

New column introduced today

Beginning with this issue the Morton Tribune brings to its readers one of the outstanding feature columns in the state. The column is entitled "The Farmer's Wife", and is written by one of our own West Texans. In fact, she is so much a West Texan that she lives, and her husband farms, very close to Morton.

She is Libby Mudgett, a former's wife, mother of three and columnist par excellence of Route 2, Sudan.

The Morton Tribune brings to three the number of newspapers she is writing her column for at the present time. Plans are for her to become state-wide and later nation-wide syndicated within the foreseeable future.

As a columnist for the Lamb County Leader and News at Littlefield last summer, she was the recipient of the award of best columnist in the state in towns of 8,000 or less by the Texas Press Association.

Libby knows West Texas, she knows farm life from long years of experience and she deals with it in her columns with a stimulating wit and a dry humor that is bound to catch the fancy of others in the area who are in the same old boat.

Read "The Farmer's Wife" and enjoy it — and envy the staff at the Tribune because we get to see it first!

City tax collections lagging, only 82% in till

City tax collections are lagging considerably behind other years, according to a report made to the city council at its regular meeting held Monday night.

Assistant City Secretary Dorothy Irwin reported to the council that only 82 percent of the total tax roll for the fiscal year 1968 had been collected as of February 10.

Total taxes collected for the year come to \$47,992.42 of the approximately \$58,000 on the tax rolls.

Taxes assessed for the previous year become delinquent on Feb. 1 of the following year and a penalty on a monthly basis is charged to those delinquent.

Normally there has been 90 percent or more of the taxes collected by this time each year, Mrs. Irwin said, and could give no reason for collections being so slow this year.

In other business, the council heard a report from police chief Charley Ellis on his department's activities during the month of January.

There were 38 arrests made during the month, Ellis reported.

There were five accidents investigated, including one involving an injury and a total of \$860 in property damage was inflicted.

Seventeen traffic tickets were issued during the month.

Highlight of the police activities was the report of seven burglaries taking place on the night of January 20.

Ellis stated that the assignment of two men per police car during night patrols that has recently been inaugurated here is proving effective in holding down incidents, but favors an increase in the runs the police make through the city's alleys.

A detailed report was given on the mosquito control procedures carried on by

the public utilities department. The subject was discussed at length and several recommended improvements were made.

The recommended improvements will be considered for incorporation into the program when the mosquito control activities

get underway in the spring and summer.

Unanimous approval was given by the council for the payment of bills for the various department for the month of January which totalled \$6,004.13.

Total water accounts receivable report-

ed to the council by the city secretary's office and came to \$7,508.13 and gas accounts receivable to \$13,751.59.

Bank balances reported included General Account, \$12,340.57; Water, \$3,802.84 and Gas, \$4,101.55.

Morton School Board election dates and rules spelled out

Rules and regulations for the upcoming Morton school board election have been spelled out and a deadline for entry of candidates in the race has been set.

Date of the election was set at the next regular meeting of the board January 13 to take place on April 5.

Three positions will be filled in the election. Two regular three-year terms will be coming to an end as will one special one-year appointment.

Regular members whose terms will be expiring at that time are L. T. Lemons and school board president Henry Williams.

Board member John Fincannon's one-year appointment to serve out the term of Kenneth Thompson will also be drawing to close. Fincannon was appointed to serve until the next regular election, and an additional one-year term will complete Fincannon's original elected term.

Candidates are required to file applications for the election not less than 30 days prior to the actual election date. In this instance that will make the deadline for filing March 6.

Application forms may be obtained from

the school tax office, Bob Travis, Morton school superintendent, has announced. The tax office is also his office which is located in the elementary building on the school grounds.

The period for voting by absentee ballot in the school board election will begin twenty days before the election and continue through the fourth day before the election. This makes the deadline for absentee voting Tuesday, April 1.

Absentee ballots may be obtained at the school tax office.

By press time Wednesday, there had been no applications filed with the tax office by candidates for the school board vacancies, according to information received from the school tax office.

None of the incumbent members of the three positions has made it known whether or not he will be a candidate to succeed himself.

Schools to open doors to public here March 4

Open House will be held in all Morton schools Tuesday, March 4, school superintendent Bob Travis has announced.

The open house will be from 7-9 p.m. in all of the school buildings and all parents and other interested persons are cordially invited to attend, Travis said.

The open house will be held in conjunction with National School Week which will which will be observed March 3 to 8.

"All parents are normally very interested in their children's schools and this is a good opportunity to become more deeply interested," Travis stated.

Contempt of court nets man jail term

Paul Cisnerous, of Route 2, Morton was found in contempt of court by 121 District Judge M. C. Ledbetter Wednesday and has three days in the county jail to reflect upon his performance.

Cisnerous had been summoned as a witness in the burglary trial of Juan Honesto which came before the bench Tuesday. When he failed to appear for the trial, judge Ledbetter ordered him to report to the court at 10 a.m. Wednesday, which he did.

It was then that he was lectured by the judge and given the three days in jail to consider his conduct.

Carla anxiously awaits outcome of rabies test

Carla Farmer, 16, of Girlstown, was anxiously awaiting word from health authorities in Lubbock Wednesday as to whether a dog that had bitten her had rabies. She was bitten Thursday, Feb. 6, by a pet Poodle that lived at Girlstown while she was doing chores at the barn located there.

The dog was placed in a pen for observation until it suddenly died Sunday morning.

Girlstown authorities requested the aid of Morton police chief Charley Ellis who responded immediately. Ellis took the dog's head to Lubbock where rabies tests could be made.

No word had been received concerning the disease by Wednesday and Carla was still uncertain whether or not she would have to take the dreaded rabies shot series.

The dog was reported to be normally friendly and had been learning trick horseback riding from the girls at the home.

Prepares for stock show . . .

RICKY McMASTER is but one of many boys and girls who will be showing their animals in the Fat Stock Show to be held February 27, 28, and March 1 here in Morton. Preparation has been under way for months in raising their animals to meet the specifications of the judges in hopes for being a top winner in the event.

★ Three Way Talent

The Seniors at Three Way High School will conduct their annual Talent Show on Saturday, March 1. It will be held in the High School Cafeteria and will begin at 7:30 p.m.

Admission for the show will be \$.75 for adults and \$.50 for students and a \$.50 entry fee for each person entering in the talent show will also be charged.

Anyone interested in participating in the Talent Show is asked to contact any of the Three Way Seniors.

March of Dimes to hold called meeting

There will be a called meeting of the National Foundation of the March of Dimes by the County Chairman, Gerald Ramsey, February 27 at 7:30 p.m. in the Production Credit Room.

The purpose of this meeting will be to elect campaign officers for 1970. The campaign report for 1969 will be given and a film, "More Than Love," will be shown. Everyone interested in March of Dimes is urged to be present.

John Carroll, District Supervisor, and Marjorie Condray, State Officer, are expected to be present.

"More Than Love", a film strip 16 mm will be received by the County March of Dimes. This film may be borrowed by any or all clubs or organizations wishing to show it. This film will later be presented to the Home Economics Department for their library. To obtain this film contact Mrs. Maurice Lewallen at 266-5549.

Stephen Ellis new conservation employee

Stephen Ellis has recently been employed by the Soil Conservation Service doing conservation planning.

Ellis and his family have moved here from Perryton. His home town is Tahoka. His wife, Glenda, is a relative of the Kuehlers who live in the Morton area. The new employee and his wife have a son Clint who is 7 months old.

Ellis is a graduate of Texas Tech in Lubbock and he and his family are presently residing at 404 East Hayes.

Telephone cooperative meets in Morton, elects new officers

Several new district officers were elected at the annual meeting of the Five Area Telephone Cooperative, Inc. Friday in the Cochran County Activities Building.

New directors named include D. L. Tucker, District 5; Bill Boyles, District 6 and Willard Henry, District 7.

A nominating committee consisting of Chester Setliff, Leon Dupler, Dale Nichols, John Hubbard, Nolan H. Harland, A. C. Cade and Roy L. Brown met prior to the annual meeting and nominated two or more persons for each district in which terms were expiring.

Others placed in nomination included C. A. Petree, District 5; J. D. Rowland, District 6 and Leo Cunningham, District 7.

Election judges in charge of the balloting were L. E. Warren, John Hubbard, Nolan Harlan, Roy Brown and Gene Cade.

Other directors who complete the seven-member board are Joe Sinnacher, District 1; Joe Embry, District 2; M. G. Kellar, District 3 and Raymond Gage, District 4.

Members of the nominating committee selected to meet prior to the 1970 meeting and make nominations for directors for District 2 and 4 which will have terms expiring include R. B. Seaton and Sam Laymon for District 2 and Delbert Watson and Jack Hutchison for District 4.

Raymond Gage is the newly elected board president of the organization. Joe Embry is the newly elected vice-president and the new secretary-treasurer is Bill Boyles.

Refreshments were served at the meeting by Cochran County 4-H Clubs and entertainment was provided by the Morton High School Choir Girls Sextet.

Mapes big winner of Tribune ad-cash, week's total raised

All but one of the lucky cash winners whose names appeared in Tribune ads last week picked up their checks.

And we understand that the person who didn't pick up his check had a very good reason for not doing so. R. D. May, of Whiteface, whose name appeared in the Byron's Auto Supply ad, was at Fort Bliss over the weekend visiting his son Larry who is in the hospital there recovering from war wounds. (see story, Page 4a)

This check will be left at Byron's for another week for Mr. May to pick up and a like amount will be added to the total prize money for this week. That means there will be six checks instead of five for \$3 and one for \$8 in the ads this week.

The Tribune is giving this money away to subscribers selected at random from the subscription files. There is no obligation. Just read the display ads carefully, and if you find your name in one, go to that place of business and pick up the check that will be waiting for you there.

Names appearing in ads last week included R. D. May, Benton C. Davis, Arlen Simpson, Ray Hudson and Tom Rowden, all for \$3, and A. M. Mapes for the grand prize of \$8.

Rainbow officers . . .

SHOWN HERE are four of the officers elected to serve Miss Diane Avery, center, who was installed as new Worthy Advisor for the Rainbow Assembly here in Morton. They

Survey Committee . . .
THE COCHRAN COUNTY Historical Survey Committee gathered Saturday, February 8, to dedicate the 1936 Centennial Marker in its new location on the east side of the

courthouse. The members present were: front row left to right, Miss Lenora Jackson, Mrs. Hume Russell, Mrs. Joe Seagler, and Mrs. Willard Henry. Back row left to right: Elvis Fleming, Murray Cront, and Walter Taylor.

Dedication ceremony held on courthouse lawn Feb. 8

Immediately following a dedication ceremony of the Cochran County 1936 Centennial Marker in its new location on the east side of the courthouse Saturday, the Cochran County Historical Survey Committee held an organizational meeting in the meeting room in the courthouse. The following officers were elected for

the 1969-70 term: Chairman, Elvis Fleming; Vice-chairman, Mrs. Joe Seagler; Secretary and Reporter, Willard Henry; and Treasurer Mrs. Hume Russell.

In order to serve as the official agency of the Texas State Historical Foundation and its RAMPS Program (Recordation, Appreciation, Markers, Preservation, and Survey), the following sub-committee was appointed by Fleming: Historical Appreciation, Mrs. Neal Rose, Chairman; Mrs. Joe Seagler, and Truman Doss; Historical Markers, Murray Crone, Chairman, Jerry Winder, and Mrs. J. C. Reynolds; Historical Preservation, Mrs. H. B. Barker, chairman, Joe Nicewarner, and Miss LaNora Jackson; and Advisory, Mrs. Clyde McCormack, Chairman, Richard Houston and Mrs. Willard Henry.

Regular meetings of the Survey Committee will be held the second Saturday of each month.

★ Study Club Tea

The annual Y.M. Study Club tea honoring the Clubwoman of the Year, Junior Clubwoman of the Year, Teacher of the Year and Students of the Year will be held Sunday, February 16, from 3 to 5 p.m. in the County Activity Building.

Area students named to Dean's Honor List

The Dean's Honor List for the Fall semester at South Plains College has been released by Academic Dean Nathan Tubb. To qualify for the Dean's List, a student must make a grade point average of 3.00 or above. Seventeen students made a perfect grade of 4.00.

Those making the perfect grade from the Morton area were Margaret Conner of Whiteface and John St. Clair of Morton. Other area students making the honor list were: Margaret Schlabach, Randy Lee Brownlow, Donna Hofman, Elliott Bonfield, Sharon Hall, Curtis Jennings, Annetta Stevens, Vera Bailey, Bobby Jones, Carolyn Jones, Jimmy Lamb and Smith all of Morton; Linda Brown and Michael Richardson of Whiteface. Students on the honor list from Whiteface were Joyce Evelyn Fish, Gail Jones, Andrew James and Belva Gainer.

Glo Gray gives portion of program to Town and Country

In a recent meeting of the Town and Country Study Club, the program was in three parts given by three Morton High School students. Printed here is the third portion of the program given by Miss Glorietta Gray on "The Bridge to Teenage Victory."

Often, young people ask themselves the question: What is the bridge to teenage victory? Unfortunately, some think that it's popularity, others believe that it's being a conformist, and still others think that victory is won through drugs, sex, and drinking. A teenager is well on the road to victory if he has a PURPOSE IN LIFE. A teenager needs a good religious background, good study habits, good education, worthwhile activities, and good moral standards.

Everyone is here on this earth for a purpose. Troubled teenagers often ask themselves the question: What am I doing here? Atheists and other people say that God is dead. There is no purpose to living if God is dead. We're here to serve God one way or another. Turning to God in faith and prayer will help one realize his purpose in life. People need God in their lives for success.

Education is essential in order to survive the world of today. Morton High School has a good educational program. It's there for us. All we have to do is to accept it. If a teenager is willing and determined enough to devote his time and energies to study and make decent grades, he has already reached an important goal in his life.

A teenager is well occupied with his time when he participates in worthwhile activities in his community. Activities such as Y.W.A.'s, G.A.'s, Sunday School and choir are offered in the church attended by members of the panel. If a teenager will not devote any of his time to any of these activities or others, then no wonder Morton is such a dead town! Besides the activities mentioned, there is plenty of homework, housework, and hobbies to keep a teenager busy.

It is important that parents stress the need of good moral standards. The body of a teenager should be kept as a holy temple of God. All teenagers will rapidly approach the time when they'll be out on their own. Unfortunately, some teenagers have and will make the wrong choices because of low ideals. The proper

attitude toward sex will prevent dangerous things such as venereal diseases.

Here are some startling facts on venereal diseases:

1. A person gets syphilis or gonorrhea by intimate relations with someone who has the disease.
2. Venereal disease strikes one teenager every nine minutes.
3. Nearly 4,000 people in the U. S. still die each year from damage done to their bodies by syphilis.
4. The first sign of syphilis is usually the appearance of a painless sore called a chancre. The chancre most commonly shows up 21 to 90 days after exposure to an infected person. Many young people have acne or pimples, but this does not mean that they have syphilis.
5. A blood test will detect hidden syphilis. It is important to remember that early sign of syphilis will go away, but this does not mean that the person is cured.
6. Syphilis cannot be inherited. Babies

born with syphilis get the germ from the mother's blood. There is no way this germ can be inherited.

7. The germs of syphilis may lie hidden in the body for 10 to 25 years before any damage shows up. During this time, the person may not be aware until suddenly he may develop mental illness, go blind, become crippled, develop heart disease and even die.

8. Gonorrhea may cause sterility, arthritis, and even blindness.

9. The signs of gonorrhea in a woman are more difficult to detect. Many times gonorrhea is not discovered in a woman until serious damage has been done to her body.

10. Syphilis and gonorrhea can only be detected by a competent physician. The cure is quicker and easier if the diseases are found early.

As a teenager, the development of a proper attitude toward sex and sex conduct is your most important contribution to the prevention of venereal diseases. It's up to you as a teenager.

Vacationing Minnesota couple killed in car crash near Plains

A vacationing Minnesota couple were killed approximately three miles west of Plains Tuesday in what was described by a newspaper photographer as the worst accident he had ever seen.

The couple, in whose car was a gift bearing the inscription "good luck on your trip", was crushed to death when their car and a trailer truck met head on on U. S. 82.

They were identified as William Leroy Waldron and his wife, Marian Lucille, of Waseca Minn. Highway Patrolman Joe Cox of Plains said Waldron, 46, driver of the car, was thrown onto the pavement. The body of his 42-year-old wife was trapped in the smashed wreckage, Cox said. Both were pronounced dead at the scene.

Driver of the truck, 29-year-old Charles Dewey Robinson of Lovington, N. M., was-

n't injured, investigators said.

Cox said the heavy truck, owned by Cotton Distributing Co. of Lovington, passed over the right side of the car with the front wheels coming to rest over the front seat section of the auto. Investigators said a winch truck was used to pry the truck from the car so Mrs. Waldron's body could be freed.

The crumpled wreckage of the car and truck came to rest in the center of the two-lane U. S. 82 in front of a cotton gin.

Ironically, an unopened package in the auto, apparently a gift from friends, wished the Waldrons "good luck on your trip," Cox said. Other papers in the wreckage indicated the Waldrons left Minnesota last Friday en route to Arizona on a vacation.

The bodies were taken to Barrett Funeral Home in Plains.

Indians scalp Bulldogs while Wildcats win over Mustangs

The district 4-AA basketball race tightened considerably Tuesday night in games played across the South Plains. Morton's Indians held on to their tie for second place with a 74-71 win over Tahoka Tuesday, but the big game was the Idalou-Denver City affair, and the Wildcats pinned the first district loss of the season on the Mustangs with a last second 65-63 win.

Denver City's loss left the Mustangs with a 7-1 district record. The Mustangs still have to beat Frenship and Post in order to clinch the district crown. Either Morton and Idalou could move into a tie for first with D. C. pending the outcome of the next two games.

Morton and Idalou will square off next Tuesday night at Idalou in the last regular game for both teams. This Friday, the Indians will host Frenship in Indian gym. Game time is 6:30 for the B contest.

If the district race should end in a tie, a play-off game would be necessary and would be held the Friday following the close of district play.

Senior Byron Willis banged in 39 points to lead the Tribe over Tahoka 74-71, but the hot shooting Bulldogs matched the Indians point-for-point throughout the game. Morton led 10-9 after the first period, and stretched the lead to 37-32 at halftime. Morton hit 48 per cent for the game, and 70 per cent from the free throw line.

The Bulldogs tied the game at 71-71 with 12 seconds left, but Terry Harvey scored a lay-up and was fouled on the play.

Doherty Auxiliary has meeting in Levelland

The Doherty Auxiliary met February 6 at 7:30 p.m. in Levelland.

Pat Rogers, the new President, presided over the business meeting. After the attention was focused on a magazine article concerning "Starving Children in Biafra", it was noted that adults can survive about forty days without food, while children survive around fourteen days. The ladies agreed to send a contribution to help these children.

The members present were: Sue Hodge, Betty Jones, Linda Penneyer, Carolyn Oldham, Burl Rogers, Sue Rozell, Ruby Anderson, Jay Shelton and Billie Burris.

The next meeting will be held February 27, at 7:30 p.m., at the Wig Wam in Morton.

Curtis Griffith wins Certificate of Merit

Curtis Griffith, senior at Morton High School and son of Mr. and Mrs. Karl Griffith, recently received a Certificate of Merit indicating that he was a finalist in the 1968-69 Merit Program.

Only one-half of one percent of the graduating secondary school seniors in the nation are finalists. Griffith is but one of 15,000 finalists in the nation.

The process for selecting the winners among the 15,000 finalists is now underway. Some 2,800 winners will be notified confidentially in March and it will be publicly released in April.

Conservation District News

From the Office of BUDD FOUNTAIN

Many landowners and operators in the Cochran Soil and Water Conservation District are becoming interested in cattle and other livestock to provide additional income. With this change in operation will come a need for a year around supply of forage.

Pasture planting on acreage to be used for grazing will establish a source of high quality year around forage. The established pasture can be managed either as dryland or irrigated, depending on availability of water and production needs.

Most farms have a good amount of forage available through crop residues and

growing crops such as small grain. The amount and kinds of forage available will determine the kind of grass to plant. Grasses can be established that will supply green forage at anytime during the year. Planting dates for most grasses are from December 1 to July 1, so it is time to be making preparations for seeding this year.

Soil Conservation Service personnel assisting the Cochran Soil and Water Conservation District can provide assistance on pasture planting to anyone planning to establish grass.

Lack of rain becoming serious plains farming, ranching factor

A state-wide agricultural survey this week indicates that the dry spell experienced by Cochran county during late 1968 and the first weeks of 1969 are rather general throughout the state.

Statewide the Texas soil moisture situation is worsening. Except for the east and southeast, drought is becoming a factor in the growth of grains and other grazing plants, plowing, and an increase in livestock feeding, said John Hutchison, director of the Texas Agricultural Extension Service.

He noted, however, that too much moisture in the favored areas is keeping farming activities slow and that overly wet fields are limiting grazing. Livestock conditions range from poor to good depending upon grazing and feeding, the director said.

At midweek, district agents reported this way:

Moisture is short over the entire Panhandle area except in Hemphill and Lipscomb counties. Most wheat is dormant due to drought and cold. Some greenbug infestations are reported. The condition of livestock and ranges generally is good.

Around Lubbock, dryland wheat growth was slowed by the lack of rain and the

Women Democrats receive letter from President Nixon

The Women Democrats of Cochran County met Wednesday, February 5, for their regular monthly luncheon at the Wig Wam Cafe. The opening prayer was given by Mrs. H. B. Barker.

Mrs. Alvie Harris, program chairman, introduced Fred Thomas, pastor of the First Baptist Church in Morton, who spoke on "The Christian's Responsibility of Citizenship." Rev. Thomas outlined several principles of Christian citizenship. First, render unto God that which is God's and unto Country that which is Country's. Second, God is the source of all governmental authority, not any particular form of government, but of the sacred institution of government. Third, Christians should give priority to God's claims of right or wrong. Fourth, Church and State must be kept separate. Fifth, a Christian

is an asset to his state and his government. Sixth, remember the nation which pleases God, has citizens whose lives are characterized by principles of justice characterized by principles of justice and acts of righteousness.

In addition to the Christian principles are the Christians' responsibilities as citizens namely: obey the laws of the land, honor the governing authorities as ministers of God, pay taxes readily and willingly and pay for all public officials, city, county, state, and national. A mark of good citizenship is to participate in politics and the pre-election level, the post-election level and the intelligent use of the right to vote. Young people and adults need to realize that politics can be and should be a Christian vocation.

At the close of the program, Mrs. Bud Thomas, President of the group, informed those present that the following letter was mailed to the President of the United States on Inauguration Day, January 29, 1969.

Morton, Texas
January 20, 1969

The President
The White House
Washington, D. C.
Mr. President;

You have been summoned to the highest mission with the gift of any people. You have won not only an election, but also an expression of the great confidence of the American people.

We, The Women Democrats of Cochran County, Texas, wish to take this means to express to you our support as you lead us through the next four years. It is traditionally American to fight hard before an election. It is equally traditional to close rank as soon as the people have spoken.

An election tends to emphasize our political divisions; of course this is as it must be, for when we vote, we affirm our faith as free men and women in free government and in society; however, we want you to know that although we are an organized political group of women, we are Americans, first, last, and always; and may the day never come when the things that divide us seem more important than the things that unite us.

We pledge our support to you and to our country to unite it not to divide it; to heal our wounds not to enlarge them. The times demand not mistrust and suspicion and fear, but more mutual respect and confidence and understanding than ever before.

Our prayer for you and our country and for all people everywhere is that that we shall move forward with God's guidance toward the time when we shall grow in freedom and dignity in a world at peace.

Sincerely,
The Women Democrats
Cochran County, Texas

/s/ Mrs. Bud Thomas, President

The following reply was received from the President.

"As I undertake the responsibility of providing new leadership for America in the years ahead, I want you to know how grateful I am for your thoughtful message. The knowledge of your support and your prayers will be a source of strength and inspiration in the years ahead.
Richard Nixon

McClintock-Turner nuptials vows read in Lubbock

Northside Assembly of God Church in Lubbock was the scene for the double ring ceremony held for Miss Brenda Joyce Turner and O. Ken McClintock, Jr., at 7:30 p.m. Saturday, February 8. The Rev. Scott Mitchell officiated for the ceremony.

The bride is the daughter of Mr. and Mrs. Myrtle Turner, Rt. 5, Lubbock. The bride and her parents were residents of Morton several years ago. The bridegroom's parents are Mr. and Mrs. Kenneth McClintock of Abilene.

Given in marriage by her father, the bride wore a floor-length gown made of bridal satin with a Chantilly lace train.

Mrs. Wayne Ammons served as matron of honor while Miss Kathy Dyck served as maid of honor. Bridesmaids were Miss Rene Krietz and Miss Vicki Schubert. Their gowns were of avocado green.

Best man for the occasion was Larry Goldston of Abilene with Bill Chaney and Wes Acklin, both of Abilene, and Jerry Fortenberry of Lubbock serving as groomsmen. Guests were seated by Dale Kirk of Levelland, and Lee Jones of Abilene.

Teresa Ammons served as flower girl while Sidney Kirk of Levelland served as ring bearer for the occasion.

Organ music was provided by Mrs. Morgan Baker and soloists were Miss Betty Riggs and Dennis Richardson. Bety Plunkett of Post and Mickey Turner lighted candles.

After a reception at the church the couple went to Ruidoso for their wedding trip. Afterward they plan to live in Abilene.

Mrs. McClintock is a 1968 graduate of Frenship High School. He is a graduate of Abilene High School, has attended McMurry College, and is presently employed at the U. S. Post Office in Abilene.

Mrs. Ken McClintock (nee Brenda Turner)

Sp-4 Larry Kern visited by parents

Specialist 4 Larry Kern, of Whiteface received a welcome visit from his parents Mr. and Mrs. R. D. May, at Fort Bliss Hospital over the weekend.

Kern, a recent graduate of Whiteface High School, received severe shrapnel wounds while serving with the United States Army in Vietnam and is recovering satisfactorily at the Fort Bliss hospital.

For those who would like to drop a line, his wife's address is presently Raymond Pelles St., El Paso.

James Charles Holley dies in Lubbock

Services will be held today for Charles Holley, 8-year-old son of Charles Holley and Janice LaFollette of Lubbock. Funeral services will be conducted in the First Baptist Church at 3 p.m. with Rev. Hugh Jack Nix officiating assisted by C. E. Strickland. The child died Monday in Methodist hospital in Lubbock where he had been admitted five days earlier.

Survivors besides his father and mother include his grandparents, Mr. and Mrs. Virgil Holley of Ballinger and Mrs. W. E. Latimer of Maple.

Elma L. Slaughter Club holds meeting

The Elma L. Slaughter Study Club met in the home of Mrs. Roy Gunnels February 6.

Mrs. C. E. Dolle, president of the club, presided over the business meeting. All projects of the club were discussed and it was also stated that all reports were to be sent to the District Chairman by February 15.

Mrs. Dolle stated that the Y. M. Study Club would have a Tea February 16 honoring the Clubwoman of the Year, also Junior Clubwoman, Teacher of the Year, Mother of the Year, and Students of the Year.

Mrs. Hessie B. Spotts had charge of the program which was Texas Landmarks. All members gave salute to the Texas Flag.

Mrs. Spotts read a very interesting poem about the Frontier Times in Texas. All members were wondering who could have written such a beautiful poem, as it turned out it was one of the club member Past Worthy Advisor's jewel by Miss the poem. It was enjoyed by all.

The next club meeting will be a Valentine Party with husbands as guests in the home of Mrs. Willie Taylor February 20.

Refreshments were served to the following members, Mesdames Roy Brown, Elzie Browne, Earl Cadenhead, Leonard Coleman, C. E. Dolle, Dean Jackson, Elra Oden, Hessie B. Spotts, Willie Taylor, Iva Williams, and the hostess, Mrs. Roy Gunnels.

Threeway school news

By KATHY HICKS

The Three Way Junior High played Bula Monday, Jan. 27. Both Three Way teams won their games. They were also in a tournament at Lazbuddie January 30 through February 1. The girls brought home the first place trophy and the boys took the second place. The Three Way Junior High has done very well in their basketball games so far this season.

The high school played Anton Tuesday, Jan. 28, with the girls losing and both the "A" and "B" boys winning. They also played Smyer Friday, Jan. 31. The girls lost and the boys won. The Three Way High School played Bula Tuesday, Feb. 4 at Three Way.

The Future Homemakers of America met Monday, Feb. 3, for their monthly meeting. The main order of business was to discuss the Sweetheart Banquet which is sponsored by the FHA Chapter.

The annual staff met January 29 and 30 after school. They are hoping to have a really good annual this year.

The Junior class has been practicing diligently for their play.

passing thought

Why be upset? It isn't what happens in everyday life but our attitude toward it seems we all have a habit of criticizing the other fellow or just passing on the rumor. I know we have a lot of time in Morton but easily we can channel our thought to constructive thinking.

Big people talk about ideals. Average people talk about things and little people talk about each other. Try not to make the common mistake of measuring peoples social status by the wheelbase of their car — for better and richer progress in Morton.

Installing officers . . .

THE INSTALLING OFFICERS are shown here at the installation of new officers for the Rainbow Assembly last Saturday. They are: Ruthie Smith, Past Worthy Advisor; Peggy Thomas, Jr. Past Worthy Advisor as Musician; Pam Reynolds, Past Grand Immortality serving as installing officer for the other officers; Mrs. Cecil Wylie, Mother Advisor, Concord Assembly of Concord, California, Vickie Goodman, Past Worthy Advisor, and Karen Fred, Past Worthy Advisor as Chaplain.

"Hail! How now?" So goes the conversation these days in Mrs. Masten's English IV classes at MHS. The classes have been studying Shakespeare's "MacBeth", acting it out in costumes. Some of the boys look pretty good in short skirts! The acting was not exactly professional, but the daily performances were good learning experiences for the kids.

The Speech department has picked two plays, a comedy and a tragedy, to be performed at the county auditorium, a week from today, February 20. Both are one-act plays, so the program should not be more than an hour long.

The members of the science department have started to work on their science projects and research papers which is the annual custom at MHS. The Science Fair will be held Tuesday, March 4, on the night of the all-school open-house. Winners in the local fair will go on to Levelland. Winners there will go to the regional fair in Lubbock, and winners in Lubbock will go on to the National Science Fair. Last year, Dale Greer, who was a senior, went all the way to the National level, and we hope to have more to follow in his footsteps this year.

Several meetings were held last week at MHS. The seniors met with Mr. Robert Taylor, counselor, to discuss plans for a meeting to be held March 12, with representatives from South Plains College in Levelland and West Texas State University in Canyon. The purpose of the meeting will be to assist those seniors planning to attend college with their registration.

Also, the junior class had a meeting to discuss plans for the up-coming Junior-Senior banquet. The decoration committee has already begun plans and preparations for this event.

The Pep Squad held a meeting to order pins for the members.

In basketball action last week, the Morton Indians faced the Denver City Mustangs Friday night, and were downed by only four points. Then, they went on to soundly defeat the Post Antelopes Friday night. Tomorrow night, the team will meet here with the Frenship Tigers, and Tuesday night will wrap up the 1969 season with a game at Idalou. Ya'll come see these last two!

Once more, the news around the Teen Scene has expired, so bye for now! Stay Happy!

MORE LIGHT OUTDOORS

Diane Avery installed as Rainbow Worthy Advisor

Miss Diane Avery, daughter of Mr. and Mrs. Weldon Avery, was installed by her aunt, Mrs. Cecil Wylie, Mother Advisor, Concord Assembly No. 15 of Concord, California, as Worthy Advisor for the Morton Rainbow Assembly No. 293, Order of the Rainbow for Girls, Saturday, February 8, in the Masonic Hall.

Other installing officers were Miss Pam Reynolds, Past Grand Immortality, acting as installing officer for the other officers: Miss Karen Fred, Past Worthy Advisor, as Chaplain; Miss Ruthie Smith, Past Worthy Advisor, as Marshal; Miss Vicki Goodman, Past Worthy Advisor, as Recorder; and Miss Peggy Thomas, Jr. Past Worthy Advisor, as Musician.

The invocation was given by Jerry Winder, followed by a welcome by the Mother Advisor, Mrs. Billye Winder.

Other officers installed to serve with Miss Avery are: Sue Winder, Worthy Associate Advisor; Diane McCasland, Charity; Glorietta Gray, Hope; Cindy Gunnels, Faith; Ruthie Smith, Recorder; Vickie Goodman, Treasurer; Ann Winder, Chaplain; Janice Hall, Drill Leader; Sherry Fred, Love; Vickie Kennedy, Religion; Renee Anglin, Nature; Susan Rowden, Immortality; Mikella Windom, Fidelity; Rebecca Greene, Patriotism; DeAnn Ramsey, Service; Carolyn Gray, Confidential Observer; Arlene Crow, Outer Observer; Karen Fred, Choir Director; and Mother Advisor, Mrs. Billye Winder.

These members were installed in the choir: Linda Gandy, Vicki Hodge, Rita Bedwell, Jane Wells, and Debra Williams.

Following the installation of the officers the following Masons and Eastern Stars were installed as the Advisory Board for this year: Mrs. Connie Gray, Mrs. T. A. Rowland, Mrs. Kenneth Watts, Leonard Groves, Mrs. Ruby Goodman, Mrs. Tip Windom, Bob Travis, Carroll Shelton, Mr. and Mrs. Gib Dupler, and Mr. and Mrs. Jerry Winder.

Miss Avery introduced her family and grandparents, Mr. and Mrs. Neal Smith, as well as her aunt and uncle, Mr. and Mrs. Cecil Wylie; she also introduced her brother, Dennis Avery. Diane chose as her theme, Happiness; her motto is "A smile costs nothing, but gives much"; the symbol is a "Smile"; blue and gold are her colors with the carnation as her flower.

Diane chose Proverbs 3:13 as her scripture, "Happy is the man that findeth wisdom and receives understanding from God's word and life's experiences."

Miss Peggy Thomas was presented with a gavel was presented to Glorietta Gray, Hope, by Mrs. Connie Gray, representative of Eastern Star.

The Rev. Fred Thomas, pastor of the First Baptist Church, gave the benediction.

A reception was given in honor of Diane by Peggy and her mother, Mrs. Bud Thomas. Approximately sixty people attended the affair.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

How
 shalt love the Lord thy God with all
 thy heart, and with all thy soul,
 and with all thy strength,
 and with all thy mind; and
 thy neighbor as thyself.

Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose ... and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.
