## Criminal court case verdicts announced

The October session of the 121st District Court wound up here last week with only a small number of the cases on the rather crowded docket being disposed of.

Of the 19 cases on the docket, one was dismissed, one indictment was quashed, seven were passed, two were granted continuances, five resulted in guilty pleas, one was tried and found guilty, one trial was set for a later date and the defendant in one case has not as yet been arrested.

Cases on the docket and their disposition is as follows:

Charles L. Lee, charged with murder with malice. This trial was moved from Levelland to Morton on a change of venue. The case was passed for this session and trial has been set for November 6, 1974.

Lane Mayon, charged with delivery of over one fourth ounce of Marijuana. The court accepted a guilty plea and set sentencing for October 28.

Catalino Ramirez, Jr. charged with robbery by assault. The case was dismissed.

Elton Lee Beard, driving while intoxicated, subsequent offense, tried and found guilty and given a two year suspended sentence and two years probation.

R.A. Vestal Jr., charged with malicious destruction of public property. The indictment was quashed.

Larry Bates, charged with aggravated assault on a peace officer, continuance granted.

Gerald Bates, charged with aggravated assault on a peace officer, continuance granted.

Adam Salazar, Jr., charged with burglary. Case passed.

Roberto Pagen, Jr., charged with forgery by passing. A plea of guilty was entered and hearing set for October 28.

Rudy Sepulveda, charged with burglary of a residence. Case was passed to a later date.

Lawrence Bihl, charged with burglary of a habitation. Case was passed to a later date.

Fred C. Medina, charged with delivery of L.S.D. Guilty plea entered and hearing set for October 28.

Fred C. Medina, charged with delivery of Tetrahydrocannabinol. Entered a plea of guilty and hearing set for October 28.

GEORGE ANDREW GRAHAM, SR., Cochran county pioneer and county judge from 1935-39, was in Morton last week meeting old friends and generally enjoying himself as he stopped off on a tour of West Texas and New Mexico in his elaborate traveling van which was being driven by one of his sons. Graham recounted some of his experiences as he watched Cochran county develop after settling on a claim near Bledsoe in 1925. He later farmed near Morton and ran a restaurant on the east side of the square. He and wife, Bessie Wood Graham, raised nine children, seven of whom attended Morton High School. Mrs. Graham died in April 1971 at the age of eighty.

"EVERYTHING IS BEAUTIFUL" could have been the theme as Whiteface Homecoming Queen 1974, Nancy McClure, center, posed for her official photo with her court as a climax to the Whiteface homecoming celebration Friday night. ## Mustangs corral Indians 27-7

Mustangs found the Mustang tough and wild and anything they could do to win Friday night as they won a 27-7 defeat in their district battle of the year.

Indians won first possession of the ball in the first quarter. However, they could not

move the ball and following the Indian punt, Olton moved the ball steadily for 75 yards, setting up a 6 yard run for a score.

The beginning of the second quarter saw Indian defense snap to life. Sacking the quarterback on the first two play and forcing a

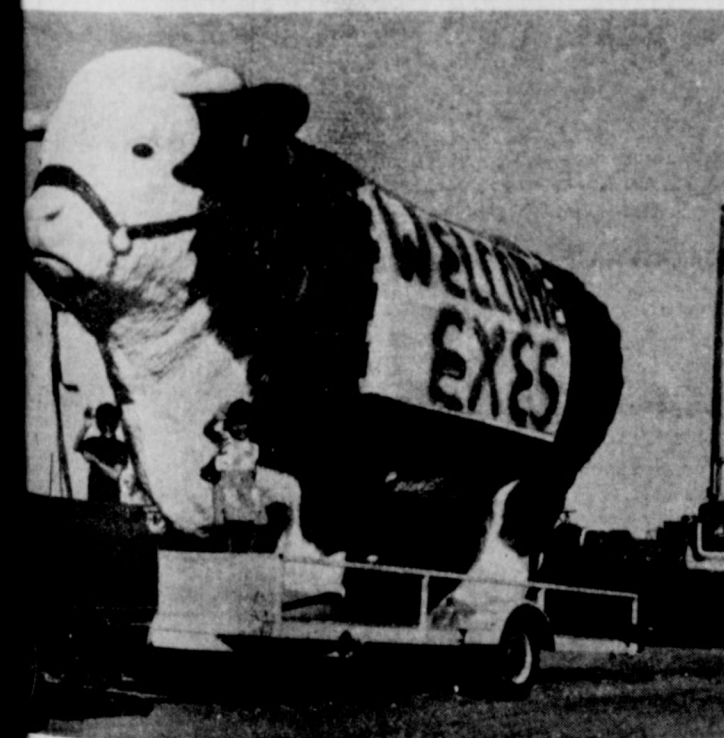

bad pass on the third down, forced the Mustangs to punt. A penalty on Olton gave Morton the pigskin on the 40 yard line.

On the following third down situation, a halfback pass to Johnny Rozell seemed to really have the Indians going. However, to the disappointment of players and fans, a pass interference call on the Indians put a lid on Indian momentum.

This seemed to turn the tables and on Olton's next third down, a 30 yard run and successful attempt for two points saw the Mustangs clinch a fourteen point lead. The Mustangs were going strong now and on their next possession the QB ran 42 yards for another TD and a 20-0 halftime lead.

The second half of play brought no change in Indian luck. With 7:49 remaining in the third period, Olton had a TD called back due to a holding penalty.

NO BULL, but his presence is as commanding as the fiercest of warriors, and what could be more appropriate to kick off the High School Homecoming parade than a king-size Whiteface mascot? The two-story model was obtained by ex-students from a house in Lubbock and towed the 45 miles to participate in the parade. It's a shame that the WHS mascot is an antelope?

## Over 5,500 teachers to convene in Lubbock

More than fifty-five hundred teachers are expected to attend the seventh annual convention of District 10 State Teachers Association in Lubbock, Texas, Friday, October 24 and Saturday, October 25. The theme of this year's convention is "Changing to Meet the Future."

Lucy Faye Smith, District XVII President, and her husband, a teacher, will preside at the convention and the House of Representatives will meet at Coronado Hotel beginning at 6:30 p.m. on Friday, October 24. All delegates will attend to the business of the Association by standing committee

reports and electing officers. Delegates will be chosen to the state meeting to be held in Houston next March.

The first General Session will be held in Lubbock Municipal Coliseum Friday morning, October 25, at 9:30. Conferees will hear an address by Dr. Gerald H. Fisher, President, Garland County Community College, Hot Springs, Arkansas. Colors will be presented by the Lubbock High School unit of the Army R.O.T.C., and music will be furnished by the Muleshoe High School Band under the direction of Mr. Tony Clines. The

## Local Babe Ruth players honored

Ralph Alan Mason, Bobby Darrell Smith and Billy Dean Joyce have been selected to Babe Ruth Baseball's "Athletes of the Year" program for 1974, according to an announcement by Richard W. Case, president of Babe Ruth International, and Barry Key, Manager of Morton Senior Babe Ruth.

Nominations for "Athletes of the Year" were made earlier this summer by Babe Ruth league managers and presidents from across the nation. They were invited to nominate candidates with the best records of local achievement on their teams or in their leagues.

Criteria by which these local baseball players were nominated include the athlete's athletic ability, including statistics and overall performance, sportsmanship and personal leadership displayed during the current season. To be eligible for the program, a player must have been an active participant in an officially recognized Babe Ruth league during the 1974 season.

Sponsored by Babe Ruth International, "Athletes of the Year" is an annual honor roll paying tribute to the team players from the world's largest regulation baseball activity for young men. The purpose of the program is to promote and

## Varied offenses keep law officers hopping

A rash of varied offenses have kept city, county and state law

enforcement officers hopping over the past two weeks. Over a dozen arrests with offenses ranging from public intoxication to driving while intoxicated to carrying prohibited weapons have resulted in fines from \$25 up to \$200 and probated sentences up to six months.

Those whose cases have been disposed of include:

Five arrested by sheriff's deputies and charged with public intoxication, all of whom pled guilty and paid fines of \$25 each.

Rudy R. Soliz, arrested October 13 and charged with carrying prohibited weapons, to wit two pistols. He pled guilty in county court on October 14 and was fined \$200 plus court costs of \$44. He paid his fine and was released.

Gerald Bates, charged with failure to appear in Justice of the Peace Court on an earlier traffic violation, pled guilty and was fined \$27.50.

Shelby Gene Chancey, charged with driving while intoxicated on October 13. He pled guilty and was fined \$50 plus \$44 court costs and given six months probation.

Other cases upon which no disposition had been made at

## Halloween carnival set for October 31

It's Halloween time again and very soon the witches, goblins and "Trick or Treaters" will be abroad throughout the land again.

Halloween time in Morton means Halloween Carnival time and the sponsoring Emlea Smith Junior Study Club is planning what they intend to be the biggest and best carnival ever held in Morton — and considering the success of past carnivals, that is some order. They are asking for the widest possible participation by the community and are offering concession space to any club, firm or organization that wishes to take part.

An application form for concession space can be found at the end of this article which participants can use to make

## Jaycee Meeting

The Morton Jaycees will hold an organizational meeting at 8 p.m. Tuesday, October 29, at the Tic Toc Restaurant. For more information please dial 266-5850, 266-5124 or 266-5330.

Young men between the ages of 18 and 35 are especially urged to attend.

SOUTH PLAINS COLLEGE STUDENTS fashioned what the hope is the longest submarine sandwich in history as they held a Blondie and Dagwood "psych-out" on the campus last week. The giant sandwich contained 25 lbs. of cheese, 40 lbs. of lunch meat and 46 loaves of French bread and reached the incredible length of 53'6". Students present

consumed approximately 30 feet of the tasty treat and donated 18 feet of it to the Lubbock State School. The builders planned to submit the sandwich's dimensions to the Guinness Book of World Records, hoping to claim the world's record for the longest sandwich, a student spokesman stated.

## THE FAMILY LAWYER

### Pet Coyote

In their back yard, the Martins kept a pet coyote on a chain. Although they considered him harmless, they warned youngsters in the neighborhood to keep their distance. But one day a boy ventured too close and got bitten. Sued afterward for damages, the Martins insisted in court that the coyote had never bitten anyone before. Nevertheless, the court held them liable. The court said the law is less interested in characteristics of the individual animal than in the characteristics of the species.

Most courts agree that the keeper of a wild animal, even if it is seemingly tame, carries a heavy responsibility in case of an injury. (Of course, there may also be local ordinance forbidding such pets altogether.)

Where is the dividing line between "wild" and "tame"? Generally considered wild are such animals as lions, tigers, bears, and wolves. Generally considered tame are such animals as cats, sheep, horses, dogs, and calves.

Then there are assorted animals near the borderline, like deer, mules, and monkeys.

To some degree, the law's classification depends on the customs of the community. The elephant held tame in Burma, was held wild in Ohio. The camel, held tame in Australia, was held wild in California.

Even if the animal is classified as wild, the keeper will usually be blamed for an injury to someone who was guilty of deliberate provocation or recklessness. In one case a youth disregarded his barrier and warning signs to approach a leopard in a cage. Slashed by the leopard, he demanded damages from the animal's owner. But the court threw out his claim. The court said, in effect, that the victim had gone what he had asked for.

### Artificial sweeteners dangerous to infants

In view of the sugar shortage in England, mothers have been warned against using artificial sweeteners or sugar substitutes in infant foods or formulas. Chemicals like sorbitol and mannitol used in some of the sweeteners may cause diarrhea or dehydration in small infants, especially if the mothers overestimate the need for sweeteners and add too much.

## Mrs. Ledbetter hosts 1936 Club meeting

The 1936 Study Club met October 16 in the home of Mrs. M.C. Ledbetter for a continuation of its study of American history.

Following the showing of a film strip concerning the early colonists, Mrs. D.E. Benham and Mrs. W.W. Smith discussed certain aspects of life in the new land and the forces that pushed Europeans for their homelands and caused them to settle in America. They reviewed the economy of Virginia where tobacco planters legalized slavery in order to survive, and the conditions in New England where codfish was the saving economic support.

A general discussion brought out the development of a sense of identity among Puritans and Pilgrims, traders and planters alike, causing them to agree that distant rulers must not be allowed to control their fate; that they were Englishmen, but also Americans.

Mrs. Joe Gipson opened the program with a Scripture reading from Psalms and Mrs. Hume Russell presided over the business meeting.

Members voted to have a shower for Boy's Ranch at Pettit at their November 6 meeting which will be held in the home of Mrs. Maurice Lewallen.

Others present were: Mmes. James Price, B.H. Tucker, Glenn Thompson, W.C. Benham, James St. Clair, Sr., Iva Williams, Gage Knox, Neal Rose, Lewallen, Ruth McGee, Lloyd Miller, John Crowder and guest, Mrs. R.C. Strickland.

**KEATS BORN**  
John Keats, one of the great English romantic poets, was born in London on Oct. 31, 1795.

The Texas Highway Patrol investigated two accidents on rural highways in Cochran County during the month of September 1974, according to Sergeant H.E. Pirtle, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and no persons injured.

The rural traffic accident summary for this county during the first nine months of 1974 shows a total of 34 accidents resulting in no persons killed and 11 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for September 1974, shows a total of 471 accidents resulting in 17 persons killed and 213 persons injured as compared to September 1973, with 601 accidents resulting in 24 persons killed and 364 persons injured. This was 130 less accidents, seven less killed, and 151 less injured in 1974 at the same period of time.

### AMAZING OFFER

Many cancers are curable if detected early. Take advantage of this fact. How? By taking some time once a year and getting a checkup. Then you'll know how healthy you are. Then you'll know how to keep that way. How about starting right now? Today.

Thou wilt shew me the path of life, in thy presence is fulness of joy. . . . . PSALM 16:11

## HERE IS THE PATH

Thou wilt shew me the path of life, in thy presence is fulness of joy. . . . . PSALM 16:11

Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind, and thy neighbor as thyself. . . . . Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose . . . . . and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long survive and the freedom which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

their entries.

The carnival will be held in the large metal building across the street from the Tic Toc Restaurant, known as the George Seagler building, and will be held from 6:30 to 10 p.m., Thursday, October 31.

The long list of different types of booths has grown steadily through the years that the carnival has been held, and the study club will welcome any new ideas that may be offered, Mrs. Dwain Hester, Carnival Chairman, states.

Booth fees run \$5, \$7.50 and \$10.00 with an added cleanup deposit of \$3 which will be refunded if the booth space is left clean.

Entry applications and fees should be mailed Mrs. Dwain Hester, 302 East Lincoln, Morton, Texas 79346. Further information on the carnival may be obtained by calling Mrs. Hester at 266-5187 or Mrs. James St. Clair at 266-5303.

**CORRAL**

However, less than a minute later they scored again and kicked a PAT giving a 27-0 score.

The Indians got their score after Kenneth Standmire intercepted a pass and ran to the Olton 5 yard line. On the next play Standmire ran for the score and Sam Johnson kicked the extra point to give the Indians their seven points for the game.

Overall, the contest was one of many mistakes for both teams. There were a number of fumbles and interceptions. However, the Indians were never able to capitalize on Mustang mistakes. Thus the final score stood 27-7.

Morton will be meeting Littlefield in their next district

match. The Indians will be hosting Littlefield for a 7:30 p.m. game.

Morton's opponents are coming off a 17-7 defeat, being beaten by Dimmitt in district play last Friday night. Littlefield led however 7-0 at the half. They have a very capable and fine ball club.

Littlefield handed Morton one of its worst defeats in last year's meeting. The Indians are predicting revenge in tomorrow night's game.

Littlefield runs Power I offense. They are basically a running team that concentrates on overpowering their opponents. Therefore the Indians will be preparing for a brutal and bruising game.

**TSTA**

**Annual sandhill crane hunt set**

The Muleshoe Jaycees have scheduled their 12th Annual Sandhill Crane Hunt to be held October 26, 27; November 2, 3; and November 9, 10, 1974.

The Jaycees have arranged again for land adjacent to the Muleshoe National Wildlife Refuge. This refuge is the oldest in the State of Texas, and during the winter months, there are as many as 100,000 sandhill cranes wintering away from their Arctic breeding grounds. The Muleshoe population represents the largest concentration of this species in the United States.

The Jaycees will also provide transportation to and from the hunting area. Shells and licenses will be available and the guides will leave the XIT Steak House,

which is hunt headquarters and one-half hour before each day.

This year to give each better hunting conditions service the Jaycees will the hunt on a reservation only.

The costs for the hunt follows: \$7.00 per day; \$10 weekend; and \$20.00 for a week ends. Deadline reservations: Thursday each weekend of the hunt.

A drawing from all registered hunters will be held following final weekend of the hunt shotgun.

### Tips on Wood Finishing

HOW TO MAKE A HARVEST WALL DISPLAY

A rough-hewn wooden box is the start of an elegant three-dimensional Harvest Wall Display. The box is simple to make with a hand saw, hammer and small nails. Inside the box, you can display a variety of wood as partitions to form as many compartments as your imagination and materials require.

Apply a liberal coat of wood finish in a rustic natural tone or a lively decorator color. Then just fill the compartments with an assortment of beans, seeds and dried flowers.

Secure a lid of glass by nailing a thin 1/2" frame of finished wood to the inside edges of the box. Attach wire for hanging and your Harvest Display Box is ready for a place of honor.

More handy advice on easy wood finishing is contained in a free 16-page booklet "Tips on Wood Finishing." Write: Minwax Company, Inc., Dept. AQ, 41 Oak Street, Clifton, New Jersey 07014.

## County Agent News

**BY GAIL GLADDEN**  
Cochran County television viewers will learn how to paint exteriors during today's "You Can Do It!" program on KLBK-TV, Channel 12, shown at 4:30 p.m.

This week's program will show a selection of paint and paintbrushes as well as surface preparation and painting techniques. Mrs. Gail Gladden, County Extension Agent, said.

For example, viewers will learn that a paintbrush is essential to a satisfactory paint job," she said.

In choosing a paint brush, the do-it-yourselfer will need one with full-bodied bristles — it will feel full-bodied. Also, it should have bristles or filaments of different lengths, which will

create a tapered shape. And nylon brush filaments should be tipped or flagged (split) at the tip, the agent said.

"You Can Do It!", a 13-part educational series which will run through December 14, is sponsored by the Cochran County Family Living Committee and KLBK-TV. It is currently seen in Cochran County and surrounding counties.

Created and produced by home economics specialists with the Texas Agricultural Extension Service, The Texas A&M University System, the weekly series was funded through a special grant from the United States Department of Agriculture.

Program in upcoming weeks will include lessons on wall

### WE EXPRESS OUR APPRECIATION

We express our appreciation to all the people listed below for their help in making thirty-two boys at Great Plains Boys Ranch of Pettit very happy, by buying for them one complete change of clothes, winter school coat, pants, shirt, and shoes. A special thanks to the ones who have contributed and are continuing to contribute beef for the boys, and to Morton Packing for donating the processing. A great big "Thank you" to Mr. and Mrs. Simon Marina of the New York Store not only for their sizeable contribution, but also for selling everything we needed for the boys at invoice cost. The needs of the boys at Great Plains Boys Ranch are many, and anyone wishing to help may send their contributions to the Great Plains Boys Ranch Special Fund at Griffith Equipment Company where complete records are being kept of each contribution and the way it is used.

### 4-H'ers slate top talent for country music show

Judy Mallett's "Bluegrass Hoedown," featuring toe-tapping banjo and fiddle playing, will be held in the South Plains College Dome in Levelland at 8 p.m. Saturday, October 26.

The show is being staged by Hockley County 4-H Clubs. One-half of the show's proceeds will go to Hockley County 4-H and the State 4-H Camp Center under construction at Lake Brownwood.

The show will headline the former Miss Texas of 1973, who was a popular favorite and finalist in the Miss America contest of 1973. Also sharing the

spotlight will be Jimmy Henley, 11-year-old banjo playing whiz from Hobbs. Henley, the son of Mr. and Mrs. James F. Henley, captured the national banjo championship at Memphis, Tenn., in August, topping 60 other contestants.

Rounding out the 1 1/2-hour show will be vocalist Terri Sue Newman of Levelland, who appeared on the recent Ray Price show in Lubbock. Tickets will be \$3.00 in advance sales by 4-H members and business establishments and \$3.50 at the door.

### 'Voice of Democracy' contest slated by VFW

"Students Veterans of Foreign Wars (VFW) win more than awards and scholarships when they participate in the Voice of Democracy Scholarship Program," said Commander Billy Bob Kennedy of VFW Post 4506, in discussing the scriptwriting program conducted annually by the Veterans of Foreign Wars.

Some of the fringe benefits, according to Commander Kennedy are increased self-confidence and poise, experience in communicating with others and valuable training in self-expression. For the state winners, there is also the broadening experience of a five-day tour of Washington, D.C., and the opportunity to make lasting friendships with the other state winners.

In the thirteen years that the Veterans of Foreign Wars has

been sole sponsor of the Voice of Democracy Program, more than 3,000,000 high school students have participated. Participants write and then tape-record a three-to-five minute broadcast script expressing their views on their "Responsibility as a Citizen." From among the state winners, five national winners are chosen to receive a total of \$22,500 in scholarships.

"One of the greatest benefits to young people who take part in the program, is that by thinking, writing and speaking on their Responsibility as a Citizen, they gain a better appreciation of their obligation to maintain our freedom heritage," Commander Kennedy said.

The winner of the local contest will win a \$100 scholarship to South Plains College or to another college of his choice. In addition to this there is a prize for district and state winners.

AUSTIN — Statewide interest in the general election may be running at a near low, a check of local officials across Texas indicates.

Even optimistic forecasters place the turnout in the 50 per cent range. Many doubt the 30 per cent showing of last May's primaries will be improved on much. There are an estimated 5.5 million registered voters.

About 55 per cent of eligible voters participated in the 1970 off - presidential election, 48 per cent in 1968.

The spotcheck produced these estimates on the turnout:

Harris County (Houston) — 40 per cent.  
Dallas County — 35 per cent.  
Tarrant County (Fort

Worth) — 30 per cent.  
Bexar County (San Antonio) — 35 to 40 per cent.  
Travis County (Austin) — 45-50 per cent.  
El Paso — Fewer than 30 per cent.

Even in counties where local candidates are slugging it out, voters don't seem turned on. The governor's race between Democratic incumbent Gov. Dolph Briscoe and Republican Jim Granberry has attracted limited attention.

Observers report voters are burned out politically by Watergate scandals and President Nixon's hasty departure from the White House under fire.

Many voters are said to distrust politicians and proposed political solutions to

## Olton-Friona clash could foretell 3-AA loop crown

Olton and Friona clash Friday in a key game in District 3-AA. There is a key game every week in the district, but the Mustang-Chieftain fray at Friona could have more than an incidental bearing on the championship chase.

The Chiefs take a 6-0 record into the contest. Olton's 6-1 record was marred only by a 28-16 loss to potent Floydada, far from a disgrace in anyone's books.

The survivor of the Olton-Friona clash will be left as main challenger to Dimmitt, the other top-rated 3-AA outfit.

The Bobcats had to turn on some second-half heroics by Robert Mayberry to pull out a 17-7 decision over defending champion Littlefield last Friday. The host Wildcats caused some raised eyebrows by holding a 7-0 lead at halftime and a 7-7 tie 4:52 into the final quarter.

"They just had much too much talent for us. They beat us pretty badly in the state department, but we managed to hang close," said Wildcat coach Jerry Blakely. "Even without Mayberry, Dimmitt is a good team. With him, they are a great team."

Blakely said.

Mayberry scored the go-ahead TD with 7:18 left in the game. The Dimmitt speedster had another apparent score, on a punt return, called back because of a clipping penalty.

Olton set up its match with Friona by rolling past Morton, 27-7. Glenn Johnson and Mark Stroebel each scored a pair of touchdowns to pace the Mustang win.

The Mustang defense turned in another stellar performance. It has limited seven opponents to only 693 yards this season, less than 100 yards per contest, and the Mustangs have played some respectable teams.

Friona, in its last tune-up game while the other district members were knocking heads, rolled past Abernathy, 28-13 for their sixth season win.

The Chiefs gave up more points than they had in their first five games combined, and even found themselves trailing the Homecoming hosts at Abernathy. However, Friona was playing without two starting linemen out with sprained ankles, and this hurt the team's poise.

MR. AND MRS. LEWIS WALKER of Plains announce the engagement of their daughter, Nita, to Dale Frazier, son of Mr. and Mrs. Frazier of Plainview. The couple is planning a December 14 wedding at 7:30 p.m. in the First Baptist Church in Plains. Miss Walker attended Whiteface Schools, and is a graduate of Plains High School, South Plains College, and West Texas College. Frazier attended L.C.C. College, served four years with the U.S. Navy and is employed by the Chemical in Plainview. Miss Walker is the granddaughter of Mrs. Clayton Stokes and the niece of Mr. and Mrs. Ken W. Morton.

## Governor urges caution during Halloween traffic

Driver responsibility to young pedestrians will increase on the night of October 31st, which is Halloween. Jim Arnold, Administrator of the Governor's Office of Traffic Safety, issued a reminder for all motorists to be mindful of their responsibility to the youngsters as they set out

their "trick or treat" adventure. Said Arnold, "Halloween is not statistically one of the more accident prone seasons, but it is a time for us to be aware of the children. These youngsters are going to be crossing streets with thoughts of having fun and ringing doorbells. Many will not be remembering their instructions to watch for cars. Therefore, I urge each motorist to be especially mindful of young goblins during the evening of

Halloween." Arnold expressed optimism that the small amount of accidents that actually occur on Halloween, but he added never hurts to be reminded of responsibility. "If children are out before dark and are ready to cross at intersections looking for oncoming cars, maybe we can pass this without injury or death to young pedestrians. A car at a snail's pace has a much chance of coming to a necessary and this could be saving a life," Arnold said.

A spokesman for the Governor's Office of Traffic Safety said children could light colored clothing, lighted flashlights, and reflective tape on their costumes to be seen from greater distances.

# The Consumer Alert

by John L. Hill  
Attorney General

If you're planning to spend money by staying in a hotel this winter, perhaps you should consider the possibility of staying in a home. Buying a new one like a strange way to save money, some folks reason. The idea of staying in a home is not new. It has been around for a long time and has become more popular in recent years. For a number of reasons, consumers are turning to home ownership. One reason is the fact that home ownership provides a hedge against inflation. Another reason is the fact that home ownership provides a sense of security and stability. A third reason is the fact that home ownership provides a tax shelter. In addition, home ownership provides a way to build equity. If you are considering home ownership, you should be aware of the fact that the market is in the form of a bubble. This means that prices are high and volatile. You should be aware of the fact that the market is in the form of a bubble. This means that prices are high and volatile. You should be aware of the fact that the market is in the form of a bubble. This means that prices are high and volatile.

For the novice buyer, this was confusing, to say the least. Audio equipment power has been rated by one of three common rating systems heretofore: "continuous power," "instantaneous peak power," and "music power." Most audio experts regard continuous power as the most reliable method for the average consumer to use in comparing systems. It expresses an amplifier's ability to produce a range of tones for more than 30 seconds with little distortion of the sound. And it's the way the FTC says all such equipment must be rated. Manufacturers must now test their equipment after it has warmed up for one hour, and the equipment must deliver its full wattage power for five minutes before the measurement is made. Manufacturers will also be required to state in what frequency range the power is effective, and all channels must operate at the stated power. The "instantaneous peak power" ratings, which can be more than 20 times the continuous power ratings, have often impressed consumers who think "the more watts, the better." However, IPP measures amplifier power without regard for sound distortion, so you can get a

"fuzzy" sound. In addition, the wattage may deteriorate after the set has been on awhile, since the rating is only for "instantaneous" power.

The FTC says instantaneous peak power claims still can be made by manufacturers, but that they must be shown in advertisements and printed material in smaller size type than continuous power ratings.

"Music power" is a term that has been abused by some audio equipment advertisers to make claims that couldn't always be justified. When used accurately, along with a rated distortion figure, music power measures the ability of a set to deliver better musical sounds than another when all other factors are equal.

Attorney General's Consumer Protection attorneys recommend that consumers in the market for audio equipment familiarize themselves with the new ratings so they can make valid comparisons. They also recommend the stereo shoppers: —Choose a dealer with a reputation for good equipment and service, and make sure he's authorized by the manufacturer to service the brand selected.

—Take a favorite record or tape when testing equipment. Have the dealer play it on several systems, ranging from low-cost to expensive. When you find a sound you like, listen to the next most expensive system. If you still find the first one satisfactory, it may be a good choice for you.

—Examine the warranty carefully. Make sure it spells out in detail what is covered and for how long.

—If there are any doubts about the dealer, check with people who have dealt with him, and with the local Better Business Bureau.

—If a consumer problem develops, consult the Attorney General's Consumer Protection Division.

# Club members tour County Courthouse

An in-depth look at the Cochran County Sheriff's Department, Jail facilities, courtrooms and probation office was the highlight of a recent meeting of the Emlea Smith Junior Study Club. Assisting in the meeting were Mrs. Mary Ann Asbill who narrated the program and Mrs. Keith Price who portrayed the arrested subject.

Upon her enactment of the arrest, Mrs. Price arrived at the courthouse with arresting officers, Ronald Henry and Jimmy Lytal. Henry proceeded with the questioning, rights of the suspect, finger-printing and photo taking. Mrs. Price was allowed one phone call, to her mother, played by Mrs. Ed Pruitt, who came to post a \$500 bond for "her daughter." Mrs. Price was jailed so members would be able to tour the women's jail facilities.

The meeting adjourned to the county courtroom, where Randy Thomas, county attorney, explained both juvenile and adult arraignment. He told the members of how the former mentioned play would take place when Mrs. Price was arraigned.

Members then adjourned to the 131st District Courtroom and W.M. Butler, Jr., probation officer, explained what probation was, how it affected the person probated and how his office worked.

Mrs. James St. Clair presided over the business meeting in which Mrs. Price was given a "Best Actress" award for the program.

Mrs. Dwain Hester, Halloween Carnival chairman, reported the Carnival would be held October 31 at the George Seagler Building from 6:30 until 10 p.m. Booths are being rented at \$5., \$7.50 and \$10. She reported five booths have been rented and announced the club would hold a raffle for an AM-FM radio with an eight track tape deck, valued at \$135., to be given away at the carnival.

Mrs. Jimmy Roddy reported on the Newcomer's Tea and Mrs. Kenneth Williams reported that Darren Richardson won first place in the Fire Prevention poster contest.

# Harris infant services held

Graveside services for the infant daughter of Mr. and Mrs. Jimmy Harris of Morton were held Saturday at 10:30 a.m. in the Levelland Cemetery. She lived about one hour after her birth at 10:45 p.m. Wednesday in St. Mary's Hospital in Lubbock.

George Price Funeral Home in Levelland was in charge of the arrangements.

Survivors other than her parents include two brothers, Steve and Chad, both of the home; maternal grandparents, Mr. and Mrs. J.B. Boudreaux of Levelland; and paternal grandparents Mr. and Mrs. J. Willis Harris of Lamesa.
