Application To Be This Week

Floydada City Council, meeting Tuesday night, approved the recommendation of The Mackenzie Municipal Water Authority to endorse an application for a grant from the Economic Development Administration for 75 percent of the cost of a filtration plant...

Public Relations man John McCammon of the Water Authority visited with the council Tuesday night and made the presentation. The vote to proceed on the grant application with the other three towns was unanimous.

LAKE 29% CAPACITY

McCammon said the lake is only 29% of capacity at the present time, but this amount would supply the four cities with water based on their peak needs over five years.

stating the community's need for water. The letters would be submitted to EDA on the grant request.

The Council went into lengthy discussion about the decision. Several facts were pointed out by various members of the council.

1. The entire cost of the project could have been bought for \$8 million dollars seven years ago when the issue was voted down. Now it will cost over \$11 million, plus the \$3 million dam that has already been built...

THREE YEARS TO PRODUCE

McCammon also said if the grant were approved on this application and contracts were let for piping, filtration plant, pump stations, it would take three years for completion and water arriving at each town.

2. With a ten percent construction cost increase per year, the cost of the project will increase \$1 million per year....costing the authority a million dollars per year to put it off longer.

3. It would be foolish to keep buying more irrigation wells for underground water that is depleting.

4. The 480 acre farm the city owns west of Floydada could be sold to help pay installation costs of lake water into city storage and other improvements.

5. Water could have been bought for 30 cents per 1,000 gallons if the people of Floydada had voted many years ago to get on the Meredith Lake water.

6. Floydada cannot hold its own, or grow without adequate water supply for the future.

7. No way Floydada can afford lake water without the grant.

Lake Mackenzie Boat Ramp Finished

Boat ramp construction at Lake Mackenzie has been completed. A 30' wide and 100' long extension has been added to the existing ramp. Other improvements include releveling and widening the turn-around area.

Fishing reports include several walleye (about 1 1/2 to 2 pounds), some large strings of crappie and fair catches of bass. The water temperature is 79 degrees with a depth level of 101 feet.

Kelly Higginbotham Cheerleading Champ

It's official. Kelly Higginbotham of 815 W. Tennessee, Floydada has been selected as one of the top cheerleaders in the United States. She is now eligible to become one of the 14 finalists in the two All-American Shout-It-Outer cheerleading squads that will perform at the Senior Bowl game in Mobile, Alabama, next January.

Kelly is one of 220 cheerleaders to win the Shout-It-Outer award this summer in competition involving 100,000 high school cheerleaders in clinics held across the country by the American Cheerleaders Association.

Sponsored by Shout pre-wash laundry treatment, the contest will continue throughout the summer. Members of the winning team will receive \$1,000 scholarships to the colleges of their choice. Members of the runner-up squad will receive \$500 scholarships.

Miss Higginbotham is a junior at Floydada High School. She lives with her parents, Mr. and Mrs. Alton Higginbotham, and a younger brother and sister.

SHARPEST SHOUT-IT-OUTER.....Kelly Higginbotham of 815 W. Tennessee, was selected best cheerleader at a National Association of Cheerleaders clinic held last week in Big Spring. This award makes her eligible to become one of 14 finalists to perform with two national Shout-It-Outer cheerleader squads this winter.

Young Man From London

Likes Friendly Floydada Folk

By Wendell Tooley What does a young man from London notice about Floydada? Mark van den Brul says after visiting here about a month he is impressed with the friendliness of Floydada folk, he likes our hamburgers, and the steaks that Flo Davis cooks.

After working on the Davis farm, he "can certainly appreciate the long hours the farmer works."

Mark met Blair Davis at the University of Durham, and returned home with Blair for a visit. Later this month he will travel on to California to visit another friend for about three weeks.

Then he will meet his cousin in Mexico City and tour Central America. He misses his family, but is enjoying the visit here. He will return home in November and begin his new job in the marketing business. He is a recent college graduate, with a major in German.

He lived in Germany a year and has travelled in other European countries. Mark's father is in the trading business, his mother an elementary school teacher. He has three sisters.

Mark has gotten acquainted with many Floydada folk. He enjoyed playing in the annual tennis tournament here.

MARK AND BLAIR feed one of the Davis' horses some hay.

Burglary At Lowrance Home

Mrs. Gene Lowrance reported a burglary of her home about 5:30 Sunday afternoon. The Lowrance home is located about six miles southwest of Floydada.

She reported to the Sheriff's office that a 410 shotgun, some savings money and smaller items had been stolen and that she observed a Mexican adult and a Mexican juvenile running east from her house.

Deputy Jim Gollahar reported finding some of the stolen objects in the pasture east of the Lowrance home and arrested a Mexican adult and a Mexican juvenile.

Gollahar said the adult was placed in jail, the juvenile released to his parents. Publication of names is pending grand jury action.

Whirlwinds Put On Pads Friday

The Floydada Whirlwinds checked out their playing shoes yesterday and will receive their pads Friday.

This week they will be running and working out on their own.

Beginning Monday training begins. There will be two workouts each day... 8 to 9:30 a.m. and from 7:30 until 9 p.m.

The freshmen will work out evenings only.

How To Put Fish Back!
A Texas angler caught several fish on his luck on a lake and a few of them were less than a foot long.

Don't keep a fish on a stringer in the water or in a bucket if it is to be released. When there is a limit, don't throw back the smaller fish when you catch larger ones.

Sunfish should not be returned to the water, since they tend to overpopulate. They are good to eat and leaving them on the bank causes litter and odor problems for the next angler if the decision is made not to take them home.

If the angler follows all of the proper handling techniques and still the fish appears to be dying, consider the fish as part of your limit and do not release it.

back into the water to eventually float to shore.

The actual landing of a large fish such as a striped bass can be hazardous if the fish is still "green" or not tired from the fight. Pulling one of the lunkers into a boat with an open tackle box is asking for trouble and maybe an impaled angler from flying hooks, lures or gaff will be the final "catch."

Common sense is the best guide when handling fish and your boat. The small fish you put back today may be a record catch later.

Production Credit Has Loaned \$63 Million
Directors of Plainview Production Credit Association join PCA officials throughout Texas August 11 in Tyler for the Production Credit Association's director conference.

Plainview PCA director participants include A.W. Anthony, Jr., Friona; and Ray Robertson, Dimmitt.

James A. Rogers, the association's general manager, said the conference emphasizes credit policy and management of the Production Credit System of Texas and will bring directors up-to-date on services provided to PCAs by the Federal Intermediate Credit Bank of Houston, source of most PCA loan funds.

A special feature of this year's conference will be "PCAs Meet the Press." The media forum will present a panel of agricultural editors and broadcasters to discuss some of agriculture's major problems and their solutions.

The panel will include Charles Scruggs, vice president and editor, *Progressive Farmer*; Joe Brown, farm editor, *Wichita Falls Times and Record News* and farm director, KFDX-TV; and Jack Dillard, farm director, KWKH-TV, Shreveport.

Plainview PCA has farmer-rancher members in Bailey, Castro, Floyd, Hale, Lamb, Parmer and Swisher counties and loans outstanding of approximately \$63.5 million.

Floydada Nursing Home Happenings

By Dorothy Neff

We enjoyed the nice cool days and what little moisture we got this past week. It makes everyone feel better.

Victoria Asher enjoyed a few days in Tres Ritos, New Mexico with her relatives this past week. Her granddaughter Kay Self visited her this week from Sherman.

Dora Henderson who had been a resident here only a short time transferred to a Childress nursing home Monday. We wish Dora much happiness in her new home.

We would like to thank the Luttrell family and the Woody family for the beautiful flowers that were sent to our home. We enjoy pretty flowers any time.

The residents also received a sack of fruit and cookies from the Sunshine Class of the First Baptist Church. Mrs. Ruth Williams and her husband brought them out Wednesday.

We spent most of Tuesday morning shelling two sacks of peas given to us by Bill Daniel. There were nine residents who helped shell. We had them for lunch Wednesday and they sure were good. Thanks, Bill.

Also Lynn Daniels of the Alpha Delta Mu Club sent us lots of squash. It is nice to have fresh vegetables for a change. The residents also had fresh corn on the cob from Mr. Westbrook's garden this week.

We have been making dolls and lap robes this week. Mary Jordan, Green Bostick, Anis Franks, Will Mooney and Dicie Manning enjoyed their trip to Cone and we also visited the new solar home just south of Lakeview. We would like to take a closer look later on.

Clara Williamson and Mary Jordan were top winners in bingo with three games each. Ray Reed, Anis Franks and Victoria Asher won two games each and Willie Stambaugh won one game.

Visitors the past week were Dr. and Mrs. H. C. Mitchell (Hazel Jones), Waco; Evelyn and Jack Crull, Lubbock; Flo Ella Jarbor; Kay Asher Self, Sherman; Leslie Katherine Self, Sherman; Mrs. George Wexler, Floydada; Alma Ruth Nelson, Floydada; Parnell Powell, Otis Anderson, Mr. and Mrs. Murry Stewart, Levelland, Mr. and Mrs. P. Charles Bradford Completes Recruit Training

Navy Seaman Charles H. Bradford Jr., son of Mr. and Mrs. C. H. Bradford Sr. of 216 W. Crockett, Floydada, has completed recruit training at the Naval Training Center, San Diego, Calif.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic occupational fields. Included in his studies were seamanship, close-order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1978 graduate of Floydada High School, he joined the Navy in May 1978. ing, says Claudia Kerbel, consumer information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Fairview News

By Mrs. Clyde Bagwell

August 7 — Rain showers fell over the area last Friday. Only a shower fell here in town, but some out Fairview way reported nearly an inch. E. W. Walls reported a half inch on part of their farm; 9/10 of an inch was reported at the Ray Cook farm and about one inch at Lee Burtons.

Those visiting Mr. and Mrs. Lindsey Graham during last week and also on Sunday evening were Mr. and Mrs. E. W. Walls, Mr. and Mrs. Walter Hollums, Lee Burton and Mr. and Mrs. Walton Wilson.

Sunday afternoon Mr. and Mrs. Lindsey Graham drove to Idalou, Petersburg and back home. While on this trip they happened to meet a friend, Mrs. Johnny Polvadore, with whom they chatted for a while.

Mr. and Mrs. Harvey Nicholas, Kelli, Lance and Chad of Oklahoma City will arrive Wednesday, August 9, to visit her parents, Mr. and Mrs. C. W. Payne. They will leave Saturday for Six Flags and Dallas.

Mrs. Mattie Mulkey of Paducah and her sister Mrs. C. H. Wise went to Lubbock Saturday afternoon to the home of their brother, Mr. and Mrs. L.L. Denton, where they remained until Sunday. Another brother, J. P. Denton of Littlefield was there Saturday afternoon and evening.

Sunday afternoon all of this group except J. P. Denton went to the Lubbock home of Mr. and Mrs. E. L. Lide where they had dinner together. Mrs. Lide is a cousin of the group.

On the way to Lubbock Saturday Mr. Mattie Mulkey and Mrs. C. H. Wise stopped at Idalou and visited in the home of a cousin, Glenn Eubank.

Friday Mrs. Boyd and children, who live in Oklahoma, visited in the home of Mr. and Mrs. Edell DuBois.

Mr. and Mrs. Walton Wilson and Mr. and Mrs. Bill Tye met at the home of Mr. and Mrs. Bill Beedy Wednesday night and had homemade ice cream and played games of 84.

Green Bostick and grandson Larry Bostick visited Ray Cook Sunday afternoon.

Mrs. Ray Cook visited Mrs. Gus Hammonds Sunday afternoon.

Mr. and Mrs. Eugene Watts, Scottie and Elizabeth Anne went to Lubbock Saturday night and visited Mr. and Mrs. Sam Bass. The Watts' older daughter Kim stayed with her grandparents, Mr. and Mrs. T. L. Perry.

Mr. and Mrs. Kay Crabtree, Becky, Sam and Anissa were Sunday dinner guests of Mrs. Kate Crabtree and Mrs. Lige Moore and son Robbie.

Mr. and Mrs. Bobby Cozy and Kara were dinner guests Sunday in the home of her parents Mr. and Mrs. Ray Gene Carthel. The occasion was Mrs. Carthel's birthday.

Tuesday Mrs. Bobby Cozy and Kara went to Plainview to visit her Aunt, Mrs. Rosalee Cooley.

Friday Randell Warren of Lubbock had dinner with his parents, Mr. and Mrs. Bud Warren. Randell was promoted to wire chief of the telephone company and was here checking over his district which consists of Hale Center, Plainview, Lockney and Floydada.

We sympathize with the family of Mrs. Gracie Riggs, whose funeral was held Monday afternoon in First Baptist Church, Floydada. Several years ago Mrs. Riggs and her husband lived in Fairview Community, where they were living when he passed away.

Mr. and Mrs. Jack Moore and family returned home Friday from a three weeks vacation trip through several southern states. They spent some time camping at the rural retreat in the Davis Mountains in Virginia. They also toured Arkansas, Alabama, Georgia, and

PRAYER FOR

(Back in 1935 in Kansas, dark boiled up the sun. Rains were needed as badly as the white man's attempt to live on the prairie. William Allen White of the Emporia, Kansas, the following prayer for rain):

O Lord, in Thy mercy grant us rain and let it mean a shower.

We want to go out and watch the lightning southwestern sky in hot blue forks as the drops the size of marbles, on a suddenly down us and plunking on the car hood. We want the house just as the first sheets descend, down down the windows.

O Lord of Hosts, we want to look out of the watch the regiments of close-packed raindrops ally down. We want to hear the gurgle of the eaves, and then the sputter of the gutter.

God of Israel, Isaac, and Jacob, let it be of spatterdrops. Then let it just keep up to gin to taper off, and then turn right around to swishing, pounding, splattering, pouring, der coming--Crackity, BAM!--and the fast and furious you can't tell which flash peal of thunder. So that all the women will climb on top of the beds and scream at you close to that window.

And then, O jealous God, repeat the whole times, and in the middle of the second attic stairs and put the wash pan under the roof which usually you can't even notice to after a couple of hours, kind of taper to a good steady rain--not a drizzle, but occasionally during the morning from a gey break it will flow with milk and honey, much longer on promise.

So in Thine own way and in Thine own mind, O Lord, and we will bow before Thy Thine everlasting name.

The Floyd Philosopher Explains The New Woman-Faced Dollar And Advocates Women Baseball Players

Editor's note: The Floyd Philosopher on his Johnson grass farm discusses women's lib this week, we think, but that's his worry.

Dear editor:

As I understand it, the U.S. Treasury is coming out with a new silver dollar made out of whatever is handy. It'll be smaller than a half-dollar but larger than a quarter and on its face there'll be, for the first time in the history of the country, the likeness of a woman.

This is not because the Treasury has run out of famous men and animals to put on a coin, but because women insisted it's time one of them showed up there. They selected Susan B. Anthony, the woman whose crusade at the turn of the century paved the way for the 1920 adoption of the 19th Amendment giving women the right to vote.

Getting the right to vote is considered by women as a landmark in their struggle for equal rights, and of course it is, just as centuries ago their being allowed to learn to read was another, but the trouble with the Women's Rights movement seems to go far enough.

For example, when they vote what did they do? They voted just like men. And the quality of office-holders demonstrates.

I will now change the subject to see established is a Committee to comb the professional baseball players single player can be found who is satisfied with his million-dollar six months worth of work as manager and the owner's writers, doesn't want to be lifted onto the committee's carried into the Hall of Fame in this fiscal year when ena... those squabbles.

Garland Hill Completes Recruit Training

Navy Seaman Recruit Garland D. Hill, son of Mr. and Mrs. John C. Odam of 412 W. Grover, Floydada, has completed recruit training at the Naval Training Center, San Diego, Calif.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Federal Money To Help Rural Towns Improve Drinking Water

WASHINGTON, July 31 — Some communities will get priority grants to improve their drinking water under an agreement announced today. The agreement...

intended to insure that rural drinking water meets minimum health standards, was signed by the Environmental Protection Agency (EPA) and the Farmers Home Administration (FmHA), an agency of the U.S. Department of Agriculture.

Under the agreement, EPA will designate communities whose drinking water fails to meet EPA standards.

Communities receiving this designation will be given higher priority to receive FmHA water system improvement grants or loans than those whose water meets EPA standards.

Grants and loans come from \$1 billion available this year under FmHA programs to help build, enlarge and improve water treatment systems in communities with populations under

10,000.

Grants are made for up to 50 percent of the cost of building drinking water facilities or acquiring land and water rights associated with the operation of a system. Loans, available for up to 100 percent of these costs, are made at 5 percent interest with a maximum 40-year repayment schedule.

FmHA grant and loan programs are

aimed at rural communities, public agencies, private nonprofit corporations and Indian tribes unable to obtain credit at reasonable terms from other lenders.

The Safe Drinking Water Act of 1974 authorizes EPA to set and enforce national drinking water standards but does not provide for funds to help water suppliers meet the standards.

EPA estimates that 12,000 communities — most of which are classified as small or rural — will need additional water treatment of some sort to meet EPA drinking water regulations.

Copies of the agreement are available from the EPA Press Office, room 329, West Tower (A-107), 401 M Street, SW, Washington, D.C. Telephone: (202) 755-0344.

Everything Bites!

LUBBOCK - It seems everything in the outdoors has the ability to bite. A Texas camper, angler, hiker and a few others can be potential victims.

Of course, the poisonous snakes and spiders should automatically be given a respectable distance, but even the small "cute" wild animals such as young ground squirrels, prairie dogs and coyotes can be hosts to disease-carrying fleas and ticks.

"The plague disease occurs naturally in Texas and is not something new, but its presence should be considered while in areas of the high plains where rodents abound," Dr. Board continued.

Landowners noticing a sudden die-off among prairie dogs should contact either the state health department or the P&WD. These two state agencies work together while determining the cause of death among rodents or other animals.

Lunar Phenomena Witnessed

THE PLANET Venus appeared as a star twinkling at the tip of a crescent moon Monday night and many fortunate South Plains residents gazed up at a phenomena that occurs only once every 22 months, and lasts less than 10 minutes.

As the moon passed in front of Venus, the planet was aligned in such a way that it appeared to be sitting on top of the moon.

The sequence of events which produced the optical illusion is called an "occultation," according to Ronald Johnston, director of Texas Tech's Moody Planetarium.

Johnston said South Plains residents were fortunate to witness the phenomena; for residents of South Texas to Hawaii, the moon would pass directly in front of the planet and no illusion would be visible.

Center News

By Mrs. J.E. Green

CENTER August 7 - We had a few days of cloudy, misty cool rainy weather, but Sunday night it turned hot again.

Sunday was a good day at Calvary Baptist church with many old timers attending the 30th anniversary and homecoming. There was a good sermon by the first pastor, Brother Bilbrey, now 80, of Plainview, who was accompanied to the meeting by his wife and other family members.

There was a bountiful dinner in the dining hall, plus one of those singing sessions that lasted until 4 p.m. A baptismal service followed the evening meeting. Bro. Payne was master of ceremonies.

We were glad to have present our two Navy boys, Gary Hill and Charles Bradford. They look fine. I guess Uncle Sam is being good to them.

Miss Vera Meredith is enjoying convalescing at home with an attendant. Mr. and Mrs. Hal Thomas visited her Friday. Also visiting were Mrs. Green and neighbors Mrs. Fred Battey, Mrs. Ola Warren and Mrs. Hudson. Mr. and Mrs. Curtis Meredith and son of Hereford came Friday and visited over the weekend with his mother, Mrs. C. M. Meredith, and all visited Miss Meredith.

Mrs. Elmer Warren was among those attending the Frizzell Reunion at Plainview Sunday. Her granddaughter Malinda of Lubbock came home with her for a visit.

Mrs. Fred Battey and Mrs. Ola Warren visited the Thomas Warrens Saturday and Mrs. Hal Thomas Sunday night.

Mr. and Mrs. Neal Wright of Rotan came Saturday, picked up her mother, Mrs. Ava Jackson, and went on to Amarillo to spend the weekend with another daughter and family, the Orbin Carrolls where they celebrated Mrs. Jackson's birthday.

Mitzi Beedy of Plainview is visiting her grandmother, Mrs. Leo Frizzell.

several friends made a trip to Crosbyton today.

Mr. and Mrs. Travis Lightfoot and Letha's mother, Mrs. Lindley, were in Haskell over the weekend attending a school reunion.

Visitors in the Marion Carpenter home last week were Mr. and Mrs. W. L. Stanfield of Kent, former neighbors when all lived in Irving. There were visits also at the Claud Carpenters Sunday.

Bro. and Mrs. Clay Muncy, Lockney, visited Miss Meredith Friday and Saturday.

The cannery is in full swing. Friday all the women were knee deep in a load of peaches brought in from "under the cap." Some corn, too.

Mrs. Green visited Miss Esther Peck Friday afternoon.

Mr. and Mrs. Herbert Forman of Wichita Falls spent Sunday in Lubbock visiting his brother Buren Forman in Methodist Hospital. Buren seems to be slowly recovering from injuries received in a recent car wreck. The Wichita Falls relatives spent Sunday night with his sister and husband, Mr. and Mrs. Henry Brewer.

Other visitors in the Brewer home Sunday were Mr. and Mrs. Fred McDougle of Crosbyton, the Millard Watsons of Mt. Blanco and the great-grand, Amanda and Deanna.

Visitors in the Clarence Ashton home Sunday afternoon were Mrs. Stiles and Mr. and Mrs. Wiley McNeal.

In a call Saturday from Frances Ashton to her parents, she stated it was "pouring down rain" in Connecticut.

Mr. and Mrs. Ralph Fulkerson of Wichita Falls arrived Sunday at the home of his brother, the Charles Fulkersons. A son Tony came Monday. All came at this time primarily to attend last rites for their sister, Mrs. Gracie Riggles, whose funeral was Monday at the First Baptist Church. Our sympathy is with her loved ones and her many friends.

New Hunting Guide Available

LUBBOCK - The 24-page "Guide to Texas Hunting and Sport Fishing Regulations" for 1978-79 is now available at Texas Parks and Wildlife Department offices across the Panhandle and South Plains with license vendors also furnishing copies for the general public.

These booklets are designed as a guide only and specific questions about each county should be directed to local Texas game wardens or P&WD offices. The new regulations will become effective Sept. 1, 1978 and will list game and fish regulations for a period of one year ending Aug. 31, 1979.

Texas has such a great variety of hunting and fishing opportunities for the outdoorsman along with different seasons, bag limits, and restrictions that it is necessary to list the basic hunting and fishing rules country-by-country in the guide.

A locator map of the state listing all counties including those with special seasons on antelope, javelina, aoudad sheep, prairie chicken, pheasant, mule deer, and chachalaca is presented in the center of the guide.

Information on hunting and fishing licenses is included along with the correct method of attaching tags and permits to the various species of game that require these special tags.

Special sections on fur-bearing animals, lake regulations, general saltwater fishing information, protected species of wildlife and tropical fish and aquatic plants are also included.

On the back of the new hunting and fishing guide is a form to be used by persons who witness a game violation and want to report the violation to the P&WD.

Texas is too large and vast for the Texas game wardens working the counties assigned them to catch or apprehend all the game and fish violators. When a game violation occurs, it is the people of Texas who lose, and if the violation is not reported, the violator will assume no one cares but the P&WD. Only with the participation of concerned citizens and their testimony can Texas game wardens apprehend those who vandalize property and steal our wildlife resources.

For additional information

about hunting and fishing regulations, parks, wildlife, or to report wildlife violations, call the nearest Texas game warden or the P&WD toll-free number 1-800-252-9327.

Facts from a pro on driving to survive.

Q. How do you pass someone on a motorcycle? Can you stay in the same lane if there's enough room or do you have to move into the left lane?—B. B., Wichita Falls

A. Move into the left lane. Motorcycles require the same passing margin and distance as any other vehicle, so don't crowd the cyclist when you pass or suddenly cut in front of him. Check over your right shoulder before returning to the right-hand lane to make sure there's enough distance between you and the cyclist. And don't forget to signal your intentions before moving left or right.

Q. My windshield wipers always streak the windshield so that it's even harder to see when it's raining. Is there anything I can do to avoid this?—K. P., Johnson City

A. Use your windshield washers when you first turn on your wipers. They should keep the windshield from streaking. Also check your wiper blades for cracks, especially after a long dry spell, and replace them when they are worn. It is also a good idea to service your washer bottle each time you stop for gas. Whenever you drive in rain, slow down, turn your headlights on low beam and, when you have to stop, start braking sooner.

Q. I've noticed signs by bridges and medians that consist of nothing more than a series of alternating diagonal black and white lines. Do they have a specific meaning?—J. B., Pearland

A. These diagonally striped signs mark the ends of the side rails of narrow bridges, medians, and other obstructions so that motorists will be more aware of them.

Cedar Hill News

By Grace Lemons

An inch and one half of rain fell in some parts of Cedar Hill this week.

Mr. and Mrs. J.R. Kelley visited with Mr. and Mrs. W.E. Lackey Sunday afternoon.

Connie Welch of Amarillo was home for the weekend and brought Kathy Thompson of West Minister, California home with her.

Rev. and Mrs. Jackie Thompson are attending camp meeting again this week. They stayed in Lubbock all last week at the Assembly of God camp grounds. Tuesday night Edna Gilly accompanied Cliff and Ernestine Gilly and Shawana Wolf from Martindale, Indiana who was visiting the Gillys to Lubbock for services.

Friday night Edna Gilly, Ruth Hill, Juanita Teeple, and Mildred Franks went to camp meeting at Lubbock.

Sunday, Gladys Fortenberry, Imogene Fortenberry, Clara Redd, and Edna Gilly accompanied Ruth Fortenberry to Lubbock to attend camp meeting.

Last Monday Mark Gilly and Edna Gilly visited Mr. and Mrs. Claude Hammitt in Plainview.

Eldon Fortenberry and son, David of Hereford spent Monday and Tuesday nights with Mr. and Mrs. Robin Fortenberry while they were painting houses in this area.

Saturday night Rainey and Shirley Varner and Sabena of Floydada visited with Mr. and Mrs. Robin Fortenberry.

Mr. and Mrs. Durrel Fortenberry and Eldon Fortenberry and David had lunch with Mr. and Mrs. Robin Fortenberry Wednesday.

Barbara VanHoose and children of Lubbock arrived Tuesday to spend several days with Mr. and Mrs. John D. VanHoose.

Edna Gilly was among those that attended the funeral of Gracie Riggles at Floydada in the First Baptist Church Monday.

Ruth Hill of Floydada had lunch with Edna Gilly Monday and visited with Doyce and Esther Smalley later.

Lewis Hill of Donalsonville, Georgia, brother of Daris Hill recently suffered a fatal heart attack while fishing near his home. He is survived by his wife, one daughter, one son, five sisters and three brothers.

Gladys and Tom Fortenberry went to Lubbock Saturday and spent the day with their daughter, Patsy Boone. Paula and Ron Vick of Alburquerque were also there.

Elwauna Taylor who recently had major surgery is recuperating nicely in her home in Lockney.

Bud Taylor returned Tuesday after spending a week in Dallas with his sister and husband Mr. and Mrs. Charlie Joiner.

Junior and Martha Taylor visited Mattie Davis in Floydada Sunday.

Mrs. Grace Lemons accompanied Mrs. Clara Mize to Olton Monday morning to visit a friend. Joyce Harper who was caught in the flood area of Stamford Lake last week. She reports three feet of water in their home, the deep freeze floated in the water, and the car and pickup were under water.

Nelda and Wayne Jernigan, Jana and Pat of Louisiana arrived Tuesday at the home of Mr. and Mrs. Cephus Fortenberry. Wednesday the Fortenberrys and Todd and Mabelle Harris went to Dumas to spend the night with Mr. and Mrs. Troy Smith and family. Thursday the Jernigans went to Estes, Park, Colorado and the Fortenberrys returned home.

Todd, Mabelle, and Terry Harris of Floydada are staying with their grandparents this week while their mother, Phyllis Harris is recovering from undergoing minor surgery last week.

Linda Lemons was among the group who were at the 1964 Lockney class reunion in the home of Mrs. Elnor Schacht in Lockney Saturday. Mrs. Yoichiro Ono (Noriko Nakayama) of Japan was present with her two children. Mrs. Ono was Lockney's second foreign exchange student.

The Fortenberry Reunion will meet at the American Legion Hall in Lockney, Saturday, August 12th beginning with a program at 10:30 a.m. Bread, meat, drinks and paper plates will be furnished and enjoy the day. Cedar Hill received a rain

Tuesday afternoon with reports ranging from 2 inches 40 hundreds to three inches.

The Virginia blue laws enacted in 1619 required men to dress according to their rank.

Former Ag Secretary Coming To Lubbock

Harry Garretson, president, West Texas Agricultural Chemicals Institute, announced today that Dr. Earl Butz will be the honored speaker at the 26th Annual Institute meeting. This conference will be held at the Lubbock Memorial Civic Center Sept. 27-28, 1978.

Butz, who is Dean Emeritus of Agriculture, Purdue University, and former U.S. Secretary of Agriculture, 1971-76, will give the keynote address on "Carder, Congress and Commodities." The banquet will be the evening of Sept. 27. Tickets will be limited to available to the public at \$12.50 each. For further information, contact the West Texas Ag-

ricultural Chemicals Institute at P.O. 561 Lubbock, TX 79408, or call (806) 763-4666 ext. 14.

The West Texas Agricultural Chemicals Institute is a non-profit organization. Its purpose is to promote the chemical industry through chemical dealers, suppliers and technical personnel.

VA NEWS

Veterans of World War II and later periods of military service, who have serious service-connected disabili-

ties, may still qualify for vocational rehabilitation training under laws administered by the U.S. Veterans Administration. According to D. G. Ayres, Service Officer for Floyd County, the statutory deadline dates, which previously prevented some of these veterans from getting additional training have been abolished.

Until 1977, veterans generally had nine years from the date of their discharge to take advantage of this kind of training. The Congress enacted legislation

which eliminated the termination date for certain seriously disabled veterans. As a result veterans who were discharged from service before January 1, 1969, and who have serious service-connected disabilities, should consider applying for training or working in an unsuitable job and need education or training to obtain suitable work.

The Congressional action last year provides an open-ended eligibility for veterans who need vocational rehabilitation training that will allow employment
