VOLUME 26 — NUMBER 38

THURSDAY, NOVEMBER 3, 1966

Dana Webb is Autumn . . .

DANA WEBB, 15-year-old daughter of Mr. and Mrs. Lowell Webb, 209 E. Lincoln, is the Tribune's November calendar girl. And the Morton High junior is a perfect choice with

her tawny eyes and hair, taking in the last warmth of Indian Summer weather during a month that is symbolized by harvest and Thanksgiving. TRIBPix by H. A. Tuck

Tribe hosts Frenship Tigers in last home contest Friday night

Morton will enter its last home football game at 7:30 p.m. still hoping for its first victory of the season. And the odds-makers probably would rate this contest as Frenship Tigers no more than a toss-up.

threat while Lara is a good, strong runner and the team's leading scorer.

On defense, Hall replaces Garcia, Johnny Carrizales and Hobbins. He inserts Louis Alvarado,

155, sophomore at left corner; Monty Carrizales, 140, sophomore at right corner; and James Madison, 155, sophomore, at right safety.

See **TRIBUNE**, Page 2

Frontier Textile abandons efforts for mill, but looks to other industry

encountered and relieve prospective investors of their pledges.

A meeting that started in pessimism ended with an uplifting note of optimism here Monday night. In a called meeting at the Chamber of Commerce office, officers of Frontier Textiles voted to cancel pledges made to the organization and to stop work on a six-month effort to locate a cotton spinning mill in Cochran County.

President Roy Hickman led a discussion of the problems encountered by Frontier Textiles since its organization last summer to locate a mill here. Officers then voted to send a letter to all who had signed pledges indicating a willingness to invest in a mill. The letter will review the obstacles.

However, the letter also will

state that other industrial possibilities are being explored and that local investment capitol might be sought for other projects later.

Hickman told the group briefly, "It just doesn't look good . . . I think we were a year to 18 months too late." He was referring to the location of mills in Lorenzo and Abernathy during that period of time.

Hickman said that "tight money" for financing, an increase of about 25 to 30 per cent in the cost of used machinery and removal of the seven per cent tax investment credit were formidable obstacles. He explained that letters would be written to operating textile companies that might be seeking to move to this area. "All the figures we have," he said, "indicate that mills are netting ten cents a pound on the cotton they are spinning, so they are very profitable."

The group then spent almost an hour discussing possible industrial expansion in this area, touching on many different areas. Several of these are being explored now by the group, plus the industrial development team of the Chamber.

the Indians are 6-8, with three wins and two losses. The Tigers have a 14 mark, with their only win after a startling 34-8 victory over the Buffaloes. Frenship has a 10-10 record, with a 34-0 win over Slaton, a 14-0 win over Post, and a 14-0 win over Slaton.

Last week, the Tigers momentarily surprised Post as they marched down the field, just the ball down near the goal and then a 2-0 lead. But that was short-lived as Post roared back to take a 48-2 decision.

Scouting reports indicate only one Frenship will probably do the trick. Last week against Post, they only ran one play twice during the entire contest. They use a lot of odd formations and run a "spread" offense.

Head coach Truitt Hall is expected to go with this line-up on Friday: Johnny Altman, left end, 180, sophomore; Denay Hutcheson, left tackle, 150, sophomore; Bill Mason, left guard, 160, senior; George Young, center, 155, senior; Ronnie McLeroy, right guard, 160, senior; Darrel Jenkins, right tackle, 185, senior; Bobby Hobbins, right end, 125, sophomore.

Randy Curry, quarterback, 125, senior; Mandy Garcia, left half, 140, senior; Johnny Carrizales, right half, 125, freshman; and Joe Lara, fullback, 180, senior. Johnny Carrizales is reported to be very fast and a big open field

★ Long ballot

As a public service, the Morton Tribune is reproducing a sample ballot of the 1966 General Election, which will be held Tuesday, Nov. 8. A copy of the lengthy ballot will be found on page 4A. Voters are urged to study the ballot and make their decisions prior to voting time. The Tribune also is carrying a study of the 16 proposed amendments to the Texas Constitution that are listed on the ballot. This study, which attempts to provide an unbiased review and background of each amendment, begins on the Editorial Page, Page 2A. Since only the amendment caption appears on the ballot, Cochran County voters are urged to read the explanation of the amendment for a more complete look into these important decisions.

Announce 1967 MHS grid slate

Only minor changes were made in the Morton High School football schedule for 1967. One team was dropped and another added as District 4-AA added a seventh member to the loop. Class A Bovina was dropped from the schedule as Midland Carver becomes a member of the conference next fall.

In addition, Muleshoe was moved into the middle of the conference slate in order to provide ten games for the Indians. Muleshoe is the only AAA school on the Morton schedule.

Head football coach Fred Weaver announced the following schedule for the varsity for 1967:

Sept. 8	Olton	Here
Sept. 14	Olton	There
Sept. 22	Abernathy	There
Sept. 29	Midland Carver	Here
Oct. 6	Slaton	Here
Oct. 13	Muleshoe	Here
Oct. 20	Denver City	Here
Oct. 27	Frenship	There
Nov. 3	Stanton	There
Nov. 10	Post	There

Following is the conference schedule, drawn up during a meeting last Wednesday night at Frenship School in Wolfthorpe:

Sept. 29: Midland Carver at Morton, Denver City at Slaton, Frenship at Post, Stanton has an open district date.

Oct. 6: Slaton at Morton, Post at Midland Carver, Stanton at Frenship, Denver City open.

Oct. 13: Post at Slaton, Frenship at Midland Carver, Denver City at Stanton, Morton has the open district date.

Oct. 20: Slaton at Frenship, Denver City at Morton, Stanton at Post, Carver is open.

Oct. 27: Morton at Frenship, Denver City Post is open.

Stanton at Slaton, Carver at Denver City, Morton at Stanton, Slaton at Midland Carver, Post at Denver City, Frenship is open.

Nov. 10: Morton at Post, Frenship at Denver City, Carver at Stanton, Slaton is open.

Even crusaders eat . . .

MRS. OTHA DENNEY of Bledsoe continues her vigil after defying an oil company she accuses of trespassing on her land. Using her car as a blockade to her land on the Texas-New Mex-

ico border, she forced a stalemate until the company was able to complete a temporary road and move its drilling equipment into a lease from another direction. TRIBPix

Tresspassing ires lady

A Bledsoe woman has vowed to go clear to the U.S. Supreme Court if necessary to protect what she terms a violation of her civil rights following an alleged trespass of her property.

Mrs. Otha Denney blocked entrance to her New Mexico property just west of Bledsoe last Friday morning and finally turned back a large number of oil field drilling rigs.

On Monday Mrs. Denney signed a petition for a permanent injunction against Anadarko Production Company, alleging the company

trespassed on her property en route to a drilling site on another section.

On Tuesday, the determined middle-aged woman filed suit against Anadarko and a temporary restraining order was issued by District Judge Dee C. Blythe in Portales, N.M. A hearing on the permanent restraining order will be held at 10 a.m. Friday, Nov. 18, in Portales.

Mrs. Denney, trim in her black slacks, black blouse and dark glasses, related that she and company representatives were unable

to agree on compensation the company would pay for using the narrow dirt road across her land en route to a drilling site on another section.

A resident of the area, New Mexican D. E. Bilyrey, said that he also failed to agree with the company on damage payment, but that his New Mexico lease allowed passage of the company's vehicles.

"I found out last Friday morning (Oct. 28) that some equipment had been moved in during the night and that some crews had

also used the road across my land," Mrs. Denney recalled.

"I called a deputy sheriff (Cochran County Deputy Joe Hodge, who is stationed in Bledsoe) because the road that leads off the highway to my place is in Texas. I also called my attorney, Charles Compton in Portales.

"Then I just went out and blocked the cattle guard to keep them from coming in."

Several large semi-trucks of drilling equipment parked along the road leading to Mrs. Denney's cattle guard while company officials and Mrs. Denney discussed the situation.

"They wouldn't agree with me on damages and then they started to trespass on my land. That's a violation of my civil rights and I'm going to stay right here until See **TRESPASS**, Page 2

In the fall of the year, when the leaves are turning and the air is growing crisp, the talk around the street and in the coffee shop usually turns to politics. And this year is no exception.

Texans will have a chance to do more than talk about politics by voting for their choices in the November 8 election. At stake are a U.S. senatorial seat, U.S. Representative post, state senatorial and representative seats, and 16 constitutional amendments, as well as top state and county offices.

Detailed explanations of all 16 amendments will be found on editorial page, page 2, section A.

Local politics will draw its share of the spotlight in a contest between incumbent County Judge J. A. Love and write-in candidate W. J. (Bill) Wood. Wood announced his intentions to run as a write-in only this week. In announcing his candidacy, Wood said he is running on a program of planned progress and better working relations between the city and county. A farmer in Cochran County for 17 years, Wood is a Democrat. All but a handful of people are running on the Democratic ticket. The Conservative Party is low man on the number running totem-pole with only one candidate: Bard A. Logan for governor. The Republican party is next low, being led by one candidate on the Constitutional Party.

The Republicans have entered eight into the political race. They include T. E. Kennerly for governor, John Tower for senator, Kellis Dibrell for Lieutenant Governor, Robb Stewart for Attorney General, Jack Garrett for Commissioner of Agriculture, Albert Fay for Commissioner of General Land Office, Rudy T. Garza as Comptroller of Public Accounts; and Lawrence Daffan Gilmer for State Treasurer.

Heading the list of nine candidates on the Constitutional Party ticket is Tommie Gillespie for governor. They have also entered James Barker Holland for U. S. Senator, William A. (Bill) Johnson for Lieutenant Governor, John C. Williams for Attorney General, Derek C. Bownds for Commissioner of Agriculture, Joseph L. Tiller for Commissioner of General Land Office, Wilma McDaniel as Comptroller of Public Accounts, Jesse Lee James for State Treasurer, and David R. Clark as Railroad Commissioner.

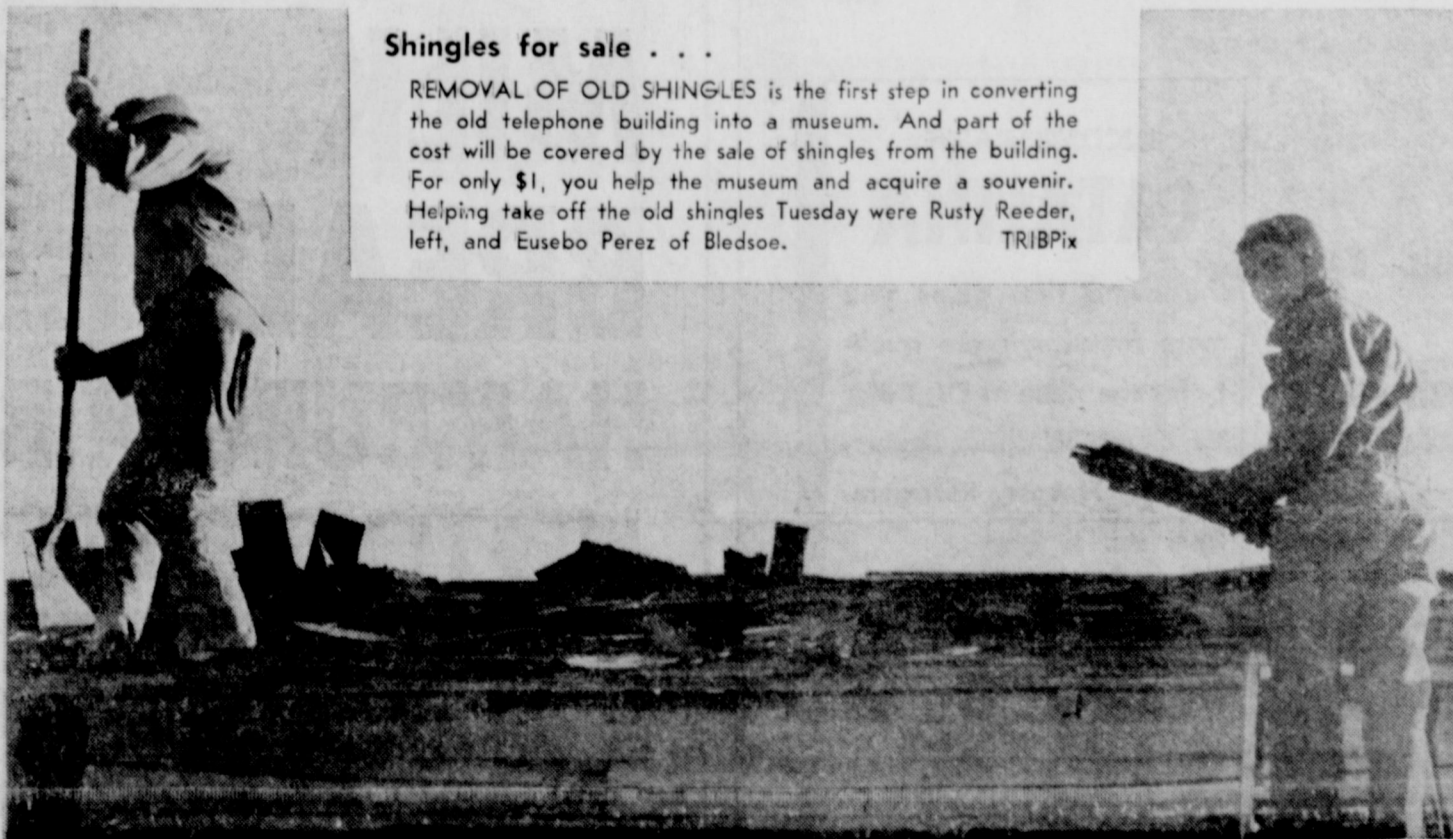

The Democrats have virtually blanketed all public offices with their slate of candidates. This list is headed by John Connally for governor and Waggoner Carr for U. S. Senator. Also included in the list are Preston Smith for Lieutenant Governor, Crawford C. Martin for Attorney General, John C. White for Commissioner of Agriculture, Jerry Sadler for Commissioner of General Land Office, Robert S. Calvert for Comptroller of Public Accounts, Jesse James for State Treasurer, and Byron Tunnell for Railroad Commissioner.

Other state office candidates include Robert W. Calvert for Chief Justice of Supreme Court, Clyde Smith for Associate Justice of Supreme Court, Place I. Joe Greenhill, for Associate Justice of Su-

Morton coach Fred Weaver reported that fullback Jimmy Waters was hospitalized with pneumonia Monday and will miss Friday's game. Weaver said that it was unlikely that Waters would be able to play next week in the final game at Slaton.

Weaver is planning to use Charles Joyce, 145-pound sophomore, at the fullback slot. Halfbacks will be Randle Tanner and Donnie Harvey with John St. Clair calling signals. On the line will be Danny Culpepper, Jerry Luper and La-Mell at ends, Dick Vanlandingham and Larry Smith at tackles, Larry Shaw and Billy Smart at guards and Ray King at center.

Cancer Society meets Monday

A planning session was held Tuesday night, Nov. 1, in the Chamber of Commerce office by the Cochran County unit of the American Cancer Society. Dale Byerly of Lubbock reported on new films available for public education about cancer and early detection. Mrs. A. Collins of Leveland told of the Hockley County unit and its work during the past year, and described the value of their Supply Closet for the benefit of cancer patients.

There will be another meeting

Trespass

from Page One

something is done," she said. Mrs. Denney spent Friday guarding the entrance to her land, aided by neighbors who brought her food, coffee, tea and occasionally took her place while she made phone calls. A rifle was clearly visible behind the back seat of her car, but Mrs. Denney said she carried it all the time and never did take it out during the blockade.

Late Friday afternoon the company finished a temporary road that gave access to the drilling site without crossing Mrs. Denney's property. They slowly moved their large trucks across a loose dirt fill that led from the Bledsoe-Tatum highway into a brush-filled pasture.

Neighbors said that the matter was precipitated because the company had to begin drilling by Sunday, Oct. 30, or lose its lease. This was not confirmed by the company, whose representatives on the scene said little.

Mrs. Denney, comforted by large quantities of food and occasional visits from neighbors, spent Friday night guarding her property.

of the county unit soon to elect new officers. Mrs. J. C. Reynolds is the outgoing chairman of the Cochran County unit.

preme Court, place 2; John F. (Jack) Union for Judge, Court of Criminal Appeals; George Mahon, for U.S. Representative of 19th Congressional District; H. J. (Doc) Blanchard for state Senator of the 28th Senatorial District, and Jesse George for state Representative of the 75th District.

On the county level, incumbent J. A. Love is being opposed by write-in candidate W. J. (Bill) Wood, while Lessye Silvers for District and County Clerk, Bill Crone for County Treasurer, and C. D. Ray for Cochran County Democratic Chairman, are all running unopposed.

On the precinct level, precinct 1 candidates include Joe Gipson, Justice of the Peace, and Leroy Johnson, Democratic chairman.

Running for office in precinct 2 are H. J. Knox, Justice of the Peace, T. A. Washington, County Commissioner, Truman Swinney for Box 2 Democratic Chairman, and Vincent Legan, Box 5 Democratic Chairman.

Tom Williams and G. D. Lewis are running for Box 3 and Box 6 Democratic Chairman in Precinct 3 respectively.

In precinct 4, U. F. Wells is seeking the post of County Commissioner, while Francis Shiflett is running for Democratic Chairman.

The 16 proposed amendments to the Texas Constitution have generated relatively little interest around Cochran County with the exception of proposition 1, which asks that land be assessed on consideration of only those factors relative to agricultural use.

Proposition 2 asks for the creation of airport authorities; 3 asks

that Arlington State College be withdrawn from the A&M University System under the permanent university fund; 4 sets the terms of office of directors of conservation and reclamation districts; and 5 authorizes a state wide system of retirement, disability and death benefits.

Number 6 authorizes payment by the state to spouse and children of law enforcement officers, custodial personnel of the Texas Department of Corrections, or full-paid firemen, who suffer violent death in the course of their duties; number 7 provides for the annual registration of voters without payment of a fee; number 8 asks for voting by persons temporarily disqualified by reason of residence; and number 9 increases the Court of Criminal Appeals to five judges.

Proposition 10 concerns school district taxes; number 11 would extend the state water program to include filtration, treatment and transportation of water and authorize an additional \$200,000,000 in bonds; 12 provides the method and manner for dissolution of hospital districts; 13 consolidates some functions of government; 14 would delete the limitation on voting by members of the armed forces; proposition 15 asks that state acceptance of money from private or federal sources for assistance of physically or mentally handicapped people be authorized; and number 16 establishes the date when newly elected members of the legislature take office.

Mr. and Mrs. Henry Williams and Debra made a flying-trip to Memphis, Tex., Sunday afternoon, Oct. 30, to visit with his sister, Mrs. Raymond Ballen and two daughters, Romonia and Bonita. They returned to Morton in time for the evening church services.

Alberto Gonzales ends his basic Marine training

CAMP PENDLETON, CALIF. (FHTNC) — Marine Private Alberto Gonzales, son of Mr. and Mrs. Gilberto G. Gonzales of 603 E. Wilson St., Morton, Tex., has completed four weeks of individual combat training here.

During the training period, he received more than 200 hours of instruction in guerrilla warfare, the use of infantry weapons, combat patrols, and squad tactics.

His next assignment is four weeks of basic specialist training to prepare him for a specific job in the Marine Corps. Marines to be assigned to infantry units will be taught sub-specialties such as the technical operation of the machine gun, grenade launcher, or mortar. Those entering highly skilled occupational fields will receive advanced training at resident technical schools.

Girls Auxiliary met October 30

The Jean Dickman Junior Girls Auxiliary of the First Baptist Church had its regular meeting on Sunday, Oct. 30. Plans for the Mission Study Slumber Party were completed.

The Slumber Party is to be held on Friday, Nov. 4, at the Primary II Dept. The Mission book "My Island of Sumatra" will be taught. After the completion of the book, the girls will then have the "slumber" portion of the party. Supper and snacks will be served.

Forward step time was used at the meeting. Several of the girls had steps completed and ready to be signed.

One visitor Belinda Phillips was present. Those members present were Misses: Carolyn Gray, Jeanie Wemken, Debra Williams, Judy Steed, Arlene Crow, Kathy Mason, and Judy Oliphant.

Counselors are Mrs. Noel Crow and Mrs. Henry Williams.

Valenzuela ends Marine boot camp training session

SAN DIEGO, CALIF. (FHTNC) Oct. 11 — Marine Private Martin G. Valenzuela, son of Mr. and Mrs. Sotero E. Valenzuela of Morton, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

Under the supervision of veteran noncommissioned officer Drill Instructors, he learned small arms marksmanship, bayonet fighting, and methods of self-protection. He also received instruction in military drill, history and traditions of the Marine Corps, and other academic subjects.

He will now undergo four weeks of individual combat training and four weeks of basic specialist training in his military job field before being assigned to a permanent unit.

Texas has 6,031 oil producing firms.

19 rural wrecks Jan.-June 1966

A total of 19 rural traffic accidents were reported in Cochran County during the first six months of 1966. 16 percent of these accidents were not investigated according to Sergeant A. E. Roberts, Highway Patrol Supervisor of this area.

The Sergeant stated that his office investigated every rural traffic accident that they became aware of, or, notified of.

Drivers involved in these accidents have certain responsibilities in reporting these accidents. First, the driver of a vehicle involved in an accident resulting in injury or death of any person shall immediately by the quickest means of communication give notice of such accident to the local police department, if such accident occurs within a municipality, otherwise to the office of the County Sheriff or the nearest office of the Texas Highway Patrol.

Secondly, the Sergeant added, "The law requires the driver of a vehicle involved in an accident resulting in injury to, or death, of any person, or total property

damage to an apparent extent of \$25.00 or more, shall within ten (10) days after such accident forward a written report of such accident to the Department of Public Safety. Any person who shall fail to make such a report shall be guilty of a misdemeanor and upon conviction shall be punished."

1965 FIRE DAMAGE

Flammable liquids and explosions accounted for 51,400 incidents and damage of \$43,000,000. Gas fires and explosions totaled 12,900 and did \$19,100,000 in damage.

Airman Shields starts training

Airman Dave L. Shields, son of Mr. and Mrs. Louis J. Shields of Star Route 2, Morton has been selected for training at Chanute AFB, Ill., as an Air Force aircraft equipment repairman.

The airman, a 1966 graduate of Bledsoe High School, recently completed basic training at Amarillo AFB, Tex.

Miss Ledbetter is nursing student

Betty Lou Ledbetter of Morton is a junior nursing student at The University of Texas School of Nursing in Galveston. She is among 57 students whose third-year training will include courses in maternal and child health, medical-surgical nursing, and public health science.

Miss Ledbetter, daughter of Judge and Mrs. M. C. Ledbetter, Morton, completed her first two years of nursing training at Texas Technological College and the University of Texas at Austin.

The University of Texas School of Nursing, with an enrollment of 313, is the oldest school of nursing in Texas and one of the oldest schools in the Southwest. It was the first school of nursing in the United States to become an integral part of a university. The University of Texas Medical Branch Hospitals, where students in the School of Nursing take their practical courses, have facilities for more than 1,000 patients.

TOPS Club meeting held October 26

When the Lighter-Later TOPS Club met Wed., Oct. 26, the members were given an inspiring program. Nell Matthews told of the importance of losing weight to have better health and read the statistics from the insurance report concerning the greater risk of death and diseases caused by being overweight or was complicated by being overweight. Vi Henry read an explanation of the TOPS Pledge which was taken from the TOPS News monthly magazine. Pat Clayton asked some amusing riddles, and they were answered by the group.

Ruby Davis led the club pledge and Yvonne Egger led the singing as the group sang their club song. Berta Abbe called the roll and announced that both Vi Henry and Marie Adams had lost 2 pounds each to tie for queen for the week. Opal Tucker brought the door-prize that was won by Vi Henry. LaVon Sullivan served refreshments to: Berta Abbe, Dorothy Barker, Maureen Blackly, Jean Bridges, Pat Clayton, Ruby Davis, Yvonne Eger, Nellie Fincher, Vi Henry, Nell Matthews, Mildred Oden, Lolis Tanner, Billie Carothers, Opal Tucker, Maude Gardner, Marie Adams, and one guest, Louise Talley.

Dior brings fashions to Morton?? Find out at the after game fellowship Friday night, Nov. 4, at the First Baptist Church.

Diane Fields finalist for ENMU queen title

Three Eastern New Mexico University students have been picked as finalists in the race for the 1966 Homecoming Queen crown.

Ruth Reigy, Portales; Diane Fields, Morton and Sandra O'Cheskey, Carlsbad, remained in the field after voting by Eastern Students. The queen will receive her crown at the annual homecoming assembly at 11 a.m. Friday, Nov. 4, in the Campus Union Ballroom.

Master of ceremonies for the coronation activities will be Dr. R. Lyle Hagan, director of the School of Speech and Drama. Sara Schmidt Mitchell, now of Clovis, 1965 homecoming queen, will be on hand to congratulate her successor. President Charles W. Meister and the Eastern coaching staff will deliver brief addresses.

Called "Sandy" by her classmates, Miss O'Cheskey is a junior English major. She is the daughter of Mr. and Mrs. Fred L. O'Cheskey, Carlsbad, and is being sponsored by Eddy Hall.

Miss Fields, daughter of Mr. and Mrs. C. W. Fields, Morton, is a junior. Her major field of study

is elementary education. Chaves Hall is Miss Fields' sponsor. Also an elementary education major, Miss Reidy is the daughter of Mrs. Ruth J. Reidy, Portales. A senior, she is sponsored by Lincoln Hall.

Other candidates in the competition for queen were Dinah Groce, Hobbs, sponsored by Chi Omega sorority; Betsy Hicks, Tucumcari, Alpha Delta Pi sorority; and Cheryl Neill, Friona, Texas, De Baca Hall.

★ Club meet

L'Allegro Study Club will have its regular meeting at 8 p.m. Thursday, Nov. 3, in the home of Mrs. Al Mullinax. "The Art of Sensible Cooking" will be the program topic. Guest speaker will be Mrs. Owen Young, home economics instructor.

RE-ELECT SENATOR JOHN TOWER

He's an effective legislator. Twenty bills bearing his name have become law this session of Congress, including far-reaching soil and water conservation measures.

Mr. Leon Kessler guest speaker at Emlea Smith Junior Study Club

The Emlea Smith Junior Study Club met in the home of Mrs. Tommy Hawkins, Thursday, Oct. 27, at 7:45 p.m. Assisting Mrs. Hawkins was Mrs. Theilbert Asbill.

Roll call was answered with, "How would you like to see Morton improved. Guest speaker for the evening was Mrs. Leon Kessler, new manager of the Morton Area Chamber of Commerce. Mr. Kessler began the program by reading a telegram from Jesse T. George, former chamber manager. Mr. George wished the town and the club his sincere best wishes for the future and the present.

Mr. Kessler began the program by saying that we as club members should work together as members and citizens for the good and progress of Morton. Mr. Kessler said that the Chamber was still very young, only five years old, and that it was still in a state of

growing, but he felt that it had come of age.

He further stated that the Chamber liked to feel partially responsible for the greenhouse Mr. Sam Kelly has recently built, and the dairy that Mr. Bob Ramp is building. He stressed the need for more different types of industries in Morton.

He also said they liked to feel responsible for part of the work and the help in the organizing the Youth Conference, also improving the communications between the farmers and the businessmen.

He gave some suggestions that the Club might take on as projects in the future, such as: compiling a community calendar, reactivate the Newcomers Club, maintaining or redesigning the welcome signs outside of Morton and maybe each club in the area selecting a representative to meet once a month with the Chamber, so that we as clubmembers can better understand the workings of the Chamber.

Mr. Kessler closed the meeting with the quotation, "We don't have to look very far back to see where we started, but we have to look a long way ahead to see where we are going."

The program was finished with a question and answer session. Mrs. James Walker then presided over the business meeting for

Jaycettes hold call meeting

The Jaycettes held a call meeting Monday, Oct. 24, to discuss the Halloween Carnival.

The Muleshoe Jaycettes will be the guests at the next meeting, which will be Monday, Nov. 14. The program will be on fire hazards in the home.

The Morton Jaycettes decided to take cakes to Robert's Memorial Nursing Home every month. Those selected to take cakes in November are Mesdames, Sue Hodge, Mary Ann Hodge, and Pat

the evening. Members were reminded of the District Board Meeting in Ralls on Saturday, Oct. 29.

A treasurer's report was given by Mrs. Clyde Brownlow. Final plans were then discussed concerning the Halloween Carnival.

Refreshments were served to: Mesdames Rodney Fralin, Bob Polvado, James Dewbre, Ronald Coleman, Gary Willingham, Bill Foust, James Walker, J. W. Tyson, Jim Johnson, Earl Polvado, Danny Tankersley, Loy Kern, Clyde Brownlow, Richard Houston, Miss Jenni Allen, and guests, Mr. and Mrs. Leon Kessler and Mrs. Davy Mitchell.

The next meeting will be Thursday, Nov. 10 in the home of Mrs. James Walker with Mr. Tom McFarland as guest speaker.

Mexican dinner set November 6

The Guadalupana Society (Spanish Speaking ladies group), St. Ann's Church held a special meeting last Sunday, Oct. 30, to make plans and arrangements for the Annual Mexican Dinner. Olga Peaqueda, president of the Society of Women, stated that the home-made Mexican dinner will be served next Sunday, Nov. 6, starting at noon and will be served until all of the prepared food gone.

With the new kitchen facility in the new building on N.E. St. the Mexican food can be easily prepared and should prove to be better than ever.

Adults will be served for \$1.00 and children under 12 for 50c. In addition to the dinner, tamales, etc. will be sold to those who wish to take them home.

I, Bill A. Crone, Treasurer, Cochran County, Texas certify that this report reflects condition of Receipts and Disbursements for the Third Quarter, 1966, July, August and September, 1966.
Signed: Bill A. Crone Treasurer, Cochran County, Texas

Approved: by Commissioners Court on November 1, 1966.

VOTE FOR PLANNED PROGRESS

WRITE in W. J. "BILL" WOOD

FOR COCHRAN CO. JUDGE

W. J. "Bill" Wood Is Willing To Face Up to ALL The Important Responsibilities Of County Judge!

READ THIS PLAN FOR PROGRESS:

JUSTICE FOR ALL

Bill Wood believes the office of County Judge carries with it the responsibility of serving justice for all. Bill Wood believes in administering the law for the protection of all citizens, their children and their neighbors. Bill Wood believes in equality in applying the penalties provided by law to protect your life and your property.

USE OF PUBLIC FUNDS

Bill Wood believes that your tax dollars should be spent on a planned basis, through a planned budget. He doesn't believe in "heiter-skelter" spending, but in careful examination of the need and planning purchases to get the maximum return for each dollar spent. Bill Wood believes that the county should take the lead in promoting progress when opportunities present themselves. He feels the county should take a more active role in revitalizing the county economy through cooperation in worthwhile activities.

HIGHWAY DEVELOPMENT

Recently the Lubbock Avalanche-Journal ran a story pertaining to state funds allocated to various counties in the 25-county Lubbock District. Practically every county in the district received an appropriation—but not Cochran County! Several times each year, the Texas Highway Commission invites county officials to confer with the Commission. The record will show that no county official for Cochran County has attended any of these meetings in the last four years. Bill Wood feels the County Commissioners should be informed of these meetings, and urged to attend some of them. He feels that it is wrong for County Commissioners to learn about the meetings by reading area newspapers. Bill Wood feels that elected county officials should be seeking to help the citizens, rather than the public having to beg for county assistance on highway projects.

COUNTY FIRE TRUCK

About a year ago, Bill Wood led a Farm Bureau delegation to the County Commission, with a resolution requesting the county purchase a county fire truck. The truck would be equipped to fight grass fires. This year, at the annual meeting of the County Farm Bureau, a member of the court informed the group that "apparently there had been a breakdown in communications." Special fire rates require a city's fire truck to remain inside the city limits at all times. Bill Wood feels the rural residents are enti-

led to better fire protection NOW without jeopardizing favorable fire insurance rates earned in the city.

Closer Government Cooperation

Bill Wood feels that all taxpayers will get more for their tax dollar if a spirit of cooperation is re-established between the county, the cities and the schools within the county. Bill Wood wants the county officials to get outside the courthouse and initiate closer relations among all elected and appointed officials.

Facing Issues Without Dodging

Bill Wood believes that when a man is elected County Judge, he should be willing to face issues and problems squarely as they arise, that he should be ready to make decisions instead of postponing action indefinitely or leaving town.

Business-Like Business Meetings

Cochran County Commissioners Court operates one of the largest businesses in the county. Bill Wood feels that meetings of this group should be conducted with efficiency, dispatch and a business-like approach. Bill Wood feels that the County Judge, as presiding officer, should endeavor to create harmony, cooperation and efficiency in all Commission meetings.

Informing County Officials

Bill Wood feels that County Commissioners and other county officials need to be kept informed so that all can work more diligently toward better, more efficient, more economical county government.

CIVIL DEFENSE

Law requires the County Judge to head the local Civil Defense organization. This is necessary before an approved Civil Defense program can be started. A good Civil Defense organization was a key factor in reducing loss of lives and property after the Hale Center tornado. Bill Wood feels a Civil Defense program should be instituted in Cochran County again.

AN OPEN DOOR

Bill Wood pledges that, if elected his office door will be open to any citizen who has a grievance, a question, a problem or a suggestion. Bill Wood wants to cooperate with the citizens of Cochran County through the office of County Judge. He realizes that the County Judge is elected to serve, not to dictate nor to establish a remote "throne room" atmosphere.

HE'S QUALIFIED TO DO THE JOB!

W. J. "Bill" Wood has been a resident of Cochran County for the past 17 years and is a farmer, homeowner and active in community affairs. He and his wife have one son and are especially interested in youth work.

Wood is a director of Cochran County Farm Bureau and served as its president for two years. He is president of Morton Co-op Gin, climaxing four years on the board. He is a director of Plains Cotton Co-op Association. He was a member of the committee which conferred in Washington, D. C. with Agriculture Secretary Orville Freeman on South Plains farm problems.

Wood serves on the Cochran County Program Building Committee and on the Democratic Advisory Committee for Rep. Jesse T. George.

Wood is a member of the First Methodist Church, Charge Lay Leader and a member of the official board.

He was graduated from high school at Eldorado, Okla., and attended Texas Tech.

Prior to moving to Morton, he was Supply Chief for the U. S. Corps of Engineers, working in West Texas and Eastern New Mexico.

HERE'S HOW TO VOTE FOR BILL WOOD:

Scratch out the other candidate's name. Under the write-in column below "For County Judge" write **BILL WOOD**

OFFICIAL BALLOT

Vote for the candidate of your choice in each case by scratching out or marking out all other names in this race. You may vote for all the candidates of a party by running a line through every other party column.

Keep or pitch? . . .

RUNNING THE OPTION requires a quick decision by the quarterback and Morton signal-caller John St. Clair seems to have decided to keep as he makes his cut. Trying to block

Denver City tackle Rodney Parker is halfback Donnie Harvey. The Mustangs had little trouble containing the Indians as they romped to a 32-0 conference victory.

TRIB'ix by George Tuck

Campfire girls fete leader

The Ta-Wan-Ka Campfire Girls feted their leader, Mrs. E. L. Reeder, with a surprise birthday party Friday, Oct. 28, in the home of Debra Williams. The girls presented her with a leader's pin. The table was decorated in a Halloween motif. Chocolate cake and Florida punch were served to the honoree Mrs. Reeder, Mrs. Morton J. Smith, Mary Smith and Mrs. Henry Williams.

The girls present for the party were Misses: Emlea Smith, Becky Melton, Carolyn Gray, Renee

Anglin, Cassandra Reeder, and the hostess, Debra Williams. They had a new member to join the group. We welcome Miss Judy Steed.

The next regular meeting will be at 3:30 p.m. Friday, Nov. 4, at the school. Please try to be present.

Canada is investing \$350 million in Expo 67, the 1967 World Exhibition in Montreal, which is scheduled to open on April 28, 1967, and close 183 days later.

Morton Tribune

Thru the telescope by Tuck

This is the time when politics take a front-row seat. And in Cochran County, an unexpected write-in candidate for County Judge has added interest on the local level. W. J. "Bill" Wood announced this week that he would oppose incumbent J. A. "Johnny" Love.

Writing a column, the author usually relies on the "editorial we" when making personal comments. About all this does is make it sound a little better than constantly repeating "I". And, at times, it makes the reader think that the columnist must have help or associates. But in this case, I am going to use the singular personal pronoun and make a statement that is purely my own. It is done simply because the Tribune usually tries to avoid endorsements of local candidates. And, as an individual writer, I intend to support Bill Wood in his candidacy. I feel that he might possibly bring more harmony to the Commissioners' Court, more cooperation between the County and other local governmental agencies and because he is a progressive-minded citizen, interested in seeing Cochran County get out of the doldrums and into a new spirit of action.

Speaking of judges, the man on the bench must have had to blow the dust off some old law books to make a decision on this case that we quote from the Oct. 27 issue of the Ochiltree County Herald in Perryton:

"Drunk charges were filed against a man who was arrested in Perryton Sunday for being intoxicated on a horse.

"Efforts of the city police department and a Texas Highway Patrol unit were required to finally effect the arrest of Robert Bingle Jr.

"He paid \$21.50 fine and costs after an appearance before City Judge Joe Ogden."

Morton junior high football teams lost some close games last week. The seventh graders were defeated 22-0 by Plains and 24-6 by Muleshoe. The eighth graders were edged 12-8 by Plains and 14-0 by Muleshoe. The Frosh beat Muleshoe 44-6 last week and will play at Frenship Thursday (Nov. 3).

Have you bought your shingle yet? That sounds like a crazy question, but shingles are for sale for \$1. They are off the old telephone building, which has been moved to the 200 block of SW 1st and is being remodeled for a County Museum. The fund-raising effort is being directed by the Cochran County Historical Survey Committee, Mrs. H. B. Barker, chairman, has had letters sent to all those who purchased books on the county history. The group also is seeking collections or single objects for the museum. Any item or document illustrating the historical development of the area is welcomed.

In a minor accident Monday Donna Hofman got a neck injury and is in traction at the hospital. John Stockdale, Morton High band director, is beginning to feel like Coach Darrell Royal at Texas. Donna plays the bells, which probably means that the band won't play "Bells Across the Gridiron" Friday night. And John reports that at least eight other members of the marching band are ill. So far, Jimmy Waters is the only invalid on the football team. He has pneumonia and likely is out for the last two games.

Cochran County had its first snow of the season early Tuesday morning. We were a bit skeptical of the snow reports we heard Wednesday, but they have been confirmed. Some of it was still visible north and east of town after daylight Tuesday. The moisture was almost nil and cotton harvesters were operating by noon Tuesday.

Bank president Gene Benham has just returned from a week-long bankers' convention in San Francisco. He said the speeches were just great and that he had learned a lot. However, closer questioning failed to disclose if he had returned with any samples to loan. And in passing, wonder if a banker has as much trouble cashing a check if he runs short of cash in a strange town as we do?

Boys basketball coach Max Dickerson of Whiteface cautiously says his Antelopes might have a good year. And he just might be right, since the squad didn't graduate a single player. Morton will play them at Whiteface on Dec. 19.

It's good to report that our older son is home now recuperating from pneumonia. At least a week's stay in the hospital didn't seem to affect his appetite any. He brought home most of the disposable syringes from his 17 shots, enlightening his startled parents

Mrs. Stanley, 81, buried Wednesday

Funeral services for Mrs. Madeline Stanley, 81, of Morton, were held here, Wednesday Oct. 26, at 2 p.m., at Singleton Funeral Home Chapel, with Rev. Kenneth Wyatt, pastor of First Methodist Church, officiating.

Mrs. Stanley died at 10 a.m., Oct. 24, in Morton Memorial Hospital.

Interment was at Morton Memorial Cemetery.

Survivors include: one daughter, Mrs. Noel Martin, Grand Forks, N.D.; five sisters, Mrs. Joe Mohmood, Morton, Mrs. Robert Berlin, Battle Creek, Mic., Mrs. Bill Smith, Miami, Fla., and Mrs. Bernice Yellowstone, St. Louis, Ill., and five grandsons.

Pallbearers were: Marion Matthews, George Farhat, Elmer Gardner, M. D. Bostright, Fred Crow, and George Andon.

A resident of Lamesa 35 years, Mrs. Stanley moved to Morton a year ago.

Myra Knox Circle met November 1

The Myra Knox Circle of the Woman's Society of Christian Service met in the home of Mrs. C. C. Benham Tuesday, Nov. 1.

Mrs. D. E. Benham opened the meeting with a prayer. Mrs. Don Lynskey, circle chairman, reminded the members of the Sub-District meeting in Bula on Wednesday, Nov. 2.

Mrs. J. N. Burnett continued the study. She talked on "The Call To Be" and asked the questions: What is God's activity? What is man's response?

Mrs. W. C. Benham took part on the program. Mrs. J. N. Burnett concluded with a prayer.

Those attending were Mesdames: C. C. Benham, D. E. Benham, W. C. Benham, Kenneth Wyatt, E. L. Cox, Owen Egger, G. C. Sanders, A. S. Key, Don Lynskey, E. E. Lytle, E. J. Doran, J. N. Burnett, and two guests, Misses Melissa and Gina Lytle.

with the comment that they are highly prized as water guns.

Below freezing it fell, weathermen did tell. That I knew without listening As icicles from my ears were glistening.

FLORAL SALUTE TO VOTERS

Flowers will be a patriotic symbol Tuesday Nov. 8, when the Flower and Gift Shop launches a project to adorn every voter with bloom.

Mrs. Jack Baker, owner and operator, announces that anyone who takes part in Tuesday election will receive a flower at the Flower and Gift Shop. Attached to the bloom will be a tag:

"I Voted! Did You?"

In these days when elections are so important, we want to do what we can to get out the vote and complimenting those who go to the polls. We think that by giving flowers to voters we can do both.

In our shop window is a poster, "Show the World You Voted . . . Come in for your flower after you vote." We'll be looking for you.

SEVEN LETTERMEN RETURN

Varsity basketball slate listed

A 21-game schedule, plus three tournaments, has been announced by Morton High School basketball coach Ted Whitlock. Practice is underway now by players not on the football squad in anticipation of the opener on Nov. 15 at Rockwell.

Whitlock and B team coach Roy Taylor have listed 18 players on their squads, including seven lettermen. There are four sophomores, seven juniors and seven seniors, seven juniors and seven seniors. Only one regular, Jimmy Joyce, was lost by graduation. But Joyce was the leading scorer and second leading rebounder.

Following are the players expected to carry Morton's gold and black cage colors this year:
Seniors: Freddie Thomas, guard, 5-8, 140, 2 letters, averaged six points last year; John St. Clair, forward, 6-0, 170, 1 letter, averaged three points; Remy Kuebler, guard, 5-8, 140, B team; Rodney Hobson, forward, 5-10, 145, B team;

Juniors: Dick Vanlandingham, center, 6-2, 185, 1 letter; Lorenzo Green, center, 6-4, 195, B team; Charles Carter, guard, 5-10, 140, 1 letter; Donnie Harvey, guard, 5-8, 155, 1 letter, averaged five points; Alton Black, guard, 5-6, 130, 1 letter; Ray King, forward, 5-9, 170, B team; Danny McCasland, guard, 5-2, 125, B team;

Sophomores: Byron Willis, forward, 6-1, 165, 1 letter, averaged nine points; Wayne Thompson, guard, 5-7, 130, B team; Rusty Rowden, forward, 6-1, 140, B team; Tommy Davis, forward, 5-11, 145, B team; Bob Hawkins, forward, 5-1, 135, B team; Charles Joyce, center, 5-8, 140, B team; and Dee Merritt, guard, 5-8, 140, B team.

Following is the schedule for 1966-67 court action. Except for tournaments, the B team will play at 6:30 p.m. prior to the 8 p.m. varsity tilt:

- Nov. 15 Bledsoe There
 - Nov. 18 Bledsoe Here
 - Nov. 22 Muleshoe There
 - Nov. 29 Plains Here
 - Dec. 2 Meadow There
 - Dec. 5 Seagraves Here
 - Dec. 6 Plains There
 - Dec. 8, 9, 10 Abernathy Tourney
 - Dec. 12 Seagraves There
 - Dec. 13 Three-Way Here
 - Dec. 15, 16, 17 Denver City Tourney
 - Dec. 20 Seadown Here
 - Jan. 3 Muleshoe Here
 - Jan. 5, 6, 7, Plains Tourney
 - Jan. 13 Frenship There
 - Jan. 17 Slaton Here
 - Jan. 20 Post There
 - Jan. 24 Stanton There
 - Jan. 27 Denver City Here
 - Jan. 31 Frenship Here
 - Feb. 3 Slaton There
 - Feb. 7 Post Here
 - Feb. 10 Stanton Here
 - Feb. 14 Denver City There
- The ten games starting Jan. 13 and ending Feb. 14 are all District 4-AA clashes. Denver City is the defending conference champion. Post finished in second place and Morton was third.

Mrs. Olin Darland hosts garden club

Mrs. Olin Darland hosted the Thursday, Oct. 27, meeting of the LeFleur Garden Club.

Mrs. Eugene Bedwell presided over a brief business meeting in the absence of the president, Mrs. Roy Hill, who was attending the District 1 Garden Club Board meeting in Odessa. Mrs. W. A. Woods also attended as a delegate from the club. Members were reminded of the Monday, Oct. 31, meeting in Lubbock, which was to be a workshop on Civic Beautification projects. The Central Zone meeting of Garden Clubs will be on Tuesday Nov. 8 in Levelland and all members are urged to attend. The afternoon program on "Holiday Decorations" will be most interesting and helpful in presenting new decorating ideas.

Plans for the rummage sale on Saturday, Oct. 29, were completed.

The program on "Iris and Day-lilies" was presented by Mrs. Don Samford, who stated that these hardy perennial plants are both well suited to the gardener who has a minimum of time to spend in the garden. They are both well adapted to our soil and climate, are almost pest free, and require little special care. Clumps require dividing when overcrowded. The main requirements are a well drained location with plenty of sunshine. Water well before and during blooming period and a small amount of complete fertilizer after blooming will insure next years blossoms. Both are available

in all colors from the whites to deep reds; including all colors of the spectrum.

Members present were Mesdames Herman Bedwell, E. R. Fincher, Eugene Bedwell, Owen Egger, S. E. Williams, Samford and the hostess Mrs. Olin Darland.

Next meeting will be on Thursday, Nov. 10, in the home of Mrs. Don Samford.

Students, you have had a weeks rest. Now, plan to attend the after game fellowship at the First Baptist Church.

Average Texas well yields 13.7 barrels per day.

★ Pancakes

Pancakes and sausage, all you can eat, are on the menu for Monday evening, Nov. 7. The annual Pancake Supper sponsored by the Morton Athletic Booster Club will begin at 5:30 p.m. and continue until everyone has been fed. The meal will be served in the Morton school cafeteria. Tickets are \$1 and may be purchased from Booster Club members or at the door.

News items from Bledsoe

By LYNDA THOMS

The Bledsoe Halloween Carnival was held Friday, Oct. 28. Every class in the school participated and made money for their class funds.

The following students were in the Coronation: Senior: Lynda Thoms, escort Derrell Hale Junior: Jarvis Buchanan, escort Steven Dunn. Sophomores: Sandi Hale, escort Steve Sutton. Freshman: Robbie Burkett, escort Monte Hall. 8th Grade: Maye Bowley, escort Mike Langrill. 7th Grade: Debra Burns, escort Jackie Brannum. 6th Grade: Elizabeth Wooten, escort Freddie Brannum. 5th Grade: Elizabeth Granada, escort Ralph Mason. 4th Grade: Kathy Mason, escort Rodney Coffman. 3rd Grade: Henrietta Davis, escort Tommie Brannum. 2nd Grade: Lynda King, escort Francis Davis. 1st Grade: Terri Adams, escort Lupe Sepulveda.

Flower Girl and Crew Bearer: Lea Ann Ewles and Brian Cooner. Sandi Hale was Crowned Queen and presented with a dozen red roses. Brenda Rawls, Master of Ceremonies, crowned the Queen. Before the Coronation, the 8th Grade Class presented a play and a Spook Contest was held. In the division for 7th Grade up, the winner was Brenda Hall and from 6th Grade down, Terry Rawls was the winner. Marjii Griffiths, a Sophomore, won second.

After the Coronation, the Juniors and Seniors had a concession stand and Bingo in the cafeteria.

The members of the National Honor Society are selling "Best Tags" in hopes of boosting the basketball spirit and promoting more interest in school activities.

The Bledsoe Antelopes boys' team will have another game this Friday, November 4th at 7:30. They will take on Lubbock Christian High and try to make up for the loss to L.C.H.S., suffered last week.

There were several college students attending the Carnival. Larry and Marilyn Buchanan, Arnie Bailey, Clyde Fowler, Pete Ramon, Mike Sutton, Milton Brown, Chris Box, and Billy Bryant were all in attendance.

Let's make the last after game fellowship. The best one of all, Friday, Nov. 4, at the First Baptist Church.

Manda Rush is crowned Wifc. homecoming queen

Whiteface's homecoming got off to a good start Friday with the crowning of their lovely queen. Chosen queen was Manda Rush a 17 year old resident of Girtstown, U.S.A. Attendants included Pat Lasater, Sue Lewis, Linda Lumpkins, and Sherryl Peters.

The brownhaired beauty was crowned in Whiteface school auditorium before a capacity audience. Manda is no stranger to honors as she has also been chosen Miss Girtstown, U.S.A. Lions Club Queen and senior class favorite. She is also a member of F.H.A., is senior class secretary, and is manager of the girls' basketball team. Manda plans to attend South Plains College and become an airline hostess. She was escorted by Hubert Deavours.

Pat Lasater is the 17 year old daughter of Mr. and Mrs. Marvin Lasater. She has been scholastic favorite and secretary of the freshman class, vice president of both the junior and senior class, editor of the annual, cheerleader and a member of the National Honor Society.

Sue Lewis is the 18 year old daughter of Mr. and Mrs. G. D. Lewis. She has been FHA vice president her junior year and president this year, scholastic favorite and member of the National Honor Society.

The 17 year old daughter of Mr. and Mrs. J. W. Lumpkins, Linda has been elected the most versatile freshman and sophomore, freshman scholastic favorite, class favorite, junior sweetheart, drum major of the band her sophomore and junior years and second runner up in the Heart Fund Queen.

Sherryl Peters is the 16 year old daughter of Mr. and Mrs. Wendell Peters. She has been cheerleader for four years, freshman class favorite, voted the wittiest and most versatile, basketball captain, homecoming queen candidate, sophomore class treasurer and last year's Heart Fund Queen.

Mr. and Mrs. Bill Garrett and Lyn Kay of Lubbock spent the weekend of Oct. 29 with her mother, Mrs. N. H. Lovelace.

Rev. Roy F. George

New pastor in Morton Assembly of God Church

The Assembly of God Church has a new pastor, Rev. Roy F. George, who moved here from Abernathy where he has pastored the past three years. He and Mrs. George have three children: Peggy, an eighth grade student in Junior High School, and two sons who are married and both are ministers. Ken George pastors the First Assembly in Carlsbad, N.M. and Don George has been pastoring First Assembly in Plainview for the past seven years.

Rev. George has held pastorates in California and New Mexico, as well as in West Texas. He assumed the full pastorate on Sunday, Oct. 30, and the congregation invites all members and friends to attend services and become acquainted with the new pastor.

Former pastor Don Murry moved to Levelland to become pastor of Parkview Assembly of God.

New Chamber manager . . .

LEON KESSLER, right, assumed his duties as manager of the Morton area Chamber of Commerce Tuesday. He replaces Mrs. Glenda Yancey, who served as acting manager for two months. Mrs. Yancey will remain as Chamber secretary until Nov. 15, when she leaves to take a job in San Antonio.

VOTE ON TUESDAY, NOV. 8

Review 16 proposed amendments for state

LAND TO BE ASSESSED ON CONSIDERATION OF ONLY THOSE FACTORS RELATIVE TO AGRICULTURAL USE

Proposition 1 on the Ballot

You will vote FOR or AGAINST:

"the Constitutional Amendment to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use."

This amendment would exempt farmers and ranchers from paying full taxes on high priced land so long as they use the land for raising livestock or growing crops, fruit, flowers and other products of the soil. These products would have to be grown under natural conditions and the owner would have to be conducting the farm or ranch as a business venture for profit.

The wording is vague and in conflict with other constitutional requirements that all taxation shall be equal and uniform, and that all property in the state shall be taxed in proportion to its value. Its lack of clarity might void the amendment for all practical purposes, both state and local. It resolves its conflicts and vagueness, it might create serious tax and bond problems for cities, towns, schools, and other local districts.

In effect, this amendment is an exception to the basic constitutional requirement that taxation shall be equal and uniform. The exception would apply for all tax purposes, both state and local. It would affect local districts more since the Constitution already gives the owner of a homestead exemption from state taxes on \$3,000 of assessed value. The homestead exemption applies to all property owners; this exception for agricultural use would apply to a restricted group.

The valuation and assessment of any minerals or sub-surface rights to minerals would not be affected by this exception for agricultural use. They would be subject to full assessment and taxation the same as if they were on land not designated for agricultural use.

The exception could be claimed only by an owner of property, and a natural person rather than a corporation. The owner's primary occupation would have to be raising livestock or growing products of the soil. This would also have to be the owner's principal source of income. For example if the owner's income from oil or other minerals, or income of any other type, either from his land or from other sources, exceeded the income from his ranching or farming operations, he could not claim the agricultural exception.

Those in favor of this amendment believe a farmer or rancher should not be forced to pay taxes on the actual worth of his land if he is not going to use it for the purpose which makes it more valuable. They point out that farming has always received special consideration and that it has value as a way of family life which this country wants to preserve. In addition, some argue that this would keep land values from snowballing too fast and would

make development around cities more orderly.

Those who oppose the amendment believe it is fundamentally wrong to extend exemptions from taxes to any special group or groups of citizens to the disadvantage of others. They point out that most, if not all, local districts affected are paying off bonded indebtedness based upon a tax rate which assumes that all property will be taxed according to its real value, and they predict that in some counties there might be a very substantial reduction in the assessed value of property being held for residential, industrial or other development. They suggest that every land speculator might become a "farmer" so he could escape paying taxes on land held solely for speculation. They object to the tax collector assuming the job of investigating the incomes of all farmers who would claim the exemption, and they say the "valuation which would have been made" noted on his records by assessor would not be checked until the time came for selling or changing the use of the land, at which date it might be too late to protest.

CREATION OF AIRPORT AUTHORITIES

Proposition 2 on the Ballot

You will vote FOR or AGAINST:

"the addition of Section 12 of Article IX of the Constitution, authorizing the Legislature to provide by law for the creation, establishment, maintenance and operation of Airport Authorities composed of one or more counties, and authorizing the levy of a tax not to exceed Seventy-Five Cents (75c) on the One Hundred Dollars (\$100) valuation of all taxable property within such Airport Authority except the property of state regulated common carriers required by law to pay a tax upon intangible assets, after approval of its voters."

Immediately involved in this amendment are the cities of Dallas and Fort Worth, which were instrumental in securing its submission. The amendment would add a new Section 12 to Article IX of our State Constitution. It is proposed as a result of federal pressure for the development of regional airports.

The Legislature would be authorized by this proposal to provide by law for the creation, establishment, maintenance and operation of airport authorities composed of one or more counties. The airport authority could be given power to issue general obligation bonds or revenue bonds, or both, for the purpose of acquisition, construction, repair or renovation of an airport or airports. This would include authority to provide landing fields and runways, airport buildings, hangars, facilities, equipment, fixtures, and any and all other property, real or personal, necessary to operate, equip and maintain an airport.

The governing bodies of cities whose airport facilities were served by certificated airlines, and whose airport facilities were being acquired by the airport authority, would choose where the Board of Directors of the authority should be appointed or elected.

Last year the Legislature passed a law providing that Arlington State College "shall be under the direction of the Board of Regents of the University of Texas," but

Directors would be selected on the basis of the proportionate population of each county according to the last Federal census. They would serve without compensation for a term fixed by the Legislature and not to exceed six years. They would be residents of the county which elected them. No county would have less than one director.

There would have to be an election before any county could take part in an Airport Authority. The Commissioners Court would call the election upon petition of 5% of the qualified taxpaying voters. Elections would be held on the same day if more than one county were involved in the Authority. Not more than one election could be called in a county until after the expiration of one year. If an election failed, a petition signed by 10% of the qualified taxpaying voters would be required before the Commissioners Court could call another one.

If two or more counties were voting on the proposition of creating an airport authority a majority of the qualified tax-paying voters in each county would have to vote in favor. An airport authority could be created, however, composed of the county or counties that voted in favor of its creation if provision for such were submitted at the time of vote. An additional county could be added to the Authority later by a favorable vote in the county and approval by a two-thirds vote of the then existing board of directors.

The Authority would be required to assume any general obligation bonds or revenue bonds outstanding against publicly owned airport facilities it acquired.

The board of directors of the Airport Authority could levy an ad valorem tax not to exceed 5c on the \$100 valuation of property. It would appoint an Assessor and Collector of Taxes, and the tax rolls would be approved by the board. State regulated common carriers required by law to pay a tax upon intangible assets would not be subject to taxation by the Authority.

This amendment does not create any airport authorities; it merely authorizes the Legislature to provide the means and mechanics for the creation of them through the action of the electorate in later elections which may be called for such purposes.

WITHDRAWING ARLINGTON STATE COLLEGE FROM THE A & M UNIVERSITY SYSTEM UNDER THE PERMANENT UNIVERSITY FUND

Proposition 3 on the Ballot

You will vote FOR or AGAINST: "the Constitutional Amendment withdrawing Arlington State College from participation in the Permanent University Fund."

This amendment completes the shift of Arlington State College from the Texas A & M University System to the University of Texas System, and the change in financing of permanent improvements at Arlington.

Last year the Legislature passed a law providing that Arlington State College "shall be under the direction of the Board of Regents of the University of Texas," but

specifying that "it is the intent of the Legislature that future building needs of Arlington State College shall be financed from some source or sources other than the University of Texas share of the principal and/or interest of and from the University Permanent Fund."

The Legislature carried out this intent by including Arlington State College in the list of state institutions of higher learning which finance their permanent improvements from a special state ad valorem tax. It was included in an amendment of that section of our Constitution which was adopted last fall. Arlington and four other schools were added and the tax rate was increased from 5c to 10c.

With these transfers, both administrative and financial, Arlington State College will no longer receive any building money from the Permanent University Fund. The purpose of the current amendment, to be voted on in November, is a technical one. It will clean up the wording of our Constitution by removing the college from the Permanent University Fund list.

TERMS OF OFFICE OF DIRECTORS OF CONSERVATION AND RECLAMATION DISTRICTS

Proposition 4 on the Ballot

You will vote FOR or AGAINST: "the Constitutional Amendment changing the maximum term of office of directors of conservation and reclamation districts from two to six years."

This proposed amendment would add a new Section 30c to Article XVI of our State Constitution to permit the Legislature to fix the term of office of directors of conservation and reclamation districts, not to exceed six years.

AUTHORIZING A STATE WIDE SYSTEM OF RETIREMENT, DISABILITY AND DEATH BENEFITS

Proposition 5 on the Ballot

You will vote FOR or AGAINST: "the Constitutional Amendment authorizing the Texas Legislature to establish a State-wide Cooperative System of Retirement, Disability and Death Benefits for the various counties or other political subdivisions to the state, or political subdivisions of a county; authorizing the Legislature to provide for a voluntary merger into the system authorized by this Amendment by those officers and employees covered by the provisions of subsection (b) of Section 62 of Article XVI of the Texas Constitution as now existing or may hereafter be established; providing that costs of this System shall be borne by the counties and other political subdivisions of the state and political sub-divisions of the county electing to participate therein and the officers and employees covered by the System; and forbidding the Legislature from making any appropriations for the operation of this System."

This proposition would add a new subsection (c) to Section 62 of Article XVI of our Constitution, giving the Legislature authority to provide a state-wide system of retirement, disability and death benefits for all officers and employees of a county or of any other political subdivision in the state. The retirement system would in-

clude elective as well as appointive officers.

There is already a constitutional provision for Retirement, Disability and Death Compensation Funds for county employees. Eleven of the larger counties in the state have adopted their own systems under the provisions of Article XVI, Section 62 (b). This subsection requires a majority vote of qualified taxpayers for their county. It limits the county's contribution to not more than 5% of an employee's compensation and not more than \$180 in one year for each employee. Subsection (b) also requires that all funds of a county system must be invested in bonds of the United States, of the State of Texas, or in bonds issued by any agency of the United States government if payment of principal and interest is guaranteed by the government.

There also are statutory provisions permitting pension funds in other political subdivisions such as Municipal or City employees, Firemen, Policemen and Navigation District employees. The language of the proposed amendment is very broad. Apparently these could be merged into the proposed state-wide system. It appears there might be a considerable overlapping of possible pension benefits and that in the case of county employees there might be a duplication of benefits.

Under the proposed state-wide system the governing body of a county, or political subdivision, would determine whether it would participate, without a vote of the people. The cost of the system would be determined by the Legislature but the county or political subdivision would pay all the cost. The amendment would specifically provide that the Legislature "shall never make an appropriation to pay the costs of this Retirement, Disability and Death Compensation System."

The Legislature would be free to establish the kind of system it deemed best, to decide the kind of investments which could be made with the funds contributed, or the type of board which would administer the system, and the amount of contribution per employee, subject to the limitation that the amount contributed by the county or other political subdivision must "equal the amount paid for the same purpose from the income of each officer and employee." All of these indicate a system with all funds and controls centralized at the state level.

Provision is made for the governing body of a county which has its own retirement system to make an agreement for a voluntary merger into the state-wide system provided by this amendment. If this were generally done, the present constitutional provision, and its limitations, for county retirement plans would be superseded and abandoned.

The addition of Subsection (c) to Section 62 of Article XVI apparently would not affect the present Subsection (a) which sets up a retirement, disability and death compensation system for state employees. There is also a state retirement

"Wul, how wuz I suppose to know this place wuz posted?"

Highlights and Sidelights —

Study food cost in Texas

AUSTIN, Tex. — Gov. John Connally has given three of Texas' leading universities a hurry-up research assignment — a detailed analysis of food costs in the state and of the causes of recent price increases.

Connally set December 1 as target date for reports by the University of Texas, Texas A&M University and Texas Tech College. He gave the assignment to the heads of the three schools and left it up to them how to conduct the study.

"I share the concern of Texans with the dangers of inflation," Connally said in announcing the study. "And I am particularly disturbed about mounting food prices, and their effects on the home-makers of our state."

Connally said, "While rash judgments and emotionally based opinions as to blame are inevitable, they contribute little toward determining cause, or a sensible course of action for improvement of the situation."

Detailing his request, the governor asked for a determination of what part of the consumer's food dollar goes to the producer or grower, to the retailer, and how much goes for such things as transportation, advertising, sales incentives, added services and whatever other costs are involved.

He asked for that determination both on long and short-term bases, expressed both in absolute dollars and in percentages.

He also suggested that the food cost study be related to other consumer costs.

GAS TRANSMISSION — Texas' big gas pipeline operators disagree with their smaller colleagues over whether the state should assume regulation of the pipelines so the Federal Power will not.

Major interstate gas transmission companies contend that they are doing well under the present regulations of the USA Standards Institute under sponsorship of the American Society of Mechanical

Engineers. But the companies which transmit gas on a part-time basis want state regulation.

Both sides are to file written statements with the Texas Railroad Commission by November 25. Commission then will consider all arguments and reach a decision.

COURTS SPEAK — State Supreme Court rejected City of San Antonio's appeal for supplemental water supply from Canyon Dam reservoir on the Guadalupe River. Decision backed a 1958 award by the predecessor to the State Water Rights Commission (and affirming lower court decisions) providing 50,000-acre-feet of water a year to

Guadalupe Blanco River Authority for municipal use.

Cities of New Braunfels, Gonzales, Cuero and Victoria along with Calhoun and Bexar Counties, joined GBRA in the San Antonio application, the prolonged historic water trial.

High court reversed the courts and ordered a retrial. Lubbock and condemnation where the jury awarded \$400,000 to the city.

Texas Court of Criminal Appeals set November 9 for hearing whether it should uphold, or than reverse, the death sentence for Jack Ruby in the slaying of presidential assassin Lee Harvey Oswald. On October 5 the held that Ruby should get a retrial.

ROAD REVENUE — Highway Department has formed that Texas is expected to reap \$456,000,000 in state highway tax revenues this year.

This would make Texas among the 50 states in revenue. California is expected to set in \$941,000,000 in 1966. York's income will hit \$87.0 million.

Road-user taxes, including fuel and vehicle registration, but not toll fees or permit meter money.

AIR POLLUTION — Texas Air Control Board came up with tentative plan for regulating pollution starting in 1967.

Plans include air quality standards and continuing studies particularly in urban areas, assisting developing local programs for investigating compliance plans for public education and pollution hazards.

Board is thinking about a dual set of standards for air quality. One set would be for industrial emissions from combustion petrochemical plants, dry cleaning establishments and any other that could possibly add pollutants to the air.

Although the plan is directed toward pollution from smokestacks, board members indicated it would be applied to other air pollution sources after six to eight months compliance notice.

TEACHERS SEEK — Legislative committee of the Texas Teachers Association has proposed a new plan calling for \$10 per month raises in teacher minimums.

Proposal would cost \$85,000,000 the first year with the state paying \$68,000,000 and local school districts \$17,000,000.

TSTA committee also recommended increased benefits for retired teachers, minor retirement system change, clear legal guidelines for voluntary teacher-school consultation agreements, sick leave benefits, and a continuing contract and professional employment practices law to strengthen security.

TSTA spokesmen said proposals are needed to combat teacher shortages.

SHORT SNORTS — Governor Connally announced approval of \$112,607 Head Start project for Del Valley Independent School District, Travis County, and \$209 for South Park Independent School District, Jefferson County.

State Building Commission announced plans to expand the State Capitol area eastward toward blocks to Waller Creek. Project will be beautified and used for creation purposes until needed for building.

Western Fire and Insurance Company and Mid-Continent Insurance Company, Lubbock, have been rehabilitated and released from receivership, says Insurance Commissioner Clay Cotten.

Two new opinions by the attorney general held that Galveston County is not a hospital district and has custody of interest and income of funds to retire hospital bonds of different local taxing units.

Rep. Gene Fenderson of Texas will head a new House committee to investigate feasibility of providing insurance for state officials and employees.

D. C. Mustangs batter groggy Indians 32-0

A Little Daylight . . .
DONNIE HARVEY, halfback for Morton, finds a little running room on a trap over right tackle against Denver City. He took the handoff from quarterback John St. Clair (11). Helping clear the way are Dick Vanlandingham (70) and Larry Smith (75). Morton's longest gain from scrimmage was ten yards as Denver City won 32-0. TRIBPIX

scattering Morton offense had no contest for the Denver defense Friday night as the Mustangs rumbled to an easy 32-0 victory over the Indians.

A sparse crowd watched the Mustangs even their record at 3-3, while the Indians have been defeated eight straight this year.

Most of the game was a defensive affair, marred by frequent fumbles. Denver City managed to take advantage of a pass and a penalty to score in the first period, then added more in the quarter, another at the start of the third period and late in the fourth quarter.

Denver was unable to take advantage of the breaks it got and only 111 yards on the field and another five in the air.

Indians received the opening kickoff with Donnie Harvey returning 13 yards to the Morton two runs netted three yards and a pass was incomplete. Morton punted 28 yards, saw the run come 18 before Denver City's Hernandez fumbled, Indian Culpepper recovered for his own 36.

That didn't help as Harvey got six on two tries and then stopped for a six-yard loss. He punted 27 yards and drew a penalty on the tackle.

Denver City got possession on its own and started a march. Halfback Hatfield went for five, John Powell got 11 on his own and Hatfield skirted left for 20.

He got two, Hatfield four and Denver City drew a five-yard penalty. Hatfield got two, but on the next play with center Ray King recovering 13 yards behind the line, at Morton 32.

Halfback Randall Tanner lost one fumble and recovered, halfback John St. Clair missed a pass, then tossed five yards to Joyce, the only Morton completion of the night. Culpepper punted 36 yards with Bob Smith hitting the receiver for 20.

Hatfield picked up three yards, then the halfback pass to his own. Hatfield for 34 yards, an additional 15 when Morton punted. John Powell blasted right guard and ran up middle for 20 yards and a TD. He left in the first period, but kicked the point after to 14.

Baker returned the kickoff to the Morton 31. Two runs and a pass were incomplete before Culpepper punted 27 yards.

He netted three yards on two runs and a punt. A pass missed and a run on a yard on a run. Joyce fumbled and Powell recovered for D.C. on the Morton 27 in the first period ended.

He carried twice for 13 yards. Morton was penalized five, he got four, then hit over right tackle for the last five with 10:25 left in the second period. Hatfield ran on a fake kick, but missed. D.C. led 13-0.

Waters returned the kickoff to the Indian 32. St. Clair got one, lost three and then was tackled Rodney Park-

er recovering for the Mustangs on the Morton 27.

Biff Hatfield made seven, Robert Kizer kept for five and one, and Powell made four to the ten-yard-line. Two passes into the end zone were incomplete and Morton got possession.

Tanner blasted for ten, Morton's longest gain of the night, Harvey got two, Tanner six and one. With fourth and one on their own 29, St. Clair made three, Tanner added three and Harvey two, St. Clair's pass was incomplete and D.C. took over 37 yards away from a score.

Powell made eight before Kizer found Gary Hatfield in the end zone for a 29-yard scoring play. Kizer's pass for points was no good, but the Mustangs had a 19-0 lead with 2:10 left in the first half.

From its own 20, Harvey got three, Tanner two and St. Clair six. A pass was incomplete, Joyce got two and St. Clair eight as the half closed.

Denver City received the second half kickoff with a 14 yard return to the Mustang 33. Gary Hatfield skirted left end, cut back to his right and outraced the Indians 67 yards to the end zone with only 27 seconds gone in the third stanza. The kick attempt was no good. D.C. 25, Morton 0.

Morton gained seven yards on two runs, missed on a pass and punted 37 yards.

The Mustangs went to the air as Kizer hit end Marshall Dolloff for 12 yards, then threw incomplete. Charles Rice ran for three yards to the Mustang 45.

Randell Tanner intercepted Kizer's next throw and made a good

return, much of which was nullified by a 15-yard clipping penalty.

From the Indian 39, Tanner got two, Harvey got six on a draw and Harvey got three for the first down. Harvey added two, Joyce got one, St. Clair picked up six and Harvey got seven for another first down. Joyce made nothing. Harvey got only one and two passes were incomplete.

Denver City moved from its own 33 to the Morton 38, primarily on a 19-yard scamper by Kizer, but Morton held and took over on downs.

Tanner gained three yards on two carries, but St. Clair was dropped for an 11-yard loss. Denver City was flagged for 15 yards. Culpepper punted 35 yards into the end zone.

Hatfield gained eight as the third quarter ended. Kizer passed incomplete, D.C. was penalized five, Kizer was incomplete again and Hatfield punted 42 yards. Joyce fumbled on the return and Edward Williams recovered for the Mustangs on the Morton 40.

Hatfield made three, Powell got ten on two runs and D.C. was flagged for five steps.

Powell made 12 but the Mustangs fumbled on the next play and Alex Soliz recovered for Morton on its own 24.

Two runs got five yards, a pass was incomplete and the punt went 31 yards.

Gary Hatfield moved to quarterback and kept for nine. Keith Hill got three and Charles Rice two before he fumbled. Larry Shaw recovered for the Indians on the Morton 37.

Harvey made three yards on two tries. St. Clair's swing pass was intercepted by Marshall Dolloff, who raced 40 yards untouched for

the final Mustang score with 5:10 left in the game. Hatfield kicked the extra point to make it 32-0.

Waters returned the kick 12 yards to the Morton 42. Tanner made two yards. Harvey eight and six, Tanner five, Harvey one and four and Tanner one. The fourth down pass was incomplete and D.C. took over on its own 31.

The Mustangs made five, passed incomplete, took a five-yard penalty back to the 31. Stephen Tipps passed 33 yards to Mike Mead, Hill gained 13 and 6. Tipps was dropped by Karl Griffith for a four-yard loss back to the Morton 21.

Tipps was hit as he tried to pass and Indian tackle Dick Vanlandingham caught the ball. He set sail from the Morton 25, but was dragged down from behind on the Mustang 34.

St. Clair's long pass was intercepted by Jimmy McKee as the game ended.

GAME AT A GLANCE

Morton	Denver City
7 First downs	15
111 Gained rushing	265
1 of 15 Passes completed 4 of 15	
2 Intercepted by	2

★ 4-H meeting
The Senior 4-H Club will have a regular meeting Monday night, Nov. 7, in the home of Cheryl Fincannon.

Texas has 45.6% of all U. S. oil reserves.

Waggoner Carr will:

- Work FULL TIME as a Senator!
- Vote to STOP FOREIGN AID to those who ship supplies to North Viet Nam.
- Lead national fight AGAINST JUVENILE CRIME AND NARCOTICS!
- Vote to CUT BACK WASTEFUL GOVERNMENT SPENDING!
- Vote to STOP RIOTS IN THE STREETS!
- Work to STOP INFLATION!
- Vote for Independent & Effective Democrat

WAGGONER CARR
for U.S. Senator!

(Pd. by Whiteface Friends for Carr)

TEXAS IS ON THE MOVE!

In virtually every field of endeavor, our state has made dramatic progress the past four years under the strong leadership of Governor John Connally. His administration's bold, yet sensible programs have helped provide new opportunity and a better way of life for all our people.

IMPROVED EDUCATION — Since 1963, state investment in higher education has doubled, and faculty salaries have increased 40%. State support of local public schools have increased 44% in four years, including a \$100 million teacher pay raise enacted in 1965. Technical and vocational training programs have been vastly increased; junior college enrollment doubled during the current bi-ennium. Special literacy programs for migrant workers and their children have been expanded. A college student loan fund of \$85 million has been established. And a special Governor's Committee on Public Education currently is studying all facets of elementary and secondary education.

WATER RESOURCES DEVELOPMENT — Long range planning and development have been given top priority. \$100 million in bonds have been issued for development of needed storage facilities; authorization has been granted to expand this program to \$200 million for the next two years.

CONCERN FOR THE AGED AND NEEDY — Since 1963, assistance to our elderly has been increased 27%. The Governor's Committee on Aging is continually working for the benefit of our senior citizens.

OUTDOOR RECREATION — More than \$2 million has been invested in improving ten of our most attractive state parks during the past two years to provide additional recreational facilities.

INDUSTRIAL EXPANSION — A record 855 new industrial plants have been established the past three years, moving Texas into second place in the nation in industrial expansion. Last year, more than 23,000 new jobs were created in manufacturing alone — the best year ever for the Texas labor force.

INCREASED TOURISM — More than 12 million tourists visited Texas last year, adding more than \$900 million to the state's economy, and creating 140,000 new jobs. The state's tourist advertising program has been sharply expanded.

MENTAL HEALTH AND MENTAL RETARDATION — New emphasis on prevention of mental illness and mental retardation has been achieved through establishment of new community centers, replacing the former practice of "warehousing" patients. Investment for research into causes of mental disorders has doubled the past four years.

BETTER HIGHWAY TRANSPORTATION — Texas has more farm-to-market roads than any other state — more than 35,134 miles. We lead the nation in construction of interstate highways, at a cost 40% below the nation's average.

COMBAT AIR AND WATER POLLUTION — New legislation for public health, "The Clear Air Act of Texas," provides state action to combat air pollution. Similar rigorous action has been initiated to control pollution of Texas streams, bays and estuaries.

NEW CULTURAL GROWTH — The Fine Arts Commission was established in 1965 to nurture the cultural enrichment of Texans. The state's cultural heritage will be preserved and portrayed in the state's pavilion at HemisFair '68 in San Antonio.

BUSINESSLIKE ADMINISTRATION — With unprecedented teamwork, our state government has operated responsibly and efficiently. The Legislature has finished its work on time in each session. Following a pay-as-you-go policy, we have maintained a healthy surplus in the general revenue fund without curtailing essential services.

HEALTHY, GROWING ECONOMY — Business activity rose 11% last year, as Texas continues one of the brightest growth areas. Employment and income are at an all-time high, unemployment at an all-time low. Despite increased responsibilities, our state government costs only \$168.78 a year per citizen, fourth lowest in the nation. No broad-based tax has been enacted the past four years. Texas still has no personal income or payroll tax, no corporate income tax, and is one of few remaining states with a limited sales tax of 2%.

LET'S KEEP THIS KIND OF PROGRESS AND PROSPERITY FOR TEXAS! HELP GIVE AN OVERWHELMING MANDATE FOR THE VISIONARY LEADERSHIP OF DEMOCRATIC GOVERNOR JOHN CONNALLY AT THE POLLS NOVEMBER 8TH!

RE-ELECT GOVERNOR JOHN

CONNALLY

FOR A GREATER TEXAS!

(Political ad paid for by Connally for Governor Committee, Lewis Timberlake, Chairman)

... TAKE A LOAD OFF YOUR MIND

A team for a better Texas for you!

Governor John Connally and Attorney General Waggoner Carr have worked together for 4 years to give Texas and YOU a better state and better opportunities.

As a United States Senator in Washington, Waggoner Carr will co-operate with Governor Connally to work for better education, more jobs, benefits for our elderly, and better prices for our farmers, ranchers and dairymen. He will do what is right for Texas!

Vote Democratic, Tuesday, Nov. 8, 1966

Elect Democrat WAGGONER CARR
United States Senator

EVERYONE LOVES A PARADE

To hear the band, to see the uniformed soldiers, to see the might of our tanks, to see the strength of our country, these things stir the heart and make us proud to be an American. Our God has made us strong and blessed us greatly, however our greatest strength is in the Lord. "GOD is our refuge and strength, a very present help in trouble." In these unsettled times we need to show our faith in the Lord, and speak with the courage of one whose father can do all things. Renew your strength each week by attending services in the Lord's house.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
