Trainer crashes near Whiteface

Student pilot is killed as jet crashes, explodes

A T-37 jet plane crashed and exploded about seven miles south of Whiteface Tuesday about 7:50 a.m. The pilot, 2nd Lieutenant John R. Hernandez, 22, residing in Lubbock, was killed.

The plane crashed in the cotton field of Elvis Johnson, located 7 miles south of Whiteface and 2 miles to the west of Highway 1780. It apparently struck the field, burst into flames, and then exploded. Several workers were in the field at the time and saw the crash. They immediately went up to the Johnson house, and he used his citizen's band radio to call George Martin, a Whiteface farmer who has a Whiteface telephone. Martin contacted the Whiteface fire department and Reese AFB.

An eye witness to the crash, was Mrs. Marilyn Hall, Box 222, who was working in the field at the time with her husband. She said, "We were in the field working when I heard the plane. For a minute it sounded like planes normally do. But then I looked up and we could see it coming down." Mrs. Hall added, "It was kind of spinning. It's wings would sort of waggle back and forth and then it would go around some."

Mr. Hall said, "When we saw it coming, we began to run. We heard it hit, and when we turned around we saw fire." He concluded, "before we could go to the house to get help it exploded."

Hernandez who was on a primary solo mission was married and had no children. According to a spokesman at Reese AFB, Hernandez took off from Reese at 7:09 a.m. He made one landing at Reese, and then flew to the Whiteface area where the pilots from Reese practice their "turning." He never contacted the control tower again. He was scheduled to make four more practice landings at Reese after flying over the Whiteface area.

The Whiteface fire department along with Johnson and some of his field hands were the first to get to the scene about 8:20 a.m. Truman Swinney, city clerk at Whiteface and with the Whiteface fire department, said, "It was really burning when we got there. Smoke was really billowing up. We put some foam and water on the pilots compartment right away."

Swinney said, "A short while later a rescue helicopter from Reese landed and one of the men in it jumped out and ran to the plane. He looked in it and couldn't find the ejection seat or the cockpit canopy."

Swinney continued, "Then he ran back to the helicopter, assuming

They are selling memberships in the Association for \$1.00 per year. Memberships may be bought through the officers or at school games.

The officers are: Truman Doss, president; Christine Palvado, 1st vice president; Royce Hanna, 2nd vice president; George Hargrove, secretary; Pat Hodge, treasurer.

The Ex Students Association is planning a bake sale at Thriftway Wednesday, Sept.

★ Blood needed

Walter D. Flenor is ill and is in need of blood. Aug. 20 he entered the Lubbock Methodist Hospital for about 10 days and then returned to Morton. This week he is to return to the hospital. He has been and is using one pint of blood a week from the Lubbock Blood Bank. He must repay the bank with three pints of blood for every one he uses.

One injured as cycle hits auto

A motorcycle rammed the back of an automobile about 9:25 a.m. Wednesday, injuring the rider.

In Morton hospital under observation is Jerry Stead, 13, of Morton. According to Police Chief Burtis Cloud, Stead rammed the back of a 1964 Oldsmobile that had stopped suddenly for the amber caution light of a stop light that was turning red. The Oldsmobile was driving by Mrs. Effie Collins, Morton, and was going west on Buchanan near the school at the time of the accident. Paity Collins, 13, was with her mother in the car. The automobile was not damaged and the fender of the cycle was bent considerably.

Commissioners court considers widening of road

The County Commissioners Court met Monday morning and considered a letter from District Engineer O. L. Crain that might prove of special importance to the Cochran County people.

The letter gave the estimated cost of right away for a four lane highway from the western edge of Reese AFB in Lubbock to one half mile into Cochran County.

Cochran County would pay half the cost of right away to widen State 116 from the Hockley County line to 5 miles west to Junction 1780 at Whiteface.

The cost of right away broke down as follows:

Morton Indians to play Crosbyton Friday night

The Morton Indians, still looking for their first grid victory of the 1965 season, travel to Crosbyton Friday night for a battle with the Chiefs, always a top Class A contender in West Texas.

The Indians are not only looking for their first win, but are still seeking their first score of the

young season. Morton has been shut out in their first two outings, 0-14 by Olton and 0-10 by Muleshoe.

Crosbyton, who fell to the Indians last year, will be looking for revenge, and according to scouting reports, they have the horses to get it. The Chiefs have experience, size, speed and power.

From tackle to tackle, the Crosbyton offensive line averages 191 lbs., and the Chief fullback tips the scales at 190. Their main speed is in the form of their left halfback, 142 lb. Jim Flournoy, who dealt the Indians all sorts of misery last year on wide plays.

Joining Flournoy in the backfield are Gaylon Wheelless at fullback and Jim Blagg, 157, a senior, at quarterback, and Larry McDowell, a 135 lb. junior.

In the forward wall for Crosbyton will be Ronnie Wheelless, 147, and Robin Anderson, 154, ends; Eddie Jordan, 209, and Butch Miller, 192, tackles; Alton Trull, 165, and Ronald Bixey, 190, guards, and Winn Robinson, 198, center.

Morton coach John P. Jones will go with the same lineup that started last week against Muleshoe. Center Jerry Elliott, who was expected to join the Indian line-up again this week, will probably be held out of action again. Elliott suffered a knee injury in Morton's

Plan for youth conference

The initial steps for the first Cochran County Area Youth Conference on Crime were taken Tuesday night when some sixteen delegates from local and area civic clubs, schools, and churches met in the home of Mr. and Mrs. Van Greene, Morton.

State Representative Jesse T. George stated that the local youth conference will be patterned from the Attorney General's Youth Conference held in Austin from August 20 through August 22.

"This unique and dynamic effort has unlimited resources for its success," stated Representative George, who will meet in Austin today with Attorney General Waggoner Carr to discuss the area project. The young men and women who have been delegates to the three Youth Conferences in Austin will do the actual planning and scheduling of student seminars and arranging for well-known speakers on juvenile delinquency and crime.

A student body assembly will be held on Friday, January 21 as a

kick-off for the all day program on Saturday, January 22.

George stated that the Attorney General's office has been extremely co-operative and enthusiastic in our plans and has offered

support to the project. "Because the Attorney General's three prior Youth Conferences have met with such favorable response, a local youth conference will en-

City Council meets and picks new city policeman

The City Council met Monday night and selected a new city patrolman to fill the existing vacancy.

Thomas C. George of Whiteface is the new city police officer. Other business transacted included the reading and approving of the minutes, approving the tax roll for 1965, paying the bills and approving tax ordinance 365. The tax ordinance is based on a rate of \$1.40 per hundred on 40% of actual cost.

Gas and water bills totaling \$131.50 were put in the inactive file. Elra Oden, city secretary, said that these bills belonged to people who had left town without paying them. Oden said that the persons would be held accountable for the bills if they returned to Morton, and that their names had been turned into the Retail Merchants Association.

Women's Club area council in meeting

The Area Council of Women's Clubs met Monday, September 13 at 5:00 p.m. in the home of Mrs. Cullen Dansby. Mrs. Earl Polvado, president, was in charge of the meeting.

Miss Jennie Allen, home demonstration agent, presented information concerning a conservation service by the Fort Worth Press. This award is given to a woman from each county who is a farmer's wife and who qualifies by keeping certain records. Miss Allen told those present that she had further information and would assist anyone interested in an application.

Mrs. Garnett Bryan reported on the board of trustees meeting. The trustees are in charge of the student loan fund. Mrs. Bryan, chairman, reported one loan application of \$250.00 completed and delivered and another application to be considered by the trustees.

Mrs. Hume Russell discussed the area council workshop on October 2, which is the Federation Day observance for all clubs belonging to the council. Members will bring salads for the luncheon and the council will furnish tea, coffee and crackers. Mrs. W. B. McSpadden and Mrs. Bobby Travis were appointed to be in charge of the decorations. Mrs. Gary Willingham, Mrs. Don Samford and Mrs. Iva Williams were appointed to select a prize for the club having the most members in attendance.

The next regular business meeting of the council will be December 13, in the home of Mrs. W.

B. McSpadden with the L'Allegro Study Club as hostesses. At his meeting the clubwoman, teacher, mother and students of the year will be elected.

Those present were Mesdames Earl Polvado and Gary Willingham from the Emlea Smith Study Club; E. O. Willingham, W. B. McSpadden and Bobby Travis of the L'Allegro Study Club; Connie Gray and Don Samford representing the Town and Country Study Club; Garnett Bryan, Dexter Nebhut and Cullen Dansby from the Y-M Study Club; Hume Russell of the 1936 Study Club; and Vern Beebe and James Cunningham of the Whiteface Study Club.

Charles F. Hill completes training

MONTGOMERY, Ala. — Airman Third Class Charles F. Hill, son of Mr. and Mrs. Quinton Hill of 609 N.E. Fourth, Morton, Tex., has been graduated from the technical training course for new members of the U.S. Air Force Medical Service at Gunter AFB, Ala.

Airman Hill, who studied basic hospital procedures and emergency medical treatment, has been selected for assignment to a medical unit at Sheppard AFB, Tex. Sheppard is an installation of the Air Training Command which provides the flying, technical and specialized education programs for the Air Force.

The airman is a graduate of Morton High School.

that the pilot had ejected somewhere over the field. The helicopter then took off and began to search the area.

Swinney said that the wind was blowing the smoke from the tail across the cockpit and that the foam and water had made a sort of steam over the wreckage. He said, "I walked down wind and I came upon a helmet in the field. We then grew suspicious that the pilot was near by." He continued, "I walked back to the plane, and the smoke was beginning to clear some. It was then that we found the pilot."

The pilot had not ejected. Swinney said, "He was in the ejection seat right next to the plane." Swinney said that it can be speculated that the ejection seat came out of the plane on impact or with the explosion.

There was some unofficial speculation that the pilot attempted to bellyland the air craft. There was no crater or large impact area in the field and the pilot either could not or didn't want to eject himself. There was quite a bit of confusion from witnesses just as to how the plane struck the ground, but some think it hit the cotton patch at a sloping angle. Reese AFB officials declined comment on the matter. They said that Air Force engineers would take every piece of the plane to a hanger and try to re-assemble it. Then, in about a week, they said, they might be able to tell just what caused the crash.

However, a local civilian pilot who has logged many hours in the air, Mr. Van Greene, Morton, when asked about how he reasoned the plane crashed had a different opinion. He said, "I know very little about it, but from what I do know and if what I know is correct, I feel that possibly the pilot was in a spin and couldn't turn out of it." Van Greene said, "As I understand it, the plane was making little circles and not big ones over a wide radius, and this leads me to believe the pilot was in a spin. Also, if the plane were spinning, there probably wouldn't

be much of a crater. Of course this is all speculation."

Lt. Hernandez was originally from Houston. His parents are Mr. John E. Hernandez and Mrs. Esplanosa Hernandez of Houston. He was a 1965 graduate of Texas A&M University and was in the ROTC there. He came to Reese AFB June 7.

Modern Mothers club reorganizes

A re-organizational meeting of the Modern Mothers Homemakers Club was held Tuesday, September 14, at the home of Mrs. Herman Brown.

The club has been inactive for a year, but will meet on a regular basis again on the second and fourth Tuesdays of the month at 9:00 a.m., in the homes of the members.

Mrs. Herman Brown is president of the club, but new officers for the organization will be elected in October.

Next meeting of the Modern Mothers will be on Tuesday, September 28, in the home of Mrs. Royce Hanna. The program on "How to iron to save time and energy" will be brought by Mrs. Carl Ray.

Present at Tuesday's meeting were Mrs. Herman Brown, Mrs. Arnold Lamb, Mrs. Donald Masten, Mrs. Sammy Leverett, Jr., Mrs. Raymond Hoffman, Mrs. Royce Hanna, Mrs. Carl Ray, Mrs. Jerrell Sharp, and Mrs. Thomas Lynch.

Labor survey of area underway

A large garment manufacturing industry which would employ a large number of women as well as men is considering locating in this area. A major factor in their decision is the number of genuinely interested people who are able to go to work. A labor survey of the area was begun Monday, September 13th.

The survey is being conducted by the Littlefield Chamber of Commerce, the Texas Employment Commission and the General Telephone Company. People who fill out forms will be given first consideration if and when employment begins.

The form is printed in today's issue of the Morton Tribune.

Plaques awarded two by Lions Club

At the Sept. 8 meeting of the Morton Lions Club two plaques were awarded to Lions' members.

Lloyd Miller who has been secretary for several years, received a plaque "in appreciation for excellence and continued service" in the Morton Lions Club.

George Boring, who was president last year, and who has moved to Houston, was mailed a plaque and a letter of appreciation from the Morton Lions Club.

Three injured in crash near here Saturday

An accident involving two automobiles and injuring three persons occurred about two miles south of here on Texas 214 about 7:55 p.m. Saturday.

Injured and admitted to Morton Hospital were Leon Bill Priddy, Morton, J. H. Rhyne, Morton, and Mrs. J. V. Sanchez, Hereford. According to a spokesman at Morton Hospital, none were injured seriously.

According to investigating officer T. A. Rowland, the Rhyne car, a 1962 Chevrolet sedan, made a turn off farm and market road 1169 on to Texas 214 going north when it became involved in an accident with a 1955 Buick driven by Jesus V. Sanchez, Hereford, that was going south on 214. The right front of the Sanchez automobile struck the left front of the Rhyne car, and extensive damage was done to both vehicles, according to Officer Rowland.

Leon Bill Priddy, Morton, was riding in the Rhyne car when the accident occurred.

Rhyne was given a citation for "failure to yield at right away."

Area tour conducted by FHA office here Friday

Many facts about Farmers Home Administration (FHA) loans in Cochran County were made clear on a FHA tour in the Morton area Friday.

Marvin E. Elliott, county supervisor for the FHA conducted the tour. Eighteen civic and area leaders in a caravan of cars visited three different locations.

The first location was the home of William J. Hodge, which is 4 1/4 miles east of Morton on State Highway 116. Hodge had made a rural housing loan from the FHA. He had been turned down for a loan by the Levelland Savings & Loan and the Paxton Insurance Agency. Marvin E. Elliott, county supervisor for FHA, said, "The FHA gives loans to people who can't borrow sufficient funds or get them at reasonable rates. The Hodge place is a good example of this."

The total cost of the Hodge place was \$17,350. FHA loaned him \$13,700 at 4% interest over a 33 year period. This was a 80% loan. His monthly payments on the loan run about \$63.00 plus insurance and taxes. If the Federal Housing Administration had made the same loan for the same amount of money, his payments would have been \$97.52 a month plus insurance and taxes, and repayment would have been over a 20 year period. The loan has been made at 5 1/2%, instead of 4%. The Farmers Home Administration loan gave Hodge 13 years longer to repay his loan than if he had borrowed from the Federal Housing Administration and his payments are \$34.52 a month less.

Elliott said that the loan was made by the FHA for a couple of reasons. Hodge was a native of the community and in a profession that appeared there would be a need for in Cochran County, book-keeping. Hodge is presently employed as School Tax Assessor.

The second place on the FHA tour was that of T. D. Marshall. Marshall had made a farm ownership loan from the FHA. In 1964 he needed a loan that totaled \$11,663.50 to include closing costs and cost of improvements.

The only available credit was from the Federal Land Bank for \$5,035 at 5 1/2% interest over a 20 year period. This loan would have been insufficient. FHA gave him a loan of \$8,800 at 5% interest to be repayed over 25 years. SCS of Great Plains gave him \$2,863.50.

The improvements Marshall was able to make were the construction of two machine buildings, the installation of 6" underground transite pipe, the installation of two lateral sprinkler lines, the installation of a 15,000 ft. terrace, and the establishment of 30 acres of grass.

The last place on the tour was that of John L. Fincannon. Fincannon had made several FHA loans in past years. But the one of special interest was the operating loan he made in 1965. FHA loaned him \$13,820 for two irrigation wells, 5910' of 6" transite underground pipe. He has 20 years to repay the loan at annual installments of \$1,109 and the loan was made at 5%.

What makes this loan so special is what it did for his income. In 1963-64 his gross income was \$11,164 and his net income was \$4,640. After the FHA loan, his projected 1965 gross income is \$18,545 and his projected net income is \$8,045. His increase in income for 1965 over the two previous years is an increase of \$6,381 in gross income and an increase of \$3,504 in net income. After the irrigation well payment of \$1,109, his increased net income is \$2,296 and the investment of his wells gives additional value to his property should he ever wish to sell it.

Elliott said that the Federal Government lost only one 200th of one percent on being paid back for FHA loans. He said that the Federal Government has never lost any money on a FHA loan in Texas.

In Cochran County as of June 30, 1965 the FHA has made the following number of loans:

Unduplicated No. Borrowers, 117.
Operating loans, 49.
Emergency Loans, 51.

Total loans for the fiscal year 1965 are \$1,460,920. The impact of these loans on the economy is estimated at \$5,465,080.

The projected income from the 85 farmers who have received operating and emergency loans including landlord share on tenant farms is \$2,059,698. The impact of the farm income on the economy is \$8,238,792. All this has been administered by only two FHA personnel in Cochran County. The Supervisor alone from Dec. 30, 1964 to February 11, 1965 worked 325 extra hours without pay.

Most of the loans made to farmers by FHA are made to individuals who are farming on large enough scale to support their families. Loans are also made, however, to farmers who run small operations and who have other jobs.

Each loan is made to fit a plan that will enable the farmer to make payments on the loan yet afford a good standard of living for his family.

County Supervisors, such as Marvin Elliott, assist borrowers in preparing the farm and home plan and provide on-the-farm assistance with farm management problems. Where major adjustments and improvements are being made, the County Supervisors meet with the farmers and see what can be done to better their farming operations for the coming year.

Veterans are given preference in obtaining FHA loans.

Applications for loans may be made at the FHA County Supervisors Office in the Community Activities Building in Morton.

Loans supplement and do not compete with credit provided by other lenders. The FHA provides technical and financial management assistance to farmers and often gives farmers credit when they can obtain none from other sources, or can only obtain insufficient loans.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Early churches used steeples to make the building higher than all others in the city. People could see God's House from any direction, and could easily find their way to a place of worship. Today, with many office buildings towering into the sky, churches are not always the tallest buildings. However, churches still point the way to God, and provide a place of worship. ATTEND CHURCH SUNDAY.

Tickets instead of silver coins to be used at fair

LUBBOCK — A shortage of half dollars has necessitated a revision in admission procedures for the Panhandle South Plains Fair which opens a six-day stand in Lubbock Sept. 27.

Hoarding of Kennedy halves, plus the fact that mints are not turning out as many 50-cent pieces as they once did, has created such a shortage that the turnstiles can be used only for tabulating fair attendance.

Charles Addams, Jr., fair association president, said that tickets would be used instead of coins, previously inserted into turnstile slots.

Fair officials are developing plans to convert change booths into ticket booths adjacent to the turnstiles. Tickets will be taken up at the turnstiles.

Gate admission prices remain unchanged at 50 cents for adults and 25 cents for children.

Fair officials said an exhaustive study was made in West Texas and Panhandle areas to determine if a supply of halves could be acquired. Finding only a limited number, the feasibility of converting the turnstiles to tokens was reviewed and found too costly.

Officials then decided on the ticket method, but it is not expected to delay the admission of more than 250,000 patrons expected this year.

Many new attractions, including the return of "Holiday On Ice" to Lubbock, will headline the 48th annual fair. Tickets to the ice show purchased in advance of the fair opening may be used as gate admissions, officials said.

Elliott serves as guide at 9th Annual Field Day

Marvin E. Elliott, Farmers Home Administration, Morton, was a guide at the 9th Annual Field Day at the High Plains Research Foundation Thursday afternoon, Sept. 9.

The Foundation has had the cooperation and assistance of professional agricultural leaders in the area at every Field Day since the program was started by farmers, ranchers, and businessmen in 1957. They have made the Field Days more profitable and interesting by assisting in conducting the field tours and explaining agricultural research to be seen by the visitors as they are transported on large trucks to the various field stops. Members of the Foundation staff give brief talks at each of the stops.

The offensive forward will have Ray King at center; Mike Irwin and Eddie Lyons at guards; Kenney Coats and Larry Shaw, tackles, and Mayland Abbe and Eddie Hollaway at the end positions.

Council
(continued from page one)

Mr. Barton of Barton Gin Incorporated gave a report on steps he had taken to eliminate dust and lint from the gin affecting Morton. Elra Oden said that the other ginners had been asked to appear at Monday night's session, but had not. He commented that Mr. Barton had been very cooperative with the city council and that it looked like the methods he had taken to curb the dust and lint problem might be sufficient.

Those present at the regular session which met at 7:00 p.m. at the city hall were, Mayor Dean Weatherly, City Secretary Elra Oden, Councilmen Tom Rowden, Walter Taylor, E. C. Seany, Kenneth Thompson.

most discriminating travelers, whether on business, vacation, or convention.

A standardized quality of fine service is maintained throughout the chain, assuring the guest that wherever he finds the sign of the Ramada Friendly Innkeeper he will be offered complete hotel service by hospitable management.

You may win a "Ramada Week-end" by simply registering at any of the participating business firms. A new week-end is given away each week, so be sure to register each week. You may register at as many business firms as you please as often as you visit them.

Once each week, each participating business firm will hold a drawing the winner of which will bring their entry into the main drawing for the Ramada week-end. These preliminary winners will be announced each week on a special page with each firm listing their entry in their ad space. One of these entries will be the eventual winner and will be published in the Tribune.

There are no purchases required to register, so be sure you stop at stores displaying the Ramada red and white placards in their business windows. You might get the thrill of a Ramada Week-end for your family. There will be ten families from Morton and Whiteface trading area that will be the guests of the Ramada Inns for a fun filled week-end.

The Ramada Inn takes its name from the Spanish. A literal translation is: "A shady resting place by the side of the road where the traveler may relax and partake of fine food". Best wishes to your success in winning.

Here is a list of the participating firms where you may register: Truett's Food Store, Ramby Pharmacy, Allsup-Reynolds Chevrolet Co., Ideal Gift Shop, Jackson Farm and Ranch Store, Seaney's Food Store, Frontier Lanes, and Byrons Auto Supply, all of Morton, and Dickerson Grocery in Whiteface.

Large crowd eats booster club cakes

Some 175-180 people were served at the annual pancake supper sponsored by Morton Athletic Boosters Monday night in the school cafeteria.

Club officials proclaimed the event a success, and expressed their thanks to all those who helped in any way. Several people who are not even members of the booster club pitched in and helped with the serving or the clean-up.

Following the meal, Morton coaches commented on the Morton-Muleshoe football game last Friday night, and showed the film of the contest to those present.

Next meeting of the booster club will be Monday night, September 20, at the high school building.

Wesleyan Guild salad supper held Monday

The annual Wesleyan Service Guild salad supper was held Monday evening at 7:30 p.m. in Fellowship Hall of the First Methodist Church. Twenty six members and guests were present for the first meeting of the year.

Mrs. W. B. McSpadden, president of WSCS, was their special guest.

Mrs. W. J. Wood, president, presided and gave the welcome.

After the supper Mrs. E. O. Willingham, vice-president and program chairman, reviewed the work for the year ahead.

Mrs. Fred Stockdale gave a most interesting introduction to the Bible study, "The Christian's Call-

ing." She will present the study in the next five meetings.

A life-time membership pin was presented to Mrs. E. O. Willingham by Mrs. W. J. Wood on behalf of the guild.

Yearbooks for 1965-66 were handed out to all those present. The theme for the year is "Living In Such An Age."

A CONTESTANT tries his skill Sunday afternoon at the roping contest held by The Morton Roping Club. Cowboys from all over Texas and as far away as New Mexico participated. TRIBpix

Roping contest sponsored here by local club

The Morton Roping Club held a roping contest Sunday afternoon with entrants coming from all over Texas and as far away as New Mexico.

James Dewbre said that he thought as many as 41 ropers took part in the contest. He said that the club was going to try to make it an annual affair and have two contests a year. He said that they would try to have a contest whenever they got a fresh bunch of calves.

The contestants' entry money was given back in prize money. The winners with their overall times for four go-around were:

- Joe Hall — 1st, 51.2.
 - Tuffy Cooper — 2nd, 51.9.
 - Buttons Howard — 3rd, 52.8.
 - Windy Jones — 4th, 54.9.
- Winners in the go-arounds were:
 1st go — Joe Hall, 11.6.
 2nd go — Sam Rush, 11.5.
 3rd go — Jimmy Cooper, 10.0.
 4th go — Dick Zackery, 9.6.

Winners in the barrel race with the time for two go-around were:
 Debby Ferguson, 36.7.
 Dorothy Bourland, 37.1.
 Judy Garnet, 37.4.

By MRS. H. W. GARVIN

We welcome the new Enco service station to the community. The new station is in Maple and owned by Connie Clevenger of Morton. The station is equipped for all services to cars and pickups. It has been completely re-done and had its formal opening Saturday. Mr. Clevenger and his family now live in Morton, but plan to move to Maple soon. They have two children.

Mr. and Mrs. Darnel Williams have a baby boy born Tuesday at 9:55 p.m. at the Green Memorial Hospital in Muleshoe. Darnel DeWayne weighed 7 pounds and 3 ounces and was 21 inches long. His grandparents are Mr. and Mrs. George Tyson of Maple and Mr. and Mrs. C. A. Williams of Bula.

Mr. and Mrs. Jack Furguson are building a new home on their farm west of Maple. The W.M.S. of the Maple Baptist Church met Tuesday afternoon in the home of Mrs. A. E. Robinson. The lesson was taken from the circle program, "The Increase." Those present were Mrs. E. M. Lowe, Mrs. Wright, Mrs. Dennis

Herd, Mrs. D. L. Tucker and the hostess, Mrs. Robinson.

Mrs. Cecil Courtney was a patient in the Green Memorial Hospital last week.

Mr. and Mrs. George Wheeler and children of West Camp were guests of their parents, the Johnnie Wheelers, Friday.

Mrs. R. L. Reeves is in Green Memorial Hospital.

Mr. and Mrs. Jimmy Wheeler and children of Lovington, New Mexico visited in the home of his parents, Mr. and Mrs. Johnnie Wheeler, Sunday.

Mr. and Mrs. Clarence Benton from Phoenix, Arizona are visiting in the home of Mr. Benton's daughter and family, the Rayford Mastens. Mr. Benton and Rayford Masten went to Lake Kemp over the week-end for a fishing trip.

The Three Way football team went to Sans to play football Friday night. They lost the game.

Mr. and Mrs. LeRoy Johnson attended the Key to Progress program Friday at Littlefield and visited their son, Roy B. Johnson of Austin.

Bula defeated by Southland 12-8

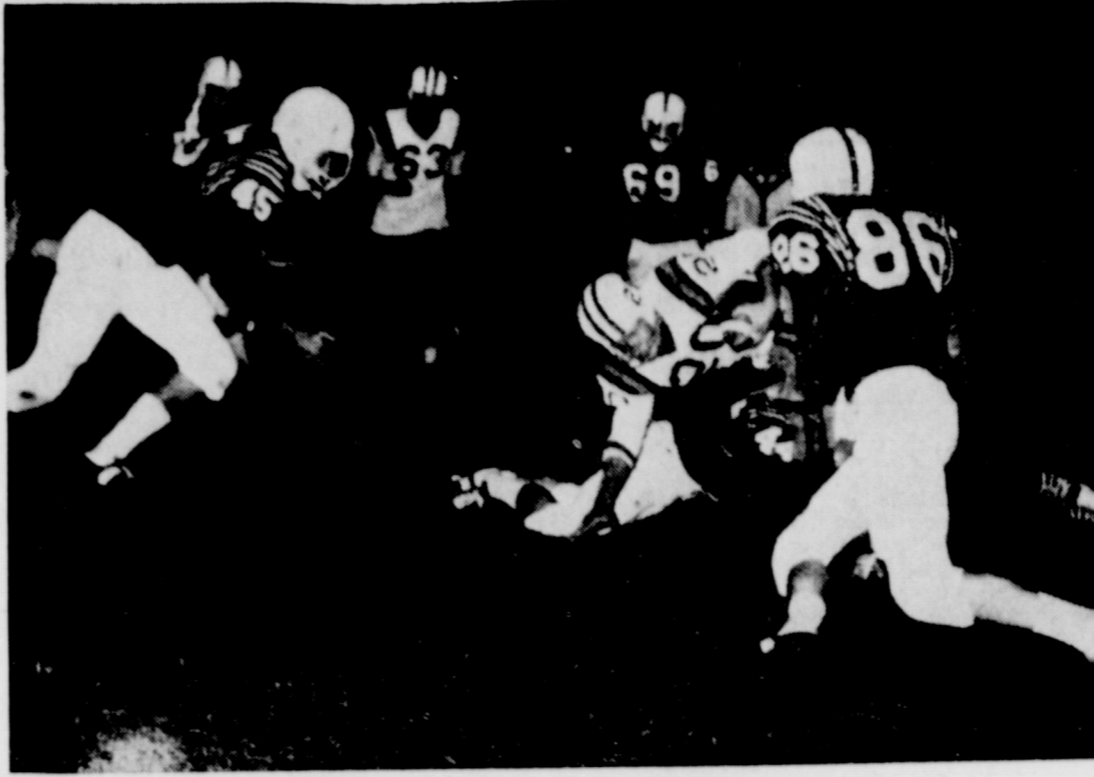

Bula was defeated by Southland 12-8 in its season opened Friday night.

Bula scored in the first quarter on a 52-yard pass from senior quarterback Sammy Nichols to senior halfback Kenneth Overland.

Southland scored in the second quarter on a 45-yard run and in the last of the third quarter. Coach C. W. Fincher commended several of his players. He said that on defense Kenneth Overland, Sammy Nichols, and Dennis Turney looked good.

Bula plays Sands Friday. Sands is reported to have 14 starting players that are either juniors or seniors, and a total of 45 out for the squad.

Coach Fincer said, "Sands will be tough. But if we can get our defense going, I think it will be a real good game. We are a young team, and we are still learning, and this makes it a little rough when you come up against an experienced team." He added, "We now have every boy in high school out there with a good attitude."

Indian gainer . . .

RANDALL TANNER goes down on a tackle by Muleshoe's Ranson Jones in this action during the Morton-Mule contest last Friday night.

Coming in to assist Jones is Ronnie Swint (45) and Billy Darnell (86). Muleshoe won the contest, 10-0. TRIBpix

Whiteface gridders fall to Meadow in opener

The Whiteface Antelopes lost their season opener with Meadow Friday night 30-0, at Whiteface.

Meadow scored once in the first quarter, made a safety in the second, scored in the third, and scored twice in the fourth.

Whiteface, which has a young and inexperienced team this year, got inside of the Meadow ten yard line twice, but was unable to score. Coach Dale Reed said, "We did a lot of good things, but we got in the hole quick and just never got out. We should have scored." He added, "Next week I feel that we will be a lot better. I know we learned a lot this week and I feel that we will be improved. We are young and inexperienced, and this hurt us also."

The Whiteface Antelopes started and used two freshmen, two sophomores, five or six juniors and two seniors. Coach Reed said, "Our two freshmen did some good things and gained some experience." The freshmen were Wayne Logan (G) and Ricky Sweeney (HB). Other players that looked good to Reed were Wid Seward (T), Glendale Pearson (RE), Darrell Kitchens (FB) and Alvin Nock (E).

Whiteface has been partially hampered by injuries. Out are one of which was a leading scorer three experienced ball players,

Little League has election of officers

Election of officers of the Morton Little League was held at a recent meeting of interested citizens.

Herman Bedwell is new president of the group, with Jerry Darnell to serve as vice president. Other officers are Tommy Hawkins, secretary; Buddy Franks, treasurer; Cullen Dansby, equipment manager, and Rusty Reeder, player agent.

Bedwell said a meeting of the officers and parents of participating boys would probably be held some time in February, so that plans for the 1966 season can be made at that time.

Morton's still-hustling Indians may have a tougher time of their hands Friday night at Crosbyton than it looks like on paper. The Indians should be able to handle the Chiefs, but the Crosbyton boys will be out for revenge after the defeat hung on them by the locals last year. Morton won last year's contest rather handily, 26-0 with reserves playing much of the time. But Crosbyton has almost their entire team back, and they could be pretty tough as the season rolls along.

The Indians still won't be at full strength Friday night. Elliott, who was injured in the Oton contest, will rest another week and Kenny Palmer, who hasn't seen any action this year at all, still a question mark. No new injuries were reported after the Muleshoe contest last Friday night or in workouts this week.

Possession (or lack of it) cost the Indians dearly in the contest against Muleshoe Friday night. Morton ran 42 offensive plays, while Muleshoe ran 58. The Indians got off only 18 plays in the second half.

If you missed the booster club's pancake supper Monday night, you missed a good feed. Some of those booster members sure know how to handle themselves around a kitchen. Those who stayed around to watch the Morton-Muleshoe film seemed to enjoy it.

The Morton travelling squad of both football and basketball teams will soon be dressed in resplendent gold blazers, purchased by the booster club. Smiley Monroe pushed the drive for the jackets and he and James St. Clair are due most of the credit for the project. The blazers will remain the property of the school, and be used from year to year.

SHORTIES . . . Billy Jack Laws started working out with the Indians this week. Laws, a letterman and starter in several games last year, will be eligible for play in a month. . . The Tribune had a heck of a time getting Timmy Petree's picture this year. Somehow we missed Timmy when we took all of the other player pictures, so we re-took one Tuesday. A goof-up in the dark room ruined that one, so we're still hoping to get one before the season is over. . . Timmy tied for high honors in the Muleshoe game both the offensive and defensive back. Jimmy Joyce was the offensive back, and John St. Clair the offensive back. High point lineman in the films on offense was Mike Irwin, while Larry Smith took defensive honors.

Honor S. E. Williams' on 50th anniversary

Mr. and Mrs. Sidney Edward Williams celebrated their 50th wedding anniversary Sunday in the home of their son and daughter-in-law, Mr. and Mrs. Henry Williams.

Approximately fifty friends and relatives called between the hours of 2 and 5 p.m.

Children of the couple and families served as hosts for the occasion and included Mr. and Mrs. Williams and children; Mr. and Mrs. W. R. Patrick and Gary of Corpus Christi; Mr. and Mrs. Jimmy Clark, Aspermont; Mr. and Mrs. O. Y. Brooks, Ulysses, Kansas; and Mr. and Mrs. Aubrey Sanders and children of Arlington. Mrs. Raymond Ballew of Memphis was the only child unable to attend.

The refreshment table was laid with a white lace cloth over gold. Gold laces, accented with yellow rose buds was draped from the edges. Gold punch was served with the three tiered anniversary confection which was ornamented with golden roses and topped with a gray haired bride and groom. Granddaughters served and registered the guests.

Arrangements of gold gladiolas, yellow roses (sent by friends from Tennessee), red roses, and gold mums were displayed at vantage points in the home. Artificial flowers, given as gifts, were also used.

Gifts were displayed on a bed covered with a white crochet bedspread over gold.

The honoree wore a pale blue dress with black accessories. An orchid corsage completed her ensemble. Mr. Williams was dressed in a black suit and wore a white carnation boutonniere.

The family attended services at the Maple Baptist Church Sunday morning.

Rep. Jesse George speaks at meeting of garage owners

State Representative Jesse T. George, Cochran County's state legislator, told delegates from across the state to the annual convention of the Independent Garage Owner's Association, Saturday, that, "both the safe automobile and the safe driver must go hand in hand in providing a death-free drive down our Texas highways."

George emphasized that the 45 Texans who lost their lives in traffic accidents during the Labor Day holiday might well have been avoided if Texas had a more rigid vehicle inspection law and a revised driver's license law.

Representative George praised the group for their outspoken interest in driver safety, adding, "Don't let your enthusiasm die, because if you do, in turn, more citizens will die in traffic mishaps."

An explanation was given by George regarding the proposed measure before the recently adjourned 59th Session of the Texas Legislature to raise the present \$1.00 safety inspection fee to \$2.00 with a portion going to a special student driver education program. George stated that the revision plan passed successfully in the House of Representatives, but did not see final passage in the Senate.

The IGO State Convention was held at the National Guard Armory in Brownfield.

NEARLY BREAKING AWAY for a long gain is Morton's Timmy Petree in the contest with Muleshoe Friday night. However, Ranson

Muleshoe hands Indians second '65 gridiron defeat Friday night, 10-0

Morton's Indians absorbed their second shut-out defeat in a row Friday night, as they fell Friday night before a strong, hard-hitting bunch of Muleshoe Mules, 10-0, on the local gridiron.

Although the local eleven showed considerable improvement over their season's opener against Olton, the Indians couldn't contain the powerful Muleshoe attack.

The Indians threatened twice, but both times were foiled by fumbles, one on the Muleshoe 26 yard line, and the other on the Muleshoe nine. Both times the Mules recovered the loose ball. Muleshoe, who fumbled nine times in their opener against Dimmitt, dropped the ball only once, and Larry Smith pounced on it for the Indians.

Ronnie Swint, Muleshoe fullback who was listed at 185 lbs. on the program, and who weighed every ounce of it, was a hard man for the Indians to stop. He did not break loose for any long gainers, but his power was good for several yards every time he carried the ball. Ranson Jones and Joe Adams, Mule halfbacks were also effective throughout the contest.

Morton's offense, although still not operating as efficiently as it can and must if the Indians are to break into the winning column, was better than in the opening tilt against Olton. Timmy Petree continued to do a fine job carrying the ball, and Jimmy Waters, inserted into the line-up for the first time Friday night, showed a lot of promise.

The first Muleshoe score came with 1:42 remaining in the first quarter. The Mules recovered a Morton fumble on the Muleshoe 29 yard stripe to begin their drive. Fullback Swint reeled off his longest run of the evening during their scoring drive, running 22 yards to the Morton 46. After a six yard gain by Adams, Muleshoe found themselves on the Morton 25 as a result of a 15 yard penalty against the Indians for unnecessary roughness. Muleshoe made it as far as the 19, but an offside penalty set them back, and on fourth down, they attempted a field goal from the 30, with the line of scrimmage at the Morton 24. Joe Adams kick, despite a prevailing easterly wind, was square between the up-rights and Muleshoe led, 3-0.

After receiving the kickoff, the Indians began to move toward the goal, helped along by a pass interference penalty against the Mules. The Morton club was on the Muleshoe 44 when the first quarter ended.

Early in the second period, Morton moved to the Mule 25 as the result of a roughness penalty against Muleshoe, but the locals could go only to the 24 before they lost the ball on downs to the Mules.

Muleshoe began another sustained drive which lasted most of the second quarter, but the Indian defenses stiffened, holding the Mules on the Morton 17 yard line, two yards shy of a first down. With time running out in the half, the Indians rolled up a first down, but had a pass intercepted by Philip Short on the last play of the second period.

The third period was disastrous for the Indians. They received the kickoff and ran three plays before being forced to punt. The next time they had possession of the ball, only 23 seconds remained in the period, and Muleshoe had a 10-0 lead.

The Mules consumed almost all of the time in the third quarter making their touchdown drive. The longest single gain on the ground was a nine yard jaunt by Jones, although Muleshoe did complete their only pass of the night during

the drive, a 16-yard aerial from quarterback John Thompson to Billy Darnell, to give them a first down on the Indian 27.

The Mules continued hacking away at the Morton line until they had a first down on the Morton five. Swint hit to the one yard line, and then went over for the touchdown with 23 seconds left in the canto. Adams added the extra point.

Morton mounted their most serious threat after receiving the kickoff. The Indians racked up four consecutive first downs with Petree and Waters doing most of the ball carrying, and came up with a first and ten situation on the Mule 18 yard strip. Waters advanced the ball to the 12, but fumbled on the next play as he crossed the ten yard line, and Muleshoe recovered.

The Mules slowly advanced across the mid-field stripe, and as far as the Morton 31, but a clipping penalty stalled the drive, and they were forced to punt. Muleshoe's Adams picked off a St. Clair pass three plays later, and Muleshoe ran the clock out, content with a 10-0 victory.

Larry Smith did a good job for the Indians on defense in the line, while Jimmy Joyce and Petree were outstanding on defense in the Morton secondary.

Three-way drops football opener to Sands, 24-6

The Three-way Eagles lost their opening bout of the season Friday night against Sands 24-6. The score was tied 6-6 at half time. The Eagles scored in the first half from a 10 yard pass by freshman quarterback Bruce Pruitt to senior right end Johnny Harris. Pruitt had only worked out in the quarter back position one week and this was his first game in that position.

Sands scored once in the first quarter, once in the third, and twice in the fourth quarter. The last touchdown was made when Sands intercepted a pass on the Eagles own 10 yard line and scored with only a few minutes

left in the game.

The Eagles have a young team this year. They lost eight boys from last year's squad and are starting four freshmen and two sophomores. One of the sophomores is the quarterback. The Eagles have one senior.

Sands used seven seniors and seven juniors in Friday night's game and appeared to have the advantage in weight and depth, as well as experience.

The Eagles have also been plagued by some injuries. James Kindie, a freshman quarterback, has been out with injuries. Coach J. W. Aldridge said that he might play a little against Dawson as a guard Friday night. Wendell Williams, a freshman end has been out with injuries and he may be able to go by Friday night also, Aldridge said.

Coach Aldridge commended several of his players. He said Tommy Black Jr. was the leading ground gainer and made several fine runs. He said that freshman end Charlie Abbe and sophomore end Charlie Toombs played fine defensive games, and that Johnny Harris and Bill Dewbre played fine all around games.

Aldridge said that the next game against Dawson would be tough. He said that Dawson had a lot of experience with a great many of their players returning from last year. Aldridge said, "We will just have to keep playing hard and keep learning as we go along. Then, by the time we reach district, I feel that we will be in real good shape."

Visiting Friday in the home of Mr. and Mrs. E. O. Willingham were her brother, Mike Yohner of Avenel, California and her mother, Mrs. Mary Yohner of Littlefield.

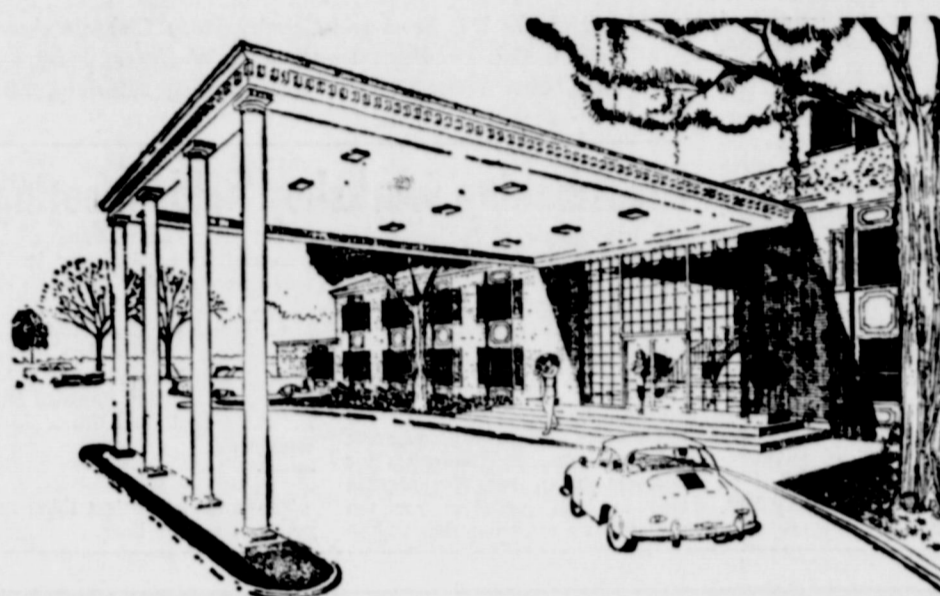

Mrs. J. D. Tipton returned home last Sunday from a week's visit in Washington, D.C. with her son and family, Mr. and Mrs. Joe Tone Daniel and daughter, Mr. Daniel is a former resident of Morton.
