## Mackenzie Board Opposes Weather Modification

PUT THAT STICKER ON THIS CORNER" auto license sales Jackie Wall and Marjorie Holcomb have been busy since sales started last week at county tax office. (Staff Photo)

After a very lengthy discussion the Mackenzie Water Authority board, meeting at the lake site Tuesday night voted to oppose Weather Modification that they feel has been slowing down the rainfall in the lake area.

The resolution opposing Weather Modification will be flown to Austin to the Texas Water Development Board for its study before the February 16 hearing at Lubbock.

In other business the board lowered the fishing and picnicking rate from \$1.50 per day to \$1.00 a day any day of the week. It was reported that a 14" brown trout was caught by a fisherman out of the lake in December. Water level remains static, around 42 feet at the dam.

Heretofore only row boats have been allowed on the lake, and in the Tuesday night meeting the board approved the use of trolling motors on the boats.

Around 114 lots have been platted for sale at the lake and 150 should be completed by the next board meeting. It is anticipated that lot sales will begin this spring.

The manager of the authority reported that tax collections had been better this year than last and that he will

begin publishing a weekly newsletter to area newspapers about events at the lake.

The board also approved building more picnic and camping equipment around the lake.

Attending from Floydada were directors Lon Davis Jr. and S. W. Ross...from Lockney Owen Thornton.

### To The Citizens Of Floydada...

From Floyd C. Bradley, Pastor  
First Baptist Church

I have been asked to serve as convener for a Community Forum. This I am happy to do, believing that we will accomplish something profitable for the entire city and area. We are calling the meeting for Monday, February 14 at 7:30 p.m. at the First National Bank.

This meeting will be a time for all interested citizens to exchange ideas and suggestions with one another concerning the future of Floydada, its needs and its problems.

No one person nor any single organization can do all that needs to be done. We can however, by planning and working together, accomplish things that will benefit all of us and all those who shall come after us.

All interested citizens and community leaders are invited and encouraged to attend this Community Forum on Monday night, February 14. By working together we will accomplish some great and useful things.

### Fair Officers Elected

Kathy Burk was elected president of the Floyd and Surrounding counties Fair Association Monday night at a fair association board of directors' meeting at the home of outgoing president Van Bradley. Paul Koonsman was elected

vice president. Larry Golden was re-elected treasurer, and Nancy Carthel was named secretary of the fair association. Mrs. Carthel and Warren Mitchell replaced Charles Huffman and Louise Weathers on the fair board.

### Councilmen Have Lengthy Session

City councilmen conducted a lengthy session at their regular meeting Tuesday night, holding a public discussion concerning Revenue Sharing Funds; passing ordinances and discussing and passing the order of establishing procedures for City official election.

The decision was made to use most of the Revenue Sharing Funds for the Sanitation Department in purchasing a new garbage truck, chassis and compactor.

Bids were opened for a new police car and the one submitted from Reed Ford Sales was accepted for the amount of \$4,919.85. The bid of Glover Equipment Co., of Lubbock in the amount of \$20,153.52 was accepted by councilmen for a backhoe-ditcher combination.

Ordinances passed included the an-

nexing of the A&M property, 25 acres into the city limits and to amend Zoning Ordinance to change Duncan Addition Block No. 2 from R-1, single family residential to R-1-B, multi-family residential, apartments and accessory uses.

Councilmen voted to purchase a new riding mower from Martin & Co., in the amount of \$2,192.00 for the purpose of mowing city parks.

April 2nd was called for the election of a mayor and two councilmen. Deadline for filing is March 2nd. The terms of Mayor Parnell Powell and councilmen Jerry Thompson and Wayne Russell expire.

Next council meeting has been changed from March 8th until March 15th at which time the 1977-78 city budget will be adopted.

### Athletics Important In Modern Education?

By Coach L. G. Wilson

If you want to know whether or not students are enjoying the pursuit of an education, check the spirit of the student body. If spirit is high, you can bet there is a successful extra-curricular program as the basis for that spirit.

I know that athletics is not the only contributor to school spirit, just as I know that athletics is not the most important area of curriculum in a young person's education. The question naturally arises in many circles asking whether athletics is important enough to be a part of our educational system at all.

My answer to this question is, "You bet it is." The values of self-discipline, courage, and confidence can be better taught in athletics than in any other area of our school curriculum. Just because we do not have courses in school labeled "Self-Discipline," "Courage," "Confidence" does not make the learning of these values less important in being happy and success-

ful in our society.

I believe being a part of many extra-curricular activities in a school is extremely important in the total educational growth of a young man or lady, and I believe that most of the activities of a high school boy or girl are those associated with his school.

Using football as an example: No other program in high school will involve so many people—athletes, band members, poster workers, cheerleaders, and interested spectators. There will be very few, if any, activities that will involve almost total participation of the student body, plus 3,000 adults of this community, as our football program has already done.

So, when I'm asked if school spirit is important to the education of a student, I say, "You bet it is." When I'm asked if the extra-curricular program is important to school spirit, I say, "You bet it is," and when I'm asked if athletics is an important part of the extra-curricular program, I say, "YOU BET IT IS!"

WE'VE JUST FINISHED a book you should read. It is written by Rodino, "The Greatest Salesman in the World." It makes no difference if you are in sales or not...you should read this book for its positive life.

It is available in both the First Baptist libraries.

We term the Golden Rule is the law of life, and it will have you through the joy and there the gain it brings into our lives if we serve it, or it will have obedience and the blankness it drives our lives if we violate it. As we live in the world, so the world gives us. Thoughts are forces; like like, and like creates like. If I give, I inspire and receive love. If I give hatred I inspire and receive hatred. The wise man loves, the ignorant, the selfish, the fool.

### Invitational Speech Tournament Here

The Floydada High School Speech and Drama Club is hosting their first Invitational Speech Tournament, February 26th, at the High School and Andrews Ward. The tournament is one of the organization's money-raising projects. The profits will help pay for the speech team's remaining trips and one-act play production costs.

The Speech and Drama Club is asking the aid of the community to insure the tournament's success. Volunteers will be needed throughout the day to judge the various speaking events. Speech Director, Miss Holly Moritz, believes that any person who is interested in current events or literature is a qualified judge. Parents of the Speech and Drama team will be contacting members of the community. If anyone is interested, they may call Miss Moritz at the High School. Instructions for judging and sample ballots will be delivered immediately to

prospective judges.

The tournament will have the five University Interscholastic League speaking events: Debate, Prose and Poetry; and Persuasive and Informative Speaking. The schools that have been invited include all classes, 4A to B, of schools. Many of the Floydada speech team members have competed

throughout the year with these schools at several tournaments.

The Speech and Drama Club would like to see the Speech Tournament become an annual event. The only way to insure the success of this tournament will be to have the aid and interest of many members of the Floydada community. So come and have some fun with us on February 26th.

### Annual Faculty-Senior Game Set

The FHS faculty consisting of various coaches and teachers will take on the senior off-season football players in the annual seniors-faculty basketball game to be played on Thursday, February 17 at Graves gym. The game will begin at 7:00 p.m.

Proceeds of the game will go to the Whirlwind track program.

### Cotton Prices Steady To Firm

Grower prices were steady to firm during the week ending February 4, according to Paul R. Dickson, in charge of the U. S. Department of Agriculture's Lubbock Cotton Classing Office.

The Lubbock Cotton Exchange's Spot Quotations advanced about \$2.50 per bale from the previous week. The base price for grade 41, staple 34, mikes 3.5 - 4.9 was 66.85 cents on Friday, February 4, up 50 points from the previous Friday, according to USDA's Agricultural Marketing Service.

Growers sold mixed lots of mostly grades 41, 51, 42, and 52; staples 30-33; mikes 3.0 - 4.9 for 62.00 to 63.00 cents per pound.

Demand was moderate to good, Dickson said.

Cotton grades were slightly lower this year, compared with last year. Predominant grades this year in the area served by the Lubbock office were grades 42 (19 percent), 33 (12 percent) and 43 (23 percent), compared with grades 41 (14 percent), and 42 (38 percent), and 52 (18 percent) last year.

More samples were reduced one grade because of bark. Forty-one percent were reduced this season compared with 25 percent last year.

Staple lengths were longer. Average staple length at Lubbock's office was 31.5 thirty-seconds of an inch, up from the previous year's 30.3 thirty-seconds.

Average micronaire was higher for this crop. The average was 3.5 compared with only 2.9 a year ago.

Pressley strength fell. Samples averaged 81,000 pounds per square inch (psi) at Lubbock for the 1976-77 crop while the average for 1975-76 was 86,000 psi.

Seed prices were higher. Farmers averaged about \$96.00 per ton for cotton seed this season and about \$87.50 per ton last year.

Cotton prices advanced sharply. In spite of weaker prices from early December through mid-January, growers received 15 to 25 cents per pound above year ago levels.

About 925,000 samples were classed for the Lubbock area compared with 704,000 a year ago.

## Cattle supply decline sharpest in 30 years

AMARILLO, Tex. — Although total cattle numbers in the U.S. have posted the sharpest decline in more than 30 years, adequate beef supplies should be available for the remainder of 1977, according to Texas Cattle Feeders Association.

"The January 1 cattle inventory, released recently by the U.S. Department of Agriculture, put total numbers at 122.9 million head," says Jim Gill, market analyst with TCF. "The USDA count shows that cattle producers have trimmed four per cent from the 1976 cattle herd and seven per cent from the 1975 herd."

According to Gill, this indicates cattle are still being liquidated at a very high rate. "Significantly, replacement heifers showed the greatest decline of any class of cattle," the analyst noted. "Heifers were down nine per cent from last year and this is good news for the cattle industry. We are working our way through an oversupply and moving toward a correct supply-demand balance in cattle numbers."

Although the total numbers show a decline, Gill points out that beef prices should not increase rapidly in the near future because cattle on feed and replacement cattle for feedyards are both adequate.

"With replacement cattle numbers six per cent higher than last year, there should be plenty of cattle coming into feedyards for the next few months," Gill added. "However, cattle are being fed for a shorter period of time and total beef production for the first half of 1977 will probably be about the same as last year."

Looking into the future, Gill noted that the 1976 calf crop was down six per cent from 1975 and that will mean that the 1977 cattle herd will probably continue the decline.

"We're into our third year of liquidation and it is likely to continue for another two to three years, until the cow-calf operator can see a profit for producing his product," the market analyst noted.

## DECA conference set in Levelland

About 450 high school students from throughout West Texas along with 50 advisors will converge Feb. 11-12 at South Plains College in Levelland for the sixth annual Area VI, Distributive Education Conference.

This year marks the first time that SPC will host the event, according to Buddy Moore, SPC dean of men who is acting as conference chairman. Business people from Levelland and Lubbock along with members of the SPC faculty will serve as conference judges for district competition in advertising, display, job interview, sales demonstration, apparel and accessories, food marketing, food service, general merchandising and petroleum. Competition will be in the SPC Technical Arts Center.

Winners in the district meet will compete in March at the state DECA conference in Dallas, Moore said.

A dance Feb. 11 in the SUB and an awards assembly Feb. 12 will be among highlights of the district competition, he added.

High schools to be represented at the district meet will include Amarillo, Caprock, Palo Duro and Tascosa, all at Amarillo, Borger, Brownfield, Dalhart, Burkburnett, Childress, Dumas, Floydada, Friona, Graham, Hereford, Levelland, Littlefield, Coronado, Dunbar, Estacado, Lubbock, Monterey and Rossevelt and Cooper, all at Lubbock.

## Farabee Introduces Bill Save School ADA Money

AUSTIN—State Senator Ray Farabee of Wichita Falls has introduced a bill to relieve school districts forced to close schools from the unattractive alternatives of either making up the lost days or facing loss of state funds.

The bill was drafted last week after a meeting at the Capitol with area State Representatives, state officials, and area school officials.

State law requires schools to offer 180 days of instruction to obtain state funds. This season's severely cold weather accompanied by gas curtailments has forced repeated closings of many North Texas schools.

"Quick action is essential on this problem since extensive rescheduling of classes affects previously planned church and civic activities, family vacations, industry scheduling of vacation time, and teachers' ability to continue their education during the summer," Farabee noted. He told school administrators gathered here that the energy problem may continue to plague school schedules.

"I have consulted with the Governor's office, legislators and the Texas Education Agency, and with the assistance of these people and the many concerned school officials at the local level, I am confident we can find a ready solution to this problem."

Farabee's bill would allow approval of operation of schools for less than 180 days of instruction and 10 days of inservice training when disasters, floods, extreme weather conditions, fuel curtailments or other calamities force schools to close.

### Floyd Philosopher

#### Some Washington Officials No Faith In The American Public

The Floyd Philosopher on a farm takes a Senator to no faith in the American public.

This is what I'm talking about. The Senator has lost faith in the American public. How can he be so far out of touch with reality? Doesn't he know that, except for a few moss backs who don't understand the economy and think you can save your way to prosperity, the rest of the people, given \$50, will spend it as fast as they can get to a store or thumb through a catalog?

Public officials ought to get out among the people and find out how they operate. Furthermore, Congressmen, as soon as they get their economy-stimulating 25 per cent raise on top of their present \$44,500 salary, ought to set an example and pledge themselves to spend that extra \$10,000 as soon as they get their hands on it. Saving up for a rainy day isn't the way to do it. Although, come to think of it, perhaps a lot of the country should have been saving up for a snowy one.

If that Senator knows of anybody who won't spend his \$50, strike his name off the list and send the money to me. I know what to do with it.

Yours faithfully,  
J.A.

### OBITUARIES

#### Jane Arredondo

Graveside services for Jane Arredondo, six-week-old daughter of Mr. and Mrs. Sisto Arredondo of Lockney, were held Tuesday afternoon in Lockney Cemetery with the Rev. Richard Casey, pastor of San Jose Catholic Church, officiating.

Arrangements were by Moore-Rose Funeral Home of Lockney.

The child was dead on arrival at Lockney General Hospital Monday night. She was born December 27, 1976 in the Lockney hospital.

Survivors include the parents: three brothers, Sisto, Jr., Manuel and Johnny, and a sister, Rose Mary, all of the home; grandparents Mr. and Mrs. Jessie Flores of Lubbock and Mr. and Mrs. Silvester Arredondo of Lockney.

#### Mrs. Lotspeich

Mrs. Icie Lotspeich of Ennis, 97 year old mother of Mrs. Fred Gross of Floydada, died in a nursing home Friday in Ennis. Funeral rites were conducted Monday in First Baptist Church with burial in Mineral Wells. She was a member of the Methodist Church.

Mrs. Lotspeich and her husband, L. B., who died in 1953, were former residents of Floyd and Hale Counties, having lived in this area in the late 1920's and early 1930's.

Other survivors include four sons and five daughters.

American businesses, large and small, are providing an endless stream of products because of the constant demands of our changing world. And, in the process, they are creating jobs. This is vitally important for our growing America. By 1990, more than 21 million people will be added to the job market, and the jobs they're counting on, to a great extent, will come from new product research being done today.

#### RESEARCH CREATES JOBS

Although most people realize that scientific research creates new products, some people don't realize that it is creating new jobs at the same time.

In the past 30 years, for example, whole new industries have been born as the result of new and improved products that not only make our lives safer, healthier and more comfortable, but create new jobs as well. Today, 210,000 Americans are employed in the computer field—an industry which didn't even exist be-

fore World War II. Development of new products is a way industry helps keep the job market growing. One example of this is Union Carbide's series of medical diagnostic instruments for use in clinical and medical laboratories. These instruments make possible high speed detection of major disease and symptoms in such vital areas as the heart, liver, and kidney, as well as help measure such disease conditions as hypertension, thyroid disorders, drug toxicity, and cancer. The medical field has been a long time area of research for Union Carbide. This highly diversified company, which produces chemicals, metals, carbons, gases and a

Q. Are there more lamp bulbs in your car or in your home?

A. Surprisingly, there are more bulbs in the typical American car than in the average home. Another surprising fact is that at least one, and sometimes as many as 10, individual products used in virtually every domestic and passenger vehicle that comes off Detroit's produc-

tion line are made by one company.

### Does Your Banker Say "Our Town"?

OUR TOWN  
POP. GROWING

Sometimes a single word can have a multitude of implications. The word "our" — it implies sharing, trust, concern, joint investments.

An INDEPENDENT BANKER recognizes the implications of the word "our". Because he lives where he works; he shares your goals and makes decisions concerning your money; he is concerned that your family dollars be invested in local loans, local industry and business; he is concerned that your money be put to work to make your community a prosperous one.

Compare that with a bank controlled by distant interests — that's the difference in "Our Town" and "Your Town" makes a big difference.

"Helping you change things for the better."

## Plainview Couple To Observe Golden Wedding Anniversary

The children and families of Mr. and Mrs. Elmer Mauldin will honor the couple with a reception from 2 to 5 p.m. on Sunday, February 27 in the Frontier Room of the First National Bank in Plainview, marking their 50th wedding anniversary.

The couple's children are Mrs. Pete Hudgins of Lubbock; Mrs. Randall King, Floydada; Donnie Mauldin, Abernathy; and Dale Mauldin, Littlefield. There are

eight grandchildren, seven boys and one girl.

The former Tillie Love and Elmer Mauldin were married at Dickens on February 28, 1927. They have lived in the Lockney-Plainview area since they were married.

Friends and relatives are invited to attend the reception. Those who cannot attend may send greetings to 2710 W. 4th Street, Plainview, Texas 79072.

## Understanding Teenage Girls Is Club Topic

In informative program on "Understanding Teen-Age Girls" was presented to members of the 1929 Study Club at their regular monthly meeting held February

3rd in the home of Mrs. Clarence Goins. Miss Jean Christopher, homemaking teacher at Della Plains, gave the program.

Mrs. Emma Lou Whitaker, was program leader, and read the thought for the day, "Exchange your gold into lives. The current coin of heaven is lives of men." She also led the group in the pledge to the flag.

Mrs. Ian Moore, club president, conducted the business session during which time, Chamber of Commerce manager, Doug Frazier, distributed questionnaires to be filled in about the needs of Floydada and Floyd County.

Mrs. Moore read a letter concerning the "Hands-Up" workshop which was held in Lubbock, February 5. A letter of appreciation was read from the management of the mental hospital in Vernon, thanking the club for clothing and other articles donated.

Mrs. Q. D. Williams gave a portion of the program, "Girlstown-USA". She then introduced Miss Christopher, who in discussing the topic of "Understanding the Teen-Age Girl," challenged adults to use their ability and opportunity to help teenagers by listening, understanding, and being honest in their association with the younger people. She stressed that each teenager must be made to feel worthwhile and made to feel lovable and capable. Miss Christopher recommended two books for a simple but effective understanding of

young people, "Born to Win" and "I Ain't Much, Baby, But I'm All I've Got."

Following the program, Mrs. Goins served refreshments to the guest and to 13 club members, Mmes. Vance Campbell, H. O. Cline, J. A. Colston, C. W. Denison, Norman Hamilton, C. M. Meredith, Ian Moore, S. W. Ross, Lee Rushing, Emma Lou Whitaker, Q. D. Williams, J. M. Willson Sr., and Miss Anne Swepton.

## Friendship Social Club Has Meeting

Mrs. Valree Turner hosted members of the Friendship Social Club Friday night in her home. A salad supper, along with homemade soup and cornbread were enjoyed by those attending.

Lona Sparks, president, presided over the business session.

Present were Jewel Reeves, Wanda O'Neal, Jewel Price, Lona Sparks, Pauline Faulkenberry, Ethel Sawyer, Ora King, Grace Grundy and a visitor, Mabel Price all of Floydada and Lillie Savage and Frances Graves from Lockney.

Next meeting is March 4 with Minnie Fay Easter.

### FLOYD DATA

Mr. and Mrs. J. C. Odam and Gary visited Saturday afternoon in the Plainview home of Mr. and Mrs. Bill Rushing and children. That night Mrs. Stanley Waits and Jeff of Hale Center visited in the home of the J. C. Odams. Mrs. Waits is their daughter and Mrs. Rushing their granddaughter.

Sunday afternoon guests in the Odam home were Mrs. Odessa Cage of Lubbock, and Randy Graham of Floydada. Mrs. Cage and Mrs. Odam visited their aunt, Mrs. C. E. Bartlett in Caprock Hospital during that time.

Visiting Tuesday with the Odams were Mrs. Kyle Hollomon of Lubbock, Mrs. Hollomon and Mrs. Odam are sisters.

### Floydada Nursing Home Happenings

By Faye Walters

How true is the saying about West Texas that "if you don't like the weather just hang around a little while and it will change. This week we had a little bit of every kind of weather even a little snow.

We enjoyed good devotions and were glad to have the First Methodist Church people back with their devotions Thursday. We miss all of you if you don't come on the day for your devotion. The residents look forward to these as a means of getting their spiritual food for the day. Many of them cannot see to read their Bibles, so they depend on you to bring them the word of God. They also enjoy the beautiful old songs you sing.

We are sorry we still have three residents in the hospital. Hope Hammonds, Zollie Burgett and Clea Bradshaw. Hope they will all be home very soon. We are happy Mark Jardon got to come home from the hospital this week.

We at the home were all sorry to hear Victoria Bartlett had broken her hip. She was a resident here while she was broke a hip several years ago.

We had a short field trip Wednesday. There were only Florence Badgett, Viola Weems, Dora Langford, Mr. Freeman and myself making the trip. Sure hope Agnes Anderson and some of the others will be able to go next week.

We have had very good exercise classes this week and Thursday was Bingo Day again. Top winner was Agnes Anderson with 4 games. Della Finley and Willie Mae Stambough won 3 games and Ray Reed and Hallie Bertrand won 2 games each. This was the first time Willie Mae has played.

We appreciate every visitor we had this week which included: Josephine and Verdine Smith, Lockney; Sue Moore, Mr. and Mrs. Charlie Hargis, Mr. and Mrs. Vellie McNeill, Mr. and Mrs. Otis Anderson, Guy Galloway, Parnell Powell, Lurene Gee, Ruby Weems, Mrs. Vernon McPeak, Osie Morrison, Edna Patton and Mr. and Mrs. Hubert Davis all of Floydada; Ruthie Kunkel, Kelly Kunkel and Tex Smith all of Plainview.

### Program On Diabetic Diets Presented To Caprock Auxiliary

Mrs. Betty Baker, Caprock Hospital dietician, presented an informative program on "Diabetic Diets" to the Caprock Hospital Auxiliary, Monday, February 7 in the Caprock Hospital dining room. Mrs. Baker distributed carbohydrate, protein and fat charts to each member and used visual aids to explain the procedure in

planning a correct diabetic diet.

Mrs. Bill Smith, president, presided during the business session which followed. Money raising projects were discussed and will be decided upon at a later date. She announced the auxiliary's \$150.00 scholarship recipient Mrs. Nila Bryant Sewell of Abilene, had been accepted

into Cisco Junior College Licensed Vocational Nursing School.

Mrs. Smith also announced the Burdick 5 Electrocardiograph portable machine had been received and was in use at the hospital. Troy Patton, hospital administrator, displayed the new unit for the group. The machine cost \$1,290 and was purchased with funds received from

memorials, general donations, donations in honor of individuals and auxiliary dues. The memorials were from the special "Family and Friend Memorial Fund for Mrs. W. O. Tye" which took care of one third of the purchase. The nursing scholarship and remaining cost of the machine were in memory of Margie Oden, Lee Carver, J. B. Colston, Yern Gauntt, W. F. Daniel, Sr., Dr. John Kimball, Festus Steen, Wesley Carr, L. A. Sargent, Mrs. Claude Ring, C. W. Ginn, Mrs. Velma Spence;

Miss Lydia Walding, J.P. Moss, Clifford Willis, Mrs. Maggie Galloway, Inez Nichols. Mrs. Juanita Thompson, O. W. Kirk, Mrs. Claude Weathersbee, J. S. Hale, Sr., Johnnie Collins, Lee Rushing, Mrs. Mattie Hale, Mrs. Guy Jackson, Adrian Field, Ed Brown, D. W. Burke, Carmel Eastham, Sr.;

Leo R. Thrasher, Mrs.

Martha Mayfield, Russell Wood, Mrs. Winnie Dyson, Dennis Dempsey, Charlie Bedford, Jack Deakins, Bob Dyson, Mrs. Gene Collins, and Mal Jarboe Sr. Donations were in honor of Mrs. Ella Reue, Mr. and Mrs. J. J. McKinney and Claude Weathersbee.

The auxiliary voted to purchase a \$3,000 Datascope Monitor/Defibrillator System as a new project. It is a heart monitoring system that works as one compact, portable unit when one unit is needed and it also works as two separate units when two are needed.

Mrs. Nila Bryant was welcomed as a new member. Others attending were Mmes. Nancy Noland, Emma Lou Whitaker, J. R. Turner, Ned Bradley, Sam Fowler, Bill Smith, Ian Moore, Dan Hagood, Dallas Ramsey, Pedro Ochoa, Bill Tye and Betty Baker.

The next monthly meeting will be Monday, March 7 at 9:30 a.m. in the Caprock Hospital dining room. Anyone interested in joining is urged to attend.

### Mrs. Johnston Celebrates 97th Birthday

A dinner Sunday in the Lockney home of Mr. and Mrs. Homer Ragland honored Mrs. Ragland's grandmother Mrs. Dora Johnston, whose 97th birthday was Friday, February 4.

Attending the birthday dinner were Mr. and Mrs. Ragland and their daughter Jan; Girtha Vaughan of Silverton; Nancy Smalwood, Winsboro, Texas; Depena Crowner, Dumas; Mrs. J. D. Johnston, Mr. and Mrs. Odel Johnston, Mr. and Mrs. Don Johnston and Timmy, Mrs. Regina Blankenship and Stephanie, all of Plainview; Mrs. and Mrs. Cephus Flowers, Tulsa; Mr. and Mrs. Joe Johnston, Crosbyton; Mr. and Mrs. Milton Ford, Perryton; Mr. and Mrs. Wayne Vaughan, Mr. and Mrs. Clyde Hutsell, Neva Garvin and Mable Welch, all of Silverton; Mr. and Mrs. Dale Smalts, David and Carol, Hereford; Dr. and Mrs. W. J. Mangold, Mr. and Mrs. Jack Ragland, Jackie, Joe and Keith, and Roxanne Ford, all of Lockney.

MRS. DORA JOHNSTON, 97 years old last Friday, was honored at a birthday dinner Sunday in the Homer Ragland home in Lockney. (Staff Photo)

### Victory Church Women Meet

Ladies Fellowship of Victory Baptist Church met for their monthly meeting Monday night in Fellowship Hall of the church. Mrs. Wayne Fuller opened the meeting with prayer, followed by a short business session. Names of secret pals were drawn, then Mrs. Joe Green gave a devotional on "Love."

The women brought items for a kitchen shower for the church, and discussed plans for their Sweetheart Banquet February 14 at the church.

Mrs. George Quisenberry dismissed with prayer. Refreshments were serv-

ed by Mrs. Green to Mmes. Quisenberry, David Hale, Walter Duvak, Wayne Fuller, Allen Cochran, Curtis Clevenger, Josie Williams, Bill Lamb, Emmitt Clappitt, and Miss Janet Duvak.

### Rebekah Lodge Honor Members

Floydada Rebekah Lodge honored members with birthdays in January, February and March, Tuesday night following their regular meeting. Amanda Hart, Noble Grand, and Foy Gooch, Vice-

Grand, hosted the event.

Lodge Hall was decorated in a Valentine motif and refreshments of heart shaped cookies, a pink decorated cake and pink punch were served from a table laid with a pink cloth, holding a vase of pink roses.

Foy Gooch read a Valentine poem.

Those honored with birthdays in January were Artie Webb, Ora King and Lona Sparks; birthday honorees for February were Jewel Price and Margaret Paschal; and for March, Marie Hamilton, Alma Dunn, Foy Gooch, Oleta Gaston, Laules Parkey, Willie Dee Hill and Jewel Jackson.

MRS. NILA BRYANT SEWELL has been accepted into the Cisco Junior College Licensed Vocational Nursing School of Abilene. The class will convene February 27 and take one year for completion.

Mrs. Sewell is a '76 graduate of Floydada High School and became interested in nursing as a career while employed at Caprock Hospital for two years. She was the recipient of a \$150.00 nursing scholarship from the Caprock Hospital Auxiliary. She is the daughter of Mr. and Mrs. Nile Bryant and resides in Abilene with her husband, David, son of Mrs. Sue Sewell of Floydada.

### Floydada Home Scene Of Jones Reunion

The Floydada home of Mr. and Mrs. Dorris Jones was the scene last Thursday and Friday for a Jones family reunion. Mr. and Mrs. Watson Jones, also of Floydada, assisted in hosting the event.

The reunion was occasioned by a visit from the Jones' brothers' niece, Mrs. Terry Wolters of Rochester, New York, whom the area residents had not seen in almost 15 years. Mrs. Wolters, accompanied by her daughter, Kimberly, had flown to Irving, Texas earlier to visit her parents, Mr. and Mrs. E. J. Christopher, formerly of Warsaw, New York. Mrs. Christopher is the former Mary Frances Jones.

Other relatives attending the reunion were Mr. and Mrs. E. J. Christopher and other daughters, Christie and Mrs. Ricky Holland and sons, Cris and Todd all of Irving; Mr. and Mrs. Dalton Jones and daughters, Jerry and Mrs. Steve Gillum and husband, and Larry Jones all of Lubbock; Mr. and Mrs. Rob Hefflin, Shawnda, Rick and LaDonna of Floydada, and the hosts and hostesses.

## cooking hints

From Home Economists  
 At Riviana Kitchens

ARE YOU UP ON NUTRITION?

Whether you're cooking for a big family, a small one, or just for yourself—it's important to plan nutritious, well-balanced meals.

To focus your attention on this very vital part of everyone's life, the first week of March has been designated National Nutrition Week.

How can you be sure you're serving nutritious meals? First, you have to know generally the basic needs of the human body. For this you learn about the Basic Four Food Groups of bread and cereals; fruits and vegetables; meat, fish, poultry, and eggs; milk and milk products.

In the second place, you have to have specific nutritive information, which you can get from the labels on many food products. For instance, the labels for rice tell you that rice has only 100 calories per 1 ounce or about 1/2 cup serving, but that it also contributes protein, iron, thiamine, and niacin to the diet.

Since rice is frequently combined with other foods, its nutritive contribution enhances that of the other foods in the combination. The result is a casserole, side dish, or dessert that is more nutritious than any of the foods alone would be.

The following recipe for Casserole Beef Oie is a good example. The protein of the rice teams up with that of the pinto beans; the B-vitamins of thiamine and niacin add to that contributed from the cheese and so on.

## Personality Quiz

ARE YOU EASY TO INTIMIDATE?

Do you stand up for your rights—or does power—either real or imagined—make you shrink? Why not take this quiz and see if you're easily intimidated. Four right answers means you probably don't let people take advantage of you.

1. If you're a depositor in a bank and someone tries to get in line ahead of you, it's best to (A) politely point out that you were standing ahead of him (B) let him get away with it (C) force your way in front of him?

2. If you receive a parking ticket and think you don't deserve it, you should (A) forget it and pay the fine (B) contest the case in court (C) explain the situation to a local politician?

3. A friend passes away and you plan to send flowers but the family asks that donations be made to charity. You should (A) follow their suggestions implicitly (B) send flowers as well as contribute to the charity (C) send flowers only?

4. If your employer gives you more work than you can handle, you should (A) call him a slave driver (B) ask which work he'd like you to do first (C) say nothing and meekly do the best you can?

5. When a friend of yours urges you to try a new drug because he had the same problem, it would be best to (A) try it (B) refuse to take a drug unless it has been prescribed for you by a physician (C) tell your friend that you'd like to think about it?

Answers: 1. (A) Politely point out that you were standing ahead of him. Using force is as bad as being too meek.

2. (B) Contest the case in court. You'll probably get a sympathetic hearing and will not have to pay a fine. Explaining the problem to a political leader may imply that you are seeking undue influence.

3. (B) Send flowers as well as contribute to the charity. Doing so will enable you to honor the dead as well as comply with their request for donations. If you're sending flowers out of town, ask the florist to "please FTD them." It doesn't cost extra and the

**Raising Breakfast For McMurry College**

Hale of McMurry College will host a 7 a.m. breakfast launching Feb. 15. Kenneth Wyatt of Julia is cluster chairman. Others in the cluster are Silverton and Kress.

In Dimmitt the 11:30 a.m. kickoff luncheon will be held Feb. 15 in K-Bob's Restaurant. W. E. Thornton of

Dimmitt is cluster chairman. Other workers at the gathering will be from Hart, Earth and Muleshoe.

Plainview United Methodist Church will host the 7 p.m. Feb. 15 launching dinner. Others in this cluster are Abernathy, Lakeview, Halfway, Olton, Hale Center and Cotton Center.

Fourteen members of the Floyd County 4-H club will be competing in the 1977 Houston Livestock Show and Rodeo. Entering beef heifers are Kyle Brock, Clifford Byron Brock, Shawnda Brock, David Foster, Jody Foster, Ty Williams, Libby Williams and Ricky Hrbacek. Market steers will be

entered by Kyle Brock, Clifford Byron Brock, Todd Beedy, Mark Beedy, Jon Jones and Dean Hinton. Dean Hinton will also enter market lambs; and market barrows will be entered by Darla Assiter and Rusty Cagle.

Two members of the Floydada FFA Chapter will be

competing in the 1977 Houston Livestock Show & Rodeo. Entering market barrows are Rhonda Bennett and Todd Vickers. Their vocational agriculture teacher is O. L. Harris.

The Livestock Show opens February 23 and runs through March 6, with rodeo performances every night in

the Astrodome beginning February 25.

The second week of the '77 Show will be devoted to competition among junior exhibitors of all major beef and dairy breeds, swine, sheep and goats, rabbits and poultry. It is the largest junior livestock show in the country.

Members of 4-H and FFA groups from all sections of Texas, along with adult exhibitors, will contend for a record total of \$510,363 in premium money to be awarded at the show. Approximately 20,000 entries are expected.

**WHIRLWINDS LOSE TO IDALOU**

By Doug Simpson  
Idalou's Delbert Rogers victimized the varsity Whirlwinds with a 19-point performance, while teammate

Paige Burlsmith scored 19 points and hauled in numerous rebounds to lead the Wildcats to a 63-56 victory over Floydada, in a district 4-AA rematch at Idalou gymnasium last Friday night. The loss dropped the

Winds' season record to a 6-15 mark, while leaving them with an 0-2 posting for the second round of district competition.

The initial period of play was highlighted by a pair of very patient offensive styles

**Whirlettes Finish With 64-48 Loss**

By Doug Simpson  
The Idalou Wildcats broke a 13-13 first quarter deadlock by exploding for 19 second quarter points and a commanding lead at intermission, to defeat the Floydada Whirlettes by the score of 64-48 and spoil their opponents hopes of capturing a victory in the second round of competition in district 4-AA. The loss closed out the season for Floydada with a dismal 3-22 record, and was characterized by Idalou's ability to pull away from a contest that for a while, looked as if a close battle would result. By winning, the Wildcats avenged an earlier loss, in which the Whirlettes captured their lone district win, with a 42-40 decision at Graves Gym.

In the initial period, Idalou picked up 9 of its 13 points from the free-throw line, which proved to be its most deadly weapon throughout the entire evening. Floydada, not to be denied, remained in the struggle by executing its most successful maneuver—the inside feed to Kim Curry by either of the other two forwards, Tracey Puckett and Kathy Davis.

During the contest's decisive second quarter, the Wildcats took advantage of

which were reluctant to even take a shot without reasonable percentages involved. The slow tempo of play resulted in a 6-5 Floydada lead when the buzzer sounded, with Morris Keele's unstoppable inside performance accounting for 4 of those points.

As the battle continued to reveal that both teams were attempting to work with very deliberate play, the lead changed hands several times, and a leader at the midway point was aided by a technical foul on the Whirl-

Floydada closed the gap by a single field goal in the third stanza, the 'Cats were relentless, as the Idalou defensive attack tightened to permit just 10 fourth quarter points. This resulted in a 42-38 advantage, going into the final period, and a 22-point performance in the contest's final frame.

their opponents' numerous fouls, which have plagued the Whirlettes all year. Idalou connected on an unbelievable 11 of 15 attempts from the line, to result in a 32-26 halftime lead.

In spite of the fact that

**Freshmen Whirlettes Clip Idalou 39-31**

By Doug Simpson  
Forwards Karen Turner and Rosemary Barnes combined to produce 34 points, while on the opposite end of the floor, Kelly Higginbotham, Lisa Anderson, Tracy Reddy, and Carmen Cole-

man were displaying excellent defensive efforts, as the freshman Whirlettes captured their sixth victory of the season Monday night, with a 39-31 triumph over Idalou. The win improved Floydada's current season ledger to one of six wins and seven losses, and was characterized by the visiting Whirlettes' ability to penetrate well on practically every offensive possession they were challenged with.

During the final period, a highly-offensive outpour was displayed by both teams, but the overall rebounding ability of the hosting Wildcats proved to be the difference in enabling the Winds to lose a sweep in district play to Idalou. Joey Davis led both schools in scoring during the quarter with 11.

Individual total points: Keele 15; Davis 15; Minnitt 10; Carthel 8; Coleman 6; Bean 2; Helms 2. Rebounds: Keele 16; Davis 10; Minnitt 1; Carthel 6; Bean 1; Helms 1.

Floydada jumped off to an early 12-4 advantage in the first period of competition, basically by playing with unusually consistency on every position on the court, and by coming out with a very patient offensive attack. According to coach

Clifford Stephens' viewpoint, the Whirlettes put in almost every shot they attempted because of their patience and execution.

Idalou was able to trim the Floydada lead by a pair of field goals in the second period, thus enabling the Wildcats to go into the dressing room at intermission, trailing by only four points, a 17-13 count.

But the Whirlettes re-established their game plan in the third stanza by utilizing their penetrating ability once again. This was primarily true of instances throughout the contest in which Melody Stringer climaxed an inside feed to one of her teammates for an easy bucket underneath the hoop.

Going into the final stages of the shootout, Floydada was holding on to a 29-20 advantage.

Although Idalou registered its highest point total of

**Freshmen Close Out Season With Victory**

By Doug Simpson  
Freshman Whirlwind Macolyn Collins drilled home 26 points and hauled in an impressive 16 rebounds to help thwart a temporary third period comeback and defeat the Idalou Wildcats, 56-40, in the final contest of the 1976 season, at Graves Gym last Monday evening. The victory assured the Whirlwinds of at least a tie for the district 4-AA title, and improved their season mark to one of 13 wins and 2 losses, possibly the finest in many seasons for a freshman squad at Floydada.

This was also accomplished through Floydada's effective control of the boards during the final four minutes of the quarter.

In the second quarter, the Whirlwinds erupted for 17 points and a commanding halftime advantage, basically by continuing to astonish the 'Cats underneath with Collins' driving layups and defensive rebounding. On many occasions, it was the inside feed from either Troy Marquis, Tracy Womack, or Monte Lyons, and on certain occasions, Collins just took it to the hoop himself, to register another two-pointer toward his 16-point first half total. At the midway point, Floydada was out in front by a 25-14 margin.

In the third stanza, Idalou finally began to adjust its defense to the penetrating Whirlwind attack. This enabled the Wildcats to de-

crease the deficit by several buckets, and for a few moments, it looked as if the firepower in Floydada's offensive machine had expired. With six minutes to play in the quarter, the lead had dwindled to 27-20.

The Idalou threat was short-lived, however, as Collins responded 55 seconds later with a layup from the right-side to put his team back up by nine. When Marquis picked off the ensuing inbounds pass at mid-court, Collins was there once again, for another easy bucket and another extension lead. Twenty-four seconds later, he came up with his third consecutive layup, this one to extend the advantage to a commanding 33-20 margin. The Whirlwinds, also paced by the inside performances of Gary Naylor, went on to score 18 third quarter points and go into the final frame, leading by a 43-26 score.

Idalou never threatened again, and in the contest's final period, head coach Daniel Coward was able to

creases in 1968. The law  
provides that when the Com-  
mission makes its recom-  
mendations on Federal  
salary increases to the Pre-  
sident, he can then submit  
the recommendation to the  
Congress which, if not nega-  
tively acted on by either the  
House or the Senate, be-  
comes effective in 30 days  
after the submission. Both  
President Ford, before leav-  
ing office, and now, Presi-  
dent Carter, accepted the  
Commission's report and  
have recommended its adop-  
tion. The Senate has failed  
to turn the proposition down  
and, although the House  
held hearings the first three  
days of this week, it does  
not appear there is time for  
a vote before the increases  
become automatic.

MANY OF THE NEWER  
MEMBERS OF CONGRESS  
who are younger and have  
growing families, contend  
that they cannot live in the  
expensive Washington area  
on the salary now provided.  
It is true it is the most  
expensive place in the Coun-  
try but, on the other hand,  
they knew what the salary  
was when they sought the  
office.

THOSE OF US WHO  
HAVE EXPRESSED A  
CONCERN about inflation  
and about Government  
spending cannot consistently  
and with conscience sup-  
port pay increases at this  
time. The argument for jus-  
tifying salary increases a-  
side, this should be a time  
of retrenchment in the cost  
of all Government operation  
but one is in a poor position  
to be an advocate of this  
view and, at the same time,  
vote himself further bene-  
fits.

CERTAINLY, WE  
SHOULD NOT get into a  
situation where only the  
wealthy could afford to  
serve in an official position,  
whether elected or appoint-

true for others in the private  
sector of our economy whose  
incomes may be greater  
than ever before but who  
pay more taxes and higher  
prices because of inflation.

There is simply no way to  
beat this economic fact,  
aside from all other consid-  
erations. Of course, there  
are those who have consid-  
erable deductions under the  
tax laws, but those who are  
limited really gain nothing.

IN AN ATTEMPT TO  
MOLLIFY THE PUBLIC'S  
ATTITUDE towards these  
pay increases, there is to be  
adopted a more strict code  
of ethics for Members of Con-  
gress. Outside income is to  
be restricted and made pub-  
lic. Honorariums for speak-  
ing engagements are to be  
strictly limited or prohib-  
ited. Other standards are to  
be adopted which are sup-  
posed to impress people but,  
in all candor, have the ap-  
pearance of window-dress-  
ing. It is a little like saying  
to the public -look at us; we  
are going to be honest.  
Certainly, the public expects  
and should demand strict

honesty. It is the business of  
the people who vote or  
appoint their public officials  
to determine their worth-  
iness. Much of this so-call-  
"reform" seems to start with  
the premise that we have to  
declare ourselves to be  
Simon pure and that to  
prove it we establish a code  
of ethics. Certainly, there  
must be rules, and there  
must be law, but to have  
some, such as now proposed,  
would have people believe  
that this cures everything  
and is a justification for  
bigger pay.

## Letter To The Editor

Dear Editor,  
 In reply to Coach L. G. Wilson's article that appeared on the front page of your paper, Thursday, February 3, I am surprised and disappointed in the Head Coach and Athletic Director's embarrassment and lack of pride in Floydada's athletic facilities. It certainly shows bad value judgment.

When appearances are more important than athletic ability and sportsmanship something is wrong.  
 Coach Wilson should be embarrassed about the school debt, which is \$1,570,812.00 and which he wants to make \$2,225,812.00. Everyone wants the very best, nevertheless, we must think of the huge existing school debt and the burden the increase of a \$395,000 bond will make.  
 The majority of Floydada football fans are proud of the team and the seats are secondary. After all our facilities are comparable to others in our district. It seems that the coach is the only one complaining.  
 I regret Coach Wilson's admitted lack of pride and embarrassment. In the position of influence he has with the youth in our schools I sincerely hope they do not accept his value of appearances over responsible money management.

## JV Whirlettes Survive Thriller At Idalou 34-33

By Doug Simpson  
 The Junior varsity Whirlettes survived a heated final two minutes of play, in which a stubborn Idalou ball club almost completely wiped out a previous six-point advantage, to take a well-earned 35-34 victory from the Wildcats, in a contest played last Friday afternoon at Idalou gymnasium. The win for Floydada was the second in three starts, as the Whirlettes have now captured district triumphs at Tulia and Idalou and improved their season record to a 6-6 mark.  
 The first period was one of consistent defensive play, as both teams battled to a 6-6 deadlock before the horn sounded. Forward Lisa West paced her team in scoring with 4 point, while Judi Bean and Jamie Guest each chipped in a single fieldgoal.  
 Idalou's potent offensive attack enabled the hosting Wildcats to take a 5-point advantage in the second quarter of competition, as the Whirlettes could manage only six points again, and as a result, took a 17-12 deficit into the dressing room at intermission.  
 The third stanza featured a similar type of outcome, as Idalou continued to control the tempo of the contest to post a 23-20 lead, going into the final stages of the shoot-out.  
 Floydada's sluggish offensive machine finally was able to get untracked in the final period of play, resulting in 15 points and a narrow 1-point final outcome. However, it was the poise in which the Whirlettes displayed in the final moments of action that thwarted Idalou's last-minute surge and saved the triumph for Clifford Stephen's troops.  
 Individual total points: West: 17; Bean 10; Guest: 8; Rebounds: West 2; Bean 3; Guest 2; Assiter 5; Kitchens 5; Vickers 4; Ratliff 2; Miller 1.

## Breezer Coach Praises Players

Breezer coach Arlan Barnes praised his seventh grade Breezers on the completion of a perfect 9-0 basketball season Tuesday morning following Monday night's final game.  
 Barnes said the forwards ranked in scoring as follows: Carlos Rainwater, Ronnie Minner, Gary Rinker, and Todd Beedy. He also praised the outstanding play of Norman Allen, Mack Nutt, Billy Collins and Terry Westbrook.  
 The Breezers were the only Floydada team with a clear cut district championship.

# The Cost Cutter

One Less Irrigation • Lower Harvest and Hauling Costs • Less Moisture Dockage • Lower Drying Cost • More Income and Profit per Acre

Pioneer brand 3780 improves corn profits four ways. It is an early hybrid that takes one less watering than the hybrids you've been planting; it also dries faster after maturity than other corns. Since it has good standability and ear retention, you can leave it in the field to dry. This means you harvest less moisture, haul less moisture, and have little or no dockage and drying cost.

the higher dry yield, it made a difference of \$20 to \$30 net income per acre.

**SINCE IT DOESN'T COST AS MUCH TO GROW, IT CAN MAKE MORE MONEY**

This hybrid matures 11 to 13 days earlier than our famous 3369A but it doesn't concede yield for its earliness. Under most growing conditions, it will yield pretty close to the full-season varieties and harvest several points drier.

In 1976, farmers found that "Cost Cutter" 3780 produced significantly more net income per acre than competitive corns of much later maturity. Though the green weight yield of later maturity corns was greater, 3780 was usually much lower in moisture and thus higher in dry yield per acre. When the saving in irrigation fuel cost was added to

**TOUGH ENOUGH TO TAKE IT**

3780 is also a tough little hybrid that can take some stress. Head smut didn't bother it in 1976. It has good roots and stalks and holds its ears well. It is sensitive about getting pre-tassel water right on time, however. That critical irrigation time is fairly short since it passes quickly through each stage of growth.

Here are actual examples of 3780's ability to make more profit than later maturing, high yielding competitors:

	Yield wet weight (bu./acre)	% Moisture at Harvest	Dry Weight after drying 1	Gross return per acre 2	Harvest and hauling cost 3	Difference in irrigation cost 4	Gross return per acre for each hybrid	Dollar per acre advantage for 3780

If you're farming big payoffs, the perfect hybrid is Pioneer brand 3369A and Staggered Maturity program. The new Pioneer allows you to:

2ND PART

# Till Death Do Us Part... Then What?"

(Editor's note: This is the second part of a two part series that began Sunday, written by a Lubbock businessman Arthur Gamble.)

I think the full import of the words "Till Death Do Us Part" was not impressed on me at any time in my life until several months after my wife's death. Then I began to realize that the vow I had taken and kept during those years had been done away with by death - we were not parted.

Months had passed and as I accepted the loss of "friends" my changed relationships no longer haunted me. One thing continued to bother me as it has in my business traveling over the years - I still hated to eat an evening meal alone. To me a lonely person eating in a cafeteria at night is a most depressing sight.

As I ate my lonely evening meals I began to notice that often there would be lovely ladies eating alone. Such an arrangement seemed foolish, so I decided to break over and take someone to dinner. I took one girl out while on the road and found the meal most pleasant. Back home again, I called an attractive young widow I knew and arranged a dinner date which broke the ice.

There are no problems when you take an attractive woman out to dinner, a theater or even a dance. You just give her the attention a lady deserves from her escort. At the age of 20 you can get away with almost anything because of callow ignorance but a man of 50 with a single woman in her 40's hardly has that defense.

What do you do when you are in a darkened theater? Hold hands? This may sound insane but just how do you let her know you're enjoying being with her without appearing to be a silly old fool? I soon formed some opinions about which women would be good dates and otherwise. For an A-1 date, go with a divorcee who was married to "grade A S.O.B." because she appreciates de-

cent treatment. You don't have to be a Prince Charming on a white charger for her - just an ordinary human being driving a five year old Chevy is enough - if you treat her with respect.

If a woman says of her husband "he is good to me," then you can figure she has been married previously. Every bride expects her husband to be good to her but the divorcee knows that it isn't always that way.

The worst date possible is the woman who was a hellcat with her husband only to have him die suddenly. Now, filled with remorse and regret, she cannot be nice to another man without somehow feeling she's being untrue to that "perfect" man she treated so badly.

I once heard a claim agent for the railroad say nothing seemed to improve the quality of West Texas cattle like crossing them with a Santa Fe locomotive. As I hear some of these deceased husbands praised it seems that death has elevated some pretty ordinary old boys to ward sainthood - that is if you pay any attention to their "devoted" widows.

I had been warned that a single man in my town would receive many improper advances but was I disappointed! I did have one that came about during an office visit when the girl kept hinting around about how I was getting along and I assured her I was OK. Finally she came right out and asked how my sex life was. My answer of "Adequate!" seemed to be the proper answer because she left suddenly.

I yield to no man in my appreciation of dogs, particularly the big husky outdoor type. But when you find a woman has one of those yapping, pesky little toy poodles, stop and think. What you have before you is no utilitarian guard or hunting dog but she has taken unto herself "something to love." A man you can compete with, even a departed one who was perfect, but that little bundle of fur has you outdistanced before you

start. If she is taking baby talk to the little monster, close the door quietly as you slip out - then run!

Sometimes you find a very desirable woman who has become adjusted to living alone. This has been no easy adjustment so unless you have serious intentions, don't go so far that she will have to adjust again after you're gone. Don't worry, there are plenty more along the way not so well adjusted.

Many friends have "Just the girl for you." If you believe them literally you may have to revise your opinions of either yourself or your friends.

One friend was quite frank with me about the "Just-the-girl-for-you" she had in mind. "She's a lovely girl but she has one drawback to some men - she is heir to about five million dollars." I am one of those men. I could foresee complications I've never had in my life before, so I am sure I missed a charming lady.

If you have someone you think might be "just-the-girl" don't queer the deal by such introductions. Simply ask him to attend a function with your party and escort a friend of yours. No buildup, no sales talk, no obligation. Just a chance for an enjoyable evening with friends escorting someone they obviously approve. If they're the ones for each other, they'll take it from there.

Your date's children can provide some interesting moments. Once on a second date with an attractive divorcee, I was greeted at the door by her son who introduced his wife and told his mother I was there. When she appeared, we told them goodby and started to leave only to be stopped by the son with "Just a minute - may I ask who you are double dating with tonight?" His mother stood there with her eyes wide and open mouthed as he continued, "After all, this is only your second date. Do you think it proper for you to go out alone?" He had waited since his earliest dates to get this back on his mother and the look on her face was worth it all.

There is an expectancy on the part of some young widows (maybe from experience) that they'll be fighting off their escort during the evening. Once after a dance I took my date to a restaurant for breakfast before escorting her home. During the meal she mentioned quite pointedly her feelings about kissing on the first date. I hadn't thought about it particularly until she brought up the subject, so I just let her keep up this line of talk and tried to make things as pleasant as possible. When we reached her home she handed me the key, I opened the door, handed the key back. As she waited for me to try what

she had warned me not to do I reached over, took her hand which I shook warmly, told her goodnight and left. I'm not sure she has figured that one out yet, but I couldn't resist the temptation.

I doubt there are any perfect marriages. Even the best have some areas of friction. When you begin to date you look for a girl embodying the best of your first marriage with personality traits that will forestall the frictions.

Once I was attending a play with a young widow when we heard one of the characters say "Dr. S. in his book on marriage says that people marrying for the second time tend to repeat the mistakes of their first marriage." It must have hit us equally hard because we differed on money, politics, background and outlook on life. We were together several times after that but things never again achieved the head of steam they had up until then.

One night I took a woman to a dance where we were with a large group. As is customary, I danced with her and then with the various ladies in our party. A couple was drinking pretty steadily but the effects didn't show up until the dance had been going for some time. I mentioned that it looked as if I would have to dance with this girl since she was the only one I had missed. I debated with myself for some time and against my better judgment decided to ask her anyhow. Unfortunately, she accepted.

I kept away from the crowded middle of the floor and with the help of the Lord and a good sense of balance, managed to complete the dance and get her back to the table without letting her fall. I was congratulating myself on having accomplished a difficult, distasteful chore when her husband staggered up to me and said "Why don't you dance with your beautiful blonde and let my wife alone?" I answered, "Gladly!"

That one promise I have had no trouble keeping ever since, but it shows one of the hazards of the single man with a group of married people. As a married man I have never had anything like that happen to me but as a single apparently I was a threat. Incidentally, his wife wasn't my type at all.

I missed one trap that seems to affect some men who are dating again: I was never tempted by much younger girls even though I dated some. Amazing as it may seem there are girls who are attracted by older men, and there is a temptation to cash in on such an opportunity. There is no doubt that in some of those "May-December" marriages that "May" sees only Christmas in "December." Besides that, I have raised one family and the prospect of measles, chickenpox, Cub Scouts and above all, PTA, was enough to head me off. As I began to settle down to a few girls in my dating,

my friends began to ask if I was getting serious. I would still get invitations to parties as a single instead of being asked to bring a date of my own choice. I always went to those parties knowing that the hostess would have an eligible lady there to pair off with me.

As you date more, the little games that made dating such a fascinating pastime in your younger days began to pall. The sight of a woman who has two children and is in her forties being coy is enough to turn off the most avid date. Likewise the artifices that are interesting at 20 become nauseating at 50 - such as a 45-year-old woman talking baby talk to you on a date. Or the girl who wants several days' advance notice before a date makes you wonder just what it is that she has to bolster up before going out with you.

Since I only dated girls I thought attractive, looks became secondary. Grooming was most important because the girl who has enough pride to keep up her appearance indicates qualities that are most desirable. Every girl has a right to be beautiful at 20 but the one who is still attractive at 45 has something on the ball and is worthwhile.

One by one many of your dates become less interesting so you concentrate on those you enjoy the most. As these relationships develop you begin to realize that one certain girl has all the qualities you think ideal in a woman. You begin to spend more and more time with her. Then arrives a time when you want this relationship to become more permanent.

Then, my friend, you're ripe and ready for matrimony! You hadn't planned it this way. You were going to be the swinging bachelor all the way to the old folks' home, then see if there was anyone interesting there. Now life with this one girl looks like all you had ever wanted, yet you wonder do I really know her? Have I been fooled by a real little con artist? Has she been putting on an act for my benefit? Is she for real? Should I go home and read another chapter in my prized book on how to avoid marriage? (I had already read it from cover to cover six times.)

"Seek and ye shall find" says the Bible - but I wasn't planning anything like this - I wasn't seeking a wife - I was going to -.

Suddenly, I realize that I am standing before a small group of my nearest and dearest with my son standing by my side as best man and this lovely girl is holding my hand. She has had the same doubts but now we're taking the plunge together.

Time has passed. Now I know she was for real! Nothing phony here! She is all I had ever hoped and dreamed of having. It's a new kind of life. Something has changed and for the better. Loneliness is gone - sharing is back. Life is great.

Second marriages? If you are as lucky as I am, don't hesitate! Get going!

## DO YOU PRACTICE GOOD ETIQUETTE?

Etiquette is something you learn, not something you're born with. Take this quick quiz and see how you score. If you answer three or more questions correctly you have had a higher education in etiquette.

1. Does a young bride properly thank friends and relatives for wedding gifts by (A) sending a printed or engraved card of thanks (B) making a personal phone call to express her gratitude (C) personally handwriting her thank-you on a sheet of note paper?

2. When a single girl is invited to dinner at a bachelor's apartment, should she (A) go for a prescribed amount of time (B) take a chaperone with her (C) decline the invitation?

3. An acquaintance has passed away and relatives request that mourners please omit flowers and send contributions to a charity instead. You should (A) do precisely as requested (B) send flowers and contribute to the charity (C) simply attend the funeral?

4. When a dinner party is in progress and one female guest arrives late, should (A) all the men rise (B) remain seated (C) only the man who has been seated to her right should rise?

5. If a man and woman are walking on a very crowded street, should the man (A) always walk on the outside (B) take the woman's arm and push her through the crowd (C) walk on either side, behind or ahead, so long as it is the most convenient for both?

Answers: 1. (C) On a sheet of note paper, and in her own handwriting, the young bride must send a separate letter for each gift received. Sending a printed or engraved thank-you is considered inexcusable rudeness.

2. (A) A career girl may readily accept such an invitation, but should not stay beyond ten or thirty. Only "teens" need be chaperoned.

3. (B) People are always happy to receive flowers - the universally accepted symbol of sympathy. If you're sending flowers out of town, ask the florist to "please FTD them." It doesn't cost extra and the flowers will be sent through the Florists' Transworld Delivery network of "extra touch" florists.

4. (C) The only man who needs rise is the one seated to the right of where the late-arriving lady will sit.

5. (C) Walk in whichever position is convenient to both. Continual switching to stay on the outside is a nuisance, and pushing the lady ahead can be dangerous - for her.

Sen. Hance Proposal

# No Insurance, No Auto Registration

"It is time for the responsible drivers of this state to be protected against the uninsured motorist," commented State Senator Kent Hance (D-Lubbock) after introducing legislation aimed at preventing uninsured

Texas motorists, who cannot establish financial responsibility, from operating their vehicles. Senator Hance's bill would prohibit county tax assessors from registering motor vehicles and prevent the Department of Public

Safety from licensing drivers unless the car owner is able to prove financial responsibility. If a liability insurance policy is terminated, the insurer must notify the

D.P.S. and the insured at least twenty days in advance.

In addition, the car owner must prove financial responsibility after his/her liability insurance policy is terminated, or the D.P.S. will suspend his/her registration.

Last year, 563,160 autos

were involved in accidents where insurance reports were filed in Texas. 196,840 or 35.9% of these cars were uninsured," Hance cited.

GOOD JOBS now and for the future are available for high school seniors.

"My motto is, 'Contented with little, yet wishing for more.'" Charles Lamb

## Health Views

### THE SECRETARY'S MOST COMMON COMPLAINT

The secretary's most common complaint, believe it or not, has nothing to do with the company she (or he) works for or her boss. Although her attitude toward her job may very well be influenced by her work load and her respect for the company and person she works for, most often the complaint centers around the equipment provided her to do her job. Bad typewriter, you ask? Not at all. Most secretaries are satisfied with their typewriters, desks, and work environments. But their big gripe is their chair. That is, if they are aware enough to associate that chronic nagging backache with an inadequate sitting posture.

In spite of the prevalence of national and local secretaries' associations and special weeks for "being good to your secretary," secretaries may very well be the largest group of neglected employees in the world. The reason: most people tend to think that any job that requires sitting is "easy work." Thus, they tend to overlook a severe occupational problem (one that executives and students suffer from as well). They overlook the fact that the devoted secretary who keeps her boss' appointment book straight, can read the boss' writing better than he can, and types twenty, thirty, or forty letters a day is prone to severe postural stress and back pain.

Is it any wonder then, that at times she moves a little slower than she used to and doesn't have the smile on her face that customers find so attractive? Is it any wonder why the "typewriter" isn't

quite as fast as it used to be, and even makes mistakes at times?

Consider the possibility that your valued secretary may have strained muscles and a sore back from sitting in the same strained position for hours on end.

Your doctor of chiropractic, a specialist in treating health problems related to the back and spine, has some good sug-

gestions on how you can keep a secretary happy and more efficient. They deal with maintaining the structural integrity of the body.

- (1) Get her a good posture chair.
- (2) Advise her to sit erect with her feet firmly on the floor.
- (3) Suggest that she change sitting positions frequently.
- (4) Let her take standing breaks occasionally, perhaps by giving her a variety of duties.
- (5) Emphasize to her the importance of exercise and physical fitness.
- (6) Explain that you're interested in her welfare as well as performance.

If you are a secretary, clip this column and give it to your boss. If you are an executive, hand it to your secretary. If you are a parent of a student, suggest that it be read for the sake of a happier career... and better health.

## South Plains News

By Mrs. Murray Julian

**SOUTH PLAINS, February 7-** Good attendance holds at the South Plains Baptist Church, with visitors seen this Sunday morning at Sunday School, Lori and Lisa Bice and Cindy Reeves. It was nice to see Mrs. Walter Wood able to be out and to attend church.

February birthdays include Kelvin Cummings, Feb. 4th, Jack Gregory Feb. 9th, Blake Scaff, Feb. 10th, Scotty Seaff, Feb. 11th, Ruby Higginbotham, Feb. 12, Mamie Wood, Feb. 13th, Penny Mulder, Feb. 14, Jimmy Mulder, Feb. 16th,

Fletcher Powell, Feb. 17th, Oleta Wilson Feb. 24, Bonnie Julian, Feb. 22nd, Mildred Hamm, Feb. 25th, Pam Powell, Feb. 26th, Diane Johnson, Feb. 29th, and anniversaries of Mr. and Mrs. Sterling Cummings, Feb. 5th, and Mr. and Mrs. Richard Sanders, Feb. 12th. Congratulations and best wishes to Mr. and Mrs. Riley Teague on the observance of their 50th wedding anniversary, Sunday Feb. 6, with a reception at the Massey Activity Center in Floydada. Among those from here who attended were Mrs. L. T.

Wood and Mrs. Walter Wood.

Mr. and Mrs. Harold Hamm are in the process of redecorating their home. They have painted rooms and are installing new carpet.

Mrs. George West is at home and has been for the past ten days. She is getting along well at this time. She has been in the Heritage Home in Plainview, and although she spends quite a bit of time in bed, she can get about fairly well, with assistance from her husband. Her daughters, Mrs. Robt. Lee Smith and Mrs. E. T. Evans are here with their mother as much as possible.

Mr. and Mrs. Joe Bueno and their seven children had the misfortune to lose their home by fire last Tuesday night about 11:30. All the family got out safely, but

they lost all their belongings. The house was formerly the home of the Grigsby Miltons Jr. in years past, and was near the Button Beedy farm. The neighbors are helping out with food, money and clothing and anything else they can spare for the family.

Mr. and Mrs. Sylvain Kinibrough returned home Sunday evening from Oklahoma City, where they spent the weekend with their cousin, Mr. and Mrs. J. D. Horne and other relatives. They went to Lubbock Tuesday to spend the night with her sister, Mrs. Ray Dillard of Lockney, while Mr. Dillard was in the hospital undergoing tests.

Mr. and Mrs. Nathan Johnson and boys moved January 28-29, to a house directly south of Mr. and Mrs. Grigsby Milton Jr. to

the former home of Mrs. E.E. Wells. Mrs. Wells has moved to Lockney to make her home. Her son, Marvin of Denton, came and helped get her settled.

Rev. and Mrs. Fred Blake spent the day in Levelland Thursday where they were with Mr. and Mrs. Ott Wright as Mr. Wright underwent serious surgery. He was reported doing fine Thursday night.

We are sorry to learn that Mrs. Otho Sander's mother, Mrs. C.E. Bartlett of Floydada, fell last Monday and broke her hip. We hope to hear soon that she is getting along well.

Members of the Dorcas Class at the South Plains Baptist Sunday School met at the home of Mrs. L. T. Wood for a class party Wednesday morning, Feb. 2. It was voted to have quar-

terly SS meetings, and the next meeting will be April 6th. They plan to have a Breakfast in Fellowship Hall of the Church. Those present at the Wood's home for the morning coffee were Mrs. Fred Blake, Mrs. Murray Julian, Mrs. Fletcher Powell and Mrs. L. T. Wood.

Mrs. Fred Marble was hostess in her home Thursday afternoon for a Home Interior Show.

Mr. and Mrs. Alvin Nichols were dinner guests Thursday last week at the home of Mr. and Mrs. Herbert Walker in Plainview.

Mrs. E. C. Cox, mother of Mrs. Alvin Nichols, underwent her second major operation within a few days last Sunday in Los Angeles, California. According to last reports, she was doing quite well, in spite of her advanced

age.

Mr. and Mrs. Jerry Chappell of Duncan, Oklahoma, were here over the weekend of January 29-30 with their parents, Mr. and Mrs. E. D. Chappell in Floydada and Mr. and Mrs. Grigsby Milton Jr. in South Plains. They attended South Plains Baptist Church services Sunday, January 30.

Mr. and Mrs. Murray Julian will leave this Monday to visit until Wednesday afternoon in Perryton with their son and family, Mr. and Mrs. Bruce Julian, Clay and Wade. They visited in Lubbock last Tuesday with their niece, Mr. and Mrs. Frank Jackson and with Frank's mother, Mrs. Jackson, who is quite ill in the Hospitality Home in Lubbock.

Several from here went to Lubbock last week for the funeral of Garner Guest, 56, who formerly lived in Silver-
