

Indians roll on—defeat Farwell by 7-0 count

The fighting Indians of Morton High School proved for the second straight week that they are capable of scoring from anywhere on the field. They also established themselves as one of the top defensive powers in the area as they shut out the tough Farwell Steers 7-0, before an aroused hometown crowd.

The win, the second straight for Morton, marks the first time since 1967 that the Indians have won two in a row. The victory also was their second over a highly-rated class A power. Last week Morton

swatted down the Sudan Hornets, 13-3. Sudan and Farwell are expected to fight it out once again for the 3-A district crown. Sudan has shut Farwell out of the district championship for the past two seasons.

Also for the second week in a row, the Indians have produced the long scoring play. In this week's clash, sophomore Keith Embry took the honors with a 39-yard gallop up the right sideline on a keeper-rollout two minutes deep in the second quarter.

The play, set up by a pass reception by senior tackle Larry McClintock at the Farwell 44, marked the fourth long touchdown the Indians have displayed. In previous games Morton has scored on plays of 60, 52, and 50 yards.

With breaks, Friday's score could have easily been 28-0 Morton, but the Indians found the going tough inside the Farwell 20. The Tribe drove to the Steer three, two, and 10 yard lines in the fourth quarter, only to bog down and surrender the ball on downs.

It's rather hard for Indian observers to determine which has been the most impressive, their revitalized offense, or their rugged, determined defense. Both have contributed heavily in the two decisive victories over Sudan and Farwell.

Against the Steers, the offense, paced by Embry's 121 yards, rolled up 286 yards, all on the ground. The Indian defense, led by senior captain Jerry Steed, limited Farwell to 121 yards rushing. The Steers

MHS Homecoming underway

SPOILING FOR ACTION...

THE MORTON INDIAN football squad was spoiling for action as it took the field against the Farwell Steers last Friday night. Their determination paid big dividends, too, as they feasted on barbecued beef to the tune of a 7-0

victory before the hometown crowd. Friday night they will again be hosts, this time to the Ralls Jackrabbits, for the Homecoming game which is the last of the non-reference contests.

It's Homecoming at Morton High School and activities begin tonight at 8 p.m. in the high school gym with a festive coronation and pep rally.

Three MHS coeds will be crowned tonight in ceremonies open to the public. Crowns will be awarded to the 1969-70 Band Sweetheart, Pep Squad Sweetheart, and Football Queen.

Friday's events include a pep rally at 3 p.m. and an 8 p.m. clash between the Morton Indians and the visiting Ralls Jackrabbits. The Indians are favored to win their fourth game of the season.

Following the game, a reunion coffee will be held in the high school cafeteria for ex-students and teachers of Morton High School. The First Baptist Church will also sponsor an after-game fellowship for all students and teachers.

Under the sponsorship of the MHS Student Council, tonight's coronation and pep rally will feature entertainment by the high school band as the queen candidates are being spotlighted. Candidates for football queen include junior Micheline Marina and seniors Vicki Goodman and Peggy Thomas. These girls, elected by the football team, will be escorted by the nine senior members of the gridiron squad.

Candidates for Pep Squad sweetheart are junior Deloria Brown and seniors Mary Zienlinski and Jo Ann Fincannon. Band sweetheart nominees are all seniors and include Diane McCasland, Debbie Kuehler, and Zoellen Ledbetter.

J. Wayne McDermott, student body president and MHS senior, will host the gala ceremonies and will be assisted by several members of the Student Council.

Morton's remarkable Indians, at full strength for the first time this year, will be shooting for their third straight win, a feat unmatched in several years. Having knocked over two strong class A powers, the Indians will be heavy favorites to down the winless Ralls Jackrabbits. Plagued with injuries, Ralls has lost six

4-H'ers in observance of 'week'

Cochran county 4-H club members are joining over 100,000 others in Texas and many hundreds of thousands throughout the United States in celebrating National 4-H Club Week, October 5-11.

The 4-H is a long standing organization in Cochran county and have become more and more active as the years have passed, Roy McClung, County Agent and supervisor of their activities, states. Part of the work of the county agent and the extension service is devoted to youth, and this includes the 4-H boys and girls, he added. McClung is assisted in 4-H activities by Mrs. Mary Harbin, County Home Demonstration Agent.

The 4-H is a program for young people who take part in farming, homemaking, public service, personal improvement and other activities. These boys and girls learn by doing.

Governor Preston Smith is an official memorandum states "Texas' 100,000 4-H Club members are observing National 4-H Club Week. The purpose of 4-H work is to give equal training to the Head, Heart, Hands, and Health of Texas young people and to help prepare them to be better leaders and citizens who will fit into society where their life's work may take them."

Gov. Smith continued, "4-H is a part of the educational program of the Texas A&M University Cooperative Extension Service and is supervised on the local level by county extension agents along with the help of 19,000 local volunteer 4-H leaders who are outstanding men and women in their local communities."

"Texas 4-H members, working with over 200,329 educational learn-by-doing projects, apply the latest research and scientific information to their work, keeping

records, arranging exhibits and giving demonstrations as a means of passing information learned on to others.

"The leadership and citizenship which 4-H members receive is a valuable asset to our domestic way of life."

The governor has urged all citizens to support and encourage the work of the "To Make the Best Better" organization.

Each 4-H Club meets at least monthly. Each meeting generally has an educational feature, such as a lecture, discussion, demonstration, tour, or motion picture related to the club's projects. Singing, playing games, and other recreation usually makes up the rest of the meeting. Adult leaders counsel the club members and share in their fun and activities.

Besides the regular meetings, clubs hold picnics, hikes, athletic contests, and festivals. Club members prepare exhibits at which they explain their projects. They have judging contests in which members learn to pick out good livestock, crops, and other products.

Budget approval given neighborhood center

The Cochran County Community Action Committee has been informed that an operational budget has been approved for the proposed Neighborhood center to be located in Morton. The center will be located in the former Eastside Elementary School.

The executive committee will meet this evening at 8 p.m. in the home of Evelyn Seagler, 609 E. Buchanan, for the purpose of interviewing any and all persons interested in becoming a permanent employee of the center. The person selected will be expected to strive to achieve the goals in the target areas set forth by the committee.

The next regular meeting of the committee will be Oct. 14 at 8 p.m. in the center. The public is cordially invited to attend.

Ceremonial set

The Morton Camp Fire Girls will hold a ceremonial, October 14, at 7:30 p.m. in the school lunch room. Parents and friends are invited to attend.

ONE WILL BE CROWNED...

ONE OF THE THREE beauties above will be crowned Morton High School Football Queen for 1969 at a coronation ceremony to be held at 8 p.m. tonight in the high school gymnasium. The coronation ceremonies will be held for three separate "Sweethearts", Band, Pep Squad and Football. The three football candidates above include, left to right, Vicki Goodman, Micheline Marina and Peggy Thomas. Pep Squad candidates include Merry Zienlinski, Jo Ann Fincannon and Deloria Brown. Band candidates are Diane McCasland, Debbie Kuehler and Zodie Ledbetter.

County Water, Inc., units to be recognized by parent group

Directors of Water, Inc. opened the way for full recognition of county units, launched a membership campaign, and heard a status report on the engineering of the Texas Water Plan from the U. S. Bureau of Reclamation Friday in Lubbock.

Sweeping by-laws changes ordered by the board give official recognition to county units of Water, Inc. and provide a means for the counties to have director representation on the parent organization's board.

County units have already been organiz-

ed in about a dozen counties in anticipation of the change.

The board action clears the way for broadening the base of membership through the county units which will work in the fields of membership cultivation and public education, and will serve as a sounding board for local needs and desires.

Any county in which at least 100 members of Water, Inc. reside, and in which a county unit has been formed, may petition Water, Inc. for district status and a district director.

County's first cotton ginned Wednesday

The first bale of cotton for 1969 in Cochran county was reported to the Tribune to have been ginned out at approximately 11:45 a.m. Wednesday at the County Line Gin.

Producer Maloy Simmacher reported that the cotton was hand-pulled off approximately 1½ acres of ground and the bale weighed in at 345 lbs. Seed production was reported at 920 lbs.

There were no premiums reported for the first bale.

In launching an "Every Member Get a Member" campaign, each of the directors attending the meeting pledged to sign up at least one new member during the next seven days. They called on present members to follow suit with enlistment of new members during the next 60 days.

Harry Burleigh, engineer in charge of the Austin office of the U. S. Bureau of Reclamation described engineering of the Texas Water Plan as on schedule with the Reconnaissance Report completion due in 1972. He described the plan, the largest ever proposed in the United States, as feasible from an engineering standpoint.

Burleigh has directed the bureau's activities in connection with the water plan which proposes to import water into the state, West Texas, Eastern New Mexico, and Western Oklahoma.

Car-truck collision injuries Whitface man near Morton Sunday

Henry Torres Pompa, 21, of Whiteface, was reported in fair condition by Methodist Hospital in Lubbock Wednesday following a car-truck crash east of Morton Sunday. Exact extent of his injuries were not disclosed but he is thought to have multiple pelvic fractures among others.

Another injury victim of the crash, Karen Redman, 6, of Rt. 2, Morton, was treated and released at Cochran Memorial Hospital shortly after the collision occurred, according to information received from T. A. Rowland, DPS investigating officer.

Rowland's report indicates that the smashup took place at approximately 12:15 p.m. Sunday six miles east of Morton on FM1780 when the loaded grain truck pulled into the highway from a dirt farm road. Mrs. Phyllis Redman was traveling east in her 1963 Oldsmobile when the truck reportedly pulled in front of her from the south.

After the collision, the truck continued across the highway where it came to rest in a ditch on its back. Pompa was said to have been trapped under the body of the truck for a time and in danger of suffocating from the several tons of loose mulo around him. Passing motorists finally dug him out, it was reported.

Darrell Redman, about four, who was riding in the back seat of the Oldsmobile was said to have escaped injury. No damage estimates were given on the two vehicles.

REACHING FOR THE SKY...

THIS FULLY-LOADED GRAIN TRUCK seems to be reaching for the sky following a collision with a passenger car six miles east of Morton on FM 1780 at approximately 12:15 p.m. Sunday. The driver, Henry Pompa, 21, of Whiteface, was reported in fair condition with injuries Wednesday at Methodist Hospital in Lubbock. Karen Redman, 6,

a passenger in the car, driven by Mrs. Phyllis Redman of Rt. 2, Morton, was treated and released at Cochran Memorial Hospital soon after the accident. Pompa was reported trapped under the truck for a time and in danger of smothering in the grain until passing motorists rescued him. Man points to auto door caught on bumper.

District 4-AA has impressive record in non-district play

District 4-AA put on its most impressive show of the season last Friday night as members rolled to five victories against only one loss in non-conference play. The 5-1 mark leaves the district with a 58-34 record with one week to go before conference play begins.

Besides Morton's impressive 7-0 upset over Farwell, Tahoka came from behind to kown winless Plains 19-14 at Plains, and Post rolled over Roosevelt 25-21. Idalou, who is still looking for its first win, fell to Lockney 34-8.

INDIANS ON THE MARCH...

STRONG BODY CONTACT that was typical throughout the game with the Farwell Steers is apparent here as the Indians try to clear the way for one of their speedy backs in the second quarter Friday night. During the game they did manage to clear the way enough for one touchdown

which was all they needed to defeat the Steers 7-0 and improve their record to 3-1 for the season. Farwell was considered the strongest team the Indians will play in pre-conference competition, and they proved to be just that, mounting several goal line stands and making a fight of it all the way.

Voter registration now open for 1970 election balloting

Registration for balloting in the 1970 voting year is now open in Texas. Here is a detailed look at the voter registration information: The period for registering to vote in the 1970 elections begins on October 1, 1969, and ends on January 31, 1970. The 1970 voting year begins on March 1, 1970, and ends on February 28, 1971. This is the period for which the registration is effective. Necessity for registration. The general

rule is that no one can vote without having registered. A former exemption from registration for persons over 60 years old who did not live in a city of 10,000 or more inhabitants is no longer in effect. The only major exception to the general requirement for registration is for persons who are absent from their county of residence in active military service. Qualifications for voting. The required qualifications for voting are: 1. Citizen of the United States. 2. Over 21 years old on the day of the election. 3. Resident of the State for at least one year immediately preceding election day. 4. Resident of the county for at least six months immediately preceding election day-required for voting in local elections but not required for voting on statewide offices and issues. (Residence in the city for six months is required for voting in city elections.)

CC Hospital Auxiliary urge members to work

The Cochran County Memorial Hospital Auxiliary met Tuesday, October 7, in the lobby of the hospital. Mrs. Evelyn Seagler presided over a brief business session. Mrs. Pat Mullinax and Mrs. J. C. Reynolds gave ideas gathered from the District One Area 11 Texas Association meeting in Lubbock. The group voted to carry out some of the recommendations for better service to the patients. One, will be a "Forget me not card" with often forgotten items such as combs and toothpaste. Another will be trays favors for special occasions and verses of scripture on Sundays. Members plan to make pictures of the new babies and present them to the mothers. Mrs. Willard Henry volunteered to help Mrs. Lovell Jackson with the Candy Strippers. The members were urged to report for work and serve wherever needed, as winter with its accompanying ills will soon be upon us, all volunteers will be needed.

Junior High grid teams play out-of-town-tilts

Morton's football program was at full swing this week as its teams went through a 10-game schedule in eight days. Tonight Morton's seventh and eighth grade teams travel to Sudan for football tilts while the Indian freshmen take on Farwell at Farwell in an effort to win their first game.

Last week the freshmen dropped a 6-0 decision to Idalou.

The eighth grade, paced by David Palmer and Larry Thompson, rolled to a 14-6 win over Idalou. Palmer scored all the Indian points, banging for TD's in the first and third periods. He also picked up 80 yards on 8 tries. Larry Thompson picked up 120 yards in 10 carries.

The seventh grade dropped a 36-6 game to Idalou, in spite of a 165-yard performance by Tony Soliz. Morton's eighth A team stopped Seagraves, 28-14. Larry Thompson scored three TD's and Jerry Silhan one.

Tuesday, the eighth grade A and B team met Seagraves. The B team lost, 22-2 to the visiting Eagles. Morton's eighth A team stopped Seagraves, 28-14. Larry Thompson scored three TD's and Jerry Silhan one.

Mrs. Kennedy speaks to Busy Sewing club

"What a tangled web we weave, when first we practice to deceive," was the topic of a speech given by Mrs. Myrtle Kennedy at the October 2 meeting of the Busy Fingers Sewing Club. The meeting was held in the home of Mrs. Henry Bedwell. "Smile," the club song was led by Mrs. Rolly Hill and the prayer was read by Mrs. Boydston. Mrs. Nath Crockett read the scripture. Those present were: Mesdames Benham, Kennedy, Miller, Taylor, Barrett, Markham, Boydston, Hill, Cooper, Stracener, Crockett and the hostess, Mrs. Bedwell who served cake, pie, fruit salad, coffee and cold drinks to the members.

Auto insurance rate increase to go into effect in November

The long-expected hike in automobile insurance rates has finally been approved and car owners will soon find themselves paying almost 10 percent more for their coverage. The State Insurance Board has approved a 9.9 percent rate increase to become effective November 1. The rate increase — delayed from Sept. 1 by a governor's committee hearings into spiraling auto insurance rates — will cost Texas insurance buyers an additional \$41.4 million in the next 10 months. The insurance board followed the governor's committee recommendations in cutting the increase from its originally proposed 11.4 percent to the 9.9 percent level. In a one-page news release announcing the rate increases, the board said "we will give careful consideration to the governor's study committee recommendation that investment income from unearned premium and loss reserves" be included in future rate-making formulas.

But the rate increases proposed for Nov. 1 were calculated on a formula that did not allow for profits made by insurance companies on their investments. Board actuary Sammy Sapp predicted the new rates will not allow the insurance companies to make as much as 5 percent profit next year, which could result in an even larger rate hike in 1970. State Insurance Board Chairman Ned Price said new automobile insurance rates will be announced today. The three-man insurance board already had postponed action for two months pending the recommendations of a special fact-finding committee appointed by Gov. Preston Smith. The committee recommended moves that would shave about \$6 million from the \$43 million proposed increase in rates Texas drivers would have to pay for the next year.

McMinn-Patton vows read in First Baptist Church

Miss LaRita Jean McMinn became the bride of Gerald Wayne Patton at 7:30 p.m. Saturday in the First Baptist Church. The bride is the daughter of Mrs. Ruth Patton and the groom is Mrs. Ruby Patton of Clovis, New Mexico.

The Rev. Harold Drennan stood before the altar with the bride and groom. The arrangement of palm leaves and fan palms was as he read the double ring service. Flanking the altar were spiral arrangements of white carnations and white chrysanthemums.

Miss Rheda Jane Brown, vocalist, was accompanied by Miss Karen Ray Rozell on the organ. The traditional wedding music was accompanied by "My Wedding Prayer," "Because" and the "Wedding March" from the Sound of Music.

Given in marriage by her Uncle, Jack Patton, the bride wore a floor length gown of white satin with a lace bodice and long elbow length bell sleeves of lace. A chapel train of lace accented the gown. A crown of matching lace held

the veil of silk illusion. The bride carried a colonial bouquet of white stephanotis topped with a white orchid on a white ribbon, given to the bride at a YWA White Bible Service.

Miss Deborah Miller of Levelland was maid of honor. Other attendants were Miss Janice Crockett, Karen Fred and Rheda Jane Brown of Levelland. They wore street length A-line dresses of deep red velvet with bell sleeves. A wide velvet belt accented the waists and their headpieces were double bows of red velvet holding matching red tulle. Each carried colonial bouquets of white carnations and red roses.

Miss Kimberly Ann Fred, cousin of the bride, served as flower girl. She wore a red velvet dress with bell sleeves and her headpiece was a red velvet double bow. She carried a basket of red rose petals.

Bestman was Everett Bilbrey of Morton. Groomsmen were Royce Fred of Levelland and Freddy Merrill of Lubbock, cousin of the bride and Tommy Hudson of Morton.

Ushers were Steve Crockett, Tommy McClintock and Doug Crockett of Morton and Dean Williams of Lubbock, uncle of the bride.

A reception followed in the home of the bride.

The bride's table was covered with a white cut-work cloth underlaid with red satin. A bouquet of white gladiolas and red roses centered the table with a three-tiered wedding cake topped with white wedding bells and a crystal punch service at either end.

For a wedding trip to Colorado Springs, the bride chose a blue and white empire knit dress with matching cape and white accessories. Her corsage was a white orchid taken from the bridal bouquet.

Mrs. Patton is a 1968 graduate of Jessie Lee's Hair Design Institute and a 1969 graduate of Morton High School. She is presently employed at Ruth's Beauty Shop.

Patton is a 1966 graduate of Morton High School and served three years with the Armed Forces. He is employed at the Texas Highway Department, in Morton.

Mr. and Mrs. Patton will reside at 306 W. Lincoln.

Lazbuddie Longhorns blitz Antelopes 42-0

The Whiteface Antelopes host Tatum, Whiteface, Friday night in an effort to break a two-game losing streak. Game time for the Tatum contest will be 8:30 p.m.

This week's game is the last non-conference affair for the Antelopes. They will play the next week off before hosting Meadow Lake in the first district game on October 24.

The Lazbuddie Longhorns spoiled Whiteface's home opener last Friday with a 42-0 blitzing. Quarterback Monte Barnes led for three touchdowns in leading the Longhorns to the win.

Lazbuddie scored three times in the first half, once in the third and twice in the fourth in picking up the win.

Whiteface, now 1-3 for the season, hopes to add to the win column as they take on Tatum. The New Mexico visitors fell to Tatum last week, 21-7.

Fertile soil works wonders because one can find many more tiny plants and animals than there are people in the world. So say scientists.

NEWS from WHITEFACE

The Truth Generally Lies Under the Surface

The true facts about anything are seldom pure and never simple. Facts often are deeply hidden, like the seven-eighths of an iceberg which always lie under water.

When your newspaper reporter says to the mayor, or the school superintendent, or the chief of police, "May I ask you a question or two?" he is really "diving" for facts. He hopes to bring to the light of day other related names, figures, or relationships which will tell his readers a fuller story.

Good newspapers, good newspapermen constantly dive, dig, and probe beneath the appearances of things to their deeper, often hidden meanings and connections.

There are all kinds of newspapers and all kinds of newspaper-

men. Nobody ever claimed they were all perfect. But one thing is certain: No other agency, institution, or group of people of any kind is engaged in digging out and publishing important facts about our public life.

That's the job of a free and unlicensed press. This newspaper would like you to remember that during National Newspaper Week, October 5-11.

Protection

The signal light is man's guide to safer travel. However, they protect only as they are obeyed.

The Bible is God's Signal Light and guide for man's path through life.

"Thy word is a lamp unto my feet, and a light unto my path."

Through study of God's word, we learn His will for our life, and He will lead in paths of righteousness. **ATTEND CHURCH**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
