Waggoner Carr gets lifetime membership

Tommy Lynch is Morton's outstanding citizen of 1964. Lynch, also incoming 1965 president, was presented the trophy during the third annual banquet Thursday by Neal Rose, chairman of the selection committee. Waggoner Carr, attorney general of Texas, was main speaker at the banquet, one of the highlights of the year for the area.

Lynch, in addition to being outstanding citizen and incoming president, also received a Presidential Award for significant contribution to the chamber during the year. Lynch also received a Presidential Award for service "above and beyond the call of duty" from President Gene Snyder.

John Haggard, an incoming director, also received a Presidential Award for significant contribution to the chamber during the year. The banquet, in the school cafeteria and catered by the High School and Junior High choral boosters club, was attended by 181 persons, including members of the Morton Area Chamber of Commerce and visitors from other chambers.

Representatives were present from Levelland, Brownfield, Littlefield, Muleshoe, Friona, Lubbock, Maple and Denver City.

Special guests were Jesse George, state representative-elect from this district, Wadonna Strother, Cochran County Junior Maid

of Cotton, and Carr's parents from Lubbock.

Carr, in his address, spoke of the new era and some of the changes taking place across Texas.

Following his address, Carr was presented a plaque naming him a life member in the Morton Area Chamber of Commerce by President Snyder.

T. E. (Tommy) Lynch, Morton's outstanding citizen of 1964, is a man of many and varied interests and talents.

A farmer most of his life, Lynch came to the Morton area in 1937 from Cordell, Okla.

"I've farmed all of my life except one year — 1947 — when the doctor advised us to leave because our son, Thomas, had asthma," Lynch said.

The family returned to Morton

Cotton harvest now underway

The hard freeze long awaited, came. The freeze and the dry weather, the cotton harvest began to gain momentum with a pretty day which came out

According to figures in the Soil Conservation Office, kept by R. H. Lighten, the freeze came last Friday, when a 20 was recorded.

Then, the nights became milder and the days stayed warm, the weather was trying to help the farmer and make up

for the days of miserable climate. Each night the temperature has been below freezing, dipping to a low of 24 degrees last Friday.

According to figures released Wednesday by the Texas Employment Commission, some 3,300 bales of cotton have now been ginned. They list the crop condition as good and about 85 per cent open.

TEC continues to estimate some 60,000 bales will be ginned here.

South Plains Cotton Growers, Inc., estimates some 75,000 bales, and County Agent Homer Thompson makes a guess of 66,500 bales.

"We've had the freeze and are now just waiting for the land and cotton to dry out," Thompson said.

"I expect the harvesting will pick up now.

"With pretty weather for the next three weeks most of the cot-

ton should be pulled, but not ginned. Some of it will be stacked up in the fields or around the gins," he added.

He noted the harvest should be complete — with good luck — by Christmas.

According to Houghton's figures,

the weather has been like this:

Nov. 18 — 43 33 06
Nov. 19 — 44 29
Nov. 20 — 59 24
Nov. 21 — 35 25
Nov. 22 — 50 25
Nov. 23 — 63 28

Toys for tots drive is scheduled by Alliance

Needy families in Morton enjoy a happy Christmas this year because of the Community Toy Fund, sponsored by the Alliance.

Each year toys, food and money are collected by the Ministerial Alliance, boxes are made up and distributed among needy families, said the Rev. Fred Thomas, fund chairman and pastor of First Baptist Church.

This is a community project, he said. The Lions Club and many study clubs lend their aid. All the churches participate, as well as merchants. Many people make private donations.

The special offering which was taken at the Thanksgiving service goes to the needy.

A can of food is the price of admission to the cartoon show for children which will be held at the local theatre. This too, goes into boxes for the needy.

Anyone wishing to contribute toys, may bring them to the First Baptist Church, he said. They must

F. J. Silhan home burglarized, some \$2,000 is taken

The F. J. Silhan home at 505 E. Hayes was burglarized Thursday afternoon, Nov. 12, Mrs. Silhan said this week.

Stolen was a diamond ring valued at \$700, a coin collection valued at approximately \$200. The burglary occurred between 3:30 and 4:15 p.m. while Mrs. Silhan was out with her campfire group, she said.

No charges have been made.

In thankful prayer

THE LEONARD GROVE family photographically symbolizes the many Americans who will get on their knees today to thank God for the many and bountiful blessings we have. This

Thanksgiving time, a time of prayer and dedication, reminds us of all we have, but more important, all we can do to make others thankful.

New fire apparatus discussed by city council at meeting

City councilmen discussed new fire fighting apparatus as well as routine matters of business during an accelerated hour and a half meeting Monday.

Councilman Tom Rowden was authorized by the council to inspect neighboring cities' fire trucks and report back. The council agreed to pay expenses.

The discussion arose when Rowden noted that the fire department needs a new country fire truck in as much as the present vehicle has been damaged by fighting out-of-town fires, and is not equipped to fight many of the out-of-town fires.

New headquarters to be occupied by Morton area CofC

The Morton AREA Chamber of Commerce will chance its headquarters site as of the first of the year, directors of the organization said Monday.

The new office will be in a building, now under construction near the Masonic Temple on the southwest corner of the square.

The building is being built by John Haggard and Fred Payne. "Our overhead is to increase as of Jan. 1 and we decided to make the move," Johnny Johnson, manager said.

"We feel that we are going to have to draw up our belt and be more conservative with our spending. We can save money this way and put it on more vital programs," he added.

Johnson said the move will be made when the building is completed, expected by mid-December.

Accident in county hurts four persons, demolishes cars

Four persons were injured in a two car collision about 11:50 p.m. Friday on Hwy. 116 about a mile east of Alamo Gin.

One of those injured was a Morton girl, Glenda Black, 16. The others were from Lubbock and Levelland.

Miss Black was listed in critical condition in Methodist Hospital of Lubbock for a time, but has improved.

More entries are slated for parade

More entries are noted as plans for the annual Christmas Parade move along.

Mrs. John Haggard, co-chairman of the Morton Area Chamber of Commerce parade committee, said three additional entries this week bring to seven the number of units entered.

Stockdale School, KRAN radio and cars bearing the mayor, city council and county judge have been put on the list of participants.

Other floats entered are the Girl Auxiliary of First Baptist Church, sponsored by Morton Drug; Le Fleur Garden Club, sponsored by the Tribune, and Cochran County Garden Club, sponsored by the Doss Thiftway.

Morton Lions to play Whiteface in cage contest

Scouts from the Boston Celtics, St. Louis Hawks, and Los Angeles Lakers, the top professional teams in the National Basketball Association, are almost certain to converge on Whiteface Monday, as the Lions Club of Whiteface attempts to stave off the challenge of the Morton Lions Club in what will undoubtedly be the cage contest of the year in West Texas.

Game (?) time is 7:30 p.m. in the Whiteface High School gymnasium.

Grandfathers and grandsons, all members of the two Lions Clubs, will see action in the contest, with fat Lions, skinny Lions, short Lions, tall Lions, and medium-sized Lions all getting into the act.

The coaches of the opposing squads, although working their

Morton's Indians broke even in their season opening basketball games, dropping one and winning one.

Monday, they solidly defeated the Plains Cowboys, 60-44 on the solid shooting of Charles Ledbetter who sunk 35 points.

Tuesday, they almost beat the Levelland Lobos, but dropped that game by a 60-51 mark.

Against Plains, Ledbetter was the top shooter, hitting 11 out of 20 field goal tries in enroute to the 35 point total.

The Indians also hit 75 per cent on the free throws.

Ernest Chesshir also came in for his share of the glory, scoring a respectable 16 points on seven field goals and two free throws.

Ledbetter scored his on 12 field goals and 11 free throws.

Ledbetter and Chesshir both fouled out in the second half.

Chesshir hit eight of 13 field goal tries.

Jimmy Joyce, the other returning starter, didn't fare so well, he hit only one of seven tries from the floor. He scored five points on the one field goal and three free throws.

Playing in the Plains match were Ledbetter, Chesshir, Joyce, Marlin Rose, Larry Embry, Danny Culpepper and Freddie Thomas.

Thomas had a hundred per cent success on his field goal tries. He only tried once and made it.

Team shooting hit about 40 per cent. Some 48 shots were made and 21 tallies were noted.

In rebounding, Chesshir was the big gun, snatching eight of the 24 snared by the Indians.

Ledbetter got six, Joyce, five, Rose, one, Culpepper, two and Thomas two.

Against Levelland, the Indians didn't fare so well, though they hit 42 per cent of their field goal tries.

Chesshir and Ledbetter tied up for high point men, with Chesshir hitting 22 and Ledbetter 21.

On free throws, the Indians hit 50 per cent, while Levelland got only 35 per cent.

Joyce, Rose, Embry and Donnie Dewbre each added two points and that was the scoring for the Indians.

The Lobos took an early lead, and try as they might, the Indians never overcame it, though at the half they were only eight points down at 37-29.

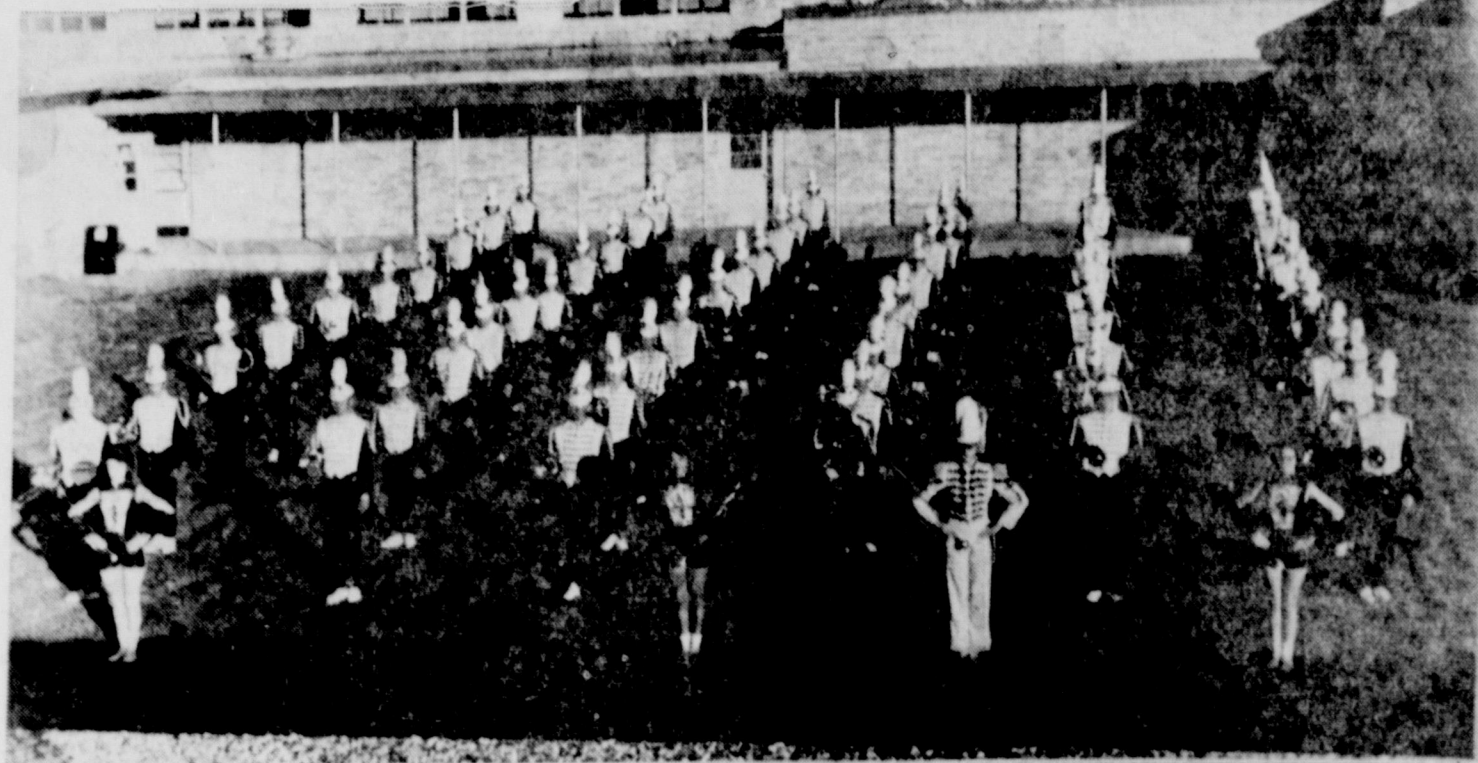

For the Lobos, the big man was Henry Willis, who shot 24 points.

For the cowboys, high point man was Dan Smith with nine.

Former Morton residents who attended the funeral of Truett McCuiston were Mrs. Ollie Robinson, Tommy and Linda of Norman, Okla. Mrs. Robinson is the widow of a former pastor of First Baptist Church. Others were the Rev. and Mrs. W. C. Wright of Lamesa, also former pastor; Mr. and Mrs. Homer Whitwell of Lubbock and Mr. and Mrs. Vernie Towns of Muleshoe.

Visiting in the home of Mr. and Mrs. E. O. Willingham over the weekend were their daughter and her husband, Mr. and Mrs. Bill Hanson of Midland.

John Stockdale and a friend from Lubbock spent Friday night and Saturday attending a music festival at Odessa.

News from Morton High School

By MIKE EGGER

Six week's tests for the second six week's period were given last week at Morton High School. The tests were scheduled over a three day period so that a student would not have more than two tests to study for each day. The tests scores usually account for 1/3 or 1/4 of the six weeks grade.

The trigonometry class of Morton High School has received new college algebra books: COLLEGE ALGEBRA by E. Richard Heineman, Professor of Mathematics, Texas Technological College. A special vote of gratitude is to be extended to Charles Bowen, Morton Schools counselor, who supported this another step in the improvement of MHS and is curriculum offering to students.

The MHS band is selling holiday fruit cakes again. Tuesday night the band members made a blanket covering of the city. Another sales campaign will be conducted before the Christmas holidays. These are the same brand sold last year, and anyone who purchased one last year can testify to their quality.

The seniors of MHS finally received their portraits Monday. A few lucky people got theirs earlier, but the bulk had to wait it out until the 23rd.

The MSH Band traveled to Lubbock Tuesday to participate in the Region I University Interscholastic League Marching Contest. The band went over Tuesday morning, ate dinner at Furr's Cafeteria, changed into marching uniform, and watched a few bands march before its performance. Led by

Jeanetta Rowden, drum major, the band received a Division I Rating.

Friday morning the Graduation invitations were ordered by MHS seniors. Some 4,500 to 5,000 invitations were ordered by this year's graduating class.

Report cards were received by MHS students early this six weeks. Teachers gave them Monday and Tuesday instead of the usual Wednesday so the cards could be returned by Wednesday and students wouldn't have to keep up with them during the long Thanksgiving weekend.

Seniors of MHS finally got their rings. Tuesday during the activity period, Principal Bill Matthews distributed some 60 plus rings to the seniors. The band members who are seniors were able to pick up theirs before school Tuesday morning and wore the shiny new rings to the marching contest.

A large number of Morton High School English Students attended the Wayland College production of "Julius Caesar", one of Shakespeare's greatest plays. The play was in participation in the quadricentennial celebration of the birth of William Shakespeare. Two Morton Public School buses were taken. Sponsors and bus drivers were Mr. and Mrs. Elvia Fleming, Mrs. Allan Williams, and Mr. O. A. Graves.

Slumber party is held by Haggards

A slumber party was given Friday night by Miss Anne Haggard in her home at 806 SW 6th.

She is the 13 year-old daughter of Mr. and Mrs. John Haggard.

The girls spent the night in usual teenage fashion, eating, giggling, talking. Only four slept. Mrs. Haggard is recuperating. All enjoyed the party.

Those attending were Misses Sharon Irwin, Carol Freeland, Rita Fred, Melba Townsend, Rita Monroe, Karen Holloman, Patsy Collins, Rayla Griffith, Treva Kelly, Karen Rozell, Janella Nebhut, Helen Lynch, Lana Smith, Sandy Sheard, Rheda Brown, Teresa Mullinax, Sue Shriggley, Charlotte Masten, Jeannie McMinn, and the hostess Anne Haggard.

Homer Thompson spent Saturday and Sunday in Lubbock with his wife and son and wife Mr. and Mrs. Bill Thompson and their two children.

Bill Wood and brother-in-law, Bob Masten of Sudan, have been on a business trip through South and West Texas and New Mexico during the past week.

Silver Anniversary is celebrated by Kerns

Mr. and Mrs. Hadley Kern, Route 2, celebrated their 25th Wedding Anniversary with open house Sunday, Nov. 22.

The event was hosted by their daughter and son-in-law Mr. and Mrs. Rodney Fralin, in their home at 207 Garfield. Assisting as host and hostess were son and daughter-in-law, Mr. and Mrs. Loy Kern.

Forty guests signed the anniversary book.

Presiding over the crystal punch-bowl and silver service were Mrs. Loy Kern and Mrs. Rodney Fralin.

A centerpiece of white snapdragons contained a center plaque with the numeral 25. The sheet cake was decorated with white and silver. The table was laid with a white lace cloth.

Mrs. Kern wore a corsage of white carnations with a silver bow. Kern married the former Miss Julia Ball Nov. 26, 1939, at Brownfield. They came to Morton 22 years ago in April, 1942. Mrs. Kern was born in Mississippi, Kern in Oklahoma, but both spent much of their lives in Brownfield, Kern

Mrs. Elizabeth Gooley and daughter, Willie from Toronto, Ont., Canada, are visiting with her brother H. T. Clarke. Mrs. Gooley and daughter recently completed a tour of Europe before coming to Texas.

Mr. and Mrs. G. G. Nesbitt are leaving Friday night for Mora, N. M., near Taos. They will return Sunday.

The Morton menior said, "Our bunch just goofed off last year and let that Whiteface outfit walk away with the ball game, but I'll tell you one thing: that's not going to happen again this year. In his address, Carr told the audience that the population of Cochran County was less than 100 until the discovery of oil and the development of irrigation during the 1930s. "Today it is close to 7,000. In 1930, Texas had a population of less than 6,000,000 persons, today it is almost 11-million." "It is difficult to fully grasp the changes which are occurring. We accept the fact that we will shortly land a man on the moon, yet, too often we fail to understand the full impact of this feat upon our daily lives." The attorney general noted that many of the changes taking place will move us from one major speech of human history to another. Such are the changes, he said, that computers can produce in a 60 seconds of time what a human being can produce in a year of eight hour working days. "And the operating speeds of these computers are measured in what scientists call 'nanosecond' seconds. I asked a friend of mine at the University of Texas to demonstrate the length of time involved. It couldn't be shown, he explained, for a nano second is to a second as a second is to 30 years." He pointed out that many of today's jobs were not even present when a young person graduating from college today was born. "Scientists tell us that in the last half of this century, we will witness a technological revolution in our way of life that will make the standards of today seem primitive by comparison," the attorney general said. "Ours is a great and good land... we are the most fortunate people on the face of the earth... and our task now is to insure that our children and our children's children are blessed with the same bountiful goodness and freedom that was given to us. "Let us never forget that work... which built everything we have... can build everything we want," he concluded. George Boring, past president of the chamber, was master of cere-

What a Mess!

Sometimes the desire to run out the door and chuck it all is overpowering when we are confronted with the mess of an after-dinner table!

Sometimes, insight lets us see that our lives are quite a mess too. In fact, things seem such a jumble, that our reaction to this truth, if acknowledged, is, "What's the use?"

Well, of course, the only thing to do with the dishes is to take them to the sink, put them in hot water, and wash them with a good cleansing agent until they shine.

Less obvious, perhaps, is what to do with a messed-up life. We invite you to seek an answer in church this week. You are sure to find there the Power who will help you with your problems, a power who cares immeasurably for your soul.

"Casting all your care upon him, for he careth for you." I Peter 5:7

"And the crooked shall be made straight, and the rough places plain." Isaiah 40:4b.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Memo from Minnie's ..

Our Pilgrim Forefathers conceived Thanksgiving as a day to stop and take stock of all the good things in life. They had, as we do today, a constant threat of upheaval. They too were beset by problems—economic, political—big and small—but they found time, one each year, to thank God and thank each other for all the good things they enjoyed.

We are thankful for the opportunity we have of being a part of a thriving community and for you, our friends and customers, whom we are privileged to serve. We pledge our continued efforts to be worthy of your patronage.

Sears gilt plan results reviewed

The five Sears gilts for 1964 were received by the following 4-H boys: Ronnie Bell, Kenny Coats, Rolly Dewbre, Larry Hale, and Kim Coats. Keith Coats received the boar. The gilts cost about \$50.00 each. Four of them were purchased from Monte Griffin, Lamesa, and one was bred by Monte Dewbre.

The boar was purchased from Monte Griffin, Lamesa, who is a breeder of Hampshire and Duroc pigs. The price paid for the boar was \$90.00. Sears paid \$40.00 of the purchase price — cost the member an extra \$50.00.

The boar was purchased to service the Sears gilts. Griffin has furnished the boys with the services of one extra boar so all the gilts could be serviced on time.

Curtis Sealey is furnishing the feed, care and a home for the gilts the boar through this period. These are the finest and best pigs we have had in Cochran County," Homer E. Thompson, County agent, said.

Dr. Dixon Hubbard, the Area Livestock Specialist, has given free his time for the Sears gilt boys and leaders in Cochran County.

To be successful every man is duty-bound to keep his train of thought in constant repair.

Freshman cagers beat two games

Morton's freshman cagers dropped their two opening games Monday and Tuesday.
Monday they lost 49 to 19 to the Plains "B" squad.
Tuesday, the Levelland freshmen handed them another defeat, this time not so badly, only 36-42.
In the Plains clash, Donnie Ray Harvey was leading scorer for the Morton crew, bucketing six shots.
For Plains, high scorer was Ricky Elmore who pushed 15 points through.
Starters for Morton in both contests were Danny McCoy, Willie Moore, Charles Carter, Ricky Monroe and Daryl Srygley.
Against Levelland, Moore shone, hooping 15 points. He was followed by McCoy and Carter with 10 apiece.
For Levelland, Ronnie Fite made 14 points and Max Thomas, 11.

Bledsoe 4-Hers hear presentation on game preserve

On Nov. 18, 1964, 78 people, mostly 4-H members, attended the meeting on Wildlife held in the auditorium at the Bledsoe School. President Benny Rails called the meeting to order and gave the inspiration.
Mel Evans, Game Conservationist Manager of the Muleshoe Wildlife Refuge in Bailey County, held a discussion on game animals in general over the nation. Their habits and habitats and how we can preserve our wild life before many species mentioned may become extinct.
Evans showed the group color slides depicting the big game, small game and birds in their natural life requirements for different birds and animals to afford the kind of habitat needed.
He showed slides of predator animals — coyotes, foxes, prairie dogs, rats and hawks to show how they perform for benefit of many by improving soil and how they keep insect number down.
The 4-H members posed several good questions on the wildlife subject following the showing of the slides. Conservation of our game animals and how to preserve them was the theme of Evans' discussion.
Homer E. Thompson, county agent, presented achievement awards to eligible members of the club who were unable to attend the annual achievement banquet held Nov. 12.
Jennie Allen, home demonstration agent, received the names of all 4-H members interested in taking photography projects.
The next meeting will be held on Rifle Safety, in December.

Answers given to DDD questions

(Ed. Note — In this last article of a three-part series on Direct Distance Dialing, we have asked Rex Bailey, Brownfield district manager for General Telephone Co., to answer some of the most popular questions on the subject.)

Q. What kind of calls will the DDD equipment handle?
A. You may only place station-to-station calls using Direct Distance Dialing. In other words, you want to speak to the person who answers and you want it billed to the phone from which you dial. Other special long distance calls, such as person-to-person, collect, credit card and calls from pay telephones will still be handled by the regular long distance operator.

Q. Will DDD cost more?
A. No. As a matter of fact, since the more economical station-to-station rates apply to DDD calls, it should result in a saving to the customer.

Q. How do I know whether the town I wish to call may be dialable by DDD?
A. A city or area must be properly equipped to receive DDD calls, and while some 50 million are, others are not. To become a part of the nation-wide DDD network, an area or city must have phone numbers consisting of seven units or dial pulls (either 2 letters and five numbers or seven numbers).

Many dialable cities will be listed in the 1964 telephone directory. If the place you wish to call is not listed, you may determine if it is dialable by calling the long distance operator, who will place the call for you if the area is not dialable.
Q. What if I should reach a wrong number?
A. Disconnect as soon as possible, call the long distance operator immediately and report the details of the call. She will take steps to see that you are not charged for the call. And, along these lines, you should dial some distant point and get no answer or a busy signal, treat the call just as you would a local call — hang up and try again later.
Q. Suppose I want the time and charges on a call?
A. Since it will not be possible to obtain the time and charges on DDD calls, you should place your call through the long distance operator if you need this information. Also, requests for time and charges must be made at the time the call is placed.

Q. What if I have trouble getting my DDD call through?
A. Normally, a properly-dialed DDD call will go through to its destination speedily and without trouble of any kind. In case of difficulties encountered, however, remember that a helpful operator is always handy to assist in getting your call through. So, if you have trouble, just dial "0" (zero) and tell the long distance operator about it.

Stockdale School children present play to patients

A pantomime skit depicting the first Thanksgiving of the Pilgrims was presented by children of the Stockdale School at Roberts Memorial Home Wednesday morning.
Dressed in Indian headaddresses and pilgrim caps that each child had made, they sang a dozen songs. Each one recited a four line Thanksgiving poem. Mrs. J. Jenkins accompanied them at the piano.
Mrs. Lee Sullivan baked a Thanksgiving cake for the school. The children elected to take the cake to the Roberts Home and share it with the patients there.
Children participating in the program were Susan Cadenhead, Vickie Hill, Sandra Sullivan, Donna Lynskey, Teresa Crow, Karen Clark, Rayma Hall, Jayna Jenkins, Kathy Cook, Phillip Clayton, Dee Buckner Jr., Toby Jerden, Darrell Sharp, Douglas Vanstony, Grady Bryan, Zeb Payne and Mark Roberts.
They were accompanied by a group of mothers.

By COLEEN MARTIN
Listeners thrill and live vicari-
ously when Mrs. Roy Hickman, a
masterful story teller and youth-
ful pioneer relates her experiences
of by-gone days on the South
Plains.

One can almost feel the icy grip
of an outlaw blizzard, the excite-
ment of a rodeo crowd, the heat
of branding irons during round-
ups, hear the bawl of cattle, the
shouts of cowboys, smell the dust
of the dust-bowl days.

And, yet, she insists she just
lived an ordinary, everyday life.
Born at Delia, near Waco, Cric-
kett — as Mrs. Hickman is better
known — was four years old when
her family settled near Lubbock.

It was there she learned to ride
horseback, she said.
"Dad bought a little Spanish
pony and saddle for me. When he
rode pastures he would tie a rope
to my horse's neck and secure it
to his saddle horn, so she could
not get away from either of us.

"Once Morton J. Smith, founder
of Morton, came to our place in a
buggy," she recalled. "I really
thrilled because I was allowed to
ride with him and my father as
they rode out to look over the
pastures."

"Smith was wanting to bring my
father to Cochran County to buy
land. Instead Dad bought land in
Castro County where I started to
school.

"I rode horseback seven miles
for eight years through snow, rain,
sunshine and blizzards — and we
did have blizzards and ice storms
in those days.

"I could all but write a book on
'School Days, Horseback', for
thereby hang some funny, scary
and dangerous tales.

She also attended Oklahoma
University and West Texas State
University at Canyon. During the
summer, she worked in the post
office at Dimmitt. After college,
she served as a fulltime assist-
ant postmistress several years
prior to moving to Morton in 1936.

"Since then," she said, "I could
write 'Early Days in Cochran as a
County Agents Wife.' Her hus-
band served in this position 11
years.

"Those were trying, but fun
days, sandstorms, the coal oil
stove days, rodeos, wars, depres-
sions and all.

"I went with Hickman a great
deal. I bounced all over this coun-
ty to help measure land — or to
watch him doctor sick animals.
We bought land, a part of which
is the country club today.

"It had to be grubbed and the
grubs had to be picked up. So old
Crickett goes out with trailer and
car, colored boys and Spanish
boys. We got the job done — de-
spite rattlesnakes, grass burrs,
wind and dirt.

"We made our fun or we didn't
have any. I always had fun.
"We made all the brandings
those days, rodeos too. Everyone
had to help everyone else, so
brandings were county wide
events.

"I helped cook and wash dishes
or what ever — even to helping
round up the cattle.

"One of the first dances we at-
tended was on the Ellington ranch
in a little one room school house
located in the corner of the yard.

"Before morning the wash tub
of coffee was more like syrup. It
had stewed all night with different
ones adding lots of coffee and lit-
tle water.

"One by one, children with sleep
laden eyes would give up and be
bedded down all over the place."

Mrs. Hickman once rode in ro-
deos here, and it is believed that
she was the first "Miss Morton"
and the first to ride in the Grand
Entry at Levelland.

"This was one of my biggest
thrills when Sheriff Tom Stand-
er asked me," she said.

"I joined every club and organi-
zation that came along. Miss Hoc-
kett was home demonstration
agent. She asked me to attend
all her meetings, so I met people
in a hurry that way." Mrs. Hic-
kman is a member of the Methodist
Church.

"I stood and watched the old
Methodist Church burn in 1943 —
with tears streaming and wonder-
ing if we were so far out that
God couldn't find us.

"I grew up loving horses and to
dance. I wanted to play basketball
but was always so small they
only let me play if someone got
hurt or the game was in the bag
for a win.

Skilled with her hands, Mrs.
Hickman once did much fancy
work, especially cut work. Now
she just likes needle point. She
occasionally dabbles in oils and
water colors. She says she may
just be another Grandma Moses—
yet! She also collects poems and
clever sayings.

Among her collected treasures
are a few antiques of which she
is very proud. A plate is 105 years
old, a dining room suite which has
been modernized has been in the

MRS. ROY HICKMAN

family many years, also she has
a desk and wash stand.
Active in Red Cross work, Mrs.
Hickman has helped with many
polio and cancer crusades.

"I try to visit the sick and
elderly often. I cherish my
friends," she said.

In the past she kept books at
Doss Thriftway and International
Implement. She also worked at the
local post office prior to 1954. The
Hickmans now have farms.

A son, Dub Parks, was killed in
an automobile wreck in Aug. 1954.
It is in his memory the new Dub
Parks Memorial Arena at Lubbock
is named. Each year the Texas
Tech Rodeo Association of which
he once was president, give an
award to the member who has
contributed the most for the ben-
efit of the Club.

Another son, Roy Don Hickman,
is studying for his doctorate at
Aimes University in Iowa. He is
married and has two children.

Though no longer active in things
such as rodeos, riding, round-ups,
cattle branding or cooking on the
open range, Mrs. Hickman con-
tinues to set a pace difficult to
match.

But if one can get her to pause
long enough from her busy rou-
tine, she and a few others around
Morton can recount a tale more
exciting than anything ever set
forth on a motion picture screen.

"I'm glad I passed this way,"
she said, "but, thanks, I wouldn't
care to live the good old dust bowl-
depression days over again."

Our many blessings are theme of T&C study club

A program revolving around the theme, 'Our Many Blessings Enhance our Love,' was introduced by Mrs. Charles Bowen when the Town and Country Study Club met Wednesday.

Hostess and co-hostess were Mrs. LeRoy Johnson and Mrs. J. D. Glass.

A survey of conveniences club members appreciate most was taken by Mrs. Eugene Bedwell. Heading the list was the washing machine.

Modern surgical advances was discussed by Mrs. Glass. She told of the advances made in restoring vital organs of the human body.

Of the newest, doctors and engineers are working together through research in perfecting machines and artificial organs, she said.

A personal experience was related about Mrs. Glass' grandfather who was a doctor many years ago.

Mrs. A. A. Fralin pointed out in her report of the latest wonder drugs that many of the wonder drugs on the market now have been developed in the past 25 years. There are around 65, she said.

The business meeting was presided over by Mrs. Connie Gray. New members accepted were Mrs. H. E. Hovey and Mrs. Jerry Daniels. Plans were presented for the Old Fashioned Christmas for Senior Citizens on Dec. 16.

The Club voted to enter a float in the Christmas Parade. A committee was appointed to make plans for the float.

Notes of thanks from all members and the Special Education teachers were passed around for members to read.

Americanism was discussed by Mrs. Johnson. All members should display the American flag on three occasions during the year, she said, Memorial Day in May, Flag Day in June and Independence Day in July.

Mr. and Mrs. Arvel McClure of Whiteface were weekend visitors in the home of his parents, Mr. and Mrs. L. W. McClure at Wellington. Other visitors were his sister, Mr. and Mrs. Rudolph Miller and daughter of Wichita Falls and friends, Mr. and Mrs. John Morley and children also of Wichita Falls.

Eagles take on Guthrie today Dobson has scoring edge in district??

The Morton (Tex.) Tribune, Thursday, Nov. 26, 1964 Page 5a

THREE-WAY — The Three Way Eagles, undefeated victors of District 1-B, eight man football, will take on Guthrie, undefeated bi-district winners in the regional match today at 2 p.m. in Idalou.

The Eagles soundly defeated Idalou to win the championship of the district, drew a bye in bi-district competition.

The Guthrie team won their district without even breathing hard when they whipped Flower Grove, 20-0 in bi-district.

The regional competition marks the end of the season for both teams. Under the Interscholastic League rules, Class B teams do not participate in semi-finals and playoffs.

The Eagles, while having an undefeated season, do have one mar-

on their record — a tie with Sands, 28-28.

Eagle Coach Spud Aldridge noted that Flower Grove slipped by Sands, 19 to 15, to win the 3-B district, before bowing to Guthrie.

"I watched them play Flower Grove last Friday, and they look tough," Coach Aldridge said.

The coach said Guthrie starts seven seniors and a junior, compared to Three-way's three seniors, two juniors, two sophomores and a freshman.

"We had a little edge on most everybody else in speed, but they're just as fast as we are, if not a little more," he said.

He tagged Dennis Ratliff, 175-pound senior and Loyd Coppedge, 150 pound junior as the speedsters on the Guthrie team.

"Coppedge won the 100 yard dash in that district last year. He's a 10.3 sprinter," Aldridge said.

Ronnie Flowers, a 165 pound, 6-foot, 2-inch senior is quarterback and can run as well as pass the ball.

Aldridge named three ingredients the Guthrie team has which could make the difference — size, speed,

experience.

"They've average 45 points a game and their closest game was 34-20 when they beat Gordon City," he said.

"Our boys are in good shape and their spirits are high, but we've got to have that extra effort and the breaks to win."

"They (Guthrie) have us outmanned — not badly, but they have an edge in several departments," he said.

The Eagle backfield is Tommy

Dupler, a senior, Monte Toombs, a freshman and James Kindle, a sophomore quarterback.

Fronting will be Harold Carpenter, all-district center; Johnny Harris, J. L. Lemons, Marvin Long and Tommy Terrell.

Bobby Dobson, the Indian's hard rushing back, is either the top scorer or runner up in District 4-AA, depending on whose statistics you're going by.

The Avalanche-Journal lists him as the top scorer in this district, edging out Denver City's David Mitchell 88 to 84.

However, the figures kept by the Tribune at each of the Morton High School grid games, show Dobson only to have scored 82 points, being runner up in the district.

Anyway, it was a fine year for the Indians top runner, who racked up — according to our figures — 12 touchdowns and five conversions.

Enroute to the mark, he amassed some 778 yards on the ground in 150 carries to gain a 5.1 yard per carry mark, another fine accolade for the high schooler.

Dobson's record could have been better, had it not been for an injury received during the Muleshoe contest.

Dobson was hurt before the half in the contest and was out of the game, and lost for the entire Crosbyton game.

The Indian team probably had their best record in years, though placing third in the five man district.

The Indians dropped three games and won seven for a good season record.

The losses came to Olton in the season opener, 21-6; to Post, 28-20, and to Denver City, 36-8. The first game was non-conference but the others were district matches.

Victories this year came over and raced back with them for tales, 6-0; Dimmitt, 8-0; Abernathy, 36-14; Slaton, 22-14, and Frenship, 28-0.

During the season, the Indians were never shut out, but blanked opponents four times — Muleshoe, Portales, Dimmitt and Frenship.

Defense has been a strong point this year, edging the Indians good offense slightly.

The defensive unit has held the opponents to 1,574 yards rushing

while compiling 2,059 yards on the ground.

The pass defense has not been as good as the ground defense, though it has contributed to two wins here for the Indians.

The alertness of Kenny Palmer cost our opponents two games. Palmer snatched aeriels during the Muleshoe and Dimmitt clashes and raced back with them for the only tallies of both games.

Palmer intercepted a pass on the three and ran 97 yards during the Muleshoe contest to score, and again intercepted during the Dimmitt game, racing 55 yards to score.

The opposition has garnered 554 yards on the airways against the Indians while the Morton squad has only gained 174 yards.

Morton has completed 23 of 63 passes for a 27.3 average.

Opponents have completed 47 of 119 passes for a 27.7 average.

Key saves have been made, however, by the Indians. Notable among pass interceptions are Palmer's two, one by Joyce and another by Dobson.

In all, the Indians have stolen 11 passes while losing only seven to adept opposition defensesmen.

In the first downs realm, Morton has garnered 135 while giving up 122.

A slight edge also is noted for the Indians in the comparison of fumbles lost. The Morton boys have lost 10 bobbles and have snared 14 of the opposition's.

The educated toe of Charles Ledbetter has punted the ball 33 times, even with the 33 times by the opposition.

Ledbetter has averaged 37.4 yards per kick. When Ledbetter was injured, Palmer came in for some punting chores, but Ledbetter bore most of the job.

The Indians have been penalized 47 times, losing 383 yards through infractions. Opponents have been penalized 33 times, losing 328 yards.

As for total offense, the Indians have a slight edge over both the ground and air arms of opponents — having gained 2,233 yards total offense, opposed to 2,128 for opponents.

Of course, individual effort accolades go to Dobson, who has been a true star on both offense and defense this year.

Dobson's highest output has been against Abernathy when he racked up 127 yards on 22 carries. His lowest was the Muleshoe game, where he got hurt, when he picked up 28 yards on seven carries.

Following behind Dobson in scoring, though not closely is Palmer, who has totaled 32 points for the season on four touchdowns and four extra points.

Charles Ledbetter tails closely behind Palmer, having made 30 points on five touchdowns this season.

Ledbetter was injured during the Portales game and was out for four games — Dimmitt, Abernathy, Slaton and Portales.

John St. Clair, the sophomore quarterback who did a fine job of subbing for Ledbetter, scored one tally during his games.

Griffith, the hard running full-

back, scored one touchdown during the season for six points; Billy Laws made one tally for six, Jimmy Joyce caught a pass for a two point conversion as did Ernest Chesshir.

Top rusher was, of course, Dobson.

He gained 778 yards on 150 carries for a 5.1 average.

Griffith ranks next in yards gained rushing, having picked up 403 yards on 102 carries for an average of 3.9.

Palmer follows closely behind having picked up 380 yards on 50 carries for an average per carry of 7.6 yards.

Ledbetter picked up 247 yards on 60 carries for an average of 3.9.

St. Clair averaged 90 yards on 32 tries for an average of 2.8 yards per try.

Other ball carriers: Billy Laws, 97 yards on 31 carries for a 3.1 average; Jimmy Studdard, 28 yards on five carries; Timmy Petree, 21 yards on five carries; Jimmy Joyce, eight yards on two tries.

Sandy Wallace, four yards on one carry; Armando Sanchez, two yards on one carry, and Jimmy Tanner, zero yards on one carry.

Top defensesmen have been Ernest Chesshir, Griffith, Ronald Smart, Larry Smith, Kenny Palmer, Eddy Holloway and Joyce.

In the extra point division, Morton's squad has not done nearly so well as in other sections.

In 24 tries to convert, the Indians have hit only eleven times.

Five failures and no success have been tallied up when the Indians went to the air. Ledbetter has hit Palmer, Chesshir and Joyce for extra points.

On running attempts eight have succeeded and five have failed.

But, all in all, it's been a good year for the Indians and the fans alike.

Eight man district winners

THE MIGHTY Three-Way Eagles, who have gone through the regular season without a defeat and only one tie, thrashed Bula 32-0 to take 1-B eight man district honors. The proud winners, sporting fancy helmets, are from left, front row, Rodger Beam, James Kindle, Jerry Jenkins, Lilly Dewbre, Monte Toombs and

Shorty Hale. Second row, from left, are Marvin Long, J. L. Lemons, Tommy Dupler, Tommy Terrell, Johnny Harris and Harold Carpenter. Back row, from left, are managers Tommy Gish and Eddie Reynolds, Deaun Carpenter, Jerry Jenkins, Perry Lynskie and Coach Spud Aldridge. TRIBUNE Photo

Saturday visitors in the home of Mr. and Mrs. Raby Kellogg were his sister, Mrs. Gene Smith of Amherst and her granddaughter, Miss Paula Hensley of Littlefield.

Out of town over the holidays are the George Borings. They are visiting in Denver, Colo. with a brother and family, Mr. and Mrs. B. J. Boring.

Attending the Texas Tech-Arkansas game at Lubbock Saturday were Mr. and Mrs. George Boring.

Antique articles are discussed by 1936 club

Members of 1936 Study Club brought and discussed many antique pieces of glass, china and jewelry, when they met Wednesday in the home of Mrs. C. H. Silvers.

Some brought pieces which had been in their family many years and had much sentimental value. Among the items was a 20 dollar gold piece which had been made into a piece of jewelry. It belonged to Mrs. E. L. Willis and had been passed to her through family.

A coral pin displayed by Mrs. Gage Knox had belonged to her mother. There were many items of antique carnival glass and pressed glass, antique jewelry and coins.

Also on display were books on Early American glassware. All items and books were passed around and each who had brought something discussed it.

Mrs. W. C. Benham brought a talk on Early American Glass, the Club Collect was led by Mrs. Joe

Gipson and interesting hobbies were discussed by Mrs. H. B. King.

Program theme was interests in the Home. Mrs. Glenn Thompson presided in the absence of Mrs. M. C. Ledbetter. Mrs. Thompson also gave a Federation Counselors report.

Refreshments were served to Mesdames D. E. Benham, W. C. Benham, Gipson, L. F. Hargrove, King, Knox, Carlton Luper, Neal Rose, Hume Russell, Thompson, Willis and the hostess Mrs. Silvers.

The Doherty Auxiliary of the Cities Service Plant honored their husbands with a buffet style dinner Thursday, Nov. 19, at Carlo Inn in Levelland. Thirty-four persons attended.

Mr. and Mrs. Bill Thomas returned Wednesday evening from Haskell. Mrs. Thomas and son, Billy spent the week with Bill's folks, Mr. and Mrs. Adell Thomas. Thomas and his uncles went on to Menard to hunt deer.

Presidential awards

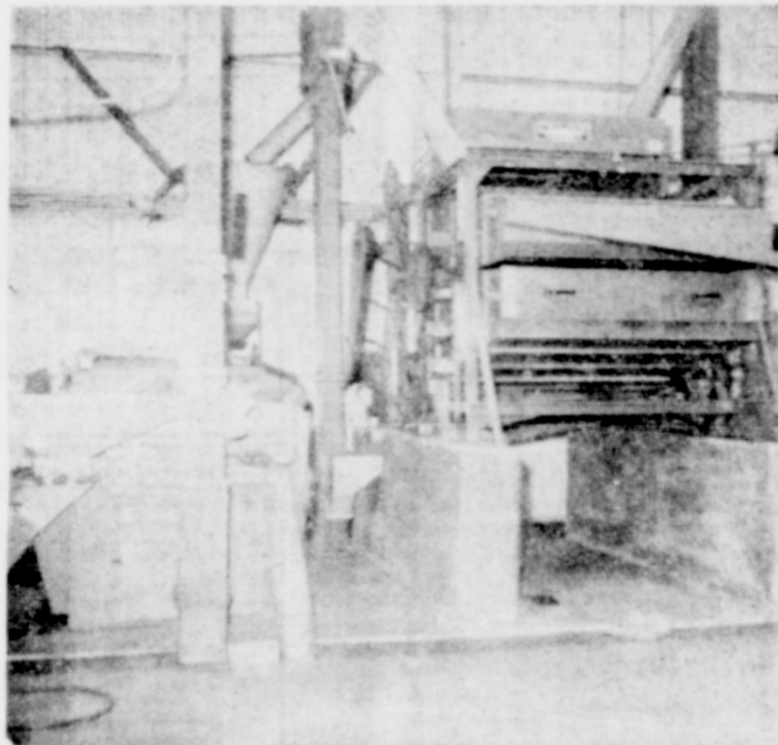

MORTON AREA CHAMBER of Commerce president Gene Snyder congratulates John Haggard as one of the winners of the first annual "Presidential Award" during the cham-

ber banquet last Thursday. Looking on is Tommy Lynch, another presidential award winner, incoming president, and Morton's outstanding citizen. TRIBUNE Photo
