THREE OUTSTANDING CITIZENS were named at the annual awards banquet of the Morton Area Chamber of Commerce held here Thursday night. In left picture, Jerry Schaeffer, right, was named outstanding citizen for 1974 and beams as he is presented his award by Bill Smith,

chairman of the selection committee. The Weldon Wynn family of Morton, center picture, are equally happy as they pose with Cong. and Mrs. George Mahon after being named Farm Family of the Year. The Wynn family consists of father, Weldon, Mother Betty, sons Max and Joe

Bob and daughter Candi. Mrs. Thelma Turney, at left in the righthand picture, a nurse at Cochran Memorial Hospital, was named Woman of the Year and received her plaque from Mrs. Chris Bell, the 1973 designate. An estimated 300 persons attended the outstanding event in which Cong. Mahon was the featured speaker.

Schaeffer, Turney, Wynns receive honors

FINAL FIGURES IN MARCH

Traffic safety tops in '74

Though final figures won't be available until late March, it appears that 1974 was the safest year on Texas streets and highways in a decade. And if the traffic death rate per 100-million miles is compared with prior years, 1974 was the safest year on record.

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said he believes the 1974 traffic toll will reach 3,042 when all reports are received. If so, this will be a saving of 650 lives from the record 3,692 lives lost in 1973. The latest comparable death toll was 1964 when 3,006 persons were killed in Texas traffic.

Of the 3,042 deaths, it is estimated that the final rural total will be 1,817, with 1,225 traffic fatalities estimated to have occurred in incorporated cities. Rural deaths decreased about 19.2 per cent from 1973 totals, while those in cities are down approximately 15.1 per cent.

Speir said the death rate per 100-million vehicle miles, which

is the nationally accepted criteria of traffic safety effectiveness, is forecast to be 3.9. Last year it was 4.6, with these numbers comparing to 14.6

when the DPS first began tabulating traffic statistics in 1937.

The DPS director said total

Water district begins measuring area wells

Personel of the High Plains Underground Water Conservation District No. 1 have begun the annual measurement of depths to water in the more than 800 observation wells in the 15 counties comprising the District.

The coordinated and systematic measurement of the depths to water in the observation wells constitutes the only method of determining changes in the volume of water stored in the Ogallala aquifer beneath the land surface. The water-level records obtained through the observation wells located in Cochran County constitute the foundation for the

District's cost-in-water depletion, income-tax-allowance, program.

An observation well is a well that has been selected for inclusion in the annual waterlevel measuring program. All wells are privately-owned-the District does not own any wells-and are measured with the permission of the well owners.

District personnel will measure wells in Armstrong, Bailey, Castro, Cochran, Crosby, Deaf Smith, Floyd, Hale, Hockley, Lamb, Lubbock, Lynn, Farmer, Potter, and Randall Counties.

Chamber annual awards banquet

Jerry Schaeffer, owner-operator of Schaeffer Motor Sales, was named Morton's Outstanding Citizen of 1974 at the annual awards banquet held in the county activities building Thursday night.

Mrs. Thelma Turney, Cochran Memorial Hospital nurse, was named Woman of the Year, the Weldon Wynn Family was named Farm Family and Johnny Scoggins was designated Conservation Farmer of the Year.

A packed house was on hand for the outstandingly successful annual event at which Cong. George H. Mahon, Representative from the 19th Congressional District, was the main speaker.

Schaeffer's award, presented to him by County Judge Glenn Thompson, the 1973 designee, cited him for a large number of activities that have contributed to the improvement of Morton as a place in which to live and work. Among many, were Schaeffer's leadership and organizational abilities that were used to the fullest in making the Last Frontier Days and Rodeo and the annual county fair outstandingly successful.

Mrs. Turney's award was presented by Chris Bell, the 1973 recipient, and cited her for her many accomplishments in the raising of her seven children, in educating herself as a nurse with no outside help and for her outstanding performance of her duties as a hospital nurse.

The Weldon Wynn family, whose award was presented by District Judge M.C. Ledbetter, were cited for the diligent and efficient manner in which they

"Disaster" declaration means loans to farmers

County Judge Glenn Thompson learned from Congressman George Mahon's office Friday that Cochran County has officially been designated as an agriculture disaster area.

The disaster designation follows a request by the commissioners court in November after FmHa County

Superintendent Truman Murdock requested the court seek such designation from Gov. Dolph Briscoe so farmers and ranchers would be eligible for low-interest emergency loans.

The Secretary of Agriculture Earl Butz signed the authorization Jan. 10.

See FARMERS Page 4

JOHNNY SCOGGINS, right, receives congratulations from Cong. George Mahon following his being named Conservation Farmer of the Year for Cochran County at the annual awards banquet held by the Morton Area Chamber of Commerce Thursday night. Scoggins farms approximately 600 acres in the county and has been a cooperator with the Cochran soil and water conservation district since 1965. Rep. Mahon was principal speaker at the banquet.

FOLLOWING TWO "BREATHERS"

Tribe girds for district play

The Morton Indians passed, dribbled and shot their way through two "breathers" this week as they concentrated on smoothing down the edges of their game in anticipation of the district wars looming ever closer on the horizon.

The Tribe will open loop play tomorrow night on the home court against what is expected to be their toughest rival for the crown in the person of the Dimmitt Bobcats. The following Tuesday they take on Friona on the Chieftains home court in what could be an equally tough test.

opponents. The team field goal percentage is a respectable 46.4

and their free throw average is 4
See TRIBE Page 4

TWO MORE FOR THE INDIANS—Morton Tribesman Mike Williams goes up on high for two of the 30 points he scored as the Indians fought an inspired battle against the Levelland Lobos before going down to defeat by the narrowest of margins at 72-73 last week. Williams is leading all Morton scorers with a 24.1 point per game average and a 49.4 shooting average. The game evened up the Indian-Lobo record at one and one for this year, and possibly set the stage for a return bout between the two, if they both advance past their respective district titles.

BUT SOME BRIGHT SPOTS

1974 deemed "not good ag year"

The record books will show 1974 as a "not so good" agricultural year in Texas but there were some bright spots, according to current estimates of agricultural cash receipts by the Texas Agricultural Extension Service.

"Our estimates show that cash receipts from agriculture will be down about \$900 million to \$5.6 billion in 1974 compared to the record \$6.5 billion in 1973," points out Charles Baker, Extension Service economist.

"The big drop, to nobody's surprise, is in total cash receipts from livestock. Here our estimated cash receipts total about \$2.5 billion, down more than \$1.1 billion from 1973. The drop in cash receipts from beef accounts for almost all of this decrease."

Cash receipts from poultry and poultry products are estimated down more than \$100 million. Baker's figures show more

than \$3 billion in total cash receipts from all crops, an increase of more than \$200 million over 1973 totals. Feed grains — corn and sorghum — account for most of this increase. Higher receipts are also estimated for rice, soybeans, peanuts, pecans, flax, sugarcane, sugar beets and hay while cotton took the sharpest plunge as far as crop receipts are concerned. Cash receipts from wheat are also down.

Agriculturally related income is estimated up more than \$175 million over 1973. This includes cash receipts from timber, fish farming, hunting and fishing, horses and other types of farm-based recreational activities, points out Baker.

"As everybody knows by now, the plunge in cattle prices is the main reason for the big drop in cash receipts from livestock," explains Baker. "On the crop side, cotton was hammered by

both low prices and terrible weather conditions."

What does 1975 hold in store for Texas agriculture?

"Much depends on the overall economy of this country and the market situation for agricultural commodities," says Baker. "Crop production should be up

Letter to the Editor

Dear Editor,
We wish to thank the Morton Area Chamber of Commerce for selecting our family as "The Farm Family of the Year."
Our families came to Cochran County and turned the pasture to sod—thinking the farm was the best place to raise a family, a Heritage handed down to ourselves.

We think of the joy of a new born calf, baby chickens, a plentiful garden, the first cotton bloom, and a ripening sorghum field.
Through the faith of our family, and the other farm families of Cochran County, we have seen Morton grow through the bad and good years.
May it always continue to be so.
Your Friends,
The Weldon Wynn's
P.S. Bill, keep the farm news rolling, this is the way we stay informed. A town of our size is lucky to have a good weekly paper.

One local preacher got a little out of patience recently. "You claim you can't donate," he told a member of the congregation, "because you owe everyone. Don't you feel that you owe the Lord something?"
"Yes," the parishioner said, "but He isn't pushing me like the rest of you are."

Plains Cotton Growers, Inc., January 8 took actions which set the organization on a 1975 course of legislative work aimed at putting producer income protection back into the government cotton program, maintaining agriculture's high priority in the allocation of natural gas and other fuel supplies, and seeking handling techniques that will make "barky" cotton more usable on the open-end spinning system.

Larry Combest, Agricultural Assistant to Senator John Tower, a guest at the meeting, expressed the temper of the board when he said that if Government continues to ask farmers to expand production, the producer must be given some assurance of acceptable prices that is not in the present law "which has become obsolete very quickly."

The only protection available to producers on 1974-crop cotton under current law is a 25.26 cent Commodity Credit Corporation loan, basis middling inch cotton, which is far below 1974 production costs, noted Donald A. Johnson, PCG Executive Vice President.

A much misunderstood 38-cent "target price" in the law will be of no help at all on the 1974 crop, Johnson continued, even though current market prices are well below 38 cents.

The law specifies that producer payments under the target price system will be equal to the difference between 38 cents and the average price received by all farmers for all cotton.

That average, because of 1973 crop cotton sold in 1974 prior to the price break, and 1974-crop cotton being delivered on contracts written in 1973 and early 1974, according to USDA calculations, is around 50 cents per pound.

Declaring that the low loan and target price system "have proven totally inadequate in the protection of cotton producers against financial ruin..." the PCG board adopted a five-point resolution calling for:

1. A Commodity Credit Corporation loan level realistically related to the inflated cost of production, and a CCC interest rate no greater than six per cent in order that the loan program can be used effectively by producers as an orderly marketing tool;

2. CCC loan regulations which guarantee producers the opportunity to hold cotton under the loan for a minimum of 28 months;

3. CCC resale prices which under no circumstances will permit government-owned cotton to compete in the marketplace with grower-owned cotton;

4. A target price for cotton high enough to reflect the tremendous

increase in production costs since 1973 and a method of computing the average price paid to farmers for cotton which will reflect actual on-the-spot cotton purchases during a given year without the influence of contract purchases reflecting market conditions a year or more removed; and

5. The defeat of any and all proposals which will in any way restrict or depress markets for U.S. cotton either here or abroad.

This resolution will be mailed to all PCG board members with a request that they discuss with farmers in their respective counties and convey to PCG other suggestions which may need to be included in a more specific legislative policy for subsequent board approval.

PCG President Don Marble of South Plains leveled a "gross misadministration charge at USDA in connection with procedures being used to determine producer eligibility for payments under the law's disaster provisions.

Marble cited as one of many an example in which a farmer who inadvertently underplanted his 108-acre grain sorghum allotment by less than 2 acres was being denied over \$4,000 in payments on a 66-acre cotton allotment which was destroyed by hail too late in the season for replanting. He referred to the procedure which resulted in the payment denial as USDA's "mandatory substitution rule."

Marble, Johnson and others met with USDA officials in early December seeking a correction of these inequities, but were unable to report any significant success.

In this connection, the board adopted the following resolution:

"That the Board of Directors of Plains Cotton Growers, Inc. commend its officers and staff for actions taken in an attempt to remedy the obvious injustices that have resulted from arbitrary rulings and procedures in the administration of the law's disaster provisions, and

"Further instructs the officers and staff to continue exploring all practical avenues of relief for 1974 and of preventing similar injustices in connection with the 1975, 1976 and 1977 crops."

Methods for handling cotton containing bark in such a manner as to make it acceptable to yarn spinners using the open-end system will be sought in a study now in the planning stages at Texas Tech's Textile Research Center.

Your Old Color TV: Tune It Up or Turn It In?

What do you do when a color TV set goes on the blink? It's a big investment, but even if you fix it, it has very little market value. People just don't pay much money for used TV sets.

As a general rule of thumb, you should start thinking seriously about replacement when the repair estimate is more than 20% of the set's replacement cost. Other considerations to weigh: (1) Is the picture tube in good condition? Have the service man give a prognosis. (2) Would it be easier on your budget to buy a new set on credit than to have a major repair, for which you will probably have to pay cash? (3) Is the maker of your old set still in business and able to provide prompt service on repair parts orders?

Today's 100% solid-state sets have no tubes to burn out except the picture tube. They use much less electricity—which alone can save you up to \$15 per year or more—and they need fewer repairs. They're also brighter and sharper. The sets of one manufacturer, Magnavox, are equipped with new video circuits that protect the set from dangerous power line surges and a new transformer that maintains full performance during low voltage "brown out" periods.

When the picture tube goes on your old set, it's almost always time to junk it. A replacement typically costs \$200 with installation labor—about half the retail price of a new 19-inch solid state model. If your TV technician finds the current in the emitter circuit is low, he can be sure the tube is getting "gassy"—and that means it's on its way out. If you have a gassy tube, plus another major malfunction (yoke, tuner, flyback), don't waste your money trying to get another year's service from the old set. Start shopping.

Couple exchanges vows in candlelight service

Miss Ilene Patricia Carrington of Mexia, became the bride of Michael E. Miller of Temple, in a Saturday afternoon wedding ceremony at the First Presbyterian Church in Mexia.

The bride is the daughter of Dr. and Mrs. W.L. Carrington of Mexia, and the groom is the son of Mr. and Mrs. Ermon A. Miller of Temple; and the grandson of Mrs. W.L. Miller of Morton.

The Rev. Harry B. VanFleet, pastor of Grayston Presbyterian Church, Knoxville, Tenn., officiated at the double ring ceremony.

Mrs. John Montgomery, organist, Knoxville, Tenn., presented prelude selections. She also accompanied Frank Parker, Ft. Worth, as he sang "Sunrise, Sunset," "The First Time Ever I Saw Your Face," "Sometimes," "Desiderata" and "The Lord's Prayer."

The bride and groom were each escorted down the aisle by their respective parents. The Family Candles were lighted and they were each given in marriage by their parents. Later in the ceremony the Ruth Candle was

lighted by the bride and groom to depict their new life together.

The bride wore a gown of candlelight chiffon with a veil of three tiers of ivory silk illusion which cascaded to chapel length. She carried three long stemmed red roses which she presented to her mother, the mother of the groom, and her aunt. Her only jewelry was an opera length necklace of pearls and tourquoise, a gift from the groom.

Maid of honor was Miss Anita Carrington, Houston, sister of the bride. Other attendants were Mrs. Frederick Carrington, Ft. Worth; Mrs. Stace Carrington, Dallas; Mrs. Doyle Meadows, Breckenridge, and Miss Gwen Miller, sister of the groom, Temple. They wore identical floor length A-line gowns of Quina nylon in Christmas red.

Larry Miller, Austin, attended his brother as best man. Groomsmen were Dr. Frederick Carrington, Ft. Worth; Stace Carrington, Dallas, brothers of the bride; Doyle Meadows, Breckenridge; and Dr. Bill Voelter, Abilene. Ushers were

Hughes Dillard, Mexia; and David Montgomery, Knoxville, Tenn.

Candlelighters were Miss Jenny Montgomery and Walt Montgomery, Knoxville.

Immediately following the wedding ceremony, a reception was held in the Fellowship Hall of the church.

The bride's table was covered with a Venetian cutwork tablecloth. An arrangement of white starburst mums, gladiola, and tapers in a silver container between two silver candelabras entwined with greenery and holding white tapers centered the table. The wedding cake was of graduating tiers embossed with scrollwork and wedding bells.

The groom's table was covered

with a cutwork linen cloth sent from India by the bride's father when he was in service there. The groom's cake was chocolate, decorated with scrollwork and centered with a pharmacist's white mortar and pestal with the Rx ensigna.

The bride holds a BS degree from the University of Texas at Austin and a MS degree from the University of Tennessee. She is employed with Texas Agricultural Extension Service headquarters staff.

The groom holds a BS degree in pharmacy from the University of Texas in Austin and is with the V&M Drug Store in Temple where he is a pharmacist and a co-owner.

Look Who's New

Kacy Renee, daughter of Mr. and Mrs. Jimmy Roddy. She arrived at University Hospital in Lubbock, January 12, and weighed 7 pounds and 14 1/2 ounces. Kacy was 19 1/2 inches long.

Grandparents are Mr. and Mrs. E.C. Roddy of Morton and Mr. and Mrs. Don Allsup of Ruidoso, N.M., former Morton residents.

Great-grandparents are Mr. and Mrs. Roy Allsup of San Angelo, and Mr. and Mrs. W.C. Key of Ruidoso, both are formerly of Morton.

Mrs. Michael E. Miller (Miss Ilene Carrington)

Looking Back

25 Years Ago

Fire swept through bales of cotton stored at Morton Co-op Gin early Monday morning for the second time in less than a month.

Price of school lunch room tickets has been reduced from \$3.00 to \$2.50, it was announced this week.

Wilford Moore, coach at McMurry College will be the principal speaker at the Indian football Banquet, Friday night, January 13 in the school lunch room.

Cochran County Commissioners Court meeting Monday and Tuesday received a petition with 205 signatures requesting a \$100,000 Bond election be called for the purpose of constructing a jail for Cochran county.

To appear in person on the stage of the Wallace Thursday night, January 19 is the Hollywood Jamboree featuring

Ramblin' Tommy Scott and his talking doll, Luke McLuke. This troupe comes direct from Hollywood and features, in addition to Scott, Clarabelle, Eddie Williams and Smoky Mountain Bill, Frankie Scott, Sandra Scott and the Tennessee Valley Quartet.

Jiggs Baker, flying a two place Cessna, made an up-side down landing on an island at Possum Kingdom Dam last Sunday morning but wasn't injured.

15 Years Ago

Justice of the Peace A.D. Forehand resigned his office effective January 1, and Albert Morrow has been appointed to the office by the Commissioner's Court.

The Morton City Commission, in their regular session Monday night, accepted the resignation of Mayor Roy Tarver, Jr., but took no action forward appointing a new mayor or calling an election for the purpose of naming one.

Cecil Barker has announced the opening of an income tax and bookkeeping service on the south side of the square in Morton.

The county had its first election race underway this week with announcement that Leonard O. Coleman will be a candidate for Commissioner of Pct. one. Ran Holloman had announced for re-election last week.

Cochran County got its first moisture of the year, Monday, when a slow drizzle of rain turned into a snowfall at about 5 a.m. Tuesday and continued to fall throughout the day.

TRIBE

FROM PAGE ONE

somewhat less lustrous at 59.4. Leading scorer for the Indians is Mike Williams who has made 220 field goals out of 445 attempts for a 49.4 percent average. He has been averaging 24.1 points a game and has made 52.2 percent

of his free throws for a 20 game total of 482 points.

Last Friday the Indians took on Ralls Jackrabbits in their own den and harried the hares to the tune of a 113-52 hounding. Seven of the eight Tribesmen that played ended up in double figures, with the eighth, Rex Coffman, getting a close nine.

Williams was once again the

top scorer with 23 points, but showed some outstandingly unselfish play as he time and again gave up good scoring opportunities by passing off to a teammate so the lower scoring men would have a chance to share the glory.

The Morton Junior Varsity also "creamed" the Jackrabbits to the tune of 88-27. Windell Green was high for Morton with 18 points.

Tuesday the Tribe hosted the Floyd, New Mexico quintette and had another easy night as they downed their taller visitors by 88-40. Mike Williams was once again high point man with 26, with Troy Patton and Ray Thompson both hitting in double figures with 13 and 12 respectively.

And now the dance begins — in what is expected to be one of the closest and most exciting waltzes in many a year!

Fire destroys home Sunday

The home of Mr. and Mrs. Billy Simpson in the Maple community was completely destroyed by fire Sunday afternoon. The Morton Volunteer Fire Department answered the call but were unable to extinguish the blaze before the home was destroyed.

The blaze was discovered at approximately 2:30 p.m. when Simpson noticed smoke coming up from under the floor.

Cause of the fire is believed to have been from a butane hot water heater igniting. Mr. and Mrs. Simpson and their four children were at home at the time of the fire.

Residents of Maple, Morton and the surrounding communities hosted a household furnishing shower for the family Wednesday afternoon in the Three Way School.

FARMERS

FROM PAGE ONE

Farmers may borrow up to the amount equal to their loss which was caused by drought or flood. The money is loaned to farmers at the rate of five per cent and it must be paid back over a five-year period.

Loans must be secured by equipment and crops, and there is no principal and interest forgiveness.

Any loan over \$25,000 must be secured by real estate over and above a borrower's homestead.

The purpose of the loans is to allow producers to pay out short-term operating expenses incurred during the 1974 crop year. The loans, officials point out, are not designed to provide funds for starting a new crop.

As many as 400 farmers and ranchers in Cochran County may be eligible for disaster emergency loans.

Farmers will have to go through the FmHA office to qualify. Those with a physical loss will have 60 days for filing their applications, and those with production losses will have 9 months to apply.

Farmers who didn't plant a crop because of the drought and have collected disaster payments

from the ASCS will have these payments deducted from their loss.

For farmers who planted, fertilized and irrigated and still came out with a profit loss, there will be a comparison of cost losses and a loan will be made for the lesser of the two.

All loans will be processed through the FmHA.

YEAR

FROM PAGE ONE

except for cotton. Livestock production should also continue at high levels although pork and poultry production may be down some.

TRAFFIC

FROM PAGE ONE

vehicle traffic accidents during 1974 were down more than six per cent from 1973. The latter year saw 464,226 collisions compared to an estimated 432,100 in 1974.

"In normal times, we might have expected increases in both accidents and deaths during 1974," Speir said. He noted that both licensed drivers and registered vehicles rose last year — the drivers reaching almost 7.5 million and vehicles about 8.3 million.

The question then, is what actually happened to cause the dramatic reduction and Speir believes the answer lies in factors associated with the energy crisis.

"It appears that vehicle miles

driven declined from 80.6 billion in 1973 to just over 78 billion in 1974. This reduction in driving coupled with the reduced limit, especially on highways, seems to have most of the difference," said.

But he also attributed improvements in vehicle highways, better enforcement, and increased public awareness generated both governmental and private efforts.

On the subject of enforcement the DPS chief pointed out that Highway Patrol troopers year issued a record 67 speeding citations — an increase of 121 per cent from the 306,617 in 1973. Moreover, the speeding arrests alone exceeded total Highway Patrol arrests all violations in 1973.

Total arrests for all violations in 1974 exceeded 950,000.

Speir cautioned that increasing disregard for the mile speed limit, as evidenced by the arrest figures, may lead to deaths to rise once more in 1975. He pointed out that the reductions in total fatal accidents during 1974 came early in the year when there was voluntary compliance with speed law.

He noted that Department Public Safety statisticians conducting an in-depth study of the 1974 traffic accident record and said this information will be used to "fine tune" enforcement activities in year ahead.

The Consumer Alert

by John L. Hill Attorney General

HONORS

FROM PAGE ONE

operate their 1,600 acres of farm land and for all their participation in area and community activities.

Scoggins was presented his award by George Martin, soil and water conservation district director of Whiteface. The award is in recognition of his many years of diligent soil and water conservation practices and his cooperation and contributions to the conservation district.

In his talk, Cong. Mahon emphasized that a rough road lies ahead for those engaged in agriculture and agribusiness, and there is very little likelihood of its becoming any better in the foreseeable future. With the urban areas growing rapidly and the rural areas becoming less and less populace, the farmers representation in Congress is growing weaker by the day, causing a great loss of influence on behalf of proposed agricultural programs.

He challenged his Morton audience to "get tough," to tighten their belts and take on the problems of poor crops, inflation and recession in a manner

fires or burglaries and in assisting police recover any stolen items. Keep one copy in a safe place, one at home, and perhaps give one to your insurance company.

You would likely want to keep the following records handy as long as they are relevant, but in general they need not be kept in a safety deposit box or other special place: income tax returns, education and employment records, bank books, Social Security cards, guarantees, copies of insurance policies (copies are available from the company), and cancelled checks (copies are available at most banks).

Any cancelled checks or receipts that may be needed for income tax purposes or as proof of payment of consumer installment debts, however, should be readily available.

For assistance with a consumer problem, contact the Attorney General's Consumer Protection Division, your county or district attorney, or the local Better Business Bureau.

AUSTIN — This is the time of year when many of us begin to think of putting our financial house in order, what with federal income tax filing time approaching and many local taxes due.

And it's often at this time that many of us realize our family records are in such a disorganized state that the job is going to be more difficult than it has to be. Necessary records may be lost or misplaced, scattered in several different locations, illogically grouped, or buried among unimportant papers.

The Attorney General's Consumer Protection Division attorneys say that many consumer experts recommend reviewing your personal or family record-keeping system annually to determine if it is adequate, thus avoiding such a situation.

A review would include checking to be sure other family members or responsible persons know where records are kept and who legal and financial advisers are and how to reach them. Each person should know how to contact the individual's or the family's attorney, banker, broker, insurance agent, employer, creditors, and debtors.

Reviewing the state of your records would also include determining which records are vital and should be protected, which are important but replaceable, and which can be thrown away to save space.

A good rule of thumb might be to put whatever would be impossible, costly, or troublesome to replace in a safe place, such as a safety deposit box. Using such a guide, then, the following records normally would need to be protected:

— Family birth and death certificates. Although these can be replaced, it might take several weeks to do so.

— Marriage certificates, divorce or other legal papers relating to dissolution of marriage, adoption papers, citizenship records, service papers, and any other government or court-recorded document.

— Wills or carbon copies of wills. If the original will is kept in the safe of the attorney who prepared it, one carbon copy should be in a safe place and another should be kept where it will be readily available.

— Certificates for securities. These are non-negotiable until signed by the owner, but replacement involves cost and delay. If they are not kept by the broker, they should be stored in a safe place.

— Government bonds. These can be replaced at no cost, but it can take several months.

— Papers showing proof of ownership, such as real estate deeds, other mortgage papers, important contracts, car titles, leases, notes, and any special papers such as patents and copyrights.

— A detailed household inventory. This is a list of important items, their purchase dates, prices, descriptions (model numbers, brands, etc.), and often photographs. Such an inventory can be invaluable in making insurance claims after

The Same Sad Story... Texas Is First, Second, And Third... Cotton Marketing Still Dull... Census Forms in Mail.

It continues to be the same sad story for Texas farm prices and parity. As of the middle of December, parity stood (or slumped) to 73; this is down three points from November and off a whopping 17 points compared to a year ago.

All categories of livestock continue at levels well below parity. Crop prices, with the big exception of cotton, are above parity.

Wheat in Texas averaged \$4.62 per bushel; parity is \$4.21. Sorghum averaged \$5.34; parity is \$4.76. However, both wheat and sorghum were higher priced in November than in December, reflecting a general softness in grain markets.

Cotton averaged 32.7 cents per pound while parity stood at 76 cents per pound.

Hog prices are \$10 below parity; feeder cattle are virtually two-thirds under parity. Beef cattle prices are about half of parity. Hog prices a year ago were \$3 higher; feeder cattle prices were twice what they are now; and beef cattle prices were \$7 higher a year ago than now.

Milk averaged \$9.40 per 100 pounds while parity is \$11. Eggs at 70 cents a dozen as of the middle of December compared to 75 cents a dozen parity ratio.

Wool and mohair are also at prices considerably below parity.

TEXAS is the first, second and third in production of vegetables in 1974. Texas is first in the nation in harvested acreage for fresh market of cabbage, spinach, and watermelons.

It is second in harvested acreage of cantaloups, carrots, cucumbers, honeydews and onions.

It is third in harvested acreage, production and value of fresh market vegetables. Texas ranks behind California and Florida in this category.

Estimated production of 14 principal fresh market vegetables and melons for 1974 is 12 per cent less than 1973. And they had a total value of \$135 million. This is 26 per cent below a year ago. Leading crops in order of value were onions, watermelons, carrots, cabbage, and cantaloups.

COTTON marketing continues on the dull side. Markets throughout the state were reported more active, but producers were continuing to decline offers. Prices ranged from 20 to 34 cents per pound throughout the state.

Cotton planting is set to begin in February in the Rio Grande Valley, but the outlook for cotton continues bleak due to a recession in the general economy and a downturn in business in the textile industry.

Currently, the estimate for cotton production in the Valley is around 150,000 to 175,000 acres. This would be about 40 to 50 per cent less than in 1974. Similar cuts in production are expected throughout the state.

IF YOU FARM, you should have received it by now. It's time for the countdown on the 1974 census of agriculture. Census forms have been mailed by the Census Bureau, and you should likely have yours by now.

You are required to answer all questions that apply to your individual operation.

If you have any question you should contact your county Agricultural Stabilization and Conservation Service office. That agency is equipped to give you the information you need to answer any of the questions on the census form.

About Local Folks

By Dutch Gipson

Mr. and Mrs. Amos Taylor spent the holidays visiting in Spur. They also visited with their daughter, Mr. and Mrs. James McCuller and family of De Kalb.

Mr. and Mrs. G.F. Cooper, Jr., Mr. and Mrs. S.J. Bracken, Mr. and Mrs. Donnye Baker, Mark and Wade and Mr. and Mrs. R.R. Kindl attended the wedding of Miss Rhonda Bracken and David Eugene Edmonds January 3 in Seagoville.

Mr. and Mrs. Maurice Lewallen recently spent several days in Irving assisting in the wedding of their granddaughter, Holly Smith, who was married to J. Stevens Scarborough January 1. Miss Smith is the daughter of Mr. and Mrs. Royce Smith of Irving. Mrs. T.T. Smith, mother of Royce, also attended her granddaughters wedding.

Mrs. Charles Taylor, accompanied by her daughter and husband, Mr. and Mrs. J.T. Porter of Pasadena, returned

home Friday after spending several months in their home. The Porters plan to spend a few days in Morton before returning to their home.

Sgt. and Mrs. Rodney Hobson, who are stationed with the U.S. Air Force in England have been visiting with her parents, Mr. and Mrs. Chester Miller and Mr. and Mrs. Bill Hobson in Borger. Rodney will be returning to England within a short time. Debbie will remain here for a short visit.

Mrs. HESSIE B. Spotts enjoyed a belated Christmas party in her home recently when her son and family, Mr. and Mrs. Fred Sanders of Monahans spent the weekend with her.

News has been received of the death of Joe Davenport of Hereford. He died Saturday at his home of an apparent heart attack. Services were held Tuesday at the First United Methodist Church in Hereford. Survivors include his wife, Sunny McClure

Davenport; a son, Jeff; and a daughter, Joe Frances. Mrs. Davenport is the daughter of Mrs. Ola McClure and the late Claude McClure, former residents of Cochran County in the early '40's.

Threeway News

Mrs. Beadie Powell spent the past week in Lubbock visiting Mrs. Dess Stafford.

Mr. and Mrs. George Tyson spent the weekend in Ft. Worth visiting their daughter, the Wendell Price family, and a son, the Buck Tyson family.

Mr. and Mrs. Bud Huff attended the funeral of Mr. Huff's grandmother in Tahoka, Friday.

Mr. and Mrs. H.C. Toombs spent the weekend in Blythville, Arkansas visiting their daughter, the Regy Self family.

Mrs. Bulah Toombs from Maple and a daughter, Mrs. Merlin Roberts from Morton, were in Lubbock last Thursday.

Mr. and Mrs. Jack Furgeson spent Sunday in Jal, N.M. visiting their daughter and family, the Jim Greens.

Mr. and Mrs. Carl Miller and daughter, Carolyn, and Sherry Jones from Canyon, spent the weekend visiting their parents.

George Tyson, John Tyson and Mr. and Mrs. H.W. Garvin received word Friday of the death of their brother, Jacob S. Tyson. He died at El Campo Thursday after a long illness. Mr. Tyson was a veteran of World War I. He was buried Saturday at El Campo with full military honors.

Three Way basketball teams played at Bledsoe Friday night with the Three Way boys losing their game to Bledsoe and Three Way girls winning their game.

Bookmobile Schedule

The High Plains Bookmobile will be in your area on the following dates:

Wednesday, January 22: Needmore, 9:00-10:00; Stegall, 10:30-11:30; Threeway, 12:00-1:00; Enochs, 1:30-2:30.

Roberts Nursing Home News

Mrs. Jack DeWitt and Mrs. Jack Lane visited with the residents Thursday. Everyone enjoyed home made gingerbread cake.

Walter Wilson and Dovie Nichols, both who have been patients in Cochran Memorial Hospital, have returned to the home to complete their recovery.

Celebrating her birthday this Sunday was Mrs. Sophia Young. Mrs. Young's daughter, Mrs. Ruth McGee, helped to make the day a special one.

Entertaining residents Sunday afternoon were Vester Gilliam, playing the harmonica, and Mrs. Leslie Henson of Dayton accompanying him on the piano.

New residents joining the home this week were Mr. and Mrs. Carl McClintock and Mrs. Laura Walden.

Visiting with Mrs. Walde her son and wife, Mr. and Robert Yeary.

Mrs. W.R. Alexander Portales, New Mexico with her father Mr. Thomas

Mr. and Mrs. Gerald Ramsey visited with their aunt, Mrs. Ramsey. Also visiting with Ramsey was Mrs. S. Gathright.

Everyone at the home especially happy to have Hume Russell visiting with mother Mrs. Myrtle Austin. Russell has been ill and her have been missed by all.

A special tribute show paid to a resident that away this week. Mr. C. Evans, a beloved resident Thursday morning. His Mrs. Florence Evans, re passed away. Both were loved by all.

"Thou wilt show me the path of life, in thy presence is fulness of joy..."
PSALM 16:11

HERE IS THE PATH

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and for His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedom which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

LUKE 10:27
shall love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbor as thyself.

THE BASIS OF GOD'S FIRST AND GREATEST COMMANDMENT IS LOVE. GOD gave man the freedom to choose... and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

FOR EVERYONE IN THE CHURCH THE CHURCH IS EVERYONE

GO, FIGHTING INDIANS
 YOU CAN DO IT!

Mrs. J. Stephen Scarborough
(Miss Hollye Smith)

Couple exchanges ring vows in Irving ceremony

Before an archway of greenery and green and Gigi pink carnations with two white doves,

Miss Hollye Renee Smith became the bride of Stephen Scarborough at 7:30 p.m. Friday, January 3, in Plymouth Park Baptist Church in Irving. John Paul Blankenship, minister of Mac Arthur Church of Christ, officiated the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Hollis R. Smith of Irving, formerly of Lubbock and Morton. She is the granddaughter of Mr. and Mrs. Maurice Lewallen and Mrs. T.T. Smith and the late T.T. Smith of Morton. Parents of the groom are Mr. and Mrs. Jerry E. Scarborough of Irving.

Presented in marriage by her father, the bride wore a formal gown of white bridal satin featuring lace inserts. Her chapel length veil was outlined in matching lace and she carried a bouquet of three dozen pink roses, Stephanotis and pearls centered with a white orchid. The bouquet was designed and made by her grandmother, Mrs. Lewallen.

Miss Kathy Porter and Miss Priscilla Burns served as twin maids of honor.

Tommy Scarborough served his brother as best man. Mrs. Ruthie Roberts, aunt of the bride, sang the "Wedding Song" and the "Wedding Prayer." Virgil Thomas, uncle of the bride, sang "Lady My Lady."

Following a reception in Fellowship hall of the church, the couple traveled to San Antonio for a wedding trip. They will make their home in Irving where both are attending Texas University at Arlington. Scarborough is a pre-med student.

Livestock Meeting

The Cochran County Livestock Improvement Association will meet Monday, January 20, at 7:30 p.m. in the Levelland Savings and Loan-Morton Branch Community Room. All members and interested persons are urged to attend.

TEXAS TALK

This is the first week of TEXAS TALK and it seems appropriate to take this opportunity to explain a little about the column since now you'll be able to read it here every week. Through this column, we'll take a look at agriculture. Hopefully, there will be some things you didn't know at all, others you thought you knew but weren't quite sure about and without a doubt there will be observations and definitions some readers know a whole lot more about than the writer.

One thing is guaranteed... many readers will find something new every week... and to keep things even more interesting you will find an occasional hint about the easy way to solve a problem you may be having around the house or on the farm or ranch. Comments on the column will be appreciated. Anybody's... anytime.

See you here next week when we get down to serious TEXAS TALK.

Mrs. David Eugene Edmonds
(Miss Rhonda Bracken)

Mr. Edmonds-Miss Bracken wed in Seagoville church

Miss Rhonda Janeece Bracken and David Eugene Edmonds pledged wedding vows at the Seagoville Church of Christ January 3 at 8 p.m. Steve Bracken, father of the bride, assisted by Harlo Southwick, officiated the double ring candlelight ceremony.

Parents of the couple are Mr. and Mrs. Steve Bracken of Seagoville and Mr. and Mrs. Eugene E. Edmonds of Mesquite. The bride is the granddaughter of Mr. and Mrs. S.J. Bracken, Mr. and Mrs. G.F. Cooper, Jr. and the late H.L. (Shorty) Baker of Morton.

Given in marriage by her father, she wore a white formal gown of French designed scalloped Chantilly lace. The gown was fashioned with a Sabrina neckline and long fitted sleeves. The Chantilly lace ruffles swept to a cathedral train and her full veil of scalloped Chantilly lace made up part of the train and short face veil. She carried a bouquet of white miniature mums, baby's-breath centered with a white orchid.

Miss Kim Bracken, sister of the bride, was maid of honor and Michelle Cofer of Seagoville, Debbie Callaway, sister of the groom of Mesquite, and Elaine Prestridge of Seagoville were bridesmaids. They wore dresses of royal blue crepe fashioned with empire waists and ruffle shawls. Each carried votive candles surrounded by royal blue flowers.

Eddie Phillips of Seagoville served as best man and groomsmen were Gary Edmonds, brother of the groom, Darrell Mercer, cousin of the groom, both of Mesquite and Phil Prestridge of Kleberg.

Teri Davenport was flower girl and Stephen and Dan Bracken,

brothers of the bride, were ring bearers.

Music was furnished by a chorus, directed by the father of the groom.

Tammie Baker, cousin of the bride, from Morton, presided at the bride's book.

The bride is a graduate of Seagoville High School and the groom is a graduate of Mesquite High School.

Following a wedding trip to Cloudcroft, N.M., the couple will reside at 217 Wilhite Drive in Kleberg.

Whiteface

News

by Jean Bates

Whiteface had three fires this week. The first one was at the Westerner Cafe at 5 a.m. Monday morning. It was believed to have started in the electrical wiring. The fire was so extensive that Mrs. Miller had to close her cafe. The second fire was in a burr pile at the Cooperative Gin. Several Volunteer Fire Department members turned out to help city officials fight the fire. The Morton Fire Department was also called to help. The third fire was behind the county barn. It was believed to have started from a trash fire. There was minor damage done to the building.

Bitie Scifres has been in Methodist Hospital where she had some tests made.

Farris Hall has been in Cook Memorial Hospital in Levelland. He has been confined twice in the past several days.

Mr. and Mrs. Melvin Woodley are lying in the Levelland Motel since their house received extensive damage due to a fire.

Mr. and Mrs. Larry Flowers from Odessa visited with her parents, Mr. and Mrs. Marvin Lassater, Sunday.

Mr. and Mrs. Leonard Rodney were taken by ambulance to Cook Memorial Hospital, Sunday. Mr. Rodney is not doing very well.

Mr. and Mrs. Lindsey Bates, Beth Cagle and Pam Henry spent the weekend in Phillips visiting with Lindsey's aunt and uncle, Mr. and Mrs. Hubert Lane. They had planned to drive over to Dumas to attend the wedding of Jean's nephew, John McSpadden, but the weather and road conditions were too bad.

Larry Williams visited in the homes of Mr. and Mrs. Don Hoy and Mr. and Mrs. Johnny McClure over the weekend. Mrs. Hoy's mother, Mrs. Williams, accompanied her grandson to Whiteface.

Eric and Tonya Hearn,

children of Mr. and Mrs. Chris Hearn, of Littlefield spent the weekend with their grandmother, Mary Lou Martin and great-grandmother, Dessie Bowden. Mr. and Mrs. Hearn came over Sunday to take their children home.

Mrs. Lucille Word was in Lubbock Friday visiting with her mother, Mrs. Lillie Thomas.

Visiting in the home of the E.C. Whites the first of last week was E.C.'s sister, Mr. and Mrs. Ralph Flowers from Odessa.

Short grain supply seen for Southwest

The tightest grain supply in recent history is forecast for the southwestern part of the United States in the spring and summer of 1975.

That is the prediction of Grain Sorghum Producers Association Executive Director Elbert Harp "if the present rate of consumption continues."

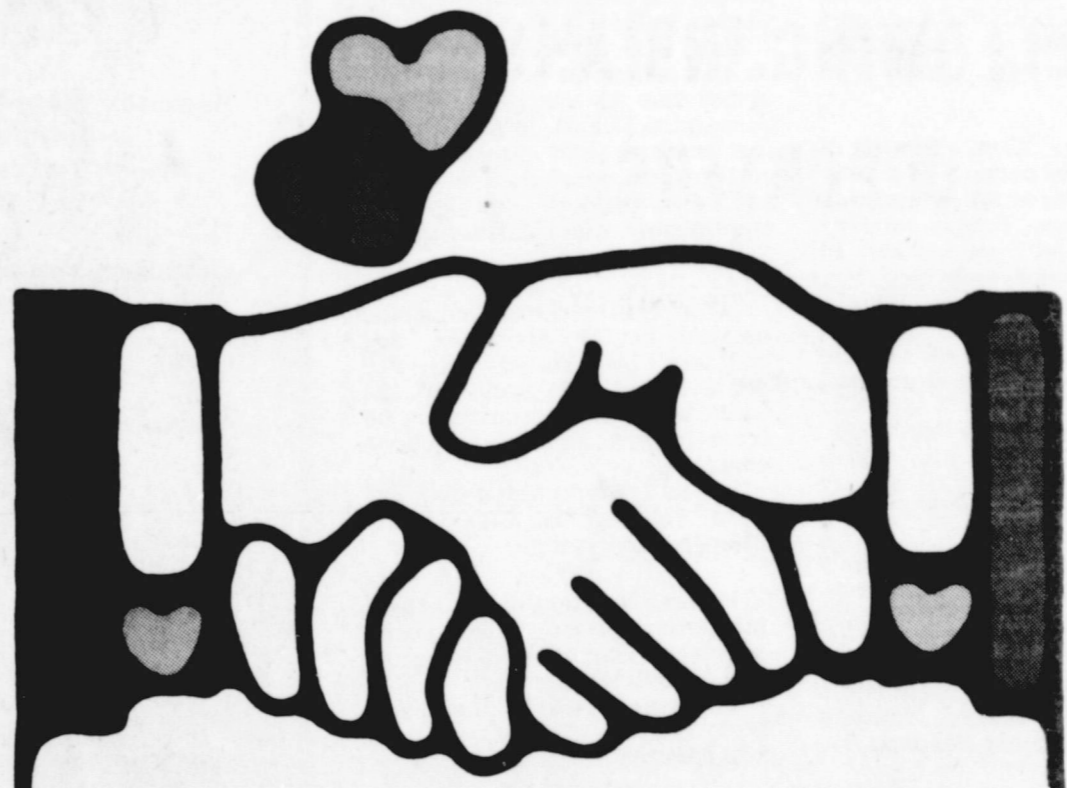

Harp points out that, although the number of cattle on feed is down, the number of cattle currently on feed is higher in relation to the feed supply a year ago.

The USDA cattle on feed report for November, 1974, showed the cattle on feed number about 71 percent of the level of the previous year.

The total 1974 production of corn and grain sorghum for the Southwestern United States is only 68 percent of 1973. With the heavier weight cattle going into the feedlots, the average daily consumption may be higher, adding additional stress to the figures.

The export of grain sorghum for the last six months of 1974 are running about 86 percent of 1973. In comparison to the production of 1974 the export market is using a larger percentage. The exports for the last six months of 1973 were 3.75 percent of the crop that year. The relationship was 4.95 percent for 1974.

"Under present consumption trends, it appears that grain will have to be shipped into the southwestern feedlots from the corn belt by late spring and summer," Harp predicted. "We encourage all cattle feeders to study these figures while grain is still available, in order to avoid the additional freight expenses."

Our heartfelt thanks

It makes us feel good to know you appreciate our services. Your enthusiastic response to our Golden Opportunity savings accounts and Good As Gold checking... to our 24 Karat Kar loans and Heartline loans... has made us even happier that

we're the bank that's close to you and your interests. The bank that recognizes the important human values first. So you know that when we say thanks, it's really from the heart.

Enochs-Bula News

by Mrs. J.D. Bayless

Mr. and Mrs. Connie Davis of Levelland were guests in the home of Mr. and Mrs. Joe Milsap Friday to help them celebrate their anniversary.

Wednesday Mrs. Quinton Nichols took her son, Mike, to Lubbock to see his doctor and brought her mother, Mrs. E.B. Cooper, her grandmother, Mrs. George Hobbs, and her daughter, Kay Holloway, all from Kensett, Arkansas home with her. She took them back to Lubbock Thursday to catch the bus to California.

Mr. and Mrs. Zed Robinson of Muleshoe visited in the home of Mr. and Mrs. J.D. Bayless Wednesday afternoon.

W. B. Peterson was in Littlefield Wednesday and spent the day with W.M. Bryant at the Medical Arts Hospital.

The Baptist Women met at 9:30 Tuesday morning for their general meeting. Mrs. J.W. Layton was in charge of the program taken from the Royal Service Book entitled, "Baptist in New England." Those present were: Mmes. J.W. Layton, Jocy Vanlandingham, Alma Altman, L.E. Nichols, J.E. Layton, Chester Petree, Harold Layton, Ray Seagler, Johnny Cox, E.N. McCalland J.D. Bayless.

Mrs. Lathé Speck and Mrs. Mildred Baker of Morton visited Mrs. Alma Altman Monday afternoon.

Mrs. Gracy Swanner and son, Jimmie, of Lubbock and Mr. and Mrs. Claud Coffman of Muleshoe were guests in the home of their sister, Mr. and Mrs. J.D. Bayless, Saturday afternoon.

Last Sunday Mrs. Alma Altman had several of her family home for dinner including Mrs. Alene Byrun, Gale and Kelly all from Tucumcari, Mr. and Mrs. Kenneth Coats and son, Mr. and Mrs. R.H. Baker, Rodney, Dwayne, Sheritta and Donna Cox all of Morton, Mr. and Mrs. Forest Baker and Mr. and Mrs. Wayland Altman of Three Way.

Thursday night W.B. Peterson, Bro. Charlie Shaw, Mrs. Chester Petree, Mr. L.E. Nichols, and Mrs. Alma Altman sang at the Roberts Nursing Home in Morton.

Mr. and Mrs. Dennis Newton of Stinnett are the parents of a baby boy named Corey Allen who was born at 5:05 p.m. Friday January 10 and weighed 7 pounds and 10 ounces. Grandparents are Mr. and Mrs. Bob Newton of Enochs and Mr. and Mrs. Donald Grusendorf of Plainview. Patric Newton, the other grandson, spent two weeks with his grandparents, Mr. and Mrs. Newton. They took him home Friday and stayed until Sunday afternoon.

Mr. and Mrs. Billy Simpson's house burned Sunday afternoon. We are so sorry to hear of their loss.

Mrs. Winnie Byars spent some time with her grandson, Tommie Joe, in the Amherst Hospital. He

hopes to be home soon.

Bro. Roy Davidson, missionary from the Baptist Association, spoke to the evening service in the Baptist Church. Some of the people from Three Way, Bula, and Hicks Chapel were there. Following the services refreshments were served in the fellowship hall of the church.

ERA opponents urged to continue letter campaign

Persons interested in opposing the ERA amendment are urged to continue the letter writing campaign and to plan to attend the legislative session when the amendment comes up for repeal.

According to Mrs. Wanda Legan, carivan to Austin is being planned and anyone who is interested in making the trip may call her or the Tribune office and leave their names so that arrangements may be made.

Listed below are addresses of legislators to whom letters should be directed:

Bill Clayton, P.O. Box 38, Springlake 79082; Bill Hestly, Drawer 1, Paducah; John Hoestenback, 403 North Texas, Odessa 79760; R.B. McAlister, P.O. Box 2910, Austin 78767; Elmer Martin, 725 Elm St., Colorado City 79512; E.L. Short, Box 1486, Tahoka 79772; Elmer L. Tarbox, 4613 11th St., Lubbock 79416 or Larry Vick, 1305 Esperson Bldg., Houston 77002.

Board meeting held at CA Center

The Board of Directors of the Cochran County Community Action Committee met Tuesday at 7 p.m. in the Community Action Center.

Mrs. W.G. Freeland reported on the education program. She stated that sixteen persons had passed the G.E.D. tests. Five of the sixteen had enrolled in college and vocational training and five others had gained employment since finishing the G.E.D. program.

MRS. Thelma Lewis reported on the center activities and contacts. She stated that 240 contacts had been made with 103 walk-ins, 49 through outreach, 36 from letters and 52 telephone contacts.

Sylvia Soliz reported that 226 were reached in the Family Planning program.

Howard Maddera discussed the manpower program for public services. The housing program was also discussed.

Fourteen board members, Mrs. Lewis and Miss Soliz attended the meeting.

Mrs. Crone hosts garden club meet

The LeFleur Garden Club met January 9 in the home of Mrs. Murray Crone.

Mrs. Alvin Gladden presented the program on "Selecting and Caring for Indoor Landscape." She stressed that light, both natural and artificial have an important part in maintenance of indoor plants. "Always buy healthy plants from reliable sources and expect to pay fair prices," she told the members. She added that to brighten and shine smooth tie leaves sweet milk should be applied occasionally.

Mrs. Crone did the arrangement for the day, a design using parts of dried philodendron, artichoke puffs and glycerized ivy leaves

arranged on a long stemmed amber goblet.

In the business meeting, it was voted to purchase two new books for the club library, "Floral Art in the Church and Creative Designs with Dried and Contrived Flowers."

Mrs. Malloy Simnacher was welcomed as a new member.

Attending the meeting were: Mmes. Don Samford, Darland, J.L. Tomas, Gladden, L.Z. Scoggins, the hostess and guests, Mrs. Roy Davis.

The next meeting will be held in the home of Mrs. Buddy Greener February 13 at 2:30 p.m. Mrs. Roy Hill of Lubbock will present a program on "Hanging Arrangements." Interested persons are invited to attend.

Hospital notes

Patients admitted to Cochran Memorial Hospital from January 7 through January 13 were:

Monday, January 20, 1975 Tuna salad, June peas, green salad, plum cobbler, bread, milk.

Tuesday, January 21, 1975 Tuna salad, mixed vegetables, pickledbeets, peanut butter cup, roll, milk.

Wednesday, January 22, 1975 Sloppy Joe's on bun, French fries, lima bean salad, fruit cobbler, milk.

Thursday, January 23, 1975 Enchiladas, green salad, corn, sweet potato cake, cornbread, milk.

Friday, January 24, 1975 Beef tips with brown gravy, whipped potatoes, green beans, baked apricots, roll, milk.

Sixteen obtain G.E.D. diplomas

The Adult Basic Education class of Morton has just completed a successful year. During the past year classes have been offered from beginning through G.E.D. A class of Office Occupations was offered and two classes in Upholstery.

The education class is still in progress and meets Monday and Thursday from 7 to 9 p.m. A Physical Fitness class for women is being organized for Thursday nights.

Sixteen adults completed their studies and passed the G.E.D. test. Four others are in the process of taking the test. Of those that finished, five have gone on to college or vocational training. Five adults received jobs as a result of their passing the G.E.D. tests.

The Class is a community service, organized through the Cochran County Community Action Center. It has stayed in existence as a result of the cooperation of Bob Travis, School Superintendent and the Morton School for the use of the building at night.

Miss Vanice Lovett teaches the classes with Mary Ann Enriquez as an aide. Mrs. W.G. Freeland is the director.

Enochs club meeting held

The Enochs Home Demonstration Club met in the home of Mrs. Wilma Petree on

Tuesday, January 14 at 2:30 p.m.

Mrs. Robin Taylor of the Bailey County Extension Service gave a demonstration on using blenders to make salad dressing and other dishes.

A motion was made to make quilt to sell chances on.

Those present were: Mmes. Mamie Adams, Zelma Fre Elnita Key, Bonnie Long, Campbell, Winnie Byars, Alma Altman, Wilma Petree and Robin Taylor.

The next meeting will be in the home of Mrs. Winnie Byars January 28.

George Evans rites Friday

Graveside services were held Friday at 3:30 p.m. at Morton Memorial Cemetery for George M. Evans. The Rev. Nicholas Schneiders, pastor of St. Ann Catholic Church, officiated.

Evans, 93, died at 2:25 a.m. Thursday in Roberts Memorial Nursing Home. He was a native of Ohio.

He left no survivors.

A physical fitness class for women is being planned Thursday, January 16, in the Morton High School gym from 7 to 8 p.m. Tuition for the class for one semester, one night each week will be \$10. For further information contact Mrs. W.G. Freeland 266-5190 or 266-5120.

WHY BUY NOW?

Yes, why buy furniture & carpet now from Stacy-Mason in Levelland, Littlefield, Brownfield

Why Buy Now?

Because: Right now, you can get more for your money during Stacy-Mason's annual Winter Clearance Sale. You can save up to 50 per cent.

Because: Stacy-Mason has the largest selection of quality furniture and carpet in our 60-year history. You can choose from name brands like Sealy, La-Z-Boy, Evans & Black and many others.

Because: You deserve Stacy-Mason's warm, comfortable and practical home furnishings to be used and enjoyed by the whole family.

Because: You need new home furnishings. Replace that lumpy sofa, chair with a busted spring, saggy mattress, wobbly table, lamp that won't light, worn carpet.

Because: You want new furniture and carpet. You want pride of ownership. Stacy-Mason has what you want, and you will save money.

Because: At Stacy-Mason, a sale is a SALE. Some stores mark down only discontinued or damaged items. We do not try to fool the folks. During a Stacy-Mason Sale, you will see genuine sale prices.

Because: Stacy-Mason has just received a truckload of Evans & Black carpet. Our most popular plush shag made of 100 per cent nylon in tweed colors is only \$10.88 installed. Remnants and short rolls are reduced, some by 50 per cent.

Because: Stacy-Mason's sale price \$248.00 goes on a beautiful sofa and love seat group. Yes, both pieces are only \$248.00. They are featured in a heavy duty black vinyl in a traditional high arm styling.

Because: Tell City solid hard rock maple will never be priced lower. Stacy-Mason's selection is complete. Choose from sale-priced bedroom suites, dining room suites, living room tables and accessories.

Because: Every one of Stacy-Mason's 500 La-Z-Boy recliner-rockers, loungers, chairs and ottomans, and rockers are sale priced. If La-Z-Boy makes it, you will find it at this clearance sale.

Because: Sealy bedding is on sale. The Sealy Posture Loc Supreme gives you extra firm support, luxury quilting and over 300 steel coils. Twin size sets, \$110.00. Regular size sets, \$150.00. Queen size sets, \$195.00. King size sets, \$265.00.

Because: The game table and chair sets are sale priced. Choose from chrome and glass table and four chrome director chairs finished in black vinyl at \$148.00 or Ayers all-wood game table set with extension table for \$499.95.

Because: Stacy-Mason's complete selection of sleepers are sale priced. Here's a good example: Riverside queen size sleeper in La France quilted railroad track velvet, comfortable innerspring mattress too, reduced to \$549.95.

Because: Velvet sofas, made by Riverside. Beautiful woven crush velvet in Transitional Pub styling. High back design to be extra comfortable. Very finest oak construction. Sale price \$299.95.

Because: Your choice of carpet styles. One very low price. 100 per cent nylon shag in your choice of tweed colors or sculptured pattern by Evans & Black of 100 per cent long-wearing nylon. Low installed price, \$7.95 sq. yd.

Because: Dining room and den tables by Riverside, Mersman and Tell City are sale priced. For example: Two groups by Mersman in Spanish styling, high pressure plastic tops. Your choice, octagon or square commode or cocktail tables, \$59.95.

Because: Bedroom suites by many famous makers really want a home. Spanish style, large dresser with mirror, big capacity chest, regular or queen size headboard, night stand, rich dark finish. \$399.95.

Mrs. Egger Conservation awards made hosts UMW at Chamber annual banquet

The United Methodist Women met for a luncheon in the home of Mrs. Owen Egger Tuesday January 14.

Mrs. D.E. Benham presided over the meeting and Mrs. Don Richardson gave a devotion on Christian Service. She stressed serving Christ and the importance of doing what He tells us.

Mrs. Ruth McGee, secretary read the minutes of the previous meeting. A committee was appointed to make plans for serving meals at the church when there are funerals. The group voted to support the church ministry to Roberts Memorial Nursing Home. Mrs. Hardy Rhine gave a report on the banquet held for Great Plains Boy's Ranch in December.

Members attending were: Mmes. Ray Bridges, W.W. Smith,

Pegues Houston, Hardie Rhine, James Whitehead, D.E. Benham, Don Richardson, Nath Crockett, Floyd Rowland, Ruth McGee, Raymond Ross, Bobby Adams and a guest Mrs. B.N. Graham.

The Cochran Soil and Water Conservation District made presentations of conservation awards at the Annual Banquet of the Morton Area Chamber of Commerce last Thursday night. George MARTIN, Chairman, Board of Directors made the presentation.

Johnny Scoggins was selected as the Outstanding Conservation Farmer for 1974. He became a cooperater with the District in 1965. He now operates 659 acres in the District. His farming operation consists of cotton and grain sorghum, as well as wheat.

Johnny was a partner on a Great Plains Conservation Program contract on one farm that he operates. He carried out the contract on which 800 feet of diversion terraces, 4 acres of grassed waterway, 2158 feet of irrigation pipeline was installed and 18 acres of pasture planting was established, as well as carries out good conservation cropping systems.

He also carried out other good conservation practices such as

terraces, contour farming, minimum tillage, crop residue use and irrigation water management.

He was a strong supporter of minimum tillage and one of the first farmers to establish this practice in Cochran County. He keeps very precise records of his farming operations.

Johnny was born and reared on a farm in Hall County, Texas. He completed high school in Memphis, Texas in 1947, then moved with his family to COCHRAN County in 1947. He has been connected with farming all of his life and began farming on his own in 1951.

That same year he married the former Frances Peters of Cochran County. They now have three children: Rita, 17, Robert, 14, and Gary, 12. Circumstances called him away from farming 1953-1955 to serve in the U.S. Army. He returned to farming, however, upon his discharge from the Service.

He and his family are members and faithful workers of the Assembly of God Church in Morton. He has served as a deacon and as a Sunday School teacher for several years.

He is a member of the Farm Bureau and his hobbies include hunting and fishing.

Mrs. Evelyn Seagler was selected as the Outstanding Teacher of Conservation by the District. She was presented a plaque for this achievement at the Morton Area Chamber of Commerce banquet.

She has been teaching for 28 years, 23 of which have been in the Morton schools. For the past several years, she has been very instrumental in working with her students on the Conservation Poster Contest. For the past three years, one of her students has won either First or Second Place in the Poster Contest that is conducted by the District in the three schools systems within the District.

Mrs. Seagler was also presented a citation in behalf of the Texas Advisory Committee on Conservation Education. Each year the Texas Advisory Committee on Conservation Education recognizes those teachers in Texas who are doing an outstanding job of teaching the conservation of our natural resources.

Bob Walkup, District Conservationist, Soil Conservation Service, made presentation in behalf of the District to the First Place Essay and Poster Contests winners. The awards were a plaque and a \$25.00 Savings Bond for each.

The First Place Essay Winner was Diane Ford, the daughter of Mr. and Mrs. Bill Ford. Diane is a high school student at Morton. The First Place Poster Winner was Marty McCowan, the son of Mr. and Mrs. Clarence McCowan. Marth is a 5th grade student at Whiteface.

Teen Challenge speakers give talks in Morton

L. Noah, Director of Teen Challenge, and Jimmy Denison, of Teen Challenge, will be in Morton this week for a series of meetings. The ministry of Teen Challenge is to reach drug addicts, gang members, and youth from all parts of life. Noah personally is preaching ministry and counseling as well as directing Dallas Teen Challenge.

an assembly program. The Rev. G. Frank Estes, pastor of First Assembly of God Church, will be their host and will also be on hand to present copies of "The Cross and The Switchblade" to the school libraries.

Saturday night a film "No Need To Hide" will be shown at 7 p.m. at the First Assembly of God Church, Third and Jefferson.

Sunday, both Noah and Denison will be in the services at the church. Noah will be speaking to parents at 10 a.m. about the present teenage problems and answering questions. He will also discuss Teen Challenge's role in helping youth.

Denison will be speaking with the youth at the same time.

Lyle will also be preaching at the 11 a.m. and 7 p.m. services.

The public is cordially invited to attend all the services scheduled.

CONSERVATION AWARDS were presented at the Morton Area Chamber of Commerce Banquet this past Thursday night. Left to right Johnny Scoggins, Outstanding Conservation Farmer, Diane Ford, First place essay winner, Mrs. Evelyn Seagler, Outstanding teacher of Conservation; George Martin, Chairman of Board of Directors of the Cochran Soil & Water Conservation District. In front is Marty McCowan, first place poster winner.

Garden Club meeting held

Members of the Whiteface Garden Club had an opportunity to discuss improvements on the Club's next flower show at their meeting January 6 in the home of Mrs. E.E. Jennings.

Plans are already being formalized for the 1975 show with Mrs. G.C. Keith as Flower Show chairman.

Present for the meeting were: Mmes. R.D. Hensley, L.E. McDonald, D.F. Burris, J.J. Stocks, Eugene Bentley, Jerry Marks, Keith and the hostess.

The next meeting will be February 3 in the Homemaking department of the Whiteface school. The program will be on "Landscaping."

TTU lists MHS grads

Five Morton High School graduates were among the names released by Texas Tech University for the fall Dean's Honor List.

They are David Rice, Jackie Watts, Elliott Benefield, Tommy Combs and Daniel Berlanga.

To be eligible for the dean's honor list, students must have a grade point average of 3.0 on a 4.0 scale.

MARATHON BRIDGE TOURNAMENT

Sponsored by Allegro Study Club

For The Tournament

Entry fee is \$1 per person round of play.

Each round of play will be 30 minutes.

Entries must be in by January 25. First round may be held any time between January 27 through February 23.

Second round play February 23 through February 24. Third round play February 24 through March 9. Fourth round March 10 through March 15th and final round will be held April 5 at the County City Building banquet room 8 p.m.

Partners must enter together and remain partners throughout the tournament. Players will be notified as their foursome for each round.

Each round of play will consist of 20 bids. Add score each fourth hand. Scoring be by party bridge rules: or first game; 500 for each subsequent game. Scores and bids will be turned in at the end of each round.

One bid will be played. In the event of illness or inability of one partner, her person not previously released in the tournament may substitute.

Enjoy your bridge, but please abide by bridge etiquette.
