CAPTAINS for the Friona game are Kenneth Griggs and Rick Covington.

Coach L.G. Wilson's troops will no doubt discover the real weaknesses of the club as well as its strengths when more than 20 sophomore and junior players take the field to do battle with a vastly improved Chieftain team. Friday's game should rank in intensity with any 15-round world heavyweight

championship match you'll ever see. Kickoff for the season opener is 8 p.m. The Whirlwinds had no trouble with Friona here last year, blowing them off the field 31-0. The win loss record with Friona in the past is Floydada 7, Friona 2. Coach Wilson and his staff are counting on out-standing leadership from eight senior letterman as well as the maturity of the underclassmen. Among the seniors hoping to establish early momentum for the 'Winds in the contest is signal-caller Rusty Cagle, a 165-pounder and halfback last season. Cagle will rely on his fiery quick passing arm and a nifty running style to bolster the Floydada attack offensively. But in spite of this, he'll have to have some help in the backfield. A wishbone trio of junior fullback Joe Covington, and halfbacks Rick Covington and Larry Jones should fill the role very nicely and give Cagle plenty of running plays to operate with. At the split end post, experience is lacking, but juniors Mark Beedy,

Kary Helms, Brad Feuerbacher, should be able to step in and give Rusty adequate throwing targets. The offensive line is sound, with

## Bill Hale Candidate For State Legislature

Floydada's Bill Hale has tossed his hat into the political ring as he this week announced his candidacy for State Representative of the 66th Legislative District. Hale, a conservative, will seek election on the Republican ticket. The 47-year-old department store businessman made the announcement with the following statement, "I believe the best interests of the people in our district will be served by having a truly conservative representative in our State Legislature. I also believe that I am the man who can best further these conservative beliefs in Austin." Hale was born in Floydada and has lived here all his life with the exception of service in the United States Air Force, 1951-53, and while attending Texas Tech, 1947-1955. His BBA degree from Tech was in personnel management.

all-south plains selection J on Jones returning at his guard position to lead the pack. Sheldon Sue returns to fill his center spot, as Jim Potts will fulfill the other guard position.

## DEVELOPMENT COMPANY

For approximately three years he served as president of the Floydada Development Company, and was honored with the "Citizen Of The Year" award in 1973 as a result of his outstanding work for the Development Company. He also received commendations from the Floydada Rotary and Lions clubs. He was a school board member for four years, has served some 12 years on the Floydada Housing Authority board, worked ten years in Little League baseball including presidency, worked with the Chamber of Commerce 20 years, including the vice-presidency. He served on the Floydada City Council one term. Hale has already been scouting the north part of the district where Pampa has the largest vote. The second largest area for votes is his home county of Floyd. The Legislative chair was recently vacated with the announcement of Democrat Phil Cates that he would not seek re-election.

## Some Open, Some Closed For Labor Day

Although there are very few labor unions in Floyd County, several firms will close Monday, Labor Day. In Floydada it was reported that the drug stores will close, the government offices, bank, utilities offices, courthouse, city office. Of course all grocery stores, service stations, restaurants will be open and on the south side of the square Beall Bros., Hale's Department Store and Perys will be open. The Hesperian will close for the holiday. Of course there is no school Monday.

## Economic Indicators Show Floydada Is Growing

By Doug Frazier, Manager Floydada Chamber of Commerce The statistics tell it all. According to indicators that measure the city's economy, Floydada is experiencing steady economic growth and the outlook for future growth looks good. A quick look at some statistics show Floydada has sustained growth in almost every measurable category over the past few years. The city population has increased every year for the past 7 years, from the census count of 4,109 in 1970 to the 1976 estimate of 4,482. Local bank deposits have grown from \$13,257,813 in 1970 to a total of \$23,511,202 in 1976. Deposits reported on January 3 of this year totaled \$25,523,831. Local retail sales subject to city sales tax have increased from \$1,909,000 in 1970 to \$6,707,700 in 1976.

## Tracy And Clay 4-H Gold Stars

Tracy Beedy of the Lockney 4-H and Clay Hamilton of the Floydada 4-H club were honored as Floyd Gold Star boy and girl at the annual awards banquet Saturday night in Duncan Elementary cafeteria. Tracy is a fourth year 4-H'er, daughter of Mr. and Mrs. Austin Beedy. Clay is the only eighth year 4-H'er and the son of Mr. and Mrs. Charles Hamilton. Clay was also recognized as one of the county state 4-H winners along with Sharon Jones, Darlene Broseh, Marcia Fortenberry and Kenneth Broseh. Stephanie Turner was honored as the county 4-H sweetheart, Shawnda Brock and Earl Broseh were recognized for outstanding first year records and Adeanna Morris won the Foley award. Earl also received the Texas Sheep and Goat Raisers Assn. award. Adeanna also received the "I Dare You Award" along with David Foster. Kenneth Broseh also received the 4-H Alumni Award. Davis Farm supply received the meritorious service award, Juanita Broseh and Kenneth Holt received the outstanding adult awards.

# Full Fertility Helps Crops Use Moisture Efficiently

COMPARE THE CROPS IN YOUR AREA THIS YEAR

No N Roots Explore Little

160 Lb N Roots Explore Much

ALMOST EVERY YEAR in every area there are periods of too little moisture—or too much. Today's unusually wide variation in rainfall is creating larger areas of moisture shortage.

More and more we must think moisture CONSERVATION, think moisture EFFICIENCY, think how to get the most out of the moisture we have.

Adequate fertility stretches moisture supply. It does not replace water. It just helps the crop use it more efficiently. It has been estimated one inch of rain produces 5 bushels of corn under low fertility, but 7 to 8 bushels under high fertility.

The reason seems clear: Full fertility means fuller root system to extract more moisture from each foot of soil tapped—for a higher yield—and a higher yield means more crop per inch of water.

This influence of sound fertilization has been documented for decades. In 1913, USDA scientists said, "With few exceptions, the experiments show a reduction in water requirement accompanying the use of fertilizers."

A half century later they were still saying, "Fertilizers may increase root exploration of the soil so that soil water is used to higher tensions and to greater depths."

Many studies right up to the present have shown specific ways fertilization helps crops get through dry periods with respectable yields. Results can be summed up in four basic points:

school. In the past, there was a 30 to 60 day processing period required for loan applications. The VA now plans to process the applications immediately following receipt, providing the school certifies that the veteran is actually enrolled and attending classes. Two conditions must be present for a veteran to qualify for a VA education loan. He must (1) demonstrate that this required expenses during the school year will be greater than his income, and (2) he must have been turned down by the banks in the area, or the school must certify that area banks are not making any student loans.

Under the VA educational loan program, an eligible veteran may borrow up to \$15,000 each academic year when attending an approved

Veterans seeking loans to meet their expenses for going to school this Fall will get priority action from the Veterans Administration, according to D.G. Ayres, Service Officer for Floyd County.

The Service Officer explained that there is an educational assistance loan program for veterans who are eligible to attend school under the current GI Bill. Eligible for schooling benefits from the Veterans Administration are veterans with 181 days or more service since January 31, 1955, and whose discharge or release was under other than dishonorable conditions. The delimiting date for using educational entitlement is ten (10) years from the date of the last discharge occurring after January 31, 1955. The current GI Bill went into effect June 1, 1966, thus veterans who were discharged prior to that date are no longer eligible.

# Wheat set-aside plan is set

Wheat farmers are set to receive federal benefits and other advantages that corn and other crops will have to cut back on.

The 1977 wheat crop, the third bumper harvest in a row, has been gathered and farmers are now ready to plant their winter wheat for next year. It is that kind that makes up most of the U.S. supply.

White also announced that an earlier farmer-owned wheat and rice reserve will be expanded to include 17 million to 19 million metric tons of corn and other feed grains. About 8.2 million tons of wheat and 600,000 tons of rice were announced earlier this year as a feed grain reserve in which farmers continue to own the grain but keep it off the market under the federal price-support program for up to three years or until prices go high enough to trigger the grain's release onto the free market.

**IN ADDITION**, White said Congress will be asked to approve a special international emergency food reserve held by the government to help meet U.S. foreign aid commitments. A metric ton is 2,205 pounds.

White also said farmers will have

higher price-support loans for 1977 feed grains. The corn loan rate was increased to \$2 from \$1.75 previously, with proportionately higher rates for other feed grains such as sorghum.

The acreage set aside plan for wheat, the first in five years, is contingent upon Congress giving final approval to new farm legislation and Carter signing it. The House and Senate still have to agree on a compromise farm bill before it is sent to Carter.

**ASKED IF CARTER** intends to sign the farm bill, White dodged the issue and added, "We'll just have to hold that one in judgment."

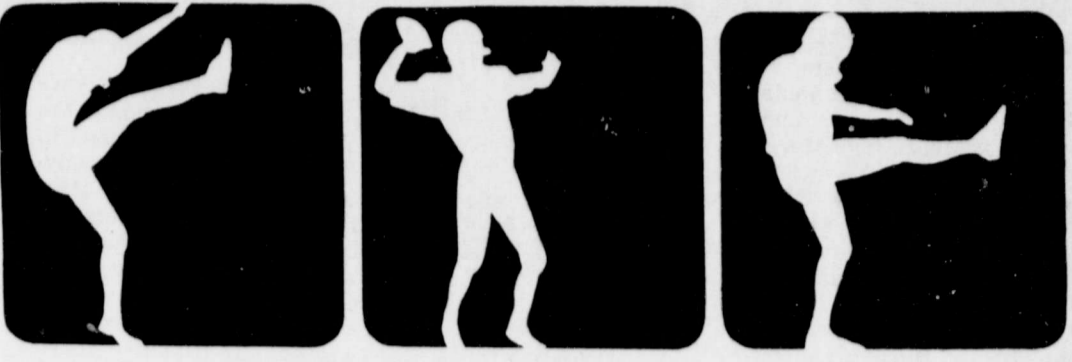

The Carter-approved plan for cutting wheat production is "an annual decision" and does not represent a clear trend in federal crop controls beyond next year, White said.

Howard Hjort, the department's director of economics who appeared with White, said the 20 per cent plan is expected to reduce 1978 wheat planted for harvest to about 63.5 million acres, against 74.4 million planted for this year's crop.

nares, all original singers with Glenn Miller. Having previously toured with "Oklahoma" and "The Music Man," The Young Americans, making a return appearance in Plainview, will this year present one of the all-time top Broadway musicals, "West Side Story."

For lovers of classical music, the Franz Liszt Orchestra's concert follows successful tours of major American and European cities. British pianists Rostal and Schaefer, whose concerts have included a command performance for the British royal family, likewise have gained an enviable reputation wherever they have appeared. In addition to classical compositions, the pianists will also show off their techniques for pop, Bacharach and even the Beatles.

# Miss Myers, Terry Wade Married In Lubbock

Mr. and Mrs. C.L. Mooney and Mrs. Olive Myers attended the six-o'clock wedding of Mrs. Myers' granddaughter, Miss J. Inna Myers of Lubbock to Terry M. Wade of Santa Fe, New Mexico Saturday, August 27.

The ceremony was performed in the Second Baptist Church in Lubbock, with the Rev. Dr. Hardy Celmons officiating. The bride's parents are Mr. and Mrs. Jackie Myers of Lubbock. Wade is the son of Mr. and Mrs. Joe Wade of Santa Fe. The bride was graduated

from West Texas State University in May as a graduate R.N.

After the wedding, Mrs. Myers and her children met in the home of Mr. and Mrs. Jimmy Myers of Shallowater for supper and fellowship. There were about 28 present.

The me last week on why I hadn't mentioned Elvis Presley's death in my column. To tell the truth I knew nothing to write that hadn't already been in print. I have several of his latest tapes...and had a few of his early recordings but will have to admit I purchased them for my son and where they are now I do not know. I understand the Sun Label records are quite valuable, but don't hold me to that. Elvis' untimely death was sad for us all...but watching him sing didn't do for me what it did to those in his era. Some of his songs I like very much...some bring tears to the eyes...and some I cannot bear. I didn't especially LIKE to see him sing. But then I like to hear Eddie Arnold sing, since he is so interested in performing with his hands. We all have our idols...and mine was Frank Sinatra during war time but you know, I can't stand to hear him sing now. I don't suppose he has lost his touch, we just get older and change. I remember a concert Sinatra gave in New York City one night when I was stationed there while in the Waves, a girl seated next to me fainted dead away (if that's the term

Mr. and Mrs. Lloyd Allen and Debra returned home recently from Farmington, New Mexico where they visited the Allen's other daughters. Mrs. Erick Johnson and family and Mrs. Van Lipps and family. The Allens were accompanied to Farmington by two grandchildren, Danny and Melissa Green, children of Mrs. Lipps. They had been in Floydada visiting. The Allens and the Lipps family went to Nevada on vacation during this time, touring the Grand Canyon and other scenic points.

#### FLOYD DATA

Mr. and Mrs. Henry Kelly of Paradise and Mr. and Mrs. Jessie Floyd of Fort Worth are in Floydada visiting relatives. Mrs. Kelly and Mrs. Holt are sisters of Mrs. Clarence Guffee and Mrs. C.W. Caruthers of Floydada.

#### Baptist Women

#### Hold Luncheon

A planning luncheon for Baptist Women was held in the home of Mrs. John Jenkins from 10 a.m. to 1 p.m. Monday Aug. 30. Co-hostess with Mrs. Jenkins was Mrs. Elvira Stewart, who is the president of Baptist Women. Plans were made for the Women's work for the year 1977-78.

Those in attendance were Mmes. Buck Kellison, Harmon Huddle, Neva Smith, Emma Thomas, Les Ferguson, Fred Fortenberry, Carrie Apple, Clay Nuncy, Hubert Frizzell, Charlie Atkins, Guy Sams, Elster McLeod, one guest, Mrs. Geraldine Wilhite of Plainview, and the hostesses.

#### FLOYD DATA

Mrs. J. Im Pufal and children, Patrick and Stephanie of El Paso spent last week in Floydada with her parents, Mr. and Mrs. J. ohnny Cates. The Cates took Mrs. Pufal and the children to Cloud Croft, New Mex., where they were joined there for the weekend by J. im Pufal. He and his family returned to El Paso from Cloud Croft.

#### California Reunion

#### Former Floyd County

Former residents of Floyd County gathered at Balboa Park in San Diego, Calif., Saturday, August 20 for an all-day reunion. The day was spent reminiscing and playing games and was climaxed by an old fashioned Floyd County picnic lunch.

Traveling the greatest distance from out-of-state were Lanell Shirey Wilkes of Medford, Oregon; and James Coyt Williams, Waco, Texas.

Mr. and Mrs. Frank Montague from Wastonsville, Calif. traveled farthest within the state.

Vida Womack, 85, mother of Virginia Womack Breit and Kate Ward, 82, mother of Sappho Ward Henderson, were the oldest in attendance.

Catherine Whitfill, 7, daughter of Mr. and Mrs. Al Whitfill of West Covina, Calif. was the youngest present.

Those enjoying the day were: Buck and Clara Bell Golightly Bishop, W.H. and Novella Taylor Jeter, Claud and Irene Wash, Virgil and Virginia Womack Breit, Vida Womack, Kate Ward, Sappho Henderson Ward, J.C. and Vieta Leckie, James and Margie Langley, Jimmy and Romona Langley, Mona Blackmon Rainer, Gordon and Inogene Roy Gray, Dr. and Mrs. J. ohn Robuck all of San Diego. Opal Nelson Higgins, and Lyall and Laura Jeter Kitson, La Mesa; J. T. and Rita

#### New Girl Scout

#### Troops Being Organized

The weeks of August 29 and September 5 have been set aside for organization of new Girl Scout troops in the 18-county area of Caprock County Scout Council. Invitations to join Girl Scouts are to be issued to girls, second through twelfth grades, according to Mrs. Randy Bertrand, Troop organizer.

This fall, Girl Scouts will implement a new focus for their program. "New Worlds to Explore" will expand the current program to include five worlds-of-people, today and tomorrow, well being, the arts, and the out-of-doors.

These publications update and contain insignia activities for Brownie Girl Scout youngest of the age levels. Brownie Scouts will have their own insignia sashes beginning in Cadette and Senior Girl Scout program will appear at a later date.

All Scouts welcome girls of all ages without regard to race, creed or national origin. The \$2.00 registration fee carries accident insurance for participants. Weekly dues range from five

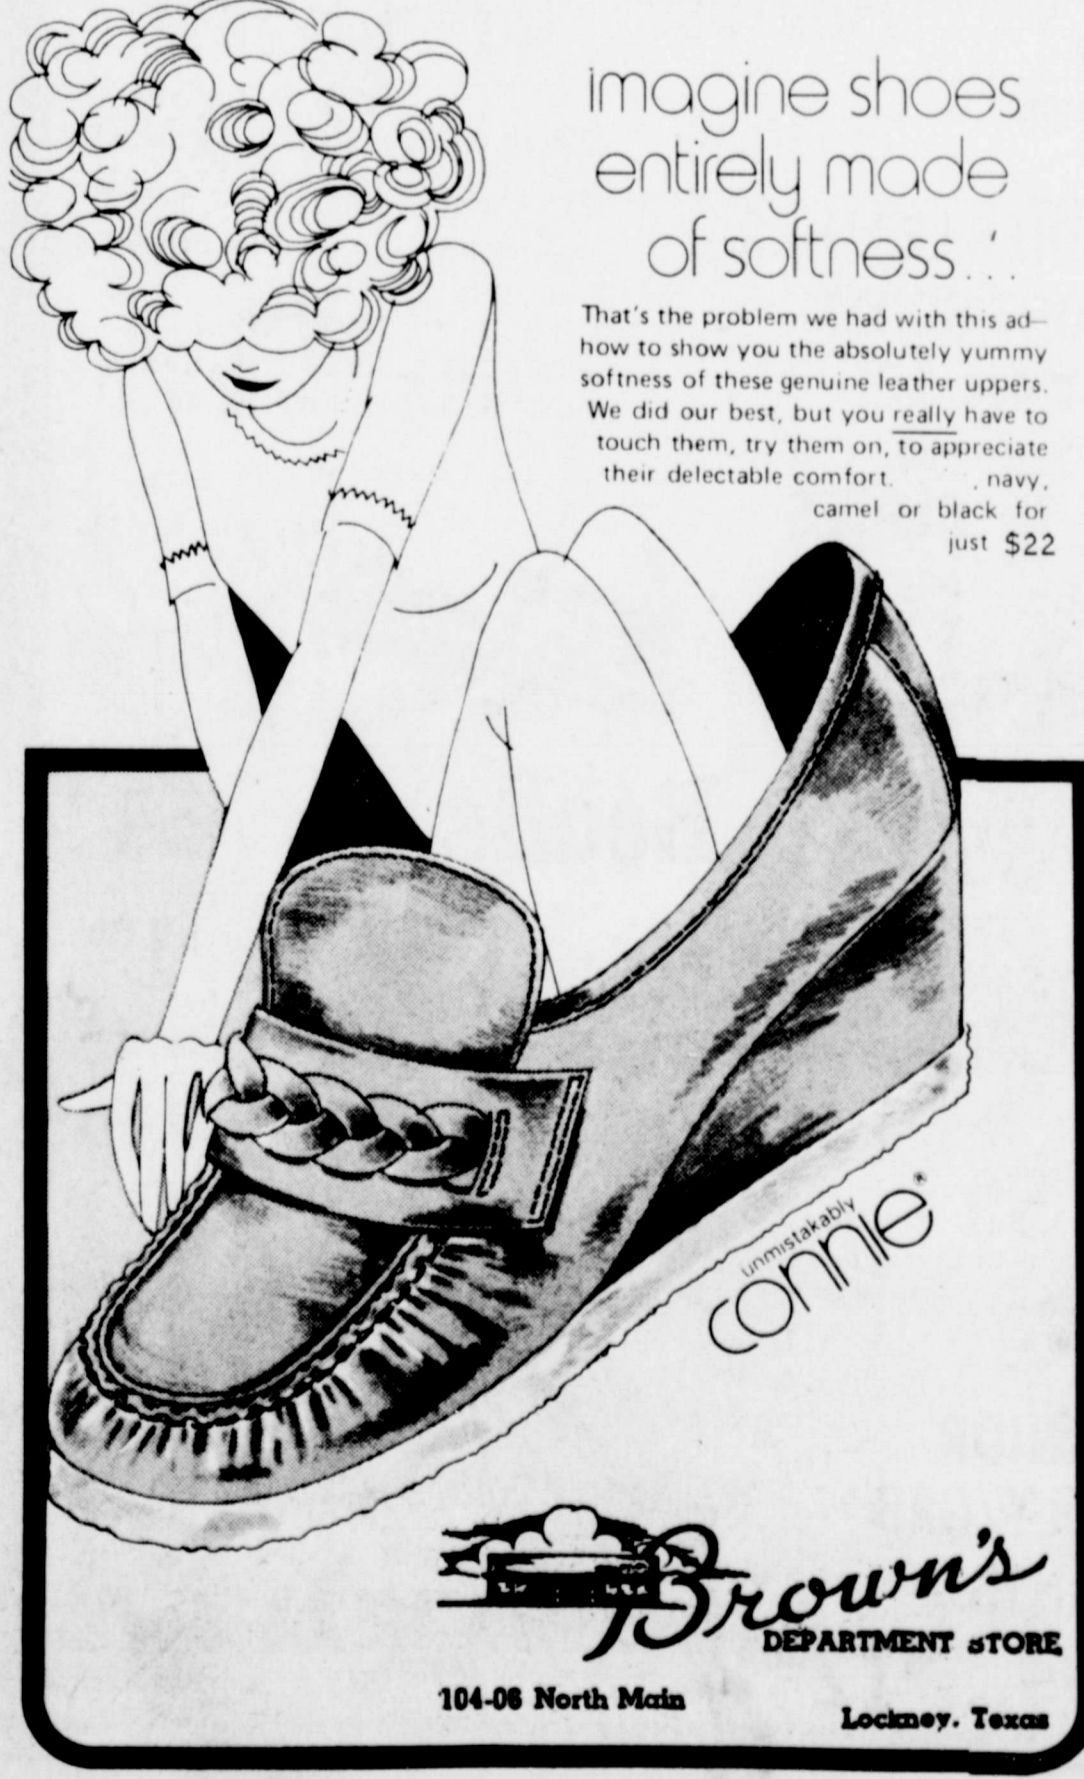

#### FLOYDDATA

Mr. and Mrs. Leon Barham of Tulia were weekend guests of Mrs. W.J. Wilks. Mr. Barham, accompanied by his wife, Mrs. Wilks and Miss Mary Pearl Cowand were in Cone Sunday morning where he brought the morning worship. The Wilks home for lunch. They were joined there by Mrs. Wilks' son, Dennis and family and a friend, Pam Washington all of Tulia.

**No Postal Service Labor Day**

There will be no postal service at Floydada Post Office, Monday, September 5th enabling postal workers to have a holiday. Postmaster Ed Wester said there will be no rural, city or box delivery Monday and the last dispatch for mail will be at 2:15 p.m. Sunday. Wester said USPS announced the operational plans for the Labor Day

holiday in order to allow as many postal employees and highway mail contractors as possible to observe the holiday. He said no highway Star Route contractor will run to any associate post office on Sept. 5, thus no mail will be coming into Floydada until Tuesday morning.

**Floydada Co-op Gin Annual Meeting Tuesday**

The fifth annual stockholders meeting of the Floydada Cooperative Gins Inc., is set for Tuesday, September 6, 1977 at 7:30 p.m. in the Massie Activity Center.

At the business meeting three

directors will be elected, dividends will be paid, there will be door prizes and refreshments.

Directors whose terms are up include: Jack Stansell, A.C. Pratt, and L.C. Pruitt.

**Raising Garage-Bake Sale**

At a joint meeting Monday by E.M.T. and Caprock Hospital Auxiliary it was decided to hold a garage and bake sale to secure funds for a heart monitoring machine for Caprock Hospital and needed equipment for their ambulance.

The garage and bake sale will be in

the former location of Spears Small Engines, next door to Stewart Cleaners on North Main, September 8, 9 and 10th from 8 until 5 p.m.

Anyone having items they wish to donate may take them to Caprock Hospital where the collection station will be located.

**AT ANNUAL MEETING**

**Farm Bureau Celebrates Bond Payment**

A bond-burning ceremony highlighted the Floyd County Farm Bureau annual meeting Friday night in Lockney Elementary School Cafeteria.

Charter board member Albert Sheele, past presidents Robert Lee Smith, Buddy Brandes, Kenneth Broseh, Lee Burton, A.C. Pratt, Neil Bertrand, Bill Race and Paul Schacht, and current president Eddie Teeter participated in the ceremony, marking payment of the county Farm Bureau building bonds ten years ahead of schedule.

Before the ceremony, Teeter reviewed some of the history of the organization. The Floyd County Farm Bureau was chartered March 7, 1951 with 13 members. On November 28, 1967 the board of directors let the contract to build the \$17,519.27 new building. The board voted to sell 20-year bonds at seven percent interest. Open house for the building was February 14, 1968. The first bond was paid in July 1970; the last, in August 1977.

Teeter mentioned "a few special people" prior to the bond-burning ceremony, including charter board members H.E. Frizzell, Harmon Handley, Verner Hodel, W.E. Sims, Chester Carthel, Harry Morekel and Scheele. Other past presidents of the organization were Ben Quebe, Helmut Quebe, Chester Carthel and Lloyd Turner.

**DIRECTORS ELECTED**

New directors elected at the meeting were Delton Jack, Dan Smith and Laron Fulton. They will replace Eddie Teeter, Kenneth Holt and Turner Hunter, respectively. Wayne Bramlet, chairman of the nominating committee, conducted the election of directors. Other directors are Omar Burleson, Kenneth Pitts, Billy Don Colston, Roy Kidd, Travis Jones and D.K. Jackson.

Omar Burleson gave the membership report, stating that the county Farm Bureau has gained in membership each year since 1972, when there were 642 members. Membership as of October 31, 1976 was 850; current membership is 854.

**STATE DELEGATES**

Delegates nominated Friday night to attend the state Farm Bureau convention in Houston November 27-30 were Paul Schacht, Mr. and Mrs. Buddy Brandes, Mr. and Mrs. Larry Noland, Mr. and Mrs. Albert Scheele and Mr. and Mrs. Warren Mitchell.

**INSURANCE REPORT**

David Cates, insurance agency manager, reported that there is over \$10 million in Farm Bureau life insurance in force in the county. Cates introduced career agents James Race and Jerry Bullock and recognized office secretary Helen Bertrand.

**PRESIDENT'S REPORT**

Teeter told what the board of

directors used membership money to do in the past year. In December, the board decided to promote the cotton referendum election, which passed.

In January, Floyd County was honored to have Omar Burleson appointed to serve on the seven-member Texas Cotton Commodity Advisory Committee.

In February, Floyd County Farm Bureau co-sponsored the junior livestock show banquet.

In the spring, Floyd County Farm Bureau participated in a national affairs conference; Paul Schacht and Rainey Davis went to Washington, D.C.

In March, the county was represented at the state commodity conference in Austin; Burleson, Teeter and Warren Mitchell attended.

In May, the board of directors added tillage tools to tires and batteries already sold by Farm Bureau sales outlets in the county. The Farm Bureau helped sponsor the barbecue dinner at the county Old Settlers celebration.

In July, four Floyd County students attended the Farm Bureau Citizenship Seminar in Waco.

The board of directors selected four young men to apply for Outstanding Young Farmer recognition (three have applied).

Teeter reported that sales by the two Farm Bureau dealers in the county, Jackson Tire Company in Lockney and Nichols Oil Company in Floydada, are up this year by about \$12,000 over the 1976.

**FINANCIAL STATEMENT**

Kenneth Pitts read the financial statement and minutes of the last meeting.

Seminar students Diane Saenz and Anna Araujo of Lockney, and Sheldon Sue and Jim Finley of Floydada told about their trip to Waco.

Director Billy Don Colston gave the welcome to the meeting. Colston traced the progress of the Floyd County Farm Bureau from a "cubby hole" for offices to the present modern office building, and from 54 members when his father was on the board of directors in the fifties to the more than 800 members now. He thanked Ann Race for playing dinner music for the event, Mrs. Billie Whitlock and the cafeteria workers for preparing the meal, and elementary school principal Weldon Dodson for use of the building. According to Colston, Farm Bureau lobbyists in the 65th legislature this year in Austin had 75 victories and 11 defeats, a success average of 87.2 percent.

The meeting was attended by Bill Hoover from the state Farm Bureau Office and S.M. True, district FB director.

Brian Smith won the door prize, a set of Safemark tires valued at \$120.

**RESOLUTIONS**

A.C. Pratt, chairman of the resolutions and policy development committee chairman, presented state and national resolutions proposed by the committee, and called for resolutions from the floor.

Resolutions adopted by the Floyd County Farm Bureau for consideration at the state convention were as follows:

**STATE:**  
1. We recommend that Texas Farm Bureau strongly oppose the imposition of a Texas state income tax.

**STATE AND NATIONAL:**  
1. We recommend that Texas Farm Bureau and the American Farm Bureau Federation oppose any interstate and intrastate regulation of all energy sources.

2. We recommend that Texas Farm Bureau consider support of W.L.F.E. since Farm Bureau does not have women involved in significant ways in the state organization.

3. We recommend that government loans be made available to all farmers regardless of whether their grain is stored in country or terminal elevators.

**NATIONAL:**  
1. We recommend repeal of OSHA (Occupational Safety and Health Administration) and EPA (Environmental Protection Agency).

2. We recommend continued opposition to the CPA (Consumer Protection Agency).

3. We recommend strong opposition to the ratification of the Panama Canal Zone Treaty.

4. We recommend that the United States of America retain control and ownership of the Panama Canal Zone.

5. We recommend the United States Department of Agriculture to continue paying for the grading and classing of cotton.

6. We recommend the abolishment of HEW (Health, Education, and Welfare).

7. We re-affirm man's right to worship God in private, public, and in school rooms as stated in the 1977 State and National Policy Book of the Texas Farm Bureau.

8. We recommend the rights of law abiding citizens be protected over those of criminals.

9. We recommend educational programs for consumers in order to show problems of farmers.

10. We recommend that the United States Department of Agriculture address itself to the economic status of farmers in news releases as well as to effects upon consumers.

11. We recommend abolition of the proposed Presidential energy policy as we believe that a freely operating market system is the best energy policy.

As if a pair of prospective newlyweds doesn't have enough to worry about, now they must pay more for a marriage license. The new cost for the piece of paper obtained at the county clerk's office is \$7.50, an increase of \$2.50. The soon-to-be-hitched couple can thank Senate Bill 184, passed by the legislature and signed by Gov. Dolph Briscoe May 28, for the price hike. Twelve years ago, on Aug. 31, 1965, the price of a marriage license was raised from \$3.25 to \$5.

## OBITUARIES

### J. D. Welborn

Services for James Dennis Welborn, 72 year old Floydada resident, were conducted Monday, August 29th in the Bible Baptist Church. Rev. Lloyd Hamilton, minister, officiated.

Welborn died August 28th about 6 a.m. at the family home following a lengthy illness.

A native of Cookeville, he was born December 4, 1904 and was married to Ermon Kelsey in Sayre, Okla., on Feb. 6, 1932. The couple moved to Floyd County from Pampa in 1938 and lived for many years in the Center Community where he farmed, before moving into Floydada where he was employed at Consumers Fuel until retiring.

Survivors include his wife; two sons, Bobby of Floydada and James David of Hurst; three daughters, Eunice Lewis and Joann Gooch of Floydada and Donna Booth of Lubbock; two brothers, Pat Welborn of Silver City, New Mex., and Howard Welborn of Oklahoma City; two sisters, Mrs. Ella Davis of Mount Pleasant and Mrs. Dovie Bohannon of Renconia, New Mex.; and nine grandchildren.

Interment was in Floydada Cemetery under the direction of Moore-Rose Funeral Home. Pallbearers were Jimmy Dunn, Travis Lightfoot, Alvie Jackson, Jimmy Vickers, Fay Gooch and Max Harrison.

the Rev. Bob Wright, pastor of the Lockney First Assembly of God Church.

Burial was in Lockney Cemetery under direction of Moore-Rose Funeral Home of Lockney.

Durham died Tuesday morning after a lengthy illness. He was a resident of Lockney Care Center.

Durham was born August 26, 1910 in Jacksboro and moved to Lockney in 1918.

He is survived by two sons, Jimmy Durham, both of Lockney; two brothers, Clyde Durham of Leesburg, Virginia and Leroy Durham of Lockney; and four grandsons.

### Mrs. Stinebaugh

Mrs. Woody P. Stinebaugh, 92, died at 10:15 p.m. Aug. 24 in a Lubbock convalescent home after a lengthy illness.

Services were Friday morning, Aug. 26 in Lemons Memorial Chapel with Bill Sweatmon of Greenlawn Church of Christ in Lubbock, officiating. Burial was in Plainview Memorial Park directed by Lemons Funeral Home.

Born Oct. 23, 1884 in Searcy, Ark., the former Nettie Elvira Adams moved to Farmington, Texas when she was nine years old and attended schools there. She moved to Stamford in 1906 and to Lockney in 1913.

Moving from Lockney to Plainview in 1955, Mrs. Stinebaugh lived here until moving to Lubbock in 1974.

She was married in Farmington to Mr. Stinebaugh who died Dec. 2, 1967 in Plainview. Mrs. Stinebaugh was a member of Ninth and Columbia Street Church of Christ.

Surviving are one daughter, Mrs. Valca (Opal) Thomas of Lubbock; a brother, Roy Adams of Dallas; and one granddaughter, Mrs. Bill (Betty) Roach of Lubbock.

# An important message to our customers.

The House of Representatives has just voted to raise the price of your electricity! And the Senate is looking at the same legislation. These bills are going to cost you plenty — nearly \$50,000,000 a year for the next ten years. That's almost half a billion dollars!

Who cares? Of course you care. And we care. That's the reason we want you to know what's happening in Washington.

Not only did the House vote to raise your electric bill, there's a strong chance you'll get less reliable service, too. The Government is trying to take over regulation of your electric company. That's right! A Washington bureaucrat will decide who gets electric power and how much instead of your state and local officials.

That means your electric company will lose control over how we operate our own power transmission lines and facilities. We might not be able to give you — our customers — first priority. The Federal Government could use some of the money you pay for your electric service to make your electric company build a transmission line for a government subsidized utility. You pay twice that way — in your electric bill and in your taxes. And you don't even get to use the line.

Let's not beat around the bush. The cost of doing business is going up. It costs you more for your electric service than it used to. But now when you pay your electric bill, you pay only what it costs to generate you, plus a controlled profit, so that we can keep updating our generation facilities and our technology to keep serving you better.

Well, if some Congressmen have their way, some people will pay less than their fair share of the electricity cost. Who will decide who gets the special rates? You can bet it won't be you. . . . or us. . . . or our state and local government. Who know our needs best.

It will be some government official in Washington!

There's a whole lot more bad news in this legislation that has passed the House and is now being considered in the Senate. It's all part of Senate Bill 1469, Part E. . . . Now for more bad news. . . . Senate Bill 1472.

That's a dandy. It's the one that takes you because some of your electricity is generated with natural gas. The gas users' tax is a case of the Government telling us to build coal-fired power plants faster than you can afford them.

It's as though the folks in Washington just woke up one day and decided there was an energy crisis and decided to try to right all the wrongs over night. The facts are that your electric company has been doing something about our diminishing natural gas reserves for more than six years. We haven't planned or constructed a gas-fired generation facility since 1971. And since that same time, we've been planning to use coal as our primary generation fuel. We've just completed and put into operation Harrington Station — a coal-fired generation plant near Amarillo.

But we need the opportunity to phase out the gas-fired facilities at a savings economical to you, our customers. New power plants cost money. . . . cost you money, because you are our only source of money. We have a program that makes it possible for us to stop using natural gas to make electricity by 1995 at the latest.

It's a program you can afford. It's a program that will help alleviate rising costs. Sure, you'll pay more for electricity in the future. You'll be paying more for everything, but under our plan you'll pay a lot less than you'll have to pay if Senate Bill 1472 passes. 1423,000,000 less between 1983 and 1990.

Why? Because Senate Bill 1472 says that even though we are building coal-fired power plants as fast as you can afford them, you're still going to be penalized by almost a half billion dollars. Just because some staff member in Congress thinks you should build them faster. And remember it is your money that builds these new plants.

The Good News in all this is that your Congressman voted against raising your electric bill, voted against giving you poor service. . . . but he was outvoted. Now what you can do is write your United States Senator (His name and address are printed below for your convenience) and tell him to vote against Part E in Senate Bill 1469 and against the gas users' tax in Senate Bill 1472. Why? BECAUSE YOU CAN'T AFFORD THESE BILLS. And that's a darn good reason. Let the people in Washington know that YOU CARE what they're doing with YOUR MONEY!

Thank you

FIREPLACES: FIRE PREVENTION IS PROTECTION  
Tempted to install your own fireplace? How about one of those new free-standing models to take the chill out of the family room? Watch out, advises Trudy Daly, a fire safety education expert. "It is not a job for a weekend handyman; those installations require skill and planning." Tragedy can result from the improper installation of free-standing fireplaces or the old-fashioned wood-burning stoves which are now on the market in large numbers. The best protection for homeowners is prevention, says Mrs. Daly of the Hartford Insurance Group—a quality product and

**DOVE HUNTING HOURS INCREASED**

LUBBOCK—All-day shooting for mourning doves has been approved by the Texas Parks and Wildlife Department with the season running from Sept. 1, 1977-Oct. 31, 1977.

The daily bag limit of 10 birds and a possession limit of 20 birds is the same as last year and should furnish hunters with plenty of chances to bag the fast-flying dove with shooting hours from 30 minutes before sunrise to sunset.

Most counties of north-west Texas are reporting good populations of doves with Andrews county in the southwest corner of the South Plains, Scurry and Mitchell counties in the

Southeast corner of the South Plains and Wheeler county in the eastern Panhandle reporting excellent populations of doves. Only Hale, Motley and Deaf Smith counties are reporting poor populations of birds for the coming season but, cool weather could affect all these areas.

The passage of cold fronts in late August and early September through Texas has as much effect on the local dove population as any one factor. An increase in the sunflower acreage in some counties should help to hold the birds a little longer than normal.

Sportsmen are reminded that only shotguns not larg-

er than 10 gauge plugged to hold no more than three shells in the magazine and chamber combined are legal. No rifles or pistols of any type are legal for dove hunting.

No hunting will be permitted in game refuges, state and federal parks, game reserves, or from any public road or road right-of-way. Citations issued by Texas game wardens in 1976 included many for shooting from the road.

Sportsmen are required by law to get permission to hunt from the landowner prior to the hunt. A violation of the landowner's property rights will only result in a possible citation and more

**The Floyd Philosopher**  
**Wants A List Of Superior Banks**  
**Interested In Making Bad Loans**

Editor's note: The Floyd Philosopher on his Johnson grass farm gets in pretty deep this week discussing finances.

Dear editor:

In examining the tangled financial affairs of Director Bert Lance of the Office of Budget and Management, one Washington expert complained about "sloppy country banking."

As I understand this, he means there's a difference between country banking and city banking, with the implication that city banking is superior.

What I want to know is where can I get hold of a list of some of those superior banks? For example, one of the biggest banks in Atlanta has just discontinued paying stockholders any dividends because it has lost too much money on bad loans. It's too late to get in on that, but if that Washington expert will let me in on the names of the other big city banks in the business of making bad loans, I'd like to get in line. All the country banks around here believe in making only good loans.

As I understand Mr. Lance's situation, he borrowed money from one city bank to buy

stock in another city bank, then when the first bank's note came due he borrowed from a third bank to meet that note. Washington experts try to make this sound complicated. Mr. Lance's problem is simple: he ran out of banks.

Now there are some people who're saying, when they learned that about everything Mr. Lance has is mortgaged to the hilt, that he shouldn't be in charge of managing the government's financial affairs when he's having so much trouble managing his own. This should not be put to a popular vote. He'd win hands down if he got the votes of everybody in America whose house, boat, both cars, lawnmower, television set, washing machine, dish washer, etc., are owed on.

I know a man who, fighting to pay his bills, sat down one day and figured up all the monthly payments he'd signed up for and discovered they came to more than his monthly income.

I don't know of any country bank interested in interviewing him for a job. He'd do better to apply to some superior city bank or, if that fails, try for a government job.

Yours faithfully,  
 J.A.

no-hunting or no-trespassing signs next year.

Sportsmen can help improve the relationship between the landowner and the hunter by being courteous, considerate, capable and

most of all, careful. These sportsmen will have an excellent chance at being invited back to hunt next year.

More information is available on dove hunting regulations and other P&WD rules

by contacting the nearest Texas game warden or P&WD personnel in your county. More details are available to sportsmen by calling Abilene 915-673-3333, Amarillo 806-355-9216 or Lubbock 806-744-0213.
