Whirlwinds Take On More Bobcats

The Fighting Whirlwinds!

Whirlwinds display District and Bidistrict trophies at practice Monday afternoon.

By Wendell Tooley
 The dye is cast....Floydada takes on Childress Friday night at 7:30 in Amarillo, the Dick Bivens stadium.... the reward....Regional Football Championship.

Floydada goes into the contest with a 7-3-1 record, the Bobcats with a perfect 11-0. The Bobcats are ranked first in state by UPI and third by AP of all AA schools in the state.

The 16-14 Childress win over Spearman last Friday night gives the Bobcats six bi-district championships in the last seven years. Last year Childress lost in the state finals to La Grange 27-6.

All of this looks pretty impressive.... but the Whirlwind's philosophy is "the bigger they are, the harder they fall"....and they continue to improve each week. Last week they played almost flawless football in taking the Dimmitt Bobcats out of the running 29-8.

DIRECTIONS TO STADIUM

Going from Canyon north on the expressway, turn east on I-40 as you enter Amarillo....go east on I-40 until you hit the Nelson exit....go north

about five blocks, the stadium is on your right....Whirlwinds sit on the home side, or west side of the stadium. Admission is \$3.00 for adults \$1.50 for students. If you miss the Nelson exit....exit at the next one, which is Grand and go north to tenth street and then back left to the stadium.

CHILDRESS

Bobcat quarterback Ricky Collinsworth a 140 pound senior, plenty fast and a good passer. Fullback Jeff Smith is only 150, but plenty of speed. He's a senior has made a lot of points this season. They have an extremely fast backfield.

Number 52, Lynn Neighbors, is a senior, and center....very quick and strong. For size the Bobcats have tackles Richard Inmall, 215; Gary Shelton 205.

The Bobcats' colors are blue and white.

In the Spearman game Ricky Smith made the first TD, Collinsworth ran over two extra points, passed to Rusty Riddell for two more, also made a TD. Number 22, Riddell has pulled in a lot of pass receptions this year, he's a 156

pound senior. Number 32, Chuck Weaver, 157 pound senior, also catches a lot of Collinsworth passes.

In the Childress game Ricky Smith ran 17 times for 65 yards....he also kicks-off.

WHEAT PRODUCERS are getting 50% of their 1976 crop at low price and the October report indicated the largest amount of wheat on hand since 1961. The farmer is free, he has no allotment plan, so the farmers have sowed as much or more than last year. Each farmer should plant less wheat in order to let the supply-demand ratio get so the price can come up. However, he fears if he cuts his acreage his neighbors may not cut theirs. Or, if Texas farmers cut acreage, the dryland big wheat in Kansas may increase.

Farmer, bless his heart, is one of the few industries that keeps overpriced. He has become so efficient, he produces more products than he needs. In most industries there is a big production. Not so in farming, his reward is low price, and high costs of producing a big crop.

We can look at cotton, which is a high price. Next year the farmers will raise their cotton acreage....and lower the price as supply and demand.

Farmer still needs allotment either from the government or from farm organizations. I'm sure he needs, however, one of the elements of being a farmer independent....he makes his own decisions.

SEE SEVERAL similarities in the Childress game Friday night.... Childress game of 1972: There were boys on each team....John and Mike and Todd....Marc and Smitherman....Jay and Jon. The games led into both Big Games, as we tied Tulia in 1972 this year. Both the 1972 and 1973 games were not picked to win.

To refresh your memory, in the Childress-Floydada game for the crown the Whirlwinds were downed....only 18 seconds left in the game fans leaving the stadium it was their champion quarterback John Cagle who passed to Mike Hale in the end zone TD and Rance Young kicked the extra point. Floydada won the championship 13-10....Childress went into shock!

SEE GREAT FOOTBALL went into last weekend's game and only one team, the Floydada Whirlwinds, retained its greatness. I haven't given up on the Whirlwinds or Texas Tech.

Whirlwinds face another bunch this Friday night....and these Childress may be a little better than what Dimmitt had

scored a 21-7 score with Dimmitt since the Childress Bobcats were easily turned into a bunch of "beats"....I look for the Whirlwinds to have their hands full. You know that the Whirlwinds want a national victory real mucho, so, a close 14-13 Whirlwind

one man can solve the world's problems and he always seems to sit on the bus.

Fred Cardinal Floyd Sheriff

The Commissioners Court unanimously appointed Dougherty farmer Fred Cardinal sheriff of Floyd county in a called meeting in the courthouse Monday morning.

Fred Cardinal

Cardinal has 11 years of experience as a Floyd deputy and had run for the office two times, coming in third the first time and second to sheriff Bud Rainey this past May.

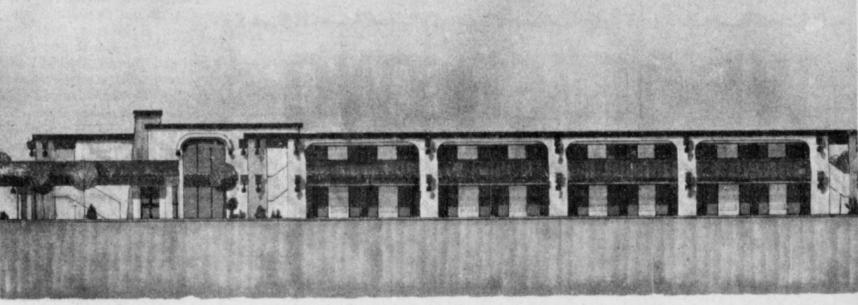

Rainey's resignation is effective Tuesday, November 30.

Cardinal told a Hesperian reporter Monday, I appreciate the opportunity to serve the people of this county, I thank the judge and commissioners for appointing me, and I will do my best to make a good sheriff.

The appointment is for a two year period and the salary beginning in January is \$822 per month plus 15 cents per mile for use of car.

Cardinal has also filled in for city police and the sheriff several times. He has a son, Louis Reed, who is a highway patrolman.

Four men had applied for the sheriff's appointment: Cardinal, Bill Dawson, C. L. McKay and Connie Reed. Dawson is Texas highway patrolman, who works out of the Floyd courthouse and area courthouses in the driver's license division. He has been in law enforcement about seven years. Cardinal said he would announce selection of his deputies later.

FLOYDADA MOTEL, which will be built on the Ralls highway just west of Reed Ford. Architect's sketch shows a two story structure complete with 32 units, lounge, office and other features. Bids are to be opened next month for construction to begin in January.

Floydada Merchants Giving \$350

Floydada merchants will be giving an early Christmas present to some lucky person December 4. What is the gift?...\$350 cash!

This is one way Floydada merchants show their appreciation for your business and is also the kick-off for Christmas shopping in Floydada.

The Sunday Hesperian will feature a shopper's guide of bargains good Monday through Saturday, and registration boxes for the big \$350 will also be in each store.

You do not need to be present, no purchase necessary to win, but you must be 16 or older to register. Merchants participating in the big Christmas Gift giveaway include:

- Hale's Dept. Store, Hagood's, Beall's, Kirk & Sons, City Auto Inc., Reed Ford & Mercury Sales, Oden Chevrolet-Olds, McDonald Imp., Russell's Equip-

ment, Ponderosa Retail Meat Co., Arwine Drug, Thompson Pharmacy, Soloman Jewelry, Mize T.V., Betty's Place, The Loft Western Wear, Dyson Boot Shop, Perry's, Caprock Auto Parts, C & J Floral, Sears, Case Power & Equipment, Azteca Cafe & Azteca #2, L & J Food Mart, Piggly Wiggly, Buddy's Food, Parker Studio, Dairy Queen, Mr. Burger, Park Florist, and Hesperian Office Supply.

Floydada And Lockney

Receive Sales Tax Checks

AUSTIN-Comptroller Bob Bullock announced that his office mailed checks totaling \$13.2 million Monday to 640 Texas cities as their November rebate of the one-cent city sales tax.

Bullock said this raises to \$252.2 million the amount that the cities have received in rebates this calendar year, an increase of \$28.5 million-or nearly 13 percent-over the same period a year ago.

"This increase in consumer spending is a good sign that the Texas economy is on the right track," Bullock said.

The rebate checks ranged from \$2,532,776 for the City of Houston to \$501.38 to Springtown.

The city sales tax is collected along with the state sales tax by retailers. The Comptroller's Office rebates to the cities their share on a monthly basis. Floydada received \$3,619.75, Lock-

ney \$1,205.45, Crosbyton \$1,309.02, Dimmitt \$15,563.20, Olton \$2,165.78, Ralls \$2,830.32, Tulia \$6,449.87.

The Red Candle Hex

The week of Nov. 22-26 has been declared "Hex Out Childress Week" by the Whirlwinds of Floydada High School.

The history of the hex is as follows: (1941) The University of Texas hadn't downed Texas A & M at Kyle Field in 18 years. A fortune teller (named Madame Hippie) had a dream one night and foresaw a method by which to break this jinx--burn red candles. Everyone everywhere in the city of Austin burned candles all that week. Needless to say, Texas won. The candle burning trick was again put into practice against Baylor and Southern Methodist, Texas again defeating them both.

The red candle hex has been proven time and time again to work and has the most power the first time used. We, the Fighting Whirlwinds of F.H.S. are going to attempt the biggest hex on Childress they have ever seen. To do this, we need 100% cooperation of all the Floydada residents and surrounding area.

- The rules are: (1) A red candle must be bought and placed in a window (preferably seen from the street.) (2) The candle will burn from 9:30 on Monday, Tuesday, Wednesday, and for one hour on the night before the game from 9-10.

It everyone does it, there is no way the Whirlwinds can lose, so buy your candles as soon as possible.

Turkey Winners

Fifteen happy persons received free turkeys from Floydada merchants Tuesday after drawing Monday afternoon.

- The winners are: C & J Floral-Pete Hickerson, Thompson Pharmacy - C.E. Wright, Wilson & Son-Builders Mart - Levis Gilliland, Buddy's Food - John McKinney, Arwine Drug - Mrs. Fred Cardinal, Hale's Dept. Store - Mr. B.W. Cox, Lockney, Reed Ford & Mercury Sales - Mrs. Joe Davis, L & J Food - Wade Warren, Piggly Wiggly - Maxine Cantrell, Davis Farm Supply, Inc. - Elbert Parks, Ponderosa Retail Meat Co. - Mrs. Fred Stewart, City Auto - Alan Cochran, Oden's Chevrolet-Olds - Levis Gilliland, Mr. Burger - Clara Reed, and Producer Co-op Elevator - Davis Campbell.

HOW DO CHILDREN LEARN? This third grade Department of First Baptist Church learn by doing. They had an authentic Thanksgiving Sunday morning. Pilgrims dressed in their finest, and seated in a truly authentic manner. They invited their new friends, the Indians. First they enjoyed program and songs of Thanksgiving, a Bible reading, a Thanksgiving Story and prayer, and the feast of corn, sour dough bread, beans, squash, nuts, apples, cranberries and pumpkin pie. During the meal everyone talked about the good harvest, warm homes, nice churches, wonderful friends, nice parents and God's Goodness to us during the year. Pictured with the Pilgrims, left to right, Clarence Denton, teacher; Mrs. R. G. Dunlap, director; Mrs. W. H. Simpson Jr., Mrs. Clem McDonald, Mrs. Jerry Thompson and Mrs. Wesley Grancy, teachers. Several youngsters attending cannot be seen in the picture as well as another teacher, Frances Mitchell who was present.

Cedar Hill News

By Grace Lemons

CEDAR HILL: Again the weather is permissible for strippers to proceed in the field, but many fields have already been stripped.

Services for Cruz Guzman Santos, who was killed in a auto accident at Cedar Hill Monday morning, were held at the First Baptist Church in Floydada Wednesday afternoon.

Mrs. Carl F. Lemons, Linda, Twyla and Traca attended a 3rd birthday party honoring Jessica Lemons in Lockney at the home of her parents, Mr. and Mrs. Marvin Lemons. Sandwiches, cake and ice cream were served to twelve persons.

Edna Gilly, Juanita Teeple and Clara Redd were house guests in the home of Edna's mother, Ruth Hill in Amarillo, from Friday until

Monday.

Mr. and Mrs. Junior Taylor visited with Mr. and Mrs. Carl F. Lemons Friday evening.

Several from here attended the funeral services for Put Gilbert Tuesday afternoon at the Baptist Church in Flomot. John Kelly was a pall bearer.

Mr. and Mrs. L. I. Thomas returned last Sunday to the home of Mr. and Mrs. A. V. Bethel and stayed until Tuesday. They will visit relatives in Oklahoma before returning to their home in Center, Texas.

Edna Gilly and Trudi Gilly attended the bridal shower honoring Jolene Robertson, bride-elect of Kelvin Cummings at the fellowship hall in South Plains Baptist Church Friday afternoon. They

also attended the wedding at the church Saturday afternoon. Craig Gilly was a groomsmen in the wedding.

Rex Yeary, a student at Texas Tech in Lubbock, spent last weekend with Mr. and Mrs. Jack Yeary and helped his dad on the farm.

Tuesday, Mrs. Garland Tucker accompanied Rev. and Mrs. Jackie Thompson to Lockney and visited Mrs. Edna Gilly and Lewis Robertson in the nursing home and also with Mr. and Mrs. W. W. Miller. Mrs. Miller is progressing nicely after a recent illness.

Wanda DuBois and Benny Golightly visited with their parents, Mr. and Mrs. W. E. Lackey Wednesday afternoon and Mr. and Mrs. Lackey spent Friday night in the home of Mrs. Benny Golightly in Floydada.

Mrs. Callie Gilbert, twin sister of John Kelly, is improving in the Weatherford hospital after suffering a heart attack recently.

The Floyd Philosopher Thinks He Knows Why England Is Having Such Serious Economic Trouble

Editor's note: The Floyd Philosopher on his Johnson grass farm examines the British economy this week, sort of.

Dear Editor:

According to several articles I've read recently, England is in serious economic trouble and the experts don't seem to know what to do about it.

I saw something on television the other night that may indicate the source of the trouble. The Queen was shown riding in the royal carriage pulled by prancing white horses, and I got to studying the carriage itself. Did you know it's the same carriage England has been using for generations? The British haven't come out with a new model in maybe 200 years. What sort of prosperity can you create with that kind of slow-down in carriage production?

You let U.S. car manufacturers fail just one year to come out with a new model and the economic index would nose-dive. What would happen if they waited 200 years?

Also, there's another blind spot I've noticed in the British notion of what prosperity is based on. For example, one of the key signs of how the U.S. economy is

doing is the rate of new housing starts. Do you know what the rate of new castle starts in England is? Why, most of the castles over there are upwards of 1,000 years old and there hasn't been a new one built in most men's recollection. No wonder the castle building industry is blighted and its workers idle. You put these things together along with some more I don't know about and no economy can long endure.

You won't catch the U.S. falling into that situation. New models every year, that's the key to success, but we don't just stop there, we don't overlook any possibilities for more jobs. For example, even before industry comes out with a new appliance, it already has trained other people how to repair it.

Actually we've slipped up in only one industry. That's the plumbing industry. It's been asleep. Think how much business could be generated if the plumbing industry was as smart as the car industry and persuaded people they ought to change bathtub models every year. Why hasn't it been asking, Do you want your guests to see you're still using year-before-last's bathtub. Don't you know white is out this year and green is in? You want the U.S. to go the way of England?

Your faithfully,
J. A.

Dangers Of Too Much Vitamin C

COLLEGE STATION—Massive doses of Vitamin C may not be all good, Mrs. Sally Coble, a foods and nutrition specialist, contends.

"A vitamin is a substance vital to the body in small amounts—but those who advise 'megavitamin therapy' are speaking of amounts sometimes 1,000 times greater than individual requirements for the vitamin," she explained.

Mrs. Coble is with the Texas Agricultural Extension Service, The Texas A&M University System.

"Although there is some evidence that Vitamin C may have an antihistaminic effect, there is nothing conclusive that this kills the cold virus.

"Large doses of Vitamin C can produce 'rebound scurvy.' When one takes megadoses, the body machinery for destroying C is speeded up and will continue to function at high speed when one goes back to

normal intakes. "Symptoms of scurvy which might develop include bleeding and swollen gums, loose teeth, muscular pain and rough skin. These symptoms are not so likely to occur in adults as in newborn babies whose mothers were taking megadoses," she noted.

Evidence also exists that megadoses of Vitamin C have some adverse effects on growing bones and tests for diabetes. Additionally, megadoses of Vitamin C may lead to the production of certain kidney stones, the specialist said.

Lockney LCC Associates Meet

Members of the Lockney Chapter of the Lubbock Christian College Associates met November 1 in the Lockney High School Home Ec. department. After the business meeting, conducted by Mrs. Jerry Klein, the president, the balance of the evening was spent in making items for the gift fair held in Lubbock. November 11 and 12. Aprons, place mats, casserole carriers and oven mits were made, also other items included art work, hand crafts and needle work were assembled for the gift fair.

Refreshments of spiced tea, coffee, finger sandwiches, pecan tarts and cheese cookies were served from silver appointments by Misses Kay McCarter and Teena Jones. The serving table was laid with white eyelet over a striped underskirt of lime green and white. Pink pixie carnations and green grapes were arranged with an etched crystal and silver hurricane lamp to form the table centerpiece.

The hostesses' gift to Miss Lawson was a set of cooking ware.

Sharing hostess duties were Mmes. G. C. Applewhite, Wayne Bramlet, Art Barker Jr., Harold Brock, Ted Carthel, Joe Cunyus, Jack Frizzell, Hubert Frizzell, M. W. Hartman, C. L. Henderson, Paul Hrbacek, C. L. King, G. E. Kellison and N. H. Gammage.

Also Mmes. Bob Miller, Tommy Montandon, Barney Manning, Bobby McCormick, W. D. Nance, D. J. Phillips, Bill Sherman, Elsie Sherman, Kelton Shaw, B. J. Terrell, Pat Wofford, Loyd Widener and Louise Widener.

Present were Mrs. Annie Lee Kellison, Mr. and Mrs. R. C. Kellison and Mr. and Mrs. G. E. Kellison and Mr. and Mrs. Buck Kellison of Lockney and a daughter Mrs. Marie Carter, a granddaughter Mrs. Charles Ivy and great-granddaughter Jill Ivy of Amarillo.

Stork news

A son, named Duncan Grady Hollums, to be called D.G. was born to Mr. and Mrs. John Randy Hollums in Caprock Hospital Saturday, November 20th, at 2:01 p.m. The baby weighed 7 lbs. at birth. He has a six year old brother, Jay. The father is district attorney for the 110th judicial district. Grandparents are Mr. and Mrs. Duncan Hollums of Floydada and Mr. and Mrs. G. H. Gay of Cleburne. Mrs. T. E. Adcock of Floydada and Mrs. Amanda Leach of Terrell are great-grandmothers.

In the U.S. today a lot of people can rely on more available nursing care.

Mary Martha Class Has Social

The Mary Martha Sunday school class of the Lockney First Baptist Church met for the monthly social, Wednesday, November 17 in Mrs. Ruth Mitchell's home.

Cornelia Johnson gave the devotional on the 4th chapter of Ephesians. Plans for the Christmas party were discussed and will be in Juanita Jenkins home December 8.

Members present were Juanita Jenkins, Ora Brown, Agnes Frizzell, Bernice Reynolds, Lou Aston, Cornelia Johnson, Ruth Mitchell, and visitors Melba Atkins, Carrie Apple and Mary Jean Moore.

Refreshments of tea, coffee, cream puffs and cheese sticks were served.

Floydada Nursing Home Happenings

By Faye Walters

When we lose someone we love.

It's hard to bear the sorrow, and it takes strength and courage to help us face tomorrow.

So may the words of others

And their true concern for you,

Help sustain you day by day

And be of comfort too.

As the rainbow is a promise

Of a new and brighter dawn,

So has God, our Father, promised

That your loved one will live on

In a place of light &

beauty
That he has set aside—
A house of many mansions
Where his loved ones will abide.

We hope these words will help in some small way to ease the sorrow Mal Jarboe's family must feel at his passing although he had only been with us a very short time everyone will surely miss him, and our sympathy goes to his wonderful family who were so good to him.

We are getting a lot of early snow, but I think most of our residents enjoy it. It makes them think of the long hard winters they had when they had when they were young men and women.

We all enjoyed the devotions this week, although some of the churches didn't get to come out we still had devotions. I'm sure they weren't as good as they would have been had they been able to be here but with Agnes Anderson to play the piano we did the best we could. We are thankful we have a talented resident who can play like Agnes.

Tuesday was manicure day and Loretta Duvak came and helped me. Everyone was so glad to see her and hope she will soon be able to come back to work.

It was just too wet under foot to take our field trip. But maybe it will be pretty next week. Sure hope so as the residents really look forward to these trips every Wednesday.

Thursday women from City Park Church of Christ gave the Birthday party of the month. They served cake and punch to all the residents, staff and visitors. Everyone had a nice time. We had four with birthdays this month. Ray Reed who was 90 years old; Fred Brown 90, Henry Love 87 and Mary Kate Daniel was 80 years old.

Our administrator and his wife, Paul and Dartha Westbrook have been gone to a

Nursing Home Convention part of this week. I know everyone will be glad to have them home again.

I want to thank Doris Drysdale for the beautiful lap robe she made.

We are very sorry Sam Hale had to go back to the hospital. We will all be thinking of him.

We appreciate all our visitors this week which included: Mrs. Dovie Rushing, Otis Anderson, Robin Galloway, Ralph & Lurine Gee, Sue Moore, Shayla & Edna Moore, Kenneth & Vickie Pitts, Mr. and Mrs. J. M. Williams, Mrs. Paul Wilson, Mr. and Mrs. E. M. Jackson, Mr. and Mrs. P. L. Hart, Mr. and Mrs. Hubert Davis, Parnell Powell, and Flora Fawver.

November may be chilly With a lot of fluffy snow... But THAT won't stop our party As the hearth fire sends it's glow!

Our Mr. Brown we're And fines them really fine!
.....
Mrs. Daniels we all love ...Her name is Mary Kate... She always looks so "spic and span" And her smile is "up to date."

Mr. Reed, a gentle man... Who serves with smiles and cheer Makes those who live about him So thankful he is here.
.....
The birthday song we must not miss... Because its party day... So sing out for these lovely folk To cheer them on their way!

The dining room was again the setting for the monthly birthday party, hosted by the women of the City Park Church of Christ. Pictures were made by the Hesperian photographer and the party was off to a good start. The table was laid with a white cloth and

CENTER: Mrs. J. E. Green has a broken arm and will not be able to write the Center News, so I will be filling in for a few months until she has mended. I know everyone wishes her a speedy recovery. Visitors in the Morris Carroll home Saturday were Mrs. Laura Fleming and

Danny Fleming. Carol Cozby spent the weekend here with her parents, Mr. and Mrs. L. B. Cozby. Carol returned Sunday to Levelland where she is a student at South Plains Junior College. Mrs. Robert Cozby and daughter, Kara accompanied her parents, Mr. and Mrs. Ray Carthel and Dara to the football game Friday and night in Hereford. On the way they visited with Mrs. Cozby's aunt, Lillian Rogers in Bovina. Mr. and Mrs. Brooks Carroll spent Friday night and Saturday with their parents, Mr. and Mrs. Morris Carroll. Brooks and Doretta have moved to Floydada from Plainview and will make their home at 214 W. Marivena. Mrs. Lucy Cozby assisted in giving the Swine Flu shots Sunday afternoon at the Massie Activity Center. Mr. and Mrs. Paul Stout, Michelle, and Natalie of Quittie visited her parents, Mr. and Mrs. Thomas Warren, Sunday. Kara Cozby spent Saturday afternoon with her grandmother Cozby while her mother was at a Tupperware party in the home of Mrs. Fred Carthel in Lockney. Roger Kirby of Layton, Texas visited this weekend in the home of Mr. and Mrs. Dale Miller. Mrs. Morris Carroll spoke on the phone recently to her mother in Paris, Texas and she reports that Paris had as lovely a snow as we did. I apologize to those of you who might have had news but whom I forgot to call. Have a safe and happy Thanksgiving.

Choral Piece Dedicated To Floydada Pioneers

He's lived all the pioneer West could throw at him. It left a twinkle in Calvin Steen's warm brown eyes and lines grown to laughter in a tanned face. Maybe, that's one reason the "West Texas Suite" by two Texas Tech

professors was dedicated to Steen and his late wife, Blanche, as typical West Texas pioneers.

He lived the dry land farming which helped put the "fields so dry, crops so rotten, even weevils won't have my cotton" into the bicentennial choral work by Drs. Everett A. Gillis and Mary J. Van Appledorn which premiered recently in Lubbock.

All the problems of weather which "won't respond to prayer and it won't go away" failed to daunt his spirit or make him lose faith in his chosen home. In fact, it was one reason he came West.

Crawling off the freight wagon on the last lap of his journey to an uncle's home, he found a small town of about 1,200 just beginning to grow up.

There were two automobiles—he thinks they were Pierce-Arrows, but isn't sure—challenging hacks, buggies and wagons for right-of-way on the trails.

"Nobody wanted to give up the road to a car and the driver didn't want to give it up to a wagon," Steen grinned.

One challenge for right-of-way, he recalled, wound up with a dead mule on a mail hack and the hack tongue through the car radiator.

It was the right-of-way of the Rock Island railroad, where Steen was building telephone lines, that road challenges turned lethal. Two teamsters hauling supplies to workers were racing when one fell overboard and broke his neck.

Steen had worked around on farms for a couple of years before signing up to "dig holes, put up posts and cross arms and string telephone wire" from Amarillo to Vernon, from Amarillo to the Oklahoma line near Shamrock and then from Amarillo to Dalhart.

He lived with other workers in tents set up in the right-of-way and caught the train into whatever town was close to "go to the picture show and maybe buy some clothes" on payday.

He was in Floydada when the train arrived in April 1910, putting an end to freight wagons rolling from the railroad at Plainview. Floydada became the railroad for other communities until rails went their way, heralding the end of freight wagons and wagon yards.

Trains were a part of his WW I service, too, particularly a little train taking him to the front in France.

It took five days crossing the country with 30 doughboys to a boxcar, sitting on bedrolls or taking turns in the open door for a bit of fresh air.

Chow time was field rations in these boxcars unless the train stopped long enough for hot food. And, there was always hot coffee waiting when the train stopped for water.

Field rations, he said, consisted of "corn Willie and hardtack which was pretty good if you were hungry enough."

His buddies in the 90th Division heavy artillery ate the "sort of corned beef hash" and dunked hardtack to make it chewable many a time with supply trucks unable to reach them.

Armistice Day, his division, expecting to start home, was called to attention to learn they "had been honored" as a part of the army of occupation going to Germany.

"We weren't supposed to go around kicking anybody, just break up gatherings and be sure they brought in all their guns and airplanes. We had big piles of stuff all over."

Back home he worked "26 years without losing a day" for a grain company. After the company closed he started farming full time on land purchased while working for wages.

In 1948, the Steens built a home just outside Floydada, a home filled with the sound of Mrs. Steen's music and paintings, things which made the house too lonely after her death.

His life is there in the land, in Floydada a few blocks away and in the memories that bring a gleam to eyes never tired of

PIONEER TYPE—Calvin Steen of Floydada has the "West Texas Suite" by Dr. Everett A. Gillis and Dr. Mary J. Van Appledorn, dedicated to Steen and his late wife, Blanche, on his farm near Floydada. The musical composition is in Monterey High School auditorium.

VA News

The nation's third GI Bill, which has provided educational assistance for 6.6 million veterans and active-duty members with military service since February 1, 1955, will not be available for persons entering the armed forces after December 31, 1976. Jack Coker, Veterans Administration Regional Office Director, said today.

The Veterans Education and Employment Assistance Act of 1976 (PL 94-502), signed into law by President Ford October 15, set the termination date for GI Bill eligibility. It also designated December 31, 1989, as the closing date for all training for those already eligible under this program, Coker said.

Offsetting the end of the GI Bill eligibility, the new law created a voluntary contributory educational assistance program for persons initially entering military service after December 31, 1976. Jointly operated by the Veterans Administration and the Department of Defense, the program will offer 36 months educational assistance entitlement with a 10-year delimiting date.

Participants in the new program may contribute \$50 to \$75 monthly from their salaries, up to a maximum of \$2,700. The contributions will be matched by the VA at the rate of \$2 for every \$1 made by the service members.

The new law also provided for an 8 percent increase in monthly allowances for all current training offered by the GI Bill, except flight training, retroactive to October 1. The basic entitlement for trainees was extended from 36 to 45 months.

Prepayment of the monthly allowances was eliminated, effective June 1, 1977. Also, after June 1, advance payment at the start of training will be permitted only at the request of the trainee and provided the school agrees to comply with the requirements of the law.

Other features of the new law include:

- Increased maximum amount for education loans from \$600 to \$1,500.

Postal service has first fund surplus

WASHINGTON (AP) — The Postal Service says its success in trimming its work force has helped it post its first surplus in four years.

Postmaster General Benjamin F. Bailar said Monday that the Postal Service's \$15 million surplus in the quarter that ended Sept. 30 means it probably will not have to raise the cost of mailing letters next year.

The government-subsidized mail agency, which lost \$1.2 billion in the fiscal year that ended last June 30, still expects to lose \$500 million in fiscal 1977, which began last month, Bailar said. But that is down from an earlier forecast of a \$1 billion loss.

"We're not out of the woods yet. Nevertheless, this is a major accomplishment," he said at a news conference called to announce the \$15 million surplus, which ended a string of quarterly deficits that stretched back to 1972.

THE POSTAL Service has lost nearly \$3 billion since it was created in 1971 to replace the old Post Office Department.

"I'm hopeful there will not be a rate increase in 1977," he said.

Bailar called the continuing reduction in the postal work force the most important factor in the surplus. More than 50,000 jobs have been eliminated through attrition

since January, 1975, and the payroll now stands at 664,000, he said.

Since labor costs account for about 86 per cent of the Postal Service's expenditures, Bailar has focused his efforts to balance the postal budget on this area. The 50,000 jobs translates into a \$900 million savings for the current fiscal year, he added.

"WE ARE GOING to keep on trying to reduce our manpower where we can do so without any drop off in service," Bailar told reporters.

Postal labor leaders congratulated Bailar on the unaccustomed surplus, but were unenthusiastic about the way it was accomplished.

Francis Filbey, president of the American Postal Workers Union, said, "We don't necessarily approve of the methods that were used in reaching this result, but they were in accordance with the contract. So we'll have to deal with that in the negotiations for the next contract."

James Rademacher, president of the National Association of Letter Carriers, said "I'm very happy that they're seeing the black side of the ledger, but the savings to some extent have been at the expense of our members. When routes are eliminated, the remaining letter carriers must absorb additional work."

4-H Members Honored

Parents, adult leaders, extension personnel and guests honored 40 outstanding 4-H youths here Monday at the annual Gold Star Banquet of District 2 of the Texas Agricultural Extension Service.

More than 400 persons attended the event at Coronado High School, sponsored each year by 12 member-owned electric cooperatives in the district.

An outstanding boy and girl from each of the 20 counties in the district were recognized for leadership, achievements and contributions to the county 4-H program.

J. R. Cobb, general manager of the Texas Electric Cooperatives Inc. in Austin, called the youths the future agricultural leaders of the High Plains because of their 4-H accomplishments.

Master of ceremonies was State Sen. Kent Hance of Lubbock. Spike Wideman, farm services director of KKYN Radio in Plainview was narrator.

District extension agents are Billy C. Gunter and Catherine B. Crawford, both of Lubbock.

The gold star boy and girl in District 2 by counties follows:

BAILEY COUNTY — Curtis Carpenter, 16, and Sharla Farmer, 16, both of Muleshoe.

Lockney Area Farmers Harvest Top Sorghum Yields

Two local area farmers were recently named mem-

bers of the DeKalb Yieldmasters Club for producing top sorghum yields in 1976.

They are Charlie Bodeker, Lockney-10632.13 lbs. per acre with DeKalb E-59+; Ronnie and Ray Aston, Lockney-8702.92 lbs. per acre with DeKalb E-59+.

All yields were mechanically harvested from a solid block measuring one or more acres, calculated on the basis of 14% moisture and verified by an impartial third party.

Bodeker's Yield
Bodeker planted the field on May 4 in 40 inch rows at 9 lbs. per acre and harvested the crop on October 18.

His fertilizer program included 141 lbs. of nitrogen and 46 lbs. of phosphate. Bodeker controlled weeds with Milo-Guard at 1 lb. per

acre and Di-Syston was used for insect control. An estimated 7 inches of rain fell on the crop from planting to harvest. Another 16 inches of water was applied through irrigation.

Concerning the hybrid's performance, Bodeker says, "I like E-59+ because the greenbugs never hurt it. It stands and yields and the harvest is good and clean. There just isn't a better hybrid for my farm. I treated it like corn and it yielded like corn."

Astons' Yield
The Astons planted the field on April 20 at 8 lbs. per acre and harvested the crop on October 5.

Their fertilizer program included 183 lbs. of nitrogen and 46 lbs. of phosphate. They controlled weeds with

Milo-Guard at 1 lb. per acre and Di-Syston and Diazinon were used for insect control. An estimated 7 inches of rain fell on the crop from planting to harvest. Another 15 inches of water was applied through irrigation.

Concerning the hybrid's performance, Ronnie Aston says, E-59 has tight heads and not very tall. Good test weight and threshability are the best characteristics. We couldn't find anything wrong

with E-59+."

The purpose of the DeKalb Yieldmasters Club is to promote an exchange of ideas and information among the nation's leading grain producers and to recognize them for their outstanding accomplishments as well as their important role in helping feed the world. Through the sharing of such information, the program also encourages farmers to adopt management and cultural practices that will aid them in obtaining maximum profit from each acre.

Whirlettes Drop Opener At Roosevelt

By Doug Simpson
The Floydada Whirlettes, despite a 15-point effort by Kathy Davis, were unable to come home victorious when they journeyed to Roosevelt on November 15, as they dropped their season opener to the Eagles by a 55-33

margin.
Davis' 15-point total proved to be the premier accomplishment on offense, while Donnette Williams contributed 5 rebounds and three thefts to lead the Whirlettes on defense. Tolya Hicker-son also pulled down 5 rebounds.

JV Whirlette Cagers Prevail At Roosevelt 45-41

By Doug Simpson
The Floydada Whirlette junior varsity squad withstood a suspenseful and action-packed finish to salvage a narrow 45-41 triumph over Roosevelt in a game played Tuesday, November 16, led by a 25-point output by Lisa West.

Forward Judi Bean backed up West with a 14-point performance, while Janie Guest closed out the scoring with a 6-point effort.
The win was also aided by the defensive efforts of guards Ronnette Kitchens, Darla Assiter, Paula Ratliff, Beverly Vickers, Caren Campbell and Susan Stovall.

Breezers Take Tulia 24-19

In a game with Tulia last week, the eighth grade Breezers eked out a 24-19

victory for the season opener. Andra Ledbetter was high scorer with 13 points.

Michael Self made eight points.
It was a come-from-behind victory....the Breezers were down 15-8 at halftime.

Mrs. L. T. Wood is planning to have Thanksgiving dinner for her family Thurs- day, with those coming, Mrs. Walter Wood, Mr. and Mrs. Glen Wood and Len, and Mr. and Mrs. James Teague and three sons from Lubbock. Mr. and Mrs. Jack McCown of Lake Whitney are spend- ing their vacation at this time in New Orleans, Louisi- ana.

Mr. and Mrs. Kendis Julian and children will host the Thanksgiving dinner for members of her family, in- cluding her parents, Mr. and Mrs. Aubrey Stewart of Floydada, and they expect her brothers, Lyndell Roberts and family of Floydada and from Ft. Worth, Mr. and Mrs. Ken Roberts and chil- dren, and the Dale Roberts and children.

Mr. and Mrs. Arby Mulder went to Amarillo Thursday to visit her daughter, Mr. and Mrs. Jerry Taylor and children. She returned home Friday, and brought her grandchild- ren, Candy and Ronnie home with her. The parents came that weekend and took them home with them, as they came back from Crosbyton.

Guests over the weekend in the home of Mr. and Mrs. Glen Wood and Len, were Mr. and Mrs. Emory Ray, their son, Taylor and Vaughn Alise, all of Montrose, Colorado, who came Friday night and left for home today, Monday. The Woods usually go to Montrose during the fall deer hunting.

Those from South Plains who went deer hunting last week at Ozona, where they have a deer hunting place, were Deral Young and Raymond Reeves that I know of. We hear that deer were scarce this year, and the men didn't get as many as they usually do.

Mr. and Mrs. David Pipes have now moved to Houston to make their home, moving there from Maryland. They arrived here Saturday for the wedding of her brother, Kelvin Cummings and Jo- lene Robertson. Another sis- ter, Mrs. Jack Gregory of Abilene and her family, ar- rived Friday for the wed- ding and the wedding on Saturday.

The wedding rehearsal supper for Miss Jolene Robert- son and Kelvin Cum-

mings was held at Fellow- ship Hall of the South Plains Baptist Church Friday night, hosted by the bride's parents, Mr. and Mrs. Ross McWilliams. There were a- round thirty-five members of the wedding party pres- ent for the supper which was catered by the Peters- burg Town and Country Catering Service, with Mrs. Stapleton and Mrs. Poole.

Marvin Wells and daugh- ter, Kay from Denton came, November 11th to visit with his mother, Mrs. E. E. Wells and with Mrs. Lillian Marble in Floydada. They returned home Sunday morn- ing.

Mr. and Mrs. Fletcher Powell and girls will be hosts at the Powell Thanksgiv- ing get together Thanksgiv- ing night.

Mr. and Mrs. Nathan Mul- der and children, Cory, Jim- my, Penny and Cindy plan to go to Clovis during the Thanksgiving holidays to visit her maternal grandpa- rents, Mr. and Mrs. W. B. Blalock.

Mr. and Mrs. Tillman Pow- ell and Sandy went to Perryton Sunday to see about their granddaughter Nicole, who was in the Perryton Hospital with pneumonia over the week- end. She is doing well at this time. The Powells returned home Monday.

Mrs. Nathan Mulder and Mrs. Odell Hamilton taught the Foreign Mission book, "School Someday," to their G. A.'s Tuesday evening, Nov. 16, from 4:00 p.m. to 7:30 p.m. at the Baptist Church. There were nine girls present with their sponsors for the study and picnic supper.

Mr. and Mrs. Frank Mc- Clure went to Houston a week ago Wednesday to spend the past week visiting their son, Mr. and Mrs. Donald McClure and family. They returned home last Monday. While in Houston they also visited with an old friend, Mrs. Nonnie Bonds.

Mr. and Mrs. Alvin Nichols have received word that Mrs. Mark Nichols of Sweetwater, a sister-in-law, has been in the Sweetwater Hospital this past week, but is reported better at this date.

The bridal shower for Miss Jolene Robertson, bride-elect of Kelvin Cum- mings, was rescheduled for this past Friday afternoon at 4:30, and held at Fellowship Hall of the Baptist Church in South Plains. Due to the snow, and bad roads, it had been cancelled earlier. Mrs.

L. T. Wood and other hos- tesses who could be there, greeted the honoree, and others who came. Hostesses were Mmes. L. T. Wood, Keith Marble, Tillman Pow- ell, Grigsby Milton Jr., Ruby Higginbotham, J. P. Taylor, E. P. Pritchett, E. J. Kinslow, Walter Wood, Glen Wood, Edna Gilly, Trudy Gilly, Kathy Wood, Bob Reeves, Arby Mulder, M. M. Julian, Hansel Sanders, El- mo Reeves, Fred Blake, Syl- vin Kinnibrugh, and Nathan Mulder. Their gift to the bride was porcelain over aluminum cooking ware. The brides colors were apricot and lime green. Pound cake and coffee were served to about thirty-five persons. Guests from out of town included her grandmother, Mrs. Dena Myrick, Floydada; her aunt, Mrs. Ruenita Robertson of Dougherty; Mrs. Paula Nelson her cousin, Floydada; Mrs. Howard Gregory, Floydada; Mrs. Kendall Cummings, Mrs. Sterling Cummings, Mrs. Mark Sanders, Mrs. Jack Gregory of Abilene; Mrs. Zach Cummings, Canyon; Mrs. Helen McLeod, and Mrs. Hilburn Casey from Lockney; Mrs. Jerry Calahan, Canyon; Mrs. A. C. Sharbutt, Denver, Colorado; Leta Morton, Plainview; Mrs. Nona Cantrell of Dougherty; Kathy Wood and Mrs. Robert Pyle, Floydada.

Miss Jolene Robertson of Floydada and Kelvin Cum- mings were united in mar-

riage at the South Plains Baptist Church Saturday, November 20, at 2 o'clock p.m. in a lovely ceremony, with a reception held later at Fellowship Hall of the church. After returning from a wedding trip they plan to make their home in the South Plains Community, where Cummings is engaged in farming. They will reside in the former home of Mr. and Mrs. Elmo Reeves. We extend best wishes to the young couple.

conversation, but hostility was deep. The police and all connected with them still loomed as a menace. He decided to try something else. He would make the station itself approachable.

"I got my first tank of fresh water fish," he said. "That was such a success that a local resident donated a couple of rare South American fish." Once-surly youths became interested in the fish.

Now, two years later, three tanks adorn an attractive sitting room. "Children come in on their way to and from school," says the sergeant, "and...because we have created a home atmosphere, adults also find it easier to approach the police station and discuss their problems or just talk."

The sergeant, a 41-year-old bachelor who cares about children, didn't stop there. Noting the sometimes hostile rivalry between children of different schools in Wah Fu, he arranged a picnic to bring them all together on a non-competitive basis. It worked so well, he's making it an annual event.

When his working day is over, Sgt. Yeung Siu-Ping often lingers to chat and eat with the residents. "The police," he says, "are treated like one of the family now."

"How do you handle hate?" - with a little imagination - and lots of love.

TEXAS JOB TALK

The state unemployment rate dipped to 5.7 per cent in July, Texas Employment Commission Chairman Harold K. Dudley has announced in Austin, adding that the rate is four-tenths of one per cent below the June figure.

"The decline follows a seasonal pattern," Dudley said. "Each year, many people looking for summer jobs remove themselves from the labor force if they have not found employment by midsummer."

"This year's July rate compares favorably with last year's July rate of 6.0 per cent," he noted.

Figures announced by Dudley showed a July labor force of 5,469,500 in Texas, with 5,156,500 people being employed. Total employment in June was 5,149,000.

"During the month, employment increased by 7,500 while unemployment decreased, resulting in the unemployment rate's decline to 5.7 per cent," Dudley commented. "The current figures indicate that Texas is in a steady economic situation as far as the labor force is concerned. We are hopeful that joblessness will continue to subside in the months ahead."

"Texas continues to run below the national unadjusted jobless rate which was 7.8 per cent for July," Dudley said.

Unemployment rates for the major labor areas in Texas include Abilene, 4.1 per cent; Amarillo, 3.5; Austin, 4.7; Beaumont-Port Arthur-Orange, 7.2; Brownsville-Harlingen-San Benito, 10.5; Corpus Christi, 6.1; Dallas-Fort Worth, 5.1; El Paso, 10.3; Galveston-Texas City, 7.3;

Also, Houston, 5.9; Laredo, 12.1; Longview-Marshall, 6.7; Lubbock, 4.0; McAllen-Pharr-Edinburg, 11.5; Midland, 3.7; Odessa, 4.1; San Angelo, 4.4; San Antonio, 7.9; Sherman-Denison, 9.4; Texarkana, 8.4; Tyler, 4.9; Waco, 5.2; Wichita Falls, 4.2.

GOOD PSYCHOLOGY

Psychologists, and fashionable women, agree that feeling beautiful can be almost the same as looking beautiful.

One way to feel and look good, many women have

found, is to wear something made of mink. Today, mink is made for sportswear; in vests, tunics, ponchos and parkas, such as this one from Calvin Klein, and mink can be made to mix and match with tweed, corduroy and gray flannel.

On normal occasions or formal ones, the fine feel of mink can help you feel fine.

Cotton research referendum scheduled for mid-December

Barring unexpected complications the Cotton Research and Promotion referendum is still on for mid-December, according to Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock, "despite a USDA announcement Nov. 11 that was disappointing to all concerned."

Cotton producers across the nation will indicate in the referendum whether they favor an increase in their present \$1-a-bale contribution to the research and market development work of Cotton Incorporated. Legislation authorizing the referendum on an increase not to exceed one per cent of the value of cotton

was signed into law earlier this year. The amount of the increase and the procedure to be followed in its collection was left to the Cotton Board, which administers CI funds, and the Secretary of Agriculture.

Hearings were held by both USDA and the Cotton Board, and on Aug. 20 the Cotton Board recommended that the vote be on an increased assessment equal to four-tenths of one per cent of the current gross value of each bale of cotton. This recommendation followed the wishes expressed by an overwhelming majority of testimony.

The American Cotton Shippers Association and a few

cotton producer organizations and individual producers expressed a preference for a flat-rate per-bale assessment increase, regardless of bale size or selling price.

The Secretary's decision in the matter was a decision not to decide until after the referendum. Thus both factions were displeased.

As announced in a USDA press release Nov. 11, the "recommended decision" reads "If the amendment to the order is approved in a grower referendum, the Secretary of Agriculture will prescribe by regulation whether the assessment rate shall be applied against (1) the current

value per bale, or (2) an average value determined from current and/or historical cotton prices and converted to a fixed amount per bale." The filing of exceptions to the decision are allowed through Nov. 24, but no change in the order is expected.

"Asking that the order be changed at this point would risk delay in holding the referendum and jeopardize its passage," Johnson said, "and passage of the referendum must take precedence over all other considerations." With this in mind, PCG filed the following comment with USDA's hearing clerk:

"Plains Cotton Growers, Inc.,

representing around 20 per cent of U.S. cotton production and 20,000 cotton producers in 25 counties on the Texas High Plains, cannot fully concur with your recommended decision of

Bullock Seeks State Inheritance Tax Relief

AUSTIN—Comptroller Bob Bullock announced Thursday that he will ask the Legislature in January to grant Texans some state inheritance tax relief by increasing exemptions for surviving spouses to \$100,000 and for surviving children, grandchildren or parents to \$50,000 each.

Bullock estimated the proposal would exempt an additional 18,000 beneficiaries per year from the basic state inheritance tax. If enacted into law, it would mean 77.7 percent of all beneficiaries would be totally exempt from state inheritance tax, he said.

The Comptroller said current law provides an exemption of only \$25,000 for all Class A beneficiaries—surviving spouses, children, grandchildren and parents.

"That law was written in 1923 and hasn't been changed since," said Bullock. "A \$25,000 estate back then would have been sizable. Today it would be considered modest."

Because the dollar is worth so much less today, Bullock explained, "the state inheritance tax has become particularly burdensome to farmers and ranchers."

Bullock said his proposal was selected after extensive research by his Inheritance Tax Division of actual 1974 inheritance tax returns. He added that his office has worked closely with various farm and ranch groups and the House Ways and Means Committee in developing the proposal.

9th ANNUAL FFA CONVENTION AGRICULTURE'S NEW GENERATION

NATIONAL FFA SAFETY AWARD WINNERS

NATIONAL FFA SAFETY AWARD PROGRAM Members of the Floydada, Texas FFA Chapter attended the National FFA Convention in Kansas City, Missouri, last week where they received special recognition for the chapter's achievements in the National FFA Safety Award Program. The chapter was one of the 103 Safety Award winners that received special recognition at a banquet in their honor last Tuesday evening. The banquet was hosted by Dow Chemical U.S.A. and Farm and Industrial Equipment Institute, sponsors of the National FFA Safety Award Program through the National FFA Foundation, Inc.

Mr. William Seward, Public Relations Manager, Agricultural Department, (left to right) Dow Chemical, U.S.A., of Midland, Michigan and Mr. Richard L. McElheny, President of Farm and Industrial Institute of Hopkins, Minnesota extended congratulations to chapter Safety representatives Carrla Burleson and Adeana Morris and their advisor O. L. Harris on earning a National FFA Safety Award.

The chapters recognized this year participated in a wide range of safety activities including: farm and home safety surveys, auto and farm equipment safety inspections, promotion and sale of slow moving vehicle signs, safe corn harvest campaigns, programs to illustrate safety procedures in the use of farm chemicals and many other farm and home safety projects.

The FFA Chapter Safety Award is one of three awards recognizing chapter participation in activities of national significance. It is designed to increase awareness of safety practices through classroom instruction and educational activities. Each year accidents on the farm and in the home exact a tragic toll of death, destruction and mutilation among rural and urban families. The FFA Safety Program is designed to make students aware of the causes of accidents and how they can be prevented.

All FFA chapters are eligible to participate in the National FFA Safety Program. Applications containing information on chapter safety programs are submitted to the State FFA Association which must rank the chapters. Ten percent of the chapters submitting applications ranked as Superior Chapters at the state level are eligible for National competition. At the National level chapters are rated gold, silver, or bronze, and are presented a gold, silver or bronze spur designating their rank. The spur is to be placed on a plaque presented the first year the chapter earns recognition. The plaque is designed for spurs to be attached over a period of several years.

The FFA has approximately 8,000 local high school chapters in 49 States and Puerto Rico. Judging of the Safety Award applications in National competition was carried out under the supervision of Agricultural Specialist representing the U.S. Office of Education.

GOOD PSYCHOLOGY

Many psychologists say that what goes on in your head can be affected by what goes into your mouth. People who eat the right amounts of the food they like are more likely to be alert, vital and in a good frame of mind.

One way to help your family feel fine is to feed them foods such as sweet, unsulphured Grandma's Molasses, in milk as an after-school snack, or in sandwiches, in place of jelly.

Butter can be kept frozen up to a month.

A DAY of THANKSGIVING

Pause a moment... think of all the things that make you glad: a happy home, a loving family, the healthy balance of work and play. The fabric of your life.

Count your special blessings. Be grateful for each one. Page Thanksgiving's message.

Fairview

By Mrs. Clyde Bagwell

FAIRVIEW: NOV. 22- From the looks of the weather we are having lately, we may be in for a cold bad winter. We have a few real nice warm days then another bad cold spell arrives.

Mr. and Mrs. Roscoe Riggle and grandson, Clay and Shad left here Friday for Abilene to visit their son, Dan Riggle and family and then on to their home in Hayes, South Dakota Sunday.

They were here for a week visiting in the home of his mother, Mrs. Gracie Riggle and with other relatives while here they enjoyed a Mexican supper in the

home of Mrs. Gracie Riggle. Others there were Mr. and Mrs. Raymond Baker and Mr. and Mrs. Phillip Wilson and children. Thursday night Mr. and Mrs. Raymond Baker were supper guests again with Mrs. Gracie Riggle and her house guests.

Mrs. Hazel Brown of Lancaster, California called her mother, Mrs. Gracie Riggle, Sunday, and said the weather in their part of California was beautiful.

Mrs. C. W. Denison visited Mrs. Clyde Bagwell Monday morning.

John Hinsley of Hartley and the pastor of Hartley

First Baptist Church where John is a member, came Thursday and spent the night in the home of John's mother, Mrs. B. C. Hinsley.

Mrs. Gracie Riggle went to the home of her daughter, Mr. and Mrs. Raymond Baker after church Sunday and had lunch with them.

Mr. and Mrs. L. H. Blum went to Amarillo Saturday where they spent the night and Sunday in the home of their granddaughter, Mr. and Mrs. Richard Abel.

Mrs. Ray Cook visited during the past week in the home of Mrs. Gus Hammonds who had the misfortune of breaking her leg just above the ankle, last Monday.

Mrs. Kate Crabtree's Sunday school class met at the home of Mrs. Dee Sims Friday afternoon for a social.

Thursday the Sunday school class of Mrs. Edna

Phillips entertained the class of Mrs. Kate Crabtree at the First Baptist church Fellowship Hall for a Thanksgiving dinner.

Mr. and Mrs. Marvin Marsee of Norman, Oklahoma arrived late Sunday afternoon at the home of Mr. and Mrs. E. W. Walls for a visit of several days. Mrs. Morsee and Mrs. Walls are sisters.

Mrs. Glenna Bullard of Del City and Mrs. Sally Reeves of Memphis spent the weekend here with their sister, Mrs. Walton Wilson.

Others visiting Sunday afternoon in the Wilson home were Hub Austin of Borger and Judy Allen of Floydada.

Saturday Mrs. Louie Johnson of Oklahoma City and Mrs. A. S. Mize visited Mrs. Walton Wilson. Mrs. Johnson is a longtime friend of the Wilson and Mize family.

Mrs. Louie Johnson spent Saturday night with Mr. and

Mrs. Bill Tye, then left for her home in Oklahoma City Sunday morning.

Mr. and Mrs. Bill Tye went to Lubbock Sunday to the home of their son, Mr. and Mrs. Jim Tye and Britta. Britta came home with her grandparents to stay until Tuesday.

Karen and Christy Pruitt spent Friday night with their grandparents, Mr. and Mrs. Bill Tye.

Last Wednesday Mrs. Gracie Riggle and her house guests, Mr. and Mrs. Roscoe Riggle and grandsons, Clay and Shad, attended the senior citizens meeting and dinner at the Lighthouse Electric.

Mr. and Mrs. Bradford Beedy and Kyle of Spearman spent Saturday night and Sunday here with his parents, Mr. and Mrs. Bill Beedy. Others there on Sun-

day dinner were Mrs. Judy Beedy and son, Mark.

HAMMAN REJOINS EXTENSION STAFF-Dr. Phillip J. Hamman, who previously served with the Texas Agricultural Extension Service for 10 years as an entomologist before entering the pest control industry, has rejoined the Extension staff at Texas A&M University. Hamman will be working primarily in the area of urban insect control, including structural pests. He fills the position vacated by Genaro Lopez. For the past two years Hamman headed up the educational program of the National Pest Control Association headquartered at Vienna, Va.
