PLANTING SEASON has arrived with temperatures rising after a week of cool temperatures. Steve Lloyd is shown loading his seed boxes Monday morning.

## Floydada Invited To Make Application

# \$132,600 Tabbed For City Housing

Announcement was made Monday morning by Senator Lloyd Bentsen and Congressman Charles W. Stenholm that "City of Floydada has been invited to submit a full application under the Small Cities Program of the Department of Housing and Urban Development for \$132,600 in earmarked funds. The funds will be earmarked for the community pending the submission of full application which meets all requirements of the program and its regulations."

A Stenholm aide also told The Hesperian during a Monday morning phone conversation: "The primary objection of the Small Cities Program is the development of viable urban communities through the provision of decent housing, a suitable living environment, and expanding economic opportunities."

"Accordingly, communities are funded to undertake a wide range of activities pursuant to this goal."

"Upon acceptance of this application the City of Floydada would use the funds for rehabilitation, demolition and code enforcement."

The message from Sen Bentsen's office was basically the same.

### TENTATIVE PLANS

City Manager Bill Feuerbacher said tentative plans called for the rehabilitation of approximately 17 sub-standard homes to meet a minimum Section VIII Housing Quality Standards stipulation. He noted that the city currently is considering offering rehabilitation funds requested either as low interest loans, deferred loans at no interest, or as direct grants.

Also, a portion of the grant would also be utilized for:

\* Code enforcement — This activity would be used to carry out the enforcement, planning and implementation of local standards, codes and ordinances designed to bring about a coordinated and efficient program of housing and housing-related neighborhood improvements; and

\* Clearance and demolition — This activity will include (1) the demolition and removal of vacant dilapidated dwelling units, (2) the removal of abandoned autos, appliances, etc., and (3) the clearing away of all junk piles, unlicensed animal pens, dilapidated storage sheds and other neighborhood eyesores. Due to downtown proximity of the target area, cleared lots would be made available for commercial, as well as residential redevelopment.

### TARGET AREA LISTED

Feuerbacher said the target area basically is from Missouri Street north to Price Street and from Wall Street east of 14th Street. This is in Floydada's northeast sector.

The city's housing board and city government will work together on the project.

Although division of grant funds are to be divided by the housing board, a tentative listing by the city manager includes: housing rehabilitation, \$100,000; code enforcement, \$12,700; clearance-demolition, \$12,200; and administration, \$7,700.

## Rabies Clinic This Thursday

Floydada Fire Station will be the site today (Thursday) for a pet rabies clinic. The event is scheduled from 4 until 5:30 p.m.

Dr. Charles Overstreet, who is to be in charge of the clinic, rescheduled because inclement weather during the last clinic prohibited some Floydada area residents from bringing their pets.

Sponsors point out that rabies has been confirmed recently in this community. "It is important that as many of the dogs and cats be vaccinated as possible, for people's own protection as well as the protection of animals," they state.

City of Floydada is sponsoring the pet clinic, assisted by Floydada FFA.

## Kim Curry Runner-Up In State Discus Throw

Kim Curry, who owns Floydada High School records in basketball and track, almost grabbed the proverbial "brass ring" Friday during the Class AA girls state track meet in Austin.

The Whirllette senior threw the discus 128'1" to place second behind Gaynelle Baum of Cisco, who became state champion with a toss of 135'7".

Finishing third to Misses Baum and Curry in the "big show" was Shelly Dunham of Muleshoe, who threw 124'1".

Kim Curry set the Region I AA record in discus throw as a junior and broke her own record this year. She was district and regional champion in both discus and shot this year.

Curry also participated in the shot put at state. Other Floydada state participants were Rosemary Barnes in triple jump and Becky Crabtree in poetry interpretation. They are FHS juniors.

## Blassingame Tabbed City Judge

Door Blassingame was appointed Floydada city judge by the city council Tuesday night during its regular May session. Blassingame also serves as the city's building officer.

He succeeds J.C. Wester, who resigned April 30.

Wester wished the city well in his formal letter of resignation, which was read and accepted by the council.

### BIDS OPENED

Six bids on the electrical tie substation facilities were opened and read. Electrical engineer Quinton Colwell told the city governing body that "the bids came in fairly well as we anticipated.... I'm pretty well pleased with the bids."

No action was taken.

A special meeting has been called for next Tuesday night to further study bids and hear a report from Colwell.

"We will come back with all the facts tabulated on these sheets," Colwell said in reference to next Tuesday's session. Mayor Parnell Powell said that "we will possibly award bids" at that time.

### COMMITTEES NAMED

Members of two committees were suggested Tuesday night, but the individuals will be contacted to determine whether they will serve before formal appointments are made.

Names of Sam Baker, Sammy Hale, Aldine Williams, and Jim Word were proposed for a committee "to study the future of the present landfill." City Manager Bill Feuerbacher noted that "the city is running out of available land to dig pits."

Three individuals — K.E. Edmiston, Donald Ray Wilson, and Mac Willson — were suggested to serve on an electrical board.

Bob Gilliland was appointed to fill the unexpired term of Frank Barrow on the City of Floydada Housing Authority Board. He has consented to serve.

A new plumbing code, as recommended by Texas Municipal League, was adopted.

### SANITATION CHARGE

The council voted to add 50 cents per month per customer to the sanitation charge "in order to start the depreciation fund." This fund is recommended to purchase an additional tract for a landfill. The additional charge is to become effective with June billing.

After taking this action, the governing body decided to add only 50 cents per sanitation customer to finance mosquito and other insect control this summer. This subcharge is to be levied for a four month span.

In another financial decision, the council voted to place \$830 monthly — approximately \$10,000 annually — in the volunteer fire department replacement fund. These funds are to be taken from the general fund.

This will allow financing for new fire equipment when it is needed.

## Registration Friday For Little League

All youngsters ages 7 to 12 interested in playing summer baseball should sign this Friday, May 11, from 7 to 9 p.m. in the First National Bank Community Room.

A \$6 registration fee includes team insurance.

All players must bring their birth certificate and be accompanied by a parent or guardian.

### COACHES NEEDED

All persons interested in coaching T-Shirt or Little League baseball are asked to contact Bob Gilliland, Larry Barbee or Gene Ehler by Monday, May 14. Coaches and assistants are needed as soon as possible.

## Thursday Noon Deadline For 'Mother' Nominations

How special is your Mom? If you would like to nominate her as "Floydada Mother of the Year" you have better hurry. Noon Thursday is the deadline.

The honoree is to receive a plaque and a long stem red rose and will be featured with a photo in the May 13 (Mother's Day issue) of The Hesperian. Anyone wishing to nominate their mother should explain, in 25 words or less, why "my Mom is the best in the world!" Entries must be submitted to one of 32 Floydada businesses before noon Thursday.

Anonymous judges are to choose the honoree Thursday afternoon.

Retail Trade Committee of Floydada Chamber of Commerce is sponsoring the Mother's Day tribute.

### SPONSORS LISTED

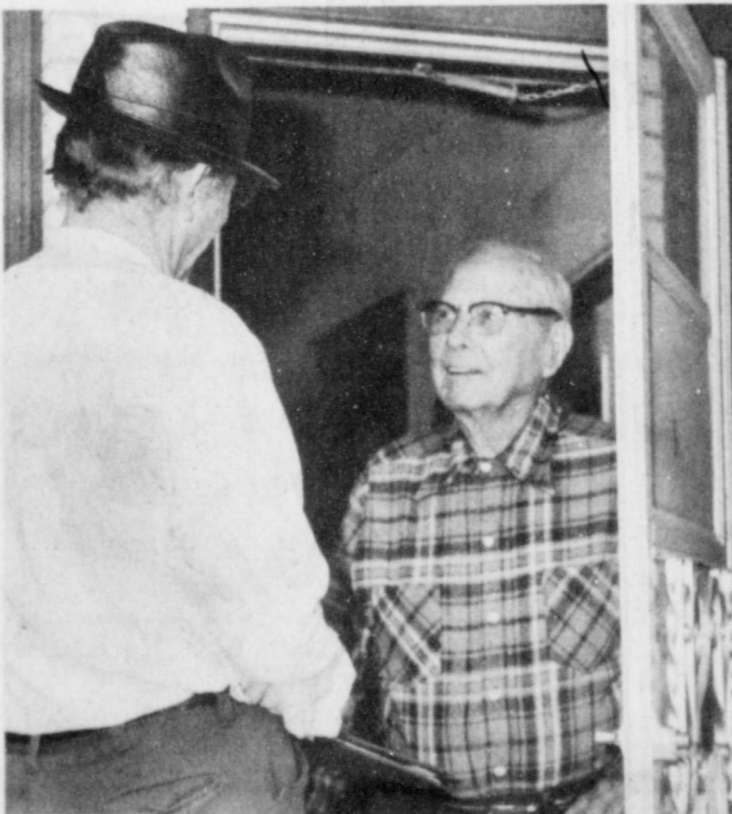

Following is the list of Floydada merchants who are participating in the event and with whom nominees may be deposited:

Anderson's Department Store, Beall's, Hale's, Roye's, Arwine Drug, Thompson Pharmacy, Sears, City Auto, Azteca I, Pizza Gold, Tommy Assiter Insurance;

Also, Floyd County Farm Bureau, Goen & Goen, Hale Insurance, Travel Center Restaurant, Builders Mart, Caprock Motor Parts & Hardware, Higginbotham - Bartlett Co., Kirk & Sons, Parker Furniture, Day Heating & Air Conditioning, Dyson's Shoe Shop;

Also, Parker Studio, Solomon Jewelry, Kirtley's, City of Floydada, Pioneer Natural Gas, McDonald Implement, Collins Implement, Case Power & Equipment, Baker Insurance Agency, and The Floyd County Hesperian.

## 'Ask If They Have A City Permit'

### Beware Of Door-To-Door Salespersons

Out-of-town, door-to-door type salespersons annually take thousands of dollars from residents of Floydada and other South Plains towns. In their wake, they frequently leave dissatisfied "customers," who receive less for their dollars than they had anticipated.

The "peddlers" — often times referred to by other names after they leave town — offer a variety of goods and services ranging from termite control, insulation, painting, siding, roofing, paving, and other "services" to magazine and insurance sales.

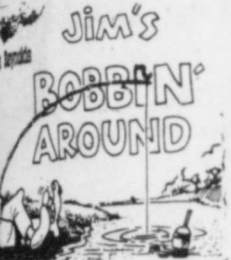

The mayor advises that Floydada residents check before authorizing a job or contracting for magazines or insurance. "It's too late if you wait until the job is done and paid for," he adds.

Credentials of such persons will be checked at the city office before a permit is issued. However, issuance by the city of a permit does not guarantee satisfaction nor quality workmanship.

Door-to-door salespersons frequently prey on senior citizens, who may be in need of particular services or products.

Mayor Powell advises any local citizen who is annoyed or threatened by a salesperson to phone the city police department, 983-2834.

DOOR-TO-DOOR salespersons are a common sight in Floydada, selling an array of merchandise and services. In a simulated photo, C.O. Spence is approached by a "traveling peddler" [being portrayed by Sam Spence.]

## Alpha Mu Delta Installs Officers

President Kaye Powell called the May 1 meeting to order at Farm Bureau. All members present repeated Opening Ritual. Recording secretary, Lu Ann Collins, read the minutes of the previous meeting: Communications — Kay Jones and Carrie Bertrand-read thank you notes sent to the sorority; and treasurer - Julie Hickerson reported on the bank balance and outstanding bills.

Carrie Bertrand and Kaye Powell reported on the executive board meeting held on April 24. Other committee reports included program — Sue Williams and Debbie Bertrand will present the program at the May 15 meeting. Hostesses will be Donna Henderson and Pat Cates. The social committee - Carrie Bertrand reported that a Mother's Day Tea will be given to honor our mothers. Donna Henderson,

service, reported on the monthly nursing home party Alpha Mu Delta. In April Pat Cates and Revis Pernell hosted a bingo game with refreshments. Julie Hickerson, ways and means, reported on the results of the volleyball tournament.

Debbie Beaty presented the program on "Service". Her third grade class drew pictures of the many kinds of services that are available.

After the program the new officers for the 1979-1980 year were installed. Outgoing president Kaye Powell led the installation ritual in which each outgoing officer presented the new officers with the materials needed for their prospective jobs. The new officers installed were: President - Pat Cates; recording secretary - Donna Anderson; corresponding secretary - Sue Williams; treasurer - Daphna Simpson; and extension officer - Kaye Powell.

Members present were: Lu Ann Collins, Donna Anderson, Carrie Bertrand, Debbie Bertrand, Kay Jones, Bama Coward, Debbie Beaty, Debbie Breed, Kaye Powell, Pat Cates, Sue Williams, Tonya Marble, Revis Pernell, Julie Hickerson and Daphna Simpson.

### McCULLY

Jim McCully, age two, announces the birth of his new baby brother, Joseph Kyle, who arrived May 7, weighing in at 7 pounds 7 ounces. He was 21 1/2 inches long. Their parents are Connie and David McCully of Lubbock.

Proud grandparents are Mr. and Mrs. Otis Anderson and Dr. and Mrs. Andrew McCully, all of Floydada. Great grandparents are Jim Jones of Floydada, Rev. and Mrs. John McCully of Canyon, and Mr. and Mrs. Charley Noles of Prague, Oklahoma.

### Kim Lackey Honored At Shower

Kim Lackey, bride elect of Kelley Mixon of Levelland, was honored Saturday May 5 from 2 to 3 p.m. with a bridal shower in the home of Edna Gilly.

Co-hostesses for the occasion were Mmes. Lou Jean Burleson, Ima Jean Fortenberry, Norma Dean Welch, Martha Taylor, Gladys Fortenberry, Lori Gilly, Juanita Chapel, and Judy Lloyd. A gift of cookware was presented to the honoree by the hostesses.

The table was laid with a lace ecru cloth centered by a miniature bride standing before apricot-ecru silk roses. Punch, cookies, mints and nuts were served from crystal appointments. Napkins inscribed "Kim and Kelley" added to the gala decor.

Approximately 50 guests attended the shower for the couple, who plans a June wedding.

PICTURED LEFT TO RIGHT — Pat Cates, Carrie Bertrand, Donna Anderson, Sue Williams, Daphna Simpson, Kaye Powell.

### Mary Montandon Artist Of Month

Mary Montandon of Aiken is the Artist of the Month for the May-June period. Eight of her paintings are on display at the First National Bank in Floydada.

Mrs. Montandon works with various media including oils and pastels. Her favorite subject is portraiture, but she also paints still lifes and landscapes.

Mrs. Montandon and her husband Francis L. Montandon, who farms in the Sandhill community, have three sons, Mark and his wife

Windy of the Sandhill community; Francis of Socorro, New Mexico; and Paul and his wife Sarah of Sulphur Springs, Colorado; and two grandsons.

### Single Adults To Meet Saturday

Single Adults are to meet Saturday night May 12 at Edna Gilly's for hamburgers, ice cream and cake.

Hostesses will be Edna

Gilly, Ruthie Bell Hill, Clara Redd and Edith Marrs.

Following the supper, games will be played.

Happy Mother's Day, Mrs. Austin

## Pattillo Bridal Courtesies Show

Kathy Pattillo bride-elect of Jerry Parr was honored Saturday April 28 with a tea shower in the home of Mrs. Douglas Chesshir of Nixon. There were 26 co-hostesses.

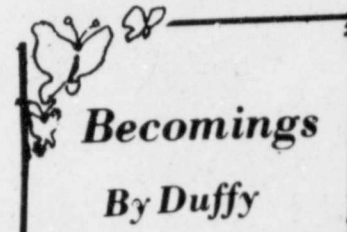

Special guests were Mrs. Robert H. Pattillo, mother of the bride-elect, Mrs. L.F. Weaver, Kathy's grandmother, and Mrs. Travis Parr, mother of the future bridegroom.

### KITCHEN SHOWER

She was honored Monday April 30 with a kitchen shower in San Marcos, by college friends. Hostesses were Kathi Reid, Quida Mazurek and Barbara Shortnes.

### LOCAL HONORS

A miscellaneous shower was given May 4 at the Plainview Savings & Loan by Mrs. Tommy Assiter. Co-hostesses were Mmes. Maurice Goodwin, C.L. Gilly, R.L. Bullock, Garland Foster, Glen White, Bill Hendrix, Gordon Hambricht, Mac Smitherman and Dallas Ramsey.

### Becomings By Duffy

Some famous poet said (or something close to) "If I were hanged on the highest hill, mother love, mother love would follow me still."

I was thinking the other day about whether the nicer thing about life is having a mother or being one. Both are pretty special to me, so I thought I'd make a list of for and cons (you have heard of for and cons?).

Special memories which are uniquely mine as a result of having my own particular mother include: being allowed time to sit in the rocker in the living room and think, playing and singing at the piano, being taken to church, being taught the values of honesty, fairness and kindness.

I also remember good food on the table when I came home from school, fresh ironed clothes in my closet and her presence when I came home from school. In short, I remember a general sense of well being.

When I became a mother her advice on child care was clear—"Just treat them like they are little human beings..."

On being a mother...well, there are too many good things to list. Maybe special remembrances on special dates, maybe just everyday living, maybe special words and hugs, but I really think it was just the fact of the children's existence that made it all ok. There have been many good times, and now my youngest is to graduate from high school this month. I said I'd list some cons, and I know there have been some...but you know, right now, I can't think of a single one.

### BRIDAL SHOWER

The bridal shower will be given May 18 by Miss Debbie Burnett and Miss Carla Harborth of Smiley, Texas.

A rice party will be given May 19 by Mrs. Bubba Rix on Nixon.

## Pink & Blue Shower

### Mrs. Bybee

The home of Mrs. Jim Bob Martin in the Aiken community was the scene of a pink and blue shower Saturday afternoon. Honoree was Mrs. Louie Bybee of Providence.

Mrs. Dart Carthel was at the guest registering table. As gifts were opened by Mrs. Bybee, they were registered and displayed by her sister-in-law, Mrs. Martin Stoerner, assisted by Mrs. Lanny Glasscock and Mrs. Keith Jackson.

Special guests were the prospective grandmothers, Mrs. Wilfred Stoerner and Mrs. Donnie Bybee; the honoree's sister-in-law, Mrs. Steve McPherson of Lubbock, and aunts of the couple, Mrs. June Bybee and Mrs. Buddy Brandes.

# So They Say

## MORE RECEIVING THAN WORKING

We assumed the following had now occurred, and now an economic report done by Ford Motor Company confirms it. There are now more Americans getting income from tax dollars than there are those working and earning in the private sector.

And the gap is significant and widening.

The study showed that 80,655,000 Americans get a tax dollar check, and only 71,650,000 get a non-tax supported income. Those 71 million are, in a wide aspect of our economy, supporting the 80 million.

It is true that a number of the 80 million on government tax dollar income also pay various types of taxes, including income tax.

Those who get their income from government include the two and a half million federal employees, the military, the vast retired military, the 8 percent unemployed, the millions on welfare, those on Social Security disability, and of course Social Security. There are the nation's teachers, law enforcement officers, firemen, all state, city and county employees, and a variety of people in such things as courts, and specialized districts of government, and public health care force in our hospitals in clinics.

The most rapid rise in numbers of those Americans whose incomes is from tax dollars is the welfare groups, and those on Social Security disability. Liberalization of benefits in the past decade on his was given as a direct cause. Our nation is not starving and not becoming more disabled.

But it seems that certain politicians and political groups would have us believe that we need more checks from Washington for welfare and a strangely expanding number of Americans who become disabled.

The widening gap between this 80 million Americans living off tax generated dollars versus 71 million who are not is the most significant thing in this economic study. It should cause all of us to stop and think about it, and fairly often.

New Texas Gov. Bill Clements promised in this 1978 campaign and reaffirmed this after election that he would reduce Texas state public employee roll by 24,000 over the next four years.

We wish him luck but the odds are against it. The political pressures from the "organized" public employees are great. These are the special interest groups that some liberal politicians attribute to only "business."

Texas state government has some "fat" in its number of employees. And so does all governments, especially in Washington, D.C. President Carter campaigned with a promise to reduce federal employee level. So far, he has seen an increase in numbers.

That is why the odds of closing the gap between payrolls from tax dollars and those from non-tax dollars are rather slim. And our company eventually will feel serious consequences as this gap widens.

—Gilmer Mirror

## JUST DOESN'T HAVE THE KILLER INSTINCT!

### POOR HANDWRITING

"Americans business is losing between \$100 million and \$200 million a year due to poor handwriting by workers and executives," says Frank King, executive vice president for the Writing Instrument Manufacturers Association.

For the past 50 years or more, experts have claimed that handwriting has deteriorated to a level that makes it almost a national scandal. King hopes that if business realizes the high price tag for poor penmanship, someone will finally do something about it.

He says the illegible scrawls in business offices, shops and government agencies produce billing mistakes, unreadable names and addresses, with consequent delivery failure, serious bookkeeping errors, indecipherable messages, poor inventory records and a lot of returned mail.

King estimates the direct cost, in lost sales and claims for various defaults, at \$100 million a year. The amount of work

that has to be redone, sometimes on overtime, because someone's handwriting was illegible could run another \$100 million a year.

The pity is that it's all so unnecessary, King says, because there are only two rules that need to be followed to make writing legible:

1. Slow down, make every letter carefully and connect your letters properly to make words.
2. Keep all your writing slanted in the same direction.

We don't know Mr. King, but we agree with his assessment of the situation and acknowledge ourself as being one of the offenders.

We started printing, not writing, early in life because the penmanship was so bad. Now, a couple of years later, we find we can't write at all — but can print pretty good.

Thank goodness for typewriters.

### Wayne Campbell, RN, Will Receive BSOE Degree In Administration / Nursing

Wayne Campbell, RN of Floydada, will receive a Bachelor of Science in Occupational Education (BSOE) Degree from Wayland Baptist College on May 19. His major for this degree are business administration and nursing.

Campbell has been a registered nurse since 1972. In addition to this BSOE Degree, he holds an Associate Degree in Registered Nursing from Amarillo College, received in 1972; and Associate Degree in Mid-Management from South Plains College, earned in 1978; and Texas Nursing Home Administrator License since February 1978.

Campbell began his nursing career in the U.S. Navy in 1966. He has worked in "nearly all phases of nursing," including director of nurses and assistant administrator.

When asked about his combination of business ad-

ministration with nursing, Campbell said "every hospital administrator should be required to have some nursing and/or medical background because the advantages are great for both the administrator and the hospital."

Campbell's wife, Judy, is librarian at Duncan Elementary School. He has two sons, Jeffery, age 11, and Jacky, nine.

### Wayland Band To Give Sunday Concert Here

The Wayland Baptist College Band will present a Sunday evening (May 13) concert at First Baptist Church in Floydada. It is scheduled for 7 p.m.

The group has just returned from an 11-concert tour of Hawaii and will be the band for "Baptist World All" in Toronto in 1981.

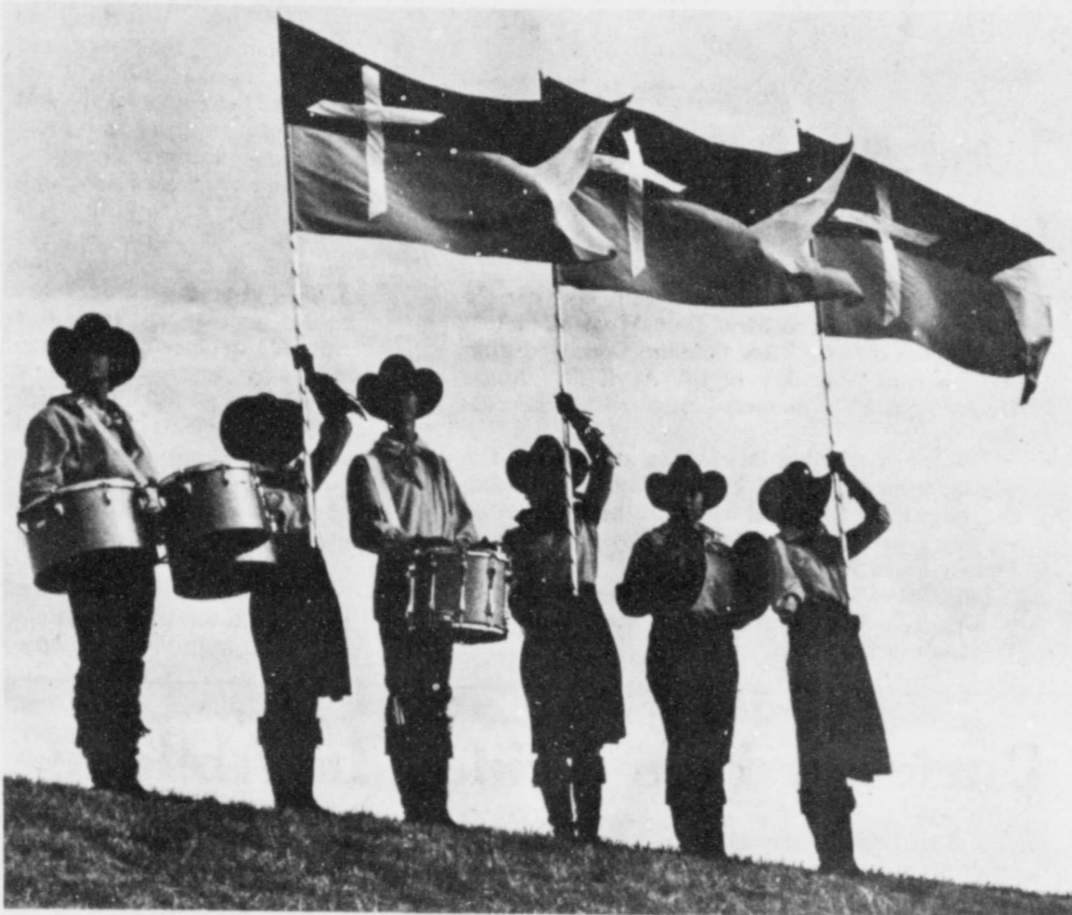

The Wayland Baptist College "Pioneer Marching Band" and "Symphony Band" are organizations on the Wayland Baptist College campus in Plainview that are beginning their third year of performance "with pride and distinction."

Persons associated with the school watched with excitement and amazement as the band, beginning with only four members, increased to 41 members, performed for all athletic events at Wayland, present 19 concerts in cities of Texas and New Mexico and performed 17 programs in Rome, Italy — all in the first year!

Forty-three performances in Kansas, Oklahoma, New Mexico, and Texas, and another increase in size made the second year an exciting addition to the growing tradition of Wayland and the band.

Performance by the Pioneer Band and Symphony Band involves a versatility few university bands can claim with marching, concert playing and singing. The band is achieving a reputation of excellence in the academic world and a unique reputation of sincerity and excellence in religious music, Wayland officials believe.

"The band thrives on pride, hard work, excitement, and a dedication to spiritual values.

Two gasohol bills have passed both the House and Senate in the Texas Legislature. H.B. 1803, by Rockdale Rep. Dan Kubiak, passed the House by a vote of 104-23. This bill would provide for loans to individuals and corporations for the production of alcohol. These loans would be made through the Texas Industrial Commission.

Fifteen million dollars was provided in the form of a 10 year loan. A group of individuals could obtain up to a half a million dollar loan, while an individual would be limited to a \$25 thousand dollar loan.

H.B. 1986, by Somerville Rep. Bill Keese, passed by a vote of 127-1. This bill cleared any legal aspects pertaining to the production of alcohol in Texas.

In recent testimony presented before the House Agriculture Committee, we learned that Brazil now produces close to half of the country's fuel needs in the form of alcohol. Brazil's goal is to supply its entire fuel need for moving vehicles within the next five years.

I supported these bills and I also supported the addition of \$120 thousand dollars to the budget of the Experiment Station for research on the production of alcohol as a fuel.

The price of gasoline has now escalated to a figure that makes production of gasohol feasible. As the price of gasoline continues to rise, the production of alcohol will look even better.

Presently we have thousands of acres of land standing idle because of government programs. Production of alcohol from these acres would greatly lessen our dependence on oil from the Middle East.

Considering our dependence on oil from that part of the world and the powder keg situation we have in that area, this gasohol legislation could prove to be the most important legislation we pass.

I'm always glad to hear your comments on this or any other legislation before the House of Representatives.

**Christa Dawn West Crowned Little Miss Yoakum County**

CHRISTA DAWN WEST, the six-year-old daughter of Mr. and Mrs. Dale West of Plains, was crowned Little Miss Yoakum County during the pageant Saturday night, April 28. Angie Hooker, the 1978 honoree, crowned her successor.

The petite Christa Dawn was announced the winner from a field of 21 contestants following the judges' decision and will hold the title for the coming year. She was sponsored by the Yoakum County Farm Bureau.

Little Miss Yoakum County is a granddaughter of Mrs. Ella Reue and Mr. and Mrs. John Key West, all of Floydada.

## A Glance At The The Texas 4-H Center

By Birch L. Lobban  
County Extension Agent

4-H youth and their adult volunteer leaders have a home away from home called the Texas 4-H Center.

Located on Lake Brownwood in North Central Texas, the center serves as a 4-H training, recreation and camping site for several thousand 4-H youngsters and the adults who work with them each year.

From September through May, the 4-H center hosts boys and girls and men and women from all parts of Texas. They come on weekends to learn more about their 4-H projects, such as foods, horses, clothing, sheep, personal leadership skills, opportunity and awards programs, rabbits, poultry, recreation ideas, and many other topics.

Since last September, 900 persons have received weekend 4-H training and have enjoyed a relaxed informal atmosphere including food, fun, and fellowship at the center. Upon returning to their homes, members and adults share what they gained through local 4-H club programs and activities.

During summer months, the center hosts county, district and statewide 4-H camping sessions. In the summer of 1978, more than 2,700 4-H people came to the center for two- or three-day camping experiences. Learning and improving one's knowledge and skills in citizenship subjects, arts and crafts, swimming and other outdoor recreation as well as nature trail exploration was and is the focus of camping sessions.

The Texas 4-H Center is a powerful force in our state's efforts to help young people

develop healthy ways of learning and living. It is a "centripetal" force because youngsters and adults are attracted from all parts of Texas. It is also a "centrifugal" force because those same people depart eagerly to go back home and share what they experienced.

Anyone interested in participating the center either as a volunteer leader or as a camper should contact the center office.

Education conducted by the center is of a high quality and is of interest to people of all ages, backgrounds, color, sex, religion, and social status.

### Burleson Fete Friday In Abilene

This Friday, May 11, hundreds of friends are expected to gather in Abilene to pay tribute to former Congressman Omar Burleson, who served the 17th Congressional District for 32 years.

Special guests for the event will be U.S. Senator Lloyd Bentsen, who will make the dedicatory address as the Abilene Post Office will become the "Omar Burleson Federal Building." Senator Bentsen proposed the enabling legislation in the United States Senate which was approved on Oct-

ober 27, 1978, to name the Federal Building for Burleson.

Senator and Mrs. Bentsen, along with Congressman and Mrs. Charles Stenholm, will join the Burlesons in greeting friends in the foyer of the Civic Center at 11 a.m., following a press conference at 9:15 a.m. in the Green Room.

Friends are encouraged to remain for informal visits with the Burlesons immediately following the luncheon.

# FHS Activity Awards To Judi Bean, Terry Willson

Judi Bean and Terry Willson were presented the Floydada High School Activity Awards during the traditional FHS Awards Assembly, held Tuesday morning in the auditorium.

Principal Charles Tyer introduced the honorees. "This highly coveted award is given to a senior girl and senior boy each year," Tyer told the student body.

Darla Assiter and Jay Waller were chosen first runners-up. Second runners-up were Suzanne Dyess and Jim Covington.

**SCHOLARSHIPS AWARDED**  
Beverly Vickers and Ricky Day were

revealed as recipients of the first annual A.E. Baker Scholarship. This scholarship was initiated in honor of the late superintendent of Floydada Independent School District.

Another new program — The Helen Dunlap Scholarship — was started this year. Regina Sanders was named as the recipient.

Other scholarship winners announced during the awards assembly were: Farm Bureau Citizenship Seminar — Mike Allen and Sammy Bradley; Rotary Scholarship — Terry Willson; TSTA Garland Foster Scholarship — Tammy Payne; Winfred West Memorial Award —

Gerry Norre; Russell Wood Memorial Award — Blake Kitchens; Zimmerma Nursing Award — Connie Bradford; DeKalb Aard (outstanding FFA member) — J. Waller.

Jimmy Rodriguez, who transferred to Floydada High in Floydada for the 1979-80 academic year, was awarded a scholarship for the 1979-80 academic year. In addition, he will not be required to pay tuition or fees for the fall spring semesters.

President M. Sherman of West Texas State University announces that a \$100 President's Honor Scholarship has been awarded to our FHS seniors for the fall of 1979. They include: Darla Assiter, Kimberly Arnett, Kalvin Dick, and Brenda Jacks.

Dick also received a scholarship as top ranking male student in the Class of '79.

Valedictorian Trav Gentry and Salutatorian Beverly Vickers also received scholarships.

Pam Muncy was named by Principal Tyer as Floydada High winner of the Mary McCoy Baines Center of Daughters of American Revolution Good Citizens Contest. Selection was based on dependability, service leadership, and patriotism.

**HONOR SOCIETY RECOGNIZED**  
Principal Tyer individually recognized local members of the National Honor Society.

## The top 2 sorghum hybrids on the High Plains are both from Pioneer.

Even in a rough sorghum year like 1978, farmers all over the High Plains brought in good yields with 8501 and 8451 from Pioneer. Both of these hybrids have outstanding qualities that make them ideal for High Plains growing conditions. Talk to your Pioneer dealer soon about one . . . or both of these hybrids for your place.

**8451**  
**High Yielding Greenbug Tolerant**

Greenbug tolerance without sacrificing yield! Even in marginal conditions this outstanding hybrid makes a good stand. Extremely good early-season vigor coupled with outstanding stress tolerance makes 8451 the kind of sorghum you'd choose even if it weren't tolerant to greenbugs. In side-by-side yield comparisons over a three-year period, 8451 has proven its performance potential by out-yielding later maturing hybrids by almost 350 lbs. per acre. If you need greenbug tolerance, but don't want to give up yield, plant 8451 from Pioneer.

**8501**

Drought tolerance with high yield potential. In 56 tests over the last three years 8501 has shown a yield advantage of 339 pounds per acre over competitive varieties. A strong stalk and root system give 8501 excellent standability and add to its exceptional drought tolerance. 8501 has good tolerance to smut and MDMV. Very uniform head height, excellent head exertion and beautiful, bronze grain help make its field appearance outstanding.

## PERRY IMPLEMENT CO., INC. SPRING SPECIAL

GET READY FOR SPRING CULTIVATING  
ALL GENUINE JOHN DEERE SWEEPS 12% OFF

Regular wheatland sweeps (1) are available in seven sizes from 8 to 20 inches wide. They take land polish quickly, are bottom-beveled to hold sharpness; kill weeds with minimum ridging. High-crown types (2) are available in 14- to 20-inch sizes 5/16-inch thick compared with 1/4-inch stock on regular sweeps. Heavy-duty low-crown sweeps (3) are 16 to 18 inches wide. All feature wraparound shanks.

These 6-inch chisel sweeps (4) do a good job of breaking up soil for water absorption, and tack in stubble to retard wind erosion. Wraparound shanks ensure positive fill. Ribbing beneath points provides added strength. Heavy-duty sweeps (5) are designed for maximum strength and durability. Choose from five sizes, 6 to 14 inches wide.

Universal sweeps (1) are available in eight widths, 5 to 24 inches. Low crown, narrow shank, low wing angle, and quick scouring produce high-speed work. Peanut sweeps (2) offer eight sizes, 6 to 20 inches, of special design for high-speed cultivation with only slight soil movement. Mixed-land sweeps (3) have eight sizes, 4 to 16 inches; throw soil and leave a mulched surface due to high, broad crown, high wing angle, and broad shank. Blackland sweeps (4) are for areas where scouring is difficult; nine sizes from 4 to 24 inches with high crown and high wing angle. General-purpose sweeps (5) have 4 1/2- and 6-inch sizes with low-pitched wings for good soil flow.

## Claiborne-Farquhar Win Floydada Club Invitational

Jesse Claiborne of Lamesa and John Farquhar of Lubbock won the invitational golf tournament held at the Floydada Country Club April 21 and 22. The pair defeated Jerry Boeka of Amarillo and Steve Lecrone.

On the first day of play Boeka and Lecrone shot 66 and Claiborne-Farquhar, 68. However, on the 2nd day Claiborne-Farquhar shot 61, 11 under par, and Boeka-Lecrone shot 63. In the sudden

death playoff, Claiborne-Farquhar birdied the number one hole to win the tournament.

Claiborne has recently won at Ruidoso and Horse-shoe Bay. He and Farquhar had not played partnership before the Floydada tournament.

According to Richard Hale, Floydada Country Club pro, the pair may also participate in the August partnership to be held at the club.

Blake Kitchens, Russell Wood Memorial Award; and Jay Waller, DeKalb award.

## Winner Of DeKalb Ag Award

## Nine Floydada Students To Graduate From TTU

Nine students from Floydada are among some 2,000 degree candidates who will be graduated in Texas Tech University commencement exercises this spring. U.S. Sen. Lloyd Bentsen will deliver the 1979 commencement address.

### 'Breath Of Spring' Bike-A-Thon Set

"Our goals are simple: To find a cure or control for the inherited disease, cystic fibrosis, while improving diagnosis and treatment of children suffering with serious lung-damaging diseases", said Mrs. Jan Thayer, Chairman of the Breath of Spring Bike-A-Thon in Floydada.

"We have dedicated volunteers, a national organization, renowned scientists and researchers, and 115 diagnostic and treatment Centers", said Mrs. Thayer. "What we don't have is enough money. That is why the Cystic Fibrosis Foundation is appealing for support to expand research and care programs through the Breath of Spring Bike-A-Thon."

Funds raised in the Bike-A-Thon will help support the CF care, teaching and research Centers across the U.S., where children with lung diseases are diagnosed and treated with the most modern techniques and

equipment. "Every dollar raised for the Breath of Spring Bike-A-Thon means better health and a brighter future for youngsters struggling for the breath of life."

The Breath of Spring Bike-A-Thon will take place in Floydada on May 19.

on a five-year lease-purchase plan. On thousand dollars of the \$1,100 down payment will come from the fire department equipment fund.

Monthly cost of the 29 pagers will be \$7.29 each or \$210.44. They become city property at the end of five year.

City Manager Feuerbacher said the monitors system will be used to alert firemen of fire calls and storm watches and will be utilized to summon city employees during off-duty hours. This method of contact is to replace the present telephone system.

The pagers may be worn on belts or placed in the home of alert volunteer firemen and city employees from a base unit.

After discussion, the council tabled the matter of replacing at present 13

trees at Annie Taylor Park which were run over by vandals. The cost now is \$50 per tree as compared to \$24 for the initial trees.

The council is still hoping that the vandals will be apprehended

### AIRPORT FUND COMPLETE

The \$7,500 which a citizens committee had pledged to gather from private sources to aid with airport improvements has been reached. The council expressed appreciation to each donor

Two thousand dollars was transferred from the street sweeper fund to the airport fund to help finance the city's portion of the improvement project.

Council approved placing a buried cable for electrical service in the alley between Lee and Grover Streets. An

individual is planning to construct a house on the west end of the block, Feuerbacher related.

### ROSS REAPPOINTED

S.W. Ross was reappointed to a two-year term as a Floydada representative on the Mackenzie Municipal Water Authority Board.

Feuerbacher discussed with council members workman's compensation recommendations by the state.

City bills were discussed and approved

Mayor Parnell Powell conducted the Tuesday night session. Council members Jerry Thompson, Johnny Bill Sue and Wayne Russell were present, as were Feuerbacher, City Secretary Jimmie Lou Stewart, and Bill Kincaid, legal counsel.

## Insect Scouting Program May Prove Helpful To Area Farmers

By Paul W. Treptow III  
Extension Entomologist

"The growing season is upon us which means it will soon be time to start watching for those insect pests which so often give us a problem", states Paul Treptow, Extension Entomologist of Crosby and Floyd Counties. "The Texas Agricultural Extension Service and myself may be able to help you with your pest problems this year," adds Treptow.

The Crosby-Floyd County Pest Management Program is about to get underway for another year. This program was set up in 1976 to demonstrate to area growers the benefits of having your crops checked regularly throughout the growing season by qualified scouts.

In this program, as in all farming operations, economics is the name of the game. Decisions to spray or not to spray are based on whether it is economically feasible to do so. In crops with year to year problems in our area—sorghum, sunflowers, and corn—the necessity of treatment for pests is rather obvious.

However are these treatments properly timed and are effective chemicals always used? In the case of cotton do you really know if bollworms are economically damaging your yield if fields are not checked regularly? Cotton is one crop in our area which is not usually damaged every year by insect pests.

Losses in one bad bollworm year will be enough to have paid for several years of weekly field scouting during the growing season.

In the long haul, regular field scouting works out to be a management

practice which can increase net profits.

The program operates through the non-profit Crosby-Floyd Pest Management Association which is made up of growers who are in the program. Participants pay a per acre charge which is used to hire scouts for a weekly basis (more often during peak insect activity) and report directly to the growers concerning numbers and damage. The county entomologist is in contact with the grower throughout the season to help with control decisions and the selection of effective pesticides if necessary. Treptow continues.

This summer the program will operate in the Mt. Blanco, Cone, Big Four and South Plains Communities.

Listed below are approximate per acre charges for the 1979 season. Again this goes to pay one scout team (two this goes to pay one scout team (two people) scouting about 3,000 acres of crops. A portion of this charge is for administrative costs to the Texas Pest Management Association — the statewide organization responsible for paying scouts.

Plains Cotton Growers is our commodity representative to the board of directors of the Texas Pest Management Association and as such receive a contribution for their part in the promotion of pest management practices.

Cotton \$1.75/acre \$2.02/acre skip row  
Sorghum \$1.60/acre  
Corn 2.02/acre  
Sunflowers 1.60/acre

## Cedar Hill News

by Grace Lemons

A host of thoughtful neighbors, loved ones and friends were buzzing tractors in the fields of Lindsey Lackey, Monday and Tuesday preparing the land and planting crops for Lindsey as he will enter the hospital in Lubbock in a few days and undergo a very technical heart surgery. Our prayers and thoughts are with him and his family and trust for the best. Those who are running tractors and helping in the fields are Craig DuBois, Quin DuBois, Bill DuBois, Kim Lackey, Kelly Mixon, J.C. Fowler, Donnie and Linda Turner, Johnnie Wayne Turner, and Phil Lemons.

Clayton Fowler of Silverton visited his grandparents Mr. and Mrs. W.E. Lackey, Monday. He took them to town to tend to some business and had lunch out.

Cephus and Imogene Fortenberry and grandchildren Terry and Todd Harris of Floydada visited Mr. and Mrs. Troy Smith in Dumas Saturday.

Mr. and Mrs. Junior Taylor had lunch with Olan and Grace Keeter in Plainview Sunday. Others there were Mattie Davis, Bud Taylor, Mr. and Mrs. Gus Wesley, and A.P. Richardson of Lubbock.

Edna Gilly and Amy Gilly ate lunch with Ruth Hill in Floydada Sunday.

A bridal shower was given in the home of Edna Gilly Saturday afternoon honoring Kim Lackey bride-elect of Kelly Mixon. Around 50 guests were served punch, cookies, nuts and mints from a lace covered cloth centered with a miniature bride and groom and a center piece of apricot and cream silk roses and napkins of white with gold letters Kim and Kelly printed on them. Judy Lloyd registered guests, Kim unwrapped gifts and displayed them. Juanita Chappell served. Hostesses for the occasion were Lou Burleson, Imogene Fortenberry, Norma Welch, Martha Taylor, Gladys Fortenberry, Lori Gilly, Juanita Chappell, Judy Lloyd, Edna Gilly and presented her with pieces of

T-Fol cook ware.

Robin and Ruth Fortenberry went to northeast Texas last Wednesday May 2 for a short visit. In Bogata they visited Ruth's aunt Reeta Evans who is 94 years old. They also visited cousin Mrs. Oscar Leggett and Mr. and Mrs. J.L. Evans; in Clarksville, a cousin, Mrs. Henry Reynolds; in Fulbright a cousin, Mrs. Blake Reynolds. Thursday Mrs. Leggett, the two Mrs. Reynolds, Ruth and Robin went to Mt. Vernon and ate out, then visited a cousin, Mrs. Terry Waters. Robin said that the

only time he ever saw more water was at Galveston from a rain there Thursday evening.

Helen Patterson from Whitehouse spent Friday night in the home of Edna Gilly.

Mrs. Ruth Harlon of Floydada had dinner Sunday with Rev. and Mrs. R.C. Guest in Silverton.

Gladys Fortenberry and Patsy Boone of Lubbock went to Henrietta, Oklahoma, to visit Mr. and Mrs. Jackie Hayhurst. They returned home Tuesday.

Rev. and Mrs. Vance Mitchell and daughters went to Pampa Friday where Sandra played her cornet in a talent contest. They spent the night with Mrs. Mitchell's sister

Sharon Green. They returned day after tomorrow.

Grace Lemons home from the Hospital Texas reported importantly. Those they visited her at were Mr. and Mrs. Conner, Norma and Mrs. Vasquez.

Mrs. R.C. Guest and Mrs. Phil Lemons at the week with Gladys Fortenberry, Mize, Rev. and Mrs. Linda Lemons and Mrs. C.V. Lemons and Mrs. Marvin and children. Mrs. James Lemons and Ruth Fortenberry.

## West Texas Needs ... Water!

Dorothy Word and her views were featured in the Richard Morehead column in a recent issue of The Dallas Morning News. We think you will find it interesting.

**Floydada** - It would make more sense, said Dorothy Word the other day, if the water which recently flooded Houston, Conroe and numerous other places was being channeled across the North Texas to the fertile plains farming country.

"We're going to have to feed the world, and we must have water to do it," she said. "We can grow it right here on the plains - from Texas to Canada - if we get the water."

Mrs. Word, whose husband is a well-known archeologist, insurance and real estate man, moved here some years ago from Austin because she and her husband like the high, flat plains. She helps with their business, which includes a farm, and they travel widely on archaeological "digs."

She once lived in the West Austin mansion that the University of Texas later brought for a chancellor's residence and named it, "The Bauer House." It was built by her parents, Mr. and Mrs. R.B. Cousins Jr., on 10 acres of then secluded woods.

Alumni of the University of Texas, the Words are solid, well-educated citizens, who like many others on the plains hold a vision of a great future if the land can just be watered for crops. Millions of acres already are irrigated by underground wells, but this supply is dwindling and the cost of pumping with

electricity and natural gas is becoming prohibitive.

Ten years ago, city voters in Houston and Austin, constitutionally amendment was passed authorizing a Texas water bond plan with funds to support a vote was 315,793 to 309,516.

Many voters were led to believe the problem would mainly be solved by farmers who ride around in tractors. Supporters like the concept sincerely believe the concept body who Eats is in Agriculture bumper stickers) has at stake as the producer of the weather and low prices.

Despite this setback, the recent rise in beef prices and livestock raisers remain optimistic. A farmer is a born optimist.

Hope truly springs from the grain harvest in June and the weather is beautiful.

Green wheat, some of it pastured, now is growing and grain harvest in June and the weather is beautiful.

## CARDS OF THANKS

I wish to thank each and every one for their prayers, flowers, phone calls, visits, cards, and all the nice food, love and kindness shown me and the family of his and mine, at the death of my beloved husband, Lee Pearson. God bless you with a special blessing is my prayer. I will always be grateful for having friends like you. Leona Pearson  
 Truth or Consequences, New Mexico 5-10

The family of W.L. Hartline gratefully acknowledges the many kindnesses you showed to us during the loss of our loved one. Your flowers, prayers, food and expressions of love helped us to realize again how much we love and need our friends and family. We especially appreciate Dr. Jordan, the staff of Caprock Hospital, Brother Floyd Bradley, and the ladies who served the lunch. Sincerely, Cora Hartline  
 Dub, Donna, Robbie and Buddy Hartline  
 June, Bob, Rock, Teresa, Sharon, Scarlett, and Sheila Landry  
 James, Addie, Blake and Grant Hartline. 5-10p

Thanks so very much for all the interest and concern, the food, flowers, calls, cards, and every act of kindness shown us during our time of loss. It seemed to make our load a little lighter to know that our sorrow was shared by dear friends. John and Carolyn Redding. 5-10p

I would like to express my sincere thanks to all my friends and loved ones for their love and concern during my illness. Your prayers, cards, visits and flowers mean so much to me. Dr. Mangold and the entire hospital staff were so kind to me and I am eternally grateful. My deepest appreciation goes to Bro. Seago and Bro. Jenkins, for their visits and prayers were a source of strength, which we all need. My love to all of you. Jewel Rigdon 5-10p
