THURSDAY, SEPTEMBER 24, 1964

VOLUME 24 — NUMBER 32

Homecoming to be October 23

Homecoming at Morton High will be Oct. 23.

E. L. Willis, president of the students association said emphasis for the 1964 homecoming will be on a parade rather than a banquet as has been the practice in past years.

"We're going to try to get bands and other outside talent to come in and make this a big parade," Willis said following an executive committee meeting Tuesday.

"We want as many floats entered as possible and have asked each class to try to get a float ready," he added.

The date and arrangements were made during a meeting attended by Truman Doss, first vice president; Royce Hanna, third vice president, and Mrs. Elizabeth Dupler Smith, secretary, in Willis' office.

Willis said prizes will be given for the best floats in the parade.

"If anyone wishes to enter a float, but doesn't have a sponsor, they can call us and we will get someone to sponsor them," Willis said.

The parade will be held at 4 p. m. around the Courthouse square, with judges spotted in strategic locations to evaluate the entries.

The judges will be named later.

Willis said. Theme of the parade and homecoming this year will be "Do You Remember."

Chairmen of the parade will be George Hargrove and Tommy Hawkins.

Following the football game, when Indians will clash in a non-conference game with the Post An-

telopes, a business meeting will be held.

"Refreshments will be served and officers for next year will be elected," Willis said, noting that no banquet is planned for homecoming this year.

The president of the exes said further plans will be announced later.

4-H Week sign goes up

WORKMAN of First State Bank puts finishing touches on the sign proclaiming 4-H week Sept. 26-Oct. 3 as members of the Morton 4-H Club watch. Left to right are Patsy

Collins, reporter; Sharon Irwin, secretary; Carol Freeland, president; Marilyn Cade, vice president, Janella Nebhut an Nan Ray.

Indians tackle Rams of Portales on Friday night

Morton's Indians with two fresh victories on their string, travel to Portales to tackle the big, tough Rams at 8:30 p.m. (Texas time) Friday.

Morton's Indians whaloped the Crosbyton Chiefs 26-8 last Friday. A week previous they defeated the Muleshoe Mules, 6-0. Olton won the opener 21-6.

The Indians may again be without the services of star fullback Boddy Dobson, out since he injured his knee in the Muleshoe game.

Coaches said it is doubtful that Dobson will play, but indicated that if his knee is sufficiently improved so as not to endanger it he may see action.

Sophomore fullback Bill Laws, 155-pounds, performed well against Crosbyton, filling in for Dobson. The Indians also lost the ser-

VICES of junior guard Eddie Lyons who broke and fractured a bone in his foot during the Chief clash. Coaches estimate he will be out for four or five weeks.

Even with the broken foot, injured sometime during the fourth period, Lyons finished out the game.

Center Jerry Elliott, a 189-pound junior, also is a doubtful starter as he sprained his knee during practice.

Donnie Dewbre, a 221-pound senior tackle, has been shifted to center and will anchor the line if Elliott is out.

The Rams are big and have good speed. They employ end sweeps much of time, using their two fast halfbacks.

Bob James, a 146-pound junior, See INDIANS, Page 8

Dan Martin

Dan Martin named Tribune news editor

Dan Martin, 25, has been named news editor of the Tribune, Gene Snyder, publisher, said Monday.

Martin, a native of Wichita Falls and graduate of Midwestern University, Wichita Falls, comes to Morton from the Dallas Morning News where he was police reporter, general assignments reporter and a rewrite man.

He also has worked for the Wichita Falls Times and Record News and the Lubbock Avalanche Journal. While in Dallas, in addition to working for the News, Martin was in charge of make-up for the Texas Methodist, a statewide church publication.

With his wife, Colleen, he prepared and edited the Texas Area News Edition for Together Magazine, a national Methodist publication. Mrs. Martin also was a writer for the Texas Methodist.

The Martins, with their three children, Kay Lynn, 8, David, 6, and Danny, 18-months, live at 401 S.W. 4th.

County observes 4-H Week

County residents will observe Americans across the nation during Sept. 26-Oct. 3 as 4-H

"Building tomorrow's leaders today is a high purpose in 4-H Club work.

"The expanded role of 4-H emphasizes character development and good citizenship as 4-H club members learn the latest practices in Agriculture and Home Economics.

"Since the 4-H program was inaugurated by the United States Government in 1914, the 4-H movement has spread across our nation to 72 foreign countries. 4-H Club members learn by conducting re-

presentation and participating in activities. By putting into action what they learn, club members improve their homes and communities.

"Voluntary adult leaders working with club members provide the key to the success of 4-H. Parents and friends of 4-H give support and encouragement to club members. The Agricultural Extension service of Texas A&M College, through County Extension Agents, direct the 4-H Club program.

"Any boy or girl from 9 to 21 can take part in 4-H Club work. The opportunities offered to 4-H club members to grow in citizenship, leadership and practical skills are especially valuable to them, the state of Texas and the nation. 4-H clubs are a proving ground for the training of future leaders."

A chili supper has been planned for all Morton 4-H Club members and their parents at 6:30 p.m. Tuesday, Sept. 29 in the Morton School Cafeteria.

The supper has been planned by the adult leader committee composed of Herman Bedwell, Mrs. Jessie Clayton and Mr. and Mrs. E. C. Hale.

After the supper, Mrs. O. L. Tilger and the recreation group will lead games.

Workshop set by Republicans

Cochran County Republicans will hold a workshop on the upcoming General Election at 8 p.m. Tuesday, Sept. 29, in the Banquet Room of the County Activities Building.

GOP Workers from Yoakum and Hockley counties also are expected to attend the workshop, to be led by Jim Stowe, Republican field worker from Abilene.

Stowe, a member of the GOP state headquarters staff, will lead the program, making recommendations for the conduct of the coming campaign. He will bring charts and films to show the workers.

Horace Houston, Republican nominee for lieutenant governor and John Trice, attorney general candidate, were scheduled to appear at the workshop but a conflict of schedules precluded their attendance.

Lloyd Miller, county GOP chairman, said refreshments will be served at the workshop and invited all interested persons to attend.

M. Baggerly speaks Democrats of Morton

Addressing a capacity crowd Tuesday night in County Activities Building, H. M. Baggerly traced the inception of the Democratic Party in 1792 to the

come first — man over property. So-called socialism, real socialism, basic rights, loss of State Rights, welfare state, government controls, medicare, Federal employment, Federal Agencies, Federal debts and other issues were discussed by Baggerly.

In discussing rights lost the speaker said, "Our basic rights have not been taken by Uncle Sam but by local and state governments and by business. Uncle Sam defends and protects the individual.

He cited as examples teachers and other employees who have been fired from their jobs because of exercising their privilege of freedom of speech.

"Jefferson called for the founding of schools, libraries, newspapers, advocated freedom of religion and speech.

"The Democratic Party has always looked toward the future, anticipating the needs of tomorrow. The Democratic Party has lasted because it has kept up with the times. We should be proud of the Democratic Party for these reasons.

"We are living in a changing world. The population explosion has created a problem. We are told that in our time cancer and circulatory diseases will be conquered. Then people will live to 125 and 150 years. The Birch Society has not suggested an alternative for the care and welfare of the increase in population.

"Some government control is necessary, an example is the Pure Food and Drug Act.

"Invasion of States Rights was brought on by our own demands. Failure to meet our own responsibilities has made it logical and necessary for the Federal government to take over.

Ideas for progress are suggested at C-C forums

Securing of adequate rental property, beautification of the city and expanded library facilities were among suggestions made during the Community Progress Forum held here Monday and Tuesday.

The seven sessions, sponsored by the Morton Area Chamber of Commerce, were led by seven area chairmen, Ralph Duncan, of the West Texas Chamber of Commerce and Johnny Johnson, Morton area director.

Some 137 persons attended the seven sessions, aimed at allowing citizens to make suggestions on what projects the chamber should undertake to make Morton a better and more prosperous area in which to live, work and play.

Each person who attended the sessions filled out a card with suggestions as to what he would like to see the chamber do. The suggestions were discussed at the end of each of the sessions.

"Just as soon as possible a report and analysis will be made

and forwarded to the Program of Work Committee of the Morton Area Chamber," Duncan said after the sessions.

Among the suggestions made were that Morton obtain additional adequate rental property and a more liberal home loan program.

Beautification of the city, to include work on approaches to the city on highways, also was suggested, as was increased motel facilities.

Expanded library facilities, a supervised youth recreation program — possible a youth or teenage center — County Park improvements and additional street lighting also were suggested as work projects for the city and the chamber.

Additional retail and service outlets here were mentioned on the cards, as was store front modernization.

In the line of agriculture, suggestions included continued efforts to obtain adequate farm migratory workers and to provide adequate facilities for them and the addition of new cash crops — possibly small acreages of vegetables.

Presiding at the seven sessions were:

Jerry Daniel, retailers and wholesalers; Mrs. LeRoy Johnson, housewives and clubs; Charles Ledbetter, senior class; Tom Rowden, services and trades; C. E. Dolle, agriculture; Ray Lanier, professional group; Dexter Nebhut, employees.

Attendance chairmen were Daniel, Sue Travis, Sandra DeBusk, Bill Carter, Gene Benham, John Haggard, Steve Bracken.

The chamber's program of work committee, to announce the analysis and recommendations will go is composed of Tommy Lynch, C. E. Dolle, Don Workman, John Haggard, Tommy Hawkins and C. E. Luper.

Morton youth is scholarship semi-finalist

A 17-year-old Morton High School senior, Warren Williamson, has been named a semi-finalist in the 1964-65 National Merit Scholarship Competition.

Young Williamson score 143 on the test to become one of the 690 students in Texas eligible to continue in the competition. The preliminary exam was taken by 31,673 Texas students.

High School Counselor Charles Bowen said this marks the first time a Morton student has been named to the semi-finals of the competition.

The son of Mr. and Mrs. T. K. Williamson of 606 E. Buchanan, Warren took the preliminary scholastic aptitude test in March when it was given at the high school here.

He scored in the top six percent of the students who took the test across the nation.

The PSAT test included sections on English, mathematics, social sciences, natural sciences and word usage.

Warren will take the final examination Dec. 5.

The test administered then will be a regulation college entrance examination, which Warren would take to be admitted to higher studies.

However, in addition to the test score, Warren's high school grades, creative accomplishments, leadership qualities, extra-curricular activities and school citizenship will be evaluated in the last phase of the competition.

Pass, kick, punt competition starts

Winners of the six division of the local Punt, Pass, and Kick Contest will compete in district competition with live television coverage, it was announced this week by Melvin McCoy of McCoy Ford Sales, who with Ford Motor Co., sponsor the contest.

Morton winners will pit their skills against other district champs at Jones Stadium in Lubbock in October, and plans have been finalized for television of the contest.

Sign-up for the contest is now underway at McCoy Ford Sales, at 219 W. Washington in Morton. The addition this year of a 13-year-old age group increased the number of local contests to six. Boys eight through 13 will compete with other youngsters in their respective age bracket.

Prizes will be awarded in each age group to the first three places. Boys who reach their eighth birthday by Jan. 3, 1965, may compete as eight-year-olds, but those boys who become 14 years of age before Jan. 3, 1965, are ineligible.

Indian grid date is Dimmitt homecoming

Homecoming at Dimmitt High School has been set for Oct. 2, the date of the grid clash between Dimmitt and the Morton Indians.

Activities at the homecoming include a football meal prior to the game — from 5 to 7 p.m. at South Grade School Cafeteria near the stadium — where meals will be \$1.25 for adults and 75 cents for children.

Advance tickets may be obtained from Johnnie Holcombe, Dimmitt High School, Western Circle Drive, Dimmitt, Texas, ZIP-code 79027.

New cars

Morton's three new car dealers will put the 1965 models on display today, showing the sleek new cars and trucks and serving coffee and doughnuts to all who come.

Chevrolet's new line will be on display at Allsup-Reynolds Chevrolet Co., the line for Fords at McCoy Ford Sales, and the Oldsmobiles at Hawkins Oldsmobile.

Detailed stories about the new vehicles are inside today's Tribune.

Hepatitis hospitalizes girls here

Two Morton residents have been hospitalized with infectious hepatitis.

Both Mary Hobbs, 16, daughter of Jesse Hobbs, and Carolyn Hobbs, 5, daughter of Vernon Hobbs, were reported in good condition in Morton Memorial Hospital.

Dr. W. B. McSpadden said the elder girl, Mary, had apparently had the disease when she was a waitress in Pat's Cafe here.

"Hepatitis usually is transmitted orally or in feces. Hands placed to the mouth and then touched to a plate of food could transmit it," the doctor said and added infection is possibly only if Mary had waited on someone.

Hepatitis "is pretty hard to catch really," he said.

A preventative measure is injection of gamma globulin — 1 cc per hundred pounds of body weight.

Dr. McSpadden said the period concerning him is from the fifth through the 12th of September when Mary probably was contagious.

"Hepatitis usually starts with nausea and vomiting with a tenderness in the right side near the liver — the organ the disease affects. Other symptoms could be headache, stomach ache or weakness," he said.

The incubation period — between exposure and infection — is usually 30 days, but can run as usually 30 days, but can run as

Mary and Carolyn "are both doing fine now" and probably will be released from the hospital soon, Dr. McSpadden said.

Passing the good word

HIGH SCHOOL counselor Charles Bowen is pictured as he tells Warren Williamson, 17, that he made the semi-finals in the National Merit Scholarship Competition. Warren, son of Mr. and Mrs. T. K. Williamson, will take the final test Dec. 5. TRIBUNE Photo

Scholarship

(Continued from Page 1)

poration officers say that some 98 per cent of semi-finalists have become finalists in past years.

As finalists, students are eligible for scholarship awards from the Merit Corporation and some 230 other organizations.

Although he could receive a stipend should he attain the finals, Warren has asked that he be given no financial consideration.

NMSC officials point out that a merit scholarship also is a form of "educational insurance" for the student who receives it, because a stipend can be added or increased any time there is a significant change in college cost of his family's financial situation.

Warren said he intends to go to Texas Tech and enter a pre-law course when he graduates from high school.

A career in law, though is described as "a spur of the moment thing."

"I always said I was going to be a doctor," Warren said, "but in the last several years I kind of changed my mind."

He admitted courses in chemistry and physics might have changed his mind about the medical route.

Warren is in the Indian Band, on the annual staff and an office worker this year. He played football his first two years and was active in Future Teachers Association and the Science Club.

Mrs. R. D. Butts returned recently from a visit in Bakersfield, Calif., with her daughter, Mrs. J. L. McCoy and family. Mrs. McCoy is the former Helen Butts. Mrs. Butts made a trip with her daughter and family up the coast as far as Oregon. She also suffered an illness and had to be hospitalized in Bakersfield.

PMA gets approval to use USDA Form G Loan

A new cotton marketing cooperative, Producers Marketing Association of Levelland has been approved by the U.S. Department of Agriculture to use Form G Loan for obtaining government price support on producer member's cotton.

The association, first to have its home office outside Lubbock, will have offices adjacent to the Levelland Compress Co. It is locally owned by cotton producers and administered by a board of directors composed of cotton producers from Cochran, Hockley and Yoakum Counties.

Fred Owens of Levelland is president; Marvin Green of Levelland, vice president and Lonnie H. Stern, secretary-treasurer and manager.

Directors are Bryan Hulse of Whitharral, Weldon Newsom of Morton, A. B. Carpenter of Plains, Erlan Gresham of Arnett and James Morrow of Odyke.

The association primarily will serve the three county area, but facilities also will be available to producers of neighboring counties.

All earnings will be distributed on a patronage basis to association members. Modern facilities—including IBM equipment—will allow them to process cotton quickly, accurately and in volume.

Further information may be gained by contacting Lonnie H. Stern by telephone at 894-6137.

Methodist conference calls session

Area Methodist will participate in a special called session of the Northwest Texas Conference, set at First Methodist Church, Lubbock, at 10 a.m. Sept. 29.

Bishop Eugene Slater, appointed episcopal head of the conference in June, will preside and bring the opening message.

The Quadrennial Program for 1964-68 — "One Witness In One World" — will be explained in a presentation by the Conference Council from 10:30 a.m. until noon.

Boards and commissions of the conference will meet from 1:30 until 3 p.m.

Dr. George Richards of East Heights Methodist Church, Wichita, Kan., will deliver the closing devotional message.

The called session will be Bishop's Slater's first opportunity to address the entire conference since his appointment.

Mrs. Slater will be honored by a tea, hosted by wives of Lubbock District ministers.

Presentation of the quadrennial program will be the main item of business, but emphasis will be placed on the part of different church officials in fulfilling the aims of the program following its presentation.

Birth day party honors McCoy girls

Dwylene and Sherman McCoy, 12 and nine year old daughters of Mr. and Mrs. Melvin McCoy, were honored with a birthday party and a fresco supper at the McCoy home on the evening of September 12.

More than 20 friends of the honorees attended. Several adult couples in addition to Mr. and Mrs. McCoy were on hand for the event.

Mr. and Mrs. Bill Williamson and Mr. and Mrs. Joe Nicewarner returned last week from a jet trip to New York City. While there they saw the musical, "Oliver" in addition to touring the city and environs. They also attended the World's Fair.

Restyling marks 1965 Ford models

Restyling marks each of the Ford models for 1965 — the Mustang, Thunderbird, Falcon, Fairlane and regular Ford.

The Mustang, which made its debut in April with a hardtop and convertible, adds a third model, the "2 plus 2" fastback.

The new model offers seating for four with a fold down rear seat to provide added luggage space. The front compartment is styled identically with the hardtop and convertible models, and the rear compartment has a seat styled with the appearance of two bucket seats.

Front wheel disc brakes are new options for all Mustangs as are an emergency flasher and chromed wheels styled with exposed lug nuts and without wheel covers.

Thunderbird New exterior trim and ornamentation are featured on the Thunderbird for 1965 with extra luxurious interiors.

The 1965 model is changed, but retains the basic styling theme of other T-Birds. New owner features include front disc brakes, sequential turn signals, a convertible dome light, a keyless locking system and reversible keys.

A new Thunderbird emblem will replace the black Thunderbird

letters on the leading edge of the hood on the 1965 model.

Falcon Improved performance and increased fuel economy mark the restyled Falcon for 1965.

The new model offers a selection of three engines, available with either Cruise-O-Matic or three speed manual transmissions.

All new interior trim styles are featured on the new model, which includes a lineup of two and four door sedans and wagons, a station bus, a club wagon, two four door sedans, a two door hardtop, convertible and four-door station wagon in the Futura series.

Fairlane The new model of the Fairlane has been restyled inside and out for a big car ride and a big car look.

A new horizontal instrument panel highlights the restyled interior, which also has new trims and upholstery. The exterior has a high fender line with a sculptured metal effect.

Other features include revised brake linings to reduce braking effort up to 10 per cent; manual steering effort reduced; illuminated heater controls; a more convenient hood release; an alternat-

or and an improved battery system.

Ford The Ford automobile is the most changed model in the past 15 years with all 17 models literally new from tires to roof and bumper to bumper.

Vertical mounted dual headlights and hexagonal shaped taillights accent the new Ford and straight through lines are featured on the sides.

Even the keys are new — designed to be inserted into the lock either side up and all doors are equipped with keyless locking system.

Ford Trucks New front suspension systems and three high performance engines are features in the Ford line of F-100 and F-250 pickup trucks for 1965.

The "Twin-Beam" suspension system uses two forged I-beam front axles, each controlling one wheel. Large front wheel coils provide riding comfort and more positive steering control. Each axle is attached to the frame by a forged I-beam radius rod, so road shocks will not be transmitted from one wheel to the other.

Standard engine in the half-ton

300 Mexican Nationals will be imported for peak of cotton harvest

Cochran county will be short 300 cotton pullers during the peak period of the harvest, A. B. Whiteaker, manager of the Texas Employment Commission has said.

The shortage will be met by the importation of Mexican National Bracero workers.

Whiteaker met with County Judge Johnny Love, Gene Benham, County Agent Homer Thompson and Dan Valentine, who will form a County Farm Labor Committee to review seasonal employments needs here.

The committee, to function under Public Law 78, will obtain the facts about the supply of domestic farm workers here and the short-

age of workers which must be met by the importation of Braceros.

Under the law, the Texas Employment Commission must obtain the shortage information from the Secretary of Labor.

The secretary then will limit the number of Mexican Nationals to be used here by granting a "quota". The Committee consists of the local TEC office manager, assist him in estimating the number of workers needed, based on current conditions affecting cotton crops.

"Ceilings" granted by the Secretary of Labor will be posted at Post Offices in Morton and face and in the offices of the County Judge and County Agent.

F-100, three-quarter ton F-250 and ton F-350, is a new 240 CID six, generating 150 horsepower. Other engines are a 170 and a 208 horsepower engines.

Additional features include longer wheelbases, self adjusting brakes, new steering linkages, new transmission choices, increased corrosion protection, increased cab room and extended lubrication intervals.

HD Agent's notes

Henrie Allen
fish needn't be thawed before cooking — just allow a few minutes of cooking time.

However, when fish are to be breaded or fried, or stuffed, find it more convenient to thaw them first to make handling easier. Thaw frozen fish in the refrigerator in their original wrapping.

Thawed fish immediately cook. Be sure you don't cook it. Cook fish just until it is easily with a fork.

Macaroni
When you stamped when you come a recipe that calls for 2 cups of cooked macaroni or 3 cups of spaghetti? How much macaroni product must you get to get 2 cups or 3 cups?

As a general rule, remember macaroni and spaghetti double in volume after cooking. No matter what. One-half cup of macaroni will cook to one cup. (like lasagne) will cook to one cup.

Cracks
Cracks can be used as a temporary patch to seal small holes or leaks in window glass. Rub the glass with damp soap; when dry, brush with a brush and dust the pane can be replaced.

Storage
Good way to place plenty of bath towels conveniently at hand is with a towel stacker. An item on the market is an innovative wall unit made of metal or plastic coated wire. It has shelves to hold six folded towels plus two hooks for towels.

Ironing
Looking for an easy way to iron

Get it at your FAVORITE GROCER

sheets or large tablecloths? Instead of ironing separately, place sheet or tablecloth on ironing table and iron pillow cases and other small flat pieces on top of it. Move the sheet with each different piece and it will be ironed without ironing.

For special tablecloths, fold cloth double with selvages together. Iron one side to within 8 inches of center fold. Turn the cloth and repeat on other side. Open the cloth and iron down the center. If you fold the cloth into third lengthwise it will eliminate the usual bulging crease down the center and the fold will be at table edge. Damask cloths should be pressed on the wrong side to emphasize the pattern or on the right side if a shine is preferred.

Prize sandwich
I received a pamphlet this last week containing recipes for the twenty best sandwiches of 1964. Surprisingly enough, most of the winning recipes were submitted by men. Some of the sandwiches would make a complete meal and then some. This one might especially please the man of the house.

Cover each toast slice in order with two bacon slices, tomato slices, french dressing, poached egg, white sauce and shredded cheese. Place on baking sheet. Broil till cheese melts. Serve hot.

Bledsoe youths are injured in traffic mishap

Two Bledsoe boys, Tommy Ellington, 12, and Dub Ellington, 14, were hospitalized with broken legs after a car-motor scooter accident on FM 769 about 4:15 p.m. Monday.

Tommy and Dub, sons of Mr. and Mrs. M. W. Ellington Jr., were taken to South Plains Hospital in Levelland by Singleton Ambulance. Dub has broken leg and smashed knee cap and Tommy has a broken leg.

Highway Patrolman Jerry Hunter said the boys' motorcycle scooter was in collision with a car driven by Paul Gunter of Morton. He said Dub was driving the scooter.

Rolly Hill, also of Morton, was a passenger in the car. Hunter said the accident happened four miles north of the Yoakum County Line near the Ellington home.

There is an undersea mountain range in the Arctic Ocean.

Breeding system planned for Sears 4-H gilt program

County Agent Homer Thompson called a meeting of all the 4-H Sears gilt boys, their parents, and leaders in the county recently. This group met with the Agent and Dr. Dixon Hubbard, Area Livestock Specialist.

The program included swine breeding, management and care of sow and litters, registration, and feeding. Sixteen attended the meeting.

A system was planned for the breeding of the five gilts in October by the Sears boar purchased this year.

The county 4-H Sears gilt show date was set for 5 p.m. Thursday, Sept. 25 at the County Livestock Barn.

Recent swine bulletins and other publications were distributed to those attending the meeting.

Those boys who will be showing gilts in the County Show are Rolfe Dewbre, Kim and Kenneth Coats, Ronnie Bell, and Larry Hale.

The boar will be shown at Lubbock, Saturday, Sept. 26 along with the top gilt judged in the county show.

Mrs. Don Workman

This week's favorite recipe was submitted by Mrs. Don Workman. It is a favorite of her husband and one which she enjoys preparing for him.

Pork Chops with Pineapple
6 pork chops of medium thickness

Salt and pepper pork chops and sprinkle lightly with cinnamon. Butter a one inch deep square baking pan. Sprinkle bread or toast crumbs (partridge dressing mix may be used) in pan, lay on pork chops then another layer of crumbs. Pour small can of pineapple chunks over and around the chops and crumb mix. Bake in a 325 degree oven about 40 minutes or until done.

Mrs. Don Workman, "Skeet" as she is affectionately known is one of two children of Mr. and Mrs. O. B. Ratliff of Lubbock. She was born in Spur and named Almeida.

The family moved to Lubbock before Skeet started school. She attended public schools in Lubbock. Was a student at Southern Methodist University and attended Texas Tech for two years, majoring in advertising art.

After Skeet met and fell in love with Don she quit Tech and took a course at Draughon's Business College. They were married in 1961 after his graduation from college.

They moved to College Station where Don took his master's degree at A&M College and she worked as a secretary. After his graduation they remained in College Station for another year where he did research in the Agricultural Department of Texas A&M, also served as substitute teacher.

The Workmans moved to Morton in 1963 when he accepted an executive position with the First State Bank.

Capt. D. H. Smith certified as pilot system operator

Captain Donald H. Smith, son of Mr. and Mrs. Hughes Smith of Star Route 2, Morton, has been certified as a pilot systems operator in the F-4C Phantom jet at MacDill AFB, Fla.

Captain Smith was upgraded after passing rigid academic and flying requirements. His squadron is a part of the Tactical Air Command, which provides firepower and other air support to U. S. Army forces.

The captain was commissioned in 1957 upon completion of aviation cadet training.

A graduate of Whiteface High School, he attended Texas Technological College in Lubbock. His wife is the daughter of Mrs. Jack Fletcher of Hamlin, Tex.

FLB Association declares dividend

Dividend checks, representing a five percent dividend on stock outstanding as of June 30th, 1964, have just been mailed to stockholder-members of the Federal Land Bank Association of Levelland, according to Joe Breed, Manager of the Association. These checks were mailed to members of the Association scattered over Hockley, Cochran, Terry and Yoakum Counties.

Town and Country Study Club topic: 'Politics is for people'

"Politics is for People" was the non-partisan topic for a panel discussion when Town and Country Study Club met last Wednesday afternoon. Mrs. Eugene Bedwell and Mrs. Fred Stockdale hosted the meeting in the home of the latter.

Mrs. Don Samford directed a panel sub-headed "Love of Our Country" from the year's theme "Rhapsody in Love."

Members of the panel and subjects were Mrs. LeRoy Johnson, "Our Party System" and Mrs. Roy Hill, "Responsibilities of a Voter."

Mrs. Don Samford's introduction to the discussion included a resume of local, State and National Politics.

Refreshments were served by the hostesses to one guest, Mrs. Jerry Daniel and the following members: Mrs. Vernon Blackley, Mrs.

Charles Bowen, Mrs. J. L. Cox, Mrs. Willard B. Cox, Mrs. W. L. Foust, Mrs. J. D. Glass, Mrs. Connie Gray, Mrs. Willard Henry, Mrs. Hill, Mrs. Cherylne Inglis, Mrs. Johnson, Mrs. Samford, Mrs. A. E. Sanders, Mrs. Joe Seagler, Mrs. Wade Strother.

Barnes and Bailey 3-ring circus to play here Sunday

The Barnes and Bailey three-ring Wild Animal Circus will set up at the rodeo grounds Sunday for a one day stand in Morton.

The circus, sponsored by the Lions Club, will roll into town early Sunday to begin operations of raising the big top.

The show will be held at 2:30 p.m.

Here's why it's smart business to harvest your cotton with a **HESSTON V-22**

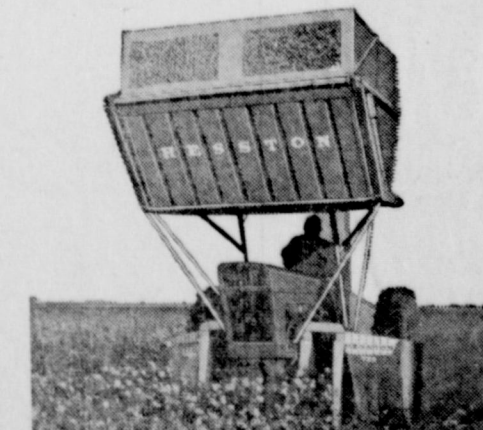

SOLID ROLL STRIPPER HARVESTED THIS

HESSTON V-22 HARVESTED THIS

PROFITS INCREASE WITH THIS BRUSH HARVESTER (some call it a flexible roll stripper)

Whether you call it a brush harvester as Hesston does... or a flexible roll stripper, as some others do... the Hesston V-22 Cotton Harvester with its unique brushing action gets more cotton and cleaner cotton than the best solid roll stripper available. Hesston works in cotton making up to three bales; it will strip shoulder-high, irrigated cotton, and it has proven its efficiency in open and storm-proof varieties, rank stalks, and bumble-bee cotton. The reason is Hesston brush action. The two-row V-22 has rotating nylon

brushes with alternating rubber paddles. It is available in either the trailer model or new 1,000-lb. capacity basket model with exclusive front dumping... hydraulically. The vertical air stream elevator has green boll separating efficiency up to 97%. Not only is the V-22 profitable, but it is a trouble-free machine to own. It is available for a variety of tractors. Compare the V-22 with any other. You'll see the difference in the field; you'll receive the difference at the gin.

LEADS THE FIELD AGAIN!

1965 Chevrolet strides into "fine car field"

Chevrolet takes its longest stride into the fine car field with its 1965 passenger cars, with 45 models in five lines.

In addition, Chevrolet has expanded its 1965 truck line to 327 models — 131 more than in 1964 and the largest number in history.

The regular Chevrolet automobile this year moves to increased comfort and luxury; the Corvair makes a major styling change, and three lines — Chevelle, Chevy II and Corvair — have customer approved design with some styling refinements.

Regular Chevrolet

Fifteen models in four series stress a bigger car concept. The interiors offer greater roominess — up to three inches more shoulder room — and increased leg room.

Square front fenders, contoured rear quarter panels and a grille framed by deeply recessed headlights are styling features.

Corvair

For 1964, the Corvair is longer, wider and lower, while offering increased engine power. It retains its 108 inch wheelbase, plus the air-cooled, rear mounted engine and frame integral body.

The line features increased sportiness with the seven new models either convertibles or hardtops.

A new model — the Corsa — replaces spyder models and features a new turbocharged engine.

Among new body features are an improved heater and ventilation system, ventilated rocker panels, flush mounted windshield and rear windows and improved door locks.

The two Corvair Greenbrier sports wagons are continued with only identification changes.

Chevelle

For 1965, the Chevelle line has been expanded to 12 models in four series, including the new economy series, the "300." There is a new hood, grille, bumper and

fenders on all models.

Five engines, two sixes and three V-8s, with horsepower ranging from 120 to 300 are offered and four transmissions, including overdrive are available.

Chevy II

New styling refinements and a wider range of optional power are being offered by the Chevy II, which is available in seven models in three series. It will continue its 110-inch wheelbase and its length.

Styling features include a new grille with single headlamp design, a distinctive new roof and rear window design and restyled side trim and an attractive full-width cove across the rear.

Corvette

Disc brakes on all four wheels are offered as standard equipment on all Corvettes for 1965. The brakes are caliper type — virtually fade free and self adjusting.

Two Sting Ray models — a convertible and a sport coupe — are offered and the 98-inch wheelbase is continued.

For 1965, Chevrolet offers 15 colors — 13 new — on regular models and Corvettes are offered in a choice of eight colors.

All models will have a two-key lock system and a four-position ignition switch.

Trucks

The largest expansion in the truck line is in the diesel field, which includes 148 new models, extended down to the ton and a half class.

Also new to the Chevrolet line are three four cycle, V-6 engines, named the Torq-Flow line.

Improvements include new synthetic rubber front wheel bearing seals, improved steering knuckle finish, self adjusting brakes on one-ton models, and an optional 4.57 axle ration and new front stabilizer on pickup trucks.

Oil, gas important to county economy

A \$25.1 million a year ingredient in the prosperity of Cochran County is the production of oil and gas, the Texas Mid-Continent Oil & Gas Association says in its current survey of economic factors stemming from petroleum operations.

Using just-published U.S. Bureau of Mines figures as a base, the Association has projected what oil and gas activities mean in this county. In 1962 Cochran County was producing more than 7.9 million barrels of crude oil and 13 billion cubic feet of natural gas.

The oil was valued at \$23.5 million; the natural gas at \$1.6 million.

Cochran County ranks 42nd in the state as total value of oil and gas production.

"Demand for Texas crude picked up enough last year to give us an increase of about 3 per cent over 1962 on a statewide basis. This slightly improving trend seems to be holding this year as more autos are put on the road and nationwide business conditions accelerate," said James L. Sewell,

president of the Association. "It will be several months, however, before we know to what extent individual counties are participating in the current market."

The dispersion of oil dollars through Cochran County business channels and the healthy effect given property values by petroleum industry activity are indicated by several figures published by the Association.

It is estimated that royalty payments to Cochran County landowners who are fortunate enough to

have producing wells on their property create a "crop" worth about \$3.1 million annually. These and other farmers and ranchers who have leased acreage for exploration receive additional rental and bonus payments, but sufficient current data is not available for measuring the amount.

Oil and gas operators invested an estimated \$3.2 million in Cochran County last year in the search for new fields and in the development of zones where production has been found. The Oil and Gas Journal reports that 34 wells were drilled in the county, in 1963, resulting in 34 oil wells.

Petroleum industry payrolls contribute about \$1.4 million a year to the county, according to Texas Employment Commission records. They show about 200 persons directly employed in oil and gas operations.

The state government's financial interest in Cochran County operations is measured by the \$1.2 million a year which the operators and royalty owners provide the state government in production taxes. These payments are in addition to those paid to local units of government and schools as property taxes. Oil and gas property taxes are reflected in local support of many Texas school districts. For example, 58.2 per cent of the local taxes for the Bledsoe School District comes from oil and gas operations; 88.1 per cent at Whiteface.

Among the county's industrial operations is the processing of oil and gas. A natural gasoline plant is operated here to recover butane, propane, natural gasoline and other liquids from natural gas. It has a capacity of 25 million cubic feet a day.

Plains Cotton Growers schedule annual meeting

The annual meeting of Plains Cotton Growers, Inc., 25,000 member cotton producer organization, has been set for 10 a.m., Wednesday Sept. 30 at the Koko Palace in Lubbock.

Featured speaker for the affair will be F. Sadler Love, secretary treasurer of the American Textile Manufacturers Institute, who will be introduced by M. C. Burkes, General Manager of Postex Mills, Post division of Burlington Industries.

The meeting will include the installation of officers, a financial report and a report to the membership on the past year's activities. The financial report will be given by outgoing Secretary-Treasurer J. D. Smith of Littlefield who is the organization's new vice president.

The review of Plains Cotton Growers work for the past year will be given by incoming President Roy Forkner of Lubbock. Forkner was last year's vice president and replaces retiring President Wilmer Smith of New Home. The incoming Secretary Treasurer is L. D. Anderson of Crosbyton.

Door prizes will be given throughout the day, with duplicate grand prizes being given one to a grower and one to a producer. Winners of these grand prizes will receive an expense-paid trip to two to the textile mill tour sponsored each year by Plains Cotton Growers to better acquaint producers and growers with their customers. The tour is scheduled for February, 1965.

Dixon White, Manager of Lubbock Cotton Oil Co., will be in charge of the installation of officers. Plains Cotton Growers has

two directors from each of the counties in its territory, and the elected 1964-65 directors will meet in office at this meeting. Lunch will be served at noon and Love's address will be in the afternoon.

Love is a native of Rock Hill, S. C., and a graduate of Presbyterian College, Clinton, S. C. He has been associated with the textile industry since 1935 when he worked as a hand-trucker at the Rock Hill Printing and Finishing Company while in college. He is presently directing activities of ATMI's headquarters office in Charlotte, S. C.

Primitive rotary flour mill originated in Syria and were improved greatly in Greece about 300 B. C.

Passing thoughts and shifting sands

By Art Wall

We all occasionally set back and contemplate how history repeats itself. When Lee accepted Grant's terms of surrender at Appomattox on April 9th, 1865, the Confederate States of America ceased to exist as a government. On April 11th, two days after Lee's surrender, Lincoln delivered his last public address. He said: "We simply must begin with and mold from disorganized and discordant elements. Nor is it a small additional embarrassment that we, the loyal people, differ among ourselves as to the mode, manner and measure of reconstruction."

In Lincoln's last Cabinet meeting, held on April 14th, 1865 he made a strong plea for the South: "I hope there will be no persecution, no bloody work after the war is over. None need expect me to take any part in hanging or killing them. . . . enough lives have been sacrificed. We must extinguish our resentment if we expect harmony and union." That same evening after speaking these words to his Cabinet, Lincoln went to a play in Ford's Theater and to his assassination.

When Lincoln used the words, "disorganized and discordant elements" he certainly had a clear view of the deplorable conditions in the South. Even in areas untouched by the war, activity had come to a standstill. The South had no capital. The Southerners had invested all their funds in Confederate bonds. Where actual warfar took place in the south everything was

in complete chaos. Farms had remained uncultivated from one to four years so now the land was in briars and underbrush. Livestock had been killed for food. Fences were down, fruit trees were damaged, farm tools were scarce and there was little seed for planting. Sherman's march in Georgia had cut a swath sixty miles wide and in this line of attack farm damage was complete. The Confederate veteran came home to find there was absolutely no means to support himself and his family. Transportation was at a standstill. Railroad tracks were torn up, locomotives wrecked, bridges and water tanks were destroyed. So now thousands of acres of land laid idle because the owners had no means financially and of all things no labor to cultivate it. No labor with 4,000,000 slaves which represented a market value of \$2,000,000,000. Of course this investment in slaves was now wiped out. The working customs of the south had been built upon slavery and the colored people were now free more so after the thirteenth amendment went into effect in December 1865. The colored folks began to drift, some into army camps, others to nearest towns, and settlements of Negroes were started along the seacoasts and at points on the Mississippi, and a good many remained on plantations.

The problems of these freedmen was not entirely based on food, clothing and shelter. They were

free now and facing social and economic regulations. Under slavery he received the necessities of life but with freedom he was given freedom and nothing more. He had no training to fit him for the responsibilities of freedom and he had no experience as an independent person. Some of the colored people became bewildered by this change in their lives so there was unrest. Some proved loyal and wanted to cooperate. From the unrest vagrancy and petty thievery developed. Our nation was faced with the problem to define the place of the Negro in the new economic and social structure. So now the question came up: What was the Negro's rights in regards to schools, churches, public buildings and on common carriers? To break it down how much conditions was the colored man allowed in his association with freedom?

Our government now had a President Johnson — President Andrew Johnson and to him fell the task of helping the south to reorganize. He appointed governors for southern states giving them authorization for constitutional conventions, but with this the most puzzling task was providing a place for the Negroes and furnishing him with the needs of life, fitting him into a society. For the Negro laws had to be remade. These laws regarding Negro labor was called the "black code." They defined the domestic relations of the colored folks, the husbands, wives and children. Too, they set forth the rights of the colored man in courts, property rights, particularly in regards to land. The new Southern laws gave the Negro rights and privileges that they had never had before. They gave him everything but one thing — racial equality.

Northern critics stated that these laws, "the black code," were designed to circumvent the Thirteenth Amendment and to restore slavery. Indignation was rampant over the refusal to grant equality to the Negro. It was already an issue as to which party would win the Negro vote. Such terms were used in election as "the loyal white vote and the loyal black vote or the white vote exclusively."

In February 1866 Congress passed measures in a new plan of reconstruction. It guaranteed military protection for freedmen whenever they were deprived by state law of any rights enjoyed by the whites.

On August 20th, 1866 President Johnson — Andrew Johnson of nearly one hundred years ago — proclaimed the restoration of peace, order, tranquility throughout the United States. The President was mistaken for at that time Republicans were already at work on their plan for an entirely different plan of reconstruction. So the chapter of yesterday's book reads like the chapter of today's book, only the characters are different.

President Johnson vetoed the military bill so Congress brought up a measure they called The Civil Rights Act. Congress pushed through the military protection bill — the Civil Rights Act was signed by President Johnson nearly one hundred years later.

Arranging talk given by Mrs. Hill to LeFleur Club

Mrs. Roy Hill spoke on flower arranging at a meeting Thursday afternoon of Le Fleur Garden Club. Mrs. Herman Bedwell was hostess.

In her talk Mrs. Hill discussed terms used in arrangements, the various meaning of each and arrangements of different kinds.

Arrangements discussed by Mrs. Hill may be made and entered by Le Fleur members in a flower shower sponsored annually by the Cochran County Garden Club. In addition to arrangements Le Fleur also are invited to enter specimen plants in the show, which this year will be held October 3.

Mrs. Joe Gipson was in charge of the meeting. Le Fleur Garden Club will co-sponsor with Cochran County Garden Club a meeting on September 21 in Golden Arrow Room of Wig Wam Restaurant.

Mrs. Harold Kelly of Lubbock will be the guest speaker for the September 21 meeting. Her topic will be a lecture - demonstration on arrangements entitled "Far East or Far East."

Mrs. W. E. Childs and Mrs. Henry Bedwell were guests for Thursday's meeting.

Members attending, other than those mentioned: Mrs. W. A. Wood, Mrs. Don Samford, Mrs. Marion Matthews, Mrs. Connie Joiner, Mrs. Eugene Bedwell, Mrs. Bill Cranford and Mrs. Doyle K. Brook.

Gun Identification

One sure way to identify your rifle is to put your name on it — or rather in it. Remove the butt plate and insert a piece of paper bearing your name, address and telephone number.

Senior 4-H sets toothbrush sale

The Senior 4-H Club started their sale of family-pak toothbrushes Monday. Profits from the sale will be used to finish paying for landscaping on the County Activity Building.

Sharon Clayton, chairman of the project, says that over half the toothbrushes in use are worn out. Lancia and Lovel's are being replaced every three months.

"Dental health is important to everyone," says Sharon, "and we of the Senior 4-H Club are glad to place emphasis on the problem while raising funds for the landscaping project."

The toothbrushes will sell at the cost of \$1.00 for 2 adults and 1 child's packaged together.

Former area farmer succumbs in Oklahoma

H. H. Hope died September 15 in Snyder, Okla. He farmed in this area for several years prior to moving to Oklahoma. A daughter, Lou Cooper, Levelland, lived in Morton until recently.

School trustees change meeting time

The Morton school board Monday approved the payment of \$25,015.52 in bills at their regular monthly meeting, and moved their meeting time up from 8 to 7 p.m. every third Monday.

Trustees pointed out that the bill figure shows only little difference from last year, with the exception of paving around the schools costing some \$12,200.

The trustees, presided over by board president Weldon Newsom, also hired five new teachers — Robert Taylor, junior high coach; Mrs. Ava Thiebaud, second grade; Mrs. Marilyn C-mener, sixth grade; Everett Johnston, fifth grade and Mrs. Everett (Peggy) Johnston, third grade.

Bus route Six was extended 1.1 miles from the Kirk Dean Gin west and back.

The hiring of another janitor was discussed, and trustees approved the employment because of extended facilities.

Also on the agenda was an approval of a low bid from Luper Tire Co. on 60 gallons of anti-freeze. Luper entered a bid of \$83.40. Second low bid was from Humble Oil & Refining Co., with \$93. Seven bids were received.

Present were trustees Francis Shifflet, Bud Thomas, L. T. Lemonds, Millard Townsend and Henry Williams, plus superintendent Ray Lanier.

Post Office revamps for Christmas season

Longer post office window hours, expanded delivery services and large-scale extension of the ZIP-Code parcel post are planned for Christmas.

Morton Postmaster Murray L. Crone said Postmaster General John A. Gronouski has outlined three major new steps "for the best Christmas mail service the Postal service ever had."

The steps:

1. Expanded post office window hours Dec. 5 through 26 as deemed necessary by the local postmaster;
2. A six-day week Dec. 7-31 for parcel post deliveries, instead of five-day work week, and
3. Completion by Nov. 1 of Phase III of Zip Code parcel handling at about 130 additional sectional center post offices — strategically located mail massing points — to provide faster delivery of up to 24-hours or more for parcels with ZIP codes.

In Phase I and II of the parcel post handling system, 75 post offices with annual receipts of \$5-million or more activated faster sorting and dispatching procedures Sept. 1.

The 130 postal offices in Phase I will include those with annual receipts from \$1-million to \$5-million.

Under Phase III, the Post office at Lubbock will be activated as a sectional center by late November.

Crone said the Postmaster General told him that the Christmas plans are part of a national program to bring postmasters into more responsible positions in postal management as "real partners in providing better mail service at all levels."

Crone also released the present schedule of receipt and dispatch for mail at Morton, whose ZIP code is 79346:

Star Route 48771, Lubbock to Morton, daily except Saturdays, Sundays and holidays arrive not later than 8:30 a.m. depart 9:00 a.m. Arrive not later than 2:30 p.m. depart 5:00 p.m.

Saturdays, arrive not later than 12:30 p.m. depart 5:00 p.m. Sundays and holidays arrive not later than 12:30 p.m. depart 15 minutes after arrival.

Star Route 34176, Portales, N.M., to Morton daily except Sundays and holidays, arrive 1:00 p.m. depart 1:30 p.m.

Star Route 48213, Littlefield to Morton daily except Sundays and holidays arrive 12:15 p.m. depart on exchanged mail.

Star Route 48228 Morton to Bledsoe, daily except Sundays and holidays and Saturdays depart 9:30 a.m. arrive 1:45 p.m.

Saturdays, depart 11:00 a.m. arrive, 2:45 p.m.

Layette shower for Mrs. Chancey

The home of Mrs. S. M. Monroe provided the setting recently for a layette shower honoring Mrs. Kinsey Chancey.

Point of interest on the refreshment table was a blue cradle filled with white chrysanthemums centered with a stork.

Approximately 30 guests called including relatives of the honoree from Levelland.

Mrs. Monroe was assisted in the courtesy by Mrs. Ira Brown, Mrs. Lowell Webb, Mrs. George Boring and Mrs. John Haggard.

Mrs. Boyd Crooks of Lubbock visited here last Thursday with Mrs. R. D. Butts. She also attended to farm business, Mrs. Crooks and her late husband were school teachers at Lehman many years ago.

Here's a good one

JOHN HAGGARD, CPA, School Superintendent Ray Lanier, and teacher Mrs. Connie Gray go through cards turned in at the professional session of the Community Progress Forum.

At the forums, held Monday and Tuesday, citizens were given opportunities to tell what they want the chamber of commerce to do.

Council of clubs here vote for federation

At a meeting September 14 City Federation, a council of Federated Clubs in Cochran County, voted to Federate in order to better coordinate activities of the various clubs represented in the council.

Maple, Whiteface and Morton clubs are included in the group.

Mrs. Earl Polvado, president of the organization, and in whose home the meeting was held, presided.

County clubs represented in the council and members designated to select a club name, draw up By-laws and Constitution are: 1936 Study Club, Mrs. Hume Russell; Town and Country Study Club, Mrs. Keith Kennedy; L'Allegro Study Club, Mrs. Elwood Harris; Y-M Junior Study Club, Mrs. Dexter Nebhut; Emlea Smith Junior Study Club, Mrs. Hershell Tanner; Elma L. Slaughter Study Club,

Mrs. Iva Williams; De Algodon, Maple, Mrs. Charles Farmer and Whiteface Study Club, Mrs. Vern Beebe.

Representatives from the clubs were reminded that annual fee of five dollars for operational expenses of the council are now due.

Those present were urged to attend the Area Progress Forum, scheduled for September 22 and sponsored by Morton Area Chamber of Commerce.

Present for the meeting: Mrs. Earl Brownlow, Mrs. Iva Williams, Mrs. Callen Dansby, Mrs. LeRoy Johnson, Mrs. Elwood Harris, Mrs. E. O. Willingham, Mrs. Bobby Travis, Mrs. Dexter Nebhut, Mrs. Keith Kennedy, Mrs. James Cunningham, Mrs. Connie Gray, Mrs. J. Maddox and Mrs. Kenneth Baker.

Some Texas Tech fans from Morton noted at the football game Saturday night in Lubbock were: Mr. and Mrs. J. W. McDermott, Mr. and Mrs. M. C. Ledbetter and family; Mr. and Mrs. Lloyd Miller, Mr. and Mrs. Van Greene, Mr. and Mrs. Pegues Houston, Mr. and Mrs. Neal Rose, Mr. and Mrs. Buck Huckabee, Mr. and Mrs. J. C. Reynolds, Mr. and Mrs. Bill Thomas, Mr. and Mrs. Don Workman, Mr. and Mrs. W. B. Merritt, Mrs. Scott Hawkins and Bob and Mrs. Earl Cadenhead.

Mr. and Mrs. Bill Thomas and son, Billy, have returned from a visit in Kingsville, Ontario, Canada, with her parents, Mr. and Mrs. Matthew Kammenga. Enroute to and from Canada they visited points of interest.

Earliest recorded use of wheeled vehicles was as hearses to bear the royal corpses to their tombs in Mesopotamia.

Mrs. Corley hosts home bridge party

Mrs. Dave Corley hosted two tables of bridge at her home the evening of September 15.

Refreshments were served to Mrs. Lowell Webb, Mrs. S. M. Monroe, Mrs. Dexter Nebhut, Mrs. George Boring, Mrs. Wilton Green, Mrs. Jessie Clayton and Mrs. James K. Walker.

The group will meet October 6 with Mrs. Nebhut.

Granddaughter of resident in Alaska

Miss Rose Ann Casey, granddaughter of Mrs. E. Greer and niece of Mrs. L. F. Hargrove, has returned to Anchorage, Alaska, where she is supervisor for the outpatient department of Crippled Children's Clinic.

Miss Casey, specialist in speech therapy, is a graduate of Texas Women's University, Denton. She has done graduate work and last year was a special teacher in the Dallas school system. She has visited frequently in Morton.

Rose Ann, whose father is associated with Voice of America, has lived all over the world. The summer of 1963 she vacationed in Europe and also privately tutored a teenaged girl. Soon after graduation from TWU she was associated with the clinic in Anchorage. She drove her car to Alaska late this summer.

Mrs. Corley hosts home bridge party

Mrs. Dave Corley hosted two tables of bridge at her home the evening of September 15.

Refreshments were served to Mrs. Lowell Webb, Mrs. S. M. Monroe, Mrs. Dexter Nebhut, Mrs. George Boring, Mrs. Wilton Green, Mrs. Jessie Clayton and Mrs. James K. Walker.

The group will meet October 6 with Mrs. Nebhut.

Democrats hold meeting

GENE BENHAM, left, and Mrs. H. B. Barker chat with H. M. Baggerly before a meeting Tuesday sponsored by the Women Democrats of Cochran County. Baggerly, publisher of the

Tulia Herald, was speaker, Benham introduced him and Mrs. Baker is president of the organization.

TRIBUNE Photo

Baggerly addresses Democrats

(Continued from Page 1)

"With extended communications the Communications Agency was created, so with the Space program. New growth means a need for more government agencies.

"Actually the ratio of Federal employment is down while that of local government is up.

It is true the Federal debt is up 17 per cent since 1946 but business debt has increased in the same period by 230 per cent; local and state debt 400 per cent and personal debt by 500 per cent. If we analyze the National debt in relation to its increased worth the government is relatively in much better position than in 1946. Business in the history of the world has never been as strong as it is today."

In concluding his talk Baggerly quoted contradictory statements by Goldwater from a booklet, "Goldwater, Either/Or."

Baggerly's appearance here was sponsored by Women Democrats of the Cochran Area. Mrs. H. B. Barker, president, extended greetings to visitors from Lubbock, Levelland, Brownfield, Bledsoe, Whiteface, Milnesand, N.M., and the Morton group. She read a telegram from George Mahon, in which he regretted not being able to attend the meeting. She introduced Jesse George, state Democratic representative-elect of the district.

George spoke briefly on the "American Goal" saying in effect, we must work harder than ever to keep, maintain and carry on our democratic way of life.

Gene Benham was presented by Mrs. Barker. He gave a biographical sketch of the guest speaker, Baggerly, publisher and editor of the Tulia Herald.

Refreshments were served dur-

ing a social period which followed, at which time the visiting speaker met and visited with several hundred people who attended the meeting.

Indians

(Continued from Page 1)

plays split end or halfback, and has the speed to be a sprinter on the track teams.

The Rams also toss the ball to their big end, 179-pound David Kremak, a senior.

On the forward wall, the Rams feature a 210-pound junior guard, Buddy Moore, and a 296-pound senior tackle, Wayne Grafel. Others are Barry Coffman, 152 pound junior left end; Zale Woodward, 165-pound junior left guard; Jim Hoffstad, 168 pound junior center, and Darrell Truelock, a 176-pound senior left tackle.

In the backfield will be Roger Knudson, a 157-pound senior at quarterback; James, Josey and Jim Van Winkle, a 157-pound junior at fullback.

The grid clash will be played under New Mexico rules — slightly different from Texas regulations. For example, if a kickoff goes out of bounds, the receiving team gets the ball on their own 40-yard line, regardless of where it goes out of bounds.

Extra points under New Mexico rules count only one point, regardless of whether it is kick, a run or a pass, and the point is made from two yards out.

On a fumble, either team can grab the ball and advance.

Portales, like Morton features a 2-1 record for the year. After losing to Clovis 20-12, the Rams slammed Ft. Sumner 20-6 and squeaked by Eunice, 13-12.

Mrs. Hoffman is honored at dinner

Mrs. Raymond Hoffman was honored Sunday with a family dinner on the occasion of her birthday.

Mrs. Royce Hanna, daughter of the honoree, and family hosted the event at their home.

Attending were: Mr. and Mrs. Roy Akin and Brad; Mr. and Mrs. R. L. Hoffman and Kari and Marviline Hoffman.

Brucellosis re-testing is scheduled

The Livestock Committee of Cochran County met recently to plan the re-testing of cattle for brucellosis to meet requirements for the recertification of Cochran County in the Type II Brucellosis program.

Thirty-five herds must be re-tested. \$409.00 has been appropriated to pay the veterinarian who does the re-testing. A tentative list of farmers and ranchers with herds to be re-tested was made.

Homer Thompson, County Agricultural Agent, and J. L. Schooler, committee chairman were appointed to contact the veterinarian and farmers with herds to be re-tested.

The committee also discussed goals for 1965. Two demonstrations on external-internal parasites will be carried out with use of systemic insecticides. Pasture improvement of both irrigated and range land will be carried out. Chemical control of shin-oak on range land and possibly broom-snake weed will be carried out on the Dick Lowe lease and Leland Scifres Ranch in cooperation with the Extension Service, SCD Board, SCS and Experiment Station staff.

Dr. Dixon Hubbard, Area Livestock Specialist, discussed several long range projects that will be taken up at a later date.

E. C. Nieman, Jim Lynskey, T. H. Blackstock, Pegues Houston, Schooler, Thompson and D. Hubbard attended the meeting.

Tech's Red Raiders take on Texas U

LUBBOCK, Texas — The Texas Tech Red Raiders, surprising winners over Mississippi State last Saturday, will take on last year's No. 1 team — Texas — at 7:30 p.m. Saturday in Jones Stadium. The turnout to see the Tech-Longhorn game is expected to exceed the record crowd of 42,000 who watched Texas beat Tech 34-0 two years ago.

The Red Raiders will go on the road for three straight Southwest Conference games after meeting Texas before returning home Oct. 24 to meet Southern Methodist University.

Judy McCuiston has started her second year as a teacher in the Lubbock School system. Two other daughters of Mr. and Mrs. Truett McCuiston are in college, Lauretta, a sophomore at Wayland in Plainview and Carol started her first year at Hardin-Simmons University, Abilene. The three sisters are all graduates of Morton High School.

Indians tuck away second win, defeat Chiefs

Morton's Indians soundly whipped the Crosbyton Chiefs 26-8 to win their second straight victory by tucking away a capacity crowd at Indian Friday.

The drive was capped when Ledbetter lateraled off to Palmer who went around left end for two yards and the tally. When the score came, 6:30 was left in the first period.

Donnie Dewbre's kick attempt was off to the side and the score stood 6-0.

The Indians held the Chiefs' for on downs on the Morton 16 and started another drive late in the first period.

Ledbetter, Laws and Griffiths picked up steady yardage, but the key gain was a power sweep around end by Palmer which picked up 22 yards.

Ledbetter made the score when he scooted around left end from the 18-yard line. The quarterback passed to end Ernest Chessir for

Biggest gainers on the drive were Griffith's plunge for 15-yards and Ledbetter's sneak which picked up 11-yards.

The drive was capped when Ledbetter lateraled off to Palmer who went around left end for two yards and the tally. When the score came, 6:30 was left in the first period.

Donnie Dewbre's kick attempt was off to the side and the score stood 6-0.

The Indians held the Chiefs' for on downs on the Morton 16 and started another drive late in the first period.

Ledbetter, Laws and Griffiths picked up steady yardage, but the key gain was a power sweep around end by Palmer which picked up 22 yards.

Ledbetter made the score when he scooted around left end from the 18-yard line. The quarterback passed to end Ernest Chessir for

the conversion and the score was 14-0 with 10:44 left in the second period.

Crosbyton's lone drive, which started when Gaylon Wheelless took the kickoff, almost bogged down, but Morton was penalized 15-yards as officials charged the Indians with roughing Randy Holman, who dropped back to punt and got the kick away.

Morton again was charged with an offside penalty and the Chiefs started another series of plays from the Morton 35 yard line.

The Crosbyton squad made two first downs and moved to Morton's 11-yard line when officials again penalized the Indians, this time for pass interference, moving the ball to the Morton 4-yard line.

From there, Tommy Hawkes carried to the two. Quarterback Jim Blagg attempted an aerial to

Holman, but defensive back Jimmy Joyce batted the ball away. Wheelless ramed across for the score, and then went around end to add the conversion points. The score was 14-8 with 4:03 left in the half.

Morton's second tally in the half came as Holman attempted to punt on a fourth-down situation, but Griffith ruined his plans by racing in to block the kick.

Guard Ronald Smart recovered the pigskin to set up the score, set up the score.

Ledbetter slipped across to score from the one-yard line but his pass to Joyce failed to connect and with 21-seconds remaining, the score was 20-8.

More fireworks were in store before the half ended as both teams tried desperately to add another score.

On the first play after kickoff Blagg attempted to pass, but Palmer dashed in to pick the ball out of the air.

Ledbetter attempted an aerial, but Ronnie Wheelless intercepted for Crosbyton just as the half ended.

Morton scored again in the opening minutes of the second half after Gaylon Wheelless was knocked loose from the ball on the kickoff return.

Dewbre recovered for Morton on the Chiefs' 24 yard line.

Six plays later, Griffiths powered across the double stripe to make the score, but failed to catch a pass from Ledbetter to convert. With 9:11 left in the third period, the score stood at 26-8 with Morton leading.

Crosbyton failed to threaten

SCORE BY QUARTERS

again. Joyce added ribbon to the package by intercepting another Blagg pass to shut off any possibility of a score.

Substitute quarterback John St. Clair moved the Indians to scoring position late in the game, but could get only to the two-yard line when the game ended.

Jimmy Flournoy, the Crosbyton mainstay, was the game's leading ground gainer. He picked up 91 of the Chief's 126 yards on the ground.

Ledbetter was top gainer for Morton, gaining 74 yards rushing. He was closely followed by Palmer, who made 63 on the ground and Griffiths who made 60.

Other individual statistics: Laws, 33; St. Clair, 18; Timmy Petree, 15; Jimmy Studdard, 24 and Armando Saenz, 2.

For Crosbyton G. Wheelless gained 29 yards, Blagg 3 and Hawkes, 3.

ARMANDO SAENZ, all 130 lbs. of him, lowers his head and prepares to make contact with Crosbyton's Randy Holman in Friday night's Morton-Crosbyton contest on the local grid. TRIBUNE Photo

Eagle air attack tops Dawson, 16-8

THREE-WAY, Texas — The Eagles went to the air Friday night to down the Dawson Eagles 16-8 in a non-conference clash here.

Three Way's tallies came as quarterback James Kindle tossed to Tommy Terrell and Johnny Harris for the scores and to freshman back Monte Toombs for an extra point.

The Eagles' other point came as Dawson back Keith Hanes fumbled on a punt attempt in the end zone and Three Way recovered.

Dawson scored first, making their points as Hanes passed to Ronnie Weeks for the touchdown and then handed off to Charlie Winford who went over the extra points.

J. W. Aldridge, coach, picked all district center Harold Carpenter and junior end Johnny Harris as his outstanding defensive stalwarts during the contest.

Coach Aldridge indicated the Eagles face a tough row in their game Friday when they meet Loop in a non-district match.

He said Loop starts five seniors, three juniors and only one sophomore, as opposed to Three Way's starting squad of three seniors, a junior, two sophomores and two freshmen.

"They have the experience on us, plus outweighing us about 15 pounds per man," he said.

Whiteface Antelopes down Lazbuddie, 28-8

WHITEFACE, Texas — The Whiteface Antelopes scored in the first three quarters, capitalizing on two recovered fumbles and staging two sustained drives, to down the Lazbuddie Longhorns 28-8 here Friday night.

The Antelopes will face the Ropes Eagles, the number two rated Class A squad in this area in a grid clash at 8 p.m. at Whiteface.

Against the Longhorns, the first two Whiteface scores came during the first period after the Antelopes recovered two Lazbuddie bobbles. Ramon Guajardo drew first blood

by going in from the three yard line and then Amado Alaniz ripped out eight yards for the second tally.

Alaniz scored twice more in the game, once in the second and again in the third. Before the half he went 45 yards on a downfield run to cross the double stripe, and then in the third he raced 15 yards to tally.

Lazbuddie's only marker came late in the fourth period after Whiteface substitute players were put in the game. It came after a 45-yard sustained drive.

Guajardo, Darrell Kitchens and Fred Newman drew the nod from Whiteface Coach Dale Read as outstanding defensive players in the game. The contest was the second straight Whiteface win against no losses.

Coach Read said he expects a tough game at 8 p.m. Friday when he fields the team against the Eagles — team with "good size, good speed, good power and a tough passing attack."

The Ropes line averages about 175 pounds against the Antelope forward wall average of 165. Ropes also fields a team of 37 boys, with about eight starters returning.

"We're going to try to come back," Coach Read said, explaining that Whiteface has not defeated Ropes in five years.

Junior High gridders lose

Morton seventh and eighth grade gridders lost a pair of contests to the Littlefield teams last Thursday at Littlefield. The seventh graders came out on the short end of a 26-14 score, while the eighth graders lost, 30-8.

The local football teams host the same Littlefield squads here today (Thursday) with the seventh grade contest beginning at 4 p.m. and the eighth grade game to follow.

In last week's Ralph Enriques tallied both TD's for the seventh grade. He returned a kickoff 60 yards for the first score and made the second on a 10-yard sweep from the fullback position. He also counted the two extra points after the first touchdown.

The eighth grade team trailed Littlefield only 8-0 at the half, but the young Wildcats returned three punts for touchdowns in the second half. Morton's score came at the end of a 60-yard drive with only six seconds left to play. Quarterback Danny Williams scored both the touchdown and the two point conversion for the local eleven.

Bulldogs defeated by Sands, 18-6

BULA, Texas — The Bula Bulldogs met defeat at the hands of the Sands Mustangs, 18-6 here Friday night and the clash against Patton Springs (his week stands to be a hard match too).

Bula's lone score came late in the fourth period when Pat Risinger passed to Michael Overland for 25 yards and the tally.

Of the game coming up Friday, coach C. W. Fincher said: "We're looking for a rough one — they (Patton Springs) always field tough teams."

Double or nothing
MORTON QUARTERBACK Charles Ledbetter (22) is brought to earth by Crosbyton quarterback Jim Blagg (11) after a nice gain in the Indian-Chief battle here Friday night. Morton boys stopped their second straight victory by downing the Chiefs, 26-8. TRIBUNE Photo

THE HOME OF GREATER VALUES

'Allegro Study Club hears Mrs. R. W. Hill

Mrs. R. W. Hill, graduate of Mason's Charm School, was the speaker for a meeting of the Allegro Study Club at Girlstown Tuesday night. She was introduced by Mrs. W. M. McSpadden.

Members of Girlstown were present for the meeting.

Club members and guests were shown how to select jewelry for different occasions and the ways of wearing jewelry with a basic color "dressing - up or down".

Truman Doss and Mrs. Harriett Drennan served as models for speaker's demonstration of proper use of jewelry.

Mrs. Hill also discussed gloves, bags and shoes, proper selection and wearing of each.

In her talk on fashion, charm grooming she gave tips on sitting, standing modeling how to gracefully get in and out of an automobile.

Stylish make-up and hair styling for various ages and occasions was included in Mrs. Hill's

pins, courtesy of the speaker.

Mrs. E. O. Willingham, president, was in charge of business, at which time the club voted to list meeting dates on Morton Band Calendar.

The October 1 meeting will not be held instead the program as scheduled will be held on October 15 in the home of Mrs. Melvin McCoy with Mrs. L. S. McCarty as hostess.

The resignation of Mrs. Derwood McCintock was accepted with regret.

Refreshments for the meeting were provided by Mrs. Bobby Travis and Mrs. Dan Swicegood, hostesses. They were assisted in serving by residents of Girlstown.

Members of L'Allegro attending were: Mrs. Doss, Mrs. Drennan, Mrs. Van Greene, Mrs. John Haggard, Mrs. Elwood Harris, Mrs. James McClure, Mrs. McCoy, Mrs. McSpadden, Mrs. Gene Snyder, Mrs. Swicegood, Mrs. Travis, Mrs. Jack Wallace and Mrs. E. O. Willingham.

Mrs. M. C. Ledbetter

president of 1936 Study Club, center, was honored with a dinner Thursday night as the club initiated the new season. Other officers left to right: Mrs. Lem Chesher, historian; Mrs. James St.

Clair, parliamentarian; Mrs. E. L. Willis, secretary-treasurer; Mrs. Ledbetter, Mrs. Kenneth Thompson, first vice president; Mrs. Glenn W. Thompson, second vice president and Mrs. Neal Rose, reporter.

TRIBUNE Photo

Mrs. M. C. Ledbetter speaks to 1936 Club

Mrs. M. C. Ledbetter, president of 1936 Study Club, spoke on the year's theme, "The Many Facets of a Woman's World," when the club convened for the president's dinner Thursday night.

Hostesses for the event were Mrs. Glenn Thompson, Mrs. Doyle K. Brook, Mrs. E. L. Willis, Mrs. Lem Chesher, Mrs. Neal Rose and Mrs. James St. Clair. The dinner meeting was held in the home of Mrs. St. Clair.

Tables for four were centered with crystal containers filled with baubles in various colors symbolizing precious and semi-precious jewels radiating their many facets.

Other decorations included a massed arrangement of dahlias on the mantel and smaller arrangements at vantage points throughout the home.

Yearbooks were presented by Mrs. Kenneth Thompson, who discussed the forthcoming programs.

In the president's speech Mrs. Ledbetter told the group: "A good leader is one who delegates authority . . . appoints committees and they do the work, if this be so, I am the best."

"There could be no theme more appropriate nor nearer to the heart of all women than the recognition that their world is certainly a complex affair with many, many facets."

"Webster says, 'A facet is a little face, one of the small cut and polished plane surfaces of a diamond, precious or semi-precious stone, each facet though small adds in itself to the lustre of the stone' — as each phase of her life and her myriad interests make up the facets of a woman's world."

"Time was when a young woman was standing with reluctant feet, where the brook and river meet—she could consider before her a limited number of professions: writer, singer, teacher, artist, nurse. To these now are added everything from nuclear physicist to doctor, merchant, lawyer, chief of staff of hundreds of industries."

As she elaborated on the sub-topics for the year's program of home, family, church, friends, school, community and clubs she said, "These all call on her service, her pride, her companionship and her hope."

"And then there is herself, her own personal conservation, both mental and physical; her urge toward self-preservation of both equilibrium and sanity; here-in lie the facets of music, literature, religion and thirst for knowledge."

"Still most women choose the hardest profession of all, that of wife and mother. Where she must needs be a little of all the others: a sweet singer, skillful artist, patient nurse and is often called on to show the inventiveness of Edison, the wisdom of Solomon and the patience of Job."

"A recent magazine article carried a story on the Fourth Dimensional Woman, who combines them all, wife, mother, homemaker, career or profession."

"Some cynical songwriter said 'Woman's a two-face, a wearisome thing, who leads you to sing the

blues in the night' but on the other hand in Genesis the Lord said, 'It was not good that man should live alone' so he made him a helpmate called woman."

"When tempted to resent the many calls on your time, your talents, your ingenuity and your endurance, remember: The greater the number of facets in the cut of a stone the more valuable the jewel . . . the lovelier its brilliance and the more numerous are those who enjoy its beauty."

Attending other than those mentioned were: Mrs. D. E. Benham, Mrs. W. C. Benham, Mrs. Joe Gipsen, Mrs. L. F. Hargrove, Mrs. Gage Knox, Mrs. Hume Russell and Mrs. C. H. Silvers.

Danez commended for beauty service

A letter of appreciation from Marshall W. Cooper, managing director of Girlstown, was received recently by Danez Beauty Salon, for beauty service offered girls at the home.

During the months of June and July on three separate Mondays Dan Swicegood, who with his wife Inez, own the shop, gave permanent waves to four girls. In all 12 girls ranging in age from 14 to 17 received permanent waves.

In his note of appreciation Cooper wrote, the work done on the hair of our girls changed their dispositions and made them feel better about starting to school.

Swicegood, who did all of the permanent wave work on Mondays, the day the shop is customarily closed, said the offer was good for all girls who live at Girlstown and he expected to give several more permanents just before the Christmas holidays and spring graduation.

Transportation from Girlstown to Morton is provided by a car and driver from the home.

Lloyd Millers host Club 21

Mr. and Mrs. Lloyd Miller hosted Club 21 for a buffet supper and bridge at their home Thursday night.

Miller, who was out of town on his birthday September 14, was presented a birthday cake as the group sang "Happy Birthday."

Mrs. Dona Doughty was a guest. The following members attended: Mr. and Mrs. Hume Russell, Mr. and Mrs. Neal Rose, Mr. and Mrs. J. W. McDermett, Mr. and Mrs. John Crowder, Mr. and Mrs. Pegues Houston, Mrs. Scott Hawkins and Van Greene.

Mr. and Mrs. A. R. Morris of Decatur were recent visitors here in the home of his niece, Mrs. A. A. Fralin and her husband. While here the visitors were taken to Roswell and Lubbock. It was the first time the couple had visited with the Fralins since they've been living on the plains.

Happy Hour Club visits Mrs. Rogers

Mrs. H. O. Rogers hosted the Happy Hour Club at her home last Thursday afternoon. A short business session was conducted by the president, Mrs. Rogers.

Games of bridge were played and refreshments served to Mrs. C. C. Reynolds, guest and the following members: Mrs. Tom McAlister, Mrs. L. M. Baldwin, Mrs. F. F. Roberts, Mrs. John Haggard, Mrs. W. C. Key and Mrs. H. S. Hawkins.

Mrs. Haggard will host the group at her home on October 1.

'America the Beautiful' is theme

"America the Beautiful" is the theme chosen by Cochran County Garden Club for its eighteenth annual flower show.

The show is scheduled for Saturday, October 3, from 1 until 8 p.m. in banquet room of County Activities building. Open to the public there is no admission fee.

In addition to the show, which includes specimen plants, flowers and arrangements there also will be a bazaar featuring handmade items. Along with gift items there will be cakes, cookies and pies, offered for sale.

A complete schedule is available for persons wishing to enter the show. Mrs. Gene Cade is general chairman.

Educational exhibits include: Dahlias, classified, in charge of Mrs. Cade and Mrs. Willie Taylor. New plants grown by garden club members, Mrs. Hattie B. Spotts. Library exhibit, Mrs. Murray Crone. Gardeners tools, Mrs. Harold Arant and Fashions for Gardening, Mrs. Weldon Hill and Mrs. Bud Thomas.

General rules, as in the past: Standard Flower Show planned and

executed by CCGC as member of National Council of State Garden Clubs according to standards recognized by National Council and Texas Garden Clubs Inc.

Entries are acceptable from anyone who wishes to enter. Entries will be accepted from 8 until 10 a.m. Late entries will not be judged. Only one entry per class per family. Entries must be labeled when brought to building.

Horticulture division is practically the same as in the past, exhibits must be grown by exhibitor and conform to three-month possession requirement.

Removal time for exhibits is from 8 to 8:30 p.m. the evening of the show.

Awards by Standard System of Awarding. Judges decision is final and ribbons may be withheld if exhibits are unworthy.

In the Artistic division titled "This is My Country, America the Beautiful" arrangements include 13 classifications from Class 45 through 57, with a choice in some classes of one to three arrangements.

Judging by accredited judges will begin at 11 a.m. and continue until completed. Exhibit room will be closed to all except those designated by the show chairman-judges and clerks.

Possible awards: Award of Merit, Tri-color Award of Distinction and Sweepstakes.

For detailed information regarding horticulture and artistic divisions exhibitors may obtain a schedule from garden club members.

Mrs. Lu Vera Martin arrived Monday afternoon from her home in Wichita Falls for a visit with her son, Dan Martin and family. The Martins moved here last week from Arlington. He is news editor of the Morton Tribune.

MORTON, TEXAS

In Your Home Stores You're the Boss

... to the stores in other towns
you're just gravy

YOU rank FIRST around here . . . your wants and needs are the blueprint for your home business men when making all of their plans . . . YOUR wishes rule their decisions on the kind, quality and prices of the goods and services they offer.

Because YOU are the day-to-day customer who keeps this town's economy going . . . the one who MUST be pleased and satisfied.

The MORE you trade with your home merchants, the better they can tell what YOU like and need . . . and the better able they will be to offer WHAT YOU WANT WHEN YOU WANT IT.

ON THE OTHER HAND . . . in other towns . . . you are NOT one of the folks the business people in those towns are most interested in serving.

True, they like to see you coming . . . because none of the profit made off you has to be spent helping to run YOUR school, pay YOUR preacher, or contribute to the support of YOUR community.

Which makes your business real gravy to them . . . but you are still the customer most likely to get the chipped dish . . . not because maybe you live too far away to bring it back . . . but because the BEST is for their regular customers who keep the ball bouncing for them.

OUR USE OF LEISURE

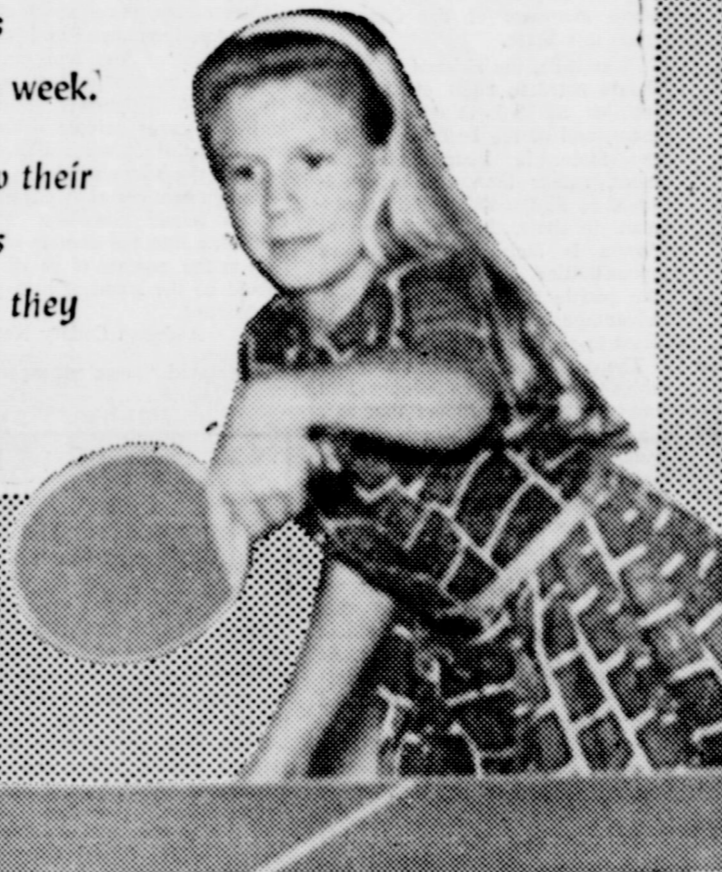

None of us can make our best contribution to life unless we take care of our physical selves. The right kind of recreation renews the body, mind, and spirit.

There should be a proper balance and rhythm between work and rest. Our Lord meant for us to enjoy life and intended no man to punish his body with unrelieved work.

Of course our recreation should be of a kind that would actually re-create our spirits and bodies and make us better able to perform our work.

Part of our leisure time should be spent renewing our spirit by worshipping God in His Church. We invite you to attend services this week.

"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; and they shall walk and not faint." Isaiah 40:31.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Olds highlights safety, comfort

Safety, comfort and convenience will be featured in the new 1965 line of Oldsmobiles going on display today at Hawkins Oldsmobile Co. here.

Featured in the Oldsmobile line is the recently developed 425 cubic inch Super Rocket engine teamed with the brand new Turbo Hydramatic transmission.

The full sized Oldsmobiles have completely new and roomier bodies which are dramatically restyled with curved side window glass and new rooflines on all models.

Delta 88

Full-sized product line for 1965 call-full-sized product line for 1964 called the Delta 88, which makers call a glamorous new companion to the Dynamic 88.

The new Super Rocket engine is a bigger, more powerful engine of lightweight cast-iron design, in which engine displacement has been increased by eight percent while engine weight has been reduced.

All 88s, Jetstar I and Starfire

models also can come equipped with floor mounted, four-speed manual transmissions, fully synchronized in all gears.

Mechanical design changes in the new Oldsmobiles include a new frame for increased rigidity and improve stability. Front and rear suspensions have been newly designed for better riding and handling. The new chassis also features wider front brakes on 88's, Jetstar I and Starfires and wider front and rear brakes for all 88s.

Comfort

In sheer comfort, extra roominess has been built in with most interior dimensions increased. Shoulder room, for instance, is nearly four inches greater.

Trunks have been increased by up to 3.9 cubic inches and fuel tank capacity has been upped to 25 gallons to permit longer intervals between refueling.

For 1965, the popular F-85 models have been changed in many areas — a new grille, headlamps, bumper and hood provide an improved front end appearance, and the rear end has been redone with changes in bumpers, tail lamps and end panel applique.

The Oldsmobiles to go on display today are part of the entire new line which features 32 different models for 1965.

Charles O. Seaman on dean's list

Charles O. Seaman of Morton has been named to the dean's honor roll at Eastern New Mexico University at Portales.

Seaman, son of Mr. and Mrs. C. T. Seaman of 307 S.E. 4th, achieved a 3.3 average on the 4.0 system. He is a music major.

Dr. Gain Shannon, dean of academic affairs at ENMU, said the honor list, composed of 150 students, is compiled for the recent summer session.

Heading the list were 36 students with the straight A average. To make the list, a 3.25 average is needed.

Directors to set livestock show

A date for the annual stock show will be selected when directors of the Cochran County Livestock Improvement Association meet at 7:30 p.m. Monday, Sept. 28, in the First State Bank.

The directors also will name a chairman for the board and select a superintendent for the livestock show.

The Association helps stage the annual stock show. It was held Feb. 27-29 this year.

Directors are W. M. Butler, Roy Brown, Don Workman, Melvin McCoy, Roy Gentry and Roy Hickman of Morton; Woody Dickson and Vern Beebe of Whiteface, Jim Johnson of Maple and Clide McCormack of Bledsoe.

Bonnie Crow to join Virginia's

Effective on October 8 Bonnie Crow will become a full time member of the staff at Virginia's Beauty Shop.

Mrs. Crow, graduate of Jessie Lee Sharpley Beauty School, Lubbock, has had two years experience in Morton and Lamesa.

Bonnie and Mrs. C. A. Moore, beauty technician and owner of the shop, invite customers to make appointments for all beauty care by calling Virginia's Beauty Shop on Country Club Road.

Bible riddle given at Busy Fingers club

Mrs. Roy Allsup was in charge of the program when Busy Fingers Sewing Club met last Thursday afternoon in the home of Mrs. Bud Young. She presented Mrs. Henry Bedwell who gave a reading, "Bible riddle."

The hostess served a refreshment plate to those mentioned and Mrs. C. B. Newton, Mrs. A. R. Lindsey, Mrs. F. L. Fred, Mrs. Rolly Hill, Mrs. C. B. Markham, Mrs. Joe Gipson and Mrs. W. L. Miller.

Slumber party held honoring Bob Greene

Bob Greene was honored with a slumber party Friday night after the football game in the home of Mrs. Carl England.

Bob, son of Mr. and Mrs. Van Greene, was 10 years old on July 20, choosing the late date for a post-birthday party.

The honoree and friends, Dale Tilger and Ricky Bedwell, were treated to refreshments in town after the football game. They played yard games at the England home including building a brick fort in the breezeway.

Mr. and Mrs. LeRoy Johnson attended a luncheon meeting of Texas Realtors last Friday in Lubbock. The speaker was from the Texas Real Estate Association, Austin.

Bula-Enochs news

By Mrs. Jerome Cash

Mr. and Mrs. Jerome Cash visited Sunday afternoon in the Muleshoe home of Mr. and Mrs. H. H. Snow. Other guests were Mr. and Mrs. James Cash, Nita, Sharon

and Gale of Hereford.

Mr. and Mrs. N. O. Sullivan of Lubbock, visited in the company last Monday. They were guests of Mr. and Mrs. Joe Miller.

Mr. and Mrs. Steadman Vandeventer and family, Colorado Springs, Colo., were weekend guests of his parents, Mr. and Mrs. C. S. Vandeventer.

Mr. and Mrs. E. C. Gilliam visited Wednesday in Farwell with the son, Gilbert and family.

Sunday visitors in the Egan Vaughn home were their son, Lloyd of Muleshoe; Virgil of Lubbock and their families.

Mr. and Mrs. Vic Byram and sons, Tucumcari, N.M., were weekend visitors in the home of his mother, Mrs. Alma Altman. They also visited in Morton with his sisters, Mrs. Kenneth Coats and Mrs. R. H. Baker.

Don Grusendorf is leading singing this week for a meeting of Trinity Baptist Church, Muleshoe. Grandpa S. C. Smoker has been feeling too good. He felt well Sunday afternoon.

Mr. and Mrs. J. D. Bailey visited Sunday in Muleshoe with their brothers, Ray, Bailey, Claude Coffman and family. They attended services at Trinity Baptist where, Ray Cunningham, brother-in-law, is conducting a meeting.

Mrs. Alma Altman visited Morton last week and cared for her grandchildren while her daughter, Mrs. Kenneth Coats and husband were at the hospital with their son, Kim. Kim was hospitalized for observation and treatment following an accident. He was hit by a car while riding a bicycle on the highway near home.

Former Morton resident dies in California

George York, 38, a former Morton resident, drowned Sept. 15 while trying to save a dog for children on the shore near Eureka, Calif.

Funeral services were held Saturday in the Church of Jesus Christ of the Latter Day Saints in Woodland, Calif. Burial was in Monument Hill Memorial Park there.

York, a self employed auto mechanic, lived near Woodland.

Survivors include his wife, Juanita; nine children, Glenda, Katherine, Melissa, Rebecca, Cecilia, Dennis, Chris, Calvin and Michael all of Woodland; his mother, Mrs. Grace York of Dayton, Oregon; two sisters, Mrs. Dorene Rector of Morton and Mrs. Nettie Caffey of Dallas;

Seven brothers, Earl York and Carl York of Morton; Leslie of Orange, Calif.; Clayton York of Dayton, Oregon; Raymond York of Midland, Blewford York Jr., of Stockton, Calif.; and Don of Dayton, Ore.; and a half-brother, Earnest York of Stockton, Calif.

L. F. Fitzgeralds visit in Lovington

Mr. and Mrs. L. F. Fitzgerald, their nephew, Henry Cosper and wife of Abilene visited last Friday evening in Lovington with J. W. Williamson.

Williamson, who will be 94 in November, was Mrs. Fitzgerald's first teacher when she entered school 66 years ago. They had not seen each other since the last day of that school. Williamson is now blind.

Mr. and Mrs. Cosper visited here with his uncle and aunt from Thursday through Sunday.

Mr. and Mrs. R. F. Garrett arrived last Thursday from Memphis for a visit with their daughter, Mrs. James K. Walker, her husband and their two year old son, Jimmy.

Bridge Club meets in Miller home

Mrs. Lloyd Miller hosted Mrs. Bridge Club Monday night at home.

The club will meet October 1 at the home of Mrs. Hume Ramey.

Five tables of bridge were played and refreshments served. Two guests, Mrs. J. C. Reynolds and Mrs. Courtney Sanders, of these members: Mrs. Doyle Brown, Mrs. Willard B. Cox, Mrs. J. Crowder, Mrs. Van Greene, Mrs. Scott Hawkins, Mrs. Roy Hickman, Mrs. J. W. McDermott, Mrs. N. Rose, Mrs. Russell and Mrs. H. Silvers.

Dr. Bryan addresses Slaughter Study Club

Dr. Garnett Bryan spoke on cancer at a meeting last Thursday of the Slaughter Study Club. He was introduced by Mrs. Horace Gardner, program chairman.

Mrs. Elzie Browne, 317 East Lincoln Avenue, hosted the meeting.

Dr. Bryan prefaced his talk by suggesting that all women have a check-up at least once a year.

"Cancer is found in two main areas in women," he said, "the breast and uterine cancer. Any lump at all unusual or abnormal noted by woman should prompt her to go immediately to see her doctor. Often a cure can be effected before cancer even gets started."

Dr. Bryan told the group that he had a cure for cancer would be found in "our day."

"While cancer is a dreaded dis-

ease and we will probably see it either in relatives or friends, still it ranks second as a killer that of heart disease."

During the business session it was announced that members would sell all-occasion greeting cards as a club money-making project.

Mrs. Roy Brown will host the club on October 1, at which time Mrs. Iva Williams will have charge of the program.

Members present for the September 17 meeting: Mrs. Herman Bedwell, Mrs. Roy Brown, Mrs. Earl Brownlow, Mrs. Leonard Coleman, Mrs. Elmer Crum, Mrs. Gardner, Mrs. Lavelle Jackson, Mrs. John L. McGee, Mrs. Elra Oden, Mrs. Hessie B. Spotts, Mrs. Iva Williams and Mrs. C. E. Dolle.

Phone your news to 266-2361

Mrs. Johnson holds workshop

Mrs. LeRoy Johnson, third vice president Caprock District TFWC, was in Post last Thursday for an area workshop. Mrs. Johnson is a member of Town and Country Study Club.

The Woman's Culture Club of Post hosted the workshop for the Caprock District of Texas Federation of Women's Clubs at the First Christian Church.

The all-day federation study dealt with effective reporting of club activities. Clubs from Slaton and Tahoka joined with clubs of Post for the meeting.

In addition to Mrs. Johnson other district officers attending and presenting the program were: Mrs. Robert Tipps, president, Denver City and Mrs. B. F. Seay, first vice president, Andrews.

Bill Wood is recuperating at his home here following hospitalization in Lubbock for surgery.

Kari Lynn Hoffman birthday observed

Kari Lynn Hoffman was honored Tuesday afternoon with a party on her second birthday. Daughter of Mr. and Mrs. R. L. Hoffman, the party was held in the home.

Refreshments were served to Mrs. Royce Hanna and sons, Denton, Dana and Darren; Mrs. T. C. Bevins and children, Tommy, Belinda, Melissa and Vanessa; Mrs. Joe Clark and son, Danny; Mrs. J. Dane; Melinda and Ricky Webb and Mrs. Roy Akin.

Y-M Study Club to hold dinner

Y-M Study Club will hold the president's dinner tonight (Thursday) at 8 p.m. in the home of Mrs. Richard Biggs, 104 E. Gardfield Avenue. Club officers are asked to be there by 7:45 in order for Tribune photographer to make pictures.

Mr. and Mrs. Joe Nicewarner attended to business Monday in Lubbock.

Garden Club hears flower show judge

Mrs. Harold Kelly of Lubbock was guest speaker at a meeting Monday night of Cochran County Garden Club.

Mrs. Kelly, is an authoritative speaker. Nationally accredited flower show judge, State reading examination chairman and local lecturer and demonstrator in the art of flower arranging.

In her lecture the speaker said, "We must have a little background if it is to be only from books to do a good Oriental arrangement."

"Flowers have been used since time began, but the Japanese refined it for us. Simplified schools or versions are what confuse us."

"They are basically the same but different in measure of sky, man and earth or 'Shin, Gyo and So.' Or can be defined as true deed, meditation and authentic."

"In Maribona you make a speci-

fic thing such as flowers corresponding with seasons and place. In abstract you may omit one line, but never the heaven line. And the heaven line is never straight. "Curve is what creates interest. In authentic arranging all tips should point upwards."

"A cricket is a good accessory for it is considered sacred in Japan."

The meeting was held in Golden Arrow Room at Wig Wam Restaurant. The social committee served as hostesses.

Mrs. Bobby Travis, president, conducted a business meeting. At which time members were reminded that each was to help in staging flower show beginning at 1 p. m. October 2. The show will be presented to the public on October 3.

Guests were: Mrs. W. C. Benham, Mrs. Melvin McCoy, Mrs. Kenneth Thompson and Mrs. W. E. Love, of Lamesa, mother of Mrs. Scholer.

Members of Le Fleur Garden Club present: Mrs. Sammie E. Williams and Mrs. Don Samford. Garden club members attending: Mrs. Harold Arant, Mrs. Gene Cade, Mrs. Murray Crone, Mrs. Roy Hill, Mrs. J. T. Holloman, Mrs. J. J. Jenkins, Mrs. Charles Jones, Mrs. Truett McCuiston, Mrs. W. B. McSpadden, Mrs. Wayne Porter, Mrs. J. L. Schooler, Mrs. Hessie B. Spotts, Mrs. Bud Thomas, Mrs. Travis and Mrs. Don Workman.

Mr. and Mrs. W. W. Williamson left Tuesday for Lake Kemp and a few days fishing. Saturday they will fly from Wichita Falls to Houston for the Rice Owls versus LSU football game. Bill Walker, grandson of Williamson, is number 62, a pull-out left guard on offense for the Owls.

Mr. and Mrs. Joe Gipson attended to business Saturday in Lubbock.

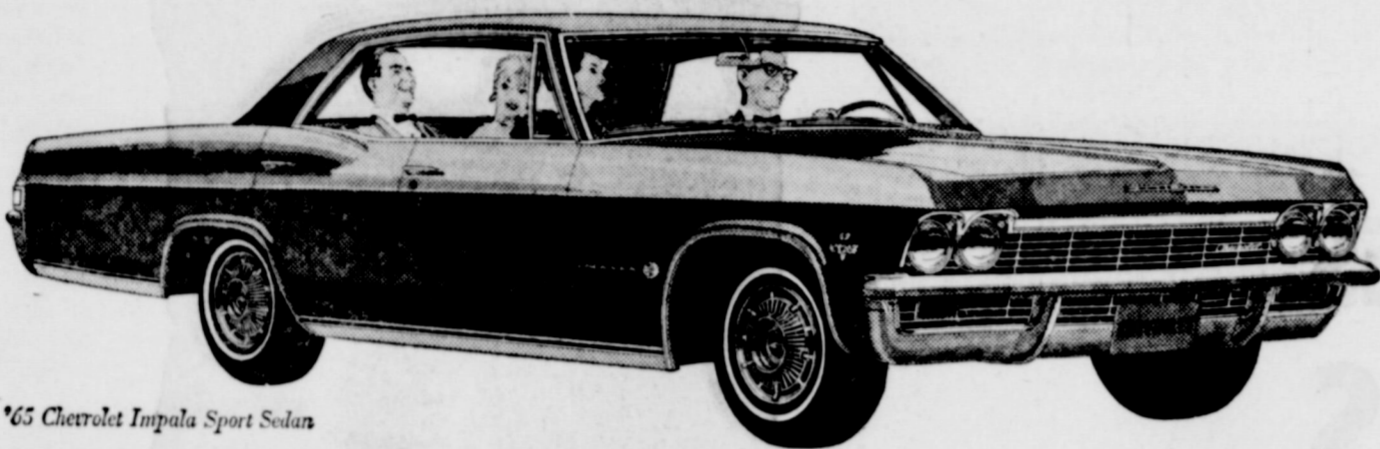

Exotic and unusual

flower grown by Mrs. W. E. Akin from a start given her three years ago by Mrs. Marvin Ray. It is thought the lily-like plant maybe the Lycoris Incarbata. The lycoris is one of the most unusual of the flowering bulbs, blooming in late August and September. The flowers are borne on stalks with no sign of leaves. The two clumps grown by Mrs. Akin sent up stems with six blossoms each this year. The white blossom is touched with pink hues. The true lycoris is a native of South Africa. There are several varieties: Lycoris Alba, white; Lycoris Aurea, golden yellow and Lycoris Radiata in addition to the one shown here.

TRIBUNE Photo

now! the beautiful shapes for '65

'65 Chevrolet Impala Sport Sedan

Chevrolet Impala '65

It's longer, lower, wider—with comforts that'll have many an expensive car wondering why it didn't think of them first. More shoulder room, more leg room up front. Curved side windows, an

instrument panel that's a conversation piece. In fact, just about everything's new right down to the road. And even that'll seem newer because the Jet-smooth ride is smoother than ever.

'65 Chevrolet Malibu Super Sport Coupe

Chevelle Malibu '65

Here's all that made Chevelle America's most popular new-sized car—plus some new surprises. Like those cleaner, bolder lines. Like the silky way its new ride skims over the choppiest roads. Like

V8 power that'll make you think we stole some of Corvette's stuff—which we did. All told, five engines are available from a quieter six to a V8 that comes on 300 horses strong.

'65 Chevy II Nova 4-Door Sedan

Chevy II Nova '65

It may be the expensive-est looking thrift car you've laid eyes on. But thrifty it is. The big difference being that Chevy II's marvelous mechanical efficiency now wears a debonair new look. And

offers a new range of engines, including a new 300-hp V8. You could get the idea that saving you money was the last thing we had in mind—if it weren't for that price sticker on the window.

New top-of-the-line Corvair Corsa Sport Coupe

Corvair Corsa '65

How's this for sport with an international flair! The longer, wider design gives all closed models a hardtop roof, along with more shoulder and entrance room. And to go with the racier look,

there's up to 180 hp available in the new Corsa series, up to 140 hp in the Monza and 500 series. Also a flatter riding independent suspension, more responsive steering and a wider road stance.

Forthcoming programs reviewed at W.S.C.S. luncheon meeting

Woman's Society of Christian Service of the First Methodist Church held a luncheon meeting Tuesday in the home of Mrs. W. B. McSpadden.

Yearbooks were presented by Mrs. Don Lynskey. The devotional was given by Mrs. James K. Walker.

Reviews of forthcoming WSCS programs were given by Mrs. Tommy Hawkins, Mrs. D. E. Benham and Mrs. McSpadden.

Others attending: Mrs. Leonard Groves, Mrs. H. F. Dunn, Mrs. John Haggard, Mrs. Neal Brown, Mrs. Melvin McCoy, Mrs. Bob Mayon, Mrs. E. L. Cox, Mrs. Tip Windom, Mrs. Ed Lytle, Mrs. Owen Egger, Mrs. Wilton Green.

Mrs. D. A. Ramsey, Mrs. W. C. Benham, Mrs. G. C. Sanders, Mrs. E. Greer, Mrs. H. S. Hawkins, Mrs. Joe Nicewarner, Mrs. J. N. Burnett, Mrs. Willard Henry, Mrs. Pegues Houston and Mrs. Gary Willingham.

Kay St. Clair and Carolyn Houston, both students at Texas Tech, visited here briefly last Wednesday with their parents, Mr. and Mrs. James St. Clair and Mr. and Mrs. Pegues Houston. Kay and Carolyn were on the campus early for rush week.

Mr. and Mrs. J. M. Austin of Lubbock visited here a few days last week with their daughter, Mrs. Hume Russell and her husband.
