Ledbetter and Jimmy Joyce, with six points apiece, were Morton's high scorers in that period.

Dimmitt took over the lead in the third period, and were in front, 43-42, at the end of the quarter. Again, it was Ledbetter with six who led the Indian attack. The tension-packed final eight minutes were as exciting as you will find anywhere. The lead exchanged hands several times, and every time either team seemed to get a safe margin, the other one stormed back.

Ledbetter was high point-maker in the fourth period, with eight, the last two with less than five seconds remaining. He was high scorer of the game for the Indians, with 25 points, ten field goals and five gift tosses. Chesshir tossed in five fielders and three free throws for 13, and Joyce and Rhodney Williams had eight apiece. Joyce had a perfect night at the charity line, hitting six out of six.

Big Jacky Nichols bucketed 26 tallies for the winners. The big 200-pounder, who is not shy about pushing or shoving his guards around under the basket, was also the leading rebounder for the Bobcats. Clint Summers added 13 points to the Dimmitt total, seven of which were in the final period. Lyndol Frazier and substitute Bob Bradford had seven apiece for the winners.

The defeat was the second setback handed the Indians at Dimmitt this year. The regular season contest was won by the Bobcats, 60-58.

Mr. and Mrs. Don McDermott and sons, Donnie and J. Scott, of Crosbyton, were weekend visitors of their parents and grandparents, Mr. and Mrs. J. W. McDermott and Mr. and Mrs. Willard B. Cox.

Col. Bob Lively visited here last week with his wife's mother, Mrs. Hessie B. Spotts. Col. Lively, a former Morton teacher, has just returned from two years in Thailand.

Ledbetter short

A JUMP SHOT by Charles Ledbetter falls short of the mark in the first half of the Dimmitt-Morton cage contest held Saturday night in Dimmitt. Bobcat players waiting for the rebound are Lyndol Frazier and Steve Hutton. The Indians lost the first play-off game, 62-61. TRIBUNE Photo

Three in a row! Bledsoe BB squad district winner

By Raymond Adams

The Bledsoe Jr. High boys have captured the District basketball championship for the third year straight. The Jr. girls are the winners of the second place trophy in district play.

The last conference tilts for the Jr. High teams were played last week at Three-Way. The girls won their game 25 to 18 after trailing at half-time by 1 point. They put on a third quarter spurge and scored 13 points while the defense was allowing only 4 points.

The boys also had a close game and were the winners by the score of 25 to 20. The score was tied at 10 all at the half-way mark, but they came on to win the contest to give them a district record of 8 wins and 0 losses. The girls finished their conference standings with a 6-2 record. The losses were at the hands of the first place Bula girls.

In a preliminary game Tuesday night the "Little Bitty" Antelopes were shot down by Three-Way 8 to 18.

The wrap-up of the 1963-64 season for the Jr. teams will be Thursday, Friday, and Saturday in the Spade Tournament.

There has been no action for the High School boys this week, but the District Tournament preparation for the Antelopes has been underway.

County Line Baptist prepares for revival

Revival services will begin at County Line Baptist Church Sunday, February 23, continuing through March 1. Prayer service will start at 7:30 p.m., followed by preaching at 8 o'clock. Bobby Lacy, pastor of Longview Baptist Church is the evangelist. L. T. (Short) Lemons will lead the singing. J. L. Haley, pastor, invites everyone to attend the services, which will be held in the evenings only.

Chamber directors treat Saverance to farewell party

Mr. and Mrs. Sidney Saverance were honored with a surprise party February 14 in the Prairie Room of the Wig Wam Restaurant.

Attending the Valentine Party were members of the Morton Area Chamber of Commerce directors who had served with Saverance during his employment as manager of the organization.

Directors, past and present, attending were Gene Snyder, president, George Boring, past president, Mrs. Don Hoffman, secretary, Mrs. Melba Kelly, James Hunter, Truett McCuiston, Neal Rose, C. E. Dolle and Wanda Anglin.

A plaque was presented Saverance by Snyder. The plaque was inscribed, "Presented to Sidney Saverance in appreciation for his untiring efforts while serving as manager of Morton Area Chamber of Commerce, July 1962 - February 1964."

Saverance recently resigned the Chamber position to accept employment with the Levelland Savings and Loan Association.

Down for the count?

AN ACCUSING FINGER of a referee is pointed at Dimmitt's Jacky Nichols in the final quarter of the Bobcat-Morton basketball game Saturday night in Dimmitt. Nichols had just collided with Charles Ledbetter of Morton, and had been charged with his fifth foul of the

contest. The Bobcats edged the local 62-61, in the first of a best two out of three series to determine who will enter district competition. The two teams tied for the district title.

Red Raider - Mustang game on TV Saturday

LUBBOCK — Texas Tech's Red Raiders, surprisingly in the South-west Conference race still, engage the always tough Southern Methodist University Mustangs in a regionally televised basketball game in the Coliseum here at 2 p.m. Saturday, February 22.

Texas Tech already has edged the Mustangs 85-83 in a game that was telecast from Dallas two weeks ago, but Coach Gene Gibson doesn't derive a lot of confidence from that win. After all, just two years ago the Raiders downed SMU in Dallas by six points then dropped a five-pointer to the Mustangs here, SMU, in fact, is riding a two-game winning streak in the Coliseum, having nipped Tech by 85-87 here last year.

This was supposed to be a re-

building year for the Red Raiders, predicted to be a fight for fourth or fifth behind co-favorites Rice and Texas and darkhorse Southern Methodist. Despite a 78-76 loss to Texas in Austin Saturday night—Tech's second of the season—the Raiders began the week just one game behind Texas A&M.

A feature of the halftime entertainment at the SMU-Tech game will be the official presentation of the Associated Press All-America certificate by Harold V. Ratliff, AP Southwest sports editor, to Tech end David Parks.

All regular tickets to Tech's remaining home games have been sold, but at 15 minutes before the game time general admissions for the floor area will go on sale provided the student turnout permits.

Mr. and Mrs. Matthew Kammenga of Kingsville, Ontario, Canada, are guests here in the home of their daughter, Mrs. Bill Thomas, her husband and their new son, Bill Jr. Mr. and Mrs. Kammenga, former residents of Holland, expect to be here until around the first of March.

Y-M Study Club honor husbands with dinner

"Let Me Call You Sweetheart" was sung in unison by members of Y-M Junior Study Club when the organization honored their husbands Thursday night with a Valentine buffet supper and party. Mrs. Wilton Green, pianist, accompanied the singing. A Valentine motif was used in decorations.

The party was held in Fellowship Hall of the First Methodist Church with Mrs. Ray Lanier as chairman. She was assisted by Mrs. Richard Biggs, Mrs. Robbie Key, Mrs. James Cogburn, Mrs. Leonard Groves, Mrs. Dave Corley and Mrs. Bill Matthews.

Husbands and special guests, Mr. and Mrs. George Hargrove, were introduced following the song. The invocation was given by Bill Matthews. Mrs. Lanier was mistress of ceremonies.

Door prizes of Valentine boxes of candy were awarded to Mrs. Eli Douglas and Jack Loran. In games of "Crazy Bridge" following dinner, prizes were won by Mrs. Cogburn and Leonard Groves.

Members of Y-M and husbands attending were: Mr. and Mrs. Biggs, Mr. and Mrs. George Borling, Dr. and Mrs. Garnett Bryan, Mr. and Mrs. Cogburn, Mr. and Mrs. Douglas, Mr. and Mrs. Green, Mr. and Mrs. Groves, Mr. and Mrs. Key, Mr. and Mrs. Lanier, Mr. and Mrs. Loran, Mr. and Mrs. Dexter Nebbutt, Mr. and Mrs. Frances Shifflet, Mr. and Mrs. Lowell Webb, Mr. and Mrs. Cullen Dansby, Mr. and Mrs. Jerry Windler, Mr. and Mrs. Matthews and Mr. and Mrs. Corley.

This week's favorite recipe is one used frequently by Mrs. Hesse B. Spotts. She finds it wonderful for serving with coffee when friends drop in or for dessert or just any old time.

Dream Pies

- 2 eggs
- 1 cup light syrup
- 1 1/2 cups sugar
- 1 cup coffee cream
- 1 cup pecans
- 1 cup coconut
- 1 teaspoon vanilla
- 1/2 teaspoon salt
- 2 tablespoons melted butter
- 2 unbaked pie shells

Mix dry ingredients. Add cream, syrup and beat well. Add eggs, vanilla, pecans and coconut and continue mixing. Pour into two unbaked pie shells and bake at 350 degrees until brown. Serve with ice cream or whipping cream. Serves 12.

Mrs. Spotts came out here 26 years ago as a widow with two small children. Her original intention was a visit of two weeks with relatives who lived in the community and she has been here ever since... making a place for herself in the religious, civic and social life of Morton.

Her children, Mrs. Jean Lively, Lubbock and Fred Saunders, Tucson, were both educated in Morton schools.

Mrs. Spotts, daughter of the late Mr. and Mrs. J. F. York, was born at Carroll in Smith County, Texas. Later moving with her family to Roaring Springs, where she graduated from high school.

Her first job in Morton was as a "hello" girl in the telephone office... at a time when crank up phones were the order of the day.

Later she worked with the local draft board; Veteran's Vocational Training School and 11 years ago she became librarian for Cochran County Library. The library originally was in the court house and contained only a smattering of books contributed by club women and interested individuals.

The library is now housed in the County Activities Building, but has outgrown the allocated space. Mrs. Spotts is proud of the library, also very ambitious for it and would like very much to see its facilities expanded to provide more room. Too, she would like to see many more books added. She particularly missed the Encyclopedia Britannica loaned for seven years to the library by Mr. and Mrs. Grover D. Edgar. When they moved to San Angelo they took the volumes with them. Mrs. Spotts feels the loss especially in regard to high school students who found the volumes invaluable.

Her father's remaining years were spent here in her home. He died quietly in his chair while talk-

MRS. HESSE B. SPOTTS

ing to a little pet bird she had given him. Even after five years she hasn't quite accustomed herself to going home and finding the house empty.

Mrs. Spotts has so many hobbies it is difficult to name them or for her to get around to doing as much with each as she'd like. She paints in oils, is a gardener and one of her favorite pastimes is knitting. She has knitted scores of TV slippers for elderly friends plus other knitted items.

Last year she pieced six quilts. She is a former member of the Cochran County Garden Club; past secretary for two years of Camp Fire Council; was an active member of the American Legion Auxiliary as long as there was an organization here.

She is a member of the First Methodist Church, Wesleyan Service Guild, of which she is secretary of Missionary Education; associate matron of the Eastern Star and on the executive board of Rainbow.

Mr. and Mrs. J. M. Austin were weekend visitors in Childress with their daughter, Mrs. Homer Bennett, and her husband.

Morton Bridge Club hosted by Mrs. Cox

Mrs. Willard B. Cox hosted the Morton Bridge Club at her home Monday night.

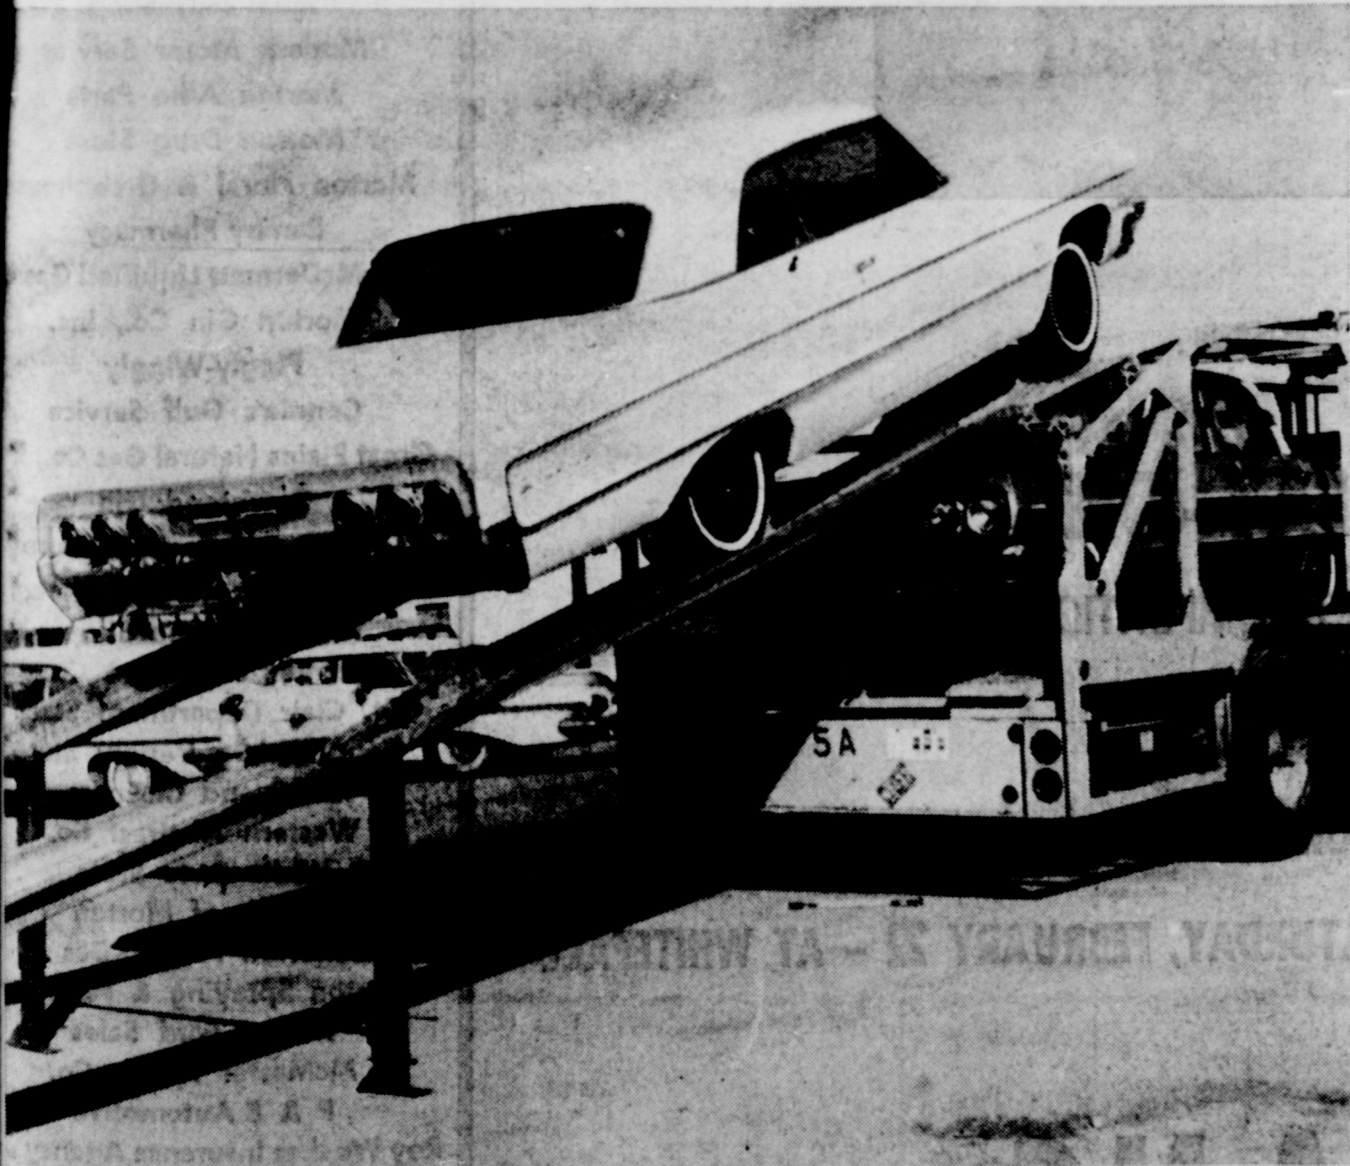

Five tables of bridge were played. Refreshments were served by the hostess to two guests, Mrs. John L. McGee and Mrs. John Haggard and these members: Mrs. Neal Rose, Mrs. Hume Russell, Mrs. Doyle K. Brook, Mrs. Carl England, Mrs. J. W. McDermott, Mrs. Scott Hawkins, Mrs. C. H. Silvers, Mrs. Van Greene, Mrs. Roy Hickman and Mrs. John Crowder.

The club will meet on March 2 with Mrs. John Crowder.

Mr. and Mrs. John Haggard and children spent a portion of the weekend in Lubbock.

YWA club has Valentine party

A Valentine party was held in conjunction with the regular meeting of YWA's of the First Missionary Baptist Church on February 10.

"Showing Love to Others" was theme of the program given by members. Each answered roll call with a Scripture in relation to the heart. Red hearts received by individuals were pinned to a bulletin board forming a large Valentine.

"Come Into My Heart" was the song chosen for the occasion; this was followed by a game entitled "Heart."

Heart shaped cookies and punch were served to Shirley Turney, Beverly Criswell, Jeanette Childs, Loree Jonas, Janette Cooper, Sandra Gandy, Darla Turney, Lynette Phillips, Juanice Skaggs and sponsors, Mrs. Eugene Bedwell and Mrs. C. W. Wiggins.
