Baseball takes local spotlight

Joan Whitehead and winning mount

Cochran 4-Her's dominate District Two horse show

Cochran County 4-H Saddle Club members displayed superior horsemanship in District 2 4-H Horse Show held Wednesday, July 7 at Tulia.

The County group was the 2nd highest club from the 20 surrounding counties earning nearly all their points in the performance events in which they led the counties.

Joan Whitehead, 13-year-old daughter of Mr. and Mrs. James Whitehead of Tulia, displayed her excellent horsemanship by winning the polebending race and the barrel race in which over 90 contestants were entered in each event. Joan placed her horse 9th in the registered halter class event.

Other Saddle Club members earning points at the District Horse show were Sandy Coleman, 10 year old son of Mr. and Mrs. Ronald Coleman, placed his horse, Sugar, 2nd in the class of 20 grade horses over 5 years old. Sandy's brother, Marty, placed 7th in the barrel race event.

Leslie Holden, 12 year old daughter of Mr. and Mrs. John Holden, placed her horse, Baldy, 6th out of a class of 33 over 5 years of age geldings.

Debbie Polvado, 12 year old daughter of Mr. and Mrs. Bob Polvado, placed 7th in the polebending competition. Her brother, Steve, placed 3rd in the barrel race competition, being beaten out of 2nd place by only .07 of a second.

Other 4-H Saddle Club members were Marty Dewbre, 11 year old daughter of Mr. and Mrs. James Dewbre, who rode in the western pleasure and reining events; Rusty Coleman, 11 year old son of Mr. and Mrs. Ronald Coleman, competed in the barrel and pole events; Susan Polvado, 9 year old daughter of Mr. and Mrs. Bob Polvado, rode in the barrel and pole events; and Monty Smith, 15-year-old son of Mr. and Mrs. Bobby Smith, competed in barrel racing and polebending events.

★ Booster meeting

The Morton Athletic Booster Club will hold its first meeting for the coming season Tuesday, July 20, beginning at 8 p.m. in the school cafeteria.

Parents of both junior and senior high school athletes and all loyal supporters of the Indians are urged to attend.

Let's give new head football coach Doug Reed and his souped-up squad a real head start on what appears to be a promising season.

Cooperation of three agencies agreed upon for ambulance service

A Cooperative operation by three local agencies was agreed upon at a meeting late last week to provide Morton and Cochran county with ambulance service in the future.

The cooperative effort will involve the Cochran County Commissioners Court, Cochran County Hospital District and the Morton City Council and police department.

The agreed upon operation is being made necessary by the fact that the Singleton Funeral Home, which has provided this service over a large number of years, is going out of the ambulance business within a short time. "It is not economically feasible for us to continue to provide ambulance service with the increased cost of operation and much more stringent requirements made into law by recently passed legislation," C. V. Singleton stated to the meeting. He backed up his words with a detailed list of costs indicating that it would cost his company \$13,453.60 to operate for one year under the new requirements.

A detailed study of the cost factors indicated that operational costs would be substantially less for a political subdivision, such as the above agencies are, than it is for a private company.

County Judge Glenn Thompson indicated to the Tribune that, though plans are tentative at this stage, things are moving ahead and that the new service would probably be in operation within 30-60 days. Singleton will continue to operate the service until the county service is ready to assume the responsibilities.

Judge Thompson outlined the tentative operational plan as follows: The hospital district will keep the books and records

"Baseball" will be the name of the game for Mortontes next week with a large number of local boys competing on two different levels in the sport.

This city will draw the larger spotlight as the local Frontier Babe Ruth League 13 to 15-year-olds will host the Babe Ruth All-Star Tournament beginning Monday, July 19 at Charles Hofman Park. The other level, which will receive its share of attention from both parents and fans, is the Little League District All-Star Tournament which gets underway at 2 p.m. Monday in Denver City.

Morton and Plains will open the Denver City tourney with their game at 2 p.m. Monday, with the winner meeting the winner of the Ropesville-Levelland game at 6 p.m. Tuesday. Brownfield will play Sundown-Whiteface at 6 p.m. Monday and Seagraves and Denver City will square off at 8 p.m. the same evening. The winners of these two games will play at 8 p.m. Tuesday. The championship game will be played at 8 p.m. Thursday, July 22. There will be no games Wednesday.

The eventual district champion at Denver City will advance to the regional tournament at Plainview July 27, where it will play its first game at 8 p.m.

This will be the second time in three years that a Babe Ruth tournament has been held in Morton, the last time being in July 1969. Four all-star teams will compete in the double elimination tourney which will feature a losers bracket. Levelland, Slaton, Lubbock and the local Frontier League all-star team will make up the tournament slate. The Frontier team is comprised of the outstanding players from teams in Whiteface, Sundown and three teams in Morton.

Jerry Shaeffer of the Morton Mets is all-star manager, with Harvey Zuber of the Indians and Dickey Van Hoose as coaches.

Levelland vs Slaton will open the competition at 6:30 p.m. Monday, July 19, with a game between Lubbock and Frontier to follow at 8:30 p.m. Losers of these games will meet at 6:30 p.m. Tuesday, with the winners clashing at 8:30 p.m. There will be no games Wednesday.

Thursday the winner of the third game in the losers bracket will meet the loser of the fourth game in the winners bracket.

Party at Bledsoe will honor Kings

A going-away party Friday, July 16, at 8:30 p.m. in the Bledsoe School cafeteria will honor Mr. and Mrs. M. B. King.

Mrs. King, postmistress at Bledsoe for 28 years, has retired and with her husband will soon be moving to San Angelo.

All friends of the long-time Cochran County residents are invited to attend.

ROYALTY AT GIRLSTOWN . . .

MISS KATHY STULL, a 17-year-old redhead from Cisco, left, tearfully accepts the bouquet of red roses symbolic of her office as her predecessor, Betty Fore, crowned her Miss Girlstown U.S.A. 1971 in ceremonies Sunday celebrating the twenty second anniversary of the home. The crowning was one of the highlights of the day's activities which included presentation to the home of a check for \$20,000 by Lions Club District 2T2 and a giant barbecue prepared by the Levelland Lions Club.

Girlstown anniversary fete features queen, donation

A crowd estimated at over 400 persons was on hand at Girlstown U.S.A. Sunday afternoon to help the institution celebrate its twenty second anniversary and to partake of a giant barbecue that capped off the day's activities.

Highlights of the all-afternoon events were the crowning of Miss Girlstown U.S.A. 1971 and the presentation of a check for \$20,000 to the home by the Lions Club.

Miss Kathy Stull, redhaired and seventeen, from Cisco was crowned the new Miss Girlstown by her predecessor, Miss Betty Fore who presented her with the traditional bouquet of red roses symbolic of her office.

Preceding the ceremony, Robert Levo of Brownfield, governor of Lions Club District 2T2, made the "official" presentation of a check for \$20,000 to the 128 girls now cared for by Girlstown and to Charles King of Lamesa, chairman of the board of directors.

Levo told the crowd that he expects to present a similar sum to the facility from proceeds of the 1971 Coaches All America Game.

Plans call for use of the contribution in construction of a gymnasium on the Whiteface campus during the next year.

Honored guests at the program included Cochran County Judge Glenn Thompson, State Rep. R. B. McAlister of Lubbock and E. B. Mayer of LaGrange, an international director of Lions Club. Also on hand were the faculty and 17 residents of the Berger campus, and 40 girls who live at the Austin campus.

The new Miss Girlstown, a senior at Whiteface High School, has resided at the home three years and four months. She

★ Busy girls

Morton merchants can expect visits from the young feminine set during the coming week.

The local Campfire Girls will be contacting all of the area business places for permission to paint pictures on their windows advertising the Last Frontier Rodeo which will run August 5, 6, and 7.

Fees to be charged are nominal and the proceeds from the project will be used to finance the girls' trip to summer camp. Thirty four girls were enabled to attend summer camp through this project last year.

Campaign to finance new tennis courts stirs interest here

A group of interested citizens have initiated a campaign to enhance the presently limited recreational facilities in Morton.

They have mounted a drive to finance the construction of additional tennis courts and to light them and the already existing courts for night play. The new courts would be placed adjacent to the present high school courts at West Grant and S.W. 5th Street.

The fund campaign was suggested by members of the city council who have pledged to pay the remaining costs after a substantial sum has been raised in this manner. Half of the total estimated \$4,600 cost of the project had previously been pledged by the Morton Independent School District Board of Education. The new facilities will be located on school land and will be integrated into the school's athletic program.

Anyone wishing to make a donation to this project is invited to contact Duh Hodge, Roger Posey or Rev. David Groka. Interested adults will visit places of business to solicit funds and interested teenagers are requested to meet at the school gym at 8 p.m., Sunday, July 18 to plan a canvass of residences for contributions and pledges.

Know the drug threat

(Fifth In A Series)

Today's Subject: Barbiturates — Dependents

Barbiturates, unlike Marijuana, Heroin and Hallucinogens, are legitimate drugs. However, although they can be and are prescribed legally by physicians, they can be extremely dangerous when misused because normally used they depress the central nervous system . . . the brain and spinal column. In this category are:

Secobarbital: these are red capsules and referred to by drug misusers as "Red Devils" — NEMBUTAL, PENBARBITAL: these are yellow in color and in capsule form also. Slang term "Yellow Jackets" — TUINAL, AMOBYL, SECO-BARBITAL: red and blue capsules and called "Rainbows" on the street market — AMYTAL, AMOBARBITAL: all blue capsules, called "Blue Ravens" by abusers.

These are all dangerous prescription drugs usually prescribed as sleeping pills. They are the most commonly found barbiturates on the illegal "street market."

BARBITURATES ARE HIGHLY ADDIC-

TIVE. Physical addiction or, as it is called, "physically hooked" users will:

Require increased doses regularly because the body builds a tolerance to these drugs.

Be depressed, drowsy and demonstrate marked slurred speech.

Become psychologically dependent, or mentally "hooked."

Suffer withdrawal pains if dose is not available and can experience nervousness, tremors, convulsions, delusions, hallucinations and delirium.

"Intoxication" on barbiturates can range from lethargy to deep coma, depending on how much is taken. The trouble is, after taking too much the misuser doesn't remember how much he has taken and often takes more and more until a coma results. In addition to these dangerous possibilities, drug users often drink alcoholic beverages in addition to taking drugs, at the same time they are "on" drugs. It has been proved that barbiturates, when combined with alcohol, can be deadly! Intended or accidental death

LITTLE LEAGUE'S BEST . . .

MORTON LITTLE LEAGUE all-stars paused in their preparations for the all-star tournament, which begins in Denver City Sunday, long enough to have their picture recorded for local historians (meaning moms and dads). They represent the elite of the local Little League and include, front row, left to right, Bob Patton, Terry Dupler, Rickey Hodge, Tino Saba-

lla, Leo Rice, Tod Gilliam and Richard Keuhler. Second row, Monte Hodge, Ronnie Cambell, Donie Cambell, Ricky Lewis, Steve Polvado and Ruben Martinez. Third row, Loyde Joyce, Troy Patton, Rusty Lamar and Sandy Hodge. In rear, Don Lamar, coach, left and Dr. Joe Dorsey, Little League President. Not pictured is Wayne Gilliam, head coach.

is celebrating her selection with a week's vacation in Corpus Christi.

Members of the Levelland Lions Club began preparations for the barbecue dinner which closed the day's activities at midnight Saturday night. It was served on the patio of the facility's dining hall-chapel, into which the guests retreated from the sun.

Official hostesses for the day were members of the 17 Lubbock chapters of Beta Sigma Phi social sorority. Mrs. Chris Woods, president, represented the BSP City Council.

Visitors were conducted on a tour of the campus buildings and the girls invited them to an inspection of their dormitory rooms.

Girlstown is operated through farm income and contributions from individuals and organizations throughout the nation. It is a home for girls from infancy through maturity. Maximum age at entrance is 16 and a half.

The oldest resident at present is 20. The girls attend public schools in Whiteface and, according to Mrs. Robertson, may stay at the home while attending college or vocational school, for which the organization pays.

Referrals are taken from child welfare units, juvenile courts, school counselors, psychologists and individuals.

The three campuses have accommodations for approximately 130 girls.

and pay the bills. The county will finance the operation and procure the needed equipment to replace the present Singleton vehicle which has been out of commission for several months. The city police will provide the driver on a 24-hour basis, with an additional helper provided from the hospital when necessary.

The driver's fee was set at \$5 for in-county calls and \$10 for out-of-county calls, such as patient transfers to Lubbock, etc.

can result. More people commit suicide with barbiturates than with guns!

It is best to keep well in mind that some barbiturates are obtained by youth from home medicine chests, the vast majority are obtained from "street markets." Most barbiturates made legally in the U.S.A., sold here to Mexican and other foreign firms, resurface back in the U.S.A. on the "street market" within 6 months. They cost about 25 cents each and are packaged in foil wrappers containing 6 for a dollar.

It is of some comfort to know that mulants and barbiturates are regulated by the Food and Drug Administration under the drug abuse control amendment of 1965. These provide for a strict accounting of supplies of the drug by the manufacturer, distributor, and seller, and strict the user to five refills of his prescription, at the discretion of his physician. Therefore, these drugs can be had only through a physician. Illicit manufacturing and dispensing of barbiturates bring fines of \$1,000 to \$10,000 and sentences of 1 to 3 years. Those convicted of selling the drugs to persons who can receive up to \$15,000 fines and 6 years in jail.

How to handle tell-tale signs of drug abuse in a child will be discussed in another article. Right now we are going over the facts so that we all have it in mind the nature of the "enemy" we are facing. Watch for next week's "feature" in this newspaper. I am sure you find it informative and enlightening.

on with this program as fast as possible. Judge Thompson said, and added Singleton has kindly offered to donate ambulance to us, and we feel that we get it repaired and use it until we get a new one, at which time it will be a back up vehicle.

4-H Fashion Show set for July 22

Modern designs in fashions and styles will make the scene at the Extension District 2 4-H Dress Revue at the Villa Inn here on July 22.

Theme of this year's revue will be "Journey in Fashion."

Thirty-six girls from 18 South Plains counties will be participating in the annual event, announces Mrs. Judy Sanders, associate home demonstration agent and publicity chairman for the revue. Two girls from each county are eligible, one in the senior division and one in the junior division.

A public revue will be held at 1:15 p.m. and awards will be presented.

A noon luncheon sponsored by the Plains Cooperative Oil Mill will be for the revue participants, their mothers and Extension agents, and news media representatives.

The 4-H'ers will be judged on the overall appearance of their outfit, suitability of the design, color and texture for the girl, grooming, posture, attitude, poise, personality 4-H records and other factors. Only seniors will be judged.

The top four girls in the senior division will be eligible to compete in the State 4-H Dress Revue which is slated for October 16 in Dallas in conjunction with the State Fair of Texas.

Local artist wins honors at art show

Paul Wylie, local artist, received an Honorable Mention for his painting "Mountain Camp" at the Levelland Art Show held July 9-11.

Prior to the showing in Levelland, the painting has been on display at the Malt Shop here.

Wylie, reared on a ranch and has spent his entire life in the cowboy profession, reflects the authenticity of life as it is lived in the western ranch country in his paintings.

Following much encouragement from local art connoisseurs, Wylie decided to take painting seriously as a profession and is now enrolled in art courses at South Plains College in Levelland.

HD Agent report

BY MRS. MARY HARBIN
Home Demonstration Agent

Using improved methods of home canning make it possible for the homemaker to enjoy the natural goodness of foods. The action of yeasts, mold, bacteria and enzymes spoil food. A homemaker stops this action by processing food with heat and protecting it with an airtight seal, vary with different kinds of foods.

One canning method, the pressure canner method, is recommended for all non-acid vegetables to prevent spoilage. Vegetables should be processed according to the raw or hot pack method.

The "Raw Pack" method means packing unheated food into the clean jar and adding boiling liquid. The "Hot Pack" method means briefly precooking food. The heated food is then packed into clean jars.

Steps for "Raw and Hot" Pack methods include:

Examine jars for breaks, nicks, etc. Wash jars in hot, soapy water and rinse well.

Select fresh firm foods. Be sure food is not overripe. Grade foods according to size and ripeness. Prepare according to seeds, etc. Place lid and band on jar specific recipe.

Pack food into jar, leaving 1/2 inch at the top of jar. Salt may be added.

Wipe top of jar free of all pulp, grease, seeds, etc. Place lid and band on jar firmly. Process according to recipe and altitude adjustment. When the pressure cooker is used at an altitude of 2,000 feet or more, the pressure must be increased by 1 pound for each 2,000 feet altitude.

Note: Cochran County elevation is 3756 feet, therefore, 2 pounds should be added.)

Remove jars from canner to cool, avoiding drafts. Leave jars uncovered to cool and seal. Test for seal by hearing the seal, seeing the seal, or feeling the seal. Remove the screw bands after 24 hours as bands are unnecessary once jars are sealed.

Boil all home-canned, non-acid vegetables for 15-20 minutes in an uncovered pan before tasting. This precaution is taken to destroy odorless and flavorless spoilage, botulinum.

Weekend guests in the Mearl Moore home were Rev. and Mrs. Jay Wright and Rev. and Mrs. Dean Bennett of Purcell, Okla. Other guests included Mr. and Mrs. Joe Williamson of Elk City, Okla.

Guests in the home of Mr. and Mrs. Richard Young over the weekend were her sister and family, Mr. and Mrs. Bob Searcy, David and Carlene of Joplin, Mo. Larry Moore, son of Rev. and Mrs. Mearl Moore is in Oklahoma City working prior to entering school in September.

Mr. and Mrs. Raye Glover of Atoka, Okla., have been visiting in the home of her sister, Mr. and Mrs. J. H. Rhyme this week. Tuesday night Mrs. Glover and her niece, Mrs. Weldon Wynn, celebrated their birthdays with a cook out at the Wynn home.

Whiteface FFA members state convention attendance

Five members of the Whiteface Future Farmers of America Chapter are attending the State FFA Convention in Houston, July 14-16, according to Richie Marshall, son of Mr. and Mrs. Darwood Marshall, President of the FFA Chapter.

The three-day meeting of representatives of over eight hundred FFA Chapters from throughout the state will include the awarding of Advanced Degrees, scholarships and awards to outstanding members of the organization. Mike Burris son of

Mr. and Mrs. Buddy Burris, has been elected by Chapter members as a voting delegate to the Convention.

Tommy Lewis, son of Mr. and Mrs. G. D. Lewis, will serve as alternate delegate.

Other members attending are Bradley Akin, son of Mr. and Mrs. Roy Akin; Tim Schooler, son of Mr. and Mrs. J. L. Schooler and Wendell Dunlap, Vocational Agricultural Advisor.

Guest speakers addressing the Convention will be Mr. Donald N. McDowell, Executive Director, National FFA Sponsoring Committee, Madison, Wisc., and Dr. Regan Brown, Extension Sociologist College Station, Texas.

Barham Fulmer, State FFA President, Nacogdoches, will be in charge of convention activities. The convention will open with a Vesper Service on Tuesday night in the Rice Hotel.

National FFA Officers attending the convention will be John McCulley, National Student Secretary, Marlin, Oregon and Jim Beard, Southern Region Vice-President, Mounds, Oklahoma.

Among the important business matters to be transacted at the Convention will be the election of a state president from ten state officer nominees who have been elected by members in the ten areas on the state. The State Public Speaking Contest will be conducted. Voting delegates to the National FFA Convention in Kansas City, Mo., in October, will be selected. In addition, delegates will elect a State Sweetheart from the ten (10) candidates elected by the areas and will select the top talent team in the state.

Nine hundred and twelve (912) Future Farmers, from the 54,378 memberships of the organization, will receive the state's highest award, the Lone Star Farmer Degree. The membership will confer Honorary Degrees on adults who have contributed in an outstanding way to the accomplishments of the organization. More than 5,000 FFA members, advisors and guests are expected to converge on Houston and the Sam Houston Coliseum.

FESTIVE ICE CUBES — Garnished ice cubes add a gay note to many fruit drinks. Fill an ice cube tray about two-thirds full, using boiled water to make the cubes clear. After the water freezes slightly, add an orange, lemon or lime wedge, or a pineapple tidbit, fresh berry, cherry or grape. Finish filling with water and freeze again.

★ Canning time

Mrs. Mary Harbin, County Home Demonstration Agent, advises all ladies to check the dial gauge on pressure canners at least once each year. To check gauges bring canners to the County Home Demonstration office from July 19 to 30.

SPACE SAVER — Save space if freezing a combination main dish: freeze the casserole in a foil-lined bowl. After freezing lift the food from the dish and wrap for re-freezing. Casseroles freeze in uniform shapes, then they can be stacked easily. The dish is again ready for use and you save freezer space.

ASCS Farm News

Progress Reported in Formulating 1972 Wheat Program.

Provisions of the 1972 voluntary wheat program will be announced as early as possible so that producers of winter wheat will have time to plan their farming operations, according to officials of the U.S. Department of Agriculture.

"The 1972 national domestic wheat allotment of 19.7 million acres, the same as last year, has already been announced and individual farm domestic allotments are now being figured," said Danny Key, Chairman of the County ASC Committee.

In order to plan their operations, wheat producers also will want to know the level of set-aside acreage for 1972, whether barley will be included in next year's feed grain program, whether substitution between wheat and feed grains will be permitted, what will be the loan level for wheat, and other decisions which the Agricultural Act of 1970 delegates to the Secretary of Agriculture.

"Agriculture Secretary Clifford M. Hardin makes these decisions," Key said. "But before he does, he gathers the best available data and informed advice. For instance, the National Advisory Committee on Grains for Wheat, Feed Grain and Soybeans met recently in Washington, D. C. to discuss and advise on the wheat and feed grain situations and provisions of the 1972 wheat program."

"The Secretary has also requested statistics, projections, and recommendations on wheat from several agencies in the Department of Agriculture, including ASCS, which administers the wheat set-aside program. ASCS called in a group of State ASC Committeemen — all farmers — from the major wheat States to get recommendations on the 1972 wheat provisions."

"And I'm sure that Secretary Hardin is also hearing from — and listening to

farm groups and individual farmers on the subject. No decisions will be made without careful consideration of all the factors."

The time factor is recognized as very important, County ASC Committee Chairman Key said and assured wheat growers that information on the 1972 program will be released as soon as possible after program decisions are made.

"HAVE YOU HAD DAMAGE TO THE 1971 COTTON CROP?"

If you believe your cotton crop has been damaged, or if it is damaged by some unavoidable cause in the future, you should file a request for inspection, Form ASCS-374, and have a farm visit from a representative of the county office. Then this fall if you fail to make at least 89 of the 1971 payment yield, the committee will have more information to use in adjusting your field for the 1972 program.
