## Hospital District gets doctor; insures continued operation

Little League action . . .

MEMBERS OF THE MORTON Little League teams got back into action Monday night following the rains of last week end as the players were treated to soggy but playable field. Last week it was the Giants vs. the Sox and the Colts vs. Pirates on Monday night. Tuesday night it was the Cards vs. Cubs and the Sox vs. Pirates on Tuesday. The game tonight will pit the Giants against the Cubs and the Colt 45's will vie with the Cards with the first game beginning at 6:30.

## LL Cubs remain undefeated; minor league opens play

The battling Cubs of the Morton Little League remain undefeated as the season moved into its second week, and the action in the minor league officially got under way Monday afternoon when the highlights of the LL action in the past seven days.

In the minor league contest it was the Indians taking the measure of the Sox, in a game played Monday afternoon, by the score of 17-7, with Fred Elizondo getting credit for the win as the right hander went the distance. Ronnie Campbell was tagged with the loss.

In the action in the major league the Colts had to go into extra innings in the first game Monday night to take the measure of the Giants 4-1. The game went into the seventh inning knotted 1-1, but the Colts with Kent Hicks on the mound scored three times in the bottom of the seventh to gain their first win of the year. Lonnie Harrison was charged with the defeat.

In the second game Monday it was the Pirates 11, Cards 10 as the Pirates picked up their second straight win. Donnie Kuehler was the winner while Jerry Silhon was the losing hurler.

Tuesday night the Cubs continued their winning ways as they defeated the Sox 11-1 with Jimmy Hargis on the mound. Hargis picked up his second win of the year in going the full six innings. Riley Dewbre was the loser.

The Giants clobbered the Cards in Tuesday's night cap 13-2 with Johnny Rozzell getting the victory and Randy Kuehler suffering the loss as he was tagged hard by the hard hitting Giants.

Action in the Little League will resume Thursday afternoon with the minor league Orioles facing the Mets at 4:30.

## Sublett leads race as last week starts

Anxious to regain the lead he held in last week, in the Morton Tribune Junior Salesman Contest, Jack Sublett turned in a total of 21 new subscriptions Saturday to push his total to 127,200 points and a 27,000 point lead over David Kessler.

The production by Sublett outdistanced other contestants as the contest moved into its last week, and assured the early winner of going into the final days of the contest with a comfortable lead.

Kessler produced a total of three new subscriptions as well as several renewals to push his total to 100,500 and take a firm grasp on second place in the chase for the portable television, being offered as the top prize in the contest.

Becky Goodman increased her margin for third place with seven new subscriptions and seven re-newals as she finished the weeks of work with a point total of 42,000 points.

Dave Kucifer, General Manager of the

Morton Tribune said that the last two weeks have proven to be the most productive of the entire contest in the terms of new subscribers. "This week we added 62 new subscribers to the list to bring the two week total to 104 new subscriptions, and brought the total new subscribers to 250 for the contest," the general manager stated.

One of the added attractions to the contest is the reduced subscription price which will remain in effect until the contest concludes Saturday May 25. After the end of the contest subscription rates will be increased to \$4.00 per year in the media tear area and to \$4.50 outside the county.

With contest officially coming to a close on May 25, the contestants have only 10 days to get their new subscriptions in to qualify for the prizes that will be awarded at 10 a.m. on May 25.

Members of the Cochran County Hospital District board of directors insured continued operation of the Morton Memorial Hospital Tuesday night when they voted to offer a contract to Dr. Fenella Frey.

Dr. Frey, a recent graduate of the University of Texas School of Medicine is scheduled to begin her practice in Morton, Thursday, May 16.

Prior to coming to Morton Dr. Frey was serving her internship at Santa Monica Memorial Hospital in Santa Monica, California.

In stating her qualifications to the directors, Hospital administrator Jim McManus said that Doctor Frey comes to Morton highly recommended by the doctors with which she has worked and by

the dean of students at the University of Texas school of medicine in Galveston.

Doctor Frey was employed on a contract calling for her to pay 10 per cent of her gross collections for operating expense, to the hospital district. The district also gave Dr. Frey a guarantee of \$1200 per month for two months, which they said she should have no trouble making on regular billing.

Following the employment of Dr. Frey one of the board members said that the board had attempted to encourage one of the present doctors to remain in Morton but had not received any indication that he would remain. However the board said they were presently talking with several prospective applicants and felt that See HOSPITAL DISTRICT, Page 2

## Baccalaureate services open graduation activities in area

The beginning of the end of the school year for all of the seniors of the area will begin this week as three schools will hold Baccalaureate Services Sunday and a fourth will hold graduation exercises Friday night at 8 p.m.

The first of the area schools to graduate its seniors will be Three-Way, which will hold graduation exercises Friday night in the school auditorium. Three-Way superintendent Thomas Alvis will award diplomas to six students including Valedictorian, Joy Eubanks and Salutatorian Gayle Gant. The highest ranking boy in the graduating class is Perry Lynskey.

Grade school graduation at Three-Way is set for May 24.

Whiteface, Bledsoe and Morton High Schools will all hold Baccalaureate Services Sunday night as seniors in these towns begin preparing for the close of the school year.

Services in Whiteface will be held in the high school auditorium with the Rev. Luther H. Baker, pastor of the First Methodist Church in Whiteface bringing the sermon.

Commencement at Whiteface is scheduled for Wednesday May 29 at 8 p.m.

Whiteface grade school commencement is set for 5 p.m., May 29.

Arrangements for the graduation exercises at Bledsoe are not complete but will be released next week.

## MHS names 1968 honor students

Margaret Ledbetter, daughter of Mr. and Mrs. M. C. Ledbetter has been named valedictorian of the 1968 Morton High School graduating class and Donna Hofman, daughter of Mr. and Mrs. Don Hofman has been named salutatorian. Miss Ledbetter finished her high school career with a grade point average of 10.6857. Miss Hofman's average was 10.3939 for four years' work. In addition to their fine scholastic records both girls were very active in numerous school activities. Both have been members of the MHS and both have been members of the MHS student council.

The two honor students will receive their diplomas in graduation exercises May 24.

## "Turnbow Tunkel" joins Tribune staff

You've seen him in the big city dailies, and in syndicated features, now read him in the Morton Tribune each week. O. C. McBride, better known as Turnbow Tunkel has joined the list of feature writers appearing in the Morton Tribune.

Ray Erwin, former feature editor of the Editor and Publisher magazine praised the feature and of Mr. McBride said, "O. C. McBride is a humorist with insatiable curiosity and a practical knowledge of today's issues, large and small. As 'Turnbow Tunkel', he says something about every subject under the sun — politics, fads, women, TV, education, travel — and what he says is at once funny and meaningful."

The feature begins today on page 2, don't miss a single installment.

HAIL! . . .

THAT'S ABOUT ALL THAT can be said for the above scene. The hail which came down in torrents in the Enochs-Maple area piled up to depths of four feet in spots and beat down early planted seed and other foliage in the area. The heavy hail and accompanying rains were part of a thunderstorm which raked the area Thursday.

## Heavy rain hits Morton; hail pelts county and surrounding area

Spanned by a slow moving cool front, heavy rains last Thursday drenched the lawns and gardens of city dwellers in Cochran County, while isolated portions

of the County and Southern Bailey county area was hit by heavy hail.

The rain, measuring up to 2 inches in spots, came from a series of thunder storms that began to roll into the area early Thursday morning and continued throughout the day, producing varying amounts of moisture and hail.

Moisture proper, escaped the hail portion of the storm but, did benefit from the rain fall that produced an official 1.28 inches of moisture in the city. The heaviest fall came in an hour-and-a-half period shortly afternoon when the rain fell in sheets, reducing visibility and flooding streets.

### HAIL IN AREA

While Morton and the southern part of the county was getting rain, portions of the northern part of the county, and southern Bailey County was being pelted with pea size hail.

Hail fell so hard and fast in the Enochs, Maple area that it piled knee deep on the ground blocking the highway and battering early planted crops. While most of the hail was "pea size", there were isolated reports of golfball size hail stones in the Maple and Bula area, as well as just north of Enochs.

Water completely covered the road between Enochs and Maple, causing the

highway department to close the highway until early Saturday morning when the water receded. At one spot in the road the depth of the water was estimated at five feet.

Most of the heavy rains and flooding, as well as the hail seemed to be in the Enochs, Maple area with reports having hail 2½ foot deep on the ground in spots.

## ★ Tax hearing

Members of the Cochran County Commissioners Court set Friday, tax hearing, according to County Judge J. A. Love.

Judge Love who said the court also appointed a board of equalization said the hearing would be conducted from 10 A.M. to 5 P.M.

Anyone wishing to discuss their county taxes with the board should make plans now to attend the meeting and discuss the matter with the equalization board.

## Cochran Co. Demos endorse John Connally as favorite son

Democratic party faithfuls, meeting at 2 last Saturday afternoon at the County Activity Building for the County Convention, went on record as favoring the favorite son candidacy of Texas Governor John Connally at the National Convention.

The County convention under the direction of county Demo chairman Carl Ray, adopted a resolution calling for the state convention to back Governor John Connally as the state's choice for president, at the national convention.

The move by the Cochran County Democrats follows the move which was started by the State Executive Committee as a measure to prevent the vote of the Texas delegation from going to a liberal candidate.

Should the state convention, which meets prior to the national convention, decide to back Governor Connally then Texas could have an important role in selecting the nominee of the party at the convention to be held in Chicago.

Mrs. Dorothy Barker, who was recently elected as precinct chairman of precinct 1 was elected chairman of the County

Convention and chaired the meeting which elected five delegates, and five alternates to the state convention.

Delegates to the state meet from Cochran County will be: Mr. and Mrs. H. M. Barker, Morton, Mr. and Mrs. Alton Ainsworth, Bledsoe, and Mr. M. D. Collins, Morton. Alternate delegates are Mr. and Mrs. Tom Williams, and Mr. Alton Ainsworth of Bledsoe and Mr. Bud Thomas of Morton.

### ABSENTEE BALLOTING

Voters of the area will get still another opportunity to cast ballots beginning next Wednesday, when absentee balloting will open for the second primary election.

The abbreviated ballot will contain only two county wide races with voters having a chance to cast ballots in the governor's race and in a race for justice for the court of civil appeals. Voters in precinct one and three will get a bonus in the election having an opportunity to vote for a county commissioner.

Absentee balloting will continue at the county clerk's office through May 28 for the June 1, run-off election.

## Hospital district

from page one

It would be possible to secure additional doctors to assist Dr. Frey, should both Dr. Fernandez and Dr. McSpadden leave on May 31 as they have stated they would.

"Anyway, one of the board members said, we have insured that the hospital will remain open for the immediate time and we will maintain our accreditation."

In other action the board voted to purchase some examining room equipment from Dr. McSpadden, who said he no longer had use for the examining room suite.

The district bought two complete examining room suites for \$1200.

The board discussed, but took no action, on two requests for indigent medical care. McManus said that he had received two applications but said he needed to study the cases before making a recommendation to the board.

Also approved was a motion to change the meeting place and the time of the coming board meetings. The next regular board meeting will be held in the conference room of the hospital at 8:30 p.m. The new meeting time will remain in effect until the conclusion of daylight savings time, the last Sunday in October.

## Heavy rain

from page one

Growers in the area hit by the hail said the heavy fall beat down some early planted crops and completely wiped out several fields of cover crop. While the hail piled up in two and three foot piles, and was regarded as bad for the crops, a certain portion of the damage was attributed to the heavy rain fall which dumped up to two inches in a period of an hour. The fierce rain fall washed up recently planted crops, and set the stage for the first replanting of the year.

### MOSTLY BENEFICIAL

While there were reports of crop damage and possible replanting measures, the moisture was generally regarded as beneficial by the growers of the area. Most of the damage was limited to areas north of town, while farmers in the other part of the county received various amounts of moisture that promised nothing but good for the planting season just around the corner.

The rain is expected to be all that is needed for pre-planting and is expected to be highly beneficial in reducing the amount of irrigation that is needed to get the crops in the ground.

# TURNROW TUNKEL

By O. C. McBRIDE

DEAR TURNROW TUNKEL:

Did you know that the average housewife walks 1,000 miles a year?

According to that, my wife has run up so much mileage that she is out of warranty.

I understand that a steel company is conducting a "sweepstakes". The first prize is 85 miles of barbed wire.

That's enough barbed wire to fence in Marlboro Country. I've built a lot of fence in my time, and I wouldn't enter that contest even if they offered 85 miles of post holes along with the wire.

What did you think of the statement by a Texas politician that people in his State would vote for hoof-and-mouth disease in preference to Bobby Kennedy?

He was probably exaggerating. I think Bobby would run ahead of hoof-and-mouth disease, but he might finish second to the boll weevil.

Why do cowboys roll their hat brims on the sides?

I asked one of my cowboy friends about this, and she said it was so that three of them could ride in a pickup.

Did you know that used Edsels are considered "collector's items"? They sell up to \$5,000 each.

That's the way my luck runs. When the Edsel first came out I thought about buying one, but finally decided on another make of car. I still have it, but instead of a collector's item, it is considered a pile of junk.

I read that some States have passed laws limiting the number of "going out of business" sales by retail stores.

Personally, I don't think that's any of the State's business, although I'll admit that some stores go in and out of business as often as Nelson Rockefeller gets in and out of the Presidential race.

Hi bunch! Well, only one more week left! Isn't that great? There's only one trouble: with the last week of school comes the final exams!

Cheerleaders for 1968-69 were elected last week at MHS. Each contestant had to do a yell by herself before the student body and then one with a group. The results after the last vote was counted were these: Carol Freeland, Vivian McDaniel, Patsy Collins (seniors) and Peggy Thomas, Diane McCasland, and Vicki Goodman (juniors). The first four named were cheerleaders last year, and the last two took the place of Donna Hofman and Janey DeLeon, who are both graduating this year. The six girls plan to attend the Texas Tech Cheerleading School this summer.

The Biology II classes left on a camping trip last Friday afternoon at 2:00 at McKittrick Hill, about 20 miles from Carlsbad, New Mexico. The purpose of this expedition was to study the ecosystem of the area. There are several caves around the hill, so the group went caving Friday night at about 10:30 and didn't return to the camp until 1:30.

Then Saturday, the various groups attended to their assigned tasks; such as cave mapping, insect collecting, and plant collecting. Saturday night the campers were caught up in a rain storm, and they decided that tents are not a very good shelter. In one tent the ground was completely covered with water and another had a nice stream running through it all night.

Everyone was thoroughly chilled by that time, so Sunday morning they decided to pack up and come home. But some of the kids couldn't resist collecting more plants and insects, so their departure was somewhat delayed. When they finally returned home Sunday night, the bedraggled group

of scientists could have easily been mistaken for a bunch of well-dressed hippies!

The National Honor Society met last week for its monthly meeting. The speaker for this meeting was Rev. Fred Thomas, who spoke to the group on "Scholarship".

The MHS Baccalaureate services are to be held Sunday night at 7:30 in the county auditorium. The speaker for the service this year will be Mr. Harold Drennan.

Well, that's about all the newsy news that happened this week. Now I'll have to bear down and study for those finals!

### Cochran county cancer unit to hold meeting

The Cochran County Unit of the American Cancer Society will hold its annual General Meeting on Tuesday, May 21 at 12:00 noon at the Wigwam Cafe. Election of officers for the coming year will be held. Delegates to attend the District Meeting in Plainview will also be elected at this time.

All interested persons are urged to attend.

The American Cancer Society has announced that it has received 66,864 replies to the Cancer Education Survey recently conducted in conjunction with its annual residential crusade. These survey cards consist of questions to be answered by both men and women and concern specific health practices that, when observed, could substantially reduce the number of cancer deaths in the country.

Everyone who has received a survey card is urged to complete it and return it as soon as possible.

Mrs. Ronnie Wallace (nee Sandra Woodard)

## Woodard-Wallace vows are repeated in Lorenzo

Miss Sandra Kay Woodard and Ronnie Dee Wallace were married in a double ring ceremony at 6:30 p.m. Saturday, in the First Baptist Church of Lorenzo with Rev. John C. Jenkins officiating.

Mrs. Wallace is the daughter of Mrs. Velma Woodard, 2705 41st and the late Mr. D. G. Woodard. Mr. and Mrs. L. J. Wallace of Morton are the bridegroom's parents.

Given in marriage by her brother, Bobby G. Woodard, Mrs. Wallace wore a street length dress of pebble crepe designed with high neckline and long sleeves. A floral headpiece held her brief veil of tulle. She carried a nosegay of rosebuds, and stephanotis.

Mrs. Joe H. Key served as her sister's matron of honor and wore a pale pink street-length linen dress. She carried a single pink rose.

L. J. Wallace was his son's best man. Ushers were Mike Woodard of Lubbock and Davy Mitchell of Boulder, Colo. Candle lighters were nieces Kristi Key of Austin and Denise Woodard of Lorenzo. Miss Pam Reynolds of Morton was organist. Mrs. Davy Mitchell of Boulder, Colo., was soloist.

Following a reception in her brother's home, the couple left for a trip to Colorado Springs, Colo.

A graduate of Monterrey High School, the bride attended Texas Tech and is employed by Home Loan Co. Wallace also attended Texas Tech and was graduated

from Morton High School. He is stationed with the U. S. Army at Fort Polk, La.

### "Lighter Later Tops" club has new contest

The "Lighter Later" Tops Club met May 8 with Pat Clayton presiding. This was the end of the six weeks contest. At the beginning of this contest, each member brings a low calorie recipe. The members gaining weight, will use the recipes to prepare a luncheon for the members that lost weight. Losing the most weight this month were Nellie Fincher, Gene Bridges, Yvonne Egger, Maxine Yearly, Bill Hill and Sue Davey.

Maxine Yearly was in charge of the program. The ten members present walked to the hospital for a tour of the new addition. After the tour was completed, they walked back for a low calorie drink.

They are starting a new and exciting contest. If you are interested in sharing fun, and would like to take off pounds sensibly, you are invited to TOPS.

Visiting in the Amos Taylor home over the weekend were their daughters, Betty and Mary from Texarkana, Texas. Also, their friend Ann Thomas, Miss Cindy Altman of Lubbock, Mr. and Mrs. M. F. Merrill and daughter, Sue from Petersburg.

## PIONEER Sorghums are WEATHER BEATERS

High yielding Pioneer sorghums have bred-in vigor that helps them "beat the weather".

Official tests prove it. In 5 years of Texas A & M tests, covering hundreds of comparisons, Pioneer entries outyielded the others 7 times out of 10.

That's why farmers call Pioneer sorghums "weather beaters". See me soon for your dependable, high yielding Pioneer seed.

Mr. and Mrs. Nick Payton

## Carolyn Allen is wed to Nick Payton on May 4

Miss Carolyn Allen, daughter of Mr. and Mrs. A. C. Allen became the bride of Mr. Nick Payton, son of Mrs. Betty Sowers of Clayton, New Mexico and Mr. Paul Payton of Carrizozo, New Mexico. The double-ring ceremony was held on May 4, at 10 a.m. at the Heights Baptist Church in Alamogordo, New Mexico with the Rev. Martin T. Kennedy officiating.

Given away by her father, the bride wore an empire styled floor length brocade satin gown with long pointed sleeves and matching train. Her veil of illusion fell from a crown of seed pearls and was borrowed from Norrie Gutherie. Something old was a penny in date of her birth. Something blue was a blue garter. Her jewelry was a pink necklace which was a gift from the Rev. Kennedy. She carried a bouquet of white bridal roses atop her white bride's Bible which was a gift from her grandmother, Mrs. Fred Warton who attended the wedding.

The bride's attendants were Rose Mary Dale, Sue Major, Karen Huffmyer, of Los Cruces and Mary Lyn Allen sister of the bride. The attendants wore lavender floor length formals fashioned in empire style

with bouquets of lavender and white carnations and purple statice with lavender ribbons.

Best man was John Douglas and groomsmen were Steve Breden, Mike Orr, and Jim Allen, brother of bride. Ring bearer was Steve Plumb and flower girl was Kathy Huffmyer.

The mother of the bride wore a beige lace sheath with brown accessories and an orchid corsage. The groom's mother wore a pink lace sheath with black accessories and an orchid corsage.

Others assisting were Edna Hoffman, Margarite James, Alice Schlogal and Dottie Latta. Reception was held immediately following the wedding. Mrs. Payton's going-away dress was a pink linen suit with white accessories and an orchid corsage. The couple will live in Alamogordo where the groom works for the Alamogordo Daily News.

The bride is the granddaughter of Mrs. Fred Warton of Morton.

## Mother's Day program opens "Nursing Home Week" here

Mother's Day was chosen for the beginning of the Texas and National Nursing Home Week at Roberts Nursing Home.

The theme was chosen to dramatize the changes taking place in the nation's nursing homes which, during the past decade, have modernized their facilities and programs and now offer a wide range of therapy and para-medical services to chronically ill and convalescent patients of all ages.

Self care is now an accepted part of medical treatment. If the nurse teaches the patient how to dress and feed him-

self, it is not to make work easier, but to make the patient more self sustaining and self reliant. This is a splendid morale builder and a big step in rehabilitation.

A pot luck dinner was served for the patients, friends and relatives. A prayer was offered by Mr. Ross Shaw.

In spite of the rain and bad roads, a large number came. It was the largest group ever to help bring joy and comfort to the aged in the community.

Hostesses were Pearl Kobs, Marcella Sibley from Albuquerque, New Mexico, Jane Vinson, Novis Lebow, Ruth Minor and Prud Coffman all of Morton.

## Peggy Cheek to receive BA degree

Miss Peggy Ann Cheek, daughter of Mr. and Mrs. W. A. Cheek of Morton, is to receive her B.A. degree from Wayland College in commencement ceremonies May 25.

Miss Cheek majored in business administration and minored in English. She

is among 107 seniors to receive degrees, approximately 75 at the end of the spring semester and the remainder in August.

Dr. Abner V. McCall, president of Baylor University, will deliver the commencement address in the 10 a.m. proceedings which will include the baccalaureate service.

Dr. T. A. Patterson, executive secretary of the Baptist General Convention of Texas, will deliver the baccalaureate challenge.

Dr. Roy McClung, Wayland College president, will confer the degrees. Graddy Tunnell, Plainview, chairman of the board of trustees, will present the diplomas.

The commencement, Wayland's 58th, will be the first program held in the almost completed \$500,000 Harral Memorial Auditorium on the Wayland campus.

Visitors in the home of Mr. and Mrs. N. H. Carder and Nolan of Idalou Sunday day were Mr. and Mrs. Jerry Jackson and girls, Mr. and Mrs. Harold Corder and girls of Lubbock, Mr. and Mrs. L. W. House and boys of Morton, and their daughter and husband, Mr. and Mrs. Bob Gray of Amarillo. Mr. and Mrs. N. H. Carder are Mrs. House's parents.

## Whiteface garden club sets Sept. 28 show

In a meeting May 6 at the home of Mrs. Ed Jennings, the Whiteface Garden Club heard several suggested club projects discussed by the projects chairman, Mrs. R. K. McCoy. The club members voted to plant and care for the large flower bed near the entrance of the Elementary School building and to cooperate in the development of the flower beds of the Whiteface Park after the initial landscaping is completed.

Mrs. Woody Splawn and Mrs. R. K. McCoy were selected as Garden Club representatives to meet with the Park Board.

The Garden Club will sponsor an old-fashioned box supper on May 17 at 8 p.m. in the high school auditorium. Everyone is invited to come and bring a box or pie for sale. The proceeds are to be used to finance the local projects.

The next meeting, June 3, at the home of Mrs. James Cunningham will be on the subject of "Dried and Treat Materials in Arrangements" with Mrs. Murray Crone as authoritative speaker. Roll call will be "I would like to learn how to dry . . ." with each person present telling which flower material she would like to use. Visitors are invited.

The Whiteface Garden Club Flower Show date has been set for September 28 at the Elementary School Auditorium. The FFA girls and the FFA boys have been invited to have exhibits in the show.

Sixteen members were present for the May 6 program on "Soils, Additives, and Compost" given by Mrs. G. C. Keith and "Mulches and Protective Coverings" given by Mrs. O. F. Hemphill.

## Oldest mother . . .

MRS. DOBSON, 94, mother of Mrs. Mark Kennedy of Morton was recognized as the oldest mother at Robert's Memorial Nursing Home in Morton. Mrs. Dobson was honored on Mother's Day receiving a corsage from Morton's mayor, Jack Russell.

## Look Who's New!

Mr. and Mrs. Randel Robertson are the proud parents of a 5 pound, 14 ounce baby boy, Randel Scott, born May 1, at the Littlefield Clinic Hospital. Randel Scott was visited by four generations of great-grandparents and great-great-grandparents Sunday in the Lenard Davis home

where he and his parents were staying. They were great-grandparents Mr. and Mrs. Vernon Wright of Winter; Mrs. W. L. Davis of Morton; Mr. and Mrs. Les Short of Avondale, Arizona; great-great-grandparents Mrs. Otto Wright of Winter and Mrs. John Lackey of Stamford. Grandparents are Mr. and Mrs. Lenard Davis of Morton and Mr. and Mrs. Bradley Robertson of Bula.

## Council takes no action on fencing Strickland Lake

The Morton City Council failed to take any action on a request that the city erect a fence around the lake in Strickland Park as a measure to protect the lives of children using the park.

The proposal was made by the a group of Morton area residents at the city council meeting held at the end of April and action was delayed until last Monday night.

The council said they felt that some safety measure was needed at the park lake but did not feel fencing would provide the answer.

The formal motion to fence the lake site, died a quiet death when it failed to get a second to bring it to a vote. The council said it would continue to study the proposal in the hopes of finding an agreeable solution.

In other action of the brief session the council voted to accept bids for a new police car, and met with representatives of the General Telephone Company.

Mayor Jack Russell said the meeting with the representatives of the telephone company was strictly informal and that no requests of any nature was made by either party.

## Bobby J. Sanders on USS Ticonderoga

Electronics Technician Second Class Bobby J. Sanders, USN, son of Mr. and Mrs. Charles L. Sanders of Star Rte. 2, Morton, Tex., is serving aboard the attack aircraft carrier USS Ticonderoga in the Gulf of Tonkin.

Air Wing-19, embarked aboard the Ticonderoga, launched 365 raids in support of ground troops in South Vietnam. In spite of bad weather, as many as 73 raids a day were flown against troop concentrations, gun positions, storage areas, supply routes, bunkers, trenches, foxholes and ammunition dumps.

Other targets included artillery emplacements, rocket positions, construction equipment and troop concentrations in support of Marine outposts south of the Demilitarized Zone.

# PLACIDITY

"Thou wilt keep him in perfect peace, whose mind is stayed on thee. Because he trusteth in thee." Isaiah 26:3

"The peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus." Phillipians 4:7

God has never promised life without trouble nor progress without striving. He has, however, promised that amid the tumult and strife He would give us an inner peace if we let Him live in our hearts.

Learn about this unusual peace offered to all freely.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Parents of the couple are Mr. and Mrs. G. B. Salyer of Bula, and Mr. and Mrs. W. H. Bowers, Levelland.

The couple pledged vows before an arch decorated with jade and blue daisies, highlighted with white satin bows and flanked by twin candelabra with blue satin bows.

The bride, given in marriage by her father, chose a formal gown of satin peau de soie, with long button lace sleeves, and lace appliques train that swept chapel length. Her four tiered veil of white nylon tulle, appliqued with lace, was designed by the bride, and fell shoulder length. She carried a cascade of white orchids. Bridal attendants were matrons of honor, Mrs. Linda Todd, Kermit, sister of the bride, and bridesmaids Mrs. Marilyn Medlin, Lubbock, Juana Young, Bula and Georgia Gray, Plains. Flower girl was Miss Carla Bowers, of Borger, niece of the bride. Train bearer was Miss Ann Testerman of Sudan, niece of the bride.

Bridal attendants wore formal gowns of blue with low V-neck backs, with matching accessories and carried white carnations and blue satin streamers.

The bride presented a single red rose to her mother and to the mother of the bridegroom.

Mothers of the couple and grandmother of the bridegroom, Mrs. Rayford Bowers, wore corsages of white glamelias.

Organist was Miss Donna Mathis. Solo-

ist was Mrs. Olga McMurry, Abilene, sister of the bridegroom. The wedding selections were "More" and "Whither Thou Goest". Immediately following the ceremony, a reception was held in the church, hosted by the parents of the bride.

The serving table was overlaid with lace over blue. The wedding cake was four-tiered decorated with white and blue.

For a wedding trip to Ruidoso, N.M., the bride chose a beige silk with blue accessories.

The couple will reside at 1008 12th St., Levelland.

The bride is a graduate of Bula High School and attended South Plains College, Levelland. Bowers is a graduate of South Plains College. He is currently employed with Pan American Petroleum Corporation.
