Plans being made on proposed area youth conference

The second meeting for the proposed Cochran County Area Youth Conference on crime has been scheduled for Tuesday, Sept. 28, at 7:30 p.m. in the Chamber of Commerce office, according to Chamber Manager, Jesse T. George.

The delegates to the three prior Attorney General's Youth Conferences in Austin will be in attendance. Letters will be mailed to each delegate explaining the conference.

George returned this week from Austin where he gathered information and planning details for the Jan. 22, meet. Additional material will be sent to Morton, after the youth delegates met on Sept. 28.

Following the youth meeting, adult sponsors and interested citizens will schedule a meeting to formulate plans for a meal to be served Jan. 22. George expressed appreciation to members of the L'Allegro Study Club for initiating the local conference. He said, "It is a rewarding thought to find that the L'Allegro Study Club has taken the initiative and responsibility of contacting all other clubs, schools, churches, and civic leaders in Cochran County area to promote the first youth conference on crime."

★ Applications

Applications are again being received for city patrolman, according to Police Chief Burtis Cloud. Applications should be in by 5:00 p.m., Monday, Sept. 27. Applications may be submitted to Chief Cloud or turned in at the City Hall. Chief Cloud urged anyone who might be interested in the job to submit their application.

Bula School to have own page

Starting this week, the Bula School will publish a school page in the Tribune the third week of every month.

This is the first time in many years that a school has published its own page in the Tribune. The Bula students, under the supervision of Superintendent Marion J. McDaniel, will work on the page in the Senior Typing Class. McDaniel said, "We have a small group of students who are interested in journalism, and are really working at it. This all started as a typing class and now the kids are putting out a paper twice a month at the

The Country Music Festival Association of Morton will present a two-hour stage show starring Hank Williams, Jr., in the Cochran County Auditorium on Tuesday night, October 12, at 8:00 o'clock.

The show will also feature Williams' band and Audrey Williams, widow of the late, great country singer and composer, Hank Williams, Sr. The show will be family-style entertainment, featuring these big-name stars, direct from Nashville, Tennessee, in Morton for the first time. The net proceeds from the show will be used for prize money in the 1966 4th Annual Texas' Last Frontier Country Music Festival. According to Elvis Fleming, president of the Country Music Festival Association, advance tickets are now on sale at Morton Drug and at KRAN studios. Advance tickets are \$1.75 per person. Admission at the door will be \$2.25 per person. Hank Williams Jr. will be singing songs that he sung in the soundtrack of the movie "Your Cheatin' Heart", as well as many other hits made famous by himself and his father.

Indians will go against Portales here Friday night

A revamped Morton Indian lineup will take the gridiron Friday night, still looking for their first 1965 victory as they take on the Portales Rams from across the border in their second home game of the season.

Head Coach J. P. Jones is making changes in both his offensive and defensive alignments in an attempt to come up with a winning combination.

The Indians, who have been hobbled by injuries thus far in the season, will be near-full strength for the Portales match, with Kenney Palmer and Jerry Elliott both back in the line-up this week.

Palmer will go both ways Friday night, running either at half-back or fullback on offense, and taking over one of the outside line-backer spots on defense. Palmer, who was injured the first day of practice back in August, saw his first 1965 action last week against the Crosbyton team, but he played on offense only.

Joining him in the backfield will be sophomore Jimmy Waters, a late reporter for football practice, who is slated to take over the running back slot opposite Palmer. Both Waters and Palmer have been working out at both positions who will play where, this week.

Larry Smith has been moved from his middle guard position on defense back to a tackle slot, but it isn't known as yet who will take over his former position.

Rain whips Morton early Monday

About 4:30 a.m. Monday morning gusty winds accompanied by driving rain hit Morton unexpectedly. Total rainfall for Monday was 1.52 inches, most of it falling early in the morning.

Residents of the area went to bed Sunday night leaving their car windows rolled down and their

house windows open. Sunday evening gusty winds accompanied by driving rain hit Morton unexpectedly. Total rainfall for Monday was 1.52 inches, most of it falling early in the morning.

Friday, Sept. 17, it rained .02 of an inch, most of it coming down after dark. Fans at the Whiteface football game got a little wet but the rain held off at Crosbyton.

4-H Week to start Sept. 26

National 4-H Club Week will be observed by 4-H Club members in Morton County, September 26 to October 2. Morton has two 4-H clubs, Bledsoe one, and Whiteface

Activities celebrating 4-H Club Week started earlier in the month at Whiteface. 4-H members, parents, leaders and guests attended a covered dish supper and were entertained by the Whiteface band, pianist Robert and Rodney Wilson, and a ventriloquist. Donna Reeves and Pam Cagle closed the program with a song. Forty persons attended.

Other activities included a cov-

ered dish supper on September 27 for the Morton Community 4-H Club and a progressive dinner for Senior 4-H Club members and guests on October 4.

Adults are getting into the act also with meetings to plan expansion of 4-H work in each community.

Among the aims of 4-H Week this year are, to encourage more young people 9, to 19 years old to join or form new 4-H Clubs; acquaint more parents with 4-H and enlist their cooperation; urge a larger number of capable, public-spirited men and women to volunteer as 4-H leaders; recognize the important part played by friends of 4-H locally and nationally, and express appreciation to them.

Aiding club members with 4-H events here and elsewhere will be 367,000 4-H local leaders, who guide 4-H work in their communities throughout the country. They will be assisted by 138,600 older 4-H'ers called Junior leaders.

Tired American . . .

(Editor's note: The following article recently appeared in the Virginia, Rock County Star Herald, and we thought it worth printing, as it also reflects our views.)

I am a tired American.
I'm tired of being called the ugly American.
I'm tired of having the world panhandlers use my country as a spring boy 365 days a year.
I am a tired American—weary of having American embassies information centers stoned, burned and sacked by mobs operating under orders from dictators who preach peace and breed con-

I am a tired American—weary of being lectured by General DeMille (who never won a battle) who poses as a second Jehovah righteousness and wisdom.

I am a tired American—weary of Nassar and others who bleed Sam White and kick him on the shins and yank his beard if the flow falters.

I am a tired American—weary of having my tax dollars go to doctors who play both sides against the middle with threats of will happen if we cut off the golden stream of dollars.

I am a tired American—disturbed by the lazy do-nothings wouldn't take a job if you drove them to and from work in a Royce.

I am a tired American—who is tired of supporting families haven't known any source of income than Government relief for three generations.

I am a tired American—who is angered by the self-righteous booster critics of America, at home and abroad, who set impossible yardsticks for the United States but never apply the same standards to the French, the British, the Russians and the Chinese.

I am a tired American—sickened by the slack-jawed bigots wrap themselves in bedsheets in the dead of night and roam countryside looking for innocent victims.

I am a tired American who is sick of reading about and looking at Negro extremists who use the cloak of "civil rights" to loot and pillage, who seek full equality under the law but who are willing to work their way into responsibility.

I am a tired American who resents those who try to peddle belief in schools and colleges that capitalism is a dirty word and free enterprise and private initiative are only synonyms for greed.

They say that they hate capitalism but they are always right at the head of the line demanding their share of the American way of life.

I am a tired American who gets more than a little bit weary of the clique in our State Department who choose to regard a policy of neutrality as prudent—the same group who subscribe to a "no-policy" in Viet Nam.

I am a tired American—real tired of those who are trying to sell me on the belief that America is not the greatest nation in all the world—a generous hearted nation—a nation dedicated to the way of trying to help the "have nots" achieve some of the good things that our system of free enterprise brought about.

I am an American who gets a lump in his throat when he hears the "Star Spangled Banner" and who holds those chilling high notes the brass trumpets when Old Glory reaches the top of the flag

I am a tired American—who wants to start snapping at those "high priests" who want us to bow down and worship their idols and who seek to destroy the belief that America is the land of the free and the home of the brave.

I am a tired American who thanks a merciful Lord that he was lucky to be born an American citizen—a nation under God, with mercy and justice for all.

Ford dealers announce punt and pass contest

Jones Ford Sales of Morton, along with the Ford Dealers of America and the National Football League, are announcing the fifth annual Punt, Pass and Kick competition for the Morton area's 8-through-13-year-old football fans.

Registration for the PP&K contest is now underway at Jones Ford Sales, 219 W. Washington in Morton, and will continue through Friday, October 8. Actual competition will be the following day, Saturday, October 9, at the local football field.

Eighteen local awards will be given with first, second and third place prizes given in each of the six classifications. Boys in each age group, eight through thirteen, will compete only with boys of their own age. In the eight, nine and ten year old classifications, first place winners will be given official Dallas Cowboy warmup jackets, while second place winners will receive football helmets. Third place winners will be awarded footballs.

Boys in the eleven, twelve and thirteen year old brackets will receive first, second, and third place plaques as their prizes.

Officials at Jones Ford Sales emphasized that the Morton competition was open to all area boys, and that young men from Bledsoe, Whiteface, Maple, Enochs and Bula, were eligible and invited to compete as well as the Morton boys.

The registration form must be signed by a parent of the participating youngster, and those who register will be given a booklet on punting, passing and place kicking tips written by NFL experts, along with an attractive PP&K tie-lapel pin.

All six winners of the Morton contest will compete in district competition in Lubbock. Winners in the Lubbock competition will travel to Dallas for the area meet. Finals of the PP&K are slated for January 9, 1966, during half-time of the NFL Playoff Bowl Game in the Orange Bowl at Miami, Florida.

Since its inception in 1961, the PP&K program has attracted more than 1,700,000 entries throughout the country.

Search is underway for Citizen of Year

The Morton Area Chamber of Commerce will again recognize the "Citizen of the Year" at the annual Chamber of Commerce Banquet scheduled for October 23.

Members of the Morton Area Chamber of Commerce are entitled to submit their choice of nominations for this honor. The Citizen of the Year Award will be made to a deserving male or female whom the members feel has made the greatest contribution to the growth and development of the area encompassed by the Morton Area Chamber of Commerce.

A committee will process the nominations of the persons who receive the largest number of recommendations.

Perennials topic for Cochran Garden Club

The Cochran County Garden Club met in the home of Mrs. Kenneth Thompson on September 20, 1965 with Mrs. Charles Jones presiding.

Mrs. Murray Crone was leader of the program for the evening titled "To Place A Jewel," a comprehensive study of perennials in landscape design. The quotation for this program was, "The tents of autumn — a might flower garden, blossoming under the spell of the enchanters frost." Mrs. Crone defined perennials as those plants (including some of our most beloved garden flowers) that die down in winter and renew their growth in the spring. Many of these originating from wild flowers or seeds brought by early settlers from other countries.

Mrs. Truett McCuiston gave requirements for over-all planning of perennials in landscape design. She said that it requires artistic skill of a wide scope to create a pleasing color composition in the landscaping of perennials. She listed things to consider in planning as the life cycle of the plant, position of planting, period of growth, ultimate height, color range, season of bloom texture of foliage and culture of the plants. She told members that to develop a planting plan, a drawing scale of beds and borders must be made using 1/2" to 1 ft. as a workable scale. Then to compile a list of plants grouped according to season, color and height and to choose the ones preferred from this list.

Mrs. Hessie B. Spotts told the group of the requirements for placement and interplanting. She said "plantings should not be made in straight rows like marching soldiers." Soft colors and foliage

plants should be placed near the house with occasional spots of vivid colors for accents. Most bright colors should be placed away from the house.

Mrs. Willie Taylor gave general planting directions for perennials. She told members to "read the directions on the back of the seed package" as a start. Then to properly prepare the soil before planting. Double digging to a depth of from 15" to 24" was recommended along with the working into prepared beds of some kind of mulch. She said that flowers such as California poppies, larkspur and cornflowers may be sown in the fall and are more vigorous bloomers. Spring was recommended as the time to plant tender perennials such as petunias by sifting the top inch of soil when planting.

Mrs. C. B. Jones, Civic Beautification Chairman, reported that two boys had been hired to work two hours each twice a week on the landscape project at the Morton Memorial Hospital. The members were asked to work on one of two days this week to complete projects now underway.

Mrs. Murray Crone reported that plans for the organizational meeting of the Junior Garden Club had been postponed for a few weeks.

The next regular meeting of the Cochran County Garden Club will be October 4 in the Production Credit Association building with the social committee as hostesses. The Le Fleur Garden Club will be guests for this meeting which will involve a study of the Flower Show Schedule in preparation for the Fall Flower Show to be held in

President's dinner is held by L'Allegros

L'Allegro Study Club held its annual President's Dinner September 16 in the home of Mrs. Truman Doss. The affair was held at 8 p.m. Theme for the club year, "Americanism", was very successfully carried out through the evening.

Members were met as they arrived by the hostesses who were dressed in red and white striped shifts with blue ties. Hostesses were Mrs. Doss, Mrs. Elwood Harris, Mrs. Bobby Travis and Mrs. Jack Wallace.

The serving table was laid with a white cloth and centered with an arrangement of red, white and blue. Base of red depicted the Liberty Bell and was topped with red geraniums and accented with red, white and blue puffs, American flags and red curled pipe cleaners. Red candles flanked the centerpiece.

Tables-for-four were covered with red and white striped cloths. Centerpieces were red hurricane lamps on bases of glittered blue and red puffs. American flags were placed above the candles and small white banners trimmed in blue and red were used as place cards.

A hearty welcome was given the members by the hostesses in poetry form in unison. Mrs. J. C. Reynolds gave the invocation. A delicious meal was served which was prepared by the hostesses. Members stood and sang "The Star Spangled Banner" lead by Mrs. James McClure.

Mrs. Harold Drennan, first vice president, introduced the president, Mrs. W. B. McSpadden, who gave an inspiring message to the members. It was in poetry form challenging the members for the new year.

Mrs. McSpadden was attired in

white and wore a red corsage trimmed in blue which was presented to her by the hostesses.

Theme for evening was "The Banner is Unfurled". Each member felt it was the beginning of a very successful year.

Guest for the evening was Mrs. Louis Harris. Members attending were Mrs. H. B. Barker, Mrs. Doss, Mrs. Drennan, Mrs. Greene, Mrs. John Haggard, Mrs. Harris, Mrs. Eddie Irwin, Mrs. McClure, Mrs. McSpadden, Mrs. W. B. Merritt, Mrs. Reynolds, Mrs. M. A. Area farmers and businessmen turn out for Cochran farm tour

Afternoon about 34 area farmers and businessmen braved heat and cold for the farm tour sponsored by the Cochran Soil Conservation District and the County Extension Service.

The first stop the caravan of cars made was at the R. M. Waller place, about five and one half miles north of Whiteface. C. T. Dansby, work unit conservationist for the Cochran Soil Conservation District, was in charge of the tour at this point. He explained that the Waller place was a good example of "a livestock operation that had a place in cotton and grain operation." The land was planted in 30 acres of bermuda grass, 56 acres

of rye, and 90 acres of side oats grama, a native grass. Dansby said that some of the land was shallow ground and rocky and that this is one reason it was cultivated for grazing. Eighty percent of the cost of the grazing program was paid for by the Great Plains Conservation Program.

The second place on the tour was that of Weldon Newsom, about one mile east of the Morton Country Club. Newsom had built 1703' of diversion terraces and 3433' of parallel terraces in the early part of 1965. Seventy percent of the cost was assumed by the Federal Government was willing to assume cost because it felt that the improvements would be a permanent deterrent to erosion. He said that in the 1930's portions of Cochran County was in the dust bowl, and that programs such as those on the Waller and Newsom places helped stabilize agriculture. He said, "The land here in Cochran County has to be able to produce crops for future generations as well as today's."

The third stop was a field of Earl Palvado, located near the golf course. County Agent Homer Thompson took over the program at this point and explained and showed the plots that were set aside for the control of nematode and cotton wilts. He explained that several species of nematode were injurious to cotton, but that the root-knot nematode (Meloidogyne incognita acrita), was most destructive. He said root-knot larvae enter the tips of small roots, move

Nematode control . . .

THIS PART OF the field of Merlin Roberts was treated for nematode. One gallon of fumazone to nine gallons of water were used per acre. The cotton is good, and healthy on

this treated plot, but thin and weak on the untreated portion of the field. The field was seen Friday on a tour sponsored by the County Extension Service, and the Cochran Soil Conservation District.

for a short distance in the root tissues, become fixed, and feed on root tissues. Feeding by the nematodes produces galls or knots on the plant roots. Lateral roots die and the plants are dwarfed.

Thompson explained that nematode can be reduced by cultural practices, resistant varieties and soil fumigation. He said there are root-knot nematode-resistant cottons available and that fumigants (nematocides) will control nematodes. He added that crop rotation of grasses, sorghum, small grains, corn, peanuts, alfalfa, cowpeas and soybeans also reduced root-knot nematodes.

The next stop was the Earl Palvado field about one mile east of town. In this field the wilt and nematode was not controlled. Thompson explained a little about the fusarium wilt, which causes heavy losses in sandy soil. He said that infected plants are killed or stunted and fruit earlier

than healthy plants. Leaves of the young plants may wilt and drop, leaving the bare stems. Some of the symptoms in older plants are brown to blackish wood, being solid or in streaks, severe wilting, fired and yellowed leaves, leaf fall and plant death. Nematodes and fusarium wilt is usually closely associated. Wilt may be controlled by growing wilt-resistant varieties, rotating crops, or using soil fumigants.

The fifth place of interest was that of Merlin Roberts, about two miles northeast of Morton. This was a nematode control demonstration. Plots of the field that had been treated for nematode showed good, healthy cotton plants, while the untreated plots produced thin, weak cotton plants with a low yield. One gallon of fumazone was added to nine gallons of water per acre on the treated plots.

The sixth stop on the farm tour was the J. W. McDermitt place on the Muleshoe Highway. Here,

Thompson explained the cotton seedling control demonstration. He said seedling disease is caused by a complex of seed-borne and soil-inhabiting organisms. He said that on the McDermitt place Lanstan, Terraclor, and super X fungicides were mixed into the soil at planting time with good results.

The last place on the tour was the farm of E. C. Hale, about three and one half miles northwest of Morton. Here six different varieties of grain sorghum were planted, and would be harvested separately to determine which variety had fared best. The varieties planted were red carpet, pioneer, PAG 515, PAG 428, PAG 494, PAG 430.

At the end of the tour Thompson said, "I am very happy with the turn out this afternoon. I hope that what we have demonstrated in the fields here today will enable you farmers to spot disease and wilt in your own fields and treat it."

for a Better Tomorrow

Working, learning to sew... Now, something simple is being prepared and soon her own dresses, and in the future, clothing for her own family. Training is important in the lives of our children.

Spiritual training is a must in the lives of our young ones.

"Train up a child in the way he should go: and when he is old, he will not depart from it."

Take your children to church Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Annual banquet of Chamber set for October 23

The Chamber of Commerce board of directors met Monday at 8:00 p.m. in the First State Bank Building.

The annual Chamber of Commerce Banquet was discussed. It will be held Oct. 23 this year. Jesse George was chosen as chairman of the banquet committee. The committee will be responsible for entertainment, food, tickets, and the program. The speaker for the banquet will be announced later.

There was some discussion about the standards for choosing a "farm family of the year." Woody Dickson was selected to be chairman of the committee to choose a farm family of the year.

Don Workman was selected to be chairman of a committee to pick the "citizen of the year." Both the citizen of the year and the farm family of the year awards will be presented at the Chamber of Commerce banquet. Plaques will be awarded.

Bills were paid and there was some discussion of pushing an area chamber of commerce membership drive.

Those present were, Tommy Lynch, Don Workman, Jesse T. George, George Hargroves, Simon Marina, Woody Dickson, C. E. Dolle.

Whiteface FFA names officers

New officers of the Whiteface Chapter of Future Farmers of America were elected at a meeting held Wednesday, September 25.

Elected as president was Mack Ashmore, with Wesley Sanders to serve as vice-president; James Seward, secretary, and Tommy Moore, treasurer.

Other boys named to office are Randy Brownlow, reporter; Mike Gainer, sentinel; Ike Flores, parliamentarian, Wayne Legan, chaplain, and James Seward, district delegate.

Representing the Whiteface FFA chapter at the National FFA convention in Kansas City, Mo., on October 12-15, will be Mack Ashmore and Tommy Moore. Wendell Dunlap is the advisor for the group.

NOTICE

It was a damp weekend for Morton football fans. Although the rain held off during the ball game at Crosbyton, conditions were far from ideal. And those who were in Lubbock Saturday to see the Tech contest can attest that the rain didn't hold off that night. Although conditions Saturday night were about as bad as imaginable, we can't understand the attitude of the Kansas coach in moaning about the weather. From where we were sitting, it looked as if the Tech boys were getting just as wet as the Kansas boys were—and that there was no more danger to the Jayhawkers than there was to the Lubbock team.

Morton's Indians will have a partial new look Friday night when they take the field against the Portales boys from the Land of Enchantment. Line-up switches and new faces are hoped to make a difference in the club, and they should. Having Kenny Palmer and Jimmy Waters both at running backs will give the Indians more beef in the backfield, and Palmer at a line-backer on defense should help a bit. We hope so. The Morton game with Crosbyton was disappointing to many fans. The Chiefs have a good club—make no mistake about that—but they shouldn't have run over the Indians the way they did in the first half.

Morton area teams are still looking for their first victory of the season. Wouldn't it be nice if all four clubs would come through with victories Friday night. Besides the Morton-Portales game, Whiteface takes on Ropes, Bula plays Patton Springs, and Three-way entertains Loop in their first home contest of the season. By the way, if you're planning to attend the game at Three-way, get there a little early and get in on the pancake supper sponsored by the Three-way senior class.

Morton's junior high grid schedule for this week has the local eighth grade traveling to Littlefield at 4:00, while Seagraves frosh play the Morton freshmen here at 7:00 the same evening. If you get a chance, see these youngsters play—and then marvel at their enthusiasm and exuberance.

Couldn't understand why the Crosbyton band didn't march at the half of last Friday night's contest. Johnny Stockdale's crew went ahead and gave a mighty fine performance.

Morton Athletic Boosters are planning a chili supper before the homecoming game with Dimmitt on October 1, so mark that date on your calendar.

Apologies from this corner to Jimmy Waters and John St. Clair for boo-boos last week. Jimmy was identified as Timmy Petree in an action picture taken at the Muleshoe game, and John's picture was left out of the high-point ball players for the same game. Last week's outstanding players according to film grades were Eddie Lyons, offensive lineman; Eddie Hollaway, defensive lineman; Jimmy Joyce, defensive back; and John St. Clair and Kenny Palmer, tie for offensive back.

Petree gains . . .

HALFBACK TIMMY PETREE of the Morton Indians is about to be brought down by an unidentified Crosbyton player after a good gain in the Chief-Indian contest at Crosbyton

Friday night, Winn Robinson (54) of the Chiefs is about to help bring the slippery halfback down. Crosbyton won the contest, 26-12. TRIBpix

Young Farmers elect officers

Whiteface Young Farmers met Monday, September 20, to elect officers for the coming year, and to plan future programs.

Bobby Neal was elected to head the group, with Jack French as vice president, O. W. Fluit, secretary, and Monte Cookston, treasurer. Darwood Marshall will serve as reporter for the year. Wendell Dunlap is advisor for the young farmers.

Next meeting of the group is scheduled for Monday, October 18, in the Whiteface ag building.

Personals

Visitors in the home of Mr. and Mrs. C. E. Buchanan last week were relatives from Grand Saline, Texas. They were Mrs. Home Davis, Mr. and Mrs. Bobby Anderson and Kelly. Mr. and Mrs. Buchanan accompanied them on a trip to points of interest in New Mexico. They were guests in the home of Miss Ona Mae Davis of Albuquerque last Thursday.

Frank J. Votaw of San Diego, California visited last week with his sister, Mrs. J. E. Trice. This is the first time they had seen each other in 25 years.

Choirs offered by Baptist Church

Choirs for every age-group are offered at First Baptist Church. Beginner Music, 4-5 year olds, directed by Mrs. Earl Polvado; Primary Choir, 6-8 year olds, directed by Mrs. Weldon Newsom; and Junior Choir, 9-12 year olds, directed by Mrs. Connie Gray, had their first rehearsal of the season September 15. These choirs meet 7:45-8:30 p.m. each Wednesday night.

Youth Choir, 13-18 year olds, directed by Jerry Stamps, will have their first full rehearsal Sunday afternoon, September 26, 5:00 p.m.

The Church Choir, composed of young people and adults, directed by Mrs. Stamps, continues rehearsing on Wednesday nights, 8:30-9:30 p.m. The Church Choir will continue to have responsibility for music during the 11:00 a.m. worship services each Sunday. The Youth Choir will have responsibility for music each Sunday, 7:00 p.m.

Elma L. Slaughter Club listens to "protocol" lesson

A program on parliamentary procedures was given Thursday evening by Mrs. Earl Brownlow, program chairman, to members of the Elma L. Slaughter Study Club. She presented "The Basic Principles of Parliamentary Law and Protocol" from "Roberts Rules of Order." Mrs. Brownlow listed four basic rules of order, courtesy and justice to all; consider one thing at a time; the minority must be heard and the majority must prevail. Parliamentary law is defined as "common sense used in a gracious manner."

Members voted to support the youth conference which will be held later. Mrs. Leonard Coleman was the club's representative to the conference.

Mrs. Lovell Jackson and Mrs. Willie Taylor were asked to help with the Federation Day activities, October 2, at the County Activity Building.

Mrs. Willie Taylor, hostess for the club's first meeting, served refreshments to Mesdames W. M. Butler, Jackson, Elmer Gardner, John L. McGee, Coleman, Brownlow, Hessie B. Spotts, Jack Gunzels, Iva Williams and C. E. Dole.

The next meeting will be October 7 in the home of Mrs. Roy Brown.

Social held by Assembly of God

About 40 members and guests of the Assembly of God Church enjoyed a social at the county park barn Friday night. The occasion was to better acquaint the new pastor, Dan Murray, his wife, Glenda and their small daughter, Jan.

Volleyball and other ball games were played by most of the group. Among those playing musical instruments were Rev. Dan Murray, Dan Conner on electric guitars, Mrs. Murray and Jan Scoggins on accordions and A. D. "Boaty" Boatright the violin.

Fried chicken with the trimmings, homemade ice cream and cake with cold drinks prepared and served by the ladies completed a wonderful evening.

Jack Wallace was in Dallas over the weekend on business.

Indians

(Continued from page 1)

been on the rough side, as the local coaches have been trying to iron out the mistakes the team made last week against Crosbyton, when the defense collapsed. However, despite the hard work, the Morton boys continued to work hard, and were in good spirits.

Portales brings to Morton a squad loaded with seniors — 23 of them. Only one junior has been able to crack the Ram starting lineup this fall, so the Indians will be up against plenty of seniors.

The Rams have a 1-2 record, having beaten Ft. Sumner, and losing to Clovis and Eunice, both reputed to have fine ball clubs this year. Portales is strong on defense, limiting Eunice to 79 yards rushing last Friday night. However, in that contest which Eunice won, 20-0, the Rams could muster only 60 yards on the ground.

Starting for Portales in the backfield will be Jim Shearer, 161, at quarterback; Bob James, 155, and Bob Morgan, 144, at halfbacks, and Jim Van Winkle, 164, at fullback. Bob Bleakley, a 166 pounder, often replaces Morgan at one halfback, which is actually a wingback.

Ends for the Rams will be Barry Coffman, 163, and the lone junior, Tom Butler, 155. Tackles are Rick Katterich, 164, and Buddy Moore, 188, while Bruce Kitts, 160, and Zale Woodard, 178, man the guard positions. At center for Portales will be Jim Hofstad, a 175 pounder.

Five of these starters are back from last year's Portales team, which Morton defeated 6-0, in a strong defensive struggle in New Mexico.

The Eagles scored in the third quarter on a run by Monte Toombs who went around right end from 20 yards out. Dawson scored once in each quarter.

Coach J. W. Aldridge of Three-Way said that his defense put up a good battle. He said the leading tackler was junior defensive left end Bill Dewbre, with senior defensive right end Monte Toombs and

Three Way falls to Dawson, 24-6

The senior ball club of Dawson defeated the young Three - Way Eagles 24-6 Friday night at Dawson.

Dawson had seven seniors and one junior on its squad, and several of the squad weighed in at over 200 pounds. Three-Way has one senior, two juniors, and the rest of the team are freshmen and sophomores. Four freshmen started for Three-Way against Dawson.

The Eagles scored in the third quarter on a run by Monte Toombs who went around right end from 20 yards out. Dawson scored once in each quarter.

Coach J. W. Aldridge of Three-Way said that his defense put up a good battle. He said the leading tackler was junior defensive left end Bill Dewbre, with senior defensive right end Monte Toombs and

freshman Bruce Pruitt coming in second and third in the tackling department.

On offense, senior right end Johnny Harris and freshman center Charles Abbe looked good to Aldridge on blocking. The leading ground gainer for Three-Way was Tommy Black with a total of 87 yards.

Aldridge said that this year the team is young, but that next year 15 out of the 16-man squad will be back. He said, "We are going to win as many as we can this year. But we are mainly trying to learn to play good ball, and gain a lot of experience." He added, "Of course we are going out there to win games."

Aldridge said that the attitude of the team was good. He said, "A lot of the time we have been out manned, but these boys have still

played hard ball."

This Friday night the Eagles play Loop at Three-Way. It will be the Eagles first home game of the season and Aldridge said he expects a good turnout. It will also be Dad's night, and the father's of the football players will wear numbers corresponding to the numbers of their son's jerseys.

The senior class will sponsor a pancake supper before the game from 6:00 p.m. to 7:30 p.m. It will be held in the school cafeteria and tickets are \$1.00 for adults and 75 cents for children.

If insulated or wading boots get damp inside, you can remedy this by cutting a piece of cardboard and inserting it in the bottom of the boots. Absorbent qualities of the cardboard will soak up the moisture.

GEORGE BIRTH
 Mr. and Mrs. Robert George proudly announce the birth of a daughter, Cindy Diane, who made her appearance at Morton Memorial Hospital at 11 p.m., Monday, September 20. The little miss weighed 6 lbs., 9 oz., and was 19 inches long, and is the first child for the couple. Maternal grandparents are Mr. and Mrs. Jack Jones of Morton, while the paternal grandparents reside in Kress. George is court reporter for the 191st judicial court district.

Mr. and Mrs. Alton Taylor and children, Gayle, David and Keith visited over the weekend in Denver City with Mr. and Mrs. Clifford Bills and their three daughters.

MORTON, TEXAS, THURSDAY, SEPTEMBER 23, 1965

A private job corps

A bill to give private industry a break—specifically a tax break—on the costs of job training within industry, has recently been introduced in the House of Representatives...

With very few exceptions, the government-run job-training programs have been noted for their lack of success. And there are several factors which would seem to guarantee that job-training by private industry will be more effective and also more economical.

There's the experience factor for one thing: private industry has been giving job training in one way or another ever since the first master craftsman took on his first apprentice...

Although this new bill to encourage job-training in private industry was introduced by a group of Republican Congressmen, it doesn't strike us as being in any sense a partisan proposal...

It's been our observation that the man who can really do a job rarely has to worry about where to get one.

Dead as the Dodo

When the House approved repeal of section 14(b) of the Taft-Hartley Act—the section which permits states, if they so choose, to pass Right-to-Work laws under which a man can join or not join a union, as he alone decides, without being deprived of his job—it looked as if it were all over but the shouting...

But in politics, as in other human affairs, the unexpected sometimes happens. And that may be the case with 14(b). As Robert S. Allen vividly puts it, "Barring some sleight-of-hand wizardry, that measure, annulling state right-to-work laws, is dead as a dodo."

Some political strategists have played a part in bringing about this unlooked-for development. But the big thing is a feeling, on the part of a substantial number of influential Senators, that the Right-to-Work is an absolute basic right. Senator Thurmond expressed that view in these words: "... There is no more fundamental issue than an individual's right to work; to get and hold a job without having to pay tribute. This is an issue that transcends party, sectional, personal and all other lines."

In any event, repeal of 14(b) may be dead for this session. It will, if that is the case, be back again next year. Then the weight of public opinion—which, the polls have shown, is strongly in favor of the existing law—may cause Congress to again affirm a right which is vital to individual freedom.

When Marx doesn't count

More than a century ago, when Karl Marx was telling his contemporaries how wonderful a Communist social order would be, one of his stipulations was that wherever the Communists came into control they must set up a proletarian dictatorship. No Marxist doctrine has been more frequently quoted than this...

Forty-odd years ago, when the Communist conquest of Russia had been established beyond serious challenge, the orthodox Marxists in Lenin's following rose up and demanded that a true Marxist government be set up in Russia; and this, they declared, must be a dictatorship of the proletariat. The simplest way to do this, they argued, was to let chosen representatives of the labor unions assemble and form the government.

To this suggestion, Lenin's response was an emphatic "no." His argument was that working classes in Russia were not equipped by experience or education to assume the responsibilities of government. For this reason the function of government and its powers would have to be assumed, on behalf of the proletariat, by the Communist Party. Lenin endowed himself with the dictatorial powers

"He Leadeth Me"

Man through the ages has been arguing as to whether there is a Divine Plan. Some have gone so far as to prove to their satisfaction that such cannot be and that material things are all that matters...

Today, as one looks over conditions in the world, it is hard to believe it was so planned, yet on second thought it should give ample proof that the Master is in control.

In the beginning God gave man his head, as one does a horse when wishing to see where he will go. Man was given some rules of this game of life and shown the way. We were given a second chance when Christ appeared on earth to try to straighten out the ways of man...

Now we have gone further toward mass destruction and world holocaust and have proportionately fewer men of God. With the growing war clouds, more will turn to the church. When we face the threat of death, we have the courage to try to live a Christian life.

How many years will it take for man to realize that there is a much better way of life... that there is no need for young men to know that in a few years they must face the trials of war? This is man's plan. This is the plan of greed, selfishness, and hate...

You ask what can you do to change the world? What about going to church, studying the Bible, meeting with others in Sunday School and learning the true meaning of life? You have a youngster you cannot control—did you ever expose him to the teachings of the Lord? Any and all of your social ills can be made well by a little study of the right way to live.

If people would seek an answer instead of standing around complaining, the world would soon be at peace.

Republican weather vane

Recent political developments in California and New York, the nation's two most populous states, could have a long-range impact on the future of the Republican Party. And on the future of the Republican Party hinges the continued vitality of the American political system.

The Republicans must regain their lost strength if they are to remain a major force in American politics. This means bringing divided party factions together in a viable working arrangement. At the same time it means getting through to disenchanted voters on the great

of a czar and retained them until his death, by virtue of his chairmanship of the Central Committee of the Communist Party which had, as he had suggested, assumed dictatorial authority on behalf of the incompetent proletariat. And this is the doubtful title of imperial authority which Lenin's heirs, Stalin, Khrushchev and now the Brezhnev-Kosygin team have claimed, with no more direct responsibility to the Russian proletariat than Lenin had.

Mao Tse-tung's assumption of dictatorial power in Red China is in imitation of the Red Russian system. If asked about the source of his authority, Mao would say glibly enough, "the people," and then proceed to explain that he was functioning, as Lenin, Stalin and Khrushchev had in Russia, as the custodian of the rightful dictatorial powers of the nations' proletariat.

What is the point in reviewing all this? It can be answered in one sentence. These power-hungry despots are our sworn enemies, and, at the same time, disastrous enemies of their own people.

at the work again and with the same interest. The world pays big prices for men who know.

"To accomplish things there must first be an idea that the thing is possible; then the watchword must be try; and keep on trying with enthusiasm and a thorough belief in your ability to succeed.

"If you are convinced that a certain thing can be done, never mind what the world says to the contrary; experiment, never give up.

"Forget entirely the word 'disappointment.' Failures, so called, are but finger posts pointing out the right direction to those who are willing to learn.

"So far as I can see, these principles have influenced me in the years that have passed. In addition, I have always believed that hard work and a living general interest in everything that makes for human progress will make men and women more valuable and acceptable to themselves and to the world."

The Devil's River News

Measuring up

Apparently feet, inches, and pounds are on the way out, and Congress is considering a movement in the world to go to the meter as the basic unit of measuring length and weight.

This of course has set off a round of idle musing in our nation's press. The Montgomery, Ala., Journal speculated about the effect on football with the yard no longer an acceptable unit of measure.

"Imagine yourself at the Alabama-Mississippi football game. 'First and 9, 144 with Alabama on the Mississippi 27, 432 meterline. Avardups takes the snap from Shortton, fades, looks for a receiver, throws short to Troy. 'Troy is at the 13,716, at the 4,753, over for a touchdown! Troy, the 1,828-meter, 82,6480 kilogram end, has done it again Alabama leads 13.0."

The Journal warns "Imagine explaining football to a woman under these circumstances."

Another aspect of the possibly impending change was brought out in a recent UPI dispatch: "Anybody who thinks Gina Lollobrigida ought to be described as 93-71-89 will have to contend with the House Rules Committee.

"It's members made it plain Thursday they like her better at, say, 37-28-35."

The story concerned the committee deferring action on the bill to study conversion of US weights and measures to the metric system.

Rep. George P. Miller (D-Calif.) pointed out at the hearing that 9 out of 10 people now admire Miss Lollobrigida, the Italian movie star, in centimeters rather than inches.

Meanwhile, he added, the US laborers along with an antiquated system in which standard units of measure have no particular logical relation to each other.

For His Soul...

The story is told, and is well worth repeating, of two cantankerous old gentlemen who got along like "cats and dogs" in the same small community.

Never, to anyone's knowledge, did a kind word pass between them. They were considered life-long enemies. Then one of them died.

Many hours before the mourners began arriving for the church services, the surviving old man surreptitiously placed a small spray of delicate flowers on the casket

Highlights and Sidelights-

Good concepts by water plan

AUSTIN, Tex. — Texas' master water plan now is being developed. It embodies concepts far more advanced than those of any other state, says Harvey O. Banks, San Francisco consulting engineer.

Banks, who sold California on kicking in \$2,000,000,000 in state funds for a water supply for its mushrooming population growth, is a special advisor to the Texas Water Development Board.

Speaking to members of the Municipal Panel of the Texas Water Conservation Association, representing more than two-thirds of the Texas population, Banks warned West Texas to develop new pricing techniques by recognizing water is worth the price paid for it.

Banks was among several notable speakers informing city officials of the state's water planning efforts.

"Unless Texas is willing to put up a stack of cash, the state will not have any control over water policy decisions," he said.

Joe G. Moore Jr., new executive director of the Water Development Board, and Frank Booth, new executive director of the Texas Water Rights Commission, said Texas' projects call for moving surplus water to areas where it is needed.

Moore's group will formulate plans for meeting water needs to the year 2000. Hearings will be held by the six-member board next summer in all river basin areas.

OIL PRODUCTION — For the first time in 10 years the Texas Railroad Commission hiked the October oil production allowable over September.

Commission ordered October production at 28.8 per cent of potential. That fixes allowable at 2,944,109 barrels a day.

September allowable was 2,864,660 barrels daily or 28 per cent of potential formula.

Last year's formula for October was 27.9 per cent.

EMPLOYMENT GROWING — As summer ends decreasing unemployment insurance claims reflect a growing economy.

August claims reported by the

and left the church. Later, during the funeral service, he was discovered sitting quietly and prayerfully in the back pew of the church.

The minister, pleased, but as puzzled as the townsfolk by all this, sought out the old-timer somewhat later to inquire what might have brought about his change of heart toward the deceased.

"No change of heart," said the surviving oldster. "You openly showed your dislike for him when he was alive. Yet, to everyone's surprise, you became very respectful of him at the church. How come?"

"Well, now, Reverend," the old fellow responded. "I must say I'm just a mite surprised that you, of all people, would ask such a question. How I feel about another man's politics or his character has nothing to do with how I feel about his soul."

"Oh yes — of course," said the minister, recovering quickly from his embarrassment. "Quite as it should be. But even so, what about those flowers you put on his casket when you thought no one was around to see you?"

"Knew all along," the old fellow answered. "Someone would spot me with the flowers and spread the word. Just wanted to make sure the neighbors wouldn't forget flowers — not for the old cod, hisself, mind you, but for the only good thing about him — his soul."

"I personally appreciate your thoughtfulness," said the minister. "because the beautiful flowers contributed much to the service and helped the family. But," he asked, "how could you do something nice like that when you couldn't find a single kind word to say about the man while he lived?"

"Still can't," said the old-timer, "that's why I bring flowers."

NUMBERED DAYS

Texas Employment Commission totaled 197,142 compared with 218,942 for the same month a year ago — a 10 per cent decrease.

Job placement (non-farms) increased from 45,054 to 50,399 during the month. Job orders placed by employers increased from 35,109 in August of 1964 to 62,585 last month.

Farm job openings filled increased from 63,673 to 71,095 despite expanding mechanization of farm work. However, much of the increase was due to demands in other states.

ILLITERATE PROGRAM — Governor Connally reports a total of 12,732 students enrolled in the state's adult education program for illiterates in 30 Texas communities.

Texas initiated its program before the Economic Opportunity Act was passed by congress. But nearly 90 per cent of funds now are provided by the Office of Economic Opportunity.

Cost of the approved programs is \$784,447. Of this sum \$690,364 represents federal money.

Texas has more functional illiterates than any state except one.

Adult education programs for groupings now are functioning in El Paso, Beaumont, Corpus Christi, Vidor, Donna, Rio Hondo, Ben Bolt, Greenville, Gregory, Brownsville, Santa Rosa, Ysleta, Brownwood, McAllen, Alice, Eagle Pass, Edcouch, Huntsville, San Benito, Mercedes, Mission, La Feria, La Joya, Goliad, San Saba and La Villa.

APPOINTMENTS — In a surprise move, Gov. John Connally appointed himself Commissioner General of HemisFair in an attempt to certify the project as an international exposition.

Connally said if the job interferes with other official duties, he will relinquish the post and appoint someone else.

He said he wants to help insure the success of the fair scheduled for 1968 in San Antonio.

STRINGS ATTACHED — Recreation income has been excluded from that dedicated to repayment of the Green Belt Municipal and Industrial Water Authority's \$10,000,000 loan from the Water Development Board.

But there is a small string attached. Green Belt must submit an annual budget. Then Board will decide how much will be applied to the note, and how much for the maintenance and construction of recreational facilities.

This authority is building a dam near Chireless.

ATTORNEY GENERAL RULES — County Clerks and their deputies do not automatically have to increase their bonds during their present term of office in order to meet the new minimum requirements set by the last legislature...

In another opinion arising out of the same act of the 59th Legislature, Carr held it is unnecessary for clerks to obtain an "errors and omissions" insurance policy.

Carr, in other recent opinions, ruled that: Presence of a sheriff or court reporter in grand jury room during interrogation of witnesses, but not during deliberations of jurors, does not invalidate indictments returned.

No employee of school under jurisdiction of Board of Regents of State Teachers Colleges can be an officer or controlling stockholder in a depository bank selected by the board — unless the employee does not transact any business in his official capacity with the depository bank.

Comptroller must furnish attorney general copies of special rules and regulations (drawn by comptroller).

Sheriffs and constables shall serve administrative subpoenas on witnesses called before the Texas Employment Commission. Punishment provided for failure to appear is constitutional.

There is no conflict in which make thallium subject sale by prescription and which prohibit sale of mixtures containing more than one per cent thallium in containers suitable for household use.

Dallas County must pay court reporters the salary fixed by justices (\$6,000-\$11,500).

YOUTH CORPS — Governor Connally approved Neighborhood Youth Corps projects sponsored by the San Diego Independent School District and Southwest Texas State College in San Marcos.

San Diego project covers students at a cost of \$108,900 federal funds and \$28,600 in state support. It calls for \$1.25 an hour per student.

Southwest Texas State College projects call for employment of 377 youths in 11 cities and towns of Blanco, Caldwell, Comal, Gillespie and Hayes Counties. Yearly salary will be \$1.25 an hour. More than \$319,000 in federal funds will go into the SWTC project, with the college contributing \$47,230.

COLLEGE BOARD — The powerful new Coordinating Board of Texas Colleges and Universities has received its work orders from Governor Connally.

Board immediately named study committees and reviewed applications for new junior colleges serving Scurry, Jefferson, Wilbourn and Van Zandt Counties.

NEW LOOK — The 1965 edition of Texas Government Almanac of Business Guide, published by the Texas Republican Finance Committee, this year will be characterized by fewer pages, more information and added sparkle.

Volume includes facts about mechanics of government and Texas as parties with carefully documented political and industrial statistics on the 254 counties.

Both the new and old representative districts are included in new volume, as are the contrasting senate and congressional districts as revised by the last legislative session.

HOSPITAL HEARINGS — Applicants for an anticipated \$100,000,000 or more in federal hospital building funds have completed their last formal hearing in special hearings before the State Board of Health.

Sixty-five applicants have been warned it will be impossible to get all the \$38,000,000 in help beds all are seeking.

Funds have been appropriated. But due to a priority change, going into consideration actual need to which existing hospital beds being put in each community and other factors, state authorities will not allocate them for another month or six weeks.

SHORT SNORTS — Actual yield for Texas cotton, sorghum, rice, corn and hay crops should reach a record high in 1965, according to Texas Crop and Livestock Reporting Service.

Office of Civil Defense figures indicate there are adequate shelter spaces for about 47 per cent of Texans, or more than 4,500,000 persons. State Banking Board set hearings for September 24 on applications for Owsenbank State Bank, Citizens State Bank of Wagoner, and Lavender State Bank of Amarillo; then served notice will take action on application of Texas Bank of Commerce, Longview.

Department of Public Safety announced it has jobs for 70 men. Services include highway patrol, license and weight, driver licensing and motor vehicle inspection.

The Whiteface Study Club honored Mrs. James Cunningham, president, with a salad supper Thursday evening in the Whiteface Elementary Building. Mrs. Cunningham was introduced by Mrs. Vern Beebe, other officers were introduced by Mrs. Cecil Maddox.
For her program, Mrs. Cunningham asked the question, "How Large Is Your Circle?" She went on to say that the size of man

was measured by the circle he draws to let the world in. When he draws a circle to shut out his brother, he does less damage to himself. A strong man is not afraid of people different from himself and a wise man welcomes them.
Club members recited the Club Collect and sang the Federation Song.

First Baptists attend showing of Graham film

Thirty six members of First Baptist Church, Morton, attended the world premiere showing of "The Restless Ones" Sunday afternoon. "The Restless Ones" is the Billy Graham film which was shown at the Lubbock Municipal Auditorium last Sunday afternoon and Monday and Tuesday nights. About 3,000 attended each performance.
Ones who attended from first Baptist Church Sunday were, Mr. and Mrs. H. B. Barker, Danny and Phil Barker, Darla Sue Brotherton, Mr. and Mrs. Elzie Browne, Beverly and Patricia Browne, Mr. and Mrs. A. E. Cade, Danny, Marilyn and Christy Cade, Mr. and Mrs. Harold Drennan, Danny and Diane McCasland, Mrs. Hugh Dupler, Faye Fincher, Karen Fred, Carol and Lauretta McCuiston, Jeannie McMinn, Rita Monroe, Mike O'Brien, Mr. and Mrs. Wally Reyes, Linda Romans, Mrs. Elma Seane, Terry Shifflet, Lana Smith, Mr. and Mrs. Jerry Stamps, Jerry Steed, Melba Townsend, and Sheila Williams.
Beverly Browne, 14, who went to see the film with her mother and father said, "I enjoyed the film very much. I wish every parent and child could go see it." She said the film dealt with drinking and juvenile delinquency. She added, "The film brought out that behind every delinquent child is a delinquent parent. In fact, this was a major theme of the film, but told in story form." Miss Browne said that the film didn't give any actual answers to youth problems, but let the audience draw their own conclusions. She said that Billy Graham appeared in the film.

Whiteface YH, YF in meetings

Young Homemakers and Young Farmers of the Whiteface chapter met in observance of Week Home-makers and Farmers Week, September 19-25.
The Young Homemakers met on Monday afternoon in the home-making department of the Whiteface High School. They made plans for a get-acquainted tea to be held Thursday (today). The tea will honor FHA members, their mothers and new members. It will be held at 3 p.m. in the home-making department.
The agriculture building of the Whiteface High School was the meeting place for the Young Farmers Monday night at 8 p.m. They elected officers, and planned the program for the new year. New officers are President, Bobby Neal; Jack French, vice-president; W. O. Lewis, secretary and treasurer Monty Cookston. Eleven members were present.
Elected president was Gene Snyder, with Bill Woods as vice president and Jack Russell, secretary-treasurer.
Committees for the year and a tentative program of work will be announced at the next meeting, which will be Saturday, October 9. The group meets the second Saturday of each month for breakfast in Fellowship Hall of the First Methodist Church.

Card of Thanks

Among those attending the ball game at Lubbock Saturday night between Tech and Kansas were Don Workman and Dean Weatherly, Mr. and Mrs. Gary Willingham and Mr. and Mrs. Bill Foust.
Spending last week in Ruidoso, New Mexico were Mr. and Mrs. Don Workman.

Officers elected by Methodist Men

Methodist Men of Morton reorganized at their regular breakfast meeting Saturday, electing new officers to lead the group for the next year.
Elected president was Gene Snyder, with Bill Woods as vice president and Jack Russell, secretary-treasurer.
Committees for the year and a tentative program of work will be announced at the next meeting, which will be Saturday, October 9. The group meets the second Saturday of each month for breakfast in Fellowship Hall of the First Methodist Church.

Strong Claims backed by facts

Our local business firms are in good shape to back up strong claims of giving you MORE VALUE FOR YOUR MONEY.

Because . . . it's a simple fact of economic life that home merchants have about a 30% head start on their out-of-town competitors in the run for our money.

This is true because near 30% of every dollar spent at retail goes to support and to build up the prosperity of the community in which it is spent . . . and you benefit from the work done by that part of your money ONLY when you live and do business in that community.

Where goods, service and price offered by home stores and by the out-of-town stores are otherwise equal . . . the HOME DEAL is still close to one-third better . . . and may be many times better for you . . . as bigger trade volume at home prospers the area where YOU live . . . and make your living.

Bula school is member of small school association

By BARBARA AUTRY
Our school is proud to recognize the appointment of two of our teachers to the Texas Small School Association. Mrs. Ruby Reid was appointed as the head of social studies, and Mrs. Jeanette Young as the head of home economics. This is under the teacher in-service Training Program.

Meetings are held at the South Plains College. There will be three meetings this year, one Sept. 30, one Oct. 1 and March 31. The meetings start at 4:30 p.m., and last until 8:00 p.m. with a 30 min. break at 6:00. The general session lasts for one hour, the same for the first session being working with Underprivileged Children. One lesson under this theme will be the Elementary and Secondary Education Act.

Ten schools participate in this project. Director of the Small School Projects is Mr. Charlie Bitens. The Special Consultant is Dr. Marie Fallon, Associate Professor of Education at Texas Tech.

Pictures will be taken Sept. 27

By BARBARA AUTRY
Huntington Studio, Wolfe City, Texas, will send a photographer to Bula School to take pictures Monday, Sept. 27, about 12 o'clock. Anyone who wishes to have their State Line Butane Co-op painted may bring them to school that noon.

Some suggestions for better pictures are: FOR GIRLS (1) Hair styled, (2) select blouses or dresses having contrasting colors, a dark coat over white blouse, dresses with stripes, plaids, or dots. FOR BOYS (1) Hair well combed, (2) select shirts or sweaters having contrasting colors — do not wear T-shirts, (3) no shoes, (4) shave if necessary. Information about prices will be in the envelope with the pictures.

Bula coaches give views on team

By SAMMY NICHOLS
We have about the same weight as we had last year, although, the team is less experienced. The team as a whole has a better attitude than any team I have had in a long time. Three senior boys will have to carry most of the load throughout the year. One junior is improving real well and we may have two other juniors that will do fairly good work. Not enough speed in the sophomore class and not enough experience in the freshman class is hurting us quite a bit this year. We need to get a lot stronger on defense and be able to move the ball on offense before we can hope to have a respectable team.

I had looked for us to come in real strong for the district, but we will have to have more desire and do an awful lot of improving.

KMUL to interview team and coach

By NELDA SEAGLER
Mr. McDonald, of KMUL Radio, Muleshoe, will come to Bula School once a week to interview the coach, football team, and members of the student body about the coming game on Friday. This week he will be here from 2:30 to 3:00 on Wednesday.

Fair tickets given to Bula by Reese AFB

By KENNETH OVERLAND
Fair tickets were delivered to Bula today at lunch. An officer from Reese Air Force Base delivered 150 tickets to Mr. McDaniell, the Bula Superintendent. The tickets have the specified date on which they may be used. Bula school will not turn out that day, but parents wishing to take their children to the fair may pick them up at 2:30 p.m.

Seniors sell ads to area towns

By BARBARA AUTRY
First week of school proved to be prosperous for the Bula Senior Class. They sold ads for the school yearbook in Littlefield, Morton, Sudan, Amherst, Maple, Bula, and Enochs. Recalls will have to be made for some places of business, and there are a few areas they haven't yet covered. Approximately \$877.00, was made during the week.

Seniors would like to express their appreciation to all the merchants of these towns who bought ads from them.

Note: If any one would like to purchase a 1966 annual, please contact one of the seniors.

Bula Bulldogs elect captains for season

By SAMMY NICHOLS
Friday, September 10, 1965, the Bula Bulldogs elected captains. Tri-captains were elected as follows: Dennis Turney, Senior, Center; Kenneth Overland, Senior, Flankerback; Sammy Nichols, Senior, Quarterback. This is an addition over last year's co-captains.

Enrollment at Bula totals 145 students

By NELDA SEAGLER
Enrollment of the third week of school came to a total of 145. The first grade has 16, 2nd-9, 3rd-16, 4th-18, 5th-13, 6th-12, 7th-16, 8th-16, 9th-9, 10th-6, 11th-5, 12th-9. Davillas, a new family formerly from Hargill, Texas, has contributed size to the enrollment. They have one child in the 1st, one in the 2nd, one in the 3rd, one in the 4th, and two in the seventh. Their father is employed by Young Brothers Gin of Bula.

Four classes organize, elect officers for year

By GORDON McDANIEL
Seventh graders are already in the full swing of school. They have planned a Bowling Party for October 8, at Morton. Class officers have also been elected. They are: President, Diane Crume; Vice President, Mike Ary; Secretary, Pamela Layton; Treasurer, Gene Bula eighth graders would like everyone to know that they are selling beat tags for their grade school football games. Contact an eighth grade member and buy your beat tag. They are also selling cokes.

Many of new faces belong to teachers

By LANA ADUDELLE
If you are wondering who the new faces are around Bula, they just happen to be the new teachers on the faculty. Mr. Don Macon, math teacher, hails from Slaton, where he taught for two years in the high school there. His wife, Dewey Lou Macon, is the new secretary and bookkeeper. They have two darling kids, Starla and Kirk. Mrs. Macon commented that she thinks the people and students of Bula are very nice and she is enjoying her job as bookkeeper very much.

Mrs. Velma McGinley, mother of Mrs. Macon, is our new third grade teacher. Some of her pupils have been heard commenting that she's a "swell teacher." Right next door to Mrs. McGinley is the new first and second grade teacher, Mrs. Mary Ann Asbill. Mrs. Asbill taught her first year at Dolphin Terrace in El Paso, before coming to Bula. She and her husband reside in Morton. Mrs. Betty Sue Gauer, chemistry, science, and biology teacher, resides at County Line with her husband and four children. Rev. Gauer is the Baptist preacher at County Line.

Returning teachers to Bula are Mrs. Zoy Risinger, Mrs. Ruby Reid, Mrs. Jeanett Young, W. C. Risinger, C. W. Fincher, Mr. Terry Blake, and our superintendent, Mr. Marion McDaniell.

Two delegates go to FHA meeting

By KENNETH OVERLAND
Voting delegates, Kenneth Overland and Gordon MacDaniel, from the Bula F.F.A. Chapter attended the 1965 State F.F.A. Convention. They were accompanied by Mr. Jack Sharp, the Vo-Ag instructor from Bula and Pep. The boys stayed at the Holiday House, about 1/4 mile from the Astro-Dome.

The convention was held from July 14-16 in the magnificent Sam Houston Coliseum. Elected was state president, Kenneth E. Braeber from Brenham, Texas, Area III. The out going president, Calvin Brints, of Crosbyton, expressed his deep gratitude to the F.F.A. for helping him during his days of high school. He said that it has taught him to be able to accept responsibility throughout the rest of his life.

The new F.F.A. Sweetheart, Geneva Higginbotham from Huntsville, Area IX, brought about many interesting remarks from the Vo-Ag boys.

Driver's Education to be offered at Bula

By GORDON McDANIEL
Driver's Education will be offered during the summer of 1966 at Bula High School. C. W. Fincher Jr., will instruct.

Mitchell Ford Inc., of Littlefield, will furnish either a 1966 Fairlane, or a 1966 Galaxie.

The course is open to anyone who wants to take, old or young. Details will be announced later.

Butane tanks get new coat of paint Sept. 15

By GORDON McDANIEL
State Line Butane Co-Op painted the butane tanks on the campus of Bula School Wednesday, September 15.

The painting is part of the community wide "clean-up" sponsored by progressively thinking individuals living in the Bula Enochs community in preparation for the anniversary celebration.

Juniors, seniors elect officers

By GORDON McDANIEL
The Junior Class of Bula met Friday, Sept. 10, and elected new class officers. They are: President, John Fred; Vice President, Juana Young; Secretary, Betty Salyer; Treasurer, Marilyn McCall; Reporter, Juana Young; and Student Council Representative, Juana Young.

The class set its yearly dues at \$1.50 and Mr. Don Macon was assigned as sponsor.

Officers for the Senior Class of 1965-66 are as follows: President, Gordon McDaniell; Vice President, Nelda Seagler; Secretary, Jo Linda Robertson; Treasurer, Brenda Clawson; Sergeant-at-arms, Dennis Turney; Student Council, Gordon McDaniell.

Old piano will be restored by teachers

By GORDON McDANIEL
Old piano will be restored by 1st, 3rd, 3rd, and 4th grade teachers of Bula Grade School. The old piano will be used for a music program in the grade school.

Typewriters may now be owned by Bula students

By BRENDA CLAWSON
An experiment under the Texas Small Schools Project is underway at Bula School. Smith-Corona typewriters have been bought by the school and can be bought by the students who are taking typing. This plan is being tried to encourage ownership of typewriters; to enable students to own them; and to get typing courses into the Freshman class.

Cost of the 12-inch portable typewriters is \$100.00. Anyone who purchases a typewriter will pay the balance of \$65.00 and the school will pay \$35.00. William Bros. Office Supply, Muleshoe, is supplying the typewriters for the school and they have consigned an extra typewriter to the typing room of the school for use if another typewriter should fail.

So far, seven typewriters have been bought. Those who have purchased them are Bradley Robertson, Jack Aduddell, R. P. McCall, Betty Salyer, Donald Grusendorf, Shortie McCall and John Crockett.

Two other typewriters have been requested by Dennis Newton and Mike Richardson.

Students who wish to sign up for Typing II may take advantage of this program.

Students who buy these typewriters will furnish their own in class to avoid paying \$12.50, the upkeep fee.

Girl suffers from blood poisoning

By LANA ADUDELLE
Sharon Turney, daughter of Mrs. Myrna Turney, stepped on a rusty nail July 28th and has since suffered blood poisoning. The cut was thought to be healing when the poisoning started to appear. It was discovered that a piece of rubber from her canvas shoe had been pushed up into the wound and had caused an infection.

Sharon entered the Lubbock Methodist Hospital Monday, August 31. She was operated on Tuesday and dismissed on Wednesday.

Sharon was given crutches to walk on until the cut was completely healed. When interviewed, Sharon said that it would be a few more days before she would be able to walk on her own. Everyone in Bula School wishes Sharon a speedy recovery.

Two correspondence courses to be taught

By GORDON McDANIEL
Two supervised correspondence courses from American School will be taught at Bula High School this year. They will be part of the Small Schools Project experiments.

The two courses are slide rule, and art.

Whitharral is added to 6-B district play

Both girls and boys basketball teams of Whitharral were admitted to the 6-B district this year by University Interscholastic League. District 6-B will not draw any boys this year in any sport. In the region this year district 6-B will play to the south of the district.

Indians' defense falters in 26-12 loss to Chiefs

A defense that leaked like the proverbial sieve was disastrous to the Morton Indians Friday night, as they lost their third decision of the 1965 season in as many out-

ings, falling before the Crosbyton team, 26-12. Some consolation in the loss however, was the fact that the Indians did cross the goal line for the first time this fall, getting tallies in the first and third periods, and being stopped by the clock inside the ten yard line as the game ended.

Crosbyton's big offensive line made shambles out of the Morton defenses in the first half, and by the time the Morton boys decided to hump up and play, it was too late.

Jimmy Joyce racked up Morton's first touchdown of the year with 1:25 remaining in the first period. He took a pitchout from quarterback John St. Clair and skirted his own left end for 12 yards and the score. Several plays earlier, Joyce had brought the ball to the Crosbyton 30 after a 32 yard gainer.

Kenny Palmer, seeing action for the first time this year at fullback after a pre-season injury, tallied the second TD for the Indians with 1:07 left in the third period. He barely made it across the double stripe from the one yard line. Both Morton conversion attempts were foiled, the first on a fumbled snap from center on a kick attempt, and the second, a two-point try, was stopped just short of the necessary yardage.

Crosbyton scored the first time they had their hands on the ball. Morton received the opening kick-off, but faced with a fourth and three situation punted. Jim Flournoy, a pain in the Indians' side all night, returned Kenny Palmer's kick from his own 32 to the Morton 49. With Flournoy and big Gaylon Wheelless totting the leather, the Crosbyton team marched to three first downs on short gainers until they were on the Morton ten yard line.

Wheelless bulled for three, then quarterback Jim Blagg kept for four to the three yard line. Wheelless carried to the one and then over for the TD. Winn Robinson's kick for extra point was perfect with 5:08 showing left in the first cante.

The Indians took only eight plays to score after receiving the kick-off. With Palmer, Joyce, Timmy Petree and St. Clair the ball carriers the Morton offense looked the best it had all year, and Joyce brought the count to 7-6 with his 12-yard jaunt. The try for the one-point conversion was almost turned into a two-pointer as kicker Eddie Lyons picked up the ball, fumbled on the snap from center, and almost but not quite, made it into the endzone.

Speedster Flournoy almost turned the kickoff return into another Chief score, as he gathered the ball in on his own 15, and sped to the Morton 24 before being colared by the Indians. The Crosbyton team was on the Morton 15 when the first period ended.

Two plays into the second quarter, Crosbyton scored with Blagg scoring from seven yards out on a keeper play. Robinson's kick was again good, and Morton was on the short end, 14-6.

The Indians put on another fairly good offensive drive after the kick-off, but bogged down around the mid-field stripe. St. Clair was tackled on the line of scrimmage at the Chief 44 on a fourth down gamble, and Crosbyton took over. The Chiefs scored just before the half-time buzzer scored after an exchange of punts. Their drive began on their own 48, after Flournoy returned a Palmer punt 18 yards. Big gainer in the drive was a 25-yard sprint by Larry McDowell, who was caught from behind by Joyce at the Morton

three. Two plays later Wheelless bulled into the endzone with 40 seconds remaining in the half. A try from a two-point conversion was no good.

Morton's defense stiffened and held the Chiefs to one first down after Crosbyton received the second half kick-off. Joyce fielded a Wheelless punt on the ten yard strip and returned to the 25. A fine Morton offensive drive, with Palmer, Petree and St. Clair doing the ball carrying, gave the Indians their second tally. Long gainer in the drive was by St. Clair, who caught the defense napping and churned 25 yards to the Crosbyton 29 yard line on an option play. Palmer carried into the

promised land from the one yard line with 1:07 left in the period. St. Clair's run for a two-point conversion was stopped a yard short.

Flournoy put the game out of reach of the Indians by tallying the final Crosbyton score with 8:00 left in the contest. He circled his own right end and ran unmolested 22 yards for the TD, but the conversion attempt was no good.

Crosbyton threatened again a few minutes later, as a Morton fourth down play came up short of necessary yardage. The Chiefs completed their only pass of the night, a 19-yarder from Lance Morris to Ronnie Wheelless, to the Morton ten yard line, but the Indian defense rose to the occasion

and stopped the Chiefs on the four.

With time running out the Indians moved down the field 84 yards, but the clock ran out with the local eleven on the Crosbyton eight yard line. An interference call on a pass play netted the Indians 21 yards, and St. Clair made runs of 21 and ten yards on the drive.

Eddie Hollaway and Joyce were stand-outs on defense for the Indians, while Eddie Lyons looked good at his guard slot on offense. The addition of Palmer in the Morton backfield was a definite asset, and St. Clair once again did a fine job at his signal-calling position.

Whiteface loses 6-0 grid squeaker

Whiteface outplayed Lazbuddie in almost everything except the score Friday night. Lazbuddie won 6-0.

Whiteface, a young team playing only one senior, made 18 first downs, against Lazbuddie's five. Whiteface ran 38 plays, Lazbuddie 26. Whiteface fumbled twice, Lazbuddie fumbled seven times.

Whiteface made five deep penetrations, to the three, five, seven, 15, and 18 yard line, but were unable to score. Coach Dale Reed said, "We should have scored. But, possibly because of our inexperience we didn't."

Lazbuddie scored in the last two minutes of play, with a run off right tackle for 29 yards. Against the young Whiteface team, Lazbuddie started nine seniors and two juniors.

Read said that he was really happy with the Antelope's defense. He said, "We had the best pursuit and the hardest tackling as of yet." He said junior guard Ronnie Taylor and junior line backer Alvin Nock looked good on defense. He also complimented junior fullback Darrell Kitchens. Kitchens carried the ball 18 times for a total of 116 yards.

Read said, "We were naturally disappointed in losing this one. But these boys are willing to work. After each game they have showed spirit and determination."

Read added, "I was real happy with the team's performance Friday night. If we can keep on improving as we did in the last game I will be more than satisfied." Read said that the Whiteface Antelopes suffered no injuries in the game and that was a good break for his team.

Read said that senior half back Robert Pond would return to the team Wednesday. He said that this would give the Antelopes more power in the backfield. Pond has been out with a hurt hand. Read said that Pond has been working out but has done no contact work.

Junior High Player is hurt

Last Thursday afternoon a Morton Junior High School student was injured on the Morton High football field during a game with Littlefield.

Tommy Waters, 14, of Morton was taken by ambulance to Morton hospital and admitted about 7:00 p.m. Dr. G. C. Bryan said the condition of the boy was good and that he would probably be kept in the hospital one day. Dr. Bryan said, "He is doing fine. We think we would like to keep him for one more day. He has a sprained back."

Lions Launch "Operation Betsy" to give aid to hurricane victims

The kick-off of the Texas Lion's "Operation Betsy" was announced today by District Governor Alton Griffin of Lubbock. The operation's mission is to provide funds for the thousands of homeless and destitute Louisiana victims of the wrath of Hurricane Betsy.

"There are some 25,000 families in Louisiana that Betsy left destitute," said Griffin. "The fifteen districts that make up the Texas Lion's Club have taken on the project of providing these families with funds to help them rebuild their homes and to get back to a semblance of normal living as quickly as possible."

The District Governor pointed out that the Lion's clubs along the Texas coast have already helped to provide the clothes, medicine and food needed by these families and that these items are in good supply.

"The urgent need now is for financial aid to help these families who were victims of the hurricane," Griffin added. Donations and checks should be mailed to Alton Griffin, 501 Courthouse, Lubbock, Texas. Monies collected in this area will be
