### IN THURSDAY'S

...Carl Jarrett says he has  
...we put out back about  
...try to get a picture of  
...this edition.

The Floydada bank reported an increase in deposits from last year's \$22,661,994.01 to \$24,505,886.43. The bank's loans were also up from \$10,191,678.25 to \$11,335,777.71.

In an interview with Clay Henry at the Floydada bank, he said that the economy holds strong for this area, there is, of course continued inflation. Henry said there was some government farm payment money, no wheat money reflected in the deposits.

"Our personnel has worked very hard in bringing money back to Floydada that has been in other banks or financial institutions. We feel that this money better serves the people of this trade area if it is here, and this effort has been successful," Henry added.

Henry said the bank was able to finance the farmers and possibly this was one reason the loans were up over last year.

Each bank was up in deposits about \$2 million.

The Lockney bank showed a nice gain in deposits from last year's \$12,357,166.27 to \$14,158,823.73. The loans were down from \$7,019,955.26 to \$6,599,274.42.

Gene Collins at the Lockney bank said, "I feel like our farmers are managing their money better this year...and they nearly have to."

The prime interest rate went up from 8 to 9 percent during the past quarter...and this has some affect on the availability of money.

Floyd County's good row crop prospects have added some stability to the agriculture picture. Of course not much wheat money is expected to be deposited in the banks after a near disaster production record.

## Rotary Governor Coming

LOUIS ROCHESTER

Rotary District Governor Louis Rochester of Odessa will make his official visit to the Floydada Rotary Club holding club assembly meeting Tuesday evening at 7:30 p.m. at Lighthouse Electric, and speaking at the regular Rotary Club meeting Wednesday at noon.

Rochester will discuss the program of the coming year for the 46 clubs in this 573rd district of Rotary International which covers all of Northwest Texas.

The District Governor's Rotary Ann Lois will accompany him to Floydada and she will be honored with a tea at 10:30 Wednesday morning. All Rotary Anns are invited to the tea.

The new District Governor was born in Florence, Alabama and moved to Odessa, Texas at an early age. He is a graduate of the Odessa Public Schools and attended Austin College in Sherman, Texas.

Governor Rochester is interested in a general insurance agency in Odessa and is the largest land developer in that city. He is a member of the board of directors of Permian Bank & Trust, Odessa, Chairman of the Board of First National Bank of Olney, Texas and Chairman of the Board of Metro Bank at Midland Air Terminal. He is active in ranching interest in Olney, Texas. He is involved in a nine state mini warehouse storage company and Colonial Food Stores.

He presently serves as a member of the Board of Directors of the Texas Presbyterian Foundation, Elder of the First Presbyterian Church of Odessa and a member of the Board of Development of the University of Texas of Permian Basin of Odessa, Texas.

A member of the Odessa Downtown Rotary Club with 30 years perfect attendance, a Paul Harris Fellow and has served his club as president, vice president and directors as well as numerous committees as chairman.

## Ralph Johnston

### Wins Shotgun Raffle

Ralph Johnston is the winner of the shotgun raffle sponsored by the Floydada Baseball Association, it was announced Monday night at the Pirates-Cubs T-Shirt League contest.

Robby Covington of the Little League Red Sox sold 90 tickets, and, along with the Pirates' Shannon Barbee, who sold 70, received a new glove and baseball for his efforts.

The Pirates were the team selling the most tickets and won a swimming party for their sales.

## Family Histories To Publisher

The Floyd County history book project committee this Wednesday turned over more than 1000 families histories to the publisher from Lubbock.

The gigantic task of proofreading, typing, titling, and alphabetizing the stories has taken the committee many, many hundreds of hours of work.

Next phase of the committee's work is to complete sales of the material, tribute and business history pages.

During that time, book sales are being emphasized. The original price of \$25.73 (including tax) will continue for the next six weeks. Afterwards the book price will be substantially in-

creased. Again the committee stresses that only the number of books sold will be ordered from the publisher.

Although project chairman Mrs. Joe (Virginia) Taylor of Lockney says there is no way she can adequately express her appreciation to those of the committee who have dedicated themselves to the completion of the book, she wishes to recognize for their work the following people: Ann Sweptson, Dot Stansell, Norma Dean Welch, Nancy Marble, Nita Marble, June Ware, Ruth Harrison, Cheryl Bradley, Janie Carter, Georgia Finley, Ethel Cross, Jo Ann Duvall, Algene Barker, Mrs. Henry Bollman, and Mrs. Jim Conner.

## Sox Rally Short; Race Into Tie

By Doug Simpson

The surprising Cubs of the T-Shirt League came up with 8 big runs in the third inning and halted a surging comeback by the White Sox with 4 reinforcement runs, as they downed the White Sox 13-9 in T-Shirt League action Thursday night.

The win left both teams with identical 6-3 season marks; had the White Sox rallied to win, they would have reigned as league champions. Now, each of the two clubs will have make-up games to play to determine the league winner.

The Cubs will battle the Yankees Monday night, and the Sox will play the Pirates Monday or Tuesday night. Should both clubs triumph, a playoff game would be played Tuesday or Thursday night.

Julio Fores went the distance as pitcher for the Cubs, and Jerry Dale Nelson took the loss on the mound for the White Sox. Cornelius Campbell came on in relief in the third inning and even unloaded a 3-run home run to pull his team within 2 runs, at 9-7, but to no avail.

Campbell had a no-hitter going until the disastrous 7th inning, when the Cubs added 4 runs to put the icing on the cake.

FHS CHEERLEADERS WIN BIG....The FHS Varsity Cheerleaders recently received the "Award of Excellence," which is the highest award given at the NCA Cheerleading Camp in Big Spring. FHS was selected for the award along with four other schools. (Top, l to r) Jonna West and Kelly Higginbotham; (Middle row, l to r), Tracey Tyer (head cheerleader), Carria Burleson, and Julie Morton; and lower row, Judi Bean, holding "Award of Excellence" plaque.

## Varsity Cheerleaders Receive Top Recognition

The Floydada Varsity cheerleaders recently returned from a National Cheerleaders Association summer workshop where they received top recognition as the best cheerleader squad at the camp. The workshop was held at Big Spring, June 26-30, and attracted over 75 cheerleaders from the five state area.

The coveted "Award of Excellence" was presented to the cheerleaders on behalf of the Dr Pepper Company. Dr Pepper is sponsoring this special award at each of the 300 NCA workshops held across the U.S. The Floydada Varsity cheerleaders were selected for this award over all of the cheer-

leaders at the workshop on the basis of their cheerleading technique, unity, friendliness, cooperation, leadership and sportsmanship to the other squads attending.

The presentation of the Award of Excellence came at the completion of a full workshop of training on cheerleading techniques, cheers, chants, jumps, partner stunts and pep rallies; as well as leadership seminars on sportsmanship, crowd participation, responsibility, organization and dedication. The NCA has been conducting summer workshops for the past 28 years, teaching nearly 100,000 students each year on the art of cheerleading.

The Whirlwind Cheerleaders were evaluated each day from Tuesday through Friday. Each time they received a Blue Superior Ribbon.

Receiving a spirit stick is another honor at NCA camps, and the FHS girls earned three spirit sticks which had to be returned daily. On the final day of camp, the girls earned the right to bring home one of the seven spirit sticks awarded.

The six girls on this award-winning squad are Tracy Tyer, Senior Head; Judi Bean and Carria Burleson, Seniors; and Juniors, Julie Morton, Jonna West, and Kelly Higginbotham.

## Floydada Baseball Tournament Championship Decided Saturday

By Doug Simpson

Pre-tournament favorite Plainview will battle it out with the winner of Friday night's Floydada-New Deal contest for the outright championship of the Floydada Baseball Tournament Saturday night.

The Plainview ball club earned the right to compete in the championship shootout by defeat-

ing a stubborn Floydada A's team in a 5-4 squeaker Wednesday.

On the same night, New Deal kept its hopes for a first, second, or third place trophy alive by knocking off Petersburg.

With one loss apiece in the double-elimination tourney, New Deal and Floydada battled Friday for a spot in the title game. Results were unavailable at presstime.

If Plainview is defeated by Floydada or New Deal in Saturday's opening game, the two clubs would have one loss each. Therefore, a second game would be necessary to decide the champion.

If a second game is needed, it will begin promptly at 9:30 Saturday night. The first game is slated to start at 7:15.

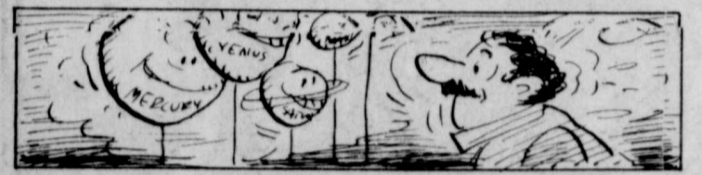

NEW LIONS OFFICERS (back row l to r) Randy Hardin new director, David Cates director, Tom Burns tail twister, Butch Seay director. (front row l to r) Paul Westbrook Lion Boss, Art Ratzlaff first vice president, Bob Copeland second vice president.

**SOMETHING TO CROW ABOUT**—Beverly Sebastian of Fort Worth proudly displays her first-prize recipe for Quilted Calico Chicken, which took top honors at the 1978 Texas Chicken Cooking Contest in Austin. Sebastian will represent Texas in the National Chicken Cooking Contest July 26, notes Agriculture Commissioner Reagan V. Brown.

Five planets are visible to the naked eye: Mercury, Venus, Mars, Jupiter and Saturn.

## Prize Winning Chicken Recipes Make Real Blue Ribbon Eating

### QUILTED CALICO CHICKEN

- 2 whole broiler-fryer chicken breasts, halved, skinned
- 4 slices bacon
- 1/2 cup flour
- 2 tsp. garlic salt
- 1/2 cup cooking oil
- 1/2 cup tomato sauce with mushrooms
- 1 1/2 cups shredded Swiss cheese
- 2 Tbsp. finely diced green pepper
- 1 Tbsp. chopped pimiento

In fry pan cook bacon over medium heat until crisp; remove, drain and crumble. In shallow dish mix flour and garlic salt. Add chicken, one piece at a time and dredge to coat. Drain bacon drippings from fry pan; add oil and heat to medium temperature. Add chicken and cook, turning, about 15 minutes or until brown on all sides. Reduce heat; cover and cook about 15 minutes or until fork can be inserted in chicken with ease. Place chicken in large shallow baking pan. Slit a pocket in each breast. Brush inside of pockets and top of chicken with tomato sauce. Mix together cheese, bacon, green pepper and pimiento. Place 2 tablespoons of cheese mixture in each pocket; sprinkle remaining cheese mixture on top of chicken. Place under broiler about 5 minutes or until cheese begins to bubble. Makes 4 servings.

### HONEY BARBECUED CHICKEN

- 1 broiler-fryer chicken, cut in parts
- 1 egg yolk
- 1 1/2 tsp. salt
- 1/2 tsp. paprika
- 1/8 tsp. pepper
- 2 Tbsp. soy sauce
- 2 Tbsp. lemon juice
- 2 Tbsp. butter, melted
- 1/2 cup honey

In mixing bowl beat egg yolk. Add salt, paprika, pepper, soy sauce, lemon juice, butter and honey. Dip chicken, one piece at a time, into sauce. Place chicken in single layer, skin side down, in large, shallow baking pan. Pour remaining sauce over chicken. Bake, uncovered, in 350 degree oven for 35 minutes. Turn chicken, basting with sauce in pan; continue to bake, uncovered, for 35 minutes or until fork can be inserted in chicken with ease. Makes 4 servings.

### CHICKEN TAJ MAHAL

- 4 whole broiler-fryer chicken breasts halved, boned, skinned
- 1 tsp. salt
- 1/4 tsp. pepper
- 1 can (20 1/2 oz.) pineapple spears, drained,
- 2 Tbsp. juice reserved
- 1/2 cup flour
- 1/2 cup mayonnaise
- 2 Tbsp. sliced green onion
- 1/2 tsp. ground ginger
- 1/2 cup sliced almonds

On hard surface pound chicken breast pieces to 1/4-inch thickness. Sprinkle salt and pepper on chicken. Place 2 pineapple spears on each piece of chicken; roll and secure with wooden picks. In shallow dish place flour. Add chicken, one piece at a time, dredging to coat. In bowl mix together mayonnaise, reserved syrup, green onion and ginger. In large shallow baking pan place rolled breasts; brush with mayonnaise mixture. Sprinkle almonds on chicken. Bake, uncovered, in 350 degree oven about 40 minutes or until fork can be inserted in chicken with ease. Makes 8 servings.

### CHICKEN THIGHS OLE'

- 12 broiler-fryer chicken thighs
- 1/2 cup margarine
- 1 egg, beaten
- 4 Tbsp. water
- 2 Tbsp. taco seasoning
- 3 cups potato buds

In large shallow baking pan place margarine; insert in heated oven until melted. In small bowl add water and taco seasoning to egg; mix well. In shallow dish place potato buds. Dip chicken, one piece at a time, in egg mixture; then roll in potatoes. Place chicken in single layer, skin side down, in margarine in baking pan and bake, uncovered, in 350 degree oven for about 30 minutes. Turn chicken and continue to bake another 30 minutes or until fork can be inserted in chicken with ease. Makes 4 servings.

**FAMILY HISTORIES WINDUP**....these women were at work in the Floyd County Museum putting final touches on the Floyd County History Book. (l to r) Norma Dean Welch, Anne June Ware and Virginia Taylor.

## Birth Control Pill, Smoking Combination Dangerous

**COLLEGE STATION** — Women who smoke and take oral contraceptives increase their risk of heart attacks and other circulatory diseases, warns a health education specialist.

The chances of a heart attack will double even for healthy women who do not smoke but who are taking birth control pills, Carla Shearer with the Texas Agricultural Extension Service, The Texas A&M Uni-

versity System, says.

Women who smoke—especially if they smoke 15 or more cigarettes a day—and take birth control pills are 10 times more likely to suffer a heart attack or circulatory disease than those who neither smoke nor take the Pill.

This risk increases with the amount of smoking, advancing age and the existence of other conditions such as obesity, high blood pres-

sure and diabetes.

As many as 10 million women in the United States take oral contraceptive pills and about 4 million of them smoke.

In view of this, the Food and Drug Administration now requires that information about the risks of smoking and taking pills must be included in the time a prescription Pill is filled.

The information also contains risks of taking contraceptive pills.

### LOCKNEY LOCALS

**Mr. and Mrs. Donice Casey of Lockney**, joined more than 600 sales representatives, dealers, distributors and their spouses, from all parts of the United States, Canada, Europe, South Africa and Australia, at a

four-day conference held at the Keystone Hotel in Keystone, Colorado. The convention marks the 29th anniversary of the Niagara Therapy Manufacturing Corporation, head quartered in Adamsville, Pa. Mr. and Mrs. Casey represent the Niagara Therapy Corporation of Albuquerque in the Lockney area.

**Susan and Lee Trautmann**, 6553 Osage Trail, Plano, Tex., are the parents of a baby girl, Johanna Lois, weighing 6 lbs. 7 ozs, born June 28, at 6:45 p.m. at St. Paul's Hospital in Dallas.

The baby has two brothers, Josh, 8 and Jessie, 6.

Grandparents are Dr. and Mrs. A.E. Guthrie, Floydada, Mr. and Mrs. Trautmann of Wheaton, Ill.

## Happy Birthday

# DPS begins bond system for state traffic law violators

Talk to the Farm Bureau Insurance "24-Hour Agent" about your fire insurance policy!

With a Farm Bureau Fire Insurance policy, you know your Farm Bureau Insurance "24-Hour Agent" is working for you round-the-clock, ready with advice or assistance when you need him, any hour of the day or night.

The Farm Bureau Insurance "24-Hour Agent" ... round-the-clock service, for that good feeling of security.

DAVID B. CATES  
983-3777

The State of Texas has implemented a new system of posting cash bonds for Class C misdemeanor traffic violations which should prove to be a benefit for driver's who are cited by Department of Public Safety troopers for such violations while traveling through the state, explained Sgt. Thurman Keffer, area supervisor of the Highway Patrol section of the DPS.

The system of posting cash bonds — on the spot — mainly will benefit out-of-state travelers who will not have to wait to be taken before a Justice of the Peace in order to post bond. The system was implemented beginning Saturday.

Once stopped by a DPS trooper, the traffic violator will be given a choice between going before the judge to have a bond set or filling out a cash bond waiver.

If the latter choice is

made, the driver must be willing to post the amount of bond listed on the reverse side of the waiver form.

THE BONDS listed on the form were derived from a survey of Justices of the Peace throughout the state. The bonds listed are an average of the fines generally imposed by the judges.

Judge H. E. Porter, Floyd County Justice of the Peace for Precincts 1 and 4, said that the bonds listed on the waiver are "pretty close" to the actual fines he usually imposes for the various traffic violations...if any difference, the printed bonds would be a little higher than he usually fines.

Once the cash bond waiver has been chosen by the violator, he or she will be escorted by the trooper to the nearest location where a money order, a cashier's

check or a traveler's check can be purchased.

THE MONETARY instrument must be made out to the judge for the particular area, inserted into a stamped envelope which has been pre-addressed to the judge and furnished by the trooper, along with the waiver form and deposited in a U.S. Postal Service mail box. All of this must be witnessed by the trooper.

Money also can be deposited in the envelope furnished by the Justice of the Peace, but it is not recommended. Also, a bail bond by one of several travel clubs certified by the Secretary of State can be used in lieu of other means. However, no personal checks are acceptable for the posting of bonds under the new system.

IN POSTING bond under the cash bond system, the

violation is given 10 days during which to appear before the judge.

When signing the waiver form, the violator agrees to appear before the judge or — if no appearance is made — waives "the right to a trial by jury and enters a plea of nolo contendere." He also agrees that if found guilty, the cash bond will be used to pay any fines imposed upon the violator.

The new cash bond system which was designed to be a

convenience to driver's will cut down on some of the late night calls made to the Justice of the Peace to set a violator's bond.

As Sgt. Keffer stressed, however, the money put up by the traffic violator is never touched by the DPS trooper who cites the driver, escorts him to a convenient location to purchase an acceptable monetary instrument for posting bond and then to a U.S. Postal Service mail box where the

COTTON Cotton continues to make excellent growth and Floyd Counties. Many fields are now square at which cotton becomes attractive to the boll weevil and they will survive. Fortunately, boll weevils have been found in cotton fields on top of the last two weeks.

Many fields of late planted and replanted cotton are susceptible to damage from thrips. These insects are being found on cotton in the area but population is generally low.

Squaring cotton is usually no longer susceptible to damage. At the present time cotton which is squaring is a high percentage of its squares. Cotton at this stage is subject to damage from the cotton fleahopper. The fleahopper is lightgreen with fine black speckles on its body and is about 1/8 inch long. The fleahopper enters the egg stage in certain weeds that are common in our area. In the spring these eggs hatch and the nymphs begin feeding on weeds. However, weather sets in these weeds dry up and the nymphs die. Unfortunately another of these hosts, Fleahoppers feeding in the terminal portion of the causes the young squares to turn black and fall in poor square set. During the first two weeks of squaring an infestation of from 25-50 fleahoppers (and adults) per 100 terminals may cause damage. This stage should be watched closely for the next two weeks. Right now from 0-7 fleahoppers per terminal are being found in those fields.

GRAIN SORGHUM Greenbugs are on the increase in many areas but populations are still light. Corn leafhoppers found in moderate numbers in many fields are expected to see them increase over the next few weeks. They rarely cause economic damage. These insects are a food source for beneficial insects which will be here long to hold down greenbug numbers.

Spider mites have been found in sorghum. Light damage from grasshoppers has been reported in ghum fields that border on rangeland. We expect insects to move into cropland bordering on their normal food sources dry up.

SUNFLOWERS Sunflowers continue to grow well. Several just beginning to bloom. These fields should be closely watched for sunflower moths which lay eggs on the heads. At this time no insect problems have been reported in sunflowers. More on this insect next week.

**ALL-AMERICAN CHERLEADER NOMINEE**...Kelly Higginbotham was nominated for the All-American cheerleader award recently at the NCA Cheerleading camp in Big Spring. Kelly was one of 220 girls nominated and is one of 14 eligible for the North-South game in January. Kelly was selected from among 75 girls. (Staff Photo)

**Higginbotham All-American Cheerleader**

Shout-It-Out Cheerleader. The company that produces Shout-It-Out requested the NCA Staff at each of their camps this year to select one cheerleader from each camp as a nominee. Out of the approximately 220 nominees, 14 girls will be selected to make up two 7-member squads to cheer at the North-South game at Mobile, Alabama, next January. The squad which does the best job will be awarded scholarships of \$1,000 to each member with \$500 to each high school represented. The members of the remaining squad will each receive a \$500 scholarship with \$250 going to each of their schools. Kelly stated that she felt it was a big honor to be nominated whether or not she was selected for the squad.

**Ann Hagood And Ronnette Members Of Tex-anns**

Seven of the South Texas girls' basketball teams are participating in the annual Tex-anns tournament. The tournament is held annually in Big Spring, Texas. The girls are wearing blue and white uniforms. The blue outfits trimmed with sequins and the white high stepper boots will be pleasant to look at and will give the team a fresh new appearance.

**Abernathy Topples Floydada**

By Doug Simpson  
Powerful Abernathy accounted for 18 big runs Thursday night, en route to a commanding 18-8 route of the Floydada tri-county team in baseball action here. The loss left Floydada with a 5-8 season report card. The tri-countians will host New Deal Tuesday night at 8:30 p.m. Pete Castillo was Floydada's losing hurler, but delivered a 3-run home to pace Floydada sluggers, and fanned 7 batters in spite of the defeat.

**PLAYING HANDS ACROSS THE TENNIS NET**.....(not really) Vickie Rainer and Richard Hale are co-directors of the Floydada Open Tennis Tournament which begins July 19. They were out inspecting new concrete courts at Junior High when this picture was taken. The courts will receive a plexi-pave covering after the tournament.

**Lake Mackenzie** — The most beautiful lake in Texas is now only 45 minutes from Plainview. Tule Lake, which has received about 22 feet of water, has now backed up in the creeks and is one of the most scenic lakes in Texas. (Staff Photo by Kenny Redin)

**TRI-COUNTY LEAGUE BASEBALLERS**.....(Bottom row, l to r) Ronnie Minner, Joey Luna, Pete Castillo, Rick Reyes, Bruce Williams, Donell Weeks; (Back row, l to r) Coach C.O. Woody, Duncan Woody, Ben Salazar, Mac Collins, Jimmy Jones, Andra Ledbetter, Coach Tino Hernandez. (Staff Photo)

**A's Earn Berth In NBC Event**

By Doug Simpson  
Floydada's A's baseball club has earned the right to compete in the highly-prestigious NBC Baseball Tournament Classic this month, it was announced Wednesday by team boss Johnny Soliz. The event is expected to accommodate West Texas teams such as Lubbock, El Paso, Midland, and so forth. In the tourney's opening round, the A's will battle Lubbock's Cardinals in a 6:30 game Wednesday night at Lubbock's Mackenzie Park.

**MISS MACKENZIE**, Adeana Morris of Floydada, enjoyed skiing, boating and sightseeing on Lake Mackenzie last week. She will relinquish her crown to a successor to be chosen in a pageant in late September at Silverton.

All persons having claims against this Estate currently being administered are required to present them within the time and in the manner prescribed by law. DATED the 5th day of July, 1978.

# Center News

By Mrs. J.E. Green

Mrs. Ola Warren was a Sunday dinner guest in the home of her son the Thomas Warrens.

Mr. and Mrs. Neal Wright of Rotan were weekend visitors of her mother, Mrs. Ava Jackson.

Mrs. Green visited the Pecks Sunday evening after church.

Vacation Bible School closing exercises were held Sunday evening at Calvary Baptist. The service was beautiful and well attended.

Mr. and Mrs. Marion Carpenter were in Lubbock Monday where they took grandson Eric Carpenter to catch the plane for his home in Atlanta, Georgia. Eric and cousin Sara had been visiting their grandparents about three weeks. Sara had

left by plane Saturday for home in Boston. Other visitors for three days were a grandson Barry Boteler and small daughter Elizabeth of Oklahoma City.

Today Mr. and Mrs. Claude Carpenter are luncheon guests of their son and wife, Marion and Fay Carpenter.

Dinner guests at the Henry Brewers Saturday were Mr. and Mrs. Millard Watson, of Mt. Blanco, Mrs. Ken Robison and children of Lubbock. Also brothers and wives of Mrs. Brewer; Guy Forman and wife of Oklahoma City, Herbert Forman and wife of Wichita Falls, and Eugene Forman of New Orleans. Sunday all were in Lubbock where the oldest brother Buren Forman of Anton is in intensive care at University Hospital. Last Wednesday Buren was injured in a car wreck, bones broken and possible internal injuries.

Mr. and Mrs. J.B. Jordan of John Knox Village were among out of town friends here for last rites of Mrs. Clyde Burton. We were saddened Sunday by the sudden passing of this long time friend, and mother of the Clyde Burtons. Let us remember all in sorrow and in hospitals in our prayers.

## EFFECTIVE SATURDAY, JULY 8

We Will Begin Closing Every Saturday. We Hope This Will Convenience No One.

We Are Open 8-6 Monday

Through Friday.

## BIBLE VERSE

"Wherefore, if any man is in Christ, he is a new creature; the old things are passed away; behold all things are become new."

1. Who wrote the above?
2. Who does it describe?
3. To whom was it first written?
4. Where may this verse be found?

### Answers To Bible Verse

1. Paul, the Apostle.
2. Paul, himself.
3. To the new Christians of Corinth.
4. II Corinthians 5:17.

# HOT TIPS for a COOLER SUMMER

THESE SIMPLE SUGGESTIONS FROM FLOYDADA LIGHT AND POWER.....

Keep your air conditioning system operating at top efficiency. In turn, can help you stay cooler and save money this summer.

Have a qualified serviceman check your air conditioning now to lessen the possibility of a breakdown during a hot summer day.

Examine filters once a month and replace or clean them at least every three months.

Set your thermostat to a higher comfortable temperature and leave it there while you are at home.

When you go away from home for several days turn your air conditioning off unless there is anything that will suffer heat damage. In that case... raise the thermostat setting 5 to 10 degrees above normal and leave the unit on.

STANDING OVATIONS AND ROUSING applause are getting performances of "Fiddler on the Roof," summertime musical presentation at Amarillo's Country Squire Dinner Theatre, located at 1-40 and Grand. The show, with its lingering-in-memories melodies and superb story and acting, will be on stage each evening Tuesday through Saturday all through July. Special Sunday matinees, 6:30 p.m., minus food service and with reduced prices are scheduled for the run of the show. Bruce Owen, who won acclaim in the Panhandle for his role in Country Squire's production of "Saga of Roaring Gulch," plays Tevye, the father of five daughters and a firm believer in "Tradition," the theme and the theme-music of the show. Dairyman back in 1905 in the village of Anatevka, Tevye's one-way conversations with God are highpoints of the musical. During the week, buffet dinner service at Country Squire begins at 6:30 p.m. "Fiddler on the Roof" curtain time is 8 p.m. Reservations are advisable.

SPORT TALK

By Doug Simpson SOUTHWEST FOOTBALL MAGAZINE (this is not the same as Dave

WORLDWIDE SALES CONVENTION DRAWS LOCAL REPRESENTATION Mr. and Mrs. Orville V. Harris of Floydada, Texas join more than 600 sales representatives, dealers, distributors and their spouses, from all parts of the United States, Canada, Europe, South Africa and Australia, at a four-day conference currently being held at the Keystone Hotel in Keystone, Colorado. The convention marks the 29 anniversary of the Niagara Therapy Manufacturing Corporation, headquartered in Adamsville, Pa. Mr. Harris and his wife represent the Niagara Therapy Corp. of Albuquerque in the Floydada area.

The company, internationally known for its line of portable health equipment and home and office furniture, will hold sales seminars and clinics during the day with international guest

Campbell's annual TEXAS FOOTBALL edition rates Fred Aker's defending Southwest Conference champion Texas Longhorn number 1 football team in the country for the 1978 season. Of course, the number 1 team in the country would take top honors in its own conference. So it is needless to say that Texas will report as the SWC premier powerhouse.

This time, however, it will not be as easy as it looks for the "pride of the Lone Star state" from Forty Acres. Arkansas, a team bursting with talent boasts experience as the main reason for capturing the number 2 slot in the conference. Texas A&M returns with "a better ball team" than ever before—but its third place ranking gives you an idea of why the SWC is strongly challenging the Big Eight as the nation's toughest conference.

The surprising Baylor Bears took the number 4

slot, followed by the University of Houston in 5th Texas Tech in 6th, and rounding out the conference is SMU, Rice, and TCU.

REX DOCKERY inherits a team long on speed and talent, but alas, it's still what's up front that counts. Texas Tech's Red Raiders will be competitive in 1978, but very young. It will be a rebuilding year for Dockery and his assistants, who face an extremely difficult assignment in making Tech a contender.

The Raiders open the '78 football season with powerful USC, a team ranked number 2 in the nation by SOUTHWEST FOOTBALL, and likely to be ranked very high by most prognosticators.

Of course, Texas Tech's greatest hurdle includes the task of finding a quarterback to replace swift-footed Rodney Allison. If the Tech coaches can choose between Mark Johnson, the better runner, and Tres Adami, a better passing quarterback, and do it

OBITUARIES

Carroll Hopkins

Carroll Hopkins, brother of Mrs. Jack Henry died early Friday morning at Littleton, Colorado.

Hopkins lived in Floydada many years ago when his father was a medical doctor here. The funeral has tentatively been set for Monday.

before those conference games start to invade the Raiders' schedule, it could be a better year than expected for the Steve-Sloan-less Tech squad.

AN INTERNATIONAL TENNIS OPEN?...Entrants from England, California, and Massachusetts should make the upcoming Floydada tennis tournament very competitive. As many, if not more entries are expected as last year as the deadline encloses on the 6-day event. Better send in your entry now!

The Plainview baseball team entered in the Floydada baseball tournament appears to be a very strong and disciplined ball club. In a 5-4 victory over the A's Wednesday, superb pitching, fielding, and hitting was displayed as Plainview rebounded a 4-2 fifth inning deficit.

In spite of the determination displayed by New Deal and Floydada, Plainview should earn the nod as favorite to win the 1978 Floydada tournament championship Saturday night.

FLOYD DATA One-month-old Chad Guthrie underwent stomach surgery Tuesday in Central Plains Hospital at Plainview. He is the son of Mr. and Mrs. Larry Guthrie. Chad is home now and doing fine.

Adeana Morris of Floydada, who was chosen to serve this year as Miss Mackenzie in a pageant held here last September, visited Lake

Mackenzie Tuesday of last week and enjoyed a tour of the lake in a boat operated by Mitchell Simpson. Miss Morris is a 1978 graduate of Floydada High School, and is enrolled for the second summer session at West Texas State University.

The Profit System advertisement featuring an image of grain silos and text: "To make the most from your harvest, you need The Chief Grain Drying and Storage System. It's an expandable system that can change as your needs change. One bin or twenty, Chief has the system for you. See your Chief dealer for complete details. CHIEF INDUSTRIES INC. SOLD BY: WESTERN AG SALES FLOYDADA REPRESENTATIVE BILL PIGG 983-5231 OFFICE 983-5367 HOME"

YES....FLOYDADA DID HAVE a picture post card....this one was sent by J.W. Lile of Lockney to the late W. Jedson Jarrett of Curlew, Texas. Jedson was the oldest brother of 86 year-old C.L. Jarrett who lives at 412 W. Crockett in Floydada. He says you don't know where Curlew, Texas was....it was about a mile

Some night in July the millionth visitor will attend the musical drama "Texas" in the Palo Duro Canyon, the great, million-year-old gash across the Texas Panhandle. A special welcome and gifts are awaiting this person. The honoree will receive a five-day vacation in one of several interesting parts of Texas (made possible by the Discover Texas Association), the tooth of a prehistoric animal left near-by one million years ago, a kalanchoe (from the Irwin family marking the shipping of over one million patented plants, like the ones they send to decorate the theatre area) and a diamond formed far in the earth over a million years ago. To see "Texas" write "Texas", Box 268, Canyon 79015 or call 806 655-2182. It is wise to make reservations in advance.

In July and August, nightly except for Sundays, the outdoor setting for "Beyond the Sundown" is located deep in the Big Thicket National Preserve on the Alabama-Coushatta Indian Reservation. The reservation is located between Livingston and Woodville north of Houston. The reservation is the oldest in Texas and consists of 4600 acres of virgin timber land and has been the tribe's home for 200 years.

Places To Go, Things To Do

A full day of activities are available for tourists including a Big Thicket tour, colorful tribal dances, a reptile garden, the Living Indian Village, tribal museum and a modern camping area with electric and water hookups, disposal station, and lake for swimming and fishing. Nearby is a famous eating place that offers boarding-house style dining. Reservations to see "Beyond the Sundown" may be made by calling toll free in Texas 1-800-392-8355.

Jazz Night Tickets are now on sale at the University Center on the Texas Tech campus in Lubbock for family jazz night with the New Orleans Joymakers and a shrimp creole dinner. The event will be July 19 with dinner to begin at 7 p.m. and the performance at 7:30 in the University Center ballroom. Tickets sell for \$3 to Texas Tech students with ID, for \$5 to general public and for \$2 for the performance only. Tickets may be purchased at the UC activities office and, if available, at the door the night of the performance.

Dinner Theatre Amarillo's Country Squire Dinner Theatre, located at 1-40 and

north of the L.T. Wood place near South Plains. The date on the card was Inset is C.L. Jarrett at the age of 14.

Eye Emergencies

In an emergency, if you have someone in your family who is suffering from eye trouble, it is important to get them to a doctor as soon as possible. Do not wait until it is too late. For a free eye exam, call 983-1234. Society for the Prevention of Blindness, 78 N.Y., N.Y. 10016.

Got Head Or Plumbing Problems? Call HOLME PLUMBING 983-1234 6:30-9:30 5:30 p.m.

Women Baseball Next?

All women who just want to play baseball for the fun of it (no leagues) are invited to come to an organizational meeting Monday night at 7:30 at the Freshman League Park, Floydada.

# Don't Sun Yourself Into The Hospital

commercial suntan preparations contain chemicals called sun-screens. These absorb some of the ultraviolet rays of the sun while letting others through. To work effectively, sunscreens should be applied about 45 minutes before exposure and reapplied after swimming or perspiring.

Even with a sunscreen, a good general tanning program is 15 minutes the first day during high radiation hours. Then, sun five minutes more each day thereafter until you have a good base tan.

chemical protection is the sunblock, which doesn't allow tanning because it deflects the ultraviolet rays. It is most useful in shielding lips, nose and other extra-sensitive or already burned areas. A well known sun blocking agent is zinc oxide, an opaque white ointment often used by

lifeguards. Here are some additional tips: It's true that sunshine is a source of vitamin D. But it's also true that you get all the vitamin D you need in a well-balanced diet. You aren't fully protected in the shade of a beach umbrella. Ultraviolet rays are only

partially deflected and are bouncing toward you from all directions—off sand, water, patio floor or boat deck. Backpackers and skiers should also know that snow can reflect as much as 85 percent of the sun's rays. The sun can, in some cases, help certain

skin disorders like acne, eczema, and psoriasis, but check with your local doctor before trying the sun as a treatment for any skin problem.

Altitude plays a role. You don't have to be hot to be burned by the sun. There is less atmosphere on mountaintops to filter out ultraviolet rays. Don't count on being safe on a cloudy day or even under

water. Seventy to eighty percent of the sun's rays penetrate clouds.
