### Club Sets Plans

#### For Local Tourney

At its weekly meeting Tuesday night, the Floydada Tennis Club met and finalized its plans for the upcoming Open Tournament, along with the discussion of maintenance to the courts, such as new wind screens, backboards, and stripes. The group consisted of seven regular members, which were Mr. and Mrs. Frank Barrow, Turner, Hunter, Lon Davis, Richard Hale, Eleanor Hendrix, and Vickie Rainer, and also talked over present and future expenditures encountered with the operation of the tournament.

About 250 entries are expected for this year's extravaganza, up from last year's 220 contestants and over 300 matches.

When asked for comment, the group mentioned that many college-level players will be squaring off, along with Plainview's senior-to-be, state ranked Stacey Foster. "It should be great to watch and the public is invited," they said.

### Carthel Resigns

FHS coach Donny Carthel this week resigned as math teacher and football coach to accept a position as defensive coordinator of the University of Dubuque, Iowa football team.

"I have always wanted to be a college football coach, and when the University flew me up there last week, I was impressed and agreed to accept the position," the coach told the Hesperian Monday.

Coach Carthel has been at Floydada two years and has 3 1/2 years football coaching experience.

C.L. (DICK) ROBINSON of Floydada, who farms for Wayne Collins, lost control of this late model Chevrolet Sunday evening and crashed into guard barriers, signs, and finally this big tree in the canyon south of Floydada. The car came to rest facing west just before falling into White River in the Blanco Canyon. It was travelling north, veered across the highway with no skid marks showing. Robinson was taken to Central Plains Hospital in Plainview where he remains suffering from badly broken legs, and bruises. (Staff Photo).

## City Ordinance On Fireworks

An ordinance prohibiting and restraining the firing of firecrackers, fireworks or the use of any pyrotechnics upon the streets or sidewalks within the corporate limits of the city of Floydada.

Be it ordained by the City Council of the City of Floydada, Texas:

1. That it shall be unlawful to fire firecrackers or fireworks or use any pyrotechnics upon the streets or sidewalks within the corporate limits of the city of Floydada, Texas.
2. All ordinances or parts of ordinances in conflict with this ordinance or any provision of this ordinance are hereby repealed.
3. Any person who willfully violates any provision of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined

any sum not to exceed \$100.00.

4. The fact firecrackers and fireworks are being fired upon the streets and sidewalks of the City of Floydada, Texas, and is an annoyance to persons passing in the streets or sidewalks, creates an emergency, and public necessity, and this ordinance shall take effect and be in force from and after the publication of same in the Floyd County Hesperian, the official newspaper of the City of Floydada, Texas, as required by law.

## No Postal

### Service July 4

There will be no postal operations at the Floydada post office Monday, July 4, Postmaster Ed Wester has announced.

Postal patrons are advised that there will be no boxing of mail in local boxes; no boxing of daily newspapers; no outgoing dispatches; and no window service on the Fourth of July.

Most businesses will close July 4 with the exception of some grocery stores and service stations.

## Local Tourney Slated July 13

The 6th annual Floydada open tennis tournament will get underway on July 13 beginning with junior high competition and finish on Sunday, July 17th with open and adult division mixed doubles matches, according to bank vice-president Frank Barrow. The event, which has been hosted locally every summer since 1972, is under the direction of Pat Barrow and Vickie Rainer.

Anyone wishing to enter the contest should obtain an official entry blank

from either of the directors and submit his completed form before July 10th. Entry fees for junior high and high school divisions are \$4.00 for singles and \$6.00 for doubles, per team. Adults should pay \$5.00 for singles and \$8.00 per doubles team.

Competition will begin with junior high contestants squaring off at 8 a.m. Wednesday, while high school participants will see action starting Thursday morning. The open division begins Friday and 35 and over participants get underway on Saturday morning.

Barrow mentioned that this is the first year that graduates of junior high and high school may still compete in their respective divisions. The tourney is to be played by age, not by grades. Barrow also said that any proceeds will be used to further the Floydada tennis program.

Trophies will be awarded to first and second place winners in each division. Refreshments will be provided at the high school courts, and the public is encouraged to attend.

## Legion Post Elects Officers

McDermitt American Legion Post No. 118 elected E.A. Williams as their Post Commander Tuesday night at a meeting held in the First National Bank building. Other officers were also elected and all installed in their respective offices.

Serving with Williams for the

1977-78 year will be T.L. Holland, 1st vice commander; Sam A. Spence, 2nd vice commander; Ed Wester, finance officer; Darnell Ayres, service officer; John C. Moss, chaplain; O.R. McIntosh, sergeant at arms; Kenneth Bain, judge advocate; and J.M. (Jimmy) Willson, adjutant.

## Driving Costs Up In Floyd

NEW YORK, June 25-Floyd County families who will be setting out on vacation trips by car this summer will find that travel costs are considerably higher than in former years.

Inflation has had a marked effect on the prices of food, of overnight accommodations, of gas and of almost every other item of daily need.

The findings are based upon a survey of vacation travel costs throughout the country, made by the American Automobile Association.

As a result, its figures indicate, a Floyd County couple, traveling in modest style, will require approximately \$68 a day this, which is \$15.50 more than the \$52.50 that was needed three years ago.

That amount will take care of the necessities but not such extras as souvenirs, amusements, tolls and admissions to places of interest.

Thus, a two-week trip will cost a local couple a minimum of \$950. This assumes that they get 15 miles to the gallon of gas and that they cover an average of 300 miles per day.

The \$68 daily budget includes \$27 for overnight lodgings, \$26 for food, exclusive of alcoholic beverages, and \$15 for gas and oil.

The AAA report also answers, for Floyd County car owners, the all-important question of how much it is costing them per year to own and operate their cars.

The average is now \$2,019 for an intermediate-size car, fully equipped, as against \$1,662 in 1974.

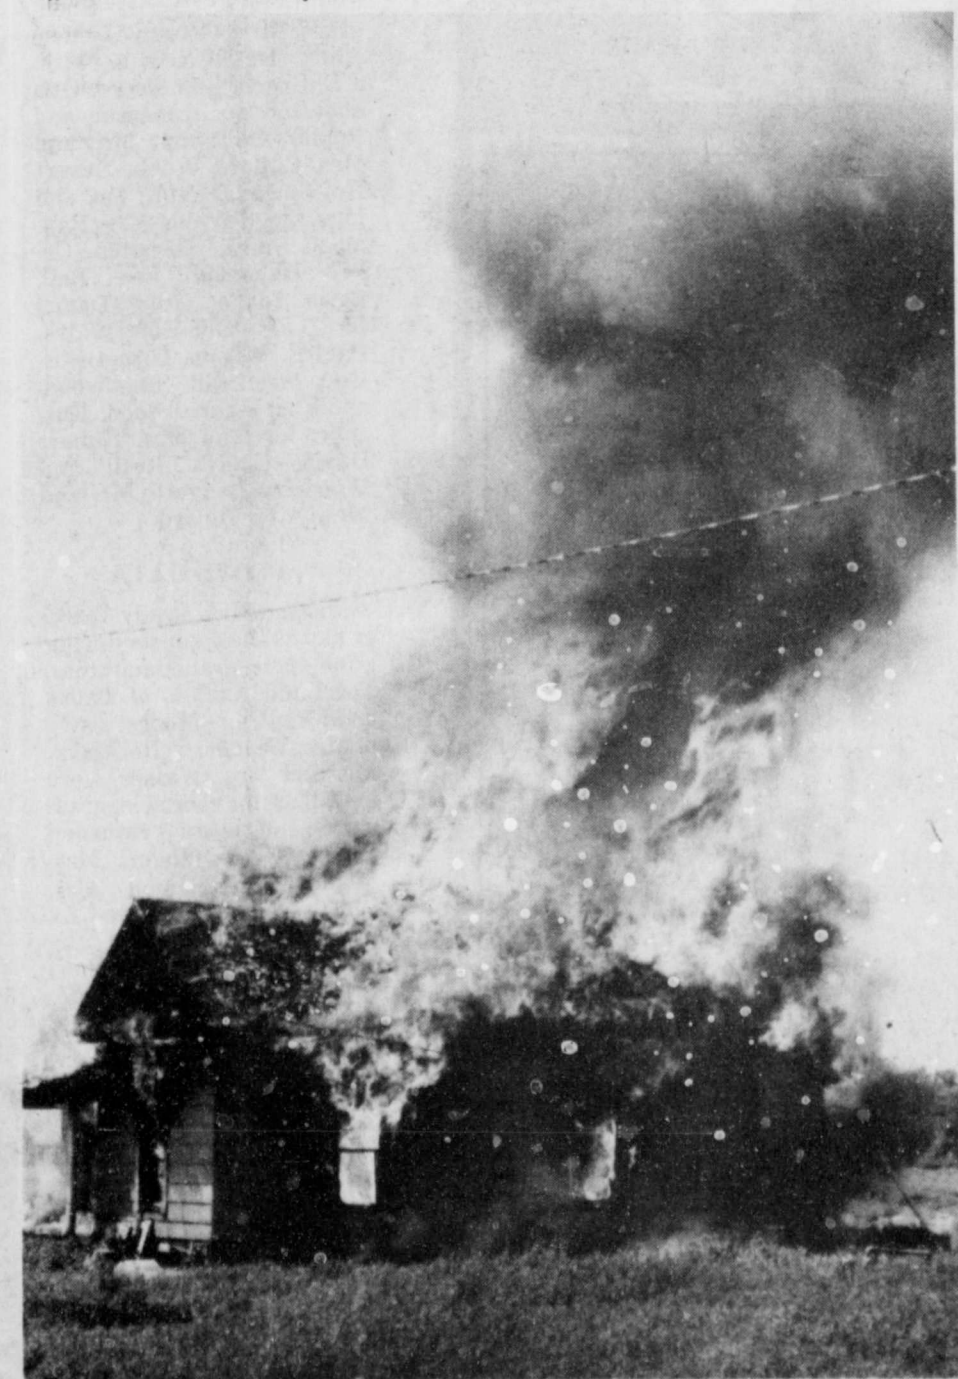

Of this, \$1,429 is in fixed costs, such as depreciation, insurance, taxes and license fees. Financing charges are not included.

The other expenses, covering gas, oil, tires and maintenance, depend upon how much the car is used. For 10,000 mile operation they total \$580.

All in all, having an automobile today costs about 3.6 cents more per mile than it did three years ago.

Based upon this overall average, Floyd County residents are spending some \$9,997,000 annually on the 4,740 cars in use locally.

Because of the increase in auto travel, gas stations in the area have been grossing more. Their receipts in the past year reached \$2,800,000. Three years earlier they totaled \$2,104,000.

VACANT HOUSE BURSTS IN FLAMES...this photo was taken at 3 p.m. Tuesday afternoon after this vacant building in Northeastern Floydada was completely destroyed by flames. The cause of the fire was still unknown at press time.

# South Plains News

By Mrs. Murray Julian

Nice rain showers fell here three days last week, and farmers were delighted to get the needed moisture on hard wheat ground that needed plowing, and on row crops. During the rain last week we received one and one half inches, .60 on Tuesday, and .60 on Wednesday, and more in little showers. Some places received more than 1 1/2 inches, and some less, but it fell so slowly, so it all soaked into the soil.

Mr. and Mrs. Murray Julian spent Wednesday in Lubbock on business, and that night they had dinner with their niece and nephew, Mr. and Mrs. Frank Jackson. The Julians were in a heavy rain in Lubbock Wednesday, and more than two inches fell during that afternoon, which flooded the streets. Murray's sisters, Mrs. Vera Harper from McAllen and Mrs. Ruth Burnett of San Antonio are in Boise, Montana on a Trailer Rally, and will be home sometime in July.

Mr. and Mrs. Arby Mulder went to Rock Creek, Sunday after church services at South Plains, and spent the afternoon visiting with her brother, Mr. and Mrs. Wayland Fitzgerald.

Mr. and Mrs. Kelvin Cummings spent the weekend of June 18th and 19th at Abilene as guests of his sister, Mr. and Mrs. Jack Gregory and Brittany K.

Young girls who went to GA Camp at Plains Baptist assembly June 13-16th from South Plains Baptist Church and community grades 4-6 with counselors, Mrs. Nathan Mulder and Mrs. Kendis Julian, were Cindy Mulder, Amy Arredondo, Mitzi Julian, Terry Bailey and Penny Mulder.

Mr. and Mrs. Sterling Cummings left Friday for Glen Rose where they attended the rehearsal supper of their son, Kim Cummings and Miss Monica Gaydos, and on Saturday they attended the wedding at the First Baptist Church in Glen Rose. Several others from our area also attended the wedding ceremony, from

Floydada. Mr. and Mrs. Grigsby Milton Jr. flew guests there and they were at the ceremony and spent the night at Glen Rose, coming home Sunday.

A come and go bridal shower, honoring recent bride, Mrs. Kim Cummings, will be held Saturday, July 2nd, from 2:30 to 4:30 p.m. in the home of Mr. and Mrs. Early Pritchett on the Silvertown Highway.

Mrs. Doyle Walls will be the new librarian at the Floyd County Library in Floydada, and our old friend, Mrs. A.T. Hull, present librarian, will be retiring. We wish to add our thanks to this fine lady for the years of wonderful service she has given all of us, and for the friendship and joy she has given to me and to mine.

We are sorry to hear that another friend, Mrs. George West is in the Central Plains Hospital in Plainview, room #404. She was taken to the hospital on Friday, suffering with pneumonia. Mrs. Flossie Beedy stayed with Mrs. West Friday night. Mr. West is with her during the days.

Congratulations to Mr. and Mrs. Kendall Cummings of our community on the birth of their first grandson, born to Mr. and Mrs. Jack Gregory of Abilene, on Wednesday, June 22. The baby has been named Josh Randon. They have a daughter, Brittany K. Mrs. Cummings went to Abilene to stay until July 3rd, when Kendall will go and bring her home.

Mr. and Mrs. Kendis Julian were visited by her brothers and families, Mr. and Mrs. Ken Roberts, Jayson and Kimberly and Mr. and Mrs. Dale Roberts and Mike all of Plano Thursday evening of last week. Friday night Mr. and Mrs. Julian, with children, Kristi, Mitzi and Tim, and her brothers, the Ken Roberts, Jayson and Kimberly and the Dale Roberts and Mike, and another brother, Mr. and Mrs. Lyndell Roberts of Floydada were all guests with their parents, Mr. and Mrs. Aub-

rey Stewart in Floydada. We are proud of Dean Stewart and Glen W. Wood of South Plains, who recently graduated from the Emergency Medical Technical Schooling at Floydada, taking 80 hours of classroom time, and 40 hours of hospital training. We are glad to know that if there are emergencies, we could call on them for help.

Mr. and Mrs. Hank Dickens and baby son of Plainview visited Sunday at the home of Mr. and Mrs. Sylvan Kinnibrugh. This was the first visit of the Kinnibrugh's grandson, Henry Latham IV, who is three weeks old.

We extend congratulations to Mr. and Mrs. Jesse Evans of South Plains who are parents of their first child, a son, born Monday, June 27th, at Plainview, Central Plains Hospital, weighing 8 lbs, 5 1/2 ozs. The father is employed at Parks Oil Company in South Plains.

## Floydada Nursing Home Happenings

By Faye Walters

We have really had the rain this week which has been good for some of the farmers and not so good for others. The residents enjoyed the rain for a little while but soon tired of it as some sure like to stay out side a lot.

Our exercises have been very good this week and so have the arts and crafts.

On Mondays we have a new program, called "music therapy." Ann Ford and Cynthia Norflett from Plainview and Audette Kincaid from Floydada come out for an hour and entertain our residents with music and song.

Tuesday was manicure day and Wednesday was too bad to take our field trip. Maybe we can make up for it next week.

Thursday was bingo day. Top winner was Hallie Bertrand with four games; Pearl Carriek won three games and Willie Mae Stambough, Agnes Anderson, Ray Reed and Clara Williamson all won two.

Olia Furrow's son from Kansas has been here visiting. Pearl Carriek's granddaughter and children from Ada, Okla. visited with her.

We also had several other out of state visitors this week.

We would like to thank the Sunshine Sunday School class for the treats they brought the residents, and also thanks to all the ladies for the quilt scraps.

We are glad to have Albert Martin home from a Lubbock hospital. Glad he is

## Floyd Students To Attend Seminar

The Floyd County Farm Bureau will send four students to the 15th annual High School Students Citizenship Seminar to be held July 11-15 in Waco, according to Eddie Teeter of Lockney, president. The seminar is sponsored annually by the Texas Farm Bureau.

Attending from Floyd County will be Jim Finley, son of Mr. and Mrs. Jerry Finley, Floydada; Sheldon Sue, son of Mr. and Mrs. Johnny B. Sue, Floydada; Diana Saenz, daughter of Mr. and Mrs. B. J. Saenz, Lockney; and Anna Marie Araujo, daughter of Mr. and Mrs. Arcadio Araujo, Lockney.

They will be among some 400 high school juniors and seniors from all over Texas who have been specially selected on the basis of leadership qualities and scholastic achievement.

Purpose of the annual seminar, which is held on the campus of Baylor University, is to give students a

## Care Center Director On Dean's Honor Roll

Wayne Campbell, RN of Floydada, received notification this week from South Plains College that he is on the Dean's Honor Roll for this past semester which ended May 31, 1977. Campbell is employed at Lockney Care Center as Director of Nurses and is majoring in Business Management.

Campbell's grade point average for the past semester was 3.76. He attends college full time at night, carrying a semester load of 13 hours.

He was employed two years at Caprock Hospital, Floydada, before going to the Lockney Care Center.

## County Teen Leaders Attend 4-H Workshop

LEVELLAND--Nearly 200 young leaders from 4-H clubs in 20 South Plains counties participated in a district teen leader lab June 15-17.

The annual three-day lab was held on the campus of South Plains College, according to Doyle Warren, county Extension Agent.

A team of 12 older youths from Lubbock, Crosby, Lynn, Dawson, Garza, and Cochran counties conducted the learning experiences for the 4-H'ers attending the lab.

The youths performed a variety of tasks ranging from group learning and discussion sessions to game tournaments and special morning and evening ceremonies. Emphasis was on success of the local 4-H club.

Activities were geared toward teaching officer duties in the local 4-H club, electing club officers, conducting a mock meeting, and planning the 4-H club program for a year. Time for relaxation and fun provided the teens with the opportunity to make new friends.

The annual leader lab helps 4-H youth to develop skills in working with younger club members and provides an opportunity for them to broaden their friendship and develop leadership qualities.

## OBITUARIES

after a lengthy illness. Rites were conducted Saturday in the Baptist church in Ruidoso, New Mexico.

A former resident of Floydada, Mr. Donathon moved with his parents to Floyd County in 1908 and later farmed in the Lakeview Community. He and the former Artie Sanders were married in Floydada on July 4, 1925. They moved from here in 1930 to Portales, New Mexico, until moving to Ruidoso in 1940 where he was a building contractor. The couple moved to El Paso some four years ago.

Survivors include his wife; three sons; a daughter; two brothers, Richard Donathon of Marshville, MO, and Ardell Donathon of Wilford; and nine sisters, Mrs. Pernie Leatherman, Mrs. Rosa Camden, Floydada, Annie Hynds, Geny, Ark., Minita Hall of Hereford, Laura Peak and Oleta Elkins, both of Amarillo, Virgie Leatherman, Mineral Wells, Bernice Lewis, Dallas, and Dovie Mallow of Plainview.

### Mrs. Stiles

Services for Mrs. Lizzie F. Stiles, 88, of 2806 53rd St., Lubbock were pending at press time with Sanders Funeral Home.

Mrs. Stiles died at 3:45 p.m. Tuesday in Highland Hospital after a long illness.

She moved to Lubbock 42 years ago from Floydada and had formerly lived in Hamilton County. She was a member of Asbury United Methodist Church.

Survivors include a son, Marvin of Lubbock; two daughters, Mrs. Bruce R. Smith of Arlington and Miss Billie Ruth Stiles of the home; a brother, Richard H. Ashton of Floydada; and seven grandchildren.

### Terry Wright

The C. M. Leatherman family were joined by other area relatives in attending funeral rites Saturday for Mr. Leatherman's nephew, Terry Wright, 21, who was killed in a motorcycle accident in Mineral Wells Thursday evening about 7 o'clock. Relatives said the pavement was slick at the time of the mishap and young Wright lost control of his motorcycle, striking a pick-up camper.

He was the son of Mr. and Mrs. Don Wright and grandson of Mr. and Mrs. D. I. Leatherman all of Mineral Wells.

Also surviving is his wife, Becky and a sister, Sharon.

### Dallas Kinard

Dallas Kinard of Muleshoe, 45 year old former Floydada resident, died about 4 p.m. Tuesday in Lubbock Methodist Hospital. Kinard underwent major surgery a week ago Saturday for an ulcerated colon and developed complications, according to his mother, Mrs. Lavada Kinard of Floydada.

Funeral rites will be conducted this afternoon (Thursday) at 2:30 in the Church of Christ in Muleshoe with burial in Muleshoe Cemetery.

Born May 9, 1932 in Belmont, La., he moved to Floydada with his parents, Lavada Kinard and the late

Jackson (D.J.) Kinard in 1946. He attended school in Floydada and was married to the former Hattie Boyd in Floydada in 1951. Kinard entered the Army in 1952 and was discharged in 1955 at which time the family moved to Muleshoe. He was self employed and a member of the Church of Christ.

Survivors include his wife; a son, James of Muleshoe; three daughters, Kathy, Danna and De' Ann all of the home; his mother; two brothers, Roy Kinard of Lockney and Billy Kinard of Muleshoe; and four sisters, Danee Priddy of Ralls, Marie Kinard of Fort Worth, Martha Green of Paris, Tex., and Linda Baker of Vernon.

NAMES give off very specific connotations. Macs are thought to be strong and virile, Tonys are sociable but a name is only one factor in how a child is viewed—a child's image is reflected on how others see him. It isn't necessarily so but some "undesirable names" for boys are Albert, Bernard, Chester, Curtis, Henry, Horace, Maurice, Samuel and for girls, Bertha, Lola, Mildred, Phoebe, and Simone.

Some of the desirable names listed isn't necessarily so either.

AHA! Bowing to public pressure, the government said Friday it will not convert signs on the nation's highways to the metric system as it had planned. That means drivers will continue to read speed limits, distance measurements and all other road signs in miles rather than kilometers. Understand there were more than 5,000 comments received by the administration after it was announced its intention to switch.

NOT very long ago Waylon Jennings and Willie Nelson recorded a duet about the Hill County hamlet of Luckenbach, Tex., and the town hasn't been the same since. When I first heard their recording I thought they were making fun of Lubbock, not realizing at the time that there is a Luckenbach.

FRESH cucumbers are plentiful and if you've never eaten them wilted you're missing a treat. I tried this recipe recently and it is good. In a skillet melt 2 tablespoons butter, add three medium size cucumbers pared and sliced thin, sprinkle with salt and white pepper and mix well. Cover and cook gently, stirring several times, just until wilted, then stir in minced fresh dill to taste.

WORTHWHILE hints: If something in your refrigerator has given it an offensive odor you don't cotton to, and remains after the particular ingredient is removed, put a small amount of vanilla on a piece of cotton and place on a refrigerator shelf.

And you can keep lettuce and celery fresh longer if you will keep in paper bags rather than cellophane. Don't remove outside

leaves of lettuce until ready to use, and don't put lettuce in the same bag with celery as it will absorb its odor.

## Riley Homes Attends Daughter And Son In Law's Presentation

The former Janet Holmes and her husband, Dr. Marty Lumpkin of Terrell along with the Kaufman County Community Theater presented "Love Beads" and "A Taste of Hemlock" on June 17, 18th and 19th in the Rehab Auditorium at Terrell State Hospital. Janet is head of the women's division of alcoholics at the hospital and her husband is head of the men's division.

The narration of "Love

Beads" was written by Dr. Lumpkin and Janet was creator, director and pianist. He also had parts in both of the presentations and wrote the narration and directed "A Taste of Hemlock."

The music was directed by Janet.

Both are special patrons of the Kaufman County Community Theater, Inc.

Janet is the daughter of Riley Holmes of Floydada who attended the Sunday

performance.

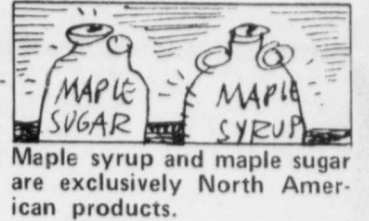

Mr. Holmes said the presentations were well received by a packed auditorium each performance.

## District 4-H Dress Revue Sets "Fashion Fandango" Theme

LUBBOCK--Young ladies from 4-H Clubs throughout the South Plains will model their own creations in this year's District 24-H Dress Revue July 7 as they compete for honors and the right to represent the district in state competition.

"Fashion Fandango" is the theme of the event which is set for the Texas Tech University Center ballroom, according to Mrs. Catherine B. Crawford, District 2 Extension agent.

Already the lasses are winners of county competition. Contestants are judged on their sewing and construction skills, overall appearance, modeling abilities, and their 4-H record books.

A luncheon will be served for dress revue participants, parents and guests, following contest activities. Revue and presentation of awards

begin at 2 p.m. Mr. Edward Breihan, manager of Plains Cooperative Oil Mill, will present the honors.

In addition to the naming of the top seniors who will compete in the State 4-H Dress Revue this September, awards also will include the recognition of the girl making the best all-cotton outfit and the best all-wool garment.

Two junior level contests will be staged at the same time as senior competition, says Mrs. Crawford. These younger lasses, ages 9-11 and 12-14, will not compete beyond the district level. For them, the event offers experience and leadership development.

Parents, 4-H leaders, and special guests will be on hand for the occasion. The public is invited to the 2 p.m. revue.

### FLOYD DATA

Mrs. Bud Sparks is reported to be doing well in

Lubbock Methodist Hospital where she had surgery last Friday. Mrs. Sparks is in Room 791.

with satin insertion trimmed with seed pearl clusters and the Juliet sleeves were gathered onto a band also trimmed with satin insertions. The full skirt of the gown was fashioned with three flounces, each bordered by wide chantilly lace which formed a sanctuary train. Her bouffant veil of silk illusion was attached to a lace and seed pearl crown.

The bride carried a cascade bouquet of white pixie carnations and showers of stephanotis and baby's breath centered with a corsage of pixie carnations, which was later detached and worn on her traveling ensemble.

For the traditional "something old," the bride wore a white gold wedding band belonging to her grandmother, Mrs. Viola Brown. Something new was her wedding gown, something borrowed was a diamond necklace belonging to her mother and something blue was a blue garter that had been worn by her mother at her wedding. Pennies bearing the birth dates of the bride and groom were worn in her shoe.

The groom was attired in an off-white vested suit with pale blue silk shirt and a blue and soft beige custom made tie.

Honor attendants were Mrs. Sherry Robinson of Duncan, Oklahoma and Miss Karen Norris of El Paso. They wore identical floor dresses of checked polyester crepe, trimmed in white rick rack in shades of blue and green and matching picture hats trimmed with checks and flowers. They carried white wicker baskets holding shower arrangements of marguerite daisies and baby's breath and streamers of blue and green satin ribbon.

Junior bridesmaid was Alissa Hambricht. She was gowned in a blue checked dress identical to the matron and maid of honor. She carried a small white wicker basket holding daisies and baby's breath and blue and green satin ribbon.

Ring bearer was Jim Bob Hambricht. He was dressed in a blue checked jacket and vest and white trousers and wore a blue pixie carnation boutonniere. He carried a square lace-edged ring pillow of the same blue checked material. White satin streamers and a miniature butterfly decorated the pillow.

Best man was Donnie Braswell of Noel, Missouri.

Todd Hambricht served as groomsman. Ushers were Rex Brown and Craig Hambricht, both cousins of the bride.

A reception in the new church parlor, was held following the ceremony. Members of the houseparty were Mrs. Barbara Willis, Darlynn Hambricht, Frances Hambricht, Genelle Breed, all of Floydada and Pat Brown of Crosbyton.

The brides table was laid with a white lace over blue tablecloth, and held a centerpiece formed with a silver candleabra, green tapers and the white wicker basket carried by the maid of honor. Frozen lime punch was served from a silver punch bowl. The three tiered wedding cake was decorated with blue roses and lacy white butterflies and held a miniature bride and groom standing under a wedding bell. The top ornament was used on the bride's parents cake for their wedding reception. Mixed nuts and blue and green mints on silver trays completed the table appointments.

Lou Ann Watson of Floydada and Claire Shutz of Irving presided at the bride's table.

The groom's table was laid with a white cloth with olive green cross stitching and wide white fringe. The centerpiece was a candle centered crystal snifter with blue and green dried flowers and colored butterflies. A three shade chocolate cake, made by the bride's aunts, Darlynn and Frances Hambricht was served with coffee from a silver service. Nuts and chocolate covered mints were also served. Carla and Alice Mooseberg presided at the groom's table.

Rice bags tied with blue and green satin ribbon were distributed by Treva and Alissa Hambricht.

After a wedding trip to Missouri, the couple will be at home in Lubbock, where the bride is attending Texas Tech and the groom is stationed with the United States Marine Corp on the Inspector Instructor Staff.

The former Miss Hambricht is a 1975 graduate of Floydada High School, where she was salutatorian of her graduating class. She is now a junior elementary education major at Tech.

The rehearsal supper was hosted Friday evening at Kings Restaurant by the bride's grandmother, Mrs. Viola Brown.

Mrs. Jerry Green  
(former Kathy Hambricht)

## Double Ring Vows Exchanged By Miss Hambricht, Jerry Green

Double ring wedding vows were exchanged by Kathy Hambricht and Jerry L. Green at 4:00 p.m. June 25 in the sanctuary of the First Baptist Church in Floydada. Dr. Floyd C. Bradley, pastor, performed the ceremony.

The bride is the daughter of Mr. and Mrs. B.J. Hambricht of Floydada and the groom is the son of Mrs. Leola Green of Vealmoor and Willis Green of Midland.

Treva Hambricht, cousin of the bride, registered guests. The register table held a china memory book, encircled with the wedding

invitation, and a white wicker basket holding poetry scrolls, which were presented to each guest.

Grant Hambricht, also a cousin of the bride, played traditional wedding selections as guests were being seated. Arrangements of "Somewhere My Love" and "Theme from 'Love Story'" were played on the piano.

The wedding scene was formed with a large pyramid candelabra holding a mass arrangement of candles, white gladioli and pale blue pom poms and daisies placed in the choir loft. The main

floor held arrangements of white glads and blue poms and hurricane-type candelabra accented in light blue and green satin and blue silk butterflies. The bridal aisle was marked with garlands of white and blue flowers and green satin ribbon.

A memory candle of white on a gold and white stand was used to close the ceremony.

The bride, presented in marriage by her father, wore a formal gown of silk-faced organza with a natural waist and a bodice of chantilly lace. The stand up collar was of scalloped lace

MRS. KIM CUMMINGS

## Miss Gaydos, Kim Cummings Married Saturday At Glen Rose

Miss Monica Ann Gaydos and Norman Kimble Cummings exchanged wedding vows Saturday in the Glen Rose Baptist Church. Rev. H.S. Calahan, Jr., pastor of the Fairmont Park Baptist Church of La Porte and an uncle of the groom, officiated the 8 p.m. double-ring ceremony. Rev. Calahan was assisted by Father Philip Berry of Granbury, Texas.

Parents of the couple are Mr. and Mrs. M.J. Gaydos of Laguna Park and Mr. and Mrs. Sterling Cummings of Lockney.

Votive candles interspersed with daisies and roses decorated the altar area of the church. Pianist was Mrs. Kelvin Cummings of Lockney. Soloist Mrs. Tom Brewer of Houston, cousin of the groom, sang "The Wedding Prayer" and "The Wedding Song."

Mr. Gaydos presented his daughter for marriage. Her formal length gown featured white re-embroidered alencon lace over mira mist and satin, and had a low rounded neckline and sheer, lace-trimmed butterfly sleeves. The A-line skirt trailed to a chapel train. The entire silhouette was complemented by a flow-tiered mantilla of Alencon lace and bridal illusion. The bride's bouquet was cascading arrangement of yellow and white roses, daisies and fern.

The bride wore the traditional blue garter and pennies in her shoes. She wore a pearl drop necklace, a gift from the groom.

The matron of honor was Mrs. Edward Gonzales of Glen Rose, sister of the bride. Bridesmaids were Janet Cummings of Glen Rose, cousin of the groom, and Carolyn Metker of Walnut Springs. Donna Wilson of Glen Rose, niece of the bride, was flower girl. The attendants wore identical formal length dresses of yellow gingham designed with square necklines and organdy and gingham tiered butterfly sleeves. The bodice and skirt softly gathered to organdy overlaid midriff. The midriff and double sleeves were outlined with Schiffli embroidery. They wore matching Schiffli trimmed picture hats with bias bows. Each carried eyelet trimmed white organdy parasols with gingham bows and an arrangement of daisies, yellow carnations and gypsophila cascading over the side.

Zach Cummings, brother of the groom, was best man. Groomsman were John Cummings of Lockney and Paul Gaydos of Glen Rose, brothers of the couple. Ushers were Kelvin Cummings, cousin of the groom, and Jerry Ulmer, both of Lockney. Ring bearer was Kevin Gaydos of Laguna Park, brother of the bride.

The groom wore an all-

white vested tuxedo with a yellow rose boutonniere. The male attendants wore white vested tuxedos with black trousers, and yellow carnation boutonnieres.

The bride's grandmother, Mrs. Paul Dworaczky of Slaton, was a special guest.

The reception was held in the church fellowship hall, with sister of the groom Mrs. Mark Sanders and Mrs. Robert Pyle of Lockney, and sisters of the bride, Cheryl, Kathy and Mary Gaydos, attending. The serving table was covered with a ruffled yellow gingham cloth with

### Mr. And Mrs. Cuellar Observe Anniversary

Mr. and Mrs. Jesus R. Cuellar celebrated their golden wedding anniversary

Saturday, June 25th in Floydada. Lea Pompa and Cuellar were married in Cuero, Tex., June 27, 1927 and lived there until moving to Childress in 1949. They moved to Floydada in 1953 where they have made their home since.

The couple has eight children, 38 grandchildren and 30 great grandchildren.

Hosting the reception honoring the couple were Mr. and Mrs. Creencio Rodriguez, Mr. and Mrs. Agapito Martinez, Mr. and Mrs. Aurelio Castillo Jr., and Ramon Cuellar all of Floydada; Nicolas Trevino, Fort Worth; Mr. and Mrs. Walter Cuellar, Houston; Mr. and Mrs. Daniel Cuellar, Lubbock; Mr. and Mrs. Jesse Cuellar Jr., and Mr. and Mrs. E.R. De Los Santos all of Amarillo.

Mr. and Mrs. Cuellar

For the traditional "something old" the bride wore a pearl ring that belonged to her great-grandmother, Ola Bearden Morgan. The "new" was the bride's dress, and the "something borrowed" was the string of pearls from her mother. Her garter was blue, and she wore pennies in her shoes from the bride's and groom's birthdates.

Maid of honor was Miss Monte Griffin of Lockney, the bride's sister. Bridesmaids were Miss Cari Roberts and Miss Desiree Isom both of Lockney.

The attendants were gowned in apricot dresses of poly sheer over taffeta. They were designed with a sabrina scoop neckline colored by layered ruffles which spanned the shoulders. They featured a set-in midriff which fell into a full A-line skirt. The maid of honor's skirt was accented with a ruffled bustle and a deep hemline flounce. The bridesmaids' skirts were accented by ruffles giving the skirt an apron effect, with a large bow in the center back. The attendants carried field bouquets of mixed flowers tied with Valeria ribbon.

The flower girl, Amy Turner of Lockney, cousin of the groom, wore a floor length apricot dress featuring cap sleeves and a ruffled flounce.

Candlelighters Vonda Mahagan and Lezlee Wofford wore floor length dresses in reversed shades of apricot and cinnamon. They were sashed at the waist in crisscross contrasting colors with V-necklines and cap sleeves.

The bride's mother wore an apricot dress, and the groom's mother wore a dress of jade green and beige floral print. Both wore corsages of mixed flowers. The bride's grandmother, Mrs. J.T. Griffin, wore a dress of aqua with a corsage of white gladiolas.

Best man was Gary Griffith of Lockney. Ronald Carthel and Zach Zachary, both of Lockney, were groomsmen. Ushers were Steve Patridge of Plainview, brother-in-law of the groom, and Rex Reeves of Floydada the groom's brother.

The groom wore a tuxedo of ivory edged in brown velvet, and an ivory ruffled shirt. The groomsmen wore tuxedos of rich brown edged with matching satin and

## Center News

By Mrs. J.E. Green

How time flies! June is nearly gone. We were grateful for the showers last week that cooled the atmosphere and watered thirsty vegetation. Wheat, we understand, is mostly harvested. We are sorry so much was hailed out.

Mrs. Clay Muncy and Mrs. Neva Callahan of Lockney visited Miss Vera Meredith Thursday. Mrs. Fred Battey came Saturday afternoon.

We are also glad Mrs. Clyde Burton, Mrs. Elbert Parks and J.D. Welborn are home from the hospitals. We are sorry Mrs. Grundy and Mrs. Lucille Duncan seem not out of the woods yet. Let us remember all the sick and

shutins in our prayers.

The Claud Carpenters had going and coming company over the weekend; These were Mr. and Mrs. Guy Brown of Weatherford, Oklahoma; Mr. and Mrs. T.J. Watson of Altus, Oklahoma; Mr. and Mrs. Darrel Smith of Tulsa, Mr. and Mrs. Glen Smith of Lockney; and Mr. and Mrs. Marion Carpenter, City.

Misses Sherri and Rena of Ft. Worth, daughters of Mr. and Mrs. James David Welborn, are visiting their grandparents, Mr. and Mrs. J.D. Welborn, and other relatives.

Mrs. George Stiles and Mrs. Green visited Miss

Esther Peck Sunday evening after church.

Mr. and Mrs. Bill Warren of Matador visited his mother, Mr. Elmer Warren, Sunday p.m. Today, Monday dinner guests at Mrs. Warrens are Mr. and Mrs. Lester Britton.

Mr. Plumlee seems better today after being ill at home all last week.

Mrs. R.C. Ross was hostess to a Sunday dinner where Mrs. Kreis, Mrs. Ham Smith and Mrs. O.C. Vinson were guests.

Mrs. J.E. Green visited Mrs. Lucille Custer awhile Friday p.m., and with Mr. and Mrs. Troy Leonard Tuesday morning.

Mr. and Mrs. Thomas Warren dined Sunday with his mother, Mrs. Ola Warren. Mr. and Mrs. Burl Huckabee and Mrs. Fred Battey visited in Dumas Sunday with a brother and wife, Mr. and Mrs. Earl

Huckabee, formerly of Center.

Our sympathy is with the loved ones of Gordon Appling who passed to his reward Monday, June 21st, after a long illness. Gordon was a long time resident of Mt. Blanco.

Mrs. Green and Mrs. Hartline were among those who met others for the burial at Lakeview Cemetery. It was good to see again old friends—the Archer girls, Mrs. Appling's sisters, and others. Floy, from Los Angeles and I figured up how long we had known each other.

Mr. and Mrs. Marion Carpenter and parents were in Plainview late Sunday to see Mr. and Mrs. Joe Conway. Fay and Marion were in Amarillo and Canyon Wednesday. Sunday they had a phone call from daughter, Jane and husband, Dr. Phillip Caper of Boston.

## Portable Oxygen Unit Available For Emergencies

A portable oxygen unit is now available for emergency purposes to residents in South Plains, Cedar Hill, Sterley, Lone Star, Silverton and nearby rural areas for persons requiring the unit.

A group of concerned citizens of these areas hope to meet soon to learn the relatively simple operation of the portable unit. Qualified personnel plan to assist those wishing to learn the techniques of the unit.

"Sometimes an emergency arises and the time delay in transporting a victim to a hospital may be fatal. Hopefully with this unit and with the help of experienced personal, rural people can have

quick assistance in a case of a life and death ordeal," a spokesman said. Those wishing additional information or those wishing to take the brief course in learning to

operate the unit are asked to contact either Parks Oil, Upton Grocery or Rev. Fred Blake in South Plains.

FLOYD DATA Roy Hale is reported to be slightly improved in the intensive care unit of Lubbock Methodist Hospital. Mr. Hale is suffering from pneumonia and complications.

**Safe Boating Week July 3-9**

LUBBOCK-Governor Dolph Briscoe has proclaimed July 3-9 as "Safe Boating Week." In the proclamation, the governor cited the importance of boating safety as individuals head for the many lakes and streams across Texas. Figures compiled by the Texas Parks and Wildlife Department, the water safety regulating agency, show over 498,889 boats registered by April 1977 in Texas. With this number of boats ready to hit the water over the 4th of July holiday weekend, the P&WD predicts 25 individuals will lose their lives from water-related mishaps. The increase in the number of water fatalities is climbing at a faster rate

than the number of registered boats and P&WD wardens will be out in full force during the holiday period. The most flagrant violation noted by the wardens has been the insufficient number or entire lack of Coast Guard-approved life vests for each person on board. State law requires these CG-approved vests on all public waters and persons 12 years of age and younger are required to wear the CG-approved vest at all times while underway. Local Lakes might have more restrictive rules concerning life vests and boaters are reminded to check these local regulations before putting afloat. Boating regulations concerning proper equipment

and safe operation of your boat can be found in the "Digest of the Texas Water Safety Act" available at most boat marinas, boat dealers and all P&WD offices.

## 180,000 Walleyes Stocked In Mackenzie

Lakes receiving Walleye fry included: Buchanan, 4.8 million; Stamford, 1.3 million; Mackenzie, 180,000; Brownwood, 1.5 million; Travis, 3.7 million; Moss, 341,000; Moss Creek Reservoir, 30,000; Sweetwater, 122,000; Amistad, 2.1 million; Cedar Creek Reservoir, one million; and Falcon, 1.7 million.

The 15,750 fingerlings were stocked in Alcoa Reservoir.

Walleye production was short of expectations this year because out-of-state sources were unable to supply Texas with sufficient numbers of walleye eggs.

The department had hoped to receive eggs from both New Mexico and Nebraska this year, but only New Mexico was able to supply some 4.5 million eggs.

As in past years, Lake Meredith in the Panhandle was the major Texas

source of eggs for the walleye production program. Some 12 million larvae were produced from Meredith broodfish.

Adult broodfish from Lakes O.C. Fisher, Twin Buttes, Fort Phantom Hill and Diversion supplied the balance.

The 1977 stockings brings the total number of walleye stocked to 143 million since 1970.

The 15,750 fingerlings which went into Alcoa Reservoir were part of the Parks and Wildlife Department's inland fisheries research program of predator diversity.

Program director Nick Carter said Alcoa will have flounder, northern pike and hybrid striped bass stocked in addition to the already present native large mouth bass and catfish.

"Theory behind predator diversity," said Carter, "is that many predator fish in a reservoir tend to stabilize fishing quality over a long period of time."

"Fishing pressure is spread over more species instead of concentrating on one predator such as the largemouth bass."

"When more different predators are in the same reservoir it probably reduced the total pounds (standing crop) of a species but the overall poundage of predators is most likely increased."

"When factors adversely affect one

predator species, other species may compensate by increasing. Carter said more different predators create competition for forage among the fish and increases their chances of being caught by sport fishermen.

Twelve Texas lakes received 16.8 million walleye as Parks and Wildlife Department fish hatchery workers have completed stockings of the Predator Fish for 1977.

Majority of Walleye year were fry as Smith visited lakes, requiring hatchery space...

### Food Fun For Juniors

On Friday, June 24, twenty-three young chefs had graduation parties to mark the end of their 5-day cooking school, Food Fun for Juniors, sponsored by Lighthouse Electric Cooperative in Floydada.

All the students had a busy week learning more than just cooking. They also learned about the importance of good nutrition, meal planning, how to set the table properly, good manners, and ideas on conserving energy. On Friday the graduation parties were held and the students showed off their culinary talents to their guests.

A demonstration on making bean dip in the blender was presented by DeLyn Ramsey and Cindy Marble in the morning class, and Sarah Dickson and Tammy Galloway in the afternoon class.

Guests were then served punch, cookies, dips and relishes made by the students.

Winners of the energy conservation poster contest were announced also. First place went to Cheryl Goen in the morning class and Sarah Dickson in the afternoon class. They received a baking guide by Crisco. 3rd place winners were Esmeralda De Leon in the morning class and Tammie Galloway in the afternoon class. They received a guide to the electric range.

Diplomas were distributed by Mrs. Wanda Hickerson, Office Manager of Lighthouse Electric. The class was taught by Laura Rowan, Summer Home Service Advisor of Lighthouse.

### ABERNATHY9 FLOYDADA 6

The Abernathy city-sponsored baseballers tagged losing pitcher Bobby Green for three winning runs in the last of the seventh inning to snap a 6-6 deadlock and hand Floydada a 9-6 loss in tri-county ball game played last Friday at the Floydada ballpark. Floydada, which remains home this Thursday for a game with Idalou, tied things up in the sixth inning of play helped by a 5th inning solo blast over the fence by Todd Vickers before the visitors stilled the crowd with their convincing late three-run surge.

Winning pitcher for Abernathy was Gilbert Cuevas.

On the average, there are five right-handers for every left-hander.

The typewriter was patented in 1869.

## High Plains DBWCP Officials Gearing Up For '77 Activities

LUBBOCK—Officials of the Diapause Boll Weevil Control program, now in its thirteenth year of operation, are gearing up for 1977 activities and are optimistic that boll weevil numbers in Texas High Plains cotton fields will be significantly reduced from last year's record infestation levels.

Dr. James F. Leser, area entomologist for the Texas Agricultural Extension Service at Lubbock, says that heavy spring rains delayed cotton planting in the control zone which in turn set the control program's mapping operations back three weeks, but that all the signs point to another successful program.

"According to trapping information we are receiving from Ronney Edwards of the USDA's Plant Protection and Quarantine office in Crosbyville, fewer boll weevils are being caught this

year than were captured last year," says Leser. "Not only are trap catches a whole reduced from last year, but also fewer weevils are being caught in traps in counties within the control zone than outside that area, indicating that 1976's spray program was a success."

The Diapause Boll Weevil Control program is administered by Plains Cotton Growers and USDA's Plant Protection and Quarantine Service. Operations were begun in 1964 to prevent the westward spread of the boll weevil from its overwintering habitat in the Rolling Plains. Cotton producers in a 15-county control zone area stretches near of along the Caprock from Briscoe and Hall counties on the north to Martin and Dawson counties on the South.

Leser says that the success of the program depends on the close cooperation of several agencies. Leadership is provided by Ed Dean, director of field services for PCG, and Roy Moritz, local PP&Q in charge.

"A new program year begins with the mapping of every field in the infested area throughout the control zone," says Leser. "Each field is drawn as close to scale, shape and acreage as possible, then colored and numbered."

"Such maps are used extensively by surveyors who enter each field on a weekly basis to determine the location and degree of boll weevil and bollworm infestations," Leser adds. "They are also used to direct the aerial applicators to locations which need treatment."

Leser says that while routine surveys will not begin until later in the summer, Extension's evaluation of the program's effectiveness has already begun. "We have selected fields within and outside the control zone and have just started monitoring them for insects and damage," he adds. "Scouts will continue to survey these fields until the first freeze."

"In addition to the program evaluation, cotton

Variety demonstrations are also underway in Dickens and Kent Counties, Leser says. "We are paying particular attention to the effectiveness of the newer short-season cotton varieties as a management tool for controlling boll weevils. Dr. James R. Supak, area agronomist with the Texas Agricultural Extension Service in Lubbock, will work very closely with these tests."

Dr. Don Rummel, entomologist for the Texas Agricultural Experiment Station, will again conduct boll weevil trap studies. Research is also continuing to see if Dimilin, which is a material that reduces boll weevil egg hatch, will fit into pest management schemes. "Dimilin performed well in tests last year," Leser adds, "and will be tested again by Rummel on several hundred acres of cotton."

## Your friendly 'repairwoman'

AUSTIN, Texas (Spl.) — A University of Texas management professor wants to promote the idea that if your doorbell rings, it may be your repairwoman calling.

Prof. Albert Shapero believes women are letting a lucrative job market — that of making repairs to TV sets or small appliances in the home — go untapped.

He reasons that properly trained repairwomen would have a special appeal to

women alone in their homes who "may feel a little uncomfortable with strange men tramping around the house." Also, he says the limited number of places where small appliances can be repaired opens up to women the field of repairs in the home.

The dogtooth violet is not a violet at all, but belongs to the lily family.

# Grain Outlook Spurs Federal Loan Program

By The Associated Press

Faced with low prices and a continuing wheat surplus, a growing number of farmers are mortgaging their crops to the government, putting the grain in storage in hopes of a better deal later on.

They are taking advantage of a government loan program that allows them up to 11 months to redeem the wheat and sell it on the open market.

"There's going to be very heavy use of it (the loan program)," said Carl Schwensen of the National Wheat Growers Association. "There will be a significant increase over last year."

Consumers are unlikely to see any effect from the farmers' actions. Wheat itself accounts for only a small part of the cost of most food items. There are only a few cents worth of wheat, for example, in a 40-cent loaf of bread.

Current prices for wheat are less than \$2 a bushel in many areas. Schwensen said the cost of producing a

bushel of wheat currently runs from \$3.30 to \$3.60. The government will lend farmers \$2.25 a bushel on a nationwide average. The farmers pay interest on the loan at the rate of 6 per cent a year. They also must pay for storing the wheat, and Schwensen said storage fees generally average about 30 cents a bushel.

If the price of wheat goes above \$2.25, the farmers can take back their wheat, sell it and repay the loans. If the price remains below \$2.25, the farmers can choose not to repay the loans and the Commodity Credit Corp. (CCC) of the U.S. Department of Agriculture assumes ownership of the grain. The CCC may sell the wheat or store it until needed.

Prices in recent years have been higher than the government loan level and farmers have mortgaged little of their crop to the CCC.

Only a small amount of grain has ended up under government ownership. As of April 30, the CCC owned only 244,000 bushels of wheat compared to more than one billion bushels in the period from 1961 to 1963.

The price at which typical High Plains cotton will enter the Commodity Credit Corporation loan in 1977 will be about 5.6 cents higher than the same qualities in 1976 according to calculations of Lubbock-based Plains Cotton Growers, Inc.

The national base loan rate for Strict Low Middling 1-1/16 inch cotton this year is 44.63 cents, up 5.71 cents from 1976. USDA set the loan at High Plains warehouse locations at 44.60 cents, up 5.75 cents from the 38.85 cent rate on the Plains last year.

But a small portion of this base increase will be lost to High Plains farmers by reason of increased discounts for qualities below the base. Grade and staple discounts in 1977 are an average 27 points (.27 cents) greater than 1976, but smaller discounts on cotton with below 3.5 micronaire will offset about 13 points of this.

Basis for these calculations, PCG officials state, is the average of qualities produced on the High Plains in the 1971 to 1975 crop years.

"Hopefully market prices this Fall will be such that we won't need to use the loan," says PCG Executive Vice President Donald Johnson, "but if the loan is needed, the higher average loan value will certainly be helpful."

The chart below shows a comparison of 1976 and 1977 physical loan prices on selected qualities common to High Plains production. Also shown are micronaire discounts for the two years.

## Speech, hearing

AUSTIN, Texas (Spl.) — Speech and hearing disorders are the most frequent handicapping conditions among children, says a University of Texas audiology specialist who advises early treatment for such disorders.

Dr. Frederick Martin says hearing loss has to be looked upon as a language disorder because it affects the development of normal speech and language patterns.

Speech patterns of a child with impaired hearing are developed late and poorly, he says. Children often are diagnosed as being emotionally disturbed or mentally retarded when actually they have language disorders that stem from hearing loss, he adds.

The Floyd Philosopher

Has Some Doubts About Poor Diet Being Responsible For Crime

Editor's note: The Floyd Philosopher on his Johnson grass farm examines a theory on crime this week. We guess he's serious, but you never know.

Dear editor:

According to an article I read in a magazine last night because there wasn't anything to watch except re-runs, some experts have come out with a theory on why people go bad. They say it's something they ate. According to them child delinquency, which leads to adult delinquency, which leads to crime, which leads to jail or would if the cops could catch them and if the courts would ever get around to trying them and some lawyer didn't get them off and if he doesn't and they go to jail they weren't let out soon to start robbing all over again--anyway, to get hold of this sentence before it arm-wrestles me to the ground, according to them child delinquency is caused by inadequate or improper diet. Kids either don't get enough protein-rich food or they eat too much junk

food. In many cases this is probably true, but the trouble with theories is that if you keep reading you'll run into something else that makes you scratch your head.

For instance, when former Attorney General John Mitchell went to prison the other day, the newspapers reported that he was the 25th member of the Watergate group to be jailed.

This got me to thinking. What did those 25 men eat when they were kids?

Like the rest of the nation, I saw all of them on television and they all looked like they'd had a well-fed childhood, and were all eating good at the time they were caught. Not a one looked like he'd ever been under-nourished.

It's pretty hard for me to believe you can blame Watergate on Sodawater and potato chips.

Yours faithfully, J.A.

Fourth Of July Deadliest Weekend

The Fourth-of-July holiday period was the deadliest 3-day weekend of last year. Fifty-five traffic related deaths were recorded in Texas. Statistics also show July to be the heaviest traveled month of 1976.

Mindful of the long weekend and increased travel, Governor Dolph Briscoe asked Texans to rally to face the problem of traffic acci-

dents. Said Briscoe, "Texans pride themselves on their sense of individual responsibility. If they are properly informed of a problem, it is my conviction they will respond positively and quickly. The fatality rate on our streets and highways during the Fourth-of-July holiday must be considered a critical problem facing all Texans. Any real solution depends

on each of us taking full responsibility for his own behavior behind the wheel," said the Governor.

Briscoe's Traffic Safety Representative, Ken Nevil, said if motorists would not rush they would have a much better chance of survival as they travel. "Interstate accidents have increased by 45 percent over last year. This is due to several factors including increased travel, disregard for speed limits, heavy alcohol use and the like. Frequently, drivers concentrate on their holiday fun rather than the heavy responsibility of maneuvering an automobile. As drivers, we must anticipate the unexpected and be prepared to react. We must rely upon good judgement and skills. But, we must be compassionate in our driving. The basic rules are: leave early enough for trips, limit the use of alcohol, maintain moderate speed and keep totally alert to potential traffic hazards. The traffic accident problem requires everyone's help, collectively and individually. If we drive as a team, together we could reduce the death toll," concluded Nevil.

LIGHTHOUSE ELECTRIC WASHINGTON TRIP WINNERS SURROUNDED BY CAPITOL BACKGROUND... (l to r) Janice Rigsby, McAdoo, Lisa Patterson, Petersburg, and Doug Simpson of Floydada.

Rural Electric Delegates Attend Youth Tour

By Doug Simpson "Oh, I just don't believe it...he's in the flesh! He's speaking to me five yards away and I'm standing on the South Lawn of the White House! Somebody pinch me, I'm dreaming!"

Such were the exclamations of about 1,000 rural electric delegates as they watched and heard Jimmy Carter address the annual government-in-action youth tour to Washington, D.C. from June 9-21. The president's speech was followed by a rare first for a GYT tour, a "ropes down" tour of the White House, and

highlighted one of many series of activities that took place during a fun-filled week of touring the capitol city.

After the group checked in at the luxurious Marriott Hotel on Sunday, June 12, they traveled to the impressive Iwo Jima Monument for a devotional. The memorial was placed in honor of the many marines that surrendered their lives in various American wars.

On Monday of the week, the group divided into its respective regions for two-hour congressional visits with their representatives.

Lakeview News

(By Penny Golightly)

Everyone needs to get a Lighthouse Electric cook book this year. They are featuring several artists throughout the book using work done in pen and ink or pencil.

We at Lakeview gin have had some real nice cotton showers. The rain gauge has been emptied a time or two, so my closest guess on how much rain we have received is two and one half inches. It's been cloudy and cool a

few days, but turning hot and humid again over weekend. No hail has been reported out here.

Mrs. E.H. Brown attended her granddaughter's and her fiance's wedding rehearsal supper Friday night, then the wedding, Kathy Hambright and Jerry Green were married in the First Baptist Church, Floydada.

Mr. and Mrs. Q.D. Williams visited in Crowell Sunday with Q.D.'s brother and wife, Mr. and Mrs. Odell Williams. Mrs. Q.D. Williams was a co-hostess for a shower honoring Miss Kathy Hinsley in the home of Mr. and Mrs. Milton Harrison, Saturday.

There are all types of artists. Those who work with pencils, brushes, modeling tools or sculpturing, drafting tabs and then there is Clayton Fowler, who is an artist in his own sense. An artist is one who has an idea and puts it on paper, canvas, or molds to convey a feeling, mood, or story. Most artists have their own style, technique and specific things or people they like to draw and paint. Clayton's idea was a game pertaining to Texas. The game is called Texas Tycoon, which is Clayton's Citizens Band handle. He is the son of Mr. and Mrs. Jay

The West Texas delegates were able to tour the capitol building following visits with George Mahon and Omar Burleson.

A six-hour tour of the Smithsonian Institute followed that afternoon.

Among other many interesting visits included Arlington National Cemetery, Mount Vernon, the National Archives Building, a visit with Senators John Tower and to the House of Representatives, Williamsburg and Jamestown, Virginia, and a devotional at Lookout Mountain in Tennessee. The group also enjoyed a three-hour pleasure cruise down the Potomac River in Washington.

The trip is sponsored each year by rural electric cooperatives across America.

SUMMER YOUTH PROGRAM YOUNGSTERS GO FOR A SWIM...these Llano Estacado summer youth program children are pictured at Tuesday afternoon's swimming party, one of their many summer activities.

Children Enrolled In Summer Youth Program

Since the Llano Estacado Summer youth program started, there has been a total of 91 children enrolled and 110 registered.

Among the different activities they participate in, swimming is enjoyed the most. The children and lead-

ers go swimming once a week, and a picnic is held before they swim. The children enjoy the outdoor activities and are given the opportunity everyday with some sport or game.

Among other activities are art, exercise, adventure, walks, dancing, singing and touring trips. The children

seem to enjoy the program, and they correspond to it's activities very well.

The children and leaders will be sponsoring an open house July 14th, featuring the traditional Mexican dances, skits, and songs. The public is invited to attend (refreshments will be served.)

Doug Frazier Attends SMU Institute

Doug Frazier, Manager of Floydada Chamber of Commerce recently completed a week's Institute for Chamber Management at Southern Methodist University. This year marks the completion of his third year of institute training in the total six year program. The Southern Methodist Institute is one of six, annual, one-week sessions sponsored by the Chamber of Commerce of the United States at leading universities throughout the Country. Other universities which host Institutes are--Notre Dame, Georgia, Colorado, Santa Clara and Delaware. Institute course of study,

is designed to assist Chamber executives in improving the knowledge and skills they need to upgrade the effectiveness of their organizations. The curriculum includes such areas as management philosophy, economic issues, law, organization structure, as well as communication theory.

University professors chosen to serve as faculty are distinguished authorities in their fields. Additional courses and led by top-level Chamber of Commerce executives, making the faculty unique in its depth and range to knowledge and experience.

### Cedar Hill News

By Grace Lemons

We welcomed the nice rain last week. We received around an inch and half in some places. Cotton crops are looking good.

Durrel and Laticia Fortenberry visited Mr. and Mrs. Raymond Love and family in Bridgeport last weekend.

Vicki and Debra Powell attended Kids Camp at Roaring Springs Assembly of God camp grounds last week.

Edna Gilly flew to Dallas Saturday of last week to meet her daughter, Delise Harrison and daughters, Christy and Cassandra. She brought her granddaughters home with her for a visit here. Monday Malissa Hill of Springfield, Missouri arrived to visit with Edna and the grandchildren.

Services at the Assembly of God Church with speaker Solomon Enyaba were very enjoyable with a good attendance Sunday. Bro. Enyaba is finishing his education at South Western University at Waxahachie. He is a native of Ghana, Africa and is traveling this summer before returning to Africa in August to preach to his own people.

A large number from the Assembly of God Churches in this area attended the Area fellowship meeting at the Assembly of God Church that began Tuesday afternoon and lasted during the evening services. A covered dish meal was served for supper.

Rev. Jackie Thompson, Rev. Enyaba, and Glenda Kay Thompson went to Waxahachie Monday on business.

Mrs. Ruth Hill of Floydada and Helen Teeple and two boys of South Plains visited with Edna Gilly and the grandchildren Saturday. Sunday all had lunch with Mrs. Hill at Floydada and visited their grandmother, Mrs. Luttrell in the nursing home in the afternoon.

Mr. and Mrs. Boone Hall of Plainview visited with May Taylor Friday morning. Sunday visitors were Mr. and Mrs. Gus Wesley and Mr. and Mrs. Olan Keeter of Plainview, Mr. and Mrs. Junior Taylor, Mr. and Mrs. Guy Davis and Mr. and Mrs. Tom Fortenberry.

Durrel, Laticia Fortenberry and Tonya accompanied by Laticia's mother, Mrs. Stephens of Floydada went to Lubbock Wednesday evening to have supper with Laticia's brothers and sisters. Terry Claunch, nephew of Laticia has been visiting with the family from Ingleside, Texas.

Annita Bigam of Lockney and Linda Lemons sponsored a swimming party at Lockney Tuesday evening. Present were Jenese Lemons, Glenda Kay Thompson, Twyla Lemons, Traca Lemons, Gary Bigam, Troy Bigam and Clint Bigam. Supper was served at the Dairy Queen following the swimming party.

Mr. and Mrs. Lafayette Boone of Lubbock returned to visit a while with Mr. and Mrs. Tom Fortenberry after spending a couple of nights in Childress with friends. Earlier they had been to Carlsbad Caverns in New Mexico and to Amarillo to visit their daughter Mr. and Mrs. Ron Vick.

Mrs. Tom Fortenberry went to Amarillo Thursday to visit her granddaughter, Paula Vick and Thursday

#### FLOYD DATA

Mr. and Mrs. S. D. Medley and their daughter, Mrs. Larry Guffee of Duncan, Okla., were in Amarillo over the weekend to visit Mrs. Medley's mother and stepfather, Mr. and Mrs. Frank King. Mr. King was able to be brought home from St. Anthony Hospital Tuesday and is reported to be doing fairly well after medical attention for a heart condition. Mrs. Guffee is in Floydada visiting her parents and also her husband's parents, while he is on a business trip to Anchorage, Alaska for Haliburton Oil.

#### FLOYD DATA

Joy Assiter had minor surgery Tuesday in Central Plains Hospital and returned home yesterday. She is reported doing nicely.

#### FLOYD DATA

Mr. and Mrs. A.D. Jester have returned home after a weeks visit in Fort Worth, Clarksville and East Oklahoma at Broken Bow with relatives. Sunday they were at McAlister, Okla., for the Fortenberry reunion, descendants of Mrs. Jester.

night they went to Pala Duro Canyons to see "Texas."

Mr. and Mrs. Cecil Vanhose and children and nephew, Richard Vanhose of Lubbock spent Sunday night with Mr. and Mrs. John D. Vanhose. Richard stayed to spend a while with his grandparents.

Last weekend Mr. and Mrs. John D. Vanhose had all their children and grandchildren with them for the weekend. This was the first time they have had the opportunity to be together for some time. Those present were Mr. and Mrs. Cecil Vanhose and family of Morton, Mr. and Mrs. Alford Vanhose and family of Lubbock and Mr. and Mrs. William Hensley of Justin.

Norma and Connie Welch visited with Jim Conner in Highland Hospital in Lubbock Thursday. P.D. Gilbert of Santo met them in Lubbock to visit with Mr. and Mrs. J.R. Kelley. Harold Gilbert of Slaton joined them and all had lunch Sunday with Mr. and Mrs. J.A. Welch.

You are urged to get your recipes in by the 10th for the

cook book the Christ Ambassadors are compiling. If you have not been included please give them to youth members of the Assembly of God Church. It is hoped that everyone will be represented.

Mr. and Mrs. R.D. Guest visited with Mrs. Jim Conner Friday and went on to Lubbock to visit with Mr. Conner the same day. Mr. and Mrs. A.S. Mize, Mr. and Mrs. Steve, Mize, Karol and Karl left Friday for Ruidoso, New Mexico to visit with their other son and brother, Mr. and Mrs. George Mize and family, before Steve and his family return to their home in

California. Mr. and Mrs. A.S. Mize and grandson, Sam returned home Monday afternoon. Sam plans to spend two weeks with his grandparents.
