

# Labor Department To Hold Lubbock Hearing

The meeting is one of four being conducted in the state of Texas. It will allow the Labor officials to explain the laws affecting the agricultural industry. More important those attending will be able to participate in a public discussion of the laws that effect their business.

Farmers, farm workers, and farm groups are invited to attend and to give their opinions and ask questions. The Labor Department representatives will include all of the decision makers and enforcers from the regional office in Dallas. Representatives from Washington, D.C. are also expected to attend.

## Girl Scouts Fund Drive

The Caprock Girl Scout Council in Lubbock has announced the time for the Fund Drive for Floyd County. Some time during the week of October 19 through the 20th you will be contacted to give to the Girl Scouts. Please give generously as this money is used for the Council Office and for Floydada Girl Scouts as well.

This year Floydada sent nine girls to Camp Rio Blanco; two girls went to Austin with the Girl Scouts. We have 106 local girls and 36 adults registered in local troops.

If you are not contacted and would like to donate to the Girl Scouts, please call Nancy Willson at 983-2474 or 983-3753 and she will be glad to come to your place of business or home to collect your donation.

These hearings are being conducted all over the United States and are designed so that the department can be more responsive to the public. The representatives will explain the labor laws.

"We are very lucky to have this meeting held in Lubbock," Darrell Krenek, farm labor specialist with the U.S. Department of Labor wage and hour division said. "The people coming in want to hear what the people here have to say."

"I'm out in the field," Krenek said, "so many farmers will say they don't understand the laws or haven't heard of them. So this will give each one a chance to ask questions and find out."

The hearing will be conducted under the standard government rules and regulations for a public hearing.

Anyone who wants to be on the official witness list can notify the committee by mail. Address the request to: U.S. Department of Labor, Regional Farm Labor Coordinating Enforcement Committee, 555 Griffin Square Building, Room 800, Dallas, Texas 75202.

The hearing will be conducted over a five hour period. "We expect to have plenty of time for everyone to voice their opinions even if they aren't on the official witness list," Krenek said.

Those attending from the labor department will be representatives of: Occupational Safety and Health Administration (OSHA); Training/Administration, those who work with the Texas Employment Commission; Wage/Hour Division; and the Employment Standards Administration.

There will be translators available for English and Spanish. The translators will be uninterested parties even though hired by the department. Headphones will be used for translation rather than loud speakers.

LION PRESIDENT, BUTCH SEAY, is being shown the "Jaws of Life" unit by Lubbock Fireman, Joe Crabtree.

# Lions Club Project Establish Jaws Of Life Fund

The recent death of a Hale Center man who was jerked into a corn-harvesting combine and then had to remain entrapped for 45 minutes because rescuers were unable to free him has prompted a Floydada civic organization to initiate a community-wide fund-raising effort to purchase a Jaws of Life unit.

The Board of Directors of Floydada Lions Club unanimously voted last

week to establish a fund at First National Bank which will be used to purchase the \$7,500-8,000 rescue device. The club will initiate the fund-raising effort by donating half of its proceeds from the annual Floydada Lions Club Pancake Supper scheduled for Friday, October 24.

According to reports from Hale Center, Joe Schwartz, 29, was apparently trying to kick out something that was lodged in the header of the combine. When the item dislodged, the header immediately started running and jerked Schwartz into the combine and pulled him as far as it could pull. A Jaws of Life unit was summoned from Plainview to extricate him, but it did not reach the field until 30 to 45 minutes later. Schwartz was dead on arrival at Lubbock General Hospital in Lubbock.

Because of the severity of Schwartz's injuries, rescuers are not certain that getting him to the hospital sooner would have saved his life, but they did express the hope to have had the extra 45 minutes. Immediate access to the Jaws of Life unit might have made that possible. Hale Center has started a collection to purchase a unit.

## Chamber To Help Raise Funds

One of the present needs of Caprock Hospital is a new heart monitor. The Hospital Auxiliary already has raised \$3,000 for its purchase, which is approximately one-half of the needed amount.

With the knowledge that the Women's Division of the Floydada Chamber of Commerce is always ready to assist community needs, Edna Beth Tye, president of the Hospital Auxiliary and Lillian Smith met with the Women's Division members last Tuesday evening to seek help in raising the needed funds.

Mrs. Tye pointed out that the membership of the Auxiliary has done a lot of work to raise the needed funds, but that the costs for the heart monitors keeps increasing so fast that they are unsure of what the price will be by the time the additional funds have been raised.

The Women's Division voted to sponsor a talent show similar to the one produced in January of this year with the proceeds being used to help with the purchase of the heart monitor. A tentative for the show was set for January 31, 1981.

Proceeds of over \$1,000 from the show earlier this year were presented by the Women's Division to the Building Fund of the Friends of the Library.

In other business, Louise Turner, president, reminded the members of the Appreciation Coffee to be given Tuesday, October 12 at the bank. Donna McClendon is chairman of the Hospitality Committee which is in charge of arrangements for the coffee.

Because the next meeting of the Women's Division will be on November 3, Election Day, members are asked to watch the Hesperian for an announcement concerning the location of the next meeting.

Jaws of Life is the name given to a variety of units that can be used to extricate persons who are trapped in automobiles and in machinery. The unit consists of hydraulically-powered bars that can force metal apart, and also a cutting device to cut away metal.

"This unfortunate and tragic accident has struck close to home," said David T. Seay, Lions Club president. "All of us are well aware that just such an accident could occur here in our own community, and we believe that Floydada should be prepared to make a quick rescue."

The Lions Club urges every other organization in town, businesses, and individuals to contribute to the fund immediately so that the unit may be purchased as soon as possible. Contributions will be made to the City of Floydada and are tax deductible.

It is anticipated that members of the Floydada Volunteer Fire Department would be trained to use the unit.

"Eight thousand dollars is a lot of money, but if the unit saves just one life it will be worth every penny," said Seay. "The Lions Club hopes that everyone will donate to this effort. Let's not wait until we have an accident like the one in Hale Center before we decide that we really do need the unit," he concluded.

Checks should be made payable to the City of Floydada and mailed or deposited at First National Bank in Floydada. Please designate the contribution for "Jaws of Life."

## Commissioners Vote Tax Discount

Floyd County Commissioners voted to give a 3% discount for taxes paid in December and a 2% discount for taxes paid in January. Regular procedure will follow in February.

The commissioners met in regular court session Monday, October 13, at the County Courthouse.

The tentative rate has been set and letters mailed to the tax roll advising them of the re-evaluation of their property. The tentative amount of the property value may be contested. Hearing dates have been set and are included in the letter.

Taxes collected through the County Tax Office include four entities: the county, High Plains Water, Caprock Hospital, and Lockney General Hospital.

Tax rate set by the two Hospital Boards was 20 cents. Caprock Hospital includes precincts 1, 3 and 4. Lockney General Hospital is precinct 2.

High Plains Water Board set their tax rate at .0077 cents.

The county tentative rate was set at 31 cents. This includes a 15 cent special road fund created several years ago, and the county general fund of 16 cents.

The budget hearing was set for November 10 at 2 p.m. at the County Court.

Court voted that elected officials and former employees at Floyd County will be allowed to keep their Blue Cross Blue Shield Insurance if employed by the county for five years or longer. Premiums are to be paid by the policy holder quarterly and in advance.

JOY FULTON was selected as one of the Outstanding 4-H leaders at the annual 4-H Achievement Banquet.

# Annual Floyd County 4-H Awards Banquet Held

Melanie and Karyn Foster, daughters of Eddie Joe and Ann Foster, were named as recipients of the Gold Star Awards at the annual Floyd County 4-H Achievement Banquet on Saturday night at the Lockney Elementary Cafeteria.

# The Floyd Philosopher

The Floyd Philosopher... theory out of Washington.

...theory has originated... requires a close...

...to a National Educational... Welfare, by 1990 there... surplus doctors in this... the committee said, will... of medical services billions... above the 200 billion a year it... because "more doctors will... more things to more people... necessarily improving their...

...words, the more doctors... more they're going to find... you. Or, the amount of... increases in proportion to the... doctors around to treat it... believe doctors will agree with

this theory, but if it works, if the more doctors the schools turn out the more we'll have to pay for medical services, wider use.

For example, apply it to ranchers, the more cattle they produce, the more they get per cow or calf. Or apply it to farming. The more cotton farmers produce, the more they get for it. I don't know of any doctors agreeing with this new theory but farmers and ranchers would endorse it unanimously.

Come to think of it, this theory has already been adopted in some areas by Congress. For instance, the more laws Congress passes to give them something to do. And the people who make x-ray film have discovered the theory. The more film they produce, the more x-rays hospitals have to take.

For some reason, this theory hasn't worked with car manufacturing.

Yours faithfully,  
J.A.

## Church Plans Christmas Bazaar

Make plans now to attend the First Methodist Church Christmas Bazaar and Turkey-N-Dressing dinner on Saturday, November 1. Tickets for the meal can be bought before hand at the church office or may be purchased at the door. The prices will be \$3.50 for adults and \$2.00 for children and under. It will be a buffet style meal. "Take Out" meals trays will be available.

Numerous and varying items will be donated by members and will be sold at the Bazaar. The Bazaar will begin at 9 a.m. and continue until 12:00. Lunch will begin at 11:30 and go until 1:00. At 12:30 the auction will begin. Any items that haven't sold previously or the "extra big and special" items will be up for sale at this time. Door prizes will be given away after the auction.

Get your Christmas shopping done early and at the same time benefit the Methodist Church as it used half of the profits earned on various projects in the church and the other half going out to the field of missions. Hope to see you there!

full chapel length train. Lace motifs accented the skirt which was bordered with a double row of Venise lace. Her bridal veil of illusion fell elbow length from a band of lace. She carried a bouquet of rainbow Madison roses surrounded by layers of lace and accented by streamers of multi-colored ribbons. For something old the bride wore her grandmothers gold wedding band; something borrowed was a necklace from Ruth Payne. She wore the traditional blue wedding garter and something new was her wedding attire. She wore pennies bearing the bride and groom's birthdates in her shoes.

Mrs. Sherry Osborn of Floydada was matron of honor. She wore a floor-length dress of peach and white fashioned with a fitted bodice and accented with a velvet peach ribbon. She wore a spring hat with a matching ribbon. Tony Rucker served as best man. Ushers were Dean Osborn, the bride's brother-in-law, and Tommy McHam, the groom's brother, both of Floydada. Wedding guests were registered by Mrs. Darlene Carr, sister of the bride. The registration table was laid with a white cloth trimmed in Old English lace. It was accented by two gold brass candles and an avocado green guest book.

RECEPTION For the reception following, the serving table was covered with a white bridal tablecloth. It was accented with peach crepe paper intertwined around the outer edge of the table. The 3-tier wedding cake decorated with peach and white flowers graced the center of the table. The bride's bouquet completed the lovely table. Punch and mints were served from both ends of the table. After a brief wedding trip, the couple will reside in Floydada. The bride is employed by the Floydada High School Cafeteria and the groom is employed by Louis Pyle.

Crabtree Hosts Love Circle Class The Love Circle Class of the First Baptist Church with Mrs. Iva Benson, as teacher, met in the home of Mrs. Kate Crabtree October 3 in the first Sunday School Class party of the new church year. Mrs. Benson voiced the opening prayer and gave the devotional. Scripture reading was given by Mrs. Edna Phillips. Mrs. Mabel Smith wore a

model of the African womens dress up dress brought home by her daughter, June Callihan, who with her husband, was a missionary over there. The next meeting will be with Mrs. A.S. Mize November 7. The hostess served lovely refreshments to Mrs. Benson, Mrs. Adams, Phillips, Smith, Sims, Newsom, Eubanks, Hamilton, Fawver, Mize, Warren and herself.

groom, family, and guests. The tables were arranged in an L shape, and covered with ecru linen cloths. Centering the bride's table was a bouquet of fresh flowers in shades of brown, rust, burgundy and blue. The tiered wedding cake featured a matching bouquet of frosting flowers cascading from the top down the cake. A crystal punch bowl and silver appointments completed the bride's table setting.

Centerpiece for the groom's table was a large arrangement of fresh fruit, featuring fresh pineapples, covered with cubes of fruit and cheese held by picks. His cake was made to resemble enter-twined wedding rings. The chocolate bundt cakes were arranged on a silver tray, surrounded by clusters of frosted green grapes. A layered sandwich loaf, chocolate centered thumb print cookies, rose shaped mints, coffee and wassil were also served.

The luncheon was prepared by friends of the couple and served by Lisa Moseley, Jane Stevens, sister of the groom, and Lisa and Karen Morris. Members of the house party included Paula LaGrone, Vickie Crossland, Jeanette Foulk, Laura Curry, Pat Morris, Jackie Marchetti and Dianne Barker, all of the Denver area. Following a wedding trip to a mountain resort near Woodland Park, Colorado the couple will be at home in Denver, where she is employed by Mountain Bell Telephone System, and he is with Snelling and Snelling Employment Agency. A buffet dinner, prepared by the same group of friends, was held Friday night, October 10, in the Pueblo Creek Condominium Party Room, for members of the wedding party and out of town guests.

COURTESIES Preceding her wedding, Karen Willis was honored with a lingerie shower in the home of Laura Curry, Littleton, Colorado. On September 27, she was honored with a gift coffee in the home of Mrs. Malvin Jarboe in Floydada. Hostesses other than Mrs. Jarboe were: Mrs. J.B. Colston, Mrs. Travis Gentry, Mrs. C.O. Lyles, Mrs. Otis Anderson, Mrs. Billy Joe Hambricht, Mrs. Travis Jones, Mrs. R.L. Neil, Mrs. G.L. Fawver, Mrs. Floyd Bradford, Mrs. Claude Fawver, Mrs. Raymond Colston, Mrs. Georgia Finley, Mrs. Maurice Campbell, Mrs. Mark Whittle, Mrs. Johnnie Cates, and Mrs. W.H. Simpson, Jr.. Their gift was an electric mixer.

Kristi Willis was her sister's maid of honor. Her floor length, burgundy gown featured an over-dress of chiffon with split sides, a drawstring waist tied with self bows on each side. She carried a bouquet of white spider mums accented with clusters of miniature star flowers in colors of burgundy and deep blue. Serving as best man was John Brand of Denver, Colorado. Solomon Foulk was ring bearer. Ushers were Kenny Willis, brother of the bride, and Marty Crossland. Registering guests was Lisa Mosley, of Lockney. As the newly married couple left the altar they were presented to the guests by the minister, using for the first time, "Mr. and Mrs. Dan Sage." Amidst applause from the audience, the couple stopped to embrace her parents and then his.

RECEPTION Following the wedding a luncheon-reception was enjoyed by the bride and

### Double Ring Ceremony Unites Willis-Sage

In a reverent ceremony before close friends and relatives, Karen Lea Willis and William Dan Sage were united in marriage on Saturday, October 11, at 1 o'clock in the afternoon in Faith Community Chapel, Littleton, Colorado. Officiating the double-ring ceremony was Wayne LaGrone, assistant minister of the Rocky Mountain Christian Fellowship.

Parents of the couple are Mr. and Mrs. Kenneth Willis of Floydada, and Mr. and Mrs. W.D. Sage of Midland.

The bride and groom repeated their own wedding vows before an altar flanked with tiered brass candelabra holding white tapers, and floral arrangements of mixed fall colors accented with burgundy and deep blue.

Tom Foulk and Don Babcock, accompanied themselves on guitars as they led the congregation in musical selections. Special music included a duet, "Bind Us Together" sung by Lisa and Karen Morris. They were accompanied on the guitar by Chip Barker.

Given in marriage by her father, the bride wore a formal length gown of ecru chiffon. Demurely designed, the dress featured a deep ruffle over the tucked bodice, with a yolk and stand up collar of Chantilly lace. Delicate tucks and lace cuffs accented the long full sleeves. From a fitted waistline, the full chiffon skirt descended to a chapel length train edged with a deep chiffon ruffle. Completing her wedding attire, the bride wore a chapel length mantilla veil edged in lace and sprinkled with lace designs. She carried a cascade of spider mums, feather mums, and stephanotis accented with greenery.

For something old the bride chose to wear a pair of earrings, which had belonged to her paternal great grandmother, and a ring of her mother's. Something new included a handkerchief given to her by D'Ann Seaton, something borrowed was a white Bible from her sister, Brenda Pugh, inside which was tucked a handkerchief from her maternal grandmother. The bride also wore the traditional blue garter and pennies in her shoe.

Kristi Willis was her sister's maid of honor. Her floor length, burgundy gown featured an over-dress of chiffon with split sides, a drawstring waist tied with self bows on each side. She carried a bouquet of white spider mums accented with clusters of miniature star flowers in colors of burgundy and deep blue. Serving as best man was John Brand of Denver, Colorado. ## First Regular Meeting Held By Alpha Mu Delta

Alpha Mu Delta held its first regular meeting for October, Tuesday the seventh.

Members convened at 7:00 in the home of Daphna Simpson. Along with Daphna, Penny Bertrand hosted the evening.

Donna Anderson presided the business meeting. Plans to attend area Beta Sigma Phi convention were discussed. Social chairman, Debbie Bertrand, outlined the coming Halloween party. Donna Henderson, chapter service chairman, suggested several money making projects.

As this was the chapter's model meeting, Tonya Mar-

ble explained the functions of Beta Sigma Phi to the prospective members, including: Sandra Crawford, Sharon Fulton and Janice McCandless.

The closing ritual was recited and Mispan was said as everyone joined hands in a circle.

Chips, dips, and soft drinks were served to members: Donna Anderson, Tonya Marble, Revis Pernell, Sherry Smith, Duffy Hinkle, Daphna Simpson, Donna Henderson, JoAnn Patterson and Debbie Bertrand. Guests were Sharon Fulton, Janice McCandless and Sandra Crawford.

## Green Thumbs Hold Annual Meeting

By Georgia Finley

The State Advisory Board of Green Thumbs held their annual meeting in Austin on October 2. The meeting commemorated the 10th Anniversary Green Thumb in Texas. The National President of Green Thumb, Carl Lawson, was in attendance as well as Jake Sorrell, Bob Mullins, State Directors of Green Thumb.

A very interesting and informative program was presented. The keynote speaker being the honorable Ralph Yarborough, Attorney at Law.

Mrs. Georgia Finley, of Floydada who is a member of the advisory board was in Austin for this meeting.

Wendy Brown, area Green Thumb supervisor, was in town a few days ago. She took an application and filled out some forms for Mr. Andres Soliz and Francisco Granados, who are leaving Green Thumb. Mr. Soliz left for health reasons and Mr. Granados is moving away.

Mr. Allen Rendon and Pedro Vallejo are the only ones left on the crew. Mr. Jack Simmons, Area Supervisor of Spur, was also visiting the Green Thumb workers.

Mr. Allen Rendon and Pedro Vallejo are very busy. They have made lots of

repairs at the schools and the football field, as well as other jobs.

Mrs. May Jones and Kathryn Edwards are real busy at the Day Care Center. School has started and they have many new children to help care for. Mabel Foster is always busy with the Senior Citizens Bus. It is so nice for those who have no transportation.

The group enjoyed a banquet supper and social hour together.

## Center News

By J.E. Green

Monday, October 13:

We are having beautiful harvest weather. Cotton in huge trailers come rolling in to the gins. The canner is in full sway.

We are sorry Mrs. Hal Thomas is still in the hospital at Lockney. Their daughter and family, Sue and Milton Mensch and David of Lubbock, came for the weekend, but had to go to Lockney to see her mother. We hope Mrs. Thomas has a speedy recovery.

The Henry Brewer's children, who dined Sunday with them, were Mr. and Mrs. Millard Watson of Mt. Blanco, Ervin Brewer, Monty, Patricia and Missie, all of Lubbock, and the Dean Fred McDougle and Sharon came in the afternoon.

Miss Vera Meredith's company sometime during the week were Mrs. Mize, Bro. and Mrs. Clay Muncy, and from Plainview came Mrs. Geneva Reddy.

Mrs. Vernon McPeak visited Mrs. Green Saturday afternoon. She recently visited

in Amarillo with a brother, A.J. Standifer, and cousins, Mrs. Vurl Jackson and Mr. Charles Overholt. Like some more of us, she has been somewhat indisposed recently.

The Paul Attebury's had a family get together Saturday. Dawn brought her great grandmother, Mrs. Pricer of Glazier, Texas, over to see me. Others present were Mr. and Mrs. Don Mann from Booker; Mr. and Mrs. J.L. Whitley of Floydada; Mr. and Mrs. Paul Attebury and Dawn, Floydada. Four generations represented Mrs. Pricer, Mrs. Whitley, Mrs. Attebury and Dawn.

Mrs. J.B. Massingill of Phillips came Sunday p.m. for a hasty over the weekend, at this Green home. We are sisters. We attended church Sunday night at Calvary Baptist Sunday night, and had a pleasant trip to a beautiful tomato patch, accompanied by Mrs. Anthony Latta, this morning.

Thursday p.m. Mrs. Latta and Ma Green were in Plain-

view seeing Mrs. Victor Green, who is home recuperating from a stay in the hospital. Sue seems doing fine, a bed patient. Later we and Carol went over to Wayland's Haral Auditorium for a faculty organ recital by Prof. Earl Miller. It was wonderful.

Guests Sunday at the Carroll home were their son's and wives, Mr. and Mrs. Brooks Carroll of Lubbock and Mr. and Mrs. Mike Carroll of Plainview.

Mrs. Carroll recently returned from Paris at the home of her mother, where she was with an ill uncle, Mack Steward, in his last illness, and his last rites. Our sympathy is with the loved ones.

Mr. and Mrs. Marion Carpenter Sunday picked up his mother, Mrs. Claud Carpenter, at the Lockney Rest Home and took her to Plainview for a day with her sister, Mrs. Grady Hall. Other relatives were present including a son, Grady Jr., and wife from New Mexico.

## INSUR-MATION

Floyd County Insurance Agency

Much of the production in our company is insured from the efforts of two or three highly professional men. Realizing this fact, one of the measures considering taking is some type of "key man" insurance. Can you shed some light on this subject? It is good business for a company to insure against loss of its most valuable assets, the services of its key men. Determining an employee's value three methods frequently used: 1) by his contribution to earnings, the salary test and 3) by measuring the production difference... the difference between the key man's replacement. Using these methods, a company determine its potential financial loss. This financial loss can be lessened by a life insurance owned and purchased by the company on the life of the key man. The company pays the premiums and the beneficiary.

# FARM & RANCH NEWS

## Porter Staple Cottons Stand Gain Significantly

Porter staple cottons stand to gain as mills turn more and more to spinning to step up production and cut costs.

News for Plains growers comes today by Jerry Carroll, research farm one mile south of Idalou on FM 400.

J.N. Marks, Jr., marketing manager, presided at the field day, where a barbecue lunch was served at noon and viewers boarded trailers to be towed by tractors through the plots.

At the first stop, Toler Jones, Western Sales representative, Casa Grande, Arizona, explained D&P's seven-year "Tough Variety Maintenance Cycle."

Breeders begin the first year with increase plant selection. This is followed by "increase progeny rows" the second year and progeny strain tests at multiple locations the third year. This leads to the originator's "elite" seed the fourth year and eventually to "originator's registered seed" after seven years.

At the main variety test plots Carroll called particular attention to cottons promising greater strength and with significant ability to withstand drought and other unpredictable stresses.

Pointed up were:

- \* Deltapine SR-980 -- A new cotton for 1981 and companion for SR-2, a popular Deltapine variety in this area. Deltapine SR-980 has averaged eight percent higher yields in five years of testing, has early maturity but is somewhat indeterminate, performs well on dryland, has fiber strength as high as 100,000 p.s.i., a consistent staple of 1-1/32 inches, and is moderately tolerant to verticillium wilt.

of yield and fiber quality."

Promising cottons being developed by Delta and Pine Land Company to meet demands of the 80's were displayed to more than 300 visitors at the research farm one mile south of Idalou on FM 400.

## Williams Cattle Win At Lubbock

Thomas Flash earned senior champion Angus bull honors, then went on to win the grand champion title at the recent Panhandle South Plains Fair in Lubbock. He's owned by Flash Associates, Janesville, Wisconsin.

Show judge Allen Poe, Waxahachie, Texas, went to the junior division of the 26-entry bull show to give reserve grand honors to J.K. Enforcer 910, owned by J.K. Williams Angus Farm, Lockney. William's also grouped K.R. Osage 4016 progeny to take first in get-of-sire competition.

Junior champ Miss Bummer Wendy of E.T. earned top billing in the 41-head female show for owner Troy Morris of Balco, Oklahoma, and Earl Tollett, Borger. Clay Wilfong, Hamlin, followed to the reserve grand spot with intermediate champ C.W. HE 75 Tina L.

A brother-sister pair from Lockney took top honors in the junior heifer show. Libby Williams, 15, claimed the top spot with J.K. Queen 911, and her brother, Ty, 17, took reserve on J.K. Primrose 913. Their parents are Jerry and Kay Williams of J.K. Williams Angus.

Berry Angus Farm, Chico, took first in the junior get class with Hales Emulous 386 progeny. They also led out reserve senior champion bull R&J Sensation and reserve bull calf champ Berry Northern Bingo.

Adams & Lucas, Woodward, Oklahoma, gained reserve junior bull honors on Hinksonite 79169. Richmond Hales, Canyon, exhibited intermediate champion bull Hales Black Revolution 835 and reserve intermediate champ Hales Emulous 361-823. Rosharon Farms, Schulenburg, owned the bull calf winner Rosharon Freestate 2546.

George Graham, Wichita Falls, took reserve junior female honors with Ankony 5605 Burgess 508N9. Richmond Hales led Hales Revolution Queen to the reserve intermediate heifer spot.

Clay Wilfong topped the heifer calf division with C.W. Jonnie Mae A01, and Bernasek Angus Farms, Joshua, took reserve with McHenry Phala 120.

## Computers To Try Their Hand At Marketing Cattle

Use of the computer is in vogue again. Now a computer is being used to market cattle.

In initial crusting several "Cattlex," the computerized marketing program initiated by the Texas Extension Service and Agricultural Experiment Station, Fort Worth.

Butler, associate deputy for agriculture at Texas A&M University, sold the first lot of "on ranch" cattle via the new computer. The lot of 19 Charolais was delivered to Port City Stockyards at Sealy and graded and sold by Sartwell, Jr., president of Port City Stockyards. The calves averaged 670 pounds each and brought \$1.25 over the day's market.

The lot was bought by Bliss, a nine-month project and computer terminals at 18 locations over Texas to link producers, order buyers and marketers, according to Dr. Extension livestock marketing.

System works this way. A producer requests a grad from a terminal location to list and sell the cattle he wants to sell. The grad describes by sex, weight, breed, flesh condition and distinguishing features. The grad also put a "no sale" price on the lot which means he does not want to sell for less than a certain price.

Information is then run through a terminal and is transmitted on a cathode ray tube (CRT), a television-like screen which is part of the computer system. The system can also produce a listing description, a consignment through Cat-100 pounds, and all consignments to 44,000 pounds must be sold at an auction in the computer system. The lot of 44,000 pounds, or a truck load, is sold "on ranch."

The advantage of this system is that it offers a lot of benefits to both the seller and the buyer. Because it offers more exposure to the lot and really benefits the seller, I like the way it works and the grader's system," emphasized Bliss. "I think a system that offers a lot of exposure to the lot and really benefits the seller, I like the way it works and the grader's system."

The seller of the first lot of "on ranch" cattle, noted that a big advantage was that the cattle did not have to be trucked to the market. The cattle were fresh and they didn't suffer any weight loss. And I got

a good price for them, by using a "no sale" price. I simply could have kept the cattle if I had not been offered a good price. Once you truck your cattle to a market, you've got to sell them; you're not going to load them up and haul them back home."

Since Hanson runs a stocker operation, he gets involved in both buying and selling cattle. He said he looks for specific types of crossbred cattle for stockers. And Cattlex will allow him to get these. "I think cattle buyers will be better off with this system," he emphasized.

Butler viewed the new system with enthusiasm and said "it's a real fine opportunity for cattlemen. It worked especially well for me since I had a special group of cattle--Charolais bull calves. Often buyers will not give adequate attention to small lots such as this, but through Cattlex my calves got special attention because they were exposed to more buyers. I'm excited about the system."

Sartwell pointed out that Cattlex is a good logical experiment in the progression of events that should lead to more efficient cattle marketing and called for more participation in the project. He echoed much of what others have said about the system--that it gives cattle more exposure to buyers. "After all," he said, "a man almost 600 miles away bought these cattle (referring to the lot sold by Butler)."

Following is a list of the 18 cooperators in the Cattlex network:

## Emergency Loans Available From FHA

Emergency loans for farmers, ranchers, or aquaculture operators are available through county offices of Farmers Home Administration (FmHA). O. Steven Kelley, FmHA County Supervisor, said recently.

Mr. Kelley asked that those who need farm credit as a result of drought, hail and high winds make their needs known at the Farmers Home Administration office at Floydada.

Applications for assistance in the disaster stricken counties will be accepted by Farmers Home until June 18, 1981 for physical and/or production losses.

FmHA loans covering actual physical and production losses may be used to replace installations, equipment, buildings, (including homes) lost through this disaster. Funds may be used to buy feed, seed, fertilizer, livestock, or to meet interest and depreciation payments on current real estate and chattel debts. Other loans, beyond actual losses, can be made for annual operating expenses or to make major adjustments in a farming operation.

"Funds can be used for essential operating and living costs," Mr. Kelley said.

Loans covering actual losses are made at an interest rate of five percent and are scheduled for repayment as rapidly as feasible consistent with the applicant's reasonable ability to pay. Loans beyond actual losses have various maturities, depending upon the purpose of the loan.

The interest rate for short-term loans for farm operating purposes is 13 1/2 percent. Long-term loans are being made at an interest rate of 12 1/2 percent.

To be eligible for an emergency loan, an applicant must have suffered losses from the disaster and be unable to get credit from other sources.

Emergency loans can be used to help the farmer restore damaged farm operation and additional loans based upon the emergency designation can be used to reorganize the farm for greater efficiency and better production.

## MARKET REPORT

Local grain markets on Wednesday afternoon were:

- Milo/cwt. — 5.75-5.80
- Wheat/bu. — 4.22-4.25
- Sorghum/bu. — 7.35
- Corn/cwt. — 6.10

Cotton contracts on Wednesday were 3100 points over the 1980 loan.

Game Totals: Allowed 3161 yards. Rushing: 140 yards. Passing: 1241 total yards.

Donald Sims, number 40, is a 140 pound runner that has been tearing up the opposing teams all season.  
Clifton Cornish, 140 lbs., was an all-district split receiver last year. He has good speed and as wide receiver is a definite threat for the deep bomb.  
Top lineman, David Tucker, is a 236 pound senior who made all-district in both football and basketball as well as all-state in football last year.  
Childress carries a 5-0 for the season. They are scouted as playing a little weaker this year than last but are traditionally a strong team when on their home ground.  
Coach L.G. Wilson says that despite all this the Winds think they have a good chance to beat the undefeated Bobcats.  
"We have a bunch of our injured boys back for this game," Wilson said. "We have a tradition of our own and with the type of workouts we've had plus the week layoff we are ready."  
A spirit day has been declared with fans and supporters and student body backing the Whirlwinds with signs and posters.  
A caravan of supporters will meet the Winds along the highway by the A&M building and escort them out of town Friday afternoon on their way to Childress. Fans are asked to park single file at 4:15.  
Coach Wilson asked, "Thank everyone for their fine support for this ball game."  
Line-up for the Childress game will be:

**Offense**  
S. End — Ronnie Minner  
Tight End — Carlos Rainwater or Norman Allen  
L. Tackle — Robert Nixon  
R. Tackle — Bryan Emert

## Freshman Plow Over Childress

Floydada Freshmen chalked up a 20-8 victory over the Childress freshmen last Thursday afternoon at Wester Stadium.  
In the first quarter of the game the Winds scored with a pass from Mark Hatley to Joe Faulkenberry for a 30 yard TD. The PAT failed and the score going into the second quarter was 6-0.  
Carlos Baker went in from the 10 yard line to score. Mark Hatley made the extra point on a run. Score at half time was 14-0.  
In the third quarter Max Bearden scored from the 8 yard line. The extra point was no good.  
Childress scored from the 10 yard line and ran it across for 8 points. Score 20-8 and held until the game ended.  
Offensive standouts were: Joe Faulkenberry, Mark Hatley, Wayne Morren, Max Bearden, Carlos Baker and Fernando Arivizu.  
The defensive standouts were: Patrick Lloyd, Tony Ibarra, Hatley, Quint Anderson, Johnny Jones and Tim Lipham.  
"The freshmen did a good job," Coach Mike Cocanougher said, "we worked hard all week and it paid off."  
The Frosh have four more tough district game to go. "We are still making several mistakes on defense, which we will try to correct this week," the coach said.  
The Freshmen play at Lockney this Thursday at 5 p.m.

## Netters Bring Home A 16-2 Victory Over Abernathy

Playing a Class AAA team for the first time this season, the Floydada High School tennis team rolled up a 16-2 victory over Abernathy Tuesday evening.  
The Whirlwind netters, 3-2 on the year, gained most of their ground in the boys half of the match with a 9-0 sweep. Not only did the boys win all six of their singles matches and all three of their doubles matches, but they did so without losing a set.  
The girls won five of their six singles matches and two of their doubles matches.  
The tennis team will see action again October 25 against Plainview and Borger. The junior high and freshmen teams also see action that day in the Lubbock J.H. tournament.

## Band Prepares For U.I.L. Marching Contest

The Floydada Whirlwind Band, under the direction of Bruce Kenner, will be attending two festivals next week as they prepare for the U.I.L. marching contest to be held on November 4 and 5 at Texas Tech's Jones Stadium.  
Tuesday night, October 21, the band will travel to Wayland Baptist in Plainview for their Night of Bands Festival. Floydada will march at approximately 8:00 p.m.  
Then on Saturday, October 25, the band will go to Lubbock to participate in the Texas Tech Marching Festival. The band will take the field at this festival at about 3:00 p.m.  
Admission is free to both festivals and everyone is invited to attend.

The festivals are designed to give area bands a chance to perform for each other and receive constructive criticism from well known judges.  
Judges for the Wayland festival are Gary Garner, Norvell Howell, and Jeff Doughton; while the Tech judges are Lee Boyd Montgomery, G.T. Gilligan, and J.R. McEntyre.  
The Floydada band will perform its U.I.L. contest show at these festivals, as well as at the next three football games. Music to be performed as the band marches will be **Montero, Spooky, and Don't Cry Out Loud.**  
Kenner expects the comments and suggestions from the judges to help him better prepare his band for the November U.I.L. contest.

## Breezers Fall To Childress

The Floydada Breezers lost their game to Childress 34-20 Thursday afternoon. Game was played at Childress.  
Childress eighth graders kicked off to Floydada. Darrell Martinez ran the ball 95 yards for a TD on the first play of the game. PAT failed. Score was 6-0 in the Breezers favor.  
Second quarter began with Childress on the Breezers 3 yard line. Next play they took it over for a TD. PAT failed. Score was tied 6-6.  
With 7:38 left in the second quarter, Michael Saens made a 85 yard run over the goal line. Tony Caballero carried for the extra point.  
Childress went in on a sweep for 6 points with 5:20 left in the second quarter. PAT failed. Score was Breezers 13 and Childress 12.  
A one yard plunge by Saens gave Floydada another 6 points. Extra point kick by Tony Martinez was good.  
Childress took the ball over on a 35 yard run with 1:05 left in the half. Pat failed.  
Darrell Martinez carried to the two yard line on a 20 yard run as the time ran out on the half. Score was in the Breezers favor 20-18.  
Childress received. With 7:27 in the third quarter they made a TD on a 60 yard run. A pass play gave them 2

extra points as they pulled ahead of Floydada.  
Larry Smith snagged a 25 yard pass, but the Breezers lost the ball on downs.  
In the fourth quarter with 1:38 left in the game, Childress took the ball over on an end sweep. They carried for the Pat. Score was 34-20.  
Saens scooped up the kick off and ran 70 yards over the goal line. TD didn't count because of a penalty against Floydada.  
Breezers play Lockney at Wester Stadium after the seventh grade game tonight.

## Childress Squeaks By Seventh Graders

Floydada seventh graders held the Childress team to only one TD in their game Thursday at Childress, but were unable to score themselves. Score was 6-0 in Childress's favor.

## Silverton Young Farmers Host Get Acquainted Supper

Silverton Young Farmers hosted a get acquainted sandwich supper and "42" party for their new club advisor and his wife, Mr. and Mrs. George Martin at the Pioneer Room, First State Bank, on Saturday, October 4.

Martin is the vocational agriculture teacher at Silverton High School. The Martins moved to Silverton from Clarendon. Winning high in the "42" game was Donnie Perkins while the low and traveling prizes went to Mrs. G.W. Chappell. Those attending the supper were Clinton Dickerson,

Fred Brannon, Tobe Riddell, Calvin Shelton, Mr. and Mrs. Claude Jarrett, Mr. and Mrs. Donnie Perkins, Mr. and Mrs. G.W. Chappell, Mr. and Mrs. Donald Perkins, Mr. and Mrs. Wayland Fitzgerald, Mr. and Mrs. Aaron Younger, Mr. and Mrs. Wayne Stephens, and the honored couple, Mr. and Mrs. George Martin.

**REMEMBER** your loved ones with a living memorial to the Caprock Hospital Auxiliary Memorial Fund. Mrs. Ben Whitaker, Treasurer T-tfc

Visitors at Mrs. Roy Fawver's home recently have included her niece, Mrs. Lovene Moore, O.H. Preston of Lamesa, Mrs. John Speer, Mr. and Mrs. Leslie Fawver, Mrs. Louis Peach, and Mr. and Mrs. W.N. Anderson.

Mr. and Mrs. Byron Kendrick's and Mr. and Mrs. Bobby Kendrick attended dedication services of the new Learning Center and the banquet for Scottish Rite members in Lubbock Thursday. The Learning Center will help students with dyslexia reading problems. Rebecca Redding, Sharon Smith, Jana Dunn and Andra Smith enjoyed a Sunday afternoon outing at Silver Falls park with Mr. and Mrs. Dale Smith. They took a picnic lunch to spread on the rock tables. Later in the afternoon they visited the Crosbyton Museum. Mrs. Roy Fawver visited Mrs. Nettie Adams Sunday afternoon. Mr. and Mrs. Dee Adams enjoyed two days at the OS Ranch Steer Roping at Post last Saturday and Sunday. Their son and family, Mr. and Mrs. Roland Adams and Misty, joined them on Sunday.

Mr. and Mrs. William Bertrand and Mr. and Mrs. Orville Newberry caught a plane in Lubbock and flew to Washington, D.C. for a ten day tour of the East Coast. They rented a car and drove to Maryland, Delaware, Virginia, West Virginia and Pennsylvania. The beautiful scenery and historic places drew them to Williamsburg, Virginia and the colonial restoration, the Amish farming area, the Shenandoa Mountains and Blue Ridge Mountains. The leaves had not turned color yet, as the drought affects them this way, but will remain green and drop off. The Floydada party stayed at an Amish hotel that did not offer T.V., but piped in Amish music. They

enjoyed staying at an Amish farm house that takes in guests. The neatness and prosperity of the farms impressed the Texas farmers. Not a weed was in sight. They met Mr. and Mrs. Weldon Hammonds at the Colonial Pottery at Williamsburg.

Mr. and Mrs. Weldon Hammonds drove to Hampton, Virginia earlier in the month to visit their daughter, Kay and her husband, Conley Bradford and children. The Bradford's live twenty-eight miles from Williamsburg, where the Hammonds, Bertrands and Newberry's met.

Mr. and Mrs. Punk Jackson and daughter, Tiki, of Spearman, arrived Saturday to attend Scarlett's high school homecoming at Crosbyton. Her class met at the Crosbyton Senior Citizen building for a special get together. They visited with her brother and family, Judge and Mrs. Choise Smith.

Mrs. Roy Fawver and other members of LOVE Sunday School class took a picnic dinner to the Baptist encampment Sunday. The beautiful blue and gold October day, the spreading trees, the fellowship of dear friends made a lovely outing for the class.

Mrs. Q.D. Williams met Mr. and Mrs. James Williams and children, Austin and Ashleigh, in Lubbock for lunch Friday. She also visited Mrs. Liz Rojas at Acuff and took her some vegetables canned from Floyd County. Mr. and Mrs. Howard Bishop and Mr. and Mrs. Norman Muncy attended the

Dallas Cowboy football game and the State Fair at Dallas last week. They traveled on to Canton, Texas to attend First Monday trade days. On a thirty-five acre lot they saw every kind of antique, paintings, collectibles, goats, hound dogs, guns, quilts and anything anybody wanted to trade for. They also saw Mr. and Mrs. Wayne Battey of Paris, formerly of Lakeview. Naomi had a booth where she sold her oil paintings of flowers and scenes. Norman bought antique guns, Nancy and Edith bought muffin stands with hand painted China insets. So many sights intrigued them they are looking forward to another visit, held each first Saturday, Sunday and Monday of each month.

Judge and Mrs. Choise Smith attended the 4-H achievement banquet in Lockney Saturday night. Dean Smith was given a first year pin, and Hunter received his second year pin. Miss Jody Smith received her six year pin and an award as the Floydada Sweetheart. Mrs. Weldon Hammonds visited her daughter, Mrs. Gay Lynn Carpenter and new baby son, Cody Braden, in Canyon on Monday.

Mrs. Byron Kendrick attended the meeting of the Alpha Sigma Upsilon sorority Tuesday evening at the home of Mrs. Rhonda Guthrie. Members quilted a quilt for the Christmas craft show. Little Miss Lara Kendrick enjoyed a visit with her grandparents, Mr. and Mrs. W.R. Daniel on Monday and Tuesday, while her sister, Christi, attended G.A.S. on Tuesday, and went to choir practice on Wednesday.

Stacy Smith visited Ma thew Redding at the Redding home Sunday, where all the girls of the family were picnicking at Silver Falls.

Greg and Mike Bishop, Texas Tech, visited the parents, Mr. and Mrs. Harold Bishop, over the weekend. Other visitors included Mr. and Mrs. Pete Caloway and Sid Brown of Floydada. Lezie and Will Williams visited their grandparents' farm last weekend, with their mother, Mrs. Warren of Tahoka attending an ant show in Santa Fe, N. Mexico.

# Star Design Mobile Wins Competition

The competition, co-sponsored by the American Institute of Architects, recognizes "original designs in which creative use of aluminum is an important contributing factor."

Padilla's mobile home model has two sets of solar panels which can track the sun from any position during the year. The panels are positioned by a home computer in the mobile unit.

The solar system is designed to provide hot water and space heating. Space cooling is provided by a conventional cooling unit under the home.

The mobile home design has two bedrooms, two baths, a kitchen and a living room. The aerodynamic design of the outer shell is aimed at preventing wind damage.

"I would like to build a solar mobile home some day. I imagine it will be 65 feet long and 14 feet wide," Padilla said.

**CITIZEN AND COMMUNITY DEVELOPMENT PROGRAM**  
 The City of Lockney will be holding a public hearing to receive views and comments on a proposed new Citizen Participation Plan for its Community Development Block Grant (CDBG) program. The Plan to be considered at the hearing outlines the policies and procedures of the City with regard to the planning, implementation and administration of its housing and community development program. A public hearing has been scheduled at 7:00 P.M., on October 21, 1980, in the City Council meeting room at City Hall, 215 E. Locust Street. A copy of the proposed Citizen Participation Plan will be available for examination, upon request, in the office of the City Manager prior to this public hearing. Written comments from citizens and citizen groups are encouraged to be presented at this important public hearing and present their views on citizen participation in the CDBG program. If you are an individual who may have difficulty in attending the hearing should contact the Lockney City Hall to request special assistance.  
 For more information, contact Erma Lee Duckworth, City Manager, at 652-2355.

## National Newspaper Week Oct. 12-18

**OUR FREEDOM SAFEGUARDS YOUR FREEDOM**

Newspapers are the voice of a people and the force of a nation. They speak up and speak out... informing us all about what's happening in the world, and we in turn, learn and form opinions that help us to act on the issues and vote in government. The workings of a free and fearless press is our best defense against tyranny...and a powerful strength in a democracy.

## South Plains News

Mrs. Murry Julian

South Plains, October 13: Sunday morning visitors at the South Plains Baptist Church were Mr. and Mrs. Bobby Craddock of Sunday, and with Renee Sanders was Randy Johnson of Floydada.

The Caprock Workers Conference will be held at Spur at the First Baptist Church next Thursday, October 16, with the program beginning at 3:00 p.m. and the evening program will begin at 8:00 p.m.

Promotion Day at the South Plains Church will be on Sunday, October 26. Please make your plans to attend.

Mr. and Mrs. Sterling Cummings went to Glen Rose Saturday and Sunday of last week to bring his parents, Mr. and Mrs. Zach Cummings, home to Lockney. They had been visiting the week before with their son, Mr. and Mrs. Zach Walton Cummings at Glen Rose.

Mrs. Bonnie Moore who resides west of South Plains near the Herman Thornton home, had as house guest last week, Mrs. Ethel Browning, from Lubbock. They attended church at South Plains Wednesday evening.

Mrs. Carleton Johnson (Diane) had the misfortune to get a big piece of rock in her eye on Saturday, which precipitated a visit to the doctor. We hope she is doing well by now.

The Young People of South Plains were given a Hay Ride and Progressive supper on Saturday night, October 11. They met at the home of Mr. and Mrs. Nathan and Connie Johnson at 6:30 p.m. and they went first to the home of Mrs. Mamie Wood where the first course was chips and dips and fresh vegetables. The second meal was at the home of Mr. and Mrs. Kendis and Janis Julian, where they had the main course of their supper, with Mexican enchiladas, Spanish rice and refried beans.

They all ended up at the home of Mr. and Mrs. Nathan and Connie Johnson, where they had ice cream and cakes, and games were played. Those who were present were Mitzi Julian, Renee Sanders, Randy Johnson, Regina and Bobby Craddock, Bill Staples, Terri Bailey and Toni Shipley.

Melissa Horne, granddaughter of Mr. and Mrs. Sylvan Kinnibrugh was in the Central Plains Hospital from Wednesday to Sunday of last week, and out of school all week. She will be going back to the hospital on Wednesday where they hope to diagnose her illness.

Mr. and Mrs. Nathan Mulder, Cindy, Penny, Cory and Jimmy left here Friday for Clovis, New Mexico where they visited that night and Saturday with her grandparents, Mr. and Mrs. W.B. Blalock.

Saturday, September 27, there was an auction sale for the Taylor Brothers, and all their equipment, fence supplies, windmill parts, and things used in ranching were sold. The Taylor Bros. dissolved their partnership, and sold everything at public auction. The sale started at 10:00 a.m.

Kevin Staples was taken to Amarillo Monday by his mother, Mrs. Howard Staples, and his grandmother, Mrs. Harold Hamm, and underwent medical examination for a kidney ailment. He is doing well at this time, we are glad to hear.

Our community was shocked and saddened Friday morning, when Bobby Ramsey died at the Central Plains Hospital in Plainview.

He had been taken there on Thursday, following his illness at home, and he passed away at 4:00 a.m. Friday morning, October 10. His services were held at the South Plains Baptist Church at 2:30 p.m. Saturday, October 11, with Rev. Cecil Osborne officiating. Interment was in the Lockney Cemetery. We offer our sympathy to his brother and family, who live in Lubbock and all his other relatives who were here for the services Saturday.

The South Plains Hobby Club met Wednesday, October 8, at 2:00 p.m. in the home of Mrs. Leighton Teeple, who resides east of South Plains. Mrs. Dot Cummings gave the Thought for the Day, and roll call; a way I have saved money during this inflation was given by Marilyn Tate, from the Floyd County Home Extension Office in Floydada, who spoke on Heat Pumps, Ceiling fans, and told of the saving in electricity, etc. as well as helping cool the house, or warm it, with fans. Mrs. Teeple served refreshments of coffee, punch, sausage rolls, cheese puffs, and cookies.

Those who were present were Mmes. Kendall Cummings, E.J. Kinslow, Letha Mulder, Fred Marble, Louzella Nichols, Hansel Sanders, Grigsby Milton Jr., Bonnie Julian, Keith Marble, guest Marilyn Tate, and hostess, Juanita Teeple.

Hobby Club will meet on November 12, in Lockney at the home of Mrs. Fred Fortenberry, with Roll Call; something new I have made for Christmas. The meeting will begin at 2:00 p.m. and

the program will be on crafts.

Baptist Women are making plans to meet at the South Plains Baptist Church, and plans are being made for WMU Royal Service programs.

Especially adapted to meet size needs, kitchen storage is as close at hand as the wall space below the upper kitchen cabinets and as accessible as pulling on the swing-down doors. Cut 3/4" plywood for the top, back and bottom to the full length of the upper cabinets less 3". Using butt joints, fasten the top, back and bottom together. Cut two pieces to fit over each end to give you a three-sided, closed end rectangular box. To section storage areas, cut inside dividers 3/4" less than the depth of the cabinets, leaving room for doors and trim. Cut facing strips out of a 1x2 and nail at both ends and the center. Fasten the box to the wall by screwing into the wall studs. Cut two doors out of 3/4" plywood measuring from each end to the center. Attach the doors with butt hinges on the bottom. Cut 4 chains for retainers to allow the doors to open horizontally to the unit.

## Arts And Crafts Festival To Open Friday, October 17

"Buy something original this year" is the slogan of the sixth Running Water Draw Arts and Crafts Festival. The annual event opens on Friday, October 17, at the Hale County Ag Center with 125 artists and craftsmen displaying their handmade items for sale. Plainview Rotary Club and Llano Estacado Museum sponsor the festival and share the proceeds for their projects in the community and at the museum.

Artists come from Texas, New Mexico, Colorado and from as far away as Ohio. "We even have an exhibitor who lives in Switzerland! She knew about the show because she has relatives in Plainview," according to Festival director Rob Strong. "If you can't find a unique Christmas gift or something beautiful for yourself, you aren't looking, yourself, you aren't looking," Strong commented. All artistic media are represented in this show. They include painting, stained glass, sculpture, leatherwork, needle crafts, egg-cury, woodwork, toys, calligraphy, candlemaking, drawing, photography, zinc engraving, pottery, and Scherenschnitte (scissor-cut pictures).

In addition to the artists and craftsmen, the Backstage Company of the Plainview Civic Theatre will be demonstrating stage make-up and face painting. Food will be available for all visitors who will have a wide choice of edible goodies. Wayland College's French and German Clubs offer authentic food, and Plainview TOPS clubs will have a variety of food items.

Many of the artists are returning, some for the sixth time. "They have told us that they like coming to Plainview because the people of the area are so friendly," commented Strong. Artist from the Floydada area include Mary Montandon from Aiken; Winnie Carthel, Ann Glasscock, and Joe Goen from Floydada; Cynthia Bybee, Elfie Sherman, Linda Terrill, Chuck and Joyce Wilson, and Sheila Poole from Lockney; and Grace Ashley from Ralls.

The Festival hours are 10:00 a.m. to 9:00 p.m. on Friday and Saturday and from noon to 5:00 p.m. on Sunday. Admission is \$1.00 for adults and \$.25 for children under 12. Visa and Master Charge are accepted for all purchases.

## Chambers Photography Offers The Old As Well As The New

Tom Chambers, owner of Chambers Photography in Crosby, Texas, hopes to offer quality portraiture and an artistic approach to the medium of photography.

He also foresees future expansion for local and regional exhibitions, involving

artists who work in other media of artistic expression as well as photographic.

Chambers will also be teaching basic black and white photography classes for those persons who would like to learn this exciting medium of self-expression (telephone #675-7075.)

## SALT: THE HIDDEN MENACE

Salt, or *salarium* in Latin, was so highly regarded by the ancient Romans that it was sometimes used as money to pay their soldiers—thus, the word "salary".

Though humans have always had a taste for salt, the body requires it only in small amounts. In fact, the Senate Committee on Nutrition and Human Needs recommends you limit your daily intake to no more than five grams (equivalent to two grams, or 2,000 milligrams sodium).

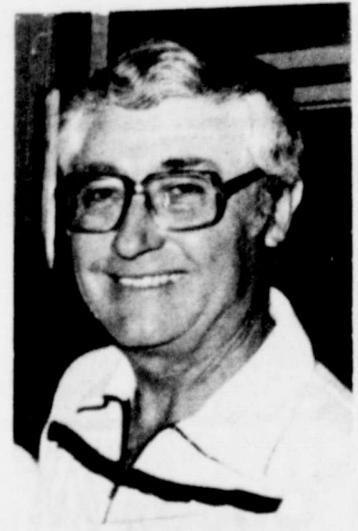

A giraffe's tongue may be one-and-a-half-feet long.

## Time To Run" To Be Town October 19th

TIME TO RUN, a film that develops problems and will be shown at the Assembly of God in Floydada on Sunday, October 19th. The feature, in Eastmancolor by the Picture, will be beginning at 7:30 p.m.

family apart—conflicts that develop between husband and wife, and between father and son. In an attempt to find freedom from the evergrowing hostilities, Jeff takes to the road, hoping to discover some meaning in his confused life.

Approached from a religious perspective, TIME TO RUN is also a story of friction between Jeff and his girlfriend, Michelle, played by Barbara Sigel, who is a familiar face to television viewers. Michelle has discovered a spiritual dimension in her life, and this aspect is very confusing to Jeff, who has little time for "a God who would allow war, hatred, and suffering on earth." But his life is shattered by an avalanche of personal problems, and he finds himself at a Jesus people gathering with Michelle, where he glimpses the possibility of a new life-style based on love and understanding.

TIME TO RUN is a film that can help strengthen love relationships between people. It's a film that was made for families to attend-together.

The film is being shown for "Youth Night" at the church. Admission is free and everyone is invited to attend this Billy Graham film. Be sure to bring a friend to see TIME TO RUN.

TED JORDAN AND BOB COPELAND are forming the cement in front of Thompson's Pharmacy.

## Floydada Nursing Home Happenings

This was a great week. We had a lot of fun, at our party Thursday.

Imogene Gray furnished ice-cream and Bonnie West and I baked cakes. No special occasion we just wanted to get together. During the party Mrs. Alta Probasco was presented a certificate of recognition for reading the New Testament through in less than a month.

Each resident drew a number and as the numbers were called several won gifts. Those winners were: Hollie Bertrand, Willie Stambough, Ray Reed, Myrtle Roy, Ethel Collins, Sallie Kreis. We want to thank May Adams and Gladys Widner for helping with the serving.

We went to Silverfalls on our bus trip. Those enjoying the trip were: Emmitt Lawrence, Verna McSwain, Verna Pricer, Mr. W.C. Cates and Iva Simpson. Mr. Cates really enjoyed the trip because it was the first time he had been to the falls. Thank goodness, it had rained enough for the park to be pretty.

Mrs. Hazel Ginn is home from the hospital and doing fine.

Several of our residents are about sick with colds and hay fever. These are, Verna Pricer, Docia Manning, Grace Jarboe, W.C. Cates, Mr. Lawrence, Clara Williamson and Mamie Gray.

We have with us Mr. J.T. "Boots" Strickland. Mr. Strickland has lived with us before and we're proud to have him back.

Mr. Bob Rossen brought watermelons for the residents Tuesday afternoon.

Dick and Inez Furrow is here from California visiting his mother, Mrs. Ollie Furrow, and to enjoy Homecoming.

Mr. Roy Fawver who had been a resident here for only a short time died about 6:30 Sunday evening in our home. We would like to express our deepest sympathy to his loved ones.

We had the largest Bible study class Tuesday we've had in a long time. There were seventeen eager residents to study the Gospel of Luke. Those attending were, Verna McSwain, Hallie Bertrand, Henry Love, A.G. Eubanks, Alta Probasco, Iris Colston, W.C. Cates, Myrtle Roy, Geneda Roberts, Iva Simpson, Clara Murry, Jessie and Merel Freeman, Icy Biggs, Sue Thompson, Susie Mooney and Emmitt Lawrence.

Steve brought the reading and worded the opening and closing prayer.

We would like to thank Genelda Fulton for the beautiful red roses. We have enjoyed them so much.

Mr. and Mrs. Earl Bishop visited in our home Thursday morning. It is amazing to see

all the people who brought blackeyed peas, okra and other fresh vegetables this past summer. The residents really enjoyed themselves during our pea shelling parties.

On Friday afternoon the residents enjoyed playing dominoes and popping popcorn.

We would like to welcome Mrs. Hallie King as a new member of our family.

Mrs. Sally Carpenter recently went to visit her son, Dale Carpenter and family and her daughter, Mrs. Joe Conway and family in Irving, Texas. While there Mrs. Carpenter went sightseeing and visited with her grandchildren and great grandchildren.

## LOCKNEY Care Center Happenings

by Vickie Hutton

We have had an enjoyable time this week. On Thursday, Mrs. Eunice Taylor celebrated her 94th birthday. A birthday party was held Thursday afternoon. Refreshments were brought by Mr. and Mrs. Dick Taylor and Mr. and Mrs. Preston Taylor, Mrs. Taylor's sons.

Tuesday afternoon we played bingo. The winners were Bill Holt, Richard Lanham, Bill Payne, Lavella Edwards, Myrtle Burke and Albert Poole. Blackout winner was Vera Rogers.

Myrtle Burke, Alpha Kitchens, Richard Landam, Bill Payne, Sally Carpenter and John Turner enjoyed cutting up okra Wednesday afternoon. We would like to thank

all the people who brought blackeyed peas, okra and other fresh vegetables this past summer. The residents really enjoyed themselves during our pea shelling parties.

On Friday afternoon the residents enjoyed playing dominoes and popping popcorn.

## Lions Ramps Provide Easier Access To Downtown Area

Access to stores in downtown Floydada for persons who are confined to wheelchairs or who require the use of walkers has been made easier thanks to the efforts of the Floydada Lions Club.

In observation of World Lions Service Day, the Floydada Lions Club, this past weekend, constructed wheelchairs, Mike Samford, who is a disc jockey at KFBA radio, is confined to a wheelchair, and has been having to go

around to the alley to get into the station.

At least one person will get almost daily use out of the chair ramps in three locations. Ramps are located on Main Street on the east side by Arwine's Drug, and on the west side in front of Thompson Pharmacy. The third ramp was constructed on the northeast corner of California and Fifth Street.

"These first ramps are only the beginning," said David T. Seay, Lions Club president. "Our intent is to build more ramps in the Spring, and then continue until access is provided to all buildings in the downtown area."

Labor to bust out the existing sidewalks and curbs, and to pour and shape the concrete was performed by volunteers of the Lions Club. The City of Floydada provided a dump truck and man to pick up the old concrete. Purchase of the concrete was made possible by the proceeds that the Lions Club receives from its local projects.

"The Lions Club wishes to thank all of those in the community who participate in and contribute to our club projects," said Seay. "Without them, we would be unable to carry out such projects that benefit all of our community."

World Lions Service Day is an annual event where 1.3 million Lions all over the world unite to serve the needy and lonely. Over thirty-three thousand Lions Clubs in 150 countries and geographical locations in the world gather in their communities to perform special acts of service to the citizens of their locale.

MIKE SAMFORD gives the new ramp, at the northeast corner of 5th and California, its first try-out.

LEE BATTEY

## Battey Accepts Director Of Nurses Position

Lee Battey, Registered Nurse of Floydada, has recently accepted the position of Director of Nurses of The Visiting Nurse Service, Inc., 2414 34th Street, Lubbock.

Visiting Nurse Service, Inc. is a private, non-profit home health agency that is owned and operated by registered nurses of Lubbock. It is independent and unaffiliated with any other agency. The agency meets all of the regulations and requirements of the State and Federal Regulatory Act.

Visiting Nurse Service, Inc. is directed by an Advisory Board that consists of persons from various disciplines: physicians, nurses, educators, therapists, and civic-minded individuals who are interested in delivering high-quality comprehensive health care and service that is responsive to unmet needs and underserved areas within the fifteen county Health Systems Agency, Area 2.

Lee is the wife of David S. Battey, Jr., of Floydada, and the daughter of Mr. and Mrs. J.A. Hutchinson of Oklahoma City, formerly of Floydada. She has resided in Floydada since 1947. A graduate of Floydada High School, she also graduated from Lubbock School of Vocational Nursing in 1967. She attended Lubbock Christian College, South Plains College, and Texas Tech University. She is a 1976 graduate of Methodist Hospital School of Nursing. In 1979, she earned a Bachelor of Science in Nursing with emphasis on community health from West Texas State University school of Nursing. She has been employed by Methodist Hospital in Lubbock, from 1967 to 1980, with the exception of four years, 1971-1975, when she worked for Malcolm J. Thomas, M.D., a thoracic and cardiovascular surgeon. For the past two and one half years she had been Head Nurse of the Neurosurgery and Neurology Unit of Methodist Hospital.

care for terminally ill patients and their families. She and her husband are active members of the First United Methodist Church of Floydada, and Lee is a member of the National Hospice Organization, American Nurses Association, and Texas Nurses Association.

As Director of Nurses of Visiting Nurse Service, Inc., Lee wants to inform her community and area of the services provided by VNS, including nursing procedures in the home on an intermittent basis such as injections, dressings, catheter insertion and care, ostomy instructions and care, as well as nursing assessment, patient education, nutritional counseling, monitoring of vital signs, discharge planning and referrals to other community agencies. Rehabilitative services include physical therapy and speech therapy. All treatments are carried out as ordered by the patient's own physician. The availability of the visiting nurse allows an earlier discharge from the hospital, thus providing economy to the patient and cost containment in health care. Charges for services do not exceed actual cost to the agency, and payment is made by Medicare, Medicaid, Veterans Administration, Champus, private insurance companies, and private pay (full or partial, according to a sliding fee scale.) No patient is denied services regardless of race, creed, or socioeconomic need. Referral may be made by the patient, physician, nurse, hospitals, clinics, social workers, ministers, friends, and families. If initial visits and assessments disprove the patients outstanding services of Visiting Nurse Service, Inc., is the

No matter how demanding the nation's diplomatic and economic problems seem to be, they should not completely distract us from concerns closer to home. We should realize that our state's future will be affected by the information available to its leaders at all levels, in government, business and private life. Similarly, the ability of each individual to cope with change depends on ready access to timely, reliable information, for which the public libraries are a primary source.

In the wake of escalating costs of books, magazines and less traditional materials, libraries are sailing in troubled waters. For instance, the average cost of a book was \$8.77 in 1967, but by 1978 was \$20.10. Magazines now cost more than \$30 for the average annual subscription. In 1967 the cost was under \$9. Moreover, it is estimated that the sea of information is doubling every ten years.

The indications are that public libraries should be given greater support in order for them to keep abreast of the public's growing and more sophisticated demands for service. How much emphasis does Texas place on statewide library development? For comparison, the state of Maryland has a population of 4 million, served by a library budget of \$9.5 million, for a per capita support of \$2.31. Pennsylvania boasts a population of more than 11 million, while spending more than \$10 million on its public libraries.

In the traditionally more conservative South, there are states such as Arkansas, having a library budget of less than \$900,000 in 1978, or just 40 cents per capita. Louisiana allocated \$1.5 million to meet the needs of close to 4 million residents last year.

In order to fully appreciate the significance of Texas' ranking with other states, one must consider the tremendous growth which we have begun to realize over the past decade. The population reached 12,830,000 in 1979. Try to imagine the impact of \$2.5 million toward the development and support of the 381 diverse and widely scattered public libraries around the state. For 1980, the per capita support from the state's general revenue funds stands at 16 cents.

How does the library allocation compare with other departments of the state government? One example is the Central Education Agen-

cy, representing our public schools. Its budget is just under \$3 billion. This amounts to \$1,100 for each of 2.6 million students. The Colleges and Universities Coordinating Board serves over 328,000 students at an allocation over \$2,000 per student.

Another interesting figure is the \$144 million budget for the Department of Corrections, to be disbursed for a client population of 24,700, which works out to \$5,850 per client. The Department of Human Resources will spend some \$83 million of General Revenue Funds, at \$6.48 per capita.

Certainly the chief responsibility for support of each public library must rest with its local government. However, the state obviously shares that obligation for serving its citizens, regardless of the town, county or region in which they live. Texas ranks 46th from the top in state support for libraries among the 50 states. It would seem that we have far to go.

**BIOENERGY.** That's the term used now in most official government reports on gasohol, alcohol fuels, methane gas and other energy forms to be developed from biomass. According to the latest forecast from the Office of Technology Assessment (OTA), bioenergy can account for up to 20 percent of the total energy needs of the United States by the year 2000. That's double the earliest projections. The OTA report was also one of the first to recommend the use of alcohol (methanol) as a stand-alone fuel rather than only as part of a blend. The big IF remains whether a significant realignment of priorities for federal agencies and extensive coordination among government entities, at all levels, will be required to successfully obtain production and usage goals.

**RAPID ROOF** - Acrylic Latex Sealer (Super Roofing Product - Just Roll It On or Spray It On). **RAPID ROOF** is the water-based, acrylic latex roof coating designed to provide a unilayered, flexible and seamless weatherproof covering over a variety of roof decking substrates. Lightweight yet durable, the **RAPID ROOF** exclusive membrane is many times lighter than conventional built-up roofing. **RAPID ROOF** can be applied over a great variety of roof decking substrates including built-up roofing, asphalt, composition shingles, tar and gravel, metal, concrete, sprayed-in-place urethane, new or old surfaces. Because **RAPID ROOF** is a fluid-applied elastomeric coating, roofing deck irregularities that might pose problems for seamed membrane applications can be overcome with the **RAPID ROOF** monolithic system. Forget the mess, expense and hazards of hot mopped asphalt. **RAPID ROOF** is applied cold, right from the container. By spray, brush or squeegee, the ease and convenience of the **RAPID ROOF** application greatly simplifies job-site procedures, significantly reducing the incidence of applicator error.
