THURSDAY, AUGUST 23, 1973 MORTON, TEXAS PRICE FIFTEEN CENTS

NUMBER 42

Gas looms big in county

May drill 500 wells in four county area

A giant step forward in the economy of Cochran county could result if the large number of gas wells believed projected for the northern rim of the Slaughter, Levelland and Buckshot oil producing fields come to pass.

Gas pay from the San Andres Cap, which comprises the three producing areas, has proven exceptionally lucrative and indicate a potential for vast new sources for energy for the West Texas area. It has long been known that substantial gas reserves were present in the area, but until recently the price was too low to lure large scale development. The picture has changed within the past few years, with the present price of natural gas attracting new exploration in the area.

Slaughter, Levelland and Buckshot fields are the officias designations for a vast San Andres producing region which stretches from Lea County in Southeast New Mexico, through Cochran, Hockley, and even into a portion of Terry County.

Drillers have long known that a gas cap exists along the northern boundary of these producing area, but the fact was not always welcomed. During development, the reservoir's practical limits were defined when wells along the outskirts of the field were found to produce primarily gas instead of oil.

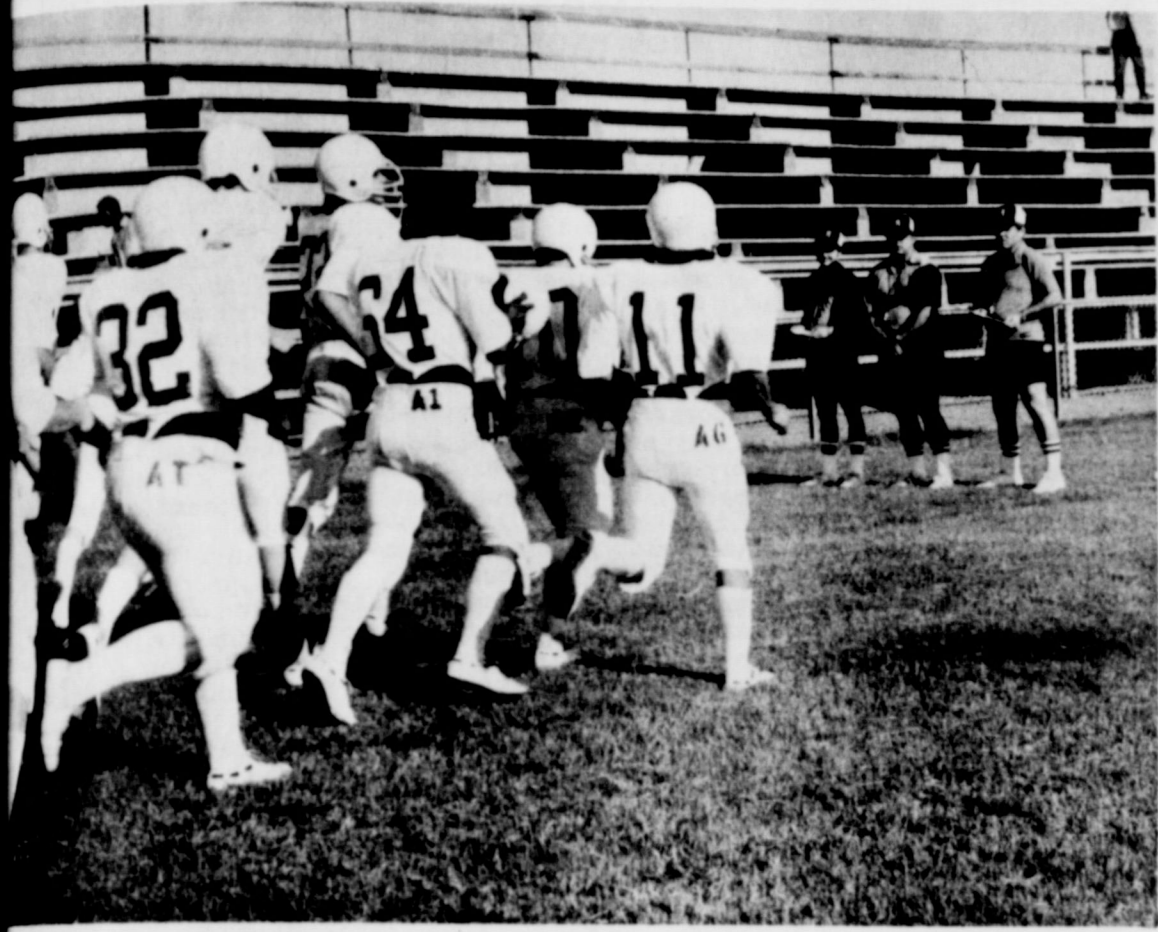

The energy picture of the 1940's, when the field was being developed, posed a pattern of oil demand which placed gas far down on the priority list, and being uneconomical, the fuel was left dormant, kept safely 5,000 feet beneath West Texas farmlands.

J. Roy McCoy, of Lubbock, Depo, Inc., of Odessa, and Adobe Oil Co., of Midland, are among independent operators who now are developing the gas reserves for use by Southwestern Public Service Co. and El Paso Natural Gas.

Adobe is in the process of completing a significant gas

WHEN YOU SCHEDULE A CHILDREN'S PET SHOW with no bars on the entries, you can expect the unexpected, as was proven here during the pet show at the annual Country Fair. Among the more unusual entries — but by no means the only strange ones — were the special pets of Jay Lynn and Lee Ware, daughter and son of Mr. and Mrs. Ralph Ware, shown above. Jay Lynn holds her "hornytoad" while brother Lee displays his favorite bantam (rooster? hen?) chicken. Both, of course, won a blue ribbon for "Best of Class."

NEW TRIBE OF INDIANS report to a new coaching staff as football practice underway here last week. An unusually good squad, by recent years' standards, is out for workouts under new head coach Wayne Thompson, center and left, and assistants Earl Clardy and...

week of a two-a-day practices with an intra-squad scrimmage Saturday that indicated considerable talent available from the coming campaign. Following the scrimmage, an ice cream supper was held by the Booster Club at which the members of the squad were introduced. The Tribe's next scrimmage action will come against Hobbs Friday night.

Tribe rounds into shape

The total relief of the injury involved, the two-a-day workouts for Indian players came to an end early morning.

designed to give the injured time to heal, and to give rest to the weary before the Hobbs scrimmage on Friday evening at Hobbs. In a similar scrimmage last year, the Hobbs team came to Morton so this is a return engagement.

Probably the worst of the Indian injuries is that of Johnny Rozell, who sustained a cut eye in a freak accident at the swimming pool while the

team was swimming following a workout. It necessitated surgery yesterday morning and should be on the mend.

Rodney Cox had to have surgery on a finger injured prior to the start of the two-a-days and has been slowed somewhat. David Silhan, Dewayne Crow, Chip Sayers and Mark Fluitt have continued to work out with pulled

See TRIBE Page 3

Labor Day death toll forecast high

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, today warned that 42 persons may lose their lives in Texas traffic during the long Labor Day weekend.

The holiday officially begins at 6 p.m. Friday, August 31 and runs through midnight Monday, September 3.

Speir said the DPS is making preparations to cope with increased holiday travel. "Every available Department of Public Safety patrolman will be on duty during this three day weekend, utilizing all resources we can put our hands on to prevent accidents," he added.

The DPS director noted that special attention will be paid to hazardous traffic violations normally associated with a high holiday death toll. Patrolmen will be especially watchful for such offenses as speeding, driving while drinking, improper passing and driving on the wrong side of the road.

In addition to stepped-up enforcement activities, the DPS will also work with local law enforcement agencies and the news media of Texas to conduct an accident prevention program called "Operation Motorcade."

During "Operation Motorcade," tabulations and pertinent facts about all fatal

holiday traffic crashes will be See TOLL Page 3

CHEERLEADERS Marie Wilcox, Kathy Mason, Mary Marina, Sabrina Wells and Sherita Fluitt are shown with the Morton High School Pep Squad. The five young ladies recently returned from a cheerleading school at Southern

Methodist University and are instructing the Pep Squad in new routines. They brought home two outstandings, one excellent and one superior rating from the five day camp.

Crop outlook said possibly best ever

Crop conditions throughout Texas are currently being described in almost

unbelievable words: excellent, best ever, prospects couldn't be better.

Already, a wheat crop of more than twice the size of last year has been harvested in Texas, a total of 95,200,000 bushels plus a new record high per acre yield of 28 bushels. Texas is the fourth ranking state in the nation in winter wheat production.

Grain sorghum harvest is virtually complete in Central Texas with excellent yields reported. Several farmers have reported yields of 5,000 pounds and above on dryland. Prices, too, are the best ever.

Over the state, grain See CROP Page 3

All Morton senior Babe Ruth baseball players are asked to turn in their suits immediately.

The suits can be turned into Mike Liner at Liner's Pharmacy at Southwest First and Taylor Streets. Bring them in!

Four receive sentences here

Four men, all Cochran countians, received sentences following guilty pleas in county court here Monday morning, Judge Glenn W. Thompson presiding.

Lemuel Brock, 20, of Whiteface, who was arrested Friday, pled guilty and was fined \$100 plus \$44 court costs on a charge of transporting alcoholic beverage. He was released after paying his fine.

Michael Gilliam, 18, of Morton, pled guilty to charges of driving while intoxicated and failure to control his vehicle to avoid an accident. He was assessed a fine of \$50 plus \$44 court costs and 10 days in jail. The jail sentence was probated for six months. He was also ordered by the court to make restitution to the city of Morton for damages to a gas meter his vehicle inflicted in the 300 block on Pierce. Gilliam was arrested Friday night.

Eliseo Chapa, 27, of Morton, See FOUR Page 3

on Market

Prices continued to remain slow in Western cotton markets this according to the USDA. Marketing prices were higher.

Prices were short to demand for all except low grade, low ton. Foreign demand particularly strong. Prices were actively new-crop contracts in Arizona, New and on the Texas

Letters

Editor
Morton Tribune
106 N. Main
Morton, TX 79346

Dararnr. Editor:

I would like to enlist your paper's aid in informing the farmers and oil field operators in your area of a portion of the Texas Clean Air Act that has a direct impact on them.
It is a violation of the laws concerning air pollution control to burn off grain fields, paraffin, or oil pits.
There are cases where an exception

can be made for unusual circumstances or emergencies. Examples of such situations that are creating a hazard. A person that feels he has grounds for an exception should contact the regional office, Texas Air Pollution Control Services, 1906 Fourth Street, Lubbock, Texas, 79415, phone number 744-0500. If it can be of any service to you in the future, please don't hesitate to call on me. Sincerely yours, Vick Newson, Regional Supervisor, Region 1, Texas Air Pollution Control Service.

GAS FROM PAGE ONE

well four miles north of production in the Cochran County production of the field. The unit tapped the San Andres for an estimated 1,500,000 cubic feet of gas per day, 2 1/2 miles southwest of Lehman. If this apparent discovery well is an indication of the region's potential, then gas reserves can be dramatically increased and the lid—temporarily at least—placed on any prospect of gas shortage in the West Texas area.

The original drillers who developed the Slaughter, Levelland and Buckshot areas, always stopped when they reached the northern edge of the field because the wells began producing too much gas. When the area's first gasoline plants were placed on stream to process natural gas during the mid-1940's, the fuel was bringing about four or five cents for 1,000 cubic feet. At

that rate, a well which cost \$50,000 would be a bit too steep a very first wells found market at any price, he added. However, due to the relatively short supply of the gas gathered from wells in the San Andres producing area now sells for prices which range from 18-36 cents per 1,000 cubic feet. It suddenly has become commercially attractive to explore for gas there.

Wells in the Slaughter area usually produce between 1,000,000 and 3,000,000 cubic feet of gas per day, with reserves estimated to 2,000,000,000 cubic feet every 16 acres of the gas cap. Prospects of commercial gas production from the field have also triggered a high level of leasing activity. "The lease hold situation is very tight. It has about all been gathered up," McCoy said. Adobe Oil has leased 22,000 acres, most of it on the "wildcat" portion of the field. The firm is expected to test production along the entire northern portion of the Levelland sector of the field. Virtually all the leases along that line of production have been taken.

Estimates from various operators indicate the number of wells which will be drilled for gas in the field could ultimately range from 100 to 500 units, with testing at 16 acre intervals.

Pipelines also are beginning to grow in that area.

American cotton in world markets has been determined.

—Sale and lease of allotments will be permitted, even to farms with allotment.

—Payments will be limited to \$200 per person, total for all crops. Rules determining whether corporations and their stockholders are to be considered as "persons" will be in accordance with regulations issued December 18, 1970.

—Present skip-row rules remain in effect.

—Authorization for annual transfer of \$10 million from CCC funds to Cotton Incorporated is continued, but any funds is restricted to research efforts.

—In the event the Secretary's prospects of oversupply he is the authorization to limit planting of cotton beyond base allotments.

—Provisions which prohibit grazing cotton set-aside during five previous months of growing season under present program is removed, and Secretary is specifically authorized permit hay, triticale, oats, rye, wheat and feed grains to be planted on cotton set-aside.

The new cotton program which will govern the industry for the years 1974 through 1977, as it is being explained to High Plains farmers at county meetings around the area by officials of Lubbock-based Plains Cotton Growers, Inc., shapes up as "considerably less than is needed, but if properly administered a program with which we can continue as the nation's leading cotton producing area."

Major provisions of the program, with PCG comment as to their application on the High Plains, are as follows.

—A minimum national allotment of 11 million acres, compared to this year's 10 million acre allotment. Allotment for the 25 PCG counties surrounding Lubbock therefore should be about 10 percent more than this year's 1,488,145 acres. And, generally speaking individual farm allotments will be up 10 percent also.

—Price support payments equal to the difference between 38 cents per pound and the national average price paid to all farmers for all cotton during the calendar year in which the crop is planted, meaning all farmers will get the same payment regardless of the price at which their personal crops are sold. If the national average price paid to farmers for all cotton, January through December of 1974, for example, comes to 30 cents a pound, then all farmers would get a payment of 8 cents per pound times their projected yield times their base allotment. Of course if the average market price comes to 38 cents or more, there will be no payment. Projected yield is to be calculated as under the present program—a three year average of actual yields adjusted for adverse weather factors.

Compiled three times daily and placed in the news media. Information will be made as to where and why accidents are occurring.

CROP FROM PAGE ONE

Summer harvest is halfway completed. On the High and Low Plains, good rains have eased dryland crop conditions.

Wheat harvest is active in the southern half of the state, still behind last year's schedule. A good dryland crop is indicated.

Cotton harvest is also lagging in the High Plains to the coastal areas. Cotton is making good to excellent progress.

Insects, as usual, have been a problem in many areas. Cotton root rot is also a problem in Central Texas due to rains in June and July.

Soybeans, a crop which is expected to become more and more important in Texas in the future, are making excellent progress throughout the state in areas where it is planted—the High Plains, Texas and the upper Gulf Coast.

Wheat acreage in Texas this year is twice that of last year. Total acres are now set at 22,000,000.

Good rains recently throughout parts of the state revived short-range irrigation and replenished water. Range conditions described as generally good.

One of the best hay crops in

history has been made in Texas this year; the only problem is a shortage of baling wire in some localities.

MARKET FROM PAGE ONE

California growers booked some 1974 and 1975 acreage. Arizona, New Mexico, and Texas growers limited contracting primarily to 1973 crop. Contract prices offered were about steady in Texas, mostly 26.00 cents per pound over CCC loan for grade 52 and better grades, 3.5 to 4.9 mike.

Offering prices for 1974-crop cotton in the San Joaquin Valley were 60.00 to 62.00 cents, basis grade 31, staple 34 for 73-crop cotton. Harlingen territory growers were holding uncommitted ginnings.

Total volume ginned remained relatively small in South Texas due to frequent rain showers. The crop made good progress elsewhere in Texas and in other Western states. No unusual insect problems were reported. Cottonseed prices were higher, mostly \$90 per ton to the grower in Harlingen and \$85 to \$88 in Corpus Christi territory.

Prices quoted for selected qualities, 3.5 to 4.9 mike, in the six Western Region spot markets are as follows:

Dallas, this week 52.25; last week 47.30; Middling Light Spotted (32) Staple 32.

Houston, this week 60.00; last week 55.50; Strict Low Middling (41) Staple 34.

Lubbock, this week 44.75; last week 42.75; Strict Low Middling Light Spotted (42) Staple 32.

El Paso, this week 75.25; last week 70.25; Middling (31) Staple 37.

Fresno, this week 75.40; last week 70.30; Middling (31) Staple 35.

Phoenix, this week 70.10; last week 65.00; Middling (31) Staple 34.

FOUR FROM PAGE ONE

was fined \$50 and assessed 10 days in jail on a charge of driving while intoxicated. The offense took place early Sunday morning. Chapa's 10 day jail sentence was also probated for a period of six months.

Manuel Florez, 54, of Morton, was arrested Saturday on a charge of driving while intoxicated. He also pled guilty upon arraignment Wednesday and was assessed a \$50 fine, \$44 court costs and 10 days in jail. His jail sentence was probated for a period of six months.

In other police business, two suspects in recent break-ins at Bledsoe and Whiteface are presently in custody of the Hockley county sheriff, according to information released by Cochran county sheriff C.G. Richards.

Sundown city marshal Ed Carter surprised two males attempting to burglarize the Sundown post office Tuesday, August 14. One, Bennie Stewart, was taken into

custody and the other fled on a motorcycle and was still at large at press time. A woman accomplice, Laura Mae Edwards, was later arrested and a search of her apartment in Hobbs, New Mexico turned up several items connecting the trio with the Bledsoe and Whiteface burglaries.

TRIBE FROM PAGE ONE

muscles. David Palmer has been on vacation.

In the intra-squad scrimmage last Saturday evening, the evenly divided teams wound up just that way — even. Both teams counted two goals each, with some bright spots in the action as well as some dark spots such as missed assignments.

The workouts this week have been designed to correct the errors turned up by the scrimmage which was enjoyed by the large number of spectators on hand.

Following the intra-squad game, team and spectators made their way to the cafeteria where the team mothers had provided a bountiful ice cream

and cake supper. There was more than enough for everyone as other activities that evening had kept the crowd smaller than expected so that some of the team fathers had ice cream on Sunday.

Because his freezer wouldn't work, one of those attending brought a red bucket of "Mother Bell's" commercial ice cream and had few takers in competition with the really fine varieties made at home.

In commenting on the scrimmage, Coach Winters said that the coaches were pleased with the efforts and attitudes of the team this year. That effort was readily apparent to those watching as both sides really popped each other in their attempts to move the ball.

As is usual this early in the season, the defense was well ahead of the offense. Missed blocks seemed to be the most glaring error spotted by the coaches but this should resolve itself with practice and time.

The game at Hobbs will consist of each team running

two offensive series of 15 plays, and each team using 10 offensive plays at the goal line.

The Hobbs team employs the Arkansas type of defense with the line slanting to cover the holes. According to Coach Winters, this type of defense will offer the greatest challenge to the type of offense used by Morton. The time for the game will be about 6:30 p.m. CDT.

One of the exciting aspects of the practice each day is the keen competition between Ralph Mason and Randy Kuehler for the starting quarterback spot. Both are coming along well and either or both will be very competent to direct the team when the nitty-gritty of the regular season rolls around.

Coach Winters announces that all Sophomore boys who would like to play junior varsity football are invited to come out as soon as school gets underway. He emphasized that no penalties would be assessed for not reporting for pre-season workouts.

RAMSEY'S FOOD STORE

MRS. CLAUDE B. LOBSTEIN
Nee Miss Shonnie Diane Avery

Dinner honors Miss Avery

A bridesmaid's dinner honored Miss Diane Avery, bride elect of Benn Lobstein, Thursday, August 16, in the home of Mrs. Harold Drennan. Miss Diane McCasland was co-hostess. Special guests were the bride's mother, Mrs. Weldon Avery and her grandmother, Mrs. Neal Smith. Others attending were Miss Glo Gray, Mrs. Ruthie Roberts of Waco, Mrs. T. T. Smith and Miss Marilyn Browning of San Antonio.

Couple exchanges vows in ceremony Saturday

Miss Shonnie Diane Avery and Claude Benjamin Lobstein were united in marriage at 8 p.m. Saturday in the First Baptist Church. The Rev. Claude B. Siovall, pastor of the First Baptist Church, Santa Rosa, New Mexico and uncle of the groom, performed the ceremony under an arch of blue and orchid organly flowers and greenery.

The bride is the daughter of Mr. and Mrs. Weldon Avery. She is a graduate of Morton High School and a senior Elementary Education major at Wayland Baptist College.

Lobstein is the son of the late Mrs. Clois Lobstein of Lubbock. He graduated from Abernathy High School, Dallas Institute of Mortary Science and is employed by Sanders Funeral Home in Lubbock.

Given in marriage by her father, the bride wore a formal A-line gown of white silk organza and peau de soie, featuring a pearl beaded lace bodice, empire waistline and long petal point sleeves. She carried a cascade of small white roses surrounding a white orchid atop a white Bible. A long veil of bridal illusion accented the chapel train. For something old the bride wore pennies in her shoe minted in the years of her's and the groom's birth. Something new was a lace handkerchief given to her by her grandmother and something borrowed were earrings belonging to her mother. She wore the traditional blue garter.

Miss Diane McCasland was maid of honor. Bridesmaids were Glo Gray, Marilyn Browning of San Antonio and Mrs. Randall Roberts of Waco. Lisa O'Brien served as flower girl. They all wore formal gowns of blue and orchid floral nylon sheer, chin-length veils and carried nosegays of blue and orchid organly rosebuds.

Dennis Avery, of Lubbock, brother of

the bride, served as best man. Groomsmen were Robert Moore of Clovis, N.M., Ricky Brewer of Dallas and Randy Downs of Abernathy.

Miss Carolyn Gray registered the guests.

A reception followed the ceremony in the home of the bride's grandmother, Mrs. Neal Smith. Serving were Mrs. Mike O'Brien of Stratford, Miss Beverly Jones of Lubbock and Miss Carolyn Chambers of Amarillo, cousin of the groom.

Members of the houseparty were: Mmes. J.C. Reynolds, M.L. Abbe, Bill Crone, Earl Outlaw and Harold Drennan.

Following a wedding trip to Dallas the couple will reside at 2614 22nd Street in Lubbock.

Couple celebrates Golden anniversary

Mr. and Mrs. Joe B. Gipson celebrated their Golden Wedding anniversary Sunday with a reception in the County Activities Banquet Room. Hosting the event were their children, Lt. Col. and Mrs. Joe B. Gipson of Fort Knox, Ky. and Mr. and Mrs. K.L. Neavitt of Houston, and their grandchildren, Zia Ann and Mark Gipson of Austin, Marcy Neavitt of Houston and Joe Neavitt of Lubbock.

Mrs. T.A. Moore of Levelland and Mrs. W.L. Miller and Mrs. E.L. Willis of Lubbock registered guests. Leslie Denny, pianist, played throughout the afternoon.

Two serving tables were used. The bride's table, covered with a white linen

cut-work cloth over gold, featured arrangement of yellow roses, a tiered wedding cake and a gold bowl. The groom's table was covered with a matching cloth in ivory with candleabra, and gold coffee service.

Others serving in the banquet room were: Mmes. Joe Nicewarner, Hume Russell Hudson, Lloyd Miller, M.C. Sayers, M.C. Ledbetter, M.C. McDermott, Hattie B. Spotts, R.L. DeBock of Snyder, Mrs. M. Abikene and Mrs. John A. Drennan. Approximately 250 guests gathered between the hours of 2 and 5 p.m.

Engagement announced

Mr. and Mrs. John P. Mason of Lubbock have announced the engagement of their daughter, Melody Ann, to Mickey Weldon Patterson, son of Mrs. L.W. Patterson and the late Mr. Patterson of Morton.

The bride-elect is a graduate of Lubbock Christian High School and attends Lubbock Christian College. Patterson graduated from Morton High School in 1968, served with the U.S. Marine Corps from 1968 until 1971 and is presently attending Texas Tech University.

The couple plans to be married September 29 at Smithlawn Church of Christ in Lubbock.

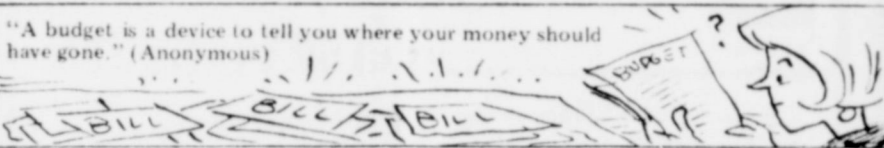

Coffee fetes Miss Nebhut

Miss Janella Nebhut, bride-elect of Jot Smyth, was honored with a gift coffee in the home of Mrs. Van Greene August 11 from 9:30 to 11:00 A.M.

Special guests were Mrs. Dexter Nebhut, Mrs. Gerald Grusendorf and Teri Nebhut, mother and sisters of the honoree. Miss Vivian McDaniel assisted in recording the gifts.

The bride's chosen colors of orchid and white were used in decorations. Assisting Mrs. Greene with hostess duties were Mrs. Jerry Winder, Mrs. Max Clark, Mrs. Jessie Clayton, Mrs. Neal Rose, Mrs. Glyn McDaniel, Mrs. Mac Fred, Mrs. Daniel Rozell, Mrs. Iva Williams, Mrs. W.M. Butler Jr., Mrs. Roy Gentry and Mrs. R.H. Baker. Hostess gift was an electric mixer.

August 24 is the date selected for the wedding by the couple.

County Agent News

BY ROYL MCCLUNG, JR.

Horse owners who have not yet had their animals vaccinated against all three types of equine encephalomyelitis in 1973 should check with their local practicing veterinarians about a vaccination schedule.

An outbreak of a disease thought to be a form of equine encephalomyelitis has occurred recently in an area north of Beaumont near Silsbee and Lumberton. Seven horses have died thus far, and although a confirmed laboratory diagnosis is still not available, it is possible that the disease is a form of sleeping sickness.

While it is highly possible that the disease is caused by either the Eastern or Western strain of equine encephalomyelitis, local veterinarians say there is no indication that the horse deaths have been caused by Venezuelan equine encephalomyelitis (VEE) that invaded Texas in 1971.

The three types of equine encephalomyelitis can cause serious illness and even death in humans as well as horses, so it is important to prevent its spread in the horse population. There are effective vaccines for use in horses, but each protects the animals only against one particular strain of the disease. That is, Eastern and Western vaccines do not protect horses against VEE, nor vice versa.

Horses vaccinated against VEE in 1971 should be re-vaccinated, and Eastern and Western vaccines should be repeated each year.

Control of mosquitoes will help prevent the disease spread. We recommend the use of insecticide repellents, screened stables where practical, and area control of mosquitoes.

Texas cattle owners should be on the alert for cases of anaplasmosis in their herds due to the increasing numbers of mosquitoes and horseflies which spread the disease. Anaplasmosis is an infectious blood disease of cattle and deer.

It is caused by a one-celled parasite which attacks and destroys red blood cells, causing anemia and sometimes death. Cattle affected by anaplasmosis frequently stand alone, away from the rest of the herd. Early symptoms of the disease include lack of appetite, weight loss, and lowered milk production.

Advanced symptoms include anemia, yellow skin and mucus membranes, difficult breathing and constipation.

If the disease is detected before the onset of advanced symptoms, animals can be effectively treated. Since the disease symptoms are similar to those of other cattle ailments, laboratory testing must be done to determine if the anaplasmosis parasite is present. Herd owners should contact their veterinarians for testing and treatment recommendations.

Measures such as vaccination or low-level feeding of antibiotics may be used to prevent the disease—depending on the recommended practices in a particular area.

Man, through carelessness during such operations as dehorning, castrating and vaccinating, also spreads the disease. Ticks are a possible source of infection as well but the disease is not spread through contact or wastes of sick or carrier animals. Humans are not infected by the disease.

Anaplasmosis is responsible for 50,000 to 100,000 cattle deaths a year in the U.S. Death losses may average 10 percent and can reach as high as 50 percent in herds affected by the disease if left uncontrolled.

Soil tests are now available for certain micronutrients. Soil samples can be tested for zinc, iron and manganese at laboratories operated by the Texas Agricultural Extension Service at Texas A&M University and at the A&M Agricultural Research and Extension Center at Lubbock.

In micronutrient tests, soils are rated as low, medium, or high for each nutrient. If a deficiency is detected, suggested corrective measures will vary with the soil, crop and production potentials.

For examples, zinc fertilizers can be put in the soil while iron is generally added by foliar applications. On the other hand, most soils test high in manganese and few problems are encountered.

Although considerable variations exist, most soils generally have adequate supplies of zinc, iron and manganese, yet a confirmation of the status of the micronutrients through a soil test will relieve the uncertainty a producer may have about the need for these plant nutrients.

To have soils checked for micronutrients, special tests must be conducted in addition to the regular soil fertility tests. Thus the fee is \$5 per sample rather than the \$2 for regular soil fertility tests.

Information sheets and instructions for collecting and submitting soil samples are available at the County Extension office.

FOR PEOPLE WHO THINK

From the Christians who assemble at Taylor and S.W. 2nd, Sts. Greetings:

All citizens of this country are obligated to conduct their affairs of whatever nature they may be according to—in obedience to—and WITHIN—the CONSTITUTION of these UNITED STATES. This applies from the lowest to the highest—the poorest to the wealthiest—the weakest to the most powerful in this nation. To carry on ANY action not agreeable to the constitution is a violation punishable by stipulated means. It is true that this constitution contains certain provisions that, when carried out according to the conditions and actions therein contained—the constitution may be properly changed—amended.

We have learned that Jesus emphatically stated that people are to (must) continue in his "word" in order to be his "disciple indeed"; and that only true disciples can rightly wear the name Christian (John 8:31—Acts 11:26). We have also learned that Jesus taught, prepared, and commissioned the Apostles to give the testimony Jesus gave to them—and sent them the Holy Spirit to enable them to carry out that mission; and that the teaching (doctrine) of Christ which they, the apostles, revealed IS THAT WORD in which all true disciples "continue." This, therefore, is the "constitution" of ALL true Christians. It was given by the complete authority of Christ (see Matt. 28:18).

Now—CAN THIS BE CHANGED? Listen to the words of the apostles. Read Galatians 1:8,9. Paul taught that no apostle or even angel (messenger) from heaven could preach ANYTHING other than that which the apostles had ALREADY PREACHED and the Christians had ALREADY RECEIVED without being ACCUSED (Anathema). John said "Whosoever transgresseth, and abideth not IN (Capps mine-CRM) the doctrine of Christ, HATH NOT GOD... (Capps mine-CRM)". (2 John verse 9). Paul further stated (commanded) that we not "go beyond" that which is written (1 Corinthians 4:6—American Standard Version). NO, friend, the gospel of Christ CANNOT BE CHANGED. To act without authority (lawlessness) is INQUITY. Read, again, Matt. 7:21-23. More on this next time. The Christians who assemble at Taylor and S.W. 2nd Sts. sincerely invite all to attend their assemblies, and to study these most important matters.

C.R. MANSFIELD, Evangelist,

Friday, August 31 and Monday September 3.

Clovis Hale promoted to Major

Clovis R. Hale, son of Mr. and Mrs. Eddie C. Hale of Rt. 1, Morton, Tex., has been promoted to major in the U.S. Air Force.

Major Hale is a staff development engineer with the Aeronautical Systems Division at Wright-Patterson AFB, Ohio. His unit is part of the Air Force Systems Command.

A 1955 graduate of Ropesville (Tex.) High School, the major received B.S. and M.S. degrees in engineering from the University of Texas where he was commissioned upon completion of the Air Force Reserve Officers Training Corps program.

He holds a Ph.D. degree through study completed under the Air Force Institute of Technology (AFIT) program at Wright-Patterson. AFIT provides accredited graduate-level resident education for selected military and key government employees' in scientific, technological and other fields.

Major Hale's wife, Jody, is the daughter of Mrs. Alma Lee of 5314 Sunshine Drive, Austin, Tex.

Morton teacher is certified for kindergarten

Pat Browne, a Morton teacher, has received kindergarten certification this summer after completing the Early Childhood Education program at West Texas State University in Canyon.

Demand for certified kindergarten teachers in Texas has risen sharply since Gov. Dolph Briscoe signed a bill, originating in the 63rd Legislature, creating free kindergarten for 3-year-olds.

This act will come into effect Sept. 1 of this year.

West Texas State University, in anticipation of the demand for teachers, created a program in which a teacher could gain a kindergarten endorsement in one summer's study.

Richards gets Iceland Post

Airman Norman J. Richards, son of C.G. Richards of 513 N.W. First St., Morton, Texas, has graduated at Lowry AFB, Colo., from the U.S. Air Force weapons mechanic course conducted by the Air Training Command.

The airman, who was trained to load and inspect the weapons used in Air Force jet aircraft, is being assigned to Keflavik, Iceland, for duty with a unit of the Aerospace Defense Command.

Airman Richards is a 1972 graduate of Morton High School.

Lubbock August 10 and weighed 5 pounds and 8 ounces.

Grandparents are Mr. and Mrs. Ted Jones of Morton and Mr. and Mrs. A.F. Dawson of Levelland. Great-grandparents are Mrs. Katie Jones of Morton and Mr. and Mrs. Dave Singleton of Seminole.

Look Who's New

Jennifer Lynn, daughter of Mr. and Mrs. Lewis Benton Gentry of Whiteface, Jennifer arrived August 15 at Cochran Memorial Hospital and weighed 6 pounds and 5 ounces.

Moore, both of Levelland, Miss Leila Petty of Tulia, Mrs. Alice Bradshaw of Hobbs, N.M., Mrs. James Porter of Pasadena, Mrs. Gayle Simpson of Littlefield, Mr. and Mrs. Earl Sybert of Lubbock, Mr. and Mrs. R.L. DeBusk of Snyder, Mrs. Joan Dansby and boys from Stephenville, and Paula and Marsha Zucal of Santa Fe, N.M.

Hospital Notes

Patients admitted to Cochran Memorial Hospital August 15 through August 21 were: Inez Knox, Audrey Scott, Maggie Morris, T.G. Gaddy, Jerome Holloway, Luther Neely, and Angelita Lopez.

Plainview meeting attendance urged

Cattle producers in Cochran County are urged to attend a meeting in Plainview on August 28, 1973 regarding upcoming new regulations on brucellosis testing.

The meeting will be in the Agricultural Center Building and will begin at 8 p.m., announces County Extension Agent Roy L. McClung, Jr.

A veterinarian with the Texas Animal Health Commission will be on hand to inform producers of pending changes in the present brucellosis regulations. Comments and feedback are being invited on the new regulations will be held in Austin on September 18.

The new brucellosis testing program is expected to begin October 1 and is designed to eliminate the cattle disease from Texas, thus allowing the state to be declared Certified Brucellosis Free.

For all cattle producers to benefit from the new testing program, it is important that they become familiar with the new regulations. Thus the upcoming meeting in August 28 will provide an opportunity for producers to learn about the new plans for brucellosis testing.

Jesse Lackey rites held

Services for Jesse Franklin Lackey were held at 4 p.m. Sunday in the Assembly of God Church in Morton. The Rev. G.A. VanHoose, former pastor, and the Rev. Fred D. Blake, pastor of Trinity Baptist Church in Levelland, officiated.

Burial was in Muleshoe Cemetery under direction of Smith Funeral Home of Levelland.

Lackey, 84, died early Friday in West Winds Care Center in Lubbock following a lengthy illness.

A native of Hico, he had lived in Morton for 27 years and was a retired farmer and carpenter.

Survivors include his wife, Mary; six daughters, Mrs. Emma Greaser of Estacado, Ore., Mrs. Geneva Snyder of Caghen of Levelland, Mrs. Evelyn Goode of Sundown and Mrs. Jean Lamberson and Mrs. Nell Gibbs, both of Brownfield; six sons, Derwood, Orville and Homer, all of Muleshoe, James of Ruidoso, N.M., Elmer of Morton and John of Portales, N.M.; 22 grandchildren; 37 great-grandchildren and six great-great-grandchildren.

Three Way News

By Mrs. H.W. Garvin

Mr. and Mrs. W.L. Welch had their guests Sunday, Mr. and Mrs. Tommy Wall and girls from Big Spring, Mr. and Mrs. Bill Welch and boys, Mr. and Mrs. Gary Welch from Maple and W.L.'s mother, from Tempe, Arizona.

Mr. and Mrs. Dan Seiwert attended the Golden Wedding anniversary at Slaton Sunday of Mr. and Mrs. Hawood Bassinger.

Mr. and Mrs. Dutch Powell and Christene visited Tuesday in Clovis with Mr. and Mrs. Andy Vinson.

Mrs. Ed Neutzler and son, Larry, spent the past week at Cynoso with her father, B.J. Emerson, who has been ill. Mrs. Adolph Wiltner went down to see her father on Saturday.

Mr. and Mrs. Johnnie Wheeler spent the weekend visiting their son and family, the Jimmy Wheelers, and attended the fair and fat stock show at Lovington, N.M.

Miss Sandra Simpson, bride elect of Wesley Poole, was honored with a bridal shower Friday in the R.L. Davis home.

Miss Sharyl Abbe from Lubbock spent the weekend visiting her parents, the Charles Abbes.

Captain and Mrs. James Long who are stationed in Germany with the U.S. Air Force are the parents of a daughter born August 17. Grandparents are Mr. and Mrs. Carl Anderson of Syracuse, N.Y., Bonnie Long of Sudan and S.G. Long of Maple. Mrs. P.L. Fort of Sudan is the great-grandmother.

Mr. and Mrs. George Tyson spent the weekend in the mountains of New Mexico.

Kim and Glen Fowler from Lubbock spent the past week visiting their grandparents, the D.S. Fowlers.

Back to school party given

Miss Karen Redman entertained the fifth grade girls with a back to school party August 14 in her home.

Games and refreshments were enjoyed by Judy Mason, Connie Foust, Vicki McDowra, Kathy Dolle, Tammy Mason, Sharon Cronc, Diane Brown and Sandra Bergren.

Dinner honors houseparty

Mr. and Mrs. Joe Gipson, their children, L.L. Col. and Mrs. Joe B. Gipson of Fort Knox, Ky., and Mr. and Mrs. K.I. Neavitt of Houston and their grandchildren entertained houseguests

and members of the houseparty for the Gipson 50th wedding anniversary reception with a backyard dinner party Saturday night.

Fifty guests attended the 8 p.m. dinner.

"Thou wilt show me the path of life: in thy presence is fulness of joy." PSALM 16-11

HERE IS THE PATH

shall love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind, and thy neighbor as thyself. Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose . . . and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, ever from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

EVERYONE IN THE CHURCH OF THE CHURCH IN EVANGELISM

Looking back

Back to the R.C. building
 Plans for the roof of the R.C. building have arrived and construction on the building will be completed in a few days according to Judge ... This structure will be the completely fire proof building in Morton.

Home: William S. Shaw, Anti-Artillery Automatic Bat.
 ... on August 11, 1946, at Fort Sam Houston, Melvin Bierman, medical ... discharged July 17, 1946 at Sam Houston, Weldon R. Weston, ... discharged July 31, 1946; Pfc. ... discharged July 27, ... Pfc. Donald C. Grusendorf, ... August 10, 1946 at Fort Sam Houston, T-4 Sherman S. Famuliner, ... August 10, 1946 at Fort Sam Houston, Sfc Wayne Richard Williams, ... July 22, 1946 at Norman, ...

Ball training for the Morton
 ... get underway Monday with about ... showing up for practice under ... Jim Middleton and Forrest ... and Zeke Sanders recently ... of the King Furniture Store stock ... Carroll Cockerham.

... and Mrs. J.W. Askew of Lubbock

are guests of Mr. and Mrs. Willie McCulloch.

Mr. and Mrs. Roy Weeks returned from Cowles, N.M. where they spent a week fishing.

Mr. and Mrs. Nick Miller of Abilene are visiting her parents, Mr. and Mrs. N.H. Steed.

The City Hall office has established temporary headquarters in the Lloyd Evans Building, next door east to Piggly Wiggly. The contract for construction of the City Hall was let to Jack Nelson on August 5, and plans are for the foundation to be laid this week.

Miss Mabel Ann Manley, Cochran County Home Demonstration Agent from Seminole, accompanied by Mrs. Cecil Masten, sponsor of 4-H club and Misses Lois Wilson, Ella Katherine Keith and Iva Jean Cochran left early Monday for the Texas 4-H Roundup at College Station.

Funds are urgently needed by the Morton Cemetery Association to maintain a caretaker for the grounds. The cemetery needs continuous care, and lately donations have fallen off. It is impossible to keep the Cemetery in good condition unless more contributions are made. Up to date contributions have been made by E.R. Lytle, J.R. Ward, Mrs.

James Lowe, D.E. Bentam and Elmo Smith.

A good rain fell Monday night over most of Cochran County it was reported Tuesday. Altho the amount is not known, most farmers who were in town Tuesday morning reported a good general rainfall. This rain came as a life saver to the grain crops that were planted late in the season. Very little cotton was planted in this area, due to the drought, but the farmers are hoping for a good yield on the sorghum grains, now up to a good stand.

15 YEARS AGO
 Roy B. Johnson, son of Mr. and Mrs. LeRoy Johnson of Star Route 2, completed three weeks of amphibious training at the Little Creek Naval Amphibious Training Base, Norfolk, Va. He is one of more than 700 Naval Reserve Officer Training Corps college juniors who received indoctrinations in the latest methods of amphibious assault during the month.

Gaylene Weed, 10 year old daughter of Mr. and Mrs. Bob Weed, is doing well after undergoing a tonsilectomy at Methodist Hospital in Lubbock.

Mrs. D.R. Stringer and Tony of Alpine are visiting Mrs. Stringer's parents, Mr. and Mrs. L.T. Doss.

The Cochran County Garden Club met Saturday with Miss Leneva Jackson as hostess. Mrs. H.A. Barnes, Mrs. Tommye Cochran and Mrs. Wanda Gunnels presented the program.

Mr. and Mrs. Ross Shaw spent the weekend in Snyder visiting his brother.

Mr. and Mrs. Carlton Luper and family vacationed over the weekend in Durango, Colo.

Mr. and Mrs. James Porter and Jimmy of Pasadena are visiting Mrs. Porter's parents, Mr. and Mrs. Charles Taylor, this week.

Visiting the Roy Hills this week are their daughter and children, Mrs. Audrey Been, Richard, Nancy, Janelle and LeDelle of San Antonio.

Elaine Stone, Lynn Freeland and Lois Courtney were first place winners in the Cochran County's 4-H Dress Revue Monday in the County Activity Building. Miss Stone was a winner in the age nine and ten group, modeling a blue cotton best dress she had made for \$2.84. Miss Freeland who took 1st in the age 11 and 12 group modeled a cotton school dress of blue drip dry cotton which cost \$4.56. Miss Courtney's dress of oriental print in rust, orange and black. It cost \$4.09.

FREE for the taking, Irish potatoes on the Gene Benham farm one mile west of Morton Country Club Golf Course, on the south side of the road. Come for them Saturday. A tractor with plow will be there to plow them up.

COCHRAN COUNTY JUDGE GLENN W. THOMPSON, far left, standing, is shown with a group of other county and district judges at the conclusion of the First Juvenile Court Judges' Institute sponsored by the Texas Criminal Justice Council and conducted on the campus of West Texas State University. Judge Thompson completed the three week course last Friday. The institute analyzes the current changes in Texas law, with special emphasis on the role of the magistrate and the rights of the juvenile. It

presents a comprehensive view of the philosophy and history of juvenile criminal justice in the federal, Texas and other state juvenile systems as well as the organization and structure of the juvenile court system and procedural law. Distinguished instructors from throughout the United States conducted the various courses. Judge Thompson expressed high praise for the institute and what it can do to bring better understanding to juvenile court judge.

Mr. and Mrs. Doc Long and Linda spent the weekend in Amarillo visiting relatives.

Byron Willis was re-elected to serve on the Advisory and Development Board of Lubbock Christian College.

Friends and neighbors of Mr. and Mrs. Edd Autry of Bila surprised them with a house warming at their newly remodeled home recently.

Dale Tilger, son of Mr. and Mrs. Orville Tilger, was honored on his fourth birthday with a party at 4 p.m. August 15 at his home. Present were: Ricky McMaster, Bobby Proctor, J. Wayne McDermott, Bobby Cook, Sandy Sanders, Mike McDermott, Phil Turney, Jerry Don Wisley and Shelia Davis of Morton and Nicky Barnard of Odessa.

Mrs. Mickey Coleman returned Tuesday after spending the last two months in Brooklyn, N.Y. with her husband who was stationed there with the U.S. Navy. Mrs. Coleman is the former Judy Holloman, daughter of Mr. and Mrs. M.R. Hollman. Coleman is the son of Rev. and Mrs. A.R. Coleman.

The Morton Independent School District's 1958-59 budget was given official approval by the district's Board of Education at a public hearing Monday night in the Junior High building. Also, the board witnessed the swearing-in of the newest member Lloyd Miller. Miller replaces Gene Thompson, who recently resigned. Budget for the year calls for expenditures totaling \$362,695.00 with estimated receipts totaling \$367,000.00.

Bridal shower in Browne home

Miss Becky Standifer, bride-elect of Dubbie Bryan, was honored with a bridal shower Tuesday afternoon in the home of Mrs. Elzie Brown.

Special guests were mothers of the couple, Mrs. Steve Bryan and Mrs. Rois Standifer.

Co-hostesses were: Mmes Buford Elliott, C.W. Higgins, Joe Gipsen, Eugene Bedwell, Fred Morrison, Steve Scott, P.B. Ramby, T.J. Stevens, Leonard Gandy, J.F. Cooper, Jr., J.H. Rhyne, Russell Hudson and R.H. Baker. The bride-elect's chosen colors of purple and royal blue were used in table decorations.

Guests registered between the hours of 4 and 7 p.m.

Rural accidents

light in July

The Texas Highway Patrol investigated one accident on rural highways in Cochran County during the month of July, according to Sergeant H.E. Pirtle, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and no persons injured.

The rural traffic accident summary for this county during the first six months of 1973 shows a total of 24 accidents resulting in no persons killed and 11 persons injured.

The 21 traffic deaths for the month of July, 1973, occurred in the following counties: Lubbock, Sherman, Wilbarger, three each; Palo Pinto, P. rmer, two each; Hockley, Jack, Lamb, Parker, Wise, Hutchinson, Potter, and Olham, one each.
