Indians capture consolation crown in Caprock basketball tournament

consolation championship of the Caprock cage tourney held in Lubbock last week end, by downing Lubbock Christian, 59-58.

The Indians dropped a 78-60 decision to Stanton in the tournament's first round, but bounced back to nail Lorenzo, 68-52, to put them in the consolation finals.

Morton fired in 14 points in the final period to overcome LCHS. Indians trailed 50-45 going into the fourth quarter, but a well-balanced scoring attack salted away the victory. Four Morton starters hit in double figures, led by sophomore M. C. Collins with 16 tallies. Bryon Willis hit 13, Terry Harvey 11 and Stan Coffman 10.

Stanton knocked off the Indians for the third time this season in the first round. The winners jumped to a 23-11 first period lead and were out in front 35-24 at the half. A big third quarter gave Stanton a 62-38 bulge going into the final stanza. Willis led the Morton scoring with 13, while Thompson added 12. Coffman and Harvey had ten apiece.

Formal dedication of Morton post office delayed by equipment

Formal public opening of Morton's new post office building has been delayed by slow shipment of some ten items of equipment, Murray Crone, postmaster, reported

As soon as the equipment is received, a formal dedication date will be set by the regional post office.

Postmaster Crone also praised Morton citizens for their cooperation during the Christmas mailing rush. Most post office patrons mailed early, thereby spreading the normal holiday pile-up of mail over about a 30-day period.

Outgoing mail hit its peak on Monday, December 16, while incoming mail peaked between Tuesday, December 18, and Saturday, December 21. However, by December 23, the post office was caught up. More space and equipment in the new postal facilities, plus the fine cooperation of Morton citizens meant that the local post office used only substitute personnel and part-time boys in addition to regular employees to handle this year's holiday

Myrtle Ray retires from city hall job

Mrs. Myrtle Ray, employed at the Morton City Hall for the past 19 years, retired on December 31. She was honored by city employees on that date, and presented a remembrance.

Mrs. Ray, who lives with her husband, R. T. Ray, at 104 E. Hayes, came to Morton in the early 1940's, and was employed at the First State Bank until 1950, when she went to work for the city.

For the New Year

This I would like to be: braver and bolder, Just a bit wiser because I am older,

Just a bit kinder to those I meet, Just a bit manlier taking defeat.

This I would like to be: Just a bit finer, More of a smiler and less of a whiner,

Just a bit quicker to stretch out my hand

Helping another who's struggling to stand.

This I would like to be: Just a bit truer, Less of the wisher and more of the doer,

Broader and bigger, more willing to give,

Living, and helping my neighbor to live.

This for the New Year my wish and plea; Lord, make a regular man out of me.

Mr. and Mrs. G. O. Lyon of 203 S. W. 5th Street Morton, wish to announce the marriage of their daughter, Wilma Jean, to James Jackson of Sundown.

Happy New Year! I sure hope you all passed old 1968 out safely and didn't get into any trouble! It's that time of year when everyone is thinking about what resolutions to make, and usually to break. It's sad that most of us start out the New Year with a bunch of lies, isn't it? And if you're wondering about the connection of all this—that's exactly the reason I haven't made any New Year's resolutions and don't plan to, because I'd just break them and make a liar out of myself.

Well, I missed y'all last week, didn't I? But seeing as how there wasn't even a "Tribune", I guess I'll be forgiven. I hope everyone has as nice a Christmas as I did! The only thing wrong with my holiday was that it was over by the 22nd. My brother and I always get a little anxious for Santa to come, so we rushed Christmas a couple of days.

School let out Friday, December 20, at 2:30 after a program in which performances were given by the Junior High Band and Choir, and the High School Band and Choir, (The holidays were spoiled only by the fact that they ended today!" That same day, the winner of the Student Council sponsored door decoration contest was announced to be the senior door, decorated by a committee of Carl Freeland, Deborah Miller, and myself. The senior class received a \$10 prize for the door. Judges of the contest were Mrs. Deryl Bennett and Mrs. Fred Weaver. Second and third place doors were also selected, receiving \$7.50 and \$5.00 respectively. Winning second was the door decorated by the National Honor Society, and third was decorated by the Pep Squad. I thought the contest was rather unique this year in that there was not one badly decorated door-they were all really pretty.

The holidays passed rather quietly after they finally got started. That is until the day after Christmas when the varsity basketball played their first game in the annual Caprock Tournament in Lubbock. This game was played against Stanton, but unfortunately the Indians got behind early in the game and lost to the Buffalos by a score of 78 to 60. The following day, the Indians battled Lorenzo and came out on top in a 68 to 52 score. Saturday, Morton earned the consolation trophy by defeating Lubbock Christian by one point, 59 to 58

The Indians' next game is tomorrow night here with Seminole. Then Saturday night, the team will be travelling to Brownfield. District play starts January 17 with a game against Denver City. Everyone go to as many of the ballgames as possible, because we're really backing the

team this year to win district!

Monday night, Dcember 23, Sharon Irwin and Jerry Steed gave a Christmas party in Sharons' home. The guests enjoyed playing games and, of course, eating. Punch, cookies, candy, cupcakes, and chips'n dip made up the buffet. Each of the guests received a present from "Santa" during the party. About 15 kids came

ta" during the party. About 15 kids came.

A lot of MHS exes were back in town over the holidays. It was good to have everyone home again. I just thought I'd throw that in to let them know that they're still welcome, even if they do hate to come back after seeing "greener pasturs." Well now, I guess I've rambled on enough for this week, Please take it easy and stay happy! See you next week!

AFTER THE PARTY IS OVER

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

©Coleman Adv. Ser.,

Have you ever felt like this little girl after a big, exciting day at the Fair, or a party? You know how you feel — excited, exhausted; but you feel good, too. Sometimes you just want to lie down and think about it. But like the little one in this picture you, also, are too tired to remove your party hat or your shoes.

Sometimes it is delightful just to lie down and think of something good and wonderful and happy. It is good just to be still and sort of day-dream about what has happened.

There are other times in our lives when we need to achieve a sense of quietness and think of God. The Psalmist says, "Commune with your own heart upon your bed and be still." Psalm 4:4. God says in Psalms 46:10 "Be still and know that I am God."

We invite you to attend church and sense the still, quiet holiness that is God's presence in the midst of the congregation.
