

Cochran County students voice opinions on school consolidation plan

In view of the recent publicity on the possibility of consolidating the three Cochran County schools into one, the Tribune last week surveyed a number of high school students in Morton, Whiteface and Bledsoe. Their answers to the question, "Would you favor the Governor's committee's recommended plan on consolidating the Cochran County schools?" are very interesting, and the Tribune is printing them in full.

Morton High School

I think this is a good idea overall, because it would make the school bigger and in many ways it could make it better.

I think it would be good.

I don't like the idea because the taxes will go up.

It is a good idea.

It is a real good idea, because in a bigger school you would have a better school system and you would have the advantage of learning more.

I'm for it.

I think it would be okay.

It would help school spirit and probably end school as rivals. With more students, there would be more to do — more activities.

I do not think it is a good idea, because the school name and colors would be changed, and the students would have to change to a larger school. There would be a lot of argument between all the different schools on these subjects for sure.

I think it is a good idea, and there will be some advantages and some disadvantages.

I don't care what they do.

If, after consolidation, it was decided to have the schools in the county come here, I wouldn't mind. However, if I had to go somewhere else, I would definitely be against consolidation.

I do not agree with it.

I think it is a bad idea because kids would have to go too far to school. Some people would have to get up too early and get home too late.

I think it is bad.

I think it is a very good idea. A student could get a much better education in many different fields.

I do not think School Consolidation is a good idea unless they put the school in the middle of the county. That way no school will have to drive farther than the other. Otherwise I think it is a good idea, because the students will be able to meet more people and learn more.

I think it ought to go through.

I think it is dumb. If the schools are consolidated, there will be more people and less individual attention to each student.

I think it is a good idea.

I think this is a good idea. I feel this would help the students of very small schools get a better education in more fields. But, what about all of these new and old buildings?

I hate it.

I am in favor of school consolidation, because consolidation would, no doubt, raise the academic standards of most high schools. Schools would be able to obtain the best qualified instructors.

I guess it is up to them to decide.

We should consolidate so that all the schools would be at one place and the money could go for better buildings and better teachers. The students would be better educated if this happened, instead of the money being divided into small portions and given to several different schools where there are very few students.

I do not think it would be a good idea. Some of the smaller schools would pull down the school that was consolidated with.

I feel that this act is good. There are

many schools that have very few high school students so they have a limited amount of subjects to choose from, which isn't really fair to the students. But also on the other hand, many students will have to travel a further distance.

I am against school consolidation because it will cost the rural areas an enormous amount of money and the counties that are not affected will still get to vote on the question, but they won't have to pay the taxes if it passes. Also, I haven't heard any really good reasons why we should consolidate. Some people say that large schools make smarter kids. I don't believe it. Kids in larger schools specialize more and don't get the well-rounded education that small-school kids get. Also, we would probably build another

Morton Tribune

Volume 28 — Number 50

Morton, Texas, Thursday, January 23, 1969

New editor-publisher for Tribune announced

A new editor and publisher of the Morton Tribune assumed his duties here Monday.

The Sayers family consists of his wife, Jean, daughter Cynthia, 20, and sons Chip, 10 and Chad, four.

Cynthia is married to Ed Hester Jr. of Haskell who is presently undergoing Army training at Fort Ord, California.

The family will move to Morton on Feb. 1 and will reside at 706 E. Grant. "As soon as I have my feet on the ground and become thoroughly familiar with the town, I plan to either build or buy a home. Until then we will be renting the Charles Jones home," Sayers said.

"He is thoroughly familiar with West Texas and West Texans and is capable of giving Morton the type of news coverage that it deserves," Gene Snyder, former publisher and owner, stated.

"The Tribune has been an award-winning newspaper on the national level in the past and I fully intend that it will be again in the future, and I don't intend that it be too long before we assume that stature again," Sayers said.

"I looked this town over carefully before deciding to invest my time and money here and I see a bright future for Morton. I feel that a progressively oriented and aggressive newspaper can contribute substantially to that bright future and the Tribune will be fully dedicated to this purpose," he continued.

"You have only to look around you to see that Morton is a forward-looking town. New courthouse, new schools, new post office, new hospital wing, new additions to some of the churches, etc. all give a fine first impression to the newcomer.

"Though I understand that the town has had a year or two of rough sledding, the prospect of a large feed lot and other business and industry casts a bright light for the future," the new publisher said.

An "old hand" in the news business, Sayers has been associated with some outstandingly successful news media.

While serving as editor of the Littlefield Leader-News, the newspaper received four outstanding awards from the Texas Press Association in competition with other newspapers throughout the state and two outstanding awards from the West Texas Press Association.

Included in these was the award for over all excellence for a newspaper in its class in the entire state, which is tantamount to being named the best newspaper in its class in the state.

Other news media positions held by Sayers include a year as reporter for the Lubbock Avalanche Journal and local news editor for Radio Station KSEL in Lubbock.

He was managing editor of the Jennings Daily News of Jennings, Louisiana and served as wire service editor with the Midland, Texas Reporter Telegram for approximately two years.

A retired Air Force Major, Sayers served for approximately 15 years as an information services officer specializing in community relations linking the Air Force with the civilian public.

His last assignment before retirement was in the San Francisco bay area where

he dealt daily in information services to all news media in the city.

The Sayers family consists of his wife, Jean, daughter Cynthia, 20, and sons Chip, 10 and Chad, four.

Cynthia is married to Ed Hester Jr. of Haskell who is presently undergoing Army training at Fort Ord, California.

The family will move to Morton on Feb. 1 and will reside at 706 E. Grant. "As soon as I have my feet on the ground and become thoroughly familiar with the town, I plan to either build or buy a home. Until then we will be renting the Charles Jones home," Sayers said.

Farm labor shortage gets Morton Chamber panel eye

The acute shortage of farm labor was the main item on the agenda at the Morton Chamber of Commerce Board of Directors meeting held Tuesday morning.

"If something isn't done, and done quickly, to solve the farm labor shortage in this area, there will be a good many farms that will get no water this year," is the way Leon Kesler, Chamber manager, puts it.

His point is the fact that the workers are needed now to help with the pre-planting irrigation which there are just not enough hands to accomplish.

The issue under discussion is not strictly temporary, but a year-round need, Chamber board members agree. The additional labor is needed for all phases of the crop raising cycle.

In discussing methods to obtain the needed labor, the consensus arrived at was a temporary visa program. "We know the Bracero program is gone beyond recall," Kesler said, "so we have decided to try for the temporary visa method."

The board voted in support of a group of chamber members from Brownfield who were to bring the issue before the West Texas Chamber of Commerce meeting in Kerrville today.

"We will make phone calls or send telegrams or whatever is necessary to back up the Brownfield group," Kesler stated.

He also said that the Plains Cotton Growers and the Production Credit Association was reportedly working with the Chamber of Commerce at the state level on a year-round farm labor program.

Bob Travis, superintendent of the Morton School District, met with the Chamber board to present the Governor's Com-

mittee Report on School Redistricting in Texas.

Travis reviewed the redistricting proposal and explained to the board members how its various aspects would effect the county.

No stand or comment on the proposal was made by the board.

The feasibility of a monthly "Trade Day," much on the same lines as past "Dollar Day" promotions, came in for lengthy discussion.

No action was taken on the proposal at the meeting. The proposal was referred back to the Retail Committee for further study and recommendations.

The consensus of the board appeared to be that if the merchants accept the idea and want the program, the Chamber will probably agree to sponsor it, Kesler said.

Two receive dangerous drug possession charge

Two charges of illegal possession of a dangerous drug resulted in one fine and jail sentence and one plea of not guilty in county court here Tuesday.

Leonard Westerman, of Crossroads, N.M., pled guilty and was fined \$500 and sentenced to 30 days in jail by County Judge J. A. Love.

Robert Edwards, 30, also of Crossroads, N.M., entered a plea of not guilty and Judge Love set bond at \$800.

Charges were filed against the two with County Attorney James K. Walker by Morton Police Chief Charley Ellis at approximately 1 p.m. Tuesday.

The two men had been arrested by city police earlier in the day on a lesser charge and the illegal drug possession was discovered during a routine search.

The drugs were rushed to Lubbock for analysis by Ellis and the more serious charge was leveled at the two men after their classification as dangerous drugs.

"There is more of this type drug traffic going on in the area than we intend to tolerate and this is a positive step forward to put a stop to it," the police chief stated to the Tribune.

Edwards had failed to post bond by late Wednesday and was still in custody.

Special services scheduled

The Assembly of God Church will hold special services Saturday and Sunday, January 25 and 26. Special speakers will be Rev. and Mrs. Wilbur Stanley from Fort Worth. Along with the special speakers will be special singing.

New publisher and family . . .

A NEW EDITOR and publisher for the Tribune arrived in Morton and took over operation of the paper Monday. Bill Sayers, formerly editor of the Littlefield News and Leader, is shown here with members of his family. In order from him left to right are William (Chip), 10, Chad, 4, his wife Jean and the family poodle Brandywine. Not shown is daughter Cynthia, 20.

Resignations, April election school board agenda items

Teacher resignations and the setting of a date for the school board election were the main topics at the regular monthly meeting of the Morton school board Monday night.

Resigning from teaching positions in the Morton school system were Mrs. Lula M. Blandford and Mrs. Kay Holland. Mrs. Blandford taught in the special education department and Mrs. Holland was a teacher of third grade.

Mrs. Wanda J. Sanders was added to the teaching staff to take the position vacated by the resignation of Mrs. Holland.

April 5 was the date set for the school board election.

There will be three board positions to fill. Two of these will be for the regular three year term and the other for a period of one year.

Regular board members whose terms will be expiring at that time are L. T. Lemons and board president Henry Williams. The special term of John L. Fin-cannon, who was appointed to complete an unexpired term, will also come to an end and the one year term will go to his successor.

There has been no indication by any of the incumbents whether or not they will run for re-election, Bob Travis, Morton school superintendent said.

A written draft of a comprehensive free

lunch policy was discussed at some length by the board and a motion to adopt the policy was approved.

The Governor's Committee Report on Redistricting of Texas Schools was presented to the board by Superintendent Travis and discussed at some length. No action was taken by the board on the matter and no approval or disapproval was voiced by any member.

In a later conversation with Tribune personnel, Superintendent Travis did term the financing aspect of the proposal "totally unrealistic." Present tax assessing methods and those contained in the proposal would create a difference of many millions of dollars in the Morton district alone, Travis stated.

Payment of bills for the month of December in the amount of \$48,984.98 were approved by the board.

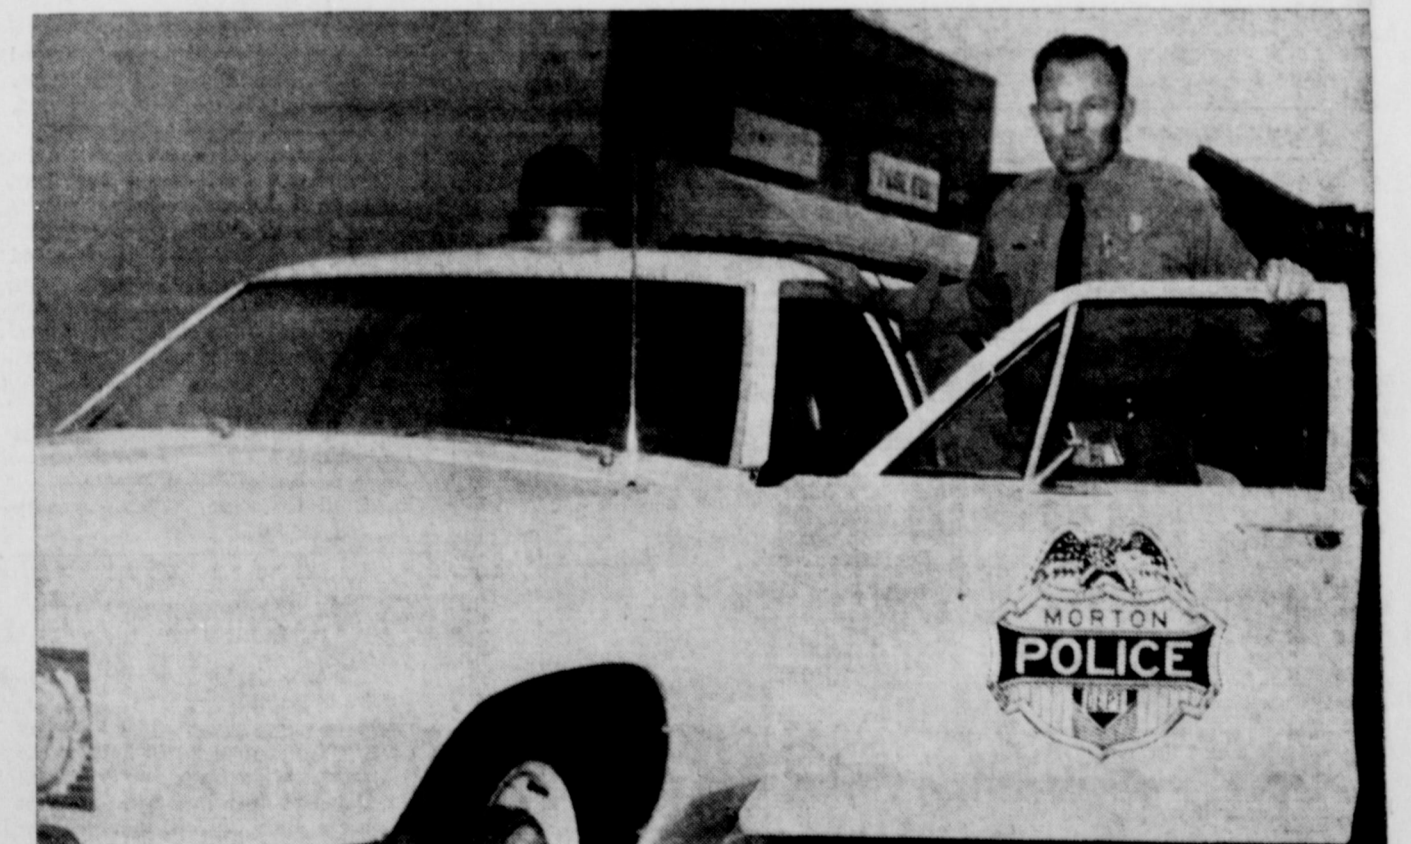

Travis advised the board members that the schools are in need of 28 new typewriters for student training. The present machines — 23 manual and five electrical models — are dilapidated and the cost of servicing them is becoming prohibitive.

The board discussed the possibilities of purchasing all new machines and then trading them on new ones every two years to cut down on the exchange cost. No action was taken.

County officials attend Lubbock juvenile meet

Several local county officials are planning to attend a Juvenile Procedure Workshop to be held at the Lubbock-Plains Co-Op Mill in Lubbock, beginning at 9:30 a.m. today. The all-day affair is sponsored by the Texas State Extension Service.

The workshop, requested by the county Judges to the TSES, is primarily to be used in an effort to help law enforcement officials by giving them the latest procedures and methods of handling juvenile delinquents.

1936 Study Club holds meeting in Fields home

The 1936 Study Club met Wednesday, January 15, in the home of Mrs. Cyrus Fields. Mrs. John Crowder presided in the absence of Mrs. Lloyd Miller, president. Mrs. Joe Nicewarner read the scripture for the day from Psalms 8:4-6 and Mrs. Gage Knox led the club in repeating the club collect.

After each member had answered roll call with her impression of the Hemisfair, Mrs. Joe Gibson led the group in the Pledge of Allegiance to the Texas Flag. Theme for the program was "A Time for Texas" and Mrs. M. C. Ledbetter spoke of the life and works of J. Frank Dobie, Texas' most outstanding writer and teacher.

Dobie's reputation was a result of his championship of the traditions of the Texas past - his readers loved him because he spoke to them understandingly of their

own childhoods and the symbols of their land.

He could be described as he did the coyote, the longhorn, and the mustang, as a "noble creature, with a proud and independent spirit and a fierce love of freedom."

Present for the meeting were also: Mesdames D. E. Benham, B. H. Tucker, Glenn Thompson, Luke Hargrove, Neal Rose, Leslye Silvers, W. W. Smith, and W. C. Benham.

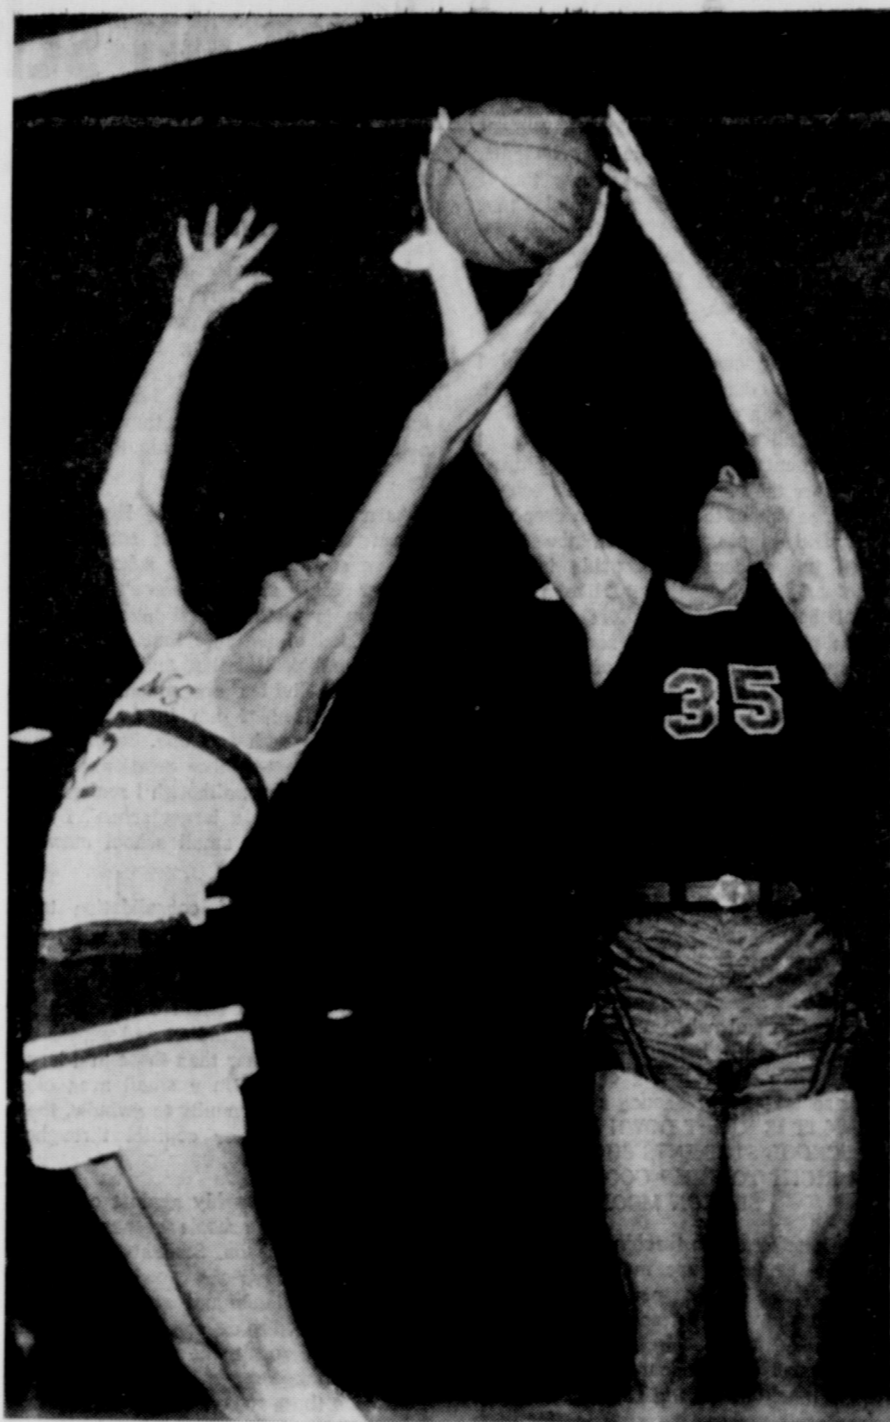

Mrs. Willie Mae Fred's services held here

Services for Mrs. Willie Mae Fred, 74, were held at 2:00 p.m. Friday, January 17, in the First Methodist Church of Morton with Rev. Bob Evans officiating. Mrs. Fred died January 15 at 8:05 a.m. in Cochran Memorial Hospital. Burial was in Resthaven Memorial Park in Lubbock.

She was a native of Dalton, Georgia, and had resided in Hockley County before moving here in 1942. Mrs. Fred was a member of the First Methodist Church and was also a member of Rebecca Lodge No. 37.

Survivors include: her husband, F. L. Fred; four sons, D. C. and N.V. both of Levelland, and M. M. and R. D. both of Morton; three daughters, Mrs. A. W. Roberts of Santa Barbara, California, Mrs. Raymond Chadderdon of Monroe, Louisiana, and Mrs. Curtis Sealey of Morton; three sisters, Mrs. A. B. Calwell of Abernathy, Mrs. Charlie Spence of Floydada, and Mrs. Maude Fortson of San Angelo; one brother, John Lollar of Ballinger; 24 grandchildren and 3 great-grandchildren.

The possum, so well identified in the south, has been moving northward and has been found as far away as New Hampshire.

Arching for a rebound . . .

MORTON INDIAN Byron Willis (35) and Denver City's Doug Hubbard leap for a rebound in Morton-Denver City cage clash last Friday. Indians dropped their initial district contest to the Mustangs, 75-53.

Morton Indians shoot down Antelopes in Tuesday game

Morton's fighting Indians bounced back from last Friday's trouncing by the Mus-

tangs of Denver City to shoot down the hapless Post Antelopes, 81-34, at Post Tuesday night.

The victory for the Indians left Coach Ted Whillock's crew with a 1-1 district mark, tied for third place behind Denver City and Idalou, who hold 2-0 district marks. Morton will go after its second conference win Friday as the Tahoka Bulldogs invade Indian gym. Game time for the B game is 6:30. Tuesday Morton travels to Frenship.

Post's 2-12 record seemed of no importance through the first 10 minutes of play as the Indians held a slim 17-13 lead after one period. Senior Byron Willis helped stretch the Indian lead to 12 at half-time by dumping in 14 points during the second quarter. Willis paced the hot-shooting Indians with 33 points.

Morton's shooting percentage was twice as good at Post as it was at Denver City last Friday. The Indians hit only 24 percent the first half in losing to D.C., 74-53. In contrast, the Tribe hit 60 per cent during the second half against the Antelopes Tuesday night, and 54.8 percent for the game. Senior guard Wayne Thompson helped pad the percentage with timely steals and layups. Thompson tallied 17 points in the game, 12 in the final period.

Jumping George Pritchett helped the Morton "B" team overcome a ragged first half and come from behind to stop the Post "B" squad, 61-54. Trailing 29-17, the Indians fought back during the third period as Pritchett dumped in 12 and the Indians took a 41-40 lead. Pritchett had 15, and Eddie Lewis, 11 for the game.

Morton's 74-53 loss to Denver City was played before a good crowd at Denver City and before a large following of Indian fans. Terry Harvey hit 15 for the Indians in the game.

The Mustang attack was centered around the hot shooting of Richard Cox, who hit 21 points, Ralph Russel, 20, and Jim McKee, 19. Denver City hit 52 per cent from the field in the win.

Eddie Lewis scored 24 points in a losing cause for Morton as the "B" team fell to the Mustangs, 68-51.

ASCS Farm News

By John W. Hall

As required by law, ASCS must report to the Internal Revenue Service all program payments made to you during 1968 under ACP, cotton, feed grain, wheat, sugar, and other direct payment programs. This report will include payments made directly to you, to your assignee, and to U. S. Government agencies for any debt owed by you. It will not include commodity loans, commodity purchases, resale storage payments, or ACP cost-share payments to a vendor on a purchase order.

As an additional service, you will receive a notice of the amount reported. This notice will be prepared on Form CCC-182 and will be mailed during the last two weeks of January. You may also receive a supplemental report on Form CCC-182-1. This supplemental report will include additional program payments, if any, which were not included on Form CCC-182 but which will be included in the report to IRS.

When you receive one or both of these notices, we suggest that you carefully read the explanation on the form and check the total against your records to see that the amount reported is correct. If you find that the amount is not correct, or if you have any questions regarding the form, you should contact the county ASCS office from which the payment was received.

We appreciate the opportunity to be of

service to you during the past year. We also hope this report of program payments will be of assistance to you in the preparation of your income tax return.

Resident's father's rites to be in Lamesa

E. Vandivere, 84, Dawson County resident since 1924, died in Medical Arts Hospital Tuesday afternoon of injuries suffered in a two-car collision in Lamesa Thursday.

Funeral services will be conducted at 2:00 p.m. today in the Lamesa Church of the Nazarene with the pastor, Rev. J. R. Smith, and the Rev. Roy McCoy, pastor of O'Donnell Church of the Nazarene officiating. Burial will be in Lamesa Memorial Park directed by Branon-Phillips Funeral Home.

Survivors include five daughters, Mrs. C. H. Herman and Mrs. Paul Jones, both of Lamesa, Mrs. C. L. Greenlee of O'Donnell, Mrs. Harold Faith of Lubbock, and Mrs. W. T. Gant of Morton; two sons, Allen Vandivere of O'Donnell and Clyde Vandivere of Farmington, N.M.; a brother, Charles Vandivere of Amarillo; 24 grandchildren and 38 great-grandchildren.

Local woman's mother succumbs in Lubbock

Services were held Sunday in Lamesa for Mrs. Faye Love, 69, who died Saturday in a Lubbock hospital. Services were held at 4:00 p.m. in the First Baptist Church in Lamesa with Dr. George Worrell, pastor, Rev. Jesse Castle of Cisco, and Rev. Paris Barton of Wink officiating.

Burial was in Lamesa Memorial Park under the direction of Branon-Phillips Funeral Home.

Mrs. Love had lived in Dawson County since 1917. She was a native of Hamilton County and a member of the First Baptist Church.

Survivors include a daughter, Mrs. J. L. Schooler of Morton; a son, W. E., Jr. of Lamesa; three sisters, Mrs. J. A. Henson and Mrs. R. S. Stanfield, both of Lamesa, and Mrs. J. H. Ragsdale of Corpus Christi; two brothers, Ross Gibson and Clyde Gibson, both of Lamesa, and four grandchildren.

Whiteface Study Club meets in Gilstown

The Whiteface Study Club met Thursday, January 16 at 7:30 p.m. at Gilstown.

Following a business meeting Marshall Cooper brought an informative and interesting program to the club. Mr. Cooper spoke of life at Gilstown, some problems they have each day, some of their accomplishments and some future plans for Gilstown.

After the program Mrs. Marshall Cooper served pie, coffee and cakes to the following club members: Mesdames Vern Beebe, Darwood Marshall, J. W. Smith, Elmer Evans, DeWayne Smith, Lester Dupler, Billy Wall, S. J. Bills, Carroll Lanier, Eli Casey, Marvin Lassater, John Fietz, Royce Elam and Louise Lucas.

INCREASE HOME VALUE

Central air conditioning not only provides comfort but adds to the resale value of a home. In many instances, air conditioning systems can be added to existing warm air LP-gas central heating equipment.

Rev. James Nelson a missionary on the Indian reservation at Shiprock, N.M. was the guest speaker Sunday night at the Enochs Baptist church. Others attending church Sunday night were Rev. Nelsons daughters, Mr. and Mrs. Syl Allred of Plainview, and Helen Nelson of Shiprock.

News from Threeway

by MRS. H. W. GARVIN

The Three Way Junior High basketball teams went to Anton Monday to play ball. Both boys and girls won their games. Tuesday night the Three Way Senior High School basketball teams played Whiteface at Whiteface. The Three Way B team boys won their game but both A boys team and girls lost their games. Friday night Three Way played Pop on the Three Way court with both Three Way boys teams winning their games and the girls losing to Pop.

Mr. and Mrs. L. E. Warren spent last weekend visiting her mother and sister in Fort Worth.

Mr. and Mrs. Tommy Wal and daughter spent Sunday with her parents, the W. L. Welches.

Mrs. James Gillentine and boys from Littlefield visited her parents, the H. W. Garvins, Saturday.

Mrs. R. L. Reeves is a patient in Cochran Memorial Hospital in Morton.

Mr. and Mrs. Carol Fort are visiting in Amarillo and Wheeler with relatives and are going to Shaddock, Oklahoma on business.

Mr. and Mrs. Jo'annie Wheeler left Sunday for Paris to visit their son, the Joe Wheelers. Wheeler will return home but Mrs. Wheeler will stay a few days to help the Joe Wheelers.

Mr. and Mrs. Buck Tyson and boys and Mr. and Mrs. Troy Tyson and daughter all from Morton, were dinner guests in the home of their parents, the George Tysons Sunday.

Mr. and Mrs. George Tyson received word their son-in-law M/Sergeant Wendell Price who has been stationed in the Pentagon in Washington, D. C. has moved his family back to Denison, their home, and will leave January 21 for Vietnam. Price has been in the Air Force for 18 years.

The six month old baby of the Domingo Divilas was dead on arrival at Cochran Memorial Hospital Sunday morning.

Mrs. Raymond Hanna is a patient in Amherst Hospital.

Ensign West enters graduate program

Ensign Thomas B. West, son of Cdr. and Mrs. Ira B. West of Box 332, Morton, Tex., is a member of the first class admitted to a new graduate program at the University of West Florida here. He is a graduate of the U.S. Naval Academy.

The curriculum, which will lead to a master of science degree in aeronautical systems, was designed by the university at the request of the U.S. Naval Air Training Command headquartered in Pensacola, and is believed to be the only such program in the nation.

Goal of the program is to increase the number and quality of men capable of mastering the increasingly complex and sophisticated aircraft now being produced and planned for the future.

Dr. Alfred B. Cmet, provost of UWF's Gamma College which will offer the program, said "we expect to produce graduates who can understand aviation-related problems ranging from aerodynamics to international relations, from physiology to a systems approach to navigation, from meteorology to management through a systems approach."

All 33 students entering the four-quarter program this term hold commissions in the U.S. Navy or Marine Corps and also are participating in the Navy flight program.

The University of West Florida, which opened its doors in the fall of 1967, is an upper-division university for students on the junior, senior, and graduate levels. A part of the State University System of Florida, UWF is located on a wooded 1,000 acre campus 10 miles north of Pensacola.

Airman Eddie Bedwell completes basic

Airman Eddie G. Bedwell, son of Mr. and Mrs. Warner E. Bedwell, 704 E. Lincoln, Morton, has completed basic training at Lackland AFB, Tex. He has been assigned to Lowry AFB, Colo., for training in the field of photography. Airman Bedwell was graduated in 1967 from Morton High School and attended South Plains College in Levelland.

Mrs. George Trejo of 213 S.W. 7th Street in Morton was the winner of the 5th place prize in the Oldsmobile Sweepstakes Contest. She selected as her prize, an instamatic camera.

Federated Clubs select Mrs. Ronald Coleman 'Mother of Year'

Mrs. Ronald Coleman has been selected as Mother of the Year by the Area Council of Federated Women's Clubs.

Judy Coleman was born in Jones County, and moved with her family to Cochran County in 1941. She is the third of four daughters of Mr. and Mrs. Vernon Blackley of Morton and has lived in the Morton area most of her life, having attended Morton schools.

She is a charter member of the Emlea Smith Junior Study Club which was organized in 1963. In the organization she has served as International Affairs Chairman, Second Vice-President, and Chairman of Membership Committee. She has also served on such fund raising committees as bake sales, rummage sales, concession stands, and the annual Halloween Carnival. Mrs. Coleman is currently serving as Chairman of the Home Life Division.

She married Ronald Coleman, son of Rev. and Mrs. A. R. Coleman January 19, 1957. They are the parents of four children, Randy, age 11, Rusti, age 8, Sandy, age 7, and Stephanie, age 5. The family resides on a farm southwest of Morton where she and Ronald are engaged in farming.

Much of the family's activities are centered around farm life. Her older children are members of 4-H and the 4-H Riding Club. The whole family enjoys horseback riding.

The family is also active in the First Baptist Church. Mrs. Coleman teaches eleven year old girls in the Junior Department and also teaches each year in their Vacation Church School. She takes part in her children's school activities and is an assistant leader of the third-grade Bluebird Group. She helps with all school parties, sometimes helping with three in one day. In addition to her children's parties she has assisted with the party for the Special Education Classes.

Adding to her family and club activities she is Vice President of the newly formed Frontier Cotton Council.

Family activities include attending Minor League and Little League games. Randy is a Little League player and her husband coaches a Little League team. Judy helped in the Little League concession stand. The whole family enjoys spectator sports and are avid snow-ski enthusiasts.

Mrs. Gary Willingham

Photo by Design Studio

Mrs. Gary Willingham named Jr. Clubwoman of the Year

The Area Council of Federated Women's Clubs has named Mrs. Gary Willingham as Junior Clubwoman of the Year. Mrs. Willingham was nominated by her own club, Emlea Smith Junior Study Club and is now a candidate for district title and will compete with clubs from Caprock district at the annual convention.

Mrs. Willingham has been a member of a Federated Club for five years. She

helped organize and is a charter member of the Emlea Smith Junior Study Club. She has served as President, Second Vice-President, Corresponding Secretary, and is currently serving as Treasurer of her club. Mrs. Willingham served on the Area Council of Federated Women's Clubs for three years and was the reporter for two years. An active member of her club, she has been reports chairman, Halloween Carnival Co-Chairman, Operation Healthy Baby Co-Chairman, Education Department Chairman, as well as serving on various standing committees, and all fund raising projects as bake sales, rummage sales, and concession stands.

The former Janie Thomson, she was born in Paducah, and is the middle child and only girl of three children of Mr. and Mrs. H. M. Thomson. Her oldest brother, James, lives in Belmont, California, and is an engineer. Tommy, her younger brother, is a Senior at Southern State College in Magnolia, Arkansas.

Janie's family lived in Quanah for fifteen years. She attended school there for ten years and was active in school activities. She held such positions as cheerleader, band member, and class officer and officer. Her civic activities while in high school included being a member of the Sub-Junior 1904 Club and Mac Dowell Music Club as well as being pianist for her Sunday School class. She also was a Brownie and later became a Girl Scout. At the age of fifteen her family moved to Morton and she attended her last two years of school here. Right from the beginning Janie joined into school activities. She was elected cheerleader, joined the band and choir, and became a member of Horizon Club, a senior campfire group. Her senior year she was selected as Most Courteous Girl, and Football Queen attendant. Completing her high school activities she attended South Plains College in the fall of 1960.

Janie has been active in the Methodist Church since she was small. She has grown up in the church from Primary Sunday School class through MYF and is presently a Sunday School teacher, Communion Steward, Memorial Book Chairman, and a member of Women's Society of Christian Service. She has taught Vacation Church School the past five years.

Other civic activities include being past crusade chairman for the newly re-organized American Cancer Society, working in Headstart, member of the Frontier Cotton Council, Bluebird Assistant Leader, member of the Ex-Student Association as well as helping with the Salvation Army, Heart and March of Dimes fund drives.

She was married to Gary Willingham, a cotton farmer, in 1960. They are the parents of two children, Annette, age 7, and Todd, age 6. The family resides at 206 East Grant.

Janie's first love is her family and home. In her "spare" time she enjoys antiquing furniture, swimming, and hopes to learn to play golf.

Chisholm, Mrs. Jo Langford, Littlefield Hospital; Mrs. Joyce Currington, Miss Alicia Goad, Mrs. Kinda Tyler, Mrs. Nelda Tyler, Levelland Clinic and Hospital; Mrs. Geneva Horton, Mrs. Elva Trevino, Littlefield Medical Arts Hospital.

New classes in Vocational Nursing are scheduled to begin January 27 under the direction of Mrs. Naville Danner, RN.

Mrs. Cherolyne Inglis named Teacher of Year by club council

Mrs. Cherolyne Inglis, Business Teacher of the Morton High School, has been on the staff of the Morton Independent Schools for the past six years. She received her B. A. Degree from Texas Tech in Secretarial Studies in the Department of Business Administration with the intention of remaining in the business field, but later returned to college to receive her Provisional Teachers Certificate, qualifying her to teach at any level. This interest in education was inspired not only by her interest in the future of her young son, Farley who is presently in the seventh grade, but perhaps because of her long heritage of teachers on both sides of the family.

Third Grade in the Morton Schools was Mrs. Inglis' first teaching experience. While teaching in the elementary schools, it was decided that entering the "Story Telling" contest would enrich the classroom instruction and Mrs. Inglis was fortunate to be the teacher of the young man who placed first in the "Spring Meet" of University Interscholastic League. Surprisingly enough, her experience in teaching phonics in reading at the third grade level has been a decided advantage in teaching shorthand since shorthand is more or less a language of its own and written mainly by the sounds heard and not according to the spelling of the words. For instance, did you know that "c" is the only letter of the English language that does not have a sound of

its own? Therefore, we do not have a symbol for "c" in shorthand but express it with the "s" or "k" symbols according to which sound the "c" acquires.

Courses taught by Mrs. Cherolyne Inglis at the present time include three Typing I classes (a total of 70 students), one Typing II class, and one shorthand class. She has been the Pep Squad Sponsor the two and one half years she has been teaching in the High School, served one year as Junior Sponsor, and served as Director of Shorthand at the University Interscholastic League one year.

Since her residence in Morton, Mrs. Inglis has been a member of the Town and Country Study Club, having served as first vice-president, second vice-president, program chairman two years, chairman of the Department of Education, and at the present time if the Club's secretary. Mrs. Inglis is also the president of the Area Council of Women's Clubs and chose as her theme "Community Maturity through Unity of Purpose."

During the summer months, Mrs. Inglis has worked in the Vacation Bible school of the First Baptist Church of which she is a member. She taught in the Intermediate Department and served as superintendent of one of the Primary Departments two years. At Christmas time she enjoys and participates in the Community Christmas Lighting Contest.

Mrs. Cherolyne Inglis

Margie Griffiths is announced Bledsoe Outstanding Student

The Area Council of Women's Clubs has named Miss Margie Griffiths as the Outstanding Student from Bledsoe High School this year.

Miss Griffiths is a Senior this year and is involved in a host of activities in her school.

To begin with this is Margie's fourth year of basketball and is one of the two Captains of the team this year. She serves as the senior reporter to the school newspaper and is the editor-in-chief of the Bledsoe annual.

An outstanding achievement for Margie is that this is her third year in the National Honor Society and she has just recently been elected President of the society. This in itself is a most treasured

honor. "My favorite subject is Algebra II," Margie says.

She has several hobbies, those being sewing, water skiing, playing the piano, and riding horses. Margie is a member of the Baptist Church and is the intermediate GA counselor. She also plays the piano for every other Sunday night service.

Miss Griffiths is the daughter of Mr. and Mrs. Rex Griffith and has two brothers, W. R. of Abilene and Tracey who is now in the eighth grade and one sister, Nancy who is in the second grade this year.

Next fall Miss Griffiths plans to attend South Plains College in Levelland.

Miss Margie Griffiths

Mrs. Dexter Nebhut is Clubwoman with more than 10 years service

The Y.M. Study Club has selected Mrs. Dexter Nebhut as Clubwoman of the Year with ten years or less in club work. The Area Council of Women's Clubs has endorsed this selection. The Area Council is made up of representatives from the local Study Clubs — 1936, L'Allegro, Town and Country, Y.M., Emlea Smith Junior, Elma Slaughter and Whiteface.

Mrs. Nebhut will compete with other clubs in Caprock District at the annual District Convention.

This selection is made by the Texas Federation of Women's Clubs and recognizes not only leadership and development in Federation, but encourages participation in professional and community activities.

Mrs. Dexter (Vivian) Nebhut is the daughter of Mr. and Mrs. Bob Vestal of Morton. She was born in Bailey County, and spent her school days at Bula. In 1950, she graduated from Bula High School as valedictorian of her class. In 1950 she married Dexter Nebhut and moved to Morton where she has lived since that time. She is the mother of four children: Janella — 17; Deletta — 16; Teri — 11; and Barry — 6. The Nebhut family attend services at the Second and Taylor Street Church of Christ in Morton where she teaches a bible class of second grade students.

In January, 1958 Vivian became a member of the Y.M. Study Club and since that time has served her club as President, First Vice President, Second Vice President, Secretary, Corresponding Secretary, Reporter and Historian. At present she is Second Vice President of the Y.M.'s. She has also served her club on the social committee, reports committee, program committee, Public Affairs Department, Education Department, International Affairs Department, Area Council Representative, gift committee and telephone committee. In 1960 she was selected to the Area Council of Women's Clubs and has served as treasurer for that organization.

For two years she has been chairman of the Board of Trustees of Area Council. The Board of Trustees has charge of the Student Loan Fund of the Area Council, which has money on loan to local students who are attending college. For eight years she has been on the Morton Campfire Council and is currently serving as secretary. She is serving her third year as Publicity Chairman for the Cochran County Unit of the American Cancer Society. She works with the Morton Choral Boosters and other activities that involve her children.

Mrs. Dexter Nebhut

Photo by Design Studio

In April, Mrs. Nebhut will begin her ninth year of employment with Great Plains Natural Gas Company in Morton.

Her hobby of sewing is one that she enjoys as well as a profitable one in that she makes most of the clothes her daughters wear as well as part of her own.

Dexter is employed by Rose Auto and Appliance and is in his twentieth year with that firm. Janella is a senior in Morton High School where she is a member of the National Honor Society, on the

Student Council, on the debate team, a member of choir, member of Future Teachers Association, Pep Squad and Senior Horizon Club. Deletta is a junior at Morton High School, treasurer of her class and member of choir. Teri is in the sixth grade at Morton Junior High School and Barry is in the first grade.

Mrs. Nebhut thinks the time she spends for her community is time well spent and hopes this time will help to make our community one that we can all be proud of.

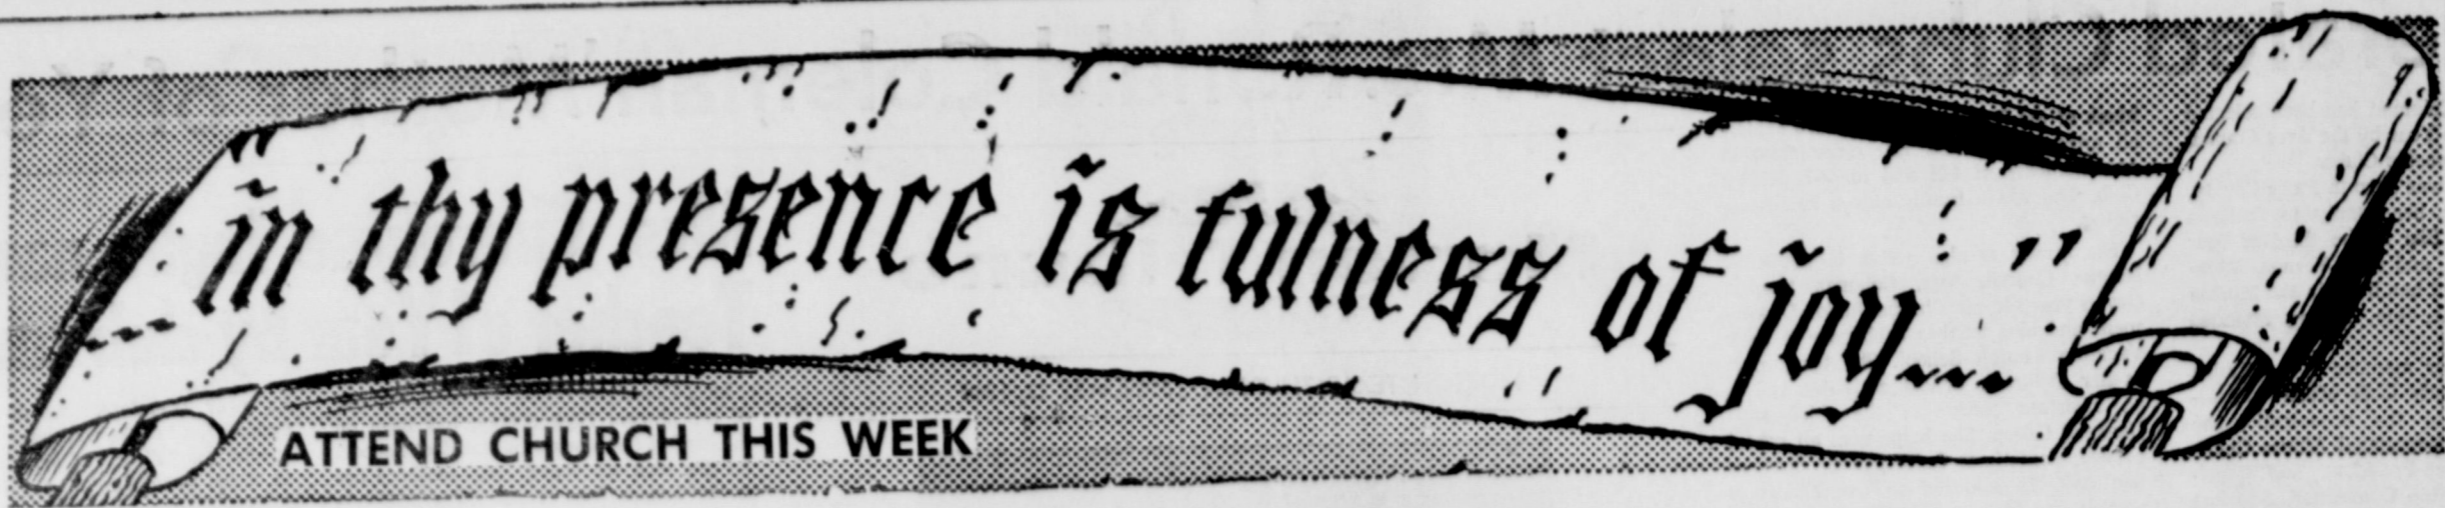

Five Morton women to finish nursing class

Graduation services for the South Plains College Vocational Nursing Class will be held Wednesday, January 22, at 7:30 p.m. in the college auditorium, next to the Fine Arts Building.

Dr. Joe Harrison of Levelland Clinic and Hospital has been selected as the speaker. Dr. E. D. Barnes, secretary of the SPC Board of Regents will present the diplomas.

Nursing students from Morton, Levelland, Littlefield, and Amherst will graduate. The graduates and their place of training are as follows:

Mrs. Jewel Arnold, Miss Delia Gonzales, Mrs. Betty Grusendorf, Mrs. Elaine White, Mrs. Oneta Yearly, Cochran Memorial Hospital, Morton; Mrs. Elsilene Burnett, Miss Sue Barton, Miss Pam Butts, Levelland South Plains Hospital; Mrs. Mildred

Likeness

The artist is capturing the physical likeness of this lovely girl on her paper. The likeness is amazing. But her inward beauty, her wonderful Christian heart and soul, can only be captured fully on God's canvas. The Bible says that "Man looketh on the outward appearance but God looketh on the heart."

How would God's painting picture you and me?

One good way to improve your heart condition is to attend church and hear God's word proclaimed from the pulpit. Learn God's plan for your life by listening to His word. We invite you to attend the church of your choice this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Marilyn Cade is Outstanding Student at Whiteface High

Miss Marilyn Cade, daughter of Mr. and Mrs. A. E. Cade of Whiteface, has been named as the 1969 Outstanding Student from Whiteface High School by the Area Council of Women's Clubs.

Marilyn has participated in Girls basketball in Whiteface for the past five years where presently she is captain of the Lopette team. She feels that it has helped in developing her sportsmanship as well as strengthening her relationship toward fellow students and has helped her to meet people from other towns.

For two years, Marilyn was a member of the Whiteface High School band and has been a member of the Whiteface Chapter of Future Homemakers of America for four years. She held the office of song leader last year and now is the president of the organization. She has received the Junior and Chapter Degrees and is presently working on the State Homemaker's Degree which will be completed in February. This year Marilyn was selected as the Little Sister of the Whiteface Young Homemaker's Chapter and went on to compete for the Area title. For two years she has been selected as the area choir member from her FHA Chapter and attended the State FHA meeting last year as voting delegate from the Whiteface Chapter.

During her junior year, Marilyn was among three of the juniors selected for membership in the National Honor Society. As a senior she is a member of the Christian Youth Association and was nominee for Most Versatile, Most Likely to Succeed, was runner-up for Miss WHS and as a member of the annual staff, serves as one of the co-business managers. Along with the organizations she belongs to, Miss Cade was selected to sing in the ensemble which sang at the Homecoming presentation and was chosen outstanding student in Home Economics II and in Home and Family Living.

Along with school work she has been an active member in 4-H for seven years. She has held various offices such as: song leader, treasurer, secretary, vice-president, and president of the local club, she has served as chairman of the County Council for two years, and vice-chairman for one year. Marilyn was the council delegate to the District Council in 1966, where she was selected as song leader for a District Electric Camp. She has carried clothing, foods, livestock, recrea-

Marilyn Cade

tion, home and bedroom improvement, and junior leadership as projects and has received such honors as: a blue ribbon in county favorite foods for seven years, blue ribbon on district favorite food show four years, blue ribbon in county dress revue six years, and a red ribbon in the district dress revue for one year. A blue ribbon this year in district dress revue, also this year she received the award of the top All-Cotton garment at district and the second place All-Cotton garment at the State Dress Revue. In 1967, Marilyn received a blue ribbon on a Clothing Educational Activity Demonstration at county and district, and a red ribbon at the State 4-H Round-Up. A few other awards which she has received has been: Home Economics award, Clothing Award, Food and Nutrition Award, Showmanship Award, and the Junior Leadership Award. She was given the opportunity of narrating the annual Achievement Banquet for two years and the County Dress Revue for four years. "But the most cherished of all my awards," Marilyn says, "was when I received the Gold Star and Danforth Award in 1965."

Along with her 4-H and home economics work, in 1967 she entered the "Make It with Wool" contest and this year entered the "Sew It with Cotton" contest, where she received a first and second place in Morton, and a third place at Lubbock.

Marilyn, along with her family, is a member of the First Baptist Church of Morton, where she enjoys singing in the church and youth choir and is also a member of the YWA and of the traveling youth team. In her earlier years, she was a member of the Girls' Auxiliary where she held the office of song leader, prayer chairman, and president.

Beverly Sue Browne

Beverly Sue Browne selected Outstanding Student at MHS

Beverly Sue Browne, daughter of Mr. and Mrs. Elzie Browne, has been selected as Student of the Year from Morton High School. She is a member of the Horizon Club and was one of the group who earned the Wo-He-Lo Medallion last fall. This coming spring she will have completed her tenth year in Camp Fire work.

Beverly has been a member of the band for eight years. She played with the All-Region Band her Junior year and has been a twirler her Junior and Senior years. During homecoming she was a candidate for Band Sweetheart. Besides playing the B clarinet she also plays the piano and organ — mostly for her own entertainment and for her family and friends. She is a member of YWA's and sings in her church choir.

Beverly is Editor of the LOHAH this year and enjoys this work very much. She was Business Manager of the annual during her Sophomore year.

The Future Teachers of America has attracted her and she has been a member for the past three years. She has several pleasurable memories of her student teaching days which are held annually in Morton Schools.

The National Honor Society initiated Beverly last spring and she is looking forward to seeing this year's pledges with their surprised "looks" when this honor is revealed to them.

Beverly was honored this year by being

COUNTY AGENT NEWS

From the Office of Roy L. McClung, Jr.

Are some of your ornamental plants, shrubs or trees looking a little rough or dying? Are you finding small grayish, white thread-like or speck-like structures on the leaves, stems or branches of the plants or trees? If you haven't noticed this, check your ornamentals, shrubs and trees. The majority of the infected plants will be infested with scale-insects. These insects are unusual inasmuch as they are so modified in appearance that they do not resemble ordinary insects. They are usually quite small and inconspicuous and most of them are found in large quantities around the inner stems and branches of the ornamentals.

More than 2,000 species of scale insects are known but a large percent of the scale in and around Cochran County are the armored scale species. All scale insects do their damage by sucking sap from the plants. They usually are very tiny in size. In armored scale, the insect is hidden by a protective covering. The scaly covering is separate from the body of the insect and it consists of secreted wax within which is incorporated the cast skins. These cast skins are normally how most people first notice the unusual appearance or damage.

As was stated earlier in this article the scale insects do their damage by sucking sap. They are tiny insects covered with a small shell or armor covering. Most of them lay microscopic sized eggs under their shell and these eggs hatch into ac-

tive crawlers. The infestations build up during the growing season and are very inconspicuous and usually go unnoticed until the plant is severely damaged. The scales spread from plant to plant in the crawler stage on birds, insects, animals and by the wind. It usually takes two or more applications of recommended chemicals made at 2 week intervals during the growing season to control the insect. Recommended chemicals for scale control are Diazinon, Cygon, Malathion and Dormant Oil. Dormant Oil may be used on trees and woody shrubs after the plants have gone into the complete dormancy. Now is the time of the year Dormant Oil application should be made and this should save you several insect problems this spring and summer too, gets your plants off to an insect free condition with the spring growth. For particularly hard to control scale problems you can add summer oil to Diazinon or Malathion but caution should be taken before these applications are made. The above mentioned recommended chemicals are stocked or can be obtained by all of the local feed stores and farm chemical dealers.

For those people with questions and other insect problems we will be glad to help you if we can. We have several pamphlets such as the Texas Guide for Controlling Insects on Ornamental Plants which contains insecticide recommendations that are available at your local County Agents office for the asking.

Cochran hospital notes

- Dane Mills — admitted January 14, dismissed January 15.
- Linda Nesbitt — admitted January 14, dismissed January 16.
- Mrs. Anne Hammonds — admitted January 15, dismissed January 19.
- Ray Spence — admitted January 15, dismissed January 19.
- Mr. G. T. Thacker — admitted January 14, remaining.
- Mrs. Lucille Rozetti — admitted January 15, remaining.
- Mrs. R. L. Reeves — admitted January 16, remaining.
- Mrs. R. H. Teer — admitted January 16, dismissed January 18.
- Estelle Merritt — admitted January 16, dismissed January 17.
- Mrs. Librade Mendez — admitted January 16, dismissed January 18.
- Vernie Evans — admitted January 17, dismissed January 21.
- Mrs. Jean Davis — admitted January 17, dismissed January 20.
- Hershal Lamar — admitted January 17, dismissed January 21.
- Mrs. H. H. Rossen — admitted January 17, dismissed January 21.
- Mrs. Bilbrey — remaining.
- Mark Dewbre — admitted January 17, dismissed January 18.
- Pam Bates — admitted January 17, dismissed January 20.
- Bill Wood — admitted January 17, dismissed January 20.
- Mike Beavers — admitted January 17, dismissed January 20.

- Debra Hodge — admitted January 18, dismissed January 20.
- Mrs. Tarver — admitted January 18, remaining.
- Pauline Evans — admitted January 18, remaining.
- Benite Garcia III — admitted January 18, dismissed January 20.
- Mary Marquez — admitted January 19, remaining.
- Mrs. J. D. Thomas — admitted January 19, remaining.
- Mrs. Harold Harrison — admitted January 21, remaining.
- Tom Stephens — admitted January 21, remaining.
- Daniel Zapata — admitted January 21, remaining.
- Bessie Mae Hawkins — admitted January 21, remaining.

Who's Who named at Three Way High

Three Way this week announced the students making Who's Who. They are: Charlie Abbe, senior; Jackie Dupier, senior; Chester Huff, senior; Mike Lynsky, junior; Kathy Hicks, junior; and Michael Sowder, sophomore.

These students were selected on the basis of scholarship, loyalty to their school, citizenship, and other desirable qualities.

selected as Most Courteous Girl. She plans to attend Texas Tech next fall and will probably major in Elementary Education.

Roy Hickman, G. O. Cooper, and Glenn Thompson left early Tuesday morning for Austin to see the inauguration of Texas Governor Preston Smith.

Outstanding citizen and visiting parents . . .
BUDD FOUNTAIN, Morton's Outstanding Citizen of 1968 is pictured here with his parents, Mr. and Mrs. Harold Fountain of Arlington, Kans. The younger Fountain was honored at the Morton Area Chamber of Commerce banquet held recently. Immediately following the presentation of the Outstanding Citizen award, Fountain was surprised to hear his parents introduced to those attending the affair. They had made the trip, unknown to him, to be present for the presentation of the award. Photo by Byron Willis
