Wildcat Blows In East Of Lakeview

FLOYD OIL WELL BLOWS IN!...this oil well located in southeast Floyd began to "blow in" about 1 p.m. Monday as a gas pocket began to blow out oil, which was ignited by the drilling crew. (Staff Photo.)

No Trespassing

By Wendell Tooley
A wildcat oil well located about five miles east of Lakeview in southeast Floyd county blew in about 1:30 p.m. Monday as both oil and gas came to the surface.
The wildcatter, which is located on the Lucy D. Stephens estate land was then ignited so the oil and gas would burn off as there was no storage available.

GCO (General Crude Oil) of Abilene is drilling contractor.
Nearest oil production to the wildcatter would be in the Roaring Springs area.

Through the years several wildcat-ers have been drilled in the area of the wildcatter and most all declared "dry holes."

Over 20 years ago oil was pumped from a small well on the Adams land for a period of about six weeks, but production declared too small to merit cost of production.

Preliminary investigation shows that much of the land in the Lakeview area is not now leased by any oil companies.

ANOTHER FLOYD WILDCATTER

Another wildcatter is currently being drilled in southwest Floyd county, on the Willie B. Eakin land, about two miles south and 1 1/4 east of Allmon.

Several tracts of land have been leased by Gulf in this area as the wildcatter is being financed by Gulf.

The oil and gas blew to the surface at about 9,770 feet and drillers continued drilling Tuesday and Wednesday to the scheduled 11,000 feet or granite.

Oil engineer and drilling foreman Carl Muse of Midland said Tuesday morning, "This looks like we have a strong producing well, and this is about all that I can say at this time."

"No trespassing signs" have been placed on the road leading into the well drilling area.

Cities Service Oil Company holds the lease on the well drilling venture and

Boy Scout Fund Drive

Floydada's Lions and Rotarians will begin making contacts this week for contributions to the Boy Scout program. Chairman of the fund raising drive is Ed Wester.

A goal of \$3500 for this and outlying communities has been set.

Approximately 150 boys are enrolled in the local scout program.

MEETING THE NEEDS OF YOUTH

The program of the Boy Scouts of America is to provide for boys and young adults an effective educational program designed to build desirable qualities of character, to train in the responsibilities of participating citizenship, and to develop in them physical and mental fitness.

The South Plains Council of the Boy Scouts of America is chartered nationally to serve 20 counties in West Texas and to support the organizations that use the Scouting program in their Cub

Scout packs, Scout troops, and Explorer posts. These community groups include religious, educational, civic, fraternal, business, governmental, corporate, professional, and other groups that have compatible goals with the BSA.

The South Plains Council is administered by a volunteer executive board which has the responsibility to set policies for the administration and operation of the council. The council executive board is charged by its charter to determine the council's operating and capital budgets, to employ professional and office staff, and actively to support the Scouting program in the units.

Over 10,000 boys and young adults are active each year in Scouting in this area, plus 3,500 adults who serve as unit leaders, committeemen, commissioners, merit badge counselors, and program and administration specialists.

Local councils of the Boy Scouts of America are members of more federated campaigns than any other national organization. The South Plains Council is now in 14 federated campaigns in this area. It also conducts independent campaigns in 31 non-United Way communities.

The sustaining membership enrollment is the nationally recommended method for local councils to raise funds for the council's operating budget. The enrollment has been used by councils across the country for many years, including the South Plains Council.

BOY SCOUT Leaders Honored

Three Floydada scout leaders were honored Tuesday evening by the South Plains Council Boy Scouts of America at the annual scouters recognition banquet in Lubbock.

Wilson G. Bond, scoutmaster of the Rotary sponsored Boy Scout troop was honored with the coveted Silver Beaver award. This award is given each year to a limited number of scouters in the Council who have distinguished themselves in service to Boy Scouts. Beginning in 1931 the South Plains Council has awarded 147 such awards... five more were awarded Tuesday night.

Bond began his scouting career as a Cubmaster in 1964. He is now a scoutmaster, Comanche Trail leader of development, a member of the First Baptist church and a Sunday School teacher. He has in a four year period developed six Eagle Scouts: Jesse Morales, Rudy Garibay, Jess Martinez, Robert Soliz, Carmen Soliz and David Gonzales. All were present Tuesday night except David.

Bond also received the Wood Badge award, which is an earned honor covering two years of study and work assignments.

Adolpho Garcia, who is assistant scoutmaster of the Rotary troop 355 also received the Wood Badge award.

Garcia also recently received from the Comanche Trail district the Scouters Training Key Award.

Jimmy Willson was honored with the distinguished Eagle Scout award. Willson has also received the Silver Beaver Award and became an Eagle Scout back in 1939.

In 1969, the Distinguished Eagle Scout Award was established by the Boy Scouts of America. The award is made by the National Court of Honor upon the recommendation of a Committee of Distinguished Eagle Scouts. Only Eagle Scouts who earned the rank of Eagle as a member of the Boy Scouts of America a minimum of 25 years previous to nomination are eligible for the award. The nominee must have distinguished himself in business, profession or service to his Country.

Also attending the awards banquet from Floydada were Mr. and Mrs. Jim Word and Ed Wester...both have received the Silver Beaver award.

Moore Rose Purchases Other Funeral Homes

Announcement was made this week by Moore Rose Funeral Home that the partners Edell Moore and Alton Rose have purchased the Lockney, Silvertown and Quitaque funeral homes.

Both Moore and Rose will continue to live in Floydada, but will direct funerals all over this area.

Both men have many years experience as morticians and funeral directors,

both are dedicated civic workers in the Floydada community. Moore began this type work part time while in college in 1938. In 1951 he became an employee of the Harmon Funeral Home in Floydada. In 1954 he became a partner with F. C. Harmon.

In 1964 Moore purchased the interest of Harmon and in 1966 became a partner with Rose who had been

working for the Funeral Home.

Today the Funeral Home in Floydada is modern in respect, beautiful carpeting throughout, a spacious chapel, casket display room, modern offices and family room. The outside of the building features light brick accented with black stone inlays.

The home features the latest equipment including

seven funeral homes.

Purchase of the Lockney, Silvertown and Quitaque homes was made from Mrs. Erwin Boyd.

LOCKNEY, SILVERTON, QUITAQUE PERSONNEL

In charge of the Lockney home is Gary Stennett, Silvertown, and Quitaque Bill Griffin.

A page announcement appears in this edition about the purchase and expansion of the Funeral Home.

Perry's Manager Needs A Home!

New Perry's manager Carl Leonard is living in the Fieldan Motel and hoping to find a one bedroom furnished apartment for himself and his wife Brenda.

So, if you have such a dwelling, please call Carl now at the Perry's store.

The Leonards have moved here from Snyder where Carl was with Perry's. Prior to this he worked five years for Anthony's in Abilene and Grants, N.M. He is a native of Coleman, his wife's home is Abilene.

The Leonards are Baptists.

Cedar Hill News

By Grace Lemons

CEDAR HILL: It is becoming a tradition in our area for the weather to be sunny and beautiful the first of the week and cold, icy weekends. We had snow flurries again Sunday, however, the farmers are busy getting their land ready for crops in spite of the cold weather.

Mr. and Mrs. Lewis Butler of Levelland spent the weekend with Rev. and Mrs. Jackie Thompson and family.

Tuesday Mrs. John D. Vanhose accompanied Rev. and Mrs. Jackie Thompson to Matador where they attended a W. M. U. meeting at the Assembly of God Church.

Edna Gilly was among the seven women from this area that attended the "Come Back Comedy" presented at Wayland Baptist College

Friday evening. Others who enjoyed it with her were Lillian Marble, Edith Marrs, Ruth Trapp, Dorothy Merrell, Georgia Finley, and Carrie Apple.

Mark Gilly arrived home Thursday to spend the weekend with his mother, Edna Gilly and returned Sunday to Mena, Arkansas where he is employed.

Rev. Jackie Thompson went to Levelland Thursday to see Lewis Butler on business.

Saturday Jackie Wayne and Glenda Thompson and Virginia Sanders enjoyed the basketball game in Lubbock with Harlem Globe Trotters vs. California Chiefs.

Jim Harper, who helps keep our country roads in shape in this area, suffered a heart attack Saturday and is in intensive care in the

University Hospital in Lubbock. He is showing some improvement, and it is hoped he will be out of intensive care soon.

Mr. and Mrs. A. S. Mize accompanied Mr. and Mrs. Bill Beedy of Floydada to their home where they spent the day Sunday.

Mr. and Mrs. Junior Taylor had lunch Sunday with Mr. and Mrs. Olan Keeter in Plainview.

Bud Taylor came home Thursday to spend the weekend with his parents, Mr. and Mrs. Junior Taylor. He returned to Levelland College Sunday.

Mr. and Mrs. Troy Smith and family moved to Dumas last week where both are employed.

Mr. and Mrs. Wayne Jarman and family moved this week to Floydada.

Last Sunday Mr. and Mrs. Cephus Fortenberry visited Henry Love in the Nursing Home in Floydada and Mrs. Edna Gill, who is a patient in the Nursing Home at Lockney.

Well Production Drop Predicted

AUSTIN — Production of water from Floyd County wells is expected to decrease by 43 per cent in the next 44 years, according to a newly-released report by the Texas Water Development Board.

Report 211, titled "Analytical Study of the Ogallala Aquifer in Floyd County," also predicts that only 58 per cent of the present amount of water in the aquifer will be left by the year 2000 and only 38 per cent by 2020.

These predictions, the report stresses, are based on the past and present trends, and that the future could be quite different if trends change. The most determi-

native factor, the TWDB adds, may be the decisions of the water users themselves.

Over the past three decades, withdrawal of ground water has exceeded the natural recharge ability of the aquifer. The report's three authors said that if the over-

draft continues, the aquifer ultimately will be depleted to the point where it will not be economically feasible to pump water for irrigation.

Nowhere in the county is the water expected to be exhausted, but yields of wells will decrease and expense of irriga-

tion pumpage will increase. The report predicts that water to the north of the county will be pumped from a now range from 100 to 150 feet. The report predicts a decrease to 450 feet in the county by 2000 and to 600 feet by 2020.

The study was prepared by members A. Warren and Shelly Morrison, free of charge from the Texas Water Development Board, 13087, Austin, Texas.

Texas Legislator Questions Solvency of Teacher Fund

AUSTIN, Tex. (UPI) — A Kerrville legislator Monday called the chief lobbyist for Texas teachers a "con man" and said the Teacher Retirement System may be in serious financial trouble.

Rep. Jim Nugent, D-Kerrville, distributed to House members last week an annual report of the Teacher Retirement System showing the fund \$13.3 million in the red at the end of fiscal 1975.

Rep. Gibson Lewis, D-Fort Worth, asked for clarification of the statement during Monday's brief House session.

"You can assure Mr. Lewis and the other members it is my intention to clarify the statements that con man Callie Smith over at the TSTA gave the House last session," Nugent responded.

Smith is the executive director of the Texas State Teachers Association,

which is seeking an increase in retirement benefits this session.

"I think it would be reasonable to state there is not enough money in the Teacher Retirement Fund at present to fund existing earned benefits of the teachers of Texas," Nugent told reporters. "They have been taking more out of it than they are putting in it, sort of like social security and New York City."

Nugent sponsored a bill last session to increase retirement benefits for teachers and said Smith assured him at the time the retirement program was actuarially sound. He said he repeated those assurances to the House, and the legislation passed.

"I now find that I was conned," Nugent said.

The Kerrville legislator said TSTA's political arm last year purchased adver-

tising in newspapers and other media, reporting his opponent.

"But rather than the politics of it, I'd rather the facts," he told reporters.

The House and Senate Monday, then beyond round of hearings legislation.

The Senate State Affairs Committee quickly sent to the floor a proposal by Sen. Walter Houston, putting a question in the bill of rights Constitution.

The hurried vote was Texas AFL-CIO President Paul Ward was allowed to speak in support of the proposal, but the committee backtracked and permitted read a statement opposing work amendment.

Double Ring Vows Unite Miss Tammie Nichols And Lee Mckay

Mr. and Mrs. Calvin Lee McKay are enroute to Tacoma, Washington, after a wedding trip to Eules following their wedding vows Sunday afternoon, January 23rd. The bride is the former Tammie Beth Nichols, daughter of Mr. and Mrs. James Lee Nichols of Floydada. The groom is the son of Mr. and Mrs. Chester McKay also of Floydada.

The couple repeated double ring vows in the home of the bride's parents. Rev. Jimmie McGuire, associate pastor of the First Baptist Church of Floydada, performed the ceremony.

Hurricane candelabra, white bridal ropes tied with blue ribbon, and greenery formed the altar setting before the fireplace. White stock, mums, cushion poms and daisy poms were used for the centerpiece on the mantle. Lighting candles were Jimmy Nichols and Billy Nichols, both brothers of the bride.

The processional and recessional were played at the piano by Miss Sharon Huggins, who also played "Time In A Bottle" and "We've Only Just Begun." Presented in marriage by her father, the bride wore a floor length formal gown of light beige daron polyester cotton voile. The gown was lined with daron cotton and the bodice and V-shaped neckline were accented with re-embroidered lace which also formed a cap over the long full sleeves. Lace bordered the sleeve cuffs and also formed a center panel down the front of the full skirt.

She carried a bridal bouquet of white spider mums

Mrs. Calvin Lee McKay

and white rose buds and carried out the tradition of something old, new, borrowed and blue. For something old she wore attached to her blue garter, a mustard seed pin and her father's class pin. She also had pennies in her shoes bearing the birthdates of she and the groom.

Phyllis Johnson of Floydada was maid of honor. She wore a blue floor length dress with wispy handkerchief sleeves. Two tone

acetate, nylon and rayon lace framed the smoked bodice, edged the sleeves and topped the ruffled hem. She carried blue and white daisies centered with white rose buds.

Clifford D. Hule of Eules was best man.

Mrs. Jackie Cockrell of Irving, sister of the bride, and Mrs. Jan Nichols, her sister-in-law, presented at the serving table for the reception which followed in

Marriage vows were exchanged at 7:30 p.m. Saturday by Miss Frances Kym Murray and Mack Brad Blenden. Tim Lewis, youth director at Garland Street Church of Christ, Plainview, officiated. The ceremony took place in the chapel of the Plainview First Baptist Church.

Parents of the couple are Mr. and Mrs. Norman Murray of Plainview and Mr. and Mrs. Easton Blenden of Lockney.

Accompanied by her father, the bride approached the altar wearing a gown of poly sheer organza. It was designed with a fitted bodice featuring a high sheer neckline circled with a band of white venise lace. Vertical rows of venise lace highlighted the full front of the gown and bishop sleeves. A tiny row of petite venise bordered the hemline of the bouffant skirt and chapel train.

She wore a waltz-length veil made of imported silk illusion. It was completely edged with re-embroidered alencon lace and attached to a mantilla cap. She carried a nosegay of white carnations and red sweetheart roses surrounded by baby's breath and greenery.

Miss Trina Overacre of Kimberly, Idaho was maid of honor. She wore a dress of white dotted swiss with red dots, over white satin. The gathered sheer skirt was floor length. The bodice was fashioned with a yoke and high neck band, and the

puffed sleeves had matching wide cuffs trimmed in lace. She carried a nosegay of baby's breath and greenery surrounding a red carnation, with red and white streamers.

Bridesmaids were Cindy Parsley, Mitzi Rogers, Dorothy Senter and Paula Smith, all of Plainview. Their dresses were of red dotted swiss with white dots, over red satin. Each carried a single peppermint carnation surrounded by baby's breath and greenery, with red and white streamers.

Christi Murray of San Antonio, cousin of the bride, was flower girl, and John Thomas McKenzie of Plainview was ring bearer. Candelighters were Karyn Foster of Lockney and Christi Bentley of Plainview.

Lonny Hooten of Lockney was best man. Groomsmen were Zack Zackary of Lockney, Grady Simmons of Amarillo, Ricky Cross and Rickey Sanders of Plainview.

Ushers were Kyndal Murray, brother of the bride, from Plainview; Kenneth Blenden, the groom's brother, from Plainview; Ricky Bentley, also of Plainview; Johnny Dorman and Robert Murdock, both of Lockney.

Musical selections were presented by organist Mrs. Lloyd Morton and soloist Ron Etheredge, both of Plainview.

appointed with spiral candelabra and white tapered covered with trailing greenery, and a memory candle. The reception following the ceremony was held in the church parlor. Reception assistants were Kim, Kathy, Karen and Karla McCarter, cousins of the groom, from Lockney, and Marta Frame of Plainview.

Fresh miniature red carnations encircled the wedding cake. A red flowing fountain was atop the bottom layer. A red and white tortoise candelabrum, surrounded by the attendants' bouquets, served as the centerpiece. On a mantle behind the serving table were ceramic figures of a bride and groom with attire matching that of the newly-weds.

The rehearsal party was hosted by the groom's parents Friday night in the Far East Restaurant in Plainview. The bride's colors of red and white were carried out at the bridesmaid's luncheon, hosted Thursday by Mrs. Weldon Henry of Plainview.

After a wedding trip to Carlsbad, New Mexico, the couple will be at home in Lockney.

The bride is a graduate of Plainview High School and was employed at Place Around The Corner in Plainview. Blenden, a Lockney High School graduate, is engaged in farming near Lockney.

Plains Baptist Church Dedication

the new church was dedicated at the Victory Baptist Church in Plainview, Texas. The church was dedicated on Friday, January 21, 1977 at 7:30 p.m. The church is located on East 5th Street in Plainview, Texas. The church is a new addition to the community and is a source of pride for the people of Plainview. The church is a member of the Texas Baptist Conference and is a part of the Christian community in Plainview, Texas.

ROXANNE LLOYD was among students graduating from the Lubbock School of Vocational Nursing, Friday January 21, 1977 at 7:30 p.m. Roxanne is the daughter of Mr. and Mrs. Fred Lloyd of Floydada. She is employed at St. Mary of the Plains Hospital in Lubbock.

previously worked.

WANT to know what a typical week in the life of a preacher is? Your wife backs into the garage with the family car, you accompany friends on a trip in their new car and it breaks down, you get locked inside your bathroom in a hotel room, and you have no heat for services. This really isn't a typical week of a preacher but things can get hectic for them just as well as anyone.

Except for the sense of humor of the Baptist group that attended the convention in Fort Worth last week, it might have been an ill fated trip. To begin the week long events of oddities that occurred to the group was the Sunday evening before they left on Monday. Mrs. Floyd Bradley had incurred an unusually busy day and was making a hurried effort to get to a church meeting. She tossed her material into the car, jumped in, threw the gear in reverse and wham!!! She had forgotten to raise the garage door!

The next morning the group left early in two cars the Bill Daniel's new big luxury vehicle and the Bob Kendrick's smaller car (as someone remarked, much smaller). The Bradleys and the Daniels, riding to-

gether in the big car, suffered something akin to the sensation of "breaking horses" on most of the trip-much time was spent by the amateurish mechanics in trying to correct the jumping and sputtering engine of the new car. One time their efforts resulted in a small engine fire in which the Daniel car was very quickly emptied of people and contents. We're told one of the women had the knowledge to scoop up sand to throw on the engine, the only thing she was using a beer can she found to scoop with and wasn't making much headway.

The group took off again only to notice that the Bradley's luggage was left beside the road. Luckily it was noticed in time.

Probably the most humiliating thing of the trip for Bill Daniel was having to have his car towed by the smaller car belonging to the Hendricks. By this time the Bradleys had changed cars and were riding with Mr. and Mrs. Kendrick with the big car being towed right behind them. Friends said... that Brother Brad pushed the floor board rather hard and often...even tho the brakes to the car were under the driver's feet and he wasn't driving. Nothing like playing it safe when you have a little car towing a big one and it's barreling along right behind you, very close.

The group finally arrived in Fort Worth at 5:30 that day...eight and a half hours after leaving Floydada. They attended the remainder of the State Evangelistic Conference but their problems were not over...oh no! not by a long shot.

The real climax to the entire trip came Wednesday morning when Bro. Bradley locked himself in the hotel bathroom. He arose early so he and Bill could check over the car and see if needed repairs had been made. His efforts to get of the bathroom were futile. The door lock wasn't working properly even with the assistance of Mrs. Bradley, from the other side. She called the Jimmie McGuire's room and asked them for aid, and with all their efforts, the door still wouldn't open. A hotel maintenance man was summoned, who removed the lock and freed Bro. Bradley, however when they finally got to the car, they found repairs had not yet been made!

All this, along with the fact that First Baptist had to call off services at the church and move them to the high school auditorium, and the church offices had to close all week because of a heating problem.

Things are back to normal now. Heat is back on in the church and the group arrived home safe and sound, and some are saying they are walking around with a glassy stare repeating, "It's good to be home. It's good to be home!"

DEANS LIST

Donette Marble, daughter of Mr. and Mrs. Don Marble of South Plains, was among students listed on the Dean's Honor List the past semester at South Plains College. Donette is a graduate of Floydada High School.

FLOYDDADA POLICE SAVE \$15,039.50 worth of Treflan...Floydada policeman Obie Word making a routine check of the Producer's Cooperative Elevator about midnight Tuesday night discovered a broken window, then a trailer load of Treflan that burglars were loading out of the north window of the warehouse. Top picture shows trailer loaded, lower photo shows board in broken window. The burglars got away, but Producers Manager Bill Cagle praised the police department for saving the Treflan. It was the second break-in at Producers in less than a month with \$1200 taken in cash from the office. (Staff Photo).

Floydada Nursing Home Happenings

By Faye Walters

We have had all types of weather this week, even a sandstorm. Guess we will have lots more if we don't get some moisture soon.

The home has two new residents, William and Susie Mooney. We are happy to have them and hope they will be happy living here.

We have enjoyed the devotions this week and think everyone received a blessing from them. Good exercise

classes have also been held as the weather has been too cold for our residents to be out for walks.

Thursday was Bingo day and Agnes Anderson was top winner with three games. Those winning two games each were Hallie Bertrand, Della Finley, Ray Reed, Clara Williamson and Hope Hammonds.

We didn't get to take our usual field trip, also due to bad weather. Maybe next week.

We appreciate all our visitors this week which included visitors from as far away as Arizona. Mrs. Ida Martin's son was here to visit her and another son and his wife from Matador were also here. Mrs. Martin was very happy to see her relatives.

Other visitors included Mildred Plumlee and Mrs. Ruth Benson, Matador; Mrs. Henry, Rogers, Mrs. Carl

McDaniel and Mrs. Mary Risner, Petersburg; Mr. and Mrs. Ausie Watson, Abilene; Mr. and Mrs. Woodie Surratt of Muleshoe; and those from Floydada, Mr. and Mrs. Otis Anderson, Mrs. George Wexler, Alma Ruth Nelson, Mr. and Mrs. Hubert E. Davis, Mrs. Paul Wilson, Wiley Rogers, Mrs. Jarvis Reasoner, Mrs. W. C. Snodgrass, Mr. and Mrs. Charlie Hargis, Doyle and

Gieseckes Return From Merchandise Show

Mr. and Mrs. R.L. Giesecke, owners of the White's Auto Store in Floydada, attended the semi-annual company merchandise show held at the Dallas Hilton, Dallas, Texas January 16-18. Highlighting the show was the introduction of the new lawn and garden lines, and the new brand name

program featuring major appliances. White's dealers will now be able to offer Kelvinator, Speed Queen, and B. F. Goodrich to their customers. Company officials predict this program, aided by one of the most complete lines of lawn and garden and seasonal items anywhere will prove to be

one of the most successful ever launched by the chain. Mr. and Mrs. Giesecke also viewed the new items in the well rounded blend of housewares, automotive, sporting goods, toys, hardware, tires, giftware, and electronics offered by White's. During the show, the Gieseckes were invited to

attend clinics on Kelvinator, Speed Queen, B. F. Goodrich, C. B. radios, and White tires. Top salespeople from the companies presented material on the selling advantages of their products during these informative clinics. Counseling sessions on advertising, credit and the new M.S.I. ordering system were also available. White's is a chain of more than 650 retail and franchise outlets spanning the south-

ern seaboard from Arizona to Florida and ranging upward into Tennessee, Kentucky and Virginia.

Matadors Down Whirlettes For Motley County Title

By Doug Simpson The Motley County Matadors took advantage of three consecutive costly turnovers combined with a missed 1-and 1 opportunity to hand the freshmen Whirlettes a heartbreaking 49-46 loss in the final round of the McAdoo tournament played last weekend.

The defeat left Floydada with a season ledger of seven wins and four losses and climaxed a strong finish which included victories over Jayton and Lorenzo.

In the overtime period of the heart-stopping contest with host Matador, Floydada owned the ball and a three-point advantage with 55 seconds to play.

But the Whirlettes lost their chance for victory by turning the ball over on three straight occasions, and failing to capitalize on a 1-1 foul situation with 25 seconds remaining.

At the end of regulation play, the score was deadlocked at 41 apiece. Floydada took an early 8-7 lead in the initial period, but the Matadors came up with 13 second quarter points to post a slim halftime advantage.

Going into the dressing room, the Whirlettes trailed by 20-18 score. Floydada's balanced scoring attack enabled it to take a 5-point lead in the third stanza, as the Matadors were trailing by a 31-26 margin when the buzzer sounded.

Motley County exploded for 15 significant fourth quarter points to tie the contest and send it into overtime, while the Whirlettes could manage just 10 points in the final frame. Floydada had little difficulty in putting away Jayton in the opening round of tournament, and by doing so, advancing to the championship bracket.

The Whirlettes' 45-33 triumph was characterized by a very balanced scoring attack, as forwards Melody Stringer, Karen Turner, and Rosemary Barnes each contributed in double-figures. Floydada jumped off to an early 16-7 lead and extended that advantage to 13 points in the second period. Going into the locker room at intermission, the Whirlettes boasted a 29-16 lead.

In a defensive third quar-

ter struggle, Floydada outscored its opponents by 6-4 to take a commanding 35-20 advantage into the final stages of the contest.

During the final period, Jayton managed to come up with 13 points, compared with Floydada's 10-point effort. But the Whirlettes had already established firm control and were able to play well enough to prevent any late comeback.

In the tourney's semi-final round, the Whirlettes literally demolished Lorenzo by a 63-33 count, in what head coach Clifford Stephens described as "the finest team effort of the season." The Hornets were victim-

ized by Floydada's effective balanced scoring attack for the second consecutive outing, as Barnes, Turner, Stringer, and Jonna West were each able to clear the 10-point mark.

The Whirlettes took the early lead by posting advantages of 18-11 and 35-23 margins during each of the first two periods.

They put the contest out of reach in the third stanza by receiving a remarkable effort on the part of the guards. The Hornets could manage but a single bucket in the entire quarter against the Whirlette defense, to result in a commanding 53-25 deficit.

Antelopes Upset Whirlwind Fish

By Doug Simpson The Abernathy Antelopes connected on 9 of 14 first quarter field goals, resulting in 21 points and a 13-point advantage, to lift them to an impressive 71-58 triumph over the freshmen Whirlwinds, in a game played last Monday evening, at Antelope gymnasium.

The defeat left the Winds with a season mark of 11 wins and 2 losses, and dimmed their chances of recapturing the second half district 4-AA crown.

Floydada registered a very poor shooting percentage in the contest's opening period, while the Antelopes were successful on most of the shots in which they attempted. The Whirlwinds could hit only 2 of 13 field shots to result in a 21-7 quarter deficit. That disadvantage made it difficult to battle back against a strong Abernathy club, which in coach Daniel Coward's words, controlled the game from the opening tip-off.

That statement was proved to be true again in the second period, as Abernathy exploded for 22 points and a 43-23 advantage at the midway point.

During the second half of action, the Antelope offensive machine was contained to a certain extent. But the Whirlwinds could not pro-

duce enough points to challenge the poise and composure of the 'Lopes, themselves. By outscoring its opponents by a 15-12 count, Abernathy posted a commanding 58-31 lead when the third stanza came to a close.

Floydada exposed its perseverance in the final stages by exploding for a total of 27 fourth quarter points, while limiting their opponents to 13. That effort was

JV Lady Horns Stir Past Whirlettes 47-38

By Doug Simpson Forward Cindy Frizzell poured in 18 points to lead a punishing offensive charge that thwarted frequent semi-comebacks to lead the Lockney JV Lady Horns to a 47-38 victory over Floydada, in a Graves Gym struggle played Tuesday evening.

The loss left the Whirlettes with a season record of 4-7, and was characterized by the Horns' ability to maintain their composure during many of Floydada's second half scoring spurts.

The Lady Horns exploded for 18 first quarter points

The final period featured a slightly more evenly matched struggle, but the Hornets could do little to avenge a deficit that vaulted the Whirlettes into the championship. There was also speculation that the performance displayed by Floydada had bearing on the fact that two players, Kelly Higginbotham and Stringer, were selected to all-tournament performers.

into the final stages, the 'Horns led by a 38-28 margin.

In the final period, the Whirlettes got into foul trouble, as two starters, Lisa West and Judi Bean, were benched because of too many fouls, and were replaced by reserve Carria Burleson and guard-forward Darla Assiter. Lockney survived a well-balanced quarter of competition to take an impressive 9-point win.

JV Winds Fall To Longhorns 56-48

By Doug Simpson The Lockney Longhorn JV squad broke away from a mere 1-point halftime advantage to explode for 38 points and a 56-48 victory over the Whirlwinds in a District 4-AA contest played at Graves Gym on Tuesday evening. The loss dropped the Whirlwinds' season record to 4-7, and was highlighted by Lockney's startling second half turnaround.

The Longhorns gained the edge in basically even first period to jump off to an early 9-7 advantage. Tim Collins paced the Whirlwinds in scoring with 4 points, while Todd Vickers contributed a pair of free throws, and Ray Toney added a single point.

The Longhorns owned the ball and a three-point lead with 11 seconds remaining in the first half, but Ray Toney whizzed past Lockney's Howard Moore to steal the ball and find Vickers all alone underneath the basket at the opposite end of the floor. The 5-10 sophomore was there for the grab and the two points to cut the

lead to just one point when the two clubs headed for the dressing room.

The Horns, however, were a totally different team on the second half and built up a commanding lead in the very early stages of the third stanza. With under six minutes to play, Lockney found themselves in the lead by a 31-21 score, and from that point on, was able to dominate the contest with only a few setbacks.

The final frame featured the same type of ball game, as the Longhorns continued to control the ball and the clock to capture a win that had for more than two quarters of play, been in jeopardy.

Longhorns Grab 46-39 Win

By Doug Simpson The Longhorns utilized a blazing field goal percentage of 66.7, combined with an offensive attack that performed with flawless execution to turn back a temporary comeback and defeat the varsity Whirlwinds by a 46-39 score, before a large crowd of fans in Graves Gymnasium on Tuesday night.

The victory enlightened Lockney's chances for capturing a possible share of the District 4-AA title and

left Floydada with a 6-14 season mark.

Lockney appeared to be without spark in the opening moments of the contest, as the Winds took the opening tip and jumped off to an early 4-0 advantage.

But the Longhorns rallied to soon establish control of the game by connecting on outside shots from long range by Allan Sterling and Danny Clark. Lockney also began to pick up driving layups and inside rebound-

ing. The Longhorns scored 10 points in the second stanza, compared with the 6 points of the last stanza.

The Longhorns scored 17-10 in the second period to take a 31-22 advantage at the midway point.

The third stanza featured a low offensive output for both sides as the Horns led by a 38-28 count, going into the final frame.

Label On Return Speeds Up Income TAX Refund

Taxpayers can receive their refunds faster by using the preaddressed peel-off label on their returns, the Internal Revenue Service said.

The label, which appears on the cover of the tax package mailed to taxpay- ers, lists name, address and social security number.

The IRS emphasized that if any information on the label is incorrect, the tax- payer should make correc-

tions right on the label. Married taxpayers filing a joint return should check to see that two social security numbers appear on the label. If only one social secu- rity number is shown, the other spouse's number

should be entered on the appropriate line.

According to the IRS, taxpayers can also ensure a faster refund by mailing their return in the coded envelope also included with the tax package.

Substitute Rural Carrier Job

Anyone wanting a job as substitute rural mail carrier

out of Floydada should con- tact the postmaster not later

than February 11, 1977. Rural carriers receive \$30 to \$50 per day depending on the length and character of the route.

FLOYD DATA

Woodrow and Ruby Sur- ratt of Muleshoe visited Sunday with their uncle, Charley Berry, and also old acquaintances at the Floy- dada Nursing Home, Mrs. Williamson, formerly of Ol- ton, and Henry Love, for- merly of Cedar Hill.

VA News

Veterans living in Texas who are insured under government life insurance policies issued during World War I, II and the Korean Conflict will receive \$20,290,000 in dividends during 1977, Jack Coker, VA Regional Office Director, announced today.

The dividends are being paid to holders of World War I U.S. Government Life Insurance (USGLI), World War II National Service Life Insurance (NSLI) policies and Veterans Special Life Insurance (VSLI) policies.

Coker explained the record \$403.4 million in total 1977 dividend payments is attributed chiefly to higher

interest earnings on the VA-administered insurance funds.

The national average dividend being paid to 114,452 World War I veterans with participating policies is \$292. Some 3.5 million World War II veterans will receive dividends averaging \$104. Korean Conflict veterans with current policies total 554,382. Their average dividend is \$22.

The average SGLI dividend for 5,502 World War I veterans living in Texas is \$211. NSLI policyholders in Texas total 174,210. They will receive dividends averaging \$107. There are 22,625 VSLI policyholders in Tex-

as. Their dividend is \$20. "Veterans expecting checks need not contact the VA," Coker said. "Dividends will be paid automatically on anniversary dates of the policies."

Coker explained that dividends vary depending on plan of policy, amount of coverage, age of the insured and age of the policy.

More than half of the 1.2 million annual income questionnaires mailed with Veterans Administration pension checks November 1 have been returned, Jack Coker, VA Regional Director, said today. The remaining 500,000 should have been received by the VA before January 1, if pension benefits are to be continued.

The questionnaires are required each year to determine continued eligibility for VA pensions, which are bas-

ed on financial need. More than 2.7 million veterans and survivors are on the VA pension rolls.

Those who failed to return the questionnaire by January 1, will, in lieu of receiving their January check on February 1, receive a letter from the VA explaining why their pension payments have been suspended.

Pensions are paid to veterans and widows of veterans with non-service-connected disabilities. Amount of the monthly stipend is based on the annual income of the recipient, according to law.

Annual income limitations also govern amounts of dependency and indemnity compensation payments to certain parents of veterans who died of service-connected causes.

Pensioners 72 years of age or older, who have been on

Newsprint price hike announced

LUFKIN, Tex. (AP) — Southland Paper Mills, Inc., has announced a 6.8 per cent increase in the price of its 30-pound newsprint to \$300 a ton.

A company spokesman said Friday that the new rate is effective March 1.

The Floyd County Hesperian says an area beef cattle specialist with the Texas Agricultural Extension Service. Adding to the problem is the fact that this region has mostly Brahman and Brahman-cross cattle that cannot withstand a lot of cold, wet conditions that have been around since last fall. Supplying cattle with quality hay and some protein supplement will help them maintain their weight without weathering.

Square Dance Lessons Offered

The Whirlers cordially invite all persons interested in square dance lessons to come to the Massie Activity Center on Tuesday nights at 8 o'clock. Elred Parker will be caller.

WEATHER, LACK OF FORAGE HARD ON CATTLE A combination of cold, wet weather and lack of quality forage is causing cattle losses to mount in Texas. Losses are especially up in the Gulf Coast region.
