CofC membership drive is paying dividends

The concentrated drive to build up the Morton Area Chamber of Commerce and shape it into a more area-wide organization is beginning to pay substantial dividends, according to Leon Kessler, Chamber manager.

The current membership drive has resulted in the signing up of 14 new members to date and is to continue indefinitely, Kessler said. Strong emphasis is being placed on enrolling area farmers and other rural members and the effort has paid off in the signing of eight of the new members as farmers.

This brings the total membership enrollment of the Chamber to 89 members. "We expect to continue signing them up indefinitely and by fall we should go well over the one hundred mark," Kessler said.

The current membership drive began May 1 and was to continue only 10 days, but the board of directors made a decision to make it a more-or-less year-around function. "It doesn't seem practical to limit the quest for new members to just a few days out of the year, especially when that period falls during some of the busiest days of the year," he said, adding that "the original drive this year started right when the farmers and agribusinessmen were their busiest with cotton and feed grain planting activities."

Two teams of ten men each have been vying with each other in a contest to see who can sign up the most members. One team is captained by Ray Griffith and the other by Bud Fountain. No announcement has been made concerning which team has enrolled the most up to the present.

From here on we will drop the team configuration and everyone will work on an individual basis in signing members, Kessler indicated. He urges anyone who

is interested in joining the Chamber of Commerce to get in touch with the Chamber office or any member, who will be glad to give them any needed information and point out to them the advantages of being a Chamber member.

Kessler explained that there is no set charge for membership, either on an individual basis or as a business. Charges are on a sliding scale based upon many factors, among which are the size and volume of a business or the size of a farm operation.

The latest major project being undertaken by the Chamber is the formation of a welcoming committee to greet newcomers and make them feel welcome. At the present time, the merchants and

Grand Jury returns 12 indictments here in Monday session

A total of 12 indictments were returned by a Grand Jury sitting in 121st District Court here Monday. Charges ranged from burglary, to assault with intent to murder to escape from prison and aiding in a prison escape.

Two men were indicted on two counts, one on three counts and five on one count each. All are either in custody or have been released on bond except one who was indicted for theft. He is still at large and the indictment is awaiting custody.

Those indicted and their present status are as follows:

Otha Ray Hightower, three counts of burglary, free after posting \$500 bond.

Louis Martinez, two counts of burglary, remaining in custody at Cochran county jail.

Jessie Prieto, burglary, free on \$1,000 bond.

Paul Cisneros, burglary, free on \$1,000 bond.

Arcadio Ysasaga, aiding prisoner to escape, free on \$2,500 bond. He had remained in jail under \$10,000 bond for approximately two months but was able to post bond after District Judge M. C. Ledbetter reduced bail following the Grand Jury action.

Rayfaul Fulton, assault with intent to murder with malice aforethought, remaining in custody in lieu of \$10,000 bond.

Tomas Ramos Ysasaga, one count of escape from prison and one count of theft, remaining in custody of Hockley county officials where he has been awaiting a hearing on revocation of probation received on a previous conviction. The hearing was held Tuesday at Levelland before Judge Ledbetter and the probation was ordered revoked. He faces indictments in several counties and cities and disposition of his case will not be learned until a later date.

C. F. Winder was foreman of the Grand Jury which sat in a day-long session in returning the indictments.

Restaurant To Open...

THE DINING ROOM AREA of the new Villa Restaurant which is set to have its grand opening Friday night is shown as it was made ready for the gala event. In addition to the dining room, which will specialize in steaks, chops and chicken, the facilities include a breakfast and short order area, a game room and a private dining room. The opening is set for 8-11:30 p.m. Friday after which the regular hours will be 7 a.m. until Midnight with the dining room open from 5 p.m. to midnight.

New restaurant to debut with grand opening Friday

Another major place of business is scheduled to take its place in Morton's economic scene this week.

The Villa Restaurant on the Levelland highway will hold its grand opening Friday from 8 to 11:30 p.m., Calvin Frey, owner, has announced. The restaurant will consist of a dining room, a short order area, a game room and a private dining room and is located in the former

bowling alley building at the east edge of town.

The main dining room will be open from 5 p.m. until midnight and will feature steaks, chops, chicken and shrimp, Frey said, and "we hope will afford the people of Morton and the surrounding area a much nicer than normal place to enjoy the best in food."

Normal hours for the breakfast and short order facility will be from 7 a.m. until midnight and besides breakfasts will feature hamburgers, cheeseburgers, giant hot dogs and many other sandwiches.

Dining room decor includes deep red tablecloths, candle light, flowers on each table and artistically placed planters and paintings.

Entertainment during the grand opening will feature Anne and John, well-known area musical combo, with Anne doing the vocals accompanied by John on the guitar. There will be no charge for the entertainment and the public is cordially invited to help launch the new business onto the local scene, Frey stated.

Deadline for transfers near, states Travis

Bob E. Travis, superintendent of Morton schools, announced Monday that the new law regarding school transfers cancels the old deadline of June 1 and that applications for transfers will be accepted in his office through June 16.

Travis pointed out that the new law not in effect provides that students desiring to transfer should apply directly to the superintendent of the district to which they desire to transfer, rather than to the county superintendent as formerly.

A total of 17 students who live outside the Morton district had applied for transfers by Monday, Travis reported.

Morton 'Trades Day' is gaining momentum

Happy countenances on the part of lucky drawing prize winners and on participating Morton merchants were everywhere in evidence as the third "Trades Day" came to a close here Monday.

After a slow beginning with its inauguration on the first Monday in April, the event has apparently gained momentum with the second and third bargain days. Merchants have reported increased sales volumes and enthusiasm by the shoppers has been indicated through steadily increasing gift drawing registrations and word of mouth conversation.

It is still too early to have gleaned any really valuable information through the screening and analysis of the registrations.

Griffith to go to MIT

Curtis C. Griffith, 16, a 1969 graduate of Morton High School, has been accepted as a freshman electronics engineering student at Massachusetts Institute of Technology in Boston.

Griffith was also accepted in the Honors Program at Michigan State University, Lansing, as an Honors Freshman. He has rejected membership in the very select group at Michigan in favor of MIT. Griffith will carry a minor in management at MIT.

Griffith is the son of Mr. and Mrs. Karl Griffith of Morton. He was a finalist last year in the National Merit Scholarship program.

Strange Fruit...

THE A. R. LINDSEY'S of 802 S. W. Sixth St. discovered a strange looking object in their peach tree recently that didn't look at all like peaches. On closer inspection they discovered it was a migrant swarm of honey bees who had selected their peach tree for a brief rest stop in their quest for a new home. Mr. H. L. Coon placed one of his hives near the swarm in an effort to capture the bees, but was having very little luck when the Tribune photographer snapped their picture.

Headstart, language programs underway in Morton schools

The annual Headstart program got underway at Morton schools on Monday, with a near-capacity enrollment, according to Harold Drennan, director.

The week program is designed to help disadvantaged children for entering first grade next fall. The program is to enroll 60 children.

Volunteer aides are needed each week with the program. Persons interested are urged to contact the Morton Elementary School.

It was announced that a bus route will be established within the town of Morton to transport the Headstart children to school.

Spanish-speaking children of the Morton area will join more than 200 other children who have grown up speaking only Spanish.

The classes for non-English speaking children will be handled as an integral part of the Headstart program, according to Drennan.

Starting Monday, June 9, the children will be placed under the joint supervision of veteran teacher Mrs. Iva Wilcox and Rev. Moises Padilla, Jr., local pastor.

The classes for non-English speaking children will be handled as an integral part of the Headstart program, according to Drennan.

The preschool program for non-English speaking children developed by the Education Agency will give each child a working knowledge of the English words he will need to begin the first grade in September.

Each child will receive at least two hours of instruction each day and 120 hours of instruction during the program. One of three plans will be used in scheduling: 40 days of

at least three hours a day, 50 days of at least two and one-half hours a day, or 60 days of at least two hours a day.

This plan, first authorized by the 56th Legislature in 1961, is financed by the Minimum Foundation Program. All non-English speaking children who will reach age six by September 1 of the 1969-70 school year and who will be slated to enter the first grade are eligible. Some 15,379 youngsters are expected to attend the special classes this year.

Rev. Fred Thomas resigns as pastor of First Baptist Church

The Rev. Fred Thomas, pastor of the First Baptist Church in Morton for more than nine years, resigned Sunday, June 1.

Thomas, 45, has been pastor of Cochran County's largest congregation since January 1, 1960. He came to Morton from Lovington, New Mexico, and had previously pastored churches in Whitharral, Texas, and in East Texas.

The resignation was submitted to the church at a business conference on Wednesday, May 28, with the request that the church act upon it on Saturday, June 1. Upon a recommendation from the church's deacons that the resignation not be accepted, the church voted by secret ballot to reject the resignation. At the evening service, Thomas again requested that the church accept his resignation. It was accepted unanimously by a show of hands.

"For the past nine and a half years, it has been our privilege to pastor and lead a great church," Thomas stated. "We wish to extend to the church our gratitude for your support, for your loyalty in our common cause, and for your diligence in the spread of the Gospel."

During Thomas' tenure, some 300 persons have been baptized into the congregation. A new educational wing was constructed and a new pastorium was purchased at 608 E. Grant in 1962.

Active in denominational affairs, Thomas is currently in the third year of a three-year term as a member of the Executive Board of the Baptist General Convention of Texas. He is a director of Plains Baptist Assembly Encampment and has served as camp pastor.

Thomas has served twice as president of the church.

Slaughter ranch headquarters are oldest buildings in county

ELVIS E. FLEMING

During the year we caused to be noted what we considered to be one of the most substantial, comfortable and well arranged Ranch Headquarters possessed by any ranch in this country."

Thus did the annual report of the board of directors of the C. C. Slaughter Cattle Company of December 1, 1915, describe what have now become the oldest buildings in Cochran County. The ranch headquarters is located about two miles south of the present site of Morton.

The building is of adobe, covered with a thick layer of concrete, with concrete floors and porches throughout, with wings facing due north and due south, a summer house between the east and west wings, the entire structure built around an open patio on the west side of the Spanish Hacienda.

Besides the regular rooms for the employees, and the dining room and kitchen, there are six bed rooms and bath rooms for the use of the Stockholders of the Company."

The stockholders of the company commented on the C. C. Slaughter and his wife's children.

After noting that the house and yard were enclosed by a heavy wire fence and all the materials in the new head-

quarters were of the "strongest, most substantial and durable materials," the annual report, which was prepared by E. Dick Slaughter and A. A. Slaughter, declares that "the total cost of the new headquarters is \$3,600.00."

"The bunk houses, blacksmith shop, store rooms and out houses usual to a ranch have been moved to a regular line back or west of the new headquarters; the orchard and gardens have been newly fenced with a substantial woven wire and steel post fence, and the Headquarters as an entirety presents a most attractive appearance; we believe they are entirely suited to the needs of the Ranch, and the comfort of the Stockholders when visiting the property."

Life on Texas' Last Frontier in 1915 was not without its drawbacks. Noting the relative progress of the ranch in stamping out scabies, prairie dogs, loco weed, and pleased with the success of the ranch in hauling its own freight, in establishing new windmills, and in experimental farming of grain sorghum, the report reflected disappointment with frontier communications.

"Convinced as we are that the makeshift telephone line which we have formerly had on the Ranch as the only com-

Dena Smith-Robert Taylor solemnize wedding vows

Miss Dena Smith became the bride of Robert Werling Taylor at 7:30 p.m. Thursday, May 29, at the First Baptist Church. The Rev. Fred Thomas officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. V. C. Smith of Morton and Mr. and Mrs. Harry Taylor of Calera, Oklahoma.

Given in marriage by her father, the bride wore a formal gown of white peau de soie featuring long bell-shaped sleeves and a floor length train. The dress and train were accented with white lace. Her shoulder length veil fell from a cluster of "forget-me-nots." The bride carried a cascade of white roses encircled with white daisies atop a white Bible.

Miss Janette Cooper of Morton was maid of honor. Serving their sister as bridesmaids were Mrs. E. V. Haggard of Odessa and Mrs. Jerry Elliott of Houston. Michelle Haggard served as flower girl. They wore street length princess dresses of yellow silk featuring long bell-shaped sleeves and a stand-up collar. The collar and sleeves were accented with yellow daisies. Their headpieces were short yellow veils falling from a cluster of yellow forget-me-nots. They carried nosegays of yellow roses encircled with white daisies.

Jack Taylor of Westbend, Wisconsin served as best man. Groomsmen were Elbert Haggard of Odessa and Fred Weaver of Morton. Ushers were John

Stoddale of Morton and Steve Schmidly of Levelland.

Miss Lana Smith, sister of the bride, sang "Walk Hand in Hand" and "Whither Thou Goest" accompanied by Miss Scharla Crump at the organ.

A reception was held at the patio of the church.

Following a wedding trip to Fort Worth, the couple will reside in Canyon where they will attend summer school at West Texas State University.

Mrs. Taylor is a 1969 graduate of South Plains College. Her husband is a graduate of West Texas State University and is counselor for the Morton School system.

Lanya Dolle honoree of shower Saturday

Miss Lanya Dolle, bride-elect of David Gentry, was honored with a lingerie shower Saturday in the home of Patsy Collins.

The table was laid with a white net and lace cloth with an arrangement of white daisies as the centerpiece. Punch and cookies were served to the guests.

Hostesses were Patsy Collins and Janelle Nebhut.

Those attending were: Mrs. C. E. Dolle, Beverly, and Kathy; Mrs. Roy Gentry; Mrs. W. G. Heflin; Mrs. F. J. Collins; Mrs. Dexter Nebhut; Shirley Miller; Deleta Nebhut; LaNelda Hamilton; DeAnna Coats; and Sharon Hall.

Weather once again turns its wrath on Little League action

Old man weather got back into the act at Little League Park this week as heavy thundershowers shortened a game between the Giants and Sox Tuesday night to four innings. The Giants were leading 6-3 when the rains came and were awarded the victory by that score.

In Monday night's opener the Giants dropped the Cards in a foreshortened game due to the time limit. The Giants were leading 17-5 when the deadline arrived and were awarded the win by that margin.

Kenneth Standmire went all the way on the hill in leading the Giants to victory with Kirk Mayon behind the plate.

Richard Williams started on the mound for the Cards and was relieved in the second by John Hodges. David Silhan went the route behind the plate.

Monday's nightcap saw the stampeding Colts run roughshod over the Sox by the margin of 18-7. They jumped off to a 9-0 lead in the first inning and were never to be headed after that.

The Sox scored 3 in the third, 1 in the fourth and 3 in the fifth, only to see the Colts tally 5 in the third, 3 in the fourth and one in the fifth to ice down the victory.

Chuck Dupler was the mound ace for the Colts with Lanny Tyson receiving. James Snitker was on the mound for the Sox with Kevin Franks catching.

The Colts just keep piling up those wins and it appears they are going to run away and hide from the rest of the league.

Tuesday's action began with the once hapless Pirates belting out a 13-5 win over the Cubs. The Cubs have been having problems with a shortage of personnel and their lack of depth was apparent in the error-plagued game they played against the Pirates. The baby bears looked a little rugged at first as they jumped out to a 1-0 first inning lead, but sputtered after that as the Pirates tallied 2 in the second, 4 in the third, 3 in the fifth and 4 in the sixth to put the game out of reach. They did make a rally in the sixth, scoring 3 after having added one in the third, but the game was too far against them to catch up.

Rusty Lamar went the distance on the cd behind the plate and was relieved in the second by Franks when most of the

mound for the victorious Pirates with Doug Barker doing the catching. David Ramby started on the hill for the Cubs and was relieved in the second by Tony Soliz who went the rest of the way. Tommy McClintock caught the entire game for the Cubs.

Tuesdays second tilt, as mentioned above, was abbreviated by rain with the Giants receiving a bargain 6-3 victory over the Sox. The Giants had scored 2 in the first, 3 in the second and 1 in the fourth to roll up their margin of victory before the Sox, who tallied 1 in the second and 2 in the third could get their time at bat in the fifth inning.

Lonnie Harrison was the winning pitcher for the Giants with Kirk Mayon receiving. Losing pitcher for the Sox was Kevin Franks who was relieved in the second by Mike Williams. Randy Coleman start-lineup received a re-shuffling.

Golden Anniversary . . .

RIGHT LIGHT

THE PROFESSIONAL PHOTOGRAPHER
 gives careful thought and study to lighting his subject. Contrasts must be right and reflections must be right to achieve the best effects.
 Individuals' lives reflect how they think and what they believe. Our lives count most, when we attend church regularly and walk in the light of the Lord.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

CC designated test center for ACT test

Lubbock Christian College has been designated as a test center for the American College Test on Saturday, July 19. Robert Hawkins, Test Center Supervisor, said, "High school students who want to take the test on July 19 must acquire Test Registration Form and mail it, along with their \$6.00 fee, by Monday, June 16."

The necessary registration form may be acquired from Hawkins at Lubbock Christian College or by writing to Dr. Thomas L. Odom at 1626 50th Street, Lubbock, Texas 79412.

Ninety-nine colleges and universities in Texas participate in the ACT program. Some colleges use the test results as admissions instruments and others use them primarily as counseling tools. The test battery consists of sub-tests in English usage, math usage, social science reading and natural science reading.

Guests were seated by Jimmy Collins of Morton, Mike Kitten of Slaton, Harvey Peoples of Weatherford, and Bruce Scha-

fer and Roger Gickhorn, both of Wilson.

Ellis Grimes of Morton and Arthur Wuensch, Jr. were candlelighters. Melisa Shaw was flower girl and Greg Ehlers of Wilson was ring bearer.

Wedding music was presented by Mrs. Leonid Jirgensons, organist, and Kent Graham, soloist.

A 1963 graduate of Cooper High School, the bride attended Texas Tech and completed training at Methodist Hospital School of Medical Technology. She is employed by Physicians Pathology Service in Lubbock.

The bridegroom graduated from Morton High School in 1964 and South Plains College in Levelland in 1966. He received a B. A. degree in government from Tech.

After a wedding trip to Corpus Christi the couple will make their new home at 2730 68th Street in Lubbock.

Comfortable sleeping

Comfortable cotton sleeping bags will be enjoyed by the whole family for camping or big houseparties. Styles come with water-repellent cotton covers and warm liners of cotton flannelette. The sleeping bags are treated to resist mildew, and are machine-washable.

Ellis Butler resigns from Morton P. D.

Ellis Butler, Morton city patrolman, has resigned from the police department to accept a more attractive job offer elsewhere, according to Police Chief Charles Ellis.

Butler's resignation was submitted May 30, and his last day of duty was Monday, June 2.

He has not disclosed the location of his new employment nor the date of his leaving Morton, Ellis reported.

Butler had been a member of the department since Dec. 15, 1968.

of the Morton Area Ministerial Alliance and has also filled other offices in the organization. For several years, he has headed the Christmas drive which provides food and gifts for needy families.

Civic affairs have claimed the loyalty of Thomas during his Morton pastorate. He is chaplain of the volunteer fire department, served a year as president of the athletic boosters club, headed the Boy Scout drive three years, was a Little League manager three years, and was a director of the Babe Ruth League three years.

Thomas and his wife, Effie, have two children. Freddy, 20, who plans to enter the ministry, recently completed his sophomore year at South Plains College and will enter Baylor University this fall. Jeana, 15, the Thomas' teen-aged daughter, just completed her freshman year at Morton High School.

Attempt to be made to revive Cochran Red Cross chapter

Plans were laid Tuesday afternoon for a July 14 meeting the purpose of which will be to set up a nucleus of the Cochran County Red Cross chapter in an effort to revitalize the local unit.

Charles S. Fodor of Lubbock, field representative for the Red Cross, met with local officials and other interested persons in the office of Bill Crone, county treasurer.

Fodor pointed out that, for all practical purposes, the present county chapter of the Red Cross consists only of Bill Crone. Crone has worked with the Red Cross for ten years, the last three years without local support.

Officially, Crone is chairman of services to military families, but in fact he carries on all the work that is done locally by the Red Cross.

Crone pointed out that the goal for the proposed fund-raising campaign for 1969-70 was \$1,678, but no funds at all were raised. The expenses of the local chapter, comprised almost entirely of telephone messages to military personnel who have families in the county, are being paid for out of a Red Cross Youth fund which has been in existence some 25 years. Cochran County young people collected \$562 in the 1940's of which some \$271 remains now, Crone reported.

Fodor stated that the urgent needs of the county chapter are to secure a county chairman, a disaster chairman, a fund-raising chairman, a treasurer, and an assistant to handle emergency messages when Crone is out of town or otherwise unavailable.

Mayor Jack Russell of Morton pledged to help plan the July meeting and to contact prospects for the various offices.

Local youths attend 4-H Roundup at A&M

Four Cochran County youths left early Tuesday morning to travel to College Station to be participants in the Texas 4-H Roundup, scheduled for June 3-4 at Texas A&M University.

Some 1,800 4-H Club members from every section of the state were to enter judging and demonstration contests.

Representing Cochran County were Peggy Steed, daughter of Mr. and Mrs. N. H. Steed; Larry Hale, son of Mr. and Mrs. E. C. Hale; David Kessler, son of Mr. and Mrs. Leon Kessler; and Morton J. Smith III, son of Mr. and Mrs. Morton J. Smith, Jr. The four youths comprise an entomology judging team which has previously won the county and district judging contests.

County agricultural agent Roy McClung and Mrs. McClung accompanied the young people on the trip.

In addition to the 4-H members approximately 250 county and assistant county Extension agents and adult 4-H leaders, 200 Friends of 4-H and contest donors and 30 members of the board of directors of the Texas 4-H Youth Development Foundation participated in planned activities for Roundup.

James Cole named executive trainee in area Scout council

James Kenneth (Ken) Cole has been named an Executive Trainee in the South Plains Council, Boy Scouts of America, according to an announcement by H. W. Oehler, Lubbock, Scout Executive of the 20 county Scout Council.

Cole will succeed Robert O. Laws, Levelland, who resigned to enter private business in Dallas.

Cole assumed his new responsibilities June 1 in the George White District of the South Plains Council. The district encompasses Hockley, Lamb, Bailey, and Cochran Counties.

Following a two month period as an executive trainee, Cole will attend the National Executive Institute for professional scouters at the Schiff Scout Reservation, Mendham, New Jersey. Following his return, he will be commissioned as a District Scout Executive with responsibility for working with an organization of volunteer leaders in the four county area.

Cole and his wife and two small children will move to Levelland from Plainview where he recently graduated from Wayland Baptist College with a degree in psychology. Mrs. Cole is a registered nurse.

Cole is a native of Collidge, Texas and entered the army following his graduation from high school there. Following his two years of military service, Cole returned to Dallas where he was employed in sales work before returning to college four years ago.

In making the announcement of the appointment of Cole, Oehler said that it was a part of the continuous effort of the South Plains Council to serve the Scout leaders throughout the 20 county area. Cole will work with more than 400 adult leaders in helping them bring the Scouting program to boys in all communities of the George White District.

\$101 less than last year's Impala with comparable equipment.

Impala Custom Coupe

Match that, anybody.

We give you an honest increase in car at an honest decrease in price.

Take the '69 Impala above. We improved the ride. Made it quieter inside. Added an anti-theft locking device. Put steel guard rails in the doors.

Still, this Impala with a 300-hp V8, Turbo Hydra-matic, advanced-design power disc brakes, head restraints, whitewalls and wheel covers is

priced \$101* less than in 1968.

The 300-hp V8 is priced \$40 less than last year's 275-hp. Turbo Hydra-matic costs less. Power disc brakes about half as much. Whitewalls a little less. Wheel covers about the same. And head restraints are now standard.

Upping value and dropping price. That's the way Chevrolet operates.

Putting you first, keeps us first.

WEE SMALL HOURS of night.
Snoozing peacefully in bed.
Dogs bark.
Warn of approaching strangers.
ARS ZIP UP drive.
Stop with much screeching.
Car doors slam.
Somebody shrieks.
Somebody squeals.
DOGS GO OUT of heads.
Middle-aged bones too tired to move.
Front door opens.
Screen door slams shut.
Several times.
SUCCESION of giggles.
Followed by silence.
Middle-aged bones grateful.
Blood curdling yell.
Walls vibrate.

Floor shake.
Windows rattle.
BED JUMPS.
War whoops.
Screams, moans, shouts.
Middle-aged bones rebel.
Consider calling police.
Instead yell for quiet.
RECORD PLAYER turned down little bit.
Middle-aged bones sigh.
Refrigerator door opened.
Refrigerator door shut.
Opened.
Shut.
Opened.
Shut.
GLASS BREAKS in sink.
Giggles.
Followed by more giggles.
Oven door opened.
Smell of burned food fills night air.
WAILS OF DISMAY.
Oven door banged shut.
Giggles.
Oven door opened and shut.
Whispers.
Oven door opened.
SQUEALS OF DELIGHT.
Must have done right this time
Only chewing sounds.
Middle-aged bones glad.
Late, late, late, late movie turned on.
CONSIDER POLICE AGAIN.
Once more yell for quiet.
TV turned down little.
Whispers, giggles, snickers, giggles.
Nothing like teen-aged girls slumber party.
Middle-aged bones wish were young bones once more.
Especially next morning.

which the committee plans to do when a donor is found to purchase the \$200 marker.

For 54 years, Slaughter ranch headquarters has watched Texas' Last Frontier change from a vast, wide-open prairie into one of the most advanced mechanized farming areas in the world. These buildings which have stood longer than any others in Cochran County could tell many tales if only we could hear them.

Slaughter

munication with the outside world, has been a total failure and a costly experiment, we have decided that the best interests of the Company will be conserved by the erection of a regular standard telephone line from Lubbock to the Ranch Headquarters."

The adobe buildings are still in use today; however, they have not been used for living quarters since 1964, when a new house was constructed for the Lloyd Miller family. Miller manages C. C. Slaughter Farms, which are owned by Mrs. Richard Bauer of Dallas, C. C. Slaughter's grand-daughter. The original buildings have been well-maintained through the years. A composition roof placed on the buildings in 1967 to replace the wooden shingles has detracted somewhat from the historical authenticity of the complex.

The Cochran County Historical Survey Committee placed an official Historical Medallion on the headquarters in 1962. The state has requested that the Committee erect an historical marker on Highway 214 just to the east of the buildings,
