have really enjoyed the last half weeks in Floydada with the city council, and it sorta like "coming home" back here among a friendly and inter-acting group of people we met two years ago when we were here for the 1978 helping with "ole Wendell", who is up there in Tulia trying to stay on top of happenings in that Panhandle-South Plains city. And we wouldn't want to omit some new acquaintances, A.C. Pratt (we had met Beth here two years ago and now know her also as a Tech student), Melvin and Janet Lloyd (Janet being one of the vivacious helpers recently at the Hesperian) and their families. We were teaching at Tech in the early 60's when Melvin was an ag eco major there so we had a chance to reminisce how the school has changed since then A.C. was most tolerant when this city boy starting discussing agricultural problems with him.

And back to old acquaintances, we were delighted that Jan Thompson was still a part of the Hesperian crew. For a temporary such as myself to come in a strange city and help with a paper, assistance is needed in the way of identifying local people and situations. Jan has been invaluable in this respect, and has steered us towards interesting people and things to write about. As we still get turned around in this city. Started out to the city hall last week to see Feuerbacher, Stewart and company and literally drove 10 minutes looking for that city hall. Finally was so shook at not finding it, we asked our way and after two shots at it, found it. If you ask, "how can anyone who has been in Floydada two weeks not find city hall?" You'd only have to ask our

BUS ROUTES. The Floydada School board approved bus routes for the 1980-81 school year at their monthly meeting Tuesday night. Jerry Cannon, superintendent of schools, left, and Tommy Cathey, business manager, tax assessor-collector, hold up the revised map showing how the routes will be run.

School Board Fills Vacancies, Approves 1980-81 Bus Routes

In a mostly routine but lengthy Floydada ISD meeting Tuesday night board members discussed personnel changes, insulation for the new Field House, test results of the fifth and ninth assessment tests, and raised the price of school lunches for 1980-81.

Tommy Cathey, business manager and tax assessor-collector, told the board that tax collections stood at \$779,690, which represents "about 93% of the tax money available, and is very close to where collections stood at this time last year."

Discussing personnel changes, Superintendent Jerry Cannon told his board members that all positions that he

making would be vacant for next year had been filled with the exception of the four-year old migrant worker post, a third grade teacher spot, assistant girl's coach, home-bound special education teacher, high school math teacher, and high school business teacher.

Cannon said he did not anticipate having problems filling these vacancies except for the assistant girl's coach position and the high school math teacher opening.

"I have called four states, making about 15 calls, looking for a math teacher, with no luck. Apparently everyone in the world is looking for a math teacher," he said.

The following teachers have submitted their resignations, Cannon reported: Mike Brownley, junior high coach, Brenda Brownley, third grade teacher, Sheri Riddle, Duncan kindergarten teacher, Kay Jones, also

Duncan kindergarten, Kay Dowell, special education aide, and Janie Rodriguez.

Replacements thus far are Julie Poage Lockney, Duncan kindergarten, Pamela Vezzey, also kindergarten, Dan Pair, junior high coach, Gall Hale, sixth grade teacher, Bobbie Weir, elementary physical education at Duncan, and Carolyn Smith, math aide at Andrews.

"We had a large turnover this year," Cannon said, noting that teachers have till June 15 to resign their 1980-81 contracts.

In other business the board members voted to put polyurethane insulation on the Field House and authorized Cathey to award a bid for the replacement of the backdrop curtain at the high school auditorium which is in a bad state of repair, he said.

Nan Green was named director of the high school cafeteria and Sue Chesshir

Duncan Junior High cafeteria supervisor.

Proposed bus routes for 1980-81 were submitted to the board by Cathey and they were approved.

School lunches for next year were upped by 10 cents a meal in all schools, making the cost 70 cents for elementary, 80 cents for junior high, 90 cents for high school and \$1.10 for adults.

During the meeting Jerry Ford and Ricky Gonzalez presented the board a check for \$1250 to put up lights on the junior high tennis courts.

The board also heard a report on the School Board Workshop in Lubbock May 2 attended by Martha Farris and Robert Stovall.

Members attending were Travis Jones, president, Harvey Allen, vice president, June Ware, secretary, Martha Farris, Weldon Pruitt and Robert Stovall. Adrian Helms was absent.

A series of vandalisms and petty thefts in recent months in Floydada prompted the City Council Tuesday night to endorse preliminary steps toward installing a Crime Line operation in Floydada similar to ones in Lubbock and other area cities.

The discussion was triggered by Menard Field, who appeared before the council to discuss recurring vandalism at the Senior Citizens Center on South Eighth Street.

In other business the council established new traffic procedures at an intersection, purchased a new copier for the city offices, authorized the purchase of a new radar for the city police and the addition of a fifth policeman for the city force, and acted on a number of routine business matters.

Describing his proposal for a crime line-type of operation in Floydada, Field told councilmen Wayne Russell, Leroy Burns, Jerry Thompson, Carl Jarrett, Boone Adams and Mayor Parnell Powell that windows had been damaged at the Senior Citizens Center four different times. Growing tired of this, he said, he had conducted a survey among a group of business people and farmers in the area and had found that "96% of them were for the idea of a crime-line type operation and they had agreed to start a fund by giving \$25 each toward paying for information leading to the arrest and conviction of persons responsible for crimes."

Field emphasized emphatically to the council members however that he did not want to administer such a program personally, were it to be established, pointing out that he had done the preliminary work in bringing it to the council and it was for them to decide if the idea should be pursued.

Police Chief Scott Newton pointed out that the city can't administer it and the program questioned how it could be worked. "I feel it would have to be coordinated with the sheriff's department," he said.

Mayor Powell said "I think it will work if set up and we will need some newspaper publicity on it to see how people will react to it."

"I would like to see it go if there is any way; this year alone so far I have had losses of \$2,400, including stolen hubcaps, broken windshields, and other losses," Councilman Burns, owner of City Auto, told the group.

After considerable discussion Russell moved that the council endorse the idea of a crime line-type operation and it was seconded by Boone Adams. The motion passed unanimously.

Powell suggested then that

a Lubbock police sergeant who is in charge of the Lubbock Crime Line operation be invited to attend a called meeting in the near future, probably in the District Court Room, to explain to all interested people here how the program works.

"The turnout at the meeting will determine the interest people will have in such an operation," Powell told the council. He said that as soon as details for the meeting can be worked out a story will be carried in The Hesperian inviting people to the meeting. (Hesperian Publisher Shelly Harris has pledged the paper's complete support to the concept, he said.)

In a lighter moment at the meeting two Lubbock sales representatives of a copier firm demonstrated a copying machine for the councilmen. The city's old machine has been out of order for several days and can no longer be economically repaired. After giving the group a demonstration of the machine's abilities, and extolling its virtues, one interested observer at the meeting quipped, "but can you sit on it?" which drew a wave of laughter from the council chamber, the comment being an obvious reference to the tribulations of a young secretary in John Deere of Moline, Illinois a few months ago who was fired for making a photo copy of her nude posterior.

The machine was purchased for \$2,995.

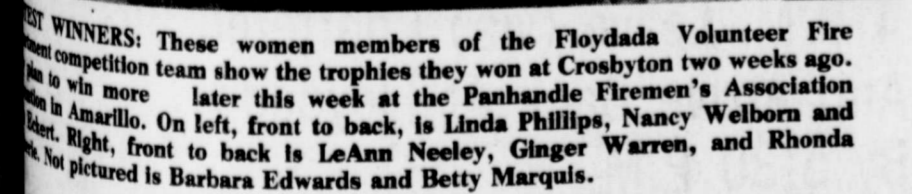

Bob Copeland appeared before the council to describe traffic problems at the intersections of West Ollie Avenue and Fourth Streets and Ollie Avenue and Main Streets. He pointed out that there were only yield signs at the intersection, not stop signs, and that driving in the area is fast and careless and he feared someone would be killed there unless something was done about it. After discussion the council agreed that four-way stop signs should be installed at the intersections.

In other business the council tabled discussion on the tornado warning system because prices on some new sirens they had expected to receive, did not arrive.

In a discussion with Police Chief Scott Newton the council authorized him to spend \$1,295 for a new dash-mounted radar system "that will detect speeds of cars moving towards you or away from you, as opposed to the old radar which has to be operated from a stationary squad car." Newton said the new radar equipment will be in operation within a week.

Additionally Newton will hire a fifth policeman for the

WINNERS: These women members of the Floydada Volunteer Fire Department will attend the Panhandle Firemen's Convention Friday and Saturday in Amarillo and compete in pumper team and water polo events, according to LeAnn Neeley, secretary of the group.

Also at the meeting Floydada Fire Chief Bobby Welborn will move up to third vice president of the Panhandle Firemen's Association.

Pumper teams must qualify with good times by hooking up to a hydrant and squirting water within 16-19 seconds, which is considered a "good time" Neeley said. One year, she noted, a time of 14 seconds won the event for the men's team.

"Women work with a one-and-a-half inch hose and the men with two-and-a-half inch hose," she noted. "If the hose blows off (becomes disconnected) it is a disqualification."

Floydada Firemen Enter Panhandle Fire Contests

Six men and women from Floydada's Volunteer Fire Department will attend the Panhandle Firemen's Convention Friday and Saturday in Amarillo and compete in pumper team and water polo events, according to LeAnn Neeley, secretary of the group.

Also at the meeting Floydada Fire Chief Bobby Welborn will move up to third vice president of the Panhandle Firemen's Association.

Pumper teams must qualify with good times by hooking up to a hydrant and squirting water within 16-19 seconds, which is considered a "good time" Neeley said. One year, she noted, a time of 14 seconds won the event for the men's team.

"Women work with a one-and-a-half inch hose and the men with two-and-a-half inch hose," she noted. "If the hose blows off (becomes disconnected) it is a disqualification."

Water polo competition is conducted by each team squirting a ball across a horizontal wire to see who gets it across first.

Rhonda Guthrie is captain of the women's team and Nancy Welborn is assistant team captain.

A total of 10 women are involved in the distaff side of the Floydada Volunteer fire department, all wives of the volunteer firemen.

"All of these women have helped to raise money for fees to enter the contest at Amarillo," Neeley said.

A real first for the Floydada women will be their competition at the state Fire Association meeting in Dallas June 14-18 in the same type of competition as will be in the Panhandle meet.

"We have never had a team from Floydada enter before in the state competition and we are really excited about this opportunity," Neeley said.

"You know, Floydada's fire insurance rates are lower because we have so many certified firemen on our force, and they are certified by the state because they take courses in first aid, attend schools, and participate in the team races. Many volunteer departments don't require certification," Neeley said.

The Fire Department raised more than \$150 at a Mother's Day Bake sale last week to help pay registration fees for the Panhandle Association meeting. City Auto of Floydada recently made the

first donation to the Women's pumper team with a \$25 check to team captain Rhonda Guthrie.

BLOOD DRIVE. Mrs. Aaron Carthel was the first donor on the scene Tuesday afternoon when the South Plains Blood agency from Lubbock came to Lighthouse Electric Cooperative to collect blood. The drive was sponsored by the Women's Division of the Chamber of Commerce, Louise Turner president. A total of 29 units were collected, lacking just one unit of breaking the record, Mrs. Turner said. She expressed deep appreciation for the people who turned out to give blood. Several Women's Chamber members helped during the afternoon with the drive.

FHS Awards Announced

By Suzanne Dyess
Floydada High School honored its top scholars and citizens at the annual Awards Day assembly held Wednesday, May 7 in the high school auditorium.

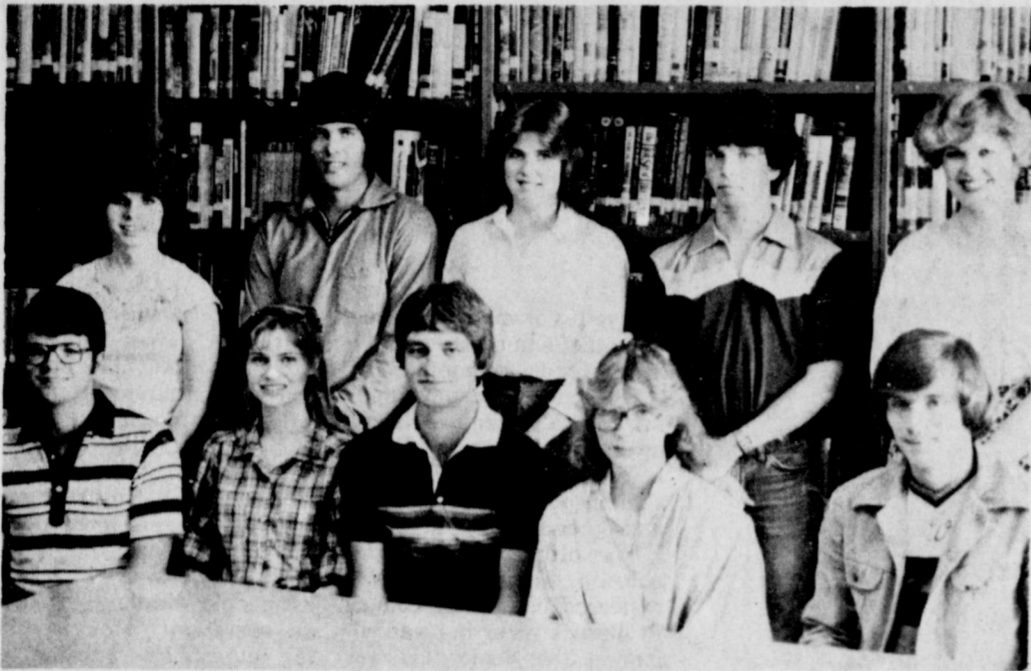

Scholarship recipients were as follows: A.E. Baker Scholarship; Barbara Schwertner and Jonny Finley; Farm Bureau Award; Kelly Ward and Julie Faulkenberry; Helen Dunlap Scholarship; Kristi Willis; Rotary Scholarship; Sammy

Bradley; TSTA Scholarship; Rodney Rodriguez; Russell Wood Memorial Award; Kenny Young; Winfred West Memorial Award; Rex Reves; Zimmerman Award; Melody Stringer; Nursing Scholarship; Regina Baker; V.A.C. Award; Dorothy Ledbetter.

Renee Sanders and Troy Marquis were presented as the recipients of the Activity Awards. These honors are presented to an outstanding senior boy and girl. Honor-

ees are determined by the number of school activities the students participated in through their high school years. First runners-up were Becky Crabtree and Kelly Marble. Jonna West and Sammy Bradley were second runners-up.

Departmental recognition was given to the outstanding member of each class. FHS athletes, annual staff members, and Whirl staff members were also honored.

four-man Floydada force as soon as an applicant is selected.

An electric rate ordinance to replace the present one was discussed and the council decided to hold a public hearing at the next regular meeting to consider a new ordinance to increase the cost of electricity.

Bids for four contracts on Housing Rehabilitation were awarded for a total of \$15,445.73.

Councilmen also discussed taking the difference in money on rehabilitation housing from the bid price and the maximum of \$5,000 on each house. HUD has authorized this change if the city council would authorize it. It would mean taking the difference in money from rehabilitation and transferring it to demolition and demolish more de-lapidated and abandoned

buildings. It amounts to \$7,000 to date, the council was told by City Manager Feurbacher.

Three pick-up trucks were authorized to be purchased from City Auto who made a low bid of \$16,800. Reed Ford Sales, Inc. bid \$17,490 and Oden Chevrolet bid \$17,097.

A new mosquito fogging machine was authorized for \$3,495, bringing to three the number of such machines the city operates.

Weed control program for 1980 occupied the council briefly, and they agreed to carry out the same type program as last year.

Two agenda items were tabled, in the interest of shortening the meeting, which ran till well after midnight: a discussion of the state of Texas pushing city to defluoride the water supply,

and discussion of a new firearms ordinance governing the discharge of firearms in the city limits.

City Manager Feurbacher was instructed to handle a drainage problem on East California Street from the north to south on the west side of the railroad.

After authorization for payment of routine bills the group adjourned.

One of the high points of interest in coming to Floydada, every time, is suddenly coming upon Blanco Canyon and seeing the startling beauty of the golf course area. It comes at you so unexpected--there you are, whipping along at 55 (?) in that flat country and suddenly, without warning you are picking up speed down the canyon. Maybe Floyd Countians are long used to that inspiring sight, but we surely aren't. What a place for a day-long game of "cowboys and indians" if you were a little one again!

THE ANNUAL CYSTIC FIBROSIS BIKE-A-THON will begin Saturday, May 17 at 9 a.m. at the Floydada High School. Those interested in participating are asked to pick up sponsor sheets at R.C. Andrews Elementary School or Floydada High School. All participants under the age of 18 must have their sponsor sheets signed by their parent or guardian. Jan Thayer is chairman of the event.

FRIENDS OF THE LIBRARY will meet May 20 at 5 p.m. in the Library. Final plans for the Book Sale, May 24 will be discussed. Also under discussion will be the membership drive held in conjunction with the book sale.

THE SINGLE ADULTS will meet at 7 p.m. Saturday, May 17 at the home of Edna Gilly. Hostesses will be Edna Gilly, Thelma Jones, Clara

Redd, Mildred Franks, Ernestine Gilly and Edith Marrs.

Hamburgers, home made ice cream and cake will be furnished.

The group will meet on the parking lot of First Baptist Church in Floydada and leave at 6:30 p.m. together to arrive at Mrs. Gilly's at 7 p.m.

Single adults are invited to participate in the evening of good food and fun, the reporter said.

BBB Warns Against I.B.M. Scheme

South Plains businesses are receiving calls allegedly from the I.B.M. Co. out of Dallas. The company is offering bargain prices on I.B.M. merchandise "which is going up in price" after this sale. After checking with the I.B.M. Co. here in Lubbock, we found that this is just another paper pirate scheme. It is especially dangerous

since the company states they are with IBM when asked and this falsehood could lead many people to take the company up on its offer.

Local residents are advised to be on the lookout for a mailout from the Church of the Children of the Desert. This group is offering prizes through bingo by mail. The prize depends on the amount

donated to the charity. This organization does not meet BBB standards in that they refuse to disclose how the funds raised are used. We

have turned this case over to the Postal Inspector for the appropriate action.

If you ever have any problems or you just want to investigate before you invest, call your BBB toll-free

800/692-4466 or write to P.O. Box 1178, Lubbock, TX 79408.

Women Receive Degrees

Three Floydada women were among the 370 who graduated from South Plains College last week in the largest class to graduate in the 22-year history of the institution.

Receiving Associate in Applied Science degrees were Ronette Kitchens, Fashion Merchandising; Tamara Gayle Gentry, Medical Secretary, and L. Renee Finnegan, Secretarial

Science. Gentry was honor graduate of Plains class.

I enjoyed your story on Grayson County so very much, and I do remember the old Hayhurst shed or Tabernacle.

I lived one mile west on the Farmington road and on still nights we could hear the singing and shouting when they were having camp meetings. Folks would come from miles around in covered wagons and camp for the duration.

I went to school and church at Farmington.

I think the place you described was the same place that we lived, my father sold the place to Dr. Barnett of Van Alstyne, and we moved to Floyd County, four miles south of Lockney October 8th 1908.

The storm cellar I remember very well, with the kerosene lantern and the chicken snake. Every time it thundered we had to get up and go to the cellar. We had to pump water out of it every day to keep the water from rising above the platform my father built and, as you said, when we went down to get canned fruit or vegetables there would be "Mr. Snake" laying there very well content, waiting for another mouse to catch.

Gray Presents Piano Students In Recital

Shawnda Sanders was named "Honor Student" by Mrs. Dell Gray Saturday evening when Gray's piano students presented a two part recital "Stairway to Success," at the First Baptist Church in Floydada.

Other students who were named as "Outstanding Students" were Treva Hambricht, Troy Neeley, Ann Leta Bradshaw, Joey Thayer, Misty Orman and Troy Marquis received honorable mention.

Performing in the first recital, which included a section with songs from "The Sound of Music" were Julie Sawyer, Jason Sawyer, Shane Orman, Mark Thompson, Sue Hong, Jennie Jackson, Jeff Matsler, Mary Ann Rainer, Angie Anderson,

Misty Orman, Greg Thompson, Anna Leta Bradshaw, Kay Lyn Rainer and Treva Hambricht.

Students presented in the second recital were Les Hart, Devyn Neeley, Shayla Moore, Paige Cannon, Joey Thayer, Daralyn Williams, Jill Smith, Troy Marquis, Terri Lloyd, Troy Neeley and Shawnda Sanders.

Presented in a special guest performance were Kim Boothe, a music major at Texas Tech in clarinet and Linda Marcom, also a Tech music major who accompanied Boothe on the piano. They performed "Sonata in Eb Major" by Brahms.

Each recital was followed by a reception held in the Fellowship Hall.

Alpha Mu Delta Installs Officers

Donna Anderson was installed as president and Tonia Marble vice president at last week's meeting of Alpha Mu Delta Chapter of Beta Sigma Phi in the home of Sherry Smith.

Penny Bertrand was installed as secretary, Debbie Bertrand corresponding secretary, Revis Pernell treasurer and Carrie Bertrand extension officer.

Outgoing resident Carrie Bertrand conducted the business meeting. Donna Anderson took the roll and read minutes of the previous meeting, followed by a treasurer's report from Daphna Simpson.

Henderson, program committee chairman, announced that Janet Houdeshell and Kathy Green would host the next meeting with Penny Bertrand responsible for the next program.

In remembrance of Mother's Day all members were reminded of the Salad Supper May 10 at Lighthouse

and were urged to bring their mothers, mothers-in-law or anyone special to them.

Members discussed plans for a float for Old Settlers. Theme ideas and persons responsible for the float were decided.

Henderson thanked everyone for their help on the First Lady of the Year program and noted that the interest shown by the members helped make this event a big success.

Reporting on the scrapbook progress, Henderson said the deadline for competition is May 17 when it will be sent to Amarillo for judging at the state convention. The theme for next year was announced.

All members joined the Ritual of Jewell given to Kathy Green which signifies the pledge has completed her training.

Donna Henders gave a program on Living Lovliness and Duffy Hinkle served refreshments.

Victory Baptist Women Celebrate With Supper

Celebrating Mother's Day with a salad supper, the Ladies Fellowship of Victory Baptist Church in Floydada met Monday evening in their regular monthly session.

Arlene Clevenger opened the meeting with prayer and after a brief business session Sue Hart brought a devotional about the joys and responsibilities of motherhood,

based on Proverbs 22:6. Edna Cochran voiced the closing prayer.

Attending the meeting were: Sue Hart, Betty Fuller, Sue Fuller, Theresa Weaver, Carol Cochran, Sharon Quisenberry, Connie Self, Julie Self, Arlene Clevenger, Ola Smith, Edna Cochran, Dawn Clayton and Jennifer Clayton.

Shower Honors Sterling

Miss Nancy Sterling, bride-elect of Kevin Jones, was honored Saturday morning with a lingerie shower at the home of Mrs. Richard Hale, 504 S. White. Other hostesses were Mmes. Tommy Baxter, Tommy Cathy, Jackie Chadwick, and Miss Luz Monclova. Miss Pam Cathy listed the gifts and Miss Mysti Younger registered guests.

The refreshment table featured a quilted cream table cloth, overlaid by a hand-crocheted pineapple pattern lace cloth, with a silk flower arrangement of white

daisies and aqua roses. The flowers were flanked by white tapers in brass candlesticks. Punch was served from a cut glass punch bowl, and cookies iced in spring colors were arranged on plates around the table. Fresh cut iris decorated the gift table, which was covered in a lime colored linen cloth.

Special guests were Mrs. Pete Sterling of Ira, mother of the honoree, and Mrs. James Jones of Snyder, mother of the groom-elect. Miss Sterling and Jones will be married July 26 in Ira.

Sandhill Club Visits County Library

The Sandhill Hobby Club met recently at the county library in Floydada for their May meeting.

Business was conducted and role call answered with "My favorite type clothes."

Library travel films were viewed. The first, "Mexico, Land of Contrast," showed native habitats of plants, birds and animals.

The second film was "Queens Autumn," a history of chrysanthemums in Japan. Mums were brought from China in the seventh century and adopted as the Japanese flower. At flower shows in Tokyo, artists paint

with the real mums, creating walls with a moss background. One "painting" had seven varieties growing on one plant and also 440 mums on one. This is one of the great floral displays of the world.

The Hobby Club expressed its appreciation to the librarian for showing the travel films.

Refreshments were served to members Mmes. T.C. Hollums, Hunter Turner, J. W. Becker, R.L. Bullock, R.B. Hatley, Ruth Trapp, and Neva Smith. Visitors present were Mmes. John Jenkins, Ray Aston, Harmon Handley and Cleo Fulton.

Blanche Grove Class Honors Mothers With Luncheon

Mothers of the Blanche Grove Sunday School Class members of FBC Floydada were entertained at a luncheon Saturday with readings from Irma Bombeck columns.

Leora Younger presented "The First Time at the Adult Table" before the luncheon and after the luncheon Ann Ferguson read "Worrying Mothers." The humorous readings were followed by a poetry reading of "Little Girls" and two solos by Margaret Jones.

Julia Finley gave the invocation at the salad luncheon, held in the home of Jo V. Bingham, teacher of the class.

Tables were covered with

green cloths centered with yellow candles and encircled with spring flowers on a white doily. Place favors were ceramic votive candle holders and a miniature picture frame with the daughter's photograph was presented to each of the mothers.

Class members and mothers present were Ann Ferguson and Mrs. Porter Finley, Julie Finley and Ruth Daniel, Margaret Jones and Mrs. Weldon McClure, Mary Shurbet and Mrs. R.E. Young, Leora Younger and Mrs. R.P. King, Wandell Gray and Mrs. Wayne Russell, Gail Hickerson and the hostess' mother Mrs. Cleo Goins.

Sunshine Class To Tour Solar Energy Home

Mrs. Eula Parrack, assistant teacher of the Sunshine Sunday School Class of the First Baptist Church in Floydada gave a review May 7 at the class social on "Women of the Bible and Motherhood," closing the devotional with a poem paying tribute to all mothers and entitled "Blessed Are the Mothers" by Stridger Williams.

The group reminisced with each lady telling a humorous experience with the theme "Looking back on the yesterdays." Aline Bradley read "Grandmas Recet," to close out that portion of the program. Frances McClure directed a Bible fun quiz game.

The class members met in the home of Mrs. Weldon McClure and Mrs. W.B. Parrack served as co-hostess.

The polished dining table was centered with an arrangement of silk spring flowers. Refreshments of strawberry cake, hot punch, cheese spread crackers, nuts, fresh strawberries and pineapple chunks were served.

Attending the meeting were Ann Swepton, teacher

of the class, and Mmes. Clarence Guffee, F.A. Faulkenberry, J.M. Williams, Charlie Lewis, J.B. Smitherman, and two visitors, Mrs. C.W. Denison and Mrs. Floyd C. Bradley.

A tour of the Georgia Mae Erickson solar energy home is planned by the class for 2 p.m., May 29. Mrs. E.H. Brown will be hostess.

Donna and Charles Keaton of Childress announce the birth of a daughter, Charissa Rhea, on May 19, 1980 at University Hospital in Lubbock. PROCLAMATION: Floydada Mayor Parnell Powell signs a copy of President Carter's proclamation declaring this to be National Transportation Week. One of the theme's of this week's observance is "leave your car home one day this week." Looking on is Donnell Gowens, maintenance foreman of Floyd County District 5, Lubbock, Department of Highways and Public Transportation. [Staff Photo]

National Transportation Week Declared

A whole week of events -- speeches, a balloon race, dedications -- marks National Transportation Week, May 11-17.

All the hoopla is to remind Texans that practically every human endeavor is affected by, or downright dependent on, transportation in some form.

One of the most unusual events in Texas during the week is a balloon race which will be a feature of the observance in Amarillo.

There also will be the dedication of a restored Congress Avenue bridge, a historic structure on the avenue which leads to the state's capitol building in Austin.

Many other Texans will get personally involved. The State Department of Highways and Public Transportation will suggest to its employees that each of them try an alternative means of getting to work one day during the week.

For most of the department's employees in the state's larger cities who now drive personal vehicles to work, it will mean trying public transportation.

Others will carpool. Some may try jogging, walking or cycling.

Rumor has it, though, that some highway and public transportation workers will saddle Old Paint and ride, or roller skate or maybe even pogo-stick to work during the week.

The week is a traditional activity of public and private organizations involved in transportation.

These include the American Association of State Highway and Transportation Officials, of which the Texas State Department of Highways and Public Transportation is a member. The U.S. Department of Transportation also is a major participant.

From the private sector, members of Traffic Clubs International will join in National Transportation Week activities in their own localities.

And the Texas Good Roads/Transportation Association will lend its support along with other transportation-oriented groups.

Senior Citizens Month Proclaimed By President

May has been designated "Older Americans Month," to honor senior citizens for their continuing and past achievements and to raise public awareness of their particular concerns.

President Carter has proclaimed it, just as each President has done every year since John F. Kennedy's first national proclamation of Senior Citizens Month in 1963. Even before that, as early as 1950, many state and localities have been honoring their senior citizens with special activities in May.

"Significant changes are taking place in our population which raises new is-

suess," said the President, "and highlight new aspects of existing issues. A decline in the birth rate, along with improvements in health care, are moving us toward a society in which more Americans, and a higher proportion of Americans, will be older. The implications of this will be felt by all segments of society."

The needs of older people are as varied as those of any age group. Their needs are recreational, social, cultural and educational. Most need productive activity - paid work, work at home, or volunteer service outside. Urgent needs for some older persons are health care, homemaker services and well-balanced meals.

A comprehensive network of aging services has been established in the South Plains. Many of the programs are funded by the Governor's Committee on Aging, through the Area Agency. Currently there are 17 multipurpose senior centers open in the fifteen county area. Twenty minibuses operate to transport senior citizens. One hot meal is served daily, or three times a week, by fifteen federally funded nutrition sites, and six privately funded projects. Information and referral services are available in fourteen counties, and the Retired Senior Volunteer and Green Thumb programs are active in the South Plains.

HEART BOOK—Lynn Marler, right, president of the Floyd County Heart Association, presents a new book to Jackie Walls, librarian. The volume, *Heartbook*, is a cardiovascular reference book in non-technical language and basically an easy-to-read encyclopedia about the heart and how to protect it. The 370-page illustrated book was written by 32 cardiovascular experts and is the only one authorized by the American Heart Association. Mrs. Marler said. Royalties from bookstore sales around the nation will support AHA research. [Staff Photo]

Floydada Day Care Center Happenings

Mr. W.C. Cates enjoyed dinner at Furr's with his two sons Lonnie of Fort Worth and W.B. of Floydada and their families this week.

Mr. Travis Corley had a nice visit with his brother Dan Corley, a sister Mrs. Ruby Myres both of Lamesa, a niece Louise Gill of Fort Worth, a nephew Bobby Gill of Georgia this week.

Paul and Dartha are on vacation in East Texas this week. Hope they get lots of visiting and fishing done.

The Sunshine S.S. Class and Mr. Lee Burton's S.S. Class treated the residents to ice-cream bars, candy sticks and bananas this week. This is something our residents look forward to each month.

We want to thank Doris Snodgrass for the beautiful bouquet of yellow iris.

We also want to thank the person who brought the big

bouquet of yellow iris. They were lovely and the residents have enjoyed them very much.

Jewell Price of the First Christian Church baked cookies for the residents to have during our movie Friday.

We also had enough left to serve during exercise class Monday.

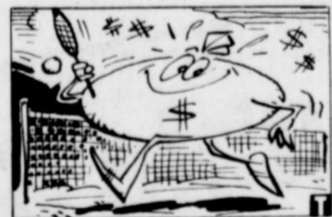

Victoria Asher and Velva Pricer were top winners in bingo this week, with two games each. Clara Williamson, Mamie Gray, Iva Simpson, Ray Reed, W.C. Cates, Enmit Laurence and Willie Stambaugh all won one each.

Recent visitors here included Hubert and Ruby Davis, Sherry Colston and Ross, Ann Swepston, Mr. and Mrs. M.H. Hartness, Mr. and Mrs. Bob Chapman, Mrs. Joyce Lipham and

Spring, Pearl Reddy, Alma Smith, Mrs. Ruby Myers-Lamesa, Louise Gill-Fort Worth, Dan Corley-Lamesa, Bobbie Gill-Georgia, Marie Baxter, Mr. and Mrs. Luther Lancaster, Lois Jones, Jewell Price, Earl Crawford, Estelle Hinkle, Dela Belle McPeak, Tammie M. Green, Ollie Mabel Meek, Watson and Jean Jones.

Linda Crader, Scott and Lisa, Faye Jackson, Wiley Rogers, Evelyn and Jack Crull-Lubbock, Ella and Marlene Goodwin-Lubbock, Hubert and Ruby Davis, Charley L. Berry Sr. Worth Gwen Howard, Ocie Morrison, Mr. and Mrs. Elvie Child-Farwell, Mary Wilson, Odell Stout, Cephus and Imogene Fortenberry, Wes Adams, Ethel and Zeb Lee, Ed and Faye Walters.

Crosbyton Extension Center Registration May 27

Registration for summer semester classes at the Crosbyton Extension Center of Western Texas College will be from 6:30 - 8 p.m., Tuesday, May 27, in the Crosbyton School Administration Building.

Courses on the schedule are: Economics 232, English 132, English 231, U.S. Government 231, State and Local Government 232, Psychology 231, and College Reading 131.

Classes will begin on May 29 and the last class will be July 23. There will be only one summer semester.

The cost of tuition is: 3 hours \$38 plus \$25 extension fee; 6 hours \$71 plus \$25 extension fee; 9 hours \$104 plus \$25 extension fee.

Psychology Offered

Psychology 231, a required course for many college students, will be taught at the Crosbyton extension center of Western Texas College in evening classes starting May 29.

Dr. Joe Reaves will be instructor for the course. He is associate professor of psychology at WTC and will also be teaching the course for summer students on the Snyder campus.

At the Crosbyton center, Psychology 231 classes will meet from 6-10:10 p.m. on Wednesday for nine weeks. This once per week schedule will enable students to earn three hours of college credit in just nine evenings, Reaves points out.

Other courses on the summer schedule for Crosbyton are Economics 232, English 132, English 231, Government 231, Government 232, and Reading 131.

Registration is scheduled at 6:30 p.m. on May 27 in the school administration building. Persons wishing details about summer classes may contact the office of the registrar at WTC or Chet Dye, coordinator of the center, in Crosbyton.

Persons wishing details about courses or registration may contact Chet Dye, coordinator of the center at 675-2618, or the office of Dr. Duane Hood, dean of Student Services at WTC in Snyder (915) 573-8511, Ext. 207.

High School students who will be seniors this fall who would like to earn college credit during the summer semester at WTC are invited to check into the Early Admissions Program. Seniors who have the permission of their high school principal may enroll for college credit

courses. College hours earned will be added to the student's transcript following high school graduation.

Western Texas College Adult Vocational Education and Continuing Education Courses which are being organized for this summer semester are:

Welding for Farm and Ranch, Cabinet making and Design, Beginning Book-keeping, Tole Painting.

More details will be issued later on these courses which are expected to begin after June 1.

Western Texas College Commencement May 15

Western Texas College will hold commencement exercises for 140 students at 8 p.m. May 15 in the Central Courtyard on the campus.

Dr. Lauro Cavazos, president of Texas Tech University, will be guest speaker for the program. He will be introduced by Dr. Robert Clinton, president of WTC. Associate in Arts degrees

will be awarded by Dr. Ben Brock, vice president of WTC, and Associate in Applied Science degrees will be presented by Dr. Gene McClurg, Dean of Occupational Education and Technology.

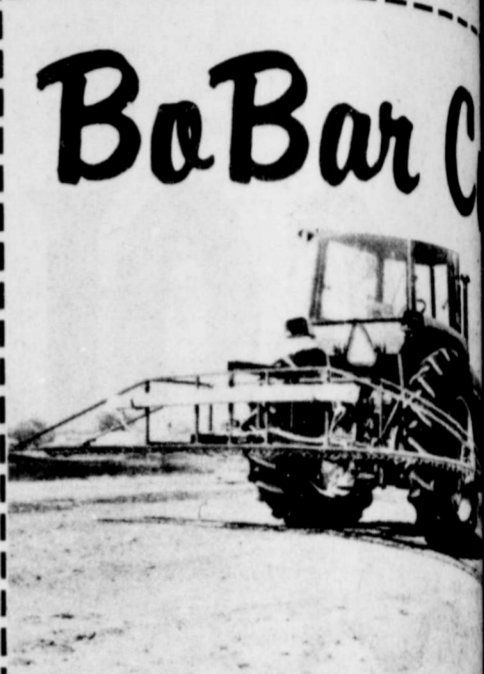

A reception honoring the graduates will be held in the Student Center following the program.

Census Nears End

While the census count in Floydada is nearly completed there are still some residents who have not received a mail form or been contacted by a mail form, Gayle Jackson, who is in charge of the census count for Floydada and Crosbyton, said Tuesday.

"Because of this, we now have a telephone number for those who haven't been contacted on the census can call so we can finish our count

here," Jackson said. "The number is 983-3261. Three census enumerators are finishing up in Floydada. "It's important for everyone possible for it is expected that representatives will pick up the census forms to be sure that everyone does their share."

VA News

The first decrease in the GI home loan interest rate ceiling since 1976 has been announced by Veterans Administration chief Max Cleland.

The new maximum rate--13 percent--went into effect April 28. It is a full point below the record 14 percent ceiling which has been in effect since April 3.

For a veteran buying a home with a 30-year, \$50,000 GI loan, the one percent rate decrease will lower the monthly payment by about \$40.

The rate change does not effect existing loans, Cleland pointed out. Once a loan is made the interest rate remains the same over the life of the loan.

The new 13 percent rate was agreed upon jointly by VA and the Department of Housing and Urban Development, and is in line with interest rate reductions in the private sector.

VA guarantees loans made by private lenders to eligible veterans, unmarried surviving spouses and active duty military personnel. The guaranty covers 60 percent of the loan amount or a maximum of \$25,000, whichever is lower.

VA has guaranteed loans worth \$8.6 billion so far in fiscal year 1980. Since the GI loan guaranty program began in 1944, approximately 10.5 million loans worth \$178.6 billion have been guaranteed by VA, Cleland said.

Commencement Ceremonies Honors 3 Locals

Three Floyd County natives are among 399 persons scheduled to receive baccalaureate degrees in May and August from Wayland Baptist College.

They are Donnie Ann Thompson, Bachelor of Arts in Secondary Education; Rex Bell, Bachelor of Science in Physical Education; and Rex Bell, Bachelor of Science in Business Administration. Commencement ceremonies for May and August graduates are scheduled for 10 a.m. Saturday, May 17, at Wayland's Great Memorial Auditorium. Degrees will be conferred on May graduates at that time while candidates

for graduation in August will receive their diplomas upon completion of their course of study, although they will participate in Saturday's ceremonies.

Wayland Baptist College is a four-year coeducational liberal arts college dedicated to providing a quality education with an orientation that is positively Christian. It offers four degrees in 32 majors and 24 minor fields of study.

After nearly three-quarters of a century, Wayland—founded in 1908—continues to maintain a strong enrollment, with almost 1,400 students attending classes this spring.

Headstart Program Celebrates

The Texas Migrant Council celebrated the 15th anniversary of Headstart Program with a Salat Supper, May 9, at the First National Bank Party Room.

Approximately 30 attendees in attendance. Guests were parents of the children in the Headstart program and local supporters of the program. Headstart officials refer to these individuals and representatives of businesses as "Creditors" were recognized and thanked at the dinner.

Headstart components that the Council provides for the children were explained. 821 books will be distributed to the children and to their mothers and fathers at home. The program is 8 years

old. Headstart children are 3 to 5 year olds.

The R.I.P. books are an assortment of bilingual basic primary books given to the children to encourage reading in the home. This is the first year the books have been distributed.

The books are provided by a special grant. An individual or group donates a set amount of money in this case it was \$100. The Federal Government then doubles the amount. The Center had \$300 to buy these books.

Vivian Herrera, Center Director, said that the winter phase of the program will terminate May 23. There will be a graduation ceremony for children who will go on to Kindergarten next year.

Summer phase of the school will begin June 9.
