Former Morton youth killed in Vietnam

Cecil C. McKinney, son of Mr. and Mrs. C. C. McKinney, formerly of Morton, was reported killed in Vietnam on Saturday, October 5.

Spec. 5 McKinney, 22 years of age, was killed by a helicopter blade during battle while attempting to go to the aid of another soldier.

At press time, the funeral arrangements for burial, which will take place in Midland, are pending the arrival of the body from Vietnam.

Young McKinney was a member of the 101 Airborne Division. He had completed one tour of duty and was home on leave in June prior to his returning to Vietnam to begin his second round of duty and would have completed his service to his country in February had he not paid the supreme sacrifice in the manner described above on last Saturday. Born in El Reno, Okla., September 26, 1946, he graduated from the Robt. E. Lee High School in Midland prior to entering the service.

He is survived by his parents of the home at 4321 West Dengar St., Midland; two sisters Mrs. Richard Coleman of Dallas, and Mrs. Gorman Tipton of Midland.

Thieves enter local stores; take radios and record players

The Ben Franklin store and St. Clair's Department store were broken into sometime Sunday night. Entrance was gained through an old air conditioning duct, which has been out of use for some time. A new refrigerated system was installed several years ago.

Items reported as taken were four record players valued at twelve dollars and ninety five cents each, one two-band Dryco transistor radio, and one clock radio, according to investigating officers.

Ribbon cutting held Oct. 7 for Democrats

The ribbon cutting to open the Cochran County Democratic Headquarters was held at 1:00 p.m. Monday, October 7.

State Representative Bill Clayton cut the ribbon. Other out of town people attending were: State Representative, John Kendrick, Brownfield; State Representative, Delwin Jones, Lubbock; State Committee-woman, Mrs. Robert Avery, Whitharral; Mr. Solon Clements and Mrs. Floyce Masterson, Lubbock; and Mr. and Mrs. T. R. Clark, Sundown.

A telegram was received from nominee for Gov. Preston Smith, Ben Barnes, nominee for Lt. Governor, telephoned during the afternoon. Attorney General Crawford Martin sent a special delivery letter.

Many local people stopped by for coffee and doughnuts during the festivities.

The headquarters will be open from now through election day at 105 South Main. The public is invited to stop by for coffee each week day from 9 to 11 a.m. and from 2 to 5 p.m.

★ Plan to attend

The annual meeting of the Morton Area Chamber of Commerce will be held Tuesday, October 15, 1968, at 8:00 p.m. The meeting will be in the meeting room of the Chamber of Commerce. All members are urged to attend and take part in this meeting. Plans will be made affecting the future of this area and you, as a member, should be present and have a hand in formulating and carrying out those plans, according to Leon Kessler, chamber manager.

Janella Nebhut gets commendation letter

Janella Nebhut, daughter of Mr. and Mrs. Dexter Nebhut, and a student of letter of commendation honoring her for her high performance on the National Merit Scholarship Test.

She is among 39,000 students in the United States who scored in the upper 2 percent of those who will graduate from high school in 1969. The commended students rank just below the 15,000 semifinalists announced in September by the National Merit Scholarship Corporation (NMSC). Another Morton High School student, Curtis Griffith, son of Mr. and Mrs. Karl Griffith, was included in that group.

John M. Stalnaker, president of NMSC, said: "Although commended students advance no further in the Merit Scholarship

competition, their outstanding record in a nationwide program deserves public recognition. Their significant academic attainment gives promise of continued success in college.

"The commended students should be encouraged to pursue their education since their intellectual talent represents an important and much needed natural resource. Our nation will benefit from their continuing educational development."

The commended students' names are reported to other scholarship-granting agencies and to the colleges they named as their first and second choices when they took the NMSQT in February 1968. The reports include home addresses, test scores, and anticipated college majors and career intentions of the commended students. NMSC encourages these students to make every effort to continue their education.

A new industry for Morton seems likely

A meeting of the Morton Industrial Board took place Tuesday morning of this week at 7 a.m. Breakfast was served to those present as has been the practice since the group started having organizational meetings. This latest gathering took place in the Activity Building. Foundation president D. E. Benham presided.

On the agenda was an address by Ray Griffith in which he explained very fully the purpose of the foundation to those present at a meeting of the group for the first time.

Mrs. J. C. Reynolds was also slated to be on the short program but was unable to attend because of circumstances beyond her control.

Van Greene spoke on the accomplishments so far in Morton and in other towns of the High Plains toward industrialization.

Fred Payne enumerated the various projects which have been proposed and then asked for suggestions from others at the breakfast.

Membership certificates were passed out to those who have paid in their membership fees.

O. L. Tilger was called on to give a report on a meeting which he attended in Lubbock on October 3 at the Koko Palace. Tilger is president of the local C and C and was accompanied by Leon Kessler, chamber manager and James K. Walker, county attorney of Cochran County.

The Honorable George Mahon was scheduled to appear, says Tilger, but was unable to attend. However, his greetings was sent by one of his staff, Frank K. Sanders. Tilger said that Sanders, when he spoke, revealed that he had recently visited London, England, and was impressed with the concern being shown by people over there over the invasion of Czechoslovakia by the Russians and what this portends on the world scene.

This meeting which the three Morton men attended in Lubbock concerned West Texas business opportunities and was a federal procurement conference in which some 13 prime contractors participated. These contractors were looking for subcontractors. Many representatives of federal defense establishments were there, also representatives from several Federal civilian agencies. In all some 39 buying offices were located there for the day.

Much to our regret, this writer was unable to attend Tuesday's foundation meeting, but we are informed that a representative from a company, interested in locating in this area was present. It is understood that a committee met with this man after breakfast and they took him on a tour of the town inspecting available buildings, etc. It has been stated that the committee has set Wednesday of this week for a further meeting with the company's representatives to work on details pertinent to the industry coming to Morton. As this is being written there is

little more that can be said in this regard except that this development was a surprise to many and it is to be hoped that nothing will deter the foundations efforts along this line.

According to information revealed in a talk with D. E. Benham Tuesday morning, no foundation money will be invested in the proposed enterprise but some local money may be required to augment the company's investment. It is thought that this local capital would be easily forthcoming in the light of the great need felt here in Morton for some industrial activity.

Cochran girl wins second place in 4-H dress revue

Cochran County 4-Her Marilyn Cade won second place in the all-cotton division of the State 4-H Dress Revue at Dallas modeling a colorful coat and dress ensemble.

The 17-year-old daughter of Mr. and Mrs. A. E. Cade, Morton, competed at the Sheraton-Dallas Hotel with 43 other award-winning Texas 4-Hers at the annual activity of the State Fair of Texas. The teenagers presented two public revues October 5.

Miss Cade, a senior at Whiteface High School, made her 100 per cent cotton coat of yellow, brown shades and orange stripes. Her dress was of matching brown cotton.

She has won numerous awards in clothing and was a county Gold Star winner. Miss Cade is a member of the Morton Community 4-H Club.

Finalists in the 4-H revue represented about 18,000 girls in the educational clothing activity, says Fannie Brown Eaton, Extension clothing specialist and revue chairman.

Posse member injured

Dick Howard, of Muleshoe, a member of the Cochran County Sheriff's posse, was injured when his horse reared and fell on him during the posse's Ascencade ride at Ruidoso, New Mexico Sunday, October 6. He was first taken to the hospital in Ruidoso where it was discovered he suffered a broken pelvis in the fall. As soon as he is able he will be transferred to a hospital nearer home.

The posse rode in both the parade and trail ride. It is thought the group, which included most of the twenty eight members, placed first; but confirmation had not been received at press time. Four other posse's participated.

Dear Mother

There is no reason for your child to suffer from measles. Vaccinated once, there is every indication that he is protected for life from this dangerous disease. And measles is dangerous. Even if a child has only an ordinary case he may be very sick with a high fever, harsh cough, puffy and light-sensitive eyes, and a rough red rash.

Many cases are followed by pneumonia and other complications leading to deafness or blindness. Some children develop inflammation of the brain which can leave them mentally retarded. Each year hundreds of children have died as a result of measles.

The American Medical Association and the United States Public Health Service recommend that every healthy infant be vaccinated when he is about one year old. Children over this age who have not been vaccinated and who have not had measles should also be immunized.

Vaccination is especially important for children in day nurseries, kindergartens, or the elementary grades of school, or in other groups where exposure to measles may occur. If one child in a classroom has measles, all the other children who are unprotected usually become infected. They then carry the infection home to younger brothers and sisters who have not been immunized.

So please take your child to the FREE measles, diphtheria, and tetanus clinic Wednesday, October 16, between 9 a.m. and 5 p.m. at the School Nurse's Office.

The Morton High School teachers of the week are Mrs. Elizabeth Leavitt and Mrs. Margaret Masten.

In her thirteenth year at Morton, Mrs. Leavitt teaches Algebra II, Bookkeeping, Analysis, Trigonometry, and Calculus. Her hobbies consist of glass and china collecting, book collecting, and reading.

A graduate of Texas Tech, Mrs. Leavitt received her masters degree from Eastern New Mexico University. She has also done post-graduate work at the University of Houston and the University of New Mexico.

Mrs. Leavitt has one daughter, Mrs. Carol Wheeler of Houston. She and her husband, J. N. Leavitt, reside at 201 East Pierce and attend the Church of Christ at S. W. 2nd and Taylor.

We help each other but I get the best deal: I help him during the summer months and he helps me during the school year. With what "spare" time I can make from around 11 p.m. until bedtime I read — magazines, newspapers, books, junk mail —

"Of course, other things fill time occasionally: sewing and re-finishing furniture. However, I do not consider these to be hobbies because I do not enjoy the process but rather the end product."

"I enjoy teaching high school students. They are full of energy but not necessarily the destructive type exemplified in news. Their facial expressions are varied and revealing. Each of my classes — English IV, English II, and Annual — has a personality of its own."

Mrs. Masten, the former Margaret Hodges, is herself a graduate of MHS. She received her degree from Texas Tech. She is the wife of a farmer, Donald Masten, and the mother of three children: Donnie, 8; Susan, 6; and David, 5. They live at 201 E. Filmore, and attend the Eastside Church of Christ.

Mrs. J. N. Leavitt

In her second year at MHS, Mrs. Masten teaches English II and IV and Annual. She made the following comments in our interview with her: "I'm always amused when people ask me what I do in my spare time. Since I teach, I must perform standard household duties at night, plus

Weaver gives speech at FHA initiation

"Individuality is important in a person. If you don't make your own decisions, someone will make them for you, and you may not like the result." This was the essence of the talk given by Mr. Fred Weaver, Morton High School principal, at the Future Homemakers of America installation ceremonies Tuesday night, October 1.

The FHA colors of red and white were carried out in the decorations. A table covered with a white linen tablecloth was in the front center of the room. The centerpiece of the table was made of red roses. In front of the centerpiece stood a red candle, and four white candles stood on either side. Each officer lighted a candle and recited a purpose of the FHA. Officers present were: President, Sandra Courtney; Second Vice President, Cindy Kuehler; Fourth Vice President, Geneva Turney; Fifth Vice President, Deloria Brown; Secretary, Evelyn Newman; and Parliamentarian, Ginger Davidson.

Girls who were initiated into the organization were: Deborah Whitehead, Nan Ray, Barbara Brown, DeAnn Ramsey, Gwendolyn Green, Nancy Courtney, Treva Jackson, and Sherry Candenead.

— Editorials — Strictly personal

This week has been a rather hectic and exciting one for Ye Editor. Our phone rang about 8:30 Thursday night and we heard our son's voice from California asking us to meet him at the municipal airport in Lubbock in "about three hours." This of course delighted us no end because we couldn't bear the idea of his going to the south pole for a 7-month tour of duty in the Coast Guard without us seeing him before his ship pulls out around the middle of the month. He had secured a four-day leave and was with us from Thursday until Monday afternoon.

We failed to arise early enough Tuesday morning to have breakfast with the Morton Industrial Foundation members but in a briefing shortly afterward was happy to learn that we are about to acquire a new and promising industry for Morton. We hope to be able to report substantial facts in this connection in the very near future.

We could have but didn't attend a meeting of the hospital board on Tuesday night which lasted, we are told, until about midnight. The reason for the prolonged meeting was the fact that, as has been rumored for several days, the board is on the verge of securing the services of one or more good doctors for the hospital here. No one knows the need for doctors for this area better than this dedicated board and let it be said here that we are elated at the present prospects. Competition is keen among towns of the size of Morton in the matter of securing doctors as well as securing new industry for the area. We also want to say that we are fortunate

in having such hardworking, dedicated men in our midst working day and night in our interests in regard to both projects just mentioned.

We are about to go to press with this week's issue of the Tribune but before we do we want to let you know that we spent Sunday afternoon at Gristown, USA and are preparing a story, complete with pictures, on what we learned while enjoying the afternoon there.

KiWaKi Horizon Club wins WoHeLo medal

On October 8th, at the Campfire Girls annual ceremonial, the KiWaKi Horizon Club received the coveted WoHeLo Medal, the highest award available to Campfire Girls. Only one other Campfire girl in Morton has earned and received this award and the KiWaKi Horizon Club is the first Campfire group in Morton to receive the high award.

Miss Jeannie McMinn, Club Historian, gave a brief history of the club's 10 years of activities and she named six girls who have been members of the club every since it organized in 1958. Those receiving 10 year membership pins were Karen Fred, daughter of Mr. and Mrs. Malcolm Fred; Janella Nebhut, daughter of Mr. and Mrs. Dexter Nebhut; Patsy Collins, daughter of Mr. and Mrs. F. J. Collins; Karen Rozell, daughter of Mr. and Mrs. Daniel Rozell; Carol Freeland, daughter of Mr. and Mrs. W. G. Freeland; and Jeannie McMinn, daughter of Mrs. Ruth Bass.

Miss McMinn named one girl who is a charter member of the group but due to the fact that she was inactive for a few years she received a seven year membership pin. She was Beverly Browne, daughter of Mr. and Mrs. Elzie Browne. Another girl, Rheda Brown, daughter of Mr. and Mrs. Ira Brown, who was a charter member but was inactive for several years, received a five year pin.

Two girls have belonged to the group only since they entered high school, therefore they received three year membership pins. They were Deborah Miller, daughter of Mr. and Mrs. Chester Miller and Charlotte Jones, daughter of Mr. and Mrs. Charles Jones.

The club expressed their thanks to the advisor Mrs. Daniel Rozell for leading them "up the Campfire trail" as she tried to teach them the true purpose of the Campfire program, which is to help prepare girls to be better women — better citizens in their community and of their nation — better wives and better mothers.

This will be the last year of activity for the club, as the girls are all Seniors of Morton High School.

1936 Study Club meets in home of M. C. Ledbetter

The 1936 Study Club met October 2, 1968 in the home of Mrs. M. C. Ledbetter for a program on Americanism.

Mrs. L. F. Hargrove opened the meeting with a scripture reading after which Mrs. Glenn Thompson led the members in the pledge of allegiance to the flag.

The girls sextet from the high school choir sang "God Bless America," "This Land Was Made for You and Me," and "This is My Country." The sextet was composed of the Misses Donna Williams, Vivian McDaniel, Rheda Jane Brown, Peggy Thomas, Ruthie Smith, and Debra Miller. They were accompanied by Karen Rozell and directed by Mrs. Rex Mauldin.

Mrs. Neal Rose introduced the winners of the Essay Contest sponsored by the 1936 Club, and Mrs. Lloyd Miller presented awards to Curtis Griffith, the winner in the high school division and LaNita Davis the Junior High winner. Each of them read the winning essays on "What Americanism Means to Me."

Mrs. Joe Nicewarner gave a short talk on the "Tired American" which enumerated many of the faults, failures, criticisms and false accusations against our country of which most of us are "tired."

The Program closed on a very encouraging note when J. Wayne McDermott spoke for the youth of our land on his ideas of "Why Are We Here and What Are Our Responsibilities to Society."

He spoke of youths responsibilities to their parents, to love, understand and to help; to their school; to take advantage of the opportunities offered and to develop their potentialities; to their Religion; to take an active part in their church and live by the principles of their heritage; and last, to their Government; to participate in it's operation, respect its laws, love and defend it. Following the program Mrs. Miller presided over a short business meeting where Mrs. Joe Gipson gave a report from the "Friends of the Library" and members were reminded of the Board meeting in Friona on October 19 and the Federation Workshop on November 2 in Morton.

Others present for the meeting were:

GETTING OUT... *the* Vote

Mrs. Jones is active in all types of community work. She is active in politics at the local level. From a list of voters at her elbow she telephones to see if any local residents need the services of the various car pools. Because of this service many who could not otherwise do so, get to the polls and vote.

But more than this, Mrs. Jones is a friend and servant of God. She supports her church and its services because she knows it is the center of all that is good and worthwhile in the Community. It is a place where the souls of men are uplifted and saved.

We, ourselves, would do well to emulate Mrs. Jones. May we urge that you, also, not only vote, but help get out the vote — that you not only attend church, but support it actively with your service.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Mrs. M. A. Silvers, treasurer, gave a financial report. The club members voted to sponsor a booth at the Halloween Carnival and the president appointed Mrs. James McClure, Mrs. L. J. Wallace and Mrs. Eddie Irwin to assist the finance committee in setting up the booth. The club also voted to sponsor a games night to be held in the Activity Building on Oct. 12th. Proceeds from the game night will be divided between the Salvation Army, March of Dimes, Heart and Cancer Funds.

Lions club sponsors area inoculation clinic

The Morton Lions Club is sponsoring a FREE measles, diphtheria, and tetanus inoculation clinic for pre-school, kindergarten, headstart, nursery, and all children up to and including 12 years of age, to protect them against regular measles — called hard, red, old fashioned, or 7-day measles. This same service for diphtheria and tetanus will be offered to adults and all others who may need the immunization. Measles epidemics can be avoided if unprotected children, especially pre-schoolers and those attending school, are properly immunized. Children who have previously had measles or measles vaccine are already protected and do not need vaccination.

Whiteface School News

by GWIN

The Junior and Senior FHA girls left Friday morning, October 4, for the State Fair in Dallas. After arriving in Dallas, they went to a restaurant and a movie called "The Odd Couple". The next day, they spent the whole day at the State Fair. The girls saw Marilyn Cade model in the State 4-H Dress Revue at the Fair in the Women's Building. We were extremely proud when Marilyn placed second in the All-Cotton Division. Everyone reported that it was a very tiring, but wonderful day. They returned to Whiteface at 6:15 p.m. Sunday. The sponsors were; Miss Bourland, the Home Economics teacher, Mrs. A. W. Cade, Mrs. Buddy Burris, and Ms. C. O. Caffy, h Buddy Burris, and Mrs. C. O. Caffey, the Chapter Mothers. The bus driver was Don Price. The girls felt the sponsors and bus driver were wonderful and they appreciated all they put up with. They would like to thank everyone for a great trip.

Thursday, October 3, the old gym rocked to the cries of the Whiteface Antelopes for a victory. The pep rally was held a day early because the Senior and Junior girls were leaving on Friday for the state fair. The captains of the football team, Wayne Legan and Dale Burris, told of the hard work put out by the whole team since football season began and the spirit each boy had developed. Then Coach Reid gave a rousing speech about this year's season. Mr. Bond, played several marches and then the school song was sung by students body.

Last Friday at Lazbuddie, the WHS Antelopes tasted a bitter defeat to the Longhorns. The score was 34-14, but the Antelopes fought to the last second of the game. The Antelopes made 8 complete passes out of 17 attempts. A total of

126 yards were made by Dale Burris's passing. Mike Teer intercepted the ball and made a touchdown. Mike later made another touchdown. Douglas Barry made 82 yards on 8 carries. Rick Swinney made 172 yards on 32 carries. Although they were defeated, these boys put their best foot out and played a great game.

There will be a Junior High Football game, Thursday, October 10, at Sundown at 5:30 p.m. A "B" team game will also be played Thursday October 10 at 6:30 p.m. at Sundown. The Whiteface Antelopes will journey to Tatum on Friday, October 11. They will play the Coyotes at 7:30 p.m. MDT.

The Senior class will be selling mums for the Homecoming game, November 2. They will start taking orders two weeks before the game.
