Winds Conquer 'Lopes, 21-0

Arredondo Inspires 2nd Triumph

By Doug Simpson

Dynamic Junior Arredondo galloped 181 yards on just 19 carries against a stubborn Post defense, and a tenacious, big-play defensive unit held its opponents scoreless, powering the Whirlwinds to a 21-0 trouncing of the Antelopes Friday night in the 'Winds' second victory of the young season.

The sound performance by L.G. Wilson's troops Friday could be summed up in one word—awesome. Offsetting a slow start, Arredondo and his cohorts amassed 374 total yards, including 297 rushing yards, and a trio of touchdowns in what could be described as a "statistical runaway". Obviously, FHS dominated the contest on the scoreboard, too.

The win in Post improved Floydada's season mark to 2-1 and left the winless 'Lopes with and 0-2 record. The contest also marked the first time in four years that the 'Winds have been able to knock off the Antelopes.

But the Whirlwinds were far from displaying a flawless performance. FHS ballcarriers coughed up the ball three times to end potential scoring drives. For comparison, the 'Winds defense forced six Antelope turnovers, including three interceptions by Kary Helms.

The Antelopes held the edge on penalties. FHS was penalized four times for 50 yards in markoff yardage, while Post was penalized just twice for a 10-yard total.

But on almost every other category on the statistical sheet, the 'Winds were highly dominant. FHS collected 20 first downs, and Post could manage only 5 against the immovable Floydada defense.

The Whirlwinds were held scoreless in the first quarter, gained a touchdown to lead at the half by 6-0, and scored twice in the second half to insure the victory. Arredondo accounted for a pair of scores, and Tracy Womack snared an aerial from quarterback Todd Vickers for another.

1ST HALF
Floydada won the toss and elected to receive. FHS marched 69 yards in 15 plays on the opening drive engineered by the hard-running of Mac Collins. With much of the time in the initial period gone, the 'Winds were knocking on Post's door inside the 10-yard line. But Collins was hit with a jarring tackle and lost the football near the Antelope 6 to end the threat.

Post moved out to the 31-yard line by the running of Cliff Kirkpatrick, but FHS Danny Cedillo and Neal Becker threw Larry Gonzales for losses on 2nd and 3rd plays to stop the drive.

Collins fumbled again on the first play of the 'Winds ensuing series, and Greg Pollard recovered for the Antelopes at his own 45-yard line.

Kirkpatrick carried four times to move the 'Lopes inside Floydada territory at the 36. But on a crucial fourth and inches situation, Cedillo and Helms trapped the Post running back for a yard loss and the Whirlwinds took over, first and ten.

Floydada began moving again and found themselves inside the Antelope 30, but the 'Winds failed the convert the big play and fourth down, when Vickers' pass to Helms at the goal-line rolled off the senior receivers' fingertips.

The Whirlwinds put together a scoring march with time winding down in the first half. With Post's Bryan Compton in punt formation deep in his own territory, linebacker Ricky Luna burst through and got a hand on the kick. The punt travelled only 31 yards to the Post 38, where FHS took over offensively.

Floydada went the distance in just two plays, with Arredondo going the first 22 yards, and Womack snaring Vickers' toss in the end zone for the score.

Joey Luna's extra point kick sailed wide, and Floydada led 6-0 with 2:55 remaining in the first half.

The 'Lopes moved out to their own 41 on the ensuing drive, but Greg Jones pounced on a fumble by Bobby Finch near the 40 to thwart Post.

HALFTIME
The Whirlwind marching band, led by director Rusty Sherman, displayed another excellent performance Friday night. Among the songs performed by the FHS band was popular single, "Disco Inferno."

SECOND HALF
Paul Radloff set up a potential Floydada score by recovering Bryan Compton's bobble on the first play of the third quarter. The 'Winds took over on the Post 42. But on the second play from scrimmage, Vickers coughed up the third FHS fumble on the 29-yard line, where Radloff recovered again to save the drive he instigated.

Helms set up the actual score when he picked off a Compton pass at the 45 and returned it 17 yards to the Post 28.

On the first play of that scoring opportunity, Arredondo took a Vickers pitch around his own left end and sailed 28 yards to paydirt. Vickers tossed to Helms for the two-point conversion fake to make it a 14-0 ball game with 7:55 to play in the third quarter.

The Whirlwinds iced the victory in the final period by putting together a 67-yard, 11-play drive which was characterized by the rushing efforts to Collins. The FHS fullback carried the ball 6 times for 29 yards and two first downs, with Arredondo going the final 32 yards on a well-executed sweep

RAYDON COLSTON and Richard Proff Hale will share the pickup groceries at Oden Chevrolet. They guessed \$239.00, and there was \$28.78 worth of groceries. It is interesting to note that the lowest guess was \$55.50 and the highest was \$115.00. It is also noteworthy that men, men guessers won.

ON OCTOBER 22 we will be publishing the TV schedule and attracted the schedule for a six period. The schedule will appear on Sunday edition for the week's listing. The schedule will include the new TV programs.

ALL THE SEVENTH AND EIGHTH GRADERS are off to a slow start to Post Tuesday. The seventh graders got shut out and the eighth graders lost. Marty Covington made our team makes the eighth graders 0-2 season and the seventh graders 1-1 and a tie.

Put your eye on these teams, they'll be playing at Tuesday night.

PROSPECTS of a new county look pretty bleak at this time. Commissioners have pretty well used the revenue money to build roads and a jailhouse. It is requiring them to build a house, and if they don't use the money for grading roads, they have to raise taxes. The people feel this is okay...but they certainly don't want any tax increases.

People are of the opinion that they should be used to grade the roads and revenue money should be used for something nice like libraries, and will be around after the money is spent.

EXASPERATED...I get impatient just seems to me that with all the smart scientists we have all over the world, a cure for cancer could be discovered. The American people have contributed millions of dollars to the American Cancer Society. I don't give up on medical research...I still think cancer will be solved...and in the meantime, we should all continue to contribute to the continued research.

CITY OFFICIALS have started negotiating to buy water from Amarillo, although their water may not play out until the year 2000. Canyon would like to divert their well water with the water via Amarillo agreement in 1980.

Canyon might have a choice...they might just be able to buy water from Mackenzie. Of course the water to Amarillo would be shorter and more expensive. The people who all will want some of Mackenzie water before it's all

...that blur is Junior Arredondo.

The 'Winds big 21-0 victory over Post. But long-time assistant Joe Paty provided some of his own comments about Floydada's performance.

"We had very good workouts prior to the Post game this week," Paty said, "and our players realized the mistakes they had made against Muleshoe. There was no lackadaisical attitude in practice after the Muleshoe game."

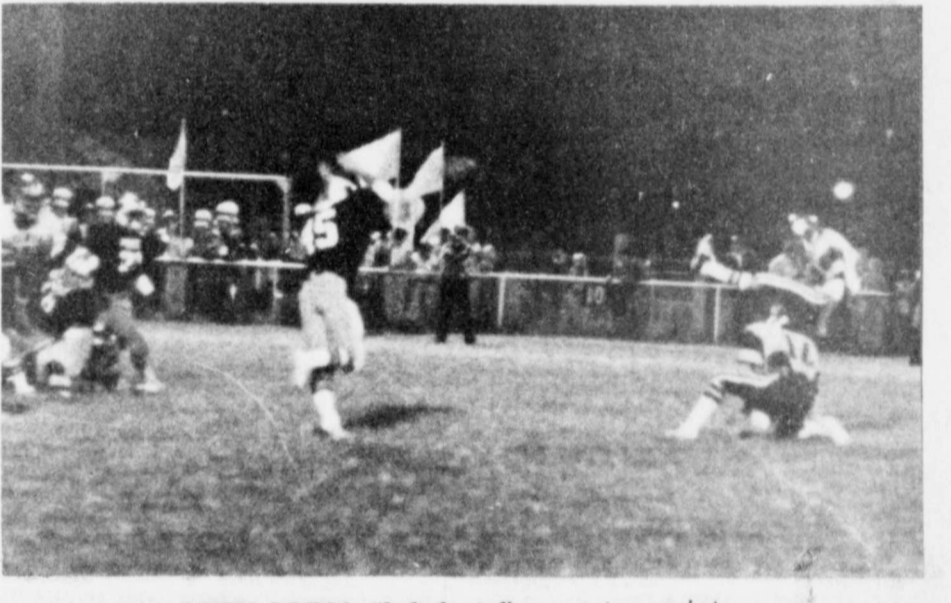

"In the Post game, we went back to running hard and blocking well," the coach added, "and our linemen were able to pick up their assignments well and open up the holes for our backs."

around his own right end. This time, Luna's PAT split the uprights for a 21-0 Whirlwind advantage, that score also proving to be the final outcome.

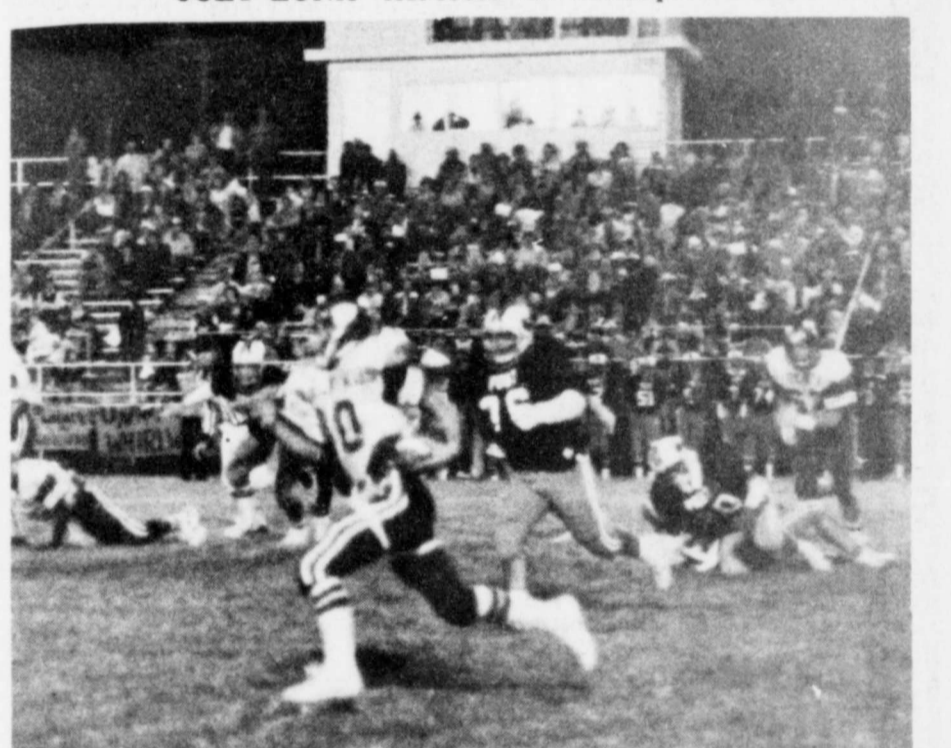

Post took the ensuing kickoff and tried to engineer a scoring march, but FHS defenders Tim Radloff and Cedillo sacked Compton twice to put a damper on Post's offensive efforts.

Police After Junk Cars

No...the Police Department is not wanting a few "junkers" to drive. Actually, they're enforcing the City's junk car ordinance. Last week they fined five persons for failure to remove junk cars.

If you have a junk car, you better hide it in the barn, or get rid of it. The Police will be working another area of town this week.

In other action the Police investigated two accidents; one at Missouri and Texas, one on North Second and U.S. Highway 70. There were no injuries.

Two persons were fined for curfew violations.

Ogden Love Fund

On September 1, the two year old daughter of Larry and Cindy Ogden swallowed a penny. Since that time she has undergone two surgeries and suffered from various complications, including pneumonia. She was in intensive care in Methodist Hospital in Lubbock for two weeks and was moved to her room Wednesday.

Donations to the love fund may be made at the First National Bank in Floydada.

American Agriculture Seeks Loan Increase

SPRINGFIELD—American Agriculture is urging farmers and ranchers to write their congressman before October to encourage them to back a measure to increase loan rates for wheat, milk, corn, soybeans and cotton to 90 per cent of parity.

"It's necessary for this proposal to be considered emergency for Congress to act on it," said Eugene Schroder, national spokesman for American Agriculture.

Schroder said the measure can only be considered "emergency" if enough congressmen co-sign it. Richard Nolan, D-Minn., introduced a 90 per cent parity proposal in the

House, while Sen. Edward Zorinsky, D-Neb., introduced the same proposal in the Senate on Monday.

So far, the Senate measure, SJR 155, has three co-sponsors besides Zorinsky, while the House resolution, HJR 1093, has 25 co-sponsors.

"Agriculture Secretary Bob Bergland suggested Congress raise price supports to 90 per cent of parity in 1976, when he was in the House. As Agriculture secretary he has the power to do that to anything under the set-aside program, but now he says such a measure is not necessary," said Schroder.

He added, "We'll see if we can get our legislators to mandate a 90 per cent of parity proposal."

Alpha Mu Delta Discuss "Success"

The Alpha Mu Delta Chapter of Beta Sigma Phi met September 19 at the Farm Bureau office in Floydada.

Special guests, Ilene Kendrick and Lynn Daniel, were present for the exchanging of gifts and the revealing of last years secret sisters. Refreshments were served by hostess Jo Ann Patterson.

Vickie Allen was presented a Mitzpah Disc since she is moving to Lubbock and former members Teresa

Whittle and Carrie Bertrand were welcomed back.

Jo Ann Patterson gave the program on "Success" and the risks involved to achieve it. This was followed by a discussion on the meaning of the word to each individual. A list of books available at the local library was furnished with several of them being available for examination after the program.

Members present were Vickie Allen, Carrie Bertrand, Pat Cates, Lu Ann

Collins, Diana Gross, Donna Henderson, Julie Hickerson, Jo Ann Patterson, Kaye Powell, Daphna Simpson and Teresa Whittle.

A rush party is scheduled for September 23 at Light-house Electric at 7:00 p.m. The next meeting will be combined with a social on October 3, with the place to be announced at a later date. Hostesses will be Teresa Whittle and Carrie Bertrand with Pat Cates giving the program.

BWC Meets With Frances Mitchell

The Baptist Womens Circle of the Floydada First Baptist Church met with Frances Mitchell, Tuesday Night, September, 12 for their first meeting this fall.

After being served a delicious meal, the meeting was opened by President, Mattie Wester, Jo Payne sang a beautiful song, "A Mighty River" which was in keeping

with the Missionary theme for the evening. After the reading of the minutes by Anne Swepston, Frances Mitchell brought an interesting program with her slides of the different churches of the world, especially those of Ethiopia, Egypt, Israel and Moscow. The meeting was dismissed in prayer by Mable Redwine. Those attending the meeting were:

Anne Swepston, Jo V. Bingham, Nell Swinson, Gwen Cogdell, Thelma Jones, Lois Guffee, Jo Payne, Ruth Williams, Mable Redwine, Ina Hammonds, Mattie Wester,

Mary Corley, Oleta Collier, Leona Warre, a new member, Veda Wilson and the hostess Frances Mitchell. Everyone enjoyed a very informative evening.

Joey Kemp Has 12th Birthday

Joey Kemp, son of Mr. and Mrs. Sammy Kemp, was honored with a birthday party, Wednesday, September 20 in the family home in Floydada.

Cake, ice cream and punch were served to the birthday boy and his guests.

Theme for the party was "Floydada Little Dribblers."

The birthday cake was decorated with Joey's All-Star trophy and a miniature basketball. The printing on the cake was "Happy Birthday" All-Star. Balloons hanging from streamers along with green plates and multi-colored napkins and cups completed the theme.

Plate favors wrapped in

white net consisted of bic pens along with assorted candy and suckers.

Guests attending included Jerry Wayne and Chris Clayton, Mikel Lipham, Jill Willson and Scott Neeley.

Joey's little brother, Cory, helped open his presents.

Special guests included two grandparents of Joey, Mrs. Stanley Edwards of Crosbyton and Mr. Ruben Kemp of Floydada, and an aunt, Mrs. Larry Ferguson of Plainview.

Mrs. Jerry Clayton and Joey's mother also helped him celebrate.

RESULTS OF A STUDY ON ASSAULT and homicide in general indicate that most family violence occurs on a weekend, and more occurs on Sunday than Saturday, reports Debby Johnson, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Becomers: Those who find time to give that extra something and in so doing contribute to their own potentialities.

Social Events

ENGAGED Mr. and Mrs. J.P. Taylor announce the engagement and approaching marriage of their daughter, Kate Gwen Taylor to Dale Pennington Pierce, son of Mrs. A.R. Pierce and the late Mr. Pierce of Lubbock. Katie is a graduate of Floydada High School and Texas Tech University. She completed requirements for an elementary teaching certificate in May and is employed as a kindergarten teacher at Lockney Elementary School. Mr. Pierce is a graduate of Slaton High School and Texas Tech University. He is employed by the A.C. Neilson Company as a field auditor. The couple will be married December 23, 1978 in Lockney Texas.

Ten Floyd County Women On Outstanding

Young Women List

The Board of Advisors for the Outstanding Young Women of America Awards Program announced the women who have been selected for inclusion in the 1978 edition of Outstanding Young Women Of America.

The Outstanding Young Women of America Program is designed to honor and encourage exceptional young women between the ages of 21 and 36 who have distinguished themselves in their homes, in their professions and in their communities. Accomplishments such as these are the result of dedication, service and leadership-qualities which deserve to be recognized and remembered.

This is the goal of the many leading women's organizations, college alumni associates and public officials who nominate deserving young women to participate in the program. Serving as chairman of the program's Advisory Board is Mrs. Dexter Otis Arnold, honorary president of the General Federation of Women's Clubs.

The women listed, along with approximately 12,000 fellow Outstanding Young Women Of America from across the United States, will be presented in the prestigious annual awards volume. In addition, they are now being considered for one of the fifty-one state awards

Births

Monte and Gay Huddleston of Sapulpa, Oklahoma are the parents of their first baby, Marc Wade, born September 15 in a Sapulpa Hospital. He weighed eight pounds, 14 ounces.

Grandparents are Mr. and Mrs. Marten Bradley of Mustang, Oklahoma. The mother is the former Gay Bradley. Maternal great-grandparents are Mrs. Ruth Royal of Weatherford, Oklahoma, and Mrs. W.L. Bradley of Lockney.

Mr. and Mrs. Lon Johnston of Lubbock are the parents of a son, Jeremy Lon, born September 18.

Floydada grandparents are Mr. and Mrs. Ralph Johnston.

Alcohol Threatens Unborn Baby

COLLEGE STATION-- Pregnant women who drink alcohol may threaten their unborn baby--with malformation or mental deficiency, a health education specialist warns.

Three ounces of alcohol or more per day is a definite risk, says Carla Shearer. Ms. Shearer is with the Texas Agricultural Extension Service, The Texas A&M University System.

"Drinking only one to three ounces of alcohol per day also can be risky, and pregnant women should approach even these amounts with caution," she adds, quoting information from the National Institute on Alcohol Abuse and Alco-

holism. Researchers say that of the total newborns in the United States, thousands are malformed and mentally defective because their mothers drank too much alcohol during pregnancy, Mr. Shearer adds.

Due to evidence that alcohol consumption by pregnant women can cause-in some cases--birth defects in children, the Food and Drug Administration is now considering new regulations that would warn consumers of this danger.

Labels of caution would appear on certain oral drugs and foods that contain alcohol, according to the proposed regulations. Alcoholic beverages might

also carry such labels, Mr. Shearer says.

Just "how much" alcohol is "how dangerous"--and "when" during pregnancy--are still areas of uncertainty, but researchers are still looking for the answers, the specialist says.

"However, until we know the answers, extreme caution with alcohol consumption is best," she urges.

Explaining how alcohol damages an unborn baby, Ms. Shearer says that when a pregnant woman drinks, the alcohol goes through her bloodstream and that of the unborn--in the same concentration.

"In other words, if the mother is drunk, so is the baby," she stresses.

V A News

Every day that passes, more veterans and their families are learning the value of a discharge from military service. According to D.G. Ayres, Veterans Service Officer for Floyd County, many veterans who become old or disabled are unable to obtain benefits from the Veterans Administration because they cannot locate their discharge papers. When a veteran, or his survivors following his death, have a need to apply for compensation, pension, hospitalization or some other benefits, it is necessary to provide the VA with a copy of a discharge or release from active duty. If the discharge has been lost, and the Federal records destroyed in the 1973 fire at the St. Louis Records Center, a person is faced with a serious problem.

Under Texas laws, a veteran can have his discharge from the military service recoded, free of charge, at

Teagues Named To Top Management Positions

Mr. and Mrs. Riley Teague of Floydada have been named to the top field management positions of Field Directors with Hilcoa Corporation of San Jose, California.

The Teague's have been distributors for Hilcoa "Better Living" products for six years. As Field Directors, they are now in the top ranks of Hilcoa's field organization, supervising their own independent distribution business.

Hilcoa Corporation manufactures and distributes natural source nutritional supplements, personal care products, and biodegradable home care products. Hilcoa has subsidiaries in Canada, Australia, and the United Kingdom.

Riley Teague and his wife, Lula, will soon celebrate their 52nd wedding anniversary. The Teagues formerly operated a farm in the Floydada area.

MBFA Foundation Cares For Elderly And Disabled

Lubbock based West Texas Home Health Agency operates in 28 counties and makes about 2,550 monthly visits serving over 600 patients a month. MBFA Foundation operates home health services in four other provider areas covering 134 counties in the West Texas area. Provider offices are also located in Dumas, Abilene, Seymour and Kerrville serving their surrounding counties.

West Texas Home Health Agency is annually certified by the state and must comply with state and federal criteria, quality standards and regulations and must follow all Medicare guidelines. For further information concerning home health services, call Freida Dunn at 293-4216 in Plainview, Texas during the day, or 983-2674 in Floydada, Texas after 5:30 p.m.

Other MBFA services offering alternatives in care to the elderly and disabled include Texas Homemakers Service offering personal care, light housekeeping, escort, transportation and companion services and meal preparation to those unable to carry out these already done so should take his discharge papers to the County Clerk's office and request that they be put on record. In doing so, he may avoid any problems in applying and personal responsibilities themselves. This

ing for veterans benefits at a later date. Every County Clerk in the State of Texas is familiar with this law, and will put on record the discharge papers of any veterans of the Armed Forces of the U.S. Regardless of when a veteran was discharged or released from service, his discharge papers can be put on record at the courthouse. Some five million military records were lost in the fire in 1972 in St. Louis, and many veterans are now learning that there is no record of their service anywhere. Every veteran, for his own peace of mind; and that of his family, should heed this advice and have his discharge recorded at the courthouse.

has enabled many citizens of Lubbock to remain in their homes when self and home care becomes difficult.

Within the past year, MBFA has expanded its services to include eleven nursing homes located in the West Texas area. Lakeside Memorial, Memorial Convalescent Center and Skyview Memorial Home are the three Lubbock nursing homes. The Foundation also operates a halfway house for mentally retarded adults in Lubbock called Freedom Hall.

DID YOU KNOW

... that baseball's first World Series with a million dollar gate was in 1923 when the New York Giants battled the New York Yankees? The record attendance of 301,430 marked the first series played at the huge new Yankee Stadium. Despite two home runs by the Giants' Casey Stengel, who later as manager piloted the Yankees to six World Series championships, the Yankees won the series in six games.

... that The Gillette Company is celebrating the 40th year of its association with baseball's fall classic by presenting a \$1 million World Series Bonus Offer for baseball fans and other consumers?

... that consumers can participate in the Bonus Offer by bringing the game piece from early fall issues of national magazines to a participating store where a Gillette World Series display, sporting a home plate-shaped "unscrambler," reveals which prize they may have won? Prizes include 10 AMC Concord D/L automobiles, 25 \$1000 cash awards and 5000 Gillette promax compact hair dryers.

... that in that first million-dollar series of 1923, Babe Ruth whacked three homers, walked eight times and batted .368?

In addition to skilled intermittent nursing care, physical and speech therapy, home health aide service, social services, counseling, nutritional instruction, referrals to appropriate community agencies and the delivery and use of medical supplies as instructed by the patient's personal physician are carried out.

Depending upon the resources of the patient, services are paved through Medicare, Medicaid, Veterans' Administration, Champus or private insurance benefits. Both skilled and unskilled care can be given by the nurse on a private pay basis. This could include personal care such as bathing or administering injections of vitamins.

If continuous nursing care is not required by the patient, home health care offered by West Texas Home Health Agency is an alternative to nursing home or hospital care so that the patient can remain in a familiar setting surrounded by loved ones, neighbors and friends.

MBFA is a not-for-profit Christian Foundation also supporting radio, TV and tape ministries through Lay Witness and Upreach Ministries, aids world ministries in Taiwan and Tanzania and supports Christian education through the Fellowship of Christian Athletes and Here's Life Lubbock.

Mrs. Johnny B. Brown

Miss St. Ama, Mr. Brown Wed

Miss St. Ama, daughter of Mr. and Mrs. J. W. Brownwood, and Mr. Johnny B. Brown, son of Mr. and Mrs. Bill Brown of Lakeview, exchanged vows August 29 in the First Baptist Church, Lockney.

The bride wore a floor-length gown of organza, trimmed with yellow lace and the high waisted, V-shaped neckline. The bride wore a cascade bouquet of yellow and blue carnations. As she entered the chapel she presented her mother with a yellow rose, and as she left she presented the groom's mother with a yellow rose.

Susan St. Ama was matron of honor, and Phyllis Pate served as bridesmaid. They wore yellow and pastel

blue floral dresses and carried yellow and blue carnation bouquets. David Carroll was the groom's best man and Paul Brown was his brother's groomsman.

After the wedding, a reception was held in the fellowship hall of the church, where cake and punch were served.

The bride attended Andrews High School and Howard Payne University. She completed an L.V.N. course at Brownwood High School. The bridegroom attended Wayland Baptist College, Texas Tech University and San Angelo State University. He plans to continue his training in the medical field.

OS Steer Roping To Feature Festus

POST--The 8th annual OS Steer Roping and Art Exhibit on the OS Ranch southeast of here September 30-October 1 will feature Festus Haggen, popular deputy of television's Gunsmoke fame, and the Original Texas Playboys, the late Bob Wills' band, as added attractions.

Haggen, who is Ken Curtis in real life, will be arena marshal for both days of roping. The Texas Playboys will entertain at the Sunday barbecue preceding the Sunday afternoon steer roping.

Kenny Call of Newhall, Calif., who won the 1978 world champion steer roping crown at the recent National Finals at Laramie, Wyo., will head the field of 36 steer ropers.

Roy Cooper of Durant, Okla., world calf roping champion who is well on his way to the 1978 title with \$52,143 in winnings, will meet Phil Lyne of Artesia Wells, former world champion, in a match calf roping to highlight Saturday's dawn to dark roping program.

Some \$200,000 worth of Cowboy and western art will be on exhibit and sale in the OS ranch house with many of

the 32 participating artists attending in person.

Last year the "OS weekend" raised a record \$41,000 for the West Texas Boys Ranch at San Angelo.

ist with the Texas Agricultural Extension Service. Both breeding and market hog numbers have increased only 1 percent over a year ago, so hog operations should remain profitable through the first half of 1979 and probably longer. Prices for market hogs should be in the \$46 to \$49 per hundred-weight range for the last quarter of the year.

HOG OUTLOOK BRIGHT

Hog production continues bright in the U.S. as producers have kept supplies in line by avoiding overproduction, points out a livestock marketing special-

ARENA MARSHAL--Festus Haggen, the deputy in TV's long running Gunsmoke who is Ken Curtis in real life, will be the arena marshal for both days of roping at the OS Steer Roping near Post, Texas, Saturday and Sunday, September 30-October 1. He is shown above with friend.

EXTENSION ECONOMIST IN MANAGEMENT NAMED--James R. Ahrenholz has been named to the position of economist-management with the Texas Agricultural Extension Service. He will coordinate statewide educational programs in farm and ranch management, including such areas as production economics and estate planning. Ahrenholz served as a management specialist with the Iowa Extension Service for six years.

ACCIDENT Control--As modern farm and ranch machinery gets larger and taller, the risk of accidents with overhead electrical wires increases. The Texas Agricultural Extension Service advises farm operators to lower all equipment before transport and to be especially alert to clearance distances.

Facts from a pro on driving

Q. If you have a car wreck on highway in a city, which police agency should you call to investigate the accident?--B. L., San Antonio

A. In most instances municipal police investigate accidents on city streets. If you are on a highway, you may notify any police agency. The responsible agency will be dispatched to the scene.

Q. Is a flashing red light as a 4-way stop on a regular street?--N. B., Austin

A. Yes. A flashing red light is the same as a stop sign. You must make a complete stop and then proceed when safe to do so.

Q. Daily I meet drivers who are impatient. They are cutting me off by first stopping in the intersection, then turning to the left. Isn't turning in this manner dangerous? Neither of us can see oncoming traffic. What should I do?--G. R., Houston

A. The safest way to make a left turn is to stop in the middle of the intersection, then turn to the left of this mark. By doing this, drivers can avoid forcing you to stop around them, thus tying up traffic.

Q. Is it courtesy or law to stop for a funeral procession?--T. K., Midland

A. Texas law does not require motorists to stop for funeral processions; however, some laws granting funerals the right of way to members of a funeral procession to pass is considered a gesture of courtesy.

If you have a question on driving, write to: Texas Office of Traffic Safety, P.O. Box 1165, Austin, Texas 78767

PIGGLY WIGGLY INTRODUCES PRICE WATCHER CAMPAIGN

Like many supermarket shoppers, Sally Worski is concerned about high food prices. "It's terrible," she says, shaking her head. "The prices are so high I have trouble just feeding a family of four."
 Rising food costs are a problem, but people have to eat and Mrs. Worski's family is no different. So how is the New Mexico shopper coping with this problem?
 Armed with plenty of paper, a pencil and a clipboard, Mrs. Worski has joined a team of Piggly Wiggly "Price Watchers" that goes from store to store checking and comparing food prices in which the findings are periodically revealed in Piggly Wiggly commercials and newspaper ads.
 This new campaign works to insure that Piggly Wiggly prices stay competitive in 40 Texas and New Mexico cities, including Floydada, where these Shop Rite Foods, Inc., stores are located, Wally Williams, president, explained.
 Following a survey on shopping habits of consumers in six area Southwest cities, the decision was made by Piggly Wiggly to lower its prices storewide because of the survey's conclusion that the majority of shoppers are extremely price conscious. Findings also should convenience as a major factor in selecting a grocery store, followed by courteous employees, savings stamps, meat, produce and cleanliness.
 To further enforce an effective campaign, Piggly Wiggly promises to "Triple the Difference" to consumers who find lower prices on identical items at other stores. If another supermarket's total is lower, shoppers just bring in their Piggly Wiggly receipt and a list of the other store's prices to receive a triple refund on the price difference. Fresh meat and produce, however, will not be included because quality, cut and trim varies from company to company.
 Price watchers can be easily identified wearing green and white scotch plaid outfits, driving vividly painted yellow, green and red striped Volkswagens, specially marked as the "Price Watcher Wagon," Williams said.

FLOYDADA Rest Home Birthday Party

It's time to have a party in the lovely month of September... So join us for a festive time... These birthdays to remember! Mrs. Docia Manning Counts back to '91... But years for her aren't dragging... She still likes lots of fun!
 We greet our Mr. Bostick... His parents named him Green... But don't you let that fool you... He's sharp...oh, let's say keen!
 Mr. William Mooney Still likes to celebrate... Though, maybe, somewhat slower... He "perks" at his own "gate".
 Our Mrs. Smith, called Effie Whose years are 92... Still smiles and has a "howdy" For friends and neighbors, too.
 To Mrs. Florence Badgett... We wish a happy day... May every year be better For you, in every way.
 To Mrs. Carrie Cumbie Whose age is 94... We wish the best of everything... That life may have in store.
 Mr. Hughes is with us To celebrate his "day"... He's ready for a party And THAT without delay!
 We couldn't have this "gala" Without the birthday song... So get your "vocals" ready And come out loud and strong!

Ladies of the church of Christ (City Park) entertained residents of the Rest Home with the monthly birthday party on Thursday, September 14. There were seven honorees but only four were able to attend the party. All were ushered into the dining room with the honorees being seated at the "honor" table. Their places were marked with special cards.
 The table was laid with a white cloth and centered with an assortment of silk flowers, including roses, in an array of fall colors. The birthday cake was iced in white and beautifully decorated in colors that blended with the floral arrangement. A delicious fruit punch was served with the cake to honorees. Other residents, guests and employees.
 The next party will be Thursday, October 19, 2:30 p.m. Please come and be with your friends and loved ones who have birthdays in October.

To Breath Or Not To Breath..... Sometimes That Really Is The Question!

By Duffy Ratheal

Ever stopped breathing? If you have then you know it is a terrifying experience. Ever been present when someone else temporarily stopped breathing? Did you know what to do in such a circumstance? Well, Health 1 teacher at Floydada High School, Dale Tyer, is doing all she can to educate the community to the life saving value of Cardio-Pulmonary Resuscitation (CPR), a closed chest and mouth type to resuscitation.

Health 1 is a state required course for high school graduation and is made up primarily of freshman students. In Floydada CPA is included in first aid instruction. Mrs. Tyer began teaching CPR approximately seven years ago, and after learning that certification was available, attended courses essential to receiving certification. To retain certification, Mrs. Tyer attends a refresher course each year, the most recent 8 hour course being taught at West Texas Hospital in Lubbock.

From the time a person's

breathing stops, it is about four minutes until brain damage begins to occur. If during this vital period, someone is present who knows the proper procedures to take, lives can be saved. The purpose of the high school instruction is not to turn out professional medical persons, but to provide the students with the basic knowledge to handle a situation until trained medical personnel and equipment do arrive.

There are many instances when CPR may come in handy...choking during meals, swimming accidents, young children swallowing objects...any time that breathing stops. Anyone can learn the method, and new mothers are especially urged to do so. The youngest persons Mrs. Tyer has taught have been about 10 years old.

Does the need for CPR ever really come up in real life situations? Ask the near drowning victim to whom L. G. Wilson, an FHS faculty member, applied the procedure. Ask the near choking relative of student Keith

Nixon, who was preparing to use the technique when the object in the throat dislodged. The need does come up, and more often than you might think.

Mrs. Tyer teaches CPR to the entire Floydada school faculty as well as to the students. Others in the community involved in education involving resuscitation include the Scouts, at least one Study Club, Lighthouse Electric and Pat Ochoa.

The value of educating the community to the life saving procedure has been demonstrated in Seattle, Washington, where deaths by stoppage of breathing have been cut by a large percentage. How? Everyone—not just students and teachers—everyone in the city over about 12 years of age is required to learn CPR.

The only equipment necessary to teach CPR is a Resci-Anne dummy. Floydada is one of the few area schools which provide instruction in this area. We think the system and Dale Tyer are to be highly commended for their efforts...for caring.

FLOYDADA FOLK OPEN JEWELRY STORE-A ribbon cutting ceremony for one of Daingerfield's newest businesses was held recently with a good crowd turning out for the occasion.

Welcoming the crowd at Spurlock's Jewelry were Pat Kneiff, (not pictured). Others participating in the ribbon cutting were, from left, Gary Bicknell, city councilman, Mayor Robert Holder, Miss Daingerfield Suzanne Stevens, Julianne Lipham, and store owner Mr. and Mrs. Robert Spurlock and son, Shane.

Mrs. Spurlock is a former resident of Floydada, having attended school here eleven years and attending Daingerfield High School her senior year and graduated in 1974.

Robert graduated from Lenola High School in 1969, and Kilgore Junior College in 1972. He is the son of Mrs. Bee Spurlock of Floydada.

Julianne was an employee at the Jewelry store this summer.

Charlotte and Julianne are daughters of Mr. and Mrs. Julian Lipham of Floydada.

Coach of the Week, Mike Cocanougher

.....started his coaching career here in Floydada working with 7th grade boys, moved to Odessa for two years and returned to Floydada at the beginning of the 1977-78 school year in the capacity of head boys basketball and assistant football coach. He considers "being back in Floydada and being able to work with the fine young people that make up our athletic program" as a high point in his career.

Cocanougher teaches American History in Floydada High. He is a graduate of Idalou High School and of Texas Tech University. He also holds a Master of Education degree from Southwestern University of Okla-

homa. His wife, Barbara, teaches at Duncan Elementary.

Coach Cocanougher's major interests outside of coaching are hunting, fishing and going to the mountains. (It has also been anonymously reported by his neighbors that he enjoys a chain saw on otherwise quiet Sunday afternoons.)

The Cocanoughers have a two year old daughter named Tamie and are expecting another child in mid-December. They are active members of the First Baptist Church in Floydada.

Mike Cocanougher: Coach, Educator, Outdoorsman, Family man...and a Whirlwind all the way.

SENIOR CITIZENS RECEIVE \$500

The Senior Citizens held their monthly luncheon at the Senior Citizen Center Thursday, Sept. 21 with 36 members, 2 new members, 10 visitors present.

Two representatives from Belton Hearing Center of Lubbock talked about coming to the Center once a

month for evaluation of hearing problems and the care of hearing aids in this area.

Betty Shannon Project Director, Office on Aging, and Peg Robinson of the Office in Lubbock were present. Betty assured the Seniors that their application for funds for an addition to the Center had been approved and would be forthcoming soon.

ATTEND THE RELIGIOUS SERVICE OF YOUR CHOICE THIS WEEK

LOVE!

"In this life we have three great lasting qualities—faith, hope and love. But the greatest of them is love." I Cor. 13:13 (Phillips)

For everything that is done there is motivating force behind it. For instance, if there is to be a winning football team there must be a real desire on the part of the entire team to win. A school is good, not because of a fine building, but because of a deep conviction in the hearts of those who are leading that they want to help young people. A gang of thieves will steal because of a desire for material things.

The supreme motivating force for all good in the world is LOVE. There are many other reasons given as to why good is done but they all find their roots in the subsoil of love.

Love is that indescribable something that causes people to willingly give themselves for something or somebody. Likewise, it is easy to see that a lack of love is the breeding ground for all that is sinful and cruel in the world.

Love's first demonstration was given by Almighty God in the making of man. He created man with the full knowledge that man would sin and that he would then, in the fullness of time, give himself in the person of His Son, for the salvation of all mankind. It may be noted that no power has been known like the power of God to "speak" a world into existence and that no love has approached the act of redemption of mankind in the giving of His Son on the Cross. LOVE motivates all God's action to man. "God is love."

LOVE also motivates man's actions to God and Men. David said on one occasion, "Against thee, thee only have I sinned." So if man is to Christian, he first must come to love God and realize that sin is first of all against Him. When this breaks through to a man's heart, he will turn to God first, and then his actions will be altered towards his fellowman.

LOVE motivates a Christlike spirit in a Christian. It is a love for God that makes a person desire to live a righteous life. It is Love that gives genuine concern to hearts of men concerning the church, lost people, missions and etc. It is love that promotes intercessory prayer and Christlike compassion. Finally, it is love that brings genuine forgiveness in the hearts of men—one toward another. As God, through love, provided salvation, no man through love, or the lack of it, finds motivation for all of life.
