Golfers display prizes

TOURNAMENT CHAMPION Irvin St. Clair, center, is pictured with the new set of irons given as first prize in the Morton Invitational golf tourney this past weekend. With St. Clair is Fluff Myers who was defeated in the

championship finals by St. Clair. Both golfers are from Muleshoe. Pictured at right is Bobby Travis of Morton who served as tournament chairman and presented the prizes following Sunday afternoon's matches. TRIBUNE Photo

Irvin St. Clair captures Morton tournament

St. Clair whipped Fluff Myers 1 and 1 Sunday to capture the Morton Invitational Golf Tournament in a 100 degree temperature and high winds that gusted up to 50 miles per hour. Both golfers are from Muleshoe.

In his way to the finals St. Clair defeated Jim Eddins 2 and 1 in the first round, Babe Van 2 and 1 in the second round and Bobby Travis 6 and 5 in the third round. St. Clair took the measure of Myers in the finals.

Howard Hassell, Seminole, defeated Russell, Lubbock, for championship consolation title.

In the first flight finals Tommy Hawkins of Morton was edged out by George Prigmore of Brownfield. Willard Cox, also of Morton, won the first flight consolation whipping Slim Windom, Albuquerque, N.M., 8 and 7.

In other finals action C. D. Dimis, Hale enter, won over Lester Smith, Levelland, in the finals of the second flight. Smith advanced to the finals with a 2 and 1 victory over local linkster, John St. Clair. Clayton McMasters, Morton, won the second flight consolation crown defeating Howard Christian, Lubbock.

Lyons Lockhart, Lubbock, beat Phil Cook, Lubbock, for the third

flight title 4 and 2. In the consolation bracket Merle Monroe, Lubbock, ousted Warren Williamson, Morton, by a 6 and 5 score.

Dry weather continues to plague agriculture

Severe lack of moisture continues to plague area farmers particularly in dryland farming areas.

According to County Agent Homer Thompson 1964 may be a year that youngsters will remember for a long time. Much of the county has had less than 3 of an inch of rain in over nine months. The small portion of the county which received more than one inch of moisture during May is just as dry. The rain fell fast and did not penetrate to planting soil.

As of the first of this week there has not been any planting to mention of cotton or grain sorghums on non-irrigated land in the county. There has not been sufficient rain moisture to sprout weed seed in most areas of the county to date.

Two days this week have seen constantly blowing dust and sand from high winds gusting up to 40-50 miles per hour at times. The hot, dry wind is taking the irrigation moisture from the soil rapidly. Some young cotton and feed is be-

ing lost daily by sand damage, either from blowing or from being covered up by the drifting soil.

Sand fighters are working overtime and sprinkler irrigation water is being applied constantly to limit the blowing damage. It is not uncommon to see sprinkler water falling to the ground many yards from the sprinkler line.

It is estimated that 80 percent of the cotton land in Cochran County is irrigated and that this amount has been planted. This leaves 20

percent or about 15,851 acres unplanted. The total allocation for cotton in Cochran County totals 79,256 for 1964.

There is less than 15 percent of the grain sorghum base acres irrigated in Cochran County. An additional 80,000 acres of land put into cultivation the past three years with no grain base acres. There is a potential of 200,000 acres of grain sorghum that could be planted, with less than 35,000 acres of grain sorghum irrigated in the co-

unity. This leaves about 165,000 acres yet to be planted in the county.

Thompson summed up his report saying, "Now we don't want to paint a bad picture, but the little insect 'midge' has taken its toll of grain sorghum yield damage to sorghums booting after August 1. It is not likely that grain sorghums planted now will boot out before August 1, so it won't be ahead of the midge. Let's just hope and pray we get a general rain very soon and there will be no midge."

Coleman wins narrow victory

Engineer gives report on progress of paving

Morton City Council met in regular session Monday to take care of a variety of the town's business. Bills for the month were approved for payment by the Council.

A group from the local cemetery association met with the Council to discuss the future operation of the cemetery.

Joe Smith, representative of the First Southwest Corporation, was in session with the group to discuss matters relating to a bond issue. Smith's firm was hired by the city to serve as their financial adviser on bond matters.

Parallel parking on State Highways 116 and 214 was discussed

and ordered into effect as soon as the spaces could be striped. Signs are also to be placed to indicate the new parking angle.

The tax rate was set at \$1.40 which is the present rate.

Ralph Douglas, city engineer, reported that if good weather continued, the paving project would be completed by June 15. It was also decided to seal coat approximately 50 blocks of present city paving.

Repair work on the tractor-loader used by the City was ordered. An estimate of \$406.75 was given for the work to be done on both pieces of machinery.

Tractor accident hurts Glenn Price

Glenn "Butch" Price was injured Tuesday at 7:10 p.m. in a tractor accident on the farm of Clyde Price, his father.

The younger Price was dismounting from the vehicle when he accidentally put the tractor into gear. He fell from the machine which then ran over the lower portion of his body. The lister also crossed over Price.

Price was rushed to a Littlefield hospital by a Singleton ambulance. Injuries reported a fractured foot and pelvis. He underwent surgery following the accident.

Ragland takes county but loses over district

A light turnout of voters went to the polls Saturday to cast ballots in three races in the second Democratic primary and one in the Republicans' second round vote.

In the race for Commissioner of Precinct One Leonard Coleman, the incumbent officeholder, outpolled challenger E. G. Gardner by 59 ballots. The final count was 458 for Coleman to 408 for Gardner. In first primary balloting Coleman had led the four candidate race with a 392 vote total. Gardner re-

ceived 338 in the first election.

Howard Ragland scored a sound victory in Cochran County despite falling short in the district total for state representative. Ragland polled a total of 666 votes in the election to 435 for his opponent Jesse George. First primary voters had given Ragland a 1700 vote bulge over the district while Cochran County made him a sound winner with 608 votes over second place A. B. Carpenter of Plains who got 384 Cochran votes in the first balloting. George was a distant third in the first primary with a total of 278.

In the final showdown George's strength over the district saw him elected to the 90th District post representing Cochran, Hockley, Yoakum and Terry counties. George is from Brownfield and Ragland is a resident of Levelland.

Joe Pool of Dallas received reelection to the post of Congressman-At-Large for the state of Texas. Pool won out over Robert Baker, former state senator from Houston, by polling 764 votes to Baker's 313 total.

First primary results saw Pool leading the county total with 626 while Baker only managed 92. Dan Sullivan of Andrews was the second choice of Cochran County voters in the first election with a total of 395 ballots. Pool had a strong following throughout the West Texas area. Baker on the other hand drew much of his support from down state areas.

Republican voters picked George Bush over Jack Cox for the nomination to run for the U.S. Senate in November. Bush polled 10 votes to Cox's total of two. Across the state Bush continued his domination of the votes and will oppose Democrat Ralph Yarborough in the general election. Both Bush and Cox are from Houston.

The generally light number of voters showing up at the polls had been generally expected because of the lack of runoff races in the local level.

Election judges in their respective precincts included Courtney Sanders, Precinct One; Vern Beebe, Precinct Two; Willy Griffin, Precinct Three; Brad Stovall, Precinct Four; Ralph Burt, Precinct Five; and W. W. Gunter, Precinct Six.

Morton teams dominate Frontier League action

Morton teams dominated play in the Frontier Babe Ruth League this week capturing three games. The Indians subdued the Morton Tigers, 13-1, the Whiteface Cardinals 17-12, and the Tigers came back to whip the Sundown White Sox by a 15-4 score.

In the first inning of the Indians-Card battle Monroe was singled in by McCoy to give the Indians a 1-0 lead. The Cards rallied in their half of the inning and scored four runs by Stegall, Shifflet, McCoy and Howard to take a 4-1 bulge. The second inning saw the teams get one run each and the score was 5-2.

Indians roared back in the top of the third scoring six runs. Carter came in first on a passed ball. Soliz scored on a double by McCoy, Kuehler and McCoy ran in on a hard single by Lamar, and then Lamar and Gomez crossed the plate on a double by Culpepper.

The Cardinals were far from finished and came back to tally five runs in their half of the third. Gomez slugged a long home run for the Indians scoring Soliz and Kuehler ahead of him in the fourth. Johnny Srygley then scored on a hard double by Culpepper. Sweeney and A. Alaniz came in for the Cards on walks.

Two home runs for the Indians by Kuehler and Culpepper sent five more runs in for the Indians in the fifth. This finished the scoring with the Indians on top 17-12.

Tigers-White Sox contest was dominated by the hard, fast play of the Morton team. After a score-

Enjoying the water

NOT SUMMER DAYS recently have found many Morton residents, especially the younger set, converging on the recently opened community swimming pool. It was reported that over

300 swimmers enjoyed the water during the first weekend the pool was in operation. W. G. Freeland is in charge of operating the local pool. TRIBUNE Photo

Subscription drive kicks off

Boys and girls who have been dreaming of receiving a bright, shiny new bicycle or a transistor radio under the Christmas tree have the opportunity to make their fondest dreams come true long before the yuletide season.

Gene Snyder, publisher of the Morton Tribune, announced the opening of a reward filled subscription campaign set up especially for youngsters in Morton and the surrounding communities.

Those participating in the campaign have the chance to win a brand new shiny bicycle or a transistor radio. And even those who don't qualify for the other prizes have a chance to have their efforts

rewarded in good hard cash.

The campaign will be launched tomorrow June 12, and continue through August 1. All that is necessary to win a bicycle or a radio is to turn in 25 new subscriptions to The Tribune. The subscription rate is \$3.50 per year.

Each new subscription counts one unit toward the 25 necessary; a new two year subscription will be credited as two units. Two one year renewals to The Tribune will count as one unit.

Workers will be asked to report each Saturday morning to turn in subscriptions sold during the preceding week. As soon as 25 units are credited, the boy or girl will be

presented with either a bicycle or radio.

Those who do not have 25 units to their credit by the time the campaign closes will receive \$1.00 for each new subscription to their credit.

So boys and girls, here's your chance to win a new bike or radio for only a few hours work. Talk to your parents, friends and neighbors about subscribing to The Tribune. Come into The Tribune office and sign up as a worker and receive your subscription books and instructions.

The campaign is open to all boys and girls who wish to participate. Don't delay, however, the sooner you get started, the sooner you can win your prize.

Whiteface grad makes European goodwill trip

Temple Kern, recent graduate of Whiteface High School, left earlier this week with 22 other Texas Future Farmers on a 21 day jaunt to eight European countries.

Kern is a Lone Star Farmer and Area FFA vice president. Last summer Kern, the son of Mr. and Mrs. R. D. May, Whiteface, won a similar trip to Mexico.

The Whiteface graduate was chosen for the People-to-People Goodwill Journey on the basis of his FFA accomplishments during the past school year. He served as president of the Whiteface FFA Chapter during the 1962-63 school year.

The Texas delegation will travel by air to Scotland, England, France, Belgium, Czechoslovakia, Hungary, Germany and Denmark.

While in the countries, the group will study foreign working conditions and methods and will serve as good will ambassadors for the United States. Visits of farms and agricultural colleges will be made.

Kern plans to spend an extra month in Europe to tour other countries following the tour which is designed to implement the aims of the U. S. cultural visitation exchange program and the national People to People organization.

★ Research man

James R. Bradford, head of the Industrial Economics Research Dept. at Texas A & M University, will be in Morton June 23 to discuss the possibility of conducting an industrial survey in the Morton area.

A public meeting, sponsored by the Morton Area Chamber of Commerce, will be held in order to give all citizens a chance to listen and discuss ideas on the possibilities of an industrial survey for this area.

Cardinals defeat Sox; Giants overcome Colts

Cards beat the Sox 10-5 and Giants downed the Colt 45's 20-7 in Tuesday night's Little League action. Pitcher Eddie Garza posted one score for the Cards while Keith Embry, Mark Baliko and Gary Jones scored for the Sox to give them a 3-1 lead in the first inning. Then in the second Baliko and Jones scored again, this time on a powerful double by Dub Hill. The cards did not score in the second.

In the third the Sox did not score, but maintained a 5-2 lead over the Cards. Gerald Baker scored number two for the Cards.

Eddie Garza made the only score for the Cards in the fourth inning. The Sox jumped to a 9-3 lead in the fourth as Baliko brought in Embry with a double. Baliko pushed across the late on Gary Jones' double. Jones came in on Eddie Turney's left field hit,

and Larry Clawson walked in from third base.

Jerry Steed and Baker slid across home plate in an all-out effort to close the Sox lead but were unable to stop an impending victory for the Sox.

The bottom of the fifth saw Baliko make the last run of the game leaving the score Cards 5 Sox 10.

The Giants jumped to a 6-3 lead over the Colt 45's in the first inning. See LITTLE LEAGUE, Page 2

New Worthy Matron is installed

Mrs. HESSIE B. SPOTTS and A. R. LINDSEY were installed as worthy matron and worthy patron of Morton Chapter 841, Order of Eastern Star, in an open meeting Saturday night at Masonic Hall.

In the chapter room the honoree's theme "Peace" was lettered in glittered white, flanked by the "Dove" her symbol and mounted on the wall at the East. Also in the East three dove were balanced with a large arrangement of blue Dutch irises, baby's breath, fern, shasta daisies and English ivy on a rambling piece of driftwood.

Smaller and similar arrangements centered with white candles were placed on the secretary's desk and on pedestals in North, South and West.

Presentation of the Bible was made by Kelly Travis and the square and compass by Zeb Payne.

A dozen red roses was presented to Mrs. Spotts by Lena Gipson.

Officers installed in addition to the worthy matron and patron were Marie Toombs and Harold Toombs, associate worthy matron and patron; Ona Payne, secretary; Geneva Huff, treasurer; Billye Winder, conductress; Mary Beth

Roberts, associate conductress; Jessie Lindsey, chaplain; Hettie Rowland, marshal; Lois St. Clair, organist; Leora Bowers, Adah; Winnie Mae Byars, Ruth; JoAnn Watts, Esther; Lena Gipson, Martha; Beulah Toombs, Electa;

Miss Cartwright announces plans for July wedding

Mr. and Mrs. Jack Cartwright announcement the engagement and approaching marriage of their daughter, Linda Fay, to Willie Cheek, son of Mr. and Mrs. Austin Cheek. Wedding vows will be exchanged at 7:30 p.m., July 17 in the 2nd and

Taylor Street Church of Christ. All friends and relatives of the couple are invited to the wedding. Linda attended Morton schools and is a 1963 graduate. She is presently employed with the county attorney. Willie is a 1962 graduate of Morton High School and attended ENMU one year.

Mrs. J. C. England visited over the weekend in Clovis.

Mrs. E. O. Willingham and daughter, Judy, took Mrs. Mary Yohner to Houston last week for her regular check up at M. D. Anderson. Mrs. Yohner is the mother and grandmother of Mrs. Willingham and Judy.

★ HS building

Supt. Eli Douglas reported construction on the new high school building in Morton "coming along real good" in a report Tuesday.

At this time work on the inside of the structure is being carried out by workers. Inside walls are being put up and plastered. Concrete is being poured to form the floors of the building. Windows have been installed in all rooms.

Douglas further said that the building should be ready for occupancy when school begins this fall. All work is on the inside now and the weather is no longer a factor in construction.

Produce company has representative to check acreage

Miss Billye Boone, a representative of R. B. Todd Produce Co., Inc., of Raymondville, is in the area seeking commitments of farmers who would like to contract to grow peas, either cream, crowder, red or blackeyes.

"We would like to contract several thousand acres, either irrigated or dry land," Miss Boone said.

Todd Produce will contract for either green or dried peas. The company acts as supplier of seed and will harvest and market the crops contracted.

Farmers interested in contracting land for pea growing are asked to leave name with Homer Thompson, county agent, or the Farm Bureau.

Miss Boone will be in the area this week and next. If enough interest in the program is shown an office will be set up in Morton to handle the contracts.

Presently the nearest Todd office is in Lamesa. Todd Produce, with home offices in Raymondville, is a large produce company handling all types of vegetables over the state. The company is a grower, shipper and buyer.

Carol McCuiston will leave Morton July 13 to work at Giorietta, a Baptist camp in New Mexico. She will be one of approximately three hundred staff members employed by the camp. A planned program for the staff includes worship services, devotionals, counseling, and recreation.

ning and continued to lead throughout the game. Rush Coffman, Ishmael and Jackie Miller scored for the Cards in the first inning. Ernesto Salis cracked a triple to center field and ran in Robert Hobson, Jackie Dupler and Otha Hightower. Then he scored on an error. He was followed by Haskell Lamar and Troy Richardson to give the Giants a fairly comfortable lead.

In the second inning Salis and Hobson scored on errors and Hightower came in on Salis' single to put the Giants ahead 9-3.

The Colts got back into the scoring column as they pushed Ishmael across. Bryant Lewis scored on a wild pitch to leave the score Colts 5, Giants 9 at the bottom of the third.

In the fourth inning the Colts inched closer as Coffman and Eddie Lewis made runs. But Willie Holland's powerful double seemed to have set the pace for the remainder of the game. Dupler was quick to follow with a double of his own that brought in Holland. Dupler and Hobson came in on errors. Hightower walked in and Salis came in on an error. Lamar and Richardson scored to put the Giants far out in front with 16-6. J. L. Hutcheson, Holland Dupler crossed home plate to make the score 19-7. Then Hightower slugged a terrific home run that disappeared behind the fence and ended the game with the Colt 45's 7 and the Giants 20.

Judy McCuiston was sent out this summer by the Home Mission Board of the Southern Baptist Convention to do summer missionary work in Columbus, Ohio. She will be working with children in vacation Bible schools.

A well of water...

Many important events have taken place at the well. In days long ago it was a meeting place, where all came because of the necessity to obtain life-sustaining water.

Jacob met his beloved Rachel at the well. Moses met the daughters of his future father-in-law at the well in Midian. Much later Jesus Christ met a woman of Samaria at the well and said, "Whosoever drinketh of the water that I shall give him shall never thirst: but the water that I shall give him shall be in him a well of water springing up into everlasting life."

The church of God today is a meeting place where many come to obtain this life-giving and life-sustaining water of which Jesus spoke. Won't you come to this meeting place next Sunday?

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Courtesy shower honors resident

A morning coffee and bridal shower Wednesday was a courtesy to Miss Susy Hawkins, who became the bride Friday night of Robert Hall.

Susy, wearing pale turquoise blue enhanced by an orchid corsage, was assisted in opening and besting gifts by Margaret Ledbetter.

The coffee, held in home of Mrs. Willard B. Cox, was hosted by Mrs. Cox, Mrs. M. C. Ledbetter, Mrs. Willard Henry, Mrs. W. L. Foust, Mrs. Elma Seaney, Mrs. Bill Wood, Mrs. J. D. Hawthorne, Mrs. Roy Hickman and Mrs. Carlton Luper.

Hostesses alternated at the serving table, which was laid in pink banded white organdie with scattered appliques of shaded pink Rose petals, four leaf clover and gilded wish-bones on a reflector were flanked by a flower filled wishing well and ceramic bride. The silver service completed table decor.

Gifts were displayed on tables in the large family room. Arrangements of spring blossoms were used at vantage points throughout the Cox home.

Guests registered in a lace covered, pearl embellished bride's book, hand fashioned by the honoree's aunt.

Speech on space heard by couple

Mr. and Mrs. Herman Bedwell were in Lubbock June 3 for a dinner meeting at In Town Inn at which Lt. Col. John A. (Shorty) Powers was featured speaker.

The meeting was sponsored by Lubbock office of Field Enterprises Educational Corporation, for which Powers is special consultant. Mrs. Bedwell represents Field Enterprises in Morton.

"This place called space — it's here," Powers, former public affairs officer for National Aeronautics and Space Administration's Project Mercury, told an audience of about 60 persons.

Using slides to demonstrate a portion of his talk, Powers told

the group of the opportunities awaiting man in space. His topic was "Space Age. Challenge to Education."

Cook-Ratliff vows are exchanged

Miss Carolyn Joyce Cook, daughter of Mr. and Mrs. Robert H. Cook, and Jimmy Ray Ratliff, son of Mrs. Roy Ratliff, Lubbock, exchanged wedding vows Friday evening in the First Missionary Baptist Church. The Rev. Gerrie Hensley officiated for the double ring rites. Miss Lynda Lynch, organist, provided the bridal music and accompanied Miss Beverly Criswell as she sang, "Always" and "I Love You Truly."

Candles were lighted by Mickie Ratliff and Barbara Scheffle, sister and niece of bridegroom. Flower girls were Diane Cook and Vickie Scheffle, nieces of the bride couple. Bruce Cook and Corkie Newberry, nephews of the bride, carried the rings.

Mrs. L. B. Newberry, Clovis and Mrs. M. Newcomb, sisters of the bride, were matrons of honor.

Miss Joyce Wilson was maid of honor. They wore dresses of pale blue designed with scoop neckline and bell shaped skirts. Pearl trimmed veils of illusion were attached to roses fashioned of the dress fabric. A single white rose was carried by each.

Larry Ratliff of Duarte, Calif., was his brother's best man. Walt Clark and Danny Scheffle, nephew of the bridegroom, both of Lubbock, were groomsmen.

The bride, given in marriage by her father, wore a gown of ivory satin. The fitted bodice featured scoop neckline and unmounted sleeves. The full length, bell shaped skirt fell from a contoured, lace covered cummerbund with attached satin train. The elbow length lace bordered veil of illusion cascaded from a tiara of lace and pearls. The bridal bouquet was an arrangement of white roses and stephanotis. The bride wore a single strand of pearls, gift of the bridegroom, and a gold bracelet belonging to her maternal grandmother, which she had worn at her own wedding in 1910.

Following a reception in home of the bride's parents, the bride changed to a white wool dress for a wedding trip to New Mexico. Her accessories were white and she added a shoulder corsage from the bridal bouquet.

The couple will be at home in Lubbock where he is employed by Brandon and Clark Electric Company. She is employed by City of Lubbock Fire Department.

The bride is a graduate of Morton High School and South Plains Junior College. Her husband attended schools in Rising Star and served in the Navy.

Shower and tea fete Mrs. Hooper in Cheshier home

Mrs. James Hooper, nee Deanie Doty, was honored Monday afternoon with a post-bridal shower and tea in the home of Mrs. Lem Cheshier.

The bride's colors of blue and white were used in decorations. White net overlaid blue on the refreshment table. Swags of blue ribbon draped across the table terminated in bows at the corners.

A pair of white doves held a blue ribbon bearing in silver the inscription "James and Deanie" in an arrangement of white glads and blue pom-poms centering the table.

Individual cakes iced in blue and decorated with white roses and hearts were served with punch and coffee.

Hostesses in addition to Mrs. Cheshier were Mrs. James Cog-Gene Huggins, M. Lurn, Mrs. Connie Gray, Mrs. Gene Huggins, Mrs. Dan Swicegood, Mrs. Alvin Kelly, Mrs. Riley Griffith and Mrs. George Holly.

less first inning the Tigers broke the game open with a five run outburst. Scoring for the Tigers were Black, Scott, Bedwell, Hemphill and Waters. The Tigers pushed in two more runs in the third with Johnny Torrez scoring for the White Sox in the top of the fourth. In the top of the fifth Sundown scored three more on runs by Junior Martinez, Torrez and David Varner.

Coffman, Smart, Willis and Perez tallied runs for the Tigers in the fifth to end all scoring with the

Morton team ahead 15-4.

In an all-Moron contest the Indians of John Carter took the measure of H. L. Hanna's Tigers, 13-1.

Indians jumped off to a commanding 6-0 lead in the first inning and were never headed by the Tiger squad. Monroe scored first on a single by Kuehler. Baker came in when a bases loaded walk was issued to Hobson. Carter crossed the plate on Shrygley's out and Kuehler came in on a walk. Monroe singled to send Hobson and McCoy across the plate and end scoring.

Thomas scored the Tigers' lone run in the second on a single by Jimmy Waters. Everyone was

scoreless in the third.

In the fourth Kuehler tallied on an error for the Indians and in the fifth inning Soliz scored on an error and Carter and Kuehler came across the plate following McCoy's double.

The sixth inning was highlighted by a beautiful catch on the part of the Tigers' Ricky Coffman.

Scoring ended in the seventh as the Indians pushed in two runs. Kuehler scored on McCoy's double and McCoy came in on an error.

HERE'S THE
CHANCE OF A LIFETIME

...you can

WIN A BICYCLE OR TRANSISTOR RADIO

IN A FEW HOURS' SPARE TIME

By Selling Only 25 New Subscriptions to the Morton Tribune

OFFICIAL RULES

1. To win a bike you must sell 25 new subscriptions to the Morton Tribune for \$3.50 each. If you sell a new two-year subscription for \$7.00, that counts as two subscriptions. A new three-year subscription counts as three subscriptions. But they must be new subscriptions. However, a two-year renewal from a present subscriber at \$7.00 will count as one subscription.
2. You must collect cash or checks. You should turn in all money and receipts each Saturday morning at the Tribune office. This may be done by mail. As receipts are received, you will be given credit for them.
3. Anyone not selling 25 subscriptions by August 1 will be given \$1.00 in cash for each subscription sold. All winners of bicycles and radios will have their pictures published in the Morton Tribune.

HURRY! Campaign Begins Friday, June 12
and continues Through August 1.

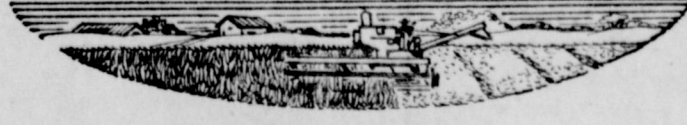

It's easy! All you do is contact your friends, relatives and neighbors and ask them to subscribe to the Tribune. If they already subscribe, you can get credit by getting them to renew for two years from the day their subscription expires.

They'll want to help you earn one of these bicycles — particularly since they all want to read the Tribune regularly anyway. It's a lot easier than selling magazines because everyone wants to keep up with the hometown news.

Come to the Tribune office Friday morning
to see these fine bicycles and radios and to get receipt books and information!

CARD OF THANKS

We the brothers and sisters of Marvin Stegall and our nephew, J. C. Summerlin, thank you for flowers, food, cards and words of sympathy. We also thank Bro. C. C. Durr, Potts, and McCoy. May God grant goodness to such fine people.
Willie Peters, Joe Stegall, A. A. Stegall, Mary Rodgers, Name Arthur, Billie Peters, and Pauline Poe.

CARD OF THANKS

With heartfelt thanks, we gratefully acknowledge and take this opportunity to express our appreciation to the many friends who have sent food, and continue to do so, as well as flowers, gifts, cards and prayers in our behalf, in our days of illness and difficulty. As we continue to recover we ask that you still remember us in your prayers. We shall ever be grateful to each of you for your many deeds of thoughtfulness and love. It's so nice to live in a community with people who "care and are concerned" for their fellow man. May God in His special way bless each of you according to your needs.
Gratefully yours,

a gown of silk organzine over tafeta with pearl encrusted motifs of Alencon lace at the portrait neckline and across the skirt. A bow at back of the fitted bodice accented the full skirt which featured a chapel train. Long sleeves came to petal points. A bouffant veil of bridal illusion was attached to a headpiece of three pearl embroidered roses. She carried a bouquet of white roses and stephanotis atop a white satin Bible.

For the traditional "Something old, new, borrowed and blue" the bride wore a key shaped pin which belonged to her grandmother, new gown, a handkerchief borrowed from her mother which was a gift sent from England by her husband. The handkerchief marked the Bible passage used in the ceremony. She wore a blue garter made by a friend.

Suzzy Hawkins - Robert Hall solemnize vows

Marilyn Sue Hawkins was to the altar and presented by her brother, Tom Hawkins, when she exchanged wedding vows with Robert Hall at twilight Friday at the First Methodist Church here.

The bride's formal, floor length white silk organza features a ruffled bodice and a long, flowing skirt with a full, ruffled train at back. She wore a garter belonging to Mrs. Miller.

The veil of double tiered hand re-embroidered Chantilly lace with seed pearls was fastened to a princess tiara of pearls and diamonds. The veil was by Mrs. J. A. Gowdy and worn by two of her daughters at their weddings.

Rev. Dr. Bergin Watkins, of the First Methodist Church, officiated at the ceremony.

The bride's maid of honor was Mrs. W. P. Houston, or she was joined for the processional and recessional by Mrs. Ellen, pianist. Mrs. Clyde sang "Eternally." "The Prayer" was sung by Miss Wieland, cousin of the bride.

both were accompanied by Mrs. Houston.

Seven branched candelabra, backed by mass arrangements of Emerald greenery; baskets of the greenery and individual candles provided the setting for the double ring rites. Pews were marked by lighted tapers in tall white candlesticks, tied with satin bows.

Miss Linda Hawkins attended her sister as maid of honor. Mrs. Jim Coleman was matron of honor. They wore identical street length dresses of pink organza over taffeta, designed with scoop neckline and three-quarter sleeves. Headpieces were circlets of pink illusion attached to a silk organza rose, matching pink heels and shortie gloves completed their ensembles. Each carried a long stemmed American Beauty rose bud.

Joe Hall of Port Arthur was his brother's best man. Groomsman was Pat Williams, brother-in-law of the bridegroom.

Candles were lighted by Lynn Newkirk and Bob Hawkins, cousin and brother of the bride.

Donna Suzanne Lynskey and Diane Hawkins, niece of the bride, were flower girls. Laine and David Williams, nephews of the bridegroom, were ring bearers.

John P. Stockdale and Howard Ellis Wright, cousin of the bride from Lubbock, ushered.

Baskets of white and pink shaded peonies, brought by the bride's aunt from Kansas, decorated Fellowship Hall for a reception following the ceremony.

Punch was served with a tiered white bridal confection decorated with pink sugar roses. The groom's cake was served with coffee.

Guest favors were small rice bags of pink net, Miss Shirley Ann Miller was in charge of the lace and pearl covered bride's book.

Parents of the couple are Mrs. Scott Hawkins and the late Scott

TDE in your insecticide formulation means sure cotton bollworm control

Control the hard-to-kill cotton bollworm with TDE. It works effectively where other insecticides do not. For instance, where cotton bollworm has developed resistance to DDT and other insecticides, you can get sure control with TDE in your insecticide formulation. Hundreds of tests throughout the cotton belt proved time and again TDE really works.

TDE is low in toxicity to warm-blooded animals and is long-lasting. It eliminates frequent resprays. There are many cotton formulations containing TDE. Ask your supplier about the TDE formulation most suitable for your crop. And remember—whatever other insecticides you use, make sure they're combined with TDE—it sure kills cotton bollworms.

MORTON, TEXAS, THURSDAY, JUNE 11, 1964

C of C stresses group work

There's a story which can be adapted to the Morton Chamber of Commerce.

The adapted version tells of the devoted Chamber member who went to a friend's home to enroll the friend among the ranks of the business and professional men in the Chamber of Commerce. The old member discussed the various programs and objectives of the Chamber, but the friend failed to respond to his promotion of the programs.

As the two chatted before the homeowner's fireplace which sparkled with a cheerful log fire, the non-member commented: "Why do I need to join the Chamber of Commerce? I have my personal interests in my city, and I feel like I do my part. I think a man can go it alone. I don't need the Chamber because I think I can do just as well by myself."

The Chamber of Commerce man sat quietly for a few moments. Then he leaned forward, grasped a fireplace poker and calmly isolated a glowing ember away from the healthy flames. The ember glowed briefly, then began to die away, losing its life and growing cold.

The non-member of the Chamber observed the performance. He suddenly became thoughtful. "I see what you mean," he told his friend. "When the embers glow together they produced heat and light and results. When one ember tries by itself, it glows only briefly and accomplishes nothing. Perhaps you had better sign me up in your Chamber of Commerce."

Summer safety

Summer begins June 21 and brings with it special hazards. The pleasures of water sports will be enjoyed by many millions of people, and they will carry with them special dangers.

Swimming is still the chief problem and basic rules of safety should be observed always—never swim alone, after eating or when overly tired; don't overestimate your ability and swim at protected pools or beaches, preferably under the supervision of someone trained in lifesaving techniques; never dive into unknown waters and if a boat overturns, stay with it and don't try to swim a long distance to shore.

But now water safety is more complex. Proper management of the home swimming pool is a matter of concern to many thousands of families. Skin diving, water skiing and surfboarding are specialized sports requiring particular care and knowledge.

This summer a greater variety of water sports are available than ever before—let's make them safer too.

IT NEVER FAILS

VIEWS . . . of other editors

The editor of a country newspaper retired with a fortune. When asked the secret of his success, he replied:

"I attribute my ability to retire with a \$500,000 bank balance after 30 years in the newspaper field, to close application to duty, pursuing a policy of strict honesty, always practicing rigorous rules of economy and to the recent death of my uncle, who left me \$498,500."

A couple of issues back we were deploring the incidents in New York in which adults stood idly by while hoodlums killed an old man or while a woman was being assaulted.

We commented that we didn't believe such a thing could occur out here in this part of the state . . . but a local woman has called our hand.

She called to tell us an incident out on the Means road last Saturday in which her husband was seriously injured and two small children bruised, cut and scratched when a small foreign car overturned.

Our caller stated that while she was attempting to load her children in the family sedan and extricate her husband from the little car, a white pickup came by and stopped about 50 yards away. During all her frantic labors to load her family in the car to rush them to the hospital, the driver of the pickup simply sat and watched.

He drove off as she finally succeeded in loading everyone and swung around on the highway to head to Andrews.

Another of the frequent attempts to undo the national quota system of immigration embedded in the U. S. immigration code has been made in Congress by Rep. John V. Lindsay of New York.

He has introduced a bill that would authorize a potential increase of about 20 per cent in admissions to the United States and attempt to balance the quota of each nation against demand.

Proposed are new quotas based upon actual immigration totals from each country between 1920 and 1964 instead of the present quotas based upon the percentages of foreign-born admitted before 1920. That is the so-called national origins formula, which attempts to preserve the racial composition of the United States. The effect of what now is proposed would be to reduce the quotas from Northern Europe and increase those from Southern Europe and parts of Asia.

It must be hoped that the Congress is no more disposed this time to alter the national origins formula than it has been in the past. The formula has done what it was intended to do, and it has provided in general a more easily assimilable population than the proposed substitute probably would.

Texans who will wager thousands on the turn of a card or a horse race are known to exist, but they are only a small minority who help to keep the picture of the legendary rootin', tootin' Texan alive. The majority of Texans, we learn from the latest Texas Poll, are opposed to gambling, or at least to legalized gambling to raise state revenue.

During May, the Texas Poll conducted a survey among qualified voters of the state, who are the ones who would make the decision on proposals for legalized gambling.

On the proposition of sweepstakes lotteries run by the state, 55 per cent were opposed, 35 per cent were in favor of the idea, and 10 per cent were undecided. On the

round of play, Hawkins Oldsmobile, Enoch and Bailey County Co-op appeared to be the "teams to beat" in the City Softball League.

THELMA

"It's Egghead — When I Was Your Age, I Was Playing With Dolls!"

proposition of making race-track gambling legal, 60 per cent were opposed, 35 per cent were in favor, and 5 per cent were undecided.

The relatively small number of individuals undecided on the race-track gambling proposition, as compared with the large number who are opposed, is interesting. Can it be that bitter memories left by the fantastic gambling spree that took place when race-track betting was legal during the 1930's are still sharp?

Whatever the reason, Texans as a whole are cool to the idea of legalized gambling. The failure of recent efforts in the Legislature to get a race-track betting bill passed apparently reflects the wishes of the majority of the people of the state.

But none of this means that Texans were born without the urge to place an occasional two dollars on a sure thing or to see the other fellow's hole card. And it is rumored that no one who wants to place a bet has to look long for a taker, but on the whole, Texas money budgeted for the landlord and the grocer usually gets to them rather than to the bookies and the dice table operators. No one can criticize that.

— Houston Post

Alex Washburn, publisher of the Hope, Arkansas Star, opposes the construction of a \$500,000 federal building for a new post office in his town. According to the plan under which the Post Office Department operates, post offices around the country are to be replaced every 50 years. It makes no sense in Mr. Washburn's view to tear down the present three-

story brick and frame building which serves the city of some 8,000 people adequately because it was built in 1912.

What concerns Mr. Washburn is that Hope, Arkansas, is just one of thousands of similar communities around the country which, though prosperous enough, have not experienced marked growth or material change in many years. To arbitrarily replace postal facilities in each community would be outlandishly costly. He states correctly that " . . . the government has an obligation much greater than the 50-year rule of bureaucrats — the obligation to keep itself solvent so our country can defend itself in time of war and honor its social security pledges in time of peace."

The Star's slogan is: "The tragedy of the people is — We start off with a country and wind up with a government." The kind of leadership provided by this newspaper can avert such a tragedy.

Highlights and Sidelights

Convention plans complete

AUSTIN, Tex. — State Democratic party leaders here have completed advance preparations for a June 16 Texas party convention which could turn into a donnybrook or go off smooth as silk.

Action will take place at Houston's big coliseum and the swank Shamrock Hilton Hotel, convention headquarters.

Delegates and alternate delegates who will cast the 2,834 authorized votes (some counties are sending up to 15 times their authorized strength) will be quartered in 27 hotels scattered all over Houston.

Big job is selecting delegates to the August national presidential nominating convention in Atlantic City and picking Texas national Democratic committee representatives.

Big argument is whether the convention will go on record as favoring the as-yet-unwritten national Democratic platform.

Gov. John Connally who claims a two-thirds to three-fourths margin of control, prefers that delegates remain silent on the liberal national program. He wants to write his own state party platform at the September state convention along moderate-to-conservative lines.

Sen. Ralph Yarborough and State AFL-CIO President Hank Brown argue the convention not only should pledge its support to President Johnson (there is no argument about that) but to his liberal program as well.

Some 26 per cent of the convention's seats are in contest.

Austin Attorney Will D. Davis, chairman of a State Democratic Executive Committee sub-panel on credentials, has instructed heads of 14 rival delegations from seven counties to send him advance written briefings on their positions.

Hearings will begin Monday, June 15, at 9 a.m. in the Shamrock. Recommendations of Davis' group will be passed along to the full SDEC, which will decide in an 8:30 a.m. Tuesday (June 16) session which delegations will be seated. The convention opens at 10 a.m.

Rival fund-raising events are scheduled Monday (June 15). The pro-Connally SDEC will stage a \$10-a-plate dinner to finance the convention. Yarborough's Gulf Coast friends have scheduled an appreciation dinner for the senior senator at the same time.

President Johnson has any preference about how things should go he apparently kept silent on them during his recent trip to Texas. Aides maintained to the end of the visit he did not discuss politics with his old friend Governor Connally, Senator Yarborough or anybody else.

CONGRESSIONAL REDISTRICTING — Texas Legislative Council study committee has set three hearings to gather firsthand advice from the homefolks on how to form 23 Texas congressional districts of equal population. Dates are July 9, July 10 and July 17.

They will be held in Fort Worth, Dallas and Houston. Others apparently will follow.

Legislators, political party spokesmen and the general public from counties where the meetings will be held and surrounding counties are invited to attend the sessions and give their views on how best to comply with federal court redistricting orders, said Committee Chairman Sen. George Moffett of Chillicothe.

Atty. Gen. Waggoner Carr warned the committee that the 1965 Legislature must solve the congressional redistricting question.

Carr said, "The more you base it on any other considerations, the greater risk you run of having to go through the same thing in the courts."

LOAN REGULATIONS ADOPTED — Small loan company advertising of such terms as "lowest costs," "quickest service" and "easy payments" is "misleading" under new state regulations. All advertising claims by lenders are subject to the test of absolute accuracy.

Regulations were adopted after public hearings here and go into effect on July 1. Regulatory Loan Commissioner Frank A. Miskell has announced.

Miskell lists other regulations as: No strong arm collection practices permitted. Companies must keep detailed records showing all charges on loans. Borrowers must be furnished copies of insurance policies purchased in connection with loans. Money collected in the insurance companies promptly.

COURTS SPEAK — State Supreme Court in a Sweetwater case said cities, by ordinance, can establish compulsory retirement ages for policemen.

Held oil field truckers don't have to haul pipe at lower rates set by the Railroad Commission in 1962 until a court attack on the rates finally is settled.

"Who Cares About The Scenery?"

trict's suit to keep the city of Irving from annexing district lands and on appeal of Dr. Daniel William Scott Jr. of Houston from revocation of his license by State Board of Medical Examiners order.

Court of Criminal Appeals was urged to reverse the murder conviction and death sentence of Carl Junior Hackathorn, 19, for slaying Mrs. Bobbie Jewel Nuttycombe, 18, of Dallas.

That court also was called on to order a \$100,000 bond reduced to \$10,000 on Samuel Spivey, another 19-year-old, charged with robbery by firearms in a bizarre Houston robbery-torture case.

The attorney general's office asked federal court to dismiss state appeal of an interstate commerce commission order permitting higher passenger train fares in Texas.

STATE SCHOOL SITE — The big question of location of a newly-approved West Texas State School for the mentally retarded will not be settled until September, according to most recent reports from the Board for State Hospitals and Special Schools.

Board's state selection committee, made up of C. E. Bentley of Abilene, form Lt. Gov. Walter Woodul of Austin and Jesse M. Osborn of Muleshoe, has been visiting some 30 West Texas towns which are competing for the school.

BIG SHOPPER — The idea of a \$6,900,000 grocery bill would be enough to cause the average housewife (or her husband) to swoon, but that was the size of the State's grocery bill for fiscal 1963. When the overall item is digested, it points to thrifty shopping.

The \$6,900,000 feed some 40,000 inmates of state eleemosynary institutions, such as state hospitals, special schools, medical schools, correctional institutions. Cost of feeding each person under state care is about \$173.68 per person. . . . and that shopping triumph should be enough to make the housewife green with envy.

State Board of Control, "Housekeeper for the State," and its purchasers have mastered the technique of conquering spoilage and waste problems to the point that it is looked on as a model by all the other states, Canada and Puerto Rico.

Purchasing Chief Sam G. Cook believes that inmates of Texas institutions are probably the best cared for and best fed of any in the country. He says it is because the state purchasing law lends equal importance to acceptance of the "lowest" and "best" bid from food wholesalers.

AIRPORT AID SOUGHT — Texas Aeronautics Commission is seeking \$450,000 in state aid to help build local airports during the next two years.

At budget hearings here Commission spokesmen and representatives of towns over the state argued for a program to insure at least one airport in all 254 counties. Thirty-five now have none.

Commission requests a \$1,100,000 budget for the next biennium, including the airport program and \$200,700 for an agency headquarters building at the Austin Municipal Airport. All funds except the building cost would come from aircraft fuel taxes.

AG DECISIONS — Attorney General Carr has:

Ruled that a county clerk should not accept for recording in the Deed Record a certified copy from another court of record where the seal of the court has not been affixed thereto;

Held state highway funds cannot be used to finance a Texas travel exhibit at sports and vacation shows under either the state constitution or current laws;

Concluded that the party whose candidate for governor received

the most votes in the 1962 general election will have first spot on the general election ballot this year.

HIGHWAY IMPROVEMENT PLAN — State Highway Commission authorized a \$166,000,000 improvement program to get more safety and less congestion on 107 miles of primary and state highways.

Of the amount authorized, \$5,000,000 is earmarked for construction, and \$15,000,000 for right-of-way. About 65 per cent of the cost is expected to come from state gasoline tax revenue and a 1-cent fee and the rest from federal grants in aid.

SHORT SNORTS — Highway Commission authorized \$180,700 for construction to enhance recreation resources at Dam B State Park, Lake Whitney State Park . . . Land Commissioner Jerry Salter reports that lease of 40,632 acres of state-owned land brought \$1,700,000 to the University of Texas permanent fund with big track leased in Andrews, Martin and Reagan counties and highest bid on a single parcel in Ward County . . . Latest reports from State Treasurer Jesse James shows a drop in cigarette taxes from \$8,311,857 in May, 1963, to \$7,299,842 for May, 1964 . . . Texas unemployment dropped to 147,000 in April, 1964, since October, 1959, reports Employment Commission . . .

der to protect the legions of waterfowl from the bays by sudden cool weather and local heavy rains. The Parks and Wildlife Commission issued an emergency order . . . closing the 45-day closed Gulf hunting season for the period . . . through July 19, inclusive . . . Operators in Andrews and Martin counties will be banned by Texas Water Pollution Control Board from use of unlined surface pits to dispose of salt water but can file for exceptions . . . Biologists for the Parks and Wildlife Department are urging increased harvest of deer (especially does) during the 1964 hunting season in the mid-coastal area because three years of drought seriously have reduced the range-carrying capacity and caused death by starvation among many deer herds.
