FLOYDADA, FLOYD COUNTY, TEXAS 79235

Junior Cuevas continued to be successful in the discus throw, as the junior 1-year letterman outdistanced competitors for a third place finish at 121 feet 10 and 1/2 inches.

A near nose - to - nose finish in the shuttle hurdle relay found the Whirlwind foursome in front of Tulia by a second and two tenths. FHS crossed the tape with a 45.1 clocking.

The 440-yard relay team consisting of Tracy Womack, Day, Greg Jones, and Arredondo matched its previous finish of 3rd place in the Frenship meet by notching third at a time of 45.3.

The sprint medley relay team achieved second place with a 3:49.8 clocking, as Robby Thrasher captured 3rd place in the mile run with a 5:00.5

The 2-mile relay foursome from FHS rounded out the scoring by taking second place at a clocking of 8:52.6.

FHS also entered participants in the A division of the meet, the junior varsity squad.

The JV 'Winds collected 221/4 points and finished in 10th place among 13 teams competing.

Amont the standouts for the Whirlwinds were Mac Collins, whose 43 feet, 1/2-inch throw achieved third place in the shot put, and Keith Nixon, who captured third place also in the discus event, with a 123 feet, 8-inch effort.

History **Fever** Strikes!

(by the project committee)

It has finally happened! Floyd County residents have caught this committee's enthusiasm for the county history

This week nearly everyone didn't want to be excluded from this once-ina-lifetime history

Yes, you can still get your family's history accepted into the book. The deadline passed Wednesday, but for those of you who are really serious about writing your history, you can take a few more days and do the job

Please let the project committee know that you are sending in your history in the next few days. Call the museum at Floydada or Virginia Taylor (652-2131) in Lockney.

The special pages-memorial, tribute and business history-can still be purchased. Mrs. Pat Frizzell of Lockney is in charge of memorials and tributes, and Mrs. Don Marble is in charge of the business section. They will be glad to assist you.

And as for ordering the books, yes, that can still be done. The original price of \$24.50 plus tax will be in effect for several more weeks. Orders may be sent to the museum.

Remember that family histories may be accompanied by pictures, and of course pictures may be used on the business, memorial and tribute pages.

You will be surprised at how much pleasure you will get from sitting down to gather the facts and write your family's history. And then it will be recorded in a place for all your descendents to easily read.

And you will find that it has been fun to recall the times of yesteryear. Thanks for your response...and keep it coming!

A BANK RECEIVED the following brief note with a final payment on an auto contract: "Dear sirs: This should make us even. Sincerely, but no longer

Day Care Center **Easter Party Today**

All Floyd County Day Care Center children are invited to an Easter Party

at the center today at 2 p.m. Previously the party was announced to be on Friday, but since many will be leaving town then, the party was moved up a day.

MILE-RELAY SPRINTERS....Marty Daniel is pictured handing off to next leg of the mile-relay Ricky Day in Whirlwind Relays. (Staff Photo)

Tom Simmons Injured In Transformer Blow-up

A dry transformer blew-up in the face of Tom Simmons, superintendent of electrical distribution, about 3 p.m. Monday sending him to St. Anthony's Hospital in Amarillo.

It was first thought that his eye sight might be damaged, but a Tuesday morning report indicated that his eyes were okay. He suffered third degree burns of his left arm and hand, second degree burns of the right arm, and third degree burns of his face.

It was reported that Tom will undergo plastic surgery on his left hand this week.

Electrical plant superintendent J.W. Cannon had just turned away from the transformer when it blew up. His face was slightly burned.

Simmons was rushed to Caprock Hospital for first aid treatment, then by ambulance to Amarillo. The ambulance broke down at Tulia, causing a 40 minute delay.

New Hours At Museum

New hours are being announced at the Floyd County Historical Museum. The museum will be open from 8:30 a.m. until noon and from 1 p.m. until 5 p.m. five days a week, Monday through Friday.

Floydada Churches Feature Holy Week

HOLY WEEK SCHEDULE FOR CATHOLIC CHURCH:

Thursday, March 23 - Holy Thursday - Mass of the Lord's Supper to commemorate the Gift of the Eucharist and Washing of the Feet, 8 p.m.,

Friday, March 24 -- Good Friday Services, 8 p.m., Floydada. Reading of the Passion of Our Lord Jesus Christ, Adoration of the Cross, and Commun-

Saturday, March 25 -- Holy Saturday Easter Vigil Service, 11 p.m., Lockney. Service of The Light, renewal of baptismal promises and blessing of

the water used for baptising.
Sunday, March 26 -- 10:30 a.m. Floydada. Mass of The Resurrection.

MAUNDAY THURSDAY

First Christian Church, March 23 7:30 p.m.

A Service of Holy Communion celebraty, the Last Supper of Jesus with his disciples in the Upper Room.

GOOD FRIDAY TENEBRAE

First United Methodist Church, March 24 - 7:30 p.m.

Tenebrae is the Latin word meaning "shadows", a service of candles in memory of the cruxifixion and darkness over the earth. During the 30 minute service the sanctuary is progressively darkened as each of seven candles is extinguished. A choir will present short musical numbers in support of the spoken parts representing Jesus and six others present at the trial and crucifixion.

SPRING MEETING

The City Park Church of Christ will be conducting their Spring Meet-

ing March 26-28. Local minister Tom Pauley will be conducting the preach-

Times for each service are as follows: Sunday March 26: Bible Class at 9:30 a.m., worship service at 10:30 a.m., evening service at 6 p.m.; Monday evening service at 7:30 p.m. and

Tuesday evening service at 7:30 p.m. Minister Pauley says, "we want to issue a special invitation to the community to come and share in a study of God's Word.

CHURCH OF THE NAZARENE

THE CALVARY ECHO SINGERS will be singing EASTER SUNDAY, 9:45 a.m., at the FLOYDADA CHURCH OF THE NAZARENE, 4th and Tennessee, Floydada, Texas, The Calvary Echo Singers are Bill and Mary Daffron of Lubbock, Texas and The Frank Taylor Family of Hobbs, New Mexico. These two families are very talented, and Mr. Taylor is an ordained minister in the Church of the Nazarene. He has served the Church in various capacities for the last 20 years.

This group loves the Lord and gives the Message of Jesus both in song and testimony. You will not want to miss hearing THE CALVARY ECHO SING-ERS on Easter Sunday, March 26, 1978, at the Church of the Nazarene. The Pastor, William E. Clark, cordially invites everyone to attend these serv-

SUNRISE EASTER SERVICE

Everyone is invited to an Easter Sunrise service at the roadside park in Blanco Canyon at 6:30 a.m. Sunday. The program will be sponsored by the Floydada Methodist Youth.

WHIRL Members Notch 2nd Place At ILPC

Floydada High School's student newspaper, the WHIRL, achieved respectable honors last weekend at the 51st annual Interscholastic League Press Conference (ILPC) on the campus of University of Texas at Austin.

The WHIRL captured the Award of Achievement, which is the second highest rating received by newspapers in the printed division of Class AA. Judi Bean, a junior on the advertising and reporting staff of the

WHIRL, notched the 2nd place medal for the continuous advertising category of AA competition during Friday night's individual achievement award assembly.

Other students who made the trip as ILPC delegates and attended sessions of their choice while visiting the U. T. campus included Shawnda Heflin, Tammy Gentry, Terry Willson, Doug Simpson, and sponsor Jane Bean.

Whitaker, Jones Pace 'Wind **Netters In Plainview Tourney**

By Doug Simpson

Whirlwind tennis players Bobby Whitaker and Zane Jones captured the doubles championship of the Plains Association tennis tournament last Saturday in Plainview by defeating a

pair of FHS netters in the finals.
Whitaker and Jones outlasted Monte Lyons and Bobby Green for the outright title and the victory climaxed a series of wins for the FHS team in the two-day tourney.

Lisa West and Valynda Chandler reached the finals in the girls doubles competition but were defeated by a pair of Nazareth netters and settled for second place. Jill Poage and Tracy Tyer, losers also to Nazareth in the semis, captured third.

The 'Winds also participated in the B division of the event, and freshman Julie Faulkenberry reached the semifinals in singles play before bowing. Esmo Gonzales was defeated in the quarterfinals of the same bracket, by the eventual singles champion, Sharon Gerber of Nazareth.

Tommy Myrick and Terry Jones of

Floydada reached the semis of the B boys doubles and junior high netters David Galvan and Sammy Rodriquez were defeated in the quarterfinals.

Stacy Graham and Treva Hambright were defeated in the quarterfinals of the B girls doubles. A number of Floydada tennis players

competed. The list includes (other than those previously mentioned) Connie Bradford, Kim Barnett, Greg Pruitt, Scott Graham, Gerry Norrell, Kenny Young - Sammy Bradley, Melody Stringer - Diana Medrano, and Tommy Holcomb.

Women's Division To Plan Spring Event

Floydada's Chamber of Commerce, Women's Division will meet at the First National Bank community room

on Monday, March 29th at 7 p.m. Plans will be made at this time for their annual spring supper and style show to be held at Duncan Cafetorium Monday, April 11.

Whirlwind Band Captures Sweepstakes Award

The Floydada High School marching band, under the direction of first year leader Rusty Sherman, captured the sweepstakes award in AA compet-

ition last Friday at Dimmitt. To achieve this honor, the Whirlwind band had to receive a first place rating

concert, and sight reading contests.

Only a limited number of bands from the entire area are able or capable of being selected for this honor by the

A picture of the entire FHS band will be featured in next Thursday's Hesperin all three events, including marching,

A county-wide crepe quisine buffet is slated for Tuesday, April 11 at Lighthouse Electric from 11:30 a.m. until 1:30 p.m. Tickets are now on sale from any Floyd County Home Demonstration member or at County Extension office for \$1.50 each. Denice Payne Chadwick Stan Payne Repeat Vows

Wedding vows were re-peated Saturday evening by Denice Chadwick and Stan Payne in the First Baptist Church in Floydada. Dr. Floyd C. Bradley, pastor, performed the marriage ceremony at 7:30 o'clock before basket arrangements of yellow daisies, yellow gladiolas and green palms. Arched candelabras with yellow tapers and a unity candle were also used.

Parents of the couple are Jackie Chadwick, Floydada, and Kelly Chadwick of Corpus Christi, Mrs. Coye Payne, Lockney, and the late Archie

Mrs. Janet Keller of Denton was maid of honor. Mrs. Stacy Loague of Del City, Okla., cousin of the bride, was matron of honor.

Joe Payne, Plainview, was his brother's best man. Royce Chadwick, brother of the bride, was groomsman and Neil Payne, also of Plainview and nephew of the groom, seated the

Gena Ford of Wolfforth and Kellene Dirickson of Apache, Okla., cousin of the bride, were candelighters. Diane Ford. Wolfforth, was the flower girl.

GIVEN IN marriage by her father, the bride wore a formal gown of knot chiffon fashioned with Victorian neckline and angel sleeves. Silk Venise lace motifs encrusted with pearls adorned the sleeves and bodice. The circular skirt of the gown extended into a chapel length train. A half cap enhanced with lace motifs and pearls held the bride's waltz-length mantilla of imported illusion. The mantilla was bordered with Venise lace that matched the lace of her gown. She carried a nosegay of vellow daisies and roses accented with baby's breath.

Since women buy over three-fourths of men's clothing, they must be familiar with a man's preferences, sizes, wardrobe needs and fashion interests, says Becky Culp, clothing specialist wit the Texas Agricultural Extension Service, The Texas A&M University System.

Attendants wore empire styled gowns with sheer Victorian sleeves finished with wide cuffs, and with high collar topping off a sheer rounded neckline. Maid of honor wore peach and matron of honor wore

yellow, and each carried a nosegay of white daisies and baby's breath interspersed with

A RECEPTION was held at the church. The bride's table was laid with a white tablecloth, handmade, that belongs to the bride's grandmother, Mrs. Joe Chadwick of Apache. Attendants' nosegays added to the decor of silver triple candelabra that centered the table. A silver punch service was used. A pot of ivy centered the groom's table where a silver coffee service was placed.

Assisting with serving were Mrs. Terry Johnson of Amarillo, Mrs. Frank Watson of Amarillo, Mrs. Steve Campbell of Uvalde, Mrs. Brent Sanders, Floydada, and Mrs. Bill Howard of Lockney.

The couple will establish residence in Plainview at 1308 Holliday Drive after March 25. Mrs. Stanley Payne is a graduate of Floydada High School and of Southwestern State University. She will be doing relief work as a registered pharmacist in this area. Her husband is owner of Stan's Barbers. He is a graduate of Lockney High School.

Whirlettes Place 6th In **Spur Meet**

By Doug Simpson Coach Linden Weese's Whirlette track squad placed 6th in the Division 11 category of the Spur Relays last Friday, collecting 40 total points and accumulating 5 total placings in the top three of three events.

Kim Curry set a new record for the shot put, breaking Abilene's Lela teammage Paula Ratliff 34-91/4 effort.

Ratliff also captured first place in the discus throw with a 100 feet, 5 and 3/4 inches performance. Curry achieved third place in the event with a throw of 97 feet, 1/2 inch.

Janie Guest became the third Whirlette to place in the top three with an 11.7 clocking for third place in the 80-yard hurdles.

Fourth, 5th, and 6th place results were not available at presstime. The Whirlettes will receive a rest over the spring break holiday and return to action on the 31st of March with the Tulia

INSTALL, FINANCE & GUARANTEE 'EM! By Mamie Wood

The Sunset School was built in 1895 and located two miles east of South Plains, the present location of the late L.T. Wood residence. It was a neat frame one room building, as the enrollment increased it was added on to two times. Some of the very first students were Roy Childress and Lee Pearson. The children came to school by hack, buggy, klondykes and when it snowed sometimes by sleds. Some lived near enough to walk, and some rode horses and burrows, I understand Murry Julian even rode a burrow. Frank Nix taught in the early days of Sunset School for \$30.00 per month. A few of the other teachers were: Mr. Ragle, Mrs. Hughes, Dave Hopper, Fannie Wilson, Mrs. Looney, Mr. Duck, Price Scott, Joe Weaver, Mrs. Joe Hanes, Hubert Oneal, Grayson D. Tate, Mrs. E.O. Nichols, Mr. White (who had no legs but did not let this handicap hinder him, for he later became tax assessor in Floyd County) Mr. Grubbs, Belva Solomon, Obed Baker, Mrs. Blanch Phegley, Mrs. Verna Snodgrass and Bessie Wood. I am sure there were more and not in the order as they

Sunset was noted for its ice cream socials. Syble (Covington) Teeple tells me she could remember those squeaking 15 or 20 ice cream freezers, while the children ran and played. The Community Christmas Trees were another high light of most every one I have contacted. The favorite lunch

even basketball. The good 3 act plays made an impression on many, also the challenging spelling bees, and debates. Several remember going to church at Sunset, the Bethel Baptist Church. Johnnie Wilson recalls in 1919 a big rain came and the draw west and south of Sunset was bank to bank. The teacher decided it unwise to cross, so all were housed in the Grisby Milton Sr., and Charlie Wilson home, some went home with Mrs. Verna as she lived north. A prank on Halloween was pulled on the teacher Mr. Ragle, who was living in the teacher-age just north of Sunset, the boys took the wheels from his buggy and put it on the Charlie Jarrett tells me he came here

in 1908 and at that time Sunset was still a one room school, his wife Grace (Pearson) parents came here in 1893 and Grace was born in 1894 in a dugout south of the Sunset School. Grace attended this school and later she and her sister Lula carried the mail from Della Plains to Curlew in 1911.

In 1926 a nice brick school was built 1 mile north of this location, where the Light House Electric Cooperative now has a substation. This school had eight rooms with the enrollment of 180 pupils. In two years this school was moved to the new location of South Plains and took the name of South Plains School.

Federal Crop Insurance is now available in 136 counties in the three state region.

Crops covered include cotton, corn, grain sorghum, wheat, peanuts, citrus, rice, and soybeans.

For cotton and grain sorghum in Cochran, Floyd, Gaines, and Yoakum Counties, sign up for participation in the 1978 program ends April 30. Details can be obtained from FCIC, 1205 Texas Avenue, Room 214, Lubbock, Texas 79401.

Airman Monte Covington Graduates

WICHITA FALLS, Tex. -An official at Sheppard AFB, Tex., has announced the graduation of Airman Monte D. Covington from the U.S. Air Force's aircraft maintenance specialist course conducted by the Air

Training Command. Airman Covington, son of Mr. and Mrs. Jack Covington of 125 J.B. Avenue,

Floydada, Tex., is now trained to maintain, repair and service aircraft currently in use by the Air Force, and will serve at Reese AFB, Tex. Completion of the course earned the individual credits towards an associate in applied science degree through the Community Col-

lege of the Air Force. The airman is a 1977 graduate of Floydada High School.

ACCIDENT CONTROL -The risk of having a particular accident can be measured by evaluating known hazards for their probability of causing an accident and the potential severity of likely damage or injury, points out the Texas Agricultural Extension Service.

SENIOR CITIZEN LUNCH-

The Senior Citizens met at the Center at 301 E. Georgia, Thursday, March 16. There were 47 regular members, 5 new members, and 15 guests present. Guests came from Lockney, Houston, and Floydada. We are glad to report we are growing in numbers with 20 new members since January!

Entertainment was furnished by a quartet composed of Art Ratzlaff, Wendell Tooley, Thomas Warren. and Tom Powell. Mr. and Mrs. Fay Hart sang for us and led the group in singing Amazing Grace.

After a bountiful meal, a business meeting was held. Plans were discussed for opening the Center for daily activities under the leadership of a Director.

After the business meetting many of the members and guests stayed to play

A Perfect Day Grandmother, on a winter's

Milked the cows, and fed them hay, Slopped the hogs, saddled the mule, And got the children off to

school; Did a washing, mopped the floors, Washed the windows, and did some chores; Cooked a dish of home-dried fruit.

Pressed her husband's Sunday suit; Swept the parlor, made the hed. Baked a dozen loaves of

bread; Split some firewood, and Thursday, March 23, 1978

lugged in Enough to fill the kitchen Cleaned the lamps and put in Stewed some apples she

thought would spoil;

Churned the butter, baked a Then exclaimed, "For heaven's sake, The calves have got out of the pen"

Went out and chased them in again; Gathered the eggs and locked the stable, Back to the house and set the table, Cooked a supper that was

Brought in by Mrs. S.J. Handley to be read at the Senior Citizen's Meeting.

The Floyd County Hesperian

Nanette Burk On Honor List

total of 608 students have been named to the dean's honor list at Abilene Christian University for the 1977 fall semester according to figures released by the ACU registrar's office.

Students qualify for the dean's honor list by enrolling in at least 12 semester hours and achieving a gradepoint-average of at least 3.45 on a 4.00 scale.

Fara Nanette Burk, daughter of Mr. and Mrs. Nervell Burk of Floydada, is

Mrs. Bertrand

If fuel costs are squeezing the profit out of your corn crop, plant

hecutte

Less Irrigation Cost — Lower Harvest Costs Because of Lower Moisture — Less Drying Cost

Pioneer brand 3780 can cut your costs to improve corn profits in four ways -

★ Less Irrigation Cost — 3780 needs less total water than commonly grown corns because it grows off fast. And because of its early water use, 3780 uses early-season rainfall more efficiently than other corns or crops.

★ Less Harvest & Hauling Cost — Fast drydown with good standability and ear retention lets 3780 dry in the field you harvest and haul less moisture from the field.

★ Less Dockage — Less water hauled from the field means less dockage or drying expense.

★ Lower Potential Weather and Insect Loss — Because of its rapid growth feature and fast drydown, 3780 is ready for harvest well ahead of commonly grown corns. Fewer days in the field mean less exposure to potential bad weather and late-season insect problems.

MORE NET INCOME PER ACRE

High Plains farmers have consistently found 3780 producing more net income per acre than competitive corns of later maturity . . . even though the green weight of later maturing corns may have been more.

With 3780, you don't take big cuts in yield like you might expect. In fact, in 96 tests under many conditions in the past four years, 3780 has averaged 7,817 pounds per acre. Few farmers will boast of a higher four-year-average, dry-corn yield than this.

Yields like you'd expect from corn with input costs similar to grain sorghum . . . that adds up to more net income per acre.

3780 - 96 High Plains tests - 4-year average - 7,817 lbs./A. Here's How 3780 Performed For 5 Area Farmers in 1977

Helmuth Quebe - Plainview Planting date: April 11 Harvest date: August 20 Results: 8,200 lbs./A. at 15.0% moisture; prewater plus three waterings; outyielded later maturing competitive corn by 600 lbs./A. His comment: "I like 3780 because of its early maturity."

Vernon Jackson - Stratford Planting time: April 7 Harvest date: August 5 Results: 8,680 lbs./A. at 16.5% moisture; watered 5 times. Popular competitive variety in same field planted earlier, received 1 additional watering, yielded less, and was harvested 12 days later at 24.5% moisture.

R. E. Lance - Hereford Planting date: April 20 Harvest date: September 25 Results: 6,500 lbs./A. at 19% moisture; watered 3 times. His comment: "3780 did as good as I thought it would."

SEEDS

J. L. Francis - Kress Planting date: June 2 Harvest date: October 20 watered 5 times.

Results: 8,590 lbs./A. at 19% moisture;

His comment: "3780 had a very good yield for

Don Ott - Dimmitt

Planting date: April 27

a fast maturing variety."

watered 5 times.

Harvest date: September 10

Results: 7,100 lbs./A. at 14% moisture; His comment: "My 3780 was planted after a hail and I was really satisfied with the results.

Cotton Farmer's Corn

3780 is an ideal companion crop for cotton because of its unusual water use pattern. Because it reaches peak demand much earlier than cotton or sorghum, 3780 promises better irrigation efficiency than sorghum when used as a companion crop to cotton.

Your Pioneer seed dealer has a brochure that tells the whole story. See him soon!

prove their yields with their 1974-76 records.

The procedure for proving yields makes it important.

that farmers give careful to grow in the next four vears." According to the ASCS

Handbook, Williams explains, farm requirements for proving the yield of a crop are that the farm must have acreage of the crop for harvest all three years of the base period and have actual production evidence for all the acreage harvested.

"If failure to harvest is due to a disaster," Williams said, "the county ASCS committee is empowered to make adjustments."

Davenport Tabbed For Industries President

At the regular meeting of Friona Industries Inc. directors elected Ron Davenport as president and chief executive officer of the Company, filling the vacancy created by the death of John (Jack) Carrouthers. Davenport joined the company as manager of Hi-Pro Feeds in 1967 and has served as a vice president since

Re-elected on the board of directors were: A. L. Black, David J. Goddard, Davenport, William D. Buske, Dayton C. McWhorter, John C. Thom, Paul F. Hartz, Donald C. Oskin and William C. Donnell.

Black, formerly a vice president, was elected chairman of the board. Goddard was elected financial vice president and secretary-treasurer.

The board also declared a quarterly cash divident of 71/2 cents per share on the Company's common stock. Davenport is also director of the Cattle Feeders Asso-

He is married to the former Edwina Overstreet, daughter of Mr. and Mrs. R. W. Overstreet of Route 4, Floydada. The couple have two sons, Winfield and Wade.

Major interprises of Friona Industries, Inc. include: Friona Feedyard, PACO Feedyard and Swisher County Cattle Company, with a combined feeding capacity of 124,000 head. This operation is supported by company owned facilities. Hi Pro Feeds, a computerized feed mill; Black Elevators, with a 3.25 million bushels capacity; Friona Transport, serving with 34 trucks; seven Hi Pro stores located in Guymon, Oklahoma, Etter, Friona, Texarkana, Abilene, Uvalde and Sealy, Texas. These stores feature veterinary and farm and ranch supplies and Hi Pro feeds, most of the assets of Poarch Boor, of Hereford, and agriculture construction

The matter is urgent. 'The good weather of the past several days has encouraged farmers to get back on the tractors, and preplant herbicide is being applied very rapidly. Unfortunately, this might prevent some producers from planting a protective acreage of feed grains if they are not

informed before herbicide application is completed." County ASCS offices calculate county yield averages for each payment crop, explained Leonard Williams, state executive director of ASCS. In Counties with both drylands and irrigated farms, the county average is a composite of yields from both types of farm. The average payment yield in the county must balance with a composite figure compiled by Statistical Report-

In the past, because of allotments associated with each farm, the allotment and projected yield for farm was considered in balancing to the county average, whether or not the crop was planted.

ing Service of USDA.

However, Williams said. the new farm program has suspended allotments, and the 1978 projections will be based on 1977 plantings.

Because many dryland and limited irrigation farms on the South Plains planted all cotton in 1977, sorghum production was generally found in the higher producing units. "Thus, only those farms with the higher ASCS yields planted sorghum in 1977, but the average of these must be factored back to equal the composite coun-

 Marketing Service Complete Supplies ODAY! SEND FOR YOUR FREE BROCHURE!

ty average yield.

As an example, a sorghum producer with 110-bushel yield last year might be in a county with a composite average of only 60 bushels an acre, and a factor of around .63 might be required to adjust yields. That farmer's yield for 1978 would be projected at 69.3 bushels (110 x .63). This is the yield that would determine the amount of deficiency and disaster payments he could receive for sorghum in

Local ASCS offices are now calculating the yields for our county, and these

Motley County Little Olympics Set April 15

Motley County "Little Olympics" is scheduled for April 15 at the high school

football field in Matador. There will be four divisions, ages 3-12. Prizes will be awarded for the first five places and a trophy for high point person in each division. You may enter as many

events in your division as you want for \$1.50. The event is being spon-

sored by Eternas Junior Study Club. Proceeds to be used for community betterment project.

LETTER TO THE EDITOR

Page 10

Again this year Plainview Broadcasting is formulating a Dear Sir: plan for our annual weather broadcast during the storm season. Many of the things we have done in the past years we will do this year. However there have been some changes. For example, we have installed an unlisted number for your specific use during actual tornadoes, severe windstorms, severe thunderstorms, and hail storms. That number is 296-5867 or (6-KVOP).

We would appreciate a collect call to this number from only you or your designated weather spotter. We would also appreciate a response with a name or names of authorized personnel. By use of the list of authorized personnel we can help eliminate errors and hoaxes.

Please give us damage reports, actual tornado sightings, wind or hail damage. We would appreciate it if these were relatively brief, so as not to delay receipt of information from surrounding towns. Plainview Broadcasting will sign on KVOP, 1400 KH3

and KATZ FM 97.3 MHz at full power any time should we be off the air when an actual alert is posted. With your held we can better inform our listening area to

get them to a place of safety in advance of actual danger. Thank you very much for your consideration and cooperation.

Chuck Martin **News Director**

TO THE PEOPLE OF FLOYD COUNTY:

As you may, or may not, know, the Floyd County jail has been condemned by state officials as being unsanitary and a fire hazard. Anyone who doesn't believe this is true should take the time to visit the jail and see for themselves. The building is fifty years old and is falling apart. It is

unsafe for prisoners and everyone who work there. It is true that we don't owe lawbreakers a luxury hotel, and I'm not proposing that we build one. But we do owe it to ourselves to provide sanitary and safe conditions. This is not the 16th Century where criminals are thrown into dungeons.

Let's consider also, the working conditions for the officers and female dispatchers. From where the dispatcher sits, she can be seen by the prisoners; everything that goes on can be overheard by the prisoners. Also, these women are subjected to verbal abuse and vulgarities that you and I would not be willing to tolerate. Nor should we ask others to. Did you know that the prisoners can watch people on the streets, whistle and yell obscenities to passersby? If you were a woman with children and heard some of the things they say to you and about you, you'd be embarrassed and disgusted. This very thing has happened more than once. What about our officers? They work under very

inadequate and unsafe conditions. The conditions on visiting day are so bad that anything could happen. For example about two weeks ago! Prisoners and their visitors are everywhere: in the hall, in the offices, in the kitchen. There is no privacy for either visitors or officers.

Our Commissioners have now decided to remodel the existing jail instead of building a new one, even though they know ahead of time that it will not meet state or federal jail standards and will be condemned even before the bills are paid. They are doing this under the pretense of saving the taxpayers money. The new jail was to be built with revenue sharing funds and would not come out of local tax money. The commissioners are willing to spend (throw away?)

almost half as much as it would cost to build an entirely new facility. The new jail would meet state standards now and in the future and hold up to twenty-seven prisoners. The remodeling of the old jail would gain nothing. It would only hold about eight prisoners and not meet state standards. The new jail would provide adequate office space, as well as privacy for all personnel. The remodeling would not change any of these conditions.

According to regulations, there will have to be jailers on duty twenty-four hours a day for each level of cells in the building. The present jail has two levels above the ground floor. This means hiring an additional four or five people at a minimum cost of approximately \$20,000 to \$25,000 per year. The proposed new jail would be a one-level building calling for only one or two additional people.

As an example of what is in store for us if the commissioners go ahead with present plans of remodeling, let's look at Hale County. About three years ago, they remodeled their jail at an approximate cost of \$125,000. Now they are going to have to re-do some of the building and spend additional funds.

I cannot understand the financial strategy the commissioners are using. To spend so much money on such an inferior building seems to be a case of bad planning, a lack of cooperation on their part, and a superior example of near-sightedness.

Let's plan adequately for the future and keep the well-being of our county officers in mind. Contact your commissioner and ask him to explain his reasoning to you. Some of them are in favor of doing it right, some are not. Ask to see the records of the commissioners court meetings in Judge Holmes' office; they are open to the public. You should also visit the jail and talk with the people who work there. Then let your commissioner know how you feel. This is a problem which affects all of us. Does someone have to get hurt, or even killed, before we take action on such an obvious need? Suppose your child were arrested (rightly or wrongly) and had to be submitted to such conditions as presently exist? How long before the county is sued because of these conditions? Let's take action now to avoid these potential disasters and move toward a better future.

A Concerned taxpayer of Floyd County

(Editor's Note) There are no minutes of the Commissioner's meetings concerning the jail, because nothing definite has been voted upon. We interviewed the judge and the plans now being reworked by the architect would be a remodeling job at an estimated cost of \$235,000. The original plans turned down by the Commissioners were in the neighborhood of \$350, and not only included remodeling present building, but some additional building to be added on the south side. The plans are open to the public, and it seems to us that the Sheriff should have a lot of say in what is done. The present plans which will be submitted to the state for aproval would house 17 prisoners. Judge J. K. Holmes said the Commissiones won't approve something the state won't

We agree with the writer of this letter that careful consideration should be given to not only meeting the state's requirements, but to facilitate convenience for the people who work in the jailhouse. We would imagine the Commissioners will conduct a public hearing to answer any and all questions about the jail plans once they approve

OBITUARIES

Mrs. Langford

Services for Dora Alice Langford, 88, are set for 10:30 a.m. today, Thursday in the Moore-Rose Funeral Home Chapel with Rev. Benny Goss of Littlefield officiating.

Burial will be in the Cemetery in Nocona under direction of the Moore-Rose Funeral Home here.

She died about 9 a.m. Tuesday in the Caprock Hospital after a brief illness. The Monteauge County

native married Thomas Langford in her home county in 1908. He died in 1968. She moved to Floydada from Nocona a year later. She was a member of the

Baptist Church. Surivors include two nieces and six nephews and several grandnieces and grandnephews, ione of which

is Floyd Webb of Floydada.

Hernandez

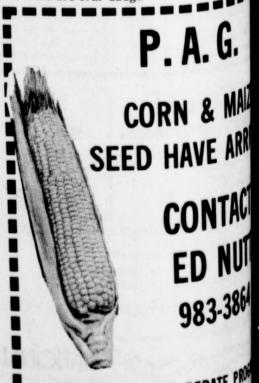

Services for Eugenio Hernandez Sr., 82, were held yesterday in St. Mary Magdelin Catholic Church with Father Casey officiating. Burial was in Floydada Cemetery under the direction of Moore-Rose Funeral

Hernandez died about noon Monday in the Central Plains Hospital in Plainview after a lengthy illness.

He was born in Saint Louis, Mexico and married Antonia Cortez in 1914 at Derville, Tex. She died in April of 1977. He was also preceded in death by a daughter. He moved to Floydada in

1953. He was a member of the Catholic Church. Survivors are four daugh-

great places to visit

TUCSON, ARIZONA

With its variety of golf courses and tennis courts, ski slopes and hiking trailsand a major league baseball team in training-Tucson, Arizona is a sportsman's paradise Why are sports so popular

here? One big reason may be because the comfortable climate is so mild and dry, and Tucson tops the nation in plentiful sunshine. If spectator sports are to your liking, you can look in on the Cleveland Indians during spring training against other major league teams (or watch the Tucson

good time to come for bargain-rate accommodations). But the more active sportsman is hardly left out. There are 16 golf courses

Toros during the summer, a

and 143 tennis courts. Just outside town, in and sportsmen alike. To get Gulf, a half-day's trip, offers everyone.

great marlin and sailfish

catches (though there are

lakes for fishing much closer

TUCSON'S RIDING TRAILS are so beautiful they're unreal.

to home).

And if all those are too tame for you-well, just parks like Tucson Mountain, drop in on one of the are hiking and riding trails rousing rodeos that take that delight nature lovers place almost every weekend. When it comes to sports, away for the day, the Baja Tucson has something for
