School to hold open house Tuesday

Morton Public Schools Week will be observed in Morton with a series of events centering on a school-wide open house Tuesday, Feb. 23, according to Morton Independent School District Superintendent Ray Lanier. Teachers at all levels from primary through senior high school will be in their classrooms to visit parents of students who have questions, or just want to express interest in education. Work done by students will be displayed throughout the school system, he said. Open house will begin at 7 o'clock p.m. Other events scheduled for that night include a science fair featuring science projects of high school and junior high school students in the high school building; and a band concert in the school gymnasium beginning at 8:30 p.m. The concert features the Morton High School Band. While most of the activities take place March 2 in Morton, Texas Public Schools Week is officially designated as Monday March 1, through Friday, March 5, an entire school-week. An official memorandum signed by Governor John Connally Jan. 25, designates Public Schools Week. The memorandum notes that "during this period, parents are encouraged to visit the public schools, and all citizens are urged through special programs to recognize the tremendous importance of our system of education. Our goal is to make Texas public schools the finest in the nation, and to achieve this our citizens are urged to take an active interest in the school systems and to cooperate with their school boards, designated as Monday March 1, through Friday, March 5, an entire school-week."

Lemons to run again for local school board post

L. T. Lemons, whose term expires this year, filed papers declaring his candidacy for reelection Monday. Lemons signed the papers at the monthly meeting of the board, becoming the first candidate for one of three positions on the board to be filled by persons elected April 3. Terms of Lemons; Weldon Newsum, the board's president; and Francis Shifflett, vice president of the board, will expire this year. Four other members of the board are serving terms that will expire next year. The other two members whose terms expire this year have not definitely indicated whether they will be candidates for reelection. Persons wishing to be candidates in the election must file written notice of their candidacy at the school superintendent's office at least 30 days before the election. Lemons was one of 18 towns represented Friday, Feb. 20, at a Paines Association of City and County Meetings in Plainview. Morton City Secretary Elra attended the meeting where officers were elected. Lemons' former president, Bill Fairbanks resigned, and Lemons was taken by former president, LeVina Lowe, Lubbock city secretary. The vice presidency was filled by former secretary-treasurer of the group, Mrs. Ona Brown. Mrs. Faye Cox was elected secretary-treasurer. A meeting was also attended by Mayor M. B. Hood of the Plainview City Council.

Farm delegation sees vice president of U.S.

As the result of a series of meetings in and near Morton, J. W. Woods flew to Washington, D. C., yesterday to talk with United States Vice President Hubert H. Humphrey and other officials about the impact the 1965 cotton price support cut on the South Plains. Woods is one of 10 farmers and businessmen from the South Plains who will present figures on the economic effect of the price cut on this area. United States Rep. George Mahon arranged for the meeting. Woods and the other members of the group were scheduled to leave Lubbock Municipal Airport at 7 a.m. Wednesday. That afternoon they were to have met Secretary of Agriculture Orville L. Freeman and other agricultural leaders of Congress. Today, Thursday, Feb. 25 they are to meet with the vice president. Facts and figures that Woods will use were supplied by Morton area businessmen. A special meeting was called by Morton Area Chamber of Commerce manager Johnny Johnson Friday, Feb. 19, at the Production Credit Association offices in Morton. At this meeting a number of businessmen and farmers were asked to tabulate the economic effect of last year's price cut on cotton to their businesses, and to make estimates of the damage this year's cut would produce. These estimates are providing the statistics that Woods will use in Washington to protest the \$5 a bale cut in price for cotton. The figures were compiled and evaluated by the chamber of commerce here, but they will not be made public. The nine other men of the group will present similar figures for their localities. They include Ray Schwab of Pettit, Clyde Crausabay of McAdoo, Wilmer Smith of New Home, Joe B. Pate Jr., of Lubbock and Jimmie Davis of Acuff, all farmers; Roy Forkner, Lubbock PGC president; Lubbock See DELEGATION on page 6

School board accepts S. Bracken's resignation

Contracts for four school principals and a counselor were renewed Monday night by the Morton Board of Trustees. Other business included the appointment of school board election officials, the acceptance of a resignation, and agreement to pay a portion of a bill for choir robes. The board renewed contracts of all school principals in the Morton system, naming Bobby Travis elementary principal, Harold Drennan primary principal, Jim Middleton junior high principal and Bill Mathews senior high school principal. The contract of school counselor Charles Bowen was also renewed for one year. Election judge, alternate judge, and clerks for this year were named by the board. They included last year's officers, Dean Weatherly judge and Fred Payne alternate judge. Six clerks were Glen-na Merritt, Mrs. H. B. Barker, Keith Kennedy, Mrs. Roy Hill, Mrs. G. O. Cooper, and Mrs. E. H. Irwin. The resignation of Steve Bracken from the board of trustees was accepted. A letter from Bracken explained that he had moved out of the Morton district, and was no longer eligible to remain a member of the board. O. L. Tilger of Morton was named to replace Bracken for the remaining two years and one month of Bracken's term. Tilger, who could not be reached the night he was named as a board member, accepted the position the following morning. Other action by the board of trustees was to approve the purchase of several text books submitted by teachers, and a request to the state for two school buses to replace the current buses number five and number six. Bus number five is a sixty-passenger vehicle, and bus number six will be a thirty-passenger vehicle. See SCHOOL BOARD on page 6

Government loan for water system in Maple area

About 36 farm and rural families of Maple will soon be served by a modern water system to be constructed with a \$78,000 loan made by the United States Department of Agriculture's Farmers Home Administration for a community water system, said Clinton Kennedy, Bailey County FHA supervisor. The community will contribute \$2,500 toward the construction of the system. The present water system and wells supplying the community are inadequate to produce and distribute a safe supply of water for domestic and livestock use, the FHA supervisor said. The proposed system will consist of a deep well equipped with a turbine pump and an overhead storage tank with adequate distribution lines. The proposed system will have a 25,000 gallon storage tank and 33,200 feet in pipe-line. It will also serve four churches and one school in the community. The loan is to be repaid over a forty-year period. Rural water system loans have a direct, immediate impact on a community's overall development and will raise the standard of living, Kennedy said. Loans are available to organizations operating on a nonprofit basis such as water districts and nonprofits corporations. Small rural towns and rural areas also are eligible. Officers of the Maple Water Supply Corporation area are Jake L. Burkett, president; Leon Dupler, vice president; and Rayford Masten, secretary-treasurer, all of Maple.

Faculty vs. students in benefit ball game

Male members of the Morton High School faculty will compete against senior class members Monday, March 22, at the school gymnasium in a game of basketball, it was announced this week. Details are being arranged for a cake auction to take place at the game. The money from both admission and the auction will be used to finance the Junior-Senior Banquet. The faculty-senior game is an annual event, with the faculty historically the winners.

★ Meeting Cochran County Democrats are scheduled to meet at the Wig Wam Cafe Wednesday, March 3. Neal Brownd is slated as principal speaker.

City council hears proposal for joint development unit

Proposals for a City Board of Development partly financed by city funds were heard by members of the Morton City Council Monday night. Chamber of Commerce manager Johnny Johnson told the council that he was submitting the proposal for the consideration of the council and was not requesting any immediate action. Johnson suggested that a city board of development consisting of chamber of commerce representatives and a board appointed by the city council would be valuable to the city because it could serve as a data-gathering organ. The board would have no legislative authority, but only gather facts regarding city improvement for the council. The council agreed to consider See CITY COUNCIL on page 6

Morton girl is queen candidate

A Morton youth, Sue Ramsey, is one of 12 candidates for Homecoming Queen at Wayland Baptist College in Plainview. The Queen will be crowned Friday at a Homecoming dinner at Slaughter Memorial by Wayland President Roy C. McClung. Other candidates are Janice Boedecker Micker, Lockney; Betty Ransom, Claude; Francis Crump, Littlefield; Sandra Tucker Pawnee, Oklahoma; Beth Milton, Groom; Charlotte Taylor Carver, Cotton Center; Betty Sue Thompson, Kerrville; Linda Halford, Lubbock; Elizabeth Ramos, Havana, Cuba; Judy Smith, Langley and Ruth Ann Scott, Vernon.

Make preparations for county livestock show

Last-minute details are being attended at the annual Cochran County Livestock Show at the county fair grounds near Morton prepares to open today. Animals entered in the show will be weighed this afternoon between 1 and 6:30. Show supervisor Woody Dickson said the stock show this year should be an exceptional one. He said the animals he has seen so far look better, on the whole, than those entered in last year's show. Dickson also anticipates a larger audience at the 1965 show than attended the 1964 show. "We have more good prospects of out of town buyers this year than we had last year," Dickson told reporters. About 30 buyers from other towns, mostly Lubbock, Levelland and Clovis, N.M., are expected to attend this year's show. Last year between 15 and 20 buyers from out of town attended the show, the supervisor estimated. Collections for show money had reached \$1,025 Tuesday afternoon, and prospects of collecting a total of \$1,400 Wednesday were good. The goal set for this year was \$1,500, and Dickson said there is a good chance it will be reached. "More people are donating this year," he said, "and there are people donating who have never donated to the show before." Dickson added, "The goal may be reached because of a lot of hard work by everyone, especially a number of individuals who took an extra interest in the show." Sixteen calves were entered in this year's show, and there were 47 lambs and 108 entered hogs. Dickson estimated the number of cattle entered as about the same as last year. He said 15 to 20 more lambs were entered this year, and about 40 to 50 fewer head of hogs were entered this year than last. Most entries were from Morton with 39 hogs, 18 sheep, and 7 cattle from near Morton entered in the show. The second largest number of entries are from the Whiteface area. Thirty-eight hogs, 13 sheep, and seven cattle from the Whiteface area are entered. Fourteen hogs, 12 sheep and no cattle are entered from the Three-Way area. Most of the persons entering animals in the show are members of the Future Farmers of America, Dickson said. But 15 hogs, one calf, and five sheep are entered by members of 4-H Clubs. Three divisions will be judged. Co-superintendents of the swine division are Dan Keith and Floyd Taylor. Bobby Neal is superintendent of both the steer and sheep divisions. Judging will take place Friday, Feb. 26.

Census of school age children in Morton finished

There are fewer school-aged children in the Morton school district this year than there were last year according to figures compiled for the annual school census by school tax collector-assessor William "Dub" Hodge. The census recorded 1,498 children in January of 1964 and only 1,460 children January of this year, constituting a decrease of 32 children. The census, required by state law, is designed to record information about every school-age child in the Morton Independent School District, and detailed information about children who will be as old as six years by Sept. 1, 1965, and who will not have reached their 18th birthday by that date. The county provides an accounting base for state aid to school districts. Enumerators recorded the first name, middle initial and last name of each child, his age, grade, residence, sex, telephone number, and parents' names as well as length of residence in the district. A breakdown of the census figures shows that there are 13 fewer Negro children and 39 fewer white children, Hodge said.

Athletes honored at Three-Way banquet Saturday

Three Way's annual Athletic Banquet Saturday, Feb. 20, at the Three Way High School gymnasium was attended by 100 persons. Speaker was Don Orr, Denver City High School Coach.

Three Way coach Spud Aldridge introduced the school's football team and presented the district championship trophy to team captains J. L. Lemons, Tommy Dupler, and Tommy Terrell. A plaque naming three outstanding players will be kept in the high school trophy case. The plaque lists Harold Carpenter as best tackler, Marvin Long as best blocker, and Tommy Dupler as best blocker.

Coach Norman Preston, girls basketball coach, presented the girls team. He honored three girls who were named to the all tournament district team. They were Madalyn Galt, Doyleen Davis, and Sharyn Whittner.

Guest speaker heard by 1936 Study Club

The 1936 Study Club met February 17, with Mrs. Glenn Thompson, as hostess. Presiding president was Mrs. M. C. Ledbetter. The meeting opened with the "Citizen's Code of Conduct", given by Mrs. D. E. Benham.

A report was given by Mrs. Joe Gipson, on the prospect of receiving a grant for the library and letters were written by members to Rep. Jesse T. George, concerning their wishes, and asking for his assistance.

The program of the meeting was entitled "Responsibility To Our Community - A Facet of Service." Mrs. Carlton Luper introduced guest speaker Mrs. H. B. Barker, who spoke on "Make Time for Politics."

She stated that it is not necessary for this to be too time consuming. Politics is part of the American way of life. The schools, hospital and even the food and drugs served have been checked by public officials. Americans pay for the administrators of these fields.

Mrs. Barker revised briefly the history of political parties. She pointed out that the party that is out has always criticized the party that is in. This is good because it makes each group examine their actions more closely.

The Federal Government does not take away our freedom she continued. People lose some freedom when they unite with any group, even Federated Clubs dictate certain programs and activities they must engage in if they want to be Federated.

Quoting from an article entitled "Spectocrats", she said, "Most Spectocrats are apparently respectable citizens. They are found in every political party, every denomination of church, and synagogues, and in every conceivable profession. Their motto is 'Safe and Sound' and their battle cry is 'Let Henry Do It.'" The Spectocrat hurts no person's feelings — he would rather do nothing a thousand times than to make a mistake once. They also control the polls by not showing up to vote, and shape policy through silence.

Pregnancy tests to be discussed

Pregnancy testing of beef cattle will be the subject of a Cochran County Agricultural Extension meeting Tuesday, March 2 at the county activities building, according to Home E. Thompson, county agricultural agent.

Dr. Dixon Hubbard, an authority on livestock, is scheduled to show slides and present an orientation to the testing at the activity building in Morton at 10 a.m. An afternoon session will commence at the J. L. Schooler farm about 20 miles south and one-half miles east of Morton at 1 p.m. Demonstrations will be conducted using cattle from the Schooler herd.

Mrs. Baker closed by leading the group in reading, "The American's Creed."

An open forum on "Needed City Improvements" was moderated by Mrs. D. K. Brook. The brochure compiled by the West Texas Chamber of Commerce was passed out and discussed by members.

The Federation report was given by Mrs. Glenn Thompson. Members attending other than the ones mentioned above were: Mrs. C. H. Silvers, Mrs. H. B. King, Mrs. Kenneth Thompson, Mrs. James St. Clair and Mrs. Neal Rose.

Morton High School picked its student body leaders last Friday. Elected student council president for the 1965-66 school year was Mike Irwin. Mike plays football and golf, plays cornet in the Indian band, and has held various offices in school clubs. Elected vice-president for the coming year was John St. Clair. John is a football player, has been class favorite and is in the Future Teacher of America Club of MHS. Secretary-treasurer of the student council is LaNelda Romans. LaNelda is the freshman class representative to the student council this year and is in the Future Homemakers of America Club of MHS. Patsy Collins, a freshman next year was elected reporter. Patsy has been reporter in several junior high clubs previously.

Morton High School students took their fourth-six-week's tests this week. Report cards for the fourth reporting period will be issued next Wednesday.

Morton High School bandmen have been practicing for their solo and ensemble contests to be held in Lubbock next Saturday. Approximately half of the band members are entered in the contest with many of these entered in two numbers.

Four MHS English IV students presented a panel discussion to the Elma L. Slaughter study club in the home of Mrs. Hattie B. Spotts last Thursday night, February 18. The panel, consisting of Tooter Miller, Barbara Harvey, Warren Williamson, and Mike Egger and assisted by Mrs. Ruth Sheard, MHS English teacher, discussed the ungraded school, its advantages and disadvantages as compared with the present graded system, and some particular examples of such school systems.

The Future Farmers of America club of MHS is working fast and furious getting ready for its annual fat stock show to be held this week-end in the county barn. Judging of sheep, hogs, and steers will be Saturday morning, and the public sale will be that afternoon.

\$25,000 school bond issue faced at Three-way

Twenty-five names on a petition for a \$225,000 school bond issue at Three Way were read Monday, and Saturday, Feb. 6, has been named as elector.

Three Way school officials said the issue passes, Columbian Printing Corporation of Dallas probably be the bonding company. The debt will be retired in years, officials said, and will

require a tax raise of 40 cents per \$100 evaluation bringing the total school tax to 69 cents per \$100.

The polling place will be at the Three Way school building, and arrangements can be made for absentee voting Monday or Tuesday between 8 a.m. and 4 p.m. The money is to be used for a new cafeteria-auditorium, a new lighting system for the older part of the Three Way school building, a lowering of the ceiling in the older section, and remodeling restrooms, lowering the ceiling and improving lighting in the gymnasium, remodeling the athletic dressing rooms, replacing the stage with two more dressing rooms, constructing three new dwellings for teachers, extending the vocational agriculture building 20 feet, and laying a new water line.

School officials said there are 160 eligible voters in the Three Way School District, and a simple majority of 81 is needed to pass the bond issue.

Indians defeat Bledsoe 72-52 Tuesday

The Morton Indian basketballers donned their suits once more Tuesday night to journey to Bledsoe for a practice game. The Indians handed the host Bulldogs a 72-52 defeat.

The encore appearance by the Morton club was to give the Bledsoe team a warm-up game before entering the regional tournament this weekend at Canyon.

Bledsoe stayed within striking distance of the Indians until the final period when they put on a full-court press against the Morton boys. The Indians, in their last

two outings, were pressed by two of the best in the business, Lovington and Denver City, and tallied 28 points in the final eight minutes.

Morton held an 18-13 first quarter advantage, and were in front, 32-30, at the half. Their margin was 44-36 going into the fourth period.

Ernest Chesshir bucketed 28 points to lead the Indians, while Charles Ledbetter added 19 and Jimmy Joyce twelve. Randy Sutton paced the Bledsoe team with 21 tallies.

Young Farmers sponsor Whiteface stock show

Whiteface Young Farmers Association sponsored a livestock show Saturday, Feb. 20, at the Whiteface School grounds where a number of animals competed in three classes.

A grand champion and a reserve champion were chosen in each of the classes, swine, cattle and sheep; and a showmanship

award was granted to one showman in each class.

Grand champion calf belonged to Ed Marks, and reserve grand champion belonged to Mack Ashmore. Terry Dunning owned the grand champion swine, and the reserve grand champion also belongs to Mack Ashmore.

Both the grand champion and the reserve champion sheep belonged to the same youth, Mack Box. Showmanship awards were granted to Raymond Guarjardo for sheep; Darrell Kitchens, for calves, and Alvin Nock, for hogs.

Judging the show was Raymond King of Lubbock Oil Mill, an experienced judge of livestock. King said that some good animals were shown at the livestock show, and that some of them will be even better with more finishing.

Refreshments were served by the Whiteface Young Homemakers from a concession stand in the livestock barn.

Prizes were given out by Linda White, Future Farmers of America Sweetheart.

The show took place in warm weather, making a comfortable temperature for an estimated 100 spectators who came and went during the show, but making it too hot for some of the hogs, one of which sat down and refused to cooperate until water had been thrown on his back to cool him.

Lions Club hosts annual banquet

Lions Club members and their guests heard Frank Junell, executive vice president of the Citizens National Bank in Amarillo speak Thursday night Feb. 18, at the annual Lions' Banquet at the Cochran County Activities Building.

Junell, former executive at several institutions of higher learning, including Texas Technological College spoke at the banquet where about 52 young ladies from Girls Town at Whiteface were special guests.

The girls received gifts of bubble bath tablets from the Lions, and were entertained by the Morton High School Chorus.

Junell noted that the chorus compared favorably with Fred Waring and his Pennsylvanians, a group with whom he traveled during World War II as part of an Overseas Service Show for service men.

Junell was introduced by Gene Benham, a Morton banker. He noted in his speech that merit goes to groups that contribute to worthy civic projects, such as those of the Lions Club.

Agricultural meeting scheduled

Cochran County Agricultural Agent Homer E. Thompson announced this week that a feed grain and cotton program meeting will be held at the Cochran County Activities Building in Morton at 8 p.m. Thursday, March 4.

Thompson said the meeting has been called to discuss 1965 farm programs for cotton, feed grains and diversion areas.

"This program is more complicated and needs the pencil put to the figures you have to determine your participation and to what extent," Thompson said.

John Seibert of Lubbock, area farm management specialist for the extension service, will assist at the meeting.

Mr. and Mrs. Doug Zuber, Barry and Lisa were in Plainview over the weekend visiting with friends.

Guests in the home of Mrs. M. L. Doyle over the weekend were; Mr. and Mrs. Earl Doyle and children of Wichita Falls; Mr. and Mrs. Herbert Wayland and children of Muleshoe; Mr. and Mrs. Buzzle Woolsey and children of Lovelland; Mr. and Mrs. James Jones and boys of Lehman; Ella Pledger and Reber.

AFL can hold own with NFL: E. J. Holub

"On a given day, any football team in the American Football League could beat any team in the National Football League, and vice versa," declared E. J. Holub, all-pro linebacker of the Kansas City Chiefs of the AFL.

The statement was made last Friday night at the annual banquet honoring Morton High School athletes. The affair was held at the school cafeteria, and was sponsored by the Morton Athletic Boosters. Holub was main speaker at the event.

Four Morton athletes were honored with awards at the banquet. Bobby Dobson was announced as the Outstanding Football Player

of 1964; Jimmy Joyce received the first annual Sportsmanship Award; and Ernest Chesshir and Charles Ledbetter were revealed as the "Hustling-est Indians" in football and basketball, respectively.

The Outstanding Football Player award is sponsored by Mr. and Mrs. Fred Morrison, and is presented each year by the previous year's winner. Clem Kuehler announced Dobson as the 1964 recipient.

The Sportsmanship Award was instigated this year by Mr. and Mrs. Neal Rose. Master of ceremonies Kenneth Thompson announced the winner this year, but future years the award will be presented by the previous year's winner.

The Hustling-est Indian honor is sponsored by the Morton Tribune. Publisher Gene Snyder revealed this year's winners.

Holub's statement about the NFL and AFL football teams was in answer to a question by program participant Bill McAllister of KSEL, about the controversy between the two professional leagues.

Holub went on to say that he thought the young AFL is as

strong as its older counterpart, the NFL, right now, with one possible exception. "If the AFL has any weakness, it has to be in their defensive secondary. The pass defense in our league probably isn't as strong as in the NFL, I'm not saying this to discredit any defensive backs either, because I'm one of them," Holub continued.

The former Texas Tech All-American told those present that he thought the most important thing a boy needed to play college and also professional football was speed. He said other things were important also, but that as far as he was concerned, speed was the most essential quality.

When asked about the difference between college and pro ball, he mentioned that professional football wasn't necessarily any rougher than college ball. "However, in the pros, you don't get real good shots at the ball carrier, as you sometimes do in college. Those men carrying the ball are professionals, just like yourself, and they aren't going to let a tackler get a real good shot at them and risk injury," Holub went on to mention that one of the last real good, straight on tackles he made was in the Shrine East-West game in San Francisco in 1961. The tackle earned him the honor of the outstanding lineman in that game.

Holub gave much credit to newspaper men for helping him make All-American while at Texas Tech. "Give you, you'll never get anywhere as far as All-American mention is concerned." The handsome young giant also added that Bill Olmes, sports publicity director for Holmes, sports publicity director for Tech was probably the man most instrumental in making him All-American.

"You'd be surprised at the number of players who come to the pros that you never heard of and then you find out they're better than the All-Americans who report. Everyone has to prove himself with the pros," Holub went on to say. "The All-American title doesn't mean a thing unless you produce."

Holub urged the athletes to stay in shape at all times, and during the off season to work on whatever they needed to make themselves better ball players.

At the end of his presentation,

Wesleyan Guild president resigns

The Wesleyan Service Guild met Monday night in the First Methodist Church. Mrs. Hardy Rhyne and Mrs. J. W. Nichols served as hostesses.

Mrs. Lessey Silvers, vice president, presided at the business meeting at which time members were asked to attend the annual Guild meeting to be held at Stamford, March 20-21. There was further discussion on the district Guild meeting to be held in the Morton Methodist Church in April. Mrs. Neil Broun was appointed chairman of the planning committee. The resignation of Mrs. Betty McCoy, president, was accepted with regret. Mrs. Lessey Silvers agreed to fill the position for the remainder of the year.

Mrs. Bill Wood continued the study on, "The Church: Mission

Among New Nations", speaking on the religious, social and economic conditions in South Africa and the Middle East.

Mrs. Hessie B. Spotts gave the closing prayer.

Others attending were: Mrs. John L. McGee, Mrs. H. F. Dunn, Mrs. R. L. Debusk and Mrs. Pfeiffer Ramby.

Production Credit Association here employs Weems

Morton's population increased slightly this week when Billy Weems, 25, and his family moved here where he will work for Production Credit Association.

Weems, his wife Eva, and their two sons, Don, 3, and Kent, 2, moved here from Seminole where they have lived the past 15 months. Before that, Weems said, they lived in East Texas in Quitman, a town about 35 miles north of Tyler.

He was a dairyman and cattleman in Quitman, and still owns 50 head of cattle, pasturing near Seminole. Weems said the land around Morton impressed him, but he does not think it is good cattle land because it is so dry.

Besides the land, the people impressed him. "Everybody told me Morton is a friendly town," he said, "and it is certainly true. The people are exceptionally nice."

Weems noted that he had difficulty finding adequate housing, but that he did finally rent a house at 313 Southwest Third Street.

Morton's new citizen began work at Production Credit Association Monday. He extends an invitation to Morton area people to stop and visit him at his office.

Baby daughter of Fred Weavers is shower honoree

A pink and blue shower Thursday honoring Melida Lois, infant daughter of Mr. and Mrs. Fred Weaver was held in the home of Mrs. Cullen Dansby. Mrs. Dansby was unable to attend the occasion.

Mrs. Weaver wore a shoulder corsage of pink and white baby socks and rattler, compliments of the hostesses.

A white cradle trimmed with pink and blue flowers, held a baby doll in the center of the gift table.

Hostesses were Mrs. Byron Willis, Mrs. Dave Corley, Mrs. Henry Chesshir, Mrs. James Coggburn, Mrs. John Paul Jones, Mrs. Alton Lamb Jr., They presented Mrs. Weaver and daughter with individual gifts.

Punch, tea, cookies, nuts and mints were served to approximately 30 guests. Out-of-town guests included Mrs. Medford Weaver, Mrs. D. T. Perkins, Mrs. Ben Frazier, Mrs. Glen Newton and Mrs. L. L. Wienke, all of Lubbock.

Missionaries to speak on March 5

Assemblies of God missionaries Bryan and Cecil Mock will speak at Whiteface Assembly of God Church March 5, according to Pastor A. L. James. The Rev. Bryan and Mrs. Mock spent four years in South America and are now engaged in visiting several Assemblies of God Churches while on furlough.

The Mocks ministered in La Paz, Bolivia; the Cusco area of Peru, and among the Indian tribes in Bolivia. They also participated in the first anniversary of the denomination's work in Ecuador while preaching there.

Souvenirs of South America and films of their experiences while there will be shown by the Mocks.

Five-Area phone co-op holds election

Members of the Five Area Telephone Cooperative, Inc., met Friday, Feb. 19 at the Cochran County Activities Building to elect officers for districts five, six, and seven.

D. L. Tucker, Eddie Wallace, and Ralph E. DeBord were elected to the director's posts. Other candidates were J. L. Dale, Marvin Drake, Darwin McBee, and A. E. Cade.

Other members of the board, whose terms expire in 1966, are Lonnie Wilhite, Joe Embry, Wallace O. Jones, and Raymond Gage.

Newly elected board officers are Wallace O. Jones, president; Raymond Gage, vice president, and Eddie Wallace, secretary-treasurer.

Winners of eight \$25 Savings Bonds donated by the First State Bank of Morton and the Muleshoe State Bank were T. M. Tanner, Mrs. Hal Phipps, Mrs. Frank Sim-nacher, Mrs. A. H. Jungman, Jack Hutcherson, Mrs. Clinton Rogers, Mrs. Gene Archer, and Mrs. Marvin A. Bowling.

Fourteen appliances were won by other members of the cooperative.

Principal speaker was Wilmer Smith of Wilson. Refreshments were served during and after the meeting by the Cochran County and Morton 4-H Clubs.

Proclamation

You and I are living in an exciting day full of challenges. Our world today calls for men and women of good will to exercise their faith by consistent, positive action.

We need to understand the tremendous impact that the religious faith of our forefathers had upon the kind of country they founded. We need also to recognize that we cannot merely be inheritors of the fruits of their faith and work.

A perfunctory following of a religious heritage, no matter how rich it might have been, is not enough. We are called to build upon that faith which has been given to us.

The fruits of freedom that we experience today are the gift of God, they are ours to enjoy because of the faithfulness of our forebears. We can show our appreciation for our heritage by a consistent attendance in the House of God and a meaningful practice of its teachings of love and brotherhood.

The Churches of the Morton Area are designating the month of March, 1965 as an opportune time to renew our faith. Whatever the form of worship, religion is an inspiring and enabling influence in our individual lives and in the affairs of the community, state and nation.

Now, therefore, I, Dean Weatherly, Mayor of Morton, Texas, do hereby proclaim March 1965, as RELIGION IN AMERICAN LIFE MONTH and do, urge every citizen to participate in this program through regular worship and a daily living of the faith.

carry 48 passengers. Three members of the Choir Booster Club appeared before the board with a request that the board pay \$588 of a \$1,688 bill for choir robes. Mrs. L. B. Chiles, J. C. Rennals, and Gordon Houghton explained that the Choir Boosters had received assurance last year from the previous superintendent that the school would help them pay for the robes. They said the Choir Boosters could pay the entire sum, but that there would be no funds left for such projects as a long choir trip. The board agreed to pay the sum even though it had not been budgeted. Final action taken by the board was to review a request by the Texas School Board Association that they mark a questionnaire showing opinion on ten important school issues. The board decided that the alternatives on the form did not express their true opinion, and voted not to mark anything.

THANK YOU...

We are taking this means of thanking all of the individuals, groups, and clubs for all they have done for us since we have been in operation.

It is impossible to mention all of the kind deeds and acts that have been done for the Nursing Home, but we want it known that each and every one of them was appreciated greatly.

Almost every day is brightened by some kind act or deed by a local group or club. The happiness and joy these things bring to our residents cannot be described, and they are delighted by every kindness, no matter how small.

Again, we say THANKS to all of you for your kind hearts.

Clearing House Association president Jack Payne; Dr. Wayland Benned of Texas Technological College; and Edwin E. Merriman, an accountant from Lubbock who prepares tax returns for farmers.

The group of farmers and businessmen claim that they represent no specific organization and are speaking as interested individuals.

Woods is expected to support a plan by a committee selected at a farmers' meeting in Morton two weeks ago. The plan proposes that the price cut for 1965 be resinded and that certain constructive measures be taken.

Johnson said, "We are helping compile information and material on area economics to show the economic situation that we're in. We're not asking that cotton be supported at any price. Production costs have risen. We have figures on production costs that have been certified by two authorities that show that production costs have risen by approximately 60 percent in the last year. Our feeling is that programs will have to be instituted to cut production cost before price can be reduced further."

Efforts are being made to arrange for a second meeting with Humphrey in Lubbock March 12 when Mahon is expected to lead a group of five or six area people will meet to discuss the economic situation here, if the visit can be arranged.

Oliver Wendell Holmes called Baltimore the "gastronomic metropolis of the Union."

City council

(Continued from page one)

the proposal at future sessions, but took no immediate action regarding the plan.

Bids on two one-half-ton pick-up trucks were opened, and the lowest of three bids submitted was accepted. Hawkins Oldsmobile Company in Morton was awarded the contract for the its bid of two General Motors Company trucks for \$1,785.84 each. None of the bids submitted included federal tax because the city is exempt from such taxes.

Another set of bids, on fire equipment, were not acted upon when the council decided to wait for more bids.

Another action taken by the council was to appoint a committee of three to determine details for an equipment storage place. Such problems as location, size of enclosure, and costs will be studied by City Secretary Eira Oden and councilmen W. L. Foust and Kenneth Thompson. They will report the results of their study at the next council meeting.

The board also voted to advertise for bids on a digging assessor for bids on a digging assessor that can be used to dig graves and man holes rapidly.

City engineer Ralph Douglas reported to the council that one of the new water storage tanks near the school has been sandblasted as the council ordered, and that only some painting and other details remain to be finished.

Mrs. R. T. Tarver and Mrs. David Tarver were in Lubbock over the weekend visiting Mrs. Charles C. Jones and David Tarver.

Elect directors at Bailey cooperative meeting Feb. 26

Members of the Bailey County Electric Cooperative Association will meet at the Cochran County Community Activities Building in Morton tomorrow, Feb. 26, at 2 p.m. to elect directors, hear a financial report, progress report, and take action on business that may come before the meeting. Three directors will be elected. Six candidates have been selected by a nominating committee that met in January. Their nominations for directors were H. A. Gore and Grundy Lewis for district four; L. E. "Bud" Warren and Johnny Wheeler for district five; and Harold Reynolds and Vernon Blackley for district seven. Other nominations can be made from the floor of the meeting. Principal speaker will be Jim Morris, Information Director for Texas Electric Cooperatives, Inc., Austin, a statewide association of rural electric systems. Morris, a University of Texas graduate in radio broadcasting, is associated with many organizations and activities with goals of building the economy of rural Texas. Other speakers at the meeting will be four finalists in an oratorical contest centered on the topic, "Rural Electric Cooperatives, Good for All Americans." A panel of judges will select the boy and the girl who will be awarded the Government in Action Youth Tour, an all expense paid trip to Washington, D.C. The four contestants are Alicia Galloway and Bob Coker of Springlake School; and Carol Haire and Larry Meyers of Muleshoe School. Four \$25 Savings Bonds will be contributed by the First State Bank of Morton as door prizes, and Muleshoe State Bank will award another four \$25 Savings Bonds. There will be drawings for electrical appliances valued at more than \$200, and a drawing for \$100 credit on an electric bill. Bailey County Electric Cooperatives Association members will be mailed an attendance certificate valued at three dollars when presented in person at this meeting.

Three-Way News

By MRS. H. W. GARVIN
The Three Way W.C.S.S. met in the home of Mrs. Cass Stegall Monday, Mrs. Tommy Galt, Rev. Ruth Cooper and the hostess were present. The Maple City Water Board met Thursday morning in the F.H.A. office with Mr. and Mrs. H. W. Garvin and Mr. and Mrs. Homer Richardson. The final papers for the city well were signed. The well has been drilled and tested and the permanent pump installed. The well is on the H. W. Garvin farm and the storage tank will be on a lot owned by Homer Richardson. There is still a lot of flu in the community. Ricky Galt and Mrs. Rayford Masten have been in the hospital. Mr. and Mrs. George Wheeler visited in the home of their parents Friday afternoon. Mr. and Mrs. Jack Furgeson and Mr. and Mrs. John Sheppard flew to Spartenburg, South Carolina to tour the textile mills and other industries. Mrs. Karen Eubanks of Lubbock spent the weekend with her parents Mr. and Mrs. W. H. Eubanks.

Mr. and Mrs. Lewis Doyle and girls from El Paso spent Tuesday night with his mother, Mrs. M. L. Doyle. Wednesday, they went to Eldorado, Oklahoma, where they attend the funeral for Mrs. Doyle's grandfather, R. L. Rosser.

Charter granted to cub scouts

Cub Scouts of pack 144 saw their charter for the first time Thursday, Feb. 18, when it was shown to them as part of a ceremony conducted by members of the Methodist Men's Club. The charter was presented by the South Plains Council to Methodist Men's Club President Fred Payne. Noting the occasion and speaking to the Scouts was Gene Benham, member of the Methodist Men's Club, who spoke at a pack meeting at the Methodist Church. Neal Browne, pack leader, said the pack is small now, but he knows a number of other boys are interested in becoming members. Mrs. Elsie Curlee is home after spending a few days in Littlefield with her daughter, Mrs. Fred Wallace.

SHINED AND READY

"And your feet shod with the preparation of the gospel of peace." Ephesians 6:15.

These shoes fairly shine and sparkle and are ready to take their owner proudly any place. Society dictates that we should be well turned out and that our feet be shod with well-groomed footwear. The Bible tells us that we should be clad in the whole armour of God, and that our feet should be shod with the preparation of the gospel of peace. The gospel is this: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit." Romans 8:1

St. Peter advises, "Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear."

Come to church this week that you might learn of Him and that you might be prepared to give this good news of the gospel to others.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

News from Across the Border

By GAYLE LATIMER

It seems all of my neighbors have had the flu or have been in the hospital. My news will be brief, because of the sickness my neighbors haven't been able to visit much. I hope each and every one of them recover.

Fannie and Kay Brown have been down with the flu. Floyed was sick last week but Fannie told me on the phone that he was all right now. Kay missed Wednesday from school.

Mary and I talk several times on the phone this week. Mary has had the flu also. It has taken

her a while to recover. Mary told me she called Barbara Ashbrook last week and that she was going home. Barbara hopes to be home by this weekend.

Coch and LaVern Jones went to see Mary and Carl Quinn Tuesday night. They had some hot forty-two games. They all had a good time.

Charley's grandparents, C. G. Locke of Maple gave Janice, James, and Jimmy Holley a little going away dinner Sunday. James and Janice are moving to Balinger, Texas.

Later in the evening, James,

Janice, Charley, Mona and Kirk Holt and I went to see "How the West Was Won", in Morton. We had supper in town and later came back to our home where we shot pool and played cards.

Ed and Lois Latimer kept Jimmy and Laurie, our daughter, while we were gone Sunday.

Laurie stayed with her other grandparents, Mr. and Mrs. W. C. McCubay Saturday night while we went to Morton to bowl in the Sweeper.

That is all for this week. Remember don't throw stones if you live in a glass house, plate glass cost hard earned money.

Huggins-James nuptial vows read

Wedding vows for Miss Stella Kathryn Huggins, daughter of Mr. and Mrs. Laney Eugene Huggins and Allan Eugene James were solemnized at 8:00 p.m. Thursday in the home of the bride's parents.

With a background of soft recorded wedding music, the double ring ceremony was read by Dr. Herman O. Wilson, registrar of Lubbock Christian College.

The bridegroom is the son of Mr. and Mrs. M. P. James Jr., Idalou.

Miss Huggins was given in marriage by her father, Joan Morrison of Wichita Falls, friend of the bride, attended as maid of honor.

Serving the bridegroom as best man was his cousin, Dale Holloway, of Levelland.

The bride wore a semi-formal street-length gown of silk sheer over tulle featuring a sweetheart neckline, and short sleeves. Viennese lace rose and leaf appliques accented the fitted bodice and bell-shaped skirt. She wore a organza rose and organe blossom circlet headpiece holding a shoulder-length veil of imported silk illusion. Miss Huggins carried a white Bible topped with a bouquet of white gardenias and rosebuds.

Her attendant wore a street-length blue velveteen dress with blue accessories and carried a single white rose.

Scene for the marriage was an arch entwined with stephanotis. Bouquet baskets of white stocks were on either side of the arch. The Holy Bible was placed on the kneeling bench.

Reception followed the wedding in the home of the bride's parents. The bride's table was covered with a blue cloth, and centered with a two tiered white wedding cake, trimmed with white roses, and topped with a miniature bride and groom. Cake, coffee, tea and nuts were served to twenty-four guests. Serving were Mrs. James Hooper and Mrs. Barney Stagner, sister of the groom.

Mrs. James chose for travel to El Paso, a patty-colored three-piece suit of avril and linen, featuring a short coat with bracelet-length sleeves with bias flared cuffs. The coat front and cuffs were trimmed in black silk braid. A white gardenia corsage was taken from the wedding bouquet.

A graduate of Morton High School, Mrs. James attended Lubbock Christian College, Abilene Christian College and is presently a junior student in the Methodist School of Nursing in Lubbock. She was a member of Theta Kappa social club while attending LCC.

Her husband is a graduate of Monterey High School, and is employed by Western Electronics Manufacturing in Lubbock. He has served three years in the U. S. Navy.

Mr. and Mrs. James are residing at 2703-B 44 St. in Lubbock.

Out of town guests were Mr. and Mrs. M. P. James Jr., and Dennis of Idalou, Mr. and Mrs. M. W. Holloway, grandparents of the groom, of Lubbock, Mr. and Mrs. Barney Stagner, sister of the groom, of Lubbock, Mr. and Mrs.

MRS. ALLAN EUGENE JAMES

Shower honors Mrs. Troy Wells

A pink and blue shower honoring Mrs. Troy Wells was held Friday February 19, in the home of Mrs. Loy Kern.

Hostesses gift was a white gown and robe set. Mrs. Wells wore a corsage made of white carnations, trimmed with miniature baby bottles, compliments of the hostesses.

A pink cloth covered the refreshment table. Centerpiece was a white stork, trimmed with pink and blue flowers.

Pink punch, coffee, cookies, minis, and nuts were served to approximately 30 guests.

Hostesses were Mesdames: Roy Davis, Rodney Fralin, Max Clark, Jimmy Miller, L. G. Pierce, Tommy Gattis, Hoyt Bridges, Ray Bridges, Hadley Kerns, and Weldon Winn.

Out of town guests were: Mrs. George Wheeler, Muleshoe; Mrs. Dalton Oden, Colorado Springs, Colorado; and Jo Ann Wells of Levelland.

Attending the Ladies Circle Rally for the Assembly of God Church in Levelland Tuesday were Mrs. D. A. Watson and Mrs. James Huggins.

Mr. and Mrs. David Stowe and Gary returned Friday from San Antonio where they attended the Fat Stock Show. Gary entered two lambs and won 3rd place on one of them.

Busy Fingers club meets on Thursday

The Busy Fingers Sewing Club met last Thursday in the home of Mrs. Grady McHam. Mrs. Joe Gibson presided.

For the program, Mrs. Rolly Hill read three poems entitled, "Praying Hands", "On Life's Busy Throughfare, We meet Angels Unaware," and "Prayer for Peace."

Sandwiches, pie, coffee and tea were served to Mesdames: Jack Baker, Henry Bedwell, W. E. Childs, Willie Taylor, C. W. Newton, W. L. Miller, J. T. Young, F. L. Fred, Olen Darland, C. R. Fletcher and guest, Mrs. Henry Dobson.

Mr. and Mrs. Ken Williams and Richard visited in Lubbock Sunday with Mr. and Mrs. Jimmy Mullinax and girls and Mr. and Mrs. Ed Lloyd and boys.

Study club hears panel of high school students

Mrs. Hattie B. Spotts was hostess Thursday for the Elma L. Slaughter Study Club.

Mrs. Willie Taylor presided over a short business session. Members were told that in order to get a wheelchair for the Robert's Nursing home, it would take 34,956 Gold Bond points. The nursing home is the club project for the year. The club would appreciate anyone redeeming Gold Bond Stamps to tell the redemption center they want their points to go for this project.

A panel discussion by members of Mrs. Phillip Sheerds English class was presented on the graded and ungraded school levels. Participating in the discussion were: Mike Egger, Warren Williams, Tooter Miller, and Barbara Harvey. They pointed out that the graded level is most popular, because it is easier for everyone concerned, especially for the school administration. Members said they believe that the ungraded system would be better for primary grades, because if a child in the first grade is capable of doing fourth grade reading, for instance, he should be permitted

to do so, without any embarrassment, or confusion.

The students said that research has been done on whether a child should have one or more teachers. It has been found out that a child gets so attached to one teacher, (especially in the first grade), they think the child would adjust better if they had a different teacher for each subject.

Members of the panel had different opinions about the new teaching machine for high school students. Some said that in their opinion, it would help take the pressure off the teacher, and that some students would profit from the machine.

In a recent survey taken in the United States and Russia from children in the first to fifth grades, it was learned that answers of the American children are very interesting, cute, and varied. In comparison, the Russian children were very serious minded, and their answers were straight, each child wanting what everyone else wanted. There was no variety in their answers.

Refreshments were served to Mrs. Earl Brownlow, Mrs. Elzie

If you think you'll get a better deal by waiting for us to have '65 Chevrolets stacked in our showroom ten deep ---

THEN GET A LOAD OF THIS:

The deal we'll give you today is as low as it'll be a month from now, or two months or three months or four months. Why? Because of plain common sense. We intend to be in business here for many years to come. And if we push you to the top dollar now, we'd be the losers.

It may seem like we're ignoring the law of supply and demand — but that's why you won't save more money later by waiting to buy your Chevrolet, Chevelle, Chevy II or Corvair.

Want to see that in writing? Come on in, choose the car you like most. You'll be surprised at how large our selection is right now, and when you hear the prices you may want to shoot yourself for not coming in sooner!
