

Indians on Austin warpath!

HELPING TO DEVELOP INDUSTRY AND AGRICULTURE IN WEST TEXAS

Morton Tribune

VOLUME 33

MORTON, TEXAS THURSDAY, MARCH 1, 1973

NUMBER 20

Tribe takes regional title

THEIR CALM EXPRESSIONS belie the jubilation the Morton Indians expressed in the dressing room only a few moments later as they receive the Region One championship award Saturday afternoon. The

championship trophy is held here by Billy Joyce. In addition to the big award, Jerry Silhan and Jimmy Harvey each hold a trophy that designates them as All-Regional Tournament players.

BY JOHN COFFMAN AND DAVID MURRAH

They came, they saw, they conquered—this time for the third time in the last four years. Morton's talented Indians roared through the Region I AA Regional Tournament last weekend like a band of pros and gained a berth in the state tourney at Austintobe played Friday and Saturday.

The occasion will mark one of the few times in Texas sports history that a team gets to defend its own title in the state championship affair.

A tremendous pep rally at Indian gymnasium this morning sent them on their way, to be followed by a mass exodus of fans to Austin to attend the tournament in support of their team. Winning the regional tournament in Lubbock for the second year in a row, the Indians will be joining winners of three other like tournaments in the state shoot-out.

At this level, every team is a good team. Kicking off the AA action tomorrow afternoon at 2:30 the Indians will be facing Grand Saline, then at 4:00, the second game in the AA bracket matching San Augustine and Mathis will be unreeled. Winners of these two games will meet on Saturday night to determine the state winner. Grand Saline is east of Dallas, San Augustine is east of Nacogdoches, almost at the Louisiana border, and Mathis is in south Texas about forty miles north of Corpus Christi.

Tribe fans need not be reminded that this year's trek to Austin will be the third in four years, a feat very few teams can brag about, but it's not a record by any means. In class AA, Buna successfully won consecutive championships in 1961, '62, and '63. If that were not enough, one must also remember that the same school won the same crown in 1959, and while in class A, captured the crown for three straight years, from 1955 through 1957.

But the Morton Indians join the elite ranks of teams who have reached Austin at least three times, and it's a rather short list indeed, but includes such former powerhouses as Snook, Dimmitt, Canyon, Gruver, and Houston Wheatley.

SEE TRIBE PAGE 10

Cotton harvest again delayed by weather

The South Plains cotton harvest was delayed another week to ten days by the rain and snow over the area, according to W.K. Palmer in charge of the Lubbock Cotton Classing Office of the U.S.D.A.

However, farmers were able to harvest some cotton before the unfavorable weather halted all harvest activities. Some ginning, sampling and classing continued due to accumulated backlogs of cotton harvested before the unfavorable weather.

Samples from 113,000 bales were tested and classed at the South Plains

U.S.D.A. cotton classing offices at Lubbock, Brownfield and Lamesa during the week ending Friday, February 23rd. This brought the total classed for the season to 1,779,000 bales.

More cotton remains in the fields across the region than at any other time in history at this late period in the harvest season. Approximately ten percent of the cotton crop remains in the fields.

Grades of cotton continued to decline as the harvest neared completion. Strict Low Middling Light Spotted (42) was the predominant grade, making up 17 percent of all cotton classed. Low Middling Light Spotted (52) made up 14 percent. Strict Low Middling Spotted (43) 13 percent and Strict Low Middling Tinged (44) 15 percent.

Average staple length was about the SEE HARVEST PAGE 10

Vote registration deadline looming

All voters wishing to vote in the upcoming municipal and school trustee elections must register prior to March 7 if they are not already registered. This is in line with the Texas election law that requires voters to register at least 30 days prior to any election in which he wishes to vote. The city and school elections have been set for April 7, which makes it mandatory for voters to be registered by March 7.

All persons who voted in elections during 1972 are automatically registered for two more years, county tax assessor-collector Glen McDaniel stated. Voters can register at his office in the courthouse any time during normal office hours.

Two file for city election

Two persons had filed applications by late Wednesday to have their names placed on the ballot for the Morton city council election to be held April 7.

Tobe Hendon had filed application to succeed himself in Place Three and Tommy Combs had filed application to run for the seat in Place Five. The deadline for filing for places on the ballot is midnight Wednesday, March 7, 1973. This is in conformity with the Texas election law which requires all applications cease 30 days prior to election day.

A check with schools superintendent Bob E. Travis revealed that there have been no applications filed for the two seats becoming vacant on the school board. The regular two year terms of Ronald Coleman and Bill Foust are terminating and there has been no indication from either that he will run to succeed himself.

City councilmen whose terms are expiring include Hendon in Place Three; Jerry Schaeffer in Place Four and Dr. N.L. Dubberly in Place Five.

Stock show prospects bright

A large number and high quality of livestock shows promise of making the 1973 Grand 4-H Livestock Show the biggest best ever in Cochran county when it is off here Monday.

A grand total of 263 animals had been entered when the entry deadline was scheduled at 5 p.m. Monday. This number

was broken down into 44 steers, 121 swine and 98 lambs. Entries included: Pep and Bula, 12 steers, 17 swine and 21 lambs; Three Way, 7 steers, 11 swine and 20 lambs; Morton 4-H, 21 steers, 26 swine and 21 lambs; Morton FFA, 45 swine and 29 lambs and Whiteface, 4 steers, 12 swine and 7 lambs.

The schedule for the two-day show is as follows:

The show barns will open at 10 a.m. Monday to receive the animals and weighing-in, registering and tagging will continue throughout the day with the deadline for having entries in the barn set for 5:30 p.m. Judging will begin with the swine at 9 a.m. Tuesday, followed by lamb judging at 1 p.m. Judging of the steers will begin when the lamb event ends—probably around 2 p.m., show officials state.

The Packer-Buyer sale will begin at 6:30 p.m. Tuesday and the auction for the winners will follow the sale.

A welcome addition to this year's show is a contest currently in progress to name a Stock Show Queen. Queen candidates have been nominated by the FFA chapters and 4-H Clubs who will vie for the title. The method of selecting the queen will be through the sale of membership tickets, with each dollar contributed being worth one vote. The candidate selling the most tickets is automatically named queen.

SEE STOCK PAGE 10

DESERVING INDIANS receive the Bi-District championship trophy last Friday in the Texas Dome in Levelland following their victory over the previously unbeaten Anthony Antelopes for the 3AA-4AA title. The Tribe subsequently went on to the annual tournament at Lubbock where they copped that title also and are now headed to the state tournament in Austin Friday and Saturday.

Revenue meeting date is changed

The meeting called by County Judge Glenn Thompson for the purpose of explaining to county citizens how the federal revenue sharing funds may be used has been postponed until Thursday, March 8.

The meeting, which was originally set for February 22 and later postponed, will be held in the county activities building beginning at 7:30 Thursday, March 8.

Judge Thompson urges all interested citizens to plan to attend this meeting and to bring your ideas with you as to how you think these funds should be handled by county and city officials.

Make-up day

Make-up day at the Morton schools for Friday will be Saturday, March 17, which is St. Patrick's Day.

According to Supt. Bob Travis, many people have already made commitments for spring break because of this it was decided to have the make-up day on Saturday.

Intelligence on enemy

Some last minute information on the Gran Saline basketball team — Morton's first opponent in the state tournament Friday — came to light in a telephone conversation with the town's newspaper publisher, Wednesday morning.

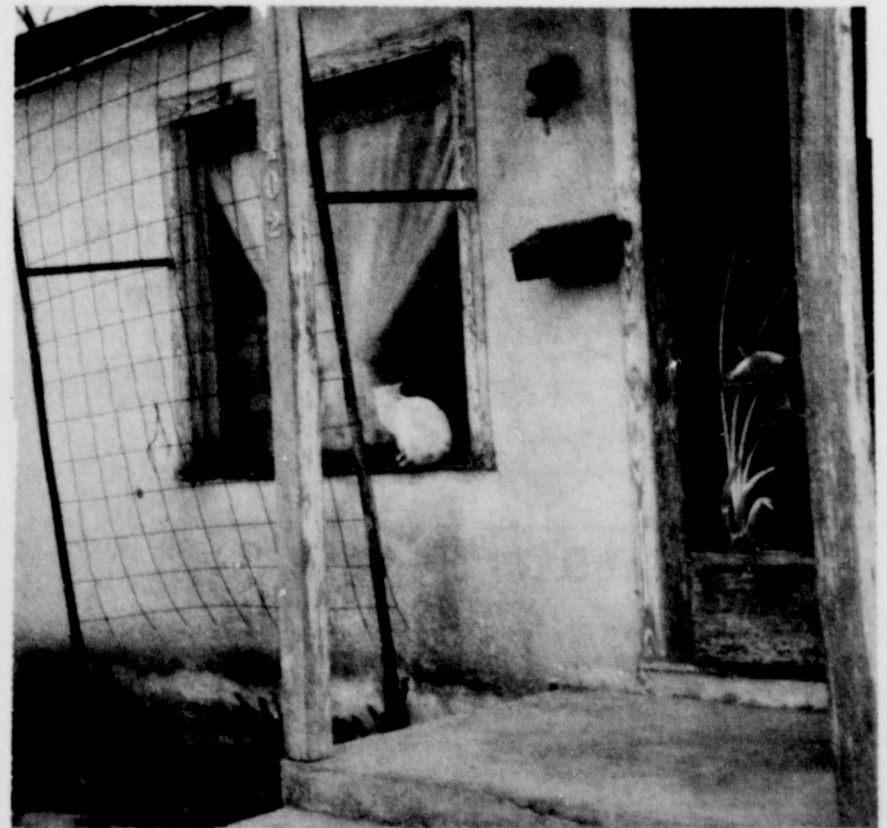

The team's over-all season record is 29 wins and three losses, at least one of which was to a single A team, and the others to AA teams. They played no teams above AA this year. Their conference record is 14-0.

Starters include two seniors, one sophomore and two juniors. They include Ronny Moreland, 6'-3" postman; Dennis Jennings, 6'-4" postman; Tommy Steward, 6'-1" wingman; Danny Coonce, 5'-9" and David Thomas, 5'-8" point.

Backup men include Jimmy Thompson, 6'-1" sophomore; Danny Darby, 6'-3" senior; Jimmy Whitaker, 6'-4" junior and Ronny Grier, 5'-8" junior.

P.S. — They say they are going to scalp the Indians.

P.P.S. — The Tribune informed the news source that we reserve the right to believe or disbelieve any or none of his propaganda.

BABY, IT'S COLD OUTSIDE, seemed to be the attitude of this intelligent feline who was observed on a recent frigid morning begging to be let into the nice warm house at 402 S.W. Fifth Street. This is the method the cat thought up all by himself to let his master know when he wants to be let in.

NOTICE OF INTENTION TO ENGAGE IN WEATHER MODIFICATION ACTIVITIES

Notice is hereby given that Atmospherics Incorporated of 5652 East Dayton Avenue, Fresno, California 93727, who holds License Number 2 of the State of Texas, intends to engage in a weather modification operation designed to decrease hailfall and augment rainfall, for and on behalf of Better Weather Incorporated, Littlefield, Texas, and will conduct such a program by means of aerial application of artificial nuclei as follows:

1. The area over or within which equipment may be operated shall include portions of the counties of Lamb, Parmer, Castro, Swisher, Bailey, Hale, Cochran, Hockley and Lubbock.

2. The target area, within which hailfall is intended to be decreased and rainfall augmented, can be described as follows:

The boundary of the target area shall be a line beginning at a point of origin at Littlefield in Lamb County, Texas, and running northwest along Highway 84 at a point 4 miles southeast of Sudan, thence due west to Needmore, thence due north along Road 214 to its intersection with Road 145 in Parmer County; thence due east along Road 145 to Hart, Lamb County; thence south to the northeast corner of Lamb County; thence continuing south along the east boundary of Lamb County to its intersection with the northeast boundary of Hockley County; thence westerly along the north border of Hockley County to its intersection with Highway 84; thence northwesterly to the point of origin at Littlefield, Texas.

3. The equipment, materials and methods to be used in conducting an operation within this area of approximately 1,000 square miles, include a 3 cm radar system, cloud seeding aircraft, and the application of silver iodide to ice nuclei, hygroscopic nuclei or other nuclei considered appropriate to the artificial nucleation of clouds or weather systems.

4. The person in charge of this program shall be Thomas J. Henderson, Atmospherics Incorporated, Fresno, California.

5. The program may be operational at various times throughout the period from May 1, 1973 through October 30, 1973.

6. Any person who feels they may be affected in some adverse way by this program may file a formal complaint to the Texas Water Development Board, Post Office Box 12386, Austin, Texas, 78711. Signed Thomas J. Henderson, President Atmospherics Incorporated

Local companies need Certified Semi-Drivers. Earn \$300-\$400 per week. No experience necessary, will train. For application call 317-636-2675, or write Coastway American Systems, P.O. Box 11125 Indianapolis, Indiana 46201. 30-17-c

Heart disease big in County

Heart disease is found to be responsible for no less than 42.6 percent of all deaths among residents of Cochran County.

That is the local average, based upon figures compiled by the U.S. Public Health Service and released in its last three annual reports.

The extent of the problem, locally and elsewhere, has been brought into sharp focus by the recent death of President Johnson and the fact that this is National Heart Month. Heart disease, comprising all ailments of the cardiovascular system, continues to be the major hazard to life in the United States, dwarfing all other diseases by a wide margin.

Although there have been important gains made in the fight to control it—through new anti-coagulants, pacemakers, open heart surgery and various other techniques—the dramatic cures for which medical scientists have been searching still elude them.

The 42.6 per cent mortality among the Cochran County residents is somewhat lower than the United States average, 53.9 per cent.

It is lower, also, than the State of Texas rate of 49.6 per cent.

A series of major endeavors to reduce the heart toll has been undertaken by the National Institutes of Health and others.

The big push is to find out how to prevent arteriosclerosis, or hardening of the arteries, which was the cause of President Johnson's death. It is the primary culprit in heart disease.

Doctors know that it is something that begins early in life and progresses steadily as deposits of fat form in the walls of the body's arteries, destroying their flexibility. Eventually, the passageway becomes too small for blood to flow through freely. Trouble follows.

To counteract this, doctors are advising people to cut down on fatty meats, shell fish and fat-rich baked goods and candies and to substitute whenever possible products prepared with unsaturated fats.

Among residents of Cochran County according to the vital statistics released covering the three years, the number of heart deaths per year averaged 20 out of a total mortality of 47. This is exclusive of deaths locally of non-residents.

What are early symptoms of diabetes? They include great thirst, ravenous appetite, especially for sweets, and copious urination. Your doctor, or the American Diabetic Association, offers a simple urine test to detect diabetes. Untreated diabetes can result in a coma, or possibly death, whereas proper treatment can mean a long life of normal activity.

FIRST STATE BANK ANNOUNCES

A CHANGE IN POLICY IN OUR SUPPORT FOR THE STOCK SHOW

It has been our policy in the past to purchase on or more championship animals and consider a generous purchase price as our contribution to the show's financial success.

In concentrating our contribution on only one or two deserving youngsters, we have alienated many other youngsters just as deserving.

Our board of directors, after careful consideration, have come up with a solution which will allow us to support this fine youth activity equally well and avoid angering many friends and customers of the banks:

WE WILL NOT BID THIS YEAR

Instead The Bank Will Make A Generous Cash Contribution.

The contribution will be made to the show in general and will approximate the amount we have paid for animals in the past. Our directors feel that this will benefit a much larger number of youngsters and at the same time keep us in good standing with the many fine friends and customers whose children are participating in the show.

WE APPRECIATE OUR LOCAL CUSTOMERS

And hope this solution to our delima meets with your approval.
We wish our 4-H'ers and FFA members the best of luck in the 1973 show.

Mrs. Beadie Powell, Mrs. Dutchell and Mrs. B.H. Tucker were in town Tuesday.

and Mrs. Jack Furgerson spent part of last week in Washington, D.C. attending a telephone meeting.

Mrs. Roland Nitcher and children and Mrs. Wittner from Lubbock, spent the night with the Adolph Wittners.

Mrs. W. Garvin, O.A. Warren and Charles were medical patients in Cochran hospital last week.

Mrs. Beadie Powell visited in Morton Saturday with her niece, Mrs. Mike Enos, and baby girl.

Mr. and Mrs. George Tyson were dinner guests in the D.A. Williams home in Bula Sunday.

Lanita Powell moved in the dorm at South Plains College Saturday.

Mr. and Mrs. D.S. Fowler visited the Zed Robinsons in Muleshoe Sunday afternoon.

Rev. and Mrs. James Gillentine from Lubbock visited her parents, the H.W. Garvins', Monday.

Rev. Jim Greene from Portales held a week's revival at the Three Way Baptist Church the past week.

The community had another snow last Wednesday night, stopping the farmers' work.

Livestock Association News

By John Hall

The Cochran County Livestock Show will be March 5th and 6th. Judges for the show will be Lanny Tucker for hogs and sheep and Jessie Holiday for calves.

The association needs all the help that it can get, both money wise and man power. The association had about \$200.00 in the fund to begin the 1973 year. It takes about \$3500.00 to \$4000.00 dollars to put on the show, so you can see that the association is needing all the help and support that you can give.

The association is trying something different this year to help raise money for the show. There will be a sweetheart contest for the show. The winner will be elected by votes, each vote will cost \$1.00 each. The candidates for sweetheart are Vickie Hall, Morton FFA, Mickie Dewbre, Morton 4-H Club, Shannon Sowder, Three Way FFA, Connie Richardson, Three Way 4-H Club, Teresa Smith, Whiteface FFA and Susan Layton, Bula FFA. If one of these nice looking girls ask you to buy a membership to the association, remember it is to help elect her a sweetheart of the Livestock Show and the money goes to help put on the show. To join the association,

membership dues are \$5.00. If you buy your membership card from one of the girls running for the sweetheart she will receive five votes.

Entries for the show are due February 26th. Entry fees are \$3.00 per animal. The show barn will open at 10:00 A.M. Monday. All must be in place by 5:30 P.M. Judging will start at 9:00 A.M. Tuesday. Packer Buyer sale will start at 6:30 P.M. Tuesday. Auction for the winners will follow the Packer Buyer sale.

The animals that do not make the auction sale have a supplement of 4 cents per pound above the packer-buyer price, if there is enough money in the general funds. If not, the 4 cent supplement will be adjusted in proportion to funds that are available for the supplement. Only 25 percent of the animals shown will make the auction sale. There will be about 42 calves, 100 swine and about 90 lambs in the show. To make the auction sale there will be about 10 calves, 25 swine and 22 lambs, so this leaves 32 calves, 75 swine and 68 lambs to go to the packer-buyer. It will take about \$2000.00 to give the exhibitors the 4 cent supplement. These young people have spent a lot of money and

time on these animals. The association will need all the help that the people of the county can give. Remember it goes to help the young people of the county.

The directors of the Livestock Association are Eugene Bentley, Chairman, Doug Zuber, Vice Chairman, Ken Wesley, Treasurer, Alvin Gladden, Secretary. Other directors are: Bob Polvado, Rurel Kirby, Darwood Marshall, Don Lynskey, Vic Jackson and Bobby Neal. General Show Superintendent is Bobby Neal. Auctioneers for the auction will be the Zuber Brothers.

MANILA LIBERATED

Manila was liberated from Japanese occupation by U.S. troops on Feb. 24, 1945.

POSTAL ACT

The Federal Post Office was created with the passage of the first postal act on Feb. 20, 1792.

Congress appropriated only \$2,500 for the Lewis & Clark Expedition.

Of The Texas Department of Agriculture
John C. White, Commissioner

A New High... Auction Receipts Decline... Sheep and Lamb Feeding About Steady... Still Only Three...

For several years, the human population and the cattle and calf population in Texas were at about equal levels. But as of January 1, that has all changed.

The inventory of all cattle and calves in Texas is now 15,350,000 head, while the human population is around 12,000,000.

The 15,350,000 cattle and calves represent a 14 per cent increase over a year ago levels.

And as numbers went up, so did the value. The inventory value of all cattle and calves on Texas farms and ranches is \$3.5 billion; this is 42 per cent higher than a year ago.

Beef cow numbers at 5,320,000 head are up 16 per cent; milk cows at 360,000 are up one per cent; and beef replacement

heifers at 1,043,000 are up 21 per cent. The calf crop in Texas totaled 5,444,000; this is a three per cent increase.

Nationwide, the number of cattle and calves is up four per cent from the previous record. The nation has 121,990,000 cattle and calves. "Texas continues to be the leading state in the nation in totals of cattle and calves," Texas Agriculture Commissioner John C. White said.

Auction receipts for cattle, calves, hogs, sheep and goats in Texas are below year-ago levels, the Texas Crop and Livestock Reporting Service notes.

During this past year, 181 livestock auctions inspected by the Texas Animal Health Commission reports a six per cent drop in calf and cattle receipts.

Sheep receipts were down 11 per cent; goat receipts were 26 per cent under the previous year. Hog receipts were down 19

per cent. DRYLOT sheep feeders with a lot capacity of 2,000 head or more had 90,000 sheep and lambs on feed for slaughter as of February 28. This is the same as the number on feed a month earlier but three per cent below the number on feed a year ago.

Current intentions to market are: 45,000 in February; 35,000 in March; and 10,000 in April.

ONLY three commodities are above effective parity in Texas. They are oats, calves and sheep.

All feed grains except grain sorghum showed advances during the recent month. Wheat averaged \$2.40 per bushel, up nine cents; corn averaged \$1.78 bushel, up seven cents; oats averaged \$1.05 per bushel, up four cents; and grain sorghum averaged \$2.75 down four cents.

Hogs averaged \$30.40 per hundredweight, beef cattle averaged \$37.20; calves averaged \$52.10, sheep averaged \$13.50, and lambs averaging \$34.80.

Eggs were up two cents from the previous month, averaged 52 cents per dozen.

Milk averaged \$7.75 per hundred pounds, down a nickel from the previous month.

Cotton declined during the past month. It now averaged 20 cents per pound, which is down 1.2 cents from a year ago.

Senior Citizen organizational meeting held

An organizational meeting for Senior Citizens was held February 18 at 2:30 p.m. in the County Activity Building with Mrs. Cammie Jackson, Chairman of the Committee, presiding.

Two things are needed for a successful Senior Citizens Committee: 1) Senior Citizens wanting the program in the county and 2) volunteers to help with the program.

Twenty persons were present with representative from Bledsoe, Morton and Whiteface. The group discussed possible meeting places and programs. Each community will meet separately with officers elected from the group of senior citizens. The entire county will join together for quarterly meetings and get-togethers.

The Morton group did vote on a name for their organization. It will be known as DMA (Don't Mention Age).

The group also decided to hold another meeting on Thursday March 29 at 2:30 p.m. in the County Activity Building. This will be another county-wide meeting to further discuss organizing. This meeting will be open to all citizens 60 and over interested in joining the organization and we invite all those interested in helping to organize the group.

A committee was appointed by Mrs. Jackson to handle the mailing out of invitations to the three communities. The committee consists of the following: Mrs. Key-Whiteface; Mrs. Darrell Davis-Bledsoe; Mrs. Joe Gipson-Morton.

Area cotton conclave will feature Texans

Texans participating in the 1973 Western Cotton Production Conference in Lubbock March 7-8 were announced today by Dr. Robert B. Metzger, area cotton specialist for the Texas Agricultural Extension Service and a member of the program committee.

Among the 13 Texans are five Lubbock men.

John Herzer, manager of the Plains Cooperative Oil Mill in Lubbock, will speak on the status of cottonseed flour and its future in the cotton industry. Don Johnson, executive vice president of the Plains Cotton Growers Incorporated, will address the expected 400 guests on the topic of air pollution and its effect on the grower.

Other Lubbock men scheduled to speak are Emerson Tucker, engineer at the Plains Cotton Cooperative Association, whose topic is on the handling of seed cotton on an area basis, and Dr. Arthur B. Onken, research scientist with the Texas Agricultural Experiment Station in Lubbock, also will speak on varietal response of narrow-row cotton to management of water and fertilizer. Roy Forkner, a producer and ginmer from Lubbock, will discuss the handling of seed cotton in local community gins.

Four area men are on tap to speak also. They are Marion Bowers of Seminole, speaking on grower experiences with narrow-row cotton; Mike Burkholder, producer from Pecos, whose address is on grower experiences with pest management; D.L. Adcock, farmer and ginmer from Lamesa, discussing the rick compactor; and Don Anderson, cotton producer from Crosbyton, whose presentation is on the use of herbicides on his farm.

Other Texans speaking to the group at Lubbock's Koko Inn are Dr. A.F. Wiese, professor with the Experiment Station at Bushland, speaking on herbicide residues; Dr. Dudley T. Smith, former

Lubbock resident now at College Station as assistant director of the Texas Agricultural Experiment Station, who will speak on chemical weed control in irrigated and dryland cotton.

Also, Dr. Lambert H. Wilkes, associate professor of the Agricultural Engineering Department of Texas A&M University, whose address is on the effect of field storage and handling on seed and lint quality in cotton; and Dr. D.G. Bottrell, associate professor, Department of Entomology, Texas A&M, speaking on total insect population and field relationship.

A technical conference on diseases preceding the regular meeting will feature 13 other Texans, most of whom are scientists and specialists in cotton industry.

The two day gathering will feature major presentations, and the pre-conference special session will include 18 speakers.

The annual meeting will feature representatives and officials of the cotton industry from Tennessee, Texas, California, Arizona, New Mexico, and numerous other southern southwestern states.

JOE ROBERTS

We're proud our seeds have earned the trust of farmers like these...

recorded a yield of 6000 pounds on 100 acres of Pioneer brand 8417. "Good threshing and yield," of 8417 pleased Joe Roberts, Rt. 2, Morton, Texas.

got a yield of 6213 pounds on 70 acres of Pioneer brand 846. Our most popular hybrid, 846 can do well for you as it did for Willard Henry, Rt. 1, Box 80, Morton, Texas.

Because we were the first company to commercially produce hybrid corn and with 17 years of work on sorghum, we know a lot more about hybrids and how to make crosses that really yield. We've had longer to test and re-test our varieties. We've stuck with some of our early crosses, and we keep developing new ones to fit every growing condition imaginable.

For the Southern Panhandle and Plains area we recommend these sorghum, corn and forage hybrids...

Pioneer brand 846—excellent drought resistance—consistent high yields—MDM and smut resistant—medium maturity.

Pioneer brand 820—good yielder under stress—outstanding with plenty of water and fertility—MDM resistant—full season.

Pioneer brand 8417—new yellow endosperm sorghum—champion yielder in medium maturity class—large open heads—does well on all types of land.

Pioneer brand 3369A—a corn with outstanding seedling vigor—tolerant to blight—good roots and stalks—good ear retention—heavy grain yield.

Pioneer brand 3306—excellent for grain or silage—drought resistant—single cross—well-suited to narrow rows.

Pioneer brand 988—sorghum sudangrass hybrid for pasture, green chop, hay or hayslage—ready to cut or graze in a little more than a month—regrows again and again all summer with adequate moisture and fertilizer.

When you choose a hybrid for your land, choose one from the company that started it all...

Enochs - Bula News

Guests in the home of Mr. and Mrs. E.F. Campbell Sunday were their children, Mr. and Mrs. J.T. Waldrop of Ennis, Mr. and Mrs. Bill Sower of Ennis and grandchildren, Mr. and Mrs. Price and children of Andrews.

Mr. and Mrs. W.B. Bryant were in Lubbock Monday to be with her sister, Venita James and husband, as Mrs. Bryant underwent lung surgery at the Methodist Hospital.

Mr. and Mrs. Nichols and Eldon Byars left for a fishing trip to Possum Kingdom.

Kingdom.

Mr. and Mrs. J.W. Layton went to Lubbock Sunday afternoon and spent the night with their daughter, Mr. and Mrs. Earnest Ellison. Mrs. Ellison was admitted to the Methodist Hospital Monday.

Mrs. Charlie Shaw returned home Saturday and her grandsons, Timmy Crocker of Tucumcari, N.M. and Jimmy Jarrous of Clayton, N.M., returned home with her to spend the weekend. She took them to Clayton Monday and went on to

Tucumcari and returned home Wednesday.

Deanna Coats of Clovis, N.M. was home over the weekend to visit her parents, the Kenneth Coats.

Mrs. Essie Seagler, Mrs. Alma Altman and Mrs. L.E. Nichols attended the revival services at Three Way Baptist Church Saturday night to hear Rev. Jim Green preach. Jim and wife are former members of the Enoch's Baptist Church and taught at Bula school.

Mr. and Mrs. Kenneth Montgomery and Teresa of Plainview, visited her parents, Mr. and Mrs. W.M. Bryant, Sunday.

Mr. and Mrs. Edd Autry spent the week with their daughter, Mr. and Mrs. Jack Jackson, at Clovis, N.M.

Rev. Charlie Shaw attended the Pastors and Layman's Conference, at Herral Auditorium at Wayland College in Plainview Monday and Tuesday.

Mrs. J.D. Bayless was in Muleshoe on business Saturday and stopped for a visit with Mrs. C.C. Sniker and grandpa Sniker. She drove to Morton that afternoon to visit her brother, Mr. and Mrs. Clyde Coffman.

Mr. and Mrs. John Autry moved to Eagle Lake recently. He is employed in the crop dusting business.

Visiting in the Jake Henderson and Mr. and Mrs. Carl Henderson homes recently were his son, Mr. and Mrs. Elvin Henderson and family of Fort Stockton, and daughter, Mr. and Mrs. Allan Moates and children of Mayhill, N.M.

Mr. and Mrs. Harold Dean Nichols of Idalou, Mr. and Mrs. Dale Nichols, Donnie and Paula, Mr. and Mrs. Quinton

Nichols and sons, enjoyed a turkey dinner at the home of their mother last Sunday.

Mr. and Mrs. Ike Shults of Denver visited with his sister, Mrs. C.C. Sniker, at the home of Grandpa Snitkers at Muleshoe last Sunday. Mrs. Snitker is taking care of grandpa who is in ill health.

Guests in the home of Mr. and Mrs. J.W. Layton last Sunday were Mr. and Mrs. Earnest Ellison of Lubbock, Mr. and Mrs. Zane Ellison and children of Muleshoe, Mr. and Mrs. J.E. Layton and sons, Greg and Austin, Mr. and Mrs. Harold Layton and family, Corkey Long, Jerry Nichols, Mrs. Robert Blackwood of Muleshoe and Mrs. Earnest Cash of Crosbyton.

Mr. and Mrs. F.L. Adair of Lubbock spent Sunday afternoon till Monday afternoon in the home of Mr. and Mrs. J.D. Bayless and attended church with them Sunday night.

Miss Freda Layton was honored with a bridal shower from 2:30 till 5 p.m. Friday afternoon in the Fellowship Hall of the Enoch's Baptist Church.

Mrs. J.E. Layton registered approximately 40 guests. She is an aunt of Freda. The serving table was covered with a white net cloth over pink centered with a two-tiered white cake decorated with rose icing. Susan Layton served pink frosted punch. She is the sister of Freda and the cake was served by Corkey's sister, Cynthia Long.

Hostess gift was a table stand mixer, an electric can opener and knife sharpener. Hostesses were Mesdames Louise Newton, Alma Altman, Quinton Nichols, Maudena Claunch, Alberta Bryant, E.F. Campbell, Rose Nichols, Ellen Bayless, Essie Seagler, Pat Warren, Chris Hodnett, Dorothy Neutzler, Laverne Cox, Margie Peterson, Joyce Beasley, Zelma King, and Louise McCall.

Dwight McDaniel of Moran came to help his brother, Mr. and Mrs. David McDaniel, of Lubbock, move to Austin Monday.

Mr. and Mrs. Jerry Gilbert of Albuquerque, N.M. spent last weekend in the home of Mr. and Mrs. H.B. King.

Mr. and Mrs. W.T. Thomas attended the funeral services of his brother, Henry

Thomas, Tuesday at the Funeral Home Chapel in Childress.

The Hazel Gospel Quartet of Lubbock and their pianist, Candy Pirkins, sang at the Enoch's Baptist Church last Sunday morning and the entire evening worship service. They were guests in the home of Mrs. Hazel's brother, the W.B. Petersons.

Adult education classes planned

Several new adult education classes are being organized. Each class will be limited and anyone wishing to participate is urged to register with Mrs. W.G. Freeland at the Morton High School no later than March 12.

Classes and meeting times are as follows: Typing, 7-8:30 p.m. Monday and Thursday; Woodwork, 7-10 p.m. Wednesday; Small engine mechanics, 7-10 p.m. Tuesday and Auto-mechanics for women, 7-10 p.m. Tuesday. Classes in use of the sewing machine and making of home accessories and upholstery will also be organized and the times and dates will be announced later.

Classes will begin the week of March 26 and end during the week of May 14.

TRIBE FROM PAGE ONE

The Indians impressed many a basketball fan last weekend, especially by their skillful display of defense. The old adage, "The best offense is a good defense" once again proved its wisdom as the tribe awed its two taller opponents, Stratford and Coahoma.

And the fans were there. Mortinites, several of whom probably never set foot

in Indian gym this year, poured out by the hundreds both Friday and Saturday. Friday night these fans were tense—almost scared, as the tall methodical Stratford Elks proved themselves to be a game bunch. Some Morton fans had been saying for years that the only way to beat Ted Whillock's team would be to play slow deliberate basketball and that's just the way Stratford played. But what us fans forgot was that Whillock's teams know no match in playing defense, and their second half performance against Stratford proved to be more than the taller Elks could handle. In the last five minutes of the third quarter, Morton outscored the Elks 10-2 as Larry Thompson, Jimmy Harvey, Jerry Silhan, and Ted Thomas all hanged in buckets.

Then, in the final stanza, the Tribe shut down Stratford's offense for nearly six minutes to wrap up the win. The Friday night finale, Hamlin vs. Coahoma, sent the Morton fans home with quite a bit of apprehension as the Bulldogs of Coahoma literally blitzed the Pied Pipers out of the coliseum by a 73-57 margin. Press, fast-break, run and shoot; the Bulldogs appeared to have it all. But Hamlin's defense—or should we say, lack of defense—distorted the game's outcome, and the Indians probably got more rest than the rest of that night.

Saturday dawned bright and clear, and it turned out to be a beautiful day for Morton, Sanford-Fritch, and the Texas Aggies. Sanford-Fritch had little trouble in gaining its second straight trip to

Austin by topping Knox City, and of course, the Aggies beat you-know-who Saturday night.

But the highlight of the day was the Morton-Coahoma affair, and the Indians were superb. They not only topped their Friday night defensive performance, but also showed the Bulldogs a thing or two on how to run a press and fast-break.

Morton's first-half offense couldn't quite catch up, points to break open the game early. Indeed, the Tribe missed on their first three shots before scoring with three minutes gone in the game as Jerry Silhan hit the first two of his 21-point output for the game's high honors. Morton ran up an 8-2 lead early in the game, but fell behind midway in the second period, then quickly regained the lead for good as Harvey, Mike Hunter, and Jerry Silhan paced the Tribe to a 24-18 margin.

The most impressive 35 seconds of the whole tournament, perhaps in the third period. Leading 39-31, the Indians launched one of their patented runways as Harvey canned two layups, followed by another one by Larry Thompson. With Jerry Silhan's quarter-ending shot, the Tribe found themselves with a comfortable 47-39 lead, and then coasted in for the regional championship. For their outstanding play, Jerry Silhan and Jimmy Harvey were named as members of the All-Tournament team. Joining them on this "dream team" were Jerry Pool of Stratford, and Roland Beal and Terry Shafer of Coahoma.

News paper coverage of the tournament turned out to be a little better than in years past. No doubt many Morton fans were gratified to read "Morton Going Back to Austin" as a banner headline in Sunday's Avalanche-Journal. Unbeknownst to most, the Amarillo Daily News gave the games good coverage, especially the Friday night affair with Stratford. Last year, the Amarillo paper gave the Indians much better coverage at Austin than did the Lubbock media.

And so, five hundred or so Morton fans will set out this week to spend ten thousand dollars or so between here and Austin, hoping that their Tribe can do it again. But win or lose, there won't be any disappointment as getting there is most of the fun. So—good luck, Ted. Good luck, Indians. Be careful, fans. See ya' in Austin!

STOCK FROM PAGE ONE

with the other candidates making up her court.

Queen candidates include Vickie Hall, Morton FFA; Mickie Dewbre, Morton 4-H Club; Shannon Sowder, Three Way FFA; Connie Richardson, Three Way 4-H Club; Teresa Smith, Whiteface FFA; Susan Layton, Bula FFA and Beverly Albus, Pep FFA.

Judges for this year's show include Jesse Holloway, instructor of Animal Husbandry at Lubbock Christian College, for steers and Lanny Tucker, nationally-known swine breeder and vocational agriculture teacher from Hart, for the hogs and lambs.

General superintendent for the show is Bobby Neal of Whiteface, who served in the same capacity for last year's show. Auctioneers for the sale will be the Zuber brothers.

Premiums to be paid to winners in the various classes had not been announced at press time, but are expected to be much the same as last year.

In addition to the awards for best animals, the Showmanship and Herdsman awards will be made again this year.

The showmanship award is decided on the manner in which the animal is presented; the dress and manner of the exhibitor; and the manner in which the animal is trained and fitted for showing.

The herdsman award is based on the kind of condition of the animal's bedding—a clean and damp pile to keep down the dust appearance of the animal and exhibitor and conduct and discipline of the exhibitors.

The first two animals, or the top 25 percent of each class, whichever is greater, will sell at the public auction in the order of their placing. The rest will sell at the packer buyer auction, if so desired, by the exhibitor. The champion and reserve champion of each division must sell in the auction.

The public is urged to attend the stock show and see the results of the efforts of the Future Farmers of America and the 4-H club members in getting these animals ready for the annual show.

Great effort on the part of the boys and girls involved has been made to make this an outstanding show and both their parents and the general public will be given an opportunity to see the results of their work and to encourage them by their support.

HARVEST FROM PAGE ONE

same as the previous week Staples were predominantly 29 to 32. Thirteen percent had a staple length of 29, 38 percent stapled 31 and 15 percent was 32.

Micronaire readings remained steady. Only 10 percent of all cotton classed at Lubbock had micronaire readings in the premium range of 3.5 through 4.9, 8 percent "miked" 3.3 through 3.4, 28 percent was 3.0 through 3.2, 34 percent 2.7 through 2.9 and 20 percent was 2.6 and below.

The Agricultural Marketing Service of the U.S.D.A. reported active trading on the Lubbock market. Prices were steady for cotton with micronaire of 3.0 and better but were \$10.00 to \$15.00 per bale higher on cotton with micronaire of 2.9 and lower. Prices ranged from \$5.00 per bale over the loan for low grade, low micronaire cotton up to \$60.00 per bale over the loan for high grade, premium micronaire cotton.

Average prices paid for the most predominant qualities in the 3.5 to 4.9 premium micronaire range were: Strict Low Middling Light Spotted (42) staple 30-27.50 cents per pound, Strict Low Middling Light Spotted (42) staple 31-27.90, Strict Low Middling Spotted (43) staple 30-22.75, Strict Low Middling Spotted (43) staple 31-23.05, Strict Low Middling Tinged (44) staple 30-19.35 and Strict Low Middling Tinged (44) staple 31-19.45.

Cotton seed prices were steady and farmers received \$47 to \$56 per ton for their cottonseed at gins.

OUTDOORS IN TEXAS

BY VERN SANFORD

By Vern Sanford

An annual problem for the average rifle hunter is that of sighting in his gun. It's an essential art that must be done before the season actually starts if hunting is to be successful. Most men feel they are just too busy to take an extra hour off and go to the rifle range for a few rounds.

It is fortunate for them that most guns hold their zero pretty well from one year to the next. And also that ammunition has become so nearly perfect that the bullet impact usually is retained.

But this good luck factor doesn't happen all the time. Neither does happen for the man who just borrows a friend's gun and spends a couple hundred dollars for a lease and incidentals, only to miss the biggest buck he's ever seen. (That's always the case when you miss a buck. It's never a little one.)

True it is more difficult today to find a place for sighting in rifles than at any other time in history. You just can't go out and find an old gravel pit or crawl over a farmer's fence. But fortunately, there are enough shooting ranges where you can sight in the big bore for a dollar or two. If

your guns in proper form, two shots will do it. But if your gun gets knocked out of position, you may shoot up a half-box of ammo correcting the aim. But what compared to what you pay for a hunt?

Today's guns, especially the scopes, are extremely accurate just need to be sighted in.

There's a good rule of thumb for sighting in a high-powered rifle. It works on all rifles.

If it's a .22 long-rifle hi-speed, at 25 yards. It will hit 1/2 inch high, but drops 4 inches low at 150 yards it is 16 inches low.

Now move up to the .22 Rem- Magnum or the .223 Rem-calibers that should be used on white tailed deer. This cartridge 1/4 inch low at 25 yards. At 50 it is high. At 100 yards it is 1 1/2 inches the same at 200 yards.

The popular .243 will zero at 25 inch high at 50; 2 inches high at 100 drops to 1/2 inch high at 200.

ABOUT LOCAL FOLKS

by Dutch Gipson

Mr. and Mrs. Reed House spent Sunday visiting with friends in Morton. House and the former Mrs. Burns were married February 1 at Highland Baptist Church in Lubbock. They will continue to live in Lubbock.

Mrs. W.L. Miller enjoyed having her son and family, Mr. and Mrs. Burnist Miller of Yakama, Washington, with her for several days. Burnist and Trudy have lived many years in Washington, however, both were reared here. Trudy will be remembered as Trudy Mullinax. The Millers have spent several weeks at Falcon Dam just enjoying being away from Washington during the winter months. They were joined by their brother and sister, Mr. and Mrs. Aldon Mullinax, for several weeks. Aldon and Trudy also visited their father, Lon Mullinax, who lives in Odessa.

The G.A.'s and W.M.A. of First Missionary Baptist Church were

hostesses at an open house Sunday afternoon. Each organization exhibited work depicting the office they hold. Refreshments were served to approximately 50 members and friends.

Among the house guests of Mrs. W.L. Miller Sunday, were Mr. and Mrs. E.L. Willis, Mr. and Mrs. Norton Willis, Gina, Pattie and Tom Lee, all of Lubbock.

Rev. Rois Standifer was engaged in a weekend revival at Sunset Avenue Baptist Church in Littlefield last week.

Houseguests of Mrs. James St. Clair over the weekend were her children, Mr. and Mrs. Mayland Abbe and son, of Lubbock.

Scott Hester enjoyed his 3rd birthday with a party Saturday afternoon at his home. A Snoopy cake with all the trimmings were enjoyed by many including his grandparents of Meadow.

Mrs. Roy McClung and daughters, Sara and Gena, will visit with her parents in Seymour while husband, Roy, and son, Trey, go to Austin this weekend.

Miss Elizabeth Montgomery of Santa Fe, N.M. has been a houseguest of her niece and family, Mr. and Mrs. P.B. Ramby and Davis, for several days.

Mrs. Thelma Collins returned home over the weekend after assisting her children in moving to their new ranch home near McAllister, Okla.

The Gospel Harmoners from Gateway Baptist Church in Borger will be at the Missionary Baptist Church Sunday morning and again Sunday afternoon in a Gospel Music Concert at 2 p.m. The public is cordially invited.

Mrs. Evelyn Seagler left Sunday for Houston in response to a call that her grandson, Douglas Ross, had arrived. Mrs. Seagler plans to spend several days assisting this young man in getting off to a good start.

Mr. and Mrs. Buford Elliott left Tuesday for a trip to Houston to visit with relatives. They will go from there to Dallas for a visit with their son and later to Austin to attend the State AA finals in basketball.

School Menu

Monday, March 5, 1973
Ham sandwich, French fries, green salad, orange ambrosia, chips, milk.

Tuesday, March 6, 1973
Pig in blanket with mustard, broccoli, June peas, orange, pickles, milk.

Wednesday, March 7, 1973
Hamburger on bun, lettuce and tomatoes, green beans, 1/2 peach, relish, milk.

Thursday, March 8, 1973
Bar-B-Que beef, potato salad, lima beans, cherry cobbler, rolls, milk.

Friday, March 9, 1973
SPRING HOLIDAY

Rites in Sherman for Mrs. Pledger

Services for Mrs. J.R. Pledger of Sherman were held at 3 p.m. Thursday in the Dannel Funeral Chapel. The Rev. Dale Gore of the Trinity Baptist Church officiated. Burial was in Memorial Park Cemetery.

A native of Bloomfield, Mo., Mrs. Pledger died Tuesday morning in a Sherman Hospital. She was the sister-in-law of Mrs. Lennie Doyle, Mrs. Cecil Kirk and the late Mrs. Charley Ellis of Morton. She was married in 1938 and moved to Sherman from Morton three years ago. She was employed by the

LOOK WHO'S NEW

"Thou wilt show me the path of life, in thy presence is fulness of joy."
PSALM 16:11

HERE IS THE PATH

shall love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind, and thy neighbor as thyself. Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose . . . and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without His grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, ever from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

EVERYONE IN THE CHURCH IS SERVING THE CHURCH IN EVERY WAY
