## C of C banquet interest high

WHITEFACE HIGH SCHOOL PRINCIPAL RICHARD SOUTER points to one area of damage done by heavy burglary tools when the elementary and high schools were broken into sometime last Thursday night or Friday morning. An estimated \$1,500 to \$2,000 was done by the intruder or intruders whose activities ranged over the entire school complex. An estimated \$100 to \$150 was taken from desks, lockers and candy and soft drink machines. Sheriff C. G. Richards informed the Tribune Tuesday that he has some very strong clues as to the thieves' identity.

What is shaping up as the biggest and best of all Morton Area Chamber of Commerce banquets was rounding into shape this week with ticket sales unusually brisk and interest unusually high.

"The fact that we finally obtained R. B. (Mac) McAlister as our speaker, I feel, has a lot to do with the unusual interest being shown," incoming chamber president Tobe Hendon stated to the Tribune. "A lot of the folks around here know Mac and many more know him by

reputation, and you can bet that if they have heard very much about him, they will sure want to hear him speak. He is extremely knowledgeable on state and national governmental affairs and he knows what is good for West Texas," Hendon declared.

The annual event, which will be held in the county activities building banquet room beginning at 7:30, January 27, will see the installation of a new slate of officers and members of the chamber board directors. The new board members

were named in a recent election held by mail with all chamber members participating. New officers and board members will be introduced in ceremonies at the banquet.

Highlights of the event will be the naming of the "Citizen Of The Year", "Farm Family Of The Year", "Conservation Family Of The Year" and "Woman Of The Year."

Efforts to obtain Rep. McAlister for banquet speaker began in early November, when plans for the annual event began. His busy schedule and recent participation in the current legislative session delayed his acceptance until last week. "I am looking forward to your banquet and a chance to renew old

Clovis, New Mexico.

From Clovis, the McAlister trail continued westward, to Denver, Colorado, in 1951, where he and partner Grady Franklin Maples founded Station KGMC, and also moved into the new electronic medium, television.

In 1954, McAlister returned to Lubbock to purchase Radio Station KLLL; and, in later years, owned stations in Littlefield, Post, and Big Spring. In 1961, he, and his son Bill, purchased major interest in Radio Station KSEL, in Lubbock. At the present time, he is Chairman of the Board, while Bill serves as President.

In 1968, KSEL-TV came on the air in Lubbock as the ABC Affiliate; and, in 1971, KVUE-TV, Channel 24, in Austin (another ABC Affiliate) began broadcasting. "Mac" and Bill are Chairman of the Board and President, respectively, of Channel 28 in Lubbock, and also are officers and stockholders in the Austin station.

In 1968, McAlister also entered

## Tribe opens district by downing Mustangs

After having winning streaks of 30, 1, and 7 games stopped by those pesky Lobos of Levelland, and after a second loss last week at the hands of the Snyder Tigers, the Indians opened 3 AA competition Tuesday night in downing the Olton Mustangs by a score of 63-31.

The Indians are now 1-0 in district play, the Mustangs 0-2 after a previous loss to Littlefield.

Coming into Tuesday night's game, the Mustangs have been victorious only once this year and possibly, this lulled Morton into the lackadaisical play they employed throughout the first half. They missed on

several easy lay-up shots that would have extended their margin even more. If the game had been close, this scoring lapse could have proved disastrous. At the half, it was Indians 28, Mustangs 23.

During the first half the Indians ran afoul of the law several times drawing several personals and incurring two technical fouls when they failed to comply with the exacting rule of raising their hand properly after a called foul.

The Indians found their range on the goal in the third period hitting for 18 points and holding the Mustangs to 2 points to arrive at the three-quarter mark holding a lead of 46-25. This continued on through the rest of the game with the Indians hitting for 17 in the fourth quarter while the Mustangs scored 6. At the final buzzer the Indians were playing much better basketball than when they entered the game.

Leading all Morton scorers were Ted Thomas and Larry Thompson with 16 points each, Jimmy Harvey had 11, Mark Fluitt 5, Jerry Silhan, Mike Hunter, and Darrel Smith had 4 each, Mike Gilliam had 2, and Reece Standmire had one.

For the Olton Mustangs, Givens was high with 12, and Workman and Parson hit for 4 each.

This was the first rung in the ladder which the Indians hope to climb to finish as state champions again. They have 12 more games to play this year to reach that lofty plateau. There are seven more games for sure—the other five will be played if the Indians want to realize their goal badly enough.

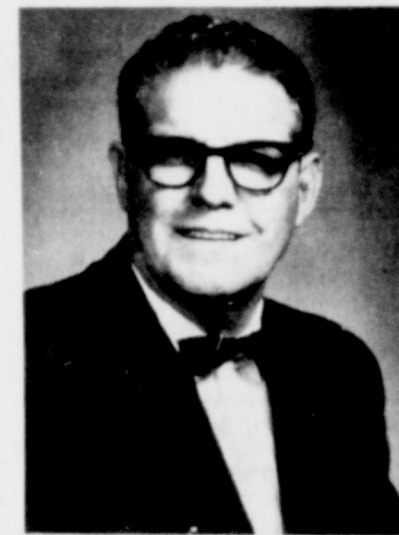

Tomorrow night the Indians will be playing in Dimmitt for the second rung on that ladder. After that, it will be four games at home in the friendly confines of Indian gymnasium.

## Twenty Indians in regional band

Twenty members of the Morton High School Band were named to the All Regional Band and four alternates were named at the Regional Band contest held in Hale Center Saturday.

All Regional selections included: Gail Lassiter and Cindy Tanner, flute; Mary Cadenhead, Oboe; Mary Marina, LaNita Combs, Mary Jo Hudson, Teresa Crow and Donna Cox, clarinet; Susan Rowden and Vicki Hall, bassoon; Rex Coffman, and Kenneth, Cornet; Richard Coleman, Susan Rowden and Rodney Cox, french horn; Tommy McClintock, trombone; Jack Benham, and Johnny Rozell, tuba and Alex Perez and Roy York, percussion.

Alternates named were Doris Beseda, contra bass clarinet; Marlin Zuber and Robbie Gattis, cornet; Lee Ray Davis, baritone and Kenneth Jones, tympani.

R.B. McAlister

acquaintances in the Morton area, and I'll sure give you my No. 1 speech," McAlister declared in a telephone conversation with the Tribune.

A brief biographical sketch of McAlister's colorful career is as follows:

When R. B. (Mac) McAlister went to a radio microphone in 1928, in Brownwood, Texas, he started talking—and he is still in front of a microphone, and still talking, forty years later.

After he graduated from Brownwood High School in 1929, "Mac" entered Texas Tech; and, in between school attending and three years of school teaching, he spent the rest of the time at KFYO in Lubbock, playing the piano, announcing, and doing anything else necessary to earn his \$18 a week.

In 1943, R. B. McAlister became manager, and later, co-owner of KICA,

## Post Mortons

By Bill Sayers

Wheee, Look at us! Ain't we pretty? You didn't know the ol' Tribune could look so pretty and modern, did you?

Well, we finally took the bit in our teeth and went out on that long, long limb. It has been our intention from the first day we became associated with the Tribune to eventually buy it and to eventually modernize it by going into the offset reproduction (printing) system.

The Tribune, since its inception in 1939, has used the letterpress method of reproduction, and as is true in many other areas of industry, the process has become obsolescent. It is not obsolete as yet—for some purposes it is still an excellent process.

However, if we wish to stay abreast of our contemporaries—and in some cases, competition,—we must break the old ties and forge ahead, no matter how hard they are to break. We are grateful and appreciative for the support and cooperation we have received from the Denver City Press, both as an employee and as an owner over the past four years. We leave with a great sense of loss and wish them all of the very best in the future.

The new process will make possible more versatility in makeup and will be especially valuable in designing a better looking product for our advertisers. It will be some weeks before we get ourselves, as well as the paper, converted over to the new system. Every newspaper has its own distinctive style and is different from any other paper. It will be a real struggle until we become thoroughly familiar with the new personnel, new printing process and system and until we have completed designing our own individual style and format.

So, we ask our readers, and especially our advertisers, to please bear with us during this formative period. We do believe you will like what you see in our "new" paper and we would like to emphasize that we are making the big change in your interests.

We do solicit your comments and recommendations and invite you to point out any mistakes made and will welcome all suggestions for improving the Tribune.

Right now all is confusion, but we are beginning to see a little light at the end of the tunnel already, and we expect it to grow stronger with each passing day.

## Record number register for adult classes

Fifty-eight persons registered Monday night for the new adult education classes being offered this semester.

Courses in auto-mechanics, typing, bookkeeping and income tax are being offered through TSTI of Amarillo, Morton High School, and the Community Action Center.

Classes in math and language arts are already under way, sponsored by the Texas Education Agency.

Mrs. Lenave Freeland is director of adult education and anyone interested in obtaining information relating to the classes may contact her at the High School.

## Scouters set annual recognition banquet

The Scouters Annual Recognition Banquet will be held on Saturday, January 20, 1973, 7:00 p.m., in the Red Raider Inn.

The South Plains Council has had a great year for 1972. The Council achieved a 7.5 percent increase in Boy Membership and changed a deficit budget into a surplus.

Marshall Pharr of Plainview, Banquet Chairman, announces the featured speaker Kirk Henry of Dallas. Mr. Henry is the Director of Support Services for the South Central Region, Boy Scouts of America. Kirk Henry is a dynamic, enthusiastic, entertaining and

informative speaker. He will help

## Meeting

All interested persons are urged to attend a meeting of the county livestock improvement association Monday, January 22 in the activities building.

The meeting is for the purpose of planning the 1973 junior livestock show. Your help is needed!

SINCE VAN GREENE was good enough to make us this beautiful photo and since the Tribune is beginning a new printing process this week, it seemed appropriate to use it to get the new paper started off in a rather spectacular fashion. Another reason is that those pictured here comprise a truly outstanding basketball squad and coaching staff. They are 1972 state champions

and have the talent and coaching to repeat in 1973. Kneeling are assistant coach Charles Whitt and head coach Ted Whillock. Standing left to right, David Barrera, Darrell Smith, Billy Joyce, Reese Standmire, Mike Hunter, Mike Gilliam, Ted Thomas, Jerry Silhan, Mark Fluitt, Larry Thompson, Jimmy Harvey and Ralph Mason. ## County agent planning club meeting set

An organizational meeting for a home demonstration club in Cochran County and hopefully in each of the three communities, will be held at 2:00 p.m. on Thursday, January 25, in the Morton Insurance Building, 1205E First Street. A home demonstration club is composed of homemakers who learn together. Everyone is involved. Members learn by attending club and leader training meetings. They teach lessons, take part in discussions, plan recreation and participate in community projects sponsored by the club. A home demonstration club has a monthly program and short business sessions conducted by elected officers.

## Mrs. Reynolds takes memorial gift post

Mrs. J.C. Reynolds has been named Memorial Gift Chairman of Morton for West Texas Area, Texas TB and Respiratory Disease Association. "A memorial gift is perhaps the most thoughtful tribute to the memory of a relative, associate or friend," said Mrs. Reynolds. She revealed that such gifts to the local Association have been increasing in both frequency and amount, and that the Association has established a program to facilitate Memorial Giving. "Families of a person whose death was caused by respiratory disease often suggest a gift to the Association," she said.

Many people are comforted by the thought that their gift serves a double purpose," said Mrs. Reynolds. "It benefits the living, and it is a gracious way to honor the memory of a person in whose name it is given."

"It is also extremely simple to make such a gift," she explained. "All we need is the name of the person honored, and the name and address of the person to whom the acknowledgement should be sent."

When a contribution is received, the Association sends an acknowledgement to the donor, which should be retained for tax purposes, since such gifts are deductible.

An acknowledgement is also sent to the family of the person honored, so that they may thank the donor. The acknowledgement to the family simply states the donor's name, and not the amount given.

Mrs. Reynolds said that memorials could be given by contacting her. Envelopes can also be secured from Deryl Bennett at the First State Bank, and from Jerry Iley at Singleton Funeral Home.

## MARATHON BRIDGE TOURNAMENT

Sponsored by L'Allegro Study Club

- Rules For The Tournament Are:**
1. Entry fee is \$1 per person each round of play.
  2. Each round of play will be foursomes.
  3. Entries must be in by January 28. First round may be played any time between January 29 through February 5. Second round play February 5 through February 26. Third round play February 26 through March 12. Fourth round play March 12 through March 26. Fifth and final round will be played at the County Activity Building banquet room at a date to be set later.
  4. Partners must enter together and remain partners throughout the tournament.
  5. Players will be notified as to their foursome for each round.
  6. Each round of play will consist of 20 bids. Add score after each fourth hand. Scoring will be by party bridge rules: 300 for first game; 500 for each subsequent game. Scores and \$1 fee will be turned in at the end of each round.
  7. One bid will be played.
  8. In the event of illness or disability of one partner, another person not previously entered in the tournament may substitute.
  9. Enjoy your bridge, but please abide by bridge etiquette.

# County Agent News

By Roy L. McClung Jr.

Livestock feeding is in full swing in Cochran County and producers are faced with paying a high price for a major protein supplement, cottonseed meal.

What are the alternatives? Cattlemen should consider while cottonseed as a substitute along with guar meal, castor meal, alfalfa hay, dehydrated alfalfa pellets and commercial dry supplements.

However, the price of whole cottonseed may increase due to pressure from high priced cottonseed meal which is now more than \$150 a ton.

In determining whether to feed whole cottonseed or the 41 percent cottonseed meal, consider the cost of each as well as handling and hauling costs. Feed the whole cottonseed if 100 pounds of it can be fed cheaper than a mixture of 35 pounds of cottonseed meal and 65 pounds of milo.

In feeding whole cottonseed or any of the other alternative protein supplements, the main concern is to provide the minimal amount of protein for livestock.

We recommend feeding no more than five pounds of whole cottonseed per cow per day since it contains 22 percent fat which is laxative to cattle. The five pounds is usually more than enough to meet the protein needs of the beef cow.

Since other protein supplements are also high priced, you might consider combining these supplements with a high quality forage to minimize the amount of supplement needed. Forages can be tested for protein content so that the cattleman can determine the amount of supplement to feed along with the forage to meet the daily protein requirements of his herd.

Forage samples may be sent to the Forage Testing Laboratory at Texas A&M for a protein analysis. Information for submitting such samples as well as additional information on supplemental feeding of beef cattle is available at the County Extension office.

Beef cattle producers in Cochran County now have an opportunity to participate in a new service that will enable them to obtain important value determining characteristics of the carcasses their cattle produce.

The program is called the Beef Carcass Data Service and is a joint effort of the U.S. Department of Agriculture and the Texas Agriculture Extension Service.

The service involves the use of specially designed ear tags which the producer applied to those cattle on which he wants to obtain carcass information. When the ear tagged cattle are slaughtered, a meat inspector will remove the tag and attach it to the

carcass. Then the USDA meat grader assigned to the slaughter plant will evaluate the record, the quality and yield grade factors. This information will be sent to the Agricultural Marketing Service's Data Center in Washington, D.C. Once that data is processed and returned to the producer or ear tag owner, he will be billed \$1.50 per head.

Ear tags for the new service at \$.50 each plus \$.75 for the tool to attach the tag, may be ordered from Dr. Frank Orts, Extension meats specialist at Texas A&M University. His address is Room 322, Animal Industries Bldg. College Station, Texas 77843.

The Beef Carcass Data Service will provide producers with the following information: Conformation grade, maturity, degree of marbling, quality grade, fat thickness, ribeye area, yield grade, hot carcass weight, and percent of kidney, pelvic and heart fat.

The new service can make a substantial contribution toward improving the genetic potential of breeding stock and improving feeding programs and management practices. The detailed carcass data obtained through this program can provide important guidelines in the production of high quality, meat-type cattle—those that combine thick muscling and a minimum of excess fat.

Use extreme caution when applying common salt to sidewalks, streets and driveways to keep them free of ice.

Why? Because the salt may injure nearby trees, shrubs and other growing plants. As ice and snow melts, the water may drain into the lawn area, carrying the salt into the root zone of nearby plants. Visible effects of the salt injury may vary from marginal burning of the leaves, complete browning and death of the leaves, or, in extreme cases, loss of a prize tree or shrub.

What can be used to rid walkways of hazardous ice? You might try using ammonium nitrate where drainage moves the water into lawn and shrub borders. This will fertilize the plants as well as melt the ice. If ammonium nitrate isn't available, any commercial fertilizer high in nitrogen and potassium may be used. Use only enough material to melt the ice since continued use over a long period can also damage plants.

Sand can be used on icy walks and drives to provide better traction. So, before using salt on drives and walkways, check the drainage pattern to make sure its use will not damage valuable plants. A little caution at the time of application can prevent damage to valuable landscape trees.

# Three Way News

By Mrs. H.W. Garvin

Mr. and Mrs. Nelson Carlisle and girls spent last weekend in Littlefield visiting her parents.

H.M. Garvin was a medical patient in Cochran Memorial Hospital in Morton the past week.

Paul Powell is a medical patient in Cochran Memorial Hospital in Morton.

The Three Way basketball teams played in the Amherst tournament last week with the Three Way boys winning first place and the Three Way girls winning second place.

Three Way schools lost two days of school last week due to the ice on the roads.

Mr. and Mrs. E.T. Batteas spent the

past week in Levelland visiting their daughter, Mrs. Johnny Harris and daughter.

The Three Way basketball teams played Bledsoe at Bledsoe January 12th with the Three Way girls winning their game and the Three Way boys losing to Bledsoe.

Mr. and Mrs. H.W. Garvin visited their daughter and family, the James Gillentines, in Lubbock Sunday.

Mrs. Gib Dupier is a medical patient in Cochran Memorial Hospital at Morton.

The community was out of electricity part of the time while the ice was so bad on the lines. There is quite a lot of cotton and feed in the fields in the community yet to be gathered.

DAVID CLARK IS LEARNING what the telephone is really for—keeping in touch with pretty girls like Robin McBee. Both second grade students are taking part in demonstrations using telephones in their class room.

## Hayloft Dinner Theater Features Andy Devine

The well-loved movie, T.V., and stage star, Andy Devine, arrived in Lubbock today to begin rehearsals for the Hayloft Dinner Theater production of the play, "Never Too Late." Preview nights will be Tuesday, Wednesday and Thursday, January 23, 24, 25.

A hefty young student with a gravelly voice was stopped on a corner in Hollywood by a Universal Studios casting director and offered a bit part in a movie called "The Collegians." The young man made almost 400 motion pictures and went on to become a legend in the entertainment world. The young man's name was Andy Devine.

Andy's earliest film credits read like a gallery of film classics: "The Spirit of Notre Dame" which gave him his first real recognition; John Ford's original "Stage Coach"; the original "A Star is Born" which Andy recalls as the one that "got me off the horse and into the parlor."

Other memorable roles were in: "The Farmer Takes A Wife"; "Romeo and Juliet"; "Dr. Rhythm" with Bing Crosby; "Men with Wings"; "Geronimo"; "Little Old New York"; "Buck Benny Rides

Again"; and "Canyon Passage."

After leaving Universal, Andy added to his list of credits such well known pictures as "Red Badge of Courage"; "The Man Who Shot Liberty Valance"; "Two Rode Together"; "It's a Mad Mad Mad Mad World"; "How the West Was Won"; and "Ballad of Josie" with Doris Day.

From 1950 to 1957, Andy starred as the lovable "Jingles" in the "Wild Bill Hickok" television show—which even today enjoys an amazingly enduring popularity throughout the world.

Andy will be in Lubbock until February 17th, through the run of "Never Too Late." Reservations for the Monday thru Saturday performances can be made by calling 866-4213 or writing the Hayloft ticket office.

## Reeder-Ellis vows read in Iley home

Mr. and Mrs. Ronny Reeder

Miss Theresa Diane Ellis and Ronny Lee Reeder of Crowley were united in marriage Saturday, January 6, at 10 a.m. in the home of Mr. and Mrs. Jerry Iley. The Rev. Harold Drennan officiated. Parents of the couple are Charley Ellis and Mr. and Mrs. E.L. Reeder of Lampasas.

Given in marriage by her father, the bride wore a formal gown of white satin with an empire waist covered with chantilly lace and matching bishop sleeves.

Miss Landra Coker and Dale Lemons were attendants.

A reception honored the couple following the ceremony. The bride's table was covered with a white lace cloth over blue. The three tiered wedding cake was served by Miss Linda Watts. Miss Verna Richards served punch and registered the guests.

The couple are both graduates of Morton High School.

Following a wedding trip Mr. and Mrs. Reeder will make their home in Crowley.

## ABOUT LOCAL FOLKS

by Dutch Gipson

Mr. and Mrs. K.S. Head, former residents of Cochran County and Morton, were in town last week greeting old friends and making new ones.

Among those who attended the District W.M.A. of Baptist Missionary Association held at Levelland in the College Avenue Baptist Church Tuesday were Mmes. B.E. Elliott, C.W. Wiggins, Lois Standifer, Kenneth Coats, Truman Anglin and Miss Beverly Corder.

Mrs. Frank Jones of Odessa returned to her home after spending several days with her daughter and family, Mr. and Mrs. James St. Clair, James and Chris.

Mrs. K.I. Neavitt was an overnight guest Saturday with her parents, Mr. and Mrs. Joe Gipson. She was joined by her daughter, Marcy and her college

roommate, Paula Zucal, of Sante Fe, who returned to Houston with her.

Mr. and Mrs. Hume Russell spend the weekend at home after being in Lubbock with her mother who has been very ill. The Russells returned to Lubbock again Monday.

Mrs. W.L. Miller is spending several days in Lubbock with her daughter, Mr. and Mrs. E.L. Willis.

Mr. and Mrs. L.B. Childs attended the funeral services for James Nash, former Morton resident, held in Portales, N.M. Monday.

Le Roy Johnson returned home over the weekend after spending several days in Methodist Hospital in Lubbock recuperating from open-heart surgery.

## James P. Nash rites held in Portales

Services for James P. Nash, 99, of Floyd, New Mexico, a former Morton resident, were held Monday in Wheeler Starlight Chapel in Portales, New Mexico. The Rev. Larry King, Ernest Wheeler, Jr., and the Rev. Clyde Shults officiated.

Burial was in Floyd, New Mexico. Nash died January 13 in a Portales hospital. He had lived in Morton in the early thirties.

Survivors include his wife, two sons, Leon and Dorsey both of Floyd, and a daughter, Mrs. Ora Pearl Morrison of Portales.

## COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

Through a similar percentage of the total harvest, cotton from the 1972 High Plains cotton crop is proving superior to 1971-crop cotton in grade, staple and micronaire, but a decline is being recorded in the fiber strength category, according to officials of Plains Cotton Growers, Inc., Lubbock.

PCG's conclusions are drawn from the 25-county producer organization's first season report on area cotton quality, covering the first 1,250,000 bales classed, about 62 percent of an expected 2,012,000 bale harvest. The first report of 1971, used for comparison, included an analysis of the first 780,000 bales or about 61 percent of that year's final 1,279,000 bale output.

In grade, "early season" cotton from the 1972 crop ran 52.5 percent White, 33.3 percent Light Spot and 16.8 percent Spot. Corresponding figures the previous year were 16.9, 63.5 and 17.6 respectively.

Staple length for 1972, at 31.7 thirty-seconds of an inch, is well ahead of the 30.4 thirty-seconds average for the first six-tenths of the 1971 crop. Also, almost 52 percent of 1972 cotton has stapled an inch or longer, compared to only a little over 16 percent of those staples in 1971.

Micronaire readings from the current season so far, although disappointing to many farmers, are still outstripping the sorry record of 1971. Average for the crop so far has been 3.3, compared to a 3.0 average at this stage of the harvest last season, and over 30 percent of this year's

crop has fallen in the most desirable 3.5 to 4.9 range, as opposed to a bare 7 percent in 1971.

Micronaire generally is considered a measurement of cotton's maturity, reflected by the shape and diameter of individual fibers. Immature fibers are thin, flat or oval shaped. Mature fibers are "fatter" and more nearly round. The "mike" measurement is made by determining the air flow through a 50-gram sample subjected to an exact amount of pressure. Cotton registering below 3.5 on the micronaire "machine" is penalized in price because of its expected below par spinning and dyeing performance.

Ordinarily mike readings are expected to be satisfactory when all or most of the bolls on stalks in the field are open before harvest begins. This season, however, some cotton which appeared mature had a much lower mike than was expected. Cotton technologists are attributing this fact to lower than normal temperatures and inadequate sunshine in the early stages of boll development last summer.

Pressley, or breaking strength of the 1972 crop has been disappointing also, with an average of only 75,870 pounds per square inch and only about 55 percent above 75,000 pounds. The first 780,000 bales last year averaged 80,300 pounds with 69 percent above the 75,000 mark.

The drop in strength of this season's cotton is also related to the cool, cloudy weather of last August and September

## Ms. Egger hosts LeFleur Club

The LeFleur Garden Club met January 11 in the home of Mrs. Owen Egger.

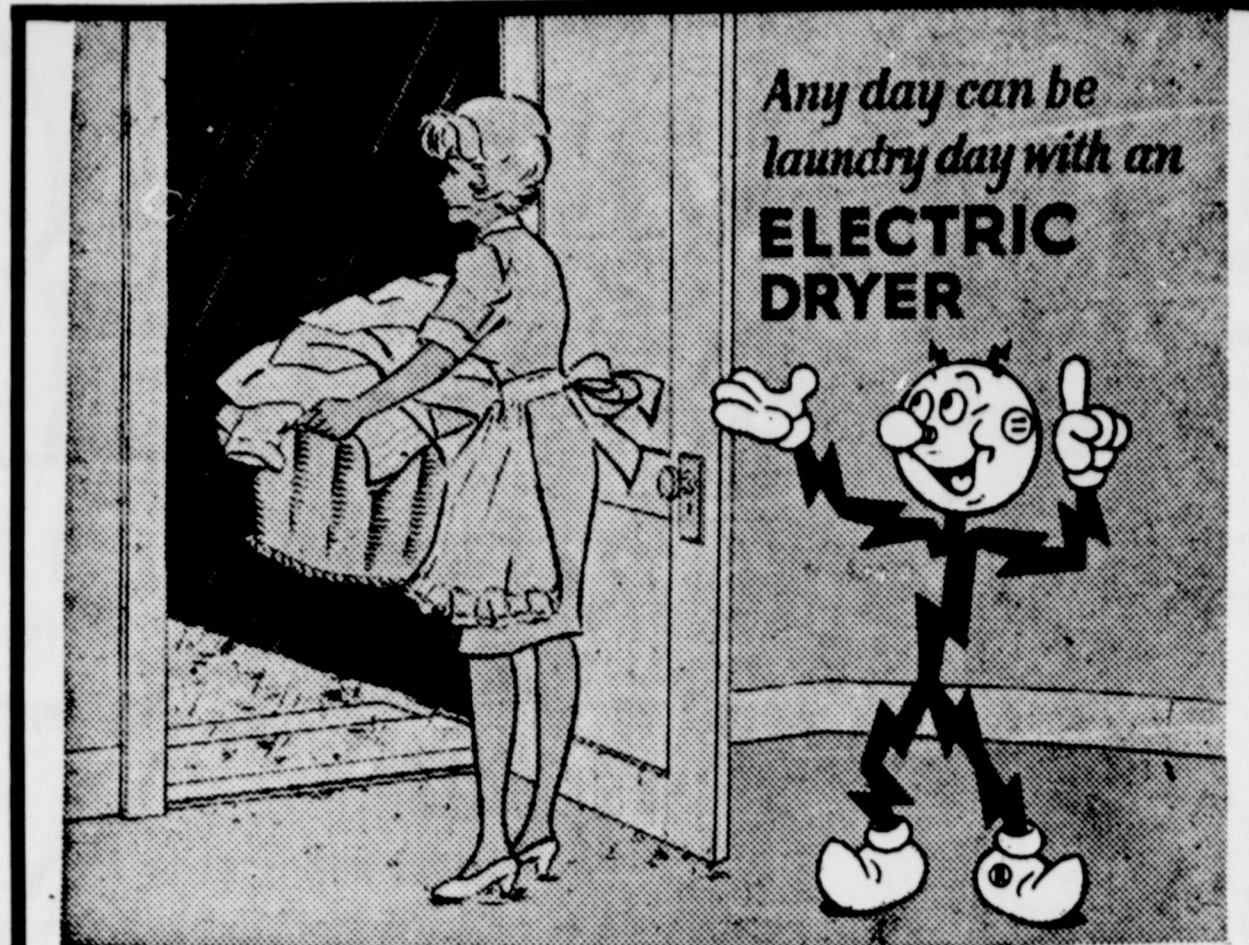

Roll call was answered with each member telling about her Christmas experiences.

A committee was appointed by the president, Mrs. J.L. Thomas, to nominate officers for the coming year. Those appointed were Mrs. Roy Hill, Mrs. Olin Darland and Mrs. L.Z. Scoggins.

Following the business meeting, Mrs. Hill and Mrs. Scoggins presented the program on pruning trees and shrubs. Members were told that pruning restores the balance between roots and tops and to prune out old wood, this should be finished in February. The four essential tools to use were: good pruning shears, lopping shears, pruning saws and pole pruners.

Members present were Mmes Thomas, Hill Darland, Scoggins, Bobby Adams and the hostess.

which adversely affected micronaire. But of even greater significance in determining fiber strength was the abnormally high moisture available to plants during fiber development. And this same moisture was responsible for most of the 1.3 thirty-seconds increase in fiber length, which, in terms of spinning performance and the ultimate quality and strength of yarns produced, more than offsets the loss of fiber strength, PCG points out.

# Enochs - Bula News

Mrs. E. N. McCall spent Thursday night in Lubbock with her daughter, Mr. and Mrs. Rusty Rowden, and her grandchildren, Brent and Marthan George and Chris Rowden returned home with her to spend the weekend. They also attended church with their grandparents Sunday morning at the Baptist Church.

Jerry Nichols cut a finger real bad recently and his parents took him to Lubbock to see a doctor there.

Rev. C.R. Smelser's father, who was 101 years old, died last week at San Sabba. He had 18 great grandchildren and 19 great-great-grandchildren. Bro. Smelser was a former pastor of the Enoch's Methodist Church.

Mrs. John Gunter hopes to go back to school this week where she is teaching music in the Bula school. Due to her husband's illness she hasn't been able to teach since the second week in Nov.

Mr. and Mrs. Tom Newton of Lubbock spent the weekend with their parents Mr. and Mrs. Bob Newton and Mrs. Myrna Turney.

Mr. and Mrs. Doyle Butler and baby of Morton visited her parents, Mr. and Mrs. E.C. Gilliam, Saturday afternoon. Other

guests Sunday were Mr. and Mrs. Jerry Gilliam and children Debbie and Sandra of Anton.

Mr. and Mrs. David McDaniel of Lubbock attended church at the Baptist Church Sunday and were guests in the home of her parents Mr. and Mrs. Harold Layton.

Mrs. Sara Ann Jones and son of Whitarral visited her mother, Mrs. R.D. Jones, Sunday.

Visiting in the home of Mr. and Mrs. W.R. Adams recently was an aunt and uncle, Mr. and Mrs. W.E. Lairmore from Calif.

Mrs. Mae Nichols was dismissed from the West Plains Hospital in Muleshoe Thursday afternoon after being a patient for 10 days.

Mr. and Mrs. R.B. Wright left by plane for a visit with their son, Mr. and Mrs. Bill Wright and family at Biloxi, Miss.

Mrs. Marie Ann of Carlsbad, N.M. and Lowell Walden of Earth and Gordon Walden of Littlefield visited their mother Mrs.

Mrs. Marie Ann of Carlsbad, N.M. and

## School Menu

**MONDAY:** Italian Spaghetti, buttered broccoli, blackeye peas, pineapple pudding, cornbread, milk;  
**TUESDAY:** Turkey and noodles, kraut salad, seasoned green beans, cranberry sauce, rolls, milk;

**WEDNESDAY:** Hamburger on bun, lettuce and tomato, buttered peas, fruit salad, relish, milk;

**THURSDAY:** Sausage with gravy, whipped potatoes, asparagus, applesauce, rolls, milk;

**FRIDAY:** Tuna salad, buttered corn, candied carrots, orange cake, bread, milk.

Lowell Walden of Earth and Gordon Walden of Littlefield visited their mother Mrs. Pearl Walden last week.

Mr. and Mrs. J.W. House spent a weekend with Captain and Mrs. John Wood and children at San Antonio, on their return home they visited his mother, Mrs. Florence House at Graham. All of his brothers and sisters were also visiting her at that time.

Brad and Shell Bogard of Denver City, children of Jake Bogard, have been to visit their grandparents, the Tom Bogards.

Terry Wood, a freshman at Howard Junior College at Big Springs, spent the weekend at home of Mr. and Mrs. J.W. House.

## Highlights and Sidelights from your State Capital

**By—Bill Boykin  
Texas Press Association**  
AUSTIN, Tex.—Texas got a fast-starting legislature, a new governor, lieutenant governor and speaker of the House all in eight action-packed days.

Dolph Briscoe of Uvalde and William P. Hobby Jr. of Houston were inaugurated as governor and lieutenant governor in spectacular ceremonies Tuesday, January 16.

Price Daniel Jr. of Liberty won election as House speaker without opposition as the legislature convened January 9. The 31-year-old son of former Gov. Price Daniel (who now serves on the State Supreme Court) announced appointment of House standing committees four days after his election, and immediately referred bills for hearing.

Outgoing Gov. Preston Smith offered some good financial news to the arriving legislators. His \$9.7 billion biennial budget proposal estimated a \$300 million surplus for lawmakers to use in expanding programs or revising school finance formulas.

Governmental reform proposals backed by Daniel will be among the first bills to get House hearing. The House, with a minimum amount of opposition, promptly adopted the thick set of procedural rules the new speaker urged. Smith in his swansong to the Legislature, advised that lawmakers move immediately to establish the constitutional revision commission designated former White House secretary and special assistant, Robert S. Johnson will head the Texas Commission for the Deaf, staffed by Jack H. Dillard will serve as executive director of the new Texas Center for Judicial Administration. **JOB COMMISSION URGED**—In addition to establishment of a governor's commission on equal employment opportunity in government to police job discrimination, a Texas Legislative Council report found blacks and Mexicans in Americans under-employed in state government. The report showed 79.92 per cent state governmental employees are white and that they tend to hold higher jobs than the blacks and Mexican Americans.

Health and Mental Retardation; Doris Hardeman, formerly of San Angelo, chairman of the Texas Water Resources Commission; Robert S. Rowland, Houston and Ernest S. Sterling of Tyler, the Texas Southern University Board of Directors; former Sen. Joe Christy of Pasa to Texas Aeronautics Commission former State Rep. Joe H. Golman, Dallas to the Texas Cosmetology Commission; Kent R. Hance of Lubbock, the West Texas State University board regents; and Scott Hardy of San Antonio, Texas Film Commission chairman. New Governor Dolph Briscoe designated former White House secretary Robert L. Hardesty, 41, as his secretary and special assistant. Robert S. Johnson will head the Texas Commission for the Deaf, staffed by Jack H. Dillard will serve as executive director of the new Texas Center for Judicial Administration. **JOB COMMISSION URGED**—In addition to establishment of a governor's commission on equal employment opportunity in government to police job discrimination, a Texas Legislative Council report found blacks and Mexicans in Americans under-employed in state government. The report showed 79.92 per cent state governmental employees are white and that they tend to hold higher jobs than the blacks and Mexican Americans.

"Thou wilt show me the path of life,  
in thy presence is fulness of joy..."  
PSALM 16:11

## HERE IS THE PATH

"Thou shalt love the Lord thy God with all thy heart, and with all thy strength, and with all thy mind, and thy neighbor as thyself."  
Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose... and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long endure and the freedom which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

### SCOUTERS FROM PAGE ONE

recognize the outstanding scouters and charge to gain achieve all goals of the Commission.

H. Golman, Vice-President of the Corporation of Albuquerque, will be on hand to install the 1973 Council award.

The man-mile award will be given to the district with the greatest man-mile traveled based on reservations on January 18th. An attendance award will be given to the district with the largest attendance based on reservations on January 18th.

The Golden Anniversary of the South Plains Council will be the theme to be celebrated for district and unit table decorations. The Council was organized in 1922 by Kennedy N. Clapp.

In addition to recognitions for Silver Anniversary, 1972 district and council achievements, installations of 1973 officers, there will be special emphasis on recognition to the most important and Merit Scouters — The Unit Leader and Scoutmasters, Scoutmasters and Explorer Advisors.

Tickets are available at \$4.00 each through the Council Service Center, 747-1000, P.O. Box 3055, Lubbock, 79410.

The South Plains Council administers a Scouting Program to over 10,000 people in its 20 county area.

### BANQUET FROM PAGE ONE

as a candidate for State representative. He is now serving his second term in that office.

Since 1930, Ross Brothers McAlister—after Ross Brothers Morse and the Barn in Fort Worth, has made over 10 speeches to various groups, and has been on the air in daily broadcasts since 1938, with a familiar saying, "Fears, not wars, make men old." "Mac" believes every speech should be based on "the fifth sense," the sense of humor.

Tickets for the banquet are now on sale and can be obtained from any board member, at the chamber office, at the Tribune or at Radio Station WLBK.

"This is a golden opportunity for residents of Cochran County to hear one of the most interesting and entertaining speakers on the South Plains."

(A very special person will receive a special award at the banquet. Be there to Add Your Support.)

### HIGHLIGHTS From Page 2

recommended a six-member commission to report to the governor on employment practices and discrimination and to evolve policies and programs to encourage equal employment opportunities to all levels of employment.

**CRITICIZED**—Texas Legislative Council urged creation of a commission on county jail standards, citing present laws on the subject as "unrealistic and meaningless."

The Council's report said only five in Texas (those of Andrews, Lynn, Ham, Smith, Taylor, and Wichita counties) meet health department standards. The State Health Department says it has no authority to compel compliance with its own standards.

ALC said the proposed commission would promulgate realistic standards, regulations and prohibit confinement of prisoners in those which do not measure up to them.

The Council also recommended a work-release program for jail prisoners.

allowing inmates to post 10 per cent of their bond on condition it would be refunded when they appear for trial and immediate transfer to the Department of Corrections of inmates convicted of felonies and waiting action on appeal.

**COURTS SPEAK**—The Court of Criminal Appeals upheld the murder conviction of Walter Lee Morris in the shooting of Sherman police sergeant.

The same Court affirmed a two-year probation sentence of a Houston youth for wearing the U.S. flag on the seat of his blue jeans, although it agreed two sections of the law on desecration of the flag are unconstitutional.

In a new ruling on contributory negligence laws, the Supreme Court held damages should be paid to the children of a woman killed in a collision with a negligent driver even if her husband was also partly to blame for the accident.

The High Court ordered a new trial in a suit by the widow of a man killed in a truck-train wreck at Floresville.

**SENATORS DRAW FOR TERMS**—Sixteen state senators got four-year terms in drawing which may decide the political futures of some. Fifteen others, not so lucky, drew two-year terms and must face voters again in 1974.

Four-year terms went to Bill Braecklein of Dallas, Ron Clower of Dallas, Tom Creighton of Mineral Wells, Robert Gammage of Houston, Glenn Kothmann of San Antonio, Mike McKinnon of Corpus Christi, Bill Moore of Bryan, Walter Mengden Jr. of Houston, Jack Ogg of Houston, D. Roy Harrington of Port Arthur, O.H. Harris of Dallas, Grant Jones of Abilene, Bill Patman of Ganado, Max Sherman of Amarillo, Tati Santiesteban of El Paso, and A.R. Schwartz of Galveston.

Two year terms were drawn by Don Adams of Jasper, A.M. Aikin of Paris, H.J. Blanchard of Lubbock, Chet Brooks of Houston, Jack Hightower of Vernon, Raul Longoria of Edinburg, Bill Meier of Fort Worth, Peyton McKnight of Tyler, W.E. Snelson of Midland, Jim Wallace of Houston, Nelson Wolff of San Antonio, Mrs. Betty Andjaur of Fort Worth, Charles Herring of Austin, Oscar Mauzy of Dallas, and John Traeger of Seguin.

**SHORT SNORTS**  
Mauzy, 46, was named senate president pro tempore.

The Legislature was urged by a study committee to regulate overpumpage of groundwater in several parts of Texas, including the San Jacinto Monument-Baytown area, the High Plains and San Antonio area.

An Austin representative introduced a resolution calling for a committee to investigate Rep. John Allen of Longview who paid a fine late last year after pleading guilty to a misdemeanor nepotism charge.

Applications have been filed for new state banks in Vidor and Euless.

Austen H. Fürsö of Bay City will head the oil and gas division of Atty. Gen. John Hill's office.

Texas employers will try for "workmen's compensation self insurance" again this legislative session. Only 16 states don't allow this — including the Lone Star state.

# San Antonio Symphony Set For SPC Concert

South Plains College, in cooperation with the Texas Commission on the Arts and Humanities and several community organizations, will present the San Antonio Symphony Orchestra in concert on January 24 beginning at 8:00 P.M. The special concert will be presented in Texas Dome on the SPC campus. South Plains College officials and Levelland civic leaders have extended a special invitation to all residents on the South Plains of Texas and Eastern Plains of New Mexico to attend the concert for an evening of unforgettable musical entertainment.

In its 33-year history, the San Antonio Symphony Orchestra has brought national and international music recognition not only to its home city, but to the entire Southwest as well.

Under the distinguished leadership of Victor Alessandro, Musical Director since 1951, the orchestra has gained an impressive list of credits for many notable musical firsts.

The Symphony brings great music each season to thousands of San Antonians and South Texas residents in its 15-subscription concert series. In addition the orchestra stages special youth concerts, Pops Night Concerts, special amphitheatre concerts, as well as numerous concerts in other cities throughout South Texas and the Southwest. The Pops Concert annually attracts capacity crowds to these happy events which feature current and traditional music performed by the full range of the Symphony.

In addition to its many activities in Texas, the Symphony tours widely. Recent engagements include a series of concerts on the West Coast, the central and southern United States and Mexico. In 1970 the orchestra toured the Midwest.

One of America's foremost composers, Aaron Copland, stated that

the San Antonio Symphony is "...a fine, responsive orchestra—skillful and enthusiastic. This is a great experience." Andre Previo, a former guest conductor with the Symphony said "...conducting the San Antonio Symphony—with its high caliber of musicianship—is always exciting."

Likewise the Symphony's attributes have been extolled by critics, reviewers, and entertainment columnists from coast to coast. Jack Sheridan of the LUBBOCK AVALANCHE JOURNAL stated "High professionalism...sharp and intensive musicianship."

So that all area residents can enjoy the concert, the sponsors have kept the prices at a very low level. Adult tickets can be purchased for only \$2.00 and students will be admitted for \$1.00.

Tickets may be purchased from South Plains College, Levelland State Bank, Levelland's First National Bank, and from the business office of most area public schools. Tickets may also be

ordered from the college by writing to the President's Office. Tickets will also be available at the door of Texas Dome on the night of the concert.

## Indians show other side, reel under double defeats

Playing in the beautiful confines of the Scurry County Coliseum, the Morton Indians did something they haven't done in a long time—they lost both of their games last Friday night. The two losses to the Snyder Tigers followed a double loss at Levelland the previous Tuesday night.

This brought the varsity record for the year to 15 wins and 4 losses and the "B" team record to 7 wins and 2 losses.

The Indians led the vocal partisan crowd, some questionable calls by the officials, and a vicious press employed with good success by the Tigers, get to them as they played very sloppily during the first half. Passes went astray, shots were taken when the ball should have been held for a better opportunity, and lapses of memory plagued the Indians throughout the two first quarters. The half saw the Tribesmen behind the AAAA Tigers by a score of 24-40.

A characteristic of Ted Whillock teams is that they pick up and go during the second half. Either they come to the front in the last half or they extend their lead if they are already leading at the half, but this time the Indians couldn't quite bring it off. They pulled up to within 6 points at the end of the third quarter 42-48, got within 1 point during the fourth quarter, then saw the Tigers battle back for the final score of 53-60.

It was a rough physical game from start to finish as tempers flared on both sides. Ted Thomas and Jerry Silhan fouled out of the game for the Indians, Jerry Brooks and Kevin Jones for the Tigers.

Jerry Silhan led the Tribe attack by hitting on 5 from the floor and 6 of 8 from the line for 16 points. Jimmy Harvey had 14, Larry Thompson had 12, Ted Thomas 6, and Mark Fluitt 5 to account for the scoring for the tribe.

## Dean selected for honor band

Bill Dean, son of Mrs. Ann Dean and student at Lubbock Christian High School in Lubbock, won first chair, tenor saxophone in the All Regional Band in the Lubbock District. Auditions were held Saturday in Lubbock.

Bill will be playing with the Regional Band in concert at Coronado High School January 27.

## Horizon Club holds meeting

The Freshman Horizon Club met Friday in the home of Venita Sandefer.

Members discussed the careers each would like to pursue. Refreshments were served to the following members and guests, Debra York, Earlene Evans, Phyllis Ray, Shelia Davis, Donna Brown, Gwyn Bates, Mrs. Jean Davis, Mrs. Ellen Evans, Mrs. Neida Sandefer and the hostess.

Mike Hunter, Mike Gilliam, Billy Joyce did not score for the Indians but played well in relief. Mike Gilliam's injured ankle was very obviously bothering him but he continued to do his best in spite of it.

The second quarter was the big one for the Tigers when they put 22 points on the board. Gary Brooks was high for the Tigers with 18, Moel Bialock had 14.

The Little Indians almost pulled out the first game after trailing by twenty points early in the game. The final score for them was 63-65. They had tied up the game with 2 minutes and 49 seconds to go in the fourth quarter at 53-53 after trailing at the half by 22-37 and at the three-quarter mark by 37-50.

## Countians said healthier than they were in 1970

### TRANSMISSIONS

**INSTANT CREDIT — WE HONOR ALL APPROVED CREDIT CARDS**

**EXCHANGE or REPAIR**

NEW YORK, Jan. 13—How healthy are Cochran County residents? How do they compare, in that regard, with people in other parts of the country? What progress has been made, if any, in recent years?

Some answers to these questions may be gleaned from the reports of the National Center for Health Statistics, the analytic arm of the U.S. Public Health Service.

Through weekly samplings of families across the land, it keeps constant watch on the physical condition of the population.

It gauges the general health of a community by the extent to which its people are able to pursue their normal daily activities without interruptions necessitated by illness or injury.

This is measured by what is called a "disability days index," which takes account of the number of days of restricted activity, when a person is unable to go to work or to school, and those in which he is kept in bed or in a hospital, called bed days.

In the regional area embracing Cochran County, on that basis, the health of the population was somewhat better in 1970 than it was five years earlier, according to the government's latest figures.

They show that the average number of disability days in the area in 1970 was 15.9 per person, of which 7.2 were bed days. In 1965 local people had an average of 16.9 disability days, including 6.7 bed days.

By way of comparison, the national average in 1970 was 14.6 days of restricted activity, 6.1 of them in bed.

Improvement was noted in this regard in all sections of the country except the northeastern states.

Also, it appears from the figures, women are more likely to be incapacitated than men. They have 15.8 days of disability per year as against 13.2 for men.

The loss in Cochran County, based upon the disability rate reported for its sectional area, 15.9 days per person, adds up to a total of 80,000 days for the year.

The American Medical Association, commenting on these health statistics in its publication "Update," notes that the healthiest people in the country today are those who live on farms in the midwest and have incomes of over \$10,000 a year.
