

Floydada Merchants Planning 4-Week Sales Promotion

Beginning this Thursday, Floydada merchants will be offering four weeks of special sales items, and \$300 in gift certificates will be awarded to 8 lucky winners.

During the promotion, customers may register at participating businesses for a chance to win a share of the \$300 gift certificates redeemable in Floydada stores.

Two winners will be chosen each week during the four week sale, with drawings to be held on July 29, August 5, August 12, and August 19. Sale items featured by each business will be advertised in the next four Thursday editions of the Hesperian.

Everyone is urged to shop the participating stores and register for the gift certificates drawing.

UP, UP, AND...Zane Jones, a 1977 Regional qualifier in AA doubles tennis, is pictured here about to serve in Thursday's high school division action. Jones and partner Pat Miller bowed in the first round to a pair of Lubbock players. (Staff Photo)

Youth Divisions Completed In Tennis Open

BY DOUG SIMPSON

The 6th annual Floydada Open tennis tournament kicked off Wednesday and Thursday with the two youth divisions squaring off, as more than 250 entries are expected to compete when the last match is completed on Sunday afternoon. As usual, the contestants are being spread out over the city, with three full courts, high school, junior high, and the city park, in operation for the five-day affair.

A total of 97 matches were completed on Wednesday, with a fewer number but just as heated competition taking place in Thursday's high school round.

In junior high boys singles play, Doug Wright of Vernon handily defeated Lubbock's Tien Nguen by consecutive 6-1, 6-1 sets.

In a match completed early Friday morning, Cindy McKee and Louise McNamara reached the finals of the girls' singles championship match, but results were unavailable since the event took place in Lubbock.

McKee and McNamara were unstoppable in Junior High competition, as the pair made a complete sweep of Jana Hirst and Shelby Powell, both of Ralls, by 6-2, 6-1 scores, in doubles play. Vernon continued to dominate boys competition, as in doubles, Wright and partner Jay Parmer defeated George Rivers and Edwards Hernandez, 7-6, 6-3.

In high school singles (boys) on Thursday, Randy Campbell earned his way to Friday's finals by defeating Rick Cargil. Wright played Mike Bowers to determine the two finalists, as final results were not available.

In girls high school singles, Joey Taylor and Karen Robbins, each of Lubbock, were still squaring off for the championship of that particular event.

Mark Garrett and Randy Campbell, both of Lubbock finished off Mike Early and Gilbert Davila also both of Lubbock by consecutive 7-6, 6-1 victories.

Lubbock also dominated girls' doubles play, as the top four finalists were each from there, with Taylor and Robbins winning the championship over Becky Thompson and Jennifer Smith by 6-2, 6-0 triumphs.

Several Floydada youth also participated but only mere few were able to reach the second round.

In Junior High doubles, Tana Tyer and Julie Faulkenberry were beaten in the second round in a close tiebreaker by a pair of Ralls players. The final count was 6-2, 4-6, and 7-6.

In high school competition four Floydada girls competed, with Tracy Tyer and Kara Copeiani also reaching the second round, only to be defeated by eventual champions, Taylor and Robbins, 6-2, 6-0. Meanwhile, Jill Poage and Donna Reid were beaten in round one by consecutive 6-2, 6-3 losses.

In boys high school doubles, Pat Miller and Zane Jones lasted three sets before bowing to still another Lubbock combination by 6-3, 6-7, and 6-3.

kees Pirates' tilt, it was Ty Stovall, the Pirates' left fielder that hurled the ball from outfield to home plate to pick off the runner from third base, rather than B. Watson.

RED SOX 27 METS 6

The Red Sox of the Freshman League finished off regular season action Thursday night with a stunning 27-6 upset victory over the league champions Mets, sparked by a 20-plus hit performance and the 8-hit pitching of winner Donnell Weeks. The Red Sox, who completed the season with a respectable 4-3 mark, forged play to be discontinued in the contest's fourth inning, after the hosts had blitzed their opponents with a 15-run first inning. Each player on the squad came up with two hits for the night. Losing pitchers for the Mets were Gilbert Schwitzer and Gary Nelson.

BRENT WILLIAMS RECEIVES OUTSTANDING DODGER AWARD... Dodger Brent Williams was awarded the annual outstanding Dodger award at the club's final outing Tuesday against the Mets. (Staff Photo)

METS 16 DODGERS 6

The Freshman League champion Mets took advantage of a 10-run stampede in the 1st and 2nd innings of play to hand the winless Dodgers a 16-6 defeat and grab their seventh win of the season against a single loss. The game was discontinued after four innings, as the Mets continued to play outstandingly, proved by the mere 6 runs by the losers. The game ended with a miraculous, 2-out, bases loaded, game-ending catch in left field by Johnny Jones.

Winning Pitcher for the Mets was Wayne Morren and Ricky Freeman dropped the decision for the Dodgers.

CORRECTION: In last week's Yan-

LIONS TRASH BARRELS...over the city are not really a refuge for the safety of pedestrians as it may seem, but rather a container for refuse. The project was started when Boone Adams was president of Lions 1975-76, and Anthony Whitfill (in barrel) was 2nd vice-president. Lions Club furnished the barrels, and the tops and baggies are furnished as a part of the city wide clean-up campaign. Adams Well Service renovated and painted the barrel. Top photo shows barrel with cover in which persons are asked to deposit their refuse to help keep Floydada clean. (Staff Photo)

FLOYDADA OPEN JUNIOR HIGH RESULTS: Singles-Wright def. Nguen, 6-1, 6-1; McKee played McNamara in Lubbock (not completed) Doubles-Wright-Parmer defeated Rivers, Hernandez, 7-6, 6-3; McKee McNamara def. Hirst, Powell 6-2, 6-1.

HIGH SCHOOL: Randy Campbell played Wright or Mike Bowers Friday for championship; Joey Taylor played Karen Robbins Friday. Doubles-Garrett-Campbell def. Early, Davila, 7-6, 6-1; Taylor-Robbins def. Thompson-Smith, 6-2, 6-0.

Chamber Commerce Membership Drive

The Floydada Chamber of Commerce announced the beginning of its annual new member campaign this week, according to membership team chairman Sam Henry.

With a projected goal of 225 Chamber members, the membership team will be contacting several businesses in Floydada to secure their investment with the Chamber.

Selected local businesses and individuals will be contacted by a representative of the membership team to enlist their support and investment in Floydada and the Chamber program. Program areas of work include agricultural programs, industrial development, retail business activities, community appearance, and travel promotion.

Membership team personnel include Sam Henry, Fred Thayer, Kenneth Bain, Mary Corley, Charles Tyer, Clarence Denton, and Clay Henry.

FLOYDADA, FLOYD COUNTY, TEXAS 79235 SUNDAY, JULY 17, 1977 NUMBER 56

Floyd County Ranks In Top In Corn Production

Floyd County ranked ninth in corn production in the state in 1976, according to the Texas Crop and Livestock Reporting Service yield per acre in 1976 was 120 bushels. This was a substantial increase from the 103 bushel yield per acre in 1975.

Crop conditions were good to excellent over most of the state allowing Texas to climb four positions from its

County FFA Youth Receive Honors At State Convention

Bill Starkey, son of Mr. and Mrs. Floyd Starkey won second place in crop production at the Future Farmers Association convention held this week in Fort Worth, with another Floydada youth, Clinton Ware, son of Mr. and

Mrs. W.R. Ware, placing third in the outdoor recreation division. A Lockney youth, Joe Araujo, son of Mr. and Mrs. Arcadio Araujo, was awarded a Houston Livestock Show and Rodeo scholarship in the amount of \$4,000. He plans a career in veterinary medicine.

Awards were presented Thursday and activities concluded Friday with the election of state officers and a sweetheart.

A Gaines County FFA member was awarded the highest degree presented, that of Star Lone Star Farmer of

Rock Chat By Wendell Tooley

"It's due to the dollar inflatin'." Limericks about towns were not limited to communities through which we drove. Names of towns of highway directional signs were the inspiration for several, including this one about Spur:

There once was a groovy Dodge Dart That was owned by a fellow named Bart. As he drove into Spur It continued to purr. Bart's Dart was a cart with a heart. If the limericks in Texas were bad, they deteriorated when we crossed the State line. Again, a great deal of poetic license was necessary as we drove into Clovis.

There once was a young man in Clovis; As a musician he was not a novice. When he sat down to play All the people would say, "That really must be Shostakovich!" Other names are more difficult, such as Albuquerque, which challenged both my creativity and factual accuracy. There's a city called Old Albuquerque That's famous for turquoise and turkey.

You may think we're chicken But when we go picnickin', We take along loaves of beef jerky. What about Colorado? A vote was taken, and by a narrow margin of two to one it was decided that any mention of limericks north of Albuquerque would be discouraged.

If your vacation plans include an automobile trip this summer, and if you're interested in breaking the monotony by composing limericks, I suggest going through such communities as Post, Killene, Snyder, Floydada, Decatur, and Electra. But maybe you'd better forget about such nice towns as Waxahachie and Nacogdoches.

Quick Takes

The rose has just been announced as America's favorite flower by a nationwide association of florists, who recently sponsored a National Flower Election. The rose got the votes of 126,253 Americans — about 30 percent of those taking part. The carnation was a distant second, with 39,077 votes, and was followed by the daisy, dogwood, apple blossom, lilac, black eyed susan, orchid, pansy and marigold. Women become drunk faster than men do, according to a study at the University of Oklahoma

eleventh place in U.S. ranks in 1975, with 113 million bushels, to seventh place in 1976, with 180 million bushels. Illinois is the number one corn producing state.

Complete statistics on 1976 field crops are available in publication form by writing Reagan V. Brown, Commissioner, Texas Department of Agriculture, P.O. Box 12847, Austin, 78711.

Texas. He also won first in crop production with Starkey winning the second place. The three Floyd County recipients were among seven South Plains FFA members receiving awards and scholarship.

Fifteen Floyd County FFA members and ag teachers, Orville Harris and Dan Stegall and Mr. and Mrs. Travis Jones attended the convention, returning home Friday.

Jay Womack Signs

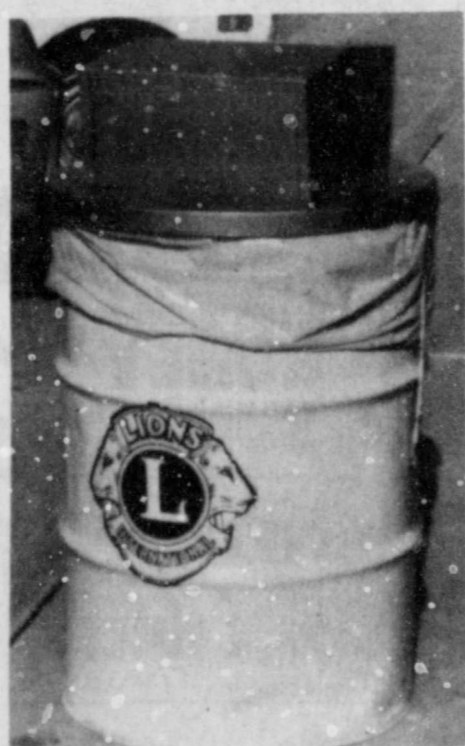

Letter Of Intent

STEPHENVILLE, TX—Two more all-district quarterbacks have signed football letters of intent with Tarleton State University, TSU athletic director Buddy Fornes announced this week.

From Floydada, the TSU Texans will be getting Virgil Jay Womack who was named to the second team All-South Plains squad in addition to winning all-district honors. The 5-8, 150 quarter-back also competed in track. He is the son of Mr. and Mrs. Bill Womack of Floydada.

Shelby Wright, 5-10, 160, was named all-district at Llano his senior year and was also selected to the All-West Texas squad. Wright also competed in basketball, track, and golf.

Womack and Wright will join 57 other freshmen and transfers when the Texans report for two-a-days Aug. 16. Coach Fornes and his staff are expecting more than 100 recruits and veterans on the first day of training.

LIONS TRASH BARRELS...over the city are not really a refuge for the safety of pedestrians as it may seem, but rather a container for refuse. The project was started when Boone Adams was president of Lions 1975-76, and Anthony Whitfill (in barrel) was 2nd vice-president. Lions Club furnished the barrels, and the tops and baggies are furnished as a part of the city wide clean-up campaign. Adams Well Service renovated and painted the barrel. Group Joins In Hail Boycott Plan

explaining them are being placed in a number of businesses in Tullia. Happy and Kress. "We are putting them in every firm that will allow us to do so," said Mrs. C.J. (Betty) Vars of Tullia, who temporarily is in charge of the boycott.

Swisher Citizens for Natural Weather, meeting Monday night in Tullia, joined

Briseo County in urging a boycott of all Plainview merchants with the exception of professional services such as doctors and dentists.

The citizens group also voted to take immediate steps to call an election giving county residents an opportunity to vote on whether or not they want weather modification or cloud

seeding.

Presently a petition for an election has been signed by the necessary 25 persons and delivered to the county clerk. After approval of this petition, another one must be signed by 10 per cent of the county's qualified voters and the eligibility of each signee checked before the commissioners court can set an election. The petition must be signed within 30 days.

Western Encephalitis Virus

Noted In Nearby Areas

Reports from the Texas Health Dept. Laboratory in Austin confirm presence of the Western Encephalitis virus in Hale County (Hale Center and Plainview). This week a confirmed Western horse case was reported in

Lubbock County.

The Western encephalitis virus is contagious to human, and can be transmitted by mosquitoes.

So far, no St. Louis encephalitis virus has been found this year in West Texas. In

Dallas the second human case was reported this week.

A continuing surveillance program is being regularly conducted in most major population areas by the Texas Health Dept. (Zoonosis Control Division) and has provided an early warning to the area.

Horse vaccination, mosquito control, and personal protection is advisable now. The encephalitis season will persist until late fall.

McCoy Reunion

Persons are reminded of the annual McCoy Community reunion slated Sunday, July 17, at Lighthouse Electric. Registration is at 10 a.m. and a basket lunch will be served at 1 p.m., followed with the election of officers.

All residents of McCoy and former residents, their families and friends are invited to attend.

Mr. and Mrs. Kevin L. Nelson

Former Floydada Resident Wed In Bayfield, Colorado

Mr. and Mrs. Kevin Lynn Nelson are at home in the Mini-mansions Trailer Park in Bayfield, Colo., following their recent wedding. The bride is the former Terry Lynn Pierce, daughter of Mr. and Mrs. Hal Pierce and the groom is the son of Mr. and Mrs. W.H. Nelson all of Bayfield. The Nelsons are former Floydada residents.

The couple were married in the Baptist Chapel at Vallecito Lake by Rev. Don L. Walker. The altar setting was formed with white flowers and a candelabra entwined with daisies and carnations.

Organist was Mary Vernon McGinnis.

The bride wore a Kentucky Belle original white lace gown accented with tiers of lace forming the full skirt. Long lace sleeves tapered to points at the wrists from a fitted bodice, accented with a scalloped neckline. Her veil descended

from a white hair bow and she carried a bridal bouquet of white daisies and yellow rosebuds.

Sheri Basham was maid of honor. She wore a yellow polyester gown trimmed in white daisies and a wide brimmed yellow picture hat accented with daisies. She carried white daisies and yellow carnations.

The bridesmaids, Tanya Pierce and Linda Nelson, wore matching ensembles in identical color and carried matching bouquets.

Dirk Nelson was best man, and Terry Gilbert and Gary Duran served as groomsmen. Donnie Lucero and Jay Stancell were ushers.

Tricia Pierce was flower girl and Eric Marty was ringbearer. Leeta Nelson was candlelighter.

The bride and groom are both spring graduates of Bayfield High School. He is presently employed as a carpenter.

Shower Honors Ellen DeLeon

Ellen DeLeon, bride elect of Abe Enriquez, was honored Sunday, July 10 with a bridal shower at the DeLeon home. Special guests include mothers of the honoree and her fiancé, Mrs. Domingo DeLeon and Mrs. Manuel Enriquez both of Floydada. Each were presented corsages, gifts from the hostesses.

The serving table was laid with a white cloth and held a center piece formed with a white wedding bell. Cake, lemonade and ice cream were served.

Hostesses were Misses Anna Rodriguez and Beatrice Guzman, Floydada, and Bertha Rodriguez of Lockney. They presented Miss DeLeon with an electric mixer.

Guests attending included Mrs. Rafael DeLeon, grandmother of the bride to be, Mrs. Edwarda Enriquez, grandmother of the prospective groom, Mrs. Ciero DeLeon, sister-in-law of the bride all of Floydada, Mrs. Joe Cortinas of Plainview, aunt of the honoree, and Mmes. Lupe Martinez, Gabriel Juarez, Pilar Juarez, Abel Vasquez, Robert Rodriguez, Jesse Martinez, Ricky Vasquez, George Ratliff, Rhonda and Paula Ratliff all of Floydada and Angie De La Cruz, Canyon.

News Of Beauty

Eyes Bright, Eyes Right

There's more to eye makeup than selecting colors and products and applying them artfully.

Doing it right means reading the labels—they provide instructions on use and information on ingredients.

Because of the extreme sensitivity of the eye area, all cosmetics should be tightly capped and stored in a clean place. Old eye makeup should be thrown away.

It's always a good idea to wash your hands before applying eye makeup and never a good idea to use someone else's makeup or let someone else use yours.

All eye makeup products from reputable cosmetic companies are carefully formulated from ingredients and colors approved by the Food and Drug Administration

Floydada Students At Band Camp

Floydada band students are among the approximately 1,400 junior and senior high school musicians enrolled in the Texas Tech Band Camp. The students come from Texas, New Mexico, Oklahoma, Colorado, California and New Jersey.

The two-week long camp will continue through Friday, July 22.

Some 1,250 of the 1,400 students are band members and will be involved in 12 concert bands, six stage bands, and twirling, flag and rifle precision handling.

A series of concerts will begin with bands three through six, Saturday (July 16) at 8:00 p.m. in the University Center (U.C.) Theatre. Bands one and two will present a concert Sunday (July 17) at 2:00 p.m. in the U.C. Theatre. The six stage bands will be featured in concert at 7:30 p.m., Thursday, July 21, in the U.C. Theatre.

The final gala concert will be presented at 1:00 p.m., Friday, July 22. It will feature all 12 concert bands.

During the second week of the camp, students will be under the direction of special guest conductor Dr. Travis McBeth, nationally known band composer from Oachita Baptist University, Kansas.

Trumpet students will be under the direction of guest trumpet teacher Haskell O. Sexton, professor of trumpet emeritus at the University of Illinois.

While at Texas Tech, the students are housed in Hul-len, Clement, Wall and Gates residence halls.

The band camp is sponsored by the Texas Tech University Department of Music and is under the direction of Professor Dean Killion, director of Bands of Texas Tech.

FLOYD DATA

Mona Dean, high school home economic teacher, underwent corrective hip surgery in Highland Hospital, Lubbock last Monday. She is reported to be recuperating nicely.

Mrs. Finley Member Of State Green Thumb Advisory Board

Mrs. Finley

Mrs. Georgia Finley, hostess at the Floyd County Museum, has been named to the State Advisory Board of Green Thumb, sponsored by the National Farmers Union.

Mrs. Finley will go to Austin July 26th to discuss aspects and new projects for the coming year. Mrs. Finley is the chief member of this area to attend.

Green Thumb is a government organization for the employment of the elderly.

Jon La Baume is recuperating in Central Plains Hospital following gall bladder surgery.

Squeezing The Vanishing Dollar : An Approach For Young Marrieds

LUBBOCK, July 11—Inflation is an issue of concern for everyone today but particularly for young married couples.

Faced with everyday rising costs, standard of living expectations and providing financial protection for the future, sound financial planning becomes a necessity, according to Fred E. Maxcey, general agent in Lubbock for John Hancock Mutual Life Insurance Co.

"A young couple's typical expenses might include mortgage or rent; life, property and auto insurance; taxes; interest charges and similar costs," Maxcey noted. "There are also expenses which vary widely, but can be planned for, such as utilities, medical bills, food,

clothing, recreation, home furnishings, education and transportation.

"If income from net pay, interest and other sources is equal to, or less than, expenses, conscientious financial planning or some form of systematic saving is more necessary than ever to provide an emergency, retirement or investment," he said.

Maxcey advised establishing a joint or individual checking account as one of the easiest ways of keeping track of income and expenses. Most banks and many savings and loan institutions offer this service at little or no charge, based on minimum balance requirements.

"To provide for an emergency, one sensible rule for couples to follow is to maintain savings equal to at least half of their annual take-home pay," he advised.

He offered several suggestions for keeping expenses manageable:

- Take advantage of occasional merchandise sales that do not include a carrying charge over a specified period of time.
- Take advantage of payroll savings deduction plans frequently offered by employees as an employee service.
- Save through periodic or automatic purchase of U.S. Savings Bonds.
- Consider purchasing a home which offers almost guaranteed value appreciation of the dwelling each year, income tax deductions for mortgage interest and property taxes, and the knowledge that a portion of the monthly payments are reducing the principal and building up equity.
- Consider the purchase of life insurance which will offer immediate protection while providing the long-term basis for meeting specific goals such as security program for retirement or an educational fund for children.

There are a variety of options available in insurance programs and couples should review these options with a qualified insurance representative to ensure

that they have a program specifically designed to meet their present needs and future financial objectives.

He also said that individuals who are self-employed and not incorporated should investigate the benefits available to them in the Self-Employed Individual Retirement Act (HR-10).

"This plan provides an opportunity for unincorporated employers to establish tax-favored retirement plans for themselves and their employees. The law permits self-employed individuals to set aside a portion of their earned income, up to 15 percent or a maximum of \$7,500 annually, and deduct the allocable part of the annual contribution from their gross Federal Income Tax.

"To assure a sound financial future, young couples should establish priorities, realize their limitations and set about following a long-range plan early in their married lives."

What One Person Can Do

Dr. Randolph T. Blackwell of Atlanta wanted to begin to tackle the nagging unemployment and housing problems of southern black blacks, and he wanted to show a skeptical business world that those problems could be solved through black industries located in

HONORED AT TEA...Mrs. A.B. Martin, wife of Rotary Club of Amarillo, is pictured being greeted by Mrs. Aldine Williams, Rotary president, at a tea in Mrs. Martin's honor Wednesday at the home of Mrs. Martin. Mrs. Martin is Mrs. S.W. Ross, whose husband is vice president of the regular luncheon of the Floydada Rotary Club. (Staff Photo)

1977 Girl Scout Trip Planning Session

Twelve Floydada Girl Scouts have already signed up for next year's trip to Canada and Washington, D.C. Planning sessions for the trip have been held, and 32 applications received from Girl Scouts in the Floydada, Lorenzo and Crosbyton areas.

Any girl that is a registered scout and who will have completed the seventh grade by 1979 wishing to make the trip may place her name on the waiting list by calling Mrs. Jeanette Harrison 983-3044. Additional applications can still be obtained, then put on the waiting list in case any of the seats become available.

Mrs. Harrison will make the trip as well as Helen Lipham, (both are scout leaders) and Lou Burleson, assistant scout leader, all of Floydada.

Floydada Girl Scouts who have signed up for the trip include Pam Lipham, Teresa Spurlock, Tracy Harrison, Debra Allen, Lisa Ware, Jonna West, Angie Neff, Julie Morton, Karen Turner, Debbie Harrison, Beverly

Burleson, and Lisa Welborn. It was decided at the past meeting that material would be purchased and each girl and leader would be responsible for making a large portion of the clothes needed for the trip. Everyone will dress alike and meet Scout standards.

The following trip itinerary was decided: Depart from Crosbyton to Tulsa, St. Louis, Indianapolis, Erie, Buffalo, Niagara Falls, Toronto, Canada, Montreal, New York City, Baltimore, Washington, D.C. Freder-

CORNERS

Button, Button Who's Got The Button?

Fifty thousand collectors have buttons—in all shapes and sizes. Prized for their beauty, buttons have reflected the traditions and costumes of cultures throughout the ages.

Buttons have been used as ornaments since 2500 B.C. The oldest one known is a disc with holes that dates from the early Iron Age.

By the 16th century, buttons were widely accepted and used as fasteners as well as for decoration. King Francis I of France used 13,600 gold buttons on one court costume!

Whether you collect buttons or sew them, enjoy...

ing their babies extremely well. Some of them have given me pointers about that very important helper, the sitter.

- When selecting a sitter, see that she or he is capable, level-headed and dependable, or you may not be able to concentrate at work—you'll be worrying.

- If sitters are older, make sure hearing is adequate and that they are alert to handle emergencies capably.

- If the sitter's young, satisfy yourself that he or she is experienced and mature. High school students who've had baby care instruction in home economics classes usually are well-qualified sitters.

Sentence Given In Murder

during Thursday's abbreviated trial indicated his expected testimony could perform two functions: provide the state with a second eyewitness to the shooting and also provide testimony that Wilson's killers knew that he was a law enforcement officer.

Before agreeing to accept Carter's plea Thursday, 110 Dist. Judge George Miller asked prosecutor Randy Hollums if it were true that the state could not produce evidence to show that Carter fired the fatal shot.

Hollums said the state could not.

Speculation of a plea bargaining agreement in Carter's case was prompted earlier. The defendant originally had been scheduled to stand trial for capital murder in May, but, after several days of juror selection, a mistrial was declared.

Sources indicated then that an agreement had been struck.

Some observers said they felt the way may have been

rather opened for negotiations during a pretrial hearing.

OBITUARIES

Mrs. Baker

Mrs. C.P. (Marie) Baker, whose influence in the Munday community extended over a period of many years, passed away at 7:25 p.m. Tuesday, July 5, in the Knox County Hospital. She had taken seriously ill at her home several hours earlier.

She was born Marie Henry on October 12, 1899, in Floydada and was 77 years of age at the time of her death. She married C.P. Baker on September 23, 1923, in Tula, and they soon established a home in Weintert, where they operated a dry goods store. They moved to Munday in 1932 and were active in operation of Baker-McCarty Dry Good

for years. Mrs. Baker was active in church work, social and civic clubs throughout the years. When avenues of service opened, she headed the list to be of assistance.

Funeral services were held at 10 a.m. Thursday, July 8th from the First United Methodist Church in Munday with Rev. L. Mauldin, a former pastor, now of San Jacinto Methodist Church in Amarillo, and Rev. E. Hardy Cole, pastor, officiating. Burial was in Johnson Memorial Cemetery under direction of McCauley-Smith Funeral Home.

Serving as pallbearers were Barry Barker, Guy Ginn, Paul Pendleton, Travis Lee, Barry Ratliff and R.C. Couch.

In mute testimony of the esteem which the community held for Mrs. Baker, the church was filled to near-capacity by loyal friends who came to pay tribute to her memory and to comfort the bereaved family by their presence. Her creative mind artistic hands and christian influence had

brought happiness to many of those present. Munday business establishments were closed in her memory during the service.

Surviving her are her husband, C. Pitzer Baker of Munday; two sons, Charles Baker and Kenneth Baker, both of Munday; a brother, Kenneth Henry of Vernon; a sister, Mrs. Bernice Barker of Lockney; and four grandchildren.

She is an aunt of Mrs. Guy Ginn of Floydada and cousin of the late Jack Henry of Floydada.

H. Millican

Services for Herman Millican, 77 year old Petersburg rural resident, were held Saturday, July 16 at 2 p.m. in the Main Street Church of Christ in Petersburg with the minister L.V. Ellison officiating, assisted by Rev. Jesse Nave, pastor of First Baptist Church, Petersburg. Interment followed in Petersburg Cemetery under the direction of Moore-Rose Funeral Home.

Millican died in the inten-

sive care unit of West Texas Hospital July 14.

A native of Cooper, Tex., he was born July 10, 1900 and moved from there to Floyd County in 1916. He married Lena Walding who died Feb. 18, 1961. She was the sister of C.N. Walding and the late Lyda Walding of Floydada. Millican married Bess George in Lubbock County May 22, 1968.

He was a farmer and a member of the Masonic Lodge.

Survivors include his wife; a son, Herman, Jr., of Denver, Colo.; a daughter, Mrs. Betty Hegi of Monette, Mo.; a stepson, Billy Fry, Waxahachie; a stepdaughter, Shirley Terrell, Lubbock; a brother, W.H. Millican, Acuff; a sister, Lena Rogers, Lubbock; seven grandchildren and five step-grandchildren.

SAFETY SENSE

Tips On Bicycling

Enjoying a bicycle means riding it safely. Here are some tips on preventing you—or someone you know—from joining the approximately

460,000 people who are hospitalized for bicycle-related injuries each year.

BRIGHT IDEA—At night, be in sight.

1. Observe all traffic laws and signals.
2. Don't ride double or attempt stunts.
3. Ride near the curb in the same direction as traffic.
4. Walk, don't ride, the bike across crowded intersections.
5. Make sure you have good lights. One light that's a 35-candlepower fluorescent signal can be sighted from as far as two miles away.

6. Avoid loose clothing or long coats that can catch in the pedals or wheels.

Follow these tips and you'll be pedaling your way to safer bicycling—and lots more fun on wheels.

The first president to be married while in office was John Tyler, our 10th president, on June 25, 1844!

Nagging or punishing a child who bites his nails never stops him for very long. It makes him more tense. It's better to try to relieve some of his anxieties.

Deryl Evans
Receives Degree

Deryl C. Evans, son of Mr. and Mrs. Milton C. Evans of Floydada, received a Bachelor of Applied Arts and Science Degree from West Texas State University July 5th. His major was Industrial Technology.

While attending WTS he was listed on the Deans Honor List and was a member of Block and Bridle Club and West Texas Industrial Arts Assoc.

Evans is also a graduate of Amarillo College School of Vocational Arts and Science where he obtained a degree in Diesel Mechanics. He was the second student to have completed the 21 month requirements in 16 1/2 months. Students must meet high grades and requirements to achieve this honor.

Deryl and his wife, Nova, are making their home southwest of Floydada where he is engaged in farming.

Deryl Evans

DO YOUR BIT TO MAKE YOUR CHILDREN'S FRIENDS FEEL WELCOME IN YOUR HOME. A SIMPLE SNACK - CRACKERS WITH CHEESE, PEANUT BUTTER, JELLY - AND A REFRESHING DRINK WILL DO THE TRICK. KEEP SOME CANS OF LEMON-FLAVORED ICE TEA ON HAND TO OFFER TO YOUR VISITORS. IT COULDN'T BE EASIER... AND THE KIDS WILL LOVE IT.

Kirk Pioneer
Manager
At Littlefield

LITTLEFIELD, TEXAS. Harry H. Walden, vice president of Pioneer Natural Gas Company, (a division of Pioneer Corporation), has announced that Charles A. Duval, manager of the Littlefield local and district office for nearly 30 years - and a 40 year Pioneer employee - is retiring September 1.

Replacing Duval is Robert W. Kirk, a former manager at Floydada, and Duval's assistant since 1975.

A graduate of Texas Tech University, Duval joined a Pioneer predecessor company - the West Texas Gas Company - in 1937 as a laborer. He later transferred to

ROBERT W. KIRK

Canyon as a plant superintendent. The next year he moved to Post as a local manager, and a year later to Levelland where he held similar duties. In 1943, Duval moved back to Canyon as the Canyon District Manager, and then, in 1948 moved to Littlefield as District Manager where he has remained.

Kirk, 38, has been with Pioneer since 1959. After holding various duties in the Pioneer Plainview office, Kirk transferred in 1969 to Floydada as a manager. He transferred to Littlefield in 1975. Kirk is a former National Guardsman, and attended Texas Tech University. He has been active in community activities in Plainview, Floydada and Littlefield, including the Rotary International, the American Red Cross, and Water Incorporated. He currently serves on the Littlefield Board of City Development.

He and his wife Kaye have four children. The Littlefield District includes the cities of Littlefield, Muleshoe, Sudan, Amherst, Anton, Olton, Earth, Levelland, Whitharral, Springlake and Smyer.

Bell Installs Underground
Phone Lines

A new, \$2 million long distance cable is being placed between Plainview and Lubbock which will also connect Lockney and Floydada, according to Southwest Bell Manager Jim West.

"It is going to quadruple our toll facilities," he said. The cable, which will ultimately add 8,000 new circuits, is scheduled for completion in late November.

Though the cable will primarily link Lubbock and Plainview, it will also connect many towns such as Lockney, Floydada and independent telephone company towns like Happy and Tulia.

"Progress has been smooth," West said, "though we initially thought about wet weather would set us back."

The cable crews currently are laying the cable between Hale Center and Plainview.

"We have averaged about a mile a day," said Engineering Project Supervisor Earl Darnell, "but we have a great deal of other work to do on the cable before it will be ready in December."

"Actually, we are laying two cables - one for sending, and one for receiving," he said, "but both cables will be welded into the same jacket."

"Luckily," he added, "open areas of the cable are gopher-proof!"

Circle L Contractor of Pampa is digging the many miles of trench for the cable.

"There is a trend in the company towards more and more underground installation," West said. "This is the most practical and aesthetically pleasing way to set cable."

West added that the Plainview-Lubbock cable should not need to be reinforced until 1994.

Classes by mail
offered from UT

AUSTIN, Texas (Spl.) - Persons in 280 Texas towns, 45 states and 30 foreign countries are going to class simply by opening their mail - they are taking college and high school courses by correspondence from The University of Texas.

UT's Correspondence Study Section serves persons in remote areas, out-of-school youths who wish to receive a high school diploma, "schopro" college students needing to raise their grade averages and others seeking personal development.

Catalogues for college and high school courses may be obtained from Correspondence Study Section, EXTB 203, Little Campus, The University of Texas, Austin 78712.

When we are cold, a shiver is the body's way of producing a muscular action that generates quick heat.

CHEERLEADERS
CLINIC

The Lockney High School cheerleaders will be sponsoring a cheerleading clinic soon. All interested persons between kindergarten and junior high school age should watch the paper for further information.

News & Reviews

Beginning Sunday, July 17, we are going on a "Pretend Tour" of America. In the SEE AMERICA READING CLUB, you may travel to ten different areas of the United States by reading ten books. The first book will place your name by the Texas tour, the second book will place your name by the Colorado tour, nine books will place you in Alaska, and ten will take you to sunny Hawaii. These tours are posted on the display window of the library.

Anyone may participate by coming into the library and signing up. Weekdays Mrs. Dyess will assist you during regular church office hours. There is no age limit in this reading program and we would be delighted for adults to participate. We would encourage you to check out some of our books about America. There are some beautiful scenic books, as well as biographies about famous Americans. Of special note to youth and adults are the historical pamphlets of famous monuments and battlegrounds. Reading these will count as a book. You might be encouraged to plan to visit to some of these areas.

Keep a list of the books you have read from the church library and turn it on August 28 so that we may prepare a certificate of recognition. Also keep us informed of your progress so we can place your name by each tour as you read.

There will be a party for those joining the reading club and reading at least one book on Sunday, August 28 at 6:00 p.m. in the Fellowship Hall of the church. Included in the activities will be a movie of some facts of American life.

Parents, how about making this a family project and reading along with your children. They would be thrilled to see your name beside theirs and your good example would encourage your child to enjoy one of the most important aids to achievement, reading.

LETTER TO THE EDITOR

Dear Wendell,
Enclosed is a clipping from your paper. I think you better have old J.A. (Floyd Philosopher) check his or her information before you print it. Seems there is a slight error of about 892 billion dollars in his figuring! We up here do admit to a cost over run. But I think if you check the figures you'll find the cost over run was in fact 7 billion dollars. A sizeable amount I agree, but not quite what old J.A. has projected (in reference to Alaskan pipeline)

Enclosed also are a couple photos of the Juneau Ice field. 1500 sq. miles of snow and ice which feeds the many glaciers in this area. Anyway you get the message, I think.

Hello everyone
Yours,
Fred

The slowest typewriter in the world may be a Chinese typewriter that has 5,850 Chinese characters. The maximum speed on this machine is 11 words per minute.

WHERE'S TH' FIRE?

Since we were absent last month we will report on May and June this month. During the month of May we answered five fire calls. On May 4th we had a false alarm at the Q.A.&P. Dept. On May 28th we answered a call to a house on fire on East Kentucky. A hot water heater had blown up. On May 29th we had a house ten

miles east on highway 70. The house sustained heavy smoke damage and heavy fire damage to one bedroom. Also on May 29th we answered an alarm to a car fire ten miles north and 2 miles east of Floydada. On May 30th there was a grass fire on a vacant lot at 12th and Virginia.

During the month of June we also answered five fire calls. On June 7th there was a trash fire in a dumpster in the alley of the 300 block of West Crockett. Also on June 7th there was a grass fire on East Thornton. On June 11th there was a fire in a wheat field one-half mile south of town. We had two house fires during the month of June. Both houses were totally destroyed; however, both houses were totally involved when we arrived at the scene.

For the two months mentioned we received 28 hours of instruction. This instruction was in: Air Fire Protection and Rescue, Fire Apparatus, Community Re-

lations, Rescue Operations, Ventilation Practices, Water Supplies, and Fire Hose Practices. Also in the month of June we had four firemen pass the E.M.T. course that was being offered.
