Little League tourney kicks off on Monday

Morton is preparing for an onslaught of Little League ball players, as the community prepares to host the Area B Little League tournament, Monday, Tuesday and Wednesday, July 15-16-17.

Little League teams from Levelland, Seagraves, Denver City, Brownfield, Sundown, Ropesville, and Plains will be competing in the tournament, along with the Morton squad.

First round contests on Monday, July 15 will pit Levelland vs. Seagraves at 2

p.m., Denver City vs. Brownfield, 4 p.m., Sundown vs. Ropesville, 6 p.m., and Morton vs. Plains at 8 p.m.

The winner of the Levelland-Seagraves game takes on the victor of the Denver City-Brownfield contest in the first semi-final tilt, scheduled for 6 p.m., Tuesday, July 16. The second semi-final contest at 8 p.m., that same night will see the Ropesville-Sundown winner tangling with the Plains-Morton victor.

Finals of the tournament are scheduled for 8:30 p.m., Wednesday, July 17. Officials pointed out that the late starting time for the final game, on Wednesday, was in cooperation with the churches, who hold mid-week services on Wednesday night.

Little League tournaments are single-

elimination affairs, with officials of the meets chosen by the host league.

The play-off game between the champions of Area B and the champs of Area A will be held on Friday, July 19 at 8 p.m., with the contest site to be determined by a flip of a coin.

July 22-24 will see the sub-sectional Little League tourney being staged at Levelland. Big Lake will host the Section I tournament on July 25-27, and the Division I tourney, including teams from Texas and Louisiana will be in San Antonio July 30-August 3.

Open house at Girlstown, U. S. A., held over weekend

The 19th annual Open House at Girlstown, U.S.A. July 5th and 6th. Many special guests appeared. Miss Linda Metcalf of Lubbock was Crowned "Miss Girlstown, U.S.A." in special ceremonies Saturday.

Girlstown, U.S.A. was founded in 1949 by Miss Amelia Anthony, in the Taylor County Community of Buffalo Gap. In July of that same year, Mr. Tom Duggan of Lubbock donated this site to Girlstown south of Whiteface.

Over 600 girls have resided at Girlstown since its founding.....some for only a short period of time..... others for as many as seventeen years.

The girls who live there today and those who have at one time called Girlstown their home, join in welcoming any who would like to come and see their home and the enjoyment of living with their hopes and goals for the future.

Walter Taylor is appointed to council

At the city council meeting this week, names were suggested and voted on for a new councilman to replace George Hargrove, who recently moved from Morton. Walter Taylor was nominated, and voted on. Mr. Taylor was called that night, and asked to come down and take the oath. He will serve until the next election.

The main point on the agenda was the problem of gas leakage. It was agreed that something had to be done immediately. It was set up that monthly check-ups would be set up to keep a closer check on gas leakage.

LOCAL LADY INJURED

Mrs. Novella Lovelace suffered head injuries last Friday, July 5, when the automobile she was driving collided with another vehicle. It was the only accident reported in Morton during the holiday weekend.

Sheriff issues warning

Sheriff Hazel Hancock issued a plea this week to parents of youngsters with air rifles and BB guns for their help in curbing the shooting of such weapons in the city.

Several street lights have been shot out and livestock disturbed recently by youngsters. Hancock pointed out that destruction of public property too costly to taxpayers, and he further warned that serious injury could result from the guns.

Pfc. Albert Shields awarded Bronze Star Medal in Vietnam

Albert L. Shields, son of Mr. and Mrs. W. J. Shields, grandson of Mr. and Mrs. Oren Coon of Leham and Mr. and Mrs. Roy Shields of Morton was awarded the Bronze Star Medal with a "V" Device on March 4, 1968 in the Republic of Vietnam for heroism in connection with military operations against a hostile force. "Private First Class Shields distinguished himself on March 4, 1968. On this day Company D, 16th Armor was conducting a search and destroy mission when it came under heavy enemy fire. Almost immediately the lead platoon suffered numerous casualties and their vehicles were under manned.

"Private First Class Shields left an area of relative safety and ran 50 meters to an under manned vehicle and began returning the enemy fire with maximum effectiveness. Several times Private First Class Shields dismounted his vehicle and destroyed enemy fortifications with hand grenades, silencing enemy who were often still inside the bunkers.

"Private First Class Shields was later wounded, but refused evacuation until he could no longer function effectively. His personal bravery and devotion to duty

Six Morton students at WT Music Camp

More than 800 Junior and Senior High School Band and Orchestra Musicians from Texas, Oklahoma, Kansas, Arkansas, Louisiana, New Mexico, Arizona, and California, have enrolled for the West Texas music camp, July 14-26, on the WTSU campus in Canyon.

Texas students come from many towns and cities in the Panhandle region as well as more distant areas such as Houston, Victoria, Richardson, El Paso, Midland, Odessa, and Monahans. Dr. John E. Green, camp director, reports that six students from Morton will be attending.

Morton visitor . . .

FRANK FORD, candidate for State Representative, visited Morton last Friday, and expressed his views concern-

ing the development of the Morton area. He was accompanied by his wife, Margie, and their four children, Davis, Cindy, Dan, and Susan.

Frank Ford states progressive thinking during Morton talk

Frank Ford, candidate for State Representative, visited Morton and Cochran County on Friday, July 5, to express his views concerning the development of the Morton area. He was accompanied by his wife Margie, and their four children, Davis, Cindy, Dan and Susan.

The Fords live in Hereford. Frank Ford is a native of the Texas Panhandle South Plains area, graduated from Texas A&M and is today President and General Manager of Arrowhead Mills, Inc. of Hereford. He runs for State Representative because, "the work has to be done" and this work needs an active man who has the background and the experience to solve the problems and to present the interest of his voters in a dynamic way.

Frank Ford spoke to several citizens of Morton in the Commercial Building. He stated: "It is very encouraging to see that progressive thinking and optimism that is being generated now in Morton."

"Certainly one opportunity that is facing this whole area now is cattle feeding. There were 5,400,000 bu. of grain sorghum

produced in Cochran county last year. This would feed 135,000 cattle and create nearly 100 new year round jobs.

"With the recent opening of one big packing plant at Friona and the announcement of another, at Hereford, by Wilson & Co. there will be one of the best fed cattle markets in the nation in this area."

Frank Ford pointed out, that another main problem of Cochran County and the whole area of West-Texas is water conservation. "To transfer the water from the lower Mississippi and bring it to Bull lake is the only practical plan and I will support this plan very strongly. It is absolutely necessary to start now with the planning stage. We have the best farmers and the best equipment in this part of the country. But if we do not have enough water we will lose both." Frank Ford is familiar with all problems of water conservation.

Furthermore Ford said, that he would support all efforts for better education. He stated that Texas is lying in his educational expenditures on the 33rd place in

the nation "We must improve this situation, because we have the obligation to our youth to give her educational chances." Higher salaries for better teachers is only one way. If retired people give 10 per cent of their time as voluntary teachers to teach at pre-schools there is no limit to give progress to every community. Retired people has the best knowledge and the most experience.

Later on Frank Ford visited with his family the Morton Tribune. He said: "My family and I have enjoyed being in Morton, and we are looking forward to getting to know the people here better in the coming months."

CC WILL MEET THURSDAY

The Last Frontier Area Cotton Council is to meet Thursday, July 11, at 2:00 p.m. in the County Activity Building. Each member is to try to bring two prospective members. The speaker will be Horace McQueen. He will speak on the demand for cotton, marketing cotton, and what women can do about cotton.

Interview of the week Decline of morals evident

An interview with the Rev. Fred Thomas

Rev. Fred Thomas

The Rev. Fred Thomas has accumulated a fine record while being here the past nine years. Brother Thomas is pastor of the First Baptist Church in Morton, which is the largest church in the area. In 1961 Brother Thomas went on a 34 day tour of the Holy Lands and Europe.

Brother Thomas feels that the rapid decline of morals is a very serious problem facing today's population. The problem of morals goes back to the old problem of "church going." Why do people not attend church today? Is it because they do not know right from wrong?

It was expressed by Brother Thomas that people today have a sufficient knowledge of right and wrong but choose to ignore the church today. When asked about the young people of today he stated that the young people here were the finest to be found. The problem today is not the young people, but the older generation. The trend today is to put on your religion as you put on your Sunday suit only on Sunday mornings.

Asked about the condition of the United States in general, he put it this way. "The United States is morally and spiritually weak."

Brother Thomas is married and has two

children; Freddy, 19, and Gina, 14. Freddy is planning to follow in his father's footsteps and go into the ministry.

Brother Thomas states that there is fine cooperation between the different churches in the Morton area. Brother Thomas also serves in the Morton chapter of the Ministerial Alliance.

Brother Thomas is an outstanding, active member of our community. He is former manager of a Little League ball team, chairman of the Boy Scout Fund Drive, and chairman of CROP. He also has worked in the fire department and many other clubs, and has been vice-president of the Athletic Booster Club.

He was born in Bonham, Texas, and attended school there. He attended the Baptist College and East Texas Teacher's College, where he obtained his degree. During World War II, Brother Thomas served for three years in the Navy.

He stated that the most important work at the church done during the nine years he has been in Morton was the building of the educational building, a \$90,000 expenditure, the beginning of the Spanish Mission, and the fact that there has been, since 1963, a full-time music and education director at the First Baptist.

The winners . . .

COPPING TOP HONORS in the Cub Scout Soap Box Derby held in Morton recently, were, left to right, Jay

Swicegood, first; Richard Williams, second, and Leland Lynch, third.

Little League tourney kicks off on Monday

Morton is preparing for an onslaught of Little League ball players, as the community prepares to host the Area B Little League tournament, Monday, Tuesday and Wednesday, July 15-16-17.

Little League teams from Levelland, Seagraves, Denver City, Brownfield, Sundown, Ropesville, and Plains will be competing in the tournament, along with the Morton squad.

First round contests on Monday, July 15 will pit Levelland vs. Seagraves at 2

p.m., Denver City vs. Brownfield, 4 p.m., Sundown vs. Ropesville, 6 p.m., and Morton vs. Plains at 8 p.m.

The winner of the Levelland-Seagraves game takes on the victor of the Denver City-Brownfield contest in the first semi-final tilt, scheduled for 6 p.m., Tuesday, July 16. The second semi-final contest at 8 p.m., that same night will see the Ropesville-Sundown winner tangling with the Plains-Morton victor.

Finals of the tournament are scheduled for 8:30 p.m., Wednesday, July 17. Officials pointed out that the late starting time for the final game, on Wednesday, was in cooperation with the churches, who hold mid-week services on Wednesday night.

Little League tournaments are single-

elimination affairs, with officials of the meets chosen by the host league.

The play-off game between the champions of Area B and the champs of Area A will be held on Friday, July 19 at 8 p.m., with the contest site to be determined by a flip of a coin.

July 22-24 will see the sub-sectional Little League tourney being staged at Levelland. Big Lake will host the Section I tournament on July 25-27, and the Division I tourney, including teams from Texas and Louisiana will be in San Antonio July 30-August 3.

STATE Capital NEWS

By VERN SANFORD

AUSTIN, TEX.—When the special session of the 60th legislature called it quits and went home, its accomplishments seemed scant—from a cold statistical point of view.

During the 30 days of the session called by Gov. John Connally, the 150 house members introduced 32 bills, and the 31 senators kicked in 30. When all was said and done, only five House bills and one Senate bill were passed. However, two of those House bills were the reasons Connally called the session in the first place, so their passage within the allotted 30 days gave an appearance of success to the session.

One, of course, was the bill making state appropriations for the fiscal year beginning September 1, and the other was the tax bill to raise the money to pay for all those appropriations.

Texas taxpayers will start feeling the bite October 1 when the one-cent increase in the state sales tax, the one-cent increase in the motor-vehicle sales tax and the 50-cent-per-\$1,000 increase in the franchise tax go into effect.

Rep. Frank Lombardino of San Antonio sponsored the only other new law of interest to the average citizen. It prohibits the carrying of pistols or other concealable weapons into alcoholic-beverage establishments.

The two remaining pieces of legislation were concerned with the internal affairs of state government—transferring \$3,000,000 from the Operators' and Chauffeurs'

appear before the said Board July 12, 1968 from 2:00 to 3:00 p.m. at the Tax Office in the town of Morton, Texas, at which time and place said Board will then consider any evidence you may elect to submit as to the value of said property for taxable purposes. The Board, on said date, will from the evidence now before it, finally fix, determine and equalize the value of your property for taxable purposes for the year 1968.

OIL, GAS, AND UTILITIES HEARING
BY ORDER of the Board of Equalization of the Morton Independent School District.

Published in the Morton Tribune June 27, and July 4 and July 11.

LEGAL NOTICE

The Tax Equalization Board of Three Way ISD will meet at 6:00 p.m., Friday, July 26, in the tax office of the Three Way School, Maple, Texas, anyone who wishes to appear before the board may do so at this time.
Published in Morton Tribune July 4, 11, 18, 1968.

LEGAL NOTICE

In obedience to an order of the Board of Equalization regularly convened and sitting, notice is hereby given that said Board of Equalization will be in session at its regular meeting place in the Bledsoe High School Cafeteria, Bledsoe, Cochran County, Texas on Friday, July 12, 1968, from 9 a.m. until 12 noon, and from day to day thereafter, for the purpose of determining, fixing, and equalizing the value of any and all taxable property situated in the said Bledsoe Independent School District, until such values have finally been determined for taxable purposes for the year 1968, and any and all persons interested, or having business with said Board, are hereby notified to be present.

DONE BY ORDER OF THE BOARD OF EQUALIZATION OF BLEDSOE INDEPENDENT SCHOOL DISTRICT, Cochran County, Texas, at Bledsoe, Texas, the 24 of June, A.D., 1968.
s/Ernest Trull
Secretary

Published in the Morton Tribune July 4, and July 11, 1968.

License Fund to the General Revenue Fund and authorizing the Comptroller to transfer funds between items of his appropriation made by the 1967 Legislature.

Only other thing of substance was that the two houses agreed on was creation of the Governor's Advisory Committee on Physical Fitness. This was done by resolution.

Each house did create interim committees to study certain problems and report back to the next legislature.

Senate set up a committee "to study the problem of locating and securing more land which could be set aside for parks and recreational purposes, the better utilization of existing parks and development of existing parks to accommodate more visitors."

House created interim committees to study the Texas Election Code, the financial relationship between permittees and licensees under the Liquor Control Act and the need for laws on organ transplantation.

Also, the lower chamber set up a Natural Fiber Study Committee and a Family Law Study Committee and asked the University of Texas Graduate School of Business to study the possible creation of a Texas Stock Exchange.

COURTS SPEAK—Texas Supreme Court ruled that a water district failed to be created by the voters in its original district — could not change its boundaries to include only those areas which approved it in that election. Court also said that the district's directors could not force the counties within its proposed area to pay its organizational costs.

In another case, High Court agreed that St. Louis Southwestern Railway Company of Texas should not be required to maintain its Texas general office and machine shops in Tyler.

Court agreed to hear October 2 appeals of two Dallas savings and loan associations which are seeking the same location for branch offices.

AUTO INSURANCE RATES RISING — State Insurance Board experts have recommended an increase of about 2.8 per cent in auto insurance premiums.

Although statewide averages are misleading since rates are set by 40 different territories, liability coverage appears to be going up on 33 zones for most drivers. Young drivers face higher rates in 22 territories, lower in seven and the same in 11.

Biggest increase will be for comprehensive and collision policies where the insurance board staff has recommended a hike of 7.7 per cent and 7.1 per cent respectively. Insurance company spokesmen claim rising cost of parts and repairs has offset a better traffic accident record.

ATTORNEY GENERAL RULES — City firemen granted leave for military services are, on return, entitled to credit for pay purposes, Atty. Gen. Crawford Martin has held.

In other opinions Martin concluded that: State agencies can contract for professional services of attorneys providing they first obtain the written approval of the attorney general on rate and selection.

Justices of the Peace may issue certified copies of birth and death certificates, but fees collected should go to county treasury.

University of Texas Board of Regents has authority to contract with Central Energy Corporation for heating-cooling services at UT Medical School in San Antonio.

Court reporters are entitled to compensation, subject to limitations, for taking depositions from indigent defendants in criminal cases.

Firemen's relief and retirement fund trustees may permit fund investments in the name of a bank's nominee, and has authority to use trust fund income to pay

4-H Club news

Morton J. Smith III, Larry Hale, Sam my Burnett, Velma Goodwin, Nan Ray,

costs of administering investments of the trust.

CITY SALES TAX UP—Cities are finding the new local option sales tax a better money-maker than they figured when more than 270 voted it into effect during the last few months.

Collections for the first quarter of 1968, generally the worst business period every year, ran about twice what was expected. Here's the way it turned out for the 14 cities which pioneered the sales tax: Aransas Pass, \$15,746; Austin, \$641,003; Bracketville, \$994; Corpus Christi, \$54,765; Elgin, \$4,867; El Paso, \$709,686; Henrietta, \$4,756; Ingleside, \$2,688; Nacogdoches, \$58,835; Orange Grove, \$1,318; Taylor, \$17,116; Texarkana, \$101,765; and Wichita Falls, \$236,235.

SALES TAX SCHEDULE—When the new increase in the state sales tax goes into effect on October 1, shoppers in cities which have adopted the city sales tax will begin paying the first of the four pennies when they spent their first 13 cents.

Tax applicable to city-sales-tax-covered sales: From 1 cent to 12 cents, no tax; 13 cents to 37 cents, one penny; 38 cents to 62 cents, two pennies; 63 cents to 86 cents, three pennies; and 84 cents to \$1.12, four pennies.

Shoppers in areas where there is no city sales tax are facing this schedule: 1 cent to 16 cents, no tax; 17 cents to 49 cents, one penny; 50 cents to 83 cents, two pennies; and 84 cents to \$1.16, three pennies.

However, the Legislature did kick in a few more exceptions. One exempts sales through a coin-operated vending machine when each sale is for 16 cents or less, and another will exempt shipping charges when they are figured separately from the price of the commodities.

A third will exempt machinery used exclusively on farms or ranches in the building or maintaining of roads and water facilities, and exempted from the new third state penny will be sales resulting from a written contract entered into before October 1, and sales for which bids were submitted prior to October 1.

U. I. L. INVESTIGATION — A proposed study of the University Interscholastic League—which organizes inter-school competition among Texas high schools—failed to be approved by the Legislature.

Reps. James Cole of Greenville and Burke Musgrave of Breckenridge asked for the study to determine the league's organization, control, financing and relationship with the state.

Question arose when the UIL declared "professional athletes" any boy who had signed a letter of intent to accept a college athletic scholarship. This ruling would prohibit other boys still in high-school sports from participating in summer baseball programs—such as the American Legion program—with these "professionals."

Although the Legislature did not act this time the question could be brought up in January. UIL apparently is quasi-governmental, since it is a part of the University of Texas system. However the Legislature has never created or even recognized it.

Penny Woolley and Sherri Cadenhead are enjoying 4-H Electric Camp this week. Wednesday Cochran County was in charge of flag ceremonies and today they are in charge of leading quiet games.

Crafts at County 4-H Camp on July 10 will include making model electric motors, tissue paper flowers and paper puppets. Four-H'ers may choose which craft they will take. Skating is planned from 2 to 4 p.m. and swimming later in the afternoon. There will also be volleyball and softball and a program in citizenship. All 4-H'ers are to bring swimming permission slips, a sack lunch, swim cap and fee for skating and a good appetite for the cookout that evening.

Girls planning to enter the 4-H dress-revue must turn records into the Extension Office by 5 p.m., July 15. Judging garments will begin at 9:30 a.m., Tuesday and the public dress-revue will be at 7 p.m. Mrs. D. A. Ramsey and Mrs. C. W. Ray's clothing girls are making refreshments. Demonstrations will be given by Denise Aldridge and Mary Jo Hudson and Susan Cadenhead.

Four-H'er of the week is Vickie H. daughter of Mr. & Mrs. John Hall, Sr., E. Garfield. Vickie has been in 4-H the years-one of these in Hockley County. Her projects are foods, bedroom improvement and clothing. Vickie entered the County Food Show and won a red ribbon in the milk division. She made an all-cotton dress for the cotton style show in May and is now taking clothing. In 1967 Vickie participated in the District 4 Share the Fun Contest and won a second place ribbon. This year she and Sherri Fluitt gave a vegetable demonstration at district contests and won second place. Vickie has also had parts in several 4-H plays and actively attends the Morton 4-H Club.

Her leaders have been Mrs. James Whitehead, Mrs. J. F. Cooper, Jr., Mrs. Gary Melton and Mrs. James Jones.

Area council group has meeting July 8

The Area Council of Federated Women Clubs met in the W. C. Gray home July 8 for a regular meeting, with the following members present: Mesdames William Henry, Cherylne Inglis, Joe Gipson, J. Wallace, Lloyd Miller, Glenn Thompson, Leonard Coleman, J. W. Tyson, M. Clark, Loy Kern, C. E. Dole, Dan Smith, Eddie Irwin and the hostess, Mrs. Gray.

The meeting was called to order by the president, Mrs. Cherylne Inglis. A treasurer's report in the amount of \$11.57, was given.

Routine business was discussed at the meeting, including Federation Day, which is to be held in the County Activity Building on Saturday, November 2. Also the presidents were reminded to appoint members to serve on the Friends of the Library Board and to get their library dues in by September.

It was pointed out by the president the money was needed for Strickland Park and all clubs should turn in their dues.

Mrs. Rowden honored at shower July

A kitchen shower honoring Mrs. Delores McCall Rowden was held in the home of Donna Williams, Monday, July 1, from 3 to 5 p.m. Hostesses were Donna Williams, Kay Davis, and Dorothy Spence. "Pink punch and cookies were served. The center piece was a 3 tiered wedding cake made with pink velvet towels. Guests were Vickie Goodman, Pamula and Freda Layton, Lanya Dolle, Janice and Freda Layton, Lanya Dolle, Janice Crockett, Karen Davis, Linda Nettles, Patsy Collins, Jeanella and Deletta Nesbitt, Rita Brown, Peggy Thomas, Vivian McDaniel, Rita Kay Bedwell, Glorietta Gray, Ruthie Smith, Deanna Coats, Donna Jo Allsup, Jeanette Childs, Ronda Bruner. Those who were unable to attend but sent gifts were Ann Cloud, Lana Smith, Carolyn and Sharon Turney, and Elaine Tiller.

What's new in fall draperies?

COLLEGE STATION — Florals, geometrics, fresh cool colors, textures and elegance describe the draperies for fall. Nature comes indoors with the use of an endless variety of floral prints available for draperies. Some of the traditional prints have been made for 1968 by re-scaling the designs and using new colors, according to Bonny Lay, Extension home furnishings specialist. The geometrics will range from the well defined shapes to the abstracts. Patterns and colors from other lands will influence fall draperies, says the Texas A&M University specialist. The Orient, Mexico and Africa are supplying pattern and color ideas. The Orient adds red, jade green and gold combinations to the bountiful supply of colors available. Other popular colors will be lemons and limes, pinks and earthy tones of orange, brown and yellow. In fact, most colors will be available. Miss Lay says texture in draperies for the fall is exciting. Slubs, nubs and ribs will give that desired textured effect. Burlap looks and homespun weaves will be available. Elegance and formality still exist in the drapery selections with many brocades, velvets, embroideries and appliques many retailers offer, Miss Lay says. Continuing from last year, permanent press will be a big consideration with more and more fabrics offering this added convenience, according to the specialist. Also you will be seeing more and more flame-resistant or flame-retardant fabrics in the future.

Girlstown royalty . . . MISS LINDA METCALF, center, of Lubbock, was crowned "Miss Girlstown, USA" at special open house ceremonies held Saturday at the home. TURNROW TUNKEL

DEAR TURNROW TUNKEL, I see where a travel expert advise s people inexperienced in air travel to use care in choosing a wardrobe, since planes move quickly from one climate to another. Packing for an airline flight is a problem during the summer, it will also eliminate many a fishing trip. Senator McCarthy said recently that if he wasn't nominated by the Democrats, he might support Nelson Rockefeller in preference to Hubert Humphrey. Do you think his statement will help Rockefeller? No, but it's probably the best thing that has happened to Hubert since the invention of throat lozenges.

Free square dance at Earth Saturday night

The Muleshoe Square Dance Club is sponsoring a Free Street Square Dance in conjunction with the Earth Rodeo. Saturday July 13 at 9 p.m. on the parking lot of B&W Grocery downtown Earth. Gary Bulls, guest caller of Amarillo will do the calling for the event. Would like to invite the public to attend. Donations will be accepted to help pay the expenses.

Mrs. Peggy Walker from Oklahoma City is visiting in the home of Mr. and Mrs. William E. Davis. Her husband is stationed in Viet Nam.

- Cotton talks -

It now appears that the "official ball" may get rolling again in the House of Representatives on farm legislation during the week of July 15, according to Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc.

The ball came to rest June 27 when Speaker John McCormack (D-Mass) and Majority Leader Carl Albert (D-Okl) agreed not to call H. R. 17126 up for house consideration. Officially it was crowded off the House calendar by other pressing issues.

The bill, reported some time ago by Congressman Bob Poage's House Committee on Agriculture, would extend for one year without changes the Agriculture Act of 1965 with provisions for cotton, wheat, feed grains, wool and dairy products. Poage is Texas' Democratic Representative from Waco.

H. R. 17126 was given a Rule for House debate on June 27. But McCormack, Albert and many other proponents of the bill feared it would be voted down or else passed with crippling amendments if brought up at that time.

The most serious obstacle to the bill's passage in workable form was and still is the threat of a limit being placed on payments to individual farmers. Attempts to impose such a limit have been made repeatedly in the past and are certain to be made again this year when the bill comes up.

And under the circumstances prevailing June 27 some observers felt almost sure that an amendment limiting payments would have passed.

Clouing the atmosphere for the farm measure from the beginning have been those urban congressmen who are strong for a greatly expanded food stamp program. Favorable votes from a substantial number of these city congressmen are necessary if a farm bill is to be passed.

Many of these, led by Leonor K. Sullivan (D-Mo.), have vowed they will work for the defeat of any and all farm legislation until they can see prospects for passage of an acceptable food stamp program. And as of June 27 the House Agriculture Committee had not completed action on a food stamp bill.

"Now the Ag Committee has reported a food stamp bill," Johnson said, "and Congressman Poage is asking the Rules Committee to schedule it for action soon after July 9. So there is new hope for getting a farm bill through."

The bill voted out by the House Ag Committee is not all Congressman Sullivan would like. She and her followers have been stumping for an "open-end" food stamp program with expenditures limited only by their future ability to get funds appropriated. The Ag Committee bill would set expenditures at \$245 million, well above Senate and Administration recommendations but less than satisfactory to Mrs. Sullivan.

Even so, Poage's Committee action apparently will get the food stamp issue before Congress, at which time the Congresswoman can offer amendments or perhaps substitute her own bill.

"With these developments," Johnson said, "PCG, the Texas Association of Cotton Producer Organizations (TACPO), our farm congressmen and the U. S. Department of Agriculture are redoubling efforts to create an atmosphere in which we will have a reasonable chance to get an acceptable farm bill through the House in mid-July."

"Obviously some compromise if not outright vote swapping is going to be necessary if the House is to pass farm legislation this year," Johnson stated, "and there will be a lot of behind-the-scenes work done before the bill comes up again."

The Senate Agriculture Committee has under consideration a bill to extend the current law for four years with "minor" alteration. It would also include, with minor revisions, Title 11 of the Mondale Bargaining Bill, setting up price bargaining machinery for commodities where no farm program is now in existence.

The Senate Committee has completed hearings and at least one executive session and is expected to vote the measure out soon.

The Department, too, is known to favor an extension for more than one year and there is a distinct possibility that an amendment will be offered in the House making H. R. 17126 a four year bill.

Mr. and Mrs. Jessie Locke and family of Corona, California, spent the holidays last week with Mrs. Locks also visited with her brother, Jimmy. The Lock family is now visiting other sisters and brothers before returning to California. Others visiting in the Self home were: Mr. and Mrs. Jack Sherley, Littlefield, Mr. and Mrs. Leon Dupler of Maple, and Mr. and Mrs. Arlie Self and family, Hobbs, New Mexico.

NET

One of the definitions for a net is a trap or a snare. A net is used to catch a fish. There are times in every man's life when, like Job, he feels that God has trapped him in a net. Job 19:6 reads, "Know now that God hath overthrown me, and hath compassed me with his net."

But our troubles and afflictions are never caused by our God. Moreover, His Word says He is ever faithful to deliver His people. The Psalmist asserts: "Mine eyes are ever toward the Lord; for he shall pluck my feet out of the net."

How wonderful are His promises. These promises are proclaimed from the pulpit by your pastor each week for the blessing and edifying of God's people. Won't you attend church this week and partake of this blessing?

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Bula-Enochs news

MRS. J. D. BAYLESS

Mr. and Mrs. Dannie Petree and son, Morton, were guests in the home of the parents, Mr. and Mrs. Chester Petree, Wednesday night.

Mr. and Mrs. Lawrence Hall of California, Mr. and Mrs. Carl Hall, Mrs. J. Layton and sons, Jarrol and Keith, and Mr. and Mrs. Bill Burrs and family at Wellman Wednesday.

Rev. and Mrs. C. R. Smelser returned Friday from a 4-day trip to Northwestern New Mexico, and fished at the Crystal Lake there. They also went eighting in southwestern Colorado mountains.

Boys attending youth camp at the Baptist Encampment at Floydada last week were Larry and Gerald Bates, Jerry Nichols, Anthony Pierce, Larry Dane, and their sponsor, Rev. Preston Harrison.

Mr. and Mrs. Eldred Mize and son, setting, of Crosbyton, spent last Saturday night in the home of her brother, Mr. and Mrs. Harold Layton and family.

Mrs. Dale Nichols took Pamela and Rita Layton, Terry Claunch and Rita to the youth camp at Floydada Wednesday. They returned home Friday.

Dinner guests in the home of Mr. and Mrs. J. W. Layton Wednesday were Mr. and Mrs. Vernon Bridges and daughter from Jacksboro, and Mr. and Mrs. Harold Layton and family.

Mr. and Mrs. Raymond Austin were in Lawton, N. M., Sunday and visited with the sister-in-law, Mrs. Elva Moore, from Lawton, Ark., in the home of Mrs. Austin's mother, Mrs. Willie Moore.

Fishing at a lake near Tucumcari, N. M., from Friday till Sunday were Mr. and Mrs. Pete Thomas and sons.

Mr. and Mrs. C. C. Snitker attended the Stults family reunion at the Dickens and Motley Community House at Roaring Springs, July 4. All of her brothers and sisters were present. There were 49 relatives in attendance from Killeen, Verbuena, Wichita Falls, Denver City, and Oklahoma.

Mr. and Mrs. W. B. Peterson and daughter, Kay, visited his mother, Mrs. Annie Peterson of Slaton and their son, Mr. and Mrs. Morris Peterson of Brownwood.

Mr. and Mrs. Dale met relatives at Possum Kingdom last weekend for a visit.

Mr. and Mrs. J. D. Bayless stopped in Morton Wednesday and picked up her brother, Clyde Coffman, and they drove to Wells and spent the night in the home of their sister, Mr. and Mrs. Ray Cunningham and son Bill. The annual Thomas Walter Coffman family reunion was held in the Ray Cunningham home July 4. The 48 relatives attending were Clyde Coffman of Morton, his daughter and son, Rev. and Mrs. C. T. Cunningham and children, Francis and Tom, Mr. and Mrs. David Coffman and daughters, Mary Brenda and Debbie of Odessa, Mr. and Mrs. Claud Coffman of Muleshoe and their daughters, Mr. and Mrs. W. L. Speck and daughter, Sandra Kay of Muleshoe and Mrs. Mickey Rundell and daughter, Ralynn of Wilson, Mrs. Gracy Swanner and son Jimmie of Levelland and a daughter, Mr. and Mrs. Dwayne Vaughn and his son James of Tahoka, Mrs. George Henderson of Amarillo, Mrs. Charlie Coffman of Hereford and her daughter, Mrs. Steve Gilbert of Amarillo, Mr. and Mrs. J. D. Bayless of Enochs, and their daughter, Mr. and Mrs. Leland Finley and children, Donna, Larry and Linda of Odessa, Mr. and Mrs. Carl Coffman and daughter, Pat of Lamesa, Mr. and Mrs. Chester Coffman and children Janet and Ronald of Big Spring, the late Walter Coffman's brother, Rob Coffman of Ranger, who will be 85 years of age Aug. 15, Rev. and Mrs. Clarence Coffman of Brownwood and their son, Rev. and Mrs. Bill Coffman and daughter, Kay, who have just returned from the mission field to be in the states for a year. They attended the language school at San Jose in Costa Rica, and were on the mission field in the Dominican Republic for four years. He showed slides of the country and their work while they

were there. They voted to have the reunion at the home of Rev. and Mrs. Clarence Coffman at Brownwood next year.

field, July 4 in the home of his sister, Mr. and Mrs. F. H. Montgomery at Idalou.

Larry Dane spent the week with Mr. and Mrs. J. O. Dane. He is a cousin of the Danes.

Mr. and Mrs. Chester Petree visited their son and wife, Mr. and Mrs. Kenneth Petree at Clovis, N.M., last Sunday afternoon.

Mr. and Mrs. Carl Hall and son, Lawrence Hall were in Plainview Friday to visit Carl's sister, Mrs. Bertha McGraw.

Those enjoying a hamburger fry and home made ice cream at the home of Mr. and Mrs. Kenneth Coats recently were Mr. and Mrs. Jerry Cox, Mr. and Mrs. Kenzie Coats of Lubbock, and Mrs. Alma Altman.

Guests in the home of Mrs. Alma Altman last Sunday were all of her children, Mr. and Mrs. Kenneth Coats and children, DeAnna, Keith and Kem of Rt. 2, orion; Mr. and Mrs. Vick Byrum and children, Dwight, Brent and Steve of Tucumcari, N.M.; Mr. and Mrs. R. H. Baker and children, Forest, Duane, Susan, Rodney and Sharita of Morton; Mr. and Mrs. Wayland Altman and children, Ronnie and Mitzi of Three Way and Mr. and Mrs. Kenneth Millsap and daughter, Kena Louise of Clovis, N.M.

A bridal shower honoring Mrs. Rusty Rowden was July 3, at the home of Mrs. Guy Sanders from 3:30 to 5 p.m. Mrs. Robert George, sister of Mrs. Rowden, registered the guests. There were approximately 60 present. The refreshment table was laid with a white lace cloth over pink. The centerpiece was a wedding cake made of towels, Patricia Nelson, cousin of Mrs. Rowden, and Susan Rowden, sister-in-law of Mrs. Rowden, served the white cup cakes trimmed in pink, and the pink punch. The hostess gift was a 3-piece set of cookware. Hostesses were Mrs. Clyde Price, Mrs. Keith Price, Mrs. Ray Seagler, Mrs. Bob Newton, Mrs. Alma Altman, Nelda Seagler, Mrs. John Gunter, Mrs. Zed Robinson, Mrs. Ralph Beasley, Mrs. John Blackman, Mrs. Quinton Nichols, Mrs. L. E. Nichols, and Mrs. C. C. Snitker.

Mr. and Mrs. Hugh Anderson of Borger spent Saturday night in the home of his sister, Mr. and Mrs. Joe Milsap.

Mr. and Mrs. Duane Clem left Wednesday to visit her mother, Mrs. Dealie Shepard at Idabel, Okla. Also his mother, Mrs. Fay Carpenter at Paris, Texas; her brother, Mr. and Mrs. W. M. Stewart and family, and her brother, Mr. and Mrs. L. C. Smith at Bonham. They returned home Saturday.

Company in the home of Mr. and Mrs. T. A. Thomas from Friday till Sunday were their daughter and family, Mr. and Mrs. L. W. Richmond from Brownwood. Also their nieces, Linda Pugh and Mr. and Mrs. Robert Cowley of Midland, and their son, Mr. and Mrs. Virgil Thomas and daughter of Lubbock, spent Saturday with them.

Visiting in the home of Mr. and Mrs. Arnold Archer Sunday were her sister, Mrs. Bertha Roberts of Morton, and their nephew, Mr. and Mrs. Norvil Roberts and family of Plainview.

Rondy McCall is in Lubbock to spend a few days with his sister, Mr. and Mrs. Dennis Medlin.

F. L. Simmons spent from Wednesday till Monday in the University Hospital, Lubbock, for tests and observation.

Mrs. Earl Shields and children, Roslyn, Kenneth and Patricia of Lelia Lake

Whiteface Garden Club has meeting

"All the flowers of all the tomorrows are in the seeds of today" was the inspiration for the Whiteface Garden Club meeting, July 1, at the home of Mrs. G.C. Keith in spite of the threatening weather eleven members and one visitor Miss Cathy Coffey, enjoyed the program on "Geraniums" given by Mrs. J. L. Scholler.

The plant generally called Geranium is more correctly called Pelargonium and may be divided into four groups: (1) Show Pelargoniums which includes Lady Washington and Pansy-flowered Geraniums; (2) House Geraniums, also known as Bedding, Horseshoe, Fish and Zonal Geraniums; (3) Ivy-leaved Geraniums; (4) Scented-leaved Geraniums. Examples of each group were shown to the club. How to root cuttings was explained and some cuttings were distributed to members.

Texas Wild Flower note paper has been ordered for sale to members, or to any who desire to purchase these boxes of decorated writing papers. These are to be included in the Bazaar portion of the Flower Show, September 26.

Planning for the flower beds of the Whiteface Park is the next project to be undertaken by the Garden Club. Work on this project will be started as soon as the elementary landscaping and basic construction is completed.

Next meeting is July 15, at the home of Mrs. O.F. Hemphill with a subject of "Mechanics, Accessories, Bases and Containers" for flower arrangers.

Mrs. G. C. Keith: Reporter

New Kindergarten

Mrs. Melvin Davenport will open her Lad & Lassie Kindergarten this fall. Anyone wishing to enroll their child is asked to do so by July 20. There will be no enrollment fee.

For information, this interested are asked contact Mrs. Davenport at 505 W. Harding, or call 266-5462. Child must be 4 or older by September 1.

Mr. and Mrs. Robert Hightower of Lubbock announce the birth of a daughter, Carrie Lynn, born July 2, weighing 6 lbs., 13 oz.

visited with her parents, the R. E. Jones, recently.

The Terry Blake family from Madison, Wisc., have been visiting her parents, the C. C. Testermans and other relatives in this area. They also visited his parents, Mr. and Mrs. Mickey Blake at Gunter, Texas. Terry Blake spoke at the Church of Christ on Sunday morning while they were here.

Attending the Head Start workshop at Hale Center last Saturday were Marion McDaniel, Georgia Bahlman and Virginia Davilla.

Mr. and Mrs. Dewitt Taylor and family attended the Adudell family reunion held at the Lions Club building in Clarendon recently. Others from this area attending were Mrs. Tiller's parents, Mr. and Mrs. John Adudell of Lazbuddie.

Mr. and Mrs. Tom Bogard enjoyed having several of their children and grandchildren home last Sunday. They were Mr. and Mrs. Delbert Roberts of Houston; Beck Gaston of Vidor; Mr. and Mrs. Jake Bogard and children, Brad and Kim, of Anton; Dusty Bogard of Littlefield and Mrs. Bogard's mother, Mrs. Laura Rhodes of Muleshoe Nursing Home.

COOK of the Week—

Mrs. Derwood McClintock is our cook of the week. She makes her home with her husband, Derwood and son, Tommy, at 809 East Hayes. All are members of the First Baptist Church and Jean is a Junior Sponsor.

Jean McClintock, Cook of the Week, enjoys the summer season for "yarding" as well as cooking for her family.

They own a boat and during the summer season they enjoy taking in near-by lakes for water skiing and other water sports. Jean helps her husband by book-keeping for his business, the Texaco Station.

Her recipe, potato casserole, is a family favorite, and enjoyed by all friends.

POTATO CASSEROLE

Cut 8 med. potatoes for boiling. Boil until done. Drain and place in a long pyrex baking dish.

CHEESE SAUCE

Melt 1/2 sticks butter
5 tablespoons flour
3/2 cup milk
Grate 1/2 inch Velveeta cheese

Cook like gravy, until thick. Pour over potatoes. Bake in oven about 20 minutes at 300 degrees.

Overdue admission

One good result of massive federal deficits has been that high public officials, apparently unable to sweep all the facts under the rug, have of late been acknowledging that government has been the major cause of inflation, because it has spent so much more money than it has collected in Texas. Even with a tax boost and a \$6 billion spending cut this isn't likely to change too much in the near future.

This is good basic economics to remember when office seekers promise something for nothing at taxpayer expense at

election time. Higher wages and higher prices won't help the working man or business keep up with inflationary dollars whose value is slipping away like a snowball in the summer sun.

Use only approved charcoal lighter fluids when starting the fire for outdoor cooking. Gasoline, kerosene and fuel oil are dangerous substitutes because they are highly flammable and explosive.

Mr. and Mrs. Ray Griffith, Karl, Rayla, Dorothy Spence, and Mr. and Mrs. Bud Fountain spent the holiday week-end in Ruidoso, N. M.

Ledbetter-Kuehler vows are repeated on July 5

St. Ann's Catholic Church of Morton was the scene for the wedding last Friday evening for Miss Betty Lou Ledbetter and Glendon Philip Kuehler. The bride is the daughter of Judge and Mrs. M. C. Ledbetter, and her husband is the son of Mr. and Mrs. Louis Kuehler. All are of Morton.

Officiating at the double ring ceremony was the Rev. Davis Greka of St. Ann's Catholic Church. Nuptial mass was read at eight in the evening, July 5.

Decorations in the church featured white satin kneeling benches, a pink rose arrangement on the Tabernacle Altar, and jewels marked with pink satin bows and jeweled bells.

Given in marriage by her father, the bride wore a formal gown of white pequ de soie in A-line design with bell sleeves, scalloped neckline and princess seaming, accented with chantilly lace. The gown was designed by the bride and made by her mother. Her veil of silk illusion repeating the lace motif of the gown was made by the bride's maternal grandmother, the late Mrs. J. A. Gowdy, and

was worn by the bride's two older sisters at the time of their weddings. It was reshaped and appliqued as the mantilla for the current family wedding by the bride's great aunt, Mrs. L. W. Gowdy of Jacksboro.

The bridal bouquet was a cascade of pink rose buds surrounded with stephanotis, on a white Prayer book belonging to the bridegroom's mother, and carried by her in her own wedding.

Miss Margaret Ledbetter attended her sister as Maid of Honor and bridesmaids were Miss Zoellen Ledbetter, sister of the bride, and Miss Sarah Wells of Odessa. They wore formal gowns of mint green silk patterned after the bride's, with picture hats of pink organza. They carried colonial rosegays of pink rose buds and ivy featuring long pink and green satin streamers knotted with lily of the valley.

Clem Kuehler was his brother's best man and groomsmen were Mike Houston of Brownfield, and David Blazer of Levelland. Ushers were the groom's brother, Wayne Kuehler of Dallas, and his brother-in-law, G. W. Lyons of Morton.

Altar boys were Donnie Kuehler, brother of the groom, and Randy Kuehler, cousin of the groom. Rory Kuehler, the groom's cousin, served as narrator during the Mass.

Nuptial music was furnished by Mrs. Pegues Houston, organist, who accompanied Mrs. Clyde Brownlow, Amherst, and Mrs. Loy Kera, Morton, both sisters of the bride, in a duet selection.

Immediately following the ceremony a reception was held in the Ledbetter home. The bride's table in the dining room was overlaid with a white lace cloth over green and was highlighted with an arrangement of pink roses. A crystal punch bowl and a white three-tiered wedding cake trimmed with pink wedding bells centered the table. The groom's table in the family room was covered with pink linen and featured a silver coffee service and a dark Hershey cake.

Misses Deborah and Joan Kuehler, sisters of the groom, received guests. Miss Clair Jordan Houston and Mrs. Phillip Baxley served guests.

The couple will be at home after July 15 at 501 - 14th Street, Levelland, following a trip to Ruidoso, New Mexico. Glen is employed with Pan-American Petroleum Corp. as an engineer. Mrs. Kuehler attended Texas Tech and is a 1968 graduate of the University of Texas School of Nursing. Mr. Kuehler is a graduate of Texas Tech.

Mrs. Glen Kuehler (nee Betty Lou Ledbetter)

LeFleur Garden Club has work day at museum

Le Fleur Garden Club members recently met at 7:30 a.m. at the Cochran County Historical Museum grounds for a work day. Additional borders were laid out and metal edging installed. The remainder of the area in front was sprigged with grass and the weeds hoed at the back of the area.

The windmill has been brought in by members of the Historical Society who repaired and painted it. It was installed on the southwest corner of the lot by Cochran Power and Light. The windmill was originally on Slaughter Ranch land and was donated to the Museum as an item of historic interest in the development of this area. Plans are to also add an old wooden watering trough near the windmill. Mr. Walter Taylor and Miss Lonora Jackson of the Historical Society assisted in the work day. Employees of Princtl under the direc-

tion of Leonard Coleman, Commissioner, have hauled rocks for stepping stones and hauled and spread gravel for the walkway area. The Garden Club is deeply appreciative of the fine cooperation and direct assistance from the many people who have helped in this project.

The rose bed on the south side of the Museum is almost ready for planting and donations of roses as memorials or gifts will be appreciated, as will any donation of other plants and shrubs needed in the project. Contact Mrs. E. R. Fincher in Morton, who is Chairman, for any further information.

After the work session, members went to the home of Mrs. Roy Hill for breakfast. A business session followed. Mrs. L. Z. Scoggins, newly installed president, presided. She announced her theme for the coming year, "Creating with God's Creations". Committed were revised plans made for the program committee to meet and begin work.

Members present were: Mrs. Roy Hill, Mrs. E.R. Fincher, Mrs. L.Z. Scoggins, Mrs. Eugene Bedwell, Mrs. W. W. W. Jamson, Mrs. Olin Darland and Mrs. Don Stamford.

Carolyn Houston to wed Emil Joseph Joost

Mr. and Mrs. Pegues Houston, of Star Route 2, announce the engagement of their daughter, Carolyn, Carolyn, to Mr. Emil Joseph Joost, son of Mr. and Mrs. Emil D. Joost, Jr., of Marble Falls, Texas.

Miss Houston is a graduate of Morton High School and Texas Tech. Mr. Joost was graduated from Marble Falls High School, Texas Tech and the American Institute of Foreign Trade at Phoenix, Arizona. The wedding will take place in September.

... Miss Carolyn Houston

Locke-Kindle vows to be read July 19

Miss Sharron Anne Locke and James Kenneth Kindle have announced their plans to marry July 19 at 8:00 p.m. at the Three Way Baptist Church, Maple. All relatives and friends are invited to attend.

Miss Locke is the daughter of Mr. and Mrs. Barney F. Locke of Maple. She is a 1967 graduate of Three Way High School.

Kindle is the son of Mr. and Mrs. Robert R. Kindle of Maple. He is also a 1967 graduate of Three Way High School and has attended South Plains College in Levelland.

Barbara Turney, Gary West wed on July 1

Mr. and Mrs. J. F. Turney announce the marriage of their daughter, Barbara, to Mr. Gary Nelson West, son of Mr. and Mrs. Wayne West of Levelland. They were married July 1 at the First Baptist Church in Morton. They will make their home at Ft. Sill in Lawton, Okla.

District W.M.A has meeting in Levelland

The District W.M.A. of the Plains Area met with College Ave. Baptist Church July 2, in Levelland. Meeting the Women's Missionary Auxiliary were G.M.A. girls from several churches represented. Rev. L.H. Raney presented the program. Films were shown of his work in the Christian Education Dept.

"Rev. Ted Stanley gave information about the children of the home and the remodeling of the home. Questions from the congregation were answered by these men. After a salad luncheon the G.M.A.'s were in charge of the afternoon program. Inspiring talks were given by the girls.

"Business was conducted after the program and new officers were elected for the coming year. Those acting as messengers from First Missionary Baptist Church were: Mesdames Robbie Kelsey,

Bill Cooper, Ralph Gardner. Other members present from Morton were: Mesdames B.D. Elliott, C.W. Wiggins, Clifford Berry, Raymond Hoffman. The next meeting will be at Forrest Hills Church in Amarillo.

Visiting in the home of Mr. and Mrs. R. C. Weed were Jimmy and Gaylene Lattimore from Austin, Maurine and Bobby Word, and children, Vanessa and Mack, from Arlington, and Darlene and Burt Whitson and children Vickie, Randy, Janice, and Rodney, from Wolfforth.

Chicken cut up in pieces, cooked outdoors, should be placed 4 to 6 inches from the fire and cooked 25 to 30 minutes. Cook the inside first, skin side last.

\$892,000 study for water import project

The Appropriations Committee of the House of Representatives has approved \$892,000 for continuation of the study of the West Texas and Eastern New Mexico water import project. This is another big step forward in the long process of getting water imported to the High Plains area.

The Bureau of Reclamation and the U. S. Army Corps of Engineers have been making a reconnaissance type study of the import project. This study work has been financed from previous appropriations for both the Bureau of Reclamation and the Corps of Engineers. The new funds when available will allow continuation of the study. We hope acceleration of the study will be possible to beat the 1972 target date for completion.

In May of this year the Bureau of Reclamation released a progress report on their study effort. This report confirms the presence of surplus water in the Mississippi River. The Corps of Engineers through the Mississippi River Commission has the task of determining where there is surplus water, how much is surplus over the potential needs of the Mississippi Valley, and when is there a surplus over the potential needs of the Mississippi Valley, and when is there a surplus.

The task of the Bureau of Reclamation is to determine how to get this water to the West Texas and Eastern New Mexico. Approval by the House Appropriations Committee is not the final step in making additional money available. We feel however, that the importance of this project to the national economy has been recognized and approval by the House and Senate is assured.

The money just approved is not all the money that is going to be required to complete even the study phase of this project. Every year additional funds will be needed for continuation of this study, for making additional studies,

for making engineering designs and for construction. Every time new funds for this project are needed and requested, we face the possibility of delay. We must always be alert to remove any bottleneck before it can seriously slow down progress. We need water as soon as we can possible get it here.

There is little that can be done now that is not being done to speed up the study. There is much that we can do to get ready for the problems we will face in getting additional money for the feasibility study, in convincing Congress to authorize the project and most important of all, getting construction started. We must demonstrate a single-mindedness of purpose of both urban and rural elements to get water to maintain and expand our economy. We must actively seek support from all areas of the state. We must accumulate data to prove the economic justification of the import project.

Patrolman school

The first session of a series of schools for training highway patrolmen will begin July 30 with 120 trainees accepted. Following schools will be held August 27 with 110 enrollees accepted, Sept. 3, 60 enrollees and Nov. 12, 110 trainees. Requirements for men between the ages of 20 and 35 with a high school diploma necessary. If interested contact the local highway patrol office for more information and applications.

Select tender cuts of meat, shaped regularly, for rotisserie roasting. Spear the meat through the middle to balance weight and to insure that it is turning with the rod.

All set . . . WITH CRASH HELMET and all, this young Cub Scout came to the soap box races prepared for anything.

High Plains Research Center will hold annual Field Day

The Twelfth Annual Field Day of the High Plains Research Foundation will be held on Thursday, September 12, at the Foundation Research Farm at Halfway, Texas. Dr. Tom Longnecker, Director and Executive Vice-President, is announcing the date, said, "The second Thursday in September has long been established as the date for our Annual Field Days."

Five of the Commodity Committees of the Board of Trustees are planning to have exhibits of plants and products of each commodity. These exhibits will be located in the farm shop, Seed Production Laboratory and the 20 Saw Laboratory Gin. Throughout the afternoon, members of the committee concerned, plus others invited to assist who are interested in the agricultural production displayed, will be hosts for the exhibits. Plants, products, treatments and equipment used for each of the several phases of agricultural research will be shown.

Field tours of the Research Farm featuring studies underway at the Foundation will start at 1:00 p.m. and continue until 4:45 p.m. Guides for each large truck will be professional agricultural personnel. A popular feature of the Field Days has been the display of the latest in farm equipment and supplies. The various manufacturing firms supply the display and have representatives on hand to explain and sometimes demonstrate. The various firms are allotted space on the grounds of the Halfway Community Building on the basis of first reservations being received being given priority on sites for their equipment or product.

The display of activities and programs of the various governmental agricultural

services is another feature of the Field Days. Included are: Farm Home Administration, Extension Division, Soil Conservation Services, Tri-County Weed Control and Home Demonstration Services.

The evening program will start at 5:00 p.m. An outstanding Agricultural speaker is a feature of the evening program. Attendance prizes will be drawn using names of those who register. Another drawing will be held for current members of the Research Foundation.

Dr. Longnecker stated that the attendance for the last several years has numbered from 3,500 to 8,000. We are expecting a large attendance this year as there are some new and interesting research results to be shown.

Cotton producers to meet in Lubbock

Trustees of the Cotton Producers Institute will meet at the KoKo Inn in Lubbock July 11 to study staff recommendations and develop the 1969 CPI program of research and promotion aimed at expanding markets for cotton and its products.

Russell Giffen, Fresno, Calif., is president of the 51-member Board of Trustees made up of growers elected by 53 cotton producer organizations and representing all of the major cotton-producing states.

The National Cotton Council provides the staff and facilities, without charge, to service the research and promotion program.

Financed by \$1-per-bale payments from growers, CPI budgeted \$8 million for the 1968 program.

Research is being concentrated on durable press and easy care cottons, on product development, and on reducing the cost of controlling insects, weeds, and diseases.

Advertising of cotton products in national magazines, cost sharing of newspaper ads with local stores, and joint projects with major retail chains account for major promotion expenditures.

ren spent the week end visiting their daughter in San Angelo.

Mr. and Mrs. Jack Mapes from Lorenzo

spent the 4th. visiting their daughter and family the Jack Hodnets.

Mrs. Kenneth Evertt is a patient in Medical Art Hospital in Littlefield.

Mr. and Mrs. Carrol Fleming and son from Post were dinner guests in the home of his uncle Mr. and Mrs. H. W. Garvin Saturday evening.

Mr. and Mrs. Larry Dupler and children from Hobbs New Mexico spent the week end with their parents the Leon Duplers and the M. L. Fine.

Frank Ford for State Representative

New Governor, New Speaker, New Legislature . . . Let's Build For The Future!

Frank and Margie Ford with their four children — Davis, 10, Cindy, 8, Dan, 6, and Susan, 4.

* Raised in the Panhandle-South Plains area where his father served as a County Agricultural Agent.

* Worked his way through Texas A and M, where he was named the outstanding student in the School of Agriculture, Cadet Corps Commander, and Delegate from the A and M Debate Team to national debate meet at West Point.

* While on a summer job during college with the Ag Experiment Station in Lubbock, assisted in early hybrid-sorghum work.

* Worked as assistant to manager of a farm equipment company specializing in irrigation.

* Served 30 months in the U.S. Army, attaining the rank of Captain in artillery.

* In 1959, served as bill clerk in the Speaker's office, Texas Legislature, and then in the Legal Division, State Board of Water Engineers.

* Has lived in Hereford for the past 8 years, where he has been successful as a farmer, home-builder and manager of a milling company.

As working manager of a business Frank Ford knows that government must be run on a pay-as-you-go basis.

Frank Ford will be a listening Representative when in the District - will work and speak for when in Austin.

* Active in his church and community, Frank has served as President of the Hereford Migrant Ministry, Vice-President of the Deaf Smith County Chamber of Commerce and United Fund.

* Well known for his work with youth, has been Scoutmaster of Boy Scout Troop 52 for the past 7 years.

* Believes that two-party system is essential for the people of Texas to have effective control over their state government.

FRANK FORD IS A POLITICAL CONSERVATIVE WHO BELIEVES THAT THERE IS AN EXCESSIVE CONCENTRATION OF POWER IN WASHINGTON, D. C. He has been consistent in his efforts to find solutions at the local and state levels where the people can keep control over their future. Help put Frank Ford to work for you in WATER RESOURCES PLANNING, EDUCATION, SUPPORT FOR LAW ENFORCEMENT and GROWTH and PROGRESS FOR OUR AREA! He will represent the people of Cochran, Lamb, Bailey, Castro, Parmer, and Deaf Smith Counties.

FRANK FORD — the candidate of the PEOPLE OF THE 72nd DISTRICT!!!

Paid for by Cochran County Citizens for Ford Committee: Jack Russell, Chairman.
