

Lockney, Floydada Sales Tax

Comptroller Bob Bullock said that a total of \$75.5 million to 837 Texas cities and towns Monday, representing their March city sales tax allocations.

The Comptroller said the March, February and January allocations to the cities represented the tax collected by merchants from October through December.

Merchants remitting the penny per dollar tax on a quarterly basis had to file their returns by January 31. The biggest March checks went to Houston, \$11.1 million; Dallas, \$6.1 million; San Antonio, \$3.4 million; Austin, \$1.7 million; and El Paso, \$1.7 million. Floydada received \$11,780.58 and Lockney \$5,227.10.

Methodist Pastor, Wife To Be Honored

Mrs. James will be honored on wedding anniversary the completion of ministry in the Northwest

Texas Conference, on Sunday, March 21, in Fellowship Hall of the First Methodist Church.

Rev. and Mrs. Tidwell were married in Dallas March 25, 1946. He has served churches at Channing, Hartley, Friona, Paducah, Brownfield, Andrews,

Snyder, Perryton and Floydada. They will leave Floydada at the end of May for San Antonio to be resident director of the P.E.O. Retirement Home.

100 Bicentennial Contest

Winners Announced

Winners of the \$100 Bicentennial contest in the merchants' contest in the county were selected by six judges and their pictures appear on this edition of The Hesperian. Chesshir receives the \$50 prize. Mrs. Jerry Jarrett the \$35 prize and Irma Garcia the \$15 prize.

All the other contestants either failed to properly identify the merchants and their place of business, incorrectly spelled names, or had more than 25 words in their statement of "why I like to shop and live in Floydada."

Crepe Myrtles

Now For Sale

The Women's Division of the Floydada Chamber of Commerce now has for sale 100 Crepe Myrtle plants for \$2.50 each.

Plants should be put out now and anyone interested in buying the plants should call 983-3194 or 983-3163 now. The women are selling the plants in cooperation with the city's beautification program.

GUY AND RALNA, featured vocalists on the Lawrence Welk Show, will be appearing in Abilene at the Abilene Chamber of Commerce Annual Banquet at the Civic Center on Tuesday, March 23, at 7 p.m.

Abilene Chamber of Commerce President Robert E. Hitt said that the Abilene Chamber is departing from the usual banquet this year in not having a renowned speaker, having entertainment only.

Guy and Ralna joined the Lawrence Welk Show in 1969, but not together, and have appeared all over the country with him, also playing concert engagements, fairs, and club dates. Ralna is a native Texan being claimed by Haskell, Spur and Lubbock where she attended Texas Tech. Her parents are Raul and Lena Belle Kemp English.

 - ...Plan School litter clean-up project for all schools (High School) Student Council.
- The Chamber of Commerce will provide assistance and information to all participating groups. In addition, all publicity materials (leaflets, mail supplements, checklist sheets, etc.) will be printed and provided by the chamber.

Deductions For Floyd Tax Payers, \$2,870

How much did the average taxpayer in Floyd County contribute to charity during the past year? How much did he pay in local taxes? What did his medical and dental expenses amount to?

These are some of the expense figures that local residents are putting together these days in preparation for their upcoming encounter with Uncle Sam.

Taxpayers in the area who itemize their deductible expenditures would like to know how their deductions compare with the amounts taken by other people who have incomes similar to their own.

Some guidance, in answer to these questions, comes from the Commerce Clearing House, an authority on tax matters, using data recently released by the Internal Revenue Service.

In its findings it shows just how many taxpayers in each income category have been deducting on average for contributions, interest charges, local taxes and medical costs.

Among families throughout the country with incomes equal to the Floyd County average, approximately \$2,870, equivalent to 24 percent of adjusted gross income, is the normal total deduction.

For those with incomes that are larger than this average, the amounts deducted are generally bigger but they represent a smaller percentage of their total earnings.

Conversely, the deductions among families with lower incomes, although smaller in amount, are bigger percentage-wise. The range is from 18 percent to 43 percent, according to the IRS figures.

Producers Association are reminding cooks to include pork often in hearty winter meals.

According to Agriculture Commissioner John C. White, today's Texas pork is superior to the pork of horse and buggy days, thanks to scientific research, selective breeding and careful feeding.

A comparison of 100 grams (about 3-1/2 ounces) of cooked pork then and now reveals that new pork has 28.5 grams of protein, 13.1 grams of fat and only 240 calories, compared with 23.3 grams of protein, 30.7 grams of fat and 377 calories for the pork of yesterday.

Pork also supplies essential vitamins and minerals, as well as high-quality protein. Pork is an excellent source of thiamine, the vitamin associated with a healthy nervous system, and contains significant amounts of riboflavin, niacin and iron.

The Texas Department of Agriculture home economist advises grocery shoppers to look for especially good pork buys during February and March. And continuing good supplies of pork in coming months can be expected since Texas hog producers have indicated that farrowing should increase during the next six months.

effectively participate in the Democratic Party delegate selection process, so that their viewpoints can be heard in selecting the Democratic presidential candidate. It is an expanded program to also bring all participating Democrats up-to-date as to the new rules and techniques to be utilized in the political process this year. As a consequence, all County Chairmen and Precinct Chairmen are invited to attend. The topics will be the new

presidential primary; new rules as related to precinct and county conventions; precinct organization; the new voter registration law; and the use of campaign volunteers. Stenholm pointed out that this is the first program of its type in the history of the Democratic Party of Texas, and is a massive program to encourage participation by the grass roots Democrats and the traditionally under-represented minorities to train them to be effective political participants.

Former Lockneyite To Be On TV

David Roberson, a 1959 graduate of Lockney High School, is a member of the Fort Stockton team that will be appearing in the ABC program "Almost Anything Goes" Saturday, March 27. Roberson is the son of Mr. and Mrs. Roach Perry of Lockney. His grandparents are Mrs. Sue Arrick of Plainview and G. C. Perry of Lockney. Mrs. Roberson is

the former Frances Stapp, daughter of Mr. and Mrs. Clyde Stapp of Lockney. "Almost Anything Goes" is a wacky game-type program, with teams from three towns pitted against one another for a state or regional championship. Fort Stockton, Pecos and Monahans teams competed earlier this month in Monahans. Film of the event will make up the "Almost Anything Goes" program March 27. It will be locally on channel 28 from 7 to 8 p.m. David Roberson is a border patrolman. He and his wife are parents of Robbie, 13 years old, and Rebecca, 11 years old.

Barbara Marcie, Michael Thaxton

May Wedding Planned By Miss Marcie, And Michael Thaxton

Mr. and Mrs. Frank J. Marcie of San Antonio announce the engagement of their daughter, Barbara, to Michael Thaxton, son of Mr. and Mrs. Fred Thaxton of Floydada.

Miss Marcie is a graduate of East Central High School and is presently attending San Antonio College. Her fiancée, a May 1975 graduate of Texas Tech University, is with General Telephone & Electronics Corporation's Financial Executive Development Program.

The couple is planning a May wedding at Annunciation Church in St. Hedwig, Texas.

Alpha Mu Delta Chapter Meets

Alpha Mu Delta, Floydada chapter of Beta Sigma Phi met March 16 in the Plainview Savings and Loan meeting room with Kaye Finley and Brenda Watson serving refreshments of punch and cupcakes using a bicentennial theme.

Mrs. Watson was in charge of the meeting during which committee reports were given. Thank-you notes were sent to those who assisted with the Little Miss Bicentennial Pageant, and plans were discussed concerning what the chapter would do for Old Settlers Day.

Each member attending brought a "silly sack" and they were sold for a \$1 each. Contents of the sacks will be worn at the next regular meeting, April 6.

Vickie Allen read the "Heritage Heartbeat," a short reading on women sent from the International office. Kaye Finley then gave information on the cystic fibrosis drive the chapter will sponsor in April.

Election of new officers was then conducted by Mrs. Watson by nominations and secret ballots. New officers include Becky Pingleton, president; Barbara Kock, vice-president; Kaye Finley, recording secretary; Brenda Watson, corresponding secretary; and Kaye Powell, treasurer.

Dixie Harris presented a box of candy to the chapter as a way of announcing that she and her husband would be parents of a new arrival in August.

Present for the meeting were Vickie Allen, Debbie Bertrand, Lynn Daniel, Kaye Finley, Dixie Harris, Donna Henderson, Ilene Kendrick, Barbara Koch, Jo Ann Patterson, Becky

Rev. and Mrs. Clampitt Honored On Anniversary

Members of the Victory Baptist Church honored their pastor and his wife, Rev. and Mrs. Emmitt Clampitt with a surprise party on the couple's 25th wedding anniversary March 17th. They presented Rev. and Mrs. Clampitt with a china tea service engraved

with "Happy 25th Anniversary."

The Clampitt children, Mr. and Mrs. David Hale and Michael, Kathy Clampitt and Don Quisenberry treated the honored couple with dinner and an evening out, then presented them with a silver coffee service.

Floydada-Lockney Senior Citizens Will Meet March 24th

Senior citizens of Floydada will meet Wednesday, March 24th at 11:00 a.m. in Lighthouse Electric for their regular monthly gathering. Lockney Senior Citizens will be special guests.

There will be a program at

the noon hour. Members are asked to bring a covered dish for the lunch hour; also bring games and wear name

tags. They are hoping for a good crowd to welcome the Lockney guest.

Mrs. Tye Hosts Mary Martha Class Meeting

Mrs. Jessie Tye was hostess for the March meeting of Mary Martha Sunday School class of Lockney First Baptist Church when they met Wednes-

Pingleton, Kaye Powell, Sue Sue, Teresa Whittle and Brenda Watson.

day morning in her home. The meeting was opened with a prayer by Mrs. Juanita Jenkins.

Mrs. Ruth Mitchell brought the devotional on "Love The Greatest Thing." Her scripture was taken from I Corinthians 13. Ora Brown closed with prayer.

A guest, Mrs. Fred Ulrich of Milwaukee, Wisconsin, and the following members attended: Mmes Melba Atkins, Ora Brown, Juanita Jenkins, Ruth Mitchell, Agnes Frizzell, Bernice Reynolds and Jessie Tye.

Study Club Meets In Teeter Home

Members of the Il Penseroso Junior Study Club met March 16 at 7:30 p.m. in the home of Mrs. Eddie Teeter. The meeting was called to order by Mrs. Delvin Bybee; Mrs. Eddie Teeter led the group in a prayer; Mrs. Jerry Perry read a bicentennial poem. Mrs. Jack Whittington, program chairman, introduced three students who shared their UIL competition work. The students were Todd Burleson, Wade Jackson, and Ronee Thornton, children of club members. Special guests introduced were principals of the Lockney Independent School System: Mr. R. L. Knox of High School, Mr. W. H. Hallmark of Junior High, and Mr. Weldon Dodson from the Elementary. These men gave information on their schools, the students, etc. and answered questions from club members.

Refreshments were served by Mrs. Jack Whittington. Guests and members enjoyed a cake and green punch with the St. Patrick Day theme prevailing.

Mrs. Sheryl Bybee presided over the business. Results from the Texas Federation of Women's Club district meeting were announced. There were as follows: Mrs. Audrey McCormick won 3rd on her Federation Day program; Mrs. Kenneth Holt, 3rd place in Conservation; Mrs. Jack Whittington, 3rd in Education and 2nd in Learning Disabilities; Mrs. Jerry Cawley, 1st place in Home Life; Mrs. Dwight Jackson, 3rd place in International Affairs; Mrs. Van Bradley a 1st place in The Arts; Mrs. Rickey Mosley, 1st in Bicentennial American Heritage; Mrs. J. T. Terrell, 1st in District Department Report and she

was also named Poet Laureate. The Year Book won a 1st prize ribbon and two members won in the district arts and crafts exhibit.

Plans were made for attending the State Convention in April at Lubbock. A thank you note was read from the school libraries thanking Il Penseroso for all the books and magazines collected and given to them recently.

Club members are to begin making two Bicentennial quilts at the next meeting. Each is to be responsible for making two squares.

Members present were:

Billy Osborn, Christene Barton

Christene Barton, Billy Will Repeat Vows May

El Progreso Has Americanism Program

El Progreso Study Club met in the home of Arla Copeland recently for an Americanism program.

After roll call and a short business meeting, presided over by Bobbie Kellison, a program on our American heritage was presented.

Hazel Johnson gave a short paper on ways patriotism is taught in our schools, concluding by read

ing a poem by Joyce Kilmer, "The Virginal."

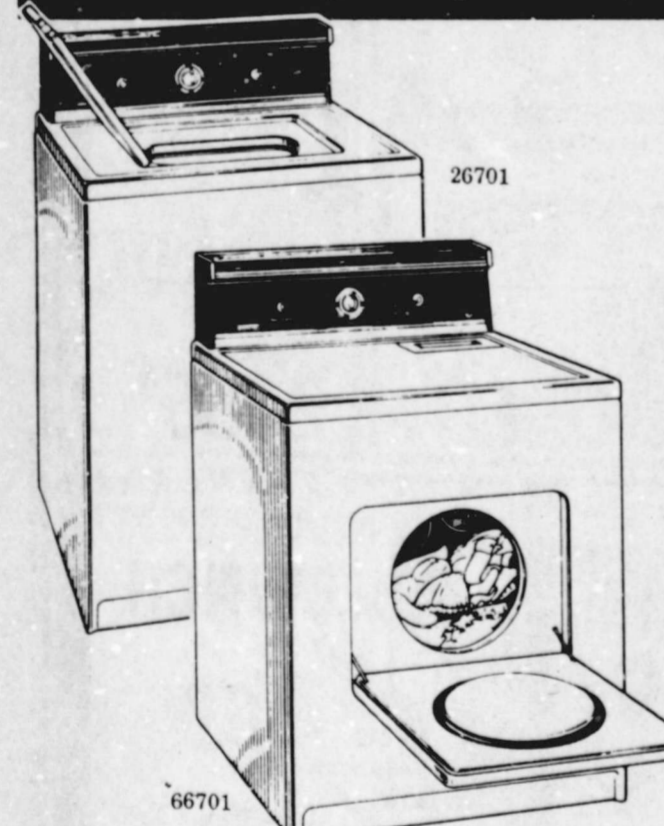

Very appropriate reading was "Flat Top Mountain" by Delow. There is no way to be seriously involved in our country's history for our country's history.

Refreshments were served by Bobbie Kellison, Pauline Smith, Faye Johnson and Virginia Taylor.

What One Person Can Do

"If you haven't already met her," Judge Jack Etheridge tells prospective jurors, "you'll soon get to know the country's greatest den mother Mrs. Lillian Witcher. She's a wonderful person and does a great job. You're going to find Mrs. Witcher to be very helpful."

Mrs. Witcher's "den" isn't a Cub Scout troop. It's the Jury Assembly Room of Georgia's Fulton Superior Court. Each Monday morning the slender woman with gray hair and black-rimmed glasses has about 225 prospective jurors ready and waiting to be dispatched as needed to various courtrooms. She must summon citizens to jury duty, evaluate their excuses for begging off, and see that those waiting to be called are kept as content as possible.

"They're going to give me a mike..." she says of her duties in the assembly room, "but on my contact with my jurors, I rather go out there. I think personal contact means everything... They like that personal touch."

Her main job, she explains, is simply to help people handle the boring hours of waiting. "I just go in there and try to keep them happy," she says.

Mrs. Witcher, who is 65, tells her bosses, the 11 Superior Court Judges, that she's going to retire one of these days. But they won't hear of it. "They just say, 'Go back to work,'" she chuckles.

Lillian Witcher says it's her love for people that makes her so good at her job. She's probably right. And, you know, you don't have to take a Civil Service exam to be able to love people.

The CB club is a non-profitable organization and is designed to develop a better C-B-ing community.

OBITUARIES

David Hendrickson

Months ago when 15 year old David Hendrickson left his friends at Levelland Junior High School he carried with him their support in his battle with cancer. Wednesday the announcement of David's death and a memorial award in his honor fell upon a hushed assembly.

David's death was the second untimely one in the Hendrickson family in recent years. His father, Capt. Alan E. Hendrickson, was shot down over South Vietnam in 1967.

Friday David was laid to rest beside his father in the Fort Sam Houston National Cemetery in San Antonio.

David's mother, the former Betty Stewart, who lived in Floydada prior to her marriage, was with him in San Antonio in Wilford Hall Hospital at Lackland AFB. David had asked that he remain in the ward of the hospital despite the practice of moving terminal patients to private rooms.

David shared an interest with his father in planes and often watched the arrival and departure of the base aircrafts at Lackland. In addition to being a member of the Levelland Junior High School band, David was a member of the National Honor Society, the Order of the Arrow, the Boy Scouts, and the First Baptist Church.

His two brothers, Randy, 16, and Gordon, 13, remained in Levelland attending school and staying with their grandmother, Mrs. Arthur Stewart, also a former Floydada resident.

Levelland school officials said that each year a ninth grade student showing the same characteristics David did in scholarship, honesty, citizenship, leadership, and bravery, will have his or her name engraved beneath David's name on a plaque hanging in the school's hallway.

Graveside services for David were held in San Antonio prior to internment. He was a great nephew of Mrs. Travis Collins and a second cousin to J.W. Cannon, both of Floydada.

Survivors other than his mother, brothers and maternal grandmother are his paternal grandparents, Mr. and Mrs. Paul Hendrickson of Levelland.

Mrs. Hill

Services for Mrs. Eva Elizabeth Hill, 87 year old Hedley resident, and grandmother of Mrs. Corky Guffee of Floydada, will be held at 2:30 p.m. Sunday in the First Baptist Church in Hedley. Mrs. Hill died Thursday.

A native of Lancaster, Tennessee, Mrs. Hill moved to Donley County in 1902. She was a member of the

Survivors include a son, William of Dallas; a daughter, Mrs. Edith Cunningham of Enid, Oklahoma; 11 grandchildren; 22 great grandchildren and four great granddaughters.

McLendon

Services for Howard Harden McLendon, 58, a Lockney barber, were scheduled at 3 p.m. Saturday in the Assembly of God Church in Lockney with the Rev. J. J. Ashley of Stratford officiating.

Burial was in Lockney Cemetery under the direction of Carter Funeral Home.

McLendon, a native of Mendenhall, Miss., died at 9 p.m. Wednesday in Lockney General Hospital after an apparent heart attack. He was a member of the Veterans of Foreign Wars chapter of Floydada and the American Legion. He had lived in Lockney 28 years.

Survivors include his wife,

Rosie Hartley

Services for Rosie Lee Hartley, 84, of Lockney, were held Saturday in the First Baptist Church in Lockney with the Rev. John Jenkins, pastor, officiating.

Burial was in Memorial Park Cemetery in Plainview under the direction of Carter Funeral Home of Lockney. Mrs. Hartley died at 11:20 a.m. Wednesday in Lockney General Hospital following a lengthy illness.

She was a native of Collins County where she also married William Reed Hartley Nov. 17, 1907.

Survivors include her husband; three sons, W. K. of Pampa, the Rev. Lenard A. of Odessa and Edgar A. of Hereford; two daughters, Mrs. Mary Ann Ebeling and Mrs. Leona Jameson, both of Plainview; two sisters, Mrs. Dollie Wakefield of Pampa, and Mrs. Ettie Langston of Princeton; 14 grandchildren; and 12 great-grandchildren.

E. C. Baker

Rites for Engram Cornelious Baker Sr., 71 year old former Floydada resident, were held March 8th in Calvary Baptist Church in Oroville, California. Baker passed away March 4 at his home, 2190 16th, in Oroville.

Born July 11, 1905 in Texas, Baker came to

"Energy For Agriculture" Meeting March 30

LUBBOCK - Energy for agriculture will be the theme of the annual meeting of the South Plains Development Program set for Tuesday, March 30 at South Park Inn in Lubbock.

Discussions will center around current problems, trends and future outlook associated with the supply and demand for energy in agriculture.

Headline of the lineup of speakers will be representatives of Southwestern Public Service Company, Lighthouse Electric Cooperative, Pioneer Natural Gas Company and Exxon Oil Company, plus the associate director of the Texas Agricultural Extension Service.

The South Plains Development Program (SPD) is a volunteer organization composed of members of county program building committee members and resource persons from throughout the South Plains.

The one-day meeting will include a morning session beginning at 10:00 in which task forces for cotton, feed grains, swine and family living will convene, and an afternoon session getting underway at 1:15 which includes a special panel on energy.

According to Billy C. Gunter, district agent for the Texas Agricultural Extension Service, the annual meeting brings together agriculture leaders to review progress of South Plains agriculture and how current problems and needs should be met.

"This region," said Gunter, "is an intensely cultivated, productive agricultural area that is the standard by which many other agricultural areas are measured, this agricultural has evolved because of the

desirable physical characteristics of the land, the endurance of the inhabitants, and favorable economic factors.

"Plentiful, inexpensive energy for agriculture has played a significant role in the development of large-scale commercial crop farms. Recent substantial increases in energy costs have spurred concern for agriculturalists, since this area is dependent upon intensive utilization of energy to maintain the current level of agricultural productivity."

Dr. Daniel C. Pfannstiel, associate director for the Extension Service at College Station, will provide the opening address entitled, "Texas Agriculture - A Proud Achievement." Marvin Sartin, area Extension economist in farm management, Lubbock, will discuss the role of pump efficiency in reducing irrigation costs. He will be followed by the four-member panel on "Energy for Agriculture - Current Problems and Future Outlook." Moderating the panel will be Lee Roy Colgan, Dawson County Extension agent.

Panel members include Bill Helton, manager of industrial development, Southwestern Public Service Company, Amarillo; Alton Higginbotham, manager of Lighthouse Electric Cooperative, Floydada; Harry Walden, vice-president of Pioneer Natural Gas Company, Amarillo; and Charles Wyatt, distributor relations coordinator of Exxon Oil Company, Dallas.

The gathering of agricultural industry officials, businessmen and guests will hear a presentation on food prices by Dr. William J. Vastine, Extension Service economist from College Station.

The afternoon portion of

the event will be chaired by S.M. True of Plainview, chairman of the SPD program.

SPD task forces, said Gunter, are made up of leaders in cotton, feed grains, and swine industries. In their deliberations they will focus primarily on current achievements, problems and concerns of their respective industries.

The feed grain task force is newly formed entity of SPD, reflecting the increasing importance of corn and sorghum in the South Plains area. County Extension agents, farmers, program building committee chairmen and industry officials will be among those involved. Interested citizens from throughout the South Plains are encouraged to attend the task force meeting of their choice.

Sponsoring the annual meeting are the county program building committees of SPD, the Texas Agricultural Extension Service and Texas A&M University System.

The 19-county SPD area extends from Floyd, Hale, Lamb and Bailey counties southward to Midland, Andrews, Howard and Martin counties. The organization was founded in 1965 to promote the economic growth of the South Plains area through increased agricultural production.

Sorghum Producers Challenged To Finance Overseas Market Promotion

LUBBOCK, TEXAS... Grain sorghum producers from a five-state area laid groundwork for a \$1 million membership drive to promote their crop during the annual meeting of Grain Sorghum Producers Association here last week. (March 12).

A. W. (Dub) Anthony, Jr. of Friona, Texas, president of the national commodity organization, pointed out that grain sorghum farmers spend only about \$25,000 annually for overseas market development for a crop valued at nearly \$2 billion. He said that 10 cents an acre, or a minimum \$10 GSPA membership, would raise the necessary funds to continue and expand overseas markets.

Anthony added that until farmers accept the responsibility for promoting their own crop and educating potential customers, they cannot achieve their fair share of the nation's economy. "Just the price of a cup of coffee per acre will open new markets for the grain sorghum producer," he said.

His remarks followed an address by Hubert Dyke, vice president of the U.S. Feed Grains Council, during which grain sorghum farmers were warned not to become complacent in the light of growing overseas markets.

Even with a tripling of feed grain exports over the past 15 years to a current annual value of \$5 billion, foreign markets cannot be developed and maintained without producer support, Dyke said.

"Now that one acre out of three goes into exports... most of our farmers think they can produce fence to fence to the limit of their ability, and the overseas markets will keep on growing all by themselves," the USFGC executive said.

But Dyke cautioned that the present policy of full production without acreage limitations puts the farmer in the position of being just a bumper crop away from a price-depressing surplus.

During the afternoon business session, members re-elected the current executive committee members. They are Anthony, president; Mabry Foreman of Felt, Okla., first vice president; K. B. Parish of Springlake, Texas, secretary-treasurer; Melvin Barton of Dimmitt, Texas, John A. Smith of Cameron, Texas, Larry Abeldt of Hope, Kansas and J. L. Massey of Robstown, Texas, vice presidents.

In other business, GSPA members adopted several resolutions of policy for the coming year. In addition to the GSPA membership campaign, members voted also to:

Support legislation that would adequately fund a federal regulatory agency to assure complete confidence in the grain grading system.

Seek enabling legislation that would "allow producers of any commodity to join in a marketing program to help maintain the price of the commodity at the parity level while still providing a systematic flow into the market and not cause undue hardships on the general consumer."

Support legislation that would require the President to establish a government loan of 100 percent of parity on any commodity placed under export restriction.

Continue to work for legislation that would establish the commodity loan program at levels equal to the national cost of production and target prices at a minimum of 90 percent of parity.

Continue to work with state and federal agencies and private industry for adequate supplies of energy at justifiable prices in order to produce necessary food

Count The Cost ... Some Are Up, But Most Are Down ... Texas Red Meat Production Increases ... Farm Labor Constant.

Count the cost is an old Biblical admonition, and it is also being followed by the Texas Crop and Livestock Reporting Service relating to costs of production of beef cattle and hogs.

The state's hog and cattle producers are being included in a nationwide survey to gather information to help indicate the cost to farmers for producing beef cattle and swine.

The program, now underway, will contain information via personal interviews about farmers' expenditures for livestock, feed, equipment, energy, facilities, interest, taxes, cash wages, and repairs.

Production costs vary from one individual operation to another, but the survey should give some valuable general cost-of-production figures. All information provided by individual farmers will be kept confidential, and only regional and national summaries will be published.

SOME ARE UP, but most are down; that's the conclusion you reach when you read the farm price situation for Texas farmers. Only two commodities - oats and mohair - are above parity. However, wheat, sorghum, and some classes of livestock are above levels of a year ago. That isn't as good as it sounds, however, since those commodities are still well below parity.

Parity for the month is 72, the same as a year ago. Wheat as of the middle of February was averaging \$3.66 per bushel in the state; that's up 26 cents from a month ago, but still \$1.20 per bushel below parity.

Sorghum averaged \$4.13 per hundredweight; that's three cents higher than a month ago, and is \$1.32 below parity.

Cotton averaged 43.2 cents per pound; that's down 2.3 cents from a month ago and is a whopping 35 cents below parity.

Hog and lamb prices are below a year ago, but beef cattle, calves, and sheep are above year ago averages.

Broiler prices are a penny per pound higher than a month ago; egg prices are about two cents per dozen lower than last month.

RED MEAT PRODUCTION in Texas increased a whopping 27 per cent from a year ago to total 308,700,000

ings treated with Acid. This brought the total treated for the year 1,457.73 and 14,815.35 acres all weeds treated since the District was organized.

The District will not be mailing Annual Reports to the landowners this year as has been done in the past, anyone wanting a copy of the Annual Report may contact the District Office.

It shall be the duty of the Commissioners Court to comply with the control measures on right of ways of all public roads and other public lands within the District. The terms of Paul Schacht and Ray Ford expire this April 30. They are Directors representing Precinct 2 and Precinct 3 respectively. The following men have been selected as nominees, Joe Neil Rexrode, and John T. (Buster) Terrell for Precinct 2. E.P. Pritchett and Gerald Lackey Precinct 3. All of these names are included on the same postcard ballot, you are asked to vote for one man in the Precinct in which you reside. Please return the ballot to the Weed District Office by April 10.

pounds. Nationwide, however, red meat production is down ten per cent less than a year ago and about the same as two years ago.

Pork production, however, was 14 per cent higher than a year ago.

THE FARM LABOR FORCE in Texas is unchanged from a year ago. The agricultural farms and ranches in the state numbered 252,000, a decrease of two per cent from a year ago.

Farm and ranch operators and unpaid family workers totaled 159,000 down one per cent from a year ago.

The number of hired workers, at 66,000, is up one per cent from a year ago.

From the driver's viewpoint... if an accident occurred, only the court could decide if the driver was liable and he was properly insured, both would be protected. It is advisable to carry Medical Payments Insurance. It is added to an Automobile Liability Policy. This will pay medical payments, up to \$5,000, for passengers who may be injured, regardless of whether your standard Automobile Policy with Coverage would pay your medical costs regarding passengers. As in all cases coverage falls first with the automobile, your primary protection would come from the automobile.

Win Our Bicentennial

Identity Contest

\$5000

Shopping in Floydada helps it grow by creating more employment and less property tax. Helps our churches and schools. Everyone in Floydada will be benefited.

\$3500

I like to live and shop in Floydada because it is a small town with such considerate and friendly people and it is my hometown.

\$1500

I like to shop in Floydada because the people are friendly, and we know everybody and the city tax can be used here in Floydada.

DORIS JEAN PIPKIN
SPEARMAN, TEXAS

Mrs. Pipkin was asked why she preferred to shop Thriftway while on a recent visit to the store. Here's what she had to say: "I enjoy getting the bargains and shopping in a nice clean store. I also enjoy visiting with the personnel, they are just like home folks."
In future weeks we will be asking a lot of our customers throughout Texas, New Mexico and Oklahoma why they shop Thriftway where you are always a "TOTAL SAVER."
