## Indians host Post for 1969 football finale

The Morton Indians football team will close out the 1969 football season Friday night with a last ditch effort against the Post Antelopes to even up their won-lost record for the year.

The Tribe's chances for a break-even season looked pretty good two weeks ago as they prepared to take on the district cellar-dwellers, Idalou and Tahoka. This week, the Indians find themselves occupying that humble position all by themselves after losing to both teams, and the only way out is to come up with a win over the highly regarded Antelopes.

The Indians, 4-5 for the year, will be hosting Post in the final game of the season at Indian Stadium. The clash should be a good contest for it will feature a team with the second-best season record in the district against a team that will be trying to bounce back from a four-game losing streak.

The Antelopes have dropped only three

games this season, losing to district champs Frenship, to Denver City, and to the champions of district 3-AA, Floydada. Otherwise Post rolled over Hale Center, Lockney, Roosevelt, and Stanton in non-conference play before drubbing Tahoka. Last week the Antelopes were trailing the district's late-season surprise team, Idalou by a 27-7 margin before scoring three last quarter touchdowns with eight minutes left to take a 28-27 squeaker over the Wildcats.

The Antelope offense has been most impressive this season. Averaging nearly 20 points per game, Post has been held scoreless in only one game and that was against Denver City. Paced by Neff Walker's 13 touchdowns, the Antelopes have simply outscored most of their opponents this season. Their defense has allowed 15 points per contest.

The Antelopes field a rather big team, and big teams have a problem for the Indians all season. Featuring a 200 pound center and tackle in the forms of David Stelzer and Jimmy McKamie, the Antelope line will provide a tough challenge for the Tribe.

Wingback Neff Walker will probably be one of the best running backs to run the Morton turf this season. Walker was the deciding factor in last year's loss to Post. Quarterback Ray Altman also is a strong threat.

### HONORING AMERICA'S VETERANS...

"OLD GLORY" was everywhere in evidence around Morton Veterans Day, Nov. 11, as the citizenry broke out their flags to give our veterans of all wars the honor they so richly deserve. Those above are on the west side of the square where every place of business was displaying the colors. It can be surmised that the extra emphasis placed on this day this year was in part due to the desire of the "silent majority" to assert their patriotism and support their President in his efforts to bring an honorable peace in Vietnam.

### Clark's Drygoods Store opens doors again here

A businessman who has been absent from the Morton scene for very near two years has returned and his declared his store open for business and ready to contribute to the Morton economy.

Clark's Drygoods Store, which closed its doors in Morton in January, 1968, is back and ready and willing to do business. "I am most happy to be back to renew old acquaintances and make new friends," Clark said as he opened the doors to his store again early this week.

The store, featuring a full line on cloth-

ing and other drygoods, and a large department in the rear store area reserved for the sale of used clothing, will be operated by Clark himself, who presently resides in Sudan where he runs a similar store and will commute between there and the Morton store.

"We will carry stock to fill all tastes, and hope to be of service once again to all the citizens of Morton and the surrounding area," Clark said in making his opening announcement.

### VOLUNTEERS IN ACTION...

MORTON'S VOLUNTEER FIRE FIGHTERS were on the scene almost immediately following notification that this house located at 409 East Lincoln had heavy smoke emerging from the doors and attic air vents. The residents, Earl Evans and his wife, were combining grain five miles from

town and their three children were in school when the blaze started. Arriving home from school, Douglas, 16, drove to the farm and notified his parents while Earlene, 12, and Don, 10, watched the firemen battle the fire. Many hundreds of dollars in damage was done to the ceiling and attic areas of the house.

### Vaccine for German Measles to be given here December 17

Morton area children will have the opportunity to receive free German measles immunization, it was announced here this week.

Board members of the Community Action Center met Thursday, November 6, and voted to administer the Rubella (German Measles) vaccine to local children on Wednesday, December 17.

The Texas State Health Department will furnish the vaccine for children ages 5 through 10. The National Foundation of the March of Dimes, with the aid of the Office of Economic Opportunity, will furnish vaccine for ages 1 through 4. The vaccine will be given on a donation basis and will be administered at the Morton Public Schools and the Community Action Center.

A Health Committee was appointed consisting of Mrs. Lovell Jackson, Mrs. Deryl Bennett, Mrs. George Trejo, Rev. Rex Mauldin, Mrs. James Joyce, Rev. Murrell Moore, Rev. David Greka, Phifer Ramby, Mrs. Reyes and Mrs. Rodney Fralin.

Also appointed as an advisory committee were: Dr. W. M. Dean, Mrs. Maurice Lewallen, Mr. James Walker, Mrs. Jimmy Mullinax and Mrs. Georgia Carothers.

Officers for the Health committee are: Chairman, Mrs. Deryl Bennett; Vice Chairman, Mrs. Lovell Jackson; Secretary and Publicity, Mrs. Rodney Fralin; Treasurer, Mrs. Maurice Lewallen.

### Neal Roses return from eight-day visit to Italy

"Our trip to Italy was truly a Roman Holiday" stated Mrs. Neal Rose when asked about the eight day trip to Rome awarded to the Roses by Nunn Electric Supply Corporation as a sales contest prize.

There were 230 persons in the group who flew to Italy November 1, in a Douglas DC "Stretch" 8. The flight re-fueled in Bangor, Maine and Shannon, Ireland. The party returned by the same route on Sunday, November 9.

One of the things most surprising to the Roses was how green the countryside was in Maine, Ireland and also in Italy where vegetables were growing and olive trees were still loaded with ripe and green olives.

Dorothy and Neal stayed at the Cavalieri Hilton Hotel, a luxury hotel built on a hill overlooking Rome. Each day they toured in air conditioned buses on toll roads built only seven years ago. Some of the places they visited were Ancient Rome, Vatican City, completely touring St. Peter's and the Vatican Library, the Catacombs of San Sebastian and spent one day in Naples, Pompeii and Sorrento.

One high spot was the General Audience with Pope Paul. This was a most informal audience with cameras and flash bulbs going constantly. "The Pope seemed to enjoy it all and spoke briefly in several languages. His Message was a timely one concerning the value of tradition," Dorothy continued, in relating her trip to the Tribune.

Being a teacher, Dorothy was most interested in the schools and took time out to visit in one of the elementary schools. She examined the textbooks and work of a 7 year old girl in the second grade. She stated that the children seemed to be doing basically what we in the United States are doing and her numberwork was the same as ours.

"I wish I could have spoken Italian, so the communication could have been better," she stated.

Summing it up "It was a wonderful week for Neal and me," Mrs. Rose concluded.

### NEW QUEEN IS CROWNED...

EXCITED AND RADIANT Donna Hofman, of Morton, is shown receiving her crown as 1969 homecoming queen at South Plains College in coronation ceremonies held in the Texan Dome Tuesday night. Placing the crown on her head is Gayla Olson, of Levelland, the 1968 titlist, while Donna's unidentified court looks on.

## Morton's Donna Hofman is named SP homecoming queen

Morton's own Donna Hofman was crowned homecoming queen at South Plains College in Levelland Tuesday night in a ceremony that involved the honoring of the local girl who held the title in 1968.

In honoring this year of a Cochran girl with the crown took on an intimate note because the college student body had earlier voted to dedicate homecoming celebration to the late Crowder Dayton of Morton who was the 1967 queen.

Donna, a graduate of the college who has won many honors while a student, became world famous through her breast fight against cancer over a period of several years. She died on her honeymoon trip to Colorado last summer two days after she was married.

There were a lot of memories in the Texan Dome Tuesday night when the spotlight shone on the 1969 titlist, Donna. In the audience were Mr. and Mrs. J.C. Crowder of Morton, Betsy's parents, James Van Stavern read the dedication and Mr. and Mrs. Crowder were introduced. The TexAnn Sextette sang a favorite of Betsy's.

### Boutique

The Town and Country Study Club will hold a "Boutique" Saturday, November 15, in the Banquet Room of the Activities Building. Homemade crafts will be sold. Take a coffee break and have some homemade pie and do your Christmas shopping early.

# Tahoka Bulldogs take 22-15 football decision over Indians

The Morton Indians must have had their heart set on beating Denver City, and when they failed to do that, their original zip and luster has faded noticeably. Their performance against the supposedly "weak sisters" of the district, Idalou and Tahoka, fell far short of their tremendous displays against much tougher foes in earlier games.

The Indians dropped their fifth in a row to the Tahoka Bulldogs, 22-15, last Friday and found themselves all alone in the district cellar. In a game that first appeared to be a runaway for the Tribe turned into a fine offensive and defensive showing by the Bulldogs who rolled up 376 yards as they roared from a 9-0 deficit. The Indians had put together the nine point lead on a quick safety and touchdown plus extra point before Tahoka began to hammer at the Tribe's rather listless offensive and defensive play. Inconsistent blocking on the part of the both the Indian line and backfield allowed the Bulldogs to keep three Morton runners in the minus yardage category.

Terry Harvey, who had been averaging 88 yards per game, picked up only five yards on five tries. Fullback Ralph Soliz, with a 75 yard per game average, got 35 yards on six tries.

Sophomore Willie B. Holland was the only Morton runner that could muster much of a gain as he rolled up 60 yards in the first half, but was held to just three yards the second.

Quarterback Keith Embry found his passing eye to provide the only bright spot on the statistics sheet. The sophomore hit 9 of 14 attempts for 129 yards. Elton Patton snared five aerials for 64 yards. Embry hit Patton for Morton's first touchdown.

The Indians received their share of the breaks in Friday's game, but they also helped Tahoka out in that department. A bad snap from center sailed the ball high over Mike Bryan's head in the second period and Tahoka took possession at the Indian 20 and banged in a touchdown to narrow the Tribe's lead to 9-7 just prior to the half. The Indian defense appeared to have stopped the threat. Facing fourth down and 13, Tahoka quarterback Greg Warren hit a receiver at the one and then bulled in for the TD. Jim McCord's kick made it 9-7.

The game opened with Tahoka giving Morton the ball on the first play via the fumble route. The Tribe then picked up a first down at the Bulldog nine but

## NOTICE —

**PUBLIC HEARING NOTICE**  
Owen Brothers Custom Feeding Company, Box 903, Morton, Texas 79346, has applied to the Texas Water Quality Board for an initial regular permit pertaining to the control of a variable amount of rainfall runoff containing wastes from its proposed (under construction) feedlot operation which is located approximately 1/2 mile north of State Highway 116 and approximately six miles east of Morton, Cochran County, Texas. The applicant proposes to wholly retain the rainfall runoff in a pond on company controlled property. A public hearing on this application will be held in the Southwest Public Service Building, Reddy Room, 1120 Main Street, Lubbock, Texas at 10:00 A.M. on December 9, 1969, to determine the conditions, if any, under which the permit may be granted. Additional data will be developed at the hearing, but further technical information concerning any specific aspect of the discharge, if available, can be obtained by writing the Texas Water Quality Board, 1108 Lavaca Street, Austin, Texas 78701.

had to settle for a field goal try which went awry on a bad snap. Tahoka could not move the ball and tried to punt from the 12, but the punter bobbled the ball and Mike Bryan dropped him in the end zone to give Morton a 2-0 lead.

Later in the period, Embry pounced on a Bulldog fumble at the 37 and three plays later fired his scoring pass to Patton from the 41. Bryan's conversion gave the Tribe their early 9-0 lead with over four minutes left in the opening period.

Morton's joy was short-lived as the Bulldogs forced the Indians to punt and fumble in the second quarter before getting the big break on the bad snap on an attempted punt.

The Bulldogs completely dominated second half play as they held the Tribe to only 21 yards rushing and four first downs. After Bryan had punted a 45 yarder to the Tahoka 10, the Dogs moved 90 yards on the hard running of Robert Montemayor and the passing of Warren. Jim Durham scored to give the hosts a 14-9 lead after McCord kicked the extra.

If things didn't look bad enough for the Tribe, seconds later it was worse. A clipping penalty on the kickoff return following the second Tahoka touchdown pushed the Indians back to their 16. An offside penalty on their first running play moved them back to the 11. On the next try, Holland was thrown back to the two, and then Bryan was trapped in the end zone for a Tahoka safety. The score became 16-9.

But, the Indians began to fight back. Ralph Soliz picked off a Warren pass, but Tahoka got the ball back seconds later on an interception. Two plays later, Morton end M. C. Collins snared his first interception of the year and the Tribe then drove to the Tahoka 31 before bogging down.

With only five minutes left in the game, the Indians got the ball at their 34, but could muster only eight yards on four downs. Tahoka then punched in an insurance TD on a 19-yard run by Warren.

And, the Bulldogs certainly needed the 22-9 margin, for Morton fought back to score one a minute later. A good kickoff return set the Indians at the Tahoka 49. Embry hit two quick passes, one covering 28 yards to Eddie Lewis to the 21. Willie Holland snared one at the 17, and then Ralph Soliz galloped the remaining yards on the next play for Morton's second TD. An attempted two-point run fell short.

Tahoka drove to the Morton 14 in the waning seconds before the Tribe got the ball back, but only 25 seconds remained. Embry fired to Lewis who lateraled to Soliz for a 13 yard gain. On the last play, Embry hit senior end Dennis Clayton, but he was pulled down at the 50 to end the game.

# "Status of women" theme at meeting of study club

"The Status of the American Woman" was the theme of the program at the regular meeting of the Town and Country Study Club in the home of Mrs. A. A. Fralin November 5.

Program chairman, Mrs. Ross Shaw, spoke on the influence of women through the ages, beginning with Bible days down to our present time.

Mrs. A. E. Sanders discussed the status of women and equal rights on the national level and Mrs. W. A. Hovey concluded with the status of women in Texas. They pointed out that even through women may not be excluded from holding certain jobs by law, there is still discrimination

against the female sex. Texas laws regarding women owning and selling property and some of the divorce laws finally favor the men.

Final plans were made for the "Bible" to be held in the Cochran County Activity building, Saturday November 14 from 10 to 5 p.m.

Attending the meeting were: Marge Seagler, Sanders, Willard Henry, Alvie Harris, Ray Griffith, Roy Hill, Roy Johnson, Shaw, R. B. Spence, Fralin.

The next meeting will be a Christmas Party for the Senior Citizens on December 3.

## Twelve MHS students attain All-A scholastic honor list

Morton High School scholastic honor roll for the first nine weeks of the school year was released this week with twelve students, freshmen through seniors, listed on the All-A honor list. The honor would appear to carry some additional weight due to the fact that this is the first year that the grade periods have been divided into nine weeks instead of the six weeks used in past years. The All-A Honor Roll lists a much higher number of students accomplishing this feat.

The All-A Honor List includes:  
 Seniors — Helen Lynch, Vicki Gooden, Diane Avery and Zodie Ledbetter.  
 Juniors — Larry Elliott and Garnet Whitworth.  
 Sophomores — Barbara Brown, Deborah

Wilson and Ernestine Hawkins.  
 Freshmen — Mike Hunter and Paul Rozell.

The A-B Honor Roll consists of:  
 Seniors Deletta Nebhut, Ruthie Smith, Peggy Thomas, Debbie Kuehler, J. Wayne McDermott, Mary Minor, Rosa Linda Reyes, Glo Gray, Cindy Kuehler, Sandra Courtney, Dick Zielinski, Mike Bryan, Danny Barker, Lynda Romans, Diane McCasland, Kenneth Taylor, Dennis Clayton.  
 Juniors — Janice Hall, Joan Kuehler, Willis, Jackie Grant, Mary Zielinski, Sue Winder, Regina Butler, Eddie Turney, Jackie Watts, Betty Silhan, Vicki Kennedy, John Fincannon, Becky Harris, Susan White, Gerald Grusedorf.  
 Sophomores — Jimmy Jones, Dorothy Jennings, Becky Jerden, Denise Miller,

## About local folks . . .

by DUTCH GIPSON

A Fellowship hour in the First Missionary Baptist Church was given by friends Sunday afternoon at 4 p.m. This was in appreciation to Jack Welch of Lubbock who has been interim pastor for the past several months. Forest Baker, who recently surrendered to preach, was also honored. Forest has been bringing the Wednesday night lessons. Cake, sandwiches and coffee were served. An appreciation gift was given to both men.

Visiting in the home of Mr. and Mrs. Joe Nicewarner Saturday and Sunday were Mr. and Mrs. Chance Streit of Vernon. Mrs. Streit and Mrs. Nicewarner are cousins. While here, the Streits also visited in the home of Mr. and Mrs. John Holden. Mrs. Streit is an aunt of Mrs. Holden.

Mr. and Mrs. Don Hoffman of Claunch, New Mexico spent the weekend with her mother, Mrs. Lessye Silvers. Guests also in Mrs. Silvers home Sunday was the Hoffman's daughter, Donna, who is attending South Plains College. A friend of Donna's was also a guest in the Silvers home.

Mr. and Mrs. W. E. Childs are spending several days in Lubbock in their son's home, the Melvin Childs, Melvin and wife are in Fort Worth at the home of their daughter and husband. Their daughter, Judy, is scheduled for drastic surgery in the near future. Judy has recently had other surgery.

Mrs. Mildred Standefer of Tatum, N.M. visited in Morton last week.

Seen in Church services Sunday at the First United Methodist were Mr. and Mrs. Leon Nash of Floyd, N.M. They are old timers of Morton and Cochran County. They visited in the home of her mother, Mrs. Alex Key.

Dennis Howell, teacher in the MHS, spent the weekend in Friona visiting his parents.

Mr. and Mrs. Oscar Coats were guests over the weekend with their daughter and husband, Mr. and Mrs. Herman Carruth who live in Amarillo.

Mrs. Jimmy St. Clair, Mrs. Mike Holland and daughter, Sheri Ann, and Mrs.

Mayland Abbe were guests at the shower Saturday given in the home of Mrs. Joe Nicewarner honoring Jeanette Childs. Later Mrs. St. Clair, Holland, and Abbe visited in the St. Clair home.

Mr. and Mrs. R. L. DeBusk and Mrs. DeBusk's mother, Mrs. Dennis Lilly, of Brownfield visited at the Lilly ranch at Merkel Friday night. Saturday R. L. DeBusk, who is gravely ill. R. L. remained with him over Sunday while Gayle attended homecoming festivities at one of her former schools, the Jim Ned School.

Cpl. David Tarver, grandson of Mr. and Mrs. Roy Tarver is visiting his grandparents this week. Cpl. Tarver recently returned from Okinawa after a years duty there. Cpl. Tarver plans a visit with his father, Roy Tarver, Jr., who lives in Tyler. Later David will be stationed in Washington, D. C.

Leonard McGennis spent the weekend with his sister, Mrs. W. E. Akin.

Guests in the L. W. Barrett home last week were Mr. and Mrs. Roy Fitzgerald of Plains. The Barretts and Fitzgeralds were neighbors when they lived in Plains.

Last week Mrs. W. C. (Bill) Cooper received word that her brother, Marvin Swanner, a long ago resident of Morton and Cochran County, had undergone open heart surgery in Houston. Mr. Swanner has suffered several minor attacks and upon consultation with his doctors, it was learned that one of the major arteries had closed necessitating surgery. An artery from his leg was taken and transplanted into his heart. At last report, Mrs. Cooper tells us that he is doing fine and is due to be released from intensive care soon. Marvin is in Methodist Hospital in Houston and anyone who would like to contact him may do so by sending mail to Methodist Hospital, 6516 Bertner St., Houston, Texas 77025.

Thursday of last week the home of Mr. and Mrs. Gene Benham was decorated in Hawaiian motif. The Benhams hosted the group who attended the Banker's Convention in September in Hawaii. A dinner, Hawaiian style, was served to the following: Mr. and Mrs. James Dewbre, Mr. and Mrs. E. L. Polvado, Mr. and Mrs. Jack Ferguson, Mr. Earl Polvado and daughter, Melonie, Mr. and Mrs. Karl Griffith, Mr. and Mrs. J. W. McDermott, and Mr. and Mrs. Hume Russell. After dinner, slides and pictures were shown.

Mrs. HESSIE B. Spotts spent the weekend with her daughter, Mrs. Jeanne Lively.

Frank Hontsuker of Midland, former publisher of the Morton Tribune, was in town Tuesday, renewing friendships with old time friends and meeting new friends.

Mr. J. B. Riddle of Yoakum County visited over the weekend with his parents, Mr. and Mrs. L. W. Barrett.

Mr. and Mrs. Phil Brummett of Lubbock were honored with a Housewarming Sunday afternoon in their new home. Those attending from Morton were: Mr. and Mrs. Carlton Luper, Mary Kate (Tutor) Miller, Jeanetta Dowling, Randy DeBusk and Mr. and Mrs. Donnie Dewbre. Mrs. Brummett is the former Jane Luper.

Mr. W. E. Akin is in M.D. Anderson Hospital in Houston for treatment of skin cancer. Mr. Akin has been there for the past two weeks and is expected to remain there for some two weeks more. His son, Roy, of Whiteface and daughter, Mrs. Newson, of El Paso accompanied him to Houston.

## Delta Kappa Gamma holds regional meeting Nov. 15

Twelve Morton Area teacher members will be in attendance for the Regional meeting of Delta Kappa Gamma, November 15, in the South Plains Auditorium in Levelland.

Registration and coffee is set from 9 to 10 a.m.

Mrs. Velma Weaver of Dumas, an instructor of music in the schools there, and recording secretary of Alpha State Organization will be one of the principal speakers. Mrs. Weaver received her BA and MA degrees from Texas University and has taught 31 years in the Texas Public Schools and Clarendon Junior College. She is a member of the First Baptist Church where she is an active choir member and serves as president of her class. Present professional activities include chairmanship of Elementary Division of Region 1 and Divisional Chairmanship of Public Education of "Top of Texas

Federation Clubs."

Mrs. A. N. Bryant of Vernon is another featured speaker of the meeting. She received her BS and MS degrees from North Texas University and serves in the Alpha State Organization as chairman of the Auditing Committee. She has taught in the Vernon schools for 30 years. Offices held by Mrs. Bryant in Delta Kappa Gamma include past president of her local chapter of Beta Gamma; on the state level she served as recording secretary, chairman of publicity, nominations, finance and auditing committees, conducted eight to ten regional meetings and received the State Achievement Award in 1957.

## Indians . . .

from page one

The Antelopes run a great deal of plays through and outside the tackle positions, utilizing their tremendous backfield power. Their offense is a modified form of the wing-T which provides Altman with a passing threat which he will not hesitate to use.

Meanwhile, the Indians will not be in the best position to stop the tough Post offense. Fullback Terry Harvey, playing on a weak ankle for two weeks, may miss the game. Harvey picked up only five yards last week against Tahoka. Defensive end M. C. Collins was injured in Tuesday's workout, but will probably see action.

Fullback Ralph Soliz maintained his rushing lead as he picked up 35 yards last week. Soliz had gained 638 yards this season on 147 carries for a 4.3 average. Harvey has the best yards-per-carry average, 5.2 yards per try. He has rolled up 333 yards on 101 attempts.

The Indians will probably be passing the ball a good deal this week as quarterback Keith Embry and his receivers showed good form last week in the aerial department. Embry hit 9 of 14 passes for 129 yards. Five were to sophomore Elton Patton. Embry has connected on 22 of 56 attempts for 336 yards.

A Morton win will virtually guarantee the Tribe a tie for fifth place in the tough 4-AA district. Tahoka, with a 1-4 record, faces Denver City, a team that is still smarting from a 34-0 shellacking dealt to them by Frenship last week.

## WCS meets Tuesday in Houston home

The Women's Society of Christian Service met Tuesday morning in the home of Mrs. Pegues Houston.

Mrs. M. C. Ledbetter presented the third session of the Inner Life, discussing the disciplines of the inner life, the need of the continuing renewal of the spiritual life; and the disciplines of believing, the importance of beliefs, of probing one's own experience and of translating theory into action.

Mrs. J. N. Burnett, president, announced the next study session will be held in Fellowship Hall on the morning of November 25.

Present were Meses. H. S. Hawkins, John Crowder, Gene Benham, C. C. Benham, Elizabeth Greer, G. C. Sanders, W. W. Smith, Owen Egger, Willard Henry, M. G. Ledbetter, J. N. Burnett and the hostess, Pegues Houston.

a worthwhile trip. They returned with a lot of good ideas to try on us. Morton High was elected to the office of Parliamentarian.

Would you believe S. W. is trapping geese?? I didn't know you could trap geese. Well all power to you S., if that's your game!!

D. V. H. has rings on her fingers and bells on her toes.

The Indian team finishes up its football season this Friday as they play host to the Post Antelopes. You've had a good year boys, so let's end it with a big victory over the Lopes, o.k.? By the way, it's the last game for those GREAT seniors!!

GO GET 'UM, INJUNS!!!

The B-Team won their game against the Frenship Tigers last Thursday by a score of 28 to 9. Everyone sure was excited, especially the cheerleaders.

Until we meet again, remember: "The man who steps into a cage with a dozen lions impresses everybody except a school-bus driver," right Mr. Coffman??

**Attention, Cotton Producers:**

Morton Co-op's Two Modern Gins Are Completely Repaired and Ready To Process Your Cotton

Morton Co-op is a farmer-owned business which means less overhead for you and more profit on each bale.

We are always seeking new members—drop in and talk it over.

Our gins are now debt-free with no encumbrances, which lowers production costs and the savings are passed on to our farmer members.

Our ginners have many years of experience and have been with us for a long time.

We will not sacrifice quality for speed. We hold production to 8-10 bales per hour in each unit to assure the highest quality ginning—even though our maximum capacity is over twice that rate.

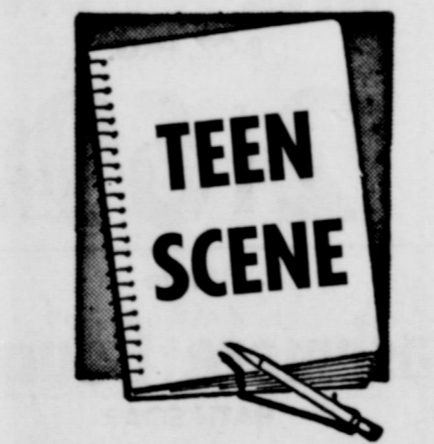

Consider all the advantages of being a part of your own farmer-owned business and bring your cotton to us for top quality processing.

"To each his own," as the saying goes, so here goes my own. This is quite different from my previous columns, but everyone likes a change, right? This will contain little odds and ends of everything.

Report cards came out last week at M.H.S. I wonder how many kids will be 'enjoying' more time at home for awhile? I know a few people who intend on studying a little harder!

It's a wonder Ruthie Smith doesn't have a wreck everytime she gets into the car!! She's cute as can be, but she needs a sticker on her car saying CLEAR THE WAY, HERE I COME (most everyone does anyway!!)

Poor A. V. he can't seem to keep his buttons in tact!!

One of the best pep rallies M.H.S. has had was held last Friday. Much of the credit goes to senior Helen Lynch, who gave the pep talk. She was the first member of the student body to give one, and it was tremendous! Thank you, Helen!

I hear Ernestine, a sophomore, just loves basketball. She blew her top twice; once was a wiglett, then a wig! The sport does pose a few problems, huh Ernestine??

Mr. Howell, a new chemistry and physics teacher at M.H.S., sure has made a big hit with the kids (well that doesn't include his tests!!)

The Student Council went to a district meeting in Denver City Saturday. Several members attended and reported it was

**ANNOUNCEMENT**

**A HARD-CASH MONEY-MAKING PROPOSITION**

**One more big reason why YOU should be a member of the Production Credit Association:**

Announcement has been made by Alton Strickland, President of Lubbock Production Credit Association, that it is now possible for a member of a Production Credit Association to invest in Federal Intermediate Credit Bank Debentures.

According to the last information available, the debentures would yield an estimated eight percent. Anyone other than a Production Credit Member who is interested in purchasing debentures may do so, but his purchase will have to be handled through his local bank.

The PCA is confident that there will be several farmers in the Cochran county area who will want to take advantage of this substantial return on their investments. The LPCA president also reports that during the entire operation of the Federal Intermediate Credit Bank, there has not been even one default on a debenture payment.

Anyone interested in securing information in regard to debenture purchase may do so by contacting the Association's Field Office in Morton.

Come in, let's talk — Get all the details on this first-rate money-making opportunity.

LARGE NUMBER of special education students in the Morton school system turned out to help in the beautification plan being carried on at the Cochran County Museum a project of the LeFleur Garden Club and were reward-

ed for their work with a rest and refreshing soft drinks. The children pitched right in and planted a large number of bulbs in the area.

**County rural traffic toll high in October**

The Texas Highway Patrol investigated seven accidents on rural highways in Cochran County during the month of October according to Sergeant Hal Pirtle, Highway Patrol Supervisor of this area.

These crashes resulted in three persons injured and an estimated property damage of \$4,210.

The rural accident summary for this county during the first ten months of 1969 shows a total of 37 accidents resulting in no persons killed, 26 persons injured, and an estimated property damage of \$56,650.

Traffic wise, November and December are noted as dangerous months for pedestrians. During the last two months of 1968 in Texas there were 86 pedestrians killed and 843 injured in collisions with motor vehicles. Some of the attributing factors are: Longer hours of darkness, bad weather, holidays, and lack of drivers' and pedestrians' attention.

The veteran patrol supervisor listed some tips to aid both pedestrians and drivers. Always wear something light colored when walking after dark. If possible carry some kind of light and walk on the left side of the road facing traffic. If you have a dark colored raincoat or overcoat, put a strip or two of reflectorized material across the back and front when walking on the street or highway.

Seated, Cindy Cumpton, Queen Carolyn and Ann Cagle. The queen, assisted by her court, reigned over homecoming activities at the high school Friday.

**Morton frosh top Frenship, eighth grade, Seagraves split**

Morton's freshmen won their second game of the year, and their second over Frenship this season as they put together a 26-8 win last Thursday.

The ninth graders will close out the season today at 5:30 as they host Ropesville B.

The eighth grade split wins with Seagraves last week. The A team won its seventh game of the year with a 28-16 win while the B squad dropped a 32-22 loss to the hosting Eagles.

The eighth grade A and B team will travel to Muleshoe for games today to close out their slate of games.

Johnny Enriquez paced Morton freshmen scoring with two touchdowns. Morton went ahead in the first period and scored in every quarter. Ted Thomas scored one TD and ran the extras following the first touchdown.

Tony Bramblett ran in a blocked punt for a touchdown in the last quarter. Morton's William Grant deflected the Frenship punt and Bramblett caught the ball

in the air and lumbered in for the score from the 15 yard line.

Jimmy Fluit paced the eighth grade scoring with two touchdowns in their 28-16 win over Seagraves. Larry Thompson scored a TD and two extra points. David Palmer ran in a TD, and Richard Ellis got a two-point conversion.

David Berrea scored all three of Morton's touchdowns in the B game, and Ralph Mason to David Berlanga passes accounted for the four extra points.

By Libby Mudgett

PUBLIC STATEMENTS I would like to hear from different people:

Teddy Kennedy: "With friends like I've had, who needs enemies?"

William Westmoreland: "Yes, my book will be out soon. The title is 'Restraining Orders I Received From Washington.'"

Judge Haynsworth: "Aw listen, forget the whole thing. If this is the way it's gonna be, I don't even WANT that appointment."

ABE FORTAS: "Heh, heh, heh."

Tom Landry: "Well, I just might have made a big mistake in requesting Don Meredith to retire so soon."

Robert Finch: "HEW was in a terrible mess when I took over, but by constant striving and complete dedication, I have managed to make it completely nonsensical."

MEL LAIRD: "And to think I used to criticize Robert McNamara!"

All weathermen: "I have no earthly idea what's going to happen next. All I can tell you correctly right now is the present temperature and where I THINK a front is presently located."

John Lindsay: "No, I'm not running scared. The main thing that worries me is this: will Johnny Carson still invite me to appear on his program after I no longer live in Gracie Mansion?"

LIFE MAGAZINE: "Yes, it's true. Our investigative staff is made up of men kicked out of the CIA."

Sec. of Ag. Hardin: "The reason we haven't come up with a complete farm program as yet is that we haven't figured out exactly what is wrong with the farm situation."

Ralph Yarborough: "I will not run for office again. I am counting on being hired by organized labor at a fat salary after all I've done for them."

MAMA ROSE: "I most certainly did not teach Jackie judo, and I resent her inferring that's how I always got my way."

George Romney: "The main thing that's wrong with housing today is there's not enough of it in the cities and too much of it in rural areas, mainly because rural-

ties are getting a bum deal and moving to cities."

Julian Bond: "Coretta Who?"

LEWIS HERSHEY: "Whew! THAT'S over with!"

Lloyd Bucher: "My advice to young men is to join the Green Berets where they can get their court martials called off."

Lyndon Johnson: "I tried to tell everybody!"

Spiro Agnew: "The reason everybody gasps every time I open my mouth is that I have just said something that they wish they'd had the nerve to say."

WALTER CRONKITE: "In the future, I shall refrain from all slanting of the news."

Norman Mailer: ". . ."

Adam Clayton Powell: "Don't tell me it doesn't pay to play the waiting game."

Hubert Humphrey: "It doesn't pay to play the waiting game."

GEORGE MCGOVERN: "I'm a little nutty, but I've sure gotten a lot of mileage out of it."

Jacqueline Susann: "If I wrote clean novels, I wouldn't be rich and famous like I am now."

Napoleon Hill: "If I had a dime for every person that read my book, Think and Grow Rich, that thought and didn't grow rich, I'd be as rich as Jacqueline Susann."

MIA FARROW: "At least Frank married me."

Pablo Picasso: "Abstract art is a big hoax."

Family doctors: "Go ahead and eat, drink and be merry, because tomorrow the federal government is going to make it illegal. There'll be no charge for that advice."

Bookmobile schedule  
The High Plains Bookmobile will be in these areas on the following dates:

Wednesday Nov. 19, Needmore — 8:30-9:30; Baileyboro — 9:45-10:45; Stegall — 11:00-11:45; Threeway — 12:00-1:00; Enochs — 1:45-2:45.

By John W. Hall

### WEED SORGHUM AND SORGHUM-GRASS CROSSES ON DIVERTED ACRES

Rules concerning the use of sweet sorghum and sorghum-grass crosses on diverted acres have been reviewed at the National level to determine if program objectives are being met. The review was considered necessary because:

1. New varieties of forage sorghum and sorghum-grass crosses have been developed which, when grazed or harvested for hay, are competitive with corn and grain sorghum in a livestock feeding operation.

2. Of the difficulty in distinguishing between grain sorghum and a sweet or forage sorghum.

3. The grazing of heavy producing varieties has a direct bearing on the amount of grain being fed to livestock.

The following decisions were reached at the National level applicable to 1970 and subsequent crop years:

1. No change will be made from the procedure which was in effect during 1970 with respect to the planting of sudan grass and sorghum-grass crosses on diverted acres. (These hybrids are included in Column V of the Sorghum Classification List published by the Extension Service each year in cooperation with this office.)

2. To permit the planting of sweet or forage sorghums on diverted acres only at the option of the State committee and provided such crops are incorporated into the soil by a prescribed date.

### STATE COMMITTEE DETERMINATIONS

The State committee considered the options under 1 B above and determined that the planting of sweet or forage sor-

ghums on diverted acres will not be authorized in Texas for 1970 and subsequent crops. This determination was made on the bases that these crops would have to be disposed of prior to the beginning of the fall grazing period on diverted acres and the land would then be highly subject to wind and water erosion during the winter months.

### WHEAT CROSSES CONSIDERED AS FEED GRAINS

Texas farmers growing some relatively new wheat crosses have raised questions about the classification of these crops under Federal farm commodity programs, according to Clarence A. Danklefs, Chairman of the Texas Agricultural Stabilization and Conservation Committee.

For farm program purposes, both Triticale (a wheat-rye cross) and Winter-graze (a wheat-wheatgrass cross) will be considered as feed grains. However, neither will be covered by the feed grain program.

Being considered as feed grains, Danklefs explained, means that Triticale and Winter-graze may not be grown on acres which farmers agree to divert from feed grain production. Nor may any acreage in Triticale or Winter-graze be counted as part of a farm's conserving base.

Not being covered by the feed grain program means Triticale and Winter-graze acreage will not count as part of a farm's feed grain base. Neither will these crops be eligible for price-support, nor for the substitution provisions of the wheat-feed grain programs.

Danklefs said farmers wanting more details or having further questions about these or similar wheat-cross crops should inquire at their County ASCS Office.

## COUNTY AGENT NEWS

From the Office of Roy L. McClung, Jr.

by ROY L. McCLUNG

Everyone who has peach trees about the place should be concerned with controlling the peach tree borer at this time of year. The peach tree borer feeds on the inner bark of the trunk of the peach tree. Their presence can be detected by the masses of gum mixed with brownish faeces or sawdust which exude from the trunk of the tree. The larvae usually feed in an area from two to three inches below the surface of the soil to ten inches above in the trunk of the tree.

This insect is so common to this country that usually you can safely say that you have peach tree borers if you have any peach trees. If this borer is not controlled it will kill peach trees and does in just a few seasons. Control of this insect can be obtained from about October 20 to November 15, when the soil usually is considerably dry and the soil temperature is above 15 degrees F.

Paradichlorobenzene crystals (PDB) are placed on the surface around the trunk of the tree. For two or three year old trees use 1/2 ounce of the crystals, for four to five year old trees, about 3/4 ounce of PDB and for mature trees one ounce per tree.

The procedure for applying the PDB crystals is fairly simple, but to obtain effective control, should be followed closely. First, all leaf material and grass around the trunk of the tree for about one foot out should be cleaned off, then dig a trench about 3 or 4 inches deep and two to three inches out from the tree in a circular band around the tree. The PDB crystals are then placed in this trench, the band is then covered with soil free of leaf or grass trash.

Round the soil up around the trunk of the tree so as to form a cone shape pile about six inches high around the base of the tree, when the soil is mounded up, take the back of a shovel and firm the soil up so that it will hold the fumes in the soil and force them to go down. Special care should be taken to see that none of the crystals come in direct contact and cause injury to the tree.

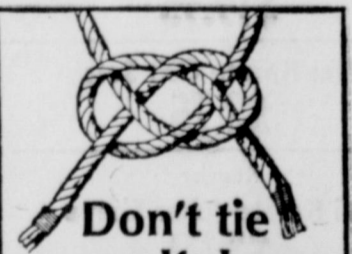

The mound of soil should be removed in the early spring. If it is not removed in the spring, the crystals can cause damage to the trees.

This is an old and very effective method of controlling the peach tree borer. The PDB crystals (or moth ball crystals) can be obtained at any of the drugstores and chemical dealers in Morton.

### Joyce Stevens named prexy off Brown Hall

Joyce Stevens, daughter of Mr. and Mrs. T. J. Stevens, has been elected president of Brown Hall at West Texas State University.

She is an elementary education major and a graduate of South Plains College in Levelland. While attending South Plains she was elected "Outstanding Woman Student, Tex-Ann for the month of October and was president of Sue Spencer Hall, a member of Phi Theta Kappa, Student Council and was library assistant two years. She was secretary of the American on campus and was active in the intramural program while maintaining a 3.05 grade point average.

## Mrs. Silvers hosts club in tour of library, museum

The 1936 Study Club met Wednesday, November 5, in the meeting room of the Cochran County Court House with Mrs. Silvers as hostess.

Mrs. John Crowder presided over a business meeting.

Mrs. Gage Knox gave a report of the 1936 Board meeting of the Caprock District T.F.W.C.

It was noted that it was "National Children's Book Week" before the club returned to the Cochran County Library, where Mrs. Joe Gipson and Mrs. Hessie Spotts, Librarian conducted a tour of library facilities.

The Library was a project of the 1936 Study Club when it was first organized and was maintained for years by its members on a volunteer basis, before it

was taken over by the county; so it was most pleasing to the group to see the vast improvements resulting from their early endeavor. The Club still maintains unanimous membership in the "Friends of the Library" organization and makes many contributions to the Library each year as individuals and as a group.

Later those present moved to the Museum of the Cochran County Historical Society where they were shown the many exhibits with Mrs. Hume Russell as their guide.

Attending the tour were: Mmes. Joe Nicewarner, L. F. Hargrove, Cyrus Fields, B. H. Tucker, James St. Clair, Glenn Thompson, Maurice Lewallen, W. C. Benham and M. C. Ledbetter.

## 'Beef enchiladas' specialty at Tom and Peggy White's house

Welcoming newcomers to Morton is always a pleasure and doubly so when the newcomer brings us a tasty recipe, as Mrs. Tom White is doing this week.

Tom and Peggy moved here from California, however Peggy is the former Peggy Howell of Muleshoe, so not entirely new to our area.

The Whites have two lovely daughters, Michelle 4 and Kimberly 2 plus, at last

count, five playful kittens.

**Beef Enchiladas (with chicken sauce).**

- 1 lb. ground beef
- 1 lb. cheese (monterey Jack)
- 1 can cream of chicken soup
- garlic salt
- 1 small can tomato paste
- 1 can peeled green chilis
- 1 onion
- 2 tablespoons shortening

Shred cheese. Chop onion into fine pieces. Place shortening in skillet and heat. Dip tortillas in shortening one at a time. Take out immediately and drain on paper towel, leaving tortilla soft. Brown ground beef add garlic salt to taste. Drain meat well and add tomato paste.

On edge of tortilla place tablespoon of meat, a sprinkle of cheese and onion. Roll tortilla firmly. Place in flat casserole. Sprinkle remaining cheese over top of enchiladas.

**Chicken Sauce:**

Heat cream of chicken soup with 1/2 can of water. Drain chilis, chop, and add to soup. After heating well, spoon over top of enchiladas. Place in 350 degree oven and bake approximately 25 minutes or until bubbly around edges.

## Crone gives hints for Christmas mailing

As the Christmas season draws near, Murray E. Crone, postmaster at Morton, wishes to make the following suggestions to mailers.

In order that your Christmas cards and parcels receive the fastest service it is suggested that all cards be sealed and correct addresses and ZIP codes be used on all local, and especially on out of town, cards and parcels.

All mailers are urged to wrap and tie their parcels securely with strong twine and heavy paper. A list showing the contents and the names of mailer and addressee should be enclosed in the package. Insurance is available at the Post Office at economical rates and patrons are urged to use it.

Shown below is a suggested schedule for mailing Christmas parcels to members of the Armed Forces overseas:

- (1) Surface Transportation — Oct. 13 to Nov. 8.
- (2) SAM (Space Available Parcel Air-lift) — Oct. 20-Nov. 22.
- (3) PAL — Oct. 27 to Nov. 29.
- (4) Airmail — Dec. 1 to Dec. 13.

Addresses on these parcels should be typewritten or by ballpoint pen.

*Where to...?*

Did you ever look down railroad tracks and wonder where they went... or put your ear to the track, listen to the hum, and try to guess when the train would reach you? These questions we may have asked when we were children, but as adults it is time to ask... Are we headed in the right direction? Are we prepared for things in the future regardless of when they will arrive? Choose now the path you will take. Let the church help guide you.

"Oh that my ways were directed to keep thy statutes!"

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
