The 1972 Morton High School Homecoming activities get underway tonight with the coronation of the Homecoming Queen, Sweetheart and Pep Squad Queen in the Morton High School Gymnasium. Homecoming Queen candidates are Becky

Jordan, county's best physician, dies; funeral held Wednesday

Funeral services for Dr. Dempsey Truman Jordan, 62, were held Wednesday at 2:30 p. m. at the First Missionary Baptist Church. Rev. Gary Hensley, pastor of the First Missionary Baptist Church in Mineral Wells, officiated.

Dr. Jordan died at 8:35 a. m. Tuesday at the Cochran Memorial Hospital.

Dr. Jordan lived in Cochran County for some 41 years. He first came to the county in 1931. He began the practice of medicine at the age of 18 in the town of Orr in Indian territory.

He was shortly after he had been granted a local board certificate from the State of Texas. After several years practicing in the territory, Jordan returned to Texas, enrolling at the College of Physicians and Surgeons in Dallas and receiving his medical degree from this school in 1906.

His first office here was located in the Cochran County Court House. Later when the Taylor constructed a building for his drug store on the north side of

Wiley Hodge heads CAC officer slate

Wiley Hodge was elected president of the Cochran County Community Action Board at a meeting in the Center Tuesday night.

Serving with Hodge for the coming year are Lucille Wynn, first vice president and Mrs. Cammie Jackson, secretary and reporter.

Following the election of officers, Mrs. Jackson gave a yearly review of the health committee which included 298 DPT shots given, 328 Polio shots, 128 measles and 173 Rubella shots.

Mrs. W. G. Freeland reported that 18 adults were enrolled in the Adult Basic Education program that meets on Monday and Tuesday nights at the High school. She also reported that the classes could accommodate many more. Mrs.

Indians set 'Muleskinning'

By TOMMY D. COMBS

The Morton Indians, after suffering their fifth consecutive loss of the season, to the Stanton Buffaloes last week, take on the mighty Muleshoe Mules tomorrow night in Indian Stadium.

This game has been designated as the homecoming game for the Indians and all Morton High School exes.

The Mules, who hold an impressive 5-0 record for the year, have defeated Dimmitt 20-6, Olton 21-8, Friona 14-0, Littlefield 42-14, and Portales 27-12. They started the season with a 6-6 record from last year and a number of young, relatively untested players who obviously are passing the test of the gridiron.

Back on hand to direct the Wing-T offensive is regular quarterback Don Long (5-6, 135, Jr.), a small but competitive youngster while much of the running game will center around returning half-back David Wheat (5-8, 175, Jr.). Besides these two, head coach Fred Hedgecock had only one returning letterman. Having defeated four of the five teams in district 3-AA, the Mules will come to Morton looking for their sixth straight win and the opportunity to defeat every team in 3-AA.

The Stanton Buffaloes, with a strong defense and an impressive offense, downed the Indians last week in Stanton 14-0, for a record of 4 wins and 1 loss for the season.

Picadors host Kittens in Shrine tilt tonight

The Picadors, Texas Tech freshman football team, will lay their 1972 undefeated record on the line as they meet the Houston University freshmen Kittens in the annual shrine game in Jones Stadium tonight.

Kickoff time is set for 7:30 p. m. for the sixth annual Shrine Bowl Game.

The game, sponsored by the Khiva Shrine Temple, raises money for the Burns Hospital Foundation in Galveston to help crippled and burned children. Last year the contest netted more than \$33,000 as a record crowd of 25,124 turned out to help a worthy cause and see a good football game at the same time. Shrine officials are hoping for a record crowd of 35,000.

Texas Tech head freshman coach Jess Stiles has become a Shriner since becoming involved with the Khiva Shrine game. In his four years as Picador coach, Stiles has recognized the value of the game

Merchandise fair set Saturday

The second annual Morton Area Chamber of Commerce Fall Merchandise Fair will be held in the county activities building beginning at 1 p. m. Saturday.

The fair, sponsored by the Morton Area Chamber of Commerce is for the purpose of giving the merchants and businessmen of Cochran County the opportunity to show off their fall and winter lines of merchandise and to give the shoppers of the area a view of what is available to them here at home.

It will also afford the visitors a preview of what is available for their Christmas shopping needs, as many of the merchants have declared intentions of displaying much of their Yuletide line of merchandise.

The fair was originally scheduled for September 23, but the date was set forward by request of the merchants to Saturday, October 14, in order to afford them additional time in which to receive their fall and Christmas lines. The participation by local business firms is expected to be heavy as a large number of them, representing a wide variety of

types of merchandise, have reserved display space.

Texas cotton crop looking like 'bumper'

The 1972 cotton crop is shaping up as a bumper crop across Texas and the United States.

"The most recent cotton crop forecast from the U. S. Department of Agriculture indicates production in Texas to reach 3.8 million bales with U. S. production at 13.6 million bales," points out Charles Baker, marketing economist with the Texas Agricultural Extension Service.

"This means a three million bale increase nationwide over last year. In Texas the crop was down to 2.6 million bales in 1971 due to dismal fall harvesting conditions."

Baker explains that this year's increase See **COTTON CROP**, Page 3a

of the activities building is available for inside display and the parking lots around the building are available for display of new automobiles and trucks and farm and ranch implements and equipment.

There is no fee charged for space, however each exhibitor is expected to donate a door prize with a minimum retail value of \$5. Several drawings will be held during the afternoon at which a number of these prizes will be given away. Each visitor may register at the door and his name will be dropped in a hopper for the drawings.

There is no requirement that exhibitors display only new fall merchandise—anything they wish to display is welcome. Chamber members will be given first priority on space, but there is expected to be ample room left over for non-members wishing to display their wares.

The exhibitor may take orders, make layaways or sell his merchandise outright. The sole objective of the merchandise fair is for the Chamber of Commerce to

people want to know . . . out of five read a newspaper as the "best way to find out" for everything from local news and convention to community happen-

Between 1713 and 1745, the growth of literacy in early America was spurred by the founding of 22 newspapers. Today, over 9,000 weekly and daily newspapers educate, entertain and inform more than 100 million people regularly.

"All I know is what I read in the papers." Will Rogers said it. The great humorist penned a bit of wisdom with exaggeration. Everything you know may not come from newspapers, but it's a good place to start.

Only the newspaper serves so many needs — even after it has informed, educated, enlightened, entertained, amused, instructed, enriched, enlivened, stimulated, convinced, activated, involved saddened or gladdened.

Only the newspaper can carry so much news so far. That's why a subscription to the hometown newspaper is rated tops by service men, college students — those away from home. It keeps giving all year long.

Meeting tonight. If worthy, it'll be announced — as a service. If they'll be spending your money, it'll be reported — for your protection. Newspapers — the full information medium.

Quotable: Another maxim governing public reaction is that attacks upon news media will rise in direct proportion to the intensity of public frustration in meeting the problems of the day.

I wasn't watching anything — I was reading my paper . . . at my own pace . . . selecting what I wanted to read . . . hopefully without further interruption. And I can see it again tomorrow, if I want.

inexperience and some bad breaks, just couldn't get started. The Indians received the opening kick-off and in a drive that included two first downs, made it out of their own 44 yard line before Ted Thomas, all-around workhorse, was forced to kick back to the Buffaloes.

The Buffs took the pigskin on their own 31 and surprised the Tribe with a 26-yard pass play to Armando Rios, halfback. In a drive that included three first downs, they found themselves on the Indian 3 yard line and Rick Wilson, quarterback, carried across with 4:15 sec. left in the 1st period. Wilson then kicked the PAT and put the Buffs ahead in the halgame 7-0.

Well into the 2nd quarter, the Indians, on a drive of 12 plays and 3 first downs, had the ball on the Buffalo one-yard line. Thomas tried a fourth down quarterback sneak that wasn't sneaky enough. He hit a wall of Stanton linemen and the Buffaloes took possession of the ball on their own one-yard line.

The buzzer sounded at halftime with the Buffaloes ahead on the scoreboard and the Indians ahead on paper. The score 7-0.

Statistically the Indians outplayed Stanton in the first half, with 9 first downs against 5 for the Buffs. Morton tried no passes and picked up 130 yards rushing. The Buffaloes attempted 5 passes for one completion and a pickup of 26 yards in the air and 81 yards on the ground for a total gain of 107 yards.

The third quarter was a replay of the second with both teams showing their defensive skill and the offense getting nowhere. With 6:56 left in the halgame, Rick Williams passed to Armando Rios from the 6 for another Stanton touchdown. Vernon Brown kicked the PAT and put the Buffs ahead 14-0. And, on the scoreboard, that was the story of the game.

Unofficially the Indians had 5 first downs in the second half compared to 3 for the Buffaloes. The Indians picked up 83 yards rushing. The Buffs picked up 161. The Tribe attempted 5 passes with two completions for a gain of 25 and had two interceptions. The Buffaloes attempted 6 passes with one completion for 26 yards.

A talk with head coach Doug Reed indicated that three outstanding Indian workhorses who have been injured during the season, will be back in action this Friday night. Jimmy Harvey, 160 pound halfback, was injured in the game against Hart. William Grant, tackle who was shifted to halfback because of some injuries, and was injured himself last week, will also be returning to the lineup. And Larry Thompson, 160 pound halfback, will also see action against Mule-

It was announced that Frances Enriquez had been hired as a Health Aide on a three month probation basis, and that members of the board had been invited to be on Rap Session each week at KRAN radio station. Mrs. Thelma Lewis and Mr. Perez will be the first guests.

Plans were discussed for an Open house, since the Center is now in a new location, and will be celebrating its third anniversary.

Mrs. Orville Tilger and Perez held a question and answer session on the Community Center involving funds, organizations that are sponsored and the positive results of these organizations.

Volunteer help is needed in all areas of work and interested persons are asked to contact Mrs. Lewis at the Center for more information.

The Indians, with injured players back and a little more experience under their belts, will go into this game looking for their first win of the season. This game is doubly important to the Tribe. It's homecoming and the stands will be full of Morton Alumni. And, also, Morton and Muleshoe always play what might be termed a "grudge game".

Game time is 8:00 Friday night in Indian Stadium.

This afternoon (Thursday) the Morton Freshmen and the high school B-teams will play Muleshoe here in Morton. The Freshman game starts at 4:30. The B-Team game will be immediately afterward.

The Kittens in 1971 recorded a 14-7 win over the Picadors in Houston on two interceptions run back for touchdowns.

The Picadors are 2-0 after wins over the ICU frosh (27-0) and the Arkansas Shoats (42-26). Houston was defeated by the Rice freshmen (24-14) in their opener. The Kittens played Wichita State Saturday in Houston.

DON'T TAKE RURAL TEXANS FOR A RIDE

...AND DON'T TAKE US FOR GRANTED.

HERE'S WHAT NIXON IS DOING TO RURAL AMERICA

WHEAT SCANDAL - Giant wheat exporters made huge profits at the expense of individual wheat farmers, many in Texas, on Soviet trade.

TAXES - Wall Street Journal says federal laws favor the corporation or investor who farms on the side for a tax write-off.

FARM ISSUES - Under Nixon, parity dropped the lowest since 1933. Nixon held up payments of nearly \$400 million for feed grains in 1970, forcing farmers to borrow at highest interest rates in history.

CONGLOMERATE SCANDALS - Big Business first, the public second - that's the Republican philosophy. Anti-trust suit against ITT dropped at the same time ITT pledged \$400,000 to finance Republican Convention.

Harry S. Truman said, 'The Republicans admire our government so much they want to buy it.'

Let's face it. The Republicans just haven't changed much since the days of our grandfathers. They still favor Big Business over the average working man and woman. And while they're taking us for a ride, they keep telling us what a 'dangerous radical' Senator McGovern is.

That's what they said about Harry S. Truman.

HERE'S WHAT McGOVERN IS DOING FOR RURAL AMERICA

HIS STANDING - George McGovern has been elected time and again as a Democrat from a Republican farm state... because they know where he stands.

TAXES - His tax proposal would end the loopholes for tax-loss farming by giant corporations and the wealthy individuals who compete unfairly with family farmers. McGovern's proposal calls for the same tax on capital gains as on earnings.

FARM ISSUES - He sponsored and co-sponsored: Meat Import Limitation Law; Dairy Import Act; Wheat, Feed Grain, and Soybean Emergency Reserve Bill; Rural Development, Rural Job Development, and Rural Telephone Acts; Farm Credit Act; and other pieces of important legislation.

HIS BELIEFS - George McGovern knows that the answers to many of our most pressing problems in America today can be found by developing genuine opportunities for everyone in our small towns and rural areas throughout the country.

Let's not be taken for granted by the Nixon Republicans. Rural America has always fared best under a Democratic administration. If you want to stand up and do something good for rural America, the answer is to help put a Democrat in the White House. We need George McGovern... and George McGovern needs us.

RURAL TEXANS NEED A DEMOCRAT. RURAL TEXANS NEED McGOVERN

duction stems mainly from increases in yield and good yields in most cotton producing areas. Favorable prices last year encouraged producers to increase plantings.

However, the price situation has changed this season, as one might expect. The Texas A&M University economist says prices have dropped steadily since forecasts have indicated increased production. Trading has been slow as buyers anticipate lower prices and producers expect a return to higher prices.

Producers are considering the use of Commodity Credit Corporation (CCC) loans to hold for better prices in early season. According to Baker, this likely will improve prices for qualities that are in short supply.

Looking for a carryover stocks and a price that even if all the expected million bale increase is carried over to August, stocks will still be lower than the 1967 carryover. Baker expects 1967 consumption and exports to be higher during the 1972-73 market so that carryover stocks on August 31 should total about 5.5 million compared to this year's 3.3 million.

Indian frosh alter hairlines of chiefs

The freshman Indians reduced Friona's hairline even further this week by downing the Chiefs 28-0.

Last week, in the game against Friona, on their home field, the contest was mostly defensive until the second half. This week the Indians on home turf opened their scoring in the first quarter when Raydean Thompson took the ball in to pay dirt on a pass. Quarterback Kenneth Standnre made the conversion on a keeper to round it off at 8-0.

The Indian offense dominated in the second quarter, marching down field at will. Thompson scored again on an identical pass play as the first score and Larry Jackson took it in for the conversion ending the half with a score of 16-0.

In third quarter, "Ace" Thompson made a 43 yard run for a TD and his third score of the game. The conversion missed this time and at the end of the quarter, the score was 22-0.

The second team played most of the fourth quarter and refused to give an inch. Max Wynn recovered a Friona fumble late in the period that enabled James Cornish to score the last six points on a reverse, ending the game with a whopping 28-0 win for the Freshmen.

VIEWING FOR CROWN . . .

THERE WAS NO LACK OF BEAUTY or talent when Morton High School students decided to choose a 1972 Football Queen, Pep Squad Sweetheart and Band Sweetheart, as the nine candidates above will attest. In groups of three from left, the candidates include: Mary Marina,

Becky Goodman and Marie Wilcox, Football Queen candidates; Rosa White, Irene Pritchett and Hope Soliz, Pep Squad candidates and Mary Cadenhead, LaNita Combs and Doris Beseda, Band Sweetheart candidates.

Texas' Spanish influence 1936 Club program topic

Mrs. D. E. Benham presented a program on the Spanish influence on Texas History at the October 4 meeting of the 1936 Study Club. Mrs. John Crowder was hostess.

Reviewing the early years of Spanish control, Mrs. Benham noted that they came as explorers and conquerors, not settlers. They were primarily interested in acquiring wealth and subjects for the King and neither the country nor its inhabitants, the Plains Indians, were applicable to this policy.

Spain's four fold purpose was to conquer, convert, exploit and incorporate the native,

and the nomadic and propertyless Indians refused to be conquered, or stay converted. They had no property to confiscate except the land and they considered it to be free as air and water.

Mrs. Benham continued by saying "The Spanish occupied Texas from 1519 to 1821 they were not successful in their colonization; economic, religious or military; and their lasting contributions consist of the Spanish names given large rivers, bays and mountains, their imprint on architecture and the lost or thrown away articles now displayed in Texas Museums.

Because the Indians at first received the Spanish as friends they were greeted with the word "Tejas" which gave the future state its name and provided the motto adopted by the Legislature in 1939 of "Friendship", a traditional Spanish interpretation of the Indian word Tejas.

Mrs. Iva Williams presided over a short business meeting in which Mrs. Cyrus

Field's resignation was accepted with regret. Mrs. W. W. Smith read the Club Collect.

Others attending were: Mmes John L. McGee, W. C. Benham, Bill Sayers, Neal Rose, Gage Knox, J. B. Nicewarner and M. C. Ledbetter.

If your six year old saw something like this, would he know how to phone for help?

It's too important a question to leave to chance. That's why we're running this ad. If there are any six- or seven-year-olds around your house, teach them how to report emergencies. Tell them to dial "0", give their name and tell our operator where they are and what's wrong.

With older children, train them to dial emergency numbers direct, since that's the fastest way to call for help. But don't stop there. Copy down the emergency

numbers listed on the inside front cover or first page of your telephone directory. Add your family doctor's number. And the number of the nearest hospital. Next, tack up the list near your phone.

Then get your kids to memorize it, in case it gets lost. By the time they're through memorizing those numbers, they're going to have every grownup in the house knowing them, too.

Which is also why we're running this ad.

Albus-Merrick vows said in double ring ceremony

Miss Betty Albus and David Merrick pledged double ring vows Saturday, October 7, at 6 p. m. in St. Philip's Catholic Church with the Reverend Kevin Clarke officiating.

Mr. and Mrs. Paul Albus of Pep, and Mr. and Mrs. Darrell Merrick of Lamesa are parents of the couple.

An archway covered with greenery and pink roses; and two candelabras provided the setting for the wedding ceremony. The altar was decorated with two baskets of roses.

The bride, given in marriage by her father, wore a formal length gown of silk tulle de soie fashioned with an empire waistline and a high neckline edged with Venise lace. The full bishop sleeves had a set in strip of alencon lace and wide cuffs

with a double band of scalloped Venise lace. A wide band of alencon lace encrusted with pearls and edges with a double row of scalloped Venise lace extended down the front of the gown. The attached chapel length train was accented with rows of narrow Venise lace. The headpiece was a profile of Venise petals and pearls, holding three tiers of illusion.

A hankie belonging to her grandmother served as "something borrowed." She wore the traditional "blue garter" and a sixpence in her shoe. A diamond bar pendant belonging to her grandmother was "something old" and her dress was "something new."

Miss Beverly Albus, sister of the bride, served as maid of honor and bridesmaid was Miss Albus of Lubbock, cousin of

Mrs. David Merrick

the bride.

They wore formal length gowns styled with empire waistlines. The laced vestee-bodice was fashioned in burgandy velvet, the skirt in the cascading fullness of pink chiffon. They carried a long stem pink rose.

Flower girl was Miss Melissa Burkett of Lamesa, cousin of the groom. She wore a formal length gown of burgundy velvet fashioned with an empire waistline, accented with white lace, and long sleeves.

Dan Yates of Levelland was best man and Troy Colley of Levelland was groomsman. Ricky Houston of Morton served as ringbearer.

Ushers were Keith Merrick, brother of the groom, and Darwin and Curtis Albus, brothers of the bride.

Servers for the Mass and candlelighters were Mark Albus, brother of the bride, and Sydney Albus, cousin of the bride.

The bride's mother wore a street length dress of gold knit fashioned with an A-fitted waist, full skirt and long sleeves, accented with a white carnation corsage.

The groom's mother wore a street length line skirt, stand-up collar, long sleeves, and accented with a white carnation corsage.

Registering the guests was Miss Cindy Martin of Denver City, cousin of the bride. Providing the traditional wedding music was Mrs. Don Dings, organist, of Lamesa, aunt of the groom.

A reception followed the ceremony in the church hall. The five tiered white wedding cake decorated with white roses was topped with wedding bells and lovebirds. Miss Kathy Decker of Levelland, and Mrs. Dan Yates of Levelland, and Miss Eugenia Sokora of Slaton served.

The bride is a 1969 graduate of Pep High School and Jessie Lee's Hair Design Hair Design Institute. She is employed by the Casa Cabello Beauty Shop.

Merrick is a 1969 graduate of Lamesa High School and attended South Plains College. He is employed by Griffith Equip-

ment Company.

The couple will make their home at 203 East Harding.

A rehearsal supper for the families and attendants in the wedding party was held Friday night at Pep with Mr. and Mrs. Darrell Merrick hosting the occasion.

Cisneroz rites held Tuesday

Services for Eliseo Cisneroz, 89, were held at 4 p. m. Monday in St. Ann's Catholic Church. The Rev. Kevin Clark, pastor of St. Phillip's Catholic Church in Pep, officiated.

Burial was in Morton Memorial Cemetery under the direction of Singleton Funeral home.

Cisneroz died at 5:55 p. m. Saturday in Cochran Memorial Hospital.

Survivors include one daughter, Mrs. Thomas Chapa, of Morton; one sister and one brother; nine grandchildren and 35 great-grandchildren.

About local folks . . .

Mr. and Mrs. Ray Griffith, Mr. and Mrs. George Mundhenke and Mr. and Mrs. Harold Reynolds spent the weekend in Ruidoso.

Mr. and Mrs. Hardy Rhyne, Mr. and Mrs. Weldon Wynn, Max, Joe Bob and Kandi visited in Lamesa Sunday with Hardy's sister.

Mr. and Mrs. Junior Linder spent the weekend in El Paso and Juarez, Mexico. Miss Jean Ann Burleson, student at Texas Tech University, spent the weekend with her aunt and uncle, Mr. and Mrs. Bill Sayers.

Mr. and Mrs. Eddie Allsup had as their guests over the weekend Eddie's mother, Betty Allsup, from Dimmitt.

Mr. and Mrs. Hadley Kern returned Sunday after spending ten days in Bakersfield, California with his brother, Mr. and

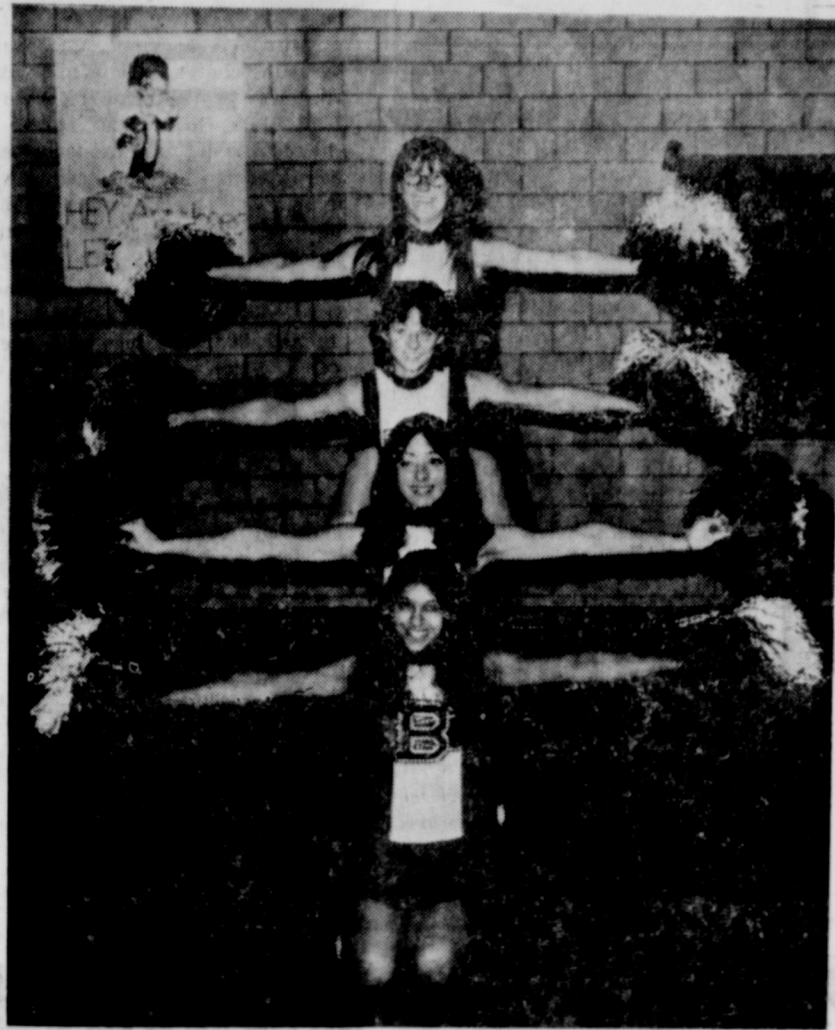

Mrs. Jack Kern. Jack is a former resident of Cochran County. While in California, the Kerns visited Hurst Castle and enroute home stopped at the London Bridge in Arizona.

Mrs. M. W. Ellington has been a guest of her son and family, Mr. and Mrs. Dub Ellington and infant son, Marlin Wilson III. Young Marlin has been seriously ill, but great-grandmother Ellington reports he is much improved.

Guests from Kearney, Neb., Mr. and Mrs. Dayton Young, are presently visiting their son and family, Mr. and Mrs. Richard Young, Dennis, David and Debbie.

Miss Gail O'Neal, Home Economist, left Monday for Denver, Colorado to attend a National meeting of Home Economics.

Mr. and Mrs. Don Matthys recently returned to their home in Fasadena after

BLED SOE CHEERLEADERS . . .

LEADING THE CHEERS at Bledsoe High School this year are from top to bottom: Sherri Adams, Kay Row, Rita Fipps and Mary Perez. The girls have all attended the National Camp of Champs at Artesia, N. M.

several days visiting with her mother, Mrs. Evelyn Seagler.

Mrs. Lula Cooper left Monday for Winters for a visit with her niece, Mrs. Zula Lacy. From there Mrs. Cooper plans to visit her daughter and family, Mr. and Mrs. Virgil Willis, who live at Possum Kingdom. Later she will visit her sister, Mrs. A. A. Nance at De Leon.

Mr. and Mrs. W. E. Childs visited in Plainview over the weekend with their daughter and family, Mr. and Mrs. Herman Bedwell.

Mr. and Mrs. J. T. Porter of Pasadena accompanied her mother, Mrs. Charles Taylor, home last week. After spending several days with her here, they returned to Pasadena Friday.

Over night guests Tuesday with the Joe Gipsons were his brother and wife, Mr. and Mrs. Claude Gipson of Odessa.

Recently DeAnna Coats, daughter of Mr. and Mrs. Kenneth Coats, flew to Noard, Conn. to visit in the home of Mr. and Mrs. John Early and family. DeAnna met their son, Dick Canata, while he was stationed at Clovis Air Force Base. He was recently discharged and returned to Conn to attend college. While in Conn. DeAnna toured through one of the largest seaports and museums in the U. S. Ships that dated back as far as 1745 were in the museum and carvings from whale bones of silverware and sweethearts. Highlight of her trip was a camping trip with the Early family in the White Lake Mountains of New Hampshire and northern parts of Maine. "I saw lots of beautiful country and had a wonderful time but it's good to get back to Texas and Texans," DeAnna said when she arrived home.

Mr. and Mrs. Junior Linder are expecting their daughter and family, Mr. and Mrs. Everett Jones and boys home for the Homecoming weekend.

Sunday afternoon Mr. and Mrs. Bob Newton hosted members and friends of Morton Chapter 841, Order of Eastern Star, honoring Mrs. Ada Long, Worthy Patron and Joe Gipson Worthy Patron, at their home in Enoch. Lovely gifts were extended to them. Mrs. Long will leave Sunday for Fort Worth where she will attend the Grand Chapter of Texas, Order of Eastern Star.

Scott Hester is presently visiting with his grandparents, Mr. and Mrs. Clarence Hester, of Meadow.

Kim Coats, son of Mr. and Mrs. Kenneth Coats attended the Baptist Student Union in Dallas Sunday. Kim was elected 1st Vice President of BSU, an honor based on attendance. To achieve an office, one must attend two sessions. Other sessions attended by Kim was one at Buffalo Springs. Sixty youths from the South Plains attended the Dallas session.

Greene speaks on water Plan at L'Allegro meet

In keeping with the year's theme of "My Fair Lady", the program topic for the L'Allegro Study Club Thursday, October 5, was "The Rain In Spain". The meeting was held in the home of Mrs. George Mundhenke.

"The Texas Water Plan" was presented by Van Greene, a member of Water Inc. He showed films of a trip he made with a group from Water Inc. to California to view first hand that state's water plan. The Texas plan is being patterned after it. He explained that by the end of summer, a little ahead of schedule, the Texas feasibility studies will be completed. Water for the Texas plan will come from the mouth of the Mississippi River near New Orleans. The flow will be for eleven months out of the year with one month being spent for repairs and maintenance. Greene told the members that five and one-half million acre feet of water will be brought to the Texas Plains and Eastern New Mexico. He continued by saying "The completion of the water

plan is due in eight years, which will be soon enough if water continues to deplete at the rapid rate of the last years".

In a short business meeting, following the program, members voted to deliver fresh fruit to Girlstown now instead of waiting until Christmas when the girls have so much fruit. A Halloween Carnival booth of cokes, pop corn balls and brownies will be sponsored by the club this year.

A thank-you note from Mrs. David Newsom, daughter of the president Mrs. J. C. Reynolds, was read. Mrs. Newsom thanked the members for inviting her to the president's dinner that honored her mother.

Members present were: Mmes E. O. Willingham, Jack Wallace M. A. Silvers, Tom Rice, Reynolds, Earl Outlaw, Dean Harris, Van Greene, Harold Drennan, H. B. Barker and guests, Mrs. Ivy Mundhenke from Dodge City, Kansas and Mr. Greene.
