### Balloting to be held Tuesday

Tuesday, Nov. 3, Cochran County voters will go to the polls to express their preference in the General Election.

Six polling places will be in operation in the county, functioning from 7 a.m. until 7 p.m., ample time to allow everyone to vote.

The polls are at the County Activities Building in Morton, in Whiteface, Bledsoe, at Star Route Gin, Lehman and Townsend Gin.

Judge Johnny Love announced Wednesday that voters of Bledsoe will vote Tuesday in the new County Barn instead of the school. Other polling places will be the same as in the past.

An estimated 2,250 persons are qualified to vote in the general election — the majority having exemptions or paid poll taxes.

Only five persons in the county appeared at the County Tax Assessor Collector's office to register, in accordance with U. S. Constitutional amendment prohibiting the poll tax as a requirement to vote in federal elections.

These registrants, however, only can vote for those running for federal office. A poll tax is required to vote in state and county races.

Mrs. Lesye Silvers, county clerk, said an exact figure on qualified voters in Cochran County is difficult to arrive at as persons over 69 are exempted from the poll tax and do not have to register prior to the election.

Any resident over 60-years-old only has to go to the polls and sign an affidavit swearing they are above the exempted age.

According to figures in the office of Mrs. Otha Denny tax assessor-collector, some 1,774 persons paid poll taxes with an additional 100 more receiving exemp-

### Council gives raise to employes; cable franchise to Rose

City employes were given an across the board raise Monday as city councilmen staged their regular meeting.

The council also signed a contract with Hemphill Construction Co., Lubbock, for the sewer, water and gas improvements; annexed Roberts subdivision, passed an ordinance approving corporation court costs, and authorized an ordinance be drawn granting Neal Rose the cable TV franchise for Morton.

Rex Bailey, of General Telephone Co., appeared before the council to tell them of direct distance dialing and extended area service, slated to go into operation.

### 'Treats' for CROP are sought by youths

Young people from four Morton churches will ring doorbells Saturday, Halloween, seeking "treats" for needy people abroad.

The youth will be volunteers for CROP.

CROP is the Community Resources Program of Church World Service and collects, food, fiber and cash in communities throughout the United States for the world relief programs of the churches.

Participating in the drive here will be the Methodist, First Baptist, First Missionary Baptist and Assembly of God Churches.

The symbol of the youth bearing the CROP badge is becoming as much a sign of Halloween as the traditional "trick or treat" for candy and other goodies, black cats, pumpkins and the rest.

Since 1947, CROP has been a community channel of the churches for a person-to-person program of continuing aid and disaster relief.

Its primary purpose is to provide assistance — high protein foods, emergency supplies, agricultural tools, seeds — not otherwise available to the overseas program of the churches.

### DDD, EAS coming to Morton on December 6

(Ed. Note — This is the first article in a three-part series on Direct Distance Dialing, which General Telephone Co. of the Southwest is introducing here Dec. 6, 1964.)

Less than two months from now, this area will have the most modern long distance telephone service available — Direct Distance Dialing (DDD).

But, just exactly how does DDD work?

Rex Bailey, district manager for General Telephone of the Southwest, answered the question. Here are some of the important points to remember in preparing for your use of DDD, he advised.

With DDD, a new key number

— 112 — will become a part of our long distance dialing routine, as these three numbers are always the first ones you dial to connect you to the DDD equipment (just as "0" connects you with the long distance operator).

At the same time it will be necessary to dial the code number of the area you are calling. With nearly 80 million phones across the country, the industry found it necessary to divide the United States into "areas," assigning a specific code number to each area such as 50 for New Mexico and 303 for Colorado.

"Some of the more populated states such as California, New

## Fluitts and Carters are farm families of year

The W. O. Fluitt and Ray Carter families were honored as Farm Families of the year at the first annual Farm and Home Show last Thursday.

The winners were presented plaques by Wadonna Strother, Cochran County Junior Maid of Cotton.

The surprise presentations came at 7:30 p.m., during the show, which drew some 500 area residents. More than 125 were present for the awards.

Before the awards were made, Johnny Johnson, manager of the Morton Area Chamber of Commerce, which sponsored the show and awards, explained what the committee selecting the families looked for.

"We felt the family should be someone who builds Cochran County... someone who builds this community into one of the finest in the State of Texas."

Johnson explained that the Chamber's Agriculture Committee and the County Program Building Committee had made the selection.

"We met and discussed several families and then took a vote. There were 12 people on the committee and we came out in a 6-6 tie," Johnson said.

Immediately prior to the naming of the two families and their presentation, Gene Cade won an electric can opener - knife sharpener in a drawing. The appliance was donated by White's Auto Store.

Rose Auto presented a silver tea-coffee service to Marion B. Matthews, whose name was drawn during the program.

The Farm show was called a "terrific success" by officials who noted they hope it will be bigger and better in years to come.

Merchants who displayed during the farm and home show included: Bedwell Implement Co., McAllister - Huggins, Farm Implement, Enos Tractor, Woolam Implement Co., McMasters Tractor, Hawkins Olds, McCoy Ford and Allsup-Reynolds Chevrolet.

Merchants displaying inside the County Activities Building included Loran-Iatham Co. Rose Auto & Appliances, White's Auto, Forrest Lumber Co., Ray's Hardware, Taylor and Son Furniture, Luper Tire and Supply and Flash-O-Gas.

In announcing the Fluitt family,

Johnson commented they have only been in this community for two years, and noted their great contribution in this short time.

The family, composed of Mr. and Mrs., and two children, Sherita, 8, and Lanny Kirk, 4, moved here from Post, where they had lived all of their lives.

They farm three miles west of Lehman.

Both are active in the Young Farmer - Young Homemaker group which meets in Whiteface. Fluitt is vice president of the Young Farmer segment.

Members of the First Baptist Church, the family also is active in youth work. Mrs. Fluitt presently is sponsor of a Bluebird group.

Of the honor, Mrs. Fluitt said: "We are grateful for the privilege of having this honor. We have really enjoyed living here - it is a very nice town."

The Carters farm five and a half miles southeast of Morton and have been residents here since 1930.

Moving here from the Pettit Community in Hockley County, the couple both have taken an active part in activities in the area.

Carter is a member of the Farm Bureau, and Mrs. Carter has been a Cub Scout den mother, worked with 4-H clubs and has been a Sunday school teacher.

Carter is the son of the late Mr. and Mrs. G. R. Carter, pioneer residents of the Whiteface Farms. They have a married daughter, Mrs. Roger Rutledge of Lubbock and a son who lives at home, Tommy.

Tommy, 20, is a 1963 Whiteface High School graduate. In school he was a Gold Star Farmer and a member of FFA.

They have three grandchildren.

Exercise in Democracy

FOUR MORTON HIGH School students studied in concentration Tuesday as a mock vote was held at the school. Some 96 per cent of the students voted. Marking their ballots, front

row are Mayland Abbe, a senior; Mike Ferrell, a junior, and, back row, Mike Enos and Carolyn Marina, both sophomores.

## Fleming asked to be THSC area coordinator

Practical points on the attraction of tourists to areas of Texas and publicity were given during the Texas Workshop on History and Tourism in Austin this weekend.

Johnny Johnson, manager of the Morton Area Chamber of Commerce and Elvis Fleming, junior high school history teacher and member of the Cochran County Historical Society, attended the two day workshop.

At the meeting, Fleming was

asked to be coordinator of District 17 of the Texas Historical Survey Committee. A coordinator functions as an assistant to the district chairman in making tour programs, regional maps of the area, historical sites, survey of the sites and publication of information concerning sites within the district.

General meetings of the THSC, the Texas Historical Foundation and affiliated groups, were held

during the meeting. The workshop, which started at 9 a.m. Friday and ended Saturday noon, emphasized the attraction of tourists into various areas of Texas, Johnson said.

Speakers at the meetings included Tom Taylor of the Texas Highway Department Tourist Information division; Frank Hildebrand, head of the newly created Texas Tourist Development Agency; Bob Hoffman, head of the New Mexico Tourist and Development Agency and Jack McGuire, executive director of the Texas University Ex-Students Association.

Homer Thompson and Jennie Allen, H.D. agent, are attending a workshop in College station.

## County Court hears 29 cases during jury trial session

The jury trial docket in Cochran County Court dispensed with 29 cases in two days.

The session, which started Monday, ended Tuesday after having three jury trials, dismissed five cases, passing one because of illness and hearing 14 guilty pleas.

Lonnie Mitchell, charged with aggravated assault on a juvenile, was found guilty by a jury and fined \$35 plus \$28.30 court costs. Clyde Holleyman was sentenced to eight days in county jail, a fine of \$180 and court costs after a jury found him guilty of driving while intoxicated. He also faces a six months suspension of his drivers license, a penalty imposed under the state motor vehicle act.

A jury found that Robert Brown, charged with liquor law violation, was not guilty of the offense and released him.

Cases against Sixto Flores Hernandez, liquor law violation; Salvador Morales, aggravated assault; Lawrence Jackson aggravated assault; Buford Garrett, illegal possession of alcoholic beverages, and Gilbert Perez, liquor law violation, were dismissed.

Passed were cases against Jovita Lopez (because of illness) and against Dale Depaw, Wilson E. Hefflin and Francis Cunningham (because of lawyer's inability to be present).

Guilty pleas were heard from: W. A. (Pete) Lamb, reckless driving; Tedora H. Soliz, liquor law; Floyd Cecil Hindman, reckless driving; Charlie Lavender, driving while intoxicated; Adon Salazar, liquor law; Williams Tadlock, drunk in car;

Rachael Madariguel, liquor law; Buford Garrett, illegal manufacture of alcoholic beverages; Julius Nincon Gonzales, liquor law; Willie Henry Hall, driving while intoxicated; Alfredo Trinidad, driving while intoxicated;

Sixto Henandez, liquor law; Arnulso Bautista, liquor law, and Johnny Bautista, liquor law.

Fines ranged from \$10 to \$300 plus court costs and jail time ranged up to three days for DWI's.

George Boring, county attorney, presented the cases and Judge J. A. Love presided.

## Larry Hale named Junior 4-H head

Larry Hale has been elected president of the Morton Junior 4-H Club.

The election, which came during a meeting Oct. 6 in the County Activities Building, also named:

Ricki Dansby, vice president; Nan Ray, secretary and Christy Cade, reporter.

Mrs. E. C. Hale, an adult leader, told the assembly group of 30 members and seven adults that the annual 4-H awards banquet will be held Nov. 12.

Larry Hale and Marilyn Cade lead recreation following the meeting.

'Welcome to our school'

LA NELDA ROMANS, a student council member, welcomes the Neal Brown family to the Morton High School as open house was staged last Sunday. More than 700 persons toured the school. La Nelda welcomed and handed the

Browns a picture of the school and information sheet as they entered. The family includes Linda, 11; Robert, 8, Jeanette, 7, and Patrick, 4.

## Good Neighbors' was 1936 club program

The 1936 Study Club met Tuesday, Oct. 21, in the home of Mrs. W. C. Benham. Mrs. M. Ledbetter presided.

The theme of the facet of friendship and understanding toward "Good Neighbors" was carried out in the program.

The Living Standards of Other Nations was discussed by Mrs.

Carl England.

In order to depict the status of women and their everyday life in India, she gave excerpts from "Nectar in a Sieve" by Kamala Markandanya.

The women of Africa were described in a published letter from Dorothy Stebbing. It was interesting to note how the formation of

Federated Clubs had helped to elevate their general stands.

Members present other than the hostess were Mesdames D. E. Benham, Luke Hargrove, E. L. Wilks, Ledbetter, James St. Clair, Doyle Brook, Kenneth Thompson, Glenn Thompson, J. A. Gowdy, Neal Rose, Joe Gipson and one guest, Mrs. Carl England.

The next meeting will be held Nov. 4, in the home of Mrs. St. Clair, with Mrs. Gipson as hostess.

In honor of good literature, the 400th birthday of William Shakespeare will be celebrated.

## High school news

By MIKE EGGER

After headaches and ulcers and seemingly miles of adding machine tape, the Student Council finally got the books for the homecoming mums to balance. Approximately 120 mums were purchased this year.

Mr. Paul Davis's 6th period American history class attended a lecture on the United Nations presented by Mrs. William Dingus in the fellowship hall of the Methodist Church October 20. Mrs. Dingus is an expert on the UN; she has visited the session in New York a number of times and has twice been appointed chairman of United Nations Week in Texas by the governor.

The Pep Squad of MHS sponsored a bonfire last Thursday night on the vacant lot west of the old Malt Shop. A large number of Morton Schools students and adults of the community attended. The Sophomores won the prize for having brought the largest amount of wood. The four classes of MHS contributed a very large amount of wood which resulted in a tremendous fire which could be seen for miles around. The Morton Fire Department was on hand in case the fire got out of hand.

Congratulations to the Band, Football, and Pep Squad Sweethearts, Betsy and Mary and Darla. Darla was crowned and presented her bouquet of flowers at the Pep Rally held in the gym Friday afternoon. Betsy and Mary were crowned in the halftime ceremonies Friday night. Way to go Elliott!

The Juniors of MSH took the Preliminary Scholastic Aptitude Test October 20. These tests administered by Morton Schools Counselor Charles Bowen are very

helpful to the student as they give an approximation of the scores the student can expect to make on the College Entrance Examination Board Test.

Congratulations to the Bluebirds for winning the Homecoming parade with their float. The members on the float did cheer-leading yells. Second place went to the Senior class whose float depicted a first grade classroom in 1953, the year the Seniors started. Third place honors were garnered by the Junior class. Their float was a scene in an old time Ice Cream Parlor. The theme for the parade was "Remember When?"

# Want Your Vote COUNTED?

You must mark your ballot properly, to have it counted! Scratch the names of all candidates you do not want to vote for.

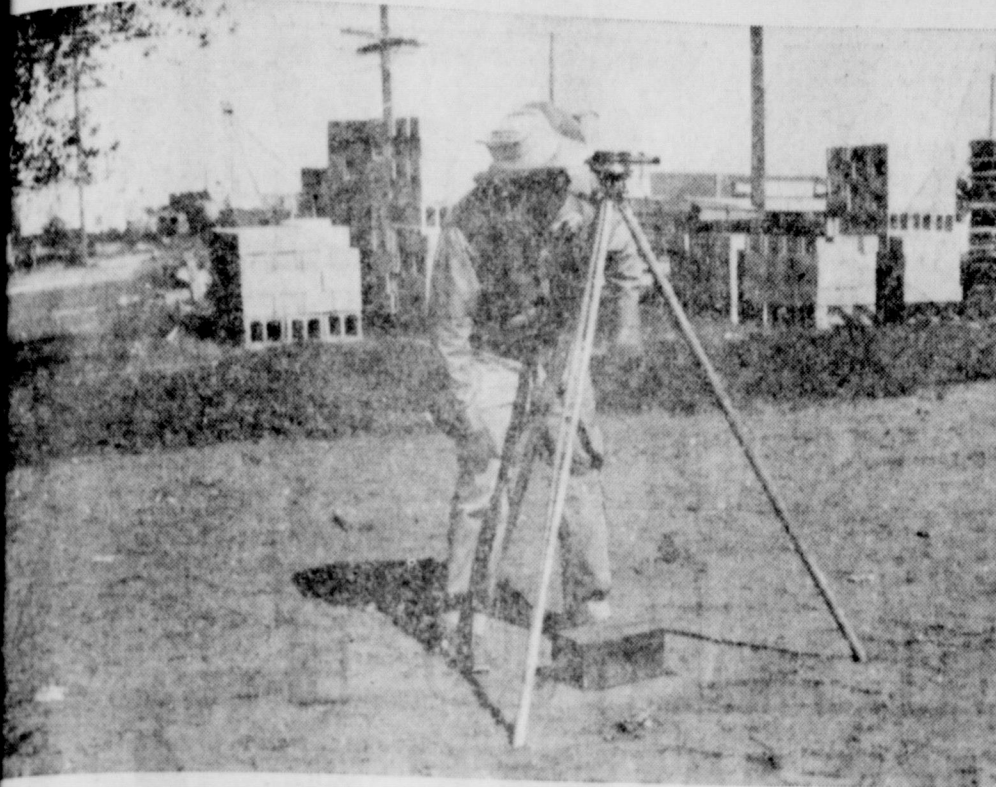

### HOW TO MARK YOUR BALLOT:

- Do not touch the ballot with your pencil except to scratch the name of a candidate or party you want to vote against.
- To vote for a REPUBLICAN, you must mark out both the Democratic and Constitution Party candidates.
- To vote a STRAIGHT PARTY TICKET, you must mark out the entire columns for the other two parties.
- To SPLIT your vote, you must mark out the names of all candidates you do NOT want to vote for.
- Erasures void ballots. If you make a mistake, get a new ballot from the election judge.

**New building started**

C. L. (BUSTER) WRIGHT of Morton Building Supply, takes a sight through his transit as construction starts on the new building on SW 1st, at the northwest corner of the courthouse square. The building, constructed by James

Dewbre, will house White's Auto Store Service Center. It is the second new building started recently in the downtown Morton area.

"I love my home, I love to cook and bake things for my family. I enjoy just being a homemaker," Mrs. Jerry Winder said.

The Winders reside at 402 E. Grant, Winder, who has been with the Post Office 16 years, was appointed to a rural carrier position a year ago.

An attractive brunette with a cheery smile, Mrs. Winder is Billy to her friends. She is the mother of two daughters, Sue, 11 and Ann, 10.

"We are always seeking to better and improve our home. This is a family project," she said.

Her home, cozy and unpretentious, reflects her personality. It is artfully furnished in an Early-American decor. Her success in creating an atmosphere of warmth and friendliness is further proof of her talent and ability as a homemaker.

"I just have to brag on my husband," she said. "This room (a spacious, sunken den) was built by my husband and we are very proud of it. He also just completed our central heating system this week."

Here, a red brick fireplace is featured against pine paneled walls. It is flanked on either side by rows of bookcases, where her library is proudly displayed.

"I love to read. I like all kinds of books. This is what I do for relaxation."

"Next to my family, my church comes first." They are members of First Baptist Church, where Mrs. Winder teaches a Sunday School class of 17-year-old girls. A woman of many interests, she is the only charter member left in the Y-M Study Club.

A special honor recently was

MRS. JERRY WINDER

bestowed upon her, when members of her club presented her name to the Golden Book, which is kept in the Federated Club head-

quarters at Austin. "I was very surprised and very proud. I broke down and cried, I'm very emotional anyway." She is past president of the club.

She is a Conductress — in line for Worthy Matron — in the Order of the Eastern Star, Chapter 841. She also serves on the Advisory Board for the Rainbows, an auxiliary of OES and Masons.

A substitute teacher in the Morton Schools, Mrs. Winder was graduated from Texas Tech in January, 1953, with a degree in business administration.

"I love to play 'conversational' bridge which typifies me exactly," she laughed. Modest about her bridge playing ability, she insisted she did not play well, but loved to talk while playing.

The Winders were married Oct. 17, 1952, shortly after Winder returned from Korea.

Her father, Bill Williamson, has resided in Morton for more than 20 years.

Her mother is Mrs. Maude Williamson of Childress, where Mrs. Winder attended public schools. She was born in Quanah.

A brother, T. K. Williamson, lives in Morton and a sister, Mrs. Dennis Walker, makes her home in Corpus Christi.

Of her favorite recipe, Mrs. Winder said, "Even if the peach season is past, I just have to submit this recipe of Mrs. Winder's (Mr. Winder's mother). It is a favorite of the whole Winder clan. As it has been passed to me, I am sure that it will be handed down to my daughter's generation."

**Grandma's Fresh Peach Pie**

- Custard:
  - 1 c. sugar
  - 3 T. flour
  - 1 c. whipping cream
  - 1 t. vanilla
- Mix sugar, flour; add cream and vanilla.

Peel and quarter 4 medium peaches and place on unbaked pie crust shell. Pour custard over the peaches and cook in 300-degree oven for 1 hour or until custard is set.

Be sure to amke at least two of these pies because they go fast.

**Reese AFB to hold open house**

The largest open house in the history of Reese Air Force Base, near Lubbock, has been announced for Saturday, November 7. The all-afternoon event will mark the world-famed Thunderbirds, the official Air Force aerial demonstration team.

The open house has been officially designated "Founders' Day", with the group of Lubbock civic leaders instrumental in obtaining the reactivation of Reese due to receive special honors that day. Reese gates will open to the public at 1 p.m. The Thunderbirds will perform at 3:30 p.m.

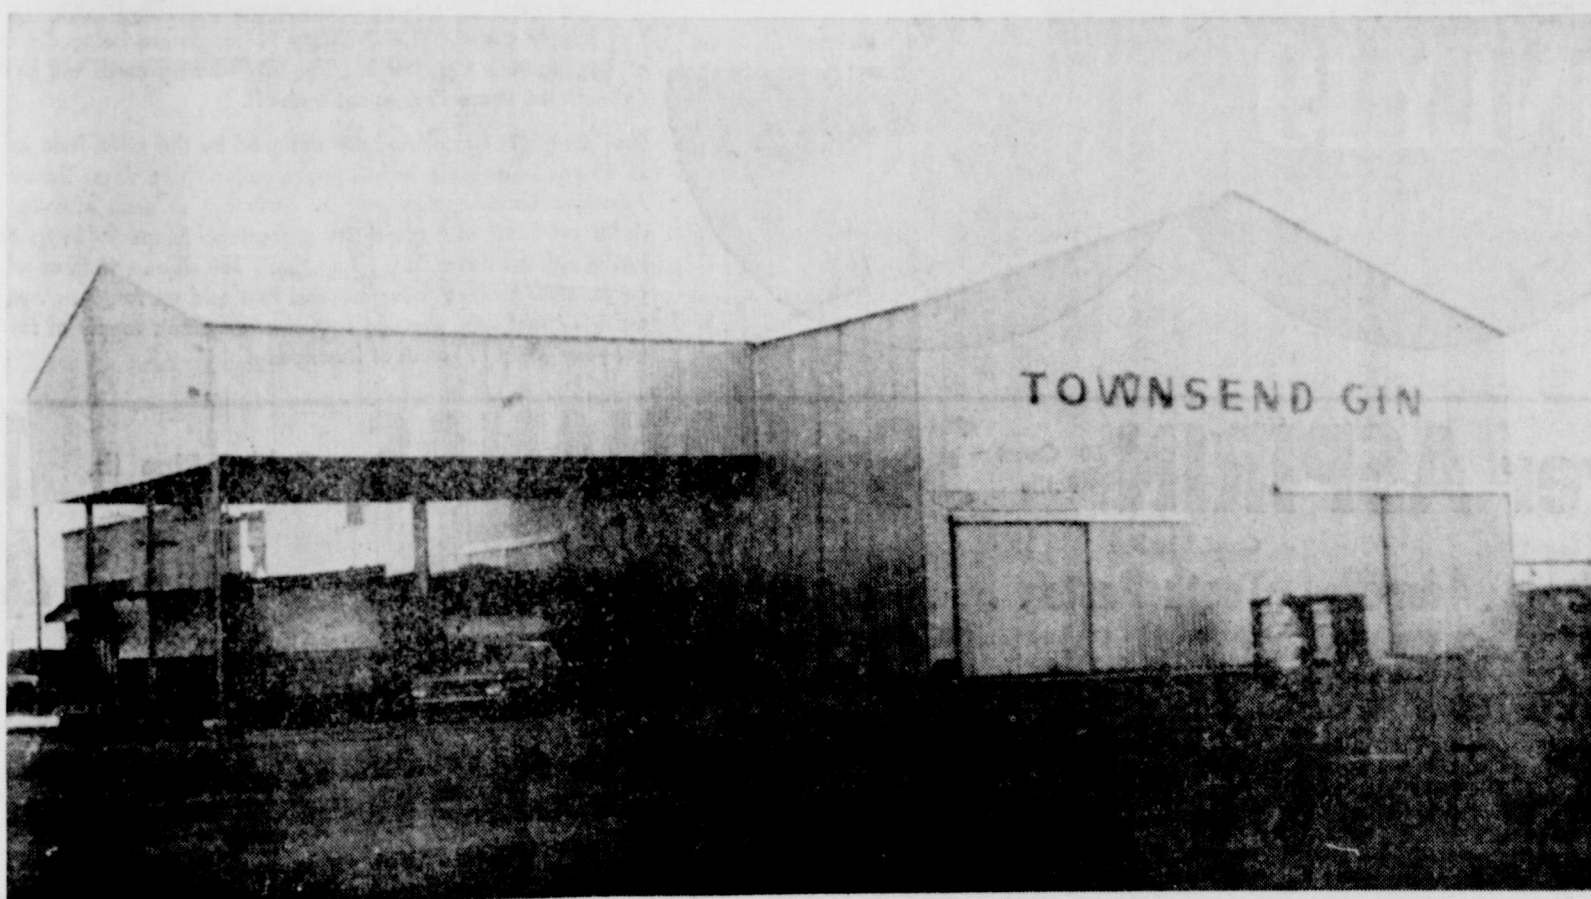

A bevy of modern jet aircraft will be on display throughout the afternoon, with various aerial demonstrations and ground activities planned between 1 and 3 p.m.

Numerous national leaders have been invited to participate and to attend a noon luncheon. These include Congressman George Mahon of Lubbock, chairman of the House of Representatives appropriation committee; Eugene M. Zuckert, Secretary of the Air Force; Gov. John Connally of Texas; Preston Smith, Texas lieutenant governor; and Waggoner Carr, Texas general.

**Tech's Red Raiders will take on Rice**

LUBBOCK — Texas Tech's Red Raiders go on regional television for their next game — with Rice University's Owls at Houston Saturday.

Scheduled for 2 p.m., the encounter will be Tech's first day on test of the season.

Texas Tech, for the first time in its history, has won three Southwest Conference games (against two losses), but faces an especially difficult task Saturday. Rice, a pre-season choice of many to win the Southwest Conference championship, badly outgained the University of Texas before falling 6-3 last week. Texas earlier had downed Tech, 23-0.

Rice has captured 13 of 14 previous meetings with Texas Tech. The Red Raiders' lone victory came in 1944 as Walt Schlinkman led Tech to a 13-7 triumph.

By JOHNNY JOHNSON  
Industrial Development is the process of attracting capital for investment to an area for the development of new, or, expanding business. The process is the same as selling a product on the open competitive market. It must be attractive to the customer.

The customer in this case is management. They pick the place where the new site is to be located. They talk to the people and they read the reports. We therefore need to work for a good approach for the manager of a business.

We need to remember first and foremost that the words industrial development mean any new job or income for the city or area. In this community it means taking full advantage of the existing industries and the expanding industries.

National Sulphur Co. is expanding their plant to include an ammonium thiosulfate plant. This is a liquid fertilizer that will be sold from their location in the Lehman Plant. This plant will employ only a few full time workers but that will be more people and payrolls for this area. However this could turn into another project where the people from the Gas Plant at Lehman moved to another area or city to live because of the housing problem or because of the looks of the city.

Be objective — this is not a good looking city. Think positive — we can find or build, a place for people to live. We can change this housing problem if we really want new families and payrolls in this community. You've got to want it first.

This sulphur plant could bring still another business to this area if we get on the ball and find out about this new process and at the same time learn more about our area. The completed report of the industrial survey will offer a great deal of the information to business that we will not contact personally. The Texas Industrial Commission and the General Telephone Company will help to distribute the information and try to get the prospect to our community. We will have to do the rest. We will have to sell the management on the idea of locating here. We will have to be realistic and give first class, honest answers. We are going to track down the prospect and get him to this area. We are going to continue the fight for a better community. We are going to work for a cleaner community that is attractive to the passer-through. We are intent on helping find the best prospect for this community and its business. Always remember that the business man is the back bone of any drive and he must

support the program if it is to be a success . . .

**Trick or treat**

Here's a quick treat for Halloween spoons. Heat 6 cups of puffed rice in a shallow pan in the oven for 10 minutes at 350 degrees. Pour into a greased bowl. Melt 1/4 cup margarine and 32 large marshmallows over low heat stirring frequently. Add 2 teaspoons vanilla and a few drops of red and yellow food coloring; stir until blended. Pour over puffed rice; stir until kernels are evenly coated.

With greased hands shape to form 6 pumpkins. While warm, decorate with marshmallow pieces and whole cloves for pumpkin faces. Use cut gumdrops for pumpkin stems.

**Turkey time**

It's almost November and the beginning of the holiday season. It's the time of year when we start thinking about getting the family together for Thanksgiving and Christmas celebrations. Pre-planning is a comfortable way to make holiday events enjoyable for everyone.

Thanksgiving, as far as menus go, is one of our most conventional meals. This is because it is a family day and usually represents people of all ages. Let's eat Turkey is the name of a Texas Extension bulletin usually popular this time of year. Not only does it tell how to roast turkey, but it also tells what to do with leftovers. It suggests preparing turkey in many different ways besides roasting. If you don't have a copy of this bulletin, come by and ask for one.

**Never store soiled garments**

Make sure you summer cottons, synthetics and blended clothing are clean before you store them for the winter. Insects are fond of soiled clothing, especially clothing soiled with food stains. A simple and practical rule to follow is never to store soiled garments for any length of time.

**Play it cool**

If water must be used to remove a spot then use cool water. Don't use hot water. It's more likely to damage the color or cause shrinkage.

Some fabrics are sized with a water-soluble finish that will be disturbed by the application of any water. And don't use any water on ball point ink stains. It may set the stain permanently.

# TREASURES

He walked a long time and rang many door-bells and "scared" a lot of people in order to acquire his Halloween treasures. He wants to sleep with his treasures beside him, where he can feel the sack with his hand.

These treasures somehow remind you that one of your responsibilities toward your adorable child is to teach him what *real* treasures are—friends, country, church, good deeds, family, love of God, and quality of spirit, to name a few.

That "Trick or Treat" bag somehow reminds you of that scripture in Matthew that goes, "*Lay not up for yourselves treasures upon earth where moth and dust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: for where your treasure is, there will your heart be also.*"

You know that the church will help you in this, so you vow again to be faithful to every service, thankful for all the wonderful workers there, asking God to help you and them.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

# Football fundamentals whip Indians

By DAN MARTIN

A simple matter of football fundamentals whipped Morton's Indians Friday night.

The Post Antelopes had a part in the defeat, too, as they took advantage of the mental lag and went on to win by a 28-20 margin.

The lag came before the clock even started in the ball game.

A huge Homecoming crowd of 3,000 watched Post's Bill Mitchell kick off to start the game. The ball bounced by Indian back Jimmy Joyce who let it go into the end zone, apparently not knowing that a kickoff is a "free ball" — that is, anybody's ball.

### Know the score

A couple of Post boys seemingly didn't know the rules either and stood looking at the ball.

But Donnie Windham knew the score and pounced on the ball to make the scoreboard read 6-0 with 12 minutes left in the first quarter.

Then Luis Ayala added more by converting and making the score 8-6.

The next time Mitchell booted the ball, the clock started and it seemed a normal beginning, except the top-heavy score on the board.

The Indians, knocked silly by the mishap, watched the Antelopes ram over two more quick scores, and by the starting minutes of the second quarter, the Morton squad trailed by a 22-0 score.

The Indians scored quickly twice to end the first half, but were on the short end of a 22-14 score when the whistle ending the second quarter blew.

They never recovered from the first kickoff "giveaway" and try gamely though they might, they

just couldn't muster the steam to catch up.

### Post second score

When the game's second opening kickoff came, the Indians and Antelopes traded punts twice and then Post back Teddy Scott set up the second rapid score when he returned a punt from Charles Ledbetter from his own 39 to the Morton 34 yard line.

From there it was simple. Ronald Simpson picked up 2 yards — to the Morton 18, and Scott carried for two.

Simpson then scampered 16 yards to mark with 3:41 left in the first quarter. Simpson added the conversion and the score was 16-0. Early in the second quarter, the Antelopes again came into possession on their own 49 yard line. Ledbetter had kicked out of trouble from his own 18.

The Antelopes mixed passing and running to move the 51 yards to score in 11 plays.

### Cross passes

The play which made the difference on the scoreboard was when quarterback Butch Cross passed to Ayala for 12 yards. The same combination failed to connect on the conversion try and the Post team lead 22-0 with 5:32 left in the game.

The Indians rallied on the kickoff, which they received on their own 32 yard line.

Bobby Dobson picked up 35 yards on the first play, setting up the tally, and putting the ball at Post's 33.

Dobson carried three times, Palmer once and Ledbetter passed to Ernest Chesshir once before Dobson ripped through and went 16 yards for the counter.

Ledbetter passed to Kenny Palmer for the extras and the Indians moved up, 22-8, with 3:40 left in the half.

The Indians got possession again soon after and marched to score in seven plays.

Taking a punt on their own 38, Ledbetter engineered the drive, handing off to Dobson and Palmer, carrying himself and passing four times.

One of the tosses fell incomplete, but Chesshir gained five on one and Joyce picked up 21 and four on others.

Ledbetter capped the drive when he slipped through and went 31 yards to score. He tried to convert but failed and the score was 22-14 with only 59 seconds left in the second period.

To end the half, Palmer turned in his usual performance — he stole a pass from Scott, but was brought down just as the gun ended the half.

As the second half started, Indian guard Ronald Smart pounced on an Antelope bobble at the Post 19 yard line. The Indians weren't able to capitalize on it and turned the ball back to Post at their own 13 yard line.

Sherill Griffith contributed greatly to the Indian tally of the third quarter. As the Morton squad got the ball on their own 44, Griffith took the pigskin on the first play from scrimmage and roared 47 yards downfield to the Post 9.

Dobson slammed it over from four yards out to score and bring the scoreboard readings to 22-20. Ledbetter tried to even things up but fell short on the conversion. The clock showed 7:55 left in the quarter.

To ice down their victory, the Antelopes rammed right back to score. They started a drive on their own 38-yard line, and in 11 plays had marked.

The counter came when Cross passed to Danny Pierce for seven yards. Big pushes in the drive came from Simpson, who picked up 12 yards and Scott, who got 14.

Cross passed to Pierce for the conversion, but the ball fell short.

Both sides threatened in the fourth period, but the scoreboard remained static — 28-20.

The Antelopes couldn't get past the Indians defensive wall in the period, even though they recovered a Ledbetter fumble at the Indian 19 yard line.

The strong defense held the Antelopes at the 9½ yard line.

Later, Morton got to the Antelope 33 before losing the ball on downs.

The deciding factor was the early touchdown by the Antelopes.

Otherwise, the game might have been a deadlock with 13 first downs for each side and discounting the first tally, four penetrations for each side.

Dobson was the game's leading ground gainer, picking up 104 yards in 19 carries for a 5.4 yard average. Griffith got 79 yards on eight

## Whiteface hogties top scorer, New Deal, 12-8

WHITEFACE — The mighty Antelopes hogtied the South Plains leading class B scorer last Saturday as they romped to a 12-8 victory over the New Deal Lions. Their victory considerably dimmed the festive air of the New Deal Homecoming.

The scorer they defended so well against was Randy Peeples, leader in Class B scoring for most of the year.

For the Antelopes, Raymond Guajardo scored both tallies, but failed on each conversion try. He made one counter on a 25 yard run and another on a five yard plunge.

Peeples made the lone New Deal score in the second quarter.

In the statistics realm, Whiteface made 16 first downs as opposed to New Deal's 14; romped for 233 yards rushing to the Lions'

135 and then added an extra 45 yards via the air waves.

For the Antelopes, Coach Emmitt Broderson singled out Dennis Martin as the outstanding defensive lineman. Guajardo was tagged as top backfield man, offense and defense.

The Antelopes take on the Anton Bulldogs at their annual homecoming game here at 2 p.m. Saturday.

The purple and gold clad Anton squad could provide a surprise for the Antelopes in as much as they have lots of speed.

"One of their top backs is Willie Bell — and he's real speedy. We have to respect him because of his speed," the coach said.

Anton is "big and tough" he added.

The Antelopes have one more home game after Anton. It is against Amhurst and will be played Nov. 6 at 7:30 p.m.

## Whiteface Homecoming Saturday

WHITEFACE — Ex-students of Whiteface High School will have their annual homecoming Saturday.

Festivities will get underway at 2 p.m. with a football game between the Whiteface Antelopes and the Anton Bulldogs.

The annual Homecoming queen will be crowned at halftime ceremonies.

Nominees are Mary Lou Burton, Kathy Cotten, Linda Hatten, Nell Hunt and Nancy Sanders.

## VOTE FOR THE TEXAN WHO LEADS THE FREE WORLD!

For the past eleven months, for the first time in our history, a native son has led our nation and the free world. And every Texan can take pride that President Johnson has met the awesome burdens of the office with courage, wisdom and restraint.

### THE ISSUE TUESDAY IS SIMPLE: WHO CAN BEST LEAD OUR NATION IN A TIME OF CHALLENGE AND PERIL?

To which man do you feel most comfortable entrusting the security and well being of yourself and your children for the next four years—

A man who wants to turn back the clock of achievement... a man who has worked consistently against progressive measures in the Senate... a man virtually untested in a time of crisis?

Or a man who has dedicated his entire life to public service... who has demonstrated, under five administrations, progressive leadership in working for a better way of life for all Americans. A man who has proved his courage under fire... has demonstrated his unwavering strength to meet any aggressor with firmness, yet restraint?

### PRESIDENT JOHNSON HAS PROVIDED RESPONSIBLE LEADERSHIP FOR MORE THAN A QUARTER OF A CENTURY

For almost three decades, President Johnson has been a pillar of strength for Texas and the nation. As Congressman, as Senator, as Majority Leader, as Vice President, and now as Chief Executive, he has written a proud record of progress.

### ONLY TEXAN PRESIDENT LYNDON JOHNSON OFFERS THE EXPERIENCE, THE PATIENCE, THE WISDOM, AND THE STABILITY NEEDED BY THE NATION AND THE FREE WORLD IN THESE CRITICAL TIMES!

Mrs. Harold Drennan received the Best Model award and a scrap book during graduation ceremonies for the Jean Johnson Success School Thursday night at the Johnson House in Lubbock.

The award for Most Improved went to Miss Diane McCasland and Highest Achievement to Mrs. S. M. Monroe.

Mrs. Weldon Newsom, Mrs. Royce Hanna and Miss Trezelle Hill also received awards.

There were 22 graduates of the school which was held in the County Activities building here for 14 weeks.

**Bula Homecoming  
Activities set  
this Saturday**

Homecoming at Bula will be climaxed with the crowning of the queen at half-time when the Bulldogs meet the Smyer Bobcats in a conference game at 7:30 p.m., Saturday, Oct. 31.

The homecoming program will begin at 3 p.m. in the High School auditorium. Everyone, including Bula exes, are invited to attend the barbecue in the high school cafeteria at 5 p.m. The barbecue will be followed by a pep rally at 6 in the auditorium.

Queen candidates for 1964-65 are Beverly Clawson, Linda Grusenford and Lana Aduddell.

After the game coffee and doughnuts will be served to the exes in the lunchroom.

**Busy Blue Birds  
hold a meeting**

The Busy Blue Birds met Friday, Oct. 23 at the Legion Hall. The girls won first place on their float in the Homecoming Parade, which was made up of Indians and maidens who were skinning the antelope.

The Indians on the float were Ronnie Reeder, Eddie Akin and Morton Smith.

Blue Birds on the float were Debra Adams, Linda Adams, Sandra Akin, Renee Anglin, Barbara Bowen, Linda Caddell, Jeannie Coker, Ariene Crow, Carolyn Gray, Nancy Jenkins, Cynthia Jones, Michelle Jones, Sherma McCoy, Becky Melton, Cassandra Reeder, Susan Rowden, Emilea Smith, Becky West, Debra Williams, Gail Taylor and Rhonda Bracken.

Refreshments of coke and popcorn balls were served to members and their guests.

The next meeting will be on Nov. 6 at the Legion Hall.

**Worship, missions  
theme of meeting**

"In our worship we should turn to God more . . . We have a triangle drawn with God at the top . . . We look to God through ourselves and we teach others about Christ through our worship . . ."

This was the heart of the Royal Service program entitled "Worship and the Missionary Task," presented to members of the Helen Nixon Circle during their Tuesday meeting at First Baptist Church here.

Those participating in the program were Mrs. Lyndall Burleson, circle chairman, Mrs. Don Workman, Mrs. Earl Polvado and Mrs. A. R. (Pete) Lindsey.

Other members present were Mesdames W. A. Woods, C. H. Jorden, David Rozell, E. R. Fincher, O. R. Darland, Alton Burleson, and Melvin Yarbrough.

The Circle will hear another Royal Service program at their next meeting Nov. 3 at the church.

**Architecture was  
theme at meeting**

Our Heritage in Architecture was the title of the program presented by Mrs. George Hargrove during the Thursday meeting of Y-M Study Club.

Mrs. Jerry Winder hosted the meeting in her home. Mrs. Culen Dansby presided.

By using an opaque projector, Mrs. Hargrove showed slides of Early American homes and contemporary homes which have borrowed from early design.

Following the program, the group heard recordings by the Morton High School Chorus. Refreshments were served to two guests, Mrs. Neal Brown and Mrs. Charles Taylor and members.

**Ten students named to MHS Honor Roll**

Ten Morton High School students made the Gilt Edge Honor roll during the first six weeks.

To make the Gilt Edge list, a student must have made no grade lower than an "A" in both subject matter and conduct.

On the list are Betsy Crowder, Mike Egger, Ronald Smart, Mary St. Clair, Joey Newsom, Larry Seigler, Willard Ware, John St. Clair, Lavoy Thompson and Carolyn Jones.

The ten students represent four per cent of the student body.

Seventy-three students were named to the Honor roll at the school for the first six weeks. To qualify for that list, a student must make nothing lower than "B minus" for the six weeks in both subject and conduct.

Twenty-four seniors (37 per cent of the class); 16 juniors (29 per cent) 13 sophomores (15 per cent) and 20 freshmen (18 per cent) are on the list.

In addition to the honor roll, principal Bill Matthews said attendance figures also were high during the period.

Attendance:  
Senior boys, 98.67; senior girls, 98.67; junior boys, 97.33; junior girls, 96.56; sophomore boys, 97.97; sophomore girls, 96.46; freshman boys, 97.87 and freshman girls, 96.53.

In a letter to students, Matthews said:  
"Good attendance in school is perhaps the best indication of a student body's genuine desire to obtain an education and build the best high school in the state."  
"I am proud of the first six weeks average daily attendance. "Keep up the good work."

The honor roll:  
**Seniors**  
Gaylene Weed, Pam Reynolds, Donnie Dewbre, Waldonna Strother, Ernest Chesshir, Charles Ledbetter, Wanda Smith, Barbara Harvey, Mike Doss, Barbara Kennedy, Bennie Smith, Doug Corey, Pat Beseda, Judy Ware, Reva Walden, Carolyn Waters, Jane Luper, Doug Miller, Janice Winder, Darla Turney, Sherrill Griffith, Donna Parker, Peggy Ramsey and Linda Hawkins.

## Capacity crowd attends Homecoming activities

A huge Homecoming crowd turned out to participate in activities of ex-students here last weekend.

The football field was jammed to capacity — some 2,000 fans — to watch the Indians take on Post in the traditional Homecoming grid clash.

Some 250 exes attended a reception-business meeting following the game, in which Truman Doss was named president of the Ex-Students Association for the coming year.

spectators of all sizes as the parade unreel at 4 p.m. to get activities underway for the Friday affair.

Kickoff for the activities was a huge bonfire in the vacant lot adjacent to the old Malt Shop, sponsored by the Morton High School pep squad, at 7:30 p.m. Thursday.

Number of students and exes participated in the event.

A pep rally prior to the Friday parade saw Darla Turney, 17, crowned as pep squad sweetheart. At halftime ceremonies, royalty for the Homecoming were shown off before the proud students and ex-students.

Betsy Crowder, 17, daughter of Mr. and Mrs. John Crowder, was crowned Band Sweetheart by Mike Egger, president of MHS student council, and a member of the band.

Mary St. Clair, 17, daughter of Mr. and Mrs. James St. Clair, was crowned football queen by Bobby Dobson, one of the football captains.

Other band sweetheart nominees were Jane Luper and Linda Hawkins.

Football queen candidates were Gaylene Weed and Donna McMaster.

The only event marring Friday's activities was the 28-20 defeat of the Indians at the hands of Post.

Following the grid game, some 250 exes took part in the reception held in the school cafeteria.

E. L. (Snowball) Willis, 1964 president, conducted the business session and election.

In addition to Doss, other officers:

Christine Polvado, first vice president; Royce Hanna, second vice president; George Hargrove, third vice president, and Pat Hodge, secretary-treasurer.

Gifts were presented to students who came the longest distance to attend the event.

A tie saw gifts presented to Larry Grove from Eldon, Iowa, and Don Bladwin from Lomita, Calif.

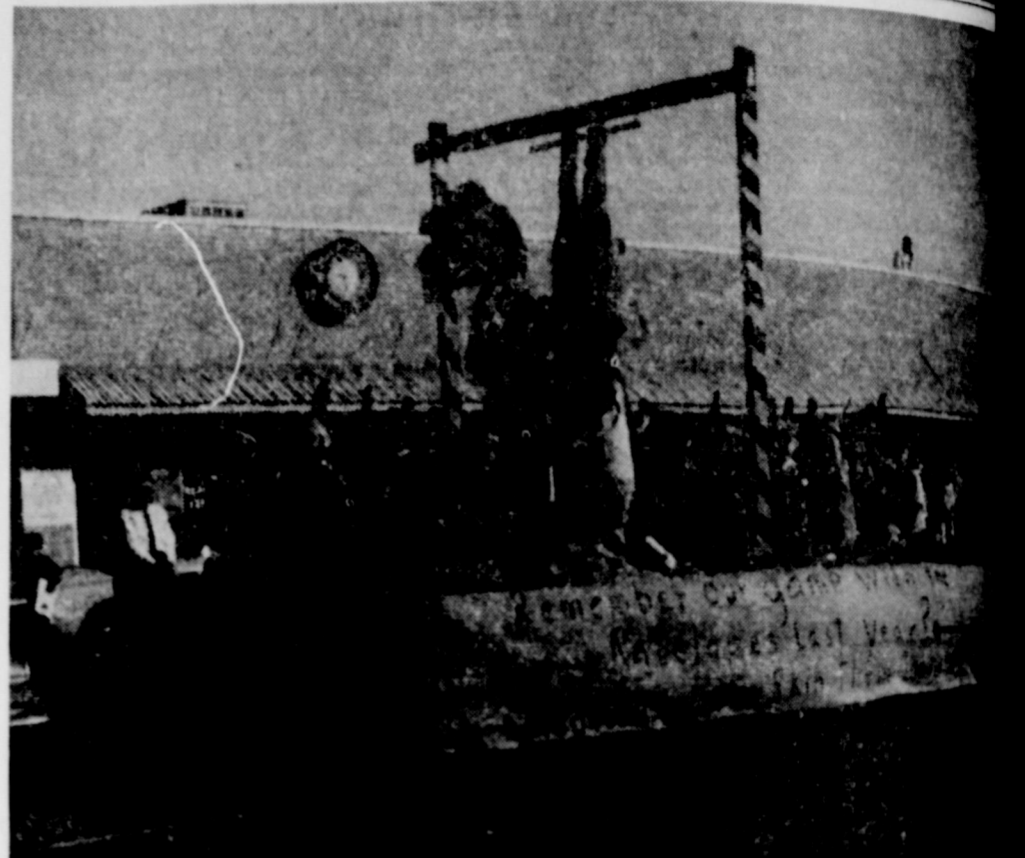

Also honored was Rupert McCasland of Morton, who taught in schools here back in 1924, before the county was organized.

Prizes were awarded to winners of the best floats in the parade.

First prize, \$25, went to the Bluebirds; second, \$15, went to the seniors and third, \$10, went to the juniors.

The earliest class represented at Homecoming was that of 1936.

In the wood gathering contest at the pep squad bonfire, the sophomore class won a \$5 prize for having the most combustibles there.

First Place float

THE BLUEBIRDS copped the \$25 first prize in the Homecoming Parade as the best float in the procession. The little girls, dressed as

Indians, rode along the parade route, shouting pep rally yells and building spirit. Their float theme was "Skin the Antelopes." TRIBUNE Photo

By ALTON TAYLOR  
Soil conservationist

Soil improvement is a two point program.

The points are organic materials and nitrogen and can take many different forms.

There are legumes that will produce the organic materials and being a legume, have the nitrogen fixation ability to produce nitrogen also. This method of soil improvement is limited in its use because a cash crop normally will not be realized from it; the most common soil improvement used in today's agriculture is organic material produced from a cash crop of grain sorghum or other small grain, and the application of commercial nitrogen.

In this method a cash crop is realized at the same time as the soil is improved.

Another source of organic material in this area is cotton burrs. Here again, a commercial form of nitrogen must be purchased in order to have the two points required in the soil improvement program.

There is a normal ratio requirement of about 10 pounds of nitrogen to about one thousand pounds of organic material.

Irrigated and dryland have different soil improvement requirements and individual soils have individual requirements based on their natural fertility holding ability.

The personnel of the Soil Conservation Service are assisting the farmers of this area in arriving at the needs of individual soils on their farms and the best method to accomplish the two point system of soil improvement.

Soil improvement today makes for stable agriculture tomorrow.

## Rain totaling only .24 of an inch is received in area

Although many who visited Lubbock for the Tech-SMU football game last Saturday would have sworn the South Plains was either washed or hailed away, Cochran County got little of the moisture.

According to official records in the Soil Conservation service office, Cochran County received .24 of an inch of rain Saturday.

Low temperatures have stayed 40 or above for the week of Oct. 21-27, and maximum readings reached a high of 81.

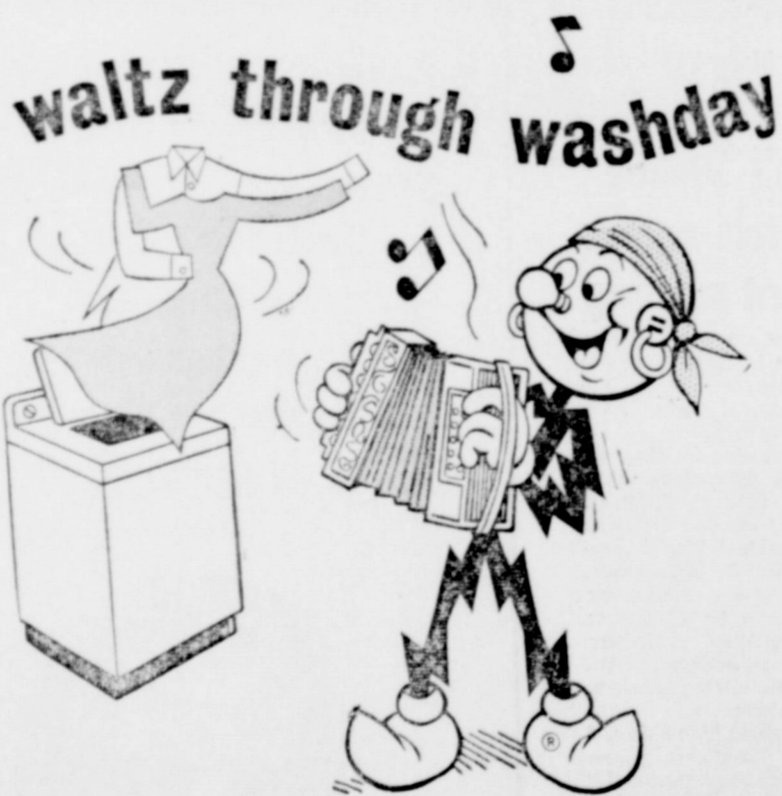

A day by day report of temperature extremes:

Oct. 21 — 81 and 43  
Oct. 22 — 80 and 40  
Oct. 23 — 70 and 40  
Oct. 24 — 75 and 49  
Oct. 25 — 68 and 40  
Oct. 26 — 77 and 41  
Oct. 27 — 81 and 41

Mr. and Mrs. T. D. Marshall returned Saturday, Oct. 17 from a week's vacation in southern Texas. In San Antonio, they visited a son and family, the W. D. Marshalls. They also visited another son, William Worth and family in Lubbock.

Mr. and Mrs. T. E. Carter of Daingerfield, were guests in the home of Mr. and Mrs. George Hargrove during the past week. The Carter's are Mrs. Hargrove's parents.

The insert concerning Barry Goldwater in this issue of Morton Tribune is paid political advertising by Republican Party of Cochran County, Lloyd Miller, chairman.
