so, the Indians have not figured themes out of the district race. In spite of

their 14-0 loss to Frenship, the Tribe would still be very much in the running with a victory over Denver City. The Mustangs still have to face Frenship as well as a ce tough Post Antelopes, a team that knocked the Ponies out of the conference crown three years ago.

A good crowd of Morton fans are expected to journey the 54 miles to Denver City for the 7:30 contest.

For the first time in several years, the two teams are evenly matched. Both teams average 173 pounds in the line. The Indians, with an average backfield weight of 156 pounds, have a four-pound advantage among the runners. However, Morton has to take a back seat in the speed de-

partment as the Mustangs boast suffeness in the form of quarterback Gene Richardson and halfback Jimmy Youngblood. Richardson, Larry Clinton, and Ricky Hatfield have scored five touchdowns each for the Mustangs this year.

Richardson, a 150-pound veteran, has been the pacemaker for DC this season. He is the only senior in an otherwise all junior backfield.

Senior right tackle Steve Rankin, a 199pounder, is the line leader for the Mustangs. Denver City will start four senior linemen, two juniors, and one sophomore. The Ponies are lightest in the end positions at 154 and 158 pounds.

Although Denver City has a rather un-

impressive 3-3 record, their losses have occurred at the hands of AAA powers, Kermit, Andrews, and Seminole. The Mustangs stopped Lovington, 12-0, and bombed Muleshoe, 78-0, and Idalou, 60-0. DC is 1-0 in district competition.

The Indians will take on the Mustangs without the services of their hard-running tailback, Terry Harvey. Plagued by recurring ankle problems, Harvey had to miss the Farwell game and took a sharp blow on the ankle against Frenship. Until last week, the 175-pound junior was the Indians' leading ground gainer with a six yard per carry average. Against the Tigers, Harvey rambled for 35 yards on 10 See MUSTANGS, Page 2a

(Christian Rural eas Program) will be held by the of several Morton Churches next On Wednesday evening, October 29-30, the youth will gather in Fellowfall of First United Methodist Church tructions and then canvass the city. mor Preston Smith has proclaimweek of October 26 through Novemst as Texas C.R.O.P Week. The nor in his statment said "World huns a major crisis of our time. Survey ate that seven personsdie each minute nunger and malnutertion, and that t of every three childernnow living arry through life some of the irreveeffects of food deficiency."

R.O.P. represents some 31 major delinations and carries on programs of relief in over 50 countries. It has responsibly handled over 4 billion pound of material aid during its 23 years of existence. Many churches which do not belong to the National Council participate in this program of overseas relief. It is the one project it seems on which practically all Christians co-operate. Regardless of what church a person may belong to, he can be assured his gift to C.R.O.P. will go to those most in need in various parts of the world.

All youth regardless of their creed or church are invited to participate. Rev. Rex Mauldin has been designated by C.R.O.P. as the county chairman for the drive this year.

Mauldin requets that residents leave their porch light on that night, Oct. 29th, so the youth will know of their desire to contribute. Contributions in checks should be made out to C.R.O.P.

Preparations reached the fever pitch in Morton during the week for the planned giant open house to be held October 30 at the Owen Bros. Custom Feeding Co. location east of Morton.

The preparations were nearing completion at press time and the 2,000 invitations to officials and dignitaries throughout the state and the entire Southwest were being readied for mailing.

Highlight of the event will be a talk by Governor Preston Smith who confirmed the speaking engagement several weeks ago. The governor will be introduced by State Representative Bill Clayton of the 72nd Legislative district which includes Cochran county.

A large number of government officials, bankers, meat packers, shippers and producers are expected to be on hand for the open house celebration.

One hour more evens the score, or-DST please leave me be!

That ol' night we have been waiting for these long dreary months is almost upon us again! Do we mean Halloween?, Thanksgiving? — Christmas maybe? Naww, we mean that lovely night when we recapture that extra hour of sleep we were conned out of last April. Yeah, that's it, the annual demise of Daylight Saving Time, which takes place in the wee hours of Sunday Morning, October 26.

Happiness is setting the alarm for 2 a.m., waking up when it goes off and, with a flourish, setting the time back one hour! Ummm, how sweet it is!

Our money, however, is on the resourceful breadwinner who, with a wicked gleam in his eye at bedtime, sets the alarm for his usual hour of six or sixthirty, and when it emits its clarion call, re-sets it for one hour later and then turns over and burrows down for that extra hour at a time when it really counts. Now there is a thinking man.

It might be added that sympathies should also be with the minister who works deep into Saturday night preparing his sermon and forgets to change the clock, only to arrive for services Sunday morning and find bare parking lots and empty chapels to greet him. He may feel like the forgotten man until he realizes what is holding up his congregation!

Whatever our feelings may be on the subject, Daylight Saving Time does officially end at 2 a.m. October 26, and to stay in the swing of things, all clocks and watches should be set back one hour at that time.

Events of the day, which will begin at 1 p.m., are to include guided tours of the entire feedlot operation, an outdoor barbecue catered by the famous Chuck Wagon Gang of Odessa and the address by Governor Smith. Efforts are being made to obtain a musical organization to provide entertainment throughout the festivities but no announcement has been made on a commitment.

The Owen Bros. Company is being assisted in its preparations by the The Morton Industrial Foundation and the Morton Area Chamber of Commerce. "We expect this to be one of the biggest events to ever take place in this area, and we fully intend that it be properly planned and organized," a Chamber spokesman stated. "We have asked the residents of Morton, especially those who reside on the main thoroughfares leading in to town, to do what they can to clean up and fix up in an effort to present as good appearance as possible.

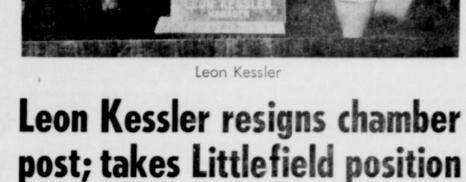

We hope they are heeding our request and I would like to urge them once again, that if they have not already done so, to please survey their property again and attempt to improve its appearance in any way possible.

Both organizations were highly instrumental in obtaining the locationing of

★ Little League

Morton Little League team managers and parents are urged to attend a meeting Tuesday, October 28 at 8 p.m. at the Wig Wam Restaurant. Election of new officers will be held.

Resignation of Leon Kessler as Morton Area Chamber of Commerce manager was accepted with reluctance at a special meeting of the Chamber board Friday, Ray Griffith, president, announced.

Kessler's tenure as Chamber manager will officially end on October 31, according to the announcement.

Reason for his resignation is to accept the position of Migrant Health Program Director at Littlefield, Kessler said. "I am very reluctant to leave Morton and all the fine people that I have come to know here, but it would be unfair to my family if I did not accept the fine opportunity offered me in Littlefield," he added.

"We will leave with a great deal of regret all the fine friends we have made in Morton and always will remember our years here with a feeling of pleasure and gratitude. The family will continue to live in Morton indefinitely, until I have time to make full arrangements in Littlefield. I will defenitely miss my Chamber work, even though the new position does offer a great challenge." Kessler concluded.

The migrant health program Kessler is to head is a federal project under the administration of the city of Littlefield.

No announcement of plans for a replacement had been made at press time.

Morton to move into 3-AA as result of district re-shuffle

Morton athletic enthulasists have long been wishing that Morton High School might somehow get cut of the same district with Denver City because the Mustangs have long dominated play. Well, Indian fans have gotten their wish answered, but whether the change will help or hinder Morton's chances in district competition is yet to be seen.

Last week, the University Interscholasdistrict 4-AA to 3-AA in order to give room in the latter conference for three new members. The change will be effective September 1, 1970. Schools moving up from class A into 4-AA are Roosevelt and Ralls. Slaton will also join the loop as that school is being moved down from class AAA

Present mabers of 3-AA are Friona, Lockney, Floydada, Dimmitt, Olton, Hale Center, and Abernathy. Hale Center will drop back to class A, but the district will be enlarged to eight teams with the addition of Morton and Littlefield, who is moving down from AAA competition.

After the shakeup, district 4-AA will include Denver City, Idalou, Tahoka, Post, Frenship, Ralls, Slaton and Roosevelt.

Revision of enrollment ranges for each classification produced more changes than

usual during the annual realignment. For class AA, the minimum average daily attendance number has been changed See 3-AA, Page 2a

★ Spanish course

The first of several courses to be offered by the Cochran County Community Action Center will begin Tuesday, October 28 at 7:30 at the center.

A driver's license course to be conducted in Spanish will be offered at that time. The course will be instructed by Rudolph Luna who is authorized by the Texas Department of Public Safety to conduct the course in Spanish.

There will be no charge for the course which affords an excellent opportunity for all those without a driver's license to qualify for one without the added difficulty of a language barrier.

FUTURE FOOTBALL STARS ...

THERE IS AN EVEN CHANCE that at least some of the group of football contestants shown above will go on to make their names and faces well known on some college campuses in the future. They are the winners of the various categories of the Punt, Pass and Kick contest held last week in Morton. Front row includes Sandy Coleman, Jeff Groves, Marty Whillock, Ronnie Campbell, Rodney Cooper and Henry Marina. Second row, left to right, Rusty Lamar,

Johnny Feitz, Danny Dobson, David Ramby, Mike Williams, Malcom Coleman and Jay Swicegood. Rear row, left to right, is Lanny Tyson and Randy Coleman. The five division first place winners traveled to Lubbock Saturday where they competed in the zone competition at Texas Tech. Though some placed high, there were no first places won. The five are Sandy Coleman, Ronny Campbell, Rusty Lamar, David Ramby and Lanny Tyson.

Costly fumbles and pass interceptions plagued the Indians' offensive attack throughout the second half of the crucial district contest. Morton ball handlers, usually performing without flaw, bobbled the ball five times and the Tigers came up with the pigskin on two of the occasions to kill Indian drives. And, as a 25 mile-per-hour wind played havoc with the ball, Frenship defenders picked off three Keith Embry passes to stop other Morton threats.

In spite of their miscues, the Indians still impressed hometown fans as they rolled up 219 yards offensively against a 200-pound line. Indian fullback Ralph Soliz scrambled for 98 yards on 21 carries to sustain his five yards per carry average. Embry connected on six of nine attempts, twice as many completions as he had in five previous games, for 83 yards.

The Tribe also knocked at the touchdown door twice during the first half to give the Tigers their toughest game of the season.

season.

The Indian defense also retained its ability to stop the breakaway threat as it held the speedy Johnny Carrizales to 84 yards on 17 attempts. Carrizales' longest gain was a 30-yard gallop on Frenship's first offensive play. Fullback Joe Rogans broke away for a 51-yard gallop, but the Morton defenders pulled him down at the Indian eight and then made a tremendous goal line stand.

The stiff southern breeze played favorites as it kept the south-bound team in the hole and thus the Tigers punched across their two counters with the wind behind them. After Morton had been stopped at the 28 and Mike Bryan had drilled a 37-See FRENSHIP, Page 2a

MHS freshmen win first grid game, eighth grade drops tilt

Morton's freshmen won their first game of the 1969 season and the eighth grade dropped their first game in football action last week.

Morton's Robert Silhan hit Ted Thomas for a scoring pass on the last play before halftime to give the Indian freshmen an 8-0 lead over Frenship in a contest played at Wolfworth. The Tigers punched across a touchdown in the third period, but the Morton defense stopped the extra point attempt, and then shut out he Tigers from hat point and brought home an 8-6

The Indian freshmen are now 1-5 for the year.

Morton's eighth grade team, as seventh graders, went undefeated last year, and had knocked over five straight teams this year, but Muleshoe spoiled the victory string Thursday with a 14-8 thumping of

yard punt into the wind, the Tigers mounted a scoring drive that moved 65 yards in eight plays. Carrizales romped to the Indian 35 on the first play, and from there the visiting Tigers punched the ball over. Clyde Strong scampered in from the nine to pick up the touchdown and Jake Rogans booted the first of two extra points for his night's work.

After exchanging punts twice, the Indians found themselves in good field position at the Tiger 47 and with the winds behind their backs as the second quarter got underway. The Tribe drove to the Tiger 12 as Soliz took a 17-yard pass to the 30 and then bulled to the 18 on the next play. A four-yard plunge by Terry Harvey and two yards by Embry set Morton up at the 12 with a third down and four situation. On the next play, Embry was nailed trying to circle left end and was dropped for a seven-yard loss. On fourth down he hit Lewis for nine yards but the play left the Tribe two yards shy of a first down and Frenship took over at the 10.

Frenship then drove out to the Morton 45, but Eddie Lewis picked off his second interception of the year and set the Indians up at the Frenship 45. Embry then put Soliz to work and he banged out 35 vards on four tries. Embry hit Elton for a five yard pass that kept the drive alive and Morton had a first and goal at the Frenship five. From there the Indians found tough going. Soliz got one to the four; Embry was stopped at the line of scrimmage on second down and then a busted play gained one yard on the third try. From the three, Embry tried a short pass but Frenship's Strong picked it off in the end zone and ran it out to the 13.

The Tigers added their second touchdown after picking up an Indian fumble at the Morton 31. Kim Morris passed 17 yards to Tom Durham for the score and Rogans' boot made it 14-0.

The Indians fumbled again on the kickoff, but stopped the Tigers from scoring at the 14. Morton then drove to the Frenship 31 before losing the ball on a fumble. The Tigers fumbled the ball back one play later, but three plays netted only four yards and Bryan punted into the end zone. Four plays later the Tigers fumbled at their 33 and Jerry Steed recovered for Morton. But Embry's pass was picked off by Carrizales on the next play. The Tigers then moved to the Morton 34 before the Indians held, but the Tribe failed to move beyond their own 42. Frenship punted to the Morton 14 four plays later, and from there, the Tribe moved to the Tiger 41 before Carrizales nabbed another pass to end the game.

from 225 to 230. The maximum range is 499; previously, it had been 450. Morton averages about 260 students in daily attendance in the top four grades.

Under the new setup a school that is twice as large as another may be in district competition with each other.

Morton High School principal Fred Weaver said that the district change would put Morton in a district "that will be more equal in competition. At least it will not be dominated by one school." In the past, Denver City has been the district leader, particularly in football, track, and interscholastic literary events. The Mustangs have won the district football title nine out of the last 10 years that Morton has been in the same conference.

Weaver reiterated that the district would certainly be more balanced in basketball competition. Dimmitt has long been a South Plains basketball power. Friona may be the pacesetter in the

spring literary meet of district 4-AA. That school is sponsoring a speech and debate tournament in January. Although the district is bigger in num-

bers. Morton fans will be driving on the average about the same distance as before. The average mileage to the five other schools in this year's conference is 76 miles. The seven district 4-AA schools are also 76 miles from Morton on the average. However, three of the opponents are at least 100 miles away; they are Dimmitt, Lockney, and Floydada. The closeness of Littlefield lowers the average distance considerably.

The 1970 football schedule has been set, although sites for two of the nonconference games have not been determined. Morton will open against Plains and then will face Frenship. Farwell will come to Morton for the third non-district

The feed lots themselves occupy approximately 117 acres of land with the mill and headquarters area taking up several more acres. There are 527 acres in the entire complex, making it possible to expand to a feeding capacity of 90,000 cattle each cycle, if future conditions warrant the increase. the interviewer made a statement that struck me as particularly revealing:

"Of the people I talked to, the most frustrated and angry were those trapped in spirit-numbing jobs and in neighborhoods besieged by pollution, noise, traffic, decay and crime. The happiest were those whose jobs gave them some relief from tedium, and a chance to live near open fields and green trees, sunlight, creeks and country roads.'

THAT'S PRETTY SAD.

The reason it's sad is because more and more people are having to move to where there's less and less open fields, green trees, sunlight and country roads. On account of because the neighborhoods besieged by pollution, noise, traffic, etc. etc. is where the money is. And the

READER'S DIGEST recently published an article, The West Is Getting Lonely Again, in which a farmer remarks, "Damned if farming ain't lonelier now than thirty years ago!"

The rest of the article goes on to explain that the farmer is right, there being fewer people per square mile, fewer farms and ranches per county, and so on and so forth.

SO. TO DRAW conclusions from the two articles, it looks as though more and more Americans are going to end up in those spirit-numbing jobs in those crowded neighborhoods.

From my own front porch, I can see five farm homes, now vacant, whose occupants have gone on to other occupations. WITH THE EXCEPTION of one of the families that I don't know about, none of them wanted to quit farming.

But they had to. They had to turn to something else to make enough money to live on.

Mrs. David Ross

Elizabeth Lentz-David Ross say vows in Kansas ceremony

Miss Elizabeth Anne Lentz became the bride of David Graham Ross with vows solemnized Tuesday, September 30, at 8:30 p.m. in Trinity Espiscopal Church, Lawrence, Kansas.

The double ring ceremony and Eucharist were performed by the Reverand C. F. Stolz and the Reverand Harvard Wilbur before members of their imme-

The bride is the daughter of Mr. and Mrs. Frank Lentz of Atchison, Kansas. The bridegroom is the son of Mr. and Mrs. Raymond Ross of Morton.

Given in marriage by her father, the bride wore a white embroidered streetlength sheath. She wore a gold cross which was worn by the bridegroom's maternal grandmother at her wedding. Miss Mary Sue Lentz of Atchison, sister

SEVERAL YEARS BACK, I ran into a farmer that had a dream. It was sort of wild, but the poor man had just been hailed out for the umpteenth time and his banker had just told him he couldn't

stay with him. Understandably, he was pretty bitter. BUT NOT without vision. With disgust marking his every move,

he was loading irrigation pipe onto a trailer, punctuating each remark with a healthy slam as he threw each individual pipe down.

"Some one of these days, this is going to be a hungry nation!" SLAM! BANG!

"And it's gonna be a cole one, too! Slam! Bang!

"And people are gonna come to me and beg me to farm again."

Slam! Bang! "And I'm gonna ask 'em where in were they when I was in trouble and needed 'em?'

SLAM! BANG!

Slam! Bang!

"Maybe even the President hisself will come to me on his knees a-beggin' me for my skill and know-how." Slam! Bang!

"And I ain't agonna tell him even one little tip I've learned from a lifetime of fightin' this land!"

SLAM! BANG! "Yessiree! The whole - country wil be beatin' a path to my doorstep sayin' 'Please, (His Name), please farm again. Even just this one year."

"And I'm agonna say 'No. I ain't agonna. You waited too late to 'preciate me and now I ain't agonna feed and of the bride, was maid of honor. Mr. Ross served his son as best man.

The bride will be graduated from the University of Kansas in January. The bridegroom, a graduate of the University of Kansas, is employed by the Kansas State Reception and Diagnostic Center.

The couple is at home at 922 Kentucky, Lawrence, Kansas.

Out-of-town guests included parents of the couple; Mary Sue, Sarah and Mr. and Mrs. Wayne Stull, sisters and brotherin-law of the bride; Mr. and Mrs. Arthur Stannard, maternal grandparents of the bride; and Mrs. Joe Stockert of Denver, Colorado, sister of the groom.

Mrs. Ledbetter leads study course for WSC

The Women's Society of Christian Service met Tuesday, October 21 to continue the study of "The Inner Life," being led by Mrs. M. C. Ledbetter.

In exploring the emphasis for the day's study "How and Where Faith Grows," Mrs. Ledbetter presented an outline for growth through human relationships, through a community of faith, through widening horizons, through struggle, through

NO LACK OF FRENSHIP ...

THAT IS, there is no lack of Frenship defensive players here as Terry Harvey is on the verge of becoming a victim of the rugged Tiger line which made progress through their ranks a tough row to hoe in grinding out a 14-0 win over Indions Friday night. Harvey still managed to pick up a respectable amount of yardage, none of which came easy for the swift tailback. "Old Reliable" Ralph Soliz was the big gainer in the contest, racking up 98 yards in 21 carries to maintain his first place in rushing and his five-yards-per-carry average. The Indians' next foe is always-rugged Denver City.

INTERESTING SLIDE TOUR ...

THE 1936 STUDY CLUB was the recipient of a "Color Slide Show of the Far East" at the first fall program in the First United Methodist Church Monday night. The slide tour was presented by Lt. Col. Joe B. Gipson and wife Major Shirley Gipson, who have recently returned from a tour in Japan with the United States Army and are presently visiting with the Colonel's father and mother, the Joe Gipsons of Morton. Left to right above are Joe Gipson Sr., Major Gipson, Mrs. John Crowder, study club president, Col. Gipson and Mrs. Joe Gipson.

Far East color slide program presented by 1936 Study Club

The 1936 Study Club commenced its fall program at the First Methodist Church Monday, October 20 with a color slide

The program for the evening was a "Color Slide Show of the Far East" presented by Lt. Col. Joe B. Gipson and his wife, Major Shirley L. Gipson, both of the United States Army Medical Service.

The Gipsons have just completed a two year tour in Japan where they were assigned to the 106th General Hospital in Yokohama. Major Gipson served as the Chief of the laboratory service and blood bank, while her husband served as Chief of the Personnel Division at the hospital. Six hundred slides were shown on Japan, Thailand, Hong Kong, Macau, India and

Full schedule of conference games slated for this week

District play gets into full swing this week as all Morton area teams will be in district competition. Whiteface, after taking last week off, opens conference play Friday night as the Antelopes host Meadow is an 8 p.m. contest. Whiteface is currently 2-3 in season action.

The Three Way Eagles suffered their first setback of the year as they bowed to Cotton Center, 26-18, last Friday in the district opener. The Eagles will take this week off before hosting Southland next week

Bula fell to Southland 48-36 last week as the Bulldogs absorbed their fifth loss of the year. Bula hosts the Witharral Panthers Friday in another conference clash. Gametime is 7:30.

Both Three Way and Cotton Center went into last Friday's crucial clash with perfect 5-0 marks, but the Elks came out on the top end of the 26-18 score. Cotton Center's quarterback Reiss ran for two touchdowns and passed for another in leading the Elks to the district 1-B victory.

Eagle quarterback Johnny Ferguson paced Three Way scoring as he passed to Alan Joyce for 35 yards for their first score. Geneo Abbe scored another Three Way TD later in the game on a six-yard run. Ferguson ran for the extra points following the first Eagle touchdown and Joyce scored the bonus points following Abbe's score. Joyce also trapped an Elk's runner in the end zone for a two-point safety.

where to ...?

Did you ever look down railroad tracks and wonder where they went... or put your ear to the track, listen to the hum, and try to guess when the train would reach you? These questions we may have asked when we were children, but as adults it is time to ask... Are we headed in the right direction? Are we prepared for things in the future regardless of when they will arrive? Choose now the path you will take. Let the church help guide you.

Hi, gang! The Indians suffered their second loss of the season to the Friendship Tigers in our first district game.

After a hard, rough ballgame the Tigers came out on top for a 14-0 win. The Freshman Indian team won over

the Tigers last Thursday night and we had a very good crowd at the game to back

About the only thing that is happening around Morton is the coming of the annual Holloween Carnival. This is to be held in the County Activity Building on Saturday night, October 25. We will have a good carnival if everyone will co-operate and come out to it.

Some of the booths are as follows: The Senior Class is having a marriage booth, the Junior class are sponsoring the Carnival Queen Contest, the Sophomore Class will have a "Sink the Fink" booth and the Freshman Class is not revealing their booth. The F.H.A. is going to have their annual jail house booth.

Carnival Queen candidates are: Senior Class, odie Ledbetter; Junior Class, Betty Silhan; Sophomore class, Beverly Dolle; Freshman Class, Mikella Windom; and the Junior High candidate is Julie Cooper. We hope everyone will come and see one of the girls crowned Queen of the 1969 Holloween Carnival.

Tomorrow night is the second district game for this season. We play Denver City at Denver City. This will be one of the toughest games of the year. We think the boys will put out their ultimate to win, so let's have a big crowd of boosters to cheer them on

What's the Good Word!! BEAT DEN-VER CITY!!!!

It's carnival time in Morton Saturday

It will be carnival time again in Morton this week.

The County Activities Building will once again be the scene of the annual Harvest Halloween Carnival from 6-10 p.m. Saturday, October 25. The carnival is sponsored by the Emlea Smith Study Club and participated in by most of the youngsters from six to sixty in the Morton

It has been announced by club spokesmen that a valuable door prize will be drawn for and among the many booths present will be a cake walk, a spook house, a dart throw, jail house, a Sink the Sphinx, a rag doll raffle and many others. Pies, cakes, popcorn, soft drinks and candy will be on sale, the announcement said.

A carnival queen contest is presently underway which is sponsored by the junior class of Morton High School and has the following entries:

Senior Class - Zodie Ledbetter. Junior Class Betty Silhan. Sophomore Class - Beverly Dolle. Freshman Class Mikella Windom. Junior High - Julie Cooper.

There will be no admission charged and the public is cordially invited to attend this gala event, study club officials
