Whirlwinds Regroup; FHS Downs 'Lopes, 26-3

For the seventh time this season (the losses to Muleshoe and Idalou should be excluded), FHS was able to rely on its running game when the passing game was in a slump, but turn to its aerial strategy when the running game proved ineffective. It's called "balanced offense," or "downfall to Abernathy's chances for a district crown for the first time in many years" is perhaps a more appropriate term.

But when the offense committed turnovers and penalties, it relied upon the strength of its defense to pick up the slack. The Antelopes were limited to seven first downs, 143 total yards, and just three pass completions on the Floydada secondary.

The Abernathy PA System operator told the divided crowd (that is, divided on the Tulsa-Idalou game issue) of the Wildcat's big lead with less than nine minutes to play with the third quarter just getting underway in Abernathy.

That seemed to fire the Antelopes up momentarily, as they took advantage of a Collins fumble and marched 40 yards in six plays for a Gilbert Cuevas fieldgoal, which narrowed the Whirlwind lead to 10-3.

But the 'Winds rose to the occasion by hanging tough on defense and adding to their own cause with 16 fourth quarter points.

FHS in now 7-2 season and 2-1 in 4-AA action. Abernathy fell to 7-3 on the year, and 2-2 in district battle.

Idalou remains atop the 4-AA scene with a record 2-1, and Tulsa is 1-2. But keep in mind, if Idalou and Floydada tie for the district title, the Wildcats would represent by virtue of a 14-7 win two weeks ago at Wester Field.

FIRST HALF
If the first half of the opening stanza belonged to Abernathy, the latter portion belonged to the Whirlwinds.

The Wilson-led 'Winds began what might have been a long scoring march in the first period, had not Antelope Ken Sanders got a hand on a Todd Vickers aerial with Floydada facing fourth-and-ten from the AHS 25.

The 'Winds finally got onto the scoreboard after a fired-up defensive team stopped Abernathy on a crucial fourth down play at midfield. Leading the charge for Floydada were Greg Jones, Paul Radloff, and Neal Becker.

Immediately, the Whirlwind offense went to work. Todd Vickers found Kary Helms across the middle for nine yards on first down. Then, Collins brushed past Antelope defenders through a gigantic hole and raced 41 yards for the score that broke a scoreless deadlock with 6:57 to play in the first half.

Joey Luna added the PAT, and Floydada led 7-0.

With time winding down in the half, with the 'Lopes in possession at their own 42, Marty Daniel pulled off one of the very biggest plays of the contest. Daniel got in front of a Tony Heath pass intended for Scott Morrison at the FHS 35, where he intercepted the ball and galloped 48 yards to the Abernathy 18-yard line.

FHS was in business again. Seven plays later, Luna split the uprights with a 23-yard fieldgoal with 17 seconds remaining to give FHS a 10-0 lead going into the locker room.

HALFTIME
The #1-rated Whirlwind Marching Band delighted fans with a performance similar to its award-winning effort at the Texas Tech Marching Contest last Wednesday. Both bands did an excellent job of entertaining the crowd at halftime.

SECOND HALF
The Whirlwinds took the opening second half kickoff at their own 13 and began moving until a Collins fumble stalled the drive on the FHS 40-yard line. Lance Horsford pounced on the loose football for Abernathy, and the Antelopes had been awarded their first major break of the game.

On the second play from scrimmage, swift-footed Sylvester Dunn scooted 22 yards for a first down on the Whirlwind 16. Ricky Luna saved the touchdown for the Whirlwinds.

But it was tough-going for the 'Lopes from that point, and AHS was forced to bring on Cuevas for a fieldgoal try. Cuevas' boot was true in the third period, and FHS' led had been narrowed to 10-3.

Floydada began a drive which moved the ball all the way from its own 26 to the Antelope 21. Collins and Arredondo carried the ball on every down of the 9-play drive.

But on a crucial fourth-and-one from the 23-yard line, Arredondo was stopped for short yardage and Abernathy took over.

Dunn carried around his own right end for nine yards, but Becker trapped Heath for a seven-yard sack on center-and-one. A bad exchange from the next play, the 'Lopes three yards to the next play, and Abernathy had to punt.

Floydada took Cuevas' 43-yard boot on its own 37 and travelled 63 yards in only 10 plays to put an insurance TD on the board.

The biggest play of the drive was a 21-yard left sideline pass from Vickers to Tracy Womack on fourth-and-14 from the Antelope 28.

Womack's reception put FHS on the seven-yard line, where Collins scampered the distance for a score with 10:10 to play. Luna's point after was

Salvation Army Fund Drive Begins

The annual fund raising drive for the Salvation Army began Thursday.

Campaign chairman Kathy Green and Service Unit Committee Chairman Joe Cluck announced a Floydada community goal of \$2500.

The funds will provide local welfare services for the underprivileged and provide aid to stranded travelers. The Service Unit also participates in such statewide Army programs as disaster relief, help for pre-delinquent girls and unwed mothers, summer camps for boys and assistance to prisoners, alcoholics and their families.

A civic leader and head of Caprock Community Action, Mrs. Green has been active over the years in projects to improve the community.

The Marching Band From Whirlwindland

Floydada Whirlwind Band Wins Top Award At Marching Contest

For the second year in a row, the Floydada Whirlwind Band has gone to Lubbock's Jones Stadium and come home with the top award given by the University of Interscholastic League for marching band. The band performed their halftime routine and were judged by three competent judges as a First Division Marching Band.

The band came onto the field to a snappy drum cadence and chant, moved into their fanfare formation and hit the judges with the first notes of a **McBeth Fanfare**. At the conclusion of the fanfare, the band moved through a step-two drill as they played **A Piece of the Rock** by Caruso. Next the Whirlwind Band's routine moved through a difficult maneuver of arcs as they played **Ev Lawler's** arrangement of **Just the Way You Are**. Upon completion of the arcs, the band moved into their exit formation as they played the Joel Leach arrangement of **Faust**, a solid 6/8 March. With the band standing perfectly still, Jett Cheek came forward and played a flawless trombone solo to the opening strains of the Stevie Wonder hit song, **Isn't She Lovely**. With the soft accompaniment of the woodwinds and low brass, the melody grew and climaxed into an exciting finish as the Whirlwind Band moved to the sidelines and off the field.

"It was an exciting day for me and the band when the ratings were called out, and we found out that the Whirlwind Band had been judged as a First Division Band. Very few people realize the amount of work and dedication it takes for a band to attain this superior rating. The kids have worked extremely hard and the school and town should be awfully proud of them for their accomplishment," were Whirlwind Band Director Rusty Sherman's statements about the band's performance.

The band was given a First Division

by all three judges. Other area AA bands receiving the top award were Lockney, Dimmitt, Seminole, Denver City, Friendship, and Littlefield. There was a total of 19 AA bands at the contest. Judges for the contest were Dr. Charles Trayler of Abilene Christian University, J.W. King of Canyon High School, and James Mallow of Brady. All three men are recognized as top band directors in the state of Texas.

Merchants Giving Thanksgiving Turkeys

Fifteen Floydada merchants plan to make 15 families happy on Thanksgiving Day by giving away turkeys at 5 p.m. November 20.

All you need to do to possibly receive one of the free turkeys is clip registration coupons from the Hesperian in this edition and Thursday's edition. Take the coupons to the respective merchants where they will be deposited in their "Turkey Drawing Box." There is no purchase necessary and you do not need to be present when each mer-

chant draws a winner at 5 p.m. on November 20.

Merchants who will be giving away turkeys include: Thompson Pharmacy, City Auto Inc., Perry Bros., Producers Co-op Farm Store, Arwine Drug, Roy's Merle Norman, Builders Mart, Willson & Sons, Buddy's Food, Kirtley's Market, Kirk & Sons Hardware, Oden Chevrolet-Olds, Inc., Consumers Fuel Assn., Leonard's Cafe, Martin & Company and Collins Implement.

Painting Of Early Courthouse Given To Museum

Aiken artist Mary Montandon has donated one of her paintings, entitled "Floydada Square", to the Floyd County Historical Museum for inclusion in the permanent art collection at the museum in Floydada.

The 20x24-inch oil painting, showing the first permanent Floyd County courthouse near the turn of the century, was taken from a photograph published several years ago in the county newspapers.

Mrs. Montandon painted the picture, in September of this year, because the subject appealed to her. She later decided to donate it to the museum.

The following is a brief history, provided by museum association secretary Nancy Marble, of the building which is the main subject of the painting:

Floyd County's first permanent courthouse was completed and occupied March 28, 1892. The total cost was \$8,071.60.

It was surrounded by a barbed-wire fence topped with 1" x 4" planks. This fence had to be replaced with a stronger one after a year or two because of the cattle which roamed at will over the county.

This building was used until the latter part of 1912. The building was moved back 150 feet at a cost of \$49.50. It was later sold for \$327.50.

Alpha Sigma Upsilon Meets

Alpha Sigma Upsilon Chapter of Beta Sigma Phi met Tuesday November 7, in the home of Ilene Kendrick. During the business meeting it was reported Linda Jackson will have surgery this week. Vikki Yeary volunteered to take temporary duties as treasurer while Linda is recovering. As each committee made their reports, pamphlets were passed out to the rushees explaining the duties of each. Officers also explained their duties to the special guests. A partial order of candles and candies were received and each member took several to sell.

Lynn Daniel reported the Thanksgiving Social will be November 18 at 7:30 in her home. It will be a formal sit down dinner for members and their spouses. The pledge agreement

was explained to rushees. The agreement was filled out and signed. Pledge Rituals will be held November 21.

Refreshments of cake, spiced tea, and coffee were served by Ilene Kendrick to Rhonda Guthrie, Vikki Yeary, Iantha Smith, Lynn Daniel, June McGaugh, Donna Lipham, Gaya Hale and Audrey Thomas.

Caprock Hospital Auxiliary Meets

At its usual first Monday meeting at 9:30 a.m. in the Caprock Hospital dining room, Mrs. Sharon Hillis, home extension agent for Floyd County presented the program "Retirement Living". Two check lists were passed out to the 5 visitors and 1 guest present. They are to be used for themselves and their acquaintances who are interested in having safe and convenient retirement housing.

Among the items discussed were: location safety, convenience, lighting, wiring, size and position of windows, storage facilities, bathroom setup, furnishings, heating, etc., all of which should be studied with both the present as well as future needs in mind. Necessary changes should be made as soon as practical.

Copies of the above mentioned check lists are to be found in the reserve shelves of the Floyd County library and the library at the Methodist Church.

It was mentioned that the catalogue "Fashion Able"

Self Help Items for Independent Living for the handicapped is on the reserve shelf at the Floyd County library and at the Methodist Church.

The business meeting which followed was presided over by president Tye. No further interest was evidenced in sponsoring TV's for hospital patients. Treasurer Whitaker reported \$614.25 on hand.

It was reported that the need for a second cardiac monitor was being investigated.

MRS. ROY NOLAN

Double Ring Ceremony Unites

Miss Blanco, Mr. Nolan

Maria Isabel Blanco of Lockney became the bride of Roy Nolan of Plainview yesterday (Saturday) in a double-ring ceremony at the First Baptist Church in Lockney. The Rev. Pablo Mendoza, pastor of the Parkview Baptist Church in Lubbock, officiated at the 8-p.m. ceremony.

Soloist David Morin of Plainview sang several selections before the wedding. Soloist Arnold Lopez and a trio composed of Elizabeth and Ophelia Lopez and Linda Mendoza sang during the ceremony. The organist was Bertha Rogers of Plainview.

The bride was given in marriage by her father, Rodolfo Blanco Sr. Her dress was a formal gown of ivory tulle, designed along empire lines and featuring heavy venise lace outlining the Queen Anne neckline and crescent waistline and adorning the long full sleeves. The softly flowing A-line skirt extended to a chapel train. A matching headpiece, accented with pearls, held a fingertip veil. The bride carried a nosegay of ivory silk flowers tied with ivory satin ribbon streamers and surrounded

with greenery. The bouquet was upon a white Bible which was carried by the bride's sister, Mrs. Tony Luna of Plainview, in her wedding. Within the bouquet was the bride's mother's first wedding band. "Something blue" was the bride's garter. "Something borrowed" was a gold cross with three diamonds, belonging to Mrs. Mary Vickers of Floydada, and rose diamond earrings belonging to Mrs. Mark Cano of Plainview.

The maid of honor and the bridesmaid wore formal gowns of wine tulle topped with tiered chiffon capes and carried nosegays of pink silk roses accented with wine ribbons. They wore pink shades of small flowers in garlands in their hair. The maid of honor was the bride's sister, Ruth Blanco of Lockney. Bridesmaids were Rita Nolan and Julia Nolan sisters of the groom, from Plainview; Linda Mendoza and Elizabeth Lopez, friends of the bride from Plainview; and Sylvia Mata, a friend of the bride from Amarillo. Sharrell Castillo of Plainview was the flower girl and Daisy Blanco of Lockney, a sister of the bride was the traincarrier. They wore long candlelight dresses with self pleated skirts.

The madinas wore formal gowns of wine knit covered by long sleeved capes. They wore pink and wine wristlets and hair corsages.

The ring bearer, Jamie Rogers of Plainview, carried a small ivory satin pillow on which the rings rested.

Henry Nolan of Plainview served as his brother's best man. Groomsman were Fidel Blanco of Lockney, brother of the bride; Hector Contreras and Amado Morales of Plainview; Samuel Rivas of Ganado; Moses Gonzales

of Houston. Gonzales and Rivas also served as ushers. The nuptial area was entered with a brass band, arch flanked by candles, holding wedding tapers tied with happiness and baskets of pink mums. The kneeling bench held the unity candle, and the background, Modest the beautiful E. The background, Modest the beautiful E. The background, Modest the beautiful E.

Wedding sponsors were Mr. and Mrs. Rodolfo Blanco Jr. of Plainview, Mr. and Mrs. Alfred Nolan of Plainview, Mr. and Mrs. John LaFuenta of Plainview, Mr. and Mrs. Raymond Quintana of Plainview, Mr. and Mrs. Reyes of Floydada, Mr. and Mrs. I.G. Davila of Plainview, Mr. and Mrs. Augustin Rendon of Lockney, Mr. and Mrs. Augustin Reyes of Plainview, and Mrs. Pete Hernandez of Lamar, Colorado.

A reception followed the wedding. An ivory tablecloth purchased in Italy by Linda Mendoza, a friend of the bride, covered the bride's table. The table was decorated with a four-tiered wedding cake with ivory and burgundy decoration, accented with a fountain with burgundy-colored water and encircled with sweethearts. Silver candelabras were arranged with the bridesmaids' bouquets, and silver appointments were used at the bride's table. A difference was Natalie Sea of Plainview, Julie Alaziz of Lockney, and Mary Quintana of Hale Center.

The groom's table was with an ivory tablecloth accented with a silver centerpiece. The groom's table was decorated with a silver centerpiece. The groom's table was decorated with a silver centerpiece.

The couple will return November 21 from a wedding trip to Monterey, Mexico, to reside at 806½ Lexington, Plainview.

Both degrees were earned at the University of Texas at Austin. He has also taught chemistry, science, mathematics, and physical science. He is currently teaching chemistry and physics at the University of Texas at Austin.

Jerry says he especially likes the people. Jerry is married and he and his wife Glenda have two children, Dina Marie, age 7, and Alan Ray, age 4. They are members of the First Baptist Church, where Jerry teaches a fifth grade boys Sunday school class. Jerry has served as president of the local TSTA and has been an "Outstanding Young Men of America" selection. Among his general hopes for the future, he says, "Through scientific research, I feel that a cure for all types of cancer will be found within the next century. We will have nuclear fusion for electrical energy and use hydrogen as a fuel for automobiles and for household use. Space stations will be in operation."

Jerry Livingston

...and among our general hopes for the future of Floydada, we hope to continue to have teachers of such high intellectual calibre as Jerry Livingston to teach the young people in our town."

Breazers, FHS Split Four Games

With Tulia Hornets

In this week's Jr. High, freshmen, and junior varsity football action, Floydada teams came away with a pair of wins and a pair of defeats. The seventh grade Breazers fell 24-0 to a strong Tulia Hornet squad, but the 7th graders defeated TJHS 32-12 in the second contest. Johnny Martin's eighth graders finished the season with a respectable 5-3 ledger. Mike Brownlee's 7th graders will close out the

season with a 3-5-1 mark. Tulia blanked the FHS JV 20-0, as the Whirlwind JV finished the year at 6-2. The freshman squad defeated Tulia 8-0 for a 5-3 final record. The junior varsity still has a game to play with Lubbock Coronado's Mustangs Thursday night at Wester Field at 6 p.m. A bonfire for the varsity's District 4-AA showdown with Tulia will follow the JV game.

Weed District Ceases

Floyd County landowners voted 583-311 Tuesday to dissolve the Floyd County Noxious Weed Control District. According to Kenneth Wofford, chairman of the weed control district's board of directors, the district ceased operation as of the vote to dissolve.

All debts owed the district are still due, and the district will pay all debts it has incurred. Any money left over after dissolution of the district goes into the county treasury.

Equipment owned by the district will be disposed of as prescribed by law. The board of directors will meet Tuesday morning to decide on procedures.

The weed control district building in Floydada is built on county-owned land, and the building will become property of the county in accordance with an agreement made when it was built.

ONE-ON-FOUR!...Whirlwind halfback Junior Arredondo prepares to meet the heart of the Abernathy defense in one of his 17 rushing ventures Friday night in the 'Winds 26-3 victory. Arredondo wound up with 130 yards gained on the night. (Lower Photo) FIRST-CLASS ESCORT...FHS cheerleaders escort the Whirlwinds onto the field Friday night at Abernathy. on the field late," Wilson said. "We were in our locker room at the time and we had left town late and had underestimated the distance. It's a long way from the dressing room to the field, and we were just late. In the second half, we jogged to the field."

But why the fieldgoal try with six seconds to play and a 20-point lead? "We felt that Joey had been roughed in a fieldgoal try earlier in the game," Wilson said. "He wanted the chance to kick again, so we let him do it."

Wilson said that the big reason for the rushing outputs by Junior Arredondo and Mac Collins was the effort made by the offensive line. "You have to give credit to the offensive line," Wilson mentioned. "They really did a good job. But our backs ran well, too."

The defense continued to sparkle for the Whirlwinds, as it has done all season long, and Coach Wilson confirmed that assumption.

"Our defense did a real fine job," Wilson said. "They came to play football—not to play dirty, like Abernathy did."

"I thought the key to the ball game was our ball control," Wilson said. "We knew we had to control the ball when the wind was against us. Anytime you can move the football by running

instead of passing, you are better off."

Wilson was hesitant to venture on next week's crucial 4-AA clash between Idalou and Lockney.

"Right now, all I'm concerned about is the Tulia Hornets," Wilson re-

marked. "They have a very good football team, and we cannot afford to think about other games or other teams. Let that take care of itself."

"1977 Agricultural Production" Book Available

LUBBOCK-The value of the major commodities and livestock produced on the High Plains of West Texas and Eastern New Mexico in 1977 exceeded \$3.1 billion, according to information compiled by Water, Inc.

Included in that figure is the market value of cotton, corn, grain sorghum, wheat and fed cattle raised in the 56 Texas and six New Mexico counties on the High Plains.

This information and more is included in the Water, Inc., publication "1977 Agricultural Production," which is available upon request

acity of the High Plains is directly tied to the availability of water, these figures show the significance of adequate irrigation water," according to Water, Inc., Executive Director Duncan Ellison.

In Texas 66 percent of the state's irrigated acreage is on the High Plains. Without that irrigated production, Ellison noted, Texas could not rank third among the states in agricultural commodity sales as it did in 1977.

"The High Plains, which depends on a depleting groundwater source for its irrigation, must have a supplemental water supply to maintain its proven capacity for producing food and fiber," Ellison concluded.

Now Is The Time To Treat Peach Tree

For homeowners with peach trees, fall is the best time to treat for one of the most destructive of all peach tree pests, the peach tree borer. A sure sign of the pest says county Extension entomologist Paul Treptow, is the gum oozing down the trunk or branches of the tree. "This insect is mostly a pest of peach but is also found infesting plum, cherry and apricot trees," Treptow explains.

Actually, two borers commonly attack peach trees, he adds. The larval state of the peach tree borer feeds just beneath the tree's bark in an area approxima-

tely six inches above the soil line to six inches below. The lesser peach tree borer attacks the upper portion of the tree's trunk and larger branches. The approach to controlling these pests is basically the same, but the method of application differs.

Two fumigants generally used for peach tree borer control are paradichlorobenzene (PDB) crystals or ethylene dichloride in the liquid form.

Using fumigants around peach trees is a delicate operation and should be done with great care and precision. Over-treatment

can damage the tree. The crystals, when applied to warm soil, quickly volatilize into a heavy gas which penetrates through soil crevices into burrows of overwintering borers and kills them. Crystals should only be applied when the soil is dry and the temperature is 55 degrees or above.

"When using PDB for peach tree borer control," Treptow recommends, "weeds should be removed from around the base of the tree and the soil leveled one foot from the tree trunk. PDB crystals should be placed in a narrow groove encircling the tree about two

inches from the tree trunk. Care should be taken to keep crystals from directly contacting the tree. Clean soil should be placed over the crystals to form a cone-shaped pile about six inches high around the base of the tree. This soil should be removed from the base of the tree in late March or early April."

Entomologist Treptow adds that the amount of PDB to use is determined by age and size of the tree. In general, one-half ounce of crystals should be used for two- to three-year old trees, three-fourths ounce for four- to five-year old trees, and one ounce for mature trees.

Treptow says that both PDB and ethylene dichloride can also be used to treat

peach trees infested by the lesser peach tree borer. Affected areas, recognized by masses of gum mixed with frass and sawdust running down the surface of the trunk and branches, should be treated after the leaves fall from the peach trees. A mixture of four ounces PDB in one pint of miscible oil diluted in two pints of water or a smaller amount at the same proportions should be prepared. The mixture should be painted on the wounds and damaged areas, without encircling the trunk or limb. When using ethylene dichloride for either peach tree borer or lesser peach tree borer control, proper rates and application instructions will be found on the product label.

PRETTY SNAKE CHARMER D'Ann Howard looks this grass snake she eye ball to eye ball....Wonder who's hypnotizing whom.

For the homeowner with peach tree infested with either the peach tree borer or the lesser peach tree borer, Treptow concludes, "control measures can greatly lengthen the life of the trees."

Further information on control of the peach tree borer is available at the county Extension office.

Chinese Buy 150,000 Bales Of Cotton

MEMPHIS, Oct. 27, (Special)—Trade sources have indicated the People's Republic of China bought about 150,000 bales of U.S. cotton while on a special orientation tour of the Cotton Belt during the past two weeks.

The tour, which brought representatives of the China National Textiles Import and Export Corporation (Chinatex) from Peking to this country, was initiated by Cotton Council International during a trade mission to the PRC earlier this year. Cotton Council International is the overseas arm of the National Cotton Council.

Co-sponsors of the tour were American Cotton Shippers Association, AMCO, and the U.S. Department of Agriculture.

Council President Lon Mann said the cooperation of cotton industry firms and allied groups was a key factor in the tour's success.

"Cooperation among cotton companies and organizations involved couldn't have been better," he said. "Our Chinese guests were obviously impressed, and the relationships established as a

Japanese Family Tearfully Receives Sons' Flags From Floyd County

Dr. O.R. McIntosh was carried by all during World War II. The flags to relatives is a national substitute for the first island on General Leyte. He was in a pack as his former Japanese camp were two Japanese brought back to Floyd County.

Dr. McIntosh read the two flags back to the Japanese family in Lockney. There just happened these woman in Floyd time, visiting the Owen children. Her name is

Dr. McIntosh, I also appreciate you to have asked me to take flags back with me. I really enjoyed meeting the Sakai who are very very sincere and nice people. I could make a lot of new friends in helping this.

September, all brothers and sisters, one of the brothers-in-law and vice town visited us and house for nearly two years. Most of them filled their bags looking at the flags. I have been here at that

Dr. McIntosh, the eye doctor in Floydada, next town of Lockney, asked Mrs. Ono to take the flags back with her and to find the family in Japan. Dr. McIntosh went to the battlefield when he was about the age of twenty. He landed on Leite around the beginning of Dec. 8, 1944 and stayed there till January, 1945. He found the Japanese soldier's sack on the seashore of Leite and picked two flags up out of the sack.

Dr. McIntosh told me that to bring the flags back home was popular among the American soldiers at that time and that only flags were allowed to be taken back," said Mrs. Ono. Dr. McIntosh read the article in one of the American magazine, Legion, and found out that there was some way to have the flags returned to Japan. So he asked Mrs. Ono who happened to be visiting Lockney in August. "Dr. McIntosh told me that he could have done this much earlier only if he had known how to do it before," said Mrs. Ono.

According to the Sakais, Chuyu went to the war at the age of 18 in 1944. It was reported that Chuyu died on the way to the Philippine Islands from Northern China. "Now it is clear that my brother Chuyu died after landing on Leite," said Shotaro.

One of the two flags was Chuyu's and the other was Kazuo's who was the first son and also died in the war in China. "We have no idea how come Chuyu had Kazuo's flag with him. Never did we dream of having two brother's flags back at the same time," said Shotaro. All the Sakais got together and prayed for two brothers at their tomb on the 22nd of September. "We will be able to have the 33rd memorial ceremony with much happier feeling than ever since we have the flags," said Shotaro.

Dr. McIntosh, I also appreciate you to have asked me to take flags back with me. I really enjoyed meeting the Sakai who are very very sincere and nice people. I could make a lot of new friends in helping this.

paper telling of their two brothers' death.

It is 33rd year since their death. In Buddhism, people have special ceremony in 33rd year after someone's death. Also September 23rd is a special day to think of and worship the dead.

The Sakais think being able to have the flags back again has some strange coincidence with these dates. They said that they couldn't express their appreciation good enough and that they appreciate so much you had kept the flags in such a good and neat condition.

Shotaro Sakai is supposed to write you a letter and I am going to translate it into English and send it to you right after he send me the letter for you.

I'll try to translate it as precisely and correctly as I can.

Japanese people tend to use awful difficult words and very formal words in these cases. But I promise you to do my best.

Dr. McIntosh, I also appreciate you to have asked me to take flags back with me. I really enjoyed meeting the Sakai who are very very sincere and nice people. I could make a lot of new friends in helping this.

I apologize you that I can't write good. I hope you will be able to understand my English.

I'll close by now and I'm sure you will hear from the Sakai pretty soon. I wish you good luck and health.

Sincerely yours,
Noriko Ono

LETTER FROM FAMILY

This past week Dr. McIntosh received this letter from Noriko translating a letter from the family to Dr. McIntosh. He also received pictures of the family in Japan.

October 31, 1978

Dear Dr. McIntosh,
It is hard to believe two months have already passed since I met you. Finally I received a letter from Shotaro Sakai on 28th of October. Since I had a bad cold, I could not write a letter for a few days.

I translated Shotaro's letter as precisely as I could. I hope you will be able to understand how happy they are.

I am not going to explain all about flags again in this letter since I have already written you before. If you have anything to ask me, please let me know. I'll be glad to do anything for you.

I hope you will enjoy Shotaro's letter and all the pictures he took. I wish that you and the Sakais will be able to meet each other some day in the future.

Yours truly,
Noriko Ono

"I am writing this letter to you full of thankfulness"

Oct. 31, 1978

Dear Dr. McIntosh,
It is getting rather chilly and it is the season for maple trees to change their color into beautiful red. We can enjoy the beautiful color around specially in autumn in Japan.

Since this is my first time to write a letter to a foreigner, I am at a loss how to start with.

First of all, I would like to express my appreciation from the bottom of my heart. In the middle of September when I heard from Ministry of Welfare about the news that a lady in Yokohama brought my brothers' flags back all the way from America, I was so thrilled to death that I wondered if it was a dream for a while.

On hearing the news, I got in touch with all my brother and sisters and relatives. Nine of us visited Mr. and Mrs. Ono's home in Yokohama and we felt like having two brothers back home again.

During the World War II, a lot of people from both our countries went to the battlefield and lost their lives there. Japan has improved and has been peaceful since then. The families have still been sorry for losing their sons for these 33 years after the war was over. I believe it's the same way in your country, too.

I appreciate you had kept those flags so well for these 33 years. Thank you so very much for letting us have them again in our hands. Looking at those flags, all my folks talked a lot about two brothers, Kazuo and Chuyu. I am sure that both my mother who died a little after the war and my father who passed away last March, would be happy and appreciate you in heaven.

I am going to keep those flags at my house with good care. A lot of people who read the article on the newspaper told us they were as happy as we were. I surely hope the peaceful and warmful relationships among the people in the world will last forever.

I am writing this letter to you with full of thankfulness. I wish you good health and much happiness in the future. Thank you, again.

Yours truly,
Shotaro Sakai

South Plains News

By Mrs. Murray Julian

South Plains, Nov. 10th: Cold, rainy weather kept farmers out of the fields last week, and our area had varying amounts, ranging from one half inch to more in other places. This week, the cotton strippers are back in most of the fields, cotton stalks are being cut, and the ground plowed, getting the land laid by for the winter, which is not far away. Frost hit the South Plains community last Monday night, and defoliation has taken place

since then.

Rev. and Mrs. Fred Blake, accompanied by Mrs. Ruby Higginbotham, left Monday for Austin, where the Blakes spent the week, from Oct. 31, to Nov. 2nd, and the 93rd annual meeting of the Baptist General Convention of Texas, where they met at the Austin Municipal Auditorium and Convention Center. Mrs. Higginbotham went on to Giddings, where she spent the week with her brother, Mr. and Mrs. War-

ren Cypert, and she returned Sunday night with her son, Alton Higginbotham, when he was in that area for a meeting. The Blakes returned Thursday night.

Rev. Nathan Mulder was the speaker at the Wednesday evening prayer services, while Rev. & Mrs. Blake were gone to Austin.

Mr. and Mrs. Sylvan Kinnibrough and their daughter, Mrs. Ted Horne Melissa of Plainview left this Friday to be gone until Sunday night at Ruidoso, New Mexico, on a short vacation.

Mr. and Mrs. Harold Hamm spent last week down in San Antonio with their daughter, Dr. and Mrs. Tom Aufdemorte, returning home on Monday.

Children at the South

Plains Elementary School enjoyed the Hallowe'en Carnival which was held on Thursday night, Oct. 26th, with games and fun for everyone. In the judges seats were Mr. and Mrs. Brad Smith & Mr. and Mrs. Deral Young, and winners with the best costumes in the adult section was Miss Carol Arnold; Eric Wilburn of Plainview took the prize for the best high school costume. Penny Mulder won the prize in the 5-6th grade room, Magdalene Salas won in the 3-4th grade room, Holly McNeece won the prize for best costume in the 1-2nd grades, and in the pre-school, little Weston Evans, son of Mr. and Mrs. Jesse Evans got the prize. There was a good crowd for

the carnival, and lots of good food and entertainment.

Rev. and Mrs. Fred Blake were hosts at a dinner party in their home Tuesday night for their daughter Atha and a group of friends from Wayland College at Plainview. Those who shared in the delicious supper were Torie Adams of Abernathy, Naomi Goodwin of Hatch, New Mexico, Sharla Peterson from Steamboat Springs, Colorado, Atha Blake from Wayland, and other present for the supper were Mrs. Murray Julian, with Rev. and Mrs. Blake.

Mrs. Grigsby Milton Jr. in home at this time, after spending several days in the St. Marys Hospital in Lub-

bock. She came home Thursday of last week. We all wish for her the best of health, and hope that she can soon be up and doing well.

Mr. and Mrs. Grover Little of Odessa, Texas, were the South Plains Baptist Church on Sunday, Oct. 29th, and Mr. Little spoke at the morning worship hour for the Gideons, Mr. and Mrs. Terry Julian and Dickie of Roscoe were among the visitors for the worship hour.

A bridal shower, honoring Miss Katie Taylor, bride-elect of Dale Pierce, will be held at the home of Mrs. Harold Hamm, on Saturday, November 11, from 2-4 p.m.

Monday, November 6th was World Day of Prayer, and those from the South Plains Baptist Church who went to Crosbyton for the meeting were Mrs. Fletcher Powell, Mrs. Fred Blake, Mrs. L.T. Wood & Mrs. Tillman Powell. After the morning services they went through the Crosbyton Museum.

Tuesday, Nov. 14th the WMU of the Baptist Church will go to Silverton to the First Baptist Church where there will be a review of the book, Brazilian Obsession. Mrs. Wood and Mrs. Tillman Powell will take part in presenting the book. Each one going will take a covered dish for the luncheon hour.

Guests in the home of Mrs. Murray Julian on Saturday and Sunday of Oct. 28-29th were Mr. and Mrs. Terry Julian and Dickie of Roscoe, and Mrs. Julian's nephew, Ray Hulick, from Alexandria, Virginia, who was visiting his folks in Albuquerque, New Mexico that week. Mrs. Murray Julian went home with the Terry Julians Sunday night Oct. 29 and spent the past week until Tuesday of this week with them, and that day they met Mr. and Mrs. Kendis Julian in Lubbock, and they brought her home. They only had light showers and cold temperatures during the cold spell last week there in Roscoe.

Mr. and Mrs. Tom Powell and Heather of Floydada visited a week ago Tuesday afternoon here with Mrs. Murray Julian.

Mr. and Mrs. E.J. Kinslow left a week ago Friday and spent the weekend in Carrollton with their son and family, the Barry Kinslows, Jennifer and Grant, then they went on to Houston and visited another son, Phil.
