The rib-tickling program which followed the breakfast climaxed an enjoyable hour for chamber members, their employees and families. The welcome and prayer was voiced by Rev. James Smith, pastor of the First United Methodist Church. Breakfast music was presented by Sharron Huggins at the piano.

Gene Edler, president of the Floydada Chamber of Commerce, made award presentations to Kathy Green of the Multi-Purpose Service Center, and Darlyn Hambricht, president of the 1956 Jr. Study Club. The first place award of \$80 to Multi-Purpose Service Center was for the 900 hours put in by 45 volunteers, headed by the Center, in beautifying Forrest Lawn Cemetery. The second place award of \$20 was for

the work of club members put forth in beautifying an alley and a lot in Floydada. The beautification program and awards were sponsored by the Women's Division of the Chamber of Commerce. Troy Patton gave the plaques.

Chuck Barris (Anthony Whitfill) was emcee for the "Gong Show," and introduced "press-radio news commentator" "Rufus T. Firefly" (Art Ratzlaff) who presented comedy "news-bits" of Floydada citizens.

The ridiculously funny "Gong Show" was judged by Doris Drysdale, Helen Bertrand and Wendell Tooley. Few contestants got "gonged" however before their act was over due to the hilarity of its presentation.

First on the program was "Sonny and Cher" (Sunny and Ray McDonald) singing "Please Kind Sir" by P.D.Q. Bach. It was presented in the style of early-day Bach with the words changed by P.D.A. Sunny accompanied she and her husband on the autoharp. "Lavada from Floydada (LaVada Garrett) gave her rendition of a reducing commercial "Figurine," and then came "The Son of a Preacher Man" (Rick Son) with his sermon of "Little Bo Peep." "Granny, the Egg Juggler" (LeAnn Neeley) was the final contestant and luckily she forgot she had a few fresh eggs in her basket along with the hardboiled!!!

Kathy Burk, score keeper, presented prizes to the winners. Lavada received two box seats (a cardboard box in green and white) to the Floydada-Olton game; Sunny and Cher received two bus tickets to Muncy and Granny received a dirty sock from the emcee, who in turn received a surprise gift...a creamed pie...in the face. Terry Willson accompanied contestants with piano music. Program and breakfast chairman was Peggy Medley. Her committee included entertainment chairman, Louis Turner, assisted by Becky Burns, Dorothy Turner, Helen Bertrand, Kathy Burk, Johnny Harris, sponsor chairman, and chamber of commerce manager, Doug Frazier. The committee was also responsible for decorative signs and table arranging. Plate favors were from the gins and elevators sponsoring the breakfast which would not be possible each year without the generosity of local firms.

Winds Shatter Mustangs, 13-3

Doug Simpson says that the Whirlwinds defeated the Mustangs 13-3 Friday night.

field advantage and capture their second triumph of the season at Memorial Stadium in Olton, the scene of Floydada's 13-3 win. It was mistakes, such as turnovers, bad pitchouts, and a general lack of execution that worried football followers here for so long before this contest. And although a little of that could be

seen Friday night against the Mustangs, the Whirlwinds walked off the field after four quarters with a feeling of satisfaction coming from a "flawless" effort as far as turnovers and penalties, which plagued them so badly previously, were concerned. Floydada did not suffer from a single turnover. It was penalized only twice for a 20-yard total.

Winds caught one touchdown pass in the Olton game, and another from quarterback Todd Vickers. (Staff Photo)

But the biggest improvement that showed up on paper for the victors was neither of these. It was a vastly improved passing attack, with Todd Vickers, a familiar face on defense for so long, at the helm. Vickers overcame early first quarter jitters to wind up his rifle throwing arm nine times, with four completions, no interceptions, a touchdown, and the setting up of another.

Vickers wasn't hurting in throwing targets either. Kary Helms proved to be the leading receiver for the 'Winds, capturing two aeriels for a total of twenty-three yards and a touchdown. Still another factor that contributed to the success of the offensive unit included big plays defensively which continuously handed the offense excellent field position with which to operate.

The 'Winds initial scoring opportunity occurred in the second period, just moments after cornerback Jay Waller had pinned Mustang running back David Johnson behind the line of scrimmage for a four-yard loss, resulting in a punting situation for the Ponies.

Kary Helms fielded the kick on his 39 and returned it to his own 41 to set up first and ten for Floydada.

From there, the offense went to work, putting together a beautiful 60-yard scoring march that covered 13

Coach's Comments

After Friday night's convincing 13-3 victory over the Olton Mustangs, it was easy to detect the optimism in Coach L.G. Wilson's voice Saturday morning in an interview.

"We were naturally very pleased to win the ball game, and although we still have a few things to iron out, our kids gave a good effort, particularly when they came back and contained Olton in the second half.

Wilson was also very pleased with the success in his game plan of switching Rusty Cagle to halfback and substituting Todd Vickers at quarterback.

"Todd adapted to his game very well and this gives very good balance in the offensive backfield. Now, defenses will not be able to key on Larry Jones, since Cagle can take it to the other side. Offensively, Helms did an excellent job

 Most city councils have only the job of managing the city's affairs, but the Floydada council also has the job of managing the city power plant. When you total it all up in a year's budget, the council manages some \$1,203,165.00.

LOW TAXES
 Actually, the city receives only \$108,000 of its budget from city taxes. The electric power plant brings in over half of the city's income, \$582,600. The water, sewer and farm income amounts to \$339,575.

City Council Manages City And Electrical Services

Editor's Note: This feature is the fifth of a series about the most important boards of directors in this community and county. The series is intended to be highly informative about the responsibilities of each board its goals, achievements, and the individual opinions of each board or council member.

Other major incomes for the city's operations include: \$60,000 in sales taxes, \$38,924 in Federal revenue sharing money.

REVENUE SHARING MONEY
 The council has always maintained a policy of spending revenue sharing money on items that would be used for many years and of benefit for the entire community: fire hall, fire fighting vehicles, the orange dumpster type garbage collection system, improving the city hall are prime examples.

It should also be mentioned that the city has worked with the government in a total of \$200,000 worth of new residential area paving, and a park improvement program now in progress for the Annie Taylor and city parks. The city has also used revenue money in making utilities available for the new migrant farm labor housing and 16 furnished apartments soon to open.

COUNCILMEN
 Councilman Jerry Thompson has served five years. He is a local pharmacist, member of the First Baptist Church and active in many civic endeavors.

Councilman Leroy Burns has served on the council for four years. He is owner-partner in City Auto Inc. and has worked on many chamber of commerce committees and other community projects. He belongs to the Baptist church.

Carl Jarrett is serving his first year on the council. He was appointed to fill the unexpired term of Gary Carthel who moved to Hereford. Carl is an auto salesman for Reed Ford and Mercury Sales and a member of the Baptist church. He is a member of the Kiwanis club.

Johnny Bill Sue has served ten years on the council, is a Baptist and owner of Quality Body Shop.

for us and all of our ends (Beedy, Feuerbacher, Helms) did a fine job blocking, also.

What about the defense?
 "Our entire defensive unit did a tremendous job again," Coach Wilson remarked in closing.

FARM & RANCH NEWS

Farmers get sympathy, no promises

The U. S. Secretary missed his deadline for fielding questions on the production of farm products. The price of farm products is expected to make a profit in other industries. The farmers also emphasized their position with boos several times when Bergland was talking. During the meeting, which took on a testimonial aspect, farmers spelled out the miseries of a 500 per cent increase in the cost of farm equipment while wheat prices have dipped to 1940 levels. "I am not asking for myself, I am asking for my son," said Gerald McCathern of Hereford, a Texas farmer-rancher who broke into tears. "After this year, there will be no farm." "The farmer pays 51 per cent of the taxes in this country and buys 51 per cent of the merchandise," said George Whitman, from Colorado's Weld County. "I know how to carry water. I'll plant a garden and let those people die in the cities." Bergland, delayed by the explosive reception, did not leave the auditorium in time to keep a dinner date. He was scheduled to leave here last night to go to Kansas City and was to be in Wichita tomorrow. At that time, he will meet more farm protesters, including a large delegation scheduled to leave from American Agriculture headquarters established this week at Elkhart, Kan. Parked around the Memorial Hall were some of the tractors and other farm vehicles which had made the trip here, part of the time with a Colorado Highway Patrol escort. The vehicles bore signs. One of them said: "There was a grain embargo, then the beef boycott. It's our turn, now." "This is agriculture's profit," read the sign on a truckload of manure. Earlier yesterday, a picnic atmosphere overlaid the dead serious intent of the farmers, some of whom had travelled hundreds of miles to support the movement which is "taking on like a prairie fire" across the western wheat belt of the nation. The description comes from R. J. "Bob" French of Boise City, Okla., pioneer oil lease broker and farm owner in Cimarron County. French did not make the trip but said 25 or 30 farmers from the county had gone to Pueblo to lend support to the movement, which he says has also won the endorsement of many merchants in towns such as Boise City. Farmers, traditionally conservative

and reluctant to join mass movements, have decided they'll have to hang together or hang separately. French said, "Price is running people off the farms," he said, "and farmers involved in the movement have decided it would be cheaper to let the land stay idle than to pour money into more crops to sell at less than the price of production." French doubts whether a year's production holiday would result in a wave of foreclosures on farm property. "The collateral's good, and over the past 40 or 50 years there have not been many foreclosures around here," he said. Meanwhile, at Waco, officials of the Texas Farmers Union issued a statement applauding efforts of out-of-state groups joining the protest movements. "We are further encouraging all farmers to get involved in some phase of direct action," said Jay Naman, president of TFU. "We welcome efforts of any group of farmers or farm wives seeking 100 per cent of parity," Naman said. Members of the group from the Texas Panhandle attending the Pueblo protest meeting were active in a protest several weeks ago (the mailing of boxes of wheat to President Carter) which was organized by local Farmers Union leaders, including Mrs. Sheridan Harnly of Pampa. Earlier this week, both Naman and Carroll Chaloupka of Dalhart, president of the Texas Farm Bureau, said

neither organization had experienced any loss of membership because of the militant program of the American Agriculture organization. At that time, Chaloupka expressed hopes that prices of some of the things farmers must buy will come down when it becomes apparent they can't buy at present prices. He also said that not all provisions of the farm bill have been spelled out, and said provisions of the bill may turn out to include payments sufficient to keep the farmer in business, although not at the scale to which he has become accustomed. The "wait and see" position, however, had no audible takers among the hundreds of farmers, some of them accompanied by their families, who ate sack lunches at the fairgrounds at Rocky Ford before rolling on to Pueblo to meet Bergland. According to an Associated Press story, Beryl Tate, 47, a wheat farmer from Walsh in southeast Colorado, said farmers are not worried about bank foreclosures. "The bank can finance us for a year of just living cheaper than they can with us farming," said Tate. Lawrence Bitner of Springfield, one of the leaders of the movement, pointed out a major difficulty for organizers. "It's getting farm people to accept that word, 'strike.' They've never believed in it. But it's time we took control of our lives," he said.

They will be accompanied to the conference by Mr. and Mrs. Kenneth Brosech, and Sharon Hillis, county extension agent. Their trip is being sponsored by the Texas Poultry Association. Mrs. Michael Edward King

Miss Kay Beth Terrell, Michael Edward King Wed

Wedding promises were spoken September 24th in First Baptist Church of Lockney by Miss Kay Beth Terrell and Michael Edward King, both of Irving, Rev. Randy Marsh, pastor of the First Baptist Church in Earlsboro, Oklahoma, directed the double ring ceremony.

Parents of the newlyweds are Mr. and Mrs. B.J. Terrell of Lockney and Mr. and Mrs. Lonnie E. King of Irving.

Nuptial setting for the 3 o'clock wedding was a brass candelabra flanked by cathedral candelabras covered with tropical foliage, tied with yellow satin and held by white wedding tapers.

The nuptial area was centered by the unity candle.

Ken Watson of Lockney, the bride's brother-in-law, was organist for the ceremony, and he accompanied Mr. and Mrs. David Kirk of Dallas in "God, A Woman and A Man." Mrs. Lavonia Vaughn of Petersburg, the bride's aunt, accompanied Rev. Marsh at the piano in "If" and Mrs. and Mrs. Kirk in "Wedding Song."

Given in marriage by her father, the former Miss Terrell chose a formal length gown of satin overlaid with silk organza. The dress, fashioned by the bride's mother, featured a scoop neckline with a lace-trimmed wedding band collar and

sheer bell-shaped sleeves that ended at the wrist in a cuff with pearl button closures. The bride's skirt was accented by a crescent waistline and fullness that shirred to the back, creating her chapel length train.

Chantilly lace accented the hemline and train. A Camelot cap held the veil of tiered illusion which was edged in Chantilly lace. The veil, also designed by the bride's mother, was recently worn by the bride's sister, Mrs. Jimmy Glenn, in her wedding.

An Edwardian arrangement of yellow roses and white daisies softened with gypsophila and lace streamers was carried by the bride. Following the tradition of "something old," the original wedding bands of the bride and groom's mothers were tied with the bouquet. "Something new" was the dress, "something borrow-

Senior Citizens Attend Creative Living Workshop

On Tuesday, September 20, ten members of the Floydada Senior Citizens went to Levelland to attend an Older Texan Workshop for Creative Living held at the South Plains College. The main topics discussed were **Your Mind and You, Your Body and You, and Your Hands and You.**

This was a very informative and challenging program which urged the Senior Citizens to keep thinking positively, exercising daily, and working every day.

Some thoughts brought back senility can be prevented by one's own attitude. We may be exempt from senility but none are exempt from getting older.

Activity is essential for survival having a reason for living. Find a vocation and

work at it, find something to do and do it. We must define "who we are" for ourselves, don't let others tell us who we are. We must be able to catalog information so it can be recalled. Wisdom comes from experience. Take courage and face life. To keep lively, be lively. Get involved. Keep physically fit, stay busy.

Those who attended this workshop feel that we had a day well spent, a very profitable day.

Those attending were Menard Field, president; Mrs. Menard Field; Mrs. Edna Phillip, Mrs. Edna Hunter, Mrs. Mary Wilson, Mrs. Mabel Epperson, Mrs. Ethel Warren, Mrs. Carl Plumlee, Mrs. Inez Barton and Mary Pearl Coward.

Serving at the bride's table were Miss Sissie King and Mrs. Jack Rogers, sisters of the groom, both of Irving; Miss Marty Ely of Oklahoma City; Mrs. Steve Patridge of Plainview; and Mrs. Dan Smith, and Mrs. Martin Stoerner, both of Lockney.

Parents of the groom hosted the rehearsal dinner Friday night in fellowship hall of the First Baptist Church. Mrs. Tom Marr was in charge of the dinner, assisted by Mrs. Glenn Cooper. Guests were members of the wedding party.

After a trip to Colorado, the couple will make their home in Irving.

The bride was a December graduate of Oklahoma Baptist University and is presently employed as executive secretary at Fisk Telephone Systems, Inc. in Dallas. The groom is a graduate of Mountain View Jr. College and plans to enter Dallas Baptist College in the spring. He is presently employed as a warehouseman at Firestone Tire and Rubber Company in Dallas.

Members of the reception house party were, Mrs. Thomas Marr, Mrs. Tom Duvall, Mrs. Harold Brock, Mrs. Dub Mercer, Mrs. Glenn Cook, Mrs. Larnce McCain, Mrs. Gene Owens, Mrs. Max Smith, and Mrs. Fred Fine of Dallas.

plays and consumed 4:55 on the scoreboard clock.

The drive was mostly a ground based attack with Larry Jones carrying six times for 36 yards and two big first downs in Olton territory. Rusty Cagle also carried twice for 12 yards on the drive from his halfback position.

But the very biggest play that occurred was the touchdown itself. Facing fourth and goal from the five, Vickers took the snap, rolled to his right and spotted Helms in the far right corner of the end zone, who made a tip-toe catch for the score that snapped a 0-0 deadlock and vaulted the Whirlwinds into the lead, 6-0.

The hosts took the ensuing kickoff and made exactly 1 net yard in three offensive plays and were forced to punt. Floydada fielded the kick on the 33.

The offense stepped in and for a while, it appeared as if another scoring drive was in the making. Floydada marched from their own 33, using pass receptions by Cagle and Jones, accounting for 15 and 25 yards, respectively to the Olton 18-yard line.

But the following play could later have been a very disastrous one indeed. Jones bobbled a bad pitchout from Vickers, retreated back to the 35, and finally fell on it there for a 17-yard loss and eventual loss of possession on an unsuccessful attempt for the first

down on a 4th and 32 situation a play later.

Olton took over and marched into Whirlwind territory on a pair of rushing plays. An offensive holding penalty moved the ball back to the 46, but on the next play, quarterback Brad Alcorn hit wide receiver Mike Landrum for a 41-yard pass gain, setting up a 29-yard field goal by Alcorn himself on the last play of the half. The score at intermission was 6-3.

In the third stanza, Floydada began its second scoring threat by recovering a fumble by Alcorn on the opening series of the second half. Jones pounced on the loose ball at the 40, where the 'Winds began first and ten. From that point, the visitors put together a 40-yard drive covering just eight plays. The long gainer was an 18-yard toss from Vickers to Helms, setting up a first at the 18.

Larry Jones got the touchdown on an 11-yard burst over the right side with 6:17 to play in the period. Junior Cuevas kicked the only PAT the Whirlwinds have been able to make all season, making it 13-3.

Olton never threatened again throughout the remainder of the contest, as the Floydada defense came up with the big play each time. The Ponies fumbled three times and were intercepted once by Vickers to thwart a mounting drive by Olton.

The Whirlwinds were close to paydirt again when the game closed.

A few big names on defense included Bryan Fortenberry, Bill Starkey, Ricky Luna, Greg Jones, Waller, Vickers, Larry Jones, and Jimmy Jackson.

HALFTIME
As both teams departed for their respective locker rooms, the Floydada High School band entertained the crowd with a performance very similar to that of last week's home game with Post.

The usual fanfare by MacBeth was followed by a two-step drill to Glory Road and a rectangle drill to the playing of "Country Medley."

Next, the band and twirlers delighted the fans with the featuring of the trumpet section and the all-time favorite "Rock Around The Clock."

This was followed with the usual salute to the Whirlwinds, the fanfare and fight song.

JV Whirlwinds Crush Levelland

Mac Collins rolled up four touchdowns rushing to trigger an incredible 41-point first half performance and convincing 55-0 victory over the Levelland sophomores in a contest played Thursday at Wester Field.

The win improved the Whirlwinds' season record to 2-1 and was achieved mainly through a tremendous rushing yardage output. Floydada accumulated 334 yards, coupled with an outstanding defensive effort that completely shut down the Lobo attack, allowing just 80 total yards and four first downs by the punchless Levelland offense.

Floydada gained 336 yards total offense, 32 via the airways. Junior Arredondo led the pack as game's leading ground gainer with 129 yards in just 12 carries. Defensively, Danny Cedil-

punched across into paydirt, this time on a six-yard run. Joey Luna kicked the point after to make the score 21-0.

Arredondo was able to finalize first period scoring action minutes later with a 36-yard outburst good for still another six pointer. This time, Luna's PAT failed and the score remained 27-0.

In the second stanza, Ray Toney started the scoring off with a 3-yard plunge for the TD, followed by Luna's successful conversion boot for a seemingly insurmountable 34-0 advantage.

But the 'Winds were not finished for the first half alone as Collins recorded his third touchdown of the evening with a two-yard run from scrimmage. Luna once again was successful on the point after, and as the two clubs departed for their respective dressing rooms the score stood at 41-0, in favor of Floydada.

Although the Lobo defense stiffened in the third quarter of action and prevented the hosts from cashing in on any scoring opportunities, Floydada rebounded in the final stanza for a pair of TDs, a 14-yard dash by Collins and an 11-yard scamper by Toney. Luna added both PATs.

Freshmen Lose To Plainview

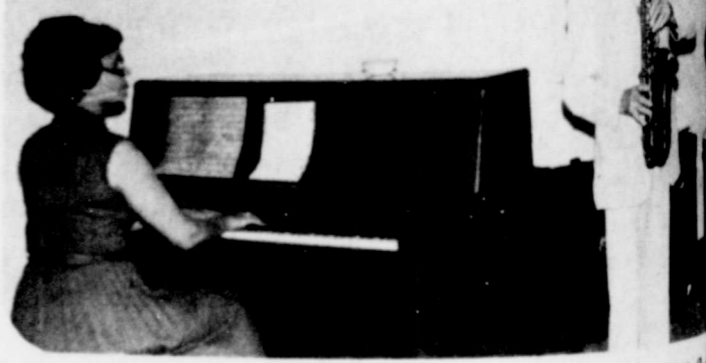

The Plainview Bulldogs used a pair of first half touchdowns keyed by big plays on the part of the specialty teams to defeat the Freshman Whirlwinds, in a contest played Thursday in Plainview, by the score of 20-8.

The loss left Floydada with a season ledger of 1-2, and was the second in succession for coach Mike Coe-anougher's troops.

The 'Dogs opened scoring in the first period of action, on a remarkable 40-yard punt return, followed by a three-yard x sweep for the extra two and an 8-0 lead.

In the second quarter, Plainview increased its advantage with a successful punt fake and ensuing 35 yard TD scamper. The PAT failed, and the score at intermission stood at 14-0.

In the third stanza, Plainview was able to punch across one more time, this time on an off tackle play, good for six more points and a comfortable 20-0 lead.
